"Lăng tiên sinh, liệu có thể linh động một chút, để mau chóng ký hợp đồng hơn được không?" Phương Tuyết Di tao nhã ngồi ở trước mặt Lăng Vân Giai, thẳng thắn hỏi.

Trong mắt Lăng Vân Giai lóe lên một tia gian giảo, cười ha hả nói: "Tuyết Di, vốn với sự giao tình của hai nhà chúng ta, đúng ra không cần phải dựa theo trình tự bình thường. Nhưng mà. thôi, anh không nói nữa, chuyện này anh sẽ mau chóng thúc đẩy. em cũng đừng nên sốt ruột quá."

Lăng Vân Giai muốn nói lại thôi, lại khiến cho Phương Tuyết Di nóng cả ruột, cô cần phải biết ngọn nguồn trong đó, nếu không cô sẽ không thể thoải mái được.

"Lăng tiên sinh, anh có việc gì thì cứ nói thẳng ra đi." Phương Tuyết Di dồn dập truy hỏi.

Lăng Vân Giai hơi hơi ngẩng đầu, thản nhiên liếc mắt nhìn Phương Tuyết Di, nhấp một ngụm trà thơm, rồi mới chậm rãi mở miệng: "Tuyết Di, chuyện chúng ta gặp mặt mấy ngày hôm trước em còn nhớ rõ không?"

"Ừm.!"

Phương Tuyết Di gật gật đầu, trên mặt nổi lên ráng đỏ, Hạo Vân chết tiệt, lại dám nói cô là les.

"Sự tình là ở chỗ đó.!"

Lăng Vân Giai thở dài một tiếng, nói: "Nếu lần trước hai nhà chúng ta kết thân thành công, việc này sẽ đơn giản ngay, căn bản không cần phải phiền toái như vậy. Nhưng mà hiện giờ, ba anh vẫn cho rằng chuyện gặp mặt là Phương gia bên em lừa dối Lăng gia nhà anh, cho nên trong lòng hơi có chướng ngại. mới."

"Anh nói như vậy, em hiểu chưa?"

Phương Tuyết Di hơi sửng sốt, rồi lập tức hỏi: "Lăng tiên sinh, anh có thể nói rõ ràng hơn một chút không?"

Lăng Vân Giai cười ha hả, ánh mắt nhìn chằm chằm vào Phương Tuyết Di, ý tứ sâu xa nói: "Tuyết Di, chẳng lẽ em thật sự không hiểu rõ ý tứ của anh? Hiện tại vấn đề lớn nhất là ở chỗ ba anh. Ông cảm thấy rằng mình bị lừa gạt, nhà họ Phương của em không nên giới thiệu em cho anh."

Phương Tuyết Di đến đây đã hiểu ra, nói cả buổi, hóa ra lão già nhà người ta tức giận vì mình là les, mà còn tiến cử cho con trai người ta gặp mặt.

Nghĩ đến đây, Phương Tuyết Di thoáng do dự một chút, đỏ mặt nói: "Lăng tiên sinh, kỳ thực. kỳ thực đây chỉ là hiểu lầm, em. em không phải. không phải như thế. em rất bình thường."

Lăng Vân Giai nghe thấy thế thì âm thầm bật cười, da mặt của cô gái này thật là non, mình chỉ dùng kế nhỏ như vậy, mà cô đã khai ra hết rồi.

"Tuyết Di, cái gì không phải như thế?" Lăng Vân Giai cố ý hỏi.

Sắc mặt của Phương Tuyết Di càng thêm ửng đỏ, ngượng ngùng nói: "Em không phải là lesbian.!"

Nói xong câu đó, Phương Tuyết Di cũng đã thẹn thùng đến mức không dám ngẩng đầu lên.

Lăng Vân Giai nhìn thấy bộ dáng thẹn thùng của Phương Tuyết Di, trong lòng càng hoan hỉ, lập tức âm thầm suy nghĩ, nhất định phải bắt con bé này tới tay, nếu không, cả đời sẽ tiếc nuối.

"Tuyết Di, nếu em hoàn toàn bình thường, vì sao Hạo Vân lại nói như vậy? Hay là em rất chán ghét anh?"

Lăng Vân Giai yếu ớt thở dài một tiếng, nói: "Ai, anh cũng biết là mình không được nhiều người thích, nhưng cũng không nghĩ rằng, em lại ghét anh mãnh liệt đến như vậy. Thôi, không nói nữa, anh còn có việc phải đi trước, về phần hợp đồng đầu tư anh sẽ quan tâm, trở về anh sẽ thương nghị với ba anh một chút."

Nói xong, Lăng Vân Giai liền đứng dậy chuẩn bị cáo từ.

"Khoan đã.!"

Phương Tuyết Di gọi Lăng Vân Giai lại, nhẹ giọng nói: "Lăng tiên sinh, không bằng ngồi lại thêm một chút đi, về chuyện tình lúc trước, em cảm thấy rất có lỗi, nếu như anh không ngại, thì sau khi tan tầm em mời anh đi uống trà bồi tội."

Lăng Vân Giai tao nhã nở nụ cười, làm ra bộ dáng thực khó xử, suy nghĩ một chút rồi nói: "Vốn anh còn có chút việc xã giao, nhưng nếu em đã nói như vậy, thì anh đành cung kính không bằng tuân mệnh, hoãn việc xã giao lại, đi uống trà với em vậy. Có điều chúng ta phải nói rõ, anh mời khách, nếu để cho phụ nữ trả tiền, nhất là một mỹ nữ giống như em, Lăng Vân Giai anh đây còn không có mặt dày như vậy."

"Như vậy sao được.!"

Phương Tuyết Di phân trần: "Là em bồi tội với anh, lẽ ra phải để em mời khách."

"Được rồi Tuyết Di, đừng tranh nữa, em mời khách trả tiền, chẳng phải là làm mất mặt anh sao? Đến lúc đó những nhân viên phục vụ quán trà cũng sẽ khinh bỉ anh. Như vậy đi, anh đi trước hủy việc xã giao đã, thuận tiện lại thương lượng một chút với ba anh, rồi chốc nữa chúng ta liên hệ điện thoại, chỗ do anh chọn, có thể chứ?" Lăng Vân Giai dò hỏi.

"Được rồi.!"

Phương Tuyết Di nhẹ giọng nói: "Vậy em chờ điện thoại của anh.".

Tiết trời sau khi vào xuân càng lúc càng ấm áp hơn, hôm nay là một ngày trời quang mây tạnh, mây đen cách xa ngàn dậm, không trung chỉ có vài đám mây xanh lơ lửng. Máy bay của Đinh Tuyết Nhu cũng đã cất cánh, sau hai mươi mấy giờ, cô sẽ tới được điểm đến cuối cùng là thành phố Hoa Hải. Giờ phút này, tâm tình của cô đột nhiên lại không thể bình tĩnh được, tim đập không hiểu sao lại nhanh hơn rất nhiều.

Đối với việc này, cô tràn ngập hy vọng, đồng thời cũng tràn ngập sợ hãi.

Cô hy vọng mình có thể tìm được Hạo Vân, đồng thời cũng lo lắng cuối cùng sẽ lại thất vọng mà về.

Mấy ngày nay, mỗi đêm cô đều mơ thấy Hạo Vân, chỉ có điều khuôn mặt của Hạo Vân lúc nào cũng mơ hồ, cô muốn nhìn rõ hơn một chút, nhưng mà như thế nào cũng không nhìn rõ được. Hơn nữa, ở trong giấc mơ, Hạo Vân luôn không nói một lời nào, vẻ mặt lúc nào cũng tràn ngập lạnh lùng với cô.

Mỗi lần, cô đều khóc trong giấc mơ mà tỉnh lại.

Sự tình năm đó, kỳ thật chỉ là sự hiểu lầm. Chỉ có điều, nhiều năm như vậy, cô vẫn không nhận được tin tức của Hạo Vân, muốn đi giải thích, cũng không có cơ hội.

"Đinh tiểu thư, sao cô lại khóc, có phải thân thể không được thoải mái không?"

Trong suy nghĩ, đôi mắt xinh đẹp của Đinh Tuyết Nhu đã rớt ra những giọt nước mắt chua xót, tiếp viên hàng không nhìn thấy cô rơi lệ, vội vàng đi tới quan tâm hỏi han.

281. Chương 92: Lần Đầu Gặp Mặt Sau Sáu Năm

"Cô có muốn báo cho bác sĩ của đội bay không?" Tiểu thư tiếp viên vẻ mặt hồi hộp.

"Không cần, cũng tốt rồi, không cần quan tâm đến tôi đâu, cô cứ làm việc của mình đi." Đinh Tuyết Nhu hơi điều chỉnh lại cảm xúc của mình, gắng gượng nở một nụ cười ngọt ngào.

Sau khi tiểu thư tiếp viên hàng không rời đi, Đinh Tuyết Nhu lại lâm vào trầm tư, cô nhớ tới lời hứa hẹn sảng khoái của mình với Hạo Vân, chờ sau khi cô tốt nghiệp đại học, sẽ cho anh ấy một mái ấm gia đình.

Đến nay, cô vẫn còn nhớ rõ ràng, lúc cô nói ra lời hứa đó, anh ấy vui vẻ và kích động đến cỡ nào. Có điều. cô lại không thể thực hiện được lời hứa hẹn của mình.

Đinh Tuyết Nhu có thể tưởng tượng được sự thất vọng và tuyệt vọng của Hạo Vân.

Kỳ thật, Đinh Tuyết Nhu hiện giờ cũng sợ hãi khi đối mặt với Hạo Vân, cho dù là chuyện năm đó bởi vì có nguyên nhân nên cô mới thất tín, nhưng sự thật tóm lại vẫn là sự thật.

Cô cảm thấy rằng mình thực có lỗi với Hạo Vân, từ giây phút năm đó cô rời khỏi Hạo Vân, cô đã cảm thấy có lỗi với anh ấy. Sáu năm trôi qua, sự áy náy và tự trách trong lòng càng ngày càng tăng.

"Đinh tiểu thư, máy bay chuẩn bị hạ cánh.!"

Tiểu thư tiếp viên cũng không rời xa khỏi Đinh Tuyết Nhu, mà luôn đứng ở bên cạnh cô. Cô tiếp viên cảm thấy rằng hôm nay Đinh tiểu thư có vẻ hơi thất thần, dường như tâm trạng đang không yên.

"Ồ, tôi biết rồi.!" Đinh Tuyết Nhu phục hồi lại tinh thần, nhẹ nhàng trả lời.

Đội mật vụ thành phố, đặc công của cục an ninh thành phố Hoa Hải, cùng với những bảo an do Vương Hà mời tới trước hừng đông đều đã vào vị trí, tiến nhập vào trạng thái khẩn cấp sẵn sàng chiến đấu.

Dựa theo lẽ thường mà nói, đối với công tác bảo an cho ngôi sao, đặc công tuyệt đối sẽ không tham dự vào. Sở dĩ, trong công tác bảo an của Đinh Tuyết Nhu có sự xuất hiện của đặc công, nói trắng ra là do Đại Phi dùng quyền hành để làm việc tư. Đương nhiên, một chút quyền hạn ấy đối với hắn mà nói, vẫn phải có. Hơn nữa, các huynh đệ cũng để cho hắn mặt mũi, không có một câu oán thán.

Máy bay đúng mười một giờ sẽ hạ cánh, về phía sân bay để đảm báo cho công tác bảo vệ cho Đinh Tuyết Nhu có thể thuận lợi triển khai, thậm chí còn sắp xếp một lầu hạ cánh để máy bay của Đinh Tuyết Nhu sử dụng.

Giờ phút này, Phương Hạo Vân, Trương Bưu, Đại Phi cùng với Vương Hà bà chị kết nghĩa của Đinh Tuyết Nhu, đồng thời cũng là người đại diện, đang chờ ở lầu hạ cánh hiện đại đó. Phương Hạo Vân nhìn mặt ngoài như bình tĩnh, nhưng mà trong nội tâm lại cuồn cuộn nổi sóng. Sáu năm trước, hắn đã nghĩ rằng mình và cô ta sẽ không còn cơ hội gặp lại, không ngờ vận mệnh lại trêu ngươi như vậy, không hiểu thế nào, lại cho hắn và Đinh Tuyết Nhu có cơ hội gặp lại.

Trương Bưu phát hiện ra vẻ mặt của Phương Hạo Vân có hơi dị thường, nghĩ rằng trong lòng hắn hồi hộp, lo lắng bị tổ chức chủ nghĩa khủng bố tập kích, nên đi qua, vỗ vỗ lên bờ vai hắn, cười nói: "Hạo Vân, không cần hồi hộp, chỉ cần cậu có thể phát huy ra bổn sự bình thường của mình, thì sẽ không có việc gì đâu."

Phương Hạo Vân âm thầm bật cười, mình có bao giờ thèm lo lắng tới cái gọi là chủ nghĩa khủng bố, chẳng qua hắn đang có chuyện trong lòng mà thôi. Đương nhiên, Trương Bưu nếu cho rằng là như vậy, thì cũng được.

"Ừm, tôi sẽ cố hết sức mình.!" Phương Hạo Vân gật gật đầu với Trương Bưu.

Vương Hà thì không ngừng nhìn đồng hồ, miệng liên tục lẩm bẩm: "Sắp tới, sắp tới."

"Vương tiểu thư, cô có thể im lặng một chút được không, chúng tôi cũng biết là sắp đến mà."

Nhìn Vương Hà có hành vi như trẻ con, Đại Phi cảm thấy dở khóc dở cười, thế này không hề tương xứng với tác phong nóng nảy bình thường của cô chút nào.

Vương Hà thở phì phì đáp lại một câu: "Tôi có thể im lặng được sao? Đêm qua giáo đồ của Thái Dương giáo còn lên trang web tuyên bố, nói rằng hôm nay sẽ huyết tẩy sân bay. Đúng rồi, công tác bảo an của các anh đã chuẩn bị thế nào rồi? Có thể cho tôi một lời chắc chắn được không, nếu không, tôi cho dù như thế nào cũng không thể im lặng nổi."

Trương Bưu lập tức trả lời câu hỏi: "Vương tiểu thư, cô cứ yên tâm đi, Tuyết Nhu là bằng hữu của chúng tôi, cho dù về công hay tư, chúng tôi đều sẽ dùng hết mọi biện pháp để đảm bảo cho sự an toàn của cô ấy."

"Uhm.!" Vương Hà gật đầu không nhắc tới nữa.

Ngừng một chút, cô chuyển ánh mắt sang phía Phương Hạo Vân, nói: "Này, sao cậu còn có vẻ hồi hộp hơn cả tôi thế, có phải cậu là super fan của Tuyết Nhu không vậy?"

Ấn tượng của Vương Hà về Phương Hạo Vân cũng không tệ lắm, ít nhất võ công của hắn cũng khiến cho cô vui tai vui mắt.

"Không phải, tôi cho tới giờ chưa từng hâm mộ ngôi sao." Phương Hạo Vân thản nhiên đáp lời.

Vương Hà nghe thấy thế, lập tức cảm thấy không vừa lòng, người kiểu gì vậy, đồ nhà quê, vô giáo dục, vô văn hóa.

Theo như Vương Hà thấy, trong số đàn ông không ai không thích, không say đắm Tuyết Nhu. Giọng ca ngọt ngào của cô đã thịnh hành mấy năm nay ở châu Á, đã tích cóp được số fan trung thành lên tới hàng triệu, chục triệu, riêng thế đã đủ để thuyết minh cho sức hút của cô.

"Tôi bảo cậu này, cậu có phải có vấn đề về tâm lý không vậy?" Vương Hà thở hồng hộc tiến lại gần, cẩn thận ngắm kĩ Hạo Vân, giống như là coi con tinh tinh vậy.

Lão tử có vấn đề về tâm lý đó, một người đã từng làm tổn thương ta, ta vì sao mà phải đi hâm mộ? Tâm tình của Phương Hạo Vân vốn đã không tốt, lại bị Vương Hà vô cớ chế nhạo, đương nhiên cũng tức điên lên: "Mời cô tránh ra, đừng quấy rầy tôi nữa.!"

Vương Hà còn muốn nói gì đó, lại bị Trương Bưu cản lại: "Vương tiểu thư, hiện giờ là thời điểm nhạy cảm, tôi hy vọng cô có thể im lặng một chút. Nếu không, cô sẽ làm ảnh hưởng đến công tác bảo an của chúng tôi."

Đại Phi cũng nói theo: "Vương tiểu thư, xin cô hãy lấy sự an toàn của Tuyết Nhu làm trọng."

Lời này vừa nói ra, Vương Hà lập tức đành ngậm miệng, chỉ hung hăng trừng mắt nhìn Phương Hạo Vân vài lần.

Hạ cánh rồi, so với dự kiến thì chậm hơn mười phút, có điều cũng không quan trọng, quan trọng là. máy bay hiện giờ đã an toàn vào trong lầu hạ cánh.

"Các tiểu tổ chú ý, máy bay đã hạ cánh thành công, phải chú ý chặt chẽ tình huống ở hiện trường, luôn luôn bảo trì liên lạc." Trương Bưu nhanh chóng truyền đạt mệnh lệnh.

Vương Hà cũng vội vàng liên hệ với thành viên của đội bay, sau khi xác định rằng không có việc gì, cô dẫn đầu đoàn tới đón máy bay. Trương Bưu, Đại Phi, Phương Hạo Vân cũng đi sát ngay sau.

Rất nhanh, máy bay đã hạ thang xuống dưới, đi ở đằng trước là một vài tên bảo tiêu đeo kính râm, sau đó là một vài tiểu thư tiếp viên hàng không, cuối cùng mới là Đinh Tuyết Nhu.

Phương Hạo Vân mang theo tâm tình phức tạp đưa mắt nhìn vào cô gái trước kia đã từng buộc tóc đuôi ngựa, sáu năm không gặp, bộ dáng của cô đã có biến hóa lớn. Ngoại trừ mơ hồ còn nhận ra một chút bóng dáng, Đinh Tuyết Nhu ở trước mặt này cùng với cô gái buộc tóc đuôi ngựa năm đó hoàn toàn giống như là hai người vậy.

Bây giờ cô cao gầy, mỹ lệ, mái tóc tự nhiên xõa xuống bờ vai, khuôn mặt hình trứng ngỗng, da thịt tuyết trắng, thực là có khí chất ngôi sao. Phía dưới đôi lông mày dài nhỏ là một đôi mắt to sâu thẳm mà xinh đẹp, từ trong con ngươi lộ ra sự trong vắt thanh thuần. Chiếc mũi thẳng cùng với đôi môi anh đào non mềm lại lộ ra vẻ gợi cảm, nhất là khi cô mỉm cười nhè nhẹ, đôi má lúm đồng tiền nho nhỏ trên mặt lại càng tăng thêm phong tình và quyến rũ vô hạn.

Cách ăn mặc của cô rất khéo, lộ ra vẻ thanh xuân đáng yêu, đôi gò bồng đảo ngạo nghễ đứng thẳng, cặp đùi thon dài càng làm tăng thêm mị lực vô cùng.

Phương Hạo Vân so sánh Đinh Tuyết Nhu ở trước mắt với cô gái buộc tóc đuôi ngựa trong ký ức của mình, nhưng mà rất khó để có thể tìm ra được điểm giống nhau giữa hai người.

Sáu năm trôi qua, rất nhiều thứ đều đã thay đổi.

Phương Hạo Vân âm thầm điều chỉnh tâm tình của mình, tận lực dùng một vẻ bình tĩnh để nhìn Đinh Tuyết Nhu.

"Nhu Nhu, nhớ chết chị mất.!" Vương Hà chạy nhanh tới ôm chầm lấy Đinh Tuyết Nhu, vẻ mặt hưng phấn, trên thực tế, các cô mới chỉ xa nhau mới vài ngày thôi.

Sau khi tách ra, Vương Hà vẻ mặt nghiêm túc nói: "Nhu Nhu, lát nữa em nhất định phải nghe theo sự an bài của bọn họ, nếu không, chúng ta khó có thể thuận lợi mà tới khách sạn."

Đinh Tuyết Nhu khẽ nhíu mày, thấp giọng hỏi: "Sự tình nghiêm trọng đến vậy sao?"

"Ừm.!"

Vương Hà nghiêm túc gật đầu: "Ngày hôm qua, bọn chị còn xem được tuyên bố ám sát của một vài tổ chức chủ nghĩa khủng bố. có điều em không cần quá lo lắng, dù sao lần này thành phố Hoa Hải cũng đã xuất động đặc công và cảnh sát đặc nhiệm, vấn đề sẽ không lớn đâu."

"Tuyết Nhu, đừng quá lo lắng, có bọn anh ở đây, em sẽ không việc gì." Phía sau, Trương Bưu, Đại Phi, Phương Hạo Vân cũng đã tới gần Đinh Tuyết Nhu.

"Hai vị đại ca, lần này em gái phải đa tạ các anh."

Cho tới nay, Trương Bưu và Đại Phi mới chỉ liên hệ với Đinh Tuyết Nhu qua đường dây điện thoại, trực tiếp gặp mặt thì mới là lần đầu. Đinh Tuyết Nhu vô cùng cảm tạ sự trợ giúp của bọn họ, cùng với sự an bài công tác hộ vệ lần này.

Đại Phi chọc quê nói: "Tuyết Nhu, đừng có khách khí như vậy, tương lai nói không chừng, bọn anh còn phải gọi em là chị dâu đó."

Lời này vừa nói ra, khuôn mặt của Đinh Tuyết Nhu lập tức trở nên đỏ bừng, có điều ai cũng có thể nhìn thấy, từ trong con ngươi của cô lóe lên thần sắc vui mừng.

Có điều Vương Hà lại không thích nghe lời này, cô vội vàng làm ồn ào: "Anh nói bậy bạ cái gì đó? Cái gì mà chị dâu? Tuyết Nhu nhà tôi sẽ không lập gia đình đâu. Lũ đàn ông thối trên thiên hạ, ai có thể xứng được với Nhu Nhu nhà tôi."

Đinh Tuyết Nhu đang đi trên con đường tuyệt vời nhất, hẹn hò, kết hôn là việc cô kiêng kị nhất. Thân là người đại diện, Vương Hà đương nhiên lúc nào cũng phải chú ý tới những nhân tố gây bất lợi cho sự phát triển của Đinh Tuyết Nhu.

"Chị Hà." Đinh Tuyết Nhu kéo cánh tay của Vương Hà, ý bảo cô đừng nói nữa, dù nói như thế nào, hai vị này cũng đều là bạn tốt của cô.

"Đúng rồi, vị này chính là Phương Hạo Vân.!" Trương Bưu hợp thời điểm đẩy Phương Hạo Vân lên, giới thiệu đơn giản với Đinh Tuyết Nhu.

Đinh Tuyết Nhu nghe thấy vậy, thân thể lập tức hơi run lên, đôi con ngươi xinh đẹp lập tức như ngừng lại trên người cậu thiếu niên.

Mặc bộ đồ thoải mái màu vàng nhạt, dáng người có vẻ gầy yếu, nhưng mà vẫn làm cho người ta có cảm giác rắn chắc. Trên nét mặt cương nghị có lẫn sự thản nhiên bất cần đời, khóe miệng mỉm cười, lộ ra một khí tức rạng rỡ nồng đậm. Một cậu bé rất sáng sủa, rất dễ thương. Có điều. cậu ta không phải là Hạo Vân mà cô ngày nhớ đêm mong. Nhưng không hiểu sao. Đinh Tuyết Nhu cảm thấy rằng từ trong ánh mắt của cậu ta có điều gì đó mà mình quen thuộc, nhưng mà những điều mơ hồ như vậy không thể khẳng định được.

Sau phút ngắn ngủi ngây người, Đinh Tuyết Nhu chủ động đưa tay ra, nói: "Hạo Vân, chào anh.!"

Nhìn cánh tay ngọc chủ động đưa tới, Phương Hạo Vân hơi thoáng do dự, rồi nhẹ nhàng cầm lấy lắc lắc: "Chào cô.!"

Ngay trong cái bắt tay ngắn ngủi đó, trong lòng Đinh Tuyết Nhu đột nhiên trở nên rung động, không biết vì sao, khi cậu bé này nắm lấy tay cô, trong lòng cô lại cảm giác thấy một cảm giác quen thuộc đã lâu.

Trong lòng cô thấy hơi bối rối, cô không biết là chuyện gì đang xảy ra, là cảm ứng chân thật, hay chỉ là ảo giác? Cô rất muốn nắm lại bàn tay của cậu bé để cẩn thận cảm ứng lại, nhưng rồi lại ngượng ngùng không dám mở miệng.

Vương Hà ở một bên thấy Đinh Tuyết Nhu bắt tay với Phương Hạo Vân, trong lòng hơi bị tức giận, thầm nghĩ, phúc tổ ba đời nhà mày thằng nhóc ạ.

"Hạo Vân, tôi đã xem tư liệu của anh rồi, tuy rằng anh còn trẻ, nhưng đã dày công tu luyện võ thuật, tôi rất bội phục anh, hy vọng chúng ta có thể trở thành bạn bè." Đinh Tuyết Nhu tóm lại luôn cảm thấy rằng trên người Hạo Vân có một cỗ khí tức khiến cho cô muốn được lại gần.

"Có thể trở thành bằng hữu của Đinh tiểu thư, là sự vinh hạnh cho tôi.!" Phương Hạo Vân tận lực khiến cho biểu hiện của mình trở nên bình thường, nếu mà tỏ vẻ quá mức, nhất định sẽ khiến cho Đinh Tuyết Nhu nghi ngờ.

Vương Hà muốn ngăn cản Đinh Tuyết Nhu kết bằng hữu với Phương Hạo Vân, nhưng mà trước mặt nhiều người như vậy, cô lại ngại không nói ra, đành phải tạm thời từ bỏ, chờ trở về khách sạn phân tích lợi hại với nó vậy.

"Đội trưởng, các tiểu tổ đều đã chuẩn bị xong, chúng ta có thể xuất phát hay chưa." Đúng lúc này, cánh tay đắc lực của Trương Bưu là Tiểu Lý đi tới, thấp giọng xin chỉ thị.

"Đại Phi, hỏi người của cậu xem, đã chuẩn bị tốt chưa?" Trương Bưu tuy rằng là tổng chỉ huy, nhưng mà những thuộc hạ đặc công của Đại Phi hắn lại không có quyền chỉ huy. Đặc công có tôn nghiêm và giới hạn của đặc công, bọn họ tuyệt đối sẽ không đồng ý cho một cảnh sát chỉ huy bọn họ.

Đại Phi nghe thấy thế, vội vàng thông qua thiết bị vô tuyến liên hệ với thuộc hạ của mình, sau khi xác định rằng mọi người đã vào vị trí, hắn gật đầu với Trương Bưu: "Anh Bưu, mọi thứ chuẩn bị xong rồi, em nghĩ chúng ta có thể đi thôi."

"Hạo Vân, cậu đi theo bên cạnh Tuyết Nhu, tôi và Đại Phi phụ trách an toàn ở hai cánh. Nhớ kỹ, nhất định phải cẩn thận."

Trương Bưu cố ý để cho Phương Hạo Vân tiếp xúc với Đinh Tuyết Nhu, cố tình giao cho hắn chức trách bảo hộ bên người.

"Tuyết Nhu, an bài như vậy, em không có ý kiến gì chứ?" Trương Bưu lễ phép hỏi một câu.

282. Chương 93: Sân Bay Hỗn Loạn

Vương Hà vội vàng phản đối: "Tôi phản đối, đội trưởng Trương, anh có chắc là mình không nói giỡn hay không vậy? Một nhiệm vụ nặng nề như vậy, mà anh lại có thể an bài cho cậu ấy đảm nhiệm, anh làm như vậy chẳng phải là trêu đùa với sự an toàn của Nhu Nhu sao?"

"Hạo Vân, nơi này giao cho cậu, tôi và Đại Phi ra ngoài chỉ huy tác chiến, chúng tôi sẽ mau chóng bắt những tên đạo tặc đang ẩn núp ở sân bay. Đến lúc đó, chúng ta lại tiếp tục xuất phát."

Trong hai mươi phút ngắn ngủi, Trương Bưu cùng Đại Phi cũng đã thấy rõ được bản lĩnh của Phương Hạo Vân.

Nói thật, đối với sự bình tĩnh, đối với năng lực phán đoán của hắn, Trương Bưu và Đại Phi đều có chút cảm thấy không bằng.

Cho nên, giao sự an toàn của phòng chờ cho Phương Hạo Vân, bọn họ cảm thấy yên tâm.

Lúc gần đi, Trương Bưu còn để lại hơn mười nhân viên mật vụ, phối hợp với sự an bài của Phương Hạo Vân.

"Không nên tin tưởng ánh mắt, hãy dùng tâm để thăm dò.!"

Ngay khi hai người chuẩn bị ra khỏi cửa, Phương Hạo Vân dặn dò một tiếng. Đối với những giáo phái chủ nghĩa khủng bố cực đoan này, tuyệt đối không thể dùng phương pháp giống như sử dụng với bọn đạo tặc bình thường được. Ở trong tổ chức của bọn chúng cái dạng người nào cũng có, thậm chí là đứa trẻ ba tuổi cũng có thể là phần tử khủng bố.

"Yên tâm đi, chúng tôi biết nên làm thế nào.!" Trương Bưu cùng Đại Phi ném một ánh mắt tự tin cho Phương Hạo Vân, sau đó liền rời đi.

Vương Hà nắm chặt tay Đinh Tuyết Nhu, an ủi: "Tuyết Nhu, không cần lo lắng nữa, không có việc gì đâu, bây giờ chúng ta đã an toàn."

Đinh Tuyết Nhu nở nụ cười xinh xắn: "Chị Hà, người ta đâu có lo lắng, người lo lắng là chị đó, chị xem tay chị kìa, lúc nào cũng run rẩy."

Vương Hà cúi đầu nhìn xuống, không phải thế chứ, tay của mình tuy rằng đã cầm lấy tay của Đinh Tuyết Nhu, nhưng mà vẫn run rẩy không ngừng.

Sắc mặt hơi hơi đỏ lên, Vương Hà ngượng ngùng cười, nói: "Chị đây không phải là lo lắng cho em sao?"

Phương Hạo Vân không để ý tới cuộc nói chuyện của hai cô gái, mà cẩn thận quan sát tình hình, lấy tâm để cảm ứng những động tĩnh xung quanh, nhạy bén nắm bắt khí tức của sự nguy hiểm.

Hắn vẫn luôn cảm thấy rằng sự tình không hề đơn giản như vậy, Thái Dương giáo hắn cũng không có xa lạ, đó là một đội chủ nghĩa khủng bố cực đoan có chỉ số thông minh cực cao.

Hai năm trước, hắn từng tiếp nhận một nhiệm vụ của Thiên Đạo, có liên quan tới Thái Dương giáo. Thông qua lần giao thủ đó, hắn cũng có được một chút hiểu biết đối với thực lực tổng thể của Thái Dương giáo. Bọn chúng chính là một lũ điên, nếu không đạt được mục đích sẽ không bỏ qua, sự tình hôm nay, tuyệt đối sẽ không đơn giản như vậy là xong chuyện.

"Thủ trưởng. Vương chủ nhiệm của phòng điều hành sân bay muốn gặp anh."

Nhân viên mật vụ phụ trách cảnh giới ở cửa đeo súng đi tới, cúi chào hội báo.

Phương Hạo Vân khẽ nhíu mày, lập tức trầm giọng hỏi: "Anh đã kiểm tra thân phận của ông ta chưa?"

"Đã liên hệ với tổ chỉ huy, thân phận của Vương chủ nhiệm đã được xác định.!" Nhân viên mật vụ nghiêm túc trả lời.

"Đưa ông ấy vào. Nhớ kĩ, chỉ cho phép một mình ông ta vào, còn những nhân viên không có quan hệ thì không cho phép vào. nếu có người cứng rắn đòi vào, cứ việc nổ súng." Phương Hạo Vân nghiêm túc dặn dò một câu.

Rất nhanh, Vương chủ nhiệm của phòng điều hành sân bay đã theo nhân viên mật vụ đi tới, dáng người không cao, đầu hơi hói, mặc một bộ đồ tây mới tinh, có vẻ rất lanh lợi.

"Chào anh, anh là người phụ trách ở nơi này?"

Vương chủ nhiệm cẩn thận hỏi: "Ngoài cửa có một vài nhân viên bị thương và một người phụ nữ mang thai sắp sanh, anh xem xem có thể cho bọn họ vào đây hay không. Thế cục ở bên ngoài còn chưa được khống chế hoàn toàn, không thể tiến hành phương pháp trị liệu hữu hiệu cho bọn họ được."

"Không được.!" Phương Hạo Vân quả quyết từ chối.

"Thế này."

Vương chủ nhiệm hơi sửng sốt, ông ta dường như không thể ngờ rằng thỉnh cầu của mình lại bị từ chối. Phòng chờ rộng lớn như vậy, đủ để chứa tới mấy trăm người, cho một vài bệnh nhân cùng với nhân viên y tế vào, yêu cầu này vốn chẳng có gì là quá đáng.

"Vương chủ nhiệm, những gì ông nói là tình hình thực tế?"

Trong lúc Phương Hạo Vân nói chuyện với Vương chủ nhiệm, Đinh Tuyết Nhu cùng Vương Hà đều nghe được. Các cô cảm thấy rằng nếu thỉnh cầu của Vương chủ nhiệm là thật, thì Phương Hạo Vân hẳn là nên cho phép.

283. Chương 94: Tranh Chấp

Đinh Tuyết Nhu nghe thấy thế, trong lòng càng sốt ruột, cô vội vàng chuyển ánh mắt về phía Phương Hạo Vân, thỉnh cầu: "Hạo Vân, Vương chủ nhiệm nói anh đều nghe được chứ, anh ngoại lệ cho bọn họ vào đi, dù sao nơi này cũng đủ lớn, cũng không ảnh hưởng gì đến chúng ta?"

"Phương Hạo Vân, tim cậu không phải làm bằng đá đấy chứ? Một chút tinh thần chủ nghĩa nhân đạo cũng không có." Vương Hà thở phì phì nói: "Rốt cuộc là cậu đáp ứng hay là không đáp ứng?"

Phương Hạo Vân nhíu nhíu mày, lắc đầu: "Không được, để đảm bảo an toàn cho các cô, tuyệt đối không thể có ngoại lệ."

"Anh. anh là cái gì? Nơi này là sân bay, không phải là nhà anh, vì sao mà cái gì cũng phải do anh định đoạt?" Thái độ của Phương Hạo Vân khiến cho Vương chủ nhiệm nổi cơn thịnh nộ, há mồm ra liền mắng.

"Tránh ra.!"

Một nhân viên mật vụ phụ trách cảnh giới bên sườn lập tức dùng báng súng đẩy Vương chủ nhiệm ra, họng súng chĩa vào sau gáy ông, nói như đang cảnh cáo: "Không được vô lễ với thủ trưởng."

Trước khi đi, Trương Bưu luôn dặn dò, bảo bọn hắn nhất định phải lấy mệnh lệnh của Phương Hạo Vân làm chuẩn, cho dù là ông trời có tới cũng không được làm trái."

Vương chủ nhiệm chưa từng gặp qua trận thế như vậy, lập tức im lặng, có điều lại nhớ tới người phụ nữ đang mang thai, lá gan của ông đột nhiên lại mạnh lên: "Đừng nổ súng, đừng nổ súng. có gì từ từ nói. Tôi làm như vậy, cũng là vì người phụ nữ có thai sắp sanh kia."

"Buông súng.!"

Phương Hạo Vân lạnh lùng nhìn thoáng qua Vương chủ nhiệm, thản nhiên nói: "Ý tứ của ông tôi hiểu được, nhưng hiện giờ là thời kì nhạy cảm, thứ cho tôi không thể ngoại lệ."

Phương Hạo Vân không phải có quả tim bằng đá, mà là tình huống trước mắt khiến cho hắn cảm thấy không thể không cẩn thận. Ai mà biết được trong những bệnh nhân và nhân viên y tế này có đạo tặc trà trộn hay không.

"Được rồi, các người thấy chết mà không cứu, tôi cũng không còn gì để nói nữa."

Vương chủ nhiệm đã hoàn toàn tuyệt vọng, ông hung tợn trừng mắt nhìn Phương Hạo Vân, lẩm bẩm: "Đây là cảnh sát nhân dân của chúng ta sao. ai. chẳng lẽ ngôi sao thì có mạng, còn dân chúng thì sẽ không có mạng sao."

"Chờ đã.!"

Vương Hà đi tới ngăn Vương chủ nhiệm lại, nói: “Tôi là người đại diện của Đinh Tuyết Nhu, nơi này tôi cũng có thể làm chủ, ông đi an bài cho người phụ nữ có thai và bệnh nhân vào đi, có điều không được nhiều người.”

Tóm lại, sau chuyện này, sự kính nể của Trương Bưu cùng Đại Phi đối với Phương Hạo Vân càng trở nên mãnh liệt, trên người tiểu tử này có rất nhiều bí mật.

Dường như đã nhận thức ra được sự nghiêm trọng của vấn đề, Vương Hà chủ động giải thích với Phương Hạo Vân: "Rất xin lỗi."

Từ lời nói của bọn họ mà cô biết được, nếu hôm nay không phải là Phương Hạo Vân ở đây, đổi lại là người khác chỉ huy, thì lúc này bọn họ cũng đã là người chết rồi.

Đối với lời giải thích của Vương Hà Phương Hạo Vân cũng không quan tâm, thậm chí còn không thèm trả lời. Vương Hà tuy rằng tức giận, nhưng mà tự biết đuối lý, cũng ngại ngùng không nói gì nữa.

Đinh Tuyết Nhu ngừng tiếng khóc, khóe mắt đầy lệ, dạt dào áy náy nói với Phương Hạo Vân: "Thực xin lỗi, đều là do tôi không biết nên mới thành như vậy, anh cứ trách tôi đi."

Phương Hạo Vân không chịu nổi con gái khóc, hơn nữa người con gái đang khóc lại là Đinh Tuyết Nhu. Hắn hời hợt nói: "Quên đi, chuyện cũng đã qua rồi, hơn nữa cũng không ai có việc gì, không cần phải tự trách. Tôi không mong các người cảm kích, chỉ hy vọng sau chuyện này, hai người không có ghét tôi trong lòng là được rồi."

"Hạo Vân, nếu mọi người đã bình yên vô sự, thì chúng tôi đi ra ngoài trước đây. Cục diện bên ngoài cũng đã bị chúng tôi khống chế rồi. Trước mắt chúng tôi đã bắt được mười tên đạo tặc, hiện giờ còn phải tiến thêm bước nữa truy quét sạch sẽ bọn đạo tặc. Đại khái là chúng tôi phải rời khỏi đây khoảng hai tiếng, nơi này còn phải kính nhờ cậu." Trương Bưu cùng Đại Phi trong tay còn có việc, không thể đứng lâu ở trong phòng chờ.

"Các anh cứ đi đi, nhớ kỹ, cẩn thận một chút. Nơi này đã có tôi, sẽ không có nguy hiểm gì đâu."

Phương Hạo Vân quan tâm nói một câu. Dù sao cũng chính là huynh đệ tốt của mình, nếu bọn họ có điều gì ngoài ý muốn, trong lòng hắn sẽ rất khổ sở.

"Đưa hết bọn họ ra ngoài.!"

Để phòng ngừa chuyện ngoài ý muốn, khi ra khỏi cửa, Đại Phi ra lệnh cho thuộc hạ của mình và vài nhân viên mật vụ đưa tất cả những người bệnh ra ngoài.

Trong phòng chờ lúc này, ngoại trừ hơn mười nhân viên mật vụ, chỉ còn lại ba người Phương Hạo Vân, Đinh Tuyết Nhu và Vương Hà.

Bởi vì chuyện ngoài ý muốn trước đó, nên không khí lúc này có vẻ vô cùng khó xử, không ai nói gì cả.

Nhớ tới vụ nổ đó, Đinh Tuyết Nhu tới bây giờ vẫn còn hơi sợ, còn có cái tay cụt kia nữa, hiện tại nghĩ lại vẫn còn thấy buồn nôn.

"Hạo Vân, hôm nay thực sự cám ơn anh, nếu không phải có anh, tôi nghĩ hiện tại chúng tôi đã chết rồi."

Đinh Tuyết Nhu thấy không còn gì để nói, bèn hỏi: "Anh năm nay bao nhiêu."

Phương Hạo Vân thản nhiên nói: "Mười chín.!"

"Nhỏ như vậy à. không. đừng hiểu lầm ý tứ của tôi. Tôi muốn nói là anh tuổi trẻ đầy hứa hẹn. Đúng rồi, thân thủ của anh tốt như vậy, luyện tập như thế nào vậy?" Đinh Tuyết Nhu đột nhiên phát hiện ra mình thực ngốc nghếch, không biết nên nói cái gì nữa.

"Thực xin lỗi, tôi có quyền không cần trả lời câu hỏi của cô." Thanh âm của Phương Hạo Vân dần trở nên lãnh đạm.

"Họ Phương kia, cậu thì có gì đặc biệt hơn người kia chứ, chẳng phải chỉ là cứu mạng chúng tôi thôi sao? Cậu vênh váo cái gì, cậu sao có thể nói chuyện với Nhu Nhu nhà tôi như vậy?"

Vương Hà có hơi ngại với Phương Hạo Vân, nhưng điều này cũng không ngăn cản sự trân trọng của cô với Đinh Tuyết Nhu. Mắt thấy thái độ của Phương Hạo Vân đối với Đinh Tuyết Nhu như vậy, trong lòng cô đương nhiên ko được thoải mái.

"Tôi cũng chẳng có gì là giỏi, nhưng mà tôi còn chưa ngu xuẩn tới mức biến phần tử khủng bố trở thành người tốt."

Phương Hạo Vân lạnh lùng nói: "Từ hiện giờ trở đi, không ai được nói gì cả, đến khi tình hình bên ngoài hoàn toàn được khống chế, tôi sẽ dẫn các cô rời đi."

"Cậu."

Vương Hà tức đến nghiến răng nghiến lợi, nhưng cuối cùng cô vẫn nhịn được sự tức giận trong lòng. Nói thế nào đi nữa, người ta cũng vừa mới cứu cho mình một mạng.

Không khí rất nhanh liền trở nên an tĩnh, không ai nói gì nữa.

Cảm thấy rằng không khí lúc này vô cùng áp lực, Đinh Tuyết Nhu nhịn không được mở miệng hỏi: "Hạo Vân, người phụ nữ đó mang thai thật sao? Vì sao cô ta lại là bom người? Cô ta có mối thù lớn với tôi đến như vậy ư?"

Phương Hạo Vân thở dài trong lòng, sáu năm, trái tim cô ấy vẫn thiện lương như vậy. Chỉ có điều lúc trước cô ấy vì sao lại làm tổn thương tới mình?

"Hạo Vân, nói chuyện với tôi đi, nếu cứ như vậy nữa, tinh thần của tôi sẽ hỏng mất." Đinh Tuyết Nhu nói như thỉnh cầu.

Phương Hạo Vân phục hồi lại tinh thần, thản nhiên giải thích: "Đinh tiểu thư, đây đều là những phần tử khủng bố cực đoan, bọn họ có những kẻ cố chấp, có những kẻ biến thái, theo bọn họ thấy, đánh bom cảm tử, chính là tìm kiếm sự giải thoát, là chuyện bọn họ luôn luôn phấn đấu. Trên thực tế, cô với bọn họ căn bản là chẳng có mối thù gì. Nói cách khác, bọn họ chỉ là kẻ điên, cô không việc gì phải thương hại bọn họ. hiểu chưa?"

"À.!"

Đinh Tuyết Nhu đáp lời, rồi lại hỏi: "Tôi vẫn thực muốn biết, sao anh lại có thân thủ tốt như vậy?"

"Đây là chuyện cá nhân của tôi, tôi từ chối trả lời."

Phương Hạo Vân không khách khí nói: "Đinh tiểu thư, nếu như cô cứ muốn hỏi tôi vấn đề này, thì chúng ta không cần phải nói gì nữa."

"Đừng nóng vội, tôi không hỏi nữa là được chứ gì?" Đinh Tuyết Nhu vẻ mặt tủi thân, mình chỉ là hơi tò mò một chút thôi mà.

"Hạo Vân, nếu tôi nói, anh làm tôi có cảm giác quen mắt, anh có tin không?" Ngừng một chút, Đinh Tuyết Nhu đột nhiên nói ra một câu như vậy.

Đinh Tuyết Nhu đáp lời, rồi lại hỏi: "Tôi vẫn thực muốn biết, sao anh lại có thân thủ tốt như vậy?"

"Đây là chuyện cá nhân của tôi, tôi từ chối trả lời."

Phương Hạo Vân không khách khí nói: "Đinh tiểu thư, nếu như cô cứ muốn hỏi tôi vấn đề này, thì chúng ta không cần phải nói gì nữa."

"Đừng nóng vội, tôi không hỏi nữa là được chứ gì?" Đinh Tuyết Nhu vẻ mặt tủi thân, mình chỉ là hơi tò mò một chút thôi mà.

"Hạo Vân, nếu tôi nói, anh làm tôi có cảm giác quen mắt, anh có tin không?" Ngừng một chút, Đinh Tuyết Nhu đột nhiên nói ra một câu như vậy.

Phương Hạo Vân khẽ run lên trong lòng, cực lực khiến cho tâm tình của mình trấn tĩnh lại, mặt không đổi sắc nói: "Đinh tiểu thư, cô đúng là biết nói giỡn, tôi sao có thể từng gặp cô được."

"Thật không?" Đôi mắt to tròn xinh đẹp của Đinh Tuyết Nhu nhìn chằm chằm vào Phương Hạo Vân.

"Đương nhiên là thật rồi, nếu không phải có công tác bảo an lần này, tôi thậm chí còn chưa từng nghe thấy tên cô." Phương Hạo Vân nghiêm túc nói.

"Đồ nhà quê.!"

Vương Hà tức không chịu nổi, hầm hừ nói: "Danh tiếng của Nhu Nhu nhà ta, ai mà không biết, ai mà chưa nghe, chỉ có cái loại dễ nhũi, loại người thích giả vờ là không biết thôi."

"Chị Hà."

Đinh Tuyết Nhu đánh mắt sang phía Vương Hà, ý bảo cô đừng nói nữa, rồi lập tức lại cười cười hối lỗi với Phương Hạo Vân: "Hạo Vân, thực xin lỗi, chị Hà là như vậy đó, không chịu nổi người khác bất kính với tôi."

"Đúng rồi, sáu năm trước tôi mới rời khỏi Trung Quốc."

Đinh Tuyết Nhu lại ý tứ sâu xa nói một câu: "Năm đó, tôi có một người bạn vô cùng tốt, tên của anh ấy cũng là Phương Hạo Vân."

Phương Hạo Vân lại run rẩy trong lòng, có điều định lực của hắn cũng không tồi, vẻ mặt cũng không toát ra cái gì là không ổn: "Đinh tiểu thư, cô không phải sẽ cho rằng tôi chính là người bằng hữu đó chứ?"

"Hạo Vân, anh thực là biết nói giỡn."

Đinh Tuyết Nhu thản nhiên cười, nói: "Nếu anh là anh ấy, tôi có thể không nhận ra được sao? Năm đó khi tôi rời khỏi đây, anh ấy đã lớn như anh bây giờ rồi."

"Ồ!."

Phương Hạo Vân thản nhiên trả lời.

"Lần này tôi quay về đây phát triển, chính là muốn tìm anh ấy."

Đinh Tuyết Nhu không ai hỏi đã tự nói: "Anh ấy đối với tôi mà nói, thực sự rất quan trọng, vô cùng quan trọng. Mặc kệ phải trải qua bao nhiêu khó khăn, tôi cũng sẽ tìm ra anh ấy."

Phương Hạo Vân âm thầm cười lạnh, sớm biết có hôm nay, sao lúc trước còn làm? Năm đó tuyệt tình như vậy, hiện giờ lại quay về tìm kiếm, cũng không biết được trong lòng cô đang nghĩ cái gì nữa?

"Hạo Vân, sao anh không hỏi tôi, lúc trước vì sao tôi lại tách ra khỏi anh ấy?" Đối mặt với sự trầm mặc của Phương Hạo Vân, Đinh Tuyết Nhu không giả bộ được nữa.

"Đó là chuyện của các người, đâu có liên quan tới tôi.!" Phương Hạo Vân lạnh lùng nói.

Đinh Tuyết Nhu nói như vậy khiến cho hắn nhớ lại cảnh chia tay năm đó, lại khiến cho tâm trạng của hắn bất ổn, trong lòng không biết phải làm sao, cho nên tâm tình cũng có chút biến hóa.

"Đúng vậy, đó là chuyện của chúng tôi, tôi sao lại phải nói cho anh. Thực xin lỗi, Hạo Vân." Đinh Tuyết Nhu yếu ớt thở dài một tiếng, quay đầu đi không nói nữa.

Phương Hạo Vân có hơi thất vọng, vốn hắn nghĩ rằng Đinh Tuyết Nhu sẽ nói ra một vài tin tức khi rời đi năm đó, không nghĩ tới người ta đột nhiên lại ngậm miệng.

Có điều, hắn lại ngại hỏi tới cùng.

Trong lúc nhất thời, bầu không khí lại trở nên trầm mặc.

Cũng không biết là qua bao lâu, theo một loạt những âm thanh ồn ào, Trương Bưu cùng Đại Phi mang theo một vài tên đặc công cùng bảo tiêu đi đến, từ xa đã nói: "Hạo Vân, vấn đề đã được giải quyết, hiện giờ chúng ta có thể đi được rồi. Bắn chết mười tên đạo tặc, bắt mười lăm tên. Theo khẩu cung của bọn chúng, thì chúng ta không để cho con cá nào lọt lưới."

Phương Hạo Vân gật gật đầu, xoay người dặn dò Đinh Tuyết Nhu: "Từ đây đến khách sạn, cô phải nghe theo sự chỉ huy của tôi, không được nổi nóng linh tinh nữa, phải rút ra kinh nghiệm từ việc vừa rồi, cô có thể làm được không?"

"Ưm.!" Đinh Tuyết Nhu nhu thuận gật gật đầu.

"Đội trưởng Trương, xuất phát đi, có điều chúng ta vẫn phải cẩn thận, khẩu cung của những kẻ đó cũng không thể tin tưởng được, những tay bắn tỉa ở điểm cao chưa lui đó chứ?" Phương Hạo Vân truy hỏi.

"Chưa lui."

Trương Bưu tự tin cười nói: "Hiện tại ở sân bay cùng với những khu vực phụ cận sân bay, những điểm cao nằm trong tầm sát thương đều đã bị người của chúng ta khống chế. Hiện giờ chúng ta sẽ không gặp nguy hiểm đâu."

Sau đó, đoàn người bắt đầu đi ra phía ngoài.

Vừa bước được một chân ra khỏi cửa, trong lòng Phương Hạo Vân lại truyền tới một dự cảm xấu, hơi thoáng do dự, hắn nói: "Mọi người chờ đã, đội trưởng Trương, giúp hai cô ấy mặc áo giáp chống đạn vào."

"Hạo Vân, chẳng lẽ cậu cảm thấy rằng vẫn còn nguy hiểm?" Đại Phi nhíu mày hỏi.

"Tôi có một loại dự cảm không tốt." Phương Hạo Vân nhàn nhạt nói: "Lúc trước tôi có thể phản ứng nhanh như vậy trước mặt bom người, chính là dựa vào cảm giác này."

Nghe thấy Phương Hạo Vân nói như vậy, Trương Bưu không hề chần chừ, vội vàng hạ lệnh cho hai nhân viên mật vụ của mình cởi áo giáp chống đạn ra, mặc cho Đinh Tuyết Nhu và Vương Hà.

Sau khi kiểm tra không còn gì sai sót, Phương Hạo Vân lúc này mới bố trí đội hình, bắt đầu tiến ra ngoài cửa.

Xe chờ ở ngoài cửa sân bay. Từ nơi này ra tới cửa sân bay cách khoảng chừng năm trăm mét, dựa theo lẽ thường mà nói, chỉ đi mất tầm ba phút là cùng. Nhưng mà hôm nay lại khác, bọn họ luôn phải cẩn thận đi từng bước.

"Mọi người cẩn thận đề phòng.!" Trương Bưu thỉnh thoảng lại nhắc nhở mọi người.

Khi mắt thấy chỉ còn cách 100 mét, tất cả mọi người đều thở dài nhẹ nhõm một hơi, nhất là Vương Hà cũng đã không nén nổi nữa mà giơ ngón tay lên thành hình chữ V.

"Không tốt.!"

Tim Phương Hạo Vân đập lên một cái, Thiên phạt trong cơ thể có chút rục rịch, hiển nhiên, nguy cơ vẫn còn tồn tại.

"Bùm.!" một tiếng, một viên đạn bắn ra từ lầu cao phía trước, mục tiêu nhằm thẳng vào ngực Đinh Tuyết Nhu. Nói thì chậm, khi đó thì nhanh, Phương Hạo Vân vội vàng bổ nhào vào Đinh Tuyết Nhu, giơ tay ra chặn lấy viên đạn.

Toàn bộ quá trình chỉ diễn ra trong nháy mắt, đến khi mọi người tỉnh ngộ ra, thì Phương Hạo Vân cũng đã trúng đạn.

"Kẻ đánh chặn ở hướng năm giờ." Trương Bưu bình tĩnh phán đoán ra vị trí của kẻ đánh chặn, hơn nữa còn thông báo ra qua vô tuyến điện.

Rất nhanh, một trận tiếng súng dày đặc phát ra ở bốn phía.

Lập tức, Trương Bưu thu được tin tức mới nhất, kẻ đánh chặn vừa nổ súng đã bị hạ gục.

Đinh Tuyết Nhu thấy Phương Hạo Vân vì sự an toàn của mình mà không tiếc làm tổn thương tới cơ thể, ánh mắt đã trở nên đỏ hoe: "Sao anh lại ngốc như vậy, tôi có áo chống đạn mà?"

Đại Phi trong lòng còn sợ hãi nói: "Là đạn thép mài đầu, áo chống đạn cũng vô dụng."

Vương Hà lập tức phát cuồng lên: "Ý anh là nói, nếu viên đạn vừa rồi thực sự bắn trúng vào Nhu Nhu, thì hiện giờ cô ấy đã chết?"

Trương Bưu gật gật đầu, nghiêm túc nói: "Thật sự là như vậy."

"Hạo Vân, cám ơn cậu.!" Vương Hà sau khi nhận được thông tin này, hốc mắt đã trở nên đỏ, ôm lấy đầu Phương Hạo Vân, 'chụt' một tiếng hôn lên trán hắn.

"Ai da.!"

Động tác nóng bỏng của Vương Hà, đã tác động đến miệng vết thương của Phương Hạo Vân, khiến cho hắn không khỏi rên nhẹ một tiếng.

286. Chương 97: Lại Bị Thương

Đương nhiên, tình hình của hắn cũng đỡ hơn người bình thường rất nhiều, ít nhất là miệng vết thương cũng không còn chảy máu nữa.

"Cậu nhìn cái gì vậy, tôi cũng không phải là loại đàn bà tùy tiện. Nếu không phải là cậu đã cứu Nhu Nhu nhà tôi, tôi còn lâu mới. mới hôn cậu."

Cảm thấy được ánh mắt nóng bỏng nhìn mình của Phương Hạo Vân, Vương Hà lập tức trở nên đỏ mặt.

"Tôi muốn nói với cô là, cô có thể nhẹ nhàng một chút được không? Cánh tay này của tôi còn rất đau đó."

Phương Hạo Vân tức giận nói: "Chỉ muốn chính mình đã nghiền, không thèm quản đến đau đớn của người khác."

"Hứ.!"

Vẻ mặt Vương Hà đỏ ửng, thẹn thùng giận dữ nói: "Cậu mới đã nghiền ấy."

Trương Bưu cùng Đại Phi cảm thấy rằng hiện trường có thể còn sót lại vài kẻ đánh chặn, bọn họ vội vàng hạ lệnh cho thuộc hạ của mình, bắt đầu tiến hành loại bỏ từng tầng cao.

"Hạo Vân, có muốn chúng ta lui về hay không, xử lý vết thương cho cậu trước đã?"

Sau khi hạ mệnh lệnh, Trương Bưu lại chú ý tới thương thế của Phương Hạo Vân.

"Không cần đâu, tôi còn có thể chịu được.!"

Phương Hạo Vân cắn răng nói: "Tiếp tục đi, bây giờ quay về phòng chờ, nguy hiểm sẽ còn lớn hơn nữa."

"Hạo Vân, anh thật sự có thể chịu được không? Thương thế quan trọng hơn, đừng vì tôi. mà chậm trễ chữa trị cho anh."

Được cứu hai lần, Đinh Tuyết Nhu thực sự đã cảm kích với Phương Hạo Vân từ trong tim ra ngoài mặt.

"Mọi người tiếp tục tiến lên.!"

Phương Hạo Vân một mặt cẩn thận cảm ứng tình huống xung quanh, một mặt lặng lẽ vận công, giảm bớt vết thương trên cánh tay.

Thiên phạt ở trong cơ thể vẫn hơi rục rịch, nguy cơ ở trong lòng hắn vẫn như trước chưa được giải trừ, hiển nhiên, đạo tặc vẫn chưa được quét sạch, bọn chúng còn có đồng lõa nấp ở chỗ tối.

"Bùm.!" một tiếng, ở góc ba giờ phía trước, lại bắn tới một viên đạn. Lần này phản ứng của Phương Hạo Vân tương đối nhanh, trực tiếp ôm lấy Đinh Tuyết Nhu lăn một vòng tại chỗ, tránh khỏi tầm bắn của viên đạn.

Trương Bưu và Đại Phi vội vàng chỉ huy thuộc hạ, kịp thời bắn hạ kẻ đánh chặn ở góc ba giờ, đồng thời, nghi vấn trong lòng bọn họ cũng càng lúc càng mạnh, lẽ ra những vị trí đó sớm đã nằm trong phạm vi khống chế của bọn họ, nhưng không biết làm sao lại liên tiếp bắn ra hai viên đạn, chẳng nhẽ bên trong mình có vấn đề?

Đại Phi cùng Trương Bưu nhanh chóng trao đổi ánh mắt với nhau, rồi hạ lệnh khởi động phương án khẩn cấp thứ hai.

Rất nhanh, trong các tiểu tổ đã tóm được một tên nội gian, hơn nữa còn tiêu diệt thành công hai tên súng ngắm còn sót lại ở trên tầng cao.

Sau đó, đoàn người Phương Hạo Vân thành công ngồi vào xe thương vụ chống đạn, bắt đầu xuất phát về hướng khách sạn Shangri - La.

Chỉ có điều niềm vui ngắn chẳng tày gang, khi xe chạy tới phía Tây thành, chuyện ngoài ý muốn lại xảy ra, một chiếc thùng rác ở bên đường đột nhiên lại nổ mạnh.

Vụ nổ xảy ra bất thình lình, khiến cho những người chung quanh lập tức trở nên hoảng loạn, khắp nơi đều là tiếng la hét kêu rên trộn lẫn với nhau.

Trương Bưu và Đại Phi vội vàng xuống xe xử lý tình huống khẩn cấp, Phương Hạo Vân thì vẫn ngồi trên xe nhìn chăm chú vào tình huống bốn phía, sẵn sàng ra tay bất kì lúc nào.

Tuy rằng cánh tay đã bị thương, nhưng mà không ảnh hưởng nhiều đến hắn. Chỉ cần đối mặt với kẻ địch không tới cấp bậc như Hạo Thiên, hắn có thể nắm chắc tới mười phần.

Vương Hà kinh hãi hoảng sợ, mình và Tuyết Nhu đã trêu chọc vào ai, mà sao mãi vẫn không dứt vậy.

"Hạo Vân, chị Hà, tại sao lại như vậy? Chẳng lẽ thật sự em đã làm sai điều gì?"

Đôi mắt của Đinh Tuyết Nhu đã đo đỏ, yếu ớt nói: "Đây rốt cuộc là đã xảy ra chuyện gì? Bọn họ rốt cuộc là muốn làm cái gì?"

"Nhu Nhu, đừng lo lắng nữa, không có việc gì đâu."

Vương Hà ôm lấy cánh tay của Đinh Tuyết Nhu, không ngừng lên tiếng an ủi cô, hy vọng có thể khiến cho tâm tình của cô bình tĩnh trở lại.

Phương Hạo Vân cũng lên tiếng, nói: "Đinh tiểu thư, không nên kích động, việc này cũng không trách cô được. Tôi đã nói với cô rồi, những kẻ này là những phần tử khủng bố cực đoan, là bọn điên. Những hành vi của bọn chúng, không thể lấy lẽ thường mà suy xét được."

Sau khi Trương Bưu và Đại Phi xuống xe, rất nhanh đã chỉ huy cho những nhân viên bảo vệ giới nghiêm bốn phía, hơn nữa còn ở một căn nhà dân gần đó túm được tên đạo tặc điều khiển bom.

Căn cứ theo sự thẩm vấn cấp tốc, những nhân viên bảo vệ còn từ trong những nhà dân tóm được ba tên đồng lõa nữa.

Lần này, tình hình nguy hiểm căn bản đã được loại trừ.

Sau khi tình hình được thông báo tới Phương Hạo Vân, hắn cũng âm thầm thở dài nhẹ nhõm một hơi, chỉ có điều điềm gở trong lòng hắn vẫn không vì vậy mà giảm đi.

Hắn vẫn luôn cảm thấy rằng, nguy cơ vẫn chưa hoàn toàn được loại trừ.

"Nữ hoàng ca nhạc đang ở trong xe.!"

Đúng vào lúc này, trong đám người không biết là ai hô lên một tiếng, lập tức chung quanh như nổ tung, mọi người tới tấp vẫy vẫy với Đinh Tuyết Nhu trong xe. Một số fan cuồng nhiệt thậm chí còn định vượt qua đường cảnh giới, lao tới xe của Đinh Tuyết Nhu.

Đối mặt với những fan điên cuồng như vậy, Vương Hà đắc ý nở nụ cười: "Nhu Nhu, em thấy những fan đó chưa, chị thật sự là thấy cảm động. kiêu ngạo vì em."

Trong lòng Đinh Tuyết Nhu cũng vô cùng vui vẻ, tuy rằng hôm nay đã mấy lần gặp phải nguy hiểm, ảnh hưởng tới tâm tình của cô, nhưng mà mỗi khi nhìn thấy những fan của mình, tâm tình của cô lại tốt dần lên như kỳ tích.

"Đinh Tuyết Nhu, Đinh Tuyết Nhu.!"

Sau khi thất bại trong việc lọt vào khu vực cảnh giới, các fan này dưới sự tổ chức của một ít người, bắt đầu đồng thanh hô vang tên của cô, hy vọng cô có thể xuống xe gặp mặt mọi người.

Đinh Tuyết Nhu bị không khí ở hiện trường cuốn hút, thử thăm dò hỏi Phương Hạo Vân: "Hạo Vân, tôi muốn gặp mặt với các fan, có được không?"

Vương Hà suy xét từ góc độ người đại diện, cảm thấy rằng Nhu Nhu gặp mặt những người này thì lợi lớn hơn hại. Hôm nay bị chủ nghĩa khủng bố cực đoan tập kích, đã có ảnh hưởng vô cùng tiêu cực. Đinh Tuyết

Nhu cần một tin tức lên mặt báo để bảo hộ cho hình tượng của mình, mà những fan điên cuồng ở trước mắt này, chính là một cơ hội tốt.

"Các người đã quên bài học vừa rồi à?" Phương Hạo Vân quát to khiển trách: "Chú ý, an toàn là số một."

"Không được, tôi muốn gặp những fan hâm mộ của mình."

Đinh Tuyết Nhu là một cô gái có cảm tính lớn hơn lý tính, đừng nhìn cô đã hơn hai mươi, nhưng mà đôi khi tính tình bướng bỉnh, có khi chỉ giống như một đứa bé gái hơn mười tuổi.

"Không được.!"

Phương Hạo Vân để phòng ngừa Đinh Tuyết Nhu kiên quyết đi ra, nắm lấy bàn tay của cô. Vương Hà thấy thế, vội vàng xông tới ý muốn đẩy tay của Phương Hạo Vân ra.

"Các cô rốt cuộc là bị làm sao vậy? Bài học lúc trước các cô đã quên rồi sao."

Phương Hạo Vân không khỏi tức giận nổi nóng, sau khi buông tay của Đinh Tuyết Nhu ra, một tay tóm Vương Hà lại gần, vỗ bộp bộp vào mông cô mấy cái: "Ngu xuẩn, cô có thể bình tĩnh một chút được không."

Vương Hà đã lớn như vậy, sao có thể chịu đựng sự khuất nhục như thế, khuôn mặt nhỏ nhắn đỏ lên, bàn tay nhỏ nắm chặt lại, hung tợn trừng mắt nhìn Phương Hạo Vân: "Cậu cậu giở trò lưu manh."

Đinh Tuyết Nhu cũng thông minh, nhân cơ hội này định chuồn ra ngoài, nhưng không ngờ Phương Hạo Vân đã sớm chuẩn bị, ngay khi cô chuẩn bị ngồi dậy, bụng đã bị người khác ôm lấy.

"Anh."

Đinh Tuyết Nhu đỏ mặt, nhẹ giọng giận dữ: "Anh buông ra, anh sao có thể làm như thế với tôi."

Từ sáu năm trước rời khỏi Trung Quốc cho đến lúc này trở về, cô còn chưa từng tiếp xúc thân mật với người khác phái như vậy. Tuy rằng Phương Hạo Vân chỉ trong một ngày đã cứu cô tới hai lần, nhưng thế không có nghĩa là, cô phải lấy thân báo đáp. Ở trong lòng cô, ngoại trừ Hạo Vân kia, còn đối với những người đàn ông khác đều kháng cự theo bản năng.

"Có nguy hiểm."

Đột nhiên, cảm giác nguy hiểm trong lòng Phương Hạo Vân trong nháy mắt tăng lên, dường như ngay trong giây đó, một viên đạn hỏa tiễn đã bắn về phía xe bọn họ.

Nếu lúc này trong xe chỉ có một mình Phương Hạo Vân, hắn hoàn toàn có thể bằng vào thân thủ nhanh nhẹn mà chạy trối chết ra ngoài, nhưng mà tình huống lúc này lại khác, trong xe ngoại trừ hắn ra, còn có Đinh Tuyết Nhu và Vương Hà.

Nếu mang theo các cô ấy, tốc độ của Phương Hạo Vân sẽ bị hạn chế đi nhiều, nó cách khác, Phương Hạo Vân còn chưa kịp rời khỏi xe, đã bị đạn hỏa tiễn công kích rồi.

Đối mặt với sự sống chết, Phương Hạo Vân không kịp nghĩ nhiều, vội vàng kéo hai cô gái vào trong lòng

Phương Hạo Vân sau khi được đưa đến bệnh viện cảnh sát, bởi vì mất máu quá nhiều, thương thế nghiêm trọng, cho nên đã gần hôn mê. Hắn liên tục dặn dò Trương Bưu, không được nói chuyện hắn bị thương cho người nhà của hắn.

Trong lòng Trương Bưu cũng áy náy không thôi, biểu hiện hôm nay của Phương Hạo Vân khiến cho hắn kinh ngạc, ngoài ý muốn, còn có chút vui mừng. Cho dù hoài nghi lúc trước của hắn có phải là đúng hay không, nhưng mà, thông qua chuyện hôm nay, hắn cảm thấy rằng Phương Hạo Vân này cũng là một người bằng hữu đáng để kết giao. Hắn quyết định chờ khi thương thế của Hạo Vân khỏi hẳn, nhất định phải cùng bái huynh đệ với cậu ta.

Đối với lời dặn dò của Phương Hạo Vân, hắn cũng không chút do dự mà làm theo, không nói chuyện cậu ta bị thương cho người nhà. Hắn đi tìm lão chiến hữu đang làm viện trưởng của bệnh viện cảnh sát, luôn miệng dặn dò, nhất định phải dùng bác sĩ tốt nhất, thuốc men tốt nhất, phải trăm phần trăm đảm bảo chữa khỏi cho Phương Hạo Vân.

Về phần viện phí, hắn quyết định sẽ chi trả toàn bộ.

Đương nhiên, Phương gia chắc gì đã lo nghĩ về khoản tiền thuốc men ấy.

Trải qua cuộc phẫu thuật trị liệu hơn hai giờ, màn đêm buông xuống, đường phố mới lên đèn, viên đạn trong tay Phương Hạo Vân mới được lấy ra.

Nhân viên y tế kinh ngạc phát hiện, sau khi viên đạn kia được lấy ra, miệng vết thương của hắn lại không bị chảy máu, tình huống như vậy bọn họ mới chỉ thấy lần đầu.

Bình thường mà nói, đối với việc trị liệu vết thương bởi súng, điều đau đầu nhất là cầm máu. Chỉ có điều miệng vết thương của Phương Hạo Vân lại có thể tự ngừng chảy máu, căn bản là không cần bác sĩ phải quan tâm.

Trương Bưu được phép ở trong phòng giải phẫu, hắn cũng cảm thấy ngạc nhiên với chuyện như vậy.

Tuy rằng hắn cũng không rõ đó là vì sao, nhưng hắn cảm thấy rằng tình huống như vậy không nên được đưa ra ngoài. Cho nên, hắn đi tìm ông bạn chiến hữu cũ để nói chuyện, phải làm kín miệng những bác sĩ và hộ lý tham gia buổi trị liệu hôm nay. Hơn nữa, phải lấy điều lệnh bảo mật để hạn chế, hoàn toàn ngăn chặn chuyện này lan ra ngoài.

Miệng vết thương đã được băng bó xong, bác sĩ tiến hành truyền máu trị liệu cho Phương Hạo Vân, trước khi được đưa vào bệnh viên, cơ thể của hắn đã bị mất nhiều máu lắm.

Một tiếng sau khi giải phẫu, Phương Hạo Vân chậm rãi mở mắt, khi hắn nhìn thấy Trương Bưu vẫn còn đứng ở bên cạnh mình, vội vàng hỏi thăm tình hình cuộc phẫu thuật.

Sau khi tỉnh lại, điều hắn lo lắng nhất chính là bác sĩ sẽ soi mói và kinh ngạc vì năng lực tự khép miệng vết thương siêu cường của hắn.

Trương Bưu thấy Phương Hạo Vân sau một thời gian ngắn như vậy đã tỉnh lại, trong lòng cũng rất kinh ngạc, dựa theo lời của bác sĩ, đáng ra phải tới sáng ngày mai hắn mới tỉnh được.

Nói một cách khác, hắn tỉnh dậy sớm hơn so với bác sĩ dự tính tới cả một ngày.

Không thể không nói, đây lại là một kỳ tích.

"Hạo Vân, cảm thấy thế nào? Có muốn tôi gọi bác sĩ không?" Trương Bưu quan tâm hỏi.

"Không cần đâu.!"

Phương Hạo Vân vẫn hơi tái nhợt như trước, nhưng mà tinh thần đã tốt hơn rất nhiều, nói chuyện cũng lưu loát hơn, hơn nữa suy nghĩ cũng vô cùng rõ ràng: "Đội trưởng Trương, đừng nói với bác sĩ là tôi đã tỉnh rồi, cơ thể tôi cũng không có việc gì đâu, nghỉ ngơi tầm ba đến năm ngày là có thể ra viện rồi."

Sau khi viên đạn được gắp ra ngoài, năng lực tự khép lại siêu cường của Phương Hạo Vân rất nhanh đã phát huy tác dụng. Không tới vài ngày, vết thương sẽ tự động khỏi hẳn. Nếu là người bình thường, dưới sự trị liệu của bệnh viện, lẽ ra phải cần tới cả tháng.

"Hạo Vân, có được không đó?"

Trương Bưu bán tín bán nghi, tuy rằng Phương Hạo Vân khiến hắn thấy nhiều điều bất ngờ ngoài ý muốn, nhưng mà đối với vết thương của cậu ta, hắn vẫn không dám sơ suất.

"Thật sự không có việc gì đâu, vết thương của mình, tôi rõ ràng nhất mà."

Phương Hạo Vân nghiêm túc nói: "Đội trưởng Trương, cám ơn anh đã đưa tôi đến bệnh viện. Đinh Tuyết Nhu và Vương Hà cũng đã an toàn tới khách sạn rồi chứ?"

Trương Bưu nghe thấy thế, cảm thấy hơi cảm động, cơ thể cậu ta đã bị như thế rồi, vậy mà trong lòng vẫn còn nghĩ cho người khác, đó là ý chí tới mức nào chứ.

"Hạo Vân, chuyện của Tuyết Nhu cậu không cần phải quan tâm nữa, các cô ấy cũng đã an toàn tới khách sạn rồi. Đồng thời các huynh đệ cảnh sát vũ trang cũng đã bắt đầu hành động đại lục xoát toàn thành phố, phỏng chừng trong khoảng hai đến ba ngày, tất cả những tên đạo tặc nhập cảnh sẽ bị tóm hết. Đến lúc đó, các cô ấy sẽ đến bệnh viện thăm cậu."

Trương Bưu nói đại khái tình huống ra.

Phương Hạo Vân vui mừng gật gật đầu: "Ừm, vậy là tôi an tâm rồi."

"Đúng rồi."

Ngừng một chút, Phương Hạo Vân đề nghị: "Khi điều tra phải chú ý, những tên theo chủ nghĩa khủng bố cực đoan này, có thể mang bất cứ thân phận gì. Còn nữa, bọn chúng rất thích dùng vàng khối để lôi kéo những kẻ hủ bại, điểm này các anh cần phải chú ý, những gian tế bên trong nhất định phải được quét sạch."

Trương Bưu nghe thấy thế, âm thầm gật đầu, trong lòng lại thấy khó hiểu, sao cậu ta lại có thể biết được những chi tiết này. Tuy rằng nói ra nghe có vẻ đơn giản, nhưng mà đối với những thói quen của bọn khủng bố nếu không quen thuộc, nhất định sẽ không có khả năng biết được điều này.

Nhất là bởi Hạo Vân vẫn còn là một sinh viên đang đi học, luôn ở trong Hoa Hải, có mấy lần xuất ngoại, cũng là đi cùng người nhà tới Âu Mỹ du lịch. Lẽ ra, cậu ta căn bản là không có khả năng tiếp xúc với những bọn khủng bố này mới đúng chứ?

Trương Bưu không phải là người thích để tâm đến những thứ vụn vặt, vấn đề không nghĩ ra được, hắn sẽ không nghĩ tới nữa. Tuy rằng trên người Phương Hạo Vân có rất nhiều điều đáng ngờ, nhưng mà cậu ta là một người tốt.

Điều này là không thể nghi ngờ.

Bóng đêm là thiên hạ của Diêm La. Công lực của Roberts khi ánh trăng mọc lên sẽ càng mạnh hơn, cho nên, mỗi lần hắn hành động, đều thích tiến hành trong đêm đen.

Hôm nay, hắn đương nhiên không ngoại lệ.

Đối với Phương Hạo Vân, trong lòng hắn từ trước tới giờ chưa bao giờ xem thường. Phải biết rằng, đó mà mục tiêu đáng giá 60 triệu đô, nhìn trong số những nhiệm vụ của Thiên Đạo trong vài năm quá, có thể đến giá trị này quả không nhiều lắm. Huống hồ, từ năm trước tới năm nay vẫn là một năm khó khăn đối với kinh tế toàn cầu.

Tần gia có thể xuất ra nhiều tiền như vậy, hiển nhiên, cái tên Phương Hạo Vân này tuyệt đối là một kẻ khó chơi.

Dưới sự che giấu của bóng đêm, hắn bắt đầu tiến tới bệnh viện cảnh sát ở ngoại ô thành phố Hoa Hải, nếu mọi chuyện đều thuận lợi, hắn sẽ xử lý Phương Hạo Vân luôn, hoàn thành nhiệm vụ của mình.

Lúc đó, hắn có thể rảnh tay điều tra kẻ đã hại chết Hạo Thiên, báo thù cho thằng em.

Thiên Đạo chỉ cho hắn một tháng thời gian, một tháng sau, cho dù hắn có tra ra được kẻ hại chết Hạo Thiên hay không, hắn cũng phải quay trở về. Nếu không, hắn sẽ phải chịu sự trừng phạt của sở tài phán.

Roberts tự cho là có sức chiến đấu đệ nhất Thiên Đạo, nhưng còn chưa dám coi rẻ sự tồn tại của sở tài phán. Tuy rằng cho tới giờ hắn chưa có va chạm gì với sở tài phán, nhưng hắn lại vô cùng rõ ràng thủ đoạn của bọn họ. Cực kỳ tàn ác, giết người như ngóe, tuyệt đối không phải người thường có thể tưởng tượng ra được.

Ngay khi Roberts đang đi ở trong một con ngõ cách bệnh viện cảnh sát khoảng ba dặm, một giọng nam như có chứa từ tính không hề báo trước phát ra sau lưng hắn.

Đại Phi nhìn Phương Hạo Vân, trầm giọng mói: "Tôi nói thật, trước khi tới bệnh viện thì tôi có ghé qua khách sạn thăm cô ấy. Mấy hôm nay, trong lòng cô ấy vẫn luôn nhớ tới thương thế của cậu, cơm không ăn, nước không uống, nên chỉ sau mấy ngày đã gầy đi rất nhiều, khiến tôi nhìn mà cũng phải đau lòng…"

Phương Hạo Vân âm thầm cười lạnh, cô gái này đa tình đến thế ư? Vậy sao năm đó lại đối xử vô tình với mình như vậy? Mà cũng không rõ trong mấy năm vừa qua, bằng cách nào mà cô ta trở thành ca sỹ nổi tiếng?

"Hạo Vân, có phải động lòng rồi không?" Đại Phi cố ý hỏi tới.

Phương Hạo Vân lắc đầu, nhẹ nhảng nói: "Cô ấy là cô ấy, tôi là tôi, chúng tôi không phải là người của cùng một thế giới. Hơn nữa, cô ấy chỉ cảm kích ơn cứu mạng của tôi mà thôi, trong lòng chắc gì đã có tình yêu đối với tôi? Anh không hiểu phụ nữ đâu…"

"Ha ha…!"

Đại Phi cười ha hả, nói: "Hạo Vân, nghe giọng điệu của cậu cứ y như là đại tình thánh vậy, cậu dám chắc mình hiểu được lòng phụ nữ sao?"

"Thôi, không nói những chuyện này nữa."

Phương Hạo Vân không muốn tiếp tục đề tài này. Bất kể Đinh Tuyết Nhu đối với hắn là hữu tình hay là vô tình, trong lòng của hắn cũng không thoải mái.

Ngừng một chút, Phương Hạo Vân lên tiếng: "Công tác điều tra thế nào rồi? Có thuận lợi không?"

"Ừm…!"

Đại Phi thấy Phương Hạo Vân không muốn tiếp tục chủ đề kia, cũng không muốn ép buộc, cho nên đành phải trả lời câu hỏi của hắn: "Công tác điều tra rất thuận lợi, có lẽ sẽ kết thúc nhanh thôi. Trước mắt đã bắt giữ 12 người, trừ vài người Trung Quốc, còn lại đa số là người Mã, người Thái. Anh Bưu đã thông báo tình hình với cảnh sát hình sự quốc tế. Bọn họ sẽ đem những người đó về nước sở tại để nghiêm túc xử lý…"

"Hạo Vân, cậu cứ yên tâm dưỡng bệnh, tôi còn phải chạy về khách sạn, công tác an ninh trong vài ngày tới còn phải do tôi phụ trách. Nhân tiện tôi cũng sẽ thông báo sơ về tình hình của cậu cho Đinh Tuyết Nhu biết, tránh để cô ấy không ngừng nhớ nhung."

Nói tới đây, Đại Phi cười mờ ám: "Hạo Vân, thật ra Tuyết Nhu là một cô gái không tệ…"

"Anh lắm chuyện quá nha…" Phương Hạo Vân ngăn cản Đại Phi tiếp tục nói nhảm, cười nói: "Mau đi nhanh đi."

"Cậu nghỉ ngơi cho thật tốt nhé…!"

Sau khi lưu lại một lời dặn dò, Đại Phi vội vàng quay đi.

Sau khi Đại Phi đi rồi, trong lòng Phương Hạo Vân không thể bình tĩnh trở lại được. Trong lời nói khi nãy của Đại Phi có ẩn ý, điều này hắn đã sớm nhìn ra.

Hắn tự hỏi, tại sao Đại Phi lại nói như vậy? Không lẽ là để dò xét hắn? Hay là có ý tứ nào khác? Còn nữa, Đinh Tuyết Nhu có phải thật sự vì ơn cứu mạng của mình mà sinh ra tình cảm không?

Đang lúc hắn suy nghĩ mông lung, bên ngoài phòng bệnh bổng truyền đến tiếng bước chân, cắt đứt suy nghĩ của hắn.

Hắn phục hồi tinh thần lại, đưa mắt nhìn thì thấy một cô gái mặc áo trắng đẩy cửa bước vào. Lúc đầu hắn tưởng rằng đó là Vương Hà, nhưng nhìn kỹ mới phát hiện thì ra người đó là Trần Thanh Thanh.

Trần Thanh Thanh mặc áo trắng, so với Vương Hà còn muốn lộ ra nét tươi đẹp hơn, chỉ có điều bộ ngực không to bằng mà thôi. Đương nhiên, điều đó không ảnh hưởng đến quan niệm thẩm mỹ của Phương Hạo Vân.

"Nhìn cái gì đó?"

Trần Thanh Thanh bước vào phòng, nhìn Phương Hạo Vân rồi khẽ mỉm cười: "Mấy ngày không gặp, không ngờ em đã thành bệnh nhân như vậy. Sao rồi, trong người cảm thấy thế nào? Chị nghe bác sỹ nói ba ngày sau là em xuất viện rồi phải không?"

Vừa dứt lời, Trần Thanh Thanh đã ngồi lên mép giường.

"Học tỷ, sao chị biết em đang ở đây?"

Phương Hạo Vân lúc đầu còn kinh ngạc thốt ra một câu, nhưng sau đó đã hiểu ngay nguyên nhân. Trần Thanh Thanh có một người ông như Lã Thiên Hành thì chút chuyện cỏn con này sao có thể qua mắt cô ấy được.

290. Chương 2: Mỹ Kỳ Tới Thăm Bệnh

"Ha ha.!"

Cảm nhận được sự quan tâm của cô, trong lòng Phương Hạo Vân rất vui vẻ: "Chỉ là một vết thương nhỏ thôi mà, không đáng nhắc tới, em vốn định xuất viện ngay hôm nay nhưng bọn họ không cho."

"Cánh tay bị trúng đạn mà còn nói là vết thương nhỏ ư?"

Trần Thanh Thanh mắng yêu: "Em chỉ là một sinh viên bình thường, cần gì phải mạo hiểm đi bảo vệ cái cô nữ hoàng ca nhạc gì đó như vậy, nếu em có chuyện gì thì bọn chị biết làm sao đây."

"Bọn chị?" Phương Hạo Vân có chút khó hiểu.

Mặt Trần Thanh Thanh hơi đỏ lên, vội nói: "Ý của chị là, Lăng Kỳ cùng Mỹ Kỳ, còn có người nhà của em."

"À.!"

Phương Hạo Vân nhìn Trần Thanh Thanh, trên mặt lộ ra nụ cười nhẹ: "Học tỷ, chị quên nhắc tới chính bản thân chị rồi, em có thể nhìn thấy sự quan tâm to lớn của chị đối với em mà."

"Điều đó là tất nhiên." Trần Thanh Thanh nhanh nhảu: "Vạn nhất em gặp chuyện, ai sẽ dạy Trần thị Thái Cực chính tông cho chị?"

Đến đây, cô cúi người xuống, ân cần nói: "Hạo Vân, có thể để cho chị xem vết thương của em được không? Bây giờ còn đau nữa không?"

"Học tỷ, em thật sự không sao mà, chờ đến lúc xuất viện, tháo bỏ lớp băng gạc thì chị có thể thấy."

Lúc Trần Thanh Thanh xích tới bên cạnh Trương Hạo Vân, một làn hương thơm nhè nhẹ của con gái liền bay vào mũi hắn, khiến cho thâm tâm hắn vô cùng dễ chịu.

Một vạn cô gái thì có một vạn mùi hương khác nhau.

Nhưng hương thơm trên người Trần 'Thanh Thanh đặc biệt khác thường, nhẹ nhàng nhưng lại đầy quyến rũ, cũng giống như con người của cô, tràn đầy sự tươi trẻ nhưng không mất đi nét gợi cảm.

Sau khi bị từ chối cho xem vết thương thì Trần Thanh Thanh không nói gì nữa, chỉ ngước đôi mắt đẹp nhìn Phương Hạo Vân, sau đó cô chậm rãi lên tiếng: "Hạo Vân, hôm nay chị tới đây, thật ra là để nói lời từ biệt với em."

Phương Hạo Vân sững sờ, sau đó liền hỏi: "Sao vậy? Chị muốn rời khỏi thành phố Hoa Hải sao?"

"Ừm.!"

Trần Thanh Thanh gật đầu nói: "Ông ngoại muốn chị qua ở bên cạnh ông một thời gian."

Phương Hạo Vân là người thông minh,mặc dù Trần Thanh Thanh không nói rõ nhưng hắn cũng đã đoán được dụng ý của Lã Thiên Hành: "Ông Lã muốn chị trước hết ở bên cạnh ông ấy để rèn luyện một thời gian phải không?"

"Ừm, ông ngoại đúng là có ý này."

Trần Thanh Thanh gật đầu, đôi tròng mắt vẫn như cũ dừng lại trên người Phương Hạo Vân: "Hạo Vân, em nghĩ chị có nên đi hay không?"

"Đi chứ, đây là chuyện tốt mà."

Mặc dù Phương Hạo Vân vẫn chưa biết thân phận thật sự của Lã Thiên Hành, nhưng không thể không thừa nhận năng lực của ông ta rất lớn. Nếu Trần Thanh Thanh có thể ở bên cạnh ông ta thụ giáo một thời gian thì tương lai có thể trở nên mạnh mẽ hơn rất nhiều.

"Em rất muốn chị rời khỏi Hoa Hải đúng không?" Trần Thanh Thanh đột nhiên nghiêm mặt hỏi.

Phương Hạo Vân ngơ ngác vài giây, sau đó cười nói: "Học tỷ, chị hiểu lầm rồi, ý của em là nếu có thể ở bên cạnh ông Lã để học hỏi thì đó là chuyện vô cùng tốt đẹp. Đáng lý ra chị phải biết trân trọng cơ hội này mới đúng. À phải rồi, hình như chị không được vui hả? Vì sao vậy?"

"Bởi vì.mà thôi.chị cũng không biết.Hạo Vân, nếu cả em cũng cảm thấy chị nên đi thì có lẽ chị phải đi thật rồi."

Trần Thanh Thanh thở dài một tiếng, vừa định nói nhưng sau đó lại thôi.

Phương Hạo Vân cũng không suy nghĩ gì nhiều, tùy ý hỏi: "Vậy khi nào thì chị đi? Có cần em tiễn chị không?"

"Không cần. Ông ngoại đang hối thúc rất dữ, có lẽ hôm nay chị phải đi luôn. Hạo Vân, chị đi rồi, em có nhớ chị không?" Trần Thanh Thanh đỏ mặt, cuối cùng cũng chịu nói ra tiếng lòng.

"Tất nhiên là nhớ, làm sao quên được, chúng ta là bạn tốt mà."

"Bạn tốt?"

Trần Thanh Thanh lẩm bẩm, vẻ mặt lộ ra chút mất mác: "Chị không biết khi nào mới trở về, nhưng chị vẫn muốn em."

Không đợi Phương Hạo Vân kịp nói gì, Trần Thanh Thanh đột nhiên kề môi hôn lên trán hắn một cái.

Phương Hạo Vân hoàn toàn ngơ ngẩn cả người, vẻ mặt mờ mịt, dư âm của nụ hôn trên trán hắn còn đang nóng hôi hổi, cảm giác quả thật không tồi.

"Học tỷ, em."

Bị nụ hôn kích thích, Phương Hạo Vân liền muốn mở miệng nói gì đó, nhưng bất ngờ của phòng bệnh bị đẩy ra, ngay sau đó Vương Hà giận dữ bước vào nói: "Cô là y tá ở đâu vậy? Cô.cô không biết xấu hổ à, sao lại dám.hôn bệnh nhân như vậy?"

Vương Hà vừa chuẩn bị xong cơm trưa, đang muốn mang vào phòng thì từ cửa sổ nhìn thấy cảnh Trần Thanh Thanh hôn Phương Hạo Vân.

Bị Vương Hà sỉ vả như vậy nhưng Trần Thanh Thanh vẫn trấn định như thường, xoay người nói với Vương Hà: "Thưa cô Vương, mong cô coi lại phát ngôn của mình. Thứ nhất, tôi không phải là y tá, thứ hai, tôi là bạn Hạo Vân, bạn bè hôn trán nhau thì không có gì là không hay cả."

Tuy nói như thế nhưng trong lòng Trần Thanh Thanh cũng cuồn cuộn sóng. Mình lớn gan hôn Phương Hạo Vân lại bị người khác nhìn thấy, quả thật là mất mặt mà.

Vương Hà không nghĩ cô y tá trẻ này đã làm sai rồi mà lại còn lợi hại như thế, trong lòng càng thêm phẫn nộ: "Cô. cô đúng là đồ không biết xấu hổ!"

Phương Hạo Vân nhịn không được. Tức giận nói: "Chị Vương, Thanh Thanh học tỷ là bạn của tôi, chị không có quyền mắng nhiếc chị ấy. Nếu chị cứ ăn nói không có đạo lý thì.tôi mời chị rời khỏi đây. Tôi không cần chị làm y tá nữa."

"Cậu.cậu lại dám mắng tôi à.được, tôi sẽ đi, để cho đôi cẩu nam nữ các người muốn làm gì thì làm."

Hai bờ má Vương Hà đỏ lên, cô cởi phăng bộ đồ y tá, sau đó giậm chân đùng đùng bước ra ngoài. Không khó để nhận thấy nét oan khuất trên mặt của cô.

"Hạo Vân, để chị đuổi theo cô ấy.!"

"Không cần đâu.!"

Phương Hạo Vân gọi Trần Thanh Thanh lại, cười nói: "Cứ để cô ta đi, em vốn không thích cô ta làm y tá cho mình, bây giờ đi rồi thì cũng tốt."

Những ngày tịnh dưỡng vừa qua, Phương Hạo Vân đã suy nghĩ rất nhiều, có lẽ mình phải hạn chế tối đa việc tiếp xúc cùng Đinh Tuyết Nhu và Vương Hà. Bởi cứ dây dưa kéo dài thì sẽ rất dễ phát sinh chuyện không hay.

"Hạo Vân, chị cũng phải đi rồi, em bảo trọng nhé."

Trần Thanh Thanh thấy Phương Hạo Vân nhất quyết không cho mình đuổi theo Vương Hà, trong lòng cũng cảm thấy nhẹ nhõm. Cô còn phải trở về để thu dọn hành lý, ông ngoại cho cô thời gian rất ít.

"Học tỷ, chúc chị gặp nhiều may mắn, mọi việc đều thuận lợi.!" Phương Hạo Vân ân cần dặn dò một tiếng.

Trần Thanh Thanh nặng nề gật đầu, tự tin nói: "Em yên tâm, chị sẽ cố gắng hết sức, chờ đến lần sau gặp lại, em sẽ thấy chị đã trưởng thành hơn nhiều."

Có câu, nếu bị tổn thương đến gân cốt thì phải nghỉ một trăm ngày. Nhưng Phương Hạo Vân lại không giống với người thường. Thân thể của hắn có năng lực hồi phục siêu nhanh, chưa đầy một tuần thì vết thương bị súng bắn trên tay trái đã khỏi hẳn.

Sau ngày Trần Thanh Thanh từ biệt thì Phương Hạo Vân đã tự tháo bỏ băng gạc. Miệng vết thương đã hoàn toàn khép lại, chỉ còn để lại một vết sẹo mờ, ngay cả chút vết loét cũng không có, lớp da non mọc lên, nhìn qua cứ như da trẻ em mới sinh vậy.

"Cộc cộc.!"

Đang lúc Phương Hạo Vân nhắm mắt dưỡng thần thì bỗng có người gõ cửa phòng bệnh.

Hắn có chút bực bội, chẳng lẽ lại là Vương Hà? Không thể nào, dựa theo tính tình của cô ấy, bị chọc giận như vậy chắc chắn sẽ không quay trở lại. Hơn nữa với tác phong của cô ấy thì cũng sẽ không gõ cửa trước đâu.

"Mời vào.!"

Phương Hạo Vân hơi do dự một chút, sau đó lên tiếng. Mắt hắn chăm chú nhìn vào cánh cửa, đã trễ thế này rồi mà còn có ai đến nữa vậy?

"Hạo Vân, em khỏe không?"

Cửa phòng mở toang, đèn bật sáng, ánh sáng lùa vào căn phòng tối, Phương Hạo Vân có thể nhìn thấy rõ người đến là Trương Mỹ Kỳ.

Trương Mỹ Kỳ trang điểm nhẹ, dưới ánh đèn, gương mặt xinh đẹp của cô càng nổi bật, nhưng nhìn kỹ có thể thấy nét ưu tư và lo lắng trên mặt cô.

Khí trời đã trở nên ấm áp nên cô chỉ khoác trên người một bộ quần áo đơn giản thoải mái, trông rất trẻ trung và hiện đại. Không ai có thể nhìn ra là cô đã 35 tuổi.

Hơn nữa, cô rất biết tận dụng ưu thế hình thể, biết phát huy những ưu điểm tốt nhất trên thân hình mình.

"Chị Mỹ Kỳ, sao chị lại tới đây? Là Thanh Thanh học tỷ dẫn chị vào sao?"

Phương Hạo Vân ở tại bệnh viện quân đội, người thường tuyệt đối không thể biết được. Huống hồ còn do Trương Bưu và Đại Phi sắp xếp thì dù có biết được cũng chưa chắc đi vào được.

Cho nên Phương Hạo Vân đoán Trương Mỹ Kỳ có thể vào đến đây chắc chắn là do Trần Thanh Thanh bố trí. Phải thừa nhận Trần Thanh Thanh thật sự là một cô gái tốt, cô biết Vương Hà bị hắn chọc giận bỏ đi nên mới báo cho một người chững chạc hơn là Trương Mỹ Kỳ đến để chăm sóc cho hắn.

Khuôn mặt Trương Mỹ Kỳ đầy căng thẳng, cô chậm rãi đi đến trước mặt Phương Hạo Vân, đặt mông ngồi xuống, lo lắng hỏi: "Nghe Thanh Thanh nói thương tích của em đã không còn gì đáng ngại, điều đó có thật không?"

"Là thật, em định chiều nay sẽ làm thủ tục xuất viện."

Ánh mắt Phương Hạo Vân dừng lại trên gương mặt quyến rũ của Trương Mỹ Kỳ, chân thành nói: "Ngày mai chị cùng em rời khỏi đây nhé."

Nghe Phương Hạo Vân nói như thế, lại nhìn thấy vết thương trên người hắn không còn nữa, Trương Mỹ Kỳ lập tức yên tâm,: "Hạo Vân, tối nay chị có thể ở lại sao?"

"Tất nhiên là được, có điều chỉ có một cái giường, gối cũng chỉ có một cái, chúng ta ắt phải cùng chung chăn gối rồi."

Ở trên giường bệnh mấy ngày, Phương Hạo Vân cảm thấy nhàm chán vô cùng. Ai ngờ Trương Mỹ Kỳ bất ngờ đến liền làm hai mắt hắn sáng lên, lời lẽ cũng rất mập mờ, không cần nói cũng biết.

Trương Mỹ Kỳ sao lại không hiểu ý của Phương Hạo Vân, sau khi nhìn một lượt quanh phòng, cô cười nói: "Hạo Vân, em chắc chắn là mình có thể chịu nổi chứ?"

"He he, em chỉ sợ đến lúc đó người không chịu nổi sẽ là chị." Phương Hạo Vân cười xấu xa, bàn tay đã tự tiện nắn bóp trên ngực cô.

"Chờ một tí, để chị đi tắm đã."

Phòng bệnh của Phương Hạo Vân là phòng cao cấp, bên trong bài trí không khác gì khách sạn. Ngoại trừ nhà bếp ra thì cái gì cũng có. Ngay cả phòng tắm cũng được bày biện như trong khách sạn, đến cả áo tắm đã khử trùng cũng được chuẩn bị.

"Chúng ta tắm chung nha."

Phương Hạo Vân vẫn chậm một bước, Trương Mỹ Kỳ đã kịp chạy ù vào phòng tắm, sau đó nhanh tay khóa cửa lại.

Tiếp theo, hắn liền nghe tiếng nước chảy róc rách.

Phương Hạo Vân đưa tay đẩy thì phát hiện cửa phòng đã bị khóa, chỉ có thể ngồi đợi ở mép giường. Trong đầu hắn không ngừng tưởng tượng cảnh triền miên ân ái cùng Trương Mỹ Kỳ lúc bình thường.

"Cộc cộc.!"

Đúng lúc này, âm thanh gõ cửa lại vang lên, cắt đứt ý dâm của hắn. Phương Hạo Vân nhìn qua cửa sổ thì thấy đó là bác sỹ Hàn trưởng khoa.

Nghĩ đến Trương Mỹ Kỳ còn đang trong phòng tắm, Phương Hạo Vân liền nhanh tay chốt cửa phòng bệnh lại, sau đó thò đầu ra cửa sổ hỏi: "Bách sỹ Hàn, đã muộn thế này rồi mà ông còn đến, có chuyện gì không? Tôi đã khóa cửa, chuẩn bị đi ngủ rồi."

Bách sỹ Hàn cười cười đầy thâm ý, dặn dò hắn: "Cậu nhóc, cơ thể của cậu vừa mới bình phục, tốt nhất không nên vận động quá mạnh, nếu không sẽ tạo thành thương tổn rất lớn. Được rồi, thời gian đã không còn sớm, tôi chỉ nói một câu như vậy, không phiền cậu nghỉ ngơi nữa."

Lúc Trương Mỹ Kỳ tới, chính bác sỹ Hàn là người tiếp đón. Từ thần sắc của cô ấy, ông đã sớm đoán được mối quan hệ của hai người. Nhất là đã trễ thế này mà còn chưa thấy cô ấy ra nên ông cũng biết được sự tình, do đó mới cố ý tới đây dặn dò hắn vài lời. Người trẻ tuổi không biết tiết chế, dễ dàng vọng động, vạn nhất khiến cho vết thương cũ tái phát thì rất không tốt.

"Bác sỹ Hàn, ông cũng nghỉ sớm nhé." Mặc dù bác sỹ Hàn có chút lo hão nhưng người ta quả thật có ý tốt.

Sau khi Phương Hạo Vân quay trở lại giường bệnh thì cũng là lúc Trương Mỹ Kỳ từ phòng tắm bước ra. Trên người cô quấn một chiếc khăn tắm trắng tinh, trên mái tóc đen mượt còn dính vài giọt nước, gương mặt cô đỏ rực, tràn đầy phong tình vô hạn.

Ánh mắt Phương Hạo Vân không ngừng chiếu thẳng lên thân thể Trương Mỹ Kỳ. Bộ ngực cô vun cao, thậm chí có thể nhìn thấy hai hạt đậu nhỏ nhô ra, cặp chân thon dài, trần trụi, trắng như tuyết hết sức dụ người. Khi cô cất bước, đôi mông tròn lẳn lắc lư vô cùng quyến rũ.

Trương Mỹ Kỳ thấy Phương Hạo Vân ngơ ngác nhìn mình, trong lòng rất vui vẻ, thầm nghĩ mình vẫn còn rất hấp dẫn trước mặt Hạo Vân: "Hạo Vân, em nhìn gì đó? Em thấy chị đẹp không?"

Vừa nói, Trương Mỹ Kỳ vừa chui vào trong chăn: "Em cũng đi tắm đi!"

Phương Hạo Vân gật đầu, đi vào phòng tắm, cởi hết quần áo, sau đó mở vòi sen, dùng nước nóng cọ rửa thân thể mình.

Cho đến khi hắn khoác tấm áo ngủ trắng bước ra khỏi phòng tắm thì phát hiện Trương Mỹ Kỳ đã tắt hết đèn, chỉ còn chừa lại đèn ngủ treo ở đầu giường. Căn phòng rất u ám, lộ đầy không khí mập mờ.

Trương Mỹ Kỳ nghiêng người nằm trên giường, thân thể quyến rũ được bao bọc bởi cái chăn trắng. Cô vẫy vẫy Phương Hạo Vân: "Hạo Vân, em đến đây đi."

Phương Hạo Vân cười ám muội, lập tức bước tới ngồi lên mép giường, một mùi thơm đặc biệt của thiếu phụ len vào mũi hắn: "Chị Mỹ Kỳ, chị thật là thơm."

291. Chương 3: Kẻ Ngu Xuẩn Tần Tử Hoa

Trương Mỹ Kỳ rất vui vẻ, cười cười kéo Phương Hạo Vân vào trong chăn, đồng thời lấy tay che chỗ kín của mình lại, thành thật nói: "Hạo Vân, khi nãy chị đã nghe được lời bác sỹ nói, hay tối này em nhịn một chút được không."

Thật ra, nếu làm vậy thì chính cô cũng phải "nhịn".

Tất nhiên, so sánh giữa dục vọng và sức khỏe của người đàn ông thì sức khỏe vẫn quan trọng hơn.

Phương Hạo Vân cũng không phải là kẻ thích dùng sức mạnh trong chuyện này. Ít nhất là khi đầu óc thanh tỉnh thì hắn sẽ không làm ra những hành động cuồng bạo như lần nọ.

Trương Mỹ Kỳ từ chối cũng là vì lo lắng cho sức khỏe của hắn. Tình ý này quả thật làm cho hắn động lòng. Cho nên hắn đặc biệt chiều ý cô, chỉ ôm cô vào lòng, không có thêm hành động nào nữa.

Trương Mỹ Kỳ có nhu cầu sinh lý hoàn toàn bình thường, nhưng cô cũng yêu thích cảm giác làm chủ được người đàn ông, khiến cho họ nghe lời mình, cho nên dù hai người không làm gì hết, Trương Mỹ Kỳ vẫn cảm thấy vô cùng an ủi.

Bọn họ cứ ôm nhau như vậy, cố gắng khắc chế dục vọng trong lòng, từ từ đi vào giấc ngủ.

Trong cơn ngủ say, Trương Mỹ Kỳ mở thấy một giấc mộng.

Tronng giấc mộng đó, cô và Phương Hạo Vân đang ôm nhau thắm thiết, bỗng nhiên giữa hai người xuất hiện một cái khe hở, chia cắt bọn họ ra.

Cô điên cuồng kêu tên Hạo Vân. Nhưng Hạo Vân như không nghe không thấy, cũng không hề quan tâm tới mà chỉ quay người đi.

Trương Mỹ Kỳ tuyệt vọng đứng ở đó, khóc lớn nhìn bóng lưng Hạo Vân khuất dần.

Phương Hạo Vân bị tiếng khóc của Trương Mỹ Kỳ làm cho thức giấc, hắn phát hiện trời đã sáng, ánh nắng rực rỡ xuyên vào phòng qua tấm rèm cửa sổ. Trương Mỹ Kỳ quay lưng về phía hắn, hai tay cô ôm lấy tấm chăn, không ngừng nức nở, thân thể nhỏ nhắn run rẩy liên miên.

"Gặp ác mộng sao?"

Phương Hạo Vân vội đưa tay vỗ vỗ vào bả vai cô, lớn giọng hô: "Chị Mỹ Kỳ, chị Mỹ Kỳ, mau tỉnh dậy."

Vừa kêu vừa lay mãi một lúc thì Trương Mỹ Kỳ mới tỉnh dậy, nhưng tâm lý của cô vẫn chưa khôi phục lại như cũ. Vừa mở mắt, nhìn thấy người đàn ông mình yêu vẫn ở bên cạnh, cô liền kích động, ôm chặt lấy hắn: "Hạo Vân, đừng bỏ rơi chị, chị không thể xa em được đâu. van xin em đừng bỏ rơi chị."

Phương Hạo Vân vội vàng ôm chặt Trương Mỹ Kỳ, khẽ nói: "Chị Mỹ Kỳ, chắc chắn chị thấy ác mộng rồi, bây giờ tỉnh lại thì sẽ không có gì nữa đâu, em không bao giờ bỏ rơi chị, chúng ta sẽ mãi mãi ở bên cạnh nhau."

Trương Mỹ Kỳ siết chặt lấy người đàn ông, trong lòng cảm thấy an toàn hơn rất nhiều, cô vừa nức nở vừa nói: "Chị nằm mơ thấy em không quan tâm, không để ý tới chị nữa."

Phương Hạo Vân khẽ mỉm cười, hôn lên trán Trương Mỹ Kỳ, sau đó vỗ nhẹ tấm lưng của cô, nói: "Đó chỉ là một cơn ác mộng thôi mà."

Trương Mỹ Kỳ buông Hạo Vân ra, lấy tay dụi dụi mắt, sau đó nhìn ánh mặt trời đang chiếu qua cửa sổ, rồi lại nhìn nhìn căn phòng một chút, rốt cục mới có thể hồi phục lại tinh thần.

"Hạo Vân, hứa với chị, bất luận khi nào, bất luận có xảy ra chuyện gì thì cũng không được bỏ rơi chị, có được không?" Trương Mỹ Kỳ chân thành hỏi, đôi mắt cô chăm chú nhìn Phương Hạo Vân.

Phương Hạo Vân trịnh trọng gật đầu: "Chị Mỹ Kỳ, em hứa!"

"Hạo Vân, em thật tốt."

Phương Hạo Vân đối với tình hình cơ thể mình vô cùng tự tin, gật đầu cười: "Bác sỹ Hàn, xin nghe lời ông vậy, hiện tại có thể bắt đầu rồi…"

Vậy là dưới sự chỉ đạo của bác sỹ Hàn, các nhân viên y tế lập tức sắp đặt các thiết bị, dụng cụ cần thiết để tiến hành kiểm tra cơ thể Phương Hạo Vân.

292. Chương 4: Vấn Đề Kinh Phí Xây Dựng

Kết quả cho thấy, các chỉ số cơ thể của Phương Hạo Vân so với mức tiêu chuẩn còn vượt hơn, so với mức bình thường còn trội hơn. Chuyện này khiến ông phải kinh ngạc thêm một lần nữa, quả thật thể chất của cậu bé này quá mạnh mẽ mà. Toàn bộ cơ thể Phương Hạo Vân đã hồi phục lại như cũ, nhất là vết thương do đạn bắn trên cánh tay đã biến mất, thậm chí cả dấu vết cũng không thấy. Thật sự không còn gì để nói!

Trương Mỹ Kỳ thấy bác sỹ Hàn trợn mắt há mồm nên cô nghĩ chắc là đã xảy ra chuyện gì không hay, trong lòng lo lắng, vội hỏi: "Sao vậy bác sỹ? Hạo Vân có thể xuất viện được chưa?"

"Không thể nào…"

Bác sỹ Hàn phục hồi tinh thần lại, ánh mắt vẫn cẩn thận quan sát Phương Hạo Vân không ngừng, khiến cho cả Phương Hạo Vân cũng thấy sợ hãi.

"Bác sỹ Hàn, ông không sao chứ?" Trương Mỹ Kỳ nhẹ nhàng kéo ống tay áo của bác sỹ Hàn.

"Không có gì, không có gì hết…"

Bác sỹ Hàn áy náy nói: " Thật xin lỗi, tôi thất lễ rồi.cậu nhóc, chúc mừng cậu, cơ thể của cậu hoàn toàn đạt chuẩn. Có điều…tôi có một thỉnh cầu, liệu cậu có thể xuất viện trễ một ngày hay không. Tốc độ hồi phục nhanh như vậy rất giống với một truyền thuyết tôi đã từng nghe, nên tôi muốn nghiên cứu một chút…"

"Nghiên cứu?."

Phương Hạo Vân kinh ngạc giây lát, nhưng ngay sau đó khoát tay nói: "Bác sỹ Hàn, không có gì để nghiên cứu cả. Chủ yếu là do tay nghề của bác sỹ giỏi, hơn nữa vết thương của tôi vốn không nghiêm trọng cho nên mới hết nhanh như vậy…Còn một lý do nữa, do tôi là người luyện võ nên thể chất có mạnh hơn một chút so với người bình thường. Chỉ có bấy nhiêu nguyên nhân đó thôi, tôi cũng nói hết rồi, mong ông đừng nghiên cứu gì nữa…vả lại tôi còn có việc gấp cần phải xử lý, không thể trì hoãn."

Muốn biến mình thành chuột bạch để thí nghiệm à? Không có cửa đâu!

Bác sỹ Hàn có chút không cam tâm: "Khoan đã…cậu nhóc, cậu cho tôi thời gian nửa ngày để suy nghĩ được không?"

Một phút cũng không được. Phương Hạo Vân vội vàng lắc đầu cự tuyệt: "Bác sỹ Hàn, ông mau để tôi làm thủ tục xuất viện. Tôi có rất nhiều việc cần làm. Hay là như vậy đi, sau này nếu có thời gian, chúng ta sẽ gặp nhau được không?"

"Mọi người đang nói gì mà rôm rả thế? Hạo Vân, nghe nói cậu muốn xuất viện phải không?" Đúng lúc này thì Trương Bưu và Đại Phi cùng nhau đi tới.

"Bác sỹ Hàn, tình hình của Hạo Vân thế nào rồi? Có thể xuất viện chưa?' Trương Bưu vội hỏi thăm.

Bác sỹ Hàn liền thuật lại kết quả kiểm tra cho Trương Bưu và Đại Phi nghe, sau đó thỉnh cầu: "Hai vị thủ trưởng, các người có thể cho cậu nhóc này ở lại đây thêm một thời gian nữa không?"

"Không được…!"

Trương Bưu và Đại Phi hai miệng một lời, lập tức từ chối đề nghị của bác sỹ Hàn.

Mấy ngày qua, bọn họ cũng đã phát hiện được khả năng hồi phục siêu nhanh của Phương Hạo Vân, bất kể là vì mục đích gì thì chuyện này cũng không thể truyền ra ngoài.

Phương Hạo Vân ngỏ lời xin lỗi: "Bác sỹ Hàn, cảm ơn ông mấy hôm nay đã chiếu cố tôi. Thật ra ông không cần phải suy nghĩ nhiều, chuyện cần nói tôi cũng nói rồi, thể chất tráng kiện của người luyện võ chỉ phát

huy ưu điểm khi nằm trên giường bệnh mà thôi. Nếu quả thật ông muốn nghiên cứu thì nên tìm những người luyện võ, tham khảo thêm đạo dưỡng sinh kiện thể…"

Bác sỹ Hàn suy nghĩ một chút, ngay sau đó gật đầu nói: "Xin thụ giáo!"

Thế là cuối cùng bác sỹ Hàn cũng vui vẻ giúp Phương Hạo Vân làm thủ tục xuất viện, sau đó còn tự mỉnh tiễn hắn rời khỏi bệnh viện.

Sau khi rời viện, Phương Hạo Vân và Trương Bưu, Đại Phi liền quay trở lại cư xá Lam Tâm Hoa Viên.

"Hạo Vân, tôi và Đại Phi còn có việc, không đi cùng cậu được, có gì cậu cứ lên trước. À, Tuyết Nhu có ý muốn cậu làm vệ sỹ cho cô ấy, bảo vệ an toàn cho cô ấy tại các buổi lưu diễn. Cậu sẽ không từ chối chứ?" Trương Bưu hỏi lấp lửng.

Phương Hạo Vân suy nghĩ một chút rồi gật đầu: "Được rồi!"

Làm việc bỏ dở nửa chừng không phải là phong cách của hắn.

"Đúng rồi, sao cậu lại đắc tội với Vương Hà vậy, hai ngày nay cô ấy không ngừng chửi rủa cậu…giống như cực kỳ không vui vì cậu vậy?" Trương Bưu tùy ý nói một câu.

"Không có gì…"

Phương Hạo Vân cười nhạt: "Tôi cùng cô ấy vốn không có giao thiệp gì, nên suy nghĩ của cô ấy về tôi thế nào, tôi không cần quan tâm. Hơn nữa sau khi công tác bảo vệ lần này kết thúc, chúng tôi cũng sẽ từ biệt."

"À…!"

Trương Bưu đáp lời: "Vậy cậu lên đi, ba ngày sau, tôi sẽ tới đón cậu."

Bạch Lăng Kỳ và Tạ Mai Nhi không hề hay biết gì về việc Phương Hạo Vân bị thương. Vì Trần Thanh Thanh chỉ bí mật liên hệ qua điện thoại với Trương Mỹ Kỳ, hơn nữa còn dặn Trương Mỹ Kỳ là không nên nói cho hai cô gái này biết.

Phương Hạo Vân và Trương Mỹ Kỳ nắm tay nhau đi vào nhà, trong nhà chỉ có Bạch Lăng Kỳ đang ngồi một mình xem TV, không thấy Tạ Mai Nhi.

"Hạo Vân, chị Mỹ Kỳ, các người đi đâu về vậy?" Mấy ngày không được gặp người đàn ông mình yêu, Bạch Lăng Kỳ liền bất kể mọi thứ, lao vào trong lòng hắn.

Trương Mỹ Kỳ không thể làm gì khác hơn là buông tay Phương Hạo Vân. Mặc dù thâm tâm cô có chút không vui, nhưng cũng không mở miệng hay tỏ thái độ gì. Nếu đã quyết định làm tình nhân thì cô cũng cần giữ đúng vị trí của tình nhân.

Có điều nói đi thì phải nói lại, trường hợp của cô nếu so sánh với những kiểu nhân tình khác thì khá hơn nhiều. Cô có thể ngày ngày ở bên cạnh người đàn ông mình yêu, hơn nữa còn được bạn gái của hắn thừa nhận, trên lưng cô không cần phải đeo tiếng xấu vợ lẽ hay vợ hai gì.

…

Việc Trần Thanh Thanh ra đi, vợ chồng Trần gia có chút lo lắng. Con gái lớn như vậy rồi nhưng đây mới là lần đầu tiên rời xa bọn họ.

"Nguyệt Hồng, mình lo cái gì chứ, Thanh Thanh đi rèn luyện ở chỗ của ba chứ đâu phải bị đày ải gì đâu?"

Trần Thiên Huy mắt thấy vợ mình cả ngày rầu rĩ không vui nên không nén được, nói nhỏ một câu.

Lã Nguyệt Hồng liếc ông ta một cái, tức giận nói: "Mình đúng là vô lương tâm mà, Thanh Thanh lớn như

Nghe Phương Hạo Vân nói vậy, Vương Thế Phi củng có cảm giác đây lả chuyện hệ trọng nên không dám chậm trễ, vội vàng đưa Phương Hạo Vân tới phòng làm việc.

Sau khi đóng cửa phòng, Vương Thế Phi vội hỏi: "Phương thiếu gia, rốt cục đã xảy ra chuyện gì? Anh cứ lên tiếng, chỉ cần tôi có thể làm được thì tuyệt đối không nề hà chi cả."

Bây giờ Phương Hạo Vân đã xem Vương Thế Phi là người của mình nên không giấu diếm, cũng không quanh co mà trực tiếp đem vấn đề thiếu hụt vốn của tập đoàn Thịnh Hâm kể cho Vương Thế Phi nghe. Sau đó, hắn chân thành nói: "Vương thiếu gia, tôi hy vọng anh có thể giúp tôi thu gom một ít vốn.giúp tập đoàn Thịnh Hâm qua được cơn nguy khốn này."

Vương Thế Phi nghe vậy, suy nghĩ một chút rồi đáp: "Phương thiếu gia, anh đã mở miệng thì chuyện này nhất định tôi sẽ giúp. Có điều anh phải cho tôi con số cụ thể là bao nhiểu? Với quyền hạn của tôi thì có thể rút được nhiều nhất là 50 triệu thôi, nếu tính cả tiền riêng 50 triệu nữa thì tôi có thể huy động được 100 triệu. Còn nếu muốn nhiều hơn nữa.thì phải tìm ba tôi thương lượng. Vả lại, theo tôi được biết thì gần đây việc đầu tư của Vương gia chúng tôi ở thị trường châu Âu bị thất bại, tổn thất không nhỏ, cho nên trong nhất thời cũng không điều động được nhiều tiền.nhưng anh cứ yên tâm, tôi sẽ nhanh chóng thương nghị với ba tôi để xem có thể rút thêm được nữa không."

Phương Hạo Vân suy nghĩ một chút rồi nói: "Vương thiếu gia, 100 triệu là đủ, đừng tăng thêm gánh nặng cho cha anh nữa, số tiền còn lại tôi sẽ có cách."

"Tốt lắm, tôi sẽ đến công ty ngay, trước hết rút 50 triệu đó ra, ngày mai sẽ chuyển đến tài khoản của công ty anh đủ 100 triệu." Vương Thế Phi sảng khoái nói.

"Tôi sẽ viết giấy vay nợ cho anh, khi nào xong việc sẽ trả lại anh theo đúng lãi suất ngân hàng."

Vừa nói, Phương Hạo Vân vừa thuận tay cầm lấy giấy bút trên bàn, sau đó viết một tờ biên lai vay tiền rồi ký vào tên của mình.

Vương Thế Phi kiên quyết không nhận: "Phương thiếu gia đây làm vậy là có ý gì? Chẳng lẽ tôi không tin tưởng anh được sao? Giấy nợ này không cần đâu, chuyện lãi suất cũng đừng bàn nữa, Vương Thế Phi tôi mặc dù không phải là người tốt lành gì nhưng cũng biết cái gọi là nghĩa khí. Còn nhớ ngày đó tôi làm biết bao chuyện đồi bại nhưng anh vẫn khoan dung đối với tôi, chút chuyện này có tính là gì? Nếu như Phương thiếu gia anh cảm thấy Vương Thế Phi tôi xứng đáng làm bạn anh thì giấy nợ này tôi sẽ xé."

"Cảm ơn.!"

Phương Hạo Vân lên tiếng cảm tạ, sau đó đích thân xé nát phiếu nợ mình vừa viết.

Vương Thế Phi lúc này mới nở nụ cười: "Vậy là tốt rồi."

Ngừng giây lát, Vương Thế Phi lại hỏi: "Phương thiếu gia, hình như tâm tình của anh không được tốt, hay để tôi mới anh uống một chén?"

"Để sau đi, hiện tại tôi còn phải đi huy động vốn từ nơi khác, lúc đó để tôi mời." Phương Hạo Vân từ chối.

"Suýt tí nữa là quên mất.vậy anh cứ đi trước đi, khi nào rảnh rỗi thì quay lại đây, chúng ta hẹn lần sau."

Phương Hạo Vân giống như đi "chạy sô" vậy, vừa mới rời khỏi Kim Bích Huy Hoàng là lập tức chạy tới chỗ dì Bạch. Đúng lúc sắp đến giờ cơm, dì Bạch đang chuẩn bị dọn lên bàn mấy món ăn.

Mắt thấy Hạo Vân vào cửa, dì Bạch liền nhiệt tình chào đón: "Hạo Vân, con đến rồi.con ăn cơm chưa, thật đúng lúc, tới đây, chúng ta cùng ăn."

Dì Bạch đang ở nhà nên vô cùng thoải mái, chỉ mặc một bộ áo len rộng, để lộ ra cả một đoạn bắp chân trắng nõn hết sức khả ái. Bầu ngực căng tròn, thậm chí còn thấy hai hạt đậu nhô ra. Hiển nhiên, bên trong áo len không có nội y gì cả.

Phương Hạo Vân không hề khách sáo, đặt mông ngồi xuống đối diện với dì Bạch, vừa nói vừa cầm đũa: "Ha ha, xem ra con có lộc ăn rồi."

"Nhìn con kìa, nếu con đến mỗi ngày thì dì cũng sẽ nấu cho con ăn mà, chỉ sợ con không chịu đến thôi.Hạo Vân, đây là món gà kho tàu mà con thích ăn nhất nè."

Dì Bạch nhiệt tình gắp thức ăn cho Phương Hạo Vân đến nỗi quên cả gắp cho mình.

Phương Hạo Vân quả thật rất đói bụng, cộng thêm tay nghề dì Bạch không tệ nên hắn cũng không cự tuyệt. Dì Bạch gắp bao nhiêu là hắn ăn bấy nhiêu.

"Dì Bạch, dì cũng ăn đi."

Mãi một lúc sau hắn mới phát hiện dì Bạch vẫn chưa ăn miếng nào, nên vội vàng lên tiếng.

Dì Bạch khẽ mỉm cười, lúc này mới gắp mấy miếng vào trong chén của mình. Cô ngẩng đầu nhìn Phương Hạo Vân, nói: "Hạo Vân, hôm nay rồng đến nhà tôm, nhất định là có chuyện gì cần tìm dì phải không? Đúng lúc dì cũng có chuyện muốn nói với con. Hay là như vầy, chúng ta vừa ăn vừa nói chuyện nhé."

"Vâng.!"

Phương Hạo Vân gật đầu, sau đó ăn ngấu nghiến, không có nói già nữa.

Cho đến khi ăn xong thì hắn mới buông bát đũa xuống, nghiêm túc hỏi: "Dì Bạch, tài khoản ngân hàng của con lúc còn ở Thiên Đạo, Nguyệt Như có giao cho dì phải không? Con muốn biết trong tài khoản đó còn bao nhiêu tiền?"

Dì Bạch cũng buông bát đũa xuống, cười nói: "Dì đã đoán trước con nhất định vì chuyện này mà tới. Tình huống nguy cấp của tập đoàn Thịnh Hâm dì cũng biết. Nếu tính cả tài khoản riêng của dì và con trong ngân hàng thì ít nhất cũng khoảng 300 triệu USD!"

"300 triệu USD?"

Phương Hạo Vân nghe vậy liền mừng rỡ trong lòng, vội hỏi tới: "Thật sao? Dì Bạch, ở đâu mà dì có nhiều tiền như vậy?"

Dì Bạch bình thản cười, giải thích với Phương Hạo Vân: "Tài khoản trong ngân hàng của dì và con có 100 triệu USD, số còn lại, một nửa là Nguyệt Như cho, một nửa là rút từ công ty tại Châu Âu, tổng cộng được 300 triệu. Dì đã xem xét kỹ, nếu có 300 triệu USD này thì trong vòng 1 năm tập đoàn Thịnh Hâm sẽ không xuất hiện vấn đề thiếu hụt tài chính. Hơn nữa, dì đoán khoảng mấy tháng sau, tiền đầu tư của chính phủ cũng sẽ tới. Hiện tại là thời kỳ nhạy cảm, đám tham quan phía trên cũng phải giữ kẻ, không dám trực tiếp ăn chặn."

"Dì Bạch, dì còn có công ty ở Châu Âu sao?" Phương Hạo Vân có chút kinh ngạc

"Con quên rồi sao?"

Dì Bạch duyên dáng cười, nói: "Lần trước dì đã nói với con rồi mà? Người của dì đã đi Châu Âu để phát triển lực lượng. Đến khi đó, việc chống lại Edward Morgan hoàn toàn là nhờ vào bọn họ. Con yên tâm, qua vài tháng nữa, dì sẽ kể hết mọi chuyện cần thiết cho con biết. Sản nghiệp Bạch gia, nói trắng ra cũng là sản nghiệp của con mà."

Phương Hạo Vân vội vàng khoát tay, nói: "Dì Bạch, dì đừng nói vậy, con nào có tài đức gì?"

"Con lại quên rồi, con là chủ nhân của Thiên Phạt, cũng chính là chủ nhân của Bạch gia thủ hộ nhất tộc, mọi thứ của chúng ta đều là của con.Nhớ kỹ, con nhất định phải học làm một vương gia đó." Dì Bạch nhân cơ hội dặn dò mấy câu.

Lần này Phương Hạo Vân không có từ chối nữa mà gật đầu: "Vâng, con sẽ cố gắng."

"Ừm, con nói vậy dì cũng yên tâm. Vấn đề của tập đoàn Thịnh Hâm, dì đã giúp con giải quyết, bây giờ dì muốn nói với con chuyện của Roberts."

Dì Bạch chuyển đề tài, nói: "Mấy hôm trước lúc con bị thương, Roberts muốn đi tìm con nhưng nửa đường thì bị dì ngăn lại."

"Gã có nhận ra không?" Phương Hạo Vân vội hỏi.

"Có lẽ không…!"

Dì Bạch tự tin nói: "Dì đã che giấu thân phận nên gã không thể nào nhận ra được đâu. Dì cũng đã giao thủ mấy chiêu với gã, thực lực của gã không tệ, xem như có thể làm đối thủ của con được."

Nói tới đây, vẻ mặt dì Bạch bỗng nghiêm túc hẳn lên: "Hạo Vân, tu vi võ học của Robertss hiện tại đang gặp phải chướng ngại, không thể tăng tiến nên dì định chỉ điểm để gã thoát khỏi tình huống đó. Nếu quả thật có thể đột phá được thì coi như gã sẽ đạt tới cảnh giới hoàn toàn mới. Đến lúc đó lấy võ công hiện tại của con mà đấu cùng Robertss thì chưa biết ai thắng ai bại…"

"Sao dì lại làm vậy?" Phương Hạo Vân có chút khó hiểu, dì Bạch lại sao lại muốn trợ giúp cho địch thủ của mình.

"Tại sao ư? Con tự suy nghĩ đi!" Dì Bạch bình thản đáp.

Phương Hạo Vân khẽ cau mày, cúi đầu trầm tư giây lát, sau đó hắn ngẩng đầu lên, cười nói với dì Bạch: "Con biết rồi, dì muốn để Roberts làm động lực thúc đẩy cho con sớm trở lại trạng thái đỉnh điểm?"

"Không sai, dì đúng là có ý này. Nếu con đã hiểu nỗi khổ tâm của dì thì càng phải cố gắng hơn. Hạo Vân, thời gian của chúng ta không còn nhiều nữa. Edward Morgan dù không đại biểu cho cả gia tộc Morgan nhưng bản thân gã vẫn có thực lực, nên chúng ta không thể khinh thường…"

"Con biết, dù thế nào đi nữa thì con cũng không để cho Nguyệt Như phải chịu khổ…suốt nhiều năm qua, cô ấy lặng lẽ ở bên cạnh bảo vệ cho con, làm nhiều việc như vậy vì con nên con sẽ không để cô ấy thất vọng đâu. Dì Bạch, nhờ dì chuyển lời của con tới Nguyệt Như rằng trước Trung thu, con nhất định sẽ đến đón cô ấy." Phương Hạo Vân mạnh miệng hứa.

"Dì sẽ nói." Dì Bạch vui vẻ cười.

Sau đó, hai người tiếp tục bàn bạc thêm về mối đe dọa từ Edward Morgan. Cho đến khi kết thúc cuộc trò chuyện thì sắc trời cũng đã tối.

Phương Hạo Vân thấy thời gian không còn sớm nữa nên liền cáo từ: "Dì Bạch, con đi trước, lần này thật cảm ơn sự giúp đỡ của dì."

"Người một nhà mà, đâu cần nói như vậy. À đúng rồi, Hạo Vân, từ nước ngoài chuyển về một số tiền lớn như vậy cần phải có một chút thời gian, dì phải lần lượt chuyển 300 triệu này về trong nước. Có điều chúng ta phải đăng ký dưới danh nghĩa một công ty nào đó, nếu không rất khó trực tiếp chuyển vào tài khoản của tập đoàn Thịnh Hâm."

Dì Bạch đề nghị: "Hay là con và Trần Thiên Huy bàn bạc xem có thể để Trần thị của ông ta tiếp nhận nguồn tài chính này không? Nếu được thì có thể giảm bớt rất nhiều rắc rối."

Phương Hạo Vân suy nghĩ một chút rồi gật đầu nói: "Được rồi, con sẽ đến thương nghị cùng ông ấy, sau đó sẽ điện thoại cho dì."

295. Chương 7: Sự Rộng Rãi Của Dì Bạch

Vấn đề kinh phí xây dựng vịnh Kim Thủy chưa giải quyết được, thân là thị trưởng, người quản lý kinh tế thành phố nên Dương Vọng Giang cũng cảm thấy khá nhức đầu…Lẽ ra kinh phí là do trung ương rót xuống từ lâu rồi, nhưng không hiểu sao lại xuất hiện vấn đề nên bị các ban ngành liên quan giữ lại, do đó ảnh hưởng khá nghiêm trọng đến tiến độ xây dựng của công trình.

Hôm nay thông qua một số bạn học cũ ở Bắc Kinh, Dương Vọng Giang biết được một ít tin tức, đó là khoản kinh phí này phải mấy tháng sau mới có thể giải ngân được. Do đó, ông vội liên hệ với Trần Thiên Huy, hy vọng có thể trao đổi cùng ông ta để tìm ra cách giải quyết. Dù gì đi chăng nữa thì việc xây dựng vịnh Kim Thủy tuyệt đối không thể đình chỉ, cho dù chính phủ có gặp trở ngại gì thì cũng phải nghĩ ra được biện pháp, nếu không khó mà kích phát thị trường, lại càng khó có thể đối phó với cuộc khủng hoảng tài chính trước mắt.

Sau khi nhận được điện thoại, Trần Thiên Huy vội vàng chạy đến văn phòng làm việc của Dương Vọng Giang. Vừa vào cửa là ông đã thấy gương mặt u sầu của Dương Vọng Giang.

Thế là đã rõ, vấn đề kinh phí coi như không xong rồi.

"Lão Trần, ngồi đi…!"

Sau một thời gian tiếp xúc, thái độ của Dương Vọng Giang đối với Trần Thiên Huy cũng đả thay đổi rất nhiều, xưng hô cũng thoải mái hơn trước.

Trần Thiên Huy gật đầu, ngồi xuống đối diện với Dương Vọng giang, sau khi trầm mặt một hồi thì ông chủ động lên tiếng: "Dương thị trưởng, có lẽ bó tay rồi phải không?"

Dương Vọng Giang thở dài thật sâu, nói: "Lão Trần, chuyện này anh cũng đừng quá vội, tôi đã nhờ các ban ngành có liên quan tư vấn rồi, về phương diện tài chính chắc chắn sẽ không thiếu một xu, nhưng mấu chốt là phải đợi thêm một thời gian nữa…"

"Dương thị trưởng,…thật ra thì tôi cũng đã biết được tin tức này…nhưng điều khó là hiện tại chúng ta đã ứng trước rất nhiều tiền xây dựng, nếu như chính phủ không kịp bơm tiền xuống như đã hứa thì cơ bản không thể nào tiếp tục công việc được…Không nói gạt anh, tài khoản của tập đoàn Thịnh Hâm còn chưa đầy 1 triệu, ngay cả tiền lương của nhân viên cũng chưa trả được…"

Trần Thiên Huy tức giận nói: "Dương thị trưởng, anh nói xem, xã hội bây giờ buồn cười thật, tại sao chúng ta làm chút chuyện thiết thực mà lại gặp nhiều trắc trở như vậy?"

Dương Vọng Giang khoát tay, nói: "Lão Trần, khó khăn chẳng qua là tạm thời. Nếu anh đã có bản lĩnh biết được tin tức trên thì chắc cũng hiểu rõ, toàn bộ kinh phí sẽ được rót xuống đầy đủ, không thiếu gì cả. Hai tháng…anh cho tôi thời gian hai tháng, tôi đảm bảo toàn bộ kinh phí sẽ có đủ.Trung ương Đảng và quốc vụ viện rất coi trọng công cuộc mở rộng đầu tư, tất cả vấn đề tài chính, đầu tư đều được lãnh đạo các bộ ngành kiểm tra, giám sát rất kỹ. Mặc cho anh có lá gan lớn đến đâu cũng không dám tham ô số tiền này đâu, cùng lắm chỉ lợi dụng chút kẽ hở luật pháp để trì hoãn thời gian mà thôi."

Trần Thiên Huy gật đầu, nói: "Dương thị trưởng, lời của anh tất nhiên tôi tin tưởng. Nhưng vấn đề bây giờ là, hai tháng này làm sao chống đỡ được đây?"

"Chúng ta cùng nhau nghĩ cách…"

Dương Vọng Giang hạ giọng: "Tôi đã bàn bạc với bên sở tài chính, sở xây dựng, quy hoạch…và các đơn vị liên quan, bảo bọn họ phải cố gắng vay mượn một ít từ các nơi khác. Theo tính toán của tôi, nếu có được nguồn tài chính này thì vấn đề thiếu hụt của chúng ta cũng không còn quá lớn nữa…Anh cũng nghĩ cách gì đi, chúng ta cùng nhau vượt qua giai đoạn khó khăn này."

Trần Thiên Huy nghe vậy liền nuốt vào trong bụng tất cả lời oán than mà mình định nói. Thân làm thị trưởng một thành phố mà Dương Vọng Giang có thể nói với mình những lời như vậy, chứng tỏ ông ta thật lòng vì dân quên mình, là một quan chức tốt. Trần Thiên Huy liền cảm phục ông ta từ tận đáy lòng.

"Dương thị trưởng, anh đã nói vậy thì Trần Thiên Huy tôi cũng không làm khó anh nữa. Vấn đề kinh phí, tôi cũng sẽ có biện pháp tích cực. Chúng ta cùng nhau chống chọi."

"Tốt lắm…!"

Dương Vọng Giang cười lớn một tiếng, nói: "Có những lời này của anh thì tôi cũng yên tâm rồi. Lão Trần, vấn đề tài chính trước mắt cứ làm như vậy…bây giờ chúng ta bàn bạc cụ thể về chất lượng xây dựng công trình nào…"

Sau đó, hai người liền mở máy tính ra, thương thảo một số chi tiết về công trình vịnh Kim Thủy trên góc độ cá nhân.

Khi bọn họ còn chưa kết thúc cuộc tọa đàm thì điện thoại của Trần Thiên Huy bỗng reo lên. Ban đầu ông không muốn bắt máy, bởi lẽ đang nói chuyện cùng thị trưởng mà. Nhưng sau khi nhìn kỹ thấy là số của Phương Hạo Vân thì ông liền thay đổi chủ ý. Phương Hạo Vân rất hiếm khi gọi cho mình, hôm nay nếu đã gọi tới thì ắt hẳn là có việc gấp đây.

"Dương thị trưởng, tôi xin phép ngừng chút để nghe một cuộc điện thoại quan trọng!" Trần Thiên Huy lịch sự nói.

"Ha ha, cứ nghe đi…có khi là thần tài gõ cửa đó." Dương Vọng Giang bông đùa một câu.

Sau khi bắt máy, trong điện thoại liền truyền đến giọng nói phấn khởi của Phương Hạo Vân: "Chú Trần, tiền của chúng ta có rồi…"

"Là sao?"

Trần Thiên Huy có chút cao hứng, vội hỏi dồn: "Hạo Vân, cháu có thể nói rõ hơn một chút được không?"

"Chú Trần, chú đang ở đâu vậy? Nếu tiện đường thì để cháu qua gặp chú rồi nói luôn. Cho chú hay, cháu đã huy động được 300 triệu USD rồi…"

"Cái gì, 300 triệu USD?"

Trần Thiên Huy nghe vậy, nhất thời ngơ ngác. Mãi một lúc sau ông mới bình tĩnh lại: "Hạo Vân, cháu khẳng định đây là sự thật ư?"

"Đương nhiên là thật."

Phương Hạo Vân cười nói: "Thế này đi, cháu sẽ ở Kim Bích Huy Hoàng chờ chú, chú mau đến đây, chúng ta cùng nói chuyện."

"Được, không thành vấn đề, chú đến ngay."

Sau khi cúp máy, Trần Thiên Huy cười với Dương Vọng Giang: "Dương thị trưởng, miệng anh thật là linh đó, quả thật có thần tài tới gõ cửa chúng ta rồi."

Dương Vọng Giang nghe vậy cũng không kiềm được vui sướng, vội vẫy tay: "Lão Trần, mau tới đây nói rõ tôi nghe, rốt cục là sao vậy? Thật sự có thần tài mang tiền tới u?"

Trần Thiên Huy vừa bước tới vừa thầm suy nghĩ, quyết định nói hết mọi chuyện. Sau khi ngồi xuống cạnh Dương Vọng Giang, ông liền đem hết lời của Phương Hạo Vân kể lại một lần.

Nghe xong, Trần Thiên Huy lên tiếng tán dương: "Dương thị trưởng, có lẽ anh chưa biết tôi đã sớm trọng tiểu tử Hạo Vân này. Cho nên lần này nó có thể huy động nhiều vốn như vậy thật ra tôi cũng không ngạc nhiên lắm, đã nằm trong dự đoán cả rồi."

Dương Vọng Giang cau mày hỏi: "Lão Trần, cậu nhóc Hạo Vân này không phải nói khoác chứ? Từ đâu mà cậu ta có 300 triệu USD được? Hay là như vầy, anh mau đến đó kiểm tra, cụ thể thế nào thì điện thoại cho tôi biết. Nếu đây là thật thì tôi yên tâm rồi…còn nếu không phải vậy thì tôi sẽ sớm xúc tiến việc chuyển tiền qua cho anh…Lão Trần, anh nên nhớ kỹ, chất lượng và tiến độ phải luôn đi cùng nhau nhé."

Trần Thiên Huy mạnh miệng nói: "Dương thị trưởng, anh cứ yên lòng, tôi cam đoan với anh vấn đề xây dựng sẽ không xảy ra chuyện gì đâu."

"Có lời này của anh thì tôi vững dạ rồi…"

Dương Vọng Giang gật đầu: "Được rồi, anh đi trước đi, chút nữa nhớ liên lạc với tôi."

"À khoan đã, lão Trần…"

Vừa thấy Trần Thiên Huy đứng dậy, Dương Vọng Giang đột nhiên gọi ông ta lại: "Lão Trần, có câu này tôi vẫn muốn hỏi anh, nhưng lại cảm thấy không hay cho lắm. Có điều hôm nay tôi thật sự không kiềm được rồi, mong anh thành thật trả lời nhé."

"Dương thị trưởng, có gì thì anh cứ lên triếng, nếu lão Trần này biết, nhất định sẽ trả lời anh."

Trần Thiên Huy có chút ngoài ý muốn, nói chuyện ấp a ấp úng như vầy không phải là tính cách của Dương Vọng Giang.

"Lão Trần, bên ông Lã là do anh nhờ cậy phải không?"

Sắc mặt Dương Vọng Giang đầy nghiêm túc, chân thành nói một câu: "Cảm ơn anh…!"

Gần đây Dương Vọng Giang mới biết được, sở dĩ mình có thể thuận lợi ngồi lên cái ghế thị trưởng chủ yếu là do có ông Lã âm thầm ủng hộ. Nếu không có ông ấy lên tiếng thì thành ủy cũng sẽ không nhanh chóng xâu chuỗi mưu toan của Vương Hán Sinh lại. Lã Thiên Hành và Trần Thiên Huy có quan hệ như thế nào thì giới thương nhân và quan trường của Hoa Hải đều biết rõ. Cho nên sau khi biết được chuyện này thì Dương Vọng Giang liền nghĩ ngay đến Trần Thiên Huy.

"Dương thị trưởng, anh còn khách khí với tôi làm gì, để anh làm thị trưởng là mục tiêu chung, tôi chỉ vì anh mà thanh trừ chút chướng ngại vật thôi mà. Nhưng mà Dương thị trưởng này, anh cũng đừng suy nghĩ nhiều, tôi ủng hộ anh làm thị trưởng cũng không phải vì muốn kiếm chút lợi lộc từ anh đâu. Lão Trần tôi chỉ muốn làm chút chuyện có ích, không muốn bị cha vợ coi thường. Mà anh lại có đầy đủ phẩm chất nữa, nếu không chọn anh thì còn biết chọn ai? Được rồi, bên kia Hạo Vân chắc đang sốt ruột chờ tôi, tôi phải đi trước đây. Lúc khác sẽ lại trò chuyện cùng anh nữa…" Trần Thiên Huy khẽ mỉm cười, xoay ngươi cáo từ.

"Lão Trần, dù gì đi nữa thì tôi cũng cảm ơn anh. Đúng rồi, nếu có cơ hội thì anh mang Hạo Vân tới đây luôn, tôi muốn gặp cậu ấy."

Đối với tên tuổi Phương Hạo Vân thì Dương Vọng Giang cũng không xa lạ gì. Lúc trước, trong tài liệu báo cáo của thị cục về công việc đảm bảo an ninh cho ca sỹ Đinh Tuyết Nhu đã từng nhiều lần nhắc tới tên hắn. Thị cục đánh giá hắn rất cao, lại thêm Trần Thiên Huy hôm nay nữa thì đây là lần thứ hai Dương Vọng Giang được nghe thấy tên của chàng thanh niên này. Vì thế ông cảm thấy mình cần phải gặp hắn.

"Không thành vấn đề, tí nữa tôi sẽ đưa nó tới…".

Sau khi Phương Hạo Vân quay lại, Vương Thế Phi tỏ ra rất vui mừng, vội vàng sai Tiểu Điệp chuẩn bị một bàn tiệc rượu.

"Phương thiếu gia, cậu xem thức ăn này có hợp khẩu vị chưa? Nếu chưa thì để tôi cho người làm lại!" Vương Thế Phi cẩn thận hỏi.

"Không cần rắc rối vậy đâu, thế này đã là tốt lắm rồi. À phải rồi, tôi có gọi chú Trần đến đây, nhờ anh cho người ra đón nhé…" Phương Hạo Vân cười nói.

"Được, tôi sẽ bảo A Tài đi ngay."

Vương Thế Phi liền quay đầu hạ lệnh cho tay hầu cận A Tài: "Mau dẫn người ra trước cửa ngó chừng, nếu thấy chủ tịch Trần tới thì dẫn ông ấy lên đây."

Nủa tiếng sau, Trần Thiên Huy liền được A Tài dẫn vào phòng làm việc của Vương Thế Phi: "Ha ha, biết chú chưa ăn cơm nên chuẩn bị cả tiệc rượu luôn hả?"

"Chú Trần, chú tới đây."

Phương Hạo Vân đứng dậy, nhiệt tình mời Trần Thiên Huy ngồi. Vương Thế Phi cũng ngồi xuống, sau đó cung kính rót rượu cho hai người.

Trần Thiên Huy thấy vậy cảm thấy rất vừa ý, thằng bé Hạo Vân này quả thật không đơn giản mà, ngay cả Vương Thế Phi cũng bị nó huấn luyện thành như vậy.

"Hạo Vân, khoan ăn đã, trước hết cháu nói cụ thể tình hình cho chú nghe đi!"

Trong lòng Trần Thiên Huy vẫn còn bâng khuâng về 300 triệu USD kia, có ăn cơm hay không cũng không quan trọng lắm. Những ngày qua vì để chuẩn bị vấn đề tài chính mà ông đã bôn ba ngược xuôi nhưng vẫn chưa huy động thêm được một tí nào, huống chi số tiền cần huy động không chỉ là một tí đó mà là rất rất nhiều.

"A Tài, mau dẫn người ra cửa canh gác, không có lệnh thì không cho bất kỳ ai vào đây."

Vương Thế Phi thấy hai người nói chuyện cũng không cố kỵ gì mình, tâm hắn liền chuyển, vội vàng bảo A Tài lui ra.

Sau khi A Tài rời khỏi đó, Phương Thế Hạo Vân mới úp úp mở mở mở nói: "Chú Trần, 300 triệu USD đó là thật, tuyệt đối không thiếu một xu, về phần tiền từ đâu tới thì cháu chỉ có thể cho chú biết tất cả là công

lao của dì Bạch. Là do dì ấy chuyển cho cháu, còn nguồn gốc của số tiền đó thì cháu cũng không rõ lắm. Tất nhiên, 300 triệu này chắc chắn là tiền sạch.không hề có vấn đề gì cả."

Dì Bạch? Đối với cái tên này thì Trần Thiên Huy cũng không xa lạ gì. Phương Tử Lân từng không chỉ một lần đề cập đến người ấy. Theo như lời của Phương Tử Lân thì bệnh tim của ông ta là do dì Bạch chữa trị.

Do đó trong ấn tượng của Trần Thiên Huy thì có lẽ dì Bạch này là cao nhân về y thuật. Nhưng xem ra mình đã đánh giá thấp người ta rồi. Có thể dễ dàng huy động được 300 triệu USD trong thời gian ngắn như vậy.chắc chắn không phải là người tầm thường.

"Đúng vậy, chính là dì ấy."

Phương Hạo Vân trầm giọng nói: "Chú Trần, cháu gọi chú tới đây là để thương nghị một chuyện, đó là làm cách nào để có thể luân chuyển số tiền này. Về phương diện tài chính thì chú là chuyên gia nên cháu trông cậy vào chú."

mọi người rầu rĩ như vậy nên nói trước luôn." Phương Hạo Vân rất khôn khéo chuyển hết công lao cho Trần Thiên Huy để tránh làm người nhà nghi ngờ.

Lời này vừa nói ra liền làm Trác Nhã kích động không thôi, 300 triệu USD, đó là 2,1 tỉ nhân dân tệ đó! Có số tiền này thì tập đoàn Thịnh Hâm và tập đoàn Hàn thị có thể duy trì thêm mấy tháng nữa để chờ tiền của chính phủ rót xuống.

"Con nói thật hả Hạo Vân?" Trác Nhã nghi hoặc hỏi.

"Thật mà, nếu mẹ không tin thì có thể tự mình điện thoại hỏi thăm chú Trần."

Phương Hạo Vân cười nói: "Tình hình bên ba thế nào rồi mẹ? Nếu ba không thu hoạch được gì thì mẹ mau gọi ba về đi."

Nghe Phương Hạo Vân nói vậy, Trác Nhã không còn nghi ngờ gì nữa, vội gật đầu: "Đúng rồi, mẹ phải điện cho ba con để gọi ông ấy về sớm, đỡ phải chịu khổ ở bên ngoài."

Sự việc mới xảy ra đã làm Trác Nhã tạm quên hết những lo lắng trong lòng từ nãy đến giờ.

Lăng Vân Giai theo đúng lời hẹn đến nhấn chuông cửa lúc 10 giờ.

Phương Hạo Vân tự mình chạy tới mở cửa để gã đi vào: "Anh Lăng, anh tới sớm nhỉ.!"

"Hạo Vân, chị của cậu có nhà không? Tôi tới đón cô ấy đi ăn cơm."

Lăng Vân Giai vẫn như cũ, mặc một bộ đồ tây màu trắng, kết hợp vóc dáng cao ráo càng tôn thêm khí chất quý tộc của gã. Lại thêm khóe miệng gã nở nụ cười nho nhã, trông không khác gì bạch mã hoàng tử.

"Hạo Vân, có phải Lăng tiên sinh tới không?" Phương Tuyết Di cũng nghe tiếng chuông cửa nên vội chạy tới phòng khách.

Lăng Vân Giai vừa nghe thấy giọng nói của Phương Tuyết Di liền vòng qua người Phương Hạo Vân, cười hì hì nghênh đón: "Tuyết Di, em chuẩn bị xong chưa? Nếu không có vấn đề gì thì chúng ta lên đường nhé!"

Phương Tuyết Di khẽ gật đầu: "Được rồi.!"

Sau đó cô quay đầu lại nói với Phương Hạo Vân: "Hôm nay là Lễ tình nhân, em cũng nên đi chơi với Lăng Kỳ đi. Xế chiều một chút chị mới về nhà, em đưa Lăng Kỳ tới, chúng ta cùng nhau ăn cơm."

Lời này của Phương Tuyết Di rất rõ ràng, bề ngoài là nói cho Phương Hạo Vân nghe nhưng trên thực tế lại là nói cho Lăng Vân Giai nghe.

Lăng Vân Giai sao có thể không hiểu được ý của cô, nhưng từ đây đến xế chiều vẫn còn tới mấy giờ đồng hồ, vẫn đủ thời gian cho gã.

"Tuyết Di, chúng ta đi thôi.!"

Lăng Vân Giai bắt đầu có đôi chút sốt ruột, nhưng gã vẫn cố làm ra vẻ nho nhã, lên tiếng mời.

Phương Tuyết Di gật đầu, sau đó theo Lăng Vân Giai ra cửa, vào trong chiếc BMW của gã. Phương Hạo Vân theo sát ra ngoài, âm thầm ghi nhớ biển số xe.

Đợi đến lúc bọn họ đã đi khuất, Phương Hạo Vân liền lấy điện thoại gọi cho dì Bạch thông báo bảng số xe để nhờ dì Bạch cho người theo dõi và báo cáo điểm dừng chân cho hắn biết.

Khoảng chừng một tiếng sau, Phương Hạo Vân nhận được điện thoại của dì Bạch cho biết Lăng Vân Giai đã mang Phương Tuyết Di tới một căn biệt thự ở vùng ngoại ô.

Ngay từ đầu Phương Hạo Vân đã cảm thấy chuyện không ổn rồi, sau khi biết được hướng đi của họ thì trong lòng hắn lại càng lo lắng. Gã Lăng Vân Giai này dứt khoát không phải là người tốt rồi, mời người ta ăn cơm mà lại đưa đến biệt thự à? Mà bà chị cũng thật là.sao lại để cho gã làm vậy?

Sau khi xác định cụ thể địa điểm, Phương Hạo Vân liền thuê taxi đuổi theo. Dù hiện tại hắn chưa có bằng chứng nào cho thấy nhân phẩm Lăng Vân Giai không tốt, nhưng phòng bệnh còn hơn chữa bệnh mà.

297. Chương 9: Tuyết Di Uống Rượu

Nhớ đến nguy cơ thiếu hụt tài chính trầm trọng của tập đoàn Thịnh Hâm, Phương Tuyết Di quyết định đồng ý. Cô thầm nghĩ vẫn còn ba mẹ gã ở nhà nên chắc không xảy ra chuyện gì. Nhưng khi tới nơi mới biết trong nhà không một bóng người, thậm chí cả người giúp việc cũng không thấy.

Phương Tuyết Di liền nghi ngờ, cau mày hỏi: "Lăng tiên sinh, anh nói ba mẹ anh cũng ở đây mà? Vậy tại sao không thấy bọn họ?"

Lăng Vân Giai áy náy cười, giả vờ lên lầu xem xét một chút, sau đó nói: "Xin lỗi Tuyết Di, anh thật sự không biết họ đã đi đâu. Lúc anh ra cửa thì hai người vẫn còn ở trong phòng khách trên lầu mà. Hay là thế này, để anh gọi điện hỏi xem họ đang ở đâu, bảo bọn họ về gấp."

Vừa nói, Lăng Vân Giai vừa nhấn số điện thoại của ba mình, hơn nữa còn mở loa ngoài: "Ba, hiện tại ba và mẹ đang ở đâu? Con đưa Tuyết Di về nhà rồi mà sao không thấy mọi người?"

Đầu bên kia truyền đến một giọng nói già nua: "Vân Giai à, hôm nay là Lễ tình nhân, mẹ con làm ầm ĩ bắt ba phải đưa ra nhà hàng Tây ăn cơm. Chắc ba mẹ chưa về nhà được. Như vầy đi, con cứ ăn cơm với Tuyết Di trước, ba mẹ sẽ cố gắng quay về sớm.Nhớ kỹ, nhất định phải chiêu đãi Tuyết Di thật tốt, không được thờ ơ với người ta."

"Ba cứ yên tâm, con sẽ chăm lo thật tốt cho cô ấy, ba và mẹ cứ lãng mạn một phen đi, không cần quá gấp gáp đâu.chúng con chờ hai người."

Nói xong, Lăng Vân Giai liền cúp điện thoại.

"Tuyết Di, không hay rồi.mẹ anh già rồi mà còn muốn lãng mạn.hiếm khi ông bà có tâm tình tốt như vậy nên anh cũng không muốn gọi họ về sớm. Hay là chúng ta ra ngoài ăn đi, ăn xong rồi quay lại." Lăng Vân Giai lên tiếng tạ lỗi.

Trong lòng Phương Tuyết Di vẫn canh cánh chuyện ký hợp đồng, cô thầm tính toán thấy biệt thự của Lăng Gia và khu vực thành thị cách nhau khá xa, nếu tính cả thời gian ăn nữa thì chắc cũng phải mấy giờ đồng hồ. Chi bằng cứ ăn ở đây, nhân tiện đợi hai ông bà nhà họ Lăng quay lại.

Nghĩ đến đây, Phương Thuyết Di cười nói: "Cứ ăn ở đây nhé, sau đó chờ ba mẹ anh quay về."

Lăng Vân Giai nghe vậy, giả vờ khuyên: "Tuyết Di, nếu ba mẹ không có nhà thì chúng ta cứ ra ngoài đi. Hôm nay là Lễ tình nhân mà ăn cơm ở nhà thì rất vô vị đó. Làm vậy có thiệt thòi cho em không?"

Nhưng trong mắt của Phương Hạo Vân, chút tài mọn này của hắn lại chẳng khác nào mấy đứa trẻ ba tuổi tập võ.

"Hạo Vân, cẩn thận!"

Phương Tuyết Di thấy Lăng Vân Giai lao vào khí thế hùng hổ đầy nanh ác như vậy, trong lòng hoảng hốt, gấp gáp liền hét lên cảnh báo. Phương Hạo Vân lại khẽ hừ một tiếng lạnh lùng trong cổ họng, cơ bản đây là một chiêu không đáng quan tâm, vào lúc nắm quyền của Lăng vân Giai đến trước ngực hắn, hắn đưa tay ra, nhẹ nhàng nắm lấy cổ tay của gã:

"Trừng phạt sẽ bắt đầu từ cánh tay này."

Lời nói vừa dứt, Phương Tuyết Di liền nghe thấy một tiếng kêu thảm thiết, cùng với tiếng kêu thảm thiết đó còn kèm theo âm thanh xương cốt gãy.

Sau đó, Phương Hạo Vân một chân đá bay Lăng Vân Giai trở lại chỗ cũ, ngã đúng vào trước bàn ăn lúc nãy cùng Phương Tuyết Di ăn cơm trưa. Cổ tay bị gãy khiến Lăng Vân Giai không ngừng kêu thét, giống như chọc tiết lợn vậy.

Phương Tuyết Di thấy Lăng Vân Giai đau đớn như vậy, trong lòng cũng vô cùng hả giận. Nhưng cô cũng lo lắng em trai mình nếu để sự việc bị vỡ lỡ, nhỡ may kinh động đến cảnh sát sẽ khó giải quyết. Do dự một chút, cô nhẹ giọng nói: " Hạo Vân, sơ sơ mà dạy cho hắn một bài học là được rồi, đừng để xảy ra án mạng.Vì cái thứ bẩn thỉu như vậy mà xảy ra chuyện phải ra tòa thì không đáng đâu."

Phương Hạo Vân lạnh lùng gật đầu rồi đi thẳng qua, đưa tay tóm lấy cổ lăng Vân Giai, dùng chút sức lực, nói như báo cho gã biết: " Nhớ cho kỹ, giết chết mày, đối với tao mà nói, chẳng khác gì dẫm chết một con kiếnnhưng giết mày rồi, tao còn sợ bẩn tay tao. Tạm thời hôm nay tao dạy cho mày một bài học này. Nếu sau này mày còn dám làm bậy như vậy, nếu muốn trả thù nhà họ Phương chúng ta, vậy mày hãy chuẩn bị sẵn quan tài cho cả người nhà họ Lăng bọn mày luôn đi là vừa?"

Cổ họng Lăng Vân Giai bị nghẹt lại, hai mắt trợn lên trắng dã. Gã muốn nói vài câu kêu cứu nhưng cũng không nói được thành lời, chỉ rủ rỉ kêu được mấy tiếng giống như quạ kêu vậy.

Phương Tuyết Di khuyên Phương Hạo Vân một lần nữa: " Hạo Vân, bỏ đi"

Lần này Phương Hạo Vân nới lỏng tay ra: " Tên họ Lăng kia, hôm nay coi như là may mắn cho mày, nếu không phải chị gái tao từ bi đại phát, tao sẽ cho mày sống không bằng chết. Nhớ kỹ lấy, những lời ta nói trước đây không phải là đùa đâu."

Vừa nói, Phương Hạo Vân một tay đập xuống bàn, mặt bàn bằng đá cẩm thạch phút chốc vỡ vụn ra. Lăng Vân Giai cũng ngã theo xuống đất.

Trong chốc lát Lăng Vân Giai bị dọa chết khiếp, trong đầu hắn bây giờ chỉ còn một suy nghĩ, tên tiểu tử này không phải người.

"Tạm biệt.!"

Thấy thủ đoạn đe dọa của mình có hiệu quả. Phương Hạo Vân kéo tay chị gái mình quay người rời khỏi: " Nhớ kỹ, tao chưa từng đến đây, chị tao cũng chưa từng đến đây, vết thương trên người mày chẳng có liên quan gì với chúng tao"

Lăng Vân Giai vội vàng gật đầu, gã còn không dám thở mạnh ra.

Kẻ đùa với lửa tự thiêu mình, câu nói này dường như được viết ra để dành riêng cho gã.

Thời gian bất lợi thoáng qua, dù thế nào thì gã cũng không thể ngờ được đại công tử nhà họ Phương lại là tên hung ác như vậy. Sớm biết như vậy, gã đã không dám nảy sinh ý đồ xấu xa với Phương Tuyết Di rồi.

Sự việc đã xảy ra như vậy rồi, bây giờ có nói gì cũng đã muộn. Lăng Vân Giai nhìn chằm chằm hai chị em nhà họ Phương rời đi, phủi phủi vạt áo, không đem theo một chút tro bụi nào.

Một lúc lâu, Lăng Vân Giai mới có thể miễn cưỡng đi ra khỏi phòng ăn, gọi điện thoại cho bác sĩ riêng của nhà họ Lăng, thông báo cho ông ta mau chóng đến chữa trị vết thương cho mình.

Gã cảm thấy cổ tay mình chắc đã bị gãy, nỗi đau đớn thấu xương này khiến hắn không ngừng kêu khóc ầm ĩ. Đối với những lời uy hiếp của Phương Hạo Vân trước lúc đi, lúc đầu còn có chút nhút nhát sợ hãi, nhưng bây giờ nỗi đau đớn mãnh liệt này khiến đầu óc gã bắt đầu nóng ran lên, gã thầm thề rằng nhất định phải báo thù, nếu không, uổng công gã làm người.

Trong nội tâm dục vọng bị thuốc men kích thích, cũng vì thế nên nỗi đau thấu xương cũng không còn lại chút nào. Đây cũng coi là trong bất hạnh có may mắn? Ít nhất, gã cũng không bị dục vọng dày vò.

Hai chị em dắt tay nhau từ từ rời khỏi biệt thự nhà họ Lăng.

Hạo Vân nắm lấy bàn tay bé nhỏ, trong lòng Phương Tuyết Di có một cảm giác thân thiết không nói lên lời, trong lòng ấm áp vô cùng, thậm chí có chút cảm giác ngọt ngào.

"Hạo Vân, sự việc hôm nay, thật cảm ơn em. Nếu không có em kịp thời đến, chị cũng không biết chuyện gì sẽ xảy ra nữa?"

Trên đường đi, Phương Tuyết Di nắm chặt lấy bàn tay của Hạo Vân, trong lòng như có chút không muốn rời xa.

Phương Hạo Vân lạnh lùng cười: " Chị, nhân chi sơ tính bản ác, con người vốn ác độc, sau này chị cần phải cẩn thận hơn, cần học được cách bảo vệ mình. Em có thể bảo vệ chị lần này, nhưng không thể bảo vệ chị cả đời được Sau này. Bỏ đi, tạm thời không nói những chuyện này."

Đối với những lời nói của Hạo Vân, Phương Tuyết Di lại không đồng ý, cô vội thốt lên: " Chúng ta là người một nhà, sao em lại không thể bảo vệ chị suốt đời chứ Chị muốn em cả đời đều bảo vệ chị"

Đột nhiên Phương Hạo Vân bật cười, hắn nói như đùa: " Chị, cả đời cả kiếp bảo vệ chị nên là chồng chị chứ."

Lời nói vừa dứt khỏi miệng, Phương Hạo Vân đột nhiên hiểu ra, liền hai câu lại thì có chút gì đó hơi ám muội, hắn vội vàng giải thích: " Cái này cái đó. chị, chị đừng có hiểu lầm ý của em đó nhé, em muốn nói là, chị nên tìm một người chồng đi."

"Hạo Vân, khoan hãy nói những chuyện này, hôm nay tâm trạng của chị không tốt, rất không thoải mái, chị muốn đi uống vài chén, em đi cùng chị chứ?"

Phương Tuyết Di vốn không có thiện cảm lắm với bọn đàn ông, xảy ra chuyện ngày hôm nay, trong lòng cô càng xuất hiện sức phản kháng đối với việc kết bạn với đàn ông. Ngược lại, cô lại cảm thấy ở cùng với Hạo Vân, trong lòng cô luôn thấy rất yên tâm, tâm trạng cũng vô cùng vui vẻ. Thậm chí cô đang nghĩ, cả nhà nếu có thể mãi mãi sống bên nhau thì tốt biết mấy.

Phương Hạo Vân do dự một lúc, hắn khuyên nhủ: " Uống rượu hại người, phương pháp giải tỏa tâm trạng buồn bực đâu chỉ có cách uống rượu Chị, em đưa chị về nhà nhé. Chị cần phải nghỉ ngơi."

"Chị không muốn về nhà!"

Phương Tuyết Di giống như một cô nương bé bỏng làm nũng, lắc lắc cánh tay Phương Hạo Vân, nũng nịu nói: " Hôm nay em chắc chắn phải đi với chịNếu không em không phải em trai ruột của chị"

Phương Hạo Vân nghe thấy vậy, câu nói này quả thật là nói đúng, mình đâu phải là em trai thật sự của chị.

Tất nhiên, lời nói này chỉ là âm thầm nói trong lòng mà không dám nói ra sự thật. Trước kia Phương Hạo Vân cũng cân nhắc qua, mình không thể cả đời khoác bộ mặt của người khác mà sống được? Sau này, nếu có cơ hội, hắn còn muốn khôi phục thân phận của mình nữa. Tất nhiên, đó là chuyện rất lâu rất lâu sau này. Hơn nữa, bắt buộc phải có thời cơ thích hợp. Đồng thời, hắn cũng phải có đủ năng lực, để gánh vác những nguy hiểm sau khi thân phận của hắn bị bại lộ.

Sau cuộc thỏa thuận ngắn ngủi, Hạo Vân đưa chị gái đến một nhà nghỉ (đúng ra là khách sạn nhưng ta dịch nhà nghỉ cho nó máu, dễ liên tưởng) cao cấp có khu sinh thái riêng cách biệt thự Lăng gia không xa, phong cảnh ở đây rất tuyệt, chắc chắn sẽ có tác dụng làm giải tỏa tâm trạng buồn bực.

Phương Hạo Vân dùng chứng minh thư của mình đặt một phòng mà phía sau là rừng, đứng bên cửa sổ là có thể ngắm nhìn một mảng màu xanh mênh mông, khiến cho lòng người vui vẻ thoải mái.

Phương Tuyết Di đi vào liền chiếm lấy một chỗ quan sát lí tưởng nhất bên cửa sổ, hai mắt chăm chú nhìn ra ngoài cửa sổ, cô đứng bất động, cũng không biết trong lòng đang nghĩ điều gì.

Khoảng nửa tiếng đồng hồ trôi qua, Phương Tuyết Di vẫn ngẩn ngơ đứng bên cửa sổ, Hạo Vân lo lắng cử chỉ bất thường của chị mình, hắn bước đến nhẹ nhàng kéo lấy bàn tay bé nhỏ của cô, nhẹ nhàng nói: " Chị, đang nghĩ gì vậy, nghĩ gì mà mất hồn ra thế?"

Phương Tuyết Di nghe vậy, quay người lại, mỉm cười đầy sức mê hoặc với Hạo Vân, đưa tay lên trán nhẹ nhàng vuốt lại mái tóc đang rối tung, hiện rõ vẻ phong tình vạn chủng.

Thần sắc Phương Hạo Vân có chút không thoải mái: "Chị, hay là chúng ta ra ngoài đi dạo một chút? Hít thở chút không khí trong lành, em nghĩ tâm trạng của chị sẽ nhanh chóng tốt lên thôi?"

"Hạo Vân, em vẫn còn lo lắng cho chị sao? Có em bên cạnh chị rồi, thực ra tâm trạng chị đã tốt hơn nhiều rồi"

Phương Tuyết Di thản nhiên cười. Bộ ngực đầy đặn không ngừng phập phồng theo tiếng cười, tràn đầy hương vị đàn bà.

Dừng lại một chút, Phương Tuyết Di đưa tay ra véo mũi Hạo Vân một cái, cô cười: " Đừng tiếp tục lo lắng cho chị nữa, uống rượu cùng chị đi, không khí ở đây rất tuyệt, nếu không uống cạn một vài ly rượu nhỏ, quả là lãng phí quá"

Bất tri bất giác, hành động của Phương Tuyết Di dừng lại, đã có chút liệng siệng không vững. Hiển nhiên chất trong rượu vang uống ở Lăng gia trước đó đã bắt đầu dần dần phát huy tác dụng rồi.

Tất cả đều là vô tình mà thôi.

Cơ bản ngay cả Phương Tuyết Di cũng không cảm nhận được sự khác thường của chính mình. Thuốc mê đã kích thích dục vọng chân thật nhất trong nội tâm của cô, cô muốn ở bên Hạo Vân không muốn chia xa.

Còn Phương Hạo Vân cũng không nghĩ nhiều, thấy chị mình kiên quyết đòi uống rượu, hắn cũng không tiện tiếp tục từ chối: " Được, em uống cùng với chị một chút, nhưng không được uống nhiều quá rượu rất hại cho cơ thể."

Sau khi uống vài ly rượu vang, khóe mắt Phương Tuyết Di bỗng nhiên đỏ lên, cô cảm khái nói: "Hạo Vân, nếu chị sinh ra trong một gia đình bình thường thì tốt biết mấy, nếu như vậy, chị sẽ không có nhiều phiền muộn trong đầu. Chị tình nguyện sống một cuộc sống của một cô gái bình thường, đi học, kết hôn, sinh con. Sau đó cùng chồng nuôi dạy con cái."

Phương Hạo Vân nghe thấy, lạnh lùng trả lời: " Chị, thực ra chị bây giờ cũng có thể, do chị đã tự nhốt mình vào một cái lồng, là chị đã tự mình làm khổ mình. Chị đã trả giá quá nhiều cho cái còi của chị rồi." (vụ cái còi có ai còn nhớ ko)

Nghe thấy lời nói của Hạo Vân, Phương Tuyết Di đột nhiên cười khanh khách: "Hạo Vân, câu cuối cùng của em nói rất có línhưng em biết không? Chị buộc phải cố gắng hơn nữa, nếu không, chị sẽ bị thương trường, bị thị trường.thậm chí bị ba đào thải ra khỏi cục diện này."

Nói đến đây, Khóe mắt Phương Tuyết Di lại đỏ lên. Trong đôi mắt đẹp đẽ thậm chí đã dâng lên một dòng nước lấp lánh.

Phương Hạo Vân thấy chị gái mình sắp khóc lên, liền vội vàng an ủi khuyên nhủ: " Chị, đều là do em là đứa em trai bất tài, gánh nặng công ty lớn như vậy đã đè nặng lên đôi vai chị.chị yên tâm, sau này công việc ở công ty, em cũng sẽ học cách làm, em sẽ có gắng hết sức chia sẻ gánh nặng với chị."

Phương Tuyết Di nghe vậy trong lòng vui sướng, cô bỗng bật cười: " Hạo Vân, em có thể nghĩ như vậy, trong lòng người làm chị này rất vui, ba mẹ nói rất đúng, em đúng là đã lớn rồi."

Hai chị em cứ như thế vừa nói chuyện vừa uống rượu.

Cứ như vậy, hai người nói chuyện từ trưa cho đến chiều. Hôm nay trời âm u nhiều mây, tuy mặt trời vừa mới xuống núi, nhưng sắc trời đã ảm đạm rồi. Đèn điện xung quanh nhà nghỉ cũng đều bật sớm hơn, đèn

điện neon bảy màu chiếu sáng lấp lánh, từ trong cửa sổ nhìn ra, mọi vật xung quanh đều hiện lên vừa thực vừa ảo, nó giống như thế giới truyện cổ tích rực rỡ những sắc màu.

300. Chương 12: Hạo Vân Cũng Đùa Với Lửa

Phương Hạo Vân cũng nhanh chóng bước theo qua đó, cùng sánh vai đứng với Tuyết Di, chăm chú ngắm nhìn phong cảnh bên ngoài cửa sổ. Nhà nghỉ đã bỏ ra nhiều công sức, ngay cả trong thôn làng cũng bài trí rất nhiều đèn điện đặc hiệu, khiến cho khắp nơi đều là ánh sáng lấp lánh của đèn neon.

"Hạo Vân, ở đây thật đẹp, tối nay chị không muốn về"

Phương Tuyết Di quay đầu lại, trong đôi mắt đẹp đẽ đang ngắm nhìn xung quanh toát ra một vẻ khác thường, khuôn mặt hồng hào, ánh mắt chứa đựng một mạch cảm xúc mãnh liệt. Dù rằng Phương Hạo Vân vẫn rất tỉnh táo, nhìn thấy chị mình như vậy cũng không khỏi có chút xuất thần.

Thấy Hạo Vân chăm chú nhìn mình như vậy, trong lòng Phương Tuyết Di không khỏi dâng lên một cảm giác ngọt ngào trước nay chưa từng có: " Hạo Vân, nhìn gì vậy? Có phải em cảm thấy chị rất xinh đẹp không?"

Nếu là ngày thường, Phương Tuyết Di tuyệt đối sẽ không nói thẳng ra những câu nói như vậy, hỏi những câu hỏi ám muội như vậy. Nhưng hôm nay thì khác, dưới sự kích thích của thuốc mê, cô không có chút nào cảm thấy câu hỏi của mình có gì đó không thỏa đáng.

Ánh mắt Phương Tuyết Di ấm áp mềm mại như làn nước mùa thu, chứa chất rất nhiều tình cảm, còn Phương Hạo Vân tuy có chút động lòng, nhưng đầu óc hắn vẫn rất tỉnh táo, vì thế hắn nhìn ánh mắt Phương Tuyết Di trong sáng, không pha lẫn một chút dục niệm nào.

Phương Tuyết Di phát hiện tim mình đập càng ngày càng nhanh, hơn nữa còn cảm thấy mặt mình nóng bừng lên, không biết là tại vì sao, cô ấy rất muốn dựa vào ngực Hạo Vân.

Dường như Phương Hạo Vân cũng dần dần nhận ra sự khác thường của chị gái mình, nhưng hắn vốn không nghĩ ra chuyện Lăng Vân Giai bỏ thuốc vào trong rượu cho Tuyết Di uống.

Đôi mắt chứa đấy tình ý của Phương Tuyết Di vẫn chăm chú nhìn Hạo Vân như trước, nhớ lại lúc trước hắn xuất hiện như một kì tích đến cứu mình, trong lòng cô ngày càng rạo rực.

Cô luôn cảm thấy màn kịch lúc trưa giống như câu chuyện của công chúa và hoàng tử trong tiểu thuyết.

Nghĩ đến đây, từ tận sâu trong đáy lòng cảm giác huyền diệu về câu chuyện ngày càng trở lên mãnh liệt.

"Chị, thời gian không sớm nữa, chúng ta nên về rồi"

Hôm nay là ngày lễ tình nhân, Phương Hạo Vân không thể ở bên cạnh Kỳ và chị Mỹ Kỳ, trong lòng đã có chút buồn phiền rồi. Nếu lại trở về rất muộn, vậy càng khó ăn nói với hai người.

Một tiếng gọi chị dường như khiến Phương Tuyết Di có chút tỉnh táo, nhưng hiệu quả lại không rõ ràng lắm. Cơ thể không làm chủ được đã ngả vào phía Hạo Vân, hơi thở nữ nhi phả vào đầu mũi, khiến trong lòng Hạo Vân có chút ngứa ngáy khó chịu.

"Hạo Vân, chị không muốn quay về, chị thích nơi này, chị thích cảm giác này"

Phương Tuyết Di chớp chớp đôi mắt to, mạnh bạo ôm chặt lấy cánh tay Hạo Vân làm nũng, nhõng nhẽo nói: " Hạo Vân, nhận lời chị, hãy ở cùng với chị được không?"

Phương Hạo Vân đứng trước cửa sổ, ngắm nhìn cảnh sắc giống như trong truyện cổ tích, trong lòng cũng có chút rung động, hơi do dự một chút, hắn khe khẽ gật gật đầu: " Chị, chúng ta ở lại đây thêm một chút, nhưng tối nay nhất định phải trở về."

"Uhm, chị nghe lời em."

Phương Tuyết Di kéo tay Hạo Vân, nói: " Chúng ta ra sô pha ngồi một chút đi, đứng lâu như vậy, có chút mệt rồi, cổ chân đều đau cứng cả rồi."

Hai người ngồi trên sô pha, Hạo Vân hơi có chút trầm tư, hắn mở miệng nói: " Chị, về chuyện thiếu hụt vốn của công ty, em"

"Hạo Vân, em đừng nói nữa, chuyện này chị sẽ tìm cách giải quyết nhanh nhất."

Phương Hạo Vân vốn là muốn nói với cô ấy vấn đề thiếu hụt vốn của công ty đã được giải quyết rồi, ai ngờ lời nói của hắn còn chưa nói hết đã bị Phương Tuyết Di chặn lại.

Nhưng Phương Hạo Vân cũng phát hiện ra, lúc chị nói đến chuyện này, sắc mặt của chị tỏ ra có chút nghiêm túc hơn nhiều, đôi mắt to đẹp đẽ cũng không còn ấm áp mềm mại như nước hồ thu nữa.

Thấy được kết quả như vậy, Phương Hạo Vân có chút băn khoăn. Hắn tiếp tục chủ đề nói chuyện trước đó, cố ý kích thích chị: " Chị, chuyện của công ty, chị đừng lo lắng nhiều, em nghe mẹ nói, ba đã đi ra nước ngoài gom góp tài chính, mấy ngày tới đây chắc sẽ có tin tức gì?"

Phương Tuyết Di nghe vậy, khóe mắt bỗng đỏ lên, trong lúc nói chuyện, những giọt nước mắt long lanh lại nhẹ nhàng lăn xuống, khe khẽ nức nở nói: " Hạo Vân, em nói xem có phải chị quá vô dụng không Ba đã lớn tuổi như vậy, sức khỏe lại không tốt. Vẫn còn khiến ba phải chạy đi lo liệu, chị đúng là bất hiếu."

Sống mũi Phương Hạo Vân cay cay, âm thầm nghĩ. Chị đã nói như vậy rồi, vậy em coi là gì đây. Thân là con trai, chẳng phải là đại bất hiếu trong bất hiếu sao.

Cũng may là bây giờ vấn đề tài chính đã được giải quyết. Trong lòng Phương Hạo Vân cũng vơi đi chút buồn phiền, hắn vỗ vỗ vai chị mình, an ủi nói: ' Chị, sẽ có cách thôi. Chắc chắn là qua mấy hôm nữa, chắc chắn chị sẽ nghe thấy một tin tốt động trời thôi."

Trước đó, Phương Hạo Vân đã định sẽ nói ra chân tướng sự việc ra cho chị mình, nhưng bây giờ hắn lại quyết định tạm thời không nói ra. Hắn phát hiện chuyện này không thể kích thích chị được. Có thể khiến cho tâm trạng của chị có thay đổi. Tuy có chút tàn nhẫn, nhưng vẫn tốt hơn cử chỉ hành vi ngả ngốn không bình thường này của chị.

Nghe những lời Phương Hạo Vân an ủi, trong lòng Phương Tuyết Di vẫn còn chút buồn như lúc trước, nước mắt vẫn không ngừng chảy xuống. Nhân lúc đang thương tâm, cô đột nhiên dựa vào vai Phương Hạo Vân, nhẹ nhàng nói: " Hạo Vân, hãy để cho chị dựa vào vai em"

Khi phụ nữ đau lòng, luôn hy vọng tìm thấy một bờ vai vững chắc. Phương Tuyết Di cũng không phải là ngoại lệ.

Phương Hạo Vân có thể cảm nhận được nỗi khổ sở trong lòng chị gái, hắn cũng không cự tuyệt lời thỉnh cầu này của chị, khe khẽ vỗ vào lưng cô an ủi, để cô dựa trên vai của mình, khóc òa lên nức nở.

Đừng nghĩ rằng ở công ty Phương Tuyết Di là một cô gái mạnh mẽ oai phong, nhưng trên thực tế, đằng sau cô gái mạnh mẽ chốn thương trường đó, cô cũng chỉ là một cô gái mà thôi. Hơn nữa còn là một cô gái có nội tâm vô cùng mềm yếu.

Dựa trên vai Hạo Vân, Phương Tuyết Di càng khóc càng đau lòng, càng đau lòng càng khóc. Nước mắt nhanh chóng đã làm ướt vai áo Hạo Vân.

"Hạo Vân, trong lòng chị quả thật rất đau khổrất đau khổ"

Bất giác trong vô thức, Phương Tuyết Di đã coi Phương Hạo Vân là đối thủ thổ lộ bày tỏ tâm tình. Cô vừa khóc òa lên, vừa nói với Hạo Vân những nỗi buồn và những phiền muộn trong lòng mình.

Cứ nghe, cứ nghe, trong lòng Phương Hạo Vân dần dần liền dâng lên một nỗi niềm thương xót. Từ trước đến nay, Phương Tuyết Di mà hắn nhìn thấy đều là vui tươi, kiên cường, phong cách.

Nếu không phải là hôm nay, quả thật hắn không biết thế giới nội tâm của chị mình vốn lại đau khổ như vậy.

"Chị, trong lòng có chuyện gì đau khổ, chị cứ nói hết ra đi? Nói ra tâm trạng của chị sẽ nhẹ nhõm hơn nhiều"

Trong lúc cảm khái, Phương Hạo Vân thương xót đưa hai tay ra nhẹ nhàng ôm chặt lấy vai Tuyết Di, ánh mắt tràn đầy sự quan tâm yêu thương nồng ấm.

Phương Tuyết Di thổ lộ một hồi, tâm trạng quả thật đã thoải mái hơn nhiều. Dựa trên vai Hạo Vân, khiến cô cảm thấy ấm áp và an toàn. Cái ý niệm đó lại lần nữa xuất hiện, cô lại lần nữa không muốn rời khỏi vòng tay Phương Hạo Vân.

"Hạo Vân, dù nói thế nào, chị cũng sẽ không để công ty do ba tự tay dựng lên bị hủy hoại, chị sẽ nghĩ cách" Phương Tuyết Di ngừng khóc, cô nói lời thề son sắt.

Phương Hạo Vân không đành lòng để trái tim chị mình lại phải chịu dày vò thêm nữa, vội vàng nói: " Chị, thực ra chuyện thiếu vốn cua công ty đã được giải quyết xong rồi."

Đầu Phương Tuyết Di đã rất tự nhiên di chuyển từ vai Phương hạo Vân xuống ngực hắn, khí chất đàn ông nồng nàn của hắn đã khiến trái tim cô một lần nữa đập rất nhanh, có vẻ như ý thức dần dần đã bị mê hoặc. Nhưng chính trong lúc này, cô nghe thấy một câu nói rất quan trọng, vốn của công ty đã được giải quyết rồi.

Cô bất giác ngẩng đầu lên, vội vàng truy hỏi: " Hạo Vân, điều em vừa nói là thật không, việc thiếu vốn của công ty thật sự đã giải quyết xong rồi ư?"

Khuôn mặt Tuyết Di đỏ ửng lên, ánh mắt lo lắng mà lại tràn ngập tình cảm ấm áp.

"Là thật đó, chú Trần đã nghĩ cách gom góp được ba trăm triệu đô Có lẽ mấy hôm nữa chắc là có thể chuyển về tài khoản rồi Chị, lẽ ra sáng hôm nay em đã dự định nói cho chị biết rồi. Nhưng sau khi cho tên Lăng Vân Giai thối tha kia một trận em liền quên mất Báo hại chị phải lo lắng." Hạo vân áy náy nói.

"Tốt quá rồi, đúng là tốt quá rồi.Hạo Vân, cảm ơn em đã nói cho chị tin tốt lành như vậy"

Gánh nặng như đá trong lòng Phương Tuyết Di cuối cùng cũng đã được dỡ bỏ, cảm động quá, cô hôn mạnh một cái lên trán Hạo Vân.

Phương Hạo Vân đột nhiên ngẩn người ra, tiếp đó trái tim nhỏ bé liền nhảy nhót loạn xạ không ngừng, Nhìn trong ánh mắt Tuyết Di tình cảm cũng có vài phần hỗn độn mơ hồ hơn.

Phương Tuyết Di và Phương hạo Vân chẳng có chút quan hệ huyết thống nào cả, về mặt ý nghĩa nghiêm túc mà nói, thậm chí chẳng có bất kì quan hệ nào. Nhưng, bây giờ hắn mang da mặt con trai nhà họ Phương, trong tiềm thức, hắn cũng đã coi mình là người nhà họ Phương. Vì thế, đột nhiên bị chị gái hôn, trong lòng hắn cảm thấy thoải mái hơn nhiều.

Hình như Phương Tuyết Di cũng nhận ra hành động của mình là không thỏa đáng, nhưng cô không hề giải thích gì cả, ngược lại, hai tay cô ôm Hạo Vân càng chặt hơn. Cô cảm thấy toàn thân mình không còn chút sức lực nào, tình cảm khác thường trong lòng này cũng ngày càng phát ra mạnh mẽ, cô càng muốn càng muốn để giây phút này là vĩnh hằng.

Người Phương Tuyết Di mềm nhũn ngả vào lòng Hạo Vân, Phương Tuyết Di cố ý đè ngực mình lên bộ ngực rộng lớn của Hạo Vân, cảm giác khoái cảm nhè nhẹ này khiến cô ý loạn tình mê.

Mê hoặc như vậy, Phương Hạo Vân cũng không phải thần thánh, có thể không động lòng sao. Môi hắn cũng không làm chủ được, cũng từ từ đưa tới, nhẹ nhàng hôn lên má Tuyết Di.

Cơ thể Phương Tuyết Di lập tức khe khẽ run rẩy, ánh mắt cũng trở lên mê man hơn. Cơ thể nhúc nhích một lát, sau khi đổi tư thế thoải mái hơn, Tuyết Di hơi lim dim đôi mắt, ngẩng đầu lên, đón chờ những chiếc hôn ngọt ngào từ Hạo Vân.

Nhìn đôi môi kiều diễm ướt át cháy bỏng đó, quả thật Phương Hạo Vân khó lòng có thể kiềm chế được, đặc biệt là thân phận của hai người bây giờ, càng khiến hắn cảm thấy kích thích vô cùng.

"Vút vút!"

Chính vào lúc này, Phương Hạo Vân lập tức cảnh giác, ngay sau đó từ ngoài cửa sổ bắn vào vài đạo kình khí, tốc độ cực nhanh, ngay cả Phương Hạo Vân cũng không kịp né tránh.

Vài đạo kình khí đã bắn trúng huyệt ngủ của Phương Tuyết Di, trong chốc lát đã khiến cô đi vào giấc ngủ.

Đợi khi Trác nhã rời đi, Phương Tuyết Di lại lên giường nằm, quay hết bên này bên kia, trằn trọc không ngủ được, trong lòng không thể tự chủ lại nghĩ về Hạo Vân, nghĩ đến cảm giác ngọt ngào mà hai người bên nhau.

"Ặc!"

Phương Tuyết Di khẽ gắt một tiếng, cảm thấy suy nghĩ của mình có chút xấu xa bẩn thỉu Nhưng, cô càng không chế mình không được nghĩ, trong lòng lại càng nghĩ đến.

Cứ nghĩ, cứ nghĩ, bàn tay nhỏ bé của cô không biết từ lúc nào đã tiến vào trong quần lót, bắt đầu nhẹ nhàng xoa nắn, trong miệng không ngừng ngâm nga rên rỉ những tiếng sung sướng.

Trong khoảng thời gian ngắn ngủi cơ thể cô bắt đầu co rút run rẩy, trong đầu cô lại xuất hiện hình ảnh của Hạo Vân, đồng thời cũng thầm gọi tên Hạo Vân.

Đến lúc này Phương Tuyết Di mới cảm thấy trong lòng thoải mái hơn nhiều, ý nghĩ đó trong lòng cũng dần dần lắng xuống. Chỉ là, những tà niệm sảng khoái lúc trước khiến cô xấu hổ vô cùng. Đặc biệt là sau khi tình cảm mãnh liệt lắng xuống, cảm giác tự trách trong lòng cô cứ không ngừng dâng lên. Nhưng cô cũng không biết, vì sao cô lại có phản ứng như vậy, thực ra là vẫn do thuốc mê của Lăng Vân Giai còn lại. Tuy Dì Bạch đã vận công ép chất thuốc mê đó ra ngoài, nhưng thuốc mê đó vẫn còn lưu lại trên cơ thể cô trong một thời gian nữa, vẫn còn bị ảnh hưởng.

Sau khi sự kích thích đã giải tỏa, Phương Tuyết Di tự nhiên mà dần dần ngủ thiếp đi.

Khi Phương Hạo Vân quay về, lúc đó đã là chín giờ tối rồi, Bạch Lăng Kỳ, Trương Mỹ Kỳ, hai người họ đã chuẩn bị một bàn thức ăn ngon, lặng lẽ chờ đợi hắn trở về mà trong lòng không hề oán hận. Về phần Tạ Mai Nhi, mới sáng sớm đã ra ngoài rồi, nghe nói là một nhà môi giới hôn nhân ở gần đó có tổ chức một cuộc gặp mặt gọi là cuộc hội ngộ các nhà giàu có, vé vào cửa chỉ có ba trăm sáu mươi tệ, vì thế cô cũng đi thử vận may. Cũng không biết kết quả thế nào, dù sao thì bây giờ cũng chưa thấy quay về.

Trong giây phút Phương Hạo Vân mở cửa, Bạch Lăng Kỳ và Trương Mỹ Kỳ cùng đứng dậy, dường như là cùng một lúc, hai người bọn họ cùng muốn trong ngày đặc biệt này sẽ chạy xà vào vòng tay của người đàn ông mình yêu.

"Kỳ. Em ra đi" Trương Mỹ Kỳ đại độ cười cười, một lần nữa lại ngồi xuống, nhỏ nhẹ nói với Kỳ.

Bạch Lăng Kỳ cũng không khách sáo, đứng dậy chạy tới xà vào vòng tay của người đàn ông mình yêu, ôm lấy hắn thật chặt. Sau đó nàng đặt đôi bàn tay trắng nõn nà lên ngực của hắn đánh nhẹ một hồi, hờn dỗi trách móc: " Anh thật xấu xa, hôm nay là ngày gì, anh không biết sao? Sao lại về muộn như vậy."

Phương Hạo Vân cười xin lỗi: " Anh đi cùng chị đi làm một chút việc mà."

Nghe Hạo Vân nói như vậy, Bạch Lăng Kỳ cũng không tức giận nữa. Cô thật nhỏ nhen, còn có thể ghen cả với chị gái của Hạo Vân sao?

"Đói chưa? Mau qua đây ăn cơm thôi? Em cứ nói chuyện với Kỳ đi, chị đi hâm lại chút thức ăn cho nóng."

Trương Mỹ Kỳ tuy rất muốn chạy vào ôm lấy người đàn ông mình thương yêu, nhưng cô có lý tính hơn Bạch Lăng Kỳ, càng hiểu biết đúng mực hơn.

Lúc này Bạch Lăng Kỳ đã hiểu nhiều hơn, liền không tiếp tục ôm mãi Hạo Vân, mà cô chủ động rời khỏi, đi vào giúp chị Mỹ Kỳ hâm nóng thức ăn.

Sau khi thức ăn được hâm nóng, ba người liền vây quanh bàn ăn vừa ăn vừa cười nói vui vẻ, giống như người một nhà vậy. Bạch Lăng Kỳ trách móc Hạo Vân, ngày lễ tình nhân mà lại không tặng quà. Phương Hạo Vân nhìn chị Mỹ Kỳ, liền nhổm dậy hôn lên trán Kỳ một cái.

Trương Mỹ Kỳ nhân vậy cười nói: " Kỳ, đây là món quà mà tốn nhiều tiền chưa chắc đã mua được."

Trong lòng Phương Hạo Vân thầm cảm động, nhân vậy cũng hôn lên trán Mỹ Kỳ một cái. Đó chính là tặng quà, không thể người ít người nhiều, hai người ai cũng không được thiếu.

Trương Mỹ Kỳ có chút e thẹn, có chút ngọt ngào, cô nhỏ nhẹ giận một tiếng: " Ghét.!"

“Chị Mỹ Kỳ nói dối, rõ ràng trong lòng chị đang rất vui.”

Bạch Lăng Kỳ cười hì hì, vẻ mặt ranh mãnh: “ Hạo Vân, hôm nay anh vào phòng chị Mỹ Kỳ ngủ nhé, em muốn ngủ một mình.”

Phương Hạo Vân nghe vậy, rõ ràng sửng sốt, đang muốn nói điều gì đó. Nhưng không ngờ Bạch Lăng Kỳ đã bắt đầu đứng dậy thu dọn bàn ăn rồi nói: “ Hai người đi nghỉ trước đi, những việc ở đây cứ để em làm nốt.”

Những ngày này Bạch Lăng Kỳ đã học được rất nhiều điều từ Trương Mỹ Kỳ. Cô cảm thấy làm người cũng không thể quá vì mình. Bản thân cứ giữ Hạo Vân bên cạnh mãi cũng không phải là biện pháp. Dù sao hai người bọn họ cũng vẫn có cơ hội làm chuyện đó. Chẳng thà hôm nay quang minh chính đại tác thành cho bọn họ một lần, sau này còn có thể lưu lại nhân tình. Đồng thời, cách làm này cũng có thể khiến Hạo Vân phải thay đổi cách nhìn với cô.

302. Chương 14: Một Đêm Không Ngủ

“Nhìn gì mà nhìn? Chưa nhìn thấy mĩ nhân bao giờ à, xuân tiêu một khắc đáng ngàn vàng, hai người còn đứng đó ngẩn ngơ làm gì”

Bạch Lăng Kỳ giận dỗi, tự mình dọn dẹp bát đũa không thèm để ý đến Hạo Vân nữa.

Phương Hạo Vân biết hôm nay Bạch Lăng Kỳ cố ý tác thành cho hai người hắn, cũng không tiếp tục nói, hắn quay sang nói với chị Mỹ Kỳ: “ Chúng mình đi thôi, đừng phụ lòng của Kỳ.”

Hai má Trương Mỹ Kỳ đỏ ửng lên, lạnh lùng nói: “ Cảm ơn.”

Những lời này vừa nói ra, sắc mặt Hàn Sơn đột nhiên biến sắc, đúng là ngựa non háu đá, con nha đầu này quả thật là quá to gan rồi, ngay cả những lời nói như vậy cũng có thể nói ra được.

Phương Hạo Vân thì lại âm thầm gật đầu đồng ý. Những lời nói này của Hàn Tuyết Nhi có chút to gan nhưng lại đều nói lên sự thật.

Những quan chức mà trước đó im lặng không nói gì, đã có vài người âm thầm nhìn chằm chằm vào Hàn Tuyết Nhi, khuôn mặt đầy tức giận.

"Nói rất hay!"

Bỗng nhiên Dương Vọng Giang nói lên một tiếng hay, đồng thời mọi người vỗ tay.

Trong chốc lát, phòng hội nghị liền vang lên một tràng pháo tay ròn rã. Lãnh đạo vỗ tay cổ vũ, mọi người liền làm theo, đây đã trở thành thói quen ăn sâu vào trong tiềm thức mọi người rồi.

Khuôn mặt Hàn Tuyết Nhi chìm đắm trong tiếng vỗ tay, nhưng đột nhiên cô cảm thấy tiếng vỗ tay của những quan chức lâu năm giống như đang biểu diễn vậy, có chút gượng gạo.

Dương Vọng Giang lại nhìn lại một lượt nữa các quan chức ở đây, ngữ khí vô cùng nghiêm túc nói: " Các vị, những lời của Hạo Vân, Tuyết Nhi, mọi người hãy nhớ kỹ cho tôi. Làm việc dưới sự chỉ đạo của tôi, ít nhất là các vị cũng phải không hổ với chức vụ của các vị, với công việc của các vị Nếu ai còn khiến người dân mất đi lòng tin, vậy đừng trách tôi không khách khí."

Phương Hạo Vân lặng lẽ gật đầu, quả nhiên Dương Vọng Giang là một thị trưởng tốt. Nếu như ông có một lực lượng hậu cần vững chắc chèo chống, chắc chắn ông có thể thay đổi Hoa Hải, khiến kinh tế Hoa Hải bước lên thêm một tầm cao mới.

"Ông Trần, ông hãy đưa bọn họ đi phòng tư liệu khác tham quan điều tra trước đi, tôi muốn nói chuyện một mình với Hạo Vân." Dương Vọng Giang cố ý tách bọn họ ra.

"Thị trưởng Dương, ngài nói chuyện với thằng tiểu tử nhà tôi"

Phương Tử Lân thấy Dương Vọng Giang muốn nói chuyện một mình với con trai mình, trong lòng có chút lo lắng.

"Được rồi, chủ tịch Phương, đi thôi, thị trưởng Dương cũng không thể ăn thịt mất Hạo Vân nhà ông được." Trần Thiên Huy thì lại vô cùng yên tâm về Phương Hạo Vân, ông bước tới lôi tay Phương Tử Lân đi.

"Anh Hạo Vân, đợi chút nữa nhớ đến tìm em nhé, em vẫn còn có chút chuyện muốn nói với anh."

Hàn Tuyết Nhi là người cuối cùng ra khỏi phòng, trước khi ra khỏi phòng cô còn không quên làm một cái mặt quỷ.

"Hạo Vân, có biết vì sao chú lại bảo cháu ở lại không?" Đợi đến khi tất cả mọi người đi ra ngoài hết, Dương Vọng Giang mới dùng ánh mắt nhìn vào người Phương Hạo Vân rồi hỏi chuyện.

Phương Hạo Vân lắc đầu: " Cháu không có khả năng đoán trước tương lai, làm sao có thể biết được. Nhưng cháu cũng có thể đoánCháu nghĩ chú chắc chắn muốn biết, cháu làm thể nào chuẩn bị được ba trăm triệu đô?"

Dương Vọng Giang bổ sung thêm một câu: " Cháu nói chỉ là một ýngoài ý đó ra, ta còn rất có hứng thú với biểu hiện của cháu trong công việc làm bảo an."

Tối qua Dương Vọng Giang đã nhận được một cuộc điện thoại cơ mật, điện thoại là do Lã Thiên Hành gọi. Trong điện thoại, gã đã nhiều lần nhắc đến Phương Hạo Vân, đồng thời dặn dò Dương Vọng Giang, phải hết sức chú ý động thái của hắn. Đồng thời phải giúp đỡ Phương Hạo Vân trong khả năng của ông.

Đối với chuyện này, Dương Vọng Giang cũng vô cùng kinh ngạc, thực ra ông cũng không thể tưởng tượng được, bản thân ông mấy ngày trước mới nghe thấy cái tên này, lại sớm truyền đến tai Lã Thiên Hành, hơn nữa, từ lời nói của ông ta cũng không khó để nhận ra, ông ta đánh giá rất cao đứa trẻ Phương Hạo Vân này. Hơn nữa cũng kỳ vọng rất lớn ở Hạo Vân.

Vì vậy, Dương Vọng Giang cũng đánh giá Phương Hạo Vân cao hơn một chút nữa.

Chính là vào tối hôm qua, ông còn thông qua một vài phương pháp, tìm hiểu kĩ càng về những biểu hiện xuất sắc của Phương Hạo Vân trong vụ hỗn loạn tại sân bay.

Hôm nay, lần đầu gặp mặt, Phương Hạo Vân đã để lại cho ông ta một ấn tượng tốt như vậy.

"Chú Dương, về chuyện tiền vốn, cháu cũng không giấu chú, cháu thông qua một người bạn tạm thời mượn thôi Cháu cam kết với họ sau nửa năm phải hoàn trả."

Nói đến đây, Phương Hạo Vân nhân cơ hội phát huy: " Chú Dương, chính phủ cam kết đầu tư tiền vốn, chắc sẽ không phải là một trang giấy trắng chứ?"

Dương Vọng Giang cười nói: " Cháu rất biết tránh nặng tìm nhẹ, chuyển chủ đềcháu yên tâm, chính phủ cam kết đầu tư, vậy sẽ không thay đổi, trong vòng ba tháng sẽ xác định vững chắc. Về chuyện cháu huy động ba trăm triệu đô, chú đã điều tra rồi, là thông qua biện pháp hợp pháp huy động tiền từ nước ngoài về. Cháu không muốn nói tường tận sự việc cho chú nghe, chú cũng không muốn tiếp tục truy hỏi, chỉ cần hợp pháp là đã đủ rồi. Bây giờ chúng ta cùng nói chuyện về những biểu hiện xuất sắc của cháu trong công việc bảo an nhé?"

Phương Hạo Vân dáng bộ uể oải đáp: " Chú Dương, thực ra chuyện này cũng không có gì để nói, cháu từ nhỏ cơ thể đã yếu ớt, sau này bố cháu giúp cháu tìm một thầy dạy võ thuật. Cháu theo học võ mấy năm Chỉ là không ngờ được. Về phương diện này cháu lại được trời phú, sau này qua cố gắng kiên trì không ngừng, thân thủ mới ngày càng tốt lên. Mấy năm trước, cháu vẫn còn nhỏ, trong lòng luôn ghi nhớ phải học tập, vì thế từ trước đến nay cũng không thể hiện trước mặt người ngoài bao giờ Từ năm ngoái, gia đình cháu vì chuyện của công trình vịnh Kim Thủy, đã phải gánh chịu rất nhiều phiền phức. Không ngừng có người uy hiếp, đe dọa gia đình cháu Thậm chí uy hiếp đến tính mạng của cháu. Lúc này, cháu mới không tiếp tục im lặng nữa. Đến sau này, tại Kim Bích Huy Hoàng của bạn cháu, cháu giúp đỡ cảnh sát một số việc, đã được đội trưởng Trương cục cảnh sát thành phố chọn, vì thế mới tham gia công việc bảo vệ đại minh tinh.Đúng rồi, ước chừng hai ngày này, cháu còn phải đi bảo vệ một đại minh tinh. Chuyện này chú có biết không?"

Câu chuyện của Phương Hạo Vân có vẻ hư hư thực thực, thật thật giả giả. Có một số lời, hắn cũng tùy tiện nói với bố hắn Phương Tử Lân như vậy.

Dương Vọng Giang âm thầm cười, nói cả ngày mà tên tiểu tử này vẫn không thẩm thấu được một câu. Tối qua, ông đã nghe báo cáo công việc bảo vệ của Trương Bưu, từ đó được biết, biểu hiện của Phương Hạo Vân trong công tác bảo vệ cho dù là đặc chủng binh cao cấp nhất cũng không thể so sánh bằng. Dù sao Trương Bưu cũng cho biết, năng lực của hắn còn kém xa Phương Hạo Vân.

Đối với chuyện này, Vương Vọng Giang cảm thấy vô cùng kinh ngạc. Phương Hạo Vân rõ ràng chỉ là một sinh viên đại học còn trong trường, theo tài liệu cho thấy, ngoài mấy lần ra nước ngoài du lịch, hắn dường như từ bé đến lớn đều là ở Hoa Hải. Trong khoảng thời gian này, hắn cũng không tiếp xúc với người hay cơ quan đặc biệt nào.

Về tình mà nói, hắn không nên có một thân thủ như vậy mới đúng.

Thế nhưng trên thực tế, hắn quả là thân thủ phi phàm. Dùng lời nói của Trương Bưu mà nói, công tác bảo vệ nếu không có Phương Hạo Vân tham gia, mục tiêu tập kích của chủ nghĩa khủng bố đã thành công rồi.

"Hạo Vân, xem ra cháu vẫn không tin tưởng chú" Dương Vọng Giang cười một tiếng nói.

Phương Hạo Vân nói không động sắc: " Chú Dương, chú hiểu nhầm cháu rồi, những lời cháu nói đều là sự thật, chú không tin có thể đi hỏi bố cháuchuyện cháu học võ thuật năm đó, là do chính ông một tay sắp xếp."

Dương Vọng Giang nghe thấy vậy, lập tức cười nói: " Bỏ đi, những chuyện này vốn là chuyện riêng tư của cháu, chú cũng không nhất thiết phải hỏi tường tậnHạo Vân, những biểu hiện xuất sắc trong công tác bảo vệ của cháu chú đã nghe báo cáo rồi, bây giờ chú thay mặt chính quyền thành phố cảm ơn cháuNếu không có sự xuất sắc của cháu, hậu quả thật là khó tưởng tượng."

"Chú Dương, chú lại khách khíThực ra cũng không có gì là to tát, cháu chỉ là những việc trong khả năng cháu có thể làm thôi. Đổi lại là chú, một vị quan chức to như vậy, vẫn còn hỏi thăm cháu, quả thật khiến

người ta cảm động. Cháu nói câu này chắc chú không thích nghe, nếu nước ta cũng có nhiều quan chức như chú, thì cuộc sống của người dân sẽ ngày càng tốt hơn." Phương Hạo Vân cảm khái nói.

Dương Vọng Giang gật đầu, cố ý nói: " Xem ra ông Lã không nhìn nhầm người, tên tiểu tử như cháu quả thật rất được, tuổi trẻ, đã có ý thức yêu nước yêu dân như vậy."

Phương Hạo Vân nghe vậy, âm thầm cười, bản thân mình đâu có ý thức yêu nước yêu dân gì chứ. Thực ra hắn cố ý nói mấy câu này, cố ý chuyển đổi chủ đề.

"Hạo Vân, ông Lã bảo chú chăm sóc cho cháu.Hôm nay chú nói thẳng với cháu Con người chú làm việc gì cũng có luôn có nguyên tắc, dù có sự dặn dò của ông Lã, chú cũng sẽ không phải là việc gì cũng đồng tình với cháu. Đặc biệt là những chuyện đi cửa sau, cùng với những chuyện phạm pháp rối loạn kỉ cương, chú càng không biết buông lơi nể nang gì hết. Đối với việc này, cháu nên có tâm lí chuẩn bị"

Dương Vọng Giang trịnh trọng nói: " Ông Lã có ân tri ngộ với chú, lời nói của ông ấy chú vẫn nên nghe, chú cũng nên giữ thể diện cho ông ấy. Hạo Vân, chỉ cần sự việc của cháu hợp lí, hợp pháp, chú nhất định sẽ trong phạm vi quyền lực, trong trường hợp không vi phạm nguyên tắc, cố gắng hết sức giúp đỡ cháu."

Phương Hạo Vân tự tin cười: " Chú Dương, chú yên tâm đi, những việc phạm pháp rối loạn kỉ cương phép nước cháu tuyệt đối không làm. Hơn nữa, cháu đang học thì có thể làm được bao nhiêu chuyện."

"Uhm!"

Dương Vọng Giang gật đầu nói: " Cháu có thể nghĩ như vậy, thì chú có thể yên tâm rồi. Thời gian không còn sớm nữa, chúng ta cùng ra ngoài thôi, bọn họ chắc cũng đợi lâu rồi"

Dương Vọng Giang cảm thấy trên người Phương Hạo Vân còn ẩn chứa rất nhiều bí mật, ông vốn hy vọng thông qua cuộc nói chuyện này có thể tìm ra được chuyện gì đó. Thế nhưng Phương Hạo Vân nói chuyện một giọt nước cũng không chảy ra, vốn dĩ là không tìm ra tin tức có ích nào cả.

Tất nhiên, đối với người chính phái như Phương Hạo Vân, ông vẫn có lòng tin. Điểm này là không còn nghi ngờ gì nữa. Cho dù Trương Bưu hay ông Lã đối với hắn cũng vô cùng ca ngợi. Con mắt của hai người này cũng không kém ông, người mà họ đã nhằm thì vấn đề không lớn.

Sau khi rời khỏi phòng họp, Dương Vọng Giang cùng đoàn người tụ họp, tiếp tục cuộc điều tra nghiên cứu của ông. Còn Phương Hạo Vân thì gọi điện cho Hàn Tuyết Nhi, hai người đến quán cà phê đối diện công ty.

Sau khi ngồi xuống, hai người cùng gọi một cốc cà phê. Hàn Tuyết Nhi mở miệng trước: " Anh Hạo Vân, hôm nay em hẹn anh đến đây, là muốn nói chuyện với anh về chuyện của chị họ em."

"Chuyện của chị họ em? Chuyện gì vậy?"

Phương Hạo Vân ngẩn người một lúc, nói: " Chẳng phải cô ấy đi tập huấn ở nhà ông bà cô ấy ông Lã sao?"

"Ừ, em biết. Nhưng em không phải nói chuyện này"

Nói đến đây, thần sắc Hàn Tuyết Nhi có chút thay đổi trở lên thành thật: " Anh Hạo Vân, em hỏi anh một câu, nhưng anh phải trả lời em thật lòng?"

"Nghiêm trọng như vậy sao? Em muốn biết chuyện gì nào?"

Phương Hạo Vân vừa cười vừa nói: "Để anh đoán xem, có phải em muốn hỏi anh, rốt cuộc anh và chị họ em có quan hệ tình cảm nam nữ không có phải không?"

"Đáp án chính xác, cộng mười điểm"

Hàn Tuyết Nhi thành thật gật gật đầu, sau đó nói: " Anh Hạo Vân, trước khi chị em rời khỏi Hoa Hải, có phải đến tìm anh rồi không."

"Uhm, cô ấy đến tạm biệt anh" Phương Hạo Vân nghĩ lại tình cảnh hắn và Trần Thanh Thanh gặp nhau tại bệnh viện cảnh sát.

"Chuyện chị ấy đi gặp anh tạm biệt, là chuyện em biết đầu tiên Sau đó lúc chị ấy trở về tâm trạng không tốt, tình cảm cũng không tốt."

Nói đến đây, Hàn Tuyết Nhi đột nhiên nhìn chằm chằm vào Phương Hạo Vân, nói: " Anh Hạo Vân, nhất định là anh không tốt, hôm đó có phải anh đã ăn hiếp chị họ em không. Sau khi trở về, em hỏi chị ấy một câu, mắt chị ấy liền đỏ lên, sau đó còn khóc trộm nữa"

"Bây giờ em hỏi anh, hôm đó tại sao anh lại ăn hiếp chị họ em?"

Hàn Tuyết Nhi múa may nắm tay nhỏ, uy hiếp nói: " Nếu anh không thành thật khai ra, xem em xử lí anh thế nào"

Tuy cách nhau nhiều ngày, nhưng Hàn Tuyết Nhi vẫn nghĩ đến ngày đau khổ hôm đó của chị họ mình. Trước chuyện hôm đó, cô thật sự rất hiếm khi thấy chị họ mình đau lòng như vậy.

Cô từng truy hỏi chị họ mình rốt cục là vì sao lại đau lòng như vậy, Trần Thanh Thanh im lặng không nói gì, chị ấy chỉ khóc thút thít. Với trực giác của người con gái cho cô ấy biết, chị họ cô vì chuyện tình cảm mà mệt mỏi, vì tình mà thương tâm.

Quan hệ của Trần Thanh Thanh và Hàn Tuyết Nhi rất tốt, cũng giống như họ là hai chị em cùng một mẹ vậy. Không phải là chị em ruột, nhưng tình cảm còn hơn cả chị em ruột. Cô cảm thấy bản thân mình có nghĩa vụ có trách nhiệm vì chị họ mình mà tìm ra công bằng.

305. Chương 17: Chân Tướng Việc Trần Thanh Thanh Bỏ Đi

Chỉ là lúc trước khi đi, hắn phát hiện tâm tình của Trần Thanh Thanh không được tốt lắm, giữa hai hàng lông mày có chút gì đó hơi thất vọng.

"Tuyết Nhi, anh thật sự không làm gì tổn thương chị họ em, không khí gặp mặt của bọn anh ngày hôm đó rất hòa hợp, rất hài hòa" Phương Hạo Vân lạnh lùng nói lên một câu.

"Anh nói dối, em không thèm tin. Nếu thật sự giống như anh nói, vậy tại sao chị họ em lại đau lòng như vậyAnh Hạo Vân, em sống với chị họ em lâu như vậy rồi, nhưng đó là lần đầu tiên em thấy chị ấy đau lòng như vậy. Như vậy đi, anh hãy kể lại tường tận cho em nghe toàn bộ sự việc xảy ra trong buổi gặp mặt giữa hai người ngày hôm đó, em sẽ phân tích tường tận?"

Hàn Tuyết Nhi cảm thấy phản ứng của đàn ông trước sự việc chậm chạp hơn nhiều so với con gái.

Phương Hạo Vân do dự một lúc, sau đó liền kể lại toàn bộ tình cảnh gặp mặt Trần Thanh Thanh ngày hôm đó cho Hàn Tuyết Nhi nghe. Kể xong, hắn cười một cách vô tội: " Đều nghe rõ rồi chứ? Em cảm thấy thế nào, tại sao anh lại làm tổn thương chị ấy chứ"

Nhìn nét mặt Phương Hạo Vân lúc thì buồn bực lúc thì vô tội, sự tức giận trong lòng Hàn Tuyết Nhi liền không bùng phát ra được: " Anh Hạo Vân, thì ra đúng là anh đã làm chị ấy tổn thương như vậy.đồ xấu xa"

Phương Hạo Vân bực bội, vốn nghĩ kể ra sự việc rõ ràng thì mình sẽ được trong sạch. Nhưng không ngờ, Hàn Tuyết Nhi trong chốc lát lại trở mặt. Lẽ nào vẫn còn ẩn tình nào chưa tìm ra?

"Tuyết Nhi, thế là có ý gì? Em nói anh là tên xấu xa cũng không sao, nhưng em cũng phải cho anh biết. Rốt cuộc anh đã làm gì xấu, rốt cuộc anh đã đắc tội như thế nào với chị ấy? Có lẽ tội danh đó anh không biết mà gánh chịu." Thái độ của Phương Hạo Vân cũng nghiêm túc hẳn.

"Hừ!"

Hàn Tuyết Nhi hừ một cái rồi nói: " Anh Hạo Vân, anh ngốc thật, hay là giả vờ ngốc Chị họ em hôm đó đi tìm anh, thực ra là muốn anh giữ chị ấy lại. Anh lại không làm điều đó, ngay cả một câu níu kéo cũng không có, lại còn khuyến khích chị ấy nhanh chóng đi. Anh thật ngốc, chẳng trách chị họ em lại đau lòng như vậy, nếu là em, em còn khóc tới khi chết ấy"

"Níu giữ?"

Phương Hạo Vân giở khóc giở cười: " Cô ấy đâu có nói với anh? Hơn nữa, chẳng phải chỉ có mấy tháng là có thể trở về sao?"

"' Anh làm em tức chết."

Hàn Tuyết Nhi chỉ vào mũi Phương Hạo Vân mà mắng: “ Sao anh lại ngốc như vậy nhỉ, chị họ em là con gái, chị ấy muốn anh giữ chị ấy lại lẽ nào lại nói cho anh biết à. Còn nữa, sự việc không đơn giản như anh nghĩ đâu, mấy tháng sau, chưa chắc chị ấy đã an toàn trở về”

Nói đến đây, khuôn mặt Hàn Tuyết Nhi vô cùng lo lắng: “ Anh Hạo Vân, anh đúng là muốn làm em tức chết, nếu sau này chị họ em không trở về, em sẽ không thèm để ý đến anh nữa.”

“Không về được? Sao lại như vậy? Chẳng phải cô ấy đi đến chỗ ông bà cô ấy sao? Sao lại không về được, Tuyết Nhi, em thật thích đùa” Phương Hạo Vân thản nhiên nói.

“Anh Hạo Vân, chị họ em lừa anh đó.Sự việc không đơn giản như vậy đâu.”

Hàn Tuyết Nhi than thở một tiếng rồi nói: “ Nhất định là thái độ không để ý của anh đã làm chị họ em tức giận, vì thế chị ấy mới không nói với anh tình hình sự việc,”

Sắc mặt Phương Hạo Vân có chút lo lắng, Câu nói của Hàn Tuyết Nhi đều là trong lời có ý, như đang nói chị ấy đang thực sự gặp phải nguy hiểm.

Nghĩ đến đây, Phương Hạo Vân vội vàng truy hỏi: “ Tuyết Nhi, rốt cuộc là có chuyện gì, em nói rõ ràng cho anh biết đi, có phải chị ấy đang gặp nguy hiểm không?”

“Ừ.!”

Hàn Tuyết Nhi thành thật gật đầu, vẻ mặt trầm trọng giải thích: “ Nói thật với anh vậy, chị họ em đi đến Lã gia, không phải là để tiếp nhận luyện tập sinh tồn theo nghĩa bình thường đâu. Mà là tham gia một cuộc đào tạo quân đội trò chơi tử vong, nghe nói, người tham gia khóa đào tạo này đều bắt buộc phải tự mình ký vào giấy chứng tử.”

“Kí vào giấy chứng tử? Nghiêm trọng như vậy à?”

Bất giác tâm trạng của Phương Hạo Vân cũng căng thẳng hẳn lên. Tuy nói, hắn và Trần Thanh Thanh không xảy ra quan hệ nam nữ gì cả, nhưng tiếp xúc trong thời gian dài, cũng đã khiến quan hệ của họ trở lên thân thiết vô cùng. Nhỡ may cô ấy thực sự xảy ra chuyện gì, trong lòng hắn nhất định không dễ chịu.

Sống mũi Hàn Tuyết Di cay cay, cô nói giống như sắp khóc vậy: “Theo chị họ em nói, khóa đào tạo quân đội trò chơi tử vong là trò chơi được tổ chức nhằm đào tạo ra các tinh binh của mỗi cơ quan quốc gia, địa điểm là ở trong rừng nguyên sinh của mỗi quốc gia, thời hạn ba tháng. Trong thời gian ba tháng, bọn họ phải đối mặt với hai khó khăn của thiên nhiên và bài luyện tập của quân đội, tỉ lệ sống sót của người tham gia chỉ còn một nửa. Nói cách khác, trong lúc luyện tập, sẽ có một nửa người tham gia luyện tập bị chết và chôn trong rừng nguyên sinh đó. Lại còn phải tiếp nhận kiểm hạch nghiêm túc, đi ra biên giới cùng nhân viên vũ trang chiến đấu với buôn lậu, buôn thuốc phiện Người sống sót sau cùng, thường chỉ là một phần ba trong tổng số. Trong cuộc luyện tập đào tạo trước đây, chưa từng có một nữ sinh nào tham gia luyện tập Còn lần này có chị họ em. Cũng chỉ có ba người là con gái.Em thực sự rất lo lắng cho sự an toàn của chị ấy.Anh Hạo Vân, đều là tại anh, nếu anh không có thái độ lạnh nhạt với chị em, chị em đã không hạ quyết tâm đi đến đó rồi.”

Phương Hạo Vân sững người ra một lúc, liền vội hỏi: “ Tuyết Nhi, ý của em là, trước khi chị ấy từ biệt anh, chị ấy vẫn chưa chính thức quyết định?”

“Uhm!”

Hàn Tuyết Nhi gật đầu, nói: “ Lúc trước chị ấy đã từng bàn bạc với em, em đã cố gắng hết sức khuyên chị ấy từ bỏ đi, nhưng chị ấy nói đây là con đường tốt nhất để chị ấy nâng cao bản thân, vượt qua chính mình trong thời gian ngắn nhất, cũng là cơ hội tốt nhất. Sau đó, chị ấy nói với em, chị ấy muốn nghe ý kiến của anh. Ai biết được anh lại một mực không thèm để ý đến chị ấy Vì thế, chị ấy không nói cho anh sự thật.”

“Tuyết Nhi, chuyện này chú Trần có biết không”?” Phương Hạo Vân có chút lo lắng hỏi.

Hàn Tuyết Nhi lắc đầu, nói: “ Chú Trần và dì Lã đều không biết gìkhông biết chân tướng sự việc, chỉ có em và ông Lã và chị họ. Bây giờ còn có anh nữa.”

Phương Hạo Vân nghĩ một lúc rồi hỏi: “ Tuyết Nhi, em khẳng định điều em nói là sự thật chứ?”

Phương Hạo Vân đã ở trong bộ đội ba năm rồi, nguyên tắc luyện tập của quân đội thì hắn nắm rất rõ. Cho dù có luyện tập theo kiểu gì, an toàn của binh lính nhất định được đảm bảo. Loại đào tạo như Hàn Tuyết Nhi nói, hắn cảm thấy lẽ ra không tồn tại chứ. Nó đã chống lại nguyên tắc cơ bản nhất về đào tạo quân đội.

"Là thật đóchị họ em đã nói với em như vậy mà.Vốn là chị ấy dặn dò em, không được nói ra với bất kì ai. Nếu không phải anh khiến em tức đến không nghĩ được nữa, thì em cũng không nói cho anh những chuyện này." Hàn Tuyết Nhi nói.

Phương Hạo Vân há hốc mồm không nói được gì.

Thời đại đã thay đổi. Hắn đã rời khỏi quân đội đã ba năm nay rồi, ai biết được những nguyên tắc trong quân đội bây giờ có thay đổi gì mới hay không. Hoặc là nói, có một số khóa học đào tạo quân đội đánh đổ cả quy tắc

Nghĩ đến đây, trong lòng hắn cũng không khỏi lo lắng: "Tuyết Nhi, khóa đào tạo nguy hiểm như vậy, tại sao chị ấy lại nhất định tham gia. Còn nữa chẳng phải ông Lã rất yêu thương chị ấy sao? Tại sao ông ấy lại đồng ý cho chị ấy tham gia?"

Hàn Tuyết Nhi lắc đầu: "Anh Hạo Vân, thực ra em cũng không được rõ lắm. Nhưng em cảm thấy Em cảm thấy chị họ em nhất định tham gia chính là vì anh đó."

"Là vì anh?" Phương Hạo Vân có chút không hiểu.

Phương Tuyết Nhi phân tích nói: " Chị ấy ở cùng em, lúc nào cũng nhắc đến anh, khen ngợi anh, đặc biệt là vô cùng ngưỡng mộ công phu của anh, hơn nữa chị ấy còn luôn nói với em, khoảng cách giữa chị ấy và anh rất lớn. Vì thế, theo em dự đoán, chị họ em tham gia lần đào tạo này mục đích cơ bản nhất là vì nâng cao thực lực của mình, rút ngắn khoảng cách với anh"

"Còn nữa, anh không quan tâm với chị ấy, cũng là một nhân tố tác động chị quyết định tham gia"

Nói đến đây, trong lòng Hàn Tuyết Nhi lại tức giận: " Đều tại anh, đều tại anh cả"

Phương Hạo Vân nhẹ nhàng than một tiếng, một lúc lâu sau mới nói: " Tuyết Nhi, chuyện này, anh nghĩ anh thực sự có trách nhiệm. Em nên sớm nói cho anh biết, nói không chừng, chúng ta có thể ngăn cô ấy đi vào chỗ mạo hiểm."

"Đừng nói hay nữa, vấn đề bây giờ là chị họ em đã đi rồi, anh nói phải làm gì bây giờ?"

Hàn Tuyết Nhi lẩm bẩm nói, ngoắc tay nói: " Anh Hạo Vân, anh qua đây một chút, em nói nhỏ với anh câu này"

Phương Hạo Vân nghe thấy vậy, liền ghé đầu qua. Đồng thời, Hàn Tuyết Nhi cũng nhổm người dậy, ghé qua, đầu hai người chạm vào nhau, một mùi hương thơm nhẹ nhẹ của con gái xông vào mũi Phương Hạo Vân.

"Anh Hạo Vân, anh chắc chắn phải có biện pháp đảm bảo an toàn cho chị họ em đúng không?"

Hàn Tuyết Nhi ý vị thâm sâu nói: "Bản lĩnh chân thực của anh, em là người rõ nhất Thân phận của anh em"

"Im mồm!"

Sắc mặt Phương Hạo Vân trở lên lạnh lùng, quát lớn: " Hàn Tuyết Nhi, tôi cảnh cáo cô một lần nữa, nhưng lời này là không thể nói ra được, cô hiểu chưa?"

H O y là n ằ t y" ug{, " , e đo t

Lần này Phương Hạo Vân hơi dùng tới lực một chút, tên đại ca nanh vàng sau khi tung một vòng đập mặt xuống đất, trong miệng lập tức khục khặc mấy tiếng khó thở.

"Chúng mày là người của bang nào?"

Phương Hạo Vân dùng ngữ khí lạnh lùng hỏi thẳng luôn. Hắn thờ ơ nhìn mấy tên lâu la đang vây xung quanh vẻ mặt hớt hải nói: "Đại ca của bọn mày là thằng nào?"

Một tên lưu manh nhát gan, vội khai ngay ra tên hiệu của đại ca nhóm mình: "Tiểu tử. đại ca của bọn tao là Mặt Sẹo. Mày. mày dám động đến bọn tao, đúng là chán sống rồi con ạ."

"Mặt Sẹo?"

Phương Hạo Vân mỉm cười khinh miệt: "Xem ra chúng mày là người mới ở Hỏa Long bang, không biết mối quan hệ giữa tao và Mặt Sẹo à?"

Lời vừa nói xong, đám lưu manh lập tức hiểu theo ý khác.

Bọn chúng tưởng rằng người thanh niên đang đứng trước mặt mình có một mối quan hệ giao tình thân thiết với đại ca của chúng.

Nghĩ tới đây, tên lưu manh vừa trả lời xong khi nãy lập tức liến thoắng gật gù nói: "Thì ra đều là người nhà cả, đúng là có mắt không thấy núi Thái Sơn. Đại ca, là bọn em có mắt như mù, chuyện ngày hôm nay Anh là người phúc hậu độ lượng, bỏ qua cho chúng em nhé?"

Phương Hạo Vân mỉm cười khinh bỉ nói: "Tao nghĩ chúng mày hiểu lầm rồi, tao với Mặt Sẹo có mối thù cừu gia Chuyện ngày hôm nay tạm thời cứ vậy đã, quay về nói với Mặt Sẹo, lúc nào có thời gian tao sẽ đi tìm hắn."

Tục ngữ nói, oan gia ngõ hẹp mà.

Nghe Phương Hạo Vân vừa nói như vậy, bọn lưu manh lập tức trở mặt được ngay. Cùng đồng thanh hét lớn rồi vây quanh lấy Phương Hạo Vân, chực đợi để động thủ.

Phương Hạo Vân và Hàn Tuyết Nhi chẳng chút dao động, ai cũng chẳng thèm để mắt tới cái đám lưu manh này. Hàn Tuyết Nhi ỷ có chỗ dựa là Phương Hạo Vân, liền lớn giọng quát mắng: "Bọn mày là cái lũ có người đẻ ra mà không có người dạy dỗ, sao chúng mày không đi chết hết đi, đúng là tao thấy lo cho bọn mày lắm lắm."

"Các anh em, lên, tát chết mẹ cái mồm con ranh kia đi."

Đám lưu manh thường ngày chưa bao giờ phải chịu nhục mạ ghê gớm đến thế, bọn nó đứa nào mắt cũng đục ngầu, giống như đang muốn ăn thịt người vậy.

Tên đại ca nanh vàng ăn hai cú đạp, tuy rằng không nguy hiểm tới tính mạng, nhưng đòn đau cũng đủ khiến hắn mệt lử rồi. Đồng thời, hắn cũng biết rằng Phương Hạo Vân không phải tay mơ, không thể múa may trước mặt hắn được.

Được hai tên đàn em đỡ dậy, tên đại ca nanh vàng cắn răng chịu đau nói: " Trời không chịu đất thì đất chịu trời vậy, hôm nay bọn tao tạm bỏ qua. Các anh em, đi."

Đám lưu manh mặc dù vẫn còn hậm hực lắm, nhưng đại ca đã nói thế này, cũng không tiện cưỡng lời mà ở lại. Huống chi, thân thủ của Phương Hạo Vân cũng khiến cho chúng có đôi chút chùn tay.

Lưu Quân trông thấy tình hình như thế vội nói: "Tôi nói này các anh không được phép đi, các anh đã nhận tiền của tôi rồi, không được đi, không làm xong chuyện cho tôi, thì các anh không được phép đi."

"Cút!"

Một tên lưu manh tóc vàng vung tay giẫy Lưu Quân ra, tức giận hừng hực nói: "Tiểu tử, ngày mai nhớ mang theo 1 vạn đồng tới chỗ bọn tao, coi như là phí dưỡng thương của đại ca bọn tao, nếu không, mày cứ đợi đấy mà xem."

Lưu Quân nghe vậy, cơn giận trong lòng không dám xả ra nữa, mình vung tiền ra để thuê bọn nó giải quyết hộ mình, bây giờ sự việc hỏng bét, lại còn bị chúng nó hạch sách đòi thêm tiền dưỡng thương, quả thực là không thể nào tin được.

"Không được, các anh không thể bỏ đi như vậy được." Lưu Quân cảm thấy quá phũ phàng, liền giang tay ra chặn bọn lưu manh lại.

"Mày muốn chết hả!"

Bọn lưu manh bị Hàn Tuyết Nhi chế giễu, trong lòng vốn chất chứa một cục tức rồi, thuận tay vung cho Lưu Quân một cái bạt tai, đánh cho Lưu Quân cảm thấy trời đất chao đảo quay cuồng.

Hàn Tuyết Nhi nhếch miệng cười nhạt: "Đáng đời."

Lưu Quân bị đánh cho lật mặt, tay phải ôm lấy má, nói giọng mếu máo: "Các người đều ức hiếp tôi, tôi sẽ đi mách anh họ tôi." Nói rồi, liền chạy đi, tóc tai bù xù bám đầy bụi.

Phương Hạo Vân khi làm việc không thích để lại rắc rối, liền quay đầu sang hỏi Hàn Tuyết Nhi: "Anh họ của hắn là ai, em có biết không?"

"Biết!"

Hàn Tuyết Nhi nghĩ một lúc, rồi nói: "Trước đây anh ta có nhắc tới anh họ trước mặt em, hình như gọi là

Chuyện liên quan tới cô con gái rượu, sắc mặt của Trần Thiên Huy lập tức trở nên méo xệch khó coi, ông vội vàng hỏi dồn: "Hạo Vân, rốt cuộc là xảy ra chuyện gì, cháu mau nói cho ta biết, đừng để ta sốt ruột thêm nữa?"

"Chú Trần, chú đừng xúc động. Chú phải hứa rằng, chú sẽ có đủ nhẫn nại để nghe cháu kể hết, đồng thời, chú cũng phải đảm bảo với cháu rằng, sau khi nghe xong chuyện của cháu, chú không được có những hành động quá khích."

Phương Hạo Vân nói những lời này, là muốn Trần Thiên Huy chuẩn bị sẵn tâm lý trước.

Trần Thiên Huy vội gật đầu lia lịa: "Hạo Vân, rốt cuộc là đã xảy ra chuyện gì, cháu nói luôn đi, ta đảm bảo sẽ không kích động, không nổi giận, không phát hỏa."

Phương Hạo Vân nghiêm mặt lại, trầm giọng nói: "Chú Trần, việc Thanh Thanh học tỷ đi nhận huấn luyện ở chỗ ông Lã, không hề đơn giản như những gì chị ấy nói, chị ấy đã tham gia bài huấn luyện quân sự thập tử nhất sinh mang tên trò chơi tử vong của quân đội đặc chủng."

"Trò chơi tử vong?"

Trần Thiên Huy sau khi nghe xong tới đó, cơ thể khẽ run lên nhè nhẹ, dù ông là người cứng cỏi, nhưng trong mắt cũng lộ ra những sự sợ hãi và lo lắng khôn tả.

Thế nào là trò chơi tử vong? Trong lòng ông hiểu quá rõ ràng rồi, vài năm trước đây, Lã Thiên Hành đã từng nhắc tới nó với ông, rồi kể hết những sự việc bên trong cho ông nghe. Hy vọng ông sẽ nói với Thanh Thanh, để cô ấy tham gia bài tập huấn quân sự này. Ông ta cam kết với Trần Thiên Huy, chỉ cần vượt qua được bài huấn luyện trò chơi tử vong này, thì sau khi Trần Thanh Thanh tới đây, sẽ trở thành một cường giả chân chính.

Lúc đó, Trần Thiên Huy sau khi đã cân nhắc thiệt hơn bèn quả quyết từ chối. Hơn nữa còn dặn rằng Lã Thiên Hành phải quên sạch chuyện này, không được nói cho Thanh Thanh biết, ông hiểu bản tính của con gái, với cá tính của cô, tuyệt đối không bỏ qua cơ hội biến cường nào hết, cho dù cô biết bài huấn luyện này rất nguy hiểm, cô chắc chắn cũng sẽ không hề do dự mà tham gia

Trần Thiên Huy nhớ rất rõ, năm đó Lã Thiên Hành luôn miệng đồng ý cam kết nghe theo lời của ông, còn tỏ ý rằng sau này sẽ không bao giờ nhắc tới chuyện đó nữa. Nhưng ông không thể ngờ rằng, con gái đã giấu mình tham gia trò chơi tử vong này. Sự khiếp sợ và phẫn nộ trong người ông đã lên tới đỉnh điểm.

Ông cảm thấy Lã Thiên Hành lần này quả thực là rất quá quắt, ông ta không nên phản bội vợ chồng ông dắt Thanh Thanh đi mất, nếu như con gái có mệnh hệ gì, thì ông biết ăn nói ra sao với bà nhà đây?

Từ vẻ mặt xúc cảm của Trần Thiên Huy, có thể thấy ông đã biết về buổi huấn luyện quân sự này. Phương Hạo Vân vội vàng hỏi: "Chú Trần, chú biết về trò chơi tử vong?"

"Tại sao lại như thế? Tại sao lại như thế chứ? Cái lão già đó rốt cuộc định làm gì. Làm sao lão lại có thể để Thanh Thanh tham gia buổi huấn luyện quân sự tàn khốc đến vậy Không được, giờ ta phải gọi điện thoại cho lão ta, ta phải đòi Thanh Thanh về."

Cảm xúc của Trần Thiên Huy căn bản không thể nào trấn tĩnh lại được, ông không thể nào không xúc động.

"Chú Trần, nghe cháu nói đã, chú đừng kích động vội, chú giải thích cho cháu về trò chơi tử vong này rốt cuộc là thế nào trước đã được không?" Phương Hạo Vân vội khuyên nhủ.

Hắn bước qua ngồi xuống cạnh Trần Thiên Huy, nói: "Chú Trần, chú đừng nóng vội gọi điện cho ông Lã, chú nói cho cháu trước đã, cách nói thập tử nhất sinh rốt cuộc là có ý gì?"

Trần Thiên Huy sắc mặt tím tái gật gật đầu, nói: "Là sự thật, chuyện này trước đây Lã Thiên Hành đã từng kể với ta, bị ta gạt phắt đi. Không ngờ chuyện đã lâu như vậy, ông ta lại dám không nói với bọn ta lấy một câu, đã dắt Thanh Thanh đi, quả thực là quá đáng. Không được, ta phải gọi điện cho lão ấy, hỏi xem rốt cuộc là sao? Ta phải đưa Thanh Thanh về, cấm chỉ tập luyện. Ngộ nhỡ xảy ra chuyện gì, thì suốt đời này ta chẳng thể nào ăn nói được với dì Lã của cháu rồi."

"Được, vậy giờ chú gọi đi."

Bản ý của Phương Hạo Vân cũng mong muốn rằng có thể liên lạc được với Lã Thiên Hành.

Trần Thiên Huy vội vàng rút ra điện thoại, ngồi tại chỗ gọi cho Lã Thiên Hành, nhờ trời phù hộ, ông ta không tắt máy, rất nhanh đã nối được máy.

"Ba, Thanh Thanh đâu rồi, ba đưa điện thoại cho nó, con phải gọi nó trở về ngay. Con không cho phép nó tham gia trò chơi tử vong đó"

Sau khi nối máy thành công, Trần Thiên Huy nói luôn vào chủ đề.

309. Chương 21: Chất Vẫn Nhạc Phụ Đại Nhân

"Ba, Thanh Thanh đâu rồi, ba đưa điện thoại cho nó, con phải gọi nó trở về ngay. Con không cho phép nó tham gia trò chơi tử vong đó"

Sau khi nối máy thành công, Trần Thiên Huy nói luôn vào chủ đề.

Nghe xong câu hỏi của Trần Thiên Huy, đầu dây bên kia hình như im lặng một lúc. Hồi lâu sau mới vọng sang một giọng nói đanh thép: "Thiên Huy, con cũng biết rồi à? Kì lạ, là ai nói cho con biết nhỉ?"

"Ba mặc kệ tại sao con lại biết chuyện, tóm lại ba phải lập tức đưa Thanh Thanh về đây, con và Nguyệt Hồng đều sẽ không đồng ý cho Thanh Thanh đi tham gia trò huấn luyện trò chơi tử vong gì đó." Trần Thiên Huy gần như là gân cổ họng lên gào vào ống nghe điện thoại.

Lã Thiên Hành lạnh lùng gằn giọng: "Con điên đó à? Sao dám nói chuyện với ba vô lễ thế hả? Đừng quên ba là nhạc phụ chứ không phải con trai đâu nhé, đừng có hét lên như thế."

"Ba còn biết ba là ba người ta hả? Có ai mà làm ba như ba không? Tại sao ba không bàn bạc chuyện này với tụi con trước? Tại sao phải giấu giếm tụi con? Trò chơi tử vong là trò huấn luyện quân sự kiểu gì ba biết rõ hơn ai hết, lính đặc nhiệm xuất sắc thế mà còn thập tử nhất sinh, ba lại cho Thanh Thanh đi tham gia trò huấn luyện quân sự khốc liệt ấy, rốt cuộc ba suy tính gì thế? Còn nữa, năm xưa rõ ràng là ba đã đồng ý với con rồi, sao bây giờ ba lại nuốt lời?"

An toàn của con gái cưng quan trọng hơn hết, còn lòng tôn kính đối với Lã Thiên Hành đã bị dẹp sang một bên.

Đối mặt với một loạt câu hỏi chất vấn của Trần Thiên Huy, Lã Thiên Hành giữ im lặng một lúc lâu không thèm lên tiếng.

Trần Thiên Huy nôn nóng, tiếp tục gào thét vào điện thoại: "Nói gì đi chứ? Ba im lặng là sao? Ba bảo Thanh Thanh nghe máy đi, con phải nói chuyện với nó…"

"Thiên Huy, tâm trạng của con hiện giờ ba có thể thông cảm, nhưng ba phải nói cho con biết, tất cả những việc này đều do Thanh Thanh tự mình quyết định, không liên quan gì đến ba…" Lã Thiên Hành dửng dưng giải thích một câu.

Sự thật cũng đúng là như thế, lần này Trần Thanh Thanh tham gia cuộc huấn luyện quân sự Trò chơi tử vong hoàn toàn do cô tự nguyện, hơn nữa việc này cũng không phải do Lã Thiên Hành tiết lộ ra ngoài.

Lần trước ông nán lại nửa ngày ở Trần gia, Trần Thanh Thanh vô tình xem trộm được bản kế hoạch tuyệt mật mà người trợ lí đưa cho ông ngoại, từ tập tài liệu kia cô biết được cuộc huấn luyện quân sự mang tên Trò chơi tử vong.

Những ngày sau đó, Trần Thanh Thanh từng nhiều lần gọi cho Lã Thiên Hành vừa năn nỉ vừa dọa nạt làm nũng, thuyết phục ông ngoại đưa tên cô vào tham gia cuộc huấn luyện.

Vốn dĩ cuộc huấn luyện quân sự khắc nghiệt thế này chỉ có lính đặc nhiệm xuất sắc hoặc cảnh sát viên ưu tú được tuyển chọn kĩ mới có tư cách tham gia, người bình thường tuyệt đối không cho phép tham dự vào cuộc tập huấn.

Nhưng Lã Thiên Hành lại là người phụ trách kế hoạch huấn luyện tuyệt mật này nên đưa tên một người lạ vào không phải chuyện khó, Trần Thanh Thanh cứ bám lấy ông năn nỉ suốt, cuối cùng ông cũng đồng ý.

Tất nhiên dù sao đây cũng là cuộc tập huấn quân sự thuộc vào loại bí mật quốc gia, cho dù có Lã Thiên Hành phê chuẩn, người tham gia cũng phải đủ khả năng thích ứng mới được thông qua. Còn không thì ngay cả tư cách tự chui đầu vào chỗ chết, cơ hội thập tử nhất sinh cũng không có.

Đợi khi Trần Thanh Thanh có mặt theo lịch hẹn, ngay hôm đó các quan chức cấp cao đã tiến hành kiểm tra khả năng của cô, kết quả khiến Lã Thiên Hành vô cùng kinh ngạc, thành tích của cháu ngoại lại vượt trội hơn tất cả lính đặc nhiệm tham gia cuộc tập huấn lần này, vì lí do đó, Lã Thiên Hành mới quyết định cho cô dấn thân vào chốn nguy hiểm.

Lã Thiên Hành định thông báo cho con rể và con gái biết việc này, nhưng Trần Thanh Thanh nhất mực phản đối, cô cứ khăng khăng chuyện của cô do bản thân cô tự quyết định, không ai được xen vào.

Lã Thiên Hành cuối cùng đã phải đầu hàng, không bàn bạc với con rể và con gái.

Tỉ lệ sống sót trong cuộc tập huấn quân sự khắc nghiệt Trò chơi tử vong Lã Thiên Hành rõ hơn ai hết, thập tử nhất sinh nói không ngoa chút nào, tất nhiên không ghê rợn như lời đồn, chí ít khi tập huấn trong rừng rậm sẽ không ai bỏ mạng, một khi có đội viên không chịu nổi thì sẽ có trực thăng và nhân viên cứu hộ tới đưa người này rời đội, giai đoạn nguy hiểm thật sự chỉ là cuộc sát hạch thực tế cuối cùng. Bọn buôn heroin ở biên giới mấy năm gần đây trang bị hỏa lực càng lúc càng mạnh nên các đội viên tham gia huấn luyện phải đối mặt với cái chết là lẽ đương nhiên.

Khi hai bên giáp chiến, có đội viên hy sinh là điều khó tránh khỏi.

Đứng từ góc độ nào đó, cuộc tập huấn quân sự mang tên Trò chơi tử vong không hề vi phạm nguyên tắc hàng đầu, chính là giữ an toàn là trên hết.

"Con mặc kệ, bây giờ con phải nói chuyện với Thanh Thanh." Trần Thiên Huy không ngừng gào to vào điện thoại.

"Xin lỗi, Thanh Thanh đã lên đường tham gia tập huấn rồi." Lã Thiên Hành vẫn dửng dưng trả lời.

"Ba, cứ coi như con cầu xin ba, ba rút Thanh Thanh về đi có được không?" Lúc này Trần Thiên Huy hoảng loạn vì lo cho sự an toàn của con gái.

Phía kia vọng sang giọng nói kiên quyết của Lã Thiên Hành: "Thiên Huy, đã trễ mất rồi, theo như quy định, một khi đã tham gia vào tập huấn, trừ khi tử trận, bằng không sẽ không thể nào giữa chừng bỏ cuộc."

Thật ra Lã Thiên Hành không nói đúng sự thật, ông không muốn chuyến tập huấn của Thanh Thanh vì bị ba mẹ phản đối mà phải dừng lại.

Thân làm ông ngoại của Trần Thanh Thanh, Lã Thiên Hành sao lại không thương cháu ông của mình chứ? Ông cũng rất lo cho sự an nguy của cô cháu ngoại, tâm trạng của ông thậm chí còn khó chịu hơn cả Trần Thiên Huy, chỉ là ông từng là quân nhân tham chiến ở chiến trường nước S, ông biết rõ muốn vượt qua chính mình trở nên mạnh mẽ hơn thì phải trả giá.

Tất nhiên ông có lòng tin vào thực lực của Trần Thanh Thanh, theo như các số liệu kiểm tra, với thực lực của cháu ngoại ông, muốn giành thắng lợi trở về an toàn trong chuyến tập huấn này tuyệt đối không thành vấn đề.

"Ba…ba không hiểu lí lẽ gì cả…" Trần Thiên Huy nổi giận đùng đùng, ông mặc kệ thân phận trưởng bối của Lã Thiên Hành, gào như điên vào điện thoại: "Nếu như Thanh Thanh xảy ra sự cố gì, con và Nguyệt Hồng đều không tha thứ cho ba…"

"Trần Thiên Huy, ba hiểu tâm trạng lo lắng của con nên hôm nay con dám vô lễ với ba, ba sẽ không truy cứu, nhưng con nghe rõ đây, đợi khi nào Thanh Thanh giành thắng lợi trở về, con nhất định phải xin lỗi ba…Hừ!"

Lã Thiên Hành hậm hực khiển trách Trần Thiên Huy vài câu: "Người làm cha mẹ nhất định phải biết tôn trọng con cái, đây là chọn lựa của Thanh Thanh nên ba mong con suy nghĩ lí trí hơn, về mặt này con kém xa ba, nếu khi xưa ba giống y chang thái độ của con bây giờ, chuyện gì cũng phản đối can thiệp vào, con nghĩ con có lấy được con gái của ba không hả?"

Câu này nói ra, Trần Thiên Huy không biết nên cãi lại thế nào nữa.

Hồi lâu sau, Trần Thiên Huy mới lên tiếng hỏi thăm: "Thưa ba, ba nói thật cho con biết đi, rốt cuộc Thanh Thanh có gặp nguy hiểm gì không?"

"Nguy hiểm thì chắc chắn phải có rồi, nhưng theo như kinh nghiệm của ba, nếu không xảy ra chuyện gì ngoài ý muốn, với thực lực của Thanh Thanh, nó nhất định sẽ giành thắng lợi trở về, đến lúc đó ý chí, mưu trí và sức mạnh của nó đều nâng cao rõ rệt, rất có lợi cho tương lai phát triển của nó. Thiên Huy, việc này Nguyệt Hồng còn chưa biết đúng không? Sức khỏe của Nguyệt Hồng không được tốt, nếu nó vẫn chưa biết sự thật thì tốt nhất con đừng nói ra, đợi khi nào Thanh Thanh trở về sẽ đích thân giải thích với mẹ nó vậy." Lã Thiên Hành dặn dò một câu.

Trần Thiên Huy chỉ còn cách chấp nhận sự thật: "Thôi được, con nghe theo ba vậy, nhưng ba phải hứa với con đảm bảo an toàn cho Thanh Thanh đó. À, sau chuyến tập huấn trong rừng rậm ba cho con nói chuyện qua điện thoại với Thanh Thanh được không?"

"Không được!"

Lã Thiên Hành kiên quyết từ chối thẳng: "Sau khi kết thúc chuyến tập huấn trong rừng, tất cả đội viên phải đến biên giới Trung Quốc – Myanma truy quét bọn buôn lậu heroin. Nếu con gọi cho Thanh Thanh sẽ ảnh hưởng đến tinh thần của nó, làm như vậy càng đem nguy hiểm đến cho nó. Thiên Huy, bắt đầu từ hôm nay ba sẽ không bắt máy của con nữa, đợi 3 tháng sau, khi Thanh Thanh trở về an toàn ba sẽ chủ động gọi cho con. Như vậy đi, ba gác máy đây…" Dứt lời, Lã Thiên Hành liền đặt ống nghe xuống kết thúc cuộc gọi.

Phương Hạo Vân đang ở ngay kế bên Trần Thiên Huy, nghe hết cuộc đối thoại của ông và Lã Thiên Hành, xem ra Thanh Thanh học tỷ đã bắt đầu chuyến tập huấn rồi.

Hy vọng cô ấy có thể an toàn trở về vậy.

"Hạo Vân, cháu nghe thấy hết rồi đó, chúng ta muốn ngăn cản Thanh Thanh cũng không kịp nữa rồi, bây giờ chỉ còn biết cầu nguyện cho nó thôi, mong nó an toàn mà trở về…" Trần Thiên Huy đặt điện thoại xuống, buồn bã nói.

Phương Hạo Vân vội lựa lời an ủi: "Chú Trần, nếu Lã gia gia đã đồng ý cho Thanh Thanh học tỷ tham gia tập huấn, điều đó có nghĩa là ông ấy rất có lòng tin vào thực lực của học tỷ, chú nghĩ coi, ông ấy là ông ngoại của Thanh Thanh học tỷ mà, đâu thể nào hại cháu ngoại của mình đúng không nào?"

"Mong là vậy…" Trần Thiên Huy vẫn không yên tâm chút nào.

Đợi sau khi tâm trạng bình tĩnh lại, Trần Thiên Huy đưa ly rượu lên uống một hơi cạn sạch, hỏi: "Hạo Vân, chẳng phải cháu đã nói có hai việc cần nói với chú mà? Còn việc thứ hai là gì vậy?"

"Vâng!" Phương Hạo Vân khẽ gật đầu, nói: "Là thế này, cháu muốn tìm cái cớ gì đó tiêu diệt Hỏa Long bang của Mặt Sẹo, để nó lại sau này sẽ là hậu hoạn."

Câu này nói ra, đôi mắt Trần Thiên Huy bỗng trở nên sáng rực, mỉm cười nói: "Hạo Vân, cuối cùng cháu đã chịu ra tay làm việc lớn rồi, tiêu diệt bọn Hỏa Long bang thật ra cũng không phải chuyện lớn gì, nhưng phía Kim Gia chắc chắn không chịu bỏ qua đâu, dù gì thì Mặt Sẹo cũng là em rể của lão già đó, chúng ta đối phó với Hỏa Long bang, con cáo già kia chắc chắn nhúng tay vào. Như vậy đi, chú phụ trách Kim Gia, còn Hỏa Long bang đích thân cháu ra tay, thế nào?"

Trần Thiên Huy có ý muốn xem thử thủ đoạn của Phương Hạo Vân.

Phương Hạo Vân sao lại không hiểu tâm ý của Trần Thiên Huy được, hắn không hề suy nghĩ nhận lời ngay: "Không thành vấn đề, chú cứ phụ trách Kim Gia, Hỏa Long bang và Mặt Sẹo để cháu giải quyết."

"Hạo Vân, cháu cần bao nhiêu người theo giúp, chú sẽ điều động từ công ty bảo an Trần thị qua giúp cháu."

Trần Thiên Huy tính nhẩm một lát, nói: "Hỏa Long bang của Mặt Sẹo có khoảng một trăm tên đàn em, cháu thấy cháu cần mang theo bao nhiêu người?"

"Không cần đâu!"

Phương Hạo Vân mỉm cười tự tin: "Bắt cướp phải bắt tên đầu sỏ trước, phía Hỏa Long bang tuy có hơn một trăm người, nhưng chỉ cần cháu tóm Mặt Sẹo trước bọn chúng đông người cũng không dám làm gì, còn mang theo quá nhiều người sẽ dễ gây chú ý phía cảnh sát, như vậy không hay."

"À, cháu hiện nay còn là nhân viên bảo vệ đặc biệt hợp tác với cảnh sát, nên chú ý cẩn thận thì tốt hơn, nhưng Hạo Vân này, cháu khẳng định là không cần chú phái người theo hỗ trợ chứ?"

Trần Thiên Huy tất nhiên tin tưởng vào tài năng của Phương Hạo Vân, nhưng ông vẫn lo với sức của một mình hắn khó chống lại cả một thế lực bang hội.

"Chú Trần, chú yên tâm đi, việc này cháu tự biết giải quyết." Phương Hạo Vân vỗ ngực tự tin, khẳng định chắc nịch.

"Hạo Vân, nếu cháu đã có lòng tin như thế thì chú cũng không nói nhiều nữa, mọi sự cháu cẩn thận hơn là được…Nhỡ như, chú nói là nhỡ như, cháu gặp phải khó khăn không thể giải quyết, nhớ liên lạc ngay với chú, chú sẽ điều động người sang giúp sức." Trần Thiên Huy cẩn thận dặn dò thêm một câu.

"Chú Trần, thật ra cháu cũng không phải đi một mình, cháu sẽ dẫn theo Vương Thế Phi và một số đàn em đáng tin cậy của hắn, chắc không có gì khó giải quyết đâu. Thôi, chúng ta cứ nói đến đây, cháu phải về nhà rồi, ngày mai đợi sau khi cháu bàn kĩ kế hoạch hành động với Vương Thế Phi xong sẽ liên lạc qua điện thoại với chú thống nhất lần cuối."

"Cứ quyết định vậy đi!" Trần Thiên Huy gật đầu đồng ý.

Từ sau cái ngày xảy ra chuyện ngại ngùng giữa hai người ở khách sạn khu nghỉ mát, mỗi khi chạm mặt Phương Hạo Vân, Phương Tuyết Di đều cảm thấy không được tự nhiên lắm.

Lúc Phương Hạo Vân về đến nhà đã hơn 8h tối, Phương Tuyết Di đang mặc váy ngủ nằm dài trên ghế sofa xem ti vi, cặp chân thon dài lồ lộ ra, đứng từ góc nhìn của Phương Hạo Vân có thể nhìn xuyên qua lớp áo ngủ mỏng tang của bà chị hớ hênh này.

"Chị…" Phương Hạo Vân không dám tiếp tục nhìn trộm, vội gọi một tiếng cảnh báo.

Phương Tuyết Di nghe tiếng gọi vội quay đầu lại, khi cô thấy Phương Hạo Vân đang đứng ngay sau lưng, sắc mặt liền ửng đỏ, vội ngồi bật dậy đưa tay kéo chiếc váy ngủ xuống một chút để che cặp đùi trắng nõn.

"Hạo Vân, sao em lại về nhà?"

Câu này vừa nói ra, Phương Tuyết Di lại cảm thấy bối rối, vội giải thích: "Xin lỗi, Hạo Vân, ý của chị là…dù gì thì em cũng không được hiểu lầm chị, đừng nghĩ chị không hoan nghênh em về nhà nhé."

Từ sau cái hôm lễ tình nhân, Phương Tuyết Di đã ý tứ hơn rất nhiều, hễ có mặt Phương Hạo Vân là cô ăn mặc rất kín đáo, hôm nay cô không biết Phương Hạo Vân sẽ về nhà, nếu không có đánh chết cô cũng không chịu mặc váy ngủ nằm dài ngoài phòng khách xem ti vi đâu.

"Chị, chị đang nói gì vậy?" Phương Hạo Vân cười thầm trong bụng, hắn cảm thấy bà chị hôm nay có biểu hiện rất lạ.

"Ngồi xuống đi!" Phương Tuyết Di nhanh chóng ổn định lại tâm trạng, nói với em trai.

Phương Hạo Vân bước tới ngồi vào chỗ Phương Tuyết Di vừa nằm, ghế sofa còn hơi ấm, hiển nhiên là vì nhiệt độ cơ thể của Phương Tuyết Di rồi, Phương Hạo Vân bất chợt ùa về kí ức trong đêm lễ tình nhân kia, hắn cũng trở nên bối rối.

Phương Tuyết Di nhận ra ánh mắt của em trai không được tự nhiên lắm, trong lòng thẹn thùng không biết nên nói gì.

"Chị, Lăng Vân Giai là một tên tiểu nhân, chuyện hôm đó hắn sẽ không chịu dễ dàng bỏ qua đâu, nếu hắn còn tới quấy rầy chị, chị nhớ thông báo ngay cho em…" Phương Hạo Vân lên tiếng xua tan bầu không khí im lặng đáng sợ.

310. Chương 22: Hành Động

Nói xong câu ấy, Phương Tuyết Di lại một lần nữa im lặng, không biết vì lí do gì trong mấy ngày nay cứ nhìn thấy Hạo Vân là cô có một cảm giác kì lạ, nhịp tim đập mạnh khác thường.

Nhất là trong cái đêm lễ tình nhân, khi cô tự an ủi trong đầu toàn nghĩ tới hình bóng của Hạo Vân, thậm chí đến lúc sau còn không biết xấu hổ rên khẽ tên của hắn.

"Chị, đừng xem ti vi lâu quá, buổi sáng chị làm việc đã vất vả lắm rồi, phải biết nghỉ ngơi hợp lí, nếu không cơ thể sẽ không chịu nổi đâu." Phương Hạo Vân cũng cảm nhận được thái độ bối rối của chị gái nên nói ra một số câu quan tâm.

"Ờ, chị biết rồi!" Hình như Phương Tuyết Di chỉ còn biết nói mỗi một câu này thôi.

"Chị, em hơi mệt, em về phòng ngủ trước đây, chị đừng xem ti vi khuya quá, ngủ sớm đi nhé, ngủ đủ giấc rất có lợi cho làn da của chị." Nói xong, Phương Hạo Vân chuẩn bị rời khỏi.

"Chị không xem nữa..." Hạo Vân về phòng, Phương Tuyết Di đột nhiên cảm thấy mình ngồi một mình ở đây xem ti vi cũng không còn hứng thú gì. Hơn nữa cô rất để tâm đến câu nói của Hạo Vân, ngủ đủ giấc sẽ làm làn da đẹp ra.

"Hạo Vân, chúng ta cùng lên lầu đi!" Phòng ngủ của các thành viên trong gia đình họ Phương đều nằm trên lầu.

Lúc Phương Tuyết Di bước lên cầu thang, cặp mông lắc lư qua lại trông thật khiêu khích, Phương Hạo Vân hơi rạo rực trong lòng.

Nằm mở mắt thao láo trên giường, trong đầu Phương Hạo Vân cứ lởn vởn hình ảnh cặp mông lắc lư qua lại của Phương Tuyết Di, có trời chứng giám, hắn không hề có ý nghĩ xấu xa, chỉ là bất đắc dĩ thứ kia đập vào mắt thôi.

Hồi lâu sau Phương Hạo Vân mới ổn định tinh thần lại được, nhưng hắn cứ trằn trọc không thể đi vào giấc ngủ, dạo gần đây những chuyện phiền não xuất hiện quá nhiều, bây giờ lại có thêm vụ Trần Thanh Thanh đi tham gia Trò chơi tử vong gì đó, càng khiến hắn bực dọc thêm.

Phương Tuyết Di cũng đồng cảnh ngộ, đêm dài đằng đẵng không sao chợp mắt, chỉ có điều cô không có nhiều chuyện phiền lòng như Phương Hạo Vân, trước mắt cô chỉ có một việc phiền não, chính là cô phát hiện ra mình càng ngày càng phụ thuộc vào Hạo Vân, nhất là sau cái đêm lễ tình nhân, thậm chí cô đã động lòng.

Nói cách khác, Phương Tuyết Di cảm thấy có lẽ cô đã nảy sinh thứ tình cảm ngoài tình thân ruột thịt với Hạo Vân.

Cảm giác này đương nhiên khiến cô xấu hổ khó chịu, nhưng cô lại không có cách gì đi ngăn cản nó xảy ra...

Buổi sáng thức dậy, Phương Hạo Vân đã gấp gáp ra khỏi nhà, hắn phải nắm bắt thời gian nhanh chóng giải quyết xong Mặt Sẹo và Hỏa Long bang.

Chuyện hắn nhận lời với Trương Bưu chắc chắn phải thực hiện, công tác bảo vệ Đinh Tuyết Nhu hắn nhất định phải tham gia, làm người phải giữ lời hứa, đó là nguyên tắc sống của hắn, hơn nữa hắn cũng không muốn Đinh Tuyết Nhu gặp nguy hiểm gì ngay tại thành phố Hoa Hải.

Vương Thế Phi trên đường đi làm nhận được điện thoại thông báo của Phương Hạo Vân, khi hắn biết được Phương Hạo Vân muốn liên kết với mình làm một vụ lớn liền lập tức phấn khích lên. Sau khi ngắt cuộc gọi, hắn ra lệnh cho tài xế mở hết tốc lực phóng như bay về Kim Bích Huy Hoàng, gặp đèn đỏ cứ vượt qua, mặc kệ cảnh sát giao thông ghi lại bảng số xe phạt nặng, lúc này Vương Thế Phi đâu quan tâm mấy thứ nhỏ nhặt đó làm gì.

Chiếc xe của Vương Thế Phi đổ xịch ngay cổng Kim Bích Huy Hoàng, Phương Hạo Vân cũng vừa đến nơi, hai người kề vai nhau đi thẳng vào phòng làm việc của Vương Thế Phi, ngay cả A Tài cũng không cho đi theo.

Mang tâm trạng háo hức, vừa đóng cửa phòng lại là Vương Thế Phi hỏi ngay: “Phương thiếu gia, anh nói muốn cùng tôi làm một vụ lớn, rốt cuộc là vụ gì vậy?”

Phương Hạo Vân nói nhỏ: “Biết Hỏa Long bang chứ? Chính là bọn lần trước cấu kết với lũ khốn Nhật muốn gây sự ở chỗ của anh đó.”

“Biết, sao tôi lại không biết bọn chúng chứ, đại ca của chúng là Mặt Sẹo chẳng phải đã bị anh đá bể trứng à? Tôi hiểu rồi, Phương thiếu gia, anh muốn…tiêu diệt lũ khốn kia đúng không?”

Vương Thế Phi là người thông minh, chỉ cần chịu suy nghĩ một chút là hắn đã hiểu Phương Hạo Vân muốn nói gì.

“Ờ!”

Phương Hạo Vân không giấu giếm nữa, hỏi thẳng: “Thế nào? Có dám làm không?”

Vương Thế Phi không thèm suy nghĩ trả lời ngay: “Phương thiếu gia, anh cứ ra lệnh đi, giờ tôi phải làm gì? Chỉ cần anh sai bảo một tiếng, tôi tuyệt đối không nhăn mày.”

Phương Hạo Vân gật gù hài lòng: “Vương thiếu gia, anh nói thế tôi rất vui. Như vậy đi, đợi sau khi làm xong vụ này, tôi sẽ dành thời gian rảnh đích thân chỉ bảo anh luyện võ.”

Câu này nói ra, Vương Thế Phi lập tức phấn chấn hẳn lên, hắn có nằm mơ cũng muốn được Phương Hạo Vân chỉ bảo: “Phương thiếu gia, cám ơn anh, cuối cùng anh đã chịu dạy võ cho tôi.”

311. Chương 23: Xóa Sổ Hỏa Long Bang

"Bắt đầu hành động!" Phương Hạo Vân phát ra hiệu lệnh.

Vương Thế Phi và hai tên đàn em ngồi sau lưng lập tức mở cửa bước xuống xe, đi thẳng về hướng quán bar Hỏa Long.

Tên bảo vệ gác cửa và cô tiếp tân thấy có khách đến vội tách nhau ra không đùa cợt nữa, cung kính cúi chào: "Kính chào quý khách! Mời quý khách vào trong vui vẻ ạ!"

Vương Thế Phi cười hi hí khả ố, lúc vào cửa không quên đưa tay vuốt một cái vào mông cô tiếp tân để cô gái tưởng lầm cả bọn là lũ háo sắc đến mua vui. Phương Hạo Vân thì giữ vẻ mặt nghiêm túc, nguyên tắc của hắn là dù có mua vui bên ngoài cũng phải chọn cô nào sạch sẽ như cô gái Nga hồi chiều.

Đại sảnh của quán bar thưa thớt người, khách đến chơi không nhiều, mấy cô gái phục vụ cũng ít, không gian vô cùng buồn tẻ. Chỗ quầy bar phía kia có mấy tên vạm vỡ cởi trần để lộ hình xăm đầy mình ngồi cụng ly nốc rượu như điên, xem bộ dạng chúng chắc sắp say mèm đến nơi rồi.

"Phương thiếu gia, để em dẫn đường cho mọi người…"

Một tên đàn em nhỏ thó vừa nãy được cài vào điều tra thông tin nói nhỏ: "Em biết Mặt Sẹo và mấy tên đầu sỏ kia đang tụ tập trong phòng nào."

"Tốt lắm, Khỉ Con, mày dẫn đường mau!"

Vương Thế Phi ghé tai Phương Hạo Vân nhỏ tiếng giới thiệu: "Nó là tên đàn em mưu trí lanh lẹ nhất của tôi đó, xưa nay sai bảo nó làm việc gì chưa từng xảy ra sai sót."

Rất nhanh, cả hàng người lên tới khu phòng sang trọng trên lầu 2, chỗ hành lang hẹp có hai cô gái phục vụ và hai tên vệ sĩ đang dính chặt vào nhau làm trò đồi bại, khiến Phương Hạo Vân nhìn thấy nóng rang cả mặt.

"Mọi người đi chậm lại thôi, 4 người kia để tôi giải quyết…" Phương Hạo Vân nhỏ tiếng dặn dò một câu, sau đó bước đi thoan thoắt như mèo tiếp cận bọn chúng.

"Ai đó? Đứng lại!"

Vừa nghe có tiếng bước chân, hai tên bảo vệ lập tức cảnh giác hét lên, đồng thời tay phải thọt vào thắt lưng, hiển nhiên hai tên này đều có mang súng.

Phương Hạo Vân vẫn bình tĩnh như không có gì xảy ra, hắn dửng dưng đáp lời: "Bọn tao là người của Mãnh Hổ bang, chính đại ca Mặt Sẹo của chúng mày hẹn bọn tao hôm nay đến đây bàn chuyện giao dịch hàng trắng. Mau tránh ra, lỡ mất việc lớn chúng mày không gánh vác nổi trách nhiệm đâu…"

Vừa nói Phương Hạo Vân vừa tiến gần thêm mấy bước.

Hai tên bảo vệ ngơ ngác quay mặt vào nhau, hình như chưa từng nghe nói có cái tên Mãnh Hổ bang gì đó, hơn nữa đại ca đâu có dặn hôm nay có vụ giao dịch hàng trắng với người ta.

Chớp thời cơ ngắn ngủi hai tên bảo vệ ngơ ngác, Phương Hạo Vân đã lướt tới như tia chớp trước mặt chúng, ra tay nhanh như điện điểm vào huyệt đạo cả hai tên, đồng thời trước khi hai cô gái phục vụ hét lên, hắn dùng thủ pháp tương tự khống chế cả hai.

Cả quá trình chỉ diễn ra trong tích tắc, tốc độ cực nhanh, ngay cả Vương Thế Phi và hai tên đàn em đi theo ngay sau lưng cũng không nhìn rõ rốt cuộc Phương Hạo Vân đã ra tay như thế nào.

"Phương thiếu gia, đây chính là tuyệt chiêu điểm huyệt như trong tiểu thuyết đó hả?"

Vương Thế Phi đưa tay bóp mạnh vào ngực một cô phục vụ, quả nhiên không thấy cô gái có phản ứng gì. Vương Thế Phi cảm thấy kì lạ, nếu bữa nào đó hắn cũng học được tuyệt chiêu điểm huyệt này thì hay quá.

"Phương thiếu gia, sau này anh nhớ dạy tôi điểm huyệt nhé?" Vương Thế Phi mang vẻ mặt háo hức hỏi nhỏ một câu.

“Không thành vấn đề…Nhưng tôi báo trước cho anh biết, muốn đạt đến cảnh giới điểm huyệt như tôi vừa biểu diễn, chí ít anh cũng phải khổ luyện trong vòng 50 năm, hơn nữa còn phải coi anh có tài năng bẩm sinh về võ thuật hay không nữa, không nói trước được đâu.” Phương Hạo Vân thản nhiên trả lời.

Vương Thế Phi xìu mặt xuống, 50 năm nữa lúc đó mình đã bảy mươi mấy tuổi rồi, cho đến ngày luyện thành tuyệt chiêu điểm huyệt, dù có điểm trúng cô gái xinh đẹp nào đó e cũng không còn sức hưởng thụ nữa.

“Phương thiếu gia, có cách gì truyền công lực vào cơ thể như trong tiểu thuyết không? Nếu có thì anh truyền cho tôi ít công lực, như vậy tôi sẽ luyện thành sớm hơn…”

Vương Thế Phi nghĩ cho dù là luyện thành chiêu điểm huyệt sớm hơn 10 năm cũng được, năm hắn sáu mươi mấy tuổi chắc vẫn còn chưa muộn lắm, cố tận hưởng vài năm tiếp theo chắc cũng đủ rồi.

“Xem phim kiếm hiệp nhiều quá nên điên theo nó hả? Trên đời này làm gì có những chuyện dễ ăn như thế?”

Cho dù là Phương Hạo Vân dùng Thiên phạt hấp thu sức mạnh của những kẻ bị giết, hắn cũng phải chịu ảnh hưởng của tác dụng phụ.

Nói tóm lại, trên thế gian này không có bữa cơm nào miễn phí dành cho bạn.

Muốn đạt được thứ gì thì phải bỏ ra thứ tương đương đánh đổi, đấy là quy luật của cuộc sống.

“Mọi người cẩn thận nha, kể từ bây giờ đừng nói chuyện tào lao nữa…Khỉ Con, cậu đi trước dẫn đường mau…”

Lối đi nhỏ hẹp phía trước đã nghe tiếng rên rỉ sung sướng vang tới, hiển nhiên cách căn phòng cần tìm không còn xa nữa, chắc giờ này cả lũ Hỏa Long bang đang tụ tập thác loạn trong phòng.

Khỉ Con nghe Phương thiếu gia nhớ tên mình liền khấp khởi vui mừng, vẻ háo hức trong lòng tăng lên không ít, hắn khoa tay múa chân tiếp tục dẫn mọi người tiến về phía trước.

Khỉ Con cũng đã khôn khéo cài sẵn nội gián vào Hỏa Long bang rồi, theo như tin tình báo, Mặt Sẹo hiện đang có mặt trong căn phòng mang tên Phong Hoa Tuyết Nguyệt phía trước.

Ngoài trừ hai tên bảo vệ khi nãy, xung quanh không còn xuất hiện thêm tên đàn em và cô phục vụ nào nữa, Khỉ Con dẫn mọi người đến thẳng trước cửa phòng Phong Hoa Tuyết Nguyệt.

“Bình…bình…” Khỉ Con giơ nắm đấm đập mạnh vào cửa, hét lên: “Mở cửa, mở cửa ra…”

Rất nhanh, cửa phòng hé mở một khe nhỏ, người mở cửa chính là nội gián do Khỉ Con cài vào, khi hắn xác nhận người mới đến là Khỉ Con, liền mở tung cửa cho mọi người vào phòng.

Vừa bước vào phòng, cảnh tượng thác loạn đập vào mắt làm Phương Hạo Vân cảm thấy khó chịu, tiếng thở hổn hển và tiếng rên xiết của nhiều cặp trai gái xộc thẳng vào tai, rõ ràng không chỉ có một đôi đang khoái lạc.

Vương Thế Phi cười thầm trong bụng, tự nhủ, đám người này không phải biết sắp toi mạng nên tận hưởng lần cuối chứ?

Vương Thế Phi theo sát sau lưng Phương Hạo Vân, dõi mắt nhìn xung quanh, thiệt là quá đáng hết sức, chí ít có tám cặp nam nữ đang vật nhau trên ghế sofa, dưới sàn nhà, thậm chí trên mặt bàn.

Điều lạ lùng nhất là Mặt Sẹo đang cởi truồng ngồi trên ghế sofa xem cảnh vui vẻ của bọn đàn em, tất nhiên gã đâu có khả năng tham gia cuộc vui, gã bị Phương Hạo Vân biến thành thái giám mất rồi.

Có người lạ ngang nhiên xông vào nhưng những người trong phòng không ai để ý, dưới tác động của rượu, chất kích thích và dục vọng, chúng đã mất đi ý thức cảnh giác, không biết nguy hiểm đang cận kề.

Hai tên vệ sĩ được Mặt Sẹo cho phép ở lại trong phòng 5 phút trước đã bị nội gián của Khỉ Con trừ khử.

"Ờ, vậy thì tôi yên tâm rồi." Phương Hạo Vân gật đầu hài lòng, sau đó nói tiếp: "Bắt đầu từ ngày mai, anh phái người tới tiếp quản địa bàn của Hỏa Long bang luôn."

Vương Thế Phi nghe vậy càng vui mừng khôn siết, tuy Hỏa Long bang không phải là bang hội lớn gì ở thành phố Hoa Hải, nhưng do trước đây được Kim Gia giúp đỡ gầy dựng cơ sở nên địa bàn của chúng kiếm lợi nhuận rất khá, nếu quả thật cho hắn tiếp tay quản lí, số tiền thu vào trong một năm là con số không hề nhỏ.

"Phương thiếu gia, về phía Trần lão đại…" Vương Thế Phi cẩn thận hỏi thêm một câu.

Phương Hạo Vân hiểu ý, vội trấn an: "Về phía chú Trần anh không cần bận tâm, tôi đã bàn trước với chú ấy rồi, chú Trần sẽ phái người giúp anh trong thời gian đầu, dù gì thì anh cũng chưa có kinh nghiệm trong những việc này. À, có việc này tôi cần phải nói rõ trước với anh, tuyệt đối không được đụng vào hàng trắng…"

Vương Thế Phi cảm thấy ngạc nhiên, liền hỏi: "Nhưng theo như tôi biết, địa bàn của Mặt Sẹo trước đây thu lợi nhuận nhiều nhất là nhờ vào buôn hàng trắng mà?"

"Cái đó tôi mặc kệ, tóm lại là sau khi anh tiếp quản địa bàn của Hỏa Long bang rồi không được dính vào hàng trắng nữa, còn thị trường ngầm tồn tại trước đây anh cũng phái người dẹp hết cho tôi." Phương Hạo Vân nghiêm túc dặn dò kĩ Vương Thế Phi.

"Thôi, tôi đến hiện trường vụ án theo lời mời của Trương đội trưởng đây, đêm nay anh cũng khỏi ngủ đi, tranh thủ thời gian chuẩn bị phương án tiếp quản địa bàn của Mặt Sẹo, ngày mai chúng ta tiến hành luôn." Nói xong câu cuối, Phương Hạo Vân vội xuống xe rời khỏi.

Một tiếng sau, Phương Hạo Vân một lần nữa xuất hiện tại hiện trường vụ nổ, tận mắt chứng kiến kiệt tác do mình gây ra, hắn mỉm cười nói với Trương Bưu: "Trương đội trưởng, thứ cho tôi nói thẳng, Mặt Sẹo và Hỏa Long bang bị xóa sổ là việc tốt trừ hại cho dân mà, chẳng lẽ anh muốn tìm ra hung thủ đứng sau lưng vụ này thật sao?"

Trương Bưu nghe vậy càng thêm nghi ngờ, trừng mắt dán chặt vào Phương Hạo Vân, đột nhiên hỏi: "Có người nói với tôi vụ án này do cậu gây ra, cậu thấy thế nào?"

Phương Hạo Vân giả đò giật mình kinh ngạc, nói: "Tôi biết, khi nãy anh gọi điện báo với tôi vụ án này và kêu tôi đến đây ngay là tôi đã ngờ ngợ rồi, chắc chắn là Kim Gia và Kim Phi nói với anh như thế đúng không? Tất cả cũng chỉ vì trước đây tôi có xích mích với Mặt Sẹo, thậm chí tôi từng đá bể trứng biến gã thành thái giám."

"Hạo Vân, xem ra họ đã nói thật…cậu quả thật là kẻ đáng nghi nhất trong vụ huyết án nghiêm trọng này. À phải, tại sao cậu lại đá bể trứng của Mặt Sẹo?" Trương Bưu đột nhiên cảm thấy có hứng thú muốn biết chuyện này.

Phương Hạo Vân từ tốn kể: "Thì vì Hàn Tuyết Nhi đó, có người trả tiền cho Mặt Sẹo bắt cóc Hàn Tuyết Nhi, hơn nữa còn muốn cưỡng bức cô bé, may mà tôi kịp thời có mặt, bằng không cô bé đã bị hại rồi. Trương đội trưởng, tôi là một công dân tốt đấy nhé, bằng không khi đó tôi đã không đá bể trứng gã xấu xa kia, mà đá bể cái đầu của nó kìa…"

"Hàn Tuyết Nhi bị bắt cóc, sao không ai báo cảnh sát thế hả?" Trương Bưu hậm hực nói: "Mấy người không ai tin tưởng cảnh sát cả."

"Trương đội trưởng, việc này đã qua lâu rồi, chúng ta hãy nói về vụ án mới này thôi. Hiện trường tôi xem xét tỉ mỉ qua rồi, chắc không phải là thủ pháp gây án của tổ chức khủng bố đâu, còn khả năng khác thì thứ cho tôi không đủ sức giúp đỡ…Thôi, những việc còn lại cảnh sát các anh giải quyết đi, tôi chỉ là một công dân bình thường, tôi đâu có nghĩa vụ thức trắng đêm ở đây nghiên cứu vụ án giùm mấy anh?"

Phương Hạo Vân chịu đến đây chỉ là muốn thăm dò Trương Bưu có nắm được chứng cứ quan trọng gì không, bây giờ đã rõ kết quả, chẳng qua người anh em tốt này chỉ dựa vào lời buộc tội của Kim Gia và Kim Phi nên mới nghi ngờ hắn chứ không hề có bất cứ manh mối xác thực nào hết.

"Thôi được rồi, cậu về trước đi." Trương Bưu chỉ còn cách cho phép Phương Hạo Vân rời khỏi.

"Trương đội trưởng, cái chết của Mặt Sẹo là phước đức cho xã hội, tôi khuyên anh đừng nên phí công sức điều tra làm gì nữa, vì bọn cặn bã này lãng phí nhân lực không xứng đáng đâu." Trước khi đi, Phương Hạo Vân quay lại nói một câu nửa đùa nửa thật.

"Đợi đã!" Trương Bưu đột nhiên gọi Phương Hạo Vân lại, ghé tai hỏi nhỏ: "Hạo Vân, nói thật với tôi đi, vụ này có phải do cậu gây ra không?"

Phương Hạo Vân mỉm cười bình tĩnh, nhỏ tiếng trả lời: "Làm ơn đi, anh là cảnh sát đó, trước khi có chứng cứ xác thực đừng nghi ngờ lung tung người tốt chứ…"

"Ha ha!" Trương Bưu bật cười to tiếng, nói: "Đừng giận, tôi chỉ nói đùa với cậu thôi mà…À, nhớ quay lại công tác bảo vệ đúng giờ hẹn đấy nhé, đại minh tinh Đinh Tuyết Nhu ngày nào cũng tưởng nhớ đến cậu đó."

Rất nhiều người mất ngủ trong đêm nay, nhưng người gây án là Phương Hạo Vân lại vùi đầu ngủ ngon giấc, hắn thậm chí không hề cảm thấy áy náy trong lòng, theo như cách nghĩ của hắn, hành động diệt trừ Hỏa Long bang lần này là trừ hại cho dân, hắn đã suy ngẫm kĩ trong đầu rồi, số người thiệt mạng trong vụ nổ không một ai là chết oan cả, toàn là một lũ đáng tội.

"Hạo Vân, sao em lại ngủ trên ghế sofa?"

Do đêm qua Phương Hạo Vân về nhà lúc khuya, vì không muốn làm Bạch Lăng Kỳ thức giấc nên hắn không vào phòng ngủ, chỉ nằm lăn ra ghế sofa ngoài phòng khách chợp mắt. Lúc Tạ Mai Nhi thức dậy đi vệ sinh vô tình nhìn thấy hắn, vừa đúng lúc Phương Hạo Vân cũng mở mắt ra.

Phương Hạo Vân mỉm cười lịch sự: "Chị Mai, chào buổi sáng!"

Tạ Mai Nhi tò mò nhìn vào Phương Hạo Vân, ngồi phịch xuống kế bên hắn, quan tâm hỏi nhỏ: "Hạo Vân, có phải em cãi nhau với Kỳ rồi không? Sao em không vào phòng mà ngủ? Nếu em bị Kỳ đuổi ra ngoài thì có thể đến tìm chị Mỹ Kỳ mà…còn không được nữa thì vào phòng chị xin tá túc một đêm cũng được…"

Hai người ngồi sát vào nhau, Phương Hạo Vân có thể nhìn thấy lồng ngực Tạ Mai Nhi đang phập phồng theo từng nhịp thở, úi trời, hình như trong kia không có lớp áo giáp bảo vệ thì phải.

"Hứ, nhìn cái gì mà nhìn, có chị Mỹ Kỳ và Kỳ rồi mà em còn chưa nhìn đủ sao hả? Hạo Vân, em là tên lưu manh đáng ghét…"

Tạ Mai Nhi phát hiện cô bị Hạo Vân nhìn trộm, vội che cổ áo lại đứng bật dậy khỏi ghế sofa, tức tối nói: "Dám nhìn lén chị, mau đưa tiền đây!"

Phương Hạo Vân bị Tạ Mai Nhi đưa vào thế khó xử, chị Mai hình như càng ngày càng ham tiền rồi thì phải?

"Hạo Vân, nghe chị Mai hỏi đây, em phải trả lời thật với chị."

Tạ Mai Nhi quay đầu lại nhìn vào cửa phòng của Trương Mỹ Kỳ và Bạch Lăng Kỳ, thấy không có động tĩnh gì mới ngồi trở xuống ghế sofa, hỏi nhỏ: "Em nói thật cho chị biết đi, em là người thừa kế tương lai của tập đoàn Thịnh Hâm đúng không? Giám đốc Phương là chị gái của em?"

Câu này nói ra, Phương Hạo Vân nghệch mặt ra ngạc nhiên, xem tình hình này Tạ Mai Nhi đã biết thân phận của hắn.

Thấy Phương Hạo Vân không lên tiếng, Tạ Mai Nhi muốn bật khóc, cô uất ức nói: "Hạo Vân, em thấy chị Mai đối xử với em thế nào? Từ lúc chúng ta quen biết nhau đến giờ, chị đối xử tốt với em tốt không? Nhưng tại sao em lại không chịu nói sự thật cho chị biết? Em rõ ràng là đại thiếu gia của tập đoàn Thịnh Hâm, nhưng em lại giấu giếm thân phận trước mặt chị, chẳng lẽ em sợ chị tiếp cận em để mưu cầu lợi ích?"

Lồng ngực Tạ Mai Nhi vẫn phập phồng, thậm chí còn nhô cao khiêu khích hơn nữa, nhưng giờ này Phương Hạo Vân không còn tâm trạng nào để nhìn lén tiếp, nói gì thì nói, chị Mai đã biết sự thật rồi, nếu hắn tiếp tục che giấu thân phận cũng chẳng có tác dụng, hơn nữa còn tỏ ra giả tạo.

"Chị Mai, xin lỗi chị, em không cố ý giấu chị đâu." Phương Hạo Vân tỏ ra biết lỗi nhưng trong lòng đang rất lo lắng, Tạ Mai Nhi là người cuối cùng biết thân phận của hắn, chắc cô sẽ cảm thấy điều ấy là một sự sỉ nhục.

"Vậy thông tin kia là thật rồi…Em đúng là đại thiếu gia của tập đoàn Thịnh Hâm…" Tạ Mai Nhi nói xong, nước mắt tuôn rơi: "Chị hận em, Hạo Vân!

314. Chương 26: Con Gái Là Chúa Rắc Rối

"Vậy thông tin kia là thật rồi…Em đúng là đại thiếu gia của tập đoàn Thịnh Hâm…" Tạ Mai Nhi nói xong, nước mắt tuôn rơi: "Chị hận em, Hạo Vân!"

"Chị Mai, chị Mai…"

Phương Hạo Vân thấy Tạ Mai Nhi bỗng dưng bật khóc, vội nhảy lên khỏi ghế sofa, đưa tay kéo chị Mai lại định giải thích, ai ngờ dùng sức quá mạnh, tay hắn xé toạc chiếc áo ngủ mỏng tang của Tạ Mai Nhi, từ tay áo đến trước ngực rách một đường rộng, để lộ làn da trắng nõn dưới ánh mắt ngỡ ngàng của Phương Hạo Vân.

Tạ Mai Nhi vừa tức giận vừa xấu hổ, giằng tay ra khỏi Phương Hạo Vân, ôm mặt khóc lóc chạy đi.

Hai người ngoài phòng khách nói chuyện hơi lớn tiếng, phòng ngủ của Trương Mỹ Kỳ nằm ngay ngoài cùng, lúc này cô đã bị tiếng ồn đánh thức, vừa mở cửa bước ra xem có chuyện gì xảy ra, gặp ngay cảnh Tạ Mai Nhi váy áo rách bươm khóc lóc chạy vào phòng đóng cửa lại, còn Phương Hạo Vân đang đuổi theo sau hét gọi theo.

"Hạo Vân!"

Trương Mỹ Kỳ nhìn thấy cảnh tượng nhạy cảm này, lập tức giận dữ lao tới túm lấy Phương Hạo Vân, đanh giọng quát lên: "Hạo Vân, rốt cuộc em muốn làm gì? Mai Nhi là bạn thân nhất của chị, chị không cho phép em ức hiếp cô ấy…" Hiển nhiên Trương Mỹ Kỳ đã hiểu lầm mọi việc.

Phương Hạo Vân nghệch mặt ra không hiểu gì cả, hắn cảm thấy mình đâu có làm gì sai trái, lúc trước che giấu thân phận Trương Mỹ Kỳ cũng biết mà, mình ức hiếp Tạ Mai Nhi ở chỗ nào chứ?

Hơn nữa thân phận của mình, mình muốn che giấu thì cứ việc che giấu, đấy là quyền tự do cá nhân, có làm hại đến ai đâu?

Trong lúc nói chuyện, nước mắt của Trương Mỹ Kỳ cũng tuôn rơi, hai mắt đỏ hoe, cô một lần nữa nghiêm giọng hỏi: "Hạo Vân, chẳng lẽ em muốn ngay cả Mai Nhi cũng…"

Trương Mỹ Kỳ muốn nói hai chữ "cưỡng bức", nhưng sắp nói ra lại không biết nên nói thế nào, chuyện đáng xấu hổ này sao mở miệng được chứ?

"Chị Mỹ Kỳ, chị buông em ra trước đã, có gì từ từ nói." Phương Hạo Vân ấm ức lắm, hắn tự thấy mình đâu có lỗi lầm to tát gì với Tạ Mai Nhi đâu.

Tiếng hét hỏi của Trương Mỹ Kỳ nhanh chóng làm Bạch Lăng Kỳ tỉnh giấc, chưa kịp thay áo, cô mặc luôn bộ đồ ngủ chạy ra khỏi phòng, thấy Trương Mỹ Kỳ đang kéo lấy cánh tay Phương Hạo Vân khóc lóc to tiếng, cô cũng hiểu lầm mọi chuyện, tưởng Hạo Vân vừa ức hiếp chị Mỹ Kỳ.

"Hạo Vân, sao mới sáng sớm mà anh đã làm chị Mỹ Kỳ khóc vậy?" Bạch Lăng Kỳ bước tới tức giận chất vấn bạn trai.

Oan uổng quá! Phương Hạo Vân khó biện bạch được cho sự vô tội của chính mình.

Hắn tự hỏi mình đâu có làm gì xấu, nhưng câu hỏi trách cứ liên tiếp ập xuống nhằm vào hắn là sao? Bị hứng chịu chỉ trích, trong lòng Phương Hạo Vân khó tránh khỏi bực bội, hắn điên tiết lên: "Các cô có thôi đi không hả? Mau buông tay ra."

Trương Mỹ Kỳ thấy sắc mặt Phương Hạo Vân không vui, giọng điệu trở nên tức giận, trong lòng sợ sệt liền buông tay khỏi người hắn, đứng nép sát vào Bạch Lăng Kỳ.

"Chị Mỹ Kỳ, Kỳ, rốt cuộc anh đã làm sai chuyện gì rồi? Sao mọi người đều tới chỉ trích anh? Hai người làm ơn làm rõ đầu đuôi câu chuyện rồi mới nổi giận có được không vậy…"

Phương Hạo Vân trừng mắt nhìn hai cô gái, bắt đầu giải thích: "Vừa nãy chị Mai hỏi về chuyện thân phận của anh, anh thừa nhận sự thật xong là chị ấy bỗng khóc lóc chạy đi, anh chỉ đuổi theo giải thích, kết quả là vô ý làm chị ấy rách áo, tất cả chuyện này chỉ đơn giản như thế thôi…"

Trương Mỹ Kỳ nghe xong lập tức hiểu ra mình đã trách lầm Hạo Vân, khi nãy cô nhìn thấy Tạ Mai Nhi áo váy rách bươm, còn tưởng giống như lần trước, Hạo Vân mất đi lí trí muốn làm nhục Tạ Mai Nhi.

"Chỉ đơn giản thế thôi hả?" Bạch Lăng Kỳ đưa ánh mắt nghi ngờ về phía Trương Mỹ Kỳ, cô không hiểu chỉ vì chút chuyện nhỏ này mà chị Mỹ Kỳ vừa níu kéo vừa khóc lóc là sao? Có cần thiết nghiêm trọng đến vậy không?

Trương Mỹ Kỳ tự biết mình có lỗi, bị ánh mắt của Bạch Lăng Kỳ nhìn đến nỗi cúi gầm mặt, vội xin lỗi Phương Hạo Vân: "Hạo Vân, cho chị xin lỗi, do chị đã hiểu lầm em."

"Kỳ, còn em thì sao?" Phương Hạo Vân quay sang bạn gái.

Bạch Lăng Kỳ cười giả lả, lí nhí nói: "Hạo Vân, em xin lỗi. Thôi mà, anh là đàn ông phải có tấm lòng bao dung chứ."

"Đợi đã!" Phương Hạo Vân đột nhiên nhớ ra điều gì, hỏi: "Sao chị Mai lại biết được thân phận thật sự của anh? Có phải là hai người tiết lộ không?"

"Không thể nào!" Bạch Lăng Kỳ khẳng định chắc nịch, nói: "Em chưa từng kể cho chị Mai nghe, em chỉ nhắc tới chuyện này khi nói chuyện với chị Mỹ Kỳ thôi."

Đúng lúc này, Tạ Mai Nhi đẩy cửa phòng ra, thú nhận: "Kỳ, chị vô tình nghe lén cuộc nói chuyện của hai người nên mới biết đó."

"Kỳ, bây giờ em còn gì để nói nữa không?" Phương Hạo Vân hầm hầm mặt gắt lên: "Ai kia còn tự cho là mình giữ bí mật giỏi lắm ấy?"

"Việc này…việc này…Em phải đi thay đồ đây, mọi người nói chuyện đi nhé." Bạch Lăng Kỳ không muốn bị Phương Hạo Vân trách mắng, vội vàng đánh bài chuồn.

"Hạo Vân, em đừng trách chị Mỹ Kỳ và Kỳ nữa, việc này sớm muộn gì chị cũng sẽ biết thôi…"

Nói đến đây, Tạ Mai Nhi đưa ánh mắt oán trách nhìn vào Phương Hạo Vân, buồn bã nói: "Hạo Vân, cuối cùng chị đã nhận ra, trong mắt em chỉ coi chị như người ngoài. Sống trong căn nhà này chị là một người dư thừa, bắt đầu từ hôm nay chị sẽ tìm nhà khác để dọn đi, đợi khi nào tìm được chỗ trọ thích hợp rồi chị sẽ rời khỏi đây."

Nói xong, không đợi mọi người phản ứng, Tạ Mai Nhi đóng sầm cửa phòng lại.

"Mai Nhi…" Trương Mỹ Kỳ và Tạ Mai Nhi tình cảm thân thiết như hai chị em, cô thật không muốn cô bạn thân vì lí do này dọn khỏi nhà, hơn nữa để Mai Nhi dọn ra ngoài một mình, trong lòng cô cũng không yên tâm.

"Chị Mỹ Kỳ, để em nói chuyện thử với chị Mai xem." Phương Hạo Vân đưa ánh mắt tự tin trấn an Trương Mỹ Kỳ, sau đó bước tới đẩy nhẹ cánh cửa, cửa phòng còn chưa khóa nè.

Trương Mỹ Kỳ thấy thế liền thở phào nhẹ nhõm, quay lưng đi về phòng thay quần áo, cô biết rõ Mai Nhi thật ra chỉ muốn có người năn nỉ cho hả giận thôi.

Lúc này Tạ Mai Nhi đã thay một chiếc áo ngủ khác, khi Phương Hạo Vân bước vào phòng, cô đang ngồi ngay đầu giường cúi đầu khóc nức nở ra vẻ tội nghiệp lắm.

"Chị Mai, em xin lỗi, quả thật em không cố ý giấu không cho một mình chị biết đâu, chị Mỹ Kỳ thật ra cũng vừa mới biết không lâu thôi." Phương Hạo Vân bước tới ngồi xuống kế bên Tạ Mai Nhi, mở lời khuyên nhủ.

Tạ Mai Nhi nấc lên từng tiếng, nghiêng đầu sang một bên hỏi: "Thế tại sao em không nói với chị, tại sao em lại phải che giấu thân phận của mình chứ?"

Phương Hạo Vân thật thà kể hết ra: "Thật ra cũng không có lí do gì đặc biệt, em không thích kinh doanh, nhưng người nhà thì cứ bắt em vào công ty làm quen với cách vận hành công việc nên em mới che giấu thân

phận, giả làm một nhân viên kinh doanh làm thêm kiếm tiền đóng học phí. Chị Mai, ngoại trừ che giấu thân phận ra, những việc khác em đều chân thành với chị đó, em thật lòng coi chị như một người bạn."

"Đứng dậy đi!" Nghe Phương Hạo Vân nói thế, trong lòng Tạ Mai Nhi dễ chịu hơn rất nhiều, khi cô quay đầu lại định nói chuyện tiếp với hắn thì chợt đỏ mặt lên.

Phương Hạo Vân ngớ người ra, nhủ thầm, sao chị Mai không biết lí lẽ thế nhỉ? Mình đã giải thích rõ ràng và xin lỗi chị ấy rồi mà, sao còn bảo mình đứng dậy?

"Còn không mau đứng dậy, em ngồi hư đồ của chị rồi…" Tạ Mai Nhi đỏ mặt đẩy Phương Hạo Vân ra.

Phương Hạo Vân bối rối đứng bật dậy, cúi đầu nhìn xuống, úi trời, vừa nãy hắn ngồi lên nội y của chị Mai mà không phát hiện, một chiếc áo nịt, một chiếc quần chip mỏng tang, hèn chi chị Mai đỏ mặt bảo hắn đứng dậy.

"Hí hí!" Phương Hạo Vân cười khả ố, gãi đầu gãi tai: "Em không cố ý đâu nhé."

Tuy nói là vậy nhưng ánh mắt của hắn vẫn dán chặt vào hai món đồ màu đen hấp dẫn kia, chị Mai chọn nội y quyến rũ thật.

"Đồ đáng ghét, phòng con gái ai cho em tùy tiện bước vào hả?" Tạ Mai Nhi đỏ mặt quơ tay với tốc độ sấm sét nhét hai món kia vào dưới tấm chăn, sau đó nguýt dài một tiếng: "Hạo Vân, em ra ngoài đi, chị đã biết lí do em che giấu thân phận rồi, bây giờ chị không giận nữa…"

"Vậy là chị không dọn đi nữa hả?" Phương Hạo Vân vội hỏi. Sống chung trong một mái nhà bao lâu nay, hắn đã quen cảm giác có Tạ Mai Nhi trong nhà, hơn nữa hắn cũng không yên tâm để chị Mai dọn ra ngoài một mình.

"Em ra ngoài trước đi, chị phải thay đồ, chẳng lẽ em muốn ở lại nhìn trộm hả?" Biết mình lỡ lời, Tạ Mai Nhi một lần nữa lại đỏ mặt, chỉ trong một buổi sáng mà số lần đỏ mặt của Tạ Mai Nhi đã phá kỉ lục.

Phương Hạo Vân thấy tâm trạng của chị Mai cởi mở hơn nhiều, trong lòng yên tâm, liền quay lưng đi ra khỏi phòng.

Sau khi đóng cửa phòng lại, Tạ Mai Nhi vội mặc vào bộ đồ tươm tất, ánh mắt buồn bã nhìn ra ngoài cửa sổ suy tư, cô luôn mơ mộng gặp được một bạch mã hoàng tử vừa giàu có vừa tài hoa, bao nhiêu năm qua cô không ngừng cố gắng tìm kiếm, tự mình tìm, nhờ bạn bè giới thiệu, lên mạng hẹn hò, tham gia các câu lạc bộ kết bạn…tìm tới tìm lui vẫn không có kết quả, bây giờ đột nhiên phát hiện người đàn ông phù hợp mọi tiêu chuẩn cô đặt ra đang ở ngay bên cạnh cô bấy lâu nay.

Xét về phẩm chất, tài hoa, Phương Hạo Vân đều khiến cô hài lòng. Lúc trước cô từng tiếc nuối nếu như hắn có tiền thì quá phù hợp với tiêu chuẩn chọn bạn trai của cô rồi.

Ai ngờ giấc mơ thành hiện thực, hắn đúng là có tiền, hơn nữa còn là một đại thiếu gia sẽ thừa kế nguyên một tập đoàn trong tương lai.

Tạ Mai Nhi cảm thấy trái tim cô đang đập nhanh điên cuồng, cô rất may mắn nhưng cũng rất bất hạnh khi gặp được Hạo Vân.

May mắn là cô đã gặp được người đàn ông lí tưởng cô luôn tìm kiếm, bất hạnh chính là người đàn ông lí tưởng này đang đồng thời sở hữu hai người con gái.

Tạ Mai Nhi là cô gái theo đuổi hạnh phúc hoàn hảo, cô muốn giàu có, đồng thời cũng muốn có tình yêu chân chính.

Nếu bảo cô đi làm vợ ba thì cô không làm được.

Nghĩ đến đây, tâm trạng cô bình tĩnh lại nhiều, ước mơ là tốt đẹp nhưng hiện thực luôn tàn khốc. Cô không thể nào chấp nhận làm vợ ba, càng không thể tranh giành đàn ông với chị Mỹ Kỳ và Bạch Lăng Kỳ.

Khi Tạ Mai Nhi biết được thân phận của Phương Hạo Vân, trái tim cô đã rung động thật sự, đồng thời cô nhận ra trước kia mình đã có tình cảm với Hạo Vân, thân phận đại thiếu gia của hắn chỉ là chất xúc tác, một mồi lửa làm bùng cháy tình yêu của cô dành cho hắn ra ngoài mà thôi.

Nhưng theo tình hình hiện tại thì cô không thể đi yêu được rồi, Tạ Mai Nhi đột nhiêm cảm thấy trong lòng rối rắm, thậm chí đau thắt từng cơn.

Cô không biết mình nên làm gì nữa? Sau này cô phải đối mặt với Hạo Vân thế nào đây?

Trong một căn phòng tại khách sạn 5 sao Shangri La, Thiên Đạo Diêm La Roberts gặp được người quen.

Hắn không hề nghĩ tới sẽ gặp mặt người quen ngay tại thành phố Hoa Hải.

Vốn dĩ tình cờ gặp mặt người quen chỉ là chuyện bình thường, nhưng đối với một sát thủ thì chưa chắc là chuyện tốt.

"Roberts thân mến, anh sẽ không phiền lòng khi tôi không mời mà đến chứ?"

Người vừa bước vào phòng là một thanh niên tuấn tú có mái tóc xoăn dài màu vàng, hình như hắn là đứa con lai mang hai dòng máu, vóc dáng hơi gầy gò nhưng cho người ta cảm giác tràn trề sức mạnh, hắn mặc một bộ vest màu đen, tinh thần khí chất đều uy nghi. Khi hắn nói chuyện đôi mắt không ngừng bắn ra tia sáng sắc bén tạo áp lực cho người đối diện.

Tất nhiên, đứng trước mặt hắn không phải người bình thường, mà là sát thủ Thiên Đạo Diêm La Roberts, khí thế của hắn không hề uy hiếp được Roberts.

Khóe môi Roberts mỉm cười lạnh lùng, rít qua khẽ răng: "Anh nên biết rõ tính khí của tôi, đừng tưởng là anh có gia tộc Morgan chống lưng mà tôi không dám làm gì anh nhé?"

"Roberts thân mến, xin đừng nổi giận, dù sao chúng ta cũng là chỗ quen biết, anh đừng giữ thái độ cứng rắn lạnh nhạt với tôi thế chứ. Hôm nay tôi đến đây tìm anh là có chuyện quan trọng." Gã thanh niên tóc vàng kia hình như không thèm để tâm thái độ dửng dưng của Roberts, mỉm cười lên tiếng.

"Tất nhiên là không." Tần Tử Kiếm biết với một cao thủ võ học như Roberts, tuyệt đối sẽ không mang danh dự của mình ra làm trò đùa, đứng từ góc độ tâm lí mà nói, danh dự của người luyện võ thậm chí quan trọng hơn cả tính mạng của anh ta.

"Đối phương là người gì vậy? Hắn có quan hệ gì với Phương Hạo Vân?"

Tâm trạng của Tần Tử Kiếm trở nên căng thẳng, theo tình hình này thì tên Phương Hạo Vân kia quả thật không đơn giản. Vốn dĩ Tần Tử Kiếm nghĩ rằng xét về võ nghệ, Roberts đã là thiên hạ vô địch rồi, thật không ngờ sau lưng Phương Hạo Vân còn có một cao thủ mà ngay cả Roberts cũng không thể đối chọi, rốt cuộc việc này là sao? Tần Tử Kiếm quyết định tìm cơ hội gặp mặt đứa anh trai cùng cha khác mẹ, xem thử anh mình có nắm thông tin chi tiết gì về Phương Hạo Vân không? Tên Phương Hạo Vân này quả nhiên là một khúc xương gai góc, khi Tần Như Phong bảo hắn về nước liên thủ với anh trai đối phó Phương Hạo Vân, lúc đó hắn còn khinh thường, bây giờ mới biết gừng càng già càng cay, ông già hắn lo xa là có lí do chính đáng.

"Đối phương là bạn hay thù tôi còn chưa rõ…" Roberts trả lời thật thà.

Tần Tử Kiếm trố mắt ngạc nhiên, hỏi ngay: "Câu này có ý gì?"

"Tuy cao thủ này ngăn cản tôi giết Phương Hạo Vân, nhưng lại cố tình chỉ bảo tôi, để cảnh giới võ học của tôi đạt đến trình độ cao hơn." Roberts kể ra sự thật.

"Có chuyện này thật à…" Tần Tử Kiếm nhíu mày suy nghĩ một hồi, nói: "Roberts thân mến, bắt đầu từ hôm nay chúng ta xem như đã chính thức hợp tác, sau này có tin tức gì quan trọng nhất định phải thông báo với nhau, còn về điều kiện thứ hai của tôi, anh đừng nên nghĩ quá nhiều, đợi khi nào tôi khám phá ra bí mật cái chết của Hạo Thiên sẽ nói với anh. Hôm nay cuộc gặp mặt của chúng ta chấm dứt tại đây…"

Đợi sau khi Tần Tử Kiếm rời khỏi, Roberts quét mắt lạnh lùng về phía cửa gào lên: "Hai ngươi cút vào đây cho ta."

Hắc Bạch Vô Thường nghe lệnh chủ nhân vội khúm núm vào phòng, vừa bước vào đã quỳ mọp xuống đất dập đầu lia lịa: "Xin chủ nhân tha tội, thuộc hạ vô dụng, không phát hiện ra có người lạ lẻn vào phòng chủ nhân."

"Thôi được rồi, đứng dậy đi…" Roberts dửng dưng nói: "Võ nghệ của Tần Tử Kiếm lại tiến bộ vượt bậc rồi, hai ngươi đã không còn là đối thủ của hắn nữa. Nhớ lấy, sau này ngoài làm việc cho ta ra còn phải bỏ thời gian luyện công nghe chưa."

Thời gian 3 ngày chớp mắt trôi qua nhanh chóng, vừa sáng sớm tinh mơ Phương Hạo Vân đã nhận được cuộc gọi của Trương Bưu, hỏi hắn hiện đang ở đâu? Trương Bưu sẽ đích thân lái xe đến đón hắn tới phòng vip của khách sạn 5 sao Shangri La.

Phương Hạo Vân vừa mới tỉnh giấc, hai tay đang ôm lấy cô bạn gái xinh đẹp Bạch Lăng Kỳ, bị cuộc gọi quấy rầy nên trách móc: "Trương đội trưởng của tôi ơi, anh có thể gọi đến trễ một chút được không vậy? Anh có biết là vừa mới phá hỏng không khí mặn nồng của tôi không?"

Trương Bưu nghe xong ngớ người ngạc nhiên, sau đó nói đùa hỏi ngay: "Cái gì? Có cô bé nào ngay kế bên à? Hạo Vân, cậu mới tí tuổi đầu mà hư hỏng quá, tại sao…"

"Thôi không nói nữa, nửa tiếng sau anh đến khu nhà Lam Tâm đón tôi đi." Phương Hạo Vân nói xong vội ngắt cuộc gọi.

Bạch Lăng Kỳ mang vẻ mặt phấn khởi hỏi: "Hạo Vân, có phải là anh đi bảo vệ cho đại minh tinh Đinh Tuyết Nhu? Nhớ lấy chữ kí vào hình của cô ấy cho em nhé, lần này mà anh quên là em đuổi anh ra ngoài nằm ghế sofa mà ngủ."

"Ờ, anh nhớ rồi."

Phương Hạo Vân tuy ngoài miệng nhận lời nhưng trong lòng thấy tức tối lắm. Hắn thật tình không hiểu rốt cuộc đám fan ngu ngốc kia thích Đinh Tuyết Nhu cái gì? Hắn cảm thấy Đinh Tuyết Nhu đâu có gì nổi bật, ngoại trừ khuôn mặt xinh hơn người thường, giọng ca ngọt ngào hơn người thường, ngoài ra không còn

gì cả…Hơn nữa hắn cho rằng nhân cách của cô Đinh Tuyết Nhu này có vấn đề, cô ta không xứng đáng trở thành thần tượng của mọi người.

Thế giới này đúng là điên loạn hết rồi.

Hai mươi mấy phút sau, Phương Hạo Vân và Bạch Lăng Kỳ thay đồ xong đi ra khỏi phòng, vừa gặp lúc chuông cửa réo vang. Bạch Lăng Kỳ chạy đi mở cửa, ngoài kia quả nhiên là Trương Bưu.

Phương Hạo Vân đón Trương Bưu vào nhà, hỏi: "Tôi đâu có nói cho anh biết số nhà, sao anh tìm đến đây được vậy?"

"Ha ha!" Trương Bưu cười to đắc ý: "Cậu quên mất tôi là cảnh sát à? Muốn tìm ra địa chỉ cụ thể của cậu đâu có khó. À, giới thiệu với tôi đi, cô bé xinh đẹp này là ai vậy? Là bạn gái của cậu hả?"

"Chào Trương đội trưởng, tôi là bạn gái của Hạo Vân, tên Bạch Lăng Kỳ."

Bạch Lăng Kỳ chủ động tự giới thiệu, sau đó biết điều tự rút lui: "Hai anh nói chuyện đi, tôi đi sửa soạn một chút, lát nữa còn phải vào công ty làm việc."

"Hạo Vân, thằng tiểu tử nhà ngươi diễm phúc không nhỏ nhé, cô gái tốt thế này…Cậu không được lăng nhăng đâu đấy, phải đối xử tốt với người ta." Trương Bưu mỉm cười dặn dò như bề trên.

Chính vào lúc này, Trương Mỹ Kỳ cũng đã thức dậy, cô thấy ngoài kia có khách, bèn bước ra chào hỏi một tiếng: "Chào buổi sáng!"

"Chào cô!" Trương Bưu trố mắt ngạc nhiên, sao cô bé xinh xắn vừa đi khỏi lại xuất hiện một người đẹp khác nữa? Thằng tiểu tử Hạo Vân này có bản lĩnh đến thế ư?

Trương Mỹ Kỳ nhìn vẻ mặt bối rối của Trương Bưu, trong lòng hình như đã đoán ra điều gì, liền mỉm cười tự giới thiệu: "Tôi là đồng nghiệp của Hạo Vân, chúng tôi thuê chung căn hộ này…"

316. Chương 28: Gặp Mặt Nơi Khách Sạn

Đều là đàn ông cả, Phương Hạo Vân gật đầu thừa nhận, thậm chí còn tỏ ra đắc ý: "Tôi tài giỏi mà Trương đội trưởng, nhưng đây là việc riêng của tôi, anh không can thiệp được đâu."

"Tôi mặc kệ cậu chứ hơi đâu mà can thiệp, thời gian không còn sớm nữa, chúng ta đi thôi." Trương Bưu liếc nhìn đồng hồ, vội vàng hối thúc.

"Hạo Vân, nhớ là em đã hứa sẽ lấy hình có chữ kí cho chị đó nha, tốt nhất là lấy hai phần…"

Khi hai người sắp bước ra khỏi cửa, Tạ Mai Nhi cũng thức giấc, chưa kịp thay áo đã ló đầu ra khỏi cửa hét gọi theo Phương Hạo Vân: "Hạo Vân, đừng quên xin hình có chữ kí của Đinh Tuyết Nhu nha…"

"Hạo Vân, tôi khâm phục cậu sát đất luôn, đồng thời ở chung với 3 cô gái xinh đẹp, thật không dám tưởng tượng." Trương Bưu một lần nữa trêu chọc: "Công tử nhà giàu có khác, hôm nay xem như tôi được mở rộng tầm mắt rồi."

Trương Bưu khẽ gật đầu, sau đó nói nhỏ: "Tuyết Nhu, vừa nãy em nói với Hạo Vân hai người từng quen biết là em đang nói đùa đúng không? Hay là em quả thật có cảm giác đó?"

"Ha ha!"

Đinh Tuyết Nhu cười phá lên một tiếng, nói: "Đâu có, chỉ là giống như cảnh trong Hồng Lâu Mộng thôi, chẳng qua em nói đùa cho vui ấy mà…Thôi, chào anh Bưu, em vào nói vài câu với Hạo Vân trước đây, sau này có thời gian rảnh chúng ta mới nói rõ hơn."

"Vương Hà đi khỏi rồi hả?" Trương Bưu hỏi.

Đinh Tuyết Nhu lè lưỡi tinh nghịch, nói nhỏ: "Đúng rồi, chị ấy vừa đi gặp phóng viên để thu xếp buổi họp báo, chắc phải mất một lúc mới quay lại, em muốn nhân cơ hội này nói chuyện một chút với Hạo Vân."

Phương Hạo Vân đang ngồi trầm ngâm trong phòng, hắn đang nghĩ cách xua tan mối nghi ngờ của Trương Bưu, Đại Phi, Đinh Tuyết Nhu. Theo như tình hình hiện tại cho thấy, họ đã càng lúc càng nghi ngờ hơn thân phận của hắn rồi.

Tuy khuôn mặt đã thay đổi, tính cách cũng khác biệt so với trước đây, nhưng có những thứ suốt đời vẫn giữ nguyên, như cái bắt tay của Đinh Tuyết Nhu vào hắn hôm nay vậy, hắn rõ ràng cảm nhận được một hơi thở thân quen, Phương Hạo Vân tin chắc Đinh Tuyết Nhu cũng có cảm giác tương tự.

Đột nhiên, Phương Hạo Vân cảm nhận được có người lạ tiếp cận sau lưng.

Trong tích tắc hắn thoát khỏi luồng suy nghĩ, không cần ngẩng đầu lên, toàn thân bật nhanh đứng dậy như con mèo, bàn tay phải chém thẳng vào người lạ.

Chính vào lúc này, một giọng nói trong trẻo hốt hoảng cất lên: "Hạo Vân, là tôi nè…"

Phương Hạo Vân vội thu chiêu thức lại, ngước mắt nhìn lên, thấy Đinh Tuyết Nhu đang đứng ngay trước mặt, đôi mắt xinh đẹp mở to dán chặt vào người hắn.

"Đinh tiểu thư, sao cô lại qua đây?"

Ánh mắt chạm nhau, từ sâu thẳm đôi mắt của hai người hình như bắn ra tia sáng thân quen, thoáng lộ vẻ bối rối, Phương Hạo Vân lên tiếng trước để xua tan bầu không khí căng thẳng.

318. Chương 30: Sói Đội Lốt Người

Đinh Tuyết Nhu ngớ người ngạc nhiên, lên tiếng: "Hạo Vân, hình như anh rất sợ tôi thì phải? Tôi đâu phải là yêu tinh ăn thịt người đâu…"

Nói xong, Đinh Tuyết Nhu đột nhiên nheo mắt tình tứ với Phương Hạo Vân.

Sau đó cô uốn éo thân hình tuyệt mỹ ngồi lên ghế sofa, vẫy tay nói: "Hạo Vân, qua đây ngồi kế tôi nè, chúng ta nói chuyện với nhau một chút."

Phương Hạo Vân ngấm ngầm cảnh giác, không còn nghi ngờ gì nữa, lần này Đinh Tuyết Nhu qua phòng mình là có ý thăm dò đây mà. Hắn tự nhủ nhất định phải cẩn thận hơn mới được, bằng không rất có thể sẽ gia tăng thêm mối nghi ngờ trong lòng cô gái.

"Đinh tiểu thư, tốt nhất là cô nên về phòng đi, nếu không lát nữa người quản lí của cô về đến thì lại lôi thôi với tôi." Phương Hạo Vân không hề bước tới ngồi xuống, khuôn mặt trở nên lạnh lùng.

Đinh Tuyết Nhu mỉm cười xảo quyệt, vẫy tay lần nữa: "Yên tâm đi, chị Hà đang bận tiếp phóng viên, trong một lúc chị ấy sẽ không quay lại đâu. Hơn nữa tôi lớn thế này rồi, tôi có thể tự làm chủ việc của mình chứ, chị ấy muốn quản cũng không được. Hạo Vân, mau qua đây đi, tôi là con gái còn không sợ, anh là người đàn ông võ nghệ cao cường mà sợ gì chứ? Chẳng lẽ anh đang có bí mật gì đó sợ bị tôi phát hiện?"

Nói đến đây, Đinh Tuyết Nhu nhắc lại chuyện cũ, cố tình nói: "Hạo Vân, không biết tại sao tôi cảm thấy rất thân quen với anh, anh nghĩ kĩ lại coi, lúc trước chúng ta có từng gặp nhau ở đâu không nhỉ?"

Phương Hạo Vân bật cười to tiếng: "Ha ha…Đinh tiểu thư thật biết nói đùa, cô sống ở nước ngoài, hơn nữa còn là đại minh tinh nổi tiếng, còn tôi không thích ca nhạc nên chúng ta tuyệt đối không thể nào quen biết được."

"Vậy thì chưa chắc…"

Phương Hạo Vân không chịu qua đó, Đinh Tuyết Nhu chỉ còn cách bước tới gần, đôi mắt dán chặt vào hắn dò xét, nói một câu đầy ẩn ý: "Tôi mới rời khỏi Trung Quốc vào 6 năm trước thôi, anh có biết không?"

"Đinh tiểu thư chê cười rồi, chuyện này làm sao mà tôi biết được?" Phương Hạo Vân khẽ nhíu mày khó chịu.

"Nói cũng phải, đây là chuyện của tôi sao anh có thể biết được…Nhưng tôi vẫn cảm thấy chúng ta rất có duyên, anh lại là ân nhân cứu mạng của tôi, nếu như anh không phản đối, tôi muốn kể cho anh nghe một số chuyện quá khứ của tôi…" Đinh Tuyết Nhu nghiêm túc đề nghị, trên khuôn mặt thanh tú của cô tràn đầy vẻ hoài mong.

Nhưng câu trả lời dành cho cô lại là lời từ chối lạnh lùng của Phương Hạo Vân: "Xin lỗi nha Đinh tiểu thư, tôi không có hứng thú nghe cô kể chuyện quá khứ, tôi là nhân viên bảo an phụ trách bảo vệ an toàn cho cô chứ không có trách nhiệm hầu cô nói chuyện phiếm, tất cả những việc không liên quan tới công tác bảo vệ tôi đều không quan tâm."

Đinh Tuyết Nhu nghe xong, sắc mặt trở nên u ám, cô mấp máy môi muốn nói tiếp câu gì nhưng cuối cùng không thể thốt nên lời. Không biết tại sao, thái độ lạnh nhạt của Phương Hạo Vân khiến trái tim cô đau thắt, nhưng cô lại có cảm giác người ta lạnh nhạt với cô như thế cũng là điều bình thường.

Một cảm xúc phức tạp đang giằng xé nội tâm Đinh Tuyết Nhu.

Một lát sau, Đinh Tuyết Nhu quay lại ngồi trên ghế sofa, cô né tránh ánh mắt của Phương Hạo Vân, ánh mắt ấy làm cô áy náy không yên.

"Hạo Vân, chúng ta cùng nhau trải qua sống chết, cũng coi như là bạn của nhau rồi. Anh đừng lạnh nhạt với tôi như thế có được không? Nếu anh không có hứng thú nghe tôi kể chuyện thì anh kể chuyện quá khứ của anh cho tôi nghe đi. Người đàn ông mạnh mẽ như anh tôi tin chắc sẽ có rất nhiều trải nghiệm thú vị trong quá khứ, có đúng vậy không?"

Trên khuôn mặt thanh tú của Đinh Tuyết Nhu một lần nữa tràn đầy vẻ hoài mong, đôi mắt thậm chí ngấn lệ, tỏ ra rất đáng thương.

"Hạo Vân, anh đừng lạnh nhạt với tôi như thế có được không? Anh nói chuyện với tôi đi. Anh lợi hại như vậy, ngay cả cái chết cũng vượt qua, chẳng lẽ anh lại sợ một cô gái yếu đuối như tôi sao?"

Đinh Tuyết Nhu sốt ruột muốn biết quá khứ của Phương Hạo Vân, cô đứng dậy kéo tay hắn, nũng nịu đưa ra yêu cầu.

Phương Hạo Vân ngẩng đầu lên nhìn chăm chú vào cô gái xinh đẹp tuy lạ mà quen này, hắn chỉ có hai sự lựa chọn, một là lập tức từ bỏ nhiệm vụ bảo an, hai là tiếp tục đối mặt với sự nghi ngờ và những câu hỏi dò xét của Đinh Tuyết Nhu.

Từ bỏ nhiệm vụ là không thể nào, trước hết khó ăn nói với hai người anh em Trương Bưu, Đại Phi, hơn nữa xưa nay hắn làm việc không thích bỏ dỡ giữa chừng.

Nếu đã vậy thì hắn chỉ còn cách cẩn thận đối phó với Đinh Tuyết Nhu thôi.

Phương Hạo Vân thử từ từ thả lỏng toàn thân, dùng tâm trạng của một người bình thường đối xử với Đinh Tuyết Nhu.

"Hạo Vân, anh đang có tâm sự gì à?" Đinh Tuyết Nhu vẫn kéo lấy tay Phương Hạo Vân, cô tỏ ra ân cần hỏi một câu.

Hít một hơi sâu, khóe miệng Phương Hạo Vân nở một nụ cười ôn hòa tự nhiên, hắn khẽ gật đầu, nói: "Thôi được, tôi có thể nói chuyện với cô, nhưng tất cả những câu hỏi của cô tôi sẽ không trả lời…"

"Vâng!"

Đinh Tuyết Nhu thấy Phương Hạo Vân cuối cùng cũng chịu cười với mình, trong lòng khấp khởi vui mừng, cô kéo lấy tay hắn cùng ngồi xuống ghế sofa, hai người ngồi rất sát vào nhau, nếu bị Vương Hà nhìn thấy e rằng cô ả chắc tức đến nỗi phun máu. Nên nhớ Đinh Tuyết Nhu nổi danh nhờ giữ hình ảnh ngọc nữ trong trắng, ngày thường cô luôn giữ ý tứ, gần như từ chối mọi cuộc tiếp xúc trực tiếp với đàn ông, hành động vừa kéo tay vừa ngồi sát vào nhau người đàn ông lạ mặt như hôm nay tuyệt đối chưa từng xảy ra trong quá khứ.

Đinh Tuyết Nhu hình như rất thích cảm giác dựa sát vào Phương Hạo Vân, cô nhích vào trong một chút, cố gắng ngồi sát vào người Phương Hạo Vân hơn.

Một tia sáng lóe lên trong đầu Phương Hạo Vân, hắn đột nhiên nảy ra một ý hay.

Trước hết, hắn giả đò không tỏ vẻ khó chịu trước hành động tiếp xúc thân mật của Đinh Tuyết Nhu, ngược lại còn nở một nụ cười đê mê say đắm trên khuôn mặt.

Sau đó, hắn cố ý vòng tay ôm lấy eo Đinh Tuyết Nhu, nghiêng đầu nhìn thẳng vào ngực cô gái, cười hi hí làm ra bộ dạng háo sắc.

Đinh Tuyết Nhu lập tức hoảng lên, cô không ngờ Phương Hạo Vân lại có những hành động quá đáng này. Cô cố ý dựa sát vào Phương Hạo Vân không đồng nghĩa việc cô là một cô gái lẳng lơ, chẳng qua cô chỉ muốn rút ngắn khoảng cách để kiểm chứng suy đoán và mối nghi ngờ của mình.

Trong thâm tâm cô không hề nghĩ tới sẽ mặn nồng với Phương Hạo Vân. Phương Hạo Vân cảm nhận rõ thái độ không vui của Đinh Tuyết Nhu, hắn quyết định làm tới cùng, bàn tay to bè lướt từ từ ở vùng eo xuống phía dưới mông, thậm chí hắn còn véo một cái.

"Anh làm gì đó…" Đinh Tuyết Nhu bị xâm phạm, sắc mặt lập tức trở nên giận dữ, cô đứng bật dậy khỏi ghế sofa, tức tối gào lên: "Hạo Vân…Tôi coi anh như bạn bè, thế mà anh…anh ra ngoài đi…"

Đinh Tuyết Nhu cảm thấy thất vọng, cô thật không ngờ Phương Hạo Vân lại là một con sói đói khoác lên người tấm da dê lương thiện, nếu không nể tình hắn là ân nhân cứu mạng của mình, lúc này cô đã hét lên gọi người vào cứu rồi.

Phương Hạo Vân thấy mưu kế của mình phát huy tác dụng, trong lòng mừng thầm, quyết định tiếp tục làm tới. Hắn cười hi hí khả ố, ánh mắt cố tình nhìn thẳng vào những chỗ nhạy cảm trên cơ thể Đinh Tuyết Nhu, nói: "Đinh tiểu thư, chính cô đã chủ động thân mật với tôi cơ mà, tôi còn tưởng cô muốn thử trải nghiệm mối tình một đêm với tôi chứ? Ai ngờ…cô cũng là một cô gái giả đò ngây thơ nhỉ."

"Anh…vô liêm sỉ!" Đinh Tuyết Nhu là nữ hoàng ca nhạc, cô là ngọc nữ chưa bao giờ nghe qua ngôn từ nhơ nhuốc ấy, khuôn mặt thanh tú đã bắt đầu nóng rang, từ trong đôi mắt cô lộ rõ vẻ thất vọng và chán ghét.

"Thôi được rồi, đừng làm bộ thanh cao trước mặt tôi nữa…Cô tưởng cô là ai chứ? Đại minh tinh ấy hả? Chẳng qua chỉ là gái gọi cao cấp thôi, trong xã hội ai mà không biết quy luật ngầm của ngành giải trí chứ? Đinh tiểu thư, cô nghe tôi hỏi nhé, cô leo đến ngôi vị cao như hôm nay đã ngủ với các đại gia giàu có bao nhiêu lần rồi? Nói thật cho cô biết, cho dù cô bằng lòng phục vụ tôi đêm nay, tôi còn phải suy nghĩ kĩ ấy chứ, tôi sợ bẩn lắm…" Để đạt được hiệu quả cao nhất, Phương Hạo Vân không ngần ngại nói ra những từ ngữ khó nghe nhất.

Đinh Tuyết Nhu nghe xong vừa ấm ức vừa xấu hổ vừa tức giận sôi gan.

Trong ngành giải trí đúng là tồn tại rất nhiều chuyện dơ bẩn, quy luật ngầm cũng có, nhưng điều đó không xảy ra trên người cô, cô có thể có thành tựu như ngày hôm nay hoàn toàn là nhờ vào tài năng của mình, nhờ vào lòng quyết tâm theo đuổi nghề ca hát, nhờ vào niềm tin mãnh liệt chắc chắn sẽ thành công, từng bước từng bước in dấu chân lên bục vinh quang.

Đinh Tuyết Nhu vào nghề 3 năm, đĩa hát của cô bán chạy liên tục trong 3 năm, mỗi một lần có show diễn của cô đều cháy vé, như thế chẳng nói rõ cô có thực lực hay sao chứ?

Nhưng bây giờ người đàn ông cô từng cảm kích, thậm chí tôn kính lại sỉ nhục lăng mạ cô như thế. Cô thật không thể tưởng tượng Phương Hạo Vân đang đứng trước mặt cô có còn là Phương Hạo Vân xả thân cứu sinh mạng mình lúc ở sân bay không? Tại sao hắn thay đổi nhanh chóng như vậy?

"Đợi đã…"

Đinh Tuyết Nhu hình như nghĩ ra điều gì, cô đưa tay lên lau sạch nước mắt, chất vấn: "Không đúng…Hạo Vân, anh không phải là người như thế…anh cố tình làm vậy, anh muốn qua hành động này để tôi căm ghét anh…Đúng rồi, nhất định là như thế. Hạo Vân, tại sao anh phải làm vậy chứ?"

Phương Hạo Vân vẫn giữ nụ cười khả ố: "Thôi đi đại minh tinh của tôi ơi, đừng suy đoán lung tung nữa, nói thật cho cô biết luôn, tôi tham gia vào công tác bảo vệ lần này chẳng qua muốn tìm cơ hội tiếp cận cô…Cho dù cô đã ngủ với các đại gia khác rồi thì cũng không sao, xã hội hiện đại còn ai quan tâm chuyện trinh tiết nữa…Tôi cứu cô thật ra có mục đích rõ ràng, định nhân cơ hội anh hùng cứu mỹ nhân để lấy lòng cô trước, sau đó sẽ từ từ thưởng thức cô sau…Mấy ngày nay tôi thấy cô háo hức muốn gặp tôi nên tôi cứ tưởng đại công cáo thành, hôm nay sẽ được tận hưởng người đẹp…Ai ngờ cô lại lúc này lúc khác, bày đặt làm ra vẻ thanh cao với tôi, làm tôi mất cả hứng…Giờ tôi hỏi cô một câu, rốt cuộc cô có đồng ý lên giường với tôi không?"

"Đồ vô liêm sỉ, hạ lưu…" Đinh Tuyết Nhu ấm ức trong lòng, nước mắt giàn giụa tuôn rơi.

"Quả xứng danh là đại minh tinh, tài nghệ diễn xuất khá thật ấy nhỉ? Nước mắt cứ rơi xuống cứ như thật vậy, bái phục, bái phục…"

Phương Hạo Vân thật ra cũng biết Đinh Tuyết Nhu không phải là loại gái hạ tiện đó, nhưng để làm cho cô thật sự phản cảm, hắn buộc phải nói ra những câu đê tiện nhất, có như thế cô ta mới từ bỏ hy vọng vào hắn.

Dừng lại một lát, Phương Hạo Vân tiếp tục không buông tha cô gái: "Ai ai cũng nói cô là nữ hoàng ca nhạc, vì cô luôn tỏ ra ngây thơ trong trắng trong ngành giải trí, nhưng có ai biết sau lưng cô đã làm gì? Nói không chừng cô còn nuôi vài tên mặt trắng để khuây khỏa mỗi khi cô đơn ấy chứ…"

"Phương Hạo Vân, anh là đồ vô liêm sỉ, tôi liều mạng với anh…" Đinh Tuyết Nhu không chịu nổi những lời phỉ báng của Phương Hạo Vân nữa, hai mắt cô đỏ ngầu, vừa hét lớn vừa lao vào phía Phương Hạo Vân.

"Rầm!"

Chính vào lúc này, cửa phòng bị đá tung, Vương Hà như một con cọp cái hùng hổ xông từ cửa vào phòng: "Cái thằng đê tiện háo sắc kia, chịu chết đi, tao phải giết chết mày…"

Trong tích tắc, Phương Hạo Vân bị hai cô gái điên cuồng lao vào tấn công.

Phương Hạo Vân thoáng chút do dự, hắn quyết định đã làm thì làm tới cùng luôn. Trước tiên hắn nhẹ nhàng tránh khỏi Đinh Tuyết Nhu, sau đó khẽ nghiêng người lướt tới trước mặt Vương Hà, đưa tay đẩy nhẹ vào vùng bụng cô ả, Vương Hà lập tức ngã chổng vó lên ghế sofa, khung cảnh dưới váy Vương Hà đập ngay vào mắt hắn, chiếc quần chip mỏng tang màu tím, xung quanh còn tua tủa vài cọng cỏ đen mượt…Không còn nghi ngờ gì nữa, đây là một cô gái có dục vọng mãnh liệt.

Đinh Tuyết Nhu thấy Phương Hạo Vân đánh ngã chị Hà, hét to lên kinh hãi, vung nắm đấm đánh thẳng vào Phương Hạo Vân.

Phương Hạo Vân không có thói quen bị người khác đánh mà không trả đũa, hơn nữa Đinh Tuyết Nhu còn là người không có tư cách đánh hắn nên lần này hắn không thương hoa tiếc ngọc nữa, hắn dùng chiêu thức tương tự đẩy ngã cô gái lên ghế sofa.

Đinh Tuyết Nhu mặc một chiếc váy màu trắng, lúc này toàn thân ngã ngược ra sau, khung cảnh dưới váy đương nhiên lộ rõ vào mắt Phương Hạo Vân, chiếc quần chip màu trắng, đám cỏ xung quanh cũng sum suê rậm rạp, lại là một cô gái có dục vọng mãnh liệt…

Vương Hà vội bật dậy như lò xo, cô mặc kệ bản thân mình lao tới che chắn cho Đinh Tuyết Nhu, tránh Phương Hạo Vân tiếp tục nhìn thấy cảnh hớ hênh của Nhu Nhu.

Sau đó, cô đứng thẳng người lên, tức tối chỉ thẳng vào mặt Phương Hạo Vân mắng chửi: "Đồ khốn kiếp, tên háo sắc, tôi đã sớm biết cậu không phải thứ tốt đẹp gì mà. Bây giờ quả nhiên lòi mặt chuột ra nhé, cậu muốn làm nhục Nhu Nhu, tôi nhất định không buông tha cho cậu đâu, tôi phải giết chết cậu…"

Nói xong, Vương Hà xắn tay áo lên định lao tới liều mạng với Phương Hạo Vân.

Đinh Tuyết Nhu lo sợ chị Hà bị thiệt, vội đưa tay ngăn Vương Hà lại, nói nhỏ: "Chị Hà, thôi bỏ đi, chúng ta không phải là đối thủ của hắn, hay là mình báo với Trương đội trưởng bảo đuổi hắn rời khỏi đây, chúng ta không hoan nghênh hắn nữa."

319. Chương 31: Sức Mạnh Thần Kì

Sau đó, cô đứng thẳng người lên, tức tối chỉ thẳng vào mặt Phương Hạo Vân mắng chửi: "Đồ khốn kiếp, tên háo sắc, tôi đã sớm biết cậu không phải thứ tốt đẹp gì mà. Bây giờ quả nhiên lòi mặt chuột ra nhé, cậu muốn làm nhục Nhu Nhu, tôi nhất định không buông tha cho cậu đâu, tôi phải giết chết cậu…"

Nói xong, Vương Hà xắn tay áo lên định lao tới liều mạng với Phương Hạo Vân.

Đinh Tuyết Nhu lo sợ chị Hà bị thiệt, vội đưa tay ngăn Vương Hà lại, nói nhỏ: "Chị Hà, thôi bỏ đi, chúng ta không phải là đối thủ của hắn, hay là mình báo với Trương đội trưởng bảo đuổi hắn rời khỏi đây, chúng ta không hoan nghênh hắn nữa."

Vương Hà nghe vậy, nghĩ cũng thấy đúng, liền hai tay chống hông quát nạt: "Tên tiểu tử họ Phương kia, bắt đầu từ bây giờ cậu đã bị đuổi việc, cậu có thể cút khỏi đây rồi đấy…Người đâu mau vào đây…"

Tiếng hét của Vương Hà đã kinh động đến các nhân viên bảo an khác đang trực bên ngoài, họ tưởng đã xảy ra chuyện gì nên kéo hết vào phòng.

"Tôi lệnh cho mấy anh bắt cái tên háo sắc này áp giải ra ngoài, kể từ giây phút này hắn đã bị đuổi, hắn không được phép vào khách sạn nữa." Vương Hà hậm hực hạ mệnh lệnh với các nhân viên bảo an vừa vào phòng.

"Xin lỗi Vương tiểu thư, Phương Hạo Vân là người phụ trách cao nhất ở đây, cô không có quyền đuổi anh ta." Anh đội trưởng bảo an lễ phép cúi người chào Vương Hà một cái, sau đó thẳng thừng từ chối yêu cầu của cô.

Tiếp đến, hắn quay sang Phương Hạo Vân cung kính hỏi: "Thưa chỉ huy, xin cho chỉ thị…"

"Ở đây không còn việc gì rồi, mấy anh ra ngoài trước đi!" Phương Hạo Vân uy nghiêm ban lệnh xuống.

Vương Hà tức muốn hộc máu, cô tru tréo lên: "Cậu…cậu còn muốn làm gì nữa…Cậu mà dám đụng vào một cọng tóc của tôi và Nhu Nhu thì sẽ không xong đâu nhé…Bây giờ tôi sẽ gọi điện cho Trương đội trưởng để vạch rõ bộ mặt thật của cậu." Sau khi các nhân viên bảo an rời khỏi phòng, trong lòng Vương Hà quả thật lo lắng Phương Hạo Vân sẽ làm bậy.

"Tùy cô thôi…dù sao thì tôi cũng chả hứng thú với công việc này…" Phương Hạo Vân cười gằn một tiếng, ngồi bắt chéo chân lên ghế sofa, tỏ thái độ bất cần.

Vương Hà vội lấy máy ra bấm số gọi cho Trương Bưu, đem kể hết tội trạng của Phương Hạo Vân cho Trương Bưu nghe, hy vọng hắn có thể nhanh chóng đến đây đuổi Phương Hạo Vân đi, bằng không sự an toàn của cô và Đinh Tuyết Nhu sẽ bị đe dọa.

Đầu dây bên kia Trương Bưu nghe xong cảm thấy bực bội, hắn nghĩ chắc là Vương Hà cố tình bịa đặt vì cô không muốn Đinh Tuyết Nhu và Phương Hạo Vân tiếp xúc quá gần với nhau.

Vì suy nghĩ như thế nên Trương Bưu bỏ ngoài tai hết thảy những lời tố cáo của Vương Hà, hắn chán ngán nói: "Vương tiểu thư, xin lỗi cô, hiện giờ tôi đang bận đến nỗi đầu tắt mặt tối, không rảnh để đi xử lí vụ cố tình gây hấn của cô đâu nhé. Chỉ cần có Hạo Vân bên cạnh, sự an toàn của các cô mới được bảo đảm tuyệt đối…"

Nói xong, còn không đợi Vương Hà lên tiếng nói thêm, phía bên kia Trương Bưu đã gác máy.

Mấy ngày nay đúng là Trương Bưu bận ngập đầu, sau vụ huyết án nghiêm trọng tại quán bar Hỏa Long, dư luận xã hội đều tập trung cả vào vụ án này, mấy ngày tới tổ chuyên án điều tra độc lập trực thuộc bộ công

an sẽ đến Hoa Hải bắt tay điều tra, Trương Bưu là đội trưởng cảnh sát hình sự nên hắn phải chuẩn bị hồ sơ vụ án để bàn giao cho các đồng nghiệp trên bộ.

Vì không thể phân thân cùng lúc lo hai nơi nên công việc bảo vệ an toàn cho Đinh Tuyết Nhu ở khách sạn Shangri La, Trương Bưu chỉ còn cách giao cho Phương Hạo Vân chỉ huy.

Sau vụ việc ở sân bay, Trương Bưu phát hiện năng lực của Phương Hạo Vân vượt xa cả hắn và Đại Phi nên hắn rất yên tâm khi giao phó trọng trách cho người anh em mới này.

"Vương tiểu thư, bây giờ cô còn muốn đuổi tôi đi nữa không?"

Phương Hạo Vân cười to đắc ý, khinh khỉnh nói: "Bây giờ hai cô ra ngoài được rồi đó, nhớ đóng cửa lại giúp tôi. Ngoài ra tôi xin nói cho hai cô biết, tôi làm việc xưa nay luôn có đầu có đuôi, công tác bảo an tôi sẽ làm nghiêm túc, sự an toàn của hai cô sẽ không xảy ra vấn đề gì đâu, chỉ là sau này ngoài công việc ra, hai cô không được phép tùy tiện vào phòng của tôi…Mời!"

"Nhu Nhu, chúng ta đi!"

Vương Hà tức giận sôi gan nhưng lại không có cách gì trừng trị tên háo sắc đê tiện kia nên chỉ biết câm nín nén cơn giận xuống, cô chỉ mong buổi biểu diễn mau mau kết thúc, đến lúc đó sẽ thoát khỏi tên khốn này.

"Đợi đã!" Khi hai cô gái sắp bước ra khỏi cửa, Phương Hạo Vân đột nhiên bật dậy khỏi ghế sofa đuổi theo: "Vương tiểu thư, cô ra ngoài trước, tôi có một câu nói muốn nói riêng với Đinh tiểu thư…"

"Cậu muốn làm gì?" Vương Hà cảnh giác trừng mắt nhìn Phương Hạo Vân, vội ôm lấy tay Đinh Tuyết Nhu.

Đinh Tuyết Nhu luôn ngậm miệng không nói tiếng nào, lúc này cô mới mở miệng nói: "Chị Hà, buông em ra, chị ra ngoài cửa đợi em, em sẽ không xảy ra chuyện gì đâu…"

Đợi sau khi Vương Hà rời khỏi, khóe miệng Phương Hạo Vân nở một nụ cười khả ố, ghé sát tai Đinh Tuyết Nhu nói: "Đinh tiểu thư, nếu cô tự nhận mình là ngọc nữ thuần khiết thì sau này đừng nên mặc quần chip nhỏ nữa, thật ra cô nên mặc loại tam giác bằng chất liệu nhung, như thế càng phù hợp với khí chất của cô hơn…"

"Vô liêm sỉ!" Đinh Tuyết Nhu còn tưởng Phương Hạo Vân muốn nói gì, kết quả lại bị hắn giở trò lưu manh ra một lần nữa.

Cô thất vọng vô cùng về con người này…

Sau khi quay về căn phòng tổng thống của mình, Đinh Tuyết Nhu ấm ức bật khóc, Vương Hà đứng kế bên vội an ủi: "Nhu Nhu, đừng khóc…Tên tiểu tử họ Phương kia đúng là quá đáng thật, chị nhất định sẽ không tha cho hắn đâu, chị sẽ liên lạc với sở cảnh sát thành phố Hoa Hải, bảo họ trả lại sự công bằng cho chúng ta…"

Đinh Tuyết Nhu cảm thấy ấm ức không phải vì chuyện này, chỉ là trong lòng cô nghĩ hoài không hiểu Phương Hạo Vân rõ ràng đang là một người tốt, tại sao đột nhiên lại thay đổi lớn như thế?

Khi Phương Hạo Vân nói ra những từ ngữ dơ bẩn khó nghe, cô cảm thấy hắn rất xa lạ, một chút cảm giác thân quen cũng không có. Lúc này đây, trong lòng cô thậm chí còn căm ghét Phương Hạo Vân.

"Chi Hà, chị nói thử xem tại sao hắn lại trở nên như vậy?"

Đinh Tuyết Nhu ngưng không khóc nữa, ngẩng đầu lên nhìn trưng trưng vào Vương Hà, hỏi: "Chị Hà, chị coi có khi nào là Hạo Vân cố tình làm vậy? Hắn có ý muốn chúng ta ghét hắn, như thế chúng ta sẽ tránh xa hắn ra…"

"Nhu Nhu, thằng tiểu tử kia đã xấu xa như thế, tại sao em còn nghĩ tốt cho hắn chứ? Theo chị thấy, hắn chính là con sói đội lốt người, hôm nay may mà chị kịp thời có mặt, bằng không chắc hắn đã làm ra chuyện gì đồi bại với em rồi. Nhu Nhu, nghe lời chị đi, mấy ngày tới đừng mặc váy nữa, ít ra em phải đề phòng tên đê tiện kia chứ…" Vương Hà lo lắng nhắc nhở.

"Vâng!"

Nghĩ tới câu nói giễu cợt đê tiện cuối cùng của Phương Hạo Vân, Đinh Tuyết Nhu không nói gì thêm, ngoan ngoãn gật đầu đồng ý.

"Nhu Nhu, em nói chị biết vừa rồi Phương Hạo Vân có làm gì em không? Em cứ yên tâm nói ra với chị Hà, chị sẽ làm chủ cho em…" Lúc Vương Hà đạp tung cửa vào phòng, chỉ nghe thấy vài câu nói dơ bẩn của

Phương Hạo Vân suy đoán hiện tượng kì lạ của Thiên phạt có liên quan mật thiết đến tâm tính của hắn, đêm đó nhất định là tâm tính của hắn kích động thanh đao nên nó mới xảy ra hiệu quả khác thường.

Bây giờ hắn muốn lặp lại tâm trạng như đêm hôm ấy thì vô cùng khó khăn, dù gì thì tâm linh của con người mỗi lúc mỗi khác, không phải muốn bắt chước lại là làm được.

Cho dù là thế, mấy ngày nay võ nghệ của hắn tiến bộ rõ rệt, hắn rất kì vọng vào trận quyết chiến với Thiên Đạo Diêm La Roberts, hy vọng dùng cuộc chiến này kiểm tra trình độ của mình.

Chớp mắt thời gian 4 ngày đã trôi qua, hôm nay là ngày tổ chức buổi họp báo công bố buổi biểu diễn của đại minh tinh Đinh Tuyết Nhu, hội trường diễn ra buổi họp báo ngay tại phòng hội nghị sang trọng của khách sạn 5 sao Shangri La.

Vừa sáng sớm tinh mơ, Trương Bưu và Tiểu Lý đã có mặt, hai người phối hợp cùng với Phương Hạo Vân dẫn theo các nhân viên bảo an sắp xếp canh gác khắp hội trường đảm bảo không để kẻ khả nghi nào lẻn vào.

Lúc 9h sáng, phóng viên các báo được mời tham dự buổi họp xuất trình thẻ tác nghiệp và thư mời mới được vào cửa, trước khi vào còn phải qua kiểm tra gắt gao của máy dò kim loại, đề phòng có người mang vũ khí, chất nổ vào trong.

Hơn 10h, có tất cả 80 phóng viên của những tờ báo nổi tiếng trong và ngoài nước được phép vào hội trường. Theo lịch trình sắp xếp công việc, đại minh tinh Đinh Tuyết Nhu và người quản lí Vương Hà, cùng với chủ tịch ủy ban tổ chức buổi biểu diễn ca nhạc sẽ xuất hiện vào lúc 10h15, trả lời câu hỏi của giới truyền thông.

Vì vấn đề an toàn, buổi họp báo chỉ diễn ra trong vòng một tiếng đồng hồ. Trong đó ngoài thông báo công tác chuẩn bị cho buổi biểu diễn ra, còn có thời gian trả lời câu hỏi của báo chí, Đinh Tuyết Nhu sẽ trả lời 3 câu hỏi mà phóng viên đưa ra.

Sau khi công tác bảo an đã sắp xếp ổn thỏa xong, Trương Bưu kéo Phương Hạo Vân vào góc khuất, hỏi nhỏ: "Hạo Vân, cậu và Vương Hà lại cãi nhau à? Cô ta gọi điện cho tôi mấy lần, kể rõ tội trạng của cậu, hơn nữa còn tru tréo muốn đi tố cáo cậu trước mặt Dương thị trưởng nữa…"

"Mặc kệ cô ả, thứ đàn bà ngực bự đầu ngu…em hơi đâu mà chấp." Phương Hạo Vân dửng dưng nói.

"Được rồi, vậy chúng ta không nói Vương Hà nữa, nói thử vụ hơi lạnh tỏa ra từ phòng cậu xem?"

Trương Bưu đột ngột thay đổi đề tài: "Mấy hôm trước phòng của cậu từng tỏa ra khí lạnh suốt nửa giờ, hơn nữa còn một luồng sức mạnh vô hình ngăn không cho người khác phá cửa và trong…Cậu có thể nói cho tôi biết rốt cuộc đã xảy ra chuyện gì không?"

Phương Hạo Vân cười phá lên: "Anh Bưu, câu hỏi này mới là việc anh cần biết đúng không?"

Trương Bưu cười giả lả thú nhận: "Biết là không giấu được cậu rồi, cậu bằng lòng giải thích với tôi chứ? Tất nhiên, đây là chuyện riêng tư của cậu, cậu có quyền từ chối trả lời tôi."

"Em có thể nói cho anh biết sự thật…" Phương Hạo Vân lựa chọn nói ra một phần sự thật cho Trương Bưu nghe: "Hôm đó em đang luyện công trong phòng, xảy ra một sự cố nhỏ…"

Trương Bưu vội vàng hỏi dồn: "Hạo Vân, cậu tu luyện chân khí nội công đúng không? Hèn chi võ nghệ của cậu giỏi như thế. Thật ra tôi đã sớm nghi ngờ rồi, chỉ là chưa dám khẳng định."

"Buổi họp báo bắt đầu rồi kìa, chuyện này để sau chúng ta nói tiếp vậy…" Phương Hạo Vân không muốn tiết lộ quá nhiều về công lực của mình nên tìm cớ lảng tránh.

"Ờ!" Trương Bưu cũng không tiếp tục dò hỏi, trên kia buổi họp báo đã chính thức bắt đầu.

Trong vòng nửa tiếng đầu, ban tổ chức buổi biểu diễn công bố với giới truyền thông công tác chuẩn bị và tình hình bán vé của đêm ca nhạc, phần lớn phóng viên đều ngáp lên ngáp xuống, họ không cảm thấy có hứng thú với mấy việc này.

Bây giờ họ chỉ quan tâm đến thời gian dành để trả lời câu hỏi, Đinh Tuyết Nhu sẽ trả lời 3 câu hỏi của giới truyền thông.

Buổi họp báo có mặt gần 100 phóng viên nhưng cơ hội được nêu câu hỏi lên chỉ có 3 người, ai cũng mong mình là người may mắn nhất, có được cơ hội quý báu đặt câu hỏi với nữ hoàng ca nhạc.

"Báo cáo công tác chuẩn bị buổi biểu diễn ca nhạc kết thúc tại đây, sau đây là thời gian đặt câu hỏi với nữ hoàng ca nhạc của chúng ta. Do thời gian hạn hẹp, Đinh tiểu thư chỉ có thể trả lời 3 câu hỏi của các vị, hy vọng mọi người thông cảm, đồng thời tôi cũng hy vọng mọi người trân trọng 3 cơ hội đặt câu hỏi này, cố gắng hỏi một số vấn đề quan trọng…" Người dẫn chương trình nói xong câu dẫn nhập liền đưa micro sang cho Đinh Tuyết Nhu.

Trong khoảnh khắc Đinh Tuyết Nhu đón lấy micro, cô cảm nhận được có một trăm cặp mắt đang hướng vào mình, may mà những buổi họp báo hoành tráng thế này cô đã tham dự không ít nên vẫn tỏ ra rất tự nhiên.

Đinh Tuyết Nhu nở một nụ cười quyến rũ, giọng nói ngọt ngào cất lên: "Chúng ta bắt đầu đi!"

Câu này nói ra, khắp hội trường lập tức huyên náo như ong vỡ tổ, cả trăm phóng viên cùng giơ tay gào thét gây chú ý, hy vọng giành được cơ hội đặt câu hỏi hiếm có về phần mình.

"Yên tâm đi, là bốn cô gái…đều là người thân và bạn bè của tôi…" Phương Hạo Vân quyết định thẳng thắn.

"Ờ, thì ra là vậy…Hạo Vân, anh có bạn gái chưa vậy?" Đinh Tuyết Nhu đột nhiên hỏi tiếp.

"Có rồi, còn là mấy cô nữa cơ…" Phương Hạo Vân không hề nói dối, Bạch Lăng Kỳ, Trương Mỹ Kỳ, còn một cô Nguyệt Như đang ở Châu Âu nữa, tính ra là 3 người, cho đến hiện tại.

"Đinh tiểu thư, cô còn chưa trả lời tôi rốt cuộc có cho tôi ảnh có chữ kí của cô không?" Phương Hạo Vân lên tiếng hối thúc.

"Đợi tôi một lát, tôi sẽ quay lại ngay. À, việc này đừng cho chị Hà biết nha, xưa nay chị ấy luôn phản đối tôi kí tặng cho người hâm mộ, may mà bây giờ chị ấy không có ở đây." Nói xong, Đinh Tuyết Nhu bước nhanh ra khỏi phòng.

Mấy phút trôi qua, Đinh Tuyết Nhu cầm theo bốn tấm ảnh đã kí tên quay vào phòng, đưa cho Phương Hạo Vân, không quên dặn dò: "Hạo Vân, cho dù anh đối xử với tôi như thế nào, anh vẫn là ân nhân từng cứu mạng tôi nên anh có yêu cầu gì tôi đều cố gắng chấp thuận, nhưng anh phải đảm bảo 4 tấm ảnh này đừng rơi vào tay người đàn ông khác, vẫn là câu nói đó, trên đời này ngoại trừ người đàn ông tôi yêu ra, những người khác đều không có tư cách sở hữu ảnh của tôi…"

Phương Hạo Vân thở dài ngao ngán, tại sao phải tự làm khổ mình như thế chứ? Năm xưa đã quyết tâm ra đi, bây giờ lại hối hận…

Dừng lại một lát, Phương Hạo Vân hỏi một câu thăm dò: "Đinh tiểu thư, có thật là cô rất yêu anh ta không? Nếu cô yêu anh ta như vậy, tại sao năm xưa lại quyết định rời bỏ?"

"Anh muốn biết? Anh đã có hứng thú muốn biết chuyện quá khứ của tôi rồi à?"

Đinh Tuyết Nhu đột nhiên cười phá lên, nói: "Lí do thật sự tôi chỉ nói với mình anh ấy nghe thôi…Anh có phải là anh ấy không? Nếu anh và anh ấy là cùng một người thì tôi sẽ nói với anh?"

Vừa nói Đinh Tuyết Nhu vừa tiến tới vài bước, đôi mắt xinh đẹp mở to xoáy thẳng vào Phương Hạo Vân dò xét.

Phương Hạo Vân vội quay mặt đi: "Đinh tiểu thư thật biết nói đùa, tôi sao lại là người yêu cũ của cô được chứ? Thôi, cô đi được rồi đấy, tôi hứa sẽ không để mấy tấm ảnh này rơi vào tay người đàn ông khác. Tiện thể nói luôn cho cô biết, qua khỏi đêm nay chúng ta sẽ không gặp mặt nhau nữa, chúng ta vốn là người của hai thế giới khác nhau…"

"Tôi đã nói rồi, tôi sẽ không bỏ cuộc đâu, trong lòng tôi vẫn còn tồn tại nghi hoặc, khi nào tôi chưa giải đáp hết câu hỏi trong lòng, tôi vẫn sẽ bám riết lấy anh…" Đinh Tuyết Nhu tỏ vẻ nghiêm túc khẳng định.

"Tôi đã có hai cô bạn gái rồi, hơn nữa chúng tôi còn sống chung với nhau, nên coi như tôi cầu xin cô đó đại minh tinh ơi, cô có thể tự trọng một chút có được không vậy?" Phương Hạo Vân lạnh lùng gắt lên.

Đinh Tuyết Nhu nghe xong lẳng lặng không nói gì thêm, cô nhìn trưng trưng vào Phương Hạo Vân một lúc, sau đó quay lưng bước ra khỏi phòng.

Phương Hạo Vân không hề nhận ra trong ánh mắt của cô gái tràn đầy ý chí kiên quyết.

Một đêm dài đằng đẳng, thời gian lửng lờ trôi…

Có người vì vui mừng mất ngủ, có người vì phiền não mất ngủ…còn có người vì trong lòng đau đớn mà mất ngủ. Đinh Tuyết Nhu nằm trằn trọc trên chiếc giường lớn, trong đầu không ngừng xuất hiện kí ức về Phương Hạo Vân 6 năm trước, đem so với Phương Hạo Vân ở thành phố Hoa Hải kia không có điểm nào giống nhau cả, nhưng mỗi lần tiếp xúc thân mật với hắn, trong lòng cô lại dâng lên một cảm giác ấm áp quen thuộc.

Cô không biết tại sao lại như vậy? Cô quyết định bằng bất cứ giá nào cũng phải tìm ra đáp án.

Phương Hạo Vân để tránh rắc rối không cần thiết, trời vừa sáng đã len lén rời khỏi khách sạn.

Hắn không về nhà họ Phương, cũng không về khu nhà Lam Tâm, mà gọi một chiếc taxi đi đến nơi ở của dì Bạch ở đường Phúc Nguyên.

Trời mới tờ mờ sáng, mặt trời vẫn chưa lên cao nhưng dòng người đi lại trên phố đã trở nên đông đúc, Hoa Hải là một thành phố lớn, nhịp sống trong thành phố luôn gấp gáp. Vì miếng cơm manh áo, phần đông dân chúng đều bận bịu suốt cả ngày.

Cửa hàng quà tặng của dì Bạch cũng vừa mới mở cửa, mấy nhân viên võ nghệ cao cường đang bận bịu làm việc, thấy Phương Hạo Vân bước tới, một nhân viên nữ mỉm cười lịch sự với hắn: "Phương thiếu gia, anh đến đấy à, bà chủ vừa mới dậy, anh vào đi…"

Phương Hạo Vân mỉm cười đáp lễ, sau đó bước nhanh vào trong.

Dì Bạch vừa mới thức dậy, trên người vẫn còn mặc bộ áo ngủ, đang đứng bên cửa sổ dõi mắt xa xăm về phương xa. Khi Phương Hạo Vân bước vào phòng cô cũng không lên tiếng, không quay đầu lại, ánh mắt vẫn thả hồn ra ngoài cửa sổ.

Phương Hạo Vân bước đến gần hơn, hắn mấp máy môi nhưng không nói gì, hắn không muốn phá tan bầu không khí yên tĩnh của dì Bạch. Hắn lặng lẽ đứng sau lưng dì Bạch, tấm thân mỹ miều quyến rũ kia đập thẳng vào mắt, đường cong chỉnh không cần chỉnh, cặp mông đầy đặn nhô cao dưới lớp váy ngủ mỏng tang, đôi chân thon thả, làn da trắng hồng như bảo ngọc…

Đối với dì Bạch, trong lòng Phương Hạo Vân chỉ có cảm kích và kính trọng nên ánh mắt không hề có tia sáng dục vọng, vẫn trong xanh lương thiện như cũ.

Cứ như thế, hai người đứng im lặng lẽ không ai lên tiếng.

Hồi lâu sau, dì Bạch là người mở miệng trước, nhưng cô không quay người lại: "Hạo Vân, qua đây…không khí ngoài cửa sổ thật là trong lành."

Phương Hạo Vân bước tới đứng kề vai với dì Bạch, hít một hơi sâu, sau đó mỉm cười hỏi: "Dì Bạch, dì muốn nói gì với con đúng không?"

Dì Bạch nghiêng đầu sang nhìn Phương Hạo Vân, ánh mắt tràn ngập niềm yêu thương, từ tốn nói: "Là con nên nói gì với dì mới đúng chứ? Nói đi, mới sáng sớm đã đến đây gặp dì nhất định có chuyện quan trọng đúng không?"

"Dì Bạch…hình như chuyện năm xưa có ẩn tình gì đó, cô ấy tỏ ra rất hối hận và dằn vặt, hơn nữa con nhận ra cô ấy vẫn rất yêu con…Dì nói xem con nên làm thế nào?" Phương Hạo Vân thổ lộ nỗi phiền muộn trong lòng.

Dì Bạch bật cười khanh khách, quay đầu lại nhìn trưng trưng vào Phương Hạo Vân, nghiêm túc nói: "Câu hỏi này con không nên nhờ dì trả lời, con nên tự hỏi mình mới phải. Tha thứ hay không tha thứ? Con còn phải tự hỏi thật lòng mình thêm một câu, rốt cuộc con còn yêu cô ta nữa hay không?"

Phương Hạo Vân ngớ người ra, liền cúi đầu suy ngẫm, rất lâu sau hắn mới ngẩng đầu lên, thấy dì Bạch đã không còn đứng bên cửa sổ nữa. Dì Bạch đang ngồi trên ghế sofa, hắn bước tới ngồi ngay đối diện dì Bạch, nghĩ thêm một lúc mới cất tiếng: "Sau khi thay đổi khuôn mặt, con đã trút bỏ hết quá khứ, nếu lần này cô ấy không đến Hoa Hải tìm con, con nghĩ con sẽ nhanh chóng xóa cô ấy ra khỏi đầu, nhưng bây giờ…chỉ mới tiếp xúc với cô ấy mấy ngày, con đột nhiên phát hiện mình không cách nào quên được mối tình xưa, trong lòng con vẫn chất chứa oán hận khi bị phản bội…"

"Yêu và hận, thật ra chỉ cách nhau một gang tay. Hạo Vân, chuyện này dì không giúp được con rồi, con hãy tự quyết định, tha thứ hay không tha thứ…" Dì Bạch bình thản phân tích.

"Không tha thứ."

Sắc mặt Phương Hạo Vân bỗng trở nên cứng cỏi, hắn buồn bã nói: "Mỗi một người đều phải trả giá cho hành vi của mình, vết thương năm xưa không bao giờ lành lặn, con sẽ không dễ dàng tha thứ cho cô ấy."

323. Chương 35: Quyết Định Ở Lại

Dì Bạch mỉm cười hỏi: "Hạo Vân, con nỡ từ bỏ cô ấy sao? Có hận thì ắt có yêu, tình yêu và thù hận luôn gắn liền với nhau, cảm xúc của con người rất phức tạp, có những lúc người ta không cách nào phân biệt

được đâu là yêu, đâu là hận…Trước khi đưa ra quyết định cuối cùng, con nhất định phải suy nghĩ cho kĩ, nếu không sau này con có hối hận thì đã muộn."

"Dì Bạch, con biết mình nên làm gì…Tóm lại con đã suy nghĩ kĩ rồi, từ nay về sau con và cô ấy sẽ không còn dính dáng với nhau chuyện gì nữa. Tình yêu giữa con và cô ấy đã thuộc về quá khứ, bây giờ con có một thân phận hoàn toàn mới, còn có tình yêu mới nữa, trân trọng những gì trước mắt mới là quyết định chính xác nhất." Phương Hạo Vân khẳng định chắc nịch.

"Trân trọng những gì trước mắt…Hạo Vân, câu nói này của con rất hay, xem ra tâm trí của con gần đây không tệ…"

Dì Bạch đột ngột thay đổi đề tài: "Hôm nay không việc gì làm chứ? Buổi trưa ở lại đây ăn cơm đi, dì sẽ đích thân vào bếp làm vài món ngon…"

"Vâng!" Phương Hạo Vân ngoan ngoãn gật đầu đồng ý.

Phương Hạo Vân cảm thấy chỉ có dì Bạch mới là người hiểu hắn nhất, vì dì biết rõ quá khứ, hiện tại của hắn, thậm chí ngay cả tương lai dì cũng đoán biết được.

Mỗi khi gặp phải chuyện gì khó giải quyết, hắn ngay lập tức nghĩ ngay tới dì Bạch, chỉ cần bày tỏ tâm sự chất chứa trong lòng với dì thôi thì tâm trạng sau đó của hắn mới có thể thoải mái trở lại.

"Con ngồi chơi đi nhé, con đến sớm qúa, dì còn chưa sửa soạn rửa mặt thay đồ nữa." Dì Bạch đứng dậy khỏi ghế sofa, lắc lư tấm thân tuyệt mỹ đi khỏi.

Ánh mắt của Phương Hạo Vân dõi theo sau lưng dì Bạch hồi lâu cho đến khi dì đi khỏi phòng, thật ra với thân hình, dung mạo và tuổi tác của dì Bạch, Phương Hạo Vân nên gọi cô một tiếng chị mới đúng, chỉ là muốn bày tỏ lòng tôn kính nên hắn mới xưng hô dì Bạch, ngoài ra dì Bạch cũng không thấy phàn nàn gì về cách gọi của hắn.

Sau khi dì Bạch đi khỏi, Phương Hạo Vân đi đến bên cạnh cửa sổ, đứng vào vị trí vừa nãy, dõi mắt vào cõi xa xăm ngoài kia, trong lòng đan xen nhiều luồng suy nghĩ.

"Hạo Vân, cơm canh xong rồi này…qua đây ăn cơm đi." Khi Phương Hạo Vân đứng ngây ra suy nghĩ bên cửa sổ bị tiếng gọi của dì Bạch làm giật mình bừng tỉnh, hắn đã đứng đó hơn 3 tiếng đồng hồ rồi, bây giờ đã là 12h trưa.

Phương Hạo Vân trấn tỉnh lại, mỉm cười bối rối, vội quay lưng lại bước tới ngồi vào bàn ăn, trên bàn đã bày sẵn 8 đĩa thức ăn tinh xảo.

Tài nghệ nấu nướng của dì Bạch đã thuộc loại siêu phàm, tuy chưa nếm thử nhưng chỉ nhìn màu sắc và ngửi mùi thơm phảng phất của thức ăn thôi, Phương Hạo Vân liền nuốt nước miếng ừng ực thèm thuồng.

"Đừng khách sáo nữa, mau ăn đi cho nóng…"

Nhìn bộ dạng chảy nước miếng của Phương Hạo Vân, dì Bạch vui mừng khôn siết, thành quả lao động của mình được khẳng định, đối với phụ nữ mà nói, đấy là lời khen chân thành nhất.

"Vâng!" Phương Hạo Vân bắt đầu giơ đũa gắp thức ăn bỏ vào mồm nhai nuốt như hổ đói, thức ăn dì Bạch nấu còn ngon hơn cả đầu bếp trong nhà hàng 5 sao, trong suốt quá trình ăn hắn không hề mở miệng lên tiếng.

Dì Bạch mỉm cười mãn nguyện, cô cũng cầm đũa lên nhưng chỉ gắp vài miếng cho vui, rất nhiều khi cô dừng đũa nhìn trưng trưng cảnh ăn cơm của Phương Hạo Vân, thấy hắn ăn ngon miệng, dì Bạch trong lòng cũng vui lây.

Đợi sau khi Phương Hạo Vân nhai ngấu nghiến hết thức ăn, hắn mới phát hiện nửa chén cơm của dì Bạch còn chưa ăn xong, mà tất cả 8 cái đĩa trên bàn đều sạch bong.

Sắc mặt Phương Hạo Vân thoáng bối rối, hắn ngẩng đầu lên cười giả lả, nói: "Dì Bạch, còn thức ăn thừa trong bếp không? Để con đi mang ra cho dì nhé…Xin lỗi, con vô ý quá…lỡ ăn hết thức ăn rồi."

Món ăn do dì Bạch làm ngon hơn cả 3 cô gái ở nhà, theo như suy đoán của Phương Hạo Vân, lúc dì Bạch nấu ăn chắc có sử dụng nội lực, món ăn dùng nội lực làm ra đương nhiên khác biệt với người thường rồi.

Dì Bạch mỉm cười bước qua xoa xoa đầu Phương Hạo Vân, nói: "Ha ha, thật ra dì không đói bụng, mấy món ăn kia đều là làm cho một mình con đó, nhưng dì cũng phải phạt con rửa hết chén đĩa mới được."

"Vâng!" Ăn uống miễn phí một bữa ngon miệng như thế, có rửa chén cũng là xứng đáng.

Lúc cùng nhau rửa chén trong bếp, dì Bạch nghiêng đầu để lộ một nụ cười xao xuyến lòng người: "Hạo Vân, sau này lúc rảnh rỗi con phải thường xuyên tới đây, dì rất thích nhìn con ăn cơm…"

Trước nụ cười quyến rũ của dì Bạch, Phương Hạo Vân sém chút hồn xiêu phách lạc, sức sát thương mạnh quá, một luồng điện xẹt ngang óc hắn, nếu không phải hắn có lòng tôn kính dì, nói không chừng đã lao tới làm bậy rồi.

"Không thành vấn đề…Dì Bạch, vậy chúng ta giao ước với nhau nhé, sau này hễ có thời gian là con đến đây ăn cơm miễn phí." Được ăn ngon tất nhiên Phương Hạo Vân vui lòng nhận lời rồi.

Sau bữa cơm trưa, Phương Hạo Vân không rời khỏi nhà dì Bạch mà tiếp tục ở lại, ở nơi đây hắn không cần diễn kịch, không phải che giấu con người thật của mình, như thế tinh thần, tâm trí đều được thả lỏng tối đa. Hắn dự định ăn luôn bữa cơm tối mới rời khỏi, dù gì thì hôm nay cũng không có gì làm.

"Hạo Vân, chiều nay dì có việc bận phải ra khỏi nhà, chắc đến tối mới về kịp, con cứ nghỉ ngơi trong phòng đi nhé, đợi khi nào dì về chúng ta sẽ cùng nhau đi dạo." Lúc này dì Bạch đã thay một bộ đồ thể thao màu trắng bó sát, từng đường cong quyến rũ trên cơ thể hiện rõ ra, đôi mắt sáng bóng lung linh thu hút người ta ngay từ ánh nhìn đầu tiên.

"Con có thể giúp dì không?" Phương Hạo Vân quan tâm hỏi.

"Không cần đâu, dì tự lo được." Nói đến đây, dì Bạch cười to: "Thật ra việc này liên quan đến con, nhưng tạm thời dì chưa nói cho con biết được, đợi sau khi dì làm xong việc đã, tối về sẽ nói con nghe, con cứ ngoan ngoãn nghỉ ngơi trong nhà đi…"

"Thôi được, con đợi dì quay về vậy." Khó có dịp thư giãn một buổi, Phương Hạo Vân gật đầu đồng ý.

Đinh Tuyết Nhu ngủ một giấc rất lâu mới tỉnh dậy, khi cô thức tỉnh đã hơn 12h trưa, tất nhiên khi cô tỉnh giấc vẫn chưa biết thời gian trễ như vậy rồi, Vương Hà cố tình lấy đi chiếc đồng hồ treo trong phòng và đồng hồ báo thức đặt ngay đầu giường, thậm chí còn kéo rèm cửa che kín không cho ánh nắng rọi vào.

Việc đầu tiên Đinh Tuyết Nhu làm sau khi thức dậy là chạy sang phòng bên cạnh tìm Phương Hạo Vân.

"Nhu Nhu, đừng đi nữa, hắn đã sớm rời khỏi khách sạn rồi." Vương Hà sớm nhận ra ý định của Đinh Tuyết Nhu, chưa đợi cô chạy ra khỏi phòng đã lên tiếng ngăn cản.

"Bây giờ đã hơn 12h trưa, hắn đã sớm đi về rồi." Vương Hà mỉm cười đắc ý, bước tới mở hết rèm cửa khắp phòng ra, ánh nắng chói chang lập tức rọi vào. Nhìn thấy mặt trời vàng rực trên cao, Đinh Tuyết Nhu biết Vương Hà không hề gạt cô.

"Chị Hà, tại sao chị không gọi em dậy, ít ra em nên đi tiễn Hạo Vân…anh ấy dù gì cũng là ân nhân cứu mạng của chúng ta mà, chúng ta làm vậy hình như không đúng phép lịch sự lắm…À phải, đồng hồ báo thức của em đâu, đồng hồ treo trên tường đâu mất rồi…" Đinh Tuyết Nhu dáo dác nhìn xung quanh, oán trách: "Chị Hà, tất cả đều là chị sắp đặt, tại sao chị phải làm thế chứ?"

"Nhu Nhu, nghe chị nói, Phương Hạo Vân là hạng người gì, cả chị và em đều biết rõ, chẳng lẽ em còn nuôi hy vọng với hắn ư? Còn nữa, chị cũng không phải người không biết lí lẽ, sáng nay chị định đi tiễn hắn, nói vài câu cám ơn nhưng phát hiện hắn đã lặng lẽ bỏ đi, chị cũng đâu còn cách nào khác. Nhu Nhu, đừng nghĩ ngợi lung tung nữa, chị đã đặt vé máy bay đi Bắc Kinh rồi này, trưa mai sẽ xuất phát, hôm nay em cứ nghỉ ngơi cho khỏe đi nhé."

Hiện nay mối đe dọa từ bọn Thái Dương giáo đã được dẹp yên, Vương Hà như trút được gánh nặng, cô quyết định nên sớm rời khỏi vùng đất thị phi này.

"Ngày mai đi Bắc Kinh?" Đinh Tuyết Nhu khẽ nhíu mày, hỏi: "Ai đưa ra quyết định vậy?"

"Chính là chị!"

Vương Hà thản nhiên nói: "Nhu Nhu, chị là người quản lí của em, chị có quyền sắp xếp mọi hoạt động của em, chị đã liên hệ với bên Bắc Kinh rồi, có mấy công ty âm nhạc lớn muốn gặp em để bàn việc kí kết hợp đồng…"

"Em không đồng ý!"

Sắc mặt Đinh Tuyết Nhu trở nên âm u: "Chị Hà, đúng là chị là người quản lí của em, nhưng chị đừng quên em có quyền quyết định bất cứ hoạt động nào của mình, em không muốn đi Bắc Kinh, càng không muốn kí hợp đồng với mấy công ty âm nhạc gì hết. Chị quên mất thỏa thuận của chúng ta rồi à, em mãi mãi giữ tấm thân tự do, tuyệt đối không kí hợp đồng biểu diễn với công ty nào, đồng thời trong thời gian gần em cũng sẽ không tung ra đĩa nhạc nào nữa…"

"Nhu Nhu, em đừng bướng bỉnh nữa có được không? Chị đã hứa với người ta rồi, nếu chúng ta không chịu qua đó sẽ phải trả một món tiền bồi thường không ít đâu." Vương Hà hoảng lên van nài.

"Vậy thì cứ bồi thường đi, tóm lại em sẽ không rời khỏi thành phố Hoa Hải, còn về những việc khác, chị hãy tự lo liệu đi. Em đi rửa mặt thay đồ đây…"

Nói xong, Đinh Tuyết Nhu quay lưng bỏ đi, đây là lần đầu tiên trong suốt 3 năm hợp tác cô có phản ứng mạnh như thế với Vương Hà.

Vương Hà nhìn theo bóng lưng Đinh Tuyết Nhu, mấp máy môi định nói thêm câu gì nhưng lại không biết nên thuyết phục thế nào. Tính khí của Đinh Tuyết Nhu cô biết rõ hơn ai hết, ngày thường tuy Nhu Nhu hiền lành dịu dàng nhưng có những lúc cực kì ngang bướng, một khi cô đã quyết định việc gì rồi, dù có khuyên nhủ van nài cỡ nào cũng vô tác dụng thôi.

Thật ra Vương Hà cũng không có ác ý gì. Cô vốn định sớm rời khỏi vùng đất thị phi thành phố Hoa Hải này, đồng thời nhanh chóng sắp xếp cho Đinh Tuyết Nhu làm việc trở lại để cô quên đi kí ức về mối tình dang dở kia.

Nhưng bây giờ không những Đinh Tuyết Nhu không thấu hiểu lòng tốt của cô, ngược lại còn oán trách cô áp đặt, kể ra Vương Hà cũng ấm ức lắm.

Có một số chuyện Đinh Tuyết Nhu không biết, Vương Hà làm người quản lí cũng không dễ dàng gì, từ khi đại minh tinh Đinh Tuyết Nhu về nước, các công ty âm nhạc lớn nhỏ trong khắp cả nước đều dòm ngó miếng thịt béo bở này.

Một số công ty lớn thậm chí còn tìm được số điện thoại riêng của Vương Hà, nhiều lần gọi vào bàn chuyện kí hợp đồng với Đinh Tuyết Nhu, không ít công ty còn trả cái giá trên trời.

Lúc đầu, Vương Hà đều nhất mực từ chối hết vì Đinh Tuyết Nhu đã từng nói dù ở bất cứ nơi đâu, bất cứ thời gian nào cô cũng sẽ không kí hợp đồng biểu diễn ràng buộc với một công ty, khi cô phát hành album đều thông qua công ty đại lí.

Thấy dùng tiền dụ dỗ không được, một số ông chủ công ty âm nhạc lớn bèn thay đổi chiến lược, bắt đầu buông lời dọa nạt, đến sau cùng là vừa dọa nạt vừa đem tiền ra dụ dỗ…

Sự việc phát triển đến nước này, Vương Hà cũng không biết nên giải quyết sao cho thỏa đáng, cô đã hết cách từ chối mấy ông chủ lớn kia. Trong đất nước rộng lớn này, mấy ông chủ lớn có ai không phải xuất thân từ dân xã hội đen chứ? Bọn chúng làm việc đều bất chấp thủ đoạn tàn ác…

Vương Hà bị ép vào đường cùng nên đành chọn vài công ty có thực lực thương lượng, quyết định sau khi buổi biểu diễn ở thành phố Hoa Hải kết thúc sẽ dẫn Đinh Tuyết Nhu đi Bắc Kinh bàn thảo điều khoản kí kết hợp đồng.

Bây giờ gay go rồi, Đinh Tuyết Nhu không chịu đi, đền tiền chỉ là chuyện nhỏ, vấn đề nghiêm trọng nhất chính là bọn người kia đều không phải dân lương thiện, dám cho người ta leo cây, chúng đâu chịu dễ dàng bỏ qua. Vương Hà thở dài chán ngán, chỉ còn cách ngậm đắng nuốt cay. Đinh Tuyết Nhu xưa nay không hề biết tính toán chỉ thích làm theo cảm tính, có nói cho cô biết cũng chả ích gì.

Sau khi dì Bạch đi khỏi, Phương Hạo Vân nằm một mình lên giường của dì suy nghĩ lung tung, hồi lâu sau, hắn đã ngủ thiếp đi.

Trong giấc mơ, hắn thấy dì Bạch mặc một chiếc váy ngủ mỏng tang, hắn nhìn xuyên qua hai quả núi vun vút, nhìn thấy vùng đất tam giác thần bí…Hắn bắt đầu trở nên hưng phấn…

Phương Hạo Vân cười khoái chí mở mắt ra, hắn phát hiện dì Bạch không có trong phòng, trên người hắn vẫn còn mặc quần áo, hắn hiểu ra mình đang nằm mơ giữa ban ngày. Đột nhiên Phương Hạo Vân cảm thấy phía dưới mát mát, hình như chiếc quần thể thao màu trắng của hắn đã xuất hiện một vết ướt.

Phương Hạo Vân ngấm ngầm tự trách mình, tại sao mình lại có thể mơ cảnh xấu xa về dì Bạch như thế được chứ? Thật là tội lỗi không thể dung tha…

"Hạo Vân, con tỉnh rồi à?"

Chính vào lúc này, cửa phòng bật mở, dì Bạch bước vào trong phòng, ánh mắt dì quét nhanh vào người Phương Hạo Vân, lập tức phát hiện ra vết tích trên quần hắn.

Tuy dì Bạch chưa từng thử chuyện phòng the, nhưng dù gì đều là người trưởng thành, dì hiểu ra đã xảy ra chuyện gì, trái tim đập mạnh liên hồi, sao Hạo Vân lại nằm trên giường của mình mà…cái này…chẳng lẽ nó đã nằm mơ thấy mình?

Nghĩ đến đây, dì Bạch liền đỏ mặt tía tai, mặc cho cảnh giới võ học của dì Bạch cao siêu cỡ nào, gặp phải chuyện nhạy cảm kia thì bản năng của phụ nữ vẫn chiếm thế thượng phong, dì Bạch cúi đầu thẹn thùng không nói tiếng nào.

"Cái này…cái này…dì Bạch, dì đã về đấy à?" Phương Hạo Vân ngớ mặt ra giây lát vội lồm cồm bò dậy khỏi giường, như thế dì Bạch sẽ không nhìn thấy vết ướt trên quần hắn nữa.

324. Chương 36: Nụ Hôn

Chính vào lúc này, cửa phòng bật mở, dì Bạch bước vào trong phòng, ánh mắt dì quét nhanh vào người Phương Hạo Vân, lập tức phát hiện ra vết tích trên quần hắn.

Tuy dì Bạch chưa từng thử chuyện phòng the, nhưng dù gì đều là người trưởng thành, dì hiểu ra đã xảy ra chuyện gì, trái tim đập mạnh liên hồi, sao Hạo Vân lại nằm trên giường của mình mà…cái này…chẳng lẽ nó đã nằm mơ thấy mình?

Nghĩ đến đây, dì Bạch liền đỏ mặt tía tai, mặc cho cảnh giới võ học của dì Bạch cao siêu cỡ nào, gặp phải chuyện nhạy cảm kia thì bản năng của phụ nữ vẫn chiếm thế thượng phong, dì Bạch cúi đầu thẹn thùng không nói tiếng nào.

"Cái này…cái này…dì Bạch, dì đã về đấy à?" Phương Hạo Vân ngớ mặt ra giây lát vội lồm cồm bò dậy khỏi giường, như thế dì Bạch sẽ không nhìn thấy vết ướt trên quần hắn nữa.

"Hạo Vân, con đừng xuống giường, đợi dì một lát…"

Dì Bạch sau cơn thẹn thùng nhanh chóng hồi phục thần sắc bình thường, dì biết trong lúc này chắc Phương Hạo Vân cần một chiếc quần sạch để thay, may mà trong cửa tiệm có nhân viên nam làm việc nên vấn đề này cũng không khó giải quyết.

Mấy phút sau, dì Bạch đem vào cho Phương Hạo Vân một chiếc quần dài mới, một chiếc quần lót nam, tất cả đều mới tinh, ngay cả giấy gói còn chưa được xé ra.

Phương Hạo Vân bối rối vô cùng, cúi đầu đưa tay nhận lấy, lí nhí nói: "Cám ơn…" Trong lòng hắn cảm thấy rất xấu hổ, cảnh mộng tinh thật ra cũng chỉ là chuyện bình thường của đàn ông nhưng để dì Bạch bắt gặp thì quê chết đi thôi.

"Hạo Vân, chiều nay dì ra ngoài giúp con nghe ngóng được một số chuyện…" Khi Phương Hạo Vân thay quần mới xong bước ra, dì Bạch đã thay khuôn mặt e thẹn bằng nét nghiêm nghị hiếm thấy.

Về đến căn hộ 808 dãy nhà A khu Lam Tâm, Trương Mỹ Kỳ và Tạ Mai Nhi đã ngủ say, chỉ còn Bạch Lăng Kỳ đang ngồi ngoài phòng khách mở nhỏ tiếng coi ti vi, hiển nhiên cô đang đợi hắn về nhà.

Phương Hạo Vân vô cùng cảm động, hắn bước tới ôm chầm lấy cô bạn gái, dẫn cô vào phòng ngủ.

"Kỳ, anh đã nói với em bao nhiêu lần rồi, sau này anh có về trễ thì em không cần đợi anh, em cứ ngủ trước đi." Phương Hạo Vân tỏ vẻ thương xót nói: "Em làm vậy, trái tim anh đau nhói…"

Phương Hạo Vân còn chưa nói hết câu, Bạch Lăng Kỳ đã đưa bàn tay nhỏ nhắn lên che miệng hắn, cặp mắt xinh đẹp của cô mở to, nở một nụ cười hạnh phúc nơi khóe môi, thỏ thẻ: "Hạo Vân, anh đừng nói nữa, em biết tấm lòng của anh rồi, em không cảm thấy đợi anh về nhà là một việc mệt nhọc, ngược lại mỗi đêm nhìn thấy anh bước vào nhà, trong lòng em đều có cảm giác vui mừng."

"Kỳ…" Cảm nhận được tình yêu chân thành của Bạch Lăng Kỳ, sống mũi Phương Hạo Vân cay cay.

"Hạo Vân, chúng ta đi ngủ thôi…" Bạch Lăng Kỳ nắm tay Phương Hạo Vân, hai người cùng leo lên giường, cô vòng tay ôm lấy bạn trai, áp mặt vào ngực hắn, lặng lẽ lắng nghe từng nhịp đập của con tim…

325. Chương 37: Nỗi Lo Của Mẹ

Phương Hạo Vân không nói thêm câu nào, hắn chỉ vỗ nhè nhẹ lên lưng bạn gái, trong lòng vô cùng cảm động. Hai người sống chung với nhau bao lâu nay, địa vị của Bạch Lăng Kỳ trong lòng hắn càng lúc càng sâu nặng.

Đôi tình nhân ôm chầm lấy nhau, Phương Hạo Vân có thể cảm nhận được tình cảm nhen nhóm tận đáy lòng. Trân trọng cô bạn gái hiện tại, đó mới là việc hắn nên làm.

Đêm khuya thanh vắng, Bạch Lăng Kỳ lẳng lặng nằm trong vòng tay ấm áp của bạn trai, cô cảm thấy thế gian này đẹp biết bao. Chính vào lúc cô đang say đắm ngập tràn trong cảm xúc yêu thương, đột nhiên một vật cứng chạm vào dưới bụng.

"Hạo Vân, anh lại suy nghĩ lung tung rồi…" Bạch Lăng Kỳ nguýt dài, trừng mắt nhìn Phương Hạo Vân.

Phương Hạo Vân gãi đầu gãi tai, đẩy nhẹ bạn gái ra, đưa tay véo một cái lên mũi Bạch Lăng Kỳ, nói: "Em bé ngốc này, em xinh đẹp quyến rũ như thế, anh có thể không xao động sao? Điều đó chứng minh em có sức hút mà. Yên tâm đi, trước khi được em gật đầu đồng ý, anh sẽ không ăn mất em đâu."

Bạch Lăng Kỳ mỉm cười dịu dàng, đưa nắm đấm thụi nhẹ vào Phương Hạo Vân, tỏ vẻ hài lòng: "Tha cho anh đó…"

Dừng lại giây lát, Bạch Lăng Kỳ đột nhiên lí nhí xin lỗi: "Hạo Vân, em xin lỗi, lẽ ra em nên cho anh mới phải…nhưng em đã hứa với mẹ rồi, tuy mẹ em đồng ý cho chúng ta sống chung với nhau, nhưng mẹ bắt em hứa tuyệt đối phải giữ tấm thân trong trắng, nên em mới…chỉ còn cách bắt anh chịu thiệt vậy."

Phương Hạo Vân tỏ ra thông cảm: "Yên tâm đi, anh đâu phải con ma háo sắc, anh có thể chịu đựng mà…tuyệt đối không xâm phạm em…"

"Thôi được rồi, khuya lắm rồi đấy, chúng ta ngủ thôi!"

Phương Hạo Vân cởi áo ngoài ra, chỉ chừa lại chiếc quần ngắn, chui vào trong chăn. Bạch Lăng Kỳ đưa tay tắt đèn trần đi, quay lưng lại cởi áo trên người thay bằng bộ váy ngủ, xong mới chui vào chăn nằm chung với Phương Hạo Vân.

Đêm nay ánh trăng sáng vành vạnh, thêm vào đó thị lực của Phương Hạo Vân cực tốt, quá trình Bạch Lăng Kỳ thay áo hắn nhìn rõ mồn một, cô bé này phát triển hoàn hảo quá, nhất là hai quả núi đôi vung vút ngạo nghễ, trông thật là khiêu khích…

"Kỳ, qua đây em, để anh ôm em ngủ, anh hứa sẽ không làm bậy đâu." Phương Hạo Vân mỉm cười đề nghị.

Bạch Lăng Kỳ nhích tới gần hơn, e thẹn gối đầu vào ngực bạn trai.

Phương Hạo Vân ôm người đẹp vào lòng, trong chốc lát không kiềm chế được đưa tay vỗ nhẹ vào mông bạn gái mấy cái, trêu chọc: “Mềm mại quá!” Phương Hạo Vân nói ra sự thật, tuy vùng mông của Bạch Lăng Kỳ không lớn nhưng săn chắc mềm mại và có độ đàn hồi cao.

Bạch Lăng Kỳ thở phà vào mặt Phương Hạo Vân, cố ý đưa thân nhích gần hơn, hai má ửng hồng nhìn rất dễ thương.

Dưới ánh trăng, Phương Hạo Vân thấy đôi mắt Bạch Lăng Kỳ khép hờ như sợi chỉ, khuôn mặt thanh tú, tâm hồn hắn thoáng xao động, quả đào chín tươi ngon này tỏa ra hương sắc làm mê hoặc lòng người.

Phương Hạo Vân cảm nhận được dưới bụng mình nóng hừng hực lên như hòn than, hắn lo sợ trong một

Nói ra câu này, Phương Hạo Vân bất chợt nghĩ tới Đinh Tuyết Nhu và Vương Hà. Hình như Vương Hà đánh giá hắn như thế đấy, đồ ngực bự đầu ngu, chắc ả bị mắc bệnh hoang tưởng bị xâm hại, làm như cả thế giới này ngoài ả ra không còn ai là người tốt vậy.

"Vậy là nhất trí rồi nhé…" Sắc mặt Tạ Mai Nhi lập tức vui vẻ trở lại.

"Chị Mai, ngồi đi, chẳng phải chị muốn tán gẫn sao?" Phương Hạo Vân bước tới ghế sofa ngồi xuống trước.

Tạ Mai Nhi mỉm cười nói: "Hạo Vân, em đi lo việc của mình đi, chị chợt nhớ ra còn mấy bộ đồ chưa giặt, thôi không nói chuyện với em nữa…"

"Vâng!" Phương Hạo Vân luôn cảm thấy thái độ của chị Mai rất lạ nhưng thôi thì phụ nữ có đặc quyền mà, cô ấy muốn làm gì thì làm, dù sao thì hắn cũng rất dễ dãi.

Khoảng hai tiếng đồng hồ sau, tức là vào 6h chiều, Tạ Mai Nhi gõ cửa phòng ngủ của Phương Hạo Vân.

Lúc này Phương Hạo Vân đang suy ngẫm mối lo đang đe dọa, theo như dì Bạch cho biết, kì hạn hẹn với Roberts đã sắp đến rồi, mấy ngày tới rất có thể Roberts sẽ ra tay với hắn. Phương Hạo Vân không sợ Roberts, hơn nữa được so tài cao thấp với một cao thủ thật sự là điều hắn mong chờ bấy lâu nay.

Điều hắn quan tâm là một việc khác, hắn và Roberts cùng phục vụ trong tổ chức Thiên Đạo 3 năm, tuy chưa từng giao đấu với nhau lần nào, nhưng cũng coi như quen thuộc, hắn lo nhỡ mình ra tay bị Roberts nhận ra thân phận thì sẽ như thế nào?

Danh hiệu Thiên Đạo Quỷ Thủ một khi lan truyền khắp thành phố Hoa Hải chắc chắn sẽ có rất nhiều kẻ thù tìm đến, trong 3 năm qua vì hoàn thành nhiệm vụ tổ chức giao phó, ít nhiều hắn đã gây thù chuốc oán với một số kẻ có thực lực. Tất nhiên khi xưa hắn là một trong tứ đại sát thủ của Thiên Đạo, mấy người kia muốn trả thù nhưng cũng không có gan thách thức với tổ chức sát thủ hùng mạnh này, bây giờ hắn đã rời khỏi tổ chức, chỉ có một thân một mình, mấy thế lực kia đương nhiên không còn e ngại như trước nữa.

Nói thật lòng, Phương Hạo Vân không hề sợ kẻ thù tìm đến, chỉ là nếu chúng kéo đến hết người này đến người khác sẽ phá hỏng cuộc sống hiện tại của hắn, hơn nữa rất có thể người thân và tập đoàn Thịnh Hâm cũng sẽ bị liên lụy. Đó mới là điều Phương Hạo Vân lo lắng nhất vào lúc này.

"Hạo Vân, em ngủ chưa vậy?" Tạ Mai Nhi gõ cửa mấy lần không thấy trong phòng có động tĩnh gì, cô nôn nóng gõ mạnh thêm vào cửa và gọi to tiếng.

Phương Hạo Vân thế mới bừng tỉnh khỏi luồng suy nghĩ, hắn bật dậy khỏi giường bước tới mở cửa. Tạ Mai Nhi đã thay chiếc váy ngủ bằng bộ cánh thời trang quyến rũ, thân trên mặc chiếc áo da đen bó sát, thân dưới là chiếc váy ngắn đồng bộ, ngắn tới tận trên đầu gối, đôi chân thon dài còn mang đôi tất lưới màu đen nữa chứ. Sống với nhau bao lâu nay, đây là lần đầu tiên Phương Hạo Vân thấy chị Mai sửa soạn điệu đàng như vậy.

"Chị Mai, chị mặc thế này…chị không lạnh hả?" Phương Hạo Vân gãi đầu gãi tai, cuối cùng hỏi một câu khiến người ta thất vọng.

"Em thì biết cái gì…" Tạ Mai Nhi cứ tưởng cách ăn mặc đầy cuốn hút của mình sẽ nhận được lời khen từ Hạo Vân, kết quả là bị hắn tạt cho một gáo nước lạnh. Đầu gỗ đúng là đầu gỗ, một chút nghệ thuật lấy lòng con gái cũng không biết, chả hiểu sao chị Mỹ Kỳ và Kỳ lại thích hắn được nhỉ?

Phương Hạo Vân hình như đã nhận ra câu hỏi của mình rất vô duyên nên cười phá lên sửa chữa sai lầm: "Chị Mai, chị ăn mặc đẹp như thế, có phải là đi hẹn hò với bạn trai không vậy?"

Tạ Mai Nhi đắc ý vênh mặt nói: "Hạo Vân, em hỏi câu này là đúng rồi đấy…Tối này đúng là chị có hẹn, chị tìm em chỉ muốn thông báo một tiếng thôi, lát nữa em nói với chị Mỹ Kỳ và Kỳ khỏi chờ chị ăn cơm tối nha, có người mời chị đi ăn rồi."

"Vâng, em biết rồi, chị đi đi, em sẽ nói lại với chị Mỹ Kỳ và Kỳ." Phương Hạo Vân khẽ gật đầu, quay lưng chuẩn bị trở vào phòng tiếp tục suy nghĩ vấn đề nan giải kia.

Tạ Mai Nhi thấy hắn không hề tỏ ý quan tâm cô hẹn hò với ai, trong lòng hụt hẫng. Sau khi điều chỉnh tâm trạng xong, cô nhìn trưng trưng vào Phương Hạo Vân, hỏi: "Hạo Vân, em cũng là đàn ông…Theo đánh giá

của em, em cảm thấy chị ăn mặc thế này người ta có thích không?"

"Thích!" Phương Hạo Vân trả lời gọn lỏn, nhưng câu trả lời của hắn là sự thật, Tạ Mai Nhi ăn mặc như thế phô diễn hết vẻ đẹp quyến rũ của cô ra ngoài, tất nhiên là rất có sức hút với đàn ông rồi, chỉ có điều nhìn chị Mai giống như là mấy cô gái làm việc trong quán bar vũ trường hơn.

"Thích thì tốt, hôm nay đại thiếu gia của tập đoàn Chu Giang mời chị ăn cơm tối, chị mà không ăn mặc đẹp một chút đâu có được." Tạ Mai Nhi nói ra câu này xong ngấm ngầm đắc ý, bổn tiểu thư sắc nước hương trời, lại có tấm bằng đại học loại giỏi, tính ra thuộc loại cổ phiếu ưu việt đấy nhé, cậu không để tâm thì còn rất nhiều người khác quan tâm…

"Đại thiếu gia của tập đoàn Chu Giang? Là Lăng Vân Giai?" Phương Hạo Vân vội hỏi dồn. Lăng Vân Giai là hạng người gì hắn biết rõ, ngoài việc làm hại con gái nhà lành ra tên tiểu nhân ti tiện kia còn làm ra việc tốt gì chứ.

"Phải đó, Hạo Vân, em yên tâm đi, chỉ cần chị và Lăng công tử phát triển tốt, chắc không bao lâu nữa chị sẽ dọn khỏi đây thôi, em cầu chúc cho chị đi nhé…" Tạ Mai Nhi tỏ ra vô cùng hãnh diện nói.

"Chị Mai…" Phương Hạo Vân mấp máy môi định cảnh báo Tạ Mai Nhi, nhưng chị Mai đã sung sướng nheo mắt với hắn một cái chạy vèo ra khỏi nhà mất rồi.

Phương Hạo Vân vốn định đuổi theo, nhưng hắn nghĩ lại mình mà nói ra cái xấu của Lăng Vân Giai e là chị Mai không tin.

"Thôi đi, cho chị Mai tự quyết định cuộc đời của chị ấy…" Phương Hạo Vân lắc đầu chán ngán, quay lưng bỏ vào phòng suy nghĩ tiếp mối lo của mình.

Tạ Mai Nhi sau khi ra khỏi cửa, trong lòng hình như rất hụt hẫng, Phương Hạo Vân hình như không quan tâm đến cuộc hẹn hò của cô, hơn nữa còn tỏ thái độ dửng dưng nữa chứ.

Trên đường đi đến điểm hẹn, Tạ Mai Nhi cảm thấy rất mâu thuẫn, từ sau khi biết được thân phận thật sự của Phương Hạo Vân, cô liền xác định rõ Phương Hạo Vân chính là người chồng lí tưởng trong tim cô, nhưng cô là một cô gái theo đuổi sự hoàn mỹ, cô tuyệt đối không muốn chia sẻ người đàn ông với các cô gái khác, hơn nữa hai cô gái bên cạnh Phương Hạo Vân còn là bạn thân của cô nữa chứ. Tranh giành tình yêu với chị Mỹ Kỳ và Bạch Lăng Kỳ cô không thể làm, ngoài ra cô cũng thiếu niềm tin rằng mình sẽ làm được.

Vì lí do đó, Tạ Mai Nhi buộc phải tìm lựa chọn khác cho mình.

Đại thiếu gia tập đoàn Chu Giang Lăng Vân Giai chính là lựa chọn thích hợp, Tạ Mai Nhi mới quen hắn thông qua mấy người bạn thời đại học giới thiệu, xét về tướng mạo, tài năng, gia thế hắn đều thuộc phù hợp tiêu chuẩn lựa chọn của cô, tuy cô vẫn cảm thấy hắn thua kém Phương Hạo Vân chút ít, nhưng cũng coi như thông qua rồi, vấn đề quan trọng nhất là người ta chưa có bạn gái.

Tạ Mai Nhi cảm thấy nên nắm bắt lấy cơ hội Lăng Vân Giai, tuổi thanh xuân của con gái qua đi rất mau, nếu còn lần lữa chọn lựa đợi khi cô già nua xấu xí rồi, đến lúc đó đừng nói là quen một anh chàng giàu có, dù là chịu một anh nhân viên văn phòng bình thường thì cũng khó…

Mang theo tâm trạng phức tạp, Tạ Mai Nhi đến điểm hẹn đúng giờ để gặp Lăng Vân Giai, nơi hai người hẹn nhau là căn phòng có tên Mẫu Đơn tại Kim Bích Huy Hoàng.

Lăng Vân Giai kể ra cũng có phong độ lịch thiệp của đàn ông, hắn đến sớm hơn giờ hẹn, trên bàn đã đặt sẵn vài đĩa thức ăn tinh tế, còn có một bó hoa hồng đỏ thắm. Vừa bước vào cửa, Tạ Mai Nhi liền ngửi thấy mùi hương phảng phất của hoa hồng.

"Mai Nhi, em đến rồi đấy à!"

Lăng Vân Giai thấy người đẹp đã đến, vội lịch sự đứng dậy nghênh đón, đồng thời ánh mắt quét nhanh từ đầu xuống chân cô gái, trong lòng khấp khởi mừng thầm, con ngốc này hôm nay ăn mặc khêu gợi quá, xem ra đêm nay được thỏa mãn rồi đây…

Hai người ngồi vào bàn xong, Lăng Vân Giai tỏ ra là một công tử nho nhã lịch thiệp, ánh mắt không hề xuất hiện một tia tà niệm, lúc nhìn vào Tạ Mai Nhi hoàn toàn trong trẻo thuần khiết.

Tạ Mai Nhi khấp khởi mừng thầm, xã hội hiện nay người đàn ông có tiền có thế mà thật thà hiền lành như thế đúng là hiếm có, cô thậm chí còn cám ơn ông trời đã ban vận may xuống cho mình.

"Mai Nhi, hôm nay là buổi gặp mặt lần thứ hai của chúng ta, nếu cảm giác về đối phương có thể giao du được thì bắt đầu từ hôm nay chúng ta đã là bạn rồi. Nào, chúng ta cạn ly vì có duyên gặp mặt…" Lăng Vân Giai tóm lấy một *** bia uống một hơi cạn sạch, không hề chừa lại giọt nào.

Tạ Mai Nhi khó chối từ tấm lòng chân thành của Lăng Vân Giai, đồng thời cô cũng muốn thể hiện một chút trước mặt anh công tử nhà giàu này nên không chút do dự cầm một bia khác ngửa cổ uống cạn. Lúc làm việc trong phòng thị trường, Tạ Mai Nhi vì phải thường xuyên ra ngoài tiếp khách hàng nên tửu lượng của cô rất khá, nhất là loại bia nhẹ này cô uống bao nhiêu cũng không say.

Cứ thế, hai người nhanh chóng uống hết một thùng bia.

Lăng Vân Giai thấy Tạ Mai Nhi không đỏ mặt, không choáng váng, ngấm ngầm nguyền rủa, tửu lượng của cô gái này còn dữ hơn cả đàn ông…Vốn dĩ hắn định chuốc cho Tạ Mai Nhi uống say rồi mới làm thịt, nhưng bây giờ xem ra cách này không khả thi rồi, nếu tiếp tục uống Tạ Mai Nhi có say hay không thì chưa biết, còn hắn sắp chịu đựng hết nổi rồi.

"Xin lỗi Lăng công tử, tôi muốn ra ngoài một chút…" Uống quá nhiều bia vào bụng, tuy Tạ Mai Nhi không cảm thấy say nhưng lúc này cô muốn đi vệ sinh.

Cơ hội đến rồi, Lăng Vân Giai vội nói: "À không sao, em cứ đi đi…"

Đợi Tạ Mai Nhi ra khỏi phòng, Lăng Vân Giai bèn thực hiện phương án dự phòng, hắn moi trong túi quần ra một chiếc lọ nhỏ, đổ một ít bột màu trắng trong lọ vào chiếc ly, sau đó lấy lá trà phủ lên, đổ nước ấm vào, lắc nhẹ ly cho hòa tan. Lần này Lăng Vân Giai đã bỏ thuốc kích dục cực mạnh vào ly, Tạ Mai Nhi là người như thế nào hắn đã dò la kĩ rồi, chỉ là một cô nhân viên công ty, không tiền không quyền thế, mình làm nhục cô ta rồi chắc chắn không bị ai truy cứu trách nhiệm đâu, đối phó với hạng xoàng này hắn không cần sử dụng thuốc mê hảo hạng làm gì cho phí.

"Hô hô!" Nhét lọ thuốc vào lại túi quần, Lăng Vân Giai cười phá lên đắc ý, một đêm vui sướng đang đợi chờ mình đây…

Có một câu thành ngữ "Vui quá hóa rồ", hình như là chuẩn bị sẵn để nói về Lăng Vân Giai thì phải.

328. Chương 40: Cạm Bẫy

Tạ Mai Nhi vốn định đi vệ sinh, nhưng vừa bước ra khỏi phòng cô sực nhớ mình đã quên mang theo túi xách, trong túi tất nhiên có đựng một số vật dụng của con gái rồi…

Âu cũng là vận mệnh sắp đặt sẵn cho Tạ Mai Nhi nhìn thấy hành động bỉ ổi của Lăng Vân Giai.

Biết được Lăng Vân Giai đang đắc ý nên không nhận ra cô đã phát hiện hành vi của hắn, Tạ Mai Nhi lẳng lặng đi khỏi, vào nhà vệ sinh rửa mặt cho tỉnh táo xong, cô vẫn thản nhiên quay trở vào phòng.

Cô rất muốn biết tên công tử nhà giàu lịch thiệp nho nhã này rốt cuộc muốn làm gì, hắn là hạng người gì?

"Mai Nhi, đây là trà thơm do anh vừa pha cho em đó, em uống cho giải rượu nhé…" Lăng Vân Giai ân cần đưa ly trà qua cho Tạ Mai Nhi, trong lòng khấp khởi mừng thầm.

Tạ Mai Nhi cười mỉa trong bụng, ai ngu mới uống trà có thuốc của anh. Cô giơ tay đón lấy ly trà, đưa lên mũi hít hà một cái, mở miệng khen: "Trà này thơm quá nhỉ?"

Nhưng Tạ Mai Nhi không uống mà dâng hai tay trả ly trà ngược cho Lăng Vân Giai, mỉm cười nói: "Lăng công tử, anh cũng uống rất nhiều bia rồi, em thấy anh đỏ mặt hết rồi kìa, hay là anh uống vài ngụm trà giải rượu trước đi, em là nhân viên nghiệp vụ khi tiếp khách hàng hay uống rượu nên chút bia vừa rồi em sẽ không say đâu…"

Mẹ kiếp! Lăng Vân Giai ngấm ngầm nguyền rủa, con Tạ Mai Nhi này hoàn toàn không hành động theo kịch bản gì cả, trong tình huống này thường các cô gái sẽ vui lòng tiếp nhận lòng tốt của đàn ông uống ly trà giải rượu kia, nhưng cô gái này bày đặt khách sáo với mình mới chết chứ.

Lăng Vân Giai kể cũng cao tay, để Tạ Mai Nhi khỏi nghi ngờ, hắn chỉ còn cách đón lấy ly trà, nhìn bộ dạng của hắn đủ biết hắn đang khó chịu biết dường nào.

"Uống đi, tại sao anh không uống trà? Hay là ly trà này không uống được?" Tạ Mai Nhi cười gằn cố ép Lăng Vân Giai uống trà cho bằng được.

Lăng Vân Giai đâu dám uống, thuốc kích dục hắn bỏ vào đó hắn biết rõ tác dụng của nó hơn ai hết, lượng thuốc đó đủ làm cho một con trâu bự hưng phấn lên, hắn mà uống vào không biết sẽ ra sao nữa.

"Uống đi…" Tạ Mai Nhi không ngừng hối thúc.

Lăng Vân Giai nhăn mặt suy nghĩ đối sách, đột nhiên hắn nảy ra một ý, liền giả vờ tuột tay để rơi ly trà có thuốc xuống đất, chiếc ly thủy tinh lập tức vỡ tan.

Đến lúc này Lăng Vân Giai mới thở phào nhẹ nhõm.

Tạ Mai Nhi thừa cơ cười mỉa, nói: "Lăng công tử, xem ra ly trà này quả nhiên có vấn đề rồi, nếu không sao anh lại không dám uống? Hơn nữa còn cố ý ném vỡ cái ly nữa chứ."

Sắc mặt Lăng Vân Giai liền thay đổi, nhưng hắn vẫn cố chối: "Nhìn em kìa, ly trà này sao lại có vấn đề kia chứ…Mai Nhi, thật ra anh cũng muốn giấu em, cánh tay của anh từng bị thương, tuy bây giờ trị khỏi rồi nhưng chẳng khác nào tàn phế, anh chỉ cầm được vật nặng dưới hai trăm gram thôi."

"Thôi đi, Lăng Vân Giai, anh còn giả đò đạo đức nữa hả? Tôi nhìn thấy hết rồi, cái trò bỉ ổi của anh đem lừa gạt mấy cô bé mới ra trường thì còn được, áp dụng vào tôi không có tác dụng đâu…"

Tạ Mai Nhi vô cùng tức giận, niềm hy vọng vừa nhen nhóm trong trái tim cô đã bị dập tắt nhanh chóng, ước mơ kiếm tấm chồng hoàn hảo của cô đã bị tan vỡ mất rồi.

Tục ngữ nói rất đúng, "Dục tốc bất đạt", Tạ Mai Nhi hấp tấp tìm đối tượng nên mới gặp phải tên đê tiện Lăng Vân Giai này.

Nếu đã để lộ âm mưu rồi, Lăng Vân Giai không còn gì phải che giấu nữa, hắn cười phá lên khả ố, moi từ trong túi ra một xấp tiền, ném qua cho Tạ Mai Nhi, khinh khỉnh nói: "Cầm lấy đi, hầu hạ anh cho vui, số tiền này cho cô em hết đó."

Tạ Mai Nhi liếc vào xấp tiền, chắc cũng phải hơn 6 vạn, cô thích tiền, điều đó không sai, nhưng Tạ Mai Nhi tuyệt đối không vì mấy chục ngàn bạc mà bán rẻ nhân cách của mình, bán rẻ trinh tiết và sỉ diện, cô cúi xuống lượm xấp tiền lên, ném thẳng vào mặt trả lại cho Lăng Vân Giai, gào to: "Đồ vô liêm sỉ!"

"Tiện nhân, biết tao là ai không mà dám đắc tội hả? Muốn chết này…" Lăng Vân Giai tức điên lên, ngày thường 3 tuyệt chiêu chuốc rượu, bỏ thuốc, vung tiền của hắn đều tuyệt nhiên hữu hiệu, nhưng hôm nay bị con Tạ Mai Nhi này phá hỏng hết tất cả, hắn cảm thấy đây là một sự sỉ nhục.

Tạ Mai Nhi thấy Lăng Vân Giai để lộ bản mặt gian trá, trong khoảnh khắc ấy cô mới biết hoảng sợ, vội đứng dậy tính bỏ ra về.

Nhưng Lăng Vân Giai đã sớm biết ý định của cô, hắn túm lấy tay trái Tạ Mai Nhi, giở trò vô lại: "Tiện nhân kia, với quyền thế của nhà họ Lăng tao tại thành phố Hoa Hải, cho dù tao thịt mày ngay tại đây thì mày dám làm gì tao nào…"

Tạ Mai Nhi hoảng loạn lên tính giằng khỏi tay hắn, nhưng sức của một cô gái yếu đuối sao có thể chống lại tên điên cuồng như Lăng Vân Giai, cánh tay Tạ Mai Nhi bị bấu chặt, dù cô có giãy giụa đau đớn cũng không thoát ra được.

"Tiện nhân, biết điều thì nghe theo tao đi, sau khi hầu hạ tao vui vẻ thì số tiền kia vẫn thuộc về mày, bằng không hôm nay mày vừa mất tấm thân trong sạch vừa không có xu nào đấy nhé…"

Bộ mặt lang sói của Lăng Vân Giai bộc lộ hoàn toàn, suy cho cùng cũng vì thủ đoạn hắn tự cho là cao siêu nhất bị thất bại, hắn không tức điên người mới lạ.

Tạ Mai Nhi hằn học trừng mắt nhìn vào Lăng Vân Giai, thét lên cảnh báo: "Anh không sợ tôi báo cảnh sát sao?"

"Hô hô!" Lăng Vân Giai cười to khoái trá, hắn có niềm tin tuyệt đối vào mình, nói: "Mày có tin bây giờ tao làm thịt mày xong, lát nữa tao còn chủ động báo cảnh sát nói mày là gái bán hoa đến dụ dỗ tao không? Đến lúc đó người vào tù là mày chứ không phải tao đâu."

"Vô liêm sỉ!" Tạ Mai Nhi tức giận sôi gan, cũng không biết lòng can đảm từ đâu đến với cô, đột nhiên cô dùng tay phải cầm lấy một chai rượu trên bàn, đập một cú mạnh vào đập Lăng Vân Giai.

"Choang!" một tiếng lanh lảnh vang lên, chai rượu đập trúng vào trán Lăng Vân Giai vỡ toang.

Lăng Vân Giai không ngờ Tạ Mai Nhi trước tình hình này mà còn dám chống trả nên không hề phòng bị, đợi khi hắn nhận ra nguy hiểm thì đã trễ, đầu hắn đã bị chai rượu đập trúng, máu tươi chảy từ trên trán lăn dài xuống bộ mặt tuấn tú.

Lăng Vân Giai lập tức hét lên như sấm: "Giết người rồi, giết người đây này…"

Rất nhanh, tiếng la hét của Lăng Vân Giai kinh động đến các nhân viên bảo vệ canh gác bên ngoài hành lang.

Mấy nhân viên bảo vệ liền xông vào phòng khống chế cả Lăng Vân Giai và Tạ Mai Nhi, Lăng Vân Giai điên tiết lên đòi báo cảnh sát, mấy nhân viên bảo vệ đều biết thân phận công tử nhà giàu của hắn nên không dám ngăn cản.

Tạ Mai Nhi lập tức hoảng loạn lên, thế lực của nhà họ Lăng ở thành phố Hoa Hải cô cũng biết rõ, đợi lát nữa cảnh sát kéo đến đây, hắn mà đổi trắng thay đen tố cáo mình tội cố ý gây thương tích thì mình phải vào tù mất thôi.

Nghĩ đến đây, Tạ Mai Nhi òa khóc nức nở, cô vội quay sang giải thích tình hình lúc đó với các nhân viên bảo vệ.

Mấy nhân viên bảo vệ đương nhiên tin lời Tạ Mai Nhi, hành vi bỉ ổi của Lăng Vân Giai, mấy người làm việc lâu năm ở các tụ điểm ăn chơi đều biết, mấy năm nay số cô gái nhà lành bị hủy vào tay hắn còn ít hay sao?

Nhưng tin là một chuyện, ra tay cứu giúp lại là chuyện khác, mấy nhân viên bảo vệ chỉ là làm một công việc kiếm miếng cơm thôi, họ đâu có khả năng vì một cô gái tội nghiệp mà đắc tội với nhà họ Lăng.

"Xảy ra chuyện gì đó?"

May sao Vương Thế Phi vừa đi ngang qua đó, nghe thấy trong căn phòng Mẫu Đơn có tiếng ồn ào nên bước vào xem thử, thấy Lăng Vân Giai bị đánh bể đầu, tuy máu đã ngưng chảy, nhưng khuôn mặt đẹp trai của hắn lúc này trông vô cùng thảm hại, đứng bên cạnh hắn, một cô gái xinh đẹp ăn mặc quyến rũ đang khóc lóc thảm thương.

Nhìn thấy cảnh này, Vương Thế Phi không cần hỏi cũng hiểu ra mọi chuyện.

"Ông chủ, Lăng công tử kiên quyết muốn báo cảnh sát, chúng tôi không thể cản lại." Một nhân viên bảo vệ thấy Vương Thế Phi bước vào, vội lên tiếng kể lại ngắn gọn tình hình cho ông chủ nghe.

Vương Thế Phi nhìn kĩ vào Tạ Mai Nhi, sao cô gái này trông quen thuộc thế nhỉ? Hình như đã gặp ở đâu rồi thì phải, nhưng trong một lúc hắn lại không nhớ ra đã gặp ở đâu.

"Đi, kêu A Tài lại đây…" Vương Thế Phi liền dặn dò một nhân viên bảo vệ.

Sau đó hắn cười giả lả tiếp chuyện với Lăng Vân Giai kéo dài thời gian: "Lăng công tử, chỉ là chút chuyện nhỏ thôi mà, anh cần gì báo cảnh sát làm to chuyện…Hay là để tôi gọi xe cứu thương cho anh nhé, để nhân viên y tế băng bó cầm máu trước đã…"

“Vương Thế Phi, anh đừng làm bộ làm tịch trước mặt tôi, tôi nói cho mà biết, chuyện hôm nay Kim Bích Huy Hoàng của anh cũng không thoát tội đâu, tôi sẽ đợi cảnh sát đến giải quyết.” Lăng Vân Giai hậm hực gây sự luôn với Vương Thế Phi.

“Tùy anh thôi…” Vương Thế Phi cười gằn một tiếng, cái con chó điên này hơi đâu mà cãi lại.

Chính vào lúc này, A Tài hối hả chạy vào phòng: “Thiếu gia, kêu em có việc gì vậy?”

Vương Thế Phi kéo A Tài qua một góc, chỉ tay vào Tạ Mai Nhi, hỏi nhỏ: “Mày có nhớ ra cô ta là ai không? Tao cứ cảm thấy cô gái này quen quen, mày coi thử đi…”

A Tài nghe xong, vội đưa mắt nhìn thẳng vào Tạ Mai Nhi.

Không nhìn thì thôi, vừa nhìn thấy Tạ Mai Nhi A Tài liền giật bắn người, trời ạ, cô gái này là cô gái đi bên cạnh Phương thiếu gia đây mà, có một lần A Tài còn tận mắt chứng kiến cô gái này đi cùng Phương thiếu gia vào siêu thị mua đồ nữa, hình như cô ta tên là…Mai Nhi. Đúng rồi, Tạ Mai Nhi.

“Thiếu gia, em nhận ra cô gái này rồi, cô ta tên là Tạ Mai Nhi, là cô gái bên cạnh Phương thiếu gia…” A Tài vội vàng thông báo với Vương Thế Phi.

“Cô gái của Phương thiếu gia à?” Vương Thế Phi cũng giật bắn lên, hắn vỗ mạnh vào vai A Tài, hỏi lại lần nữa cho chắc: “Mày khẳng định chứ? Mày không nhìn lầm đúng không?”

“Không đâu, tuyệt đối không lầm lẫn, em tận mắt chứng kiến cô ta và Phương thiếu gia cùng vào siêu thị mua đồ mà, quan hệ hai người họ còn thân mật lắm…” A Tài khẳng định chắc nịch.

Nghe đến đây Vương Thế Phi không nói thêm gì nữa, hắn vội lấy điện thoại ra gọi ngay cho Phương Hạo Vân, đem chuyện của Tạ Mai Nhi ở Kim Bích Huy Hoàng nói hết cho Phương Hạo Vân nghe, hy vọng Phương thiếu gia nhanh chóng tới đây giải quyết.

Phương Hạo Vân sau khi nhận được cuộc gọi thông báo của Vương Thế Phi lập tức phóng xe tới Kim Bích Huy Hoàng ngay, vừa nãy Tạ Mai Nhi nói hẹn hò với Lăng Vân Giai là hắn cảm thấy sẽ xảy ra chuyện rồi,

Phương Hạo Vân vốn cũng không định dòm ngó, nhưng hắn vẫn vô tình nhìn thấy chiếc đùi trắng nõn nà của Tạ Mai Nhi.

Phương Hạo Vân cảm thấy trong tình trạng như vậy mà dòm ngó người ta là không đạo đức, hắn vội vàng ho lên một tiếng, để mà nhắc nhở.

Tạ Mai Nhi rất mau chóng đã phát hiện ra cái sự hớ hênh của mình, trên khuôn mặt đã đánh một lớp phấn mỏng của cô liền ửng đỏ lên, đôi mắt trong veo có vẻ đang rất khó xử. Cô vội vàng buông tay ra, dùng tay kéo lại chiếc váy, đôi mắt cứ nhìn xuống đất, chỉ giận một nỗi là không tìm được cái lỗ để cô chui vào.

Phương Hạo Vân nhìn vẻ lúng túng của Tạ Mai Nhi, mỉm cười, nói: "Chị Mai, thật ra hôm nay chị trang điểm rất đẹp, chỉ là chị đã tìm sai người để thưởng thức thôi."

"Thật à?" Tạ Mai Nhi nghe xong, liền quên mất chuyện khó xử của mình, đôi mắt như đang cười vậy.

Phương Hạo Vân gật đầu, nói: "Thật mà. Chị Mai, chị có muốn biết ấn tượng của đồng nghiệp trong công ty đối với chị là như thế nào không?"

"Uhm.!"

Tạ Mai Nhi khẽ gật đầu, trên mặt đầy chờ đợi.

"Trong mắt các đồng nghiệp trong công ty, chị Mai là một cô gái thông minh, xinh đẹp và hoạt bát, là một người rất có nguyên tắc, hơn nữa còn thuộc loại phụ nữ ngực to, đầu cũng to."

"Đáng ghét." Lời của Phương Hạo Vân vẫn chưa nói hết, thì đã bị Tạ Mai Nhi cắt ngang, cô phát hiện ra khi Phương Hạo Vân đang nói chuyện, đồng thời ánh mắt của hắn cũng nhìn chằm chằm vào ngực mình. Thật là đáng ghét quá đi. bản thân hắn đã là một người đàn ông có hai người đàn bà rồi, mà cũng không biết bớt phóng túng một chút.

Cuối cùng đã nhìn thấy được nụ cười trên mặt của Tạ Mai Nhi, Phương Hạo Vân thầm thở phào nhẹ nhõm, hắn vỗ vỗ vào vai của cô, nói: "Hết chuyện rồi, chúng ta về nhà thôi."

Chính vào lúc hai người bước ra khỏi phòng làm việc của Vương Thế Phi, họ gặp phải Vương Thế Phi đang vội vàng bước đến: "Phương thiếu gia, phó đội trưởng Châu của phân cục cảnh sát Linh Giang đã đem người đến, nói là Tạ tiểu thư đây có liên quan đến việc cố ý gây thương tích cho người khác."

"Phân cục cảnh sát Linh Giang?"

Phương Hạo Vân khẽ nhíu mày: "Người nhà họ Lăng đã đến chưa."

"Cũng đang trên đường đến đây. Theo tôi được biết, mối quan hệ giữa nhà họ Lăng với Châu Giang của đại đội trị an thuộc phân cục cảnh sát Linh Giang rất tốt. Tôi thấy sự việc ngày hôm nay, nhà họ Lăng sẽ không dễ dàng bỏ qua đâu." Vương Thế Phi kiến nghị: "Có cần báo cho ông chủ Trần biết không?"

"Không cần.!"

Phương Hạo Vân cười khinh miệt: "Chuyện nhỏ như vậy, tôi có thể ứng phó nổi."

Nói xong, Phương Hạo Vân liền gọi điện cho đội trưởng đội cảnh sát thành phố Trương Bưu, đem sự việc ngày hôm nay nói sơ qua cho hắn biết, mong hắn có thể mau chóng đến đây xử lý vụ này.

"Cao chiêu.!"

Vương Thế Phi cười nói: "Phương thiếu gia, sao tôi lại nghĩ không ra nhỉ. Không cần chúng ta can dự vào, mới là cách giải quyết tốt nhất."

"Anh hãy đi ngăn cản tên Châu Giang đã, đợi đội trưởng Trương đến rồi hẵng nói." Phương Hạo Vân không muốn có bất cứ xung đột gì với cảnh sát, nên hắn dẫn theo Tạ Mai Nhi trở lại phòng làm việc.

Tạ Mai Nhi có chút lo lắng hỏi: "Hạo Vân, sẽ không có chuyện gì chứ? Chị không muốn ngồi tù đâu. thật sự không muốn đâu, em nhất định phải giúp chị."

"Yên tâm đi, chị Mai, có em ở đây, hôm nay cho dù có là thiên vương lão tử cũng không đụng được đến chị. Chúng ta cứ ở đây yên lặng chờ đợi một chút, đợi chút nữa sẽ có người ra mặt dùm chúng ta." Phương Hạo Vân lạnh nhạt an ủi vài câu.

Sống mũi Tạ Mai Nhi cay cay, vừa uất ức vừa cảm động, cô rất muốn sà vào lòng người đàn ông này mà khóc một trận, nhưng cô biết rằng, người đàn ông này không thuộc về cô.

Lăng Vân Giai thấy Châu Giang xuất hiện, liền thở phào một cái, Phương Hạo Vân mày lợi hại lắm đúng không? Nhưng mày cũng đâu dám đối đầu với cảnh sát?

"Các người tránh ra." Châu Giang bước vào, thấy trên mặt Lăng Vân Giai toàn là máu, còn bị người ta vây lại, gã liền nổi giận, hét lên vài tiếng, giải tán hết đám bảo an. Quan tâm hỏi han đến Lăng Vân Giai: "Lăng thiếu gia, không sao chứ? Có cần tôi đưa cậu đến bệnh viện băng bó không?"

"Băng cái gì mà băng. bắt cái con tiện nhân đánh tôi trước đi rồi hẵng tính tiếp." Lăng Vân Giai đầy phẫn nộ, vậy là hắn đã có ý định sẽ trút giận vào Tạ Mai Nhi. Giờ chỗ dựa của hắn đã đến, nỗi sợ Phương Hạo Vân trong lòng hắn cũng đã không còn.

"Đúng rồi, bắt người trước đã.!"

Một tiếng ra lệnh của Châu Giang, tất cả các nhân viên bắt đầu lục soát mọi ngõ ngách để tìm kiếm tung tích của Tạ Mai Nhi.

Lăng Vân Giai nôn nóng đề nghị nói: "Đừng lục soát nữa, người đã được Vương Thế Phi giấu đi rồi, nhất định ở trong phòng làm việc của hắn, chúng ta cứ đến thẳng đó mà đòi người."

"Lăng thiếu gia, đừng có nói bậy." Đúng lúc này Vương Thế Phi xuất hiện ngay trước cửa, phía sau lưng hắn, có khoảng 30 đến 40 tên bảo an đang đứng xếp hàng.

Châu Giang là một người thông minh, thấy tình thế này đã biết ngay Vương Thế Phi có chuẩn bị mà đến, gã hét to một tiếng nói: "Vương thiếu gia, bảo người của anh hãy tránh qua một bên, đừng có cản trở chúng tôi làm việc."

"Xem ông kìa." Vương Thế Phi cũng không thèm chào hỏi gì với tên Châu Giang, hắn cười nói: "Nghe nói Châu đội trưởng đã đến đây, không phải tôi đây đã tập hợp hết đội ngũ bảo an, để giúp đỡ ông triển khai công việc sao?"

"Vậy được. bây giờ anh hãy dẫn tôi đến phòng làm việc của anh." Lăng Vân Giai nói một câu xen vào.

"Anh là cái thá gì chứ." Ánh mắt Vương Thế Phi đanh lại, nhìn Châu Giang, hỏi: "Phó đội trưởng Châu, sao tôi lại chẳng biết, anh ta trở thành cấp trên của ông từ lúc nào vậy."

"Vương thiếu gia. tất cả đều là người thông minh, giở trò miệng lưỡi này cũng không có tác dụng gì, tôi khuyên cậu nên hợp tác một chút, dẫn chúng tôi đi tìm Tạ Mai Nhi, nếu không thì. cái tội danh chứa chấp tội phạm, cậu phải mang chắc rồi." Đối với Vương Thế Phi, Châu Giang cũng không dám làm quá, dù gì thì nhà họ Vương cũng không phải là chỗ dễ chọc vào. Hiện giờ điều gã có thể làm, chính là phân tích cho hắn biết cái lợi và hại, để hắn biết khó mà rút lui.

"Hứ.!"

Vương Thế Phi cười lạnh lùng, nói: "Phó đội trưởng Châu đang ức hiếp Vương Thế Phi tôi, vì không hiểu biết về pháp luật hay là đang thử tôi, trước khi chưa được định tội, phải gọi là nghi phạm, chứ không phải là tội phạm. Sự việc ngày hôm nay, ai là nghi phạm bây giờ còn chưa nói chắc được?"

"Cậu." Châu Giang nhiều lần do dự, quyết định vẫn cứ giữ mối quan hệ với nhà họ Lăng, dù sao thì những năm gần đây nhà họ Lăng cũng đã cho gã nhiều lợi ích.

"Mọi người nghe cho rõ đây, ông chủ của Kim Bích Huy Hoàng liên quan đến tội cản trở người thi hành công vụ, mọi người cứ cưỡng chế mà thi hành nhiệm vụ." Nói xong Châu Giang đã rút súng ra, chuẩn bị bắn súng để cảnh cáo.

Trương Bưu, Tiểu Lý và cả pháp y Bạch Vân Kiệt đã đến kịp thời, sắc mặt gã đanh lại, giận dữ nói: "Châu Giang, ông muốn làm gì?"

Nếu nói là đấu tay đôi, thì năm người này không ai có thể là đối thủ của Trương Bưu được, nhưng nếu năm người họ cùng nhau đánh thì Trương Bưu có chút không thể chống đỡ nổi. Họ đơn thuần là đang dùng chiến thuật xa luân chiến.

Đánh nhau hơn nửa tiếng đồng hồ, thể lực của Trương Bưu dần dần yếu đi, đã sơ hở một chút ở phía sau lưng, liền bị tên cầm đầu bọn áo đen đánh lén một cái, đau đến tận xương tủy.

"Dừng tay…!"

Nhìn thấy Trương Bưu đã trở thành cây cung sắp đứt dây, tên cầm đầu bọn áo đen bèn hét to một tiếng, ra hiệu cho bọn thuộc hạ có thể ngừng chiến được rồi.

Lúc này, Trương Bưu đã đầm đìa mồ hôi, sự hợp sức của năm người này, quả thật rất khó ứng phó, lại thêm đòn đánh lén của tên cầm đầu, sức chiến đấu của hắn đã giảm đi một nửa.

Nhưng Trương Bưu cũng đã đánh gãy tay của 3 tên, ước chừng cũng đủ để hù dọa chúng rồi.

Trương Bưu vẫn đứng yên tại chỗ, cơ thể có vẻ chao đảo muốn ngã xuống, hắn cố gắng ngẩng đầu lên lạnh lùng nhìn tên cầm đầu bọn áo đen, giận dữ mắng: "Khốn nạn, đánh rồi lại đánh, rốt cuộc tụi bây muốn chơi trò gì đây…trước lúc chết, cũng phải cho tao biết sự thật chứ?"

"Ha ha…!"

Tên cầm đầu ngẩng mặt lên cười, dùng giọng Trung Quốc cứng nhắc nói: "Yên tâm đi đội trưởng Trương, chúng tôi không phải đến lấy mạng anh, chúng tôi chỉ muốn kết bạn với anh thôi, tiện thể có một chuyện muốn hỏi thăm anh."

"Khốn nạn, thì là là bọn tây…" Từ giọng nói của đối phương có thể đoán được, tên cầm đầu chắc chắn là người ngước ngoài. Trương Bưu thầm nghĩ, hình như mình không có thù hằn gì với tên người tây này, mà hình như cũng chẳng có qua lại gì?

"Đội trưởng Trương, người Trung Quốc các anh có câu nói là bạn từ phương xa đến, vui mừng khôn kể…anh lại gọi chúng tôi là bọn tây, hình như có chút không được lễ nghĩa…thú thật với anh, chúng tôi thật sự muốn được kết bạn với anh. Anh yên tâm, chỉ cần anh hợp tác với chúng tôi, tôi sẽ để cho anh rời khỏi chỗ này một cách bình an vô sự."

332. Chương 44: Cứu Viện

Tên cầm đầu đằng hắng một tiếng, đanh giọng hỏi: "Đội trưởng Trương, tôi hỏi anh, anh đã từng gặp qua tên sát thủ đi ám sát Hoa Thiên Minh?"

"Đã từng gặp qua…!"

Trương Bưu cười lạnh lùng hỏi lại: "Tôi biết rồi, bọn tây các người chắc chắn là cùng bọn với gã đó? Khốn nạn, tôi đã nói mà, tôi không hề có qua lại gì với bọn tây cả. Khoan đã, các người phải cho tôi biết các người là ai? Dựa vào cái gì mà bắt tôi phải trả lời câu hỏi của các người…" Trương Bưu đoán là hôm nay hắn đã không còn đường sống, đằng nào cũng phải chết, chi bằng cứ cứng đầu một chút.

"Đội trưởng Trương, nói thế này nhé, không biết thân phận của chúng tôi, anh vẫn còn có thể tiếp tục sống, nếu đã biết thân phận của chúng tôi, thì anh nhất định phải chết. Vậy đi, tự anh chọn lấy vậy?" Tên cầm đầu lạnh lùng nói.

"Dựa vào đâu mà tôi phải tin anh?" Trương Bưu hỏi sắc mặt vẫn không thay đổi.

"Anh không còn chọn lựa nào khác…!" Tên cầm đầu lạnh lùng nói: "Đội trưởng Trương, thú thật với anh, chúng tôi đã nghiêm cứu rất nhiều về tư liệu của anh, đối với võ công của anh, chúng tôi nắm rõ như lòng bàn tay. Nếu hôm nay anh hợp tác với chúng tôi, tôi sẽ cho anh một con đường sống, sau này anh vẫn có thể làm cái chức đội trưởng của anh. Nếu anh không hợp tác, đó là anh đã tự đâm đầu vào chỗ chết.

"Nói vậy là, tội thật sự không thể lựa chọn rồi…" Trương Bưu khinh miệt hứ một tiếng, nói: "Nếu đã vậy thì, tôi sẽ chọn con đường chết, xông vào đi, xông vào mà giết tôi…thằng này nếu như phải chết, cũng phải kiếm vài tên để lót xác."

Tên cầm đầu từ từ bước đến gần, nói: "Anh muốn chọc tức tôi? Vô dụng thôi, mục đích của tôi rất đơn giản, chỉ là muốn biết tình trạng của tên sát thủ đó ở Hoa Hải như thế nào rồi…và cả chuyện hắn chết như thế nào. Anh nói cho tôi biết những chuyện đó, anh sẽ được tự do. Chúng tôi cũng sẽ đích thân đưa anh trở về…"

Trương Bưu thầm thấy ngạc nhiên, không ngờ đám người này tốn bao nhiêu công sức, chỉ là vì chuyện này thôi. Nhưng nghĩ lại thì, tên sát thủ đó đã chết như thế nào, quả thật hắn cũng không biết.

Tối hôm đó ở biệt thự của Hoa Thiên Minh, hắn và Đại Phi vốn không nhìn rõ đám cao thủ đang đấu đá ở bên ngoài…ai biết là ai đã giết ai chứ?"

"Khoan đã…có thể nào là cô gái đó không?" Trương Bưu nhớ đến người nữ hiệp đã từng cứu họ ở trường bắn. Đã nhận ơn của người ta, thì phải tìm cách báo đáp cho người ta. Trương Bưu không dự định sẽ nói chuyện này ra.

Nghĩ đến đây, hắn lạnh lùng nói: "Xin lỗi, anh đã hỏi nhầm người rồi, tôi vốn không biết tên đó đã chết như thế nào…bọn tây các người, bây giờ chưa chắc đã có thể khống chế được tôi, anh có dám tiến lên thử sức không? Tôi đảm bảo có thể bắt anh phải trả một cái giá rất đắt."

Tên cầm đầu sững người lại, nói: "Đừng có giả vờ trước mặt chúng tôi nữa, bây giờ anh như cây cung đã hết tên, thuộc hạ của tôi, bất cứ người nào cũng có thể giết anh chết."

Vừa nói xong, gã lại tiến lên trước vài bước, chỉ còn đứng cách Trương Bưu khoảng một mét. Trương Bưu có thể cảm nhận được sát khí rất nặng phát ra từ người gã.

Năm tên áo đen còn lại cũng vây lấy Trương Bưu, phong tỏa hết mọi đường lui của hắn. Không khí lúc này liền trở nên căng thẳng.

Trương Bưu nhân lúc nói chuyện với nhau, đã hồi phục lại phần nào sức lực, nhưng nếu sáu tên này cùng nhau xông lên, hắn cũng không chống đỡ được lâu.

Mím chặt răng, Trương Bưu cởi phăng chiếc áo ra, để lộ làn da rắn chắc như đồng, tức giận nói: "Xông vào đi, để xem lũ tây các người chết trước, hay là tôi chết trước."

Lúc này Trương Bưu đã bỏ mặc tất cả, trong lòng đã có ý nghĩ liều mạng. Vì vậy, khí thế càng dũng mãnh hơn so với lúc trước. Sáu tên áo đen gần như cùng một lúc chau mày, có chút kinh ngạc trong đôi mắt hé ra từ lớp vải đen. Hình như họ cảm thấy khó hiểu Trương Bưu, rõ ràng đã như cung hết tên, nhưng trên cơ thể hắn vẫn phát ra một mùi khiến người khác cũng thấy ớn lạnh.

Tên cầm đầu đanh giọng nói: "Đội trưởng Trương, anh rất ngu xuẩn, nếu anh từ chối hợp tác, thì đừng trách chúng tôi ra tay độc ác."

Trương Bưu đã có 3 năm làm đặc chủng binh, lại làm đội trưởng đội cảnh sát đã 3 năm, đã từng thực hiện nhiều nhiệm vụ rất nguy hiểm, và từng nhiều năm lăn lộn trước đầu súng mũi dao, nên khí thế phát ra từ người hắn không phải người bình thường có thể so sánh được.

"Xông lên đi…" Trương Bưu hét lớn một tiếng, khí thế trên người cũng vì thế mà mạnh mẽ hơn nữa.

"Muốn chết…bắt sống nó, dẫn nó về, tao sẽ có cách khiến nó phải mở miệng…!"

Tên cầm đầu đã hết kiên nhẫn, hắn tức đến điên người mà ra lệnh cho thuộc hạ tấn công. Nhưng, chỉ trong chớp mắt, trước mặt Trương Bưu lại xuất hiện thêm một người mang mặt nạ Tôn Ngộ Không.

"Bọn tây các ngươi, thật không biết xấu hổ…bao nhiêu người lại vây đánh một người." Tên mang mặt nạ Tôn Ngộ Không nhìn mọi người một lượt, khinh khi nói.

Trương Bưu khẽ giật mình. Có thể người này sẽ là cứu tinh của hắn. Thật ra, trước giờ hắn cũng không tin rằng trên thế gian này có cái gọi là kỳ tích. Nhưng hôm nay, sự thật đã dạy cho hắn, trên đời này quả thật có kỳ tích.

"Anh bạn…đừng có lo chuyện bao đồng…nếu không thì mày sẽ tự rước họa vào thân." Trong lòng tên cầm đầu còn ngạc nhiên hơn cả Trương Bưu. Gã thật sự không ngờ, giữa đường lại nhảy ra một tên bao đồng như vậy. Nhưng từ khí thế mà nói, người này cũng thuộc hạng bình thường thôi, chỉ là vừa nãy khi hắn nhảy vào thì thân pháp trông rất linh động, cho dù là trong đám người họ cũng không ai có thể so bì được.

"Đừng nói nhiều nữa, nếu tao đã đến đây, thì tụi mày đừng nghĩ đến chuyện thoát thân…dám tập kích đội trưởng đội cảnh sát à, đó là tội nặng, bây giờ tao đại diện cho nhân dân tuyên án tụi bây, tụi bây chết chắc rồi…" Có một luồng sát khí hiện lên trong mắt tên mang mặt nạ Tôn Ngộ Không. Liền đó, trên người hắn bỗng phát ra một luồng khí thế rất mạnh.

Tên cầm đầu lúc này như người mới tỉnh mộng, thầm kinh sợ trong lòng, tên này là một đối thủ mạnh, gã lại dò xét tên mang mặt nạ một lần nữa, mới mở miệng nói: "Anh bạn, xem ra hôm nay anh thật sự muốn chống đối với chúng tôi rồi? Anh có biết hậu quả của việc chọc giận chúng tôi chưa?"

Ánh mắt tên mang mặt nạ tôn ngộ không khẽ xoay chuyển, nhìn về phía tên cầm đầu, khinh miệt nói: "Tao chỉ biết, hôm nay sáu đứa tụi bây, không đứa nào có thể sống sót mà rời khỏi chỗ này."

Trương Bưu vừa nhân cơ hội này để hồi phục sức lực, vừa thầm nghĩ, không ngừng suy đoán tên mang nặt nạ Tôn Ngộ Không này là ai…nhưng cuối cũng vẫn không nghĩ ra được.

"Muốn chết…!"

Ánh mắt tên cầm đầu sắc lạnh, nói: "Giết nó…!"

Trương Bưu lo rằng một mình hắn khó địch nổi với sáu người, vội vàng nói: "Anh bạn, anh đi đi, ý tốt của anh tôi xin nhận lãnh…nhưng họ người đông thế mạnh, anh không phải là đối thủ của họ đâu. Anh đi đi, đem toàn bộ chuyện này nói lại cho Tiểu Lý trong đội cảnh sát thành phố…cám ơn anh, anh đi đi."

"Không vội…!"

Ánh mắt tên mang mặt nạ Tôn Ngộ Không chuyển sang Trương Bưu, tự tin nói: "Tôi đến đây là vì muốn cứu anh, người còn chưa cứu được, sao tôi có thể rời khỏi chứ?"

Nói xong, ánh mắt của tên mang mặt nạ Tôn Ngộ Không liền lạnh như băng, bước lên một bước về hướng tên cầm đầu, xem thường nói: "Lên đi, đám phế thải này, để tao xem thử, tụi bây có bản lĩnh lớn đến cỡ nào."

"Lên…!" Tên cầm đầu lạnh lùng hét một tiếng, ra hiệu cho thuộc hạ bắt đầu tấn công.

Nhưng khi gã vừa nói dứt câu, trên tay tên đàn ông mang mặt nạ Tôn Ngộ Không đã xuất hiện một cây đao sáng loáng, đồng thời, thân hình hắn với một tốc độ nhanh như chớp giật đã xuất hiện ngay ở trước mặt một tên áo đen. Quá nhanh, nên mấy người ở hiện trường, bao gồm cả Trương Bưu chưa từng rời mắt khỏi hắn, cũng chưa kịp nhìn rõ động tác của hắn, nên vốn không hề hay biết, hắn đã rút đao ra như thế nào, rồi lại xuất hiện ở trước mặt người kia như thế nào.

"Kém cỏi quá…!"

Tên mang mặt nạ Tôn Ngộ Không hình như có chút thất vọng, chính trong cái lúc tên áo đen đang còn ngạc nhiên, thì đao của hắn đã cắm vào ngực của tên áo đen, tên áo đen đứng im như khúc gỗ, mặt mày trắng bệch, cho đến khi thanh đao của tên mang mặt nạ Tôn Ngộ Không rút ra khỏi ngực hắn, hắn mới la lên một tiếng thảm thiết, đồng thời, một dòng máu tươi phun ra từ vết thương ở ngực.

Tên mang mặt nạ Tôn Ngộ Không khẽ cựa quậy người, thì đã xuất hiện ngay bên cạnh Trương Bưu, tránh được những tia máu tươi bắn vào người hắn.

Lúc này tên mặc áo đen sau khi hét lên một tiếng thảm thiết, cơ thể hắn đã ngã ngay xuống mặt đất. Rất nhanh, dòng máu đỏ tươi đã thấm ướt xung quanh hắn.

Trương Bưu phát hiện ra, trên lưỡi đao của tên mang mặt nạ Tôn Ngộ Không không hề dính một vết máu nào. Đao pháp tốt…đúng là đao pháp tốt.

Cả quá trình đó, dường như chỉ xảy ra trong vòng vài giây.

Ánh mắt của tên cầm đầu như sắp bị đóng băng vậy, sát khí trên người mạnh mẽ hơn, ánh mắt phát ra những tia nhìn sắc lạnh, hắn giận dữ nhìn tên mang mặt nạ Tôn Ngộ Không nói: "Đao pháp thật tàn nhẫn…"

Tên mang mặt nạ Tôn Ngộ Không khinh thường cười nói: "Tại chúng mày quá vô dụng…cố gắng hết sức đi, nếu không thì thằng đó chính là tấm gương của chúng mày…" Nói xong, tên mang mặt nạ Tôn Ngộ Không dùng mũi đao chỉ vào cái xác vẫn đang chảy máu nằm trên mặt đất.

Tên cầm đầu nhìn lướt qua cái xác của tên đồng bọn, trong lòng bất giác thấy sởn hết cả người, lại nhìn đôi mắt tàn khốc của đối phương, hắn biết rằng, chuyện ngày hôm nay e là khó mà giải quyết tốt đẹp được, không chừng, họ không những không thể hoàn thành nhiệm vụ, mà đến ngay cả tánh mạng cũng phải bỏ lại ở đây.

Nhìn tên mang mặt nạ Tôn Ngộ Không cao thâm khó đoán này. Trong lúc nói chuyện đã giết ngay một tên thuộc hạ của mình, theo tình hình như vậy mà nói, họ không thể nào là đối thủ của hắn được.

Sau khi suy đi nghĩ lại, tên cầm đầu cảm thấy hay là nên nhân lúc người của mình chưa bị thương vong nhiều, nên rút lui cho nhanh, chờ qua hết hôm nay, lại tìm cơ hội khác để bắt giữ Trương Bưu.

Nghĩ đến đây. Tên cầm đầu bước lên trước vài bước, xốc cái xác lên, tay kia như đang ra hiệu, rồi ra lệnh: "Rút…"

Các thuộc hạ của tên cầm đầu đã muốn bỏ chạy từ sớm, nhát đao lúc nãy, xem ra thì thấy rất bình thường, nhưng lại rất chí mạng. Ai cũng biết cả bọn họ có hợp lại với nhau cũng không phải là đối thủ của tên mang mặt nạ Tôn Ngộ Không này, nên chạy là thượng sách.

"Muốn chạy? Không có dễ vậy đâu…"

Tên mang mặt nạ Tôn Ngộ Không cười khinh miệt, hình bóng hắn tiến lên phía trước. Trong chớp mắt đã không thấy đâu nữa.

Trương Bưu cảm thấy như mình đang gặp ma vậy, nếu là người, sao lại có thể nhanh đến vậy được.

Cùng lúc với sự kinh ngạc của Trương Bưu, trước và sau xung quanh đã vang lên những tiếng kêu thảm thiết, liền đó, trên mặt đất lại xuất hiện thêm vài cái xác nữa. Sáu tên lúc nãy bao vây hắn, nay đã chết hết rồi, chỉ còn lại tên cầm đầu.

Ánh mắt Trương Bưu đanh lại, nhìn qua bên kia, phát hiện thanh đoản đao trên tay người mang mặt nạ Tôn Ngộ Không đã không thấy đâu nữa.

Đúng là cao thủ, quả thật đúng là cao thủ. Đột nhiên hắn nhớ đến lời dạy của người huấn luyện võ thuật trong bộ đội đặc chủng, một đao thủ thật sự, đều có thể giấu thanh đao của mình trong một bộ phận nào đó trên cơ thể, lúc xuất đao có thể khiến người khác không đề phòng, khiến họ không để ý. Còn về chuyện đao được giấu ở nơi nào, chỉ có một mình đao thủ biết mà thôi.

Trương Bưu đâu hề biết, thanh đoản đao của người đàn ông mang mặt nạ Tôn Ngộ Không, không phải được giấu trên cơ thể, mà là được giấu trong cơ thể.

Đương nhiên, chuyện nghịch lý này, cho dù là chính miệng hắn nói với Trương Bưu, thì Trương Bưu cũng không tin, chứ đừng nghĩ tới chuyện Trương Bưu tự đoán ra.

"Bây giờ, mày còn cho rằng một mình mày có thể chạy thoát được không?" Sau khi tên đàn ông mang mặt nạ Tôn Ngộ Không đã giết sạch thuộc hạ của gã, lại ép gã lùi lại vài bước, trong ánh mắt hắn đều là sự khinh miệt và hiếu sát.

Trương Bưu lê bước một cách khó nhọc, nhìn những thi thể, toàn bộ đều bị một đao đâm xuyên tim, sạch sẽ nhanh gọn, ngã xuống đất liền tắt thở ngay, đao pháp này quả thật rất tàn nhẫn.

Nhưng nói cách khác thì, đối với những tên cướp này, phương pháp này lại khá được việc.

"Anh bạn, cám ơn…!"

Trương Bưu đi đến trước mặt tên đàn ông mang mặt nạ Tôn Ngộ Không, cúi người cám ơn.

Tên đàn ông mang mặt nạ Tôn Ngộ Không cười một cách rộng lượng, đanh giọng nói: "Không cần khách sáo, tôi vốn đến đây là để cứu anh, anh là một người chính trực, là một đội trưởng cảnh sát giỏi. Hoa Hải này không thể không có anh…đợi tôi dọn nốt tên còn lại, tôi sẽ đưa anh về…"

"Tôi muốn theo anh học võ nghệ…" Trương Bưu đột nhiên quỳ xuống đất, thành khẩn nói: "Xin anh hãy nhận tôi làm đệ tử…tôi muốn theo anh học võ công thượng thừa."

Từ trước đến nay, Trương Bưu đều cho rằng võ công của mình cũng đã khá lắm rồi. Nhưng hôm nay, hắn mới tỉnh ngộ ra, mấy chiêu võ mèo quào của mình ở trước mặt võ công thật sự, đúng là một trò cười, không đỡ nổi một đòn.

"Đội trưởng Trương, anh không cảm thấy dùng súng sẽ càng tiện lợi hơn sao?" Tên mặt nạ Tôn Ngộ Không bước đến gần đỡ Trương Bưu đứng dậy, nghiêm sắc mặt lại nói: "Trong cái thời đại khoa học kỹ thuật phát triển như thế này, chẳng lẽ anh không cảm thấy võ công đã qua thời rồi sao?"

Nói đến đây, tên mang mặt nạ Tôn Ngộ Không lại nói tiếp: "Vấn đề mà tôi hỏi anh, anh không cần phải trả lời vội, đợi tôi lo xong việc rồi, anh hãy trả lời tôi…đến lúc đó, tôi sẽ dựa vào câu trả lời của anh để mà quyết định có nên dạy anh võ công tốt hơn hay không."

333. Chương 45: Chỉ Còn Một Năm Thôi

"Tao đã nói, mày nhất định phải chết…!" Tiếp đó là một tiếng cười lạnh lùng, tên cầm đầu chỉ thấy bên ngực mình rất đau, như bị một cây búa mạnh đập vào, cơ thể của hắn liền ngã ngay xuống đất.

Đòn tấn công này không hề gây tổn hại thật sự cho gã, trong ngời gian ngắn gã đã sợ sệt mà bò dậy, ngước mắt nhìn, trong đôi mắt trắng dã của hắn có thêm một chút sợ hãi.

Tên mang mặt nạ Tôn Ngộ Không chỉ ở cách gã có hai mét, trên tay phải của hắn đang cầm thanh đao đã giết chết hết đồng bọn của gã. Gã cảm thấy cơ thể gã đã hoàn toàn bị cái khí thế của tên đàn ông mang mặt nạ Tôn Ngộ Không này bao trùm lấy.

"Nếu dũng cảm thì đấu với tao một trận, đây là cơ hội cuối cùng của mày…!" Tên mang mặt nạ Tôn Ngộ Không nói nhạt.

Theo đó khí thế của tên mang mặt nạ Tôn Ngộ Không cứ không ngừng tăng thêm, tên cầm đầu cảm thấy cái chết vô hình đang bao trùm xung quanh gã, và cũng đang từ từ xâm nhập vào từng dây thần kinh của gã, khiến cơ thể gã cứ run lên cầm cập.

"Mày là ác ma…"

Trong giọng nói của tên cầm đầu rẫy nỗi sợ hãi, hắn đã không còn dũng khí để đấu với tên mang mặt nạ Tôn Ngộ Không nữa.

Tên mang mặt nạ Tôn Ngộ Không thầm thở dài một tiếng, thấp giọng nói: "Tần Tử Kiếm xem ra cũng chỉ có thế, thật khiến tao thất vọng quá."

Nói xong câu này, tên mang mặt nạ Tôn Ngộ Không từ từ giương tay lên, cây đao trên tay như vẽ ra một đường sáng kinh người, bóng hắn thoát hiện, xông vào tên cầm đầu như sét đánh vậy.

Không đợi tên cầm đầu phản ứng lại, gã đã cảm thấy ngay một cơn gió phả vào mặt, cơ thể gã đã bị tên mang mặt nạ Tôn Ngô Không chặt đôi ra, liền đó nhìn thấy thịt và máu rơi vãi khắp nơi, tình cảnh trông thật ghê rợn.

Trong không khí đầy mùi máu tanh, khiến người khác cũng phải buồn nôn.

Trương Bưu lê cái thân nặng nề của hắn, cố gắng bước đến, sau khi hắn nhìn thấy thân thể của tên cầm đầu xong, chỉ cảm thấy tim và bao tử cứ không ngừng co rút…thật quá tàn nhẫn…

Hắn ngẩng đầu lên, nhìn tên mang mặt nạ Tôn Ngộ Không như muốn nói gì đó, nhưng đến cuối cùng cũng không nói được lời nào.

Chính vào lúc này, hình bóng Hilton khẽ động đậy, đột nhiên đã không thấy đâu nữa. Phương Hạo Vân khẽ kinh ngạc, sau đó liền cảnh giác, Thiên Phạt cũng đã được nắm trên tay, ánh mắt nhìn chăm chú vào tình hình xung quanh.

Nhưng mặc cho hắn có tìm kiếm thế nào đi chăng nữa, vẫn không thể tìm thấy bóng dáng của Hilton, đến cả mùi của hắn cũng không nghe được. Phương Hạo Vân cố gắng che giấu cảm xúc trong lòng, trên mặt vẫn vững như Thái Sơn, ánh mắt cứ nhìn lướt qua xung quanh.

Chính vào lúc đó, một bóng người thoáng qua, Hilton lại lần nữa xuất hiện ở vị trí cũ, không hề động đậy nữa. Nhưng Phương Hạo Vân lại phát hiện một vấn đề, hắn vẫn cảm nhận được hơi thở của Hilton.

"Cao thủ, quả nhiên là cao thủ."

Phương Hạo Vân lại hít một hơi lần nữa, Hilton trước mắt hắn đã có thể giữ lại hơi thở theo ý của gã, thậm chí đã đạt đến cảnh giới có thể che giấu cả bên trong. Về việc có thể thu lại hơi thở theo ý mình, nếu miễn cưỡng thì Phương Hạo Vân vẫn có thể làm được, nhưng nếu muốn đạt đến cảnh giới có thể che giấu bên trong như Hilton, thì hắn vẫn cần cố gắng hơn nữa.

Phương Hạo Vân cảm thấy toàn thân lành lạnh, trên trán đã đổ mồ hôi lạnh, Hilton đúng là mạnh hơn hẳn so với Robert. Hôm nay hắn được gặp gã, có thể xem là cuộc khảo nghiệm lớn nhất và tàn khốc nhất từ lúc hắn rời khỏi Thiên Đạo đến nay, Hilton cũng là đối thủ mạnh nhất mà hắn gặp được từ sau khi đổi mặt sống lại.

Hắn chuẩn bị thi thố hết tài năng của mình, cũng có thể vì vậy mà giành được sự đột phá.

"Hilton, xông vào đi, tôi sẽ không sợ ông đâu." Sau khi đã xác định chủ ý, tâm trạng của Phương Hạo Vân đã bình tĩnh lại nhiều. Hắn nắm chặt Thiên Phạt trong tay, chỉ về phía Hilton, lòng sôi sục muốn chiến đấu, lúc đó, hắn ngạc nhiên vì phát hiện ra, do tác dụng của Thiên Phạt, dường như hắn đã bắt được hơi thở của Hilton.

Hình như đã cảm nhận được một chút uy hiếp phát ra từ trên người của Phương Hạo Vân, trong ánh mắt của Hilton có biểu lộ ra một chút thích thú: "Ha ha, khá lắm, có chút ý nghĩa.!"

"Xem ra, chắc mày có thể đỡ được 3 chiêu của tao.!" Vừa dứt câu, chiếc áo khoác dài của Hilton liền phất phơ trong gió, tuy không có gió những vẫn tự động phất phơ, hơi thở lúc có lúc không, thật rất nguy hiểm.

"Lên đi.!" Phương Hạo Vân nói nhẹ, thân hình khẽ động đậy đã cầm đao xông qua.

"Ha ha.!" Hilton cười rồi lại cười nhưng không trả lời, hình như gã ta chẳng thèm để tâm đến, khẽ hét một tiếng, hắn chầm chầm bay về phía Phương Hạo Vân.

"Bốp.!"

Trong lúc nói chuyện, đòn công kích của hai người đã gặp nhau, hai người đều có vẻ chưa cố hết sức, nên không ra chiêu quyết định nào, hai người chỉ là đang tấn công nhẹ nhàng mang tính dò xét nhau, trong phút chốc rồi lại rời ra.

Ánh mắt Hilton lạnh lùng, hét lên một tiếng: "Lại lần nữa, mong là mày có thể ra tay hết sức, nếu không thì tao sẽ không ngại lỡ tay giết mày đâu." Vừa nói xong, một luồng sát khí mãnh liệt từ trên người gã trào ra như điên cuồng. Luồng sát khí kinh người ập về phía Phương Hạo Vân, dường như muốn bóp ngẹt hắn.

Trong lòng Hạo Vân nghĩ đến việc tránh né, thân thể liền cử động linh hoạt, thân hình trong phút chốc đã lui về sau, nhảy ra khỏi phạm vy công kích của Hilton, phòng thủ toàn thân, tay nắm chặt Thiên Phạt, chuẩn bị tiếp đón những chiêu giết người nguy hiểm nhất của kẻ địch. Gặp phải một cao thủ như Hilton, điều duy nhất hắn có thể làm chính là liều một phen.

"Tốc độ khá lắm.!"

Nhìn thấy Phương Hạo Vân lùi lại chỉ trong phút chốc, trên môi Hilton khẽ cười, nhưng sát khí xung quanh gã vẫn không hề giảm, ngược lại còn mạnh mẽ hơn, dường như gã đang tìm một cơ hội tốt nhất để tấn công.

Phương Hạo Vân hét to một tiếng, chân khẽ trượt một cái, thân hình hắn nhanh như chớp giật, thậm chí còn để lại một chút tàn ảnh.

Dường như cảm nhận được sát khí của Phương Hạo Vân, Hilton cười lạnh lùng một tiếng, nghiêng người tiến lên, trong tay gã không biết tự lúc nào đã xuất hiện thêm một cây thước sắt màu đen. Cái đó chính là cây thước Trừng Phạt mà hắn chuyên dùng. Mấy chục năm công phu của Hilton đều nằm trên cây thước trừng phạt này, uy lực không như những vũ khí bình thường khác.

"Giết…!" Đôi mắt Hilton trợn tròn, hét to một tiếng, cả thân người gã đã xuất hiện ngay trước mặt Phương Hạo Vân, cây thước sắt nhằm thẳng vào tim hắn, vừa ra tay đã là chiêu giết người rồi.

Phương Hạo Vân trong lòng cảnh giác, lần này Hilton dường như đã dốc hết sức ra tay, tốc độ còn nhanh hơn hẳn, hắn vội vàng thu hồi lại Thiên Phạt để phòng thủ

Hilton chầm chậm múa hai cánh tay, rồi từ từ đẩy về phía trước, đẩy ra được một lúc, đột nhiên dùng sức đẩy mạnh hơn, cây thước Trừng Phạt tạo ra những tiếng vút như xé gió, đòng công kích của Hilton đang đến gần Phương Hạo Vân.

Trong tích tắc bên tai Phương Hạo Vân vang lên một tiếng động nhẹ, Thiên Phạt và thước Trừng Phạt đã đụng độ nhau, hai vật gặp nhau, một luồng sức mạnh rất lớn liền đẩy Phương Hạo Vân lùi lại vài bước. Thiên Phạt như muốn rời khỏi tay hắn, sau một sự kinh ngạc lớn Phương Hạo Vân liền dồn lại công lực, nắm chắc Thiên Phạt.

Khó khăn lắm mới khống chế được cục diện, Phương Hạo Vân vội vàng lui lại vài bước, lúc này hắn đã là hổ dữ bị thương, đầu đầy mồ hôi.

Lại nhìn tên Hilton, trong ánh mắt gã dường như cũng có chút kinh ngạc, theo như gã nghĩ thì, đòn công kích đó, cứ cho là không thể đả thương được Phương Hạo Vân, cũng đủ để khiến cây đao bay khỏi tay hắn.

Nhưng hắn lại nắm chặt cây đao trong tay, hơn nữa trên thân người cũng không bị một vết thương nào, dường như gã đã lường được sức mạnh của Phương Hạo Vân.

Một lúc sau, Hilton dùng ánh mắt kỳ lạ nhìn Phương Hạo Vân, ánh mắt lạnh như băng, gã nắm ngược cây thước Trừng Phạt, thản nhiên nói: "Đưa cây đao trong tay mày cho tao, tao có thể tha cho mày…"

Sau vài lần đấu với nhau, Hilton đã chú ý đến Thiên Phạt trong tay hắn, đã giao chiến với thước Trừng phạt mà vẫn không hề bị suy suyển gì, tuyệt đối không phải vật tầm thường. Trong cả Thiên Đạo, biết được bí mật về Thiên Phạt của Phương Hạo Vân cũng chỉ có Nguyệt Như và dì Bạch…những người khác, cho dù có là long đầu, cũng chỉ cho rằng đó là một cây đao vô cùng sắc nhọn mà thôi.

"Muốn lấy vũ khí trong tay tôi, trừ phi giết chết tôi đi…!"

Phương Hạo Vân cười lạnh lùng, tay phải dùng sức nắm chặt Thiên Phạt hơn nữa, lúc đó hắn cảm nhận được mối liên hệ giữa hắn và Thiên Phạt càng trở nên mật thiết hơn, hắn cảm thấy máu trong toàn thân hắn như ngùn ngụt, một luồng sức mạnh to lớn phát ra từ Thiên Phạt, trong tích tắt đã lan ra khắp toàn thân hắn.

"Tiếp đi…!"

Tuy không biết do nguyên nhân gì mà khiến Thiên Phạt phát huy được sức mạnh to lớn như vậy, nhưng lúc này ý chí chiến đấu của Phương Hạo Vân cao đến tận trời, có vẻ như không chết thì sẽ không thôi.

"Mày đã mạnh hơn à?"

Mép môi Hilton khẽ hếch lên, cứ xem như là gã đang cười vậy: "Xem ra cây đao trong tay mày đúng là có vẻ kỳ lạ, tao nhất định phải lấy nó cho bằng được…"

Nói xong,Tay phải đang trĩu xuống của Hilton liền giương lên, một chiêu lấy mạng vô cùng mạnh mẽ bỗng vút về phía Phương Hạo Vân, Phương Hạo Vân tập trung hết toàn thân, chớp mắt đã né được, lạnh lùng nói: "Tốt nhất là ông cũng nên dốc hết sức ra đi, nếu không, tôi và ông khó mà phân được thắng bại…"

Hilton hét một tiếng, ánh mắt có vẻ tinh ranh, thân hình hắn như bay về phía Phương Hạo Vân, sát khí lợi hại đến nỗi khiến Phương Hạo Vân cũng không thể thở được.

Phương Hạo Vân huơ tay phải, ánh sáng lạnh mạnh mẽ trong tay hắn đã xông về phía Hilton, chỉ trong chớp mắt, đã phát ra mấy chục tia sáng sắc lạnh.

Hilton đanh mặt lại, cảm nhận được sức mạnh to lớn của chiêu lấy mạng đó, vội vàng né tránh, còn Phương Hạo Vân nhân lúc đối phương đang né đòn, bèn hét một tiếng, tiếp tục tấn công về phía Hilton, Thiên Phạt trong tay hắn bổ về phía cổ của Hilton một cách tàn nhẫn.

Không biết là do Hilton trượt chân hay là, gã nhoài người có tính toán, chính vào lúc cây đao của Phương Hạo Vân sắp chém đến cần cổ hắn, hắn không lùi lại mà còn tiến lên, khác hoàn toàn với phản ứng trước đó, vào lúc Phương Hạo Vân đang lấy làm kỳ lạ, ánh mắt Hilton ánh lên, cây thước trừng Phạt trong tay đã công kích mạnh với Thiên Phạt, Phương Hạo Vân chỉ cảm thấy một sức mạnh to lớn được truyền qua, khiến Thiên Phạt trong tay hắn đỡ đòn.

Lúc đòn tấn công bị đỡ được, Phương Hạo Vân liền hét một tiếng giận dữ, tay trái xòe ra thành hình một cây đao mau chóng chém về phía Hilton, không hiểu tại sao, lần này Hilton không đỡ, mặc cho tay hắn chém qua.

438. Chương 54: Hai Kẻ Mạnh Thật Sự Quyết Đấu

Sự thật lại không đơn giản như vậy, đúng vào lúc tay của Phương Hạo Vân sắp ập đến Hilton, đã xảy ra một chuyện không thể ngờ, đã không thấy Hilton đâu nữa, đột nhiên lại không thấy đâu nữa, đến cả một vết tích cũng không để lại.

Phương Hạo Vân cố gắng dằn lại nghi vấn trong lòng, trên mặt trắng bệch, ánh mắt hắn liền nhìn khắp xung quanh, những vẫn không tìm kiếm được gì.

Bất luận là ai, gặp phải tình huống này, sẽ vô cùng hoảng loạn, đến cả Phương Hạo Vân cũng không ngoại lệ, chỉ thấy trong mắt hắn đầy sự nghi ngờ…hắn đang nghĩ, rốt cuộc là Hilton đã làm như thế nào, đúng là khác thường, không hợp lý chút nào…

Chính vào lúc đó, thân hình Hilton lại xuất hiện lần nữa, cây thước Trừng Phạt trong tay ập thẳng vào ngực hắn với tộc độ như chớp giật, hoàn toàn là chiêu thức muốn lấy mạng người.

Phương Hạo Vân tuy kinh ngạc như không hoảng loạn, vội vàng lùi lại, đồng thời đặt ngang tay để bảo vệ ngực, chuẩn bị tiếp chiêu của Hilton, trước mắt hắn chỉ còn lựa chọn này mà thôi.

"Mày chết chắc rồi…!"

Hilton cười lạnh lùng, sát khí trong ánh mắt cũng lạnh như thế, hắn nhìn Phương Hạo Vân, cứ như là đang nhìn một người sắp chết vậy.

Lúc này trong lòng Phương Hạo Vân không thấy thoải mái, chiêu này của Hilton quả thật muốn lấy mạng hắn, trúng một chiêu chắc chắn sẽ chết. Nói thật, với thực lực của Phương Hạo Vân, đối với chiêu lấy mạng như vậy, vẫn là có chút lòng thì muốn nhưng sức thì không đủ. Đương nhiên, điều đó không nghĩa là hắn không hề có chút cơ hội nào. Lại thêm Phương Hạo Vân chẳng phải là người ngồi chờ chết, trước khi sự việc này chưa kết thúc, bất cứ khả năng nào cũng có thể xảy ra.

"Mắc cười…mày nghĩ mày có thể thoát được kiếp này sao…?" Hilton không hề thấy sự sợ hãi trong mắt Phương Hạo Vân, cũng không thấy tuyệt vọng, nên có chút ngạc nhiên, cùng lúc với chiêu lấy mạng ập đến, gã nhịn không được liền nhìn hắn như muốn châm chọc.

Phương Hạo Vân thì không để tâm đến, tập trung chú ý đến chiêu lấy mạng của Hilton, tay nắm chặt Thiên Phạt, vận hết toàn bộ nội gia chân khí trong cơ thể.

Hôm nay, là một ải khó mà hắn lần đầu tiên gặp phải.

Hắn phải cố gắng chịu đựng để vượt qua.

Hắn không thể thua…

"Bốp…!"

Theo một tiếng choảng nhau nhẹ, vũ khí của hai người đã chạm nhau, hai luồng sức mạnh gặp nhau, thời khắc đó Hilton rõ ràng là đã lặng đi một lúc, dường như gã không ngờ rằng, vào cái thời điểm cuối cùng

này, tốc độ của Phương Hạo Vân liền nhanh hơn, kịp thời đỡ được đòn tấn công của gã, điều khiến gã càng bất ngờ hơn, là sức mạnh của Phương Hạo Vân lúc này chẳng thua kém gì so với gã…nhất là cây đao lạnh giá đó, quả nhiên đã khiến gã có chút sợ hãi.

Cùng lúc đó, cái ý nghĩ muốn có được cây đao này trong gã càng mạnh mẽ hơn.

Nhất định phải giết được thằng này…để đoạt được cây đao kỳ lạ đó.

Hilton tuy không biết Thiên Phạt, nhưng gã biết, là do cây đao này, Phương Hạo Vân mới có được sức mạnh để liều với gã, nếu không thì, hắn đã chết từ lâu rồi.

Việc đã tiến triển đến nước này, Hilton dường như đã quên mất nỗi đau lúc đầu của hắn, hắn theo dõi Phương Hạo Vân, và tiến hành giết hắn, mục đích không phải vì Phương Hạo Vân, mà vì tên cao thủ đứng sau hắn.

Trước lúc đó, Phương Hạo Vân trong mắt gã chẳng đáng để nhắc đến.

Tình hình bây giờ đã vượt quá phạm vi dự liệu của gã, trước tiên, Phương Hạo Vân có thể dây dưa đánh với gã lâu đến vậy, tiếp theo, chính là cây đao quỷ quái đó.

Trong tích tắtc, hình bóng của hai người đã rời nhau, hai người dường như đều không bị thương, nhưng từ biểu hiện của mỗi người có thể thấy, Phương Hạo Vân hình như hơi kém một chút, mặt hắn trắng bệch, thân hình có chút không ổn. Lại xem tên Hilton, tuy mặt gã hết kinh ngạc này đến kinh ngạc khác, nhưng hơi thở không gấp rút, mặt không bị trắng bệch, hiển nhiên vẫn còn dư sức để đánh tiếp.

"Hãy giao thanh đao đó cho tao…!"

Sau một phút ngạc nhiên, ánh mắt Hilton lại lần nữa nhìn vào thanh đao hắn đang cầm trên tay, ánh mắt đầy ham muốn, không hề có ý che dấu.

Phương Hạo Vân hếch mày lên, càng nắm chặt Thiên Phạt hơn, hắn không nói câu nào, chỉ là nhìn Hilton với ánh mắt lạnh lùng.

Cho dù không địch lại nổi, hắn cũng sẽ không dễ gì chịu thua.

Hơn nữa, Thiên Phạt nằm trong tay, nên hắn cũng chẳng có gì phải sợ gã…tuy là, hắn đã có chút mệt, nhưng nếu miễn cưỡng, cũng có thể chiến đấu thêm lần nữa.

Không hiểu vì sao, sau một trận quyết chiến lúc nãy, ý chí chiến đấu trong hắn càng trở nên mạnh mẽ hơn, hơn nữa sức mạnh nằm bên trong thân Thiên Phạt, cũng không ngừng truyền vào trong hắn, chỉ cần tranh thủ thêm một lúc nữa, thì nội gia chân khí của hắn sẽ được bổ sung lại.

"Xem ra, nếu mày không chết, thì tao không cách nào lấy được cây đao rồi?" Hilton dĩ nhiên nhìn thấy Phương Hạo Vân nắm cây đao càng lúc càng chặt hơn, trên môi liền hếch lên một nụ cười, một lần nữa sát khí lại xuất hiện.

"Xông vào đi…!"

Phương Hạo Vân lạnh lùng nói một câu, vẻ mặt hắn thậm chí tràn đầy mong đợi.

"Thật là không biết trời cao đất dày…!"

Đòn tấn công của Hilton không có hiệu quả, lúc này lại bị thái độ có chút xem thường của Phương Hạo Vân chọc tức, trong lòng gã bèn nảy sinh một luồng sát khí mà trước nay chưa từng có.

"Giết…!" Trong lòng Hilton la lên một tiếng điên cuồng, thước Trừng Phạt giơ cao trên tay, sát khí liền tràn đầy xung quanh thân thể gã.

Sắc mặt của Phương Hạo Vân liền trở nên u ám hơn, phải công nhận rằng, Hilton đang dùng hết thực lực của mình, tuy hắn được Thiên Phạt trợ sức, nhưng dù sao thì cũng phải nhờ vào mình là chính.

Hilton quyết tâm giành cho được cây đao, từ những biểu hiện của Phương Hạo Vân có thể thấy, hắn có vẻ đã yếu đi. Theo gã nghĩ, đó mới là phản ứng bình thường của Phương Hạo Vân. Nên biết là, Hilton đã lâu, đã rất lâu không giận dữ như vậy.

Nhưng Hilton cũng không hề biết, bây giờ Phương Hạo Vân vẫn là có kinh ngạc như không có hoảng loạn, có kinh ngạc nhưng không có kinh sợ…vì ngoài Thiên Phạt ra, hắn còn có một bản lĩnh hơn người nữa…đó là khả năng hồi phục mạnh mẽ. Chỉ cần Hilton không thể một chiêu lấy mạng hắn, thì hắn chẳng phải lo lắng gì.

Trong 3 năm sống ở Thiên Đạo, hắn đã từng trải qua nhiều lần sinh tử…lần nào hắn cũng vượt qua được, hôm nay, hắn vẫn có thể vượt qua như vậy.

Đúng vậy, đúng là trong lòng hắn đã cho rằng như thế.

Vào lúc Phương Hạo Vân đang dần hồi phục, chuẩn bị liều mạng với Hilton thì, một giọng nam vang lên, hắn dường như đã lặng đi một lúc, vì giọng nói này hoàn toàn xa lạ. Hơn nữa, hơi thở của người này, cũng khiến hắn cảm thấy xa lạ, nhưng từ cách xưng hô với Phương Hạo Vân, có thể thấy người này hình như rất thân thuộc với hắn.

"Chẳng lẽ là dì Bạch sao?"

Trong đầu Phương Hạo Vân chợt lóe lên một tia sáng, liền đó đã biết rõ thân phận của người mới đến, hắn bỗng thầm có chút ngạc nhiên, một người đàn bà yêu kiều như dì Bạch, đã làm thế nào để biến thành đàn ông như vậy…trong lúc này, ngoại trừ cái thân hình có vẻ nhỏ nhắn ra, giọng nói của dì ấy, và cả cử chỉ, không có một chút nào không giống với một tên đàn ông thật sự…

Nhưng, giọng nói này đối với lỗ tai của Hilton, lại rất quen thuộc, không cần nghi ngờ nữa, chủ nhân của giọng nói này chính là vị cao thủ đã khiến hắn phải thảm bại.

Và cũng chính vào lúc đó, gã mới tỉnh ngộ trong sự tham lam của mình.

Lý do đầu tiên mà gã đến đây, chính là vì vị cao thủ này.

"Anh đến rồi à…!"

Hilton chầm chầm quay lưng lại, ánh mắt nhìn chăm chú vào tên đàn ông bịt mặt thân hình nhỏ nhắn không biết tên này, tuy trong lòng Hilton vẫn nhớ đến cây đao của Phương Hạo Vân, nhưng tình hình trước mắt gã không thể không kềm lại lòng tham trong mình, gã rất rõ thân thủ của tên cao thủ này.

Nếu gã và Phương Hạo Vân có liên thủ với nhau, e là cũng không có khả năng chạy thoát một cách toàn vẹn không sứt mẻ.

Cho nên, lúc này đây, suy nghĩ tìm cách nào để rút lui an toàn mới là thượng sách.

Hilton là người cực kỳ tự phụ, lần thảm bại trước, gã vẫn chưa cam tâm, gã luôn tự cho rằng nếu cho gã thêm một cơ hội nữa, gã chắc chắc sẽ thắng lợi.

Hôm nay cơ hội đã đến, nhưng đối phương lại có đến 2 người, nên trong lòng hắn có chút kiêng dè…vốn không cần phải lo về tên Phương Hạo Vân, nhưng nếu hắn nhân lúc gã và tên kia đang đánh nhau kịch liệt mà ra tay tập kích, gã chắc chắn sẽ không né kịp.

"Đúng vậy, tôi đã đến rồi." Tên đàn ông che mặt cười lạnh lùng nói: "Chẳng phải anh cứ luôn muốn được gặp tôi sao…hôm nay tôi đến rồi đây, cho anh thêm một lần cơ hội nữa…"

Trên môi Hilton hiện lên một nụ cười, nhìn tên đàn ông bịt mặt, rồi lại nhìn Phương Hạo Vân, cười chế giễu: "Đúng là anh đã xuất hiện, nhưng có đến hai người lận."

"Hứ…!"

Phương Hạo Vân khinh thường hứ một tiếng: "Nghe khẩu khí của ông chắc là sợ chúng tôi sẽ cùng nhau xông lên chứ gì? Đúng là tức cười, đối phó với ông, một mình tôi là đủ rồi."

"Hạo Vân, lùi lại đi, mục tiêu của anh Hilton đây là tôi, hôm nay tôi sẽ để anh ta được toại nguyện, cho anh một lần cơ hội để rửa nhục, cậu đừng nên nhúng tay vào nữa…!"

Tên đàn ông che mặt nói với nhiều ẩn ý: "Cậu có thể đánh với ông ta đến tận bây giờ đã là khá lắm rồi…bây giờ cậu chỉ cần nhìn xem tôi và anh ta đánh như thế nào là được rồi…"

Phương Hạo Vân đã hiểu ra, ý dì Bạch là muốn hắn được xem tận mắt hai cao thủ quyết đấu như thế nào.

Hắn đã hiểu ý dì Bạch, vội vàng gật đầu đồng ý: "Vậy thì đành làm phiền tiền bối vậy.!"

Trước mặt Hilton, không thể để lộ thân phận của dì Bạch được, Phương Hạo Vân không phải là kẻ ngốc, dĩ nhiên sẽ tự biết chừng mực.

Dì Bạch chầm chậm bước lên nửa bước, đanh giọng nói: "Ra tay đi, Hilton. tôi có thể đảm bảo với anh, trận quyết đấu ngày hôm nay tuyệt đối là công bằng."

"Được, tôi tin anh.!"

Hilton rất rõ, với cảnh giới như tên này, chắc chắn sẽ không nói không giữ lời, không còn kiêng dè trong lòng, ý chí chiến đấu của hắn cũng từ từ phát tán ra, dường như cả bầu không khí gần đó chỉ trong chớp mắt đã bị ngưng trệ lại, đến cả Phương Hạo Vân đang ở xa xa xem cũng có chút biến sắc.

Nhưng trước khí thế mạnh mẽ của Hilton, dì Bạch vẫn cứ thản nhiên cười, nói: "Khá lắm, đúng là trưởng lão của Thất Tông Tội."

Nói xong, dì Bạch nhặt lên một cành cây khô trên bãi đất hoang, chỉ về phía Hilton, kiêu ngạo nói: "Bắt đầu đi."

Sắc mặt Hilton lạnh, nói: "Anh xem thường tôi đến thế sao?"

"Anh hiểu lầm rồi, trước giờ tôi vẫn vậy.!"

Dì Bạch vẫn cười nói: "Đừng lắm lời nữa, xông vào đi, để tôi xem thử những ngày tháng này, rốt cuộc anh đã mạnh hơn bao nhiêu?"

Đối với cao thủ thật sự mà nói, thất bại chính là động lực để tiến lên, Hilton cũng không ngoại lệ.

Dưới ánh sáng phản chiếu của ánh trăng, dì Bạch mặc một bộ đồ toàn màu đen trông càng hiên ngang bất phàm.

"Đúng là hiếp người quá đáng.!"

Hilton trở tay nắm chặt thước Trừng Phạt, mũi thước nghiêng về phía mặt đất, đã bao nhiêu năm nay, đây là lần đầu tiên gã bị đối xử lạnh nhạt như vậy, lại có người tùy tiện nhặt lấy một cành cây khô để đánh nhau với gã.

Theo gã thì, người này đúng là đã quá sức tự phụ.

Thước Trừng Phạt trong tay, ý chí chiến đấu trong lòng Hilton dâng cao hơn, ánh mắt dì Bạch vẫn cứ lạnh nhạt mà nhìn chằm chằm vào Hilton, tuy không nhìn rõ sắc mặt của dì, nhưng từ những hành vi cử chỉ có thể thấy, sắc mặt của dì có thể là khinh thường hắn.

Với cảnh giới võ học của dì Bạch quả thật có tư cách để khinh thường gã.

Nếu nói là, người đến không phải là Hilton, mà là thủ lĩnh của Thất Tông Tội Hoắc Đức Hoa, có thể dì ấy sẽ đối đãi nghiêm túc hơn.

Hôm nay, dì ra tay, chẳng qua chỉ không muốn Phương Hạo Vân chịu thiệt, tiện thể cũng cho hắn xem thử quyết đấu giữa hai cao thủ thật sự.

Thời gian trôi qua từng giây từng phút, Hilton hiển nhiên đã bắt đầu trở nên lúng túng, thái độ chẳng xem gã ra gì của dì Bạch, khiến gã vô cùng không vui.

Dần dần, dường như gã đã quên mất điều gì, nên không hề do dự, gã đã ra tay trước. Thước Trừng Phạt tạo ra một tiếng xé gió chói tai, xông về phía dì Bạch.

Hilton phẫn nộ ra tay, khí thế đang thịnh, thiệt là khiến người nghe phải kinh sợ.

Dường như gã muốn đem hết loàn bộ phẫn nộ trong lòng trút hết vào đòn tấn công này, mặc cho chiêu này phát tiết hết ra ngoài.

Phương Hạo Vân thấy dì Bạch dùng cành khô nghênh chiến, trong lòng có chút lo lắng, thực lực của Hilton, và cả sự lợi hại của thước Trừng Phạt, chính hắn đã đích thân lĩnh giáo qua. Tuy hắn có lòng tin với dì Bạch, nhưng dù gì thì dì ấy cũng chỉ là một người phàm, đâu phải là thần, dùng cành cây khô đấu với thước trừng phạt, đúng là có chút.

Đúng vào lúc hắn đang lo lắng, thì đòn công kích của hai người họ đã quấn chặt nhau.

Đòn công kích của hai người dính chặt nhau, Hilton bèn hét lên một tiếng, hai tay nắm lấy thước Trừng Phạt. Dường như muốn dốc hết sức để khiến dì Bạch ngã xuống, nhưng sự thật lại không như ý hắn, động tác của dì Bạch rất nhẹ nhàng, thậm chí khiến người nhìn vào cảm thấy dường như dì ấy không phải đang quyết đấu một trận sinh tử.

439. Chương 55: Cảnh Giới Siêu Việt

Đòn công kích của hai người dính chặt nhau, Hilton bèn hét lên một tiếng, hai tay nắm lấy thước Trừng Phạt. Dường như muốn dốc hết sức để khiến dì Bạch ngã xuống, nhưng sự thật lại không như ý hắn, động tác của dì Bạch rất nhẹ nhàng, thậm chí khiến người nhìn vào cảm thấy dường như dì ấy không phải đang quyết đấu một trận sinh tử.

Đòn đánh của hai người chạm nhau, Hilton hét lớn một tiếng, hai tay nắm chặt Thước trừng phạt, hình như muốn dùng toàn lực đánh ngã dì Bạch, nhưng sự thật diễn ra không như ý muốn của hắn, động tác dì Bạch thư thái nhẹ nhàng, cho người ta cảm giác đây không phải cuộc quyết đấu sinh tử…

Phương Hạo Vân đứng ở nơi xa quan sát trận chiến, lo lắng thót tim.

Nhưng khi hắn nhìn thấy dì Bạch di chuyển bằng bộ pháp thần bí, không phí chút sức lực đã hóa giải đòn tấn công mạnh bạo của Hilton, mối lo của hắn mới tan biến, thở phào một hơi dài.

"Hạo Vân, hôm nay có thu hoạch gì không?" Đợi khi Hilton rời khỏi, dì Bạch trở lại giọng nói bình thường.

Nghe giọng nói ngọt ngào của dì Bạch cất lên, Phương Hạo Vân lập tức cảm thấy dễ chịu hơn nhiều, hắn luôn cảm thấy lạ lạ khi nghe dì Bạch nói giọng đàn ông. Phương Hạo Vân bước đến gần hơn, khẽ gật đầu nói: "Thu hoạch nhiều lắm, đêm nay con phải suy ngẫm thêm. À, Thiên phạt hôm nay lại xảy ra trạng thái khác thường."

Phương Hạo Vân đang định kể rõ hơn, ai ngờ dì Bạch đã nhanh chóng cướp lời: "Không cần nói nữa, dì đã biết rồi, thật ra dì sớm có mặt ở đây theo dõi trận chiến giữa con và Hilton."

Đúng vậy, khi Hilton ngầm đi theo Phương Hạo Vân, dì Bạch cũng bám sát theo sau bảo vệ hắn, vốn dĩ dì nghĩ với trình độ võ học của Phương Hạo Vân hiện nay chưa đủ chống chọi với Hilton, nhưng những gì xảy ra sau đó lại khiến dì kinh ngạc.

Thiên phạt xảy ra hiện tượng khác lạ, dì Bạch nhìn thấy hết, hơn nữa thân là người thủ hộ Thiên phạt, dì có mối liên kết nhất định với thanh đao này, vì thế nên dì Bạch mới không sớm lộ diện.

Cho đến khi Hilton tức giận vận toàn sức tấn công dì Bạch mới hiện thân, dì không muốn Hạo Vân bị làm hại. Nói thật lòng, Phương Hạo Vân bước vào thế giới võ học chỉ mới 3 năm, có sức chiến đấu dũng mãnh như hôm nay đã là điều hiếm thấy, nên nhớ cao thủ như Hilton đã tu luyện suốt mấy mươi năm rồi.

"Hạo Vân, dì biết sớm muộn gì bí mật của Thiên phạt cũng sẽ được con giải mã…" Dì Bạch lấy đi tấm vải che mặt, để lộ dung mạo tuyệt sắc nghiêng nước nghiêng thành, mỉm cười quyến rũ, nghiêm túc nói: "Dì đặt niềm tin vào con."

"Vâng!" Phương Hạo Vân cũng gật đầu nghiêm túc.

Dừng lại giây lát, dì Bạch lên tiếng dặn dò: "Lần này con đừng bế quan tu luyện, phía Trần Thanh Thanh dì đã thu xếp rồi, mấy ngày tới dì sẽ thông báo cho con biết."

Nói đến đây, dì Bạch đột nhiên nở một nụ cười ý nhị: "Hạo Vân, lần này con anh hùng cứu mỹ nhân, Trần Thanh Thanh nhất định say đắm trao thân cho con, con đã suy tính chưa, trong tương lai xử trí quan hệ với các cô gái như thế nào?"

Phương Hạo Vân ngớ người ra, hắn còn nhớ dì Bạch từng nói, kẻ mạnh tuyệt đối có quyền sở hữu tam thê tứ thiếp, sao hôm nay đột nhiên dì lại đặt câu hỏi này với hắn nhỉ?

"Con sẽ biến mình mạnh mẽ hơn…" Suy nghĩ giây lát, Phương Hạo Vân đưa ra một câu trả lời làm hài lòng dì Bạch.

Ánh trăng bị mây đen che phủ, trên bầu trời chỉ còn vài ngôi sao lấp lánh yếu ớt. Nửa đêm, khí trời trở nên âm u.

Ngoài ban công tối om như mực, Phương Hạo Vân đang ngồi đó, hắn không có hít thở luyện công, mà đang yên lặng suy nghĩ, trong đầu không ngừng ẩn hiện từng chiêu thức khi dì Bạch giao đấu với Hilton…

Suốt dọc đường trở về nhà, Phương Hạo Vân đã liên tục suy nghĩ, cao thủ quyết đấu mang lại lợi ích lớn cho hắn, nhất là trạng thái ung dung đối địch của dì Bạch, càng giúp hắn ngộ ra nhiều điều về võ thuật, khi sức mạnh tương đương, trạng thái tâm lí là nhân tố quan trọng quyết định thắng thua.

Nhớ lại cảnh chiến đấu của hai người hết lần này đến lần khác, Phương Hạo Vân nhắm mắt trầm tư, từ đó rút ra bài học cho bản thân, hấp thu tinh hoa võ thuật của hai đại cao thủ.

Đợi sau khi xong việc, tia nắng đầu tiên đã ló dạng, Phương Hạo Vân không đi nghỉ ngơi mà triệu hồi Thiên phạt, cầm chắc thanh đao trên tay, hắn muốn tìm lại cảm giác lúc đối đầu với Hilton.

440. Chương 56: Kinh Mạch Thông Suốt

Giờ này khắc này, Thiên phạt hình như trở lại là một thanh đao sắc bén, ngoài ra không còn gì đặc biệt.

Sau mấy lần cố sức thử đi thử lại, Phương Hạo Vân cuối cùng đành bỏ cuộc…Theo như tình hình hiện tại chỉ có thể nói Thiên phạt có linh tính của nó, trước kia nó xảy ra hiện tượng lạ thường là vì muốn bảo vệ chủ nhân, còn bây giờ hắn đang an toàn nên Thiên phạt mới không có động tĩnh gì.

Suy cho cùng, Phương Hạo Vân vẫn chưa đủ trình độ để tiến hành giao lưu với Thiên phạt.

Nói cách khác, hắn cần tiếp tục nỗ lực tu luyện, chỉ cần trở nên mạnh mẽ hơn, hắn mới được Thiên phạt chấp nhận, từ đó từng bước vén lên bức màn bí mật của Thiên phạt.

Dì Bạch từng nói khi nào hắn hoàn toàn giải mã bí mật của Thiên phạt, hắn có thể đứng ở đỉnh cao trên thế giới, có nghĩa là sở hữu quyền lực tuyệt đối cai quản thiên hạ như bậc quân vương xưa kia.

Về điều này Phương Hạo Vân không biết có chính xác không? Thời đại đã khác, đế vương đã trở thành một định nghĩa thuộc về quá khứ, hắn hoài nghi bản thân có thật sự nắm được quyền lực tuyệt đối không?

Phương Hạo Vân nhớ hắn từng đặt ra câu hỏi này với dì Bạch. Câu trả lời của dì Bạch là khẳng định chắc chắn có thể, bất kể trong thời đại nào, kẻ mạnh luôn luôn giữ vị trí thống trị, chỉ là cách thức thể hiện không giống nhau mà thôi.

Dì Bạch còn nhắc nhở Phương Hạo Vân, hy vọng hắn có thể tự mình tìm ra một lối đi riêng.

Sau mấy lần cố thử thất bại, Phương Hạo Vân quyết định dừng lại, dù gì việc giải mã bí mật của Thiên phạt không phải chuyện một sớm một chiều, việc này không nóng vội được.

Liếc nhìn đồng hồ, thấy thời gian hãy còn sớm, Phương Hạo Vân thúc đẩy Thiên phạt bắt đầu xung phá hai kinh mạch Nhâm Đốc, trận chiến với Hilton khiến hắn ngộ ra nhiều điều có ích để nâng cao cảnh giới võ học của mình.

Ngấm ngầm vận chân khí, Phương Hạo Vân tập trung tinh thần điều khiển Thiên phạt đi một vòng khắp kinh mạch toàn thân, cuối cùng đến trước hai kinh mạch Nhâm Đốc, không ngừng xung kích, sau khi thử hết mấy mươi lần, hắn nhận ra có chút thay đổi nhỏ.

Tuy hiệu quả thu được rất ít, nhưng Phương Hạo Vân vẫn cảm thấy hai kinh mạch Nhâm Đốc có chút ít biến hóa, chỉ có điều sự biến hóa này quá nhỏ nhoi nên Phương Hạo Vân không dám khẳng định nó đã thật sự xảy ra hay chỉ là ảo giác của hắn.

Nhưng Phương Hạo Vân không nôn nóng, chỉ cần có thay đổi, cố gắng thêm một thời gian sẽ xuất hiện hiệu quả rõ rệt hơn thôi.

Chút ít biến hóa này đã mở ra cho hắn một tia hy vọng.

Nói cách khác, điều này đã chứng minh cách làm của hắn là đúng. Xung phá kinh mạch Nhâm Đốc chỉ còn là vấn đề thời gian.

Nỗ lực xung phá thêm một trăm lần, Phương Hạo Vân cảm thấy toàn thân kiệt sức, dùng Thiên phạt xung phá kinh mạch cần tập trung tinh thần cao độ, thời gian kéo dài quá lâu đương nhiên hao tổn nhiều khí lực.

Tất nhiên, điều đó chứng tỏ công lực của Phương Hạo Vân còn chưa đủ lớn mạnh, công phu chưa đạt đến cảnh giới thượng thừa. Có câu cách mạng vẫn chưa thành công, các đồng chí cần tiếp tục cố gắng.

Phương Hạo Vân lắc đầu nguầy nguậy, nghĩ thầm chuyện xung phá kinh mạch Nhâm Đốc tuyệt đối không hề đơn giản, nếu muốn thông suốt hai kinh mạch này, hắn còn có một quãng đường rất dài mới đi đến đích.

Thu Thiên phạt vào huyệt Đan Điền, Phương Hạo Vân bắt đầu hít thở hấp thu tinh hoa đất trời. Rất

Ev Hạo Vâ$ = ắc
L h6 i trờ mạt J h đ

Nhìn thấy ánh mắt chân thành của Phương Hạo Vân, khóe miệng Bạch Văn Sơn nở nụ cười mãn nguyện, ông cảm khái nói: "Xem ra Kỳ không chọn lầm người…"

Nói thật lòng, nếu như không xuất hiện Trương Mỹ Kỳ, Bạch Văn Sơn còn cảm thấy Phương Hạo Vân là đứa con rể lí tưởng nhất trong lòng ông, nhưng bây giờ đã khác trước, nói ngàn vạn lần lí do chính đáng, Trương Mỹ Kỳ là tình nhân của Phương Hạo Vân, điều đó là sự thật không thể chối cãi, điểm khúc mắc này Bạch Văn Sơn vẫn luôn canh cánh trong lòng nên khi hai người tiếp xúc với nhau đã không còn cảm giác thân thiết như lần đầu tiên ra mắt.

"Tôi sẽ giữ lấy bút ghi âm này, nhớ kĩ lời hứa của cậu với tôi đó." Mục đích đã đạt được, tiếp tục nán lại đây hình như không còn nhiều ý nghĩa. Bạch Văn Sơn quyết định cáo từ ra về, trước khi đi ông cố tình nói đến cây bút ghi âm lần nữa, rõ ràng là muốn nhắc nhở Phương Hạo Vân.

Phương Hạo Vân cũng cảm thấy bối rối khi đối mặt với Bạch Văn Sơn nên không dám giữ ông lâu, khẽ gật đầu nói: "Chú Bạch, sau này có thời gian cháu sẽ thường xuyên đến thăm chú và dì Liễu ạ."

"Ờ!" Bạch Văn Sơn đáp lại một tiếng xong quay lưng bước đi.

Phương Hạo Vân chợt nhớ ra điều gì, vội hét gọi theo: "Chú Bạch, đợi một chút, hộp trà này chú mang về đi…" Thì ra Phương Hạo Vân nhớ ra chuyện hối lộ hộp trà cực phẩm đại hồng bào để lấy lòng Bạch Văn Sơn.

Bạch Văn Sơn quay đầu lại, thấy Phương Hạo Vân đang cầm hộp trà trên tay, đôi mắt lập tức lộ vẻ háo hức, đây là loại trà ngon nhất ông lần đầu được thưởng thức, tất nhiên ông muốn có thêm, ngày thường ông muốn uống thử loại trà thượng hạng này rồi, nhưng ông mua không nổi, ông từng nói với Liễu Hồng Hà mấy lần nhưng vợ không chịu bỏ số tiền tiết kiệm ra chiều ý ông.

"Cực phẩm đại hồng bào? Cậu mua đó hả? Loại trà này quá cao cấp, tôi uống không nổi, tôi uống loại trà mấy đồng bạc một gói vậy…" Thật ra trong lòng Bạch Văn Sơn rất thích nhưng ngoài mặt vẫn giả đò dửng dưng.

"Dạ, chính là cực phẩm đại hồng bào đó ạ, là do Kỳ nhờ cháu mua cho chú, vốn định hôm khác sẽ mang đến nhà chú, nhưng hôm nay chú đã đến đây thì mang về luôn đi ạ…" Phương Hạo Vân biết Bạch Văn Sơn vẫn chưa hoàn toàn cởi bỏ nút thắt trong lòng nên cố tình nói là Bạch Lăng Kỳ nhờ hắn mua, như thế ông sẽ dễ dàng tiếp nhận hơn.

Quả nhiên, sắc mặt Bạch Văn Sơn vui mừng hớn hở, ông mỉm cười nói: "Con Kỳ đúng là đứa con hiếu thảo, nhưng tôi vẫn thích uống loại trà mấy đồng bạc một gói kia hơn."

Giả tạo quá! Phương Hạo Vân không để lộ vẻ bất thường ra ngoài nhưng cười thầm trong bụng, thái độ háo hức khi thưởng thức cực phẩm đại hồng bào của Bạch Văn Sơn vừa nãy hắn đâu có quên, bây giờ ông nói không thích chẳng qua là làm mình làm mẩy một tí thôi.

"Chú Bạch, chú cầm về đi ạ, dù sao cháu cũng không thích uống trà, trà ngon như thế để chỗ cháu là phí của đấy." Phương Hạo Vân nhét hộp trà vào tay Bạch Văn Sơn.

Lần này Bạch Văn Sơn không từ chối nữa, nhanh nhảu tóm lấy hộp cực phẩm đại hồng bào, giả đò dửng dưng: "Nếu đã vậy thì tôi cầm về, dù sao cũng không thể phụ tấm lòng hiếu thảo của con gái."

Bạch Văn Sơn ôm chặt hộp trà, tim ông vẫn còn lo lắng Phương Hạo Vân không biết mình đang giả đò từ chối, sẽ mất đi cơ hội được sở hữu hộp trà ngon.

Trên thực tế Phương Hạo Vân hiểu rõ mồn một thái độ giả vờ từ chối của Bạch Văn Sơn, nói tóm lại, tầng lớp những người có tuổi ở Trung Quốc thường hay hành xử như thế, việc ấy chẳng có gì là lạ.

"Ha ha, không cần tiễn nữa, cậu đi lo việc của mình đi…"

Giờ đã có được cực phẩm đại hồng bào, Bạch Văn Sơn trong lòng mừng rơn, thái độ đối với Phương Hạo Vân cũng tốt hơn nhiều: "Thật ra con người của cậu cũng rất tốt, chỉ là sau này không được lăng nhăng nữa, con Kỳ nhà tôi không phải dễ ăn hiếp đâu nhé."

"Vâng, cháu biết rồi ạ!"

Phương Hạo Vân tỏ vẻ thành khẩn tiếp thu lời dạy. Đợi sau khi Bạch Văn Sơn ra về, Phương Hạo Vân vội quay số gọi cho Bạch Lăng Kỳ, kể lại chi tiết cuộc gặp nhạc phụ tương lai vừa rồi cho bạn gái nghe.

Khi Bạch Lăng Kỳ nghe nói ba cô đặt ra hai điều kiện, lập tức cảm thấy khó xử, cô sợ Phương Hạo Vân tức giận, vội giải thích: "Hạo Vân, sao anh nhận lời ba nhanh quá vậy? Việc này trước đó em không hề hay biết."

"Không sao đâu!" Phương Hạo Vân tỏ ra khoan dung nói vào điện thoại: "Việc này em không cần lo đâu, anh biết tự xử lí. Kỳ, thật ra chú Bạch đưa ra điều kiện như thế cũng không quá đáng, người quá đáng là anh, anh đã có lỗi với em."

Bạch Lăng Kỳ ngọt ngào trong tim, nói ngay: "Hạo Vân, anh lại nói thế với em rồi, em tin anh sẽ xử lí tốt mà. À, em đang rất bận, không nói chuyện với anh nữa, sau khi chúng ta gặp mặt nói tiếp nhé."

Sau khi gác máy, Phương Hạo Vân lại gọi vào số máy di động của Trương Mỹ Kỳ, tin này đối với Trương Mỹ Kỳ rõ ràng là một tin đáng chúc mừng, tất nhiên phải thông báo ngay cho cô biết rồi.

Quả nhiên, Trương Mỹ Kỳ sau khi nghe tin, giọng nói trong điện thoại run lẩy bẩy xúc động, không còn nghi ngờ gì nữa, cô đang rất vui…Trong kế hoạch sinh con của cô, lực cản lớn nhất chính là Bạch gia, nay phía Bạch gia đã đồng ý, vấn đề còn lại chỉ là thuyết phục Phương gia, mà việc này dễ dàng hơn nhiều.

Còn về hai điều kiện đó, nhất là quyền thừa kế sau này của những đứa con, Trương Mỹ Kỳ không mấy bận tâm, cô sinh con cho Hạo Vân chỉ vì tình yêu, cô đã không cần danh phận nên luôn muốn có một đứa con xem như kết tinh của tình yêu, còn về tài sản cô chưa bao giờ nghĩ tới, trên thực tế với thu nhập của cô hiện nay đã đủ sống một cuộc sống chất lượng cao ngay cả tại thành phố quốc tế đắt đỏ như Hoa Hải rồi.

"Hạo Vân, đây đúng là một tin vui…" Trương Mỹ Kỳ ổn định lại cảm xúc, lấy hết can đảm hỏi: "Còn phía gia đình em thế nào rồi?"

Phương Hạo Vân trả lời thẳng thắn: "Chị Mỹ Kỳ, xin lỗi, việc này em giao cho chị Tuyết Di nói hộ rồi, nhưng không biết tiến triển thế nào. Như vậy đi, lát nữa em sẽ hỏi lại chị ấy, chị cũng đừng nên lo lắng, việc này chắc không thành vấn đề đâu, chị biết ba em mà, mong có cháu nội đến phát rồ luôn."

Nghe Phương Hạo Vân nói thế, tâm trạng của Trương Mỹ Kỳ nhẹ nhõm đi rất nhiều.

Hilton quay về tổng bộ Thiên Đạo đã hơn 10 ngày, Long đầu và sở tài phán không hề trừng phạt hắn, thậm chí cũng không nhắc đến chuyện hắn dám chống lại mệnh lệnh tự ý đi tìm Phương Hạo Vân quyết đấu.

Lão đại sở tài phán Howard còn đích thân trị thương cho Hilton, khôi phục kinh mạch tay phải bị dì Bạch phế bỏ của hắn, nhưng muốn hoàn toàn hồi phục công lực như cũ, Hilton vẫn cần tịnh dưỡng một thời gian.

Long đầu và sở tài phán tỏ ra yên lặng, Nguyệt Như lại rất quan tâm việc này, cô lo lắng Thiên Đạo sẽ giúp Hilton trả thù chuốc hận, đem đến nguy cơ mới cho Hạo Vân.

Tất nhiên, việc này cô không thể đích thân đi điều tra xác nhận.

Vẫn như cũ, Nguyệt Như nhờ cậy bà Jones thân cận nhất đi điều tra giúp, bà Jones nói sẽ cho cô một câu trả lời chính xác vào buổi chiều hôm nay.

Hoàng hôn buông xuống, thời gian không còn sớm nữa, đáng lẽ bà Jones nên đến rồi mới phải chứ. Nguyệt Như đứng trong khu vườn nhỏ đầy hoa thơm cỏ lạ ngóng chờ, chốc chốc lại đưa mắt nhìn ra phía cổng lớn.

"Tiểu thư, trái tim cô đã loạn nhịp rồi!" Đột nhiên, giọng nói già nua của bà Jones vang vọng bên tai, Nguyệt Như quay đầu lại, phát hiện bà Jones đã đứng ở sau lưng cô không biết từ lúc nào, đang mỉm cười âu yếm nhìn vào cô, lời nói có phần than trách.

"Bà Jones, bà đã nghe ngóng được tin tức gì rồi?" Nguyệt Như vội lo lắng hỏi.

"Ài!" Thấy vẻ mặt lo lắng của Nguyệt Như, bà Jones một lần nữa thở dài ngao ngán, tiểu thư càng lúc càng lụy tình rồi, bây giờ cô ấy như một đại tiểu thư đài các si tình, không còn bóng dáng của Thiên Đạo Yêu Cơ như ngày nào. Nhớ khi xưa Nguyệt Như lạnh lùng tàn khốc biết chừng nào, nhưng bây giờ…

Tình yêu đúng là ma lực thay đổi tất cả.

Bà Jones ân cần nhìn vào Nguyệt Như, từ tốn nói: "Yên tâm đi, Quỷ thủ sẽ không bị liên lụy đâu, Howard và Long đầu đã đưa ra quyết định không truy cứu chuyện này nữa. Tiểu thư, nghe tôi khuyên một câu, cô nên thay đổi đi, nếu cứ tiếp tục thế này, cô sẽ gặp nguy hiểm đó. Tiểu thư bây giờ đã mất đi tính cách lạnh lùng cần thiết của một sát thủ rồi đấy, nếu cô vẫn u mê càng lún càng sâu, sớm muộn có một ngày cô sẽ mất đi tư cách làm sát thủ."

Nguyệt Như dửng dưng nói: "Vậy thì không làm sát thủ nữa…" Trái tim Nguyệt Như nói thêm một câu, dù gì Hạo Vân đã không còn là sát thủ, mình không làm sát thủ thì có sao đâu?

"Tiểu thư…câu nói này không được để Long đầu nghe thấy, nếu không ông ấy sẽ rất đau lòng." Bà Jones hình như có ý trách móc Nguyệt Như, nhưng bà chưa bao giờ nói nặng với cô gái do một tay bà nuôi nấng dạy bảo nên người. Nguyệt Như lớn lên bên cạnh bà, con nha đầu này tính tình ương ngạnh, đã quyết định chuyện gì thì đố ai khuyên bảo được.

"Ông ấy mà đau lòng ư?" Nguyệt Như cười buồn, tự mỉa mai: "Bà Jones, hôm nay chỉ có hai chúng ta ở đây, bà nói thật lòng cho con biết, bà cảm thấy ba con có yêu thương con không?"

"Tất nhiên là có!" Bà Jone không hề do dự nói ngay: "Long đầu là ba của cô, trên đời này có người cha nào không yêu thương con cái của mình chứ? Tiểu thư, Long đầu đặt rất nhiều kỳ vọng vào cô, cô đừng để ông ấy thất vọng."

"Hứ!" Nguyệt Như bỉu môi, trả treo: "Bà Jones, con không biết tại sao bà luôn nói ông ấy tốt với con, con chỉ biết rõ ông ấy đang đối xử với con thế nào. Hổ dữ còn không ăn thịt con mình, thế mà ba con lại ép gả con vào gia tộc Morgan, đó chẳng phải muốn đẩy con vào biển lửa sao?"

Bà Jones thở dài một tiếng, đảo mắt nhìn xung quanh cảnh giác, nhỏ tiếng nhắc nhở: "Tiểu thư, nhớ kĩ lời tôi dặn, đừng tỏ thái độ bất mãn với Long đầu trước mặt người khác, nếu không sẽ có hại cho chính cô và cả Long đầu đó."

Nói đến đây, bà Jones trở nên nghiêm túc hơn, căn dặn kĩ: "Tiểu thư, những câu khác cô có thể không nghe theo nhưng lời khuyên này của tôi cô nhất định phải nhớ rõ đấy."

Thấy bà Jones căng thẳng như thế, Nguyệt Như cũng không dám xem thường, vội gật đầu đồng ý: "Vâng, con nhớ rồi…Nhưng mà bà Jones này, bà có thể nói cho con biết rốt cuộc đã xảy ra chuyện gì không?"

"Có những chuyện mắt thấy tai nghe chưa chắc đã là sự thật, nếu muốn biết chân tướng sự việc, con phải học cách dùng trái tim đi cảm nhận…" Bà Jones nói một câu sâu xa, sau đó lấy ra một cuốn sách cổ, dâng hai tay lên cho Nguyệt Như, nói nhỏ: "Đây là ba mươi hai lộ đao quyết của Phụng Vũ đao pháp, đợi sau khi tôi rời khỏi, cô đọc thuộc bí kíp rồi hủy nó đi, không được để người khác phát hiện, không thì rắc rối to…"

443. Chương 59: Ma Đói

"Mẹ của con?" Nguyệt Như nghe xong, vội dò hỏi: "Bà Jones, về mẹ của con, bà còn biết được những gì?"

Mẹ của Nguyệt Như, cũng chính là Thiên Đạo phu nhân, mấy tháng trước đột nhiên mất tích, đến nay vẫn bặt vô âm tín. Vì chuyện này Nguyệt Như đã nhiều lần tìm gặp người cha giữ chức Long đầu Thiên Đạo gặng hỏi, nhưng ông không đưa ra một câu trả lời chính xác nào, chỉ ậm ừ cho qua chuyện. Mỗi lần làm dữ, Long đầu chỉ cho biết mẹ cô đang đi thực hiện một nhiệm vụ bí mật, trong khoản thời gian ngắn sẽ không thể quay về, còn về nhiệm vụ gì, vì liên quan đến điều cơ mật của tổ chức nên ông không chịu tiết lộ.

Những ngày gần đây, Nguyệt Như không hề từ bỏ dò la tin tức của mẹ, chỉ có điều khắp trên dưới tổ chức sát thủ Thiên Đạo đều rất kiêng dè, ai cũng không dám bàn tán chuyện này, ngay đến bà Jones thân thiết nhất với cô cũng không ngoại lệ.

Thế mà hôm nay, bà Jones lại chủ động nhắc đến mẹ của cô.

Ổn định lại tâm trạng nôn nóng, Nguyệt Như vội hỏi dồn: "Bà Jones, bà nhất định biết mẹ con đã đi đâu, bà nói cho con biết được không? Con cầu xin bà đấy."

"Tiểu thư, cô đừng nóng vội." Bà Jones ngỏ ý bảo Nguyệt Như nhỏ tiếng xuống, sau đó bà cũng hạ thấp giọng nói: "Nói thật cho cô hay, phu nhân đã đi đâu ngay cả tôi cũng không biết…Tôi đoan chắc khắp cả Thiên Đạo chỉ có Long đầu ba cô và Howard biết được điều này thôi, thế nên việc dò la tin tức của phu nhân, tôi khuyên cô nên bỏ cuộc thì hơn."

"Vậy cuốn bí kíp đao pháp này ở đâu mà bà có?" Nguyệt Như chỉ vào cuốn đao pháp hỏi.

"Trước khi phu nhân rời khỏi đã gặp mặt tôi một lần, nhưng phu nhân không nói gì nhiều, chỉ giao cuốn đao pháp cho tôi, bảo tôi chọn một thời điểm thích hợp đưa lại cho cô, sau khi cô tu luyện thành công sẽ nâng cao công lực có thêm khả năng tự bảo vệ mình."

Bà Jones thở dài một tiếng, nói tiếp: "Vốn dĩ tôi định qua một thời gian nữa mới đưa nó cho cô, nhưng theo tình hình bây giờ tôi không đưa cho cô là không được rồi, vì trái tim cô đã suy yếu vì lụy tình, sức chiến đấu của cô đã không bằng một nữa trước kia…"

Nguyệt Như nghe xong cảm thấy trong lòng ấm áp, xem ra mẹ cô không giống như ba cô, cực lực chủ trương gả cô vào gia tộc Morgan, trong tim bà hãy còn rất thương yêu con gái.

"Bà Jones, mẹ con quả thật không nói thêm gì nữa sao?" Nguyệt Như không chịu từ bỏ, muốn moi thêm một chút thông tin từ bà Jones.

"Hết rồi!" Bà Jones hình như không muốn Nguyệt Như tiếp tục hỏi tới hỏi lui, thản nhiên nói: "Bí kíp đao pháp đã đưa cho cô rồi, nhiệm vụ của tôi đã hoàn thành. Tiểu thư, chuyện tiếp theo phải dựa vào bản thân cô cố gắng tu luyện thôi. Nhớ lấy, lúc luyện đao pháp không được để người khác phát hiện, nhất là Howard và ba của cô đấy."

"Tại sao?" Nguyệt Như không hiểu.

"Tôi cũng không biết tại sao nữa, tôi chỉ thuật lại nguyên văn câu nói của phu nhân thôi. Vậy nhe, tôi còn có việc phải làm không thể nán lại quá lâu, có một số chuyện cô phải tự mình suy nghĩ, đáp án do bản thân mình tìm ra mới là chính xác nhất." Sau khi để lại câu nói cuối cùng, bà Jones như một bóng ma lướt một cái biến mất dạng.

Nguyệt Như vội quay vào nhà, dùng tốc độ nhanh nhất có thể học thuộc bí kíp Phụng Vũ đao pháp, sau đó làm theo lời dặn của bà Jones, đem cuốn bí kíp đốt thành tro bụi.

Làm xong mọi việc, Nguyệt Như ngấm ngầm hạ quyết tâm nhất định phải tìm hiểu rõ bí mật trong vụ bỗng nhiên mất tích của mẹ.

Bây giờ đang là lúc nhà nhà quây quần bên nhau ăn cơm tối, nhưng phòng ăn nhà Phương gia lại có phần lạnh lẽo, Phương Tử Lân và Trác Nhã có việc riêng ra ngoài chưa về, phòng ăn rộng rãi chỉ có một mình Phương Tuyết Di ngồi đó, thức ăn phong phú bày khắp mặt bàn, những món ăn này đều do cô gọi điện bảo khách sạn 5 sao Shangri La mang đến.

Người già sợ nhất là cô đơn lạnh lẽo, nhưng Phương Tuyết Di đang thanh xuân mơn mởn, lại tỏ ra vô cùng chán nản mỗi khi ở một mình. Khoảng thời gian gần đây, hình bóng của Phương Hạo Vân không ngừng xuất hiện trong đầu cô, có những lúc thậm chí còn làm ra những chuyện bại hoại đạo đức luân thường trong giấc mơ nữa.

Về việc này, trong tim cô vừa mừng vừa sợ, tinh thần suy sụp thấy rõ.

Mỗi một lần mơ thấy cảnh nóng với Phương Hạo Vân, Phương Tuyết Di đều cảm nhận rất rõ ràng mình rất vui rất hạnh phúc.

Sau khi giật mình tỉnh dậy, cô lại hoảng loạn vô cùng, mấy ngày gần đây cô có phần sợ phải đi ngủ. Mâu thuẫn giữa hiện thực và trong giấc mơ không ngừng giày vò nội tâm cô, làm cho Phương Tuyết Di hốc hác như một cái xác chết.

"Ài, mình phải làm sao đây?" Gắp một miếng cá chép chua ngọt bỏ vào miệng, Phương Tuyết Di nhăn nhó, vẻ mặt sầu não mang nặng tâm sự than thở.

Phương Tuyết Di là một cô gái tiếp nhận nền giáo dục hiện đại, cô tất nhiên nhận ra tư tưởng tà niệm của mình đáng sợ như thế nào, đó là một việc đáng xấu hổ, vô liêm sỉ, nhưng giờ đây cô quả thật không thể khống chế ý nghĩ tà niệm kia nữa rồi.

Cô từng tính đến giải pháp tìm đại một người đàn ông lập gia đình cho xong.

Nhưng ngàn vạn người đàn ông trên đời này, người làm trái tim cô rung động chỉ có đứa em trai Phương Hạo Vân không bao giờ rớ tới được.

"Ông trời ơi, có thể ban cho con một người đàn ông hoàn hảo không vậy?" Không gian tĩnh lặng trong phòng ăn rộng lớn vô cùng đáng sợ, Phương Tuyết Di tự mỉa mai một để phá vỡ bầu không khí cô đơn ấy.

Chính vào lúc này, chuyện lạ đã xảy ra, trong phòng ăn đột nhiên xuất hiện một người đàn ông.

"Chị Tuyết Di, một mình chị ăn nhiều đồ ăn thế à?" Người đàn ông vừa xuất hiện chính là Phương Hạo Vân, hôm nay hắn cố tình về nhà, hắn muốn tìm Phương Tuyết Di để hỏi về việc đã nhờ cô.

Phương Tuyết Di nghe tiếng nói của Phương Hạo Vân vang vọng vào tai, sau giây phút ngỡ ngàng ngắn ngủi, nhịp tim tăng lên chóng mặt, nhớ lại lời thỉnh cầu của mình vừa nãy, sắc mặt của cô ửng đỏ e thẹn.

"Chẳng lẽ đây đúng là chủ ý sắp đặt của ông trời?" Phương Tuyết Di lại bắt đầu suy nghĩ lung tung.

"Chị Tuyết Di, đã xảy ra chuyện gì vậy? Em đang nói chuyện với chị nè, ba mẹ sao không có ở nhà?"

Phương Hạo Vân vừa từ tập đoàn Đằng Phi về nhà, buổi chiều hắn vừa nói chuyện điện thoại với Tạ Mai Nhi, hỏi thăm tình hình phát triển mới nhất của dự án phát triển thôn Lưu Thủy. Sau khi xong việc, hắn lại tổ chức buổi họp với các nhân viên mới là sinh viên đại học vừa tốt nghiệp, bận rộn cả buổi chiều, hắn đói bụng rã cả người. Trước mặt bày biện bao nhiêu món ăn ngon, hắn tất nhiên không thèm khách sáo ngồi xuống ăn ngấu nghiến như hùm beo.

"Em là ma đói đầu thai hả? Để lại cho chị chứ, chị cũng đói nè..." Mới khi nãy thôi, khi phòng ăn chỉ có một mình Phương Tuyết Di, tuy bụng đói cồn cào nhưng cô không hề có tâm trạng ăn uống, nay thấy Phương Hạo Vân lùa thức ăn vào cái bụng không đáy của hắn, Phương Tuyết Di tức lên không nói thêm câu nào, cầm đũa lên giành ăn với em trai.

"Chị Tuyết Di, chị ăn từ từ thôi, em thì không sao, còn chị phải giữ ý tứ của con gái chứ." Phương Hạo Vân vừa nhai nhồm nhoằn vừa nói, đôi đũa của hắn vẫn gắp thức ăn lia lịa, tốc độ không hề suy giảm.

"Ăn từ từ hả? Thức ăn không chui hết vào bụng em mới lạ..." Phương Tuyết Di quơ tay lấy một miếng khăn giấy lau đi vết dầu mỡ trên miệng, nhíu chặt lông mày, hậm hực nói: "Thằng tiểu tử hư đốn này, ngày thường không thấy mò về nhà, vừa về nhà là giành ăn với chị...Phải rồi, sao chiều nay em có thời gian rảnh về nhà thế hả?"

Từ khi thành lập tập đoàn Thịnh Hâm, Phương Hạo Vân bận tối mắt tối mũi, tất cả mọi người đều nhìn thấy.

"Tất nhiên là có việc rồi, ăn cơm trước đi, đợi ăn xong rồi nói sau..." Có câu người quân tử ăn không nói chuyện, ngủ không nói mớ. Tuy Phương Hạo Vân không phải là quân tử, nhưng vừa ăn vừa nói sẽ ảnh hưởng đến tốc độ nhai nuốt của hắn nên hắn không muốn bàn luận việc gì khi ngồi lên bàn ăn.

Phương Tuyết Di nghe vậy cũng không tiếp tục dò hỏi nữa, cắm cúi ăn phần của mình.

Không biết có phải do có người tranh giành hay là Phương Hạo Vân xuất hiện làm cô vui, sức ăn của Phương Tuyết Di bỗng nhiên nâng cao rõ rệt, nỗi buồn trước kia tan biến hoàn toàn.

"Chị Tuyết Di, chị ăn ít thôi, coi chừng phát phì ra đấy..." Phương Hạo Vân đến hôm nay mới phát hiện bà chị này có sức ăn khủng bố như vậy, tuy so với hắn vẫn còn thua kém, nhưng trong số các cô gái phải thuộc dạng đặc biệt rồi.

"Xí, ai cần em quan tâm..."

Phương Tuyết Di gần đây tinh thần không ổn định nên ảnh hưởng việc ăn uống, đã mấy ngày liền không được ăn thả cửa như hôm nay. Cô mặc kệ có phát phì hay không, ăn cho đã rồi tính sau. Trên thực tế

Phương Tuyết Di thuộc loại con gái ăn hoài không phát tướng, bao nhiêu năm qua thân hình cô vẫn mảnh mai quyến rũ, từng đường cong mỹ miều lộ rõ, phàm ăn tục uống không hề ảnh hưởng đến nét đẹp cơ thể của cô.

Cả một bàn đầy ắp thức ăn, chỉ trong vòng mấy phút đã bị hai chị em chén sạch. Xoa xoa tay lên chiếc

Càng nói về sau, giọng điệu của Phương Tuyết Di rõ ràng mang ý trách cứ.

"Chị Tuyết Di, chuyện này không như chị nghĩ đâu…" Phương Hạo Vân thở dài một tiếng, Kim Phi quả thật không tạo thiện cảm mấy trước mặt người khác, đã không dưới một người nói xấu Kim Phi trước mặt hắn rồi.

"Những chuyện khác chị không can thiệp, chị chỉ hy vọng sau này em tránh tiếp xúc với loại đàn bà như Kim Phi đi là được." Phương Tuyết Di nghiêm túc căn dặn: "Hạo Vân, làm người phải biết thỏa mãn đó!"

Phương Hạo Vân biết chuyện này nhất thời không thể giải thích rõ ràng, hơn nữa nếu nói ra còn dính dáng tới mặt trái thân phận của hắn nữa. Cúi đầu nghĩ ngợi một hồi, hắn quyết định lấp liếm cho qua, bèn khẽ gật đầu nói: "Chị cứ yên tâm, việc này em biết cách xử trí mà…"

"Em đừng dối gạt chị đấy nhé, có thời gian em phải dành cho Mỹ Kỳ và Kỳ nhiều hơn." Phương Tuyết Di vẫn không yên tâm cậu em trai có số đào hoa này.

Em cũng muốn lắm, nhưng hai cô gái ai cũng bận bịu ngày đêm. Tất nhiên câu này Phương Hạo Vân chỉ nghĩ thầm trong lòng, hắn không ngu ngốc nói ra.

"Chị biết gần đây cả Mỹ Kỳ và Kỳ đều rất bận, không có thời gian chăm lo tình cảm cho em, nhưng dù sao em cũng không được dính vào ả Kim Phi đó, nếu em tiếp xúc với các cô gái đàng hoàng khác thì chị không có ý kiến." Phương Tuyết Di lải nhải liên tục: "Nhớ kĩ lời chị nói, chị không phải đang nói đùa với em đâu đấy, lần sau mà để chị bắt gặp em dan díu với Kim Phi, coi chị dạy dỗ em thế nào nhé, đến lúc đó chị nhất định liên lạc Mỹ Kỳ và Kỳ cùng nhau xử tội em."

"Hô hô!" Phương Hạo Vân bật cười khả ố, cố ý nói đùa: "Chị và họ đâu có giống nhau."

"Có gì mà không giống…" Phương Tuyết Di vừa giãy nãy lên, lập tức nghĩ tới đúng là không giống thiệt, Trương Mỹ Kỳ và Bạch Lăng Kỳ đều có quan hệ tình cảm với Hạo Vân, còn cô là chị gái của hắn.

Nghĩ tới đây, lại nhớ tới khung cảnh những giấc mơ, Phương Tuyết Di liền đỏ mặt xấu hổ, kẻ nào không biết nhìn vào còn tưởng cô là một trong những nhân tình bí mật của Phương Hạo Vân ấy chứ.

"Đồ xấu xa, dám trêu chọc chị hả? Sớm muộn gì chị cũng cho em biết tay."

Cây ngay không sợ chết đứng, nhưng Phương Tuyết Di có sẵn tà niệm trong lòng, trước câu nói đùa của Phương Hạo Vân bỗng hoảng loạn lên. Còn chưa đợi Phương Hạo Vân phản ứng, cô nhanh chóng chủ động cáo từ: "Thời gian không còn sớm nữa, không thèm huyên thuyên với em, chị về phòng nghỉ ngơi đây."

Dứt lời, Phương Tuyết Di chạy khỏi phòng như bị ma đuổi.

Nhìn thấy chị gái đỏ mặt, Phương Hạo Vân hình như cũng ngớ ra điều gì.

"Rắc rối to rồi đây…" Phương Hạo Vân nhíu chặt lông mày, chỉ là hắn vẫn chưa xác định rõ ràng rắc rối to chuyện gì…

Trần Thiên Huy và Lã Nguyệt Hồng vừa mới trao đổi qua điện thoại với Lã Thiên Hành, nghe giọng điệu của Lã Thiên Hành, sự an toàn của Trần Thanh Thanh hoàn toàn có thể bảo đảm, bảo họ không cần lo lắng, nhiều nhất là nửa tháng sau cháu ngoại ông sẽ trở về.

Tuy nói là thế, nhưng bậc làm cha làm mẹ vẫn cứ lo lắng cho an nguy của con cái, Lã Nguyệt Hồng thân là mẹ của Trần Thanh Thanh, những ngày này bà như sống trong lò lửa, ngày nào cũng nóng ruột trông ngóng con gái mau bình an trở về.

Lúc trước Trần Thanh Thanh ngày nào cũng ở nhà, có những lúc bà cảm thấy con gái quả thật phiền phức, lại bướng bỉnh không chịu nghe lời…Bây giờ nghĩ lại, bà vô cùng hối hận, trong số các cô gái cùng trang lứa, con gái bà coi như thể hiện tốt lắm rồi.

Lã Nguyệt Hồng thầm nhủ trong lòng, đợi sau khi con gái an toàn về nhà, bà nhất định phải yêu chiều chăm nó như trứng, tuyệt đối không để nó chịu bất cứ thiệt thòi gì nữa.

"Nguyệt Hồng, đang nghĩ gì vậy?" Trần Thiên Huy đặt điện thoại xuống, thấy vợ mình ngây ngây dại dại, bèn đẩy nhẹ vào vai vợ. Giống như Lã Nguyệt Hồng, trong lòng Trần Thiên Huy cũng vô cùng lo lắng, dù sao hai vợ chồng ông chỉ có mỗi một cô con gái, nhỡ con gái gặp bất trắc gì chắc ông không thể sống nổi.

"Thiên Huy, ông nói thử tình hình của Thanh Thanh bây giờ có giống như lời ba nói không?" Lã Nguyệt Hồng lo lắng hỏi.

Trần Thiên Huy mỉm cười trấn an vợ: "Tất nhiên rồi…Chẳng lẽ bà cho rằng ba dối gạt chúng ta sao? Yên tâm đi, ba sẽ trả lại cho chúng ta một đứa con gái nguyên vẹn mà."

Nói thật lòng, Trần Thiên Huy nói ra những lời này hoàn toàn trái với suy nghĩ của ông, thật ra ông còn lo lắng hơn cả Lã Nguyệt Hồng, đối với những lời của nhạc phụ đại nhân, ông giữ thái độ nghi ngờ, con người Lã Thiên Hành xưa nay hành động bí hiểm, khó ai dò được ông ấy, trong điện thoại ông chỉ nhắc đến Trần Thanh Thanh dạo này tiến bộ thế nào, tài giỏi ra sao, nhưng tuyệt đối không tiết lộ nửa lời về tình trạng của Thanh Thanh hiện nay.

"Thiên Huy, ngộ nhỡ con gái xảy ra tai nạn ngoài ý muốn, cả đời này tôi sẽ không tha thứ cho ba đâu…" Lã Nguyệt Hồng vốn dĩ cũng là một người phụ nữ mạnh mẽ, nhưng đối mặt với an nguy của cô con gái cưng bà cũng trở nên yếu đuối.

Trần Thiên Huy do dự giây lát, nói: "Nguyệt Hồng, thật ra chúng ta không cần thiết lo lắng như vậy đâu…Bà

Nếu như thế, tình cảm đã trở nên có khiếm khuyết, không còn hoàn mỹ nữa, có cô gái nào mà không mong ước một tình yêu trọn vẹn chứ? Trác Nhã cũng là phụ nữ, bà đương nhiên không hy vọng Phương Hạo Vân sinh con với cô gái khác ngoài vợ, hơn nữa Phương gia cũng không chấp nhận xuất hiện con riêng.

"Mẹ khoan nóng giận đã, có một số việc con nghĩ đã đến lúc nói cho mẹ biết rồi…"

Chuyện đã đến nước này, Phương Hạo Vân chỉ còn cách tiến tới cùng thôi, đem toàn bộ sự việc nói với Trác Nhã, còn thuyết phục thành công hay không tính sau, trên thực tế hắn đã nhận ra thái độ phản đối của Trác Nhã về vụ này rồi.

Tất nhiên, mọi thứ điều có thể thay đổi.

Trác Nhã cố gắng chế ngự cơn giận trong lòng, nhưng nét mặt vẫn hậm hực thấy rõ, gằn giọng: "Cô gái kia là ai? Con mau kể rõ đầu đuôi câu chuyện cho mẹ biết."

Trác Nhã tuy tức giận nhưng vẫn giữ được đầu óc tỉnh táo, bà phán đoán với tính cách của Phương Hạo Vân, nếu không có lí do chính đáng, hắn tuyệt đối không nói ra những lời này.

Phương Hạo Vân khẽ gật đầu, tiếp sau đó đem chuyện giữa hắn và Trương Mỹ Kỳ kể lại hết toàn bộ cho Trác Nhã nghe. Kể xong, Phương Hạo Vân dùng giọn điệu kiên quyết nói: "Mẹ à, dù có nói gì đi chăng nữa con cũng phải cho chị Mỹ Kỳ một đứa con, nếu không vì ba con cũng không thể đối xử tệ với chị ấy, chị Mỹ Kỳ đã chịu thiệt thòi quá nhiều vì con rồi…"

"Là Mỹ Kỳ à?" Trác Nhã không nói nên lời, nhớ lại khi xưa Tuyết Di có mối lo ngại này nhưng bà không hề để tâm, thật không ngờ mối lo ngại của Tuyết Di lại trở thành sự thật, mặc dù có nguyên nhân khác, nhưng sự thật vẫn là sự thật.

Trác Nhã cảm thấy đầu óc quay cuồng, bà vội đưa tách café lên miệng uống vài ngụm cho tỉnh táo, nhìn thẳng vào mắt Phương Hạo Vân, nghiêm giọng hỏi: "Con có biết Mỹ Kỳ năm nay mấy tuổi rồi không? Con làm vậy sẽ hủy hoại cuộc đời cô ta đấy…Bây giờ không giống thời phong kiến, có cô gái nào chịu vô danh vô phận làm tình nhân suốt đời đâu chứ? Hạo Vân, con phải suy nghĩ cho kĩ trước khi quyết định đó."

"Mẹ, con đã suy nghĩ rất kĩ rồi ạ…" Phương Hạo Vân cũng nhìn thẳng vào mắt Trác Nhã, lựa lời giải thích: "Con và chị Mỹ Kỳ đã không còn cách nào tách rời nhau được nữa, chuyện đã phát triển đến bước này, cho chị ấy một đứa con chính là cách giải quyết tốt nhất…"

"Ài…" Trác Nhã thở dài một tiếng, hỏi tiếp: "Việc này còn ai biết nữa không? Chị con và Kỳ có biết không?"

"Chị Tuyết Di biết, Kỳ cũng biết, ngay cả cha mẹ của Kỳ cũng biết hết rồi ạ…" Phương Hạo Vân lại vội vàng kể ra thái độ của Bạch gia, chỉ là giấu đi hai điều kiện của Bạch Văn Sơn, tránh để Trác Nhã suy nghĩ lung tung.

"Cái thằng con hư đốn này, xem ra mẹ và ba con là người cuối cùng biết chuyện rồi, con giỏi che đậy sự thật đấy nhỉ?" Phen này Trác Nhã hết lời phản đối, vốn dĩ bà còn lo lắng làm cách nào để ăn nói với Bạch gia, ai ngờ đứa con tài giỏi của bà đã thu xếp ổn thỏa luôn rồi.

"Mẹ à, con xin lỗi, việc này dù sao cũng không hay lắm, đều là tội lỗi của con nên con luôn giấu giếm không cho ba mẹ biết…" Phương Hạo Vân thành khẩn tạ lỗi.

Dừng lại giây lát, hắn nói tiếp: "Mẹ giúp con thỏ thẻ thuyết phục ba khi ba mẹ đi ngủ nha…"

Thỏ thẻ khi đi ngủ?

Nghe Phương Hạo Vân nói vậy, Trác Nhã đau nhói trong lòng, ở đâu ra mà thỏ thẻ, bà và Phương Tử Lân không ngủ chung giường đã lâu lắm rồi.

Nhắc đến việc này quả thật là chua xót, vì sức khỏe của Phương Tử Lân gần đây ngày càng xấu đi, Trác Nhã vừa mới bước qua tuổi 40, thế mà phải sống cảnh góa bụa nửa đời còn lại rồi.

"Mẹ, có phải mẹ cảm thấy khó thuyết phục được ba không ạ?" Phương Hạo Vân thấy Trác Nhã nhíu chặt lông mày, vội vàng dò hỏi một câu.

Nghe Phương Hạo Vân hỏi thế, Trác Nhã chợt đỏ mặt, đang nói tới chuyện sinh con của con trai, không biết tại sao lại dính dáng tới chuyện riêng vợ chồng của mình, làm Trác Nhã toát cả mồ hôi.

Đợi khi ngẩng đầu lên, nét ửng đỏ trên khuôn mặt Trác Nhã đã tan biến, bao nhiêu năm lăn lộn trên thương trường đã rèn luyện cho bà một tinh thần thép biết che giấu cảm xúc.

Trác Nhã hỏi nhỏ: "Hạo Vân, mẹ hỏi lại con lần nữa, có thật là con đã quyết định làm vậy?"

"Vâng!" Phương Hạo Vân gật đầu, khẳng định chắc nịch.

Cách này tuy không phải là cách làm tốt nhất, nhưng theo như tình hình hiện nay thì cũng chỉ có thể làm vậy thôi, đối với Phương Tử Lân và chị Mỹ Kỳ đều tốt cả.

"Mẹ hình như không có lí do gì phản đối con…" Giọng điệu của Trác Nhã vẫn thấm đượm nỗi ưu uất, nhưng bà không biết ưu uất vì chuyện gì…

"Thế còn phía ba thì sao?" Phương Hạo Vân nhắc lại thắc mắc của mình.

447. Chương 63: Mẹ Tái Giá Đi

Nghe Trác Nhã nói thế, Phương Hạo Vân nghệch mặt ra giây lát, liền sau đó hắn hiểu ra ý nghĩa sâu xa từ trong câu nói của bà mẹ Trác Nhã, bà muốn nói Phương Tử Lân cũng có hai người phụ nữ sinh con cho ông, hiện nay Phương Hạo Vân chỉ học theo ba mình thôi…

Hắn đâu phải con ruột của Phương Tử Lân, chỉ là hành vi thì đúng là trùng hợp, Phương Hạo Vân chỉ có thể hiểu mình và Phương Tử Lân rất có duyên với nhau, nhưng hắn bị rơi vào thế bất đắc dĩ mà, cũng không biết năm xưa Phương Tử Lân đã xảy ra chuyện gì nữa?

"Mẹ, ý của mẹ là gia đình chúng ta sẽ không ai phản đối chứ ạ?" Phương Hạo Vân muốn cẩn thận xác nhận chính xác.

"Thằng con hư đốn, ba con nếu như biết được dự định của con, nói không chừng ông còn vui mừng không kịp ấy chứ…"

Nói đến đây, Trác Nhã nhớ lại dạo trước bà từng trao đổi với Phương Tử Lân, ông từng thổ lộ hy vọng Hạo Vân có thể sinh thêm nhiều cháu nội cho ông, tốt nhất là bày đủ một đội hình bóng đá, đến lúc đó đứa cháu đích tôn sẽ là đội trưởng, còn ông là huấn luyện viên chính, cả gia đình tụ tập vui đùa thật là hạnh phúc…

Khi đó Trác Nhã còn phản biện lại chồng, nói Hạo Vân không phải dạng đàn ông ưu thói trăng hoa.

Nhưng theo như tình hình hiện tại cho thấy, thằng tiểu tử Hạo Vân cũng chẳng phải người đàn ông tốt đẹp gì, mới có tí tuổi đầu mà đã lăng nhăng với Trương Mỹ Kỳ rồi…Ài…

Trác Nhã quả thật không biết oán trách thế nào nữa.

Cứ tưởng vấn đề phức tạp lắm, ai ngờ giải quyết dễ dàng như thế. Phương Hạo Vân vui mừng khôn xiết, hắn nôn nóng muốn gọi điện thoại cho chị Mỹ Kỳ ngay lập tức, đem tin vui này thông báo với chị ấy để chia sẻ niềm vui chung.

"Hừ, có phải là ngồi không yên chỗ, muốn báo tin vui cho Mỹ Kỳ ngay rồi đúng không?"

Trác Nhã nhìn thấu suy nghĩ của Phương Hạo Vân, nhíu mày căn dặn: "Hạo Vân, mẹ hy vọng con có thể tự kiểm soát bản thân, đừng dan díu với cô gái khác ngoài Mỹ Kỳ và Kỳ nữa, dù sao đây cũng là một xã hội văn minh có pháp luật hẳn hoi, hơn nữa nữ quyền đã được công nhận, không còn giống thời phong kiến nữa, con đừng đùa với lửa đó…" Trác Nhã là ví dụ điển hình, là nạn nhân của chủ nghĩa đàn ông độc tôn, vì thế đối với việc tam thê tứ thiếp bà tuyệt đối không tán đồng.

"Cái này…việc này…" Phương Hạo Vân bị Trác Nhã nói trúng tim đen, chỉ biết cười phá lên che giấu cảm xúc, nói: "Hôm nay con không bận, nếu mẹ có thời gia rảnh thì con sẽ ngồi uống café với mẹ, nghe nói café này xuất xứ từ Việt Nam nên thơm ngon lắm đấy."

Trác Nhã đúng là có công việc bận cần giải quyết, nhưng trước thịnh tình của con trai, cuối cùng bà vẫn quyết định gác lại công việc ngồi nói chuyện với Hạo Vân. Tuy hắn không phải do bà sinh ra, nhưng bao nhiêu năm qua bà đã coi Phương Hạo Vân như con ruột, bà nghĩ mình có trách nhiệm uốn nắn lỗi lầm của đứa con này, tránh cho con trai sa chân vào tội lỗi không thể cứu vãn được.

"Thế thì con ngồi nói chuyện với mẹ đi…" Trác Nhã vẫy tay gọi cô phục vụ đến, gọi thêm hai tách café và một đĩa trái cây, xem ra bà định ngồi đây trao đổi với con trai khá lâu.

Phương Hạo Vân tuy trong lòng nôn nóng nhưng hắn thật lòng nhận lời ở lại ngồi nói chuyện với Trác Nhã. Đối với người mẹ hiền này, Phương Hạo Vân cảm kích vô cùng, từ sau khi thay đổi khuôn mặt bắt đầu một cuộc sống mới, hắn được bà chăm lo chu đáo không thiếu một thứ gì.

Chuyện giữa Phương Hạo Vân và Trương Mỹ Kỳ, Trác Nhã tuy không mấy tán thành nhưng trong lòng lại không lo lắng, cái bà lo lắng nhất chính là quan hệ giữa con gái Phương Tuyết Di và Hạo Vân.

Trác Nhã luôn cảm thấy Tuyết Di có một thứ tình cảm đặc biệt với Hạo Vân, tình cảm đó chắc chắn không phải tình thân ruột thịt…Còn chính xác nên định nghĩa thế nào bà cũng không biết.

Tóm lại, Trác Nhã vẫn luôn lo lắng có chuyện không hay xảy ra.

Hôm nay, bà định nhân cơ hội này dò xét Hạo Vân, tiện thể cảnh báo với con trai, người ngoài thì còn có thể chấp nhận, chứ người thân một nhà đừng nên để xảy ra chuyện gì đáng tiếc.

Sau khi suy tính kĩ lưỡng, sắc mặt Trác Nhã trở nên nghiêm túc hẳn: "Hạo Vân, chị Tuyết Di của con quả thật làm mẹ rất đau đầu, con có thể nghĩ cách giúp mẹ không?"

Phương Hạo Vân vừa định đưa tách café lên uống, nghe Trác Nhã hỏi thế cánh tay dừng lại giữa chừng trên không trung rồi đặt trở xuống, nhìn chăm chăm vào Trác Nhã, hỏi: "Ý của ba mẹ nghĩ sao?"

"Ba con còn nôn nóng hơn cả mẹ nữa, con cũng biết chị Tuyết Di của con đã sớm bước vào tuổi nên lập gia đình rồi, nhưng chị con lại kén cá chọn canh, cứ lần lữa không tìm được đối tượng vừa ý, mẹ cũng không biết phải làm sao nữa?"

Từ sau vụ việc Lăng Vân Giai lần trước, Trác Nhã và Phương Tử Lân đã không còn cưỡng ép mai mối bạn trai cho Phương Tuyết Di.

Nhìn thấy tuổi tác của con gái càng lúc càng lớn, hai vợ chồng như ngồi trên đống lửa.

Phương Hạo Vân ngẫm nghĩ giây lát, nhíu mày nói: "Việc này đúng là đau đầu thiệt, con cũng không có cách gì hay, muốn giải quyết việc này chủ yếu ở phía chị Tuyết Di, nếu chị ấy không muốn lấy chồng, người khác làm thế nào cũng không cưỡng ép được."

Phương Hạo Vân thật ra cũng rất muốn chị gái hắn sớm tìm được tấm chồng xứng đáng, nhưng chuyện hôn nhân đại sự người khác đâu thể quyết định thay được.

"Con hy vọng chị Tuyết Di sớm lập gia đình thật sao?" Trác Nhã đột nhiên hỏi.

Phương Hạo Vân không biết tại sao Trác Nhã lại đặt câu hỏi lạ lùng này với hắn, hắn không suy nghĩ nhiều đã trả lời ngay: "Tất nhiên là con hy vọng chị ấy sớm tìm được một nửa xứng đáng của mình rồi…Mẹ à, thật ra ba mẹ cũng không cần lo lắng quá, chị Tuyết Di là một cô gái thông minh, chị ấy tự biết tính toán cho cuộc đời mình, có thể là duyên phận chưa đến. Tạo hóa luôn công bằng với vạn vật trên thế gian, mỗi một người sớm muộn gì đều sẽ tìm thấy một nửa thuộc về mình…"

"Công bằng?" Trác Nhã cười gằn, vặn lại con trai: "Nếu nói trên đời này quả thật có tạo hóa công bằng, mẹ rất muốn biết, tại sao có người lại có mấy cô gái một nửa thuộc về mình ấy nhỉ?"

Phương Hạo Vân nghe xong vả mồ hôi như tắm. Câu này rõ ràng là nhằm vào hắn, nhưng hắn nhanh chóng nhận ra một chút oán trách trong câu nói của mẹ Trác Nhã không phải muốn chỉ trích hắn, mà đối tượng bị nói tới ở đây là ông bố Phương Tử Lân.

Tươi cười giả lả, Phương Hạo Vân vội lái sang đề tài khác: "Mẹ à, chuyện của chị Tuyết Di con cảm thấy để mặc chị ấy tự giải quyết đi thôi, dù sao hôn nhân là chuyện đại sự suốt đời, nếu chị ấy không thích cố ép uổng là làm hại chị ấy đó."

"Ài…" Trác Nhã thở dài một tiếng, ý nhị nhìn thẳng vào mắt Phương Hạo Vân, mấp máy môi muốn nói thêm câu gì nhưng cuối cùng không thể nói ra. Lời nói của Phương Hạo Vân rất có lí, bà không muốn can thiệp thô bạo vào hôn nhân đại sự của con gái, nhưng bà đang rất sợ…sợ sau này sẽ xảy ra chuyện tày trời trong gia đình, trở thành trò cười cho thiên hạ.

Ngập ngừng giây lát, Trác Nhã nói nhỏ: "Hạo Vân, hai chị em con đều đã khôn lớn hết rồi, sau này ai nấy sẽ có gia đình riêng của mình, nhưng sau này hai đứa không được vì có gia đình riêng mà quên đi tình nghĩa chị em đấy nhé…" Trác Nhã cố tình nhấn mạnh 4 chữ "Tình nghĩa chị em" để cảnh báo Phương Hạo Vân.

Phương Hạo Vân nghệch mặt ra, đến bây giờ hắn mới phát hiện Trác Nhã đi một vòng lớn như thế thì ra màn kịch cuối là muốn nói đến "Tình nghĩa chị em".

"Chẳng lẽ mẹ đang nghi ngờ điều gì? Mẹ muốn cảnh báo điều gì chăng?" Nhớ lại những lời trao đổi vừa rồi, Phương Hạo Vân hình như ngộ ra một ít thông tin nhạy cảm.

Nói thật lòng, cho đến hiện nay trong lòng Phương Hạo Vân đúng là chưa nảy sinh tà niệm với Phương Tuyết Di, nhưng hắn cảm thấy chị Tuyết Di đối với hắn thì có hơi lạ lạ…

Những việc khác khoan hãy bàn đến, lần trước hắn phát hiện cuốn sách "Quản trị kinh doanh" của bà chị là đã nói rõ một số vấn đề rồi, tất nhiên đây chỉ là suy đoán cá nhân, hắn luôn cảm thấy chị Tuyết Di là một cô gái thông minh tài cán hiểu lí lẽ, chắc sẽ không làm ra những chuyện bại hoại đạo đức gia phong nào đâu.

Nhưng nói gì thì nói, giữa hai người quả thật đâu có quan hệ huyết thống, ngay cả đóng vai chị em cũng chưa được một năm cơ mà.

Nghĩ đến đây, ánh mắt Phương Hạo Vân trở nên lấm lét, một cảm giác lâng lâng dâng lên trong lòng, nhưng chính lúc này hắn bắt gặp ánh mắt gay gắt đang dò xét của Trác Nhã.

Nhanh chóng ổn định lại cảm xúc, Phương Hạo Vân nghiêm túc khẳng định: "Xin mẹ cứ yên tâm, con và chị Tuyết Di tuyệt đối chỉ có tình cảm chị em thôi ạ."

Thấy Phương Hạo Vân khẳng định chắc nịch, thái độ kiên quyết, Trác Nhã mới thở phào nhẹ nhõm, con gái bà u mê nhưng đứa con trai không phải do bà sinh ra kể cũng sáng suốt hiểu lí lẽ.

"Ha ha!"

Trác Nhã cảm thấy an ủi trong lòng, vẻ mặt nghiêm nghị liền tan biến, ăn một tiếng dưa hấu, nói tiếp: "Hạo Vân, mẹ biết con là một đứa con hiểu chuyện, con sẽ không làm mẹ thất vọng đúng không? À, còn về việc của chị con, thật ra cũng không phải là không có cách gì đâu, trước mắt mẹ và ba con lại tìm được một anh chàng thích hợp, chỉ là ba mẹ không tiện ép buộc chị con như lần trước, để hôm khác mẹ sẽ giới thiệu cậu ta làm quen với con trước, con đứng ra tạo cơ hội cho hai người quen nhau, nói không chừng sẽ tác hợp được mối nhân duyên này thì sao?"

Phương Hạo Vân trố mắt ngạc nhiên, hắn không mấy bằng lòng làm Nguyệt Lão se duyên: "Làm vậy không hay lắm chứ?"

Trác Nhã mỉm cười giải thích: "Không sao đâu, mẹ chỉ muốn con đóng vai trò cầu nối tạo cơ hội cho họ làm quen thôi mà, còn có thành công hay không ba mẹ sẽ không ép buộc Tuyết Di. Nhưng theo mẹ thấy, lần này Tuyết Di có tám chín phần sẽ đồng ý, con không biết đó thôi, đối tượng lần này ba mẹ chọn ưu tú đến cỡ nào đâu…"

Nghe Trác Nhã nói thế, Phương Hạo Vân cũng cảm thấy tò mò, rốt cuộc là thần thánh phương nào mà có thể khiến Trác Nhã vừa lòng như thế?

Nên nhớ ngày thường Trác Nhã cũng thuộc loại phụ nữ đặt tầm mắt trên trời, trong kí ức của Phương Hạo Vân, hình như đây là lần đầu tiên hắn nghe mẹ đánh giá tốt đến thế về một người.

Chỉ có điều Phương Hạo Vân vẫn không mấy háo hức với vai trò làm Nguyệt Lão, nhưng hắn không biết tìm đâu ra lí do gì để từ chối.

Nhận thấy nét mặt Phương Hạo Vân lộ vẻ khó xử, Trác Nhã liền hỏi: "Hạo Vân, có gì không ổn sao? Chẳng lẽ con không hy vọng chị Tuyết Di yêu nhau với người đàn ông khác?"

Câu hỏi này quá sắc bén, Phương Hạo Vân bối rối ra mặt, đến bây giờ hắn mới dám khẳng định thì ra Trác Nhã đang nghi ngờ mình.

Giao nhiệm vụ làm Nguyệt Lão cho hắn thật ra là muốn thử thách hắn một lần.

Cây ngay không sợ chết đứng. Phương Hạo Vân không hề có ý định xấu xa với chị Tuyết Di nên hắn không có gì phải lo sợ, sau khi nghĩ thông suốt mọi việc, hắn gật gù: "Mẹ hiểu lầm rồi, con nhận lời mẹ vậy. Nếu anh chàng kia đúng là một người đàn ông ưu tú, con sẽ cố hết sức tác hợp cho họ."

Ý nghĩa câu nói của Phương Hạo Vân cũng chỉ rõ, nếu đối phương không phải là người tốt, tất nhiên hắn phản đối.

Trác Nhã đương nhiên cũng hiểu rõ ẩn ý của Phương Hạo Vân, cả hai đều là người thông minh, người thông minh không cần giải thích quá dông dài làm chi…

Về việc này, Trác Nhã không hề phản cảm, vì nếu đối phương quả thật không phải người tốt, đừng nói là Phương Hạo Vân không đồng ý, bà cũng sẽ kiên quyết phản đối đến cùng, suy cho cùng Phương Tuyết Di là con gái cưng của bà, người làm mẹ có ai muốn làm hại con gái? Có ai không hy vọng con gái mình có được một cuộc hôn nhân hạnh phúc mỹ mãn chứ?

"Hạo Vân, việc này cứ quyết định vậy đi nhé…Lát nữa con nhắc thử với Tuyết Di coi phản ứng của chị con thế nào đã." Dừng lại một hồi, Trác Nhã ý nhị buông một câu.

"Vâng, con biết rồi." Phương Hạo Vân khẽ gật đầu, không tỏ thái độ phản đối.

"Hạo Vân, nếu con không bận việc gì thì ngồi thêm một lát với mẹ…Gần đây luôn bận bịu công việc, khó khăn lắm mới có dịp ngồi tịnh tâm nói chuyện với nhau…"

Trác Nhã đột nhiên lái đề tài sang Phương Tử Lân: "Hạo Vân, có thời gian con hãy khuyên nhủ ba con, gần đầy ông ấy cứ lo làm việc liên tục, nếu cứ tiếp tục thế này, e là sức khỏe ba con không chịu nổi đâu…"

Phương Hạo Vân ngẩng đầu lên nhìn trưng trưng vào Trác Nhã, có thể rõ ràng nhận ra một thoáng ai oán trong mắt của mẹ…

Ài…Đúng là làm khó cho Trác Nhã rồi, khó khăn lắm mới tái hợp với người yêu năm xưa, bây giờ có một gia đình hạnh phúc, một sự nghiệp thành đạt, tiếc rằng Phương Tử Lân lại thân mang trọng bệnh.

Phụ nữ ấy, không có đàn ông bên cạnh là không được đâu.

"Mẹ yên tâm đi, chắc chắn con sẽ làm vậy…" Phương Hạo Vân suy ngẫm giây lát, buộc miệng nói: "Mẹ à, sau này lỡ như ba không còn nữa, hay là mẹ tìm người khác tái giá đi, mẹ còn trẻ, nếu tiếp tục sống thế này nửa đời sau của mẹ sẽ khổ lắm đấy…"

Phương Tử Lân chẳng còn trụ được bao lâu, Phương Hạo Vân nói "lỡ như" chẳng qua là muốn nói khéo hơn thôi.

Thật ra hắn nói ra những lời này với Trác Nhã chưa chắc hoàn toàn xuất phát thật lòng, cùng lắm chỉ có một nửa là thật, hắn muốn thăm dò thử bà mẹ này…

Phương Hạo Vân bị Trác Nhã thăm dò mấy lần, tất nhiên hắn phải phản kích lại một lần mới được chứ.

Nghe con trai đề nghị thẳng thừng như thế, Trác Nhã cứng đơ toàn thân, nhưng bà không lên tiếng trách mắng hắn, cũng không tỏ thái độ phản cảm gay gắt, xét từ vẻ mặt có thể thấy bà chỉ hơi chút hoảng loạn, không biết nên xử lí tình huống này thế nào.

448. Chương 64: Anh Chàng Đào Hoa

Thân là một người phụ nữ thành đạt mạnh mẽ ở chốn đô thị phồn hoa, trong thâm tâm Trác Nhã tất nhiên cũng không cam lòng sống cảnh góa bụa, chỉ là những ngày tháng qua bà không hề có cách nghĩ vượt ngoài

phạm vi đạo đức như thế.

Nhưng hôm nay nghe Phương Hạo Vân nhắc đến chuyện tái giá, một mồi lửa liền nhen nhóm trong sâu thẳm trái tim cô đơn của Trác Nhã.

"Mẹ đang suy nghĩ gì thế?" Phương Hạo Vân nở một nụ cười quan tâm nơi khóe miệng, ân cần hỏi thăm.

Phương Hạo Vân nhủ thầm trong bụng, xem ra dò thám của mình là chính xác, theo như phản ứng của Trác Nhã cho thấy, nếu nói bà chưa từng nghĩ đến chuyện ấy là không thể nào.

Tất nhiên, cho dù Trác Nhã có suy nghĩ như thế, Phương Hạo Vân cũng sẽ không chỉ trích bà. Theo đuổi hạnh phúc là tự do cá nhân của mỗi người, hơn nữa hắn là con trai trưởng của Phương gia, nhưng thực chất chỉ là hàng nhái, xét từ góc độ nào đó hắn không có quyền đi chỉ trích Trác Nhã.

"Hừ!" Trác Nhã bị câu hỏi của Phương Hạo Vân làm bừng tỉnh, bà trừng mắt nhìn con trai một cái, hậm hực nói: "Cái thằng con hư đốn này nói lung tung gì đó, những lời vừa rồi mẹ xem như chưa từng nghe, nếu sau này mà con còn nhắc lại chuyện ấy nữa mẹ sẽ giận đấy…"

"Mẹ à, thật ra mẹ…" Phương Hạo Vân định lên tiếng thăm dò tiếp, đừng tưởng Trác Nhã nói có vẻ chém đinh chặt sắt, nhưng trong lòng bà tuyệt đối đã từng nghĩ đến.

"Đủ rồi!" Không đợi Phương Hạo Vân nói thêm, Trác Nhã đã ngắt lời hắn, quát mắt giận dữ, nghiêm túc gắt lên: "Hạo Vân, con còn nói tiếp nữa chính là bất hiếu."

Quả thật trong lòng Trác Nhã có loáng thoáng dao động, nhưng nhanh chóng đã bị bà chế ngự cảm xúc, tuy Phương Tử Lân từng có lỗi với bà nhưng bà không thể bất nghĩa với chồng. Hơn nữa sản nghiệp Phương gia to lớn, lại là danh gia vọng tộc ở thành phố Hoa Hải, muốn tái giá đâu phải chuyện dễ, mặt khác bà đánh hơi được ý dò xét từ giọng điệu của Phương Hạo Vân, bà đang thăm dò chuyện giữa Hạo Vân và con gái, ai ngờ phen này con trai lại thăm dò ngược lại bà.

"Vâng!" Phương Hạo Vân không dám tiếp tục đề tài này nữa, trên thực tế mục đích của hắn đã đạt được, tâm tư của Trác Nhã hắn đã đoán biết được tám chín phần rồi.

"Hạo Vân, mẹ thấy hơi khó chịu trong người, mẹ muốn về nghỉ ngơi sớm…" Trác Nhã vốn định nói chuyện thêm một lúc với Phương Hạo Vân, nhưng bị những câu dò xét của hắn làm cho nội tâm hoảng loạn, thậm chí xuất hiện mâu thuẫn. Bà phải nhanh chóng bỏ về, bà cần yên tĩnh một mình, có những chuyện bà phải suy nghĩ cho thật kĩ.

Sau khi rời khỏi quán café, Trác Nhã không trở về nhà mà đến văn phòng làm việc ở công ty.

Phương Hạo Vân đợi Trác Nhã rời khỏi quán café, ngồi thêm một lát cũng đứng dậy ra về, nhưng hắn lựa chọn về nhà. Lúc này chắc Phương Tuyết Di đã về đến nhà rồi, hắn phải thực hiện lời hứa với Trác Nhã, nói với chị Tuyết Di về việc giới thiệu đối tượng cho chị ấy.

Nửa đường, hắn bấm số gọi cho Trương Mỹ Kỳ, thông báo cho cô biết chuyện sinh con đã được xác định.

Phía đầu dây bên kia Trương Mỹ Kỳ hạnh phúc đến nỗi bật khóc, vừa nói vừa nấc trong điện thoại, giấc mơ ấp ủ đã lâu cuối cùng đã trở thành sự thật, trong giây phút ấy, tâm trạng cô sung sướng biết dường nào thật khó có thể diễn tả.

"Chị yêu em, Hạo Vân!" Trương Mỹ Kỳ say đắm thủ thỉ vào điện thoại.

"Chị Mỹ Kỳ, em cũng yêu chị!" Phương Hạo Vân bị đánh động bởi tấm chân tình của Trương Mỹ Kỳ, cũng nói ra một câu tình tứ ngọt ngào.

Sau đó, hắn nói với Trương Mỹ Kỳ: "Chị Mỹ Kỳ, đêm nay em phải về nhà làm một việc nên có thể sẽ không về, chị nói lại với Kỳ giùm em, tối nay hai người ăn cơm sớm nhé, không cần đợi em đâu."

Trương Mỹ Kỳ đang cực kì phấn khích c

Lấy trường hợp Đinh Tuyết Nhu ra nói nè, rõ ràng là làm bẩn giường của người ta, thế mà lại khóc lóc thảm thương làm như là người bị hại không bằng, ai không biết nhìn vào còn tưởng hắn ức hiếp con gái yếu đuối ấy chứ.

"Giờ tôi làm bẩn giường của anh rồi đó, anh muốn làm gì tôi thì làm đi." Đinh Tuyết Nhu bước tới gần hơn, ưỡn ngực cao hơn, nhướng lông mày cong vút thách thức, tức tối chất vấn.

Phương Hạo Vân lắc đầu bó tay…

Trời cao ơi, tại sao lại đối xử bất công với con như thế? Phương Hạo Vân ngẩng đầu lên nhìn ra cửa sổ, không thốt nên lời.

Đinh Tuyết Nhu cảm thấy mình bị khinh thường, lửa giận trong lòng bốc lên ngùn ngụt, cô lại làm ra hành động điên khùng khiến người khác không ai hiểu nổi. Cô mang luôn đôi giầy leo lên giường Phương Hạo Vân nhảy tưng tưng, cố ý giẫm mạnh vào những chỗ chưa bị dơ, tuy không để lại dấu giầy rõ rệt, nhưng tấm ga trải giường lúc này đã bẩn không thể tả…

"Đủ rồi!" Có đùa cũng vừa vừa thôi chứ, phen này Phương Hạo Vân nổi giận thật rồi, hắn điên tiết quát lên. Cô gái này bị điên chắc, hồi nãy coi như hờn dỗi một tí còn thông cảm được, bây giờ cô ta cố tình mang giầy giẫm lên giường hắn, đúng là không thể chịu đựng nổi, ngay cả bồ tát phật sống cũng tức ói máu. Con gái thì sao chứ? Con gái có đặc quyền không nói lí lẽ nhưng cũng không được quá đáng đến mức này.

"Bây giờ cô lập tức đi giặt ga trải giường cho tôi mau…" Phương Hạo Vân gào lên như sấm.

"Không giặt!"

Người lên tiếng lại là Phương Tuyết Di, cô đâu thể để thần tượng của mình bị đứa em trai ức hiếp được: "Hạo Vân, em quá đáng rồi, tấm ga trải giường của em đã mấy tháng không giặt, vốn đã bẩn và hôi như cú, em dựa vào gì mà bắt Tuyết Nhu giúp em giặt nó hả?"

Ôi, hèn chi người ta nói "Nữ sinh ngoại tộc", chị gái hắn đi bênh vực người ngoài mới tức chứ…

Phương Hạo Vân tức tối liếc xéo Phương Tuyết Di, gằn giọng: "Không liên quan đến chị…"

"Em muốn làm phản hả?" Phương Tuyết Di hình như muốn thể hiện uy quyền chị cả của cô trước mặt thần tượng, vừa mở miệng là giáng một chập lời giáo huấn đầu tắt mặt tối vào Phương Hạo Vân.

Tự cổ chí kim nữ nhi đều là thứ ngang tàng không nói lí lẽ, hơn nữa cô gái kia lại là chị gái hắn, nên Phương Hạo Vân dù tức giận sôi gan vẫn không dám cự cãi lại, chỉ im lặng chịu trận.

Im lặng lắng nghe, im lặng là vàng là ngọc, im lặng là cách phản đối hữu hiệu nhất…

Phương Tuyết Di sừng sộ giảng bài hồi lâu, khát khô cả cổ thế mà đứa em trai đáng ghét kia lại thản nhiên ngẩng đầu nhìn trời nhìn mây, thật là một sự sỉ nhục nặng nề với quyền uy chị cả của cô trong nhà.

"Đồ đầu bò!" Cuối cùng Phương Tuyết Di đành quát lên một câu tức tối, sau đó không nói gì nữa.

Cơn thịnh nộ vô cớ của bà chị rốt cuộc cũng qua đi. Phương Hạo Vân quay mặt về phía Đinh Tuyết Nhu, giờ đã đến lúc hắn nói chuyện rồi: "Tôi mặc kệ cô là đại minh tinh hay là thần tượng âm nhạc gì đó, cô làm bẩn giường của tôi đó là sự thật nên bây giờ cô phải giặt lại tấm ga trải giường cho tôi."

Đinh Tuyết Nhu bỉu môi phụng phịu không thèm nhìn vào hắn.

"Giặt mau, bây giờ giặt liền đi…" Phương Hạo Vân đanh mặt quát to một tiếng dữ tợn.

Âm thanh của hắn có uy lực như tiếng gầm của sư tử, không những Đinh Tuyết Nhu giật bắn người, ngay cả Phương Tuyết Di cũng lạnh toát sống lưng, cơ thể run lên từng chập.

Trong kí ức của Phương Tuyết Di, hình như đứa em trai của cô chưa từng nổi nóng như hôm nay, xem ra hắn đã tức giận thật rồi.

Nghĩ đến đây, tư thế oai phong của Phương Tuyết Di vừa nãy đã không còn nữa, cô liếc nhìn tấm ga trải giường đầy vết chân của Đinh Tuyết Nhu, nghĩ thầm hay là mình giặt giúp hắn vậy, dù sao đây cũng không phải lần đầu tiên cô giúp Hạo Vân giặt đồ.

"Giặt thì giặt chứ, có cần hung dữ như thế không hả?" Đinh Tuyết Nhu cũng khiếp sợ trước cơn giận của Phương Hạo Vân, hình như cô đã ý thức được hành động của mình hơi quá đáng. Cô không phải là thứ con gái không nói lí lẽ, cô là loại con gái ngực to đầu óc minh mẫn, cô hiểu rất rõ hành vi hôm nay đúng là rất khó chấp nhận.

Phương Hạo Vân đưa mắt nhìn qua, thấy Đinh Tuyết Nhu tỏ ra thảm thương tội nghiệp, vẻ mặt ấm ức, không hề có chút gì khí khái của một đại minh tinh được mọi người ngưỡng mộ.

Đinh Tuyết Nhu đã nói là làm, cô không nói gì thêm, bắt đầu tháo tấm ga trải giường ra, nhưng kéo rẹt một cái, hai món đồ tí hon rơi xuống đất, chính là hai chiếc quần lót nam của Phương Hạo Vân, một chiếc màu đỏ, chiếc còn lại có in hình nhân vật truyện tranh Doremon…

Hai cô gái cùng lúc đỏ mặt xấu hổ…

Nhưng nói gì thì nói, Phương Hạo Vân là không thể từ bỏ, hiện nay tình hình trong nước êm thắm tươi đẹp, nhưng giới hắc đạo có dấu hiệu trỗi dậy, hơn nữa so với hắc đạo hồi trước thì hắc đạo hiện nay tinh vi hơn nguy hiểm hơn, bề ngoài đều có bức bình phong là tập đoàn kinh doanh chân chính, vì thế càng khó kiểm soát.

Phía trên luôn nghĩ cách đối phó thực trạng đang tồn tại này, nửa năm trước từng có người đưa ra ý kiến do chính phủ đứng ra ủng hộ một số phần tử hắc đạo trung thành tiến hành quản lí giới hắc đạo, nếu như vậy những việc chính phủ không thích hợp ra mặt giải quyết sẽ đưa người kia ra giải quyết thay, tất nhiên sự ủng hộ chỉ diễn ra trong bí mật.

Mới đầu có người kiến nghị ủng hộ con rể của Lã Thiên Hành là Trần Thiên Huy, nhưng bị Lã Thiên Hành phủ quyết, Trần Thiên Huy dù sao cũng đã hơi lớn tuổi, không phù hợp tiêu chuẩn về mặt tuổi tác, hơn nữa việc này có nguy hiểm nhất định, nếu làm tốt thì có lợi cả về công lẫn tư, nhưng một khi đổ bể sẽ trở thành đối tượng bị thanh trừng của chính phủ.

Lã Thiên Hành chỉ có một cô con gái cưng Lã Nguyệt Hồng, tất nhiên không dám đem hạnh phúc của con gái ra đánh cược.

Sau khi tiếp xúc với Phương Hạo Vân, trải qua một thời gian theo dõi, Lã Thiên Hành phát hiện hắn về mặt nào cũng rất phù hợp với tiêu chuẩn lựa chọn trong lòng ông.

Vốn dĩ Lã Thiên Hành định đề nghị thẳng với hắn, nhưng ông phát hiện con người Phương Hạo Vân trời sinh đã là người làm việc lớn, sớm muộn gì hắn cũng sẽ một bước lên mây, sớm muộn gì hắn cũng liên lạc hợp tác với ông.

Trong thời điểm thích hợp giành lấy lợi ích lớn nhất, đó là cách giải bài toán chính trị khôn ngoan.

Chỉ có điều Lã Thiên Hành không ngờ tới kết quả cuối cùng lại khác biệt rất xa so với kỳ vọng của ông, nhưng có một điểm tốt đáng mừng, chính là Phương Hạo Vân sẽ tuân thủ giới hạn cuối cùng do cấp trên đặt ra, bằng không cho dù Phương Hạo Vân có là chân long chuyển thế cũng tuyệt đối không thể sử dụng.

"Ông có thể nhận lời cháu, nhưng cháu phải hứa với ông một điều khoản kèm theo…" Lã Thiên Hành suy ngẫm giây lát, nói: "Chúng tôi sẽ lấy 30% lợi ích thu được."

"30% lợi ích?" Phương Hạo Vân không cần suy nghĩ đã nhận lời ngay: "Cứ thỏa thuận vậy đi!"

Lã Thiên Hành nghe Phương Hạo Vân thỏa thuận nhanh đến thế liền có đôi chút hối hận, sớm biết như vậy ông đã đưa ra mức 40% rồi, bây giờ ngân sách nhà nước trong cuộc khủng hoảng kinh tế toàn cầu đang gặp khó khăn, ông phải chạy đôn chạy đáo thế mà vẫn thiếu trước hụt sau.

"Lã lão gia, có phải là cháu nhận lời nhanh quá, ông hối hận rồi không?" Phương Hạo Vân hình như sớm nhìn thấu được suy nghĩ của Lã Thiên Hành, mỉm cười nói: "30% lợi ích đã là mức giá cuối cùng cháu chấp nhận, nếu cao hơn nữa thì việc này miễn bàn nhé…"

"Coi như cháu giỏi!"

Lã Thiên Hành cười to khen ngợi: "Ai cũng nói gừng càng già càng cay, ông thì thấy trái ớt hiểm bé tí như cháu cay hơn nhiều đấy. Hạo Vân, có những chuyện ông phải nói rõ với cháu trước, vì cháu từ chối người của chúng tôi xen vào nên có những chuyện cháu phải cẩn thận làm cho kín, đừng trách ông không báo trước, sau này lỡ xảy ra chuyện gì không thể cứu vãn, vượt ra khỏi giới hạn cuối cùng của cấp trên, cháu sẽ phải trả cái giá kinh khủng lắm đó, bao gồm cả gia đình cháu cũng bị liên lụy…"

Câu cuối cùng mới là trọng điểm Lã Thiên Hành muốn nói, đó cũng là lí do ông chấp nhận điều kiện của Phương Hạo Vân, dùng người thân của hắn uy hiếp, sau này chắc chắn hắn làm chuyện gì cũng phải suy nghĩ kĩ càng, chắc không xảy ra vấn đề gì khó kiểm soát, tuy làm vậy có hơi bỉ ổi, nhưng đây là cách tốt nhất để khống chế một người.

Tất nhiên, nếu Lã Thiên Hành biết được Phương Hạo Vân và Phương gia chả có tí quan hệ huyết thống nào, lúc đó chắc ông tức ói máu…

Tuy nhiên gia đình Phương gia đối với Phương Hạo Vân lại là thứ quan trọng nhất, nghe xong lời đe dọa của Lã Thiên Hành, hắn giận dữ gào to, giọng nói pha lẫn sát khí: "Lã lão gia, ông muốn lấy người nhà của

cháu ra uy hiếp, chẳng lẽ ông không cảm thấy đây là một cách làm ngu ngốc lắm hay sao?"

Lã Thiên Hành nhận ra sát khí ngùn ngụt của Phương Hạo Vân truyền sang từ ống nghe điện thoại, sắc mặt thoáng chốc trầm hẳn xuống, chàng trai trẻ này hình như khó khống chế hơn ông nghĩ.

Nhưng Lã Thiên Hành là ai chứ? Một người từng bò dậy từ đống xác chết trong cuộc chiến khốc liệt ở nước S, đâu thể dễ dàng bị một đứa nhóc hù dọa.

Ngập ngừng giây lát, Lã Thiên Hành lạnh lùng đáp trả: "Hạo Vân, cháu là một người thông minh, cháu nên hiểu rõ đạo lí giữa được và mất, cháu cũng nên biết cái gì gọi là chế ngự, ông chỉ nói đến đây thôi, còn hợp tác hay không cháu tự mình đưa ra quyết định đi…" Phương Hạo Vân có nguyên tắc của mình, Lã Thiên Hành cũng có.

Phương Hạo Vân nghe xong, suy nghĩ nhanh chóng trong đầu, nói: "Lã lão gia, cháu sẽ luôn tuân thủ giới hạn cuối do ông đưa ra, nhưng cháu hy vọng ông đừng áp dụng bất cứ biện pháp khống chế nào với người thân ở Phương gia, bằng không cháu sẽ bắt ông phải hối hận."

Lã Thiên Hành biết uy hiếp, Phương Hạo Vân cũng biết uy hiếp, uy hiếp lẫn nhau, thế mới công bằng…

"Ha ha!"

Lã Thiên Hành hình như đang tức giận, nhưng phản ứng của ông là một tràng cười sảng khoái: "Tuổi trẻ tài cao đó Hạo Vân, xem ra ông quả thật đánh giá sai cháu rồi, cháu là rồng trong nhân gian, là người đầu tiên dám đặt kiện với Lã Thiên Hành này đó. Ông sẽ nhớ lời uy hiếp của cháu, hy vọng cháu cũng nhớ lời uy hiếp của ông, hôm nay nói đến đây thôi, chi tiết cụ thể, ông sẽ bàn bạc lại với các bên liên quan, đợi sau khi xác định xong ông sẽ chủ động liên lạc cháu."

Dứt lời, không thèm đợi Phương Hạo Vân nói thêm câu nào, Lã Thiên Hành đã dập máy cái rầm.

Khóe miệng Phương Hạo Vân nở một nụ cười đắc ý, cuộc giao dịch này cuối cùng hắn đã chiếm thế thượng phong. Lã Thiên Hành muốn lợi dụng hắn, khống chế hắn, nhưng ông không thấu hiểu hết con người hắn, tất nhiên điều này không thể trách Lã Thiên Hành vô năng.

Ai có thể ngờ rằng hắn không phải Phương Hạo Vân thư sinh kia, hắn chỉ mượn tấm da mặt đóng thế vai mà thôi.

Dì Bạch đã đưa tin đến, 4 ngày sau Phương Hạo Vân sẽ xuất phát đi biên giới giải cứu Trần Thanh Thanh. Theo như tin tức thu thập được của dì Bạch cho thấy, đám đội viên của Trần Thanh Thanh trong cuộc sát hạch cuối cùng này đúng là đối mặt với tình cảnh thập tử nhất sinh, mục tiêu mà họ lựa chọn tiêu diệt, chính là tổ chức vũ trang X có thực lực mạnh nhất trong vài năm gần đây hoạt động ở biên giới. Tổ chức vũ trang X là tập hợp những binh sĩ ngoại quốc lưu vong, mỗi thành viên đều từng tham gia huấn luyện khắc nghiệt trong quân đội ở các nước khác nhau, ngoài ra còn có một số thành viên cấp cao còn là lính đánh thuê đến từ các nước có kĩ thuật quân sự tiên tiến trên thế giới.

Nói tóm lại, đối thủ mà Trần Thanh Thanh và các đồng đội phải đối đầu rất hùng mạnh, từ trang bị vũ khí cho đến sức chiến đấu đều không thể khinh thường, đây sẽ là thử thách lớn nhất đúng với tên Trò chơi tử vong.

Phương Hạo Vân sau khi xem qua tài liệu tình báo, hít một hơi sâu lấy lại bình tĩnh, nếu hắn không kịp xuất hiện giải cứu, e rằng ngay cả một cọng tóc của Trần Thanh Thanh cũng không mang về được, đây không phải là tập huấn, mà là hành động đem mạng sống ra đánh cược.

Vẫn còn mấy ngày, Phương Hạo Vân quyết định tìm Kim Phi, Kim Gia nói chuyện, xong việc thì dẫn chị Mỹ Kỳ và Bạch Lăng Kỳ đến thôn Lưu Thủy thăm chị Mai, tiện thể coi thử tình hình phát triển các dự án ở đó làm đến đâu rồi.

Buổi trưa, ánh nắng chói chang oi bức, còn chưa bước vào mùa hạ mà thời tiết đã nóng kinh hồn, mấy năm nay khí hậu luôn thất thường như thế, Phương Hạo Vân gần như đã thích ứng. Thời tiết ở thành phố Hoa Hải còn được xem như tốt đấy, ở nước ngoài mới là khắc nghiệt, chương trình thời sự có đưa tin ở mấy nước Châu Âu thậm chí có người chết vì nóng.

Buổi chiều, Phương Hạo Vân hẹn gặp mặt với Kim Phi và Kim Gia tại Kim Bích Huy Hoàng của Vương Thế Phi, sau lần chỉnh đốn hộp đêm, phong cách của Kim Bích Huy Hoàng hiện nay thay đổi hoàn toàn, chất lượng đẳng cấp được nâng cao mấy bậc. Sau khi bước vào cửa, đảo mắt nhìn xung quanh, khắp đại sảnh có không ít giới nhân viên văn phòng đang cùng nhau nghe nhạc, uống bia, ca hát…

Cuộc sống xã hội hiện đại có nhiều áp lực, con người ai cũng căng thẳng, sau khi tan sở nhiều người không muốn về nhà, thế là chọn nơi này để giải trí.

"Phương thiếu gia…" Vương Thế Phi đang đi thị sát nghiệp vụ xuống đến đại sảnh, đột nhiên nhìn thấy Phương Hạo Vân bước vào, vội bước lên trước nghênh đón, Phương Hạo Vân vừa là sư phụ dạy võ vừa là bạn bè tốt, Vương Thế Phi kính trọng hắn từ tận đáy lòng.

"Chuẩn bị cho tôi một căn phòng, đợi lát nữa Kim Phi và Kim Gia sẽ đến đây…" Phương Hạo Vân dặn dò.

Vương Thế Phi không dám chậm trễ, vội bảo A Tài đi thu xếp, sau đó quay sang mỉm cười tiếp chuyện: "Phương thiếu gia, anh nhìn thấy cả rồi đó, Kim Bích Huy Hoàng bây giờ khác xa dạo trước, thành phần khách hàng có cả giới nhân viên văn phòng, học sinh sinh viên, ngay cả cán bộ nhà nước cũng đường hoàng mà bước vào, không cần lén lén lút lút như trước kia nữa…Mấy hôm trước có vị đồng chí đội trưởng cảnh sát trị an ở phân cục cảnh sát quận Linh Giang còn đặc biệt đến biểu dương hộp đêm của chúng tôi nữa đấy…Ha ha, tôi thật không bao giờ dám nghĩ mở hộp đêm kinh doanh mà có được vinh dự ấy…"

Phương Hạo Vân từ tốn nói: "Nhớ lấy, dù bất cứ lúc nào cũng không được bán hàng trắng…À, thu nhập cả hai phía bên nào nhiều hơn?"

Phương Hạo Vân nói thu nhập hai phía, tất nhiên là chỉ phục vụ bình thường và phục vụ đặc biệt.

Vương Thế Phi dáo dác nhìn xung quanh, thấy không có ai đứng gần, nói nhỏ: "Vẫn là thu nhập của phục vụ đặc biệt nhiều hơn đôi chút…"

Dừng lại giây lát, Vương Thế Phi giải thích thêm: "Phương thiếu gia, từ khi tôi làm theo kế hoạch của anh, cải cách toàn diện Kim Bích Huy Hoàng xong, không những thu nhập từ phục vụ đối tượng khách chính đáng tăng lên đáng kể, mà ngay cả nhu cầu được phục vụ đặc biệt cũng tăng cao không ngờ…Bây giờ nhiều khách quen chỉ tìm đến đây thôi, vì ai cũng biết chỗ chúng tôi an toàn, đáng tin cậy và có chất lượng…Hí hí, điều này hình như thu hoạch ngoài cả ý muốn của chúng ta…"

Phương Hạo Vân khẽ nhíu mày, thở dài một tiếng, thế giới này là thế, số đàn ông thích mèo mỡ bên ngoài vẫn chiếm phần đông trong xã hội. Nhưng phải công nhận một sự thật, chỉ cần con người một ngày còn có dục vọng, những việc như thế sẽ không thể xóa bỏ hoàn toàn, chẳng phải một số nước đã cho phép hoạt động kinh doanh tình dục hợp pháp đó sao?

"Vương thiếu gia, các cô gái tiếp khách có bị ép buộc không đó?" Phương Hạo Vân đột nhiên gằn giọng hỏi.

452. Chương 68: Ý Đồ Của Tiểu Điệp

Nói đến đây, Vương Thế Phi tỏ ra khinh miệt nói: "Phương thiếu gia, đám nữ sinh viên đại học bây giờ đúng thật là hạ tiện, trước kia tôi từng làm đúng theo dặn dò của anh không nhận sinh viên vào làm, nhưng có một số cô ham ăn chơi đua đòi, muốn có tiền vung tay quá trán nên bất chấp tất cả, đòi sống đòi chết vào làm ngoài giờ, trong lúc hết cách tôi đành phải chấp nhận…"

"Không sao!" Phương Hạo Vân nhếch mép cười khẩy: "Nếu đã có người không tự yêu lấy thân mình thì mặc kệ họ vậy, nhưng anh phải nhớ kĩ một điều, những nguyên tắc cần giữ thì nhất định phải giữ cho nghiêm."

"Vâng!" Vương Thế Phi cười đắc ý: "Phương thiếu gia, anh yên tâm đi, tôi bây giờ là người tốt, à, còn là người có văn hóa nữa…"

Đột nhiên, ngoài cửa có tiếng của Kim Gia, Phương Hạo Vân quay đầu về phía ấy, thấy Kim Gia đang bước hùng hổ đi vào, sau lưng ông, Kim Phi mặc kì bào cũng ngún nguẩy lẽo đẽo theo sau, đôi mắt trong veo như mặt nước hồ thu vừa vào cửa đã dán chặt vào Phương Hạo Vân, chưa từng nhìn đi nơi khác.

Phải công nhân thân hình của Kim Phi càng ngày càng hoàn thiện, đã đạt đến mức chuẩn như người mẫu, so với lần đầu tiên Phương Hạo Vân gặp cô đúng là khác xa một trời một vực.

Kim Phi tốn biết bao công sức sửa soạn cho mình xinh đẹp như thế, hình như hoàn toàn là vì muốn lấy lòng Phương Hạo Vân, tất nhiên mục đích sâu xa là gì tin chắc chỉ có trong lòng cô mới biết rõ nhất.

"Phương thiếu gia, ả Kim Phi này đúng là ngày càng có chất lượng đó nha…"

Ánh mắt của Vương Thế Phi liếc một cái vào cặp mông đầy đặn của Kim Phi, chỉ có điều trong lòng hắn không hề có ý nghĩ xa rời thực tế chút nào, vì hắn biết rõ cô gái kia là của Phương thiếu gia, hắn tuyệt đối không xâm phạm vào khu vực cấm kị ấy được.

Tất nhiên, Vương Thế Phi cũng không phải hạng người ăn tạp như heo, bao nhiêu năm qua, trong số các cô gái từng lên giường với hắn, nhan sắc thân hình đẹp hơn Kim Phi không hề ít.

Chỉ là bây giờ có Tiểu Điệp, hắn đã tu tâm dưỡng tính, vừa nãy liếc nhìn Kim Phi chỉ xuất phát từ bản năng ham muốn của đàn ông.

"Phương thiếu gia, tôi dẫn mọi người lên phòng nói chuyện." Vương Thế Phi nhanh chóng điều chỉnh cảm xúc, đợi khi tâm trạng bình tĩnh lại, hắn dẫn Phương Hạo Vân và hai anh em Kim Gia đi lên một căn phòng sang trọng nằm trên tầng 2.

Sau khi chào hỏi một tiếng, Kim Gia và Phương Hạo Vân kề vai đi lên lầu, hai người nhìn nhau một cái rồi không nói gì thêm, dù sao cũng là chốn đông người, nói chuyện ở đây không phù hợp cho lắm.

Kim Phi ẻo lả ném cho Phương Hạo Vân một cái nhìn tình tứ, bước nhanh lên phía trước chủ động vòng tay ôm lấy tay phải hắn, dựa sát thân người vào Phương Hạo Vân, làm ra vẻ như một cô vợ nhỏ đi bên cạnh chồng.

Kim Gia nhăn mặt, ánh mắt bắn ra tia sáng không vui, nhưng ông không nói gì, thấy em gái khấp khởi hạnh phúc và ngọt ngào, ai biết nó có mấy phần thật giả trong mối quan hệ với Phương Hạo Vân?

Kim Phi chủ động như thế, Phương Hạo Vân không thèm từ chối, thái độ vẫn ung dung như không có gì xảy ra.

Đợi sau khi vào phòng, mọi người ngồi yên vị, Vương Thế Phi đích thân dẫn nhân viên phục vụ bày xong đồ ăn thức uống rồi vội vàng quay lưng ra ngoài, trong phòng chỉ còn lại ba người Phương Hạo Vân và hai anh em Kim Gia.

"Thế Phi, anh qua đây một lát?" Tiểu Điệp từ đâu xuất hiện, nháy mắt ra hiệu với Vương Thế Phi, bảo hắn lại gần có chuyện muốn nói.

Vương Thế Phi do dự giây lát, bèn dặn dò A Tài dẫn người canh gác ngoài phòng, không cho bất kì ai vào quấy nhiễu Phương thiếu gia, còn hắn đi theo Tiểu Điệp vào một căn phòng trống bên cạnh.

Sau khi đóng chặt cửa, Tiểu Điệp hỏi nhỏ: "Thế Phi, sao Phương thiếu gia lại dính vào hai anh em Kim Gia rồi? Có phải là họ muốn mưu đoạt sản nghiệp của Tần gia không?"

Đi theo Vương Thế Phi một thời gian, Tiểu Điệp hình như không còn thuần khiết như trước nữa, trái tim cô bắt đầu manh nha dã tâm, hơn nữa cô làm việc trong Kim Bích Huy Hoàng cũng coi như có chút hiểu biết về tình hình thế giới ngầm của thành phố Hoa Hải, gần đây Phương Hạo Vân thường xuyên tiếp xúc với Kim Gia, Kim Phi, cô đã đánh hơi được có gì sắp xảy ra.

Vương Thế Phi nghe xong giật mình kinh ngạc, hắn nhíu mày hỏi: "Em hỏi những việc này để làm gì?"

Tiểu Điệp lườm hắn một cái, tức tối nói: "Thì là vì anh đó, Thế Phi, anh có ngốc quá không? Gia sản của Tần gia nhiều biết chừng nào, ý của em là nếu như Phương thiếu gia quả thật muốn mưu đoạt sản nghiệp Tần gia, anh cũng nên tích cực tham dự vào, đến lúc đó chẳng phải được chia phần hay sao?"

Chưa đợi Vương Thế Phi trả lời, Tiểu Điệp đã nói tiếp: "Thế Phi, gần đây anh đã giúp Phương thiếu gia không ít việc, anh ta nói thế nào cũng nên có chút gì đền đáp anh chứ, làm người không được ôm hết thiệt thòi về phía mình, anh nói em nghĩ vậy có đúng không?"

Câu này nói ra, Vương Thế Phi lập tức cảm thấy tức giận, nét mặt trở nên âm u: "Tiểu Điệp, chuyện của anh em không cần lo, từ nay về sau em chỉ làm tốt bổn phận của mình là được rồi, còn những chuyện khác em đừng xen vào, những câu dư thừa như vừa rồi cũng đừng nói nữa…nếu không…"

"Con người anh tại sao không biết tốt xấu thế…"

Tiểu Điệp thấy Vương Thế Phi dám nổi giận với mình, lửa giận trong lòng cũng bốc lên ngùn ngụt: "Anh làm dữ gì với em chứ, em nói ra những điều này cũng chỉ vì muốn tốt cho anh. Anh đường đường là đại thiếu gia Vương gia, muốn tiền có tiền, muốn thế có thế, vốn dĩ nên là nhân vật oai phong lẫm liệt, thế mà anh xem lại mình đi, mỗi lần gặp Phương Hạo Vân đều khúm núm như đứa con nít, một chút khí phách của đại thiếu gia cũng không có…Em thật không hiểu tại sao anh lại đối xử cung kính với hắn như vậy?"

Tiểu Điệp là một cô gái cá tính mạnh, từ khi đi theo Vương Thế Phi, cá tính của cô càng thể hiện rõ ra ngoài, càng lúc cô càng không quen nhìn thấy cảnh Vương Thế Phi tỏ thái độ cung kính với Phương Hạo Vân, cô hy vọng bạn trai của cô có thể đứng thẳng lưng làm người.

"Tiểu Điệp!" Nghe Tiểu Điệp nói vậy, sắc mặt của Vương Thế Phi càng tối sầm lại, đôi mắt nhìn trừng trừng vào Tiểu Điệp, giọng nói lạnh như băng: "Em biết em đang nói gì không hả? Nếu em còn muốn tiếp tục ở lại Kim Bích Huy Hoàng, tốt nhất là em nên quên hết những gì em vừa nói…"

Dừng lại giây lát, Vương Thế Phi nói tiếp: "Em không hề biết Phương thiếu gia có ý nghĩa như thế nào đối với anh, nếu không có Phương thiếu gia, bây giờ anh vẫn còn sống ngây ngây dại dại qua ngày tháng, anh sẽ không trải nghiệm được niềm vui trong cuộc sống…"

"Em không biết Phương thiếu gia đã làm gì anh, nhưng em hy vọng anh có khí phách đàn ông khi đứng trước mặt hắn…" Yêu càng nhiều kì vọng càng lớn, Tiểu Điệp hy vọng biết bao nhiêu người đàn ông của cô có thể giống như Phương Hạo Vân, trở thành một trang nam tử hán đầu đội trời chân đạp đất.

"Im miệng!"

Nghe Tiểu Điệp càng nói càng quá đáng, Vương Thế Phi cuối cùng đã điên tiết lên, hắn hằn học nhìn vào Tiểu Điệp, nói như cảnh cáo: "Tiểu Điệp, em thay đổi rồi…Em có biết không? Nếu em cứ tiếp tục thế này sẽ rất nguy hiểm. Ngoài ra anh buộc phải nói cho em biết, hiện nay Phương thiếu gia đối xử với anh như anh em tốt, anh chưa từng cảm thấy khi đứng trước mặt Phương thiếu gia mất hết khí phách đàn ông gì cả. Nếu em cảm thấy anh làm vậy mất mặt em, lúc nào em cũng có thể rời khỏi đây, anh sẽ không giữ em lại. Tất nhiên, nếu em cảm thấy mình thiệt thòi, anh sẽ bù đắp cho em một món tiền lớn trước khi em đi…"

Những lời của Tiểu Điệp khiến Vương Thế Phi sợ hãi, hắn cảm thấy cô gái này đã thay đổi quá nhiều, cô ta trở nên quá lạ lẫm. Sống chung với nhau đã lâu, Vương Thế Phi đích thật nảy sinh tình cảm với Tiểu Điệp, chỉ có điều đàn ông nên quyết đoán khi làm đại sự, hắn không muốn để lại một quả bom hẹn giờ ngay kế bên.

Cân này nói ra, trái tim Tiểu Điệp lập tức chùn hẳn xuống, cô không hề ngờ rằng một tên Phương Hạo Vân lại chiếm giữ vị trí quan trọng đến thế trong lòng Vương Thế Phi.

Từ trước đến nay, Tiểu Điệp cứ luôn cảm thấy mình là một cô gái thông minh.

Nhưng theo như tình hình hôm nay cho thấy, hành động của cô là ngu ngốc hết chỗ chê…

Sau giây phút ngỡ ngàng ngắn ngủi, Tiểu Điệp bình phục lại tâm trạng, cúi đầu lí nhí: "Thế Phi, em xin lỗi, là em nhiều lời rồi, xin anh tha thứ cho em. Dù nói thế nào em cũng sẽ không rời xa anh đâu, trừ khi anh muốn đuổi em đi thật, còn nữa, khi em ra đi sẽ không lấy xu nào của anh, còn số tiền anh đã tiêu trên người em, đợi sau này em tốt nghiệp đại học có việc làm sẽ từ từ trả lại cho anh…Em đến với anh không phải vì tiền mà vì em yêu con người của anh."

Vương Thế Phi không lên tiếng, hình như hắn đang đau đầu suy nghĩ chuyện gì.

Tiểu Điệp thấy vậy, hai mắt đỏ ngầu, buồn bã nói: "Thế Phi, em biết hành động của em hôm nay là rất ngu ngốc, anh đã nảy sinh ý nghi ngờ em, nhưng em chỉ vì muốn tỏ ra thái độ của mình thôi, dù em có nói gì làm gì, điểm xuất phát của em đều muốn tốt cho anh…Em có làm sai cũng là xuất phát từ lòng tốt, em hy vọng anh có thể tha thứ cho em một lần, em quả thật rất yêu anh…"

“Được rồi, đừng nói nữa…”

Vương Thế Phi xua tay, ảm đạm nói: “Tiểu Điệp, anh cũng biết em vì muốn tốt cho anh, nhưng anh vẫn phải nhắc nhở em, làm tốt bổn phận của mình là được, dù sao hiện nay em vẫn chưa phải là thiếu phu nhân của Vương gia.”

“Vương thiếu gia dạy phải lắm, Tiểu Điệp biết lỗi rồi!” Tiểu Điệp cúi gầm mặt, tỏ vẻ ấm ức, nước mắt giàn giụa, trông rất tội nghiệp.

Vương Thế Phi thở dài một tiếng, cuối cùng hắn vẫn không nỡ từ bỏ cô gái này. Trong khoảng thời gian gần đây, Tiểu Điệp có công lao không nhỏ trong việc quản lí hộp đêm giúp hắn, hơn nữa hai người thường xuyên tiếp xúc với nhau cũng đã nảy sinh tình cảm, nếu quả thật đuổi Tiểu Điệp đi, Vương Thế Phi nói sao cũng cảm thấy đau lòng.

Hơn nữa, những lời Tiểu Điệp đã nói đúng là đều nghĩ cho hắn…

Nghĩ đến đây, Vương Thế Phi bước tới ôm Tiểu Điệp vào lòng, dịu dàng nói: “Chuyện hôm nay cứ cho nó qua đi, em nhớ kĩ sau này đừng phát ngôn bừa bãi nữa.”

Nghe Vương Thế Phi nói thế, Tiểu Điệp thở phào nhẹ nhõm, xem ra mình đã nhận được sự tha thứ của hắn.

Do dự giây lát, Tiểu Điệp đỏ mặt lí nhí: “Thế Phi, đêm nay anh đến phòng em nhé, em đã suy nghĩ kĩ rồi, em sẽ trao cho anh thứ quý giá nhất của em.”

Hai người tiếp xúc với nhau lâu ngày nhưng ngày thường đều giữ quy tắc, chưa từng gây ra chuyện gì vượt quá giới hạn. Theo ý của Tiểu Điệp, miếng thịt treo trước miệng nhưng không cắn tới mới có sức hấp dẫn, nhưng bây giờ khác rồi, cô đã bị câu nói kia của Vương Thế Phi sỉ nhục, cô quyết định trở thành thiếu phu nhân của Vương gia rồi tính tiếp, bằng không bây giờ cô có nói thêm câu nào đi chăng nữa cũng sẽ không đánh động được Vương Thế Phi.

Vương Thế Phi nghe vậy quên hết chuyện không vui trước kia, đưa tay sờ soạng vào mông Tiểu Điệp, nhéo một cú cho đã tay, cười khả ố nói: “Hô hô, xem ra đêm nay anh tu thành chánh quả rồi…”

Tiểu Điệp hai má ửng đỏ, thẹn thùng trách yêu: “Thế Phi, em vẫn còn trong trắng…anh phải nhẹ nhàng một chút đó.”

Câu này nói ra, Vương Thế Phi càng mừng như bắt được vàng, nên nhớ muốn kiếm một cô sinh viên vừa xinh đẹp vừa còn trong trắng trong thời buổi hiện nay khó hơn bắc thang lên hỏi ông trời.

Kim Phi thấy anh trai nổi nóng vì mình, trong lòng vừa cảm kích vừa xấu hổ, thêm vào đó còn có chút phấn khích. Cảm kích là vì anh trai đối xử tốt với mình, xấu hổ là vì trước mặt anh hai bị người khác xâm phạm, còn phấn khích cũng chính là lí do bị xâm phạm ngay trước mặt anh trai…

Phải công nhận, tư tưởng của Kim Phi có hơi lệch lạc, thậm chí bệnh hoạn.

"Hô hô!" Phương Hạo Vân cười phá lên, buông Kim Phi ra, ý nhị nói: "Hai anh em quả nhiên tình nghĩa sâu nặng, Kim Gia, hôm nay nói đến đây thôi, ông có thể về được rồi, nhớ kĩ những gì tôi đã nói."

"Uhm!" Kim Gia gật đầu nghiêm túc, nói: "Phương thiếu gia, xin anh yên tâm, tôi sẽ không làm anh thất vọng đâu, nhưng tôi hy vọng anh cho tôi thời gian mấy ngày, lão gia Tần gia đối xử với tôi không tệ, tôi phải thu xếp ổn thỏa một số việc ở Tần gia trước đã."

"Điều đó là đương nhiên!" Phương Hạo Vân suy nghĩ một lát, nói: "Kim Gia, tôi bắt buộc phải nhắc nhở ông, Tần Tử Hoa và Tần Tử Kiếm đều là hạng người không có lòng độ lượng, ông nên cẩn thận thì hơn, nếu có gì cần tôi giúp đỡ cứ việc lên tiếng."

"Cám ơn Phương thiếu gia đã nhắc nhở…" Kim Gia quay sang em gái, nói nhỏ: "Phi Phi, chúng ta đi!"

"Đợi đã!" Phương Hạo Vân gõi Kim Phi lại, nói: "Tôi còn có chuyện cần bàn với cô, cô ở lại thêm một chút…"

Nói là có chuyện cần bàn, chi bằng nói trắng ra là có chuyện cần làm thì chính xác hơn, hắn muốn dùng Kim Phi để thỏa mãn dục vọng đang trỗi dậy, cách giải quyết tác dụng phụ của Thiên phạt thay bằng Kim Phi có hiệu quả hơn nhiều so với sinh hoạt tình dục bình thường với chị Mỹ Kỳ và Bạch Lăng Kỳ.

Kim Phi tất nhiên hiểu ý của Phương Hạo Vân, bản thân cô cũng đang mong muốn được như vậy, hiện nay cô đang vào độ tuổi như hổ đói, khao khát ngày nào cũng được làm vài lần cho đã.

"Kim Gia, ông về trước đi, lát nữa tôi sẽ đích thân đưa Kim Phi về nhà…" Phương Hạo Vân vội ra lệnh tiễn khách.

Kim Gia thoáng lộ vẻ khó xử, nhưng cuối cùng vẫn lựa chọn rời khỏi. Trước khi ra khỏi phòng, ông ý nhị nói với em gái: "Phi Phi, nhớ về sớm đó, cẩn thận đàn ông bên ngoài."

Kim Phi thản nhiên đáp lời anh trai: "Anh à, em đã lớn thế này rồi, em tự biết chăm lo cho mình mà, anh về trước đi…"

Đợi khi Kim Gia bước ra ngoài, Kim Phi mới mở to đôi mắt, mỉm cười quyến rũ nháy mắt đưa tình với Phương Hạo Vân: "Phương thiếu gia, bất kể anh có yêu cầu gì tôi đều ngoan ngoãn nghe theo anh."

Phương Hạo Vân cười hi hí khả ố: "Tôi muốn yêu cầu gì chẳng lẽ cô còn không biết ư?"

Kim Phi ghé sát mặt vào Phương Hạo Vân, léo nhéo: "Tất nhiên là tôi không biết rồi…nhân vật vĩ đại như Phương thiếu gia nghĩ gì trong lòng làm sao mà tôi biết được chứ?"

Tuy nói thế nhưng đôi mắt Kim Phi đang say sưa chờ đợi.

Kim Gia sau khi ra khỏi phòng không hề đi khỏi mà nán lại ngoài cửa. Ông vẫn còn hơi lo lắng muốn ở lại nghe ngóng rốt cuộc trong kia sẽ xảy ra chuyện gì. Đúng vào lúc này, Vương Thế Phi đột nhiên xuất hiện, hắn thấy Kim Gia đứng một mình bên ngoài bồi hồi đi qua đi lại mà không thấy Kim Phi, lập tức hiểu ra ngọn ngành…

"Kim Gia, đi nào, đến chỗ tôi uống một ly, sau này chúng ta sẽ là người một nhà, may mắn có dịp gặp mặt vào hôm nay, chi bằng chúng ta nhân cơ hội này thắt chặt thêm tình cảm?" Vương Thế Phi bước tới nắm lấy tay Kim Gia, mặc kệ ông có đồng ý hay không, cố kéo ông đi khỏi.

Chuyện đến nước này, Kim Gia cũng đành phải bỏ cuộc.

Vừa đi được mấy bước, Vương Thế Phi đột nhiên kêu A Tài lại gần dặn dò: "Mày dẫn người đứng xa hơn một chút, nhớ kĩ đừng tò mò nghe lén chuyện lớn của Phương thiếu gia, bằng không có hậu quả gì tự mà gánh chịu nhé."

Nghe Vương Thế Phi nói thế, A Tài vội dẫn theo đám đàn em lui ra xa.

Trong phòng, Phương Hạo Vân đã vòng tay ôm lấy eo Kim Phi, đối với Kim Phi Phương Hạo Vân không hề có chút cấm kỵ mà để thuận theo tự nhiên, hơn nữa Kim Phi cũng thích chủ động khiêu khích hắn.

"Phương thiếu gia, hình như ở đây không có giường?" Kim Phi đảo mắt nhìn xung quanh, ẻo lả nguýt dài.

"Kia có ghế sofa kìa." Chỉ là thỏa mãn nhất thời, cần giường làm quái gì chứ? Làm trên giường sao mà truyền thống thế, phải có gì mới mẻ mới được.

Phương Hạo Vân bế thốc Kim Phi lên ném vào ghế sofa, sau đó đè toàn thân lên người cô, đôi tay bắt đầu nhào nặn cặp núi đôi vun vút của Kim Phi.

Kim Phi uốn éo như rắn, chủ động khóa môi Phương Hạo Vân, chiếc lưỡi ma quái bắt đầu khiêu khích cho dục vọng của hắn trỗi dậy.

"Phương thiếu gia, bên cạnh anh có rất nhiều cô gái, vậy anh nói thử xem làm với ai anh cảm thấy phấn khích nhất nào?" Kim Phi đột nhiên đặt một câu hỏi bất ngờ cho Phương Hạo Vân.

"Sao lại hỏi cái này…" Đề tài này tuy có hơi bất ngờ, nhưng lại làm tăng thêm cảm hứng, đôi tay của Phương Hạo Vân bắt đầu hoạt động thô bạo hơn.

"Hơ…" Cổ họng Kim Phi phát ra tiếng rên rỉ khe khẽ, toàn thân run bắn lên từng chập, giọng nói tê liệt thần kinh cất lên: "Hạo Vân, anh nói đi, có phải là tôi làm anh sung sướng nhất không?"

Bị Kim Phi hỏi dồn liên tục, Phương Hạo Vân quả nhiên suy nghĩ kĩ hơn câu hỏi này, nếu chỉ suy xét đơn thuần từ khía cạnh thỏa mãn dục vọng, hình như với Kim Phi là phóng túng hơn hết.

Nhưng nếu nói đến cảm giác toàn diện thì Kim Phi không phải là tốt nhất, mà là Bạch Lăng Kỳ và chị Mỹ Kỳ, Phương Hạo Vân cho rằng chỉ khi nào thể xác và tâm hồn cùng kết hợp với nhau mới có được sự hoàn mỹ thật sự.

"Nói đi?"

Bàn tay nhỏ nhắn của Kim Phi đã đưa xuống dưới mở khóa quần của Phương Hạo Vân, cảm giác phấn khích tác động mạnh mẽ lên hắn, hắn buột miệng nói dối: "Làm cùng cô là sướng nhất!"

Kim Phi tuy biết Phương Hạo Vân đang giả dối nhưng trong lòng vẫn cảm thấy tự hào. Nên nhớ cô là một cô gái góa chồng, có thể thu hút một anh thanh niên tuấn tú kiệt xuất như Phương Hạo Vân, tự hào là lẽ đương nhiên.

"Hạo Vân, còn chờ gì nữa, mau bắt đầu đi…" Kim Phi chớp chớp mắt, bàn tay không ngừng nghịch ngợm bên dưới, tốc độ càng lúc càng nhanh.

454. Chương 70: Buổi Hẹn Với Cô Bé Tuyết Nhi

Bàn tay nhỏ nhắn của Kim Phi đã đưa xuống dưới mở khóa quần của Phương Hạo Vân, cảm giác phấn khích tác động mạnh mẽ lên hắn, hắn buột miệng nói dối: "Làm cùng cô là sướng nhất!"

Kim Phi tuy biết Phương Hạo Vân đang giả dối nhưng trong lòng vẫn cảm thấy tự hào. Nên nhớ cô là một cô gái góa chồng, có thể thu hút một anh thanh niên tuấn tú kiệt xuất như Phương Hạo Vân, tự hào là lẽ đương nhiên.

"Hạo Vân, còn chờ gì nữa, mau bắt đầu đi…" Kim Phi chớp chớp mắt, bàn tay không ngừng nghịch ngợm bên dưới, tốc độ càng lúc càng nhanh.

Phương Hạo Vân thấy Kim Phi đỏ mặt, đôi mắt tràn trề dục vọng, biết rằng thời cơ đã đến, hắn không do dự nữa, thô bạo xé kì bào của cô ra, chiếc quần tam giác màu trắng đã ướt nhẹp.

Phải công nhận cô ả Kim Phi này đúng là dâm phụ, thứ đàn bà lẳng lơ không hề ít nhưng phóng túng như kiểu Kim Phi thì ít gặp thật.

Kim Phi chính là đối tượng giải tỏa tác dụng phụ Thiên phạt tốt nhất của Phương Hạo Vân…

Sau khi bị Phương Hạo Vân mò mẫm một hồi, Kim Phi cuối cùng đã hết chịu nổi, cô mở to miệng ra ngậm lấy khúc cây hùng dũng của hắn, Phương Hạo Vân liền thở hổn hển gấp gáp…

"Hoàng đại ca, anh yên tâm, dù sao chúng ta vẫn còn là học sinh, chuyện giết người bọn em không dám làm đâu, cùng lắm là đánh cho hắn tàn phế…"

"Chúng đến gây hấn với anh đó." Hàn Tuyết Nhi nhắc nhở một tiếng.

Phương Hạo Vân nhún vai, thái độ bình thản: "Vốn dĩ anh không định xung đột với chúng, nhưng bây giờ chúng ngứa ngáy tự tìm đến, vậy thì đừng trách anh nắn xương giúp chúng rồi…"

Hàn Tuyết Nhi chống cằm, chớp chớp mắt tình tứ, thật thà thổ lộ: "Anh Hạo Vân, em thích nhìn cảnh anh trừng trị bọn xấu…"

Phương Hạo Vân từ tốn nói: "Vậy thì hôm nay có dịp cho em xem rồi, trong đám người này không có tên nào tốt đẹp, lát nữa anh ra tay không nể nang đâu, anh hy vọng em không mở miệng cầu xin cho chúng, đồng ý chứ?"

Hàn Tuyết Nhi gật đầu lia lịa: "Chỉ cần anh đừng đánh chết chúng, em sẽ không can thiệp vào đâu, nếu không phải em sợ anh gây ra phiền phức khi dính tới án mạng, em cũng không bận tâm dù anh có lấy mạng lũ cặn bã này…"

"À phải rồi, anh Hạo Vân, có phải là anh cảm thấy bọn này là lũ cầm thú, tội đáng muôn chết?" Hàn Tuyết Nhi đột nhiên tò mò đặt câu hỏi.

Phương Hạo Vân mỉm cười không trả lời, ngẩng đầu lên buồn bã nói: "Tiếc rằng anh không thể đại diện cho pháp luật, không có quyền phán xét bọn chúng án tử hình."

456. Chương 72: Ra Tay

"Người mang mặt nạ Ngộ Không là ai?" Hàn Tuyết Nhi lần đầu tiên nghe nói đến cái tên này, trố mắt ngạc nhiên.

"Là một nhân vật chính nghĩa như người dơi!" Phương Hạo Vân giải thích gỏn lọn.

"Hiệp sĩ bóng đêm, người dơi…" Hàn Tuyết Nhi sáng mắt lên, ghé sát đầu vào Phương Hạo Vân, nói nhỏ: "Anh Hạo Vân, là anh đúng không?"

Hai người ghé sát đầu vào nhau, hơi thở thơm tho của Hàn Tuyết Nhi xộc vào mũi Phương Hạo Vân, khiến hắn cảm thấy rạo rực trong lòng, nhưng trước mắt không phải lúc phân tâm, dẹp hết đám rác rưởi này mới là việc cần làm.

"Ờ!" Phương Hạo Vân tập trung tinh thần, đáp khẽ một tiếng. Hàn Tuyết Nhi biết được bí mật lớn nhất về thân phận của hắn nên thân phận người mang mặt nạ Ngộ Không hắn cũng không định giấu giếm cô bé.

Sau khi được Phương Hạo Vân xác nhận, đôi mắt Hàn Tuyết Nhi trầm trồ sùng bái: "Anh Hạo Vân, anh giỏi quá!"

"Chúng đến rồi đấy!" Hàn Tuyết Nhi nghiêng đầu liếc xéo đám lưu manh cậu ấm đang từ từ áp sát chỗ ngồi của họ, vẻ mặt gian manh không mang ý tốt.

Phương Hạo Vân dửng dưng như không nhìn thấy, Hàn Tuyết Nhi cũng không hề lo lắng, chỉ là vài tên cắc ké kỳ nhông, đúng là không có gì cần lo lắng cả.

"Anh Hạo Vân, cho em xem miếng ngọc anh đeo trên cổ đi, anh mua ở đâu vậy? Miếng ngọc đẹp quá!" Vừa rồi Hàn Tuyết Nhi ghé sát đầu vào người hắn đã nhìn thấy miếng ngọc, trong lòng thích thú, lúc này cô muốn Phương Hạo Vân tháo xuống cho cô cầm chơi.

"Cái này ấy à…" Nếu không phải Hàn Tuyết Nhi nhắc đến, Phương Hạo Vân đã sớm mất trên cổ mình có đeo một miếng ngọc, hắn tiện tay tháo xuống đưa cho Hàn Tuyết Nhi, nói: "Cái này là ba của anh để lại đó…"

Thật ra miếng ngọc đó từ khi Phương Hạo Vân sinh ra đã được đeo trên cổ, nhưng chuyện này không thể nói cho Hàn Tuyết Nhi biết được.

Tuy hiện nay Hàn Tuyết Nhi biết thân phận của hắn, nhưng chỉ dừng lại ở thân phận sát thủ mà thôi. Còn việc hắn thay đổi khuôn mặt làm đại thiếu gia của Phương gia thì cô không hề biết…Cô cứ tưởng Phương Hạo Vân là sát thủ, cũng là đại thiếu gia của Phương gia, hắn cùng lúc mang thân phận.

"Miếng ngọc tinh xảo quá! Cái này chắc đáng giá lắm nè. Anh Hạo Vân có thể cho em mượn đeo mấy ngày được không?" Hàn Tuyết Nhi đỏ mặt nũng nịu, vừa như năn nỉ vừa giống mệnh lệnh.

"Việc này e là không được!" Dù sao cũng là vật kỉ niệm duy nhất do cha mẹ ruột để lại cho mình, Phương Hạo Vân rất quý miếng ngọc này.

"Đồ nhỏ mọn!" Hàn Tuyết Nhi bỉu môi phụng phịu, ấm ức nói: "Có gì hay ho nào, chỉ là một miếng ngọc thôi mà, khi nào về nhà em nói ba tặng em một miếng, nhất định phải đẹp hơn miếng ngọc của anh."

Phương Hạo Vân sém chút là bật cười, dù sao Hàn Tuyết Nhi vẫn còn nhỏ, tính nết như con nít, không phải là hắn nhỏ mọn, chỉ là miếng ngọc có ý nghĩa quan trọng với hắn, hắn không muốn mất đi.

"Hàn tiểu thư, nếu cô thích miếng ngọc, mấy người chúng tôi sẽ giựt lấy từ thằng tiểu tử này tặng cho cô nhé…"

Chính vào lúc này, 4 tên lưu manh cậu ấm đã áp sát, một tên trong số chúng còn đeo một chiếc nhẫn có gai nhọn quơ quơ trước mặt Phương Hạo Vân đe dọa, hiển nhiên là hắn muốn trấn áp tinh thần đối phương.

Hàn Tuyết Nhi quét mắt một lượt hết 4 tên, dùng giọng điệu chán ghét quát lên: "Chuyện của chúng tôi không cần mấy cậu xía vào. Lạc Binh, tôi khuyên cậu nên mau chóng cút đi thôi, cẩn thận kẻo chọc giận anh Hạo Vân của tôi, đến lúc đó hứng chịu thương tích gì thì tôi cũng không giúp được đâu đấy…"

Đám cậu ấm này người nào Hàn Tuyết Nhi cũng biết tên, tên cầm đầu là Hoàng Kỳ Hùng, nhị công tử của tập đoàn Hoàng thị, tên vừa lên tiếng là Lạc Binh, gia đình mở công ty kinh doanh bất động sản, còn những tên khác đều là đám bạn xấu của hai tên này, gia đình có chút quyền thế lẫn tiền bạc, ngày thường chúng hay tụ tập với nhau, cùng ức hiếp kẻ yếu, làm hại con gái. Vì lo ngại trước gia thế của chúng nên người bị hại chưa bao giờ dám chống trả, cho dù có báo cảnh sát thì vụ việc cuối cùng đều bị chìm vào quên lãng.

Vì lí do đó, đám lưu manh này càng lúc càng kiêu ngạo, tưởng mình thiên hạ vô địch, không thèm mang theo đàn em hay vệ sĩ, làm việc xấu gì cũng đích thân ra tay.

Câu nói cửa miệng của chúng là "Thú vui nên tự mình tận hưởng".

Tên cậu ấm tên là Lạc Binh có mái tóc nhuộm vàng, đôi mắt trong xanh, bộ dạng thư sinh nho nhã, nếu không phải là ánh mắt luôn láo liên gian xảo, chắc không ai cảm thấy hắn sẽ là một tên xấu xa.

Lạc Binh trừng mắt nhìn Hàn Tuyết Nhi, cười to: "Ha ha! Hàn tiểu thư, Lạc Binh này là người gì cô nên biết rõ chứ, tôi đâu phải hạng dễ bị hù dọa."

"Thôi vậy, đám óc heo như mấy cậu nói gì cũng vô ích…Nếu mấy cậu còn chưa chịu đi, lát nữa hối hận cũng không kịp…" Hàn Tuyết Nhi ném cho chúng một tia nhín khinh miệt.

"Ha ha!" Lạc Binh ôm bụng cười nắc nẻ, ánh mắt để lộ vẻ khinh thường: "Hà tiểu thư, tưởng dùng lời nói là đuổi bọn này đi được hả? Nếu không phải là Hoàng đại ca yêu thích cô, cô tưởng mình có thể yên ổn ngồi đây hẹn hò với tên mặt trắng này không? Nghe tôi nói nè, cô hãy chiều theo Hoàng đại ca của chúng tôi đi…Sản nghiệp của Hoàng gia chắc chắn là nhiều hơn Hàn gia của cô rồi."

Lạc Binh trong lúc nói chuyện mắt cứ dán chặt vào ngực Hàn Tuyết Nhi, toàn thân nóng bừng bừng, trong lòng tự nhủ, không biết Hoàng Kỳ Anh chỉ muốn chơi cho vui hay là động lòng thật sự, nếu chỉ là chơi cho vui, nói không chừng có thể giống như lúc trước, hắn sẽ được hưởng ké khi Hoàng đại ca thỏa mãn, đến lúc đó thì tha hồ sung sướng nhỉ…

Phương Hạo Vân vốn chẳng để tâm đến bọn lưu manh cậu ấm này, nhưng ánh mắt thèm thuồng đáng ghét của Lạc Binh làm hắn tức giận. Hắn quác mắt dữ tợn, lạnh lùng rít lên: "Một bọn cặn bã, tất cả chỉ vì cha mẹ chúng mày nuông chìu quá nên chúng mày mới hống hách như thế, không chỉ là chúng mày, ngay cả gia tộc của chúng mày đều phải nhận được sự trừng phạt đích đáng, bằng không thế giới này không còn công lí nữa rồi…"

"Hô hô!" Lạc Binh nheo mắt nhìn ngắm dung mạo tuấn tú của Phương Hạo Vân, nhếch mép: "Mày là cái thá gì chứ…Mày tưởng mày là ai? Tiểu tử, tao thấy mày thích hợp làm trai bao đó…"

Phương Hạo Vân cũng nhếch mép đáp trả, quăng cho Lạc Binh tia nhìn khinh bỉ.

Thấy Phương Hạo Vân không lên tiếng, Lạc Binh tưởng hắn đã sợ hãi trước bọn chúng, bèn lè lưỡi ra liếm môi, cười hi hí dâm dật: "Yên tâm, tao có thể bảo đảm trả đủ tiền cho mày mà…"

"Cút, một bọn rác rưởi!" Hàn Tuyết Nhi nổi nóng quát lên, khuôn mặt đỏ bừng bừng, cô đã nghe hiểu ý của tên Lạc Binh, cái tên có vẻ ngoài nho nhã thư sinh này thì ra là một tên lưỡng giới, nghĩ đến là muốn ói.

"Anh Lạc, đừng nói nhiều nữa, đánh nhừ xương thằng này rồi nói tiếp, đừng để Hoàng đại ca đợi lâu…" Một tên cậu ấm khác đứng bên cạnh Lạc Binh lên tiếng đề nghị.

"Ừm!" Lạc Binh gật đầu đồng ý, ra lệnh: "Tất cả cùng lên!"

Cả bọn nghe lệnh cùng ùa tới một lượt chuẩn bị tấn công Phương Hạo Vân.

Hàn Tuyết Nhi dựa sát vào Phương Hạo Vân, nũng nịu nhắc nhở: "Anh Hạo Vân, cẩn thận nha…"

Phương Hạo Vân kéo Hàn Tuyết Nhi ra sau lưng, ngỏ ý bảo cô đứng ở phía sau, sau đó nheo mắt bắn ra tia sáng sắc lạnh, gằn giọng: "Một lũ ngu đần…"

Câu này nói ra, một tên cậu ấm dáng người gầy gò cao ráo lập tức xông lên, Phương Hạo Vân nhếch mép khinh miệt, dưới chân nhẹ nhàng di chuyển, chỉ chớp mắt đã túm lấy cổ áo của tên kia, sau đó nhẹ nhàng nhấc tay, tên cậu ấm liền bị nhấc bổng lên không, hai chân khua loạn xạ không tiếp đất được.

"Mày…mau thả tao xuống, không tao cho mày biết tay…" Tên cậu ấm kia thấy Phương Hạo Vân chỉ là một thư sinh yếu đuối nhưng lại có thể nhẹ nhàng nhấc bỗng một thân người lên, trong lòng sợ hãi, nhưng ngày thường chúng đã ngang tàng quen rồi nên lúc này vẫn giữ giọng điệu cao ngạo.

"Được thôi, bây giờ tao thả mày xuống…" Phương Hạo Vân cười hi hí, hất tay một cái, người kia bị ném ra xa rơi cái bịch xuống nền đất khô cứng.

Cú ném của Phương Hạo Vân không hề dùng quá nhiều sức, chỉ có điều nền đất của quán café được lót bằng đá hoa cương có độ cứng cao, mà tên cậu ấm kia đã bị tửu sắc làm cho suy yếu cơ thể, không chịu nổi cả cú ném nhẹ nhàng ấy.

Lúc thân hình đập xuống đất, tên cậu ấm đau đến nỗi lăn lộn kêu gào thảm thiết như heo bị cắt tiết.

Phương Hạo Vân lắc đầu ngao ngán, cái bọn vô dụng này thế mà dám hoành hành trong sân trường ức hiếp mọi người, xem ra quyền thế và tiền bạc quả nhiên là vạn năng, nếu thiếu đi hai thứ này, e rằng đám cặn bã này chả là cái thá gì cả.

Sau giây phút suy nghĩ ngắn ngủi, Phương Hạo Vân tiếp tục lướt tới tên cậu ấm thứ hai, giơ tay đẩy nhẹ, tên kia bị văng đi đập mạnh vào tường, lại có thêm những tiếng rú đau đớn vang lên.

Lạc Binh và tên đồng bọn còn lại thấy hình hình này liền biết ngay không ổn, vội vàng tháo lui, nhưng tốc độ của chúng sao có thể nhanh hơn Phương Hạo Vân được.

Chỉ chớp mắt Phương Hạo Vân đã chặn trước mặt chúng.

"Muốn đi, không dễ dàng thế đâu…" Phương Hạo Vân lạnh lùng hét lên, lao tới như mũi tên, giơ chân tung một cú đá vào giữa ngực Lạc Binh, Lạc Binh bị đá bay ra xa, ngã đè lên một chiếc bàn, cú đá này Phương Hạo Vân có vận chút ít sức mạnh, chiếc bàn chắc chắn liền bị Lạc Binh đè sập.

Còn Lạc Binh ngay cả một tiếng rú đau đớn còn chưa kịp phát ra đã ngất xỉu.

Phương Hạo Vân ra tay như sấm sét, loáng cái đã đánh ngã 4 người, bất kể là Hàn Tuyết Nhi hay là bọn cậu ấm vây quanh Hoàng Kỳ Hùng ở bên kia, không ai nhìn rõ Phương Hạo Vân đã ra tay như thế nào để đánh ngã 4 tên cậu ấm.

Phương Hạo Vân thong dong quay lại chỗ ngồi, đứng bên cạnh Hàn Tuyết Nhi, mỉm cười hỏi: "Không làm em sợ chứ?"

"Tất nhiên là không, thế này có đáng là gì…" Hàn Tuyết Nhi không nói khoác, đúng là cảnh đánh đấm hôm nay so với cảnh chém giết đẫm máu của Phương Hạo Vân mà cô được chứng kiến trước kia, quả thật không đáng là gì cả.

Quán café im phăng phắc, ngay cả 3 tên cậu ấm bị đánh ngã chưa ngất xỉu cũng không dám rên rỉ, chỉ hy vọng Hoàng Kỳ Hùng mau chóng ra tay trả thù tên mặt trắng kia.

"Các anh em, mau chạy đi!" Hoàng Kỳ Hùng kể cũng thông minh, hắn tự biết bên mình tuy đông người, nhưng ai nấy đều là giá áo túi cơm, chạy thoát thân trước đã, rồi kéo cứu binh đến trả thù sau.

"Muốn chạy à?" Phương Hạo Vân không thích lo chuyện tào lao, nhưng hễ hắn quyết định mó tay vào thì sẽ can thiệp đến cùng, chỉ thấy hắn lướt như cơn gió, toàn thân như luồng điện bắn đi, lập tức xuất hiện chắn trước mặt Hoàng Kỳ Hùng.

"Ma…" Ngày thường Hoàng Kỳ Hùng quen ức hiếp người khác, những người bị hắn ức hiếp toàn là học sinh có gia cảnh nghèo khó, số học sinh này thấp cổ bé họng, lo ngại trước quyền thế của Hoàng gia nên bị đánh không đánh trả, bị mắng không mắng trả, lâu ngày như thế Hoàng Kỳ Hùng còn tưởng mình là siêu nhân khiến ai nấy cũng sợ ấy chứ.

Võ nghệ cao siêu như Phương Hạo Vân hắn lần đầu được thấy, lúc này toàn thân hắn như bị đông cứng, chỉ sém chút là són cả ra quần.

Thấy Hoàng Kỳ Hùng run lẩy bẩy từng chập, Phương Hạo Vân khinh khỉnh nói: "Mau viết một bản thú nhận tội trạng đi, tao có thể thả mày rời khỏi đây, bằng không…tao sẽ làm cho mày sống không bằng chết…"

Giọng nói lạnh băng không hề pha chút hơi thở tình cảm, Hoàng Kỳ Hùng có cảm giác mình đang đứng trong phòng chứa xác, toàn thân run lên bần bật.

"Cái gì mà bản thú tội?" Hoàng Kỳ Hùng lấy hết can đảm nói: "Tôi…tôi đâu có làm gì, tôi không có tội."

"Viết hết những tội ức hiếp con gái nhà lành của mày ra, nếu không hôm nay mày đừng hòng rời khỏi chỗ này…" Phương Hạo Vân tuy không phải người tốt nhưng hắn có nguyên tắc làm người, thứ cặn bã tán tận lương tâm như Hoàng Kỳ Hùng, hắn tuyệt đối không dễ dàng bỏ qua.

"Anh…anh nói bậy…" Oai phong của Hoàng Kỳ Hùng đã sớm tiêu tan từ lâu, dưới ánh mắt đe dọa đầy uy lực của Phương Hạo Vân, nỗi sợ trong lòng hắn càng lúc càng mãnh liệt, nhưng việc nhận tội tất nhiên hắn sẽ không làm. Hoàng Kỳ Hùng không phải thằng ngu, hắn biết rõ một khi viết ra bản thú nhận tội trạng thì hắn sẽ toi đời, đến lúc đó ngay cả đứa anh trai thần thông quảng đại của hắn cũng chưa chắc có thể giúp hắn thoát tội.

Mấy năm nay, Hoàng Kỳ Hùng ỷ vào anh trai, ỷ vào quyền thế của Hoàng gia nên ngang tàng hống hách, làm biết bao nhiêu chuyện xấu, thật ra ngay cả bản thân hắn cũng không nhớ rõ hết, tóm lại là rất nhiều rất nhiều…

Phương Hạo Vân quác mắt giận dữ vào mấy tên cậu ấm đứng lúc nhúc sau lưng Hoàng Kỳ Hùng, gằn giọng: "Cả chúng mày nữa, ai viết bản thú tội sẽ được an toàn rời khỏi đây, đây là cơ hội duy nhất của chúng mày."

Hoàng Kỳ Hùng quay đầu lại nhìn, thấy đã có người cầm giấy bút lên bắt đầu viết…Hắn vốn định lên tiếng quát mắng đồng bọn, nhưng lại không dám hành động dại dột trước mặt Phương Hạo Vân.

Phương Hạo Vân giữ thái độ thản nhiên, ánh mắt vẫn sắc lạnh như băng: "Nếu chúng mày không biết nắm bắt lấy cơ hội tao ban cho, vậy thì đừng trách tao không nương tay nhé…"

Hoàng Kỳ Hùng liếc qua phía Hàn Tuyết Nhi, đôi mắt xoay tròn, vội mở miệng cầu xin: "Hàn tiểu thư, Hàn gia và Hoàng gia tuy không có giao tình thân thiết, nhưng đều là danh gia vọng tộc ở thành phố Hoa Hải, ngày thường cũng có chút qua lại trong các mối quan hệ kinh doanh, cô hãy giúp tôi nói tốt vài lời đi, chuyện hôm nay là chúng tôi mạo phạm, dại dột gây hấn với vị đại ca đây…Tôi xin thề từ nay về sau tuyệt đối không dám gây sự với cô và bạn của cô nữa, có được không vậy?"

457. Chương 73: Anh Rể Tương Lai Xuất Hiện

Hoàng Kỳ Hùng hạ thấp giọng nói xuống lảm nhảm: "Tôi có trả tiền cho họ mà…"

Mỗi khi làm nhục bạn nữ nào xong, đúng là Hoàng Kỳ Hùng đều trả cho người ta một món tiền lớn gọi là khoản phí bồi thường tổn thất thể xác lẫn tinh thần để bịch miệng, vì hành vi đó hắn còn vênh mặt tự hào, ta đây lấy đức phục người, chứ đâu phải ăn xong chùi mép bỏ đi không trả tiền.

Phương Hạo Vân càng nghe càng tức giận, gào lên: "Tao hiếp con mẹ mày sau đó ném cho một mớ tiền, chắc mày không có ý kiến gì chứ?"

"Láo lếu!" Hoàng Kỳ Hùng có thể hống hách coi trời bằng vung, phần nhiều là do mẹ hắn nuông chiều từ bé, trong cả nhà Hoàng gia, người hắn tôn trọng nhất chính là mẹ, bây giờ Phương Hạo Vân buông lên sỉ nhục mẹ hắn, hắn tuyệt đối không chịu bỏ qua nữa.

Hoàng Kỳ Hùng đột nhiên xuất hiện can đảm từ đâu không biết, chỉ thẳng vào mặt Phương Hạo Vân mắng chửi: "Cái thằng mặt trắng khốn kiếp, sao mày dám sỉ nhục người nhà của tao, có bản lĩnh thì nhằm vào tao nè…"

"Cùng một lí lẽ cả thôi, mày có thể làm nhục con gái nhà người ta, tại sao tao không thể sỉ nhục mẹ mày hả? Hoàng Kỳ Hùng, xem ra mày hư đốn như hôm nay chắc do mẹ mày dung túng mày quen rồi. Nếu tao là mày, tao sẽ hận bà ấy mới phải, sinh con ra mà không biết dạy dỗ, thực chất là một lỗi lầm lớn…"

Theo như Phương Hạo Vân nghĩ, thứ cặn bã như Hoàng Kỳ Hùng vốn không biết cái gì là tình thân, tình bạn…Hắn dám vì mẹ cãi lại mình, chẳng qua tất cả những gì hắn có hiện nay đều do mẹ hắn ban cho, chỉ có thế mà thôi.

Còn chưa đợi Hoàng Kỳ Hùng nói thêm câu gì, Phương Hạo Vân áp sát vài bước, lạnh lùng gắt lên: "Nên làm thế nào mày tự suy nghĩ mà quyết định khôn ngoan đi…"

Hàn Tuyết Nhi hai tay chống hông, vênh mặt ra dáng cáo mượn oai hùm, nói: "Bọn cặn bã các ngươi, hôm nay rơi vào tay anh Hạo Vân của tôi, tự cầu nguyện đi thôi…"

Phương Hạo Vân mỉm cười: "Em Tuyết Nhi, nghe em nói giống như anh không phải là người tốt gì thì phải…"

Hàn Tuyết Nhi ngớ ra một lát, sau đó nũng nịu: "Ai nói nào, nếu anh không phải người tốt, trên đời này không còn người tốt nữa đâu…Anh Hạo Vân, nghe nói Hoàng gia có thế lực rất lớn ở Bắc Kinh, em nghĩ hay là việc này mình trừng trị chúng một chút rồi thôi vậy, làm to chuyện e rằng chuốc lấy phiền phức vào thân…"

Giờ đã hả giận khi thấy đám lưu manh cậu ấm kia bị trừng phạt, Hàn Tuyết Nhi bình tĩnh suy xét về quyền thế hiện nay của Hoàng gia, cẩn thận nhắc nhở anh Hạo Vân một tiếng.

Phương Hạo Vân dửng dưng bỏ ngoài tai cảnh báo của cô bé: "Không sao!" Nếu nói tới quan hệ ở Bắc Kinh thì Phương Hạo Vân cũng có vậy…Hắn không tin chỗ dựa của Hoàng gia có thể mạnh hơn Lã Thiên Hành.

Hơn nữa, Hoàng gia có quyền thế to hơn thì sao chứ, hôm nay hắn đang đứng về phía chính nghĩa, còn Hoàng Kỳ Hùng thì thuộc về phía tà ác, có câu Tà không thể thắng chánh, hắn không có gì phải nể nang cả.

Hàn Tuyết Nhi bỉu môi, nói nhỏ: "Nghe nói Hoàng gia quen người trên bộ chính trị…"

Phương Hạo Vân vẫn giữ vững lập trường, nói: "Mặc kệ chúng!"

Hàn Tuyết Nhi thấy anh Hạo Vân kiên quyết nên không khuyên nhủ nữa, ánh mắt tràn ngập tình cảm ngưỡng mộ, phấn khích reo lên: "Anh Hạo Vân, anh giỏi quá, em rất nể phục anh…"

Theo cách đánh giá của cô bé Hàn Tuyết Nhi, Phương Hạo Vân chính là chàng hiệp sĩ không sợ cường quyền, trừ gian diệt bạo, nhưng cô không biết rằng Phương Hạo Vân không sợ cường quyền là vì sau lưng hắn cũng có cường quyền chống đỡ.

Thời thế hiện nay, những ai thật sự không sợ cường quyền biết có mấy người đâu? Mà có chắc cũng bị thủ tiêu hết rồi…

Chính vào lúc Phương Hạo Vân và Hàn Tuyết Nhi nói chuyện, cánh cửa lớn của quán café bị đẩy ra, một đám người xông vào, người dẫn đầu là một anh thanh niên tuấn tú nho nhã mặc vest sang trọng, thân hình to cao tráng kiện, mắt to mày rậm, có thể xem là một anh chàng đẹp trai, nhìn điệu bộ này có thể biết đám người mới bước vào là người nhà của Hoàng Kỳ Hùng.

Phương Hạo Vân ngước mắt nhìn thử anh thanh niên đó, chỉ cảm thấy đôi mắt người này sáng loáng, hiển nhiên là một nhân vật không phải tầm thường, ít ra anh ta ưu tú hơn gấp trăm lần so với tên cậu ấm Hoàng Kỳ Hùng.

Cùng lúc đó, anh thanh niên kia cũng ngấm ngầm quan sát Phương Hạo Vân, trong lòng khen ngợi, quả nhiên là nhân vật kiệt xuất, hôm nay đứa em trai vô dụng rơi vào tay người ta, việc này e rằng khó giải quyết êm thắm.

Hoàng Kỳ Hùng vốn đang bị Phương Hạo Vân uy hiếp sợ xanh mặt, toàn thân không ngừng run rẩy, tưởng hôm nay mình tiêu đến nơi rồi. Ai ngờ cứu tinh xuất hiện, hắn đột nhiên nghe tiếng của vị anh hai thân thương.

"Mình đang nằm mơ chăng?" Hoàng Kỳ Hùng không dám tin vào mắt mình, ngu ngốc đưa tay tự nhéo một cú mạnh vào đùi, rồi la toáng lên vì đau, cuối cùng đã xác định mình không phải đang nằm mơ, phen này được cứu rồi.

"Anh hai, anh đến đấy à…Mau giúp em trừng trị đôi cẩu nam nữ này đi…" Có anh hai Hoàng Kỳ Anh hậu thuẫn, lá gan con thỏ của Hoàng Kỳ Hùng lập tức to ra, hắn hậm hực nhìn vào Phương Hạo Vân, giận dữ gào to: "Tiểu tử, xem thử hôm nay ai chết nhé, hôm nay nếu tao không dìm chết mày, tao sẽ không mang họ Hoàng…"

"Bốp!" một tiếng lanh lảnh vang lên.

Hoàng Kỳ Hùng còn chưa nói hết câu, Hoàng Kỳ Anh đột nhiên làm một động tác không ai ngờ tới, hắn giơ tay giáng cho đứa em trai một cái tát nổ đom đóm, hơn nữa còn dùng hết sức, một chiếc răng của Hoàng Kỳ Hùng lập tức rơi xuống đất, miệng rỉ ra máu.

Hoàng Kỳ Hùng nghệch mặt ra không hiểu, ngay cả đám lưu manh cậu ấm đứng lố nhố phía sau cũng không hiểu.

Cả bọn thậm chí đang nghĩ có khi nào Hoàng Kỳ Anh bị ma nhập không? Kẻ thù ở trước mắt không trừng trị mà quay sang đánh đứa em trai của mình.

"Anh hai, anh làm gì vậy? Anh bị điên đó hả?" Hoàng Kỳ Hùng ôm lấy cái miệng đầy máu, tức tối gào lên: "Có phải anh bị ấm đầu không? Anh đánh em làm gì, anh phải đi đánh đôi cẩu nam nữ kia mới đúng…"

"Bốp!" lại một tiếng vang lên, Hoàng Kỳ Hùng vừa nói dứt câu, Hoàng Kỳ Anh đã giơ tay giáng thêm một cái tát nữa, hơn nữa lần này còn mạnh hơn lần trước: "Cái thằng em khốn nạn này, mày có biết mình gây họa lớn rồi không hả? Còn không mau tạ lỗi với Phương thiếu gia…Mong rằng Phương thiếu gia độ lượng có thể tha cho mày một lần…"

Hoàng Kỳ Anh trong lòng cũng rất tức t mình g) * đứa e ,h g) tg) "Anh "AỆ

Trên thực tế Trác Nhã đã hiểu lầm, Phương Hạo Vân không phải thích chấp nhặt, chẳng qua hắn không bao giờ muốn người thân bên cạnh bị làm hại, Tưởng Đại Phát phải chết vì dám sỉ nhục chị Mỹ Kỳ ngoài phố.

Hoàng Kỳ Anh gật đầu lia lịa: "Dì cứ yên tâm đi ạ, Kỳ Anh sẽ xử lí ổn thỏa, hôm khác cháu sẽ mời dì dùng bữa…"

"Dùng bữa thì miễn đi, nhưng dì muốn cháu và Hạo Vân có thể làm bạn…" Trác Nhã tiết lộ thông tin: "Hai chị em Hạo Vân và Tuyết Di có tình cảm tốt lắm, nếu như cháu muốn qua lại với Tuyết Di, cháu phải chiếm được cảm tình của Hạo Vân trước mới được. Thôi nhé, nói đến đây là đủ rồi, những việc còn lại cháu tự mà nắm bắt…"

Nói xong, Trác Nhã liền kết thúc cuộc gọi.

Hoàng Kỳ Anh bước tới cung kính trả điện thoại cho Phương Hạo Vân, lại nói thêm vài lời khách sáo: "Phương thiếu gia, chuyện hôm nay rất cám ơn cậu…"

"Cám ơn tôi?" Phương Hạo Vân mỉm cười ý nhị: "Anh đã sớm tính toán hết rồi, liên quan gì đến tôi nữa…Nhưng tôi vẫn phải nhắc nhở anh một câu, Hoàng Kỳ Hùng sớm muộn gì cũng phải trả giá cho hành động của hắn thôi, vì hắn ta đúng là một tên cặn bã thứ thiệt…"

Câu này nói ra, Hoàng Kỳ Hùng đứng kế bên liền đỏ mặt tía tai, đang định lao tới cự cãi, ai ngờ bị Hoàng Kỳ Anh nắm lấy cổ áo, nghiêm khắc quát mắng: "Cái thằng khốn nạn này, còn không mau xin lỗi Phương thiếu gia và Hàn tiểu thư đi."

Hoàng Kỳ Hùng dù có ngốc nghếch đến đâu nhưng phen này chắc đã nhận ra tên mặt trắng kia không phải hạng xoàng. Quân tử trả thù, mười năm chưa muộn, hôm nay ngay cả anh trai cũng không giúp mình, hắn chỉ còn cách cúi đầu nhận lỗi, sau này nhất định sẽ nghĩ cách trả thù đôi cẩu nam nữ này.

"Phương thiếu gia, Hàn tiểu thư, Kỳ Hùng biết lỗi rồi, mong hai vị khoan dung độ lượng, tha thứ cho tôi một lần. Hai vị yên tâm, bắt đầu từ hôm nay tôi sẽ tu tâm dưỡng tính làm một người tốt, nếu vi phạm lời thề xin trời đánh thánh đâm chết tôi…" Hoàng Kỳ Hùng làm ra bộ dạng hối lỗi, hứa hẹn đủ điều.

Hàn Tuyết Nhi bỉu môi, khinh miệt ném cho Hoàng Kỳ Hùng một câu: "Giang sơn dễ đổi, bản tính khó dời…"

Phương Hạo Vân đã đồng ý với Trác Nhã bỏ qua, tất nhiên hắn sẽ không nuốt lời, dửng dưng nói: "Nếu cậu quả thật biết sửa chữa lỗi lầm thì chính là việc tốt, vụ việc hôm nay tạm thời coi như xong, hy vọng cậu nhớ lấy lời thề của mình…"

"Nhất định rồi, nhất định rồi…" Hoàng Kỳ Hùng gật đầu lia lịa, nhủ thầm, sau này nhất định dìm chết đôi cẩu nam nữ này mới hả dạ.

Hoàng Kỳ Anh thấy Phương Hạo Vân nhượng bộ, một lần nữa cảm tạ: "Phương thiếu gia, hay là thế này, tôi mời hai vị đi ăn khuya, coi như tạ lỗi vậy…"

"Không cần đâu!" Hàn Tuyết Nhi là người lên tiếng từ chối đầu tiên. Đùa hả? Khó khăn lắm mới hẹn được anh Hạo Vân chịu đi chơi với mình, đâu thể để cho anh em họ Hoàng xen vào phá đám được.

Phương Hạo Vân cũng lên tiếng phụ họa: "Ăn cơm thì miễn đi, Hoàng thiếu gia hãy dẫn mấy tên cậu ấm bị thương về chữa trị vậy, để quá lâu lỡ có di chứng gì thì không tốt lắm đâu."

Hoàng Kỳ Anh nghe vậy, sắc mặt vẫn bình thản, nói: "Nếu Phương thiếu gia đã nói thế thì hôm khác chúng ta mới hẹn tiếp…"

Nhìn vào cảnh thê thảm của bọn Lạc Binh, Hoàng Kỳ Anh giật thót tim, mình mà đến trễ hơn một chút e rằng đứa em trai hết cứu rồi, may mắn nhất là nó vẫn chưa viết bản thú nhận tội trạng, bằng không thì đúng là hết cách cứu vãn. Phương Hạo Vân là nhân vật gì? Hoàng Kỳ Anh biết rõ hơn ai hết…Trong thành phố Hoa Hải này phàm là những ai đắc tội với hắn đều không một ai thoát khỏi số phận bi thảm, Lăng gia, Hứa gia, còn có Tưởng Đại Phát…Tần gia tuy có sản nghiệp mạnh hơn mấy gia tộc kia, nhưng chắc cũng khó tránh khỏi bị Phương Hạo Vân đánh đổ, vấn đề chỉ còn là thời gian.

Nói đến thằng em trai hư đốn của mình, Hoàng Kỳ Anh thật ra cũng ấm ức lắm, có câu bà mẹ nào cũng cưng chiều con út, điều này rất đúng, thằng em trai trở nên ngang tàng như hôm nay, tất cả đều do mẹ dung túng nó làm nên.

Nhưng mọi việc đã lỡ, giờ đây Hoàng Kỳ Anh cũng hết cách thay đổi Hoàng Kỳ Hùng, trên thực tế hắn cũng không muốn đi thay đổi, mặc kệ Hoàng Kỳ Hùng cứ vô dụng như thế, đối với hắn chỉ có ích chứ không có hại, thừa kế sản nghiệp Hoàng gia sau này hắn là lựa chọn số một rồi.

Chỉ có điều Hoàng Kỳ Anh đã hứa với ba mẹ, chăm lo cho em trai được hưởng vinh hoa phú quý suốt đời.

Sau khi rời khỏi quán café đã là hơn 11h đêm, Phương Hạo Vân và Hàn Tuyết Nhi tản bộ thong dong trên phố, không ai lên tiếng. Đột nhiên, bụng của Hàn Tuyết Nhi phát ra tiếng sôi sùng sục.

"Em đói bụng đó à?" Phương Hạo Vân mỉm cười hỏi.

Hàn Tuyết Nhi xấu hổ đỏ mặt, cúi đầu lí nhí: "Anh Hạo Vân, chúng ta đi tìm chỗ nào đó ăn chút gì đi…Trưa nay em không có ăn gì hết…"

Phương Hạo Vân không biết suốt cả buổi chiều Hàn Tuyết Nhi vì buổi hẹn xem phim với hắn mà trốn lì trong phòng, thay hết bộ cánh này đến bộ cánh khác, nhưng cuối cùng vẫn quyết định ăn mặc giản dị đi chơi với anh Hạo Vân.

"Nói đi, em muốn ăn gì, anh sẽ mời!" Phương Hạo Vân tỏ ra rất có phong độ của một quý ông.

"Chúng ta đi tìm quán ăn lề đường đi…" Hàn Tuyết Nhi đưa ra đề nghị: "Ăn quen sơn hào hải vị rồi, thỉnh thoảng thay đổi khẩu vị cũng hay hay."

"Được thôi!" Phương Hạo Vân gật đầu đồng ý, dẫn Hàn Tuyết Nhi đến một con phố bán thức ăn khuya ở gần khu Tây Hoàn, lúc 11h đêm chính là thời điểm tấp nập nhất của phố thức ăn này, dòng người chen chúc đông ngẹt, gần như quán nào cũng ngồi đầy khách, có người ăn mì gõ, có người ăn nui xào, còn có quán lẩu, quán nhậu thịt chó, xe đẩy bán cá viên chiên…

"Anh Hạo Vân, em muốn ăn há cảo thịt dê…" Hàn Tuyết Nhi dừng chân đảo mắt một vòng, cuối cùng chấm một quán nhỏ treo bảng bán há cảo thịt dê chính hiệu Đăng thành Tây An.

"Được thôi, không thành vấn đề!" Khi xưa Phương Hạo Vân còn phục vụ trong tổ chức sát thủ Thiên Đạo, có một lần đến Tây An chấp hành nhiệm vụ, từng thưởng thức qua một lần loại há cảo thịt dê chính hiệu Đăng thành Tây An, cảm thấy món này rất ngon.

"Hai vị, muốn tô đặc biệt hay là tô thường…" Người đứng bán là một phụ nữ trung niên, ăn mặc chỉnh tề, khu vực xung quanh quán cũng được quét dọn khá vệ sinh, thấy một đôi nam nữ bước tới, liền vồn vã tiếp đón.

Hàn Tuyết Nhi vừa định mở miệng gọi hai tô đặc biệt, ai ngờ bị Phương Hạo Vân xen vào gọi trước: "Cho hai tô thường là được rồi…"

"Dạ được, mời hai vị đợi cho một lát…" Bà chủ quán mỉm cười lịch sự với hai người, quay lại bắt đầu nấu nướng.

Hàn Tuyết Nhi hỏi nhỏ: "Anh Hạo Vân, có phải anh quên mang theo tiền không? Yên tâm đi, em có nè…"

Mấy quán ăn nhỏ lề đường này có treo bảng giá, tô đặc biệt giá 50 tệ, tô thường 35 tệ…Hàn Tuyết Nhi tự nghĩ Phương Hạo Vân gọi tô thường chắc vì không mang đủ tiền.

Phương Hạo Vân nghe hỏi lắc đầu nguầy nguậy, hắn đưa tay bẹo má Hàn Tuyết Nhi, lên tiếng giải thích: "Không phải là vụ tiền bạc, chỉ là tô đặc biệt và tô thường không có gì khác nhau, đây chỉ là cách kinh doanh đánh vào tâm lí của khách hàng thôi, vì thế chúng ta đâu cần thiết tốn thêm tiền oan uổng."

"Nói đi nói lại cũng là vấn đề tiền bạc…" Hàn Tuyết Nhi phụng phịu: "Anh Hạo Vân, mời con gái ăn cơm mà anh keo kiệt thế là không được đâu nhé…Chỉ tốn thêm có mấy chục tệ, bây giờ anh có tài sản đến mấy chục tỉ cơ mà…"

Trước khi bước vào trận chiến lớn, càng phải ra sức tập luyện, lính biệt kích của Mã Long toàn là tinh anh trong quân đội, một chút cũng không dám lơ là.

Văn Diệp là người đầu tiên phát hiện bãi tập bị chiếm dụng, trong lòng cảm thấy bất an. Đại đội trưởng đã có lệnh bảo mình ngăn cản đội viên mới xảy ra xung đột với đội biệt kích, nhưng hành động ngang nhiên chiếm dụng bãi tập của đội biệt kích hiện nay, nếu các đội viên mới còn nuốt trôi cơn giận này thì đúng là lạ…

Văn Diệp suy ngẫm một hồi, quyết định chạy đi tìm đại đội trưởng Hà Trác Tiếu đến đích thân xử lí chuyện đau đầu này.

Văn Diệp vừa mới quay lưng bỏ đi, Trần Thanh Thanh và Hác San San cùng nhau bước ra bãi tập định tập luyện, hai cô gái phát hiện bãi tập đã bị người của đội biệt kích chiếm dụng trước rồi.

Trần Thanh Thanh không phải là loại người ưa nhiều chuyện, vốn dĩ cô định cùng Hác San San đi tìm nơi khác tập luyện. Ai ngờ đội biệt kích đã nhìn thấy hai cô gái, lập tức có người cười ồ lên: "Tại sao trong đội viên lần này lại có con gái nhỉ?"

Đội biệt kích được chiến khu điều động đến tham gia nhiệm vụ, trước khi lên đường chỉ được thông báo hỗ trợ đội viên tham gia huấn luyện Trò chơi tử vong tiêu diệt các phần tử vũ trang buôn heroin, còn những việc khác họ vẫn chưa biết, tất nhiên càng không biết thân phận của Trần Thanh Thanh…

Theo họ nghĩ, để đội viên nữ tham gia vào đợt tập huấn khắc nghiệt này là một gánh nặng, hèn chi chiến khu phá lệ điều họ đến hỗ trợ tác chiến rồi.

"Con gái thì sao chứ? Hứ, chúng tôi không hề kém hơn các anh đâu nhé…" Hác San San nghe đám người này lên tiếng xúc phạm nữ giới, lập tức không nén nổi cơn giận, tức tối cự cãi lại.

"Bản lĩnh thì kém cỏi, nhưng giọng điệu thì to mồm…" Người lên tiếng là một tên lính vạm vỡ trong đội biệt kích, hắn cởi trần thân trên, cơ bắp rắn chắc như đá tảng, đang chống một tay xuống hít đất, ngay cả lúc nói chuyện cũng không hề dừng lại.

Ngay bên cạnh hắn, mấy tên lính khác của đội biệt kích cũng tích cực tập luyện thể lực, xem ra đây toàn là những người lính dũng mãnh có sức chiến đấu thuộc loại ưu việt.

"San San, thôi bỏ đi, chúng ta đi tìm nơi khác…" Trần Thanh Thanh không muốn xảy ra xung đột với đám lính biệt kích này, vội kéo tay Hác San San tính rời khỏi.

Hác San San khẽ gật đầu đồng ý, trước khi đi ném lại một câu: "Tứ chi phát triển, đầu óc ngu si…Tôi không chấp các anh, chào tạm biệt!"

"Con bé kia, cô mắng ai đó hả?" Các thành viên của đội biệt kích nghe Hác San San nói thế liền sùng máu lên, nhất là tên lính đang hít đất một tay, lập tức bật dậy như lò xo, lạnh lùng phán: "Tôi thấy cô mới là loại con gái ngực to ngu đần đó…"

Câu này nói ra, Trần Thanh Thanh nổi giận ngay tức thì, cô quét mắt một lượt qua mấy tên lính biệt kích, ánh mắt bắn ra tia sáng sắc bén: "Các vị, chúng ta đều là đồng đội với nhau, cần gì phải nói những lời khó nghe như thế chứ?"

Tên lính vạm vỡ đang định mở miệng cự cãi, ai ngờ bị Mã Long bước tới cốc vào đầu một cái, lớn tiếng trách mắng: "Tiếp tục tập luyện mau, đừng chấp nhặt với con gái…"

Mã Long phát hiện ánh mắt sắc bén của Trần Thanh Thanh, hơn nữa còn có sát khí bắn ra, đoán biết cô gái này tuyệt đối không phải hạng xoàng, nên mới vội vàng quản thúc thuộc hạ. Nhiệm vụ lần này cấp trên cực kì chú tâm, hắn không muốn nội bộ xảy ra bất hòa.

"Đồ lưu manh!" Hác San San hậm hực quát to, sau đó quay lưng cùng Trần Thanh Thanh bước đi.

Nhưng chính vì câu chửi này của cô gái mà ngọn lửa xung đột vừa mới được dập tắt lại bùng cháy trở lại. Mã Long là một người rất thương yêu thuộc hạ, nghe các binh sĩ của mình bị một cô gái nhục mạ, vẻ mặt liền đanh lại không vui.

Mã Long nháy mắt ra hiệu, toàn đội biệt kích đang tập luyện vội chạy tới vây chặt Trần Thanh Thanh và Hác San San vào giữa, yêu cầu hai cô gái nói lời xin lỗi.

Hác San San tính khí ngang ngạnh, theo cô nghĩ, đội biệt kích chiếm dụng bãi tập của mình là lỗi của họ trước, sau đó còn lên tiếng coi thường nữ giới, sai lại càng sai.

Mình chẳng qua chỉ là trong cơn tức giận mới trả treo thôi mà.

"Con bé kia, bây giờ cô phải xin lỗi chúng tôi mới được đi…" Mã Long giận dữ quát lên: "Những anh em của tôi người nào cũng từng đem sinh mạng ra phục vụ tổ quốc, họ chưa từng bị sỉ nhục như hôm nay, một cô bé như cô mà dám ăn nói xằng bậy, thật là quá đáng."

Thấy đồng đội bị người của đội biệt kích bao vây, các đội viên khác tham gia cuộc huấn luyện quân sự Trò chơi tử vong cũng ùa tới, hai bên huyên náo cả lên, bắt đầu xảy ra xô xát…

Văn Diệp và Hà Trác Tiếu lúc này mới vội vã xuất hiện ngăn cản, tìm hiểu đầu đuôi mọi việc.

Mã Long cười gằn một tiếng, nói: "Thủ trưởng, tuy quân hàm của anh lớn hơn tôi một bậc, nhưng có những câu tôi vẫn phải nói, nữ binh của anh sỉ nhục anh em của tôi, bây giờ tôi bắt cô ta xin lỗi, điều này không sai chứ?"

"Đại đội trưởng, không phải lỗi của San San đâu, là họ lên tiếng gây hấn trước, hy vọng anh có thể phán xử công bằng…" Trần Thanh Thanh không muốn gây sự với người ta, nhưng không đồng nghĩa với việc chấp nhận bị kẻ khác bắt nạt, cô cũng không phải hạng người bỏ mặc bạn trong lúc xảy ra chuyện.

Hà Trác Tiếu vốn định bảo Hác San San xin lỗi một tiếng cho êm chuyện, nhưng giờ đây Trần Thanh Thanh xen vào thì việc này không dễ giải quyết nữa rồi. Tiếp xúc với nhau suốt mấy tháng trời huấn luyện, tính khí cương trực của Trần Thanh Thanh hắn hiểu rất rõ.

Đau đầu quá. Hà Trác Tiếu nhíu chặt lông mày, quay sang Hác San San hỏi: "Rốt cuộc đầu đuôi câu chuyện là sao? Cô kể lại rõ từng chi tiết tôi nghe nào…Yên tâm đi, tôi sẽ xử lí công bằng…"

Hác San San nghe chỉ huy nói vậy bèn kể lại hết đầu đuôi mọi chuyện trước mặt tất cả đồng đội. Hà Trác Tiếu cảm thấy khó xử trong lòng, việc này tính ra cả hai bên đều có lỗi, nhưng phần lỗi lớn hơn thuộc về phía đội biệt kích, nếu không phải họ mở lời phân biệt giới tính trước, Hác San San cũng không ấm ức cự cãi lại, chỉ có điều hiện nay đang cần đội biệt kích phối hợp tác chiến, nếu để quan hệ hai bên rạn nứt e rằng gây bất lợi cho trận chiến gay go đang họ đợi phía trước.

461. Chương 77: Mỹ Nhân Tề Tụ Thôn Lưu Thủy

Đội biệt kích tuy có số người ít hơn nhưng không vì thế mà sợ hãi, lập tức cũng chửi rủa đáp trả, nhất là một số thành viên phục vụ lâu năm trong quân đội có chút công trạng, càng hống hách mắng dữ hơn, ngôn từ cực kì khó nghe…

"Tất cả im lặng!" Hà Trác Tiếu thấy sự việc càng lúc càng phát triển phức tạp, lập tức hét lớn ngăn cản, đe dọa: "Tất cả im lặng hết cho tôi…Mọi người làm vậy là vi phạm kỉ luật quân đội đó biết chưa, nếu không muốn bị đưa lên tòa án quân sự xét xử thì im miệng hết. Trung tá Mã Long, anh hãy quản thúc thuộc hạ của mình cho tốt…Văn Diệp, dẫn người của chúng ta rời khỏi."

Mọi người nghe thấy tòa án quân sự, ai nấy đều im bặt.

Chỉ có điều sắc mặt của trung tá Mã Long không được vui cho lắm: "Thủ trưởng, chỉ chút ít chuyện cỏn con thế này anh có cần kinh động đến tòa án quân sự không chứ?"

"Trung tá Mã Long, chiến khu điều các anh đến đây là để phối hợp hành động với chúng tôi chứ không phải bảo các anh đến gây hấn với đội viên mới, về hành vi vừa nãy của đội biệt kích tôi sẽ báo cáo đúng sự thật lên cấp trên, phải trái trắng đen để thủ trưởng bên chiến khu phân xử vậy…" Chuyện đến nước này Hà Trác Tiếu cũng cảm thấy bực bội, không còn lí do gì để ưu đãi họ nữa, đám lính tự cao tự đại này chắc chả mong gì họ phối hợp tác chiến tốt được rồi.

"Tránh ra!" Trần Thanh Thanh thấy Hà Trác Tiếu hành xử cứng rắn, liền kéo tay Hác San San đẩy đám lính biệt kích bao vây mình ra rời khỏi, vụ việc hôm nay vốn chẳng có gì nghiêm trọng, không cần thiết tiếp tục cù nhây ở đây.

"Chuyện này chưa xong đâu nhé…" Mã Long nổi tiếng ngang bướng trong toàn chiến khu, hôm nay hắn nhất quyết không dễ dàng bỏ qua.

Trần Thanh Thanh ngẩng đầu lên nhìn thẳng vào mắt Mã Long, bình thản nói: "Tôi kính trọng các anh là tiền bối từng tham gia Trò chơi tử vong nên không so đo với các anh, mời mấy anh tránh đường cho tôi đi…Tôi bắt buộc phải nhắc nhở anh một câu, kính trọng không đồng nghĩa với sợ hãi…"

Với trình độ võ nghệ của Trần Thanh Thanh hiện nay, cô không cần thiết phải e ngại đám lính biệt kích này, cô hiểu rõ dù có ra tay xung đột thật họ cũng không dám dùng đến súng, chỉ cần không đụng đến súng đạn, cô có niềm tin chỉ dựa vào sức của một người đánh ngã hết cả tiểu đội biệt kích.

"To gan quá đấy!" Mã Long sải bước chắn trước mặt Trần Thanh Thanh, lạnh lùng gắt lên: "Thật không biết trời cao đất dày, cấp trên không biết suy nghĩ gì mà đồng ý cho mấy cô gái chân yếu tay mềm tham gia Trò chơi tử vong…Chán quá, còn bắt lính biệt kích chúng tôi đến làm nhiệm vụ bảo vệ ấy chứ, thật là chuyện lạ hiếm thấy."

Trần Thanh Thanh trừng mắt nhìn Mã Long, nhếch mép khinh miệt: "Trung tá Mã Long, mời anh mau tránh ra, tôi nói đây là lần cuối cùng đấy…" Trong lúc nói chuyện, trên tay Trần Thanh Thanh không biết từ lúc nào đã xuất hiện một thanh phi đao sắc bén, kề thẳng vào cổ họng Mã Long: "Anh mà dám động đậy, tôi đảm bảo bắt anh trả giá…"

"Thanh Thanh, mau ngừng tay!" Hà Trác Tiếu kinh hãi la to, vội chạy tới tách hai người ra, chắn cả thân người vào giữa.

Mã Long trố mắt ngạc nhiên, nói thật lòng, Trần Thanh Thanh dùng phi đao kề vào cổ họng hắn như thế nào, hắn không hề có chút cảm giác, càng không nhìn rõ Trần Thanh Thanh ra tay khi nào. Mất mặt quá…Mã Long cũng coi như có chút tiếng tăm trong quân đội, võ nghệ của hắn được xếp vào hàng thượng đẳng trong toàn chiến khu, thế mà hôm nay bị một cô gái khống chế dễ dàng làm mất hết sỉ diện.

"Chúng ta đi!" Trần Thanh Thanh kéo tay Hác San San chuẩn bị rời khỏi.

"Đợi đã!" Mã Long một lần nữa ngăn Trần Thanh Thanh lại, nghiêm túc nói: "Xem ra cô biết chút ít võ nghệ, bây giờ tôi muốn khiêu chiến với cô, cô dám ứng chiến không?"

Phục vụ trong quân ngũ, so tài võ nghệ với nhau là chuyện bình thường, trong trường hợp bình thường, lính cũ lính mới cũng thường xuyên so tài để học hỏi lẫn nhau. Mã Long hôm nay bị một cô gái khống chế trước mặt bao nhiêu người, lúc này làm sao nuốt trôi cơn giận được, hắn muốn mượn lí do tỉ thí võ nghệ đánh bại Trần Thanh Thanh hòng cứu vãn sỉ diện.

Hà Trác Tiếu ít nhiều có chút hiểu biết về con người Mã Long, võ nghệ của người này không phải tầm thường, lo lắng hai người trong lúc tỉ thí xảy ra điều chi sơ sót, Hà Trác Tiếu vội thay mặt Trần Thanh Thanh từ chối: "Không được, tôi không cho phép…"

Mã Long lập tức điên tiết lên: "Thủ trưởng, anh làm vậy là có ý gì? Bảo vệ thuộc cấp cũng không được cưng như trứng chứ? Chẳng lẽ anh sợ đội viên của anh đánh thua sẽ làm anh mất mặt."

"Tôi đồng ý khiêu chiến!" Trần Thanh Thanh biết nếu hôm nay không thể hiện bản lĩnh thật sự, Mã Long và đội biệt kích sẽ không dễ dàng êm xuôi đâu, ngược lại nếu cô đánh bại được Mã Long, tất cả rắc rối đều được giải quyết ổn thỏa.

"Tốt, có khí phách lắm!" Mã Long mỉm cười tán thưởng, lập tức hạ lệnh: "Toàn đội mau tránh ra, để tôi tỉ thí với đội viên nữ này…"

"Mã Long, anh qua đây, tôi có chút chuyện muốn nói…" Hà Trác Tiếu sợ làm to chuyện, quyết định kể rõ thân phận của Trần Thanh Thanh cho hắn biết, đến lúc đó chắc Mã Long sẽ nương tay.

Trần Thanh Thanh hình như đã đoán biết được ý đồ của Hà Trác Tiếu, vội nói chen vào: "Đại đội trưởng, việc này anh không cần lo đâu, tôi sẽ không xảy ra chuyện gì, xin anh tin tưởng tôi…Tôi tuyệt đối không

thua."

Câu này nói ra, Mã Long khấp khởi mừng thầm, hắn bước chậm rãi áp sát Trần Thanh Thanh, khinh miệt nói: "Cô là nữ nhi, tôi nhường cô 3 chiêu."

"Không cần!" Trần Thanh Thanh trả đũa: "Tốt nhất là anh nên dùng toàn bộ sức mạnh của mình, bằng không anh sẽ hối hận đấy…"

Vừa dứt lời, toàn thân Trần Thanh Thanh vẫn đứng yên, tay phải đã quét ngang vào Mã Long.

Mã Long vốn coi thường Trần Thanh Thanh, nhưng lúc này thấy cú đánh dũng mãnh của cô gái mang sức mạnh kinh hồn, tốc độ nhanh như tia chớp, lập tức hoa cả mặt không kịp suy nghĩ, đưa tay ra đỡ, chiêu thức hai người chạm nhau, Mã Long cảm thấy cả cánh tay tê rần, sém chút nữa là hét lên đau đớn.

"Thanh Thanh, giỏi lắm!" Hác San San thấy Trần Thanh Thanh chiếm thế thượng phong, reo lên phấn khích.

Các thành viên đội biệt kích hình như cũng nhận ra tình hình bất lợi cho đội trưởng Mã Long, cô gái kia đúng là tài giỏi, ai nấy im phăng phắc thót tim theo dõi.

Mã Long đanh mặt lại, tập trung tinh thần ứng chiến, không hề lộ vẻ sợ sệt.

Nhìn thấy đôi mắt hoang dại ấy, sắc mặt Trần Thanh Thanh khẽ biến đổi, lạnh lùng nói: "Sức mạnh của anh rất khá, chỉ là quyền pháp có hơi kém cạnh."

Trần Thanh Thanh vốn có ý tốt nhắc nhở, nhưng Mã Long lại cảm thấy bị sỉ nhục, cô gái này dám khinh thường hắn…Mã Long càng nghĩ càng tức giận, quét chân đá một cú mạnh vào Trần Thanh Thanh.

Trần Thanh Thanh hứ một tiếng, lướt nhẹ nhàng như gió tránh được cú đá của Mã Long, đồng thời bắt chước theo chiêu thức của Mã Long, trả lễ bằng một cú đá tương tự.

Tốc độ và sức mạnh cú đá của Trần Thanh Thanh so với Mã Long đương nhiên dũng mãnh hơn rất nhiều, Mã Long vội vàng lui ra sau nhưng vẫn không tránh được, bị dính đòn ngã lăn ra đất.

Trần Thanh Thanh chỉ quét ngã Mã Long, không tiếp tục tấn công dồn dập, Mã Long nhanh chóng bò dậy, hậm hực trừng trừng nhìn Trần Thanh Thanh, hai mắt đỏ ngầu tức giận.

Hà Trác Tiếu trố mắt ngạc nhiên, hắn thật không ngờ ngay cả Mã Long cũng không trụ nổi 3 chiêu khi đối mặt Trần Thanh Thanh, chẳng lẽ Mã Long cũng biết thân phận của Thanh Thanh nên mới có ý nhường cho cô thắng.

Nhưng theo tình hình này thì khả năng đó rất thấp.

"Dừng!" Hà Trác Tiếu không muốn nội bộ mâu thuẫn, vội chạy tới chắn giữa hai người, nói: "Nếu thắng bại đã phân thì nên chấm dứt đi thôi, đừng để tổn thương hòa khí."

Trần Thanh Thanh mở miệng nói: "Đại đội trưởng, thật ra tôi và trung tá Mã Long vẫn chưa phân cao thấp, chiêu vừa rồi chỉ là do trung tá Mã Long có ý nhường tôi thôi, nếu đánh nhau công bằng, chúng tôi ít nhất phải đánh trên 100 chiêu mới phân thắng bại."

Câu này nói ra, Mã Long liền cảm thấy hổ thẹn, vốn định giải thích thêm nhưng không biết nên nói gì.

Sau giây phút ngỡ ngàng ngắn ngủi, Mã Long cười to, nói: "Hà đội trưởng, hôm nay đúng là tôi được mở rộng tầm mắt rồi, vị nữ binh này của anh đúng là kiệt xuất…Thôi, tất cả mau giải tán, chuyện này đến đây chấm dứt…"

Tất nhiên Mã Long hiểu Trần Thanh Thanh nói thế là giữ lại thể diện cho mình, hắn đâu còn mạt mũi nào mà gây khó dễ nữa.

Giờ đây hắn đã so tài với Trần Thanh Thanh, Mã Long tự đánh giá nếu mình dồn hết sức lực quyết chiến, chắc cũng không trụ nổi 15 chiêu đã thất bại.

"Mọi người mau giải tán đi…" Đội biệt kích nghe đội trưởng hạ lệnh nhanh chóng tránh ra, đủ thấy uy tín của Mã Long trong quân ngũ lớn cỡ nào. Hà Trác Tiếu cũng không dám chậm trễ, ra lệnh cho các đội viên mới đi nơi khác tập luyện.

"Vị đội viên nữ này, Mã Long tôi xưa nay ít khi chịu khuất phục người khác, nhưng đối với cô thì tôi khâm phục sát đất…Nếu cô không chê tôi kém cỏi, chúng ta kết bạn với nhau đi, ân oán hôm nay coi như xóa bỏ, sau này nếu có cơ hội xin cô chỉ giáo thêm…" Mã Long tính tình thẳng thắn, tuy thất bại nhưng không hề cay cú, ngược lại còn muốn kết bạn với Trần Thanh Thanh.

Trần Thanh Thanh thấy Mã Long là một hán tử quang minh lỗi lạc, bèn gật đầu đồng ý, hơn nữa còn chủ động đưa tay ra bắt tay giảng hòa với hắn: "Thật ra Mã đội trưởng cũng đánh rất giỏi, có thể làm bạn với anh là niềm vinh hạnh to lớn của tôi."

Hà Trác Tiếu đứng bên cạnh thở phào nhẹ nhõm, còn tưởng đội biệt kích của Mã Long không dễ dàng bỏ qua, kết quả thông qua cuộc tỉ thí vừa rồi đã được Trần Thanh Thanh giải quyết êm xuôi, xem ra cô cháu ngoại của Lã lão gia không hề đơn giản chút nào…

Đến giữa trưa, hai chiếc xe du lịch chở theo Phương Hạo Vân và 3 cô gái đã đến thôn Lưu Thủy thuộc địa phận thành phố Tây Hải, theo đúng ý của Bạch Lăng Kỳ, Phương Hạo Vân không hề thông báo trước với nhân viên ở đây.

Cho đến khi bị Tạ Mai Nhi đi mua sắm bắt gặp thì hành tung của họ mới bại lộ, sau khi tin tức lan truyền ra ngoài, bí thư ủy ban nhân dân thị trấn Hà Hoa Du Phi đích thân ra đón tiếp, dân làng cũng túa ra đông đúc, huyên náo cả một không gian rộng.

Nhưng Phương Hạo Vân không hề cảm thấy hứng thú với màn tiếp đón nhiệt tình này, sau khi lưu lại chốc lát trên thị trấn, thêm Tạ Mai Nhi nhập bọn, hắn và 4 cô gái liền lên xe vào thôn Lưu Thủy.

Năm nay thôn Lưu Thủy thay đổi toàn diện, được tập đoàn Đằng Phi của Phương Hạo Vân đầu tư số vốn lớn phát triển kinh tế, nhiều công trình đã được xây xong, mấy mái lều tranh trước đây được thay bằng nhà gạch kiên cố, ngay cả tòa biệt thự hoành tráng của Lưu gia trước kia giờ đây cũng không còn là hiếm hoi.

Tòa nhà đất của Tạ gia đã sớm được dỡ bỏ, thay vào đó là một ngôi nhà mới bốn tầng xây theo phong cách Châu Âu, kế bên là một tòa cao ốc văn phòng 10 tầng, cũng chính là tổng bộ chỉ huy phát triển dự án ở thôn Lưu Thủy, ngày thường Tạ Mai Nhi, Bạch Phúc và các nhân viên khác đều làm việc trong đó, phía sau còn có tòa nhà kí túc xá dành cho nhân viên, một khu nhà tập thể 6 tầng khang trang…

Hàn huyên tâm sự giây lát, Tạ Mai Nhi liền dẫn đoàn người Phương Hạo Vân đi tham quan trang trại nuôi heo, hiện nay tất cả trang thiết bị đều được gấp rút xây dựng, dự kiến lứa heo giống đầu tiên khoảng nửa tháng sau sẽ đưa vào nuôi thử.

Suốt đường đi, Phương Tuyết Di cứ dán mắt quan sát Tạ Mai Nhi đang thao thao bất tuyệt diễn giải, nhủ thầm trong bụng, xem ra hoàn cảnh có thể rèn luyện con người, nhớ khi xưa Tạ Mai Nhi chỉ là một nhân viên nghiệp vụ bình thường của tập đoàn Thịnh Hâm, thế mà giờ đây có thể quản lí cả một dự án lớn, thật là đủ khiến người ta trố mắt thán phục.

Phương Tuyết Di còn tinh tế phát hiện ra ánh mắt của Tạ Mai Nhi mỗi khi tiếp xúc với Phương Hạo Vân đều xuất hiện nét tình tứ. Cùng là con gái, Phương Tuyết Di đoan chắc cô gái này hình như cũng đang thầm thương trộm nhớ Hạo Vân.

Phương Tuyết Di ngấm ngầm thở dài ngao ngán, thằng tiểu tử Hạo Vân chắc trúng phải bùa ngải đào hoa rồi…Sao bên cạnh hết cô gái này đến cô gái khác xuất hiện, hơn nữa cô nào cô nấy đều ưu tú, ngay cả cô đôi khi cũng xuất hiện chút ít ảo tưởng…

Nghĩ đến đây, sắc mặt Phương Tuyết Di ửng hồng, trong đầu bất chợt ẩn hiện hình ảnh nhạy cảm trong những cơn mơ, thật xấu hổ chết đi được.

"Giám đốc Phương, chị không sao chứ?"

Tạ Mai Nhi nhìn sang thấy Phương Tuyết Di lạ lạ nên quan tâm hỏi thăm, những người khác nghe thế lập tức tập trung hết ánh mắt vào Phương Tuyết Di.

Phương Tuyết Di bối rối vô cùng, nhưng cô vẫn che giấu được cảm xúc, lấp liếm: “Không có gì, chúng ta tiếp tục. Mai Nhi, cô hãy trình bày cho mọi người nghe thử tình hình thiết kế của trang trại nuôi heo đi.”

Tạ Mai Nhi khẽ gật đầu, tiếp tục diễn giải tỉ mỉ hơn về trang trại nuôi heo cho mọi người nghe, theo như dự tính hiện nay có thể thấy, tương lai phát triển của dự án là rất tốt. Theo kế hoạch ban đầu, sau khi công trình đợt một hoàn thành, sẽ đưa vào nuôi thử 5000 con heo giống, sau khi xuất chuồng bán được 9 triệu tệ, trừ hết mọi chi phí còn lãi ròng khoảng 5 triệu…

462. Chương 78: Nỗi Lòng Thầm Kín

Chỉ có điều lợi nhuận từ khu nghỉ dưỡng và vườn du lịch sinh thái đến giờ vẫn chưa tính toán chuẩn xác được, nhưng theo dự tính ban đầu, nếu làm tốt chắc lợi nhuận thu được sẽ bằng mấy lần trang trại nuôi heo.

Tóm lại, tương lai kinh tế ở thôn Lưu Thủy là một màu tươi sáng, không quá hai năm thì đã thu hồi vốn, bắt đầu bước vào giai đoạn lãi ròng.

Nghe Tạ Mai Nhi giới thiệu, Phương Tuyết Di hít một hơi sâu hồi hộp, sớm biết em trai làm dự án lớn, nhưng thật không ngờ lại có thể sinh lợi cao đến thế. Cô ngấm ngầm khâm phục Phương Hạo Vân, thằng tiểu tử này đúng là có sẵn gien kinh doanh trong máu, lúc trước là tên mọt sách ngờ nghệch, bây giờ hóa thân thành rồng bay trên trời rồi.

"Hạo Vân!" Chính vào lúc Phương Hạo Vân múa xong bài quyền, đột nhiên nghe tiếng ai gọi hắn, nghe kĩ hơn đó là tiếng của Tạ Mai Nhi, hắn vội bước tới đáp lại: "Chị Mai, sao chị lại ra đây? Mọi người đâu?"

Tạ Mai Nhi mỉm cười trả lời: "Mọi người ngồi xe suốt mấy tiếng đến đây, lại đi tham quan hết nửa ngày nên mệt mỏi rã rời, chị đã sắp xếp cho họ đi nghỉ ngơi rồi. Từ xa chị đã nhìn thấy em đang múa quyền, thế nào? Thích nơi này chứ?"

"Vâng!" Phương Hạo Vân gật đầu, nói: "Không khí ở đây rất tốt, thích hợp để luyện công…"

"Vậy sau này em hãy thường xuyên đến đây…" Tạ Mai Nhi buộc miệng nói ra câu mong chờ.

"Em sẽ làm vậy!" Phương Hạo Vân thấy thời gian không còn sớm nữa, mỉm cười đề nghị: "Chị Mai, chúng ta quay về thôi, ban đêm gió lớn, em sợ chị sẽ cảm lạnh."

Được Hạo Vân quan tâm, Tạ Mai Nhi cảm thấy ấm áp con tim, ngập ngừng giây lát, lấy hết can đảm yêu cầu: "Hạo Vân, chị chưa muốn về nhà, em đi dạo với chị chút nha…Khó khăn lắm chúng ta mới được gặp mặt nhau một lần, chị có chuyện muốn nói với em…"

463. Chương 79: Làng Quê Không Yên Tĩnh

Hai người đi bên nhau tản bộ dưới ánh trăng sáng lung linh huyền ảo, không gian thật lãng mạn, nhìn vào như một đôi tình nhân.

Suốt đường đi hai người không ai nói với ai tiếng nào, cứ lặng lẽ bước đi.

Không bao lâu sau, hai người đã đến bên bờ hồ, nước chảy róc rách, chốc chốc lại có tiếng dế gáy vui tai…Phương Hạo Vân có thị lực tinh nhạy, thậm chí còn nhìn thấy vài con cá lội tung tăng dưới làn nước trong xanh.

Cảnh sắc nơi đây đẹp tuyệt, so với các công viên nhân tạo trong thành phố lớn, nơi đây mang hơi thở đại tự nhiên, tạo cho người ta cảm giác thư thái khoan thai.

Sự thật chứng minh xây dựng khu du lịch sinh thái ở thôn Lưu Thủy là một quyết định sáng suốt, Phương Hạo Vân tin tưởng sau này nơi đây sẽ trở thành một mỏ vàng mang lại lợi nhuận kết sù cho hắn.

"Hạo Vân, đang nghĩ gì vậy?" Tuy ánh sáng yếu ớt khi mờ khi tỏ, nhưng Tạ Mai Nhi vẫn chú ý vẻ mặt đăm chiêu của Phương Hạo Vân, khoảnh khắc người đàn ông này đăm chiêu suy nghĩ thật thu hút…

Phương Hạo Vân đang định lên tiếng, ai ngờ bụi cỏ cách đó không xa phát ra tiếng sột soạt…

"Hình như có người?" Phương Hạo Vân nói nhỏ: "Bụi cỏ bên kia có người…"

Theo phán đoán của Phương Hạo Vân, tiếng động phát ra từ bụi cỏ cách họ khoảng 10m, chỉ là cây cối um tùm nên hắn không nhìn rõ là ai.

Tạ Mai Nhi suy nghĩ giây lát, nói: "Khuya thế này rồi, chắc không có ai đâu…có thể là mèo hoang hay là chồn cáo gì đấy…"

Thôn Lưu Thủy xung quanh là núi bao bọc nên thỉnh thoảng trong thôn cũng xuất hiện động vật hoang dã, mấy năm trước nghe nói còn có chó sói vào thôn bắt gia súc ăn thịt, báo hại dân làng phải huy động lực lượng vây bắt suốt mấy ngày liền.

"Uhm!" Phương Hạo Vân đáp khẽ.

Nhưng lúc này trong bụi cỏ lại có tiếng động vọng ra, lần này là những âm thanh khiến hai người đỏ mặt. Tiếng đàn ông thở hổn hển, tiếng đàn bà rên rỉ sung sướng và tiếng hai cơ thể va vào nhau phành phạch.

Tạ Mai Nhi cứng đờ ra, tiếng động như thế cô không hề xa lạ gì, lúc ở khu nhà Lam Tâm, căn phòng của chị Mỹ Kỳ ở kế bên cứ hay vọng sang phòng cô những âm thanh giống hệt vậy.

Tạ Mai Nhi đỏ mặt xấu hổ, cúi gầm mặt xuống đất không dám nhìn thẳng vào mắt Phương Hạo Vân.

Tiếng động trong bụi cỏ càng lúc càng to, tiếng rên rỉ của cô gái vang vọng khắp nơi, hiển nhiên lúc này cặp đôi đang hành lạc trong kia đang phiêu diêu ngoài chín tầng mây không phát hiện có người đến gần.

Phương Hạo Vân cũng bối rối ra mặt, thật không ngờ ở làng quê yên tĩnh lại có cả cảnh dã chiến đêm khuya thế này, thật là mất hứng ngắm cảnh.

Phương Hạo Vân cảm thấy dân làng đôn hậu chắc không đến nỗi làm chuyện này ở ngoài bụi cỏ đâu, rất có khả năng chính là các công nhân tuyển mộ từ ngoài thị trấn vào lén ra đây vụng trộm.

Hắn quyết định ngày mai nói với Bạch Phúc, sau này phải quản lí nghiêm ngặt công nhân hơn, nhất là cuộc sống riêng tư, không được để xảy ra tình cảnh khó coi như hôm nay nữa.

"Á…nhanh nữa lên…" Cô gái hình như không được thỏa mãn, bắt đầu la to thành tiếng.

Dưới cảnh tượng khích thích như thế, Tạ Mai Nhi rạo rực trong tim, cổ họng cũng bắt đầu phát ra tiếng rên khe khẽ, cô sợ Phương Hạo Vân hiểu lầm nên cố hết sức điều tiết hơi thở không cho tiếng rên phát ra nữa.

Chỉ có điều khuôn mặt thanh tú của cô đã đỏ chót như trái ớt.

Tạ Mai Nhi định bảo Phương Hạo Vân đi về, nhưng lại chôn chân tại chỗ không biết làm sao mở miệng.

Khoảng 4 phút sau, trong bụi cỏ lại vọng ra tiếng thở hắt ra của gã đàn ông, tiếp đến là tiếng trách móc của cô gái: "Anh là đồ vô dụng, có tí mà đã xìu rồi, mau dùng miệng tiếp tục đi…"

Phương Hạo Vân lắc đầu bó tay, tên này có vài phút đã đầu hàng, xem ra đúng là kém cỏi thiệt, kém hơn hắn rất nhiều.

Tạ Mai Nhi thật muốn kiếm cái lỗ để chui vào, cô gái này thiệt tình phóng túng, còn yêu cầu người tình dùng miệng nữa chứ, eo ôi…

Nghĩ đến đây, nhịp tim của Tạ Mai Nhi khua loạn xạ nhanh chóng.

Cô đột nhiên nhớ đến cảnh trong giấc mơ, nhiều lần cô cũng muốn được Hạo Vân phục vụ như thế, cô còn nhớ khi đó cô rất sung sướng, cảm giác như lạc vào tiên cảnh.

Tạ Mai Nhi len lén đưa mắt nhìn trộm Phương Hạo Vân một cái, thấy hắn đang ngẩng đầu ngắm trăng sáng, trong lòng tự trách mình tâm tính hư đốn, Hạo Vân chẳng phải đang không bị ảnh hưởng, vẫn ung dung ngắm trăng đó ư?

"Không phải em, do chị chủ động mà, chị rất vui khi hiến thân cho em…" Tạ Mai Nhi đột ngột nói: "Hạo Vân, cứ coi như là tình một đêm vậy, từ nay về sau chúng ta sẽ quên chuyện này đi…"

Phương Hạo Vân vuốt ve mái tóc óng mượt của Tạ Mai Nhi, thỏ thẻ: "Chị Mai, em không phải hạng đàn ông chối bỏ trách nhiệm, chuyện đã xảy ra em nhất định sẽ chịu trách nhiệm đến cùng…Em sẽ không để chị chịu thiệt thòi đâu. Hãy tin em, việc này cứ giao cho em xử lí."

Tạ Mai Nhi ngồi thẳng lưng, do dự giây lát, nói: "Hạo Vân, chị đang rất rối rắm, em cho chị thời gian mấy ngày đi có được không? Chị phải suy nghĩ cho kĩ rồi mới đưa ra câu trả lời chính xác được."

"Vâng!" Phương Hạo Vân không ép buộc, hắn biết Tạ Mai Nhi vẫn còn nút thắt chưa được cởi bỏ, cần có thời gian thêm cho cô giải tỏa tâm lí.

Dừng lại một hồi, Phương Hạo Vân chợt nhớ ra điều gì, lấy từ túi áo ra một tép thuốc viên đưa ra Tạ Mai Nhi, nói: "Chị mau uống thuốc này đi!"

Tạ Mai Nhi nhìn vào tép thuốc, thì ra là một loại thuốc viên ngừa thai.

"Ở đâu em có vậy?" Tạ Mai Nhi cảm động khi Phương Hạo Vân biết nghĩ cho cô, dù sau này thế nào đi chăng nữa, hiện nay cô cũng chưa thể có thai.

"Hí hí!" Phương Hạo Vân cười khả ố giải thích: "Tưởng là sẽ khó kiếm ra thứ này, ai ngờ bên hậu cần có sẵn nên em tiện tay thó về đây…Chị Mai, chị đừng hiểu lầm, không phải em muốn chối bỏ trách nhiệm đâu, chỉ là bây giờ chị không thích hợp mang thai, chị cảm thấy thế nào?"

"Điều đó là lẽ đương nhiên mà…" Tạ Mai Nhi bỉu môi, phụng phịu: "Ai mà thèm sinh con cho em chứ, chị đâu có thật lòng yêu em."

Phương Hạo Vân biết con gái hay nói ngược, Tạ Mai Nhi cũng không ngoại lệ, nói: "Chị Mai, đừng trốn tránh nữa, chúng ta cùng nhau đối mặt thực tế đi!"

Nói thật lòng, Phương Hạo Vân không hề nghĩ tới mình sẽ có nhiều cô gái đến thế, nhưng tình thế đưa đẩy, tất cả mọi việc cứ xảy ra như lập trình sẵn, hắn muốn tránh cũng không được.

Hơn nữa, hắn cũng từ từ ý thức được tình cảm là thứ không thể đè nén, như trường hợp của Tạ Mai Nhi, xem tựa mù quáng nhưng lại diễn ra rất tự nhiên.

Đã làm rồi thì không có gì phải hối hận, Phương Hạo Vân cười hi hí, ghé sát tai Tạ Mai Nhi đề nghị: "Chị Mai, nắng sớm tươi đẹp, chúng ta làm thêm một lần nữa đi…"

Tạ Mai Nhi trải qua lần đầu ăn trái cấm, vị ngọt vẫn phảng phất trong tim, nghe Phương Hạo Vân đề nghị cơ thể đã nhột nhạt.

Phương Hạo Vân phát hiện cơ thể chị Mai rất nhạy cảm, trong lòng vui mừng, quyết định làm tới thêm một lần nữa, chuyện này càng làm nhiều càng dễ gắn kết tình cảm.

"Chị Mai, để em xoa bóp cho chị, trông chị có vẻ mệt mỏi."

Phương Hạo Vân bịa ra một lí do chính đáng, đôi tay mơn trớn trên cơ thể Tạ Mai Nhi, từ cổ xuống ngực, đến bụng, cuối cùng dừng lại ở giữa hai chân mò mẫm.

Tạ Mai Nhi toàn thân tê tái, nguýt dài: "Hạo Vân, em hư lắm!"

"Chị Mai, chẳng lẽ chị không muốn làm thêm lần nữa sao?" Phương Hạo Vân ghé tai cô nói nhỏ, phà hơi vào tai khiến cô gái giật bắn lên.

"Hạo Vân…chị…" Tạ Mai Nhi thích lắm chứ, nhưng đêm qua làm điên cuồng quá đến giờ vẫn còn đau, không biết tiếp tục làm nữa có sao không nữa?

Ngón tay của Phương Hạo Vân lúc này đã thò vào trong, cơ thể Tạ Mai Nhi nóng rang, giả vờ đẩy nhẹ hắn.

Tạ Mai Nhi tuy xấu hổ nhưng càng muốn thử lại cảm giác khoan khoái đêm qua, hơn nữa cô nghĩ đây là cách kết nối giữa cô và Hạo Vân, hai người sẽ thuộc về nhau.

Phương Hạo Vân dục vọng tràn trề, nếu không nghĩ đến chị Mai đêm qua mới bị phá trinh, chắc hắn phải làm suốt năm bảy lần mới thỏa mãn.

Tạ Mai Nhi càng lúc càng to gan, cô thấy Phương Hạo Vân chưa đạt cực khoái, đột nhiên cúi đầu xuống dùng miệng tiếp tục thỏa mãn cho hắn…

Hai người vui vẻ trong phòng, không nhận ra bên ngoài có người đi tới. Sáng sớm thức dậy 3 cô gái Kỳ, Mỹ Kỳ, Tuyết Di không liên lạc được với Phương Hạo Vân nên chia nhau ra đi tìm.

Kỳ và Mỹ Kỳ đi ra công trường, còn Phương Tuyết Di thì đến tòa nhà văn phòng tìm đến phòng làm việc của Tạ Mai Nhi. Vừa lại gần cánh cửa, Phương Tuyết Di đã nghe tiếng rên rỉ sung sướng trong đó. Sau giây phút ngỡ ngàng, cô biết có người đang làm chuyện ấy trong phòng.

Lúc đầu Phương Tuyết Di còn tưởng Tạ Mai Nhi đang vụng trộm với người khác, nhưng nghe kĩ hơn lại là tiếng thở gấp gáp của thằng tiểu tử Hạo Vân. Phương Tuyết Di tức tối trong lòng, thật không ngờ hai người đã phát triển đến mức lên giường với nhau.

"Thằng em trai hư đốn…" Phương Tuyết Di không biết nên nói gì hơn, những chuyện như thế đã không phải lần đầu, tại sao ông trời cứ để cô bắt gặp cảnh này hoài chứ?

Lần này Phương Tuyết Di không muốn ở lại nhìn trộm, cô đang rất bực bội, nhanh chóng bỏ đi, lúc ra khỏi cửa, cô quay đầu lại theo phản xạ xem có rớt lại thứ gì không.

Sau khi ra khỏi tòa nhà văn phòng, Phương Tuyết Di lấy điện thoại ra bấm gọi cho Bạch Lăng Kỳ, thông báo với họ đã tìm được Hạo Vân rồi, bảo họ không cần lo lắng, nhưng cô nói dối Hạo Vân đang làm việc…Thì đúng mà, hắn không làm việc thì đang làm gì chứ?

"Thằng tiểu tử, cứ vướng vào nhiều nợ tình như thế, sau này coi em xử lí thế nào?" Phương Hạo Vân nghiến răng tức giận, thật muốn xông vào cắn chết thằng em hư đốn kia.

Giống như lần trước, Phương Hạo Vân đang trong cơn khoái lạc không phát hiện chị Tuyết Di, khi luồng khí của hắn bắn phụt vào miệng Tạ Mai Nhi, Phương Hạo Vân nhịn không được rú lên phấn khích.

"Đồ đáng ghét!" Tạ Mai Nhi nhổm dậy cắn phập một phát vào vai hắn.

Phương Hạo Vân cười hí hí, chỉ mấy phút sau vết răng đã biến mất, cơ thể hắn có khả năng tự hồi phục biến thái, muốn để lại dấu vết trên người hắn thật khó khăn.

"Phải rồi, Hạo Vân, em có liên lạc với chị Mỹ Kỳ không? Hồi nãy lúc em đi lấy canh gà, chị Mỹ Kỳ gọi vào máy chị hỏi có gặp em không nè." Tạ Mai Nhi đột nhiên sực nhớ.

Phương Hạo Vân ngớ ra, vỗ trán một cái, nói: "Em quên mất, đêm qua em nói với họ là bàn công việc với chị, còn hẹn sáng nay sẽ cùng leo núi dã ngoại…Đợi đã, máy điện thoại của em hết pin nên tự tắt luôn rồi."

"Thôi rồi, bây giờ mấy giờ rồi, họ nhất định đã túa ra đi tìm em…Em mau mặc quần áo vào đi, nói không chừng họ sắp tìm đến nơi đấy…" Tạ Mai Nhi hoảng lên, hối thúc Phương Hạo Vân mặc quần áo, còn cô cố gắng bước xuống giường.

Phương Hạo Vân do dự giây lát, vội thay cục pin dự bị vào máy, gửi tin nhắn thông báo tới Phương Tuyết Di, Kỳ và chị Mỹ Kỳ nói là đêm qua làm việc mệt quá ngủ lại văn phòng công ty, giờ mới thức dậy.

Phương Hạo Vân không hề biết gian tình đã bị chị Tuyết Di phát hiện, giờ có nói dối cũng đâu còn tác dụng.

Tất nhiên chị Mỹ Kỳ và Kỳ không biết sự thật nên hồi đáp ngay, nói là đợi hắn về cùng ăn sáng.

"Hạo Vân, em đi tắm đi…" Tạ Mai Nhi hãy còn hơi đau nhưng giờ tự đi đã không là vấn đề lớn.

Đợi khi Phương Hạo Vân tắm xong, Tạ Mai Nhi cũng trang điểm xong, hai má ửng hồng, nhìn vào là biết xảy ra chuyện gì.

"Hạo Vân, em làm mạnh quá, chị còn đau nè, lát nữa sao mà gặp mặt mọi người đây?" Tạ Mai Nhi nũng nịu.

Phương Hạo Vân cười hô hố, đề nghị: "Hay là hôm nay chị cứ nằm nghỉ trên giường, em nói với mọi người là chị ngả bệnh, như thế có được không?"

"Không được!" Tạ Mai Nhi phản đối ngay: "Hôm qua còn khỏe, bàn công việc với em đến nửa đêm lại ngả bệnh, nói ra ngoài dễ khiến người ta nghi ngờ lắm, hơn nữa hôm nay chị còn rất nhiều việc phải làm, thôi thì chị ráng nhịn đau vậy."

Phương Hạo Vân bước tới gần, vòng tay ôm lấy eo cô gái, dịu dàng nói: "Chị Mai, thật ra em có cách này có thể giúp chị giải trừ cơn đau ngay tức thì…"

Tạ Mai Nhi ngẩng đầu lên hỏi dồn: "Cách gì vậy? Mau nói đi, chỉ cần giúp chị xoa dịu cơn đau, em bảo chị làm gì cũng được…"

467. Chương 83: Thú Tội

"Hứ!" Tạ Mai Nhi liếc xéo Phương Hạo Vân, phụng phịu: "Em tưởng chị một chút sức kiềm chế cũng không có à? Không nên phí thời gian nữa, Hạo Vân, em bắt đầu luôn đi…" Dù gì đã xảy ra quan hệ với Phương Hạo Vân, Tạ Mai Nhi không còn gì phải e ngại, lập tức nằm dài trên giường dang chân ra, nơi nhạy cảm lồ lộ trước mặt hắn một lần nữa.

Phương Hạo Vân cười hi hí, bàn tay to bè ấn vào đó, vận chân khí truyền sang, Tạ Mai Nhi chỉ cảm thấy có một luồng điện buốt óc, sém chút là rú lên sung sướng.

Lúc này cô mới hiểu cảnh báo của Phương Hạo Vân không phải thừa, đúng là cô đang rạo rực, tấm ga trải giường vừa mới thay chốc lát lại bị ướt nhẹp.

"Hơ…" Tạ Mai Nhi rên khẽ, cố gắng tự bảo trong đầu đang trong lúc chữa trị, nhưng cảm giác tê tái kia đúng là khó chế ngự, đôi mắt cô bắt đầu đê mê hưởng thụ.

Ba cô gái ngồi đợi ở phòng ăn nãy giờ không thấy Phương Hạo Vân đến nên đều sốt ruột. Trong lúc tức tối, Phương Tuyết Di quyết định đi xem thử, cô đi thẳng một mạch trở lại văn phòng làm việc của Tạ Mai Nhi.

Vừa mới lại gần, cô đã nghe tiếng rên rỉ của cô gái, Phương Tuyết Di quá quen với âm thanh ấy, lập tức đỏ mặt tía tai, thằng tiểu tử này còn chưa phong lưu khoái lạc xong nữa? Chỉ biết sướng một mình, bỏ quên người khác sang một bên.

Để đợi luôn Phương Hạo Vân cùng ăn sáng, nãy giờ cô đang phải nhịn đói, tức chết đi được…

Phương Tuyết Di vối định xông vào phòng làm dữ, nhưng cuối cùng đã từ bỏ ý định quay lưng bỏ đi. Suốt dọc đường quay về, tiếng rên rỉ của Tạ Mai Nhi cứ lảng vảng quanh tai, Phương Tuyết Di cảm thấy bên dưới ướt nhẹp.

"Đồ đáng chết!" Phương Tuyết Di nguyền rủa thầm, vội quay về phòng ngủ thay một chiếc quần lót mới.

"Xong rồi!" Đợi Phương Hạo Vân vận công xong, Tạ Mai Nhi đã mồ hôi lấm tấm, tuy chỉ tiếp xúc bằng tay nhưng cảm giác khoan khoái không hề thua kém trận chiến xáp lá cà đêm qua.

"Hạo Vân, đúng là hết đau rồi! Giờ không còn sớm nữa, em mau quay về đi, chị tắm xong sẽ đến…" Tạ Mai Nhi nhanh chóng đề nghị.

"Được thôi!" Phương Hạo Vân và Tạ Mai Nhi không biết rằng họ đã để ba cô gái đợi lâu rồi, hơn nữa Phương Tuyết Di đã hai lần chứng kiến gian tình của họ.

Khi Phương Hạo Vân về đến nơi, Phương Tuyết Di đã thay xong quần lót trở về trước hắn, chỉ có điều cô vác theo vẻ mặt hầm hầm tức giận.

Bạch Lăng Kỳ và Trương Mỹ Kỳ đều chú ý đến Phương Hạo Vân nên không để ý đến cảm xúc thay đổi của Phương Tuyết Di.

Phương Hạo Vân vừa bước vào, Bạch Lăng Kỳ đã chạy đến bên hắn, không hề có một câu oán trách, chỉ có quan tâm và lo lắng. Phương Hạo Vân hổ thẹn trong lòng, nhưng mọi chuyện đã lỡ, nếu không phải chị Mai yêu cầu, lúc này hắn đã thú nhận tội lỗi, muốn chém muốn giết tùy bạn gái định đoạt.

"Kỳ, chị Mỹ Kỳ, chị Tuyết Di…xin lỗi đã bắt mọi người đợi lâu, như vậy đi, mọi người ngồi đợi, em sẽ đi lo phần ăn sáng…" Phương Hạo Vân nhận ra thái độ thất thường của Phương Tuyết Di, nhưng hắn tưởng chị ấy giận vì hắn đến trễ.

"Không cần đâu, để chị đi cho…"

"Em cũng đi…"

Bạch Lăng Kỳ và Trương Mỹ Kỳ tranh nhau đi lấy thức ăn sáng, Phương Hạo Vân không dám ngăn cản họ nên ngồi xuống chờ đợi.

Đợi sau khi hai cô gái đi khỏi, Phương Hạo Vân quay sang Phương Tuyết Di, hỏi: "Chị Tuyết Di, chị giận em vì đến trễ à?"

"Hứ!" Vụ việc xảy ra hôm nay, vốn dĩ Phương Tuyết Di định mắng cho hắn một trận té tát, nhưng cô sợ bị người khác nghe thấy sẽ ảnh hưởng không tốt, Phương Tuyết Di dù sao cũng suy nghĩ thấu đáo nên quyết định không làm to chuyện.

"Khi nào về nhà sẽ tính sổ với em!" Phương Tuyết Di hăm dọa một câu.

Phương Hạo Vân ngờ nghệch không biết mình đã làm gì đắc tội với bà chị khó tính này, đang định lên tiếng thăm dò, ai ngờ chị Mỹ Kỳ và Bạch Lăng Kỳ đã bưng đồ ăn sáng nóng hổi quay lại.

Phương Tuyết Di chủ động đứng dậy chia chén đũa, chỉ là không chia cho Phương Hạo Vân. Trương Mỹ Kỳ nhìn ra nhưng không nói gì, chỉ đưa chén đũa của mình qua cho hắn, còn Bạch Lăng Kỳ ngây thơ kêu lên: "Chị Tuyết Di, chị quên phát chén đũa cho Hạo Vân rồi, chị muốn bỏ đói anh ấy à, em không chịu đâu nhé…"

Phương Tuyết Di cười nhạt nhẽo, quay sang em trai nói: "Em xem Mỹ Kỳ và Kỳ đối xử với em tốt biết chừng nào, em nên thỏa mãn mới phải…"

"Biết đủ thế là đủ!" Phương Tuyết Di thòng thêm câu cuối.

Nghe Phương Tuyết Di nói thế, Phương Hạo Vân giật thót tim, hắn lờ mờ nhận ra gian tình với Tạ Mai Nhi rất có thể đã bị bà chị này phát hiện. Trời ơi, sao lần nào cũng bị chị ấy nhìn thấy vậy? Ông trời bộ muốn đùa mình chắc.

"Hô hô!" Sau giây phút ngỡ ngàng, Phương Hạo Vân cười phá lên, nói: "Có Kỳ và chị Mỹ Kỳ ở bên cạnh, tất nhiên là em mãn nguyện rồi…"

"Mong là như vậy!" Phương Tuyết Di vẫn lạnh lùng phán một câu, xong cắm cúi ăn sáng.

Bạch Lăng Kỳ và Trương Mỹ Kỳ đưa mắt nhìn nhau, có phải Hạo Vân đã đắc tội với chị Tuyết Di rồi không? Sao chị ấy hằn học với hắn thế nhỉ?

Trương Mỹ Kỳ không ngây thơ như Bạch Lăng Kỳ, trong đầu chợt lóe lên một giả thiết, có khi nào Hạo Vân đã làm gì có lỗi với mình và Kỳ rồi không?

Bạch Lăng Kỳ không suy nghĩ sâu xa, ngồi dựa sát vào Hạo Vân, còn đút cho hắn ăn một cách tình tứ. Lúc này, Tạ Mai Nhi cuối cùng đã xuất hiện, Phương Tuyết Di dùng ánh mắt ghét cay ghét đắng lườm cô ta, trong lòng rủa thầm: "Đồ dâm phụ…"

Trương Mỹ Kỳ thấy cô bạn thân đến trễ, hai má ửng hồng, lờ mờ đoán biết ra điều gì. Tất nhiên hiện giờ vẫn chỉ là suy đoán.

Bạch Lăng Kỳ thấy Tạ Mai Nhi đến bèn đứng dậy đón tiếp, còn kéo cô đến ngồi bên cạnh, mỉm cười nói: "Chị Mai, sao hôm nay chị đẹp hơn hôm qua đó nha?"

Câu này nói ra, Trương Mỹ Kỳ càng khẳng định hơn suy đoán của mình, ngay cả Kỳ cũng nhận ra thay đổi của Tạ Mai Nhi kìa.

Trương Mỹ Kỳ trong lòng mang cảm giác phức tạp, tất nhiên trước khi xác định rõ mọi chuyện, cô vẫn ôm một tia hy vọng. Cô không tin cô bạn thân nhất lại dan díu với người đàn ông cô yêu.

Tạ Mai Nhi nghe Bạch lăng Kỳ khen, khuôn mặt càng đỏ hơn, thái độ rất không tự nhiên.

"Kỳ, chị Mai đâu thể so sánh với em, em vừa trẻ vừa xinh đẹp, chị ngưỡng mộ em còn không kịp nữa là…" Tạ Mai Nhi cố gắng giữ bình tĩnh, lên tiếng khen Bạch Lăng Kỳ.

Phương Tuyết Di thở dài chán ngán, thầm trách con Kỳ ngu ngốc, người ta cướp bạn trai em mà còn nói cười vui vẻ với mụ hồ ly tinh kia.

Phương Hạo Vân quan sát hết sắc thái biểu cảm trên khuôn mặt của mọi người, thấy chị Mỹ Kỳ sắc mặt u ám, hắn đã biết những lời của chị Tuyết Di đã làm cô nghi ngờ.

"Ài!" Phương Hạo Vân thở dài một tiếng, quá nhiều cô gái thật ra cũng rất rắc rối, giờ đã đến nước này, thôi thì mặc cho số phận sắp đặt vậy.

Sau khi ăn sáng xong, Tạ Mai Nhi dẫn mọi người đi leo núi dã ngoại, Bạch Phúc, Hồng Lượng, A Bảo cũng đi theo, nhưng họ phải làm cu li mang vác đồ đạc.

Đáng lí ra buổi dã ngoại nên tràn ngập niềm vui, nhưng giờ đấy ai nấy mang tâm sự riêng, suốt buổi dã ngoại vắng hẳn tiếng cười, bầu không khí ảm đạm bao trùm, vì lí do đó đến buổi trưa buổi dã ngoại đã kết thúc sớm.

Về đến nhà, Phương Tuyết Di lấy lí do không khỏe về phòng nghỉ ngơi, Bạch Lăng Kỳ canh cánh công trình Tây Hoàn nên đi lên mạng tìm hiểu thông tin, Bạch Phúc vốn rất bận rộn, nói một tiếng với Phương Hạo Vân rồi biến mất dạng.

Chỉ còn lại 3 người Phương Hạo Vân, Trương Mỹ Kỳ, Tạ Mai Nhi. Phương Hạo Vân do dự giây lát, quyết định thú thật với chị Mỹ Kỳ, cố gắng giành được ủng hộ của chị ấy rồi tính tiếp.

Tạ Mai Nhi hình như đoán biết hắn muốn làm gì, nói chen vào trước: "Hạo Vân, em có việc bận thì đi làm đi, chị muốn nói chuyện riêng với chị Mỹ Kỳ một lúc…"

Phương Hạo Vân biết Tạ Mai Nhi muốn giải thích với chị Mỹ Kỳ, hắn không phản đối, nhanh chóng rời khỏi.

"Em biết chị có chuyện muốn hỏi em?" Tạ Mai Nhi lên tiếng trước, cô không muốn mất đi cô bạn thân thiết này.

Trương Mỹ Kỳ khẽ gật đầu, im lặng đi theo Tạ Mai Nhi, hai người cứ thế lặng lẽ bước vào phòng ngủ của Tạ Mai Nhi, không gian như bị bóp nghẹt.

Sau khi bước vào phòng, Trương Mỹ Kỳ tự tay khóa trái cửa, ngồi lên cạnh giường, ánh mắt nhìn trưng trưng vào Tạ Mai Nhi. Tạ Mai Nhi né tránh ánh nhìn của Trương Mỹ Kỳ, dù sao cô cũng là kẻ thứ ba…Không, nói chính xác hơn thì cô là kẻ thứ tư mới đúng.

Hơn nữa, cả ba người lại thân thiết như chị em ruột…Về tình về lí, Tạ Mai Nhi không nên làm ra chuyện tranh đoạt tình yêu này. Nhưng mọi thứ đã xảy ra, có hối hận cũng không được nữa, Tạ Mai Nhi cũng không muốn né tránh, mọi việc sớm muộn gì cũng phải đối mặt.

"Chị Mỹ Kỳ, chị mắng em đi…" Tạ Mai Nhi bước tới ngồi xuống kế bên Trương Mỹ Kỳ, nắm lấy tay cô khẩn khoản yêu cầu.

468. Chương 84: Tâm Sự

Tạ Mai Nhi nghệch mặt ra, xem ra nếu cô nói là bị Hạo Vân cưỡng bức chắc chắn chị ấy sẽ không oán trách mình, ngược lại nếu nói hai bên tự nguyện, e rằng chị Mỹ Kỳ vì thế mà nổi giận.

Sau giây phút suy nghĩ thấu đáo, Tạ Mai Nhi quyết định trả lời đúng sự thật, tuy nói dối sẽ được chị Mỹ Kỳ thông cảm nhưng làm vậy không tôn trọng đến tình yêu giữa cô và Hạo Vân.

"Chị Mỹ Kỳ, xin lỗi, là em không kiềm chế nổi cảm xúc nên mới quyến rũ Hạo Vân, em có lỗi với chị và Kỳ…" Tạ Mai Nhi cúi đầu lí nhí.

“Ài!” Cái Trương Mỹ Kỳ lo lắng nhất cuối cùng đã xảy ra, vốn dĩ cô còn hy vọng Tạ Mai Nhi sẽ nói do Hạo Vân tẩu hỏa nhập ma nên đã lăng nhục cô, thế nhưng…

“Mai Nhi, tại sao lại như thế, chẳng phải em luôn theo đuổi một tình yêu hoàn mỹ sao? Em nên biết sẽ không bao giờ có được tình yêu trọn vẹn từ Hạo Vân, em làm vậy là tự hại mình đó…” Trương Mỹ Kỳ không có trách mắng cô bạn, chỉ là tiếc nuối cho Tạ Mai Nhi.

Tạ Mai Nhi trố mắt ngạc nhiên, cô làm ra chuyện có lỗi với chị Mỹ Kỳ, còn tưởng bị mắng một trận té tát, thế mà giờ đây chị ấy lấy đức báo oán, Tạ Mai Nhi cảm thấy mình như một tên tiểu nhân vô liêm sỉ, sống mũi cay cay, nước mắt trực trào.

“Chị Mỹ Kỳ, em…chị hãy mắng em đi, chị không mắng em, em cảm thấy áy náy trong lòng…” Tạ Mai Nhi đột nhiên ôm chặt Trương Mỹ Kỳ khóc to.

Trương Mỹ Kỳ vỗ nhẹ vào lưng Tạ Mai Nhi, dịu dàng nói: “Tại sao chị phải mắng em chứ? Sự việc đã xảy ra, chị có mắng em thì đã sao nào? Hơn nữa chị và em cũng như nhau, chị không có tư cách đi trách mắng em. Mai Nhi, nghe chị hỏi này, em có từng hối hận không?”

“Hối hận?” Tạ Mai Nhi ngừng khóc, ngẩng đầu lên nhìn Trương Mỹ Kỳ, suy nghĩ một lát, lắc đầu nói: “Không hối hận, chị Mỹ Kỳ, em không giấu chị nữa, em yêu Hạo Vân đã không phải chuyện mới đây, lúc trước vì có chị và Kỳ nên em đè nén tình yêu trong lòng, nhưng đêm qua, đêm qua hoàn toàn do tình thế đưa đẩy, em cũng không có cách gì khống chế…”

Tạ Mai Nhi thích Phương Hạo Vân, Trương Mỹ Kỳ đã sớm nhận ra, chỉ là cô không ngờ hai người lại đến với nhau, vì cô biết tiêu chuẩn chọn đối tượng của cô bạn thân, Hạo Vân đúng là người đàn ông ưu tú, nhưng lại không phải là lựa chọn thích hợp, vì bên cạnh hắn có quá nhiều cô gái.

Nhưng sự đời luôn luôn là thế, luôn xảy ra bất ngờ khiến người ta khó mà nắm bắt.

Dừng lại giây lát, Trương Mỹ Kỳ hỏi nhỏ: “Mai Nhi, đêm qua hai người rốt cuộc đã xảy ra chuyện gì, em có thể kể ra với chị không?” Trương Mỹ Kỳ tò mò muốn biết lí do Tạ Mai Nhi không kiềm chế được, từ bỏ quan điểm tình yêu hoàn mỹ của cô.

Tạ Mai Nhi ngập ngừng giây lát, cuối cùng lí nhí kể lại đầu đuôi mọi chuyện đêm qua cho Trương Mỹ Kỳ nghe.

Trương Mỹ Kỳ hiếu kì hỏi: “Lúc em bị té, thật ra là muốn nhảy tránh cái gì vậy?”

“Cái đó…là một cái bao cao su.” Tạ Mai Nhi đỏ mặt đáp.

Trương Mỹ Kỳ không nhịn được bật cười khanh khách, có thể đấy chính là duyên phận ông trời sắp đặt, một chiếc bao cao su bị vất giữa đường đã tác hợp cho Tạ Mai Nhi và Phương Hạo Vân.

“Chị Mỹ Kỳ, chị cười em.” Thấy Trương Mỹ Kỳ bật cười, Tạ Mai Nhi thở phào nhẹ nhõm, tình huống gay go nhất đã không xảy ra như cô nghĩ.

Theo tình hình hiện nay, Trương Mỹ Kỳ không thù địch cô, nhưng tình cảm có bị suy suyễn vì chuyện này không thì khó nói trước, dù sao Trương Mỹ Kỳ cũng là con gái, tình yêu là ích kỉ đó là điều hiển nhiên, trước kia Trương Mỹ Kỳ là người đến sau buộc phải chấp nhận chia sẻ Hạo Vân với Bạch Lăng Kỳ, nhưng nay có thêm Tạ Mai Nhi, rõ ràng lại chia mất một phần tình yêu của hắn, đây đâu phải là chiếc bánh có thể chia năm xẻ bảy đâu chứ…

Nhưng mọi chuyện đã xảy ra, Trương Mỹ Kỳ còn biết nói sao, hơn nữa Tạ Mai Nhi lại là chị em tốt của cô, giờ chỉ có thể trách số phận trớ trêu mà thôi.

Tất nhiên Trương Mỹ Kỳ không trách mắng Tạ Mai Nhi còn có một lí do, đó là vì sống với Phương Hạo Vân một thời gian cô đã hiểu rõ con người hắn, nếu Hạo Vân đã chấp thuận xảy ra quan hệ với Tạ Mai Nhi, điều đó đồng nghĩa hắn đã tiếp nhận Mai Nhi, nếu cô còn phản đối làm dữ, rõ ràng là ãn ạ- p h c, c

Trần Thanh Thanh cũng không giấu diếm, nghiêm túc nói: "Hai vị đội trưởng, đây là kết quả của việc trường kì rèn luyện. Mặt khác, tôi hiểu được cách khống chế hô hấp của chính mình."

"Chỉ đơn giản như vậy?" Vẻ mặt Mã Long vẫn hoài nghi.

Trần Thanh Thanh mỉm cười, nói: "Đạo lý chỉ đơn giản như vậy, có điều cũng không phải thời gian ngắn là luyện được. Kỳ thật, hơn nữa là vì tôi còn có công phu."

"Tôi cũng biết công phu, nhưng mà tôi cảm thấy rằng phương thức huấn luyện của cô, tôi không thể làm được." Mã Long đưa ra nghi vấn mới: "Đến tột cùng là cô luyện được loại công phu gì? Sư môn nào?"

"Mã đội trưởng, thứ cho tôi nói thẳng, những gì mà anh đang học nếu nói một cách nghiêm khắc thì không phải là công phu chân chính, mà chỉ là một vài thuật đánh lộn thô thiển mà thôi." Trước khi gặp được Phương Hạo Vân, những gì Trần Thanh Thanh luyện cũng chỉ là một vài thuật đánh lộn mà thôi, đạo lý này, phải tới khi cô nhận được sự tập huấn của Hạo Vân mới hiểu ra được.

Mã Long nghe thấy thế, sắc mặt cảm thấy không vui, tuy rằng kỹ năng của cô cao hơn một bậc, nhưng mà cô cũng không thể nói công phu của người khác không đáng giá một đồng được.

Trần Thanh Thanh đương nhiên hiểu ra được tâm tư của hắn, cười nói: "Mã đội trưởng, anh đừng vội tức giận, những điều tôi nói đều là thật. Những gì các anh học chỉ đơn thuần là thuật đánh lộn mà thôi, nhưng mà thứ tôi học là công phu nội gia. Đừng xem các anh là đàn ông, nhưng mà khí lực của các anh chắc gì đã lớn hơn tôi, nếu không chúng ta có thể thử xem."

Mã Long vội vàng xua tay: "Không cần thử, khí lực của cô khẳng định là lớn hơn tôi, điểm này là không thể nghi ngờ. Bình thường tôi cũng chỉ mang được thêm nhiều nhất là sáu mươi cân, hơn nữa còn không thể chạy được nhanh như cô. Đúng rồi, tôi còn nghe nói, cô là một tay phi đao tuyệt kỹ, còn lợi hại hơn cả bắn súng, việc này là thực sao?"

Trần Thanh Thanh mỉm cười, giải thích: "Làm gì mà thần kì như vậy. Phi đao của tôi cũng chỉ ở cự ly gần, ví dụ như thi triển trong phạm vi hai trăm thước thì còn kém xa so với súng đạn."

"Thế là giỏi rồi.!"

Mã Long giơ ngón tay cái lên, rất bội phục nói: "Hôm nay tôi mới biết được, không thể coi khinh phụ nữ. Đúng rồi Thanh Thanh, cô nói cô có công phu nội gia, có thể dạy cho chúng tôi được không?" Mã Long cũng là một kẻ mê công phu, thân là một nhân viên đặc chủng tác chiến, hắn biết rõ ưu thế của tố chất cơ thể vượt trội hơn trong chiến tranh.

"Việc này."

Trần Thanh Thanh dường như có hơi khó xử, phương pháp hô hấp của cô là do Phương Hạo Vân truyền thụ, trước khi được hắn cho phép thì không thể tự tiện truyền thụ cho người khác được, hình như là không ổn. Hơi thoáng do dự, Trần Thanh Thanh thản nhiên trả lời: "Hai vị đội trưởng, ý của hai vị tôi hiểu, có điều công phu nội gia yêu cầu kiên trì, cũng không phải chỉ trong thời gian ngắn là có thể có công hiệu. Hơn nữa, biện pháp hô hấp này của tôi, dựa theo quy củ của sư môn thì không được truyền ra ngoài. Có điều tôi cũng có thể chỉ điểm cho các anh một vài công phu quyền cước."

"Cũng được.!"

Mã Long mặc dù có hơi thất vọng, nhưng mà tóm lại là Trần Thanh Thanh vẫn đồng ý chỉ điểm cho bọn họ, vậy cũng coi như là thu hoạch ngoài ý muốn.

Hà Trác Tiếu vội vàng nói: "Thanh Thanh, nếu không thì như vậy đi, hiện giờ tôi sẽ tập hợp đội ngũ luôn, cô sẽ tiến hành truyền thụ bổ sung được không?"

"Được.!"

Trần Thanh Thanh gật gật đầu, nói: "Hai vị đội trưởng, thời gian của chúng ta không nhiều lắm, như vậy đi, để tôi cẩn thận nhớ lại, lợi dụng hôm nay có thời gian thì truyền thụ cho mọi người một bộ pháp đơn giản đi."

"Bộ pháp?" Mã Long dường như không tin tưởng lắm.

Trần Thanh Thanh thản nhiên cười: “Mã đội trưởng, anh tới bắt tôi đi. Nhớ kỹ, thi triển toàn lực của anh, không cần lưu thủ.”

“Được.!”

Chữ ‘được’ vừa nói ra, Mã Long đã lập tức đánh về phía Trần Thanh Thanh, tốc độ vô cùng nhanh, dường như là phát huy ra những gì tinh hoa nhất của hắn. Vốn là hắn nghĩ, với tốc độ của hắn như thế này, tóm được Trần Thanh Thanh kia khẳng định là dễ như trở bàn tay.

Chỉ có điều chuyện lạ xảy ra, ngay khi hắn tới được gần Trần Thanh Thanh, cơ thể cô đột nhiên là không thấy tăm hơi đâu nữa. Cùng lúc đó, hắn cảm giác rằng phía sau lưng hắn bị một luồng gió lạnh thổi tới, vội vàng quay đầu lại, phát hiện ra Trần Thanh Thanh không biết từ lúc nào đã vòng ra được phía sau lưng hắn. Toàn bộ quá trình chỉ diễn ra trong chớp mắt.

“Hà đội trưởng, anh có thấy rõ hay không? Cô ta làm như thế nào vậy?” Sự rung động trong lòng Mã Long là không thể nghi ngờ.

"Tuyết Nhu, tôi nói lại câu đó, hiện giờ quan trọng nhất là cô phải giữ gìn thân thể." Phương Hạo Vân không thể hứa hẹn với cô, bởi vì trong lòng hắn còn có nỗi hận. Đối với cô gái đã cải biến cả đời hắn, hắn lúc này rất mâu thuẫn. trước khi tâm tư của hắn có thể thống nhất, hắn sẽ không đưa ra lời hứa hẹn gì. Hiện tại điều hắn có thể làm, chính là ám chỉ một chút. Trên thực tế, tia giảo hoạt ở trong mắt Đinh Tuyết Nhu hắn cũng thấy được. Nhưng mà lúc này là thời điểm nhạy cảm, hắn cũng đành phải kiên trì. Hắn hiểu rõ, nếu mình còn cố tình làm Đinh Tuyết Nhu bị thương, cô ta thật sự có khả năng sẽ mất đi niềm tin vào cuộc sống.

Hắn không muốn cô chết.

Còn sống mới có hi vọng.

"Được rồi!" Đinh Tuyết Nhu rốt cục cũng buông tha: "Hạo Vân, tôi tin anh. tôi sẽ phối hợp với sự trị liệu của bác sĩ. Nhưng mà anh cũng không được quên những lời đã nói với tôi đâu đấy."

"Yên tâm đi, tôi không thế đâu!" Phương Hạo Vân cười nói: "Tuyết Nhu, chúng ta ra ngoài một chút đi? Đúng rồi, cô có phải là rất đói không?"

"Không đói!" Đinh Tuyết Nhu nhẹ nói: "Chỉ cần anh chủ động mời tôi. cho dù là không đói, cũng không vấn đề."

472. Chương 88: Lòng Phương Hạo Vân Rất Loạn, Rất Loạn

"Có lẽ, sự trả giá của cô hẳn là sẽ được khoan dung?" Lòng Phương Hạo Vân rối loạn.

"Quên đi, không nói cái này nữa. trên đời này không có sự hối hận, cái gì đã qua thì qua rồi, tôi cũng không nói nhiều nữa. chỉ hi vọng sự sám hối của tôi có thể được ông trời hiểu cho." Sắc mặt Đinh Tuyết Nhu thay đổi mấy lần, cuối cùng vẫn nở một nụ cười.

Vương Hà và bác sĩ Đỗ thấy hai người đi ra, vội vàng tới đón.

Bác sĩ Đỗ giành hỏi: "Đinh tiểu thư, cô có quyết định phối hợp trị liệu không?"

"Uhm!"

Đinh Tuyết Nhu liếc mắt nhìn Phương Hạo Vân một cái, lại nhìn bác sĩ Đỗ cười nói: "Từ ngày mai tôi sẽ phối hợp với sự trị liệu của ông, có điều tôi có điều muốn hỏi, sau khi trị liệu bằng hóa chất, tóc của tôi sẽ không mọc lại sao?"

"Chuyện này."

Bác sĩ Đỗ cẩn thận suy nghĩ rồi thản nhiên nói: "Về lí thuyết mà nói thì sau khi trị liệu bằng hóa chất đầu sẽ bị trọc, còn có thể xuất hiện thêm một số tác dụng phụ. nhưng mà theo kinh nghiệm lâm sàng mà nói, cũng không phải ai cũng bị trọc đầu, nói cách khác, cho dù có phải cạo đầu, tương lai khi bệnh tình khỏi hẳn, tóc sẽ lại mọc dài ra, cho nên tôi cảm thấy rằng, Đinh tiểu thư cô hoàn toàn không phải lo về điều này."

Phương Hạo Vân cũng ở một bên nói: "Tuyết Nhu, sức khỏe là quan trọng nhất."

"Được rồi.!"

Đinh Tuyết Nhu thản nhiên cười: "Nếu tôi cũng đã quyết định thì không còn gì phải sợ nữa, bác sĩ Đỗ ông chuẩn bị đi, ngày mai chúng ta sẽ bắt đầu trị liệu."

Vương Hà nghe Đinh Tuyết Nhu nói như vậy, trong lòng liền bình thường trở lại. Đồng thời, cô cũng chú ý tới một chi tiết, quan hệ của Phương Hạo Vân và Đinh Tuyết Nhu hình như có đột phá. Lúc trước, Phương Hạo Vân luôn xưng hô Đinh tiểu thư lạnh như băng, mà giờ lại gọi cô là Tuyết Nhu.

Có nội tình à?

"Chị Hà, em muốn ra ngoài với Hạo Vân một chút, chị cứ làm việc của chị đi, không cần quan tâm đến em đâu." Trong khoảng thời gian này Vương Hà luôn quan tâm đến Đinh Tuyết Nhu, cho nên đã nghỉ công tác vài ngày, Đinh Tuyết Nhu biết, trong lòng Vương Hà nhất định đang rất sốt ruột.

"Được rồi!"

Vương Hà đáp ứng rồi nói với Phương Hạo Vân: "Hạo Vân, Nhu Nhu nhờ cậu chăm sóc. không gạt cậu, tôi còn rất nhiều việc bận."

"Vâng!"

Phương Hạo Vân nghiêm túc gật gật đầu.

Nơi Đinh Tuyết Nhu ở là một khu kiến trúc kiểu hoa viên, bảy mươi phần trăm diện tích là thảm thực vật. Sau khi ra khỏi cửa khắp nơi đều là sắc xanh của thực vật. Từ cửa phòng cô đi về phía trước năm mươi thước là một quảng trường hoa viên, lúc này hoa tươi đua nở khắp nơi, Phương Hạo Vân hái một bông hoa từ trong bụi, đưa tay tặng Đinh Tuyết Nhu: "Tặng cô."

Đinh Tuyết Nhu hơi hơi sửng sốt, rồi nhận lấy bông hoa đó, nhắm mắt lại, nhẹ nhàng hít vào: "Thơm quá à. Hạo Vân, cám ơn anh tặng hoa cho tôi."

Phương Hạo Vân cười nói: "Cô không bảo tôi keo kiệt là tốt rồi, không ngờ cô lại còn cám ơn tôi."

Đinh Tuyết Nhu nghe thấy thế, trong mắt hiện lên một tia giảo hoạt, nói rất có thâm ý: "Hạo Vân, bông hoa này chính là món quà đầu tiên anh tặng tôi, tôi sẽ quý trọng nó."

Phương Hạo Vân gãi gãi đầu, trong mắt hiện lên một tia áy náy, nói: "Bông hoa này không tính là gì. về sau tôi sẽ tặng cô thứ gì đó quý giá hơn"

"Không."

Đinh Tuyết Nhu nhìn Phương Hạo Vân, nghiêm túc nói: "Bông hoa này là món quà đầu tiên anh tặng tôi, theo như tôi thấy thì là trân quý nhất."

Phương Hạo Vân cười hi hi nói: "Nếu không thì bây giờ tôi lại hái một bông nữa tặng cô."

Đinh Tuyết Nhu tức giận trắng mắt lườm hắn, khẽ sẵng giọng: "Anh thật sự keo kiệt như vậy sao?"

Phương Hạo Vân bất đắc dĩ cười cười: "Hết cách rồi. ai bảo tôi nghèo như vậy chứ. trong túi cũng chẳng dư dả tiền." Phương Hạo Vân nói cũng đúng, vì tập đoàn Đằng Phi, vì hạng mục kiến thiết thôn Lưu Thủy, hắn đã đầu tư hết tài sản của mình vào rồi.

Đinh Tuyết Nhu cũng biết về tập đoàn Đằng Phi, cô liếc mắt nhìn Phương Hạo Vân một cái rồi đột nhiên nói: "Hạo Vân, tôi đang có một chút tiền rảnh rỗi, nếu mà anh cần thì có thể lấy mà dùng."

"Thế không được tốt cho lắm." Tài chính của Phương Hạo Vân hiện giờ đúng là hơi phiền toái nhưng mà có sự giúp đỡ của dì Bạch, chắc sẽ không có vấn đề gì.

"Sao nào? Có phải chướng mắt với tiền tôi kiếm được không?" Đinh Tuyết Nhu thấy Phương Hạo Vân từ chối, sắc mặt lập tức liền trầm xuống, thở phì phì nói: "Tôi biết là anh khinh thường nghệ sĩ mà. Vậy từ nay về sau tôi không hát nữa là được chứ gì?"

Phương Hạo Vân vội vàng giải thích: "Tuyết Nhu, cô hiểu lầm tôi rồi. ý tứ của tôi là, tiền là do cô vất vả kiếm ra, tôi sao có thể tùy ý cầm dùng được. Nếu không thì tôi dùng vậy. nhưng mà mỗi tháng tôi sẽ trả cho tôi lợi tức nhất định, như vậy có được không?" Phương Hạo Vân cũng không muốn bởi vì một câu nói của mình mà làm ảnh hưởng đến tiền đồ của Đinh Tuyết Nhu. Nói thật làm một ngôi sao ca nhạc cũng không có gì là không tốt, nhất là lại nổi tiếng như Đinh Tuyết Nhu, có thể phấn đấu như vậy đúng là không tồi.

"Sao thế được. anh nghĩ là tôi cho anh vay nặng lãi à." Đinh Tuyết Nhu quẹt miệng, vẫn không vui.

Phương Hạo Vân hơi thoáng do dự, nói: "Tuyết Nhu, nếu không như vậy đi. nếu cô tin tôi, tôi có thể lấy tiền của cô đổ vào Đằng Phi, tôi sẽ tính cổ phần cho cô."

"Được!"

Đinh Tuyết Nhu không nói hai lời đáp ứng luôn.

"Mà, tôi có thể hỏi cô có bao nhiêu tài chính được không?"

Một trận gió nhẹ thổi tới, làm rối loạn mái tóc trên trán Đinh Tuyết Nhu, cô đưa tay nhẹ nhàng vén tóc, khẽ cười với Phương Hạo Vân: "Không nhiều lắm, hiện giờ sử dụng được cũng chỉ có khoảng mười mấy triệu."

"Nhiều thế á?"

Sớm biết ngôi sao có thể kiếm được tiền, nhưng mà Phương Hạo Vân cũng không ngờ rằng Đinh Tuyết Nhu lại có nhiều tiền rảnh rỗi như vậy.

Sau phút kinh ngạc, Phương Hạo Vân nói: "Tuyết Nhu, như vậy đi, tôi mượn ở chỗ cô ba triệu, không cần hơn đâu." Đùa à, nếu nhận tất cả tài chính của Đinh Tuyết Nhu mà đổi thành cổ phần công ty, làm không tốt có khi Đằng Phi lại thành của cô luôn.

"Vì sao?" Đinh Tuyết Nhu khó hiểu.

"Cái đó." Phương Hạo Vân cười khổ một tiếng, giải thích: "Tuyết Nhu, tôi cũng không gạt cô, công ty tôi hiện giờ vốn cũng chỉ không quá mười triệu. Nếu mà tôi nhận toàn bộ tài chính của cô, thì Đằng Phi này sẽ thành của cô rồi."

"Là của chúng ta." Đinh Tuyết Nhu nói một câu, sắc mặt liền đỏ lựng. Cô ngưng luôn đề tài này lại, vì trước khi chưa xác định được thân phận của Hạo Vân, cô cảm thấy rằng chủ động như vậy thì có hơi lỗ mãng.

Ngừng một chút, cô hỏi ngược lại: "Hạo Vân, sáu năm này, rốt cuộc là anh đã xảy ra chuyện gì. anh hiện giờ, cùng anh lúc trước."

"Thực xin lỗi, tôi không biết cô đang nói gì." Phương Hạo Vân chặn lời Đinh Tuyết Nhu: "Tuyết Nhu, tôi thực sự không biết cô đang nói gì. sáu năm trước, tôi và cô hình như còn chưa biết nhau"

Tuy rằng lúc trước Phương Hạo Vân cố ý lộ ra một ít tin tức, nhưng mà lúc này Đinh Tuyết Nhu muốn hỏi trực tiếp, Phương Hạo Vân không thể nhận được.

Đinh Tuyết Nhu nhẹ nhàng cúi đầu, sắc mặt có hơi ảm đạm: "Thực xin lỗi, tôi hơi nóng vội. Hạo Vân, tôi luôn cảm thấy rằng anh có cố sự, có bí mật. quên đi, không nói cái này nữa. tôi chỉ hi vọng rằng anh sẽ không ghét tôi là được."

Phương Hạo Vân thản nhiên cười cười: "Tuyết Nhu, hiện tại nói cái đó là hơi sớm, chúng ta nói chuyện bệnh tình của cô đi. tôi đề nghị cô cấy ghép tủy sống, nếu làm vậy có thể giảm đi rất nhiều phiền toái."

"Chị Hà cũng đã liên hệ với kho tủy trên toàn thế giới, có điều cho tới lúc này vẫn chưa có tin tức gì." Đinh Tuyết Nhu tự giễu cười cười: "Tôi cả đời gập ghềnh, tới bây giờ cũng không được thuận lợi. kỳ thực cũng không có việc gì, nếu trước khi chết tôi có thể được gặp anh ấy, thì cả đời này tôi sống cũng không uổng."

Ngừng một chút, Đinh Tuyết Nhu đột nhiên mở to hai mắt hỏi: "Hạo Vân, anh bảo người ta chết đi có biến thành quỷ không?"

"Có thể có, có thể không." Phương Hạo Vân nói: "Tôi nghĩ rằng con người khi còn sống thì không thể biết những điều đó được."

"Tôi hy vọng tương lai tôi chết, có thể biến thành quỷ." Con ngươi của Đinh Tuyết Nhu lóe ra tinh quang: "Tôi sống là người của anh ấy, chết là quỷ của anh ấy, cho dù là thành quỷ tôi cũng sẽ theo anh ấy cả đời."

Phương Hạo Vân hơi sửng sốt rồi bật cười: "Tình yêu của cô thực là đặc biệt, có điều tôi nghĩ Hạo Vân của cô hẳn là sẽ không hy vọng cô biến thành quỷ cuốn lấy anh ta, anh ta hy vọng cô sẽ khỏe mạnh để làm bạn bên anh ta đó."

"Thật à?"

Đinh Tuyết Nhu có hơi kích động: "Nói tôi biết đi, là thật?"

"Là thật đó." Phương Hạo Vân nhìn cô nói nghiêm túc: "Tuyết Nhu, hay là cô thử liên hệ với Đinh gia đi, bọn họ là người thân của cô. nếu bọn họ chịu hiến tủy, thì xác suất thành công sẽ cao hơn đó."

Đinh Tuyết Nhu nhìn hắn một cái rồi buồn bã nói: "Tôi đã đoạn tuyệt quan hệ với Đinh gia rồi. Cho dù bây giờ tôi có liên hệ với bọn họ thì bọn họ cũng sẽ thấy chết mà không cứu mà thôi. Hạo Vân, người Đinh gia như thế nào trong lòng tôi rõ ràng nhất."

"Hạo Vân, anh bảo nếu tôi chết, anh ấy có nhớ tôi không?" Đinh Tuyết Nhu hỏi.

"Đừng nói bừa. cô sẽ không sao đâu." Phương Hạo Vân khẽ quát một tiếng, ngăn cô ăn nói linh tinh, sau đó hắn suy nghĩ một chút rồi nói: "Tuyết Nhu, trong khoảng thời gian này tôi có vài việc trọng yếu có lẽ phải rời khỏi Hoa Hải vài ngày. chờ tôi trở lại nếu cô vẫn chưa tìm được tủy thích hợp, tôi sẽ tới tìm Đinh gia, để em trai và cha cô đi thử. hãy tin tôi, tôi sẽ không để cho cô có việc gì đâu."

Đinh Tuyết Nhu nhìn hắn thật sâu, há miệng muốn nói gì đó, nhưng rồi lại thôi, trong con ngươi, một vài giọt nước mắt chảy xuống gò má.

"Cám ơn!"

Phương Hạo Vân theo bản năng trả lời: "Không cần cảm tạ, đây là việc tôi phải làm."

"Hạo Vân, anh." Nước mắt của Đinh Tuyết Nhu lập tức biến mất không thấy, thay vào đó là một tia kinh hỉ. Phương Hạo Vân nói như vậy, dường như đã rõ ràng một vài vấn đề.

Phương Hạo Vân cố ý lảng tránh, hắn nói với Đinh Tuyết Nhu: "Tuyết Nhu, sáng mai tôi phải xuất phát. hiện giờ thời gian không còn sớm, như vậy đi, tôi đưa cô trở về phòng. nhiều nhất là trong vòng một tuần, tôi sẽ trở về, đến lúc đó tôi sẽ đến thăm cô ngay."

"Được rồi!"

Có thể có kết cục như vậy, đối với Đinh Tuyết Nhu mà nói cũng xem như không tồi. Tới lúc này, cô đã tám phần nắm chắc về thân phận của Phương Hạo Vân.

Có thể nói rằng, hắn chính là anh ấy.

Chính là không biết anh ấy còn đang oán hận mình, hay là có ẩn tình gì khác, cho nên vẫn không chịu thừa nhận.

Bác sĩ Đỗ và y tá đều ở đây, Phương Hạo Vân giao Đinh Tuyết Nhu cho bọn họ rồi rời đi.

Ngay khi hắn vừa ra cửa, Đinh Tuyết Nhu đột nhiên đuổi theo: "Hạo Vân, anh thật sự phải sinh con với Trương Mỹ Kỳ sao?"

Phương Hạo Vân nghe thấy thế, trong lòng hơi hơi chấn động, hắn chậm rãi quay đầu lại, nghiêm túc nói: "Là thật."

"Vì sao, vì sao lại như vậy?" Đinh Tuyết Nhu lại rơi lệ đầy mặt.

"Sáu năm thời gian, đủ để thay đổi hết thảy. Bảo trọng. còn sống mới còn hi vọng." Lưu lại những lời này, Phương Hạo Vân liền bước ra cửa.

Đinh Tuyết Nhu khóc không ra tiếng. có điều cô oán trời oán đất, oán chính mình, lại không thể oán hận Phương Hạo Vân. Dù sao, năm đó là cô làm hắn thương tổn, tuy rằng cô là do bất đắc dĩ, tuy rằng cô không cố tình, nhưng mà tổn thương là chân thật.

Đi trên đường cái, lòng Phương Hạo Vân loạn, rất loạn.

Hắn không muốn về nhà, chỉ muốn bước đi trên đường cái. cho tới khi tâm tình bình tĩnh.

Chút bất tri bất giác, hắn liền đi tới chỗ dì Bạch. có lẽ ở sâu trong nội tâm của hắn, nơi này là bến cảng cho hắn tránh bão.

473. Chương 89: Hành Động Trong Rừng

"Hạo Vân, lòng con rối loạn." Dì Bạch chỉ cần liếc mắt một cái là có thể nhận ra trạng thái của Hạo Vân.

Phương Hạo Vân gật gật đầu thản nhiên nói: "Dì, lòng con thực rất loạn. con không biết nên làm gì bây giờ."

"Là bởi vì Đinh Tuyết Nhu?" Dì Bạch mở miệng ra là nói ngay trọng điểm.

Phương Hạo Vân hơi sửng sốt: "Sao dì lại biết. đúng rồi, cô ấy bị máu trắng, dì biết chưa? Dì, con biết y thuật của dì cao siêu, dì có thể chữa được không?"

"Không được!"

Dì Bạch đi tới, nắm tay Hạo Vân dẫn hắn ngồi lên sô pha, chậm rãi nói: "Tình huống của Đinh Tuyết Nhu dì biết trước con một ngày, lúc Vương Hà tìm con khắp nơi thì con đang ở Tây Hải. Mấy ngày nay dì đã cẩn thận nghiên cứu rồi, nếu dùng Đông y thì không thể chữa trị hoàn toàn bệnh máu trắng được. Kỳ thật trị liệu hóa chất của Tây y cũng chỉ làm giảm bớt thống khổ của bệnh nhân mà thôi, nếu muốn giải quyết triệt để thì phải cấy ghép tủy sống. Hạo Vân, dì hỏi con, con có định tha thứ cho cô ấy không?"

"Con không biết!"

Đó là nguyên nhân khiến cho lòng Hạo Vân rất loạn.

Cho dù nói thế nào, Đinh Tuyết Nhu cũng đã cải biến cuộc sống của hắn. Tình yêu năm đó là khắc cốt ghi tâm, cho nên, mối hận đó cũng là khắc cốt ghi tâm.

"Đó là nguyên nhân khiến con rối loạn à?" Dì Bạch chậm rãi nói: "Hạo Vân, tuy rằng ngoài miệng con không thừa hận, nhưng mà theo ý dì, con đã tha thứ cho cô ấy rồi, nếu không thì lòng con cũng sẽ không loạn đâu."

"Như vậy đi, sau khi con cứu được Thanh Thanh trở về thì đi nước Anh một chuyến đi, con tiếp xúc với Đinh gia. nghĩ biện pháp để cho cha con họ Đinh đi thử tủy. Dì đã tra rồi, trong phạm vi toàn thế giới không có tủy phù hợp với Tuyết Nhu đâu." Dì Bạch chậm rãi nói.

"Đúng rồi dì Bạch, ở đây con có một phương thuốc, dì xem xem có dùng được không?" Phương Hạo Vân lấy ra phương thuốc của bác sĩ Đỗ.

Dì Bạch chỉ nhìn lướt qua đã xé luôn phương thuốc đó đi: "Hoang đường. thứ thuốc hổ lang này sao có thể để Tuyết Nhu dùng. lang băm à."

Phương Hạo Vân thấy thế không khỏi âm thầm kêu may, nếu không phải dì Bạch là thánh thủ Trung y thì đề nghị của bác sĩ Đỗ có thể đã hại chết Tuyết Nhu rồi.

"Hạo Vân, chuyện này thế đã. Gần đây dì nghiên cứu được một phương thuốc có thể giảm đi tác dụng phụ của hóa chất. Ngoài ra thì dì cũng hết cách." Dì Bạch lấy ra một phương thuốc trên mặt bàn.

Phương Hạo Vân nghe thấy thế, trong lòng mừng rỡ: "Dì, thế thì tốt quá. Nếu Tuyết Nhu biết được thì không biết sẽ vui đến mức nào nữa. Cô ấy không chịu trị liệu là vì sợ rằng mình sẽ bị trọc đầu."

"Chuyện đó dì biết, cho nên mới nghiên cứu phương thuốc này. Hạo Vân, có phải con đã ngầm thừa nhận thân phận của mình?" Dì Bạch trầm giọng hỏi.

"Tuy rằng không nói rõ, nhưng mà cũng đã tám chín phần mười." Phương Hạo Vân thở dài một tiếng: "Cũng không còn cách nào, ai bảo cô ta cố chấp như vậy."

"Thôi, không nói nữa. Dì, con muốn đi luôn tối nay." Phương Hạo Vân cười khổ một tiếng: "Lòng con không bình tĩnh nổi, con muốn tới rừng cây sớm một chút, có thể ở trong thiên nhiên tâm tình của con sẽ tốt lên."

"Không cần gấp như vậy, sáng mai đi. Giờ con về nghỉ ngơi đi, sáng mai xuất phát, chiều là con có thể vào rừng rồi. Thời gian không còn sớm, con về đi. lòng của con loạn, không ai có thể giúp con, chỉ có thể dựa vào chính con thôi." Dì Bạch có ý muốn đuổi khách.

Phương Hạo Vân cũng không kiên trì, nói tạm biệt rồi bước đi.

Lúc ra khỏi cửa, hắn nghe thấy dì Bạch nói: "Hạo Vân, kỳ thực con cũng đã tha thứ cho Tuyết Nhu. không nên tự lừa mình dối người."

Phương Hạo Vân hơi sửng sốt, không nói gì nữa mà bước đi.

Sau khi về khu Lam Tâm Hoa Viên, Trương Mỹ Kỳ không thấy, chỉ thấy Kỳ đang ngồi xem TV một mình, mặc một bộ áo ngủ màu trắng, lộ ra hai chân trắng mịn, rất là đáng yêu.

"Hạo Vân anh về rồi, anh ăn cơm chưa. Nếu chưa ăn thì để em làm cho anh." Tối Trương Mỹ Kỳ còn tăng ca ở tập đoàn Thịnh Hâm, Hạo Vân cũng không về nên Bạch Lăng Kỳ định không nấu cơm, chỉ ăn linh tinh là được.

"Chưa ăn, có điều anh không đói." Nhìn thấy Kỳ đáng yêu, tâm tình của Phương Hạo Vân dễ chịu hơn, buồn bực phía trước như được quét bay.

"Vì sao lại không đói?" Bạch Lăng Kỳ ngốc nghếch hỏi.

"Ngắm người đẹp thay cơm!"

Phương Hạo Vân cười hì hì nhìn Bạch Lăng Kỳ, ám muội nói: "Kỳ, anh muốn ăn em."

"Đáng ghét!" Bạch Lăng Kỳ khẽ gắt một tiếng, có điều cô lại chủ rộng rúc vào lòng của người yêu, một đôi bàn tay như phấn như ngọc nhẹ nhàng ôm lấy cổ hắn, làm nũng: "Mai phải đi sao?"

"Ừm, mai phải đi." Phương Hạo Vân nâng hai má Kỳ, dịu dàng nói: "Đừng lo lắng, trong vòng một tuần anh sẽ về."

"Kỳ, mùa xuân ngắn lắm, chúng ta đi nghỉ ngơi đi." Nói xong, Phương Hạo Vân liền hôn vào cổ cô gái, chỉ nghe chụt một cái, ở trên cái cổ trắng ngần của cô gái đã xuất hiện vài vết hôn đỏ tươi.

Bạch Lăng Kỳ dường như ý thức được gì đó, vội vàng lấy gương ra cẩn thận nhìn nhìn, ở cổ đã có ba vết hôn cỡ như móng tay.

"Hạo Vân, anh đáng ghét quá" Bạch Lăng Kỳ lại ôm lấy Hạo Vân, quẹt miệng hầm hừ: "Anh làm em như vậy rồi, làm sao em gặp người khác được."

"Ha ha!"

Phương Hạo Vân cười dâm đãng, sau khi ôm chặt cô gái, một tay vói vào trong áo ngủ của cô xoa nắn ngọn núi, Bạch Lăng Kỳ gắt giọng: "Chỉ biết bắt nạt em."

"Sáng mai anh phải đi, chẳng nhẽ em không muốn mình vỗ về nhau một chút?" Miệng nói xong, đôi bàn tay của Phương Hạo Vân đã bóp nhẹ mấy cái vào bờ mông của cô gái, mịn màng mềm mại thật thoải mái.

Phương Hạo Vân rốt cục cũng được nếm thử cảnh 'một rồng hai phượng' chờ mong bấy lâu, cùng chơi đùa với Trương Mỹ Kỳ và Bạch Lăng Kỳ. Hai cô nàng gần như là thay nhau lên trời, dù vậy Hạo Vân vẫn mạnh mẽ kiên trì tới phút cuối, khiến cho hai cô kêu lên không ngớt.

Sau khi xong việc, Mỹ Kỳ không hề dùng biện pháp tránh thai nào. cô hy vọng có thể mang thai.

Dựa theo ý của Hạo Vân thì lúc về mới thực hiện. có điều kế hoạch không cản nổi biến hóa, một đêm điên cuồng chị Mỹ Kỳ đã động tình tới cực điểm, khả năng thụ thai là rất lớn nên Hạo Vân cũng không ngăn cản.

Đối với việc này Bạch Lăng Kỳ hình như có hơi hâm mộ, có điều cô cũng biết mình còn nhỏ, còn nhiều thời gian, tương lai thiếu gì thời gian, thiếu gì cơ hội.

Sáng sớm rời giường, Phương Hạo Vân trái ôm phải ấp, hai thiếu nữ xinh đẹp bất đồng phong cách quấn chặt lấy hắn, nếu không phải đã tới giờ, nói không chừng còn phải làm thêm một lần.

"Chị Mỹ Kỳ, Kỳ, hai người không cần xuống giường. Tối hôm qua mệt vậy, giờ chắc vẫn mệt, tối hẵng đi làm." Dặn dò một tiếng, Phương Hạo Vân liền xoay người rời đi.

Phỏng chừng Phương Hạo Vân đã ra khỏi cửa, Bạch Lăng Kỳ kéo chăn quây lấy thân mình, bước tới cửa sổ ngóng đầu ra, yên lặng chăm chú nhìn theo bóng dáng của người đàn ông mình yêu.

Mặt trên cũng vì nguyên nhân này cho nên mới cho những đội viên tập huấn tham dự tiêu diệt. Nói thật, đối với những thành viên đoàn ngựa thồ, cảnh sát vũ trang bình thường thật không phải là đối thủ.

Đương nhiên, nếu phái binh số lượng lớn tới thì đoàn ngựa thồ này cũng không phải là không thể tiêu diệt. Có điều tuyến đường mà đoàn này đi đều ở những tuyến biên cảnh đang tranh cãi chưa xác định, nếu phái binh quy mô lớn tới tiễu trừ có thể dẫn tới không ít phiền toái.

Tóm lại là, phái một đội ngũ quy mô nhỏ những đội viên tập huấn tới tiêu diệt đoàn ngựa thồ có những phần tử vũ trang này là thích hợp nhất.

Trên trang phục có trang bị ống nhòm mini, Trần Thanh Thanh có thể nhìn thấy đội ngũ ngựa thồ. Đường như con ngựa nào cũng đang thở hổn hển, xem ra bọn họ đã đi được một lúc lâu rồi.

Ở bên cạnh những con ngựa là mười mấy nhân viên vũ trang cảnh giác nhìn bốn phía, theo động tác của bọn họ mà xem, hiển nhiên đều là những phần tử vũ trang đã từng được huấn luyện chuyên nghiệp.

Sức chiến đấu của đám người này tuyệt đối không thấp hơn bộ đội đặc chủng.

"Mọi người không nên hoảng, cũng không nên cử động. chờ mệnh lệnh của tôi." Trong bộ đàm lại truyền tới tiếng của Hà Trác Tiếu, hắn lo rằng sẽ có người thiếu kiên nhẫn.

Thời gian trôi qua từng phút từng giây, đoàn ngựa thồ cũng càng ngày càng gần, lúc này hơn hai mươi con ngựa cao to đã hiện ra trong phạm vi của các đội viên.

Chỉ cần Hà Trác Tiếu ra lệnh một tiếng, nhóm người này sẽ tuyệt đối không còn đường sống, bởi vì tổng cộng có mười mấy nhân viên vũ trang thì người nào cũng đã bị các đội viên ngắm bắn, chỉ cần nhẹ bóp cò súng là chắc chắn sẽ vỡ đầu (head - shot, haha)

"Hà đội trưởng, không hợp lý. theo tình báo thì bọn nó phải xuất động toàn bộ chứ, tới trăm người. sao lúc này chỉ có mười mấy người?" Mã Long thấp giọng nói với Hà Trác Tiếu qua điện đàm.

Hà Trác Tiếu giờ phút này cũng có chút nghi hoặc, đoàn ngựa thồ phía trước rõ ràng không phù hợp với tình báo. chênh lệch về số lượng là rất lớn.

Trong lòng Trần Thanh Thanh cũng đang tính toán, hay là nhóm mình đã bị bại lộ, đoàn ngựa thồ này là cử ra để hấp dẫn lực chú ý của mình. sau đó tiến hành động tác khác.

"Mã đội trưởng, theo anh thấy thế là thế nào?" Tình huống này Hà Trác Tiếu cũng không chắc lắm.

"Đội trưởng, đoàn ngựa thồ này có vấn đề." Trong lòng Trần Thanh Thanh dâng lên một cỗ cảm giác không tốt, cô cảm giác thấy một cỗ sát khí cường đại đang âm thầm tới gần.

Bỗng nhiên dâng lên cảm giác nguy hiểm, khiến cho trong lòng Trần Thanh Thanh cảm thấy bối rối, nhưng mà lúc này cô cũng không làm sao mà xác định được cảm giác nguy hiểm này là từ đâu mà tới.

Hà Trác Tiếu nghe được lời nhắc nhở của Trần Thanh Thanh, vội vàng hỏi: "Thanh Thanh, cô phát hiện ra điều gì?"

"Đội trưởng, tôi cảm giác thấy nguy cơ cường đại, nhưng mà tôi vẫn chưa hiểu rõ là chuyện gì. tôi thỉnh cầu đội trưởng, tạm thời chưa truyền mệnh lệnh công kích, cứ xem rồi hẵng tính." Trần Thanh Thanh vừa trả lời, vừa cẩn thận cảm ứng xung quanh, hy vọng có thể bắt được ngọn nguồn của mối nguy, đáng tiếc là cảnh giới của cô còn chưa đủ.

"Thanh Thanh, cô không định nói với tôi rằng đây là trực giác của phụ nữ đó chứ?" Hà Trác Tiếu trầm giọng nói: "Thanh Thanh, chuyện hôm nay không phải là trò đùa, nếu trong vòng năm phút mà tôi không ra mệnh lệnh công kích thì chúng ta sẽ bỏ qua thời cơ tốt nhất, đến lúc đó ai sẽ chịu trách nhiệm?"

"Hà đội trưởng, tình huống trước mắt hoàn toàn không tương xứng với tình báo, anh không thấy kì quái sao?" Trần Thanh Thanh có thể cảm giác được rõ ràng, nguy cơ ở trong lòng càng lúc càng mãnh liệt.

"Mặc kệ nói như thế nào, trong lòng năm phút đồng hồ tôi cũng phải quyết định. Thanh Thanh, cô ở vị trí ngắm bắn, mong cô làm tốt bổn phận của mình, không cần nói chuyện, cô làm như vậy sẽ quấy nhiễu phán

đoán của tôi." Hà Trác Tiếu dặn dò một tiếng, liền ngắt điện đàm rồi tiếp tục nghiên cứu phương án với Mã Long.

Ba phút sau Mã Long cùng Hà Trác Tiếu cũng đã đạt thành quyết định nhất trí, lại quan sát thêm một phút nữa, sau đó sẽ quyết định công kích hay không.

"Chết tiệt. nếu cảnh giới của ta có thể cao hơn một chút thì có thể sẽ phát hiện ra ngọn nguồn nguy hiểm." Trần Thanh Thanh âm thầm hối hận, cô biết, nếu cô không tìm ra được ngọn nguồn nguy hiểm đó, thì sẽ không thể khuyên đội trưởng thôi công kích.

Nếu mà công kích thì nhất định sẽ làm bại lộ vị trí của các đội viên, nếu đây mà là một âm mưu thì vấn đề sẽ là rất lớn. Tố chất quân sự của đối phương là cực cao, hơn nữa lại chiếm ưu thế về số lượng, dưới tình huống như vậy thì bọn họ sẽ cửu tử nhất sinh mất.

Trần Thanh Thanh càng nóng vội lại càng không cảm ứng ra được gì, chỉ nửa phút sau cả người cô đã toát mồ hôi ướt đẫm.

Trần Thanh Thanh cũng không phải là sợ chết, mà là trong lòng cô sợ rằng các đồng đội có thể xảy ra chuyện.

475. Chương 2: Rừng Cây Đẫm Máu

"Bùm.!"

Một tiếng súng vang lên, tên đầu lĩnh đã bị Mã Long bắn vỡ đầu. Nhất thời tiếng súng vang lên liên tiếp, mười mấy phần tử vũ trang đều bị dọn dẹp sạch sẽ, không còn ai sống.

Khiến cho Trần Thanh Thanh ngoài ý muốn là, sau khi những phần tử này bị chết thì xung quanh cũng không có xuất hiện dị trạng gì.

"Hay là mình ảo giác thôi?"

Trần Thanh Thanh hơi nghi hoặc, cảm giác nguy hiểm vẫn còn tồn tại, nhưng lại chẳng thấy có gì xảy ra, thắng lợi như vậy có phải là đơn giản quá không?

Mã Long cùng Hà Trác Tiếu cũng nhìn nhau, bọn họ cũng không nghĩ rằng nhiệm vụ nguy hiểm này lại dễ dàng đến vậy.

Tuy rằng cũng có hoài nghi, nhưng mà sự thật ở đó, ai làm gì khác được.

Sau chút kinh ngạc, Hà Trác Tiếu lệnh cho đội viên tới chặn đàn ngựa lại, phải thu hồi lại những dược phẩm

"Bùm bùm!"

John tiếp tục nổ súng, ý đồ đúng như Trần Thanh Thanh nghĩ, cây trong rừng tuy rằng cứng rắn, nhưng mà cũng không chịu nổi đạn xuyên thép.

"Không ổn!"

Trần Thanh Thanh tâm sinh cảnh giác vội lăn tại chỗ, một viên đạn xuyên qua cây sượt qua tay cô, nếu cô chậm hơn một chút thì tay phải đã tàn phế rồi.

"Nguy hiểm thật" Trần Thanh Thanh hít vào một hơi cố bình tĩnh lại, cố tìm đối sách.

"Bùm bùm!"

Ngay lúc cô đang nghĩ Masi cùng John lại nổ súng, tiếp tục bắn vào cái lỗ thủng đó. Trần Thanh Thanh không kịp nghĩ vội xoay người tránh. Có điều lại rời khỏi tầm chắn của cây đại thụ.

Hon đảm nhiệm quan sát lúc này nổ súng, bắn vào đùi Trần Thanh Thanh. Trần Thanh Thanh chỉ đề phòng súng ngắm, không nghĩ còn có cả bắn lén. Cảm giác nguy hiểm tới gần, cô vội tránh né, nhưng mà vẫn hơi chậm, trên đùi đã dính đạn.

"Trúng rồi!"

Hon kinh hỉ kêu lên.

Trần Thanh Thanh nhịn đau giơ súng bắn, nổ đầu Hon luôn.

"Đồ ngu"

William âm thầm lắc đầu, thằng Hon đúng là đáng chết. đã nói là con này không dễ chọc mà nó vẫn khinh địch.

Sac cùng Hon ngày thường quan hệ giao hảo nhất, thấy huynh đệ tốt của mình bị bắn chết lập tức hét lên, cầm súng bắn phá. Dưới cơn thịnh nộ độ chuẩn xác cực kém, còn không bắn tới được vị trí xung quanh Trần Thanh Thanh.

Trần Thanh Thanh âm thầm cười lạnh một tiếng, lại giơ súng lên, vẫn nổ đầu (double head - shot, có bonus)

Masi và John luống cuống vội vàng xin chỉ thị William, có nên xử lí con đàn bà này không, nếu cứ để vậy thì bọn họ cũng sẽ sớm xong đời thôi.

William rất nhanh đã trả lời, phải để nó sống.

Kiếp sống trường kỳ chiến đấu đã khiến cho William có hơi biến thái, lúc này hắn đã quên đi mục đích của mình mà chỉ muốn đùa bỡn con đàn bà này thôi.

John cùng Masi khó chịu vô cùng, có điều lại không dám cãi lệnh, William trị quân rất nghiêm, chỉ để chỉnh đốn quân kỉ mà đã có vài huynh đệ chết dưới tay hắn.

Trần Thanh Thanh hẳn là phải thấy may mắn, nếu không phải William tâm lý lệch lạc thì cô lúc này sợ rằng đã hương tiêu ngọc vẫn.

Đương nhiên nguy cơ của cô vẫn chưa hết, đối phương còn ba người mà đùi cô lại trúng đạn, hành động không thuận tiện. Cũng may cô đã tự mình cầm máu, nếu không có thể chết vì mất máu. Có điều đầu đạn vẫn ở trong đùi, nếu không lấy ra sẽ nguy hiểm.

"Con ả thối tha, mau chóng đầu hàng sẽ không bị giết, nếu không tao sẽ tiễn mày về tiễn ngươi về Tây thiên." Masi tức giận quát lớn hy vọng có thể tạo được tác dụng đe doạ.

Trần Thanh Thanh âm thầm cười lạnh, không đáp lời mà chỉ chuẩn bị bắn, bắn được kẻ nào hay kẻ đó, cho dù hôm nay có chết cũng phải kéo theo vài cái đệm lưng.

478. Chương 5: Hạo Vân, Kiếp Sau Gặp Lại

Nghe John nói như vậy Masi liền luống cuống, nếu ả đó tự sát thì lão đại William sẽ trách tội bọn họ, lúc đó khẳng định sẽ bị trừng phạt.

"Tốt, theo lời mày nói đi." Masi đồng ý với đề nghị của John.

Tâm tư của hai người đương nhiên William biết, hắn vội vàng hạ mệnh lệnh: "Chú ý, con ả đó tuy đã trúng đạn nhưng bọn mày vẫn không được khinh thường, nhất định phải cẩn thận. đừng uổng mạng vô ích."

Sau khi được William nhắc nhở, hai người cẩn thận ẩn náu tiến tới gần chỗ Trần Thanh Thanh. Trần Thanh Thanh dường như cũng cảm thấy nguy hiểm, hai tay nắm chặt báng súng, sẵn sàng bắn.

Có điều lúc này cô hành động không tiện, thân thủ không còn linh hoạt như trước, đối phương có hai người, nếu cô không giải quyết được chúng thì sẽ lâm vào nguy hiểm.

Tiếng bước chân của Masi, John tuy rằng nhẹ nhưng không gạt được Trần Thanh Thanh, thính lực của cô tốt, cho nên cô có thể phán đoán ra vị trí của chúng. Theo tiếng bước chân tới gần, tim Trần Thanh Thanh dần dần đập nhanh hơn. Không hiểu vì sao, cô đột nhiên lại nhớ tới Hạo Vân, nhớ tới chàng trai mà mình thề phải vượt qua.

"Không biết lúc này cậu ta thế nào?"

Trần Thanh Thanh thấy cay cay, trong lòng quặn đau: "Có lẽ đời này sẽ không còn được gặp cậu ấy nữa."

Ngay khi cô đang phân tâm, Masi cùng John đã cách cô không tới mười thước, tiếng chân dẫm lá cây có thể nghe thấy được. Trần Thanh Thanh trong lòng căng thẳng, không hề do dự lăn tại chỗ rồi nhắm vào đầu Masi, chết ngay lập tức.

"Chết tiệt!"

John giận quát một tiếng, giơ súng bắn. Lúc này hắn đã quên mệnh lệnh của lão đại, cái chết của đồng bọn làm hắn mất đi lí trí rồi. Lúc John giơ súng lên cũng là lúc Trần Thanh Thanh bắn chết Masi, với thân thủ lúc này của Trần Thanh Thanh cô không thể nào có thể tránh được.

"Bùm!" một tiếng, viên đạn của John lại trượt, bắn vào thân cây.

Trần Thanh Thanh vẫn còn kinh hãi, có điều cô không bỏ qua cơ hội như vậy, bắn thẳng vào đầu hắn. Cho tới khi John ngã xuống đất tử vong, Trần Thanh Thanh vẫn chưa hiểu nổi, một tinh binh như vậy mà bắn trong khoảng cách gần lại trượt là sao.

Tuy rằng không lý giải nổi nhưng sự thực là như vậy.

"Không ổn, còn William.!" Sau phút kinh ngạc, Trần Thanh Thanh đột nhiên ý thức được nguy cơ của mình còn chưa hết, William đại địch của mình, chính là kẻ thù của San San, còn chưa xuất hiện.

Trần Thanh Thanh có thể kết luận William đang náu ở nơi nào đó gần đây.

Nghĩ đến đây cô vội vàng lui lại thân cây, hy vọng có thể nhờ thân cây che chắn. Nhưng khi cô lui vào mới phát hiện ra mình hết đạn. Ngẩng đầu nhìn khẩu súng của Masi và John cách đó không xa, Trần Thanh Thanh rất muốn lao tới đó lấy một cây, nhưng đúng lúc này William xuất hiện. Hắn chậm rãi hướng về chỗ Trần Thanh Thanh.

"Đứng lại. mày mà tiến lên tao sẽ nổ súng!" Trần Thanh Thanh phô trương thanh thế giơ súng nhắm vào mi tâm William.

"Ha ha!"

William cười lạnh một tiếng, nói tiếng Trung Quốc: "Tiểu thư mỹ lệ, bỏ khẩu súng vô dụng của em đi. bởi vì anh biết, súng của em đã hết đạn rồi."

Nói xong, William tiếp tục đi tới, trên mặt tràn đầy nét cười dâm.

Trần Thanh Thanh dường như ý thức được cái gì, trong lòng rối loạn: "Nếu mày không sợ chết. tao nổ súng."

"Được rồi, nếu em còn đạn thì đã sớm nổ súng, còn nói nhiều với anh làm gì. anh cũng không gạt em, anh vẫn luôn nghe tiếng súng của em, anh đã đoán rằng đó là phát súng cuối cùng của em. tiểu thư xinh đẹp, em không nên căm thù anh như vậy, anh hẳn là nên cảm tạ anh. ngẫm lại vì sao John lại bắn trượt đi. đó là vì anh. là anh dùng ám tiễn làm hắn bị thương ở tay, nếu không em đã chết rồi." William đứng lại ở cách Trần Thanh Thanh nắm thước.

Hắn đánh giá cẩn thận Trần Thanh Thanh, con ả Trung Quốc này tuy không phù hợp quan điểm thẩm mỹ của hắn, có điều vẻ cuồng dã của ả làm hắn thích thú không thôi. Hắn đã quyết định phải làm ả một hồi, chà đạp một phen. giết chết nhiều thủ hạ của mình như vậy, ả phải bị trừng phạt.

"Tiểu thư xinh đẹp. anh cho em 1 cơ hội. nếu em đánh thắng anh thì em sẽ được tự do. Ngược lại, nếu em không thắng anh, thì em sẽ phải trả giá. làm nô lệ của anh. Masi, John, Hon, Sac đều muốn 'làm' em. đáng tiếc bọn họ đã chết, anh sẽ thay bọn họ chơi với em vậy. lấy dao ra đi, đánh với anh." William từng bước ép sát lại.

Trần Thanh Thanh cũng không do dự, ném khẩu súng lấy con dao ra, đứng dậy hung tợn nhìn William.

"Ha ha, không tệ, lúc này còn có thể đứng lên." William rất có hứng thú nhìn Trần Thanh Thanh.

"Đê tiện!"

Đây là một trận chiến không công bằng.

"Trên chiến trường không có đê tiện, chỉ có thắng lợi và thất bại. Con kia, mày nghĩ lại xem, mày giết nhiều người của tao như vậy, mà tao lại không giết mày, lại còn cho mày cơ hội, tao có nhân từ hay không." William cười hí hí: "Xuất ra bổn sự của mình đi, nếu không tao sẽ thất vọng đó."

"Yên tâm đi, tao nhất định sẽ giết mày." Trần Thanh Thanh nghiến răng nghiến lợi nói.

Phương Hạo Vân dưới sự dẫn đường của Bạch Quý đã tới được nơi Trần Thanh Thanh chấp hành nhiệm vụ. Có điều đây là vùng còn đang tranh chấp địa phận cho nên không có đường đi, 20km đường núi phải đi bộ. Căn cứ theo tin tức, Trần Thanh Thanh bọn họ lúc này đang bắn nhau với bọn khủng bố, Phương Hạo Vân lòng nóng như lửa đốt, hận không thể mọc cánh mà bay tới đó.

"Thiếu chủ nhân đừng lo, thời gian còn kịp, với tốc độ của chúng ta, khoảng cách này chỉ khoảng hơn hai giờ là tới thôi." Bạch Quý là huynh đệ của Bạch Phúc, là một trong tứ đại tướng của dì Bạch, võ công của hắn là do dì Bạch truyền, vô cùng lợi hại. Hiện giờ hắn phụ trách tình báo ở Hoa Hải, địa điểm tập huấn của Trần Thanh Thanh là do thủ hạ của hắn điều tra ra. Đương nhiên, đây là do dì Bạch đã sớm chuẩn bị, người của gia tộc thủ hộ đã sớm tiến vào quân đội, còn đảm nhiệm chức vụ cao, nội ứng ngoại hợp mới lấy được tình báo chuẩn xác.

"Chúng ta đi, anh đi trước dẫn đường." Phương Hạo Vân không muốn chậm trễ thời gian, bắt đầu chạy.

Đại khái là khoảng nửa giờ, Phương Hạo Vân cùng Bạch Quý nghe được tiếng súng, dọc đường đi còn nhìn thấy nhiều tử thi, trong đó có cả quân nhân Trung Quốc. Sắc mặt Phương Hạo Vân càng thêm âm trầm.

Bạch Quý lên tiếng an ủi: "Thiếu chủ nhân, không việc gì, chúng ta nhanh tới đó đi."

Phương Hạo Vân đáp ứng, chạy tới nơi phát ra tiếng súng dày đặc. Lúc này đội viên tập huấn của Hà Trác Tiếu đang chiến đấu kịch liệt với bọn khủng bố.

"Thanh Thanh!"

Phương Hạo Vân hét lên, hi vọng Trần Thanh Thanh có thể nghe thấy tiếng của mình. Trần Thanh Thanh không ở nơi đây, cô đương nhiên không nghe thấy, có điều Hà Trác Tiếu lại nghe được. Hắn quay lại, chỉ thấy từ trong rừng xuất hiện hai người đàn ông xa lạ.

Phương Hạo Vân dường như cũng chú ý tới Hà Trác Tiếu đang đánh giá mình, nhìn quân hàm của Hà Trác Tiếu, Phương Hạo Vân cước bộ hơi trượt, nháy mắt đã tới bên người Hà Trác Tiếu: "Hà đội trưởng à. xin hỏi Trần Thanh Thanh ở đâu?"

"Anh là ai?" Hà Trác Tiếu sợ ngây người, cùng bộ pháp này, đã từng xem Trần Thanh Thanh rồi, nhưng mà người thanh niên này thi triển còn linh động hơn, như là thần tiên vậy.

"Tôi hỏi anh, Thanh Thanh học tỷ ở đâu? Phương Hạo Vân thấy Hà Trác Tiếu không trả lời, lập tức nổi giận: "Thanh Thanh học tỷ nếu có gì ngoài ý muốn, tôi sẽ không tha cho anh đâu."

"Tôi mặc kệ anh là ai, anh quấy nhiễu hành động của chúng tôi, nơi này rất nguy hiểm, mời anh đi cho." Hà Trác Tiếu trầm giọng nói: "Tự tiện quấy nhiễu hành động quân sự, tôi có quyền đánh gục anh."

"Đánh con mẹ mày." Phương Hạo Vân quát lên, giật cổ áo Hà Trác Tiếu hét vào điện đàm: "Thanh Thanh học tỷ chị ở đâu? Em là Hạo Vân tới đón chị đây."

"Vô dụng thôi, điện đàm của Thanh Thanh trục trặc rồi." Hà Trác Tiếu đã từ miệng Trần Thanh Thanh nghe thấy tên Hạo Vân, cho nên thái độ lập tức chuyển biến.

"Hà đội trưởng à? Tôi là Mã Long, một giờ trước Thanh Thanh đi về hướng 7 giờ. lúc này chắc là đang giao chiến với William." Từ bộ đàm truyền tới tiếng của Mã Long, hắn đã gặp Trần Thanh Thanh, thậm chí chút nữa là có thể đưa cô trở về rồi.

Phương Hạo Vân nghe thấy thế, dặn dò Bạch Quý: "Anh lưu lại, giết sạch bọn rùa đen này, tôi đi tìm Thanh Thanh học tỷ" Lưu lại lời này, Phương Hạo Vân lập tức bắn mình lên, đạp lên những cây đại thụ mà đi.

Hà Trác Tiếu lập tức liền sợ ngây người: "Đây còn là người hay sao?"

"Không được nói sau lưng thiếu chủ." Bạch Quý trừng mắt nhìn Hà Trác Tiếu, rồi gia nhập chiến đấu. Thân thủ của hắn hơn hẳn Trần Thanh Thanh, chỉ nhoáng cái đã có 2 tên khủng bố chết dưới súng của hắn.

Hà Trác Tiếu thấy thế, trong lòng mừng rỡ, tình huống đã có chuyển biến.

Trần Thanh Thanh cố nén đau ở đùi, cầm dao đấu với William. giằng co hơn mười phút, thể lực của cô cũng không chống nổi nữa.

William không có chiêu thức như cô, nhưng hắn thắng nhờ hơn lực.

Mỗi lần binh khí hai người chạm nhau, cô đều cảm thấy run lên, mấy lần con dao trong tay như muốn bay đi, tình thế rất nguy hiểm.

"Tiểu thư xinh đẹp, game over." William cười hé hé, tăng lực tay, khảm đao lập tức chém vào cổ tay Trần Thanh Thanh, mục đích là muốn cô buông dao.

Quả nhiên, Trần Thanh Thanh bảo vệ cổ tay, chỉ có thể bỏ dao lui về phía sau.

"Hạo Vân, kiếp sau gặp lại."

Trần Thanh Thanh yếu ớt thở dài một tiếng, cắn răng hung tợn nhìn William: "Cho dù là thành quỷ tao cũng không bỏ qua cho mày."

479. Chương 6: Thanh Thanh Máu Lạnh

William kinh ngạc trong giây lát, ngay sau đó vội vàng nói: "Cô muốn tự sát sao? Đồ con đàn bà ngu xuẩn, tính mạng là thứ đáng quý nhất.nếu tôi là cô thì tôi sẽ chọn cách làm nô lệ chứ không muốn tìm tới cái chết.Tôi thật sự không hiểu, những người Trung Quốc các cô. Chỉ cần còn sống là còn hy vọng, tại sao cứ phải đi tìm cái chết chứ!" William đột nhiên cười nói: "Nhưng không sao, cô chết thú cứ chết, tôi cũng không ngại làm chuyện đó với một cái xác đâu!"

"Súc sinh!"

Trần Thanh hung hăng mắng một câu, sau đó khom lưng nhặt cây đao trên mặt đất lên, chuẩn bị tìm một kết cục cho mình.

"Hạo Vân, em yêu anh!"

Trước khi chết, Trần Thanh Thanh liền thốt lên tình ý trong lòng mình.

"Đồ ngu, không được làm thế!" William tất nhiên không muốn Trần Thanh Thanh phải chết, gã hét lớn một tiếng, vung tay chuẩn bị phóng mũi tên nhằm mục đích làm bị thương cánh tay Trần Thanh Thanh, ngăn cản cô tự sát.

Đúng lúc này, một cái bóng đột nhiên phóng từ phía trên xướng, giống như tia chớp bắn về phía Trần Thanh Thanh. Tốc độ của người này cực nhanh, thậm chí còn nhanh hơn so với mũi tên của William.

"Vèo!"

Một âm thanh vang lên, người kia đã bắt được mũi tên, hơn nữa tiện tay ném về phía William.

William kêu to một tiếng, thấy tốc độ mũi tên nhanh không thể đỡ nên vội vàng lăn ra ngoài một vòng, khó khăn lắm mới tránh khỏi tầm bắn của mũi tên. Đến khi gã ngẩng đầu lên nhìn thì thấy Trần Thanh Thanh đã bị một người đàn ông ôm vào lòng.

"Thanh Thanh học tỷ, xin lỗi chị.em tới chậm khiến chị chịu khổ rồi!" Người đó chính là Phương Hạo Vân, hắn một đường truy đuổi tới đạy, vừa may nhìn thấy Trần Thanh Thanh đang tự sát. Giây phút này, tim của hắn dường như vỡ tan, Thiên Phạt tựa hồ cũng có cảm ứng. Một cỗ lục lượng mạnh mẽ liền lập tức bùng nổ, khiến cho tốc độ của Phương Hạo Vân nhanh hơn lúc thường tới mấy lần. Nếu không thì hắn cũng đã không cứu được Trần Thanh Thanh trong cảnh ngàn cân treo sợi tóc.

Trần Thanh Thanh thấy đôi mắt mình hơi ướt, cố nén nước mắt sắp sửa tuôn trào, vội mỉm cười nói: "Hạo Vân, chị biết em sẽ đến.chị luôn luôn nghĩ như vậy.cảm ơn em."

Phương Hạo Vân áy náy nói: "Đáng ra em nên tới sớm một chút, nếu không chị đã không phải chịu khổ như vậy.Thanh Thanh học tỷ, chị cứ kiên nhận chờ đợi một tí, để em giết xong tên súc sinh này rồi sẽ giúp chị chữa thương."

"Ừm!"

Người trong mộng của mình đã tới, thâm tâm Trần Thanh Thanh liền nhẹ nhõm hơn rất nhiều, cô biết mình đã được cứu rồi, còn tên khốn này cũng sẽ nhận phải sự trừng phạt đích đáng.

Phương Hạo Vân ôm Trần Thanh thanh đặt xuốn dưới tán một gốc cây to, dịu dàng nói: "Chờ em một tí nhé."

"Hạo Vân, tên súc sinh này đã giết chết chị em tốt nhất của chị.chút nữa chị muốn tự tay mình giết gã, cắt lấy đầu gã để tế cho bạn chị."

"Đươc rồi, đợi khi em bắt được gã thì sẽ để chị ra tay." Phương Hạo Vân cười nhạt, sau đó xoay người bước tới, hắn chỉ tay về phía William, dùng ngữ khí lạnh như băng nói: "Mau tới đây chịu trói thì tao để mày được chết thoải mái."

"Ha ha!"

William lập tức cười to: "Tiểu tử thúi, mày cho rằng mày là ai.cũng tốt, tao cũng đang muốn đùa một tí." Đùa giỡn với mạng sống con người là một trong những sở thích của William.

Phương Hạo Vân liền nổi giận, gã này đúng là một tay biến thai cực độ. Cái gì không thể nhịn thì không nên nhịn nữa, hôm nay nhất định phải dạy dỗ tay này thật tốt mời được.

"Chịu chết đi!"

Phương Hạo Vân khẻ quát một tiếng, sau đó vọt người lên, Thiên Phạt lập tức xuất hiện trong lòng bàn tay hắn. Một đạo hàn quang liền hiện lên, bắn về phía William.

Mắt thấy đối phương thế tới hung mãnh, William liền cảm thấy lo sợ, tiền không thể tiến, àm lui cũng không thể lui, lại không thể tránh khỏi, bất đắc dĩ gã liền cắn răng, vung đao nghênh đón.

Trước tình cảnh ngàn cân treo sợi tóc thế này thì đâu cần phải giấu diếm tuyệt chiêu để làm gì nữa. Lần này xuất thủ là William đã dốc hét toàn lực. Trong quá trình gã điều động thanh đao, âm thanh xé gió gào

rít không ngừng. Ngay cả Trần Thanh Thanh đang nằm quan sát cũng không khỏi biền sắc, người này quả thật rất khó đối phó.

Thân hình Phương Hạo Vân hơi chùng xuống, thế tiến cũng không giảm. Chân mày William khẽ cau lại, lập tức tiếp lấy một chiêu. Hai người liền xông vào đánh giáp lá cà.

Chỉ một vài phút sau, thân hình của William đã bay ra ngoài, sau khi xuống đất thì trên khóe miệng gã đã rỉ máu tươi, mà thanh đao trong tay còn thê thảm hơn, lưỡi đao đã bị chặt đứt.

Trần Thanh Thanh lập tức phấn khởi vui mừng. Không ngờ Hạo Vân lại mạnh đến như vậy, chỉ mấy chiêu đã đánh William nằm đo đất, những lo lắng vừa rồi của cô cũng hoàn toàn tan biến.

Trên mặt Willian lộ bẻ hoảng sợ, gã khó có thể tưởng tượng mình lại có thể bị đánh bại dễ dàng như thế. Mặc dù đây là sự thật nhưng gã vẫn chưa thể chấp nhận được.

"Để xem ai mới là kẻ chiến bại?' William cố gắng dượng đứng dậy, trong tay gã đã cầm thêm một khẩu súng, cười lạnh một tiếng, nói: "Mau ném cây đao của mày qua đây, nếu không tao sẽ nổ sung."

Trần Thanh Thanh thấy vậy lại lập tức lo âu lần nữa. Mặc dù cô biết thân thủ của Phương Hạo Vân không tồi nhưng khoảng cách giữa hai người quá gần. Với khoảng cách như vậy thì dường như Hạo Vân không thể né đạn được.

"Tạo nói lại một lần nữa, mau ném thanh đao trong tay mày qua đây, nếu không tao sẽ nổ súng bắn chết con đàn bàn kia, sau đó tới lượt mày!" Lúc giao chiến, thanh đao của William đã bị Thiên Phạt chém đứt nên gã cảm thấy thứ vũ khí này không bình thường, vì thế định nhân cơ hội mà đoạt lấy.

Phương Hạo Vân dường như vẫn không hề lo lắng một tí nào, hắn lạnh lùng nhìn William, trong ánh mắt hiện lên sát ý nhàn nhạt: "Mày chết đén nơi rồi mà còn chưa biết à?"

Nói thật, với thân thủ thế này của William thì Phương Hạo Vân căn bản không coi ra gì. Gã này chẳng qua chỉ có thân thể cường tráng hơn người, lòng dạ độc ác hơn người, ra tay giết người cũng nhiều hơn người ta một chút.trừ mấy thứ đó ra thì cũng không còn đặc điểm gì nổi bật. Trên thực tế, láy thực lực của Trần Thanh cũng có thể thu thập gã này, nhưng do Trần Thanh Thanh đã bị thương từ trước, thể lực đã cạn kiệt không còn chống đỡ nổi nữa nên mới bị rơi vào thế hạ phong.

"Cuồng vọng!"

William cười lạnh một tiếng, nhìn Phương Hạo Vân, sau đó mở chốt an toàn, âm trầm nói: "Công phu của bọn khốn Trung Quốc chúng mày có thể nhanh hơn súng đạn hay sao? Ha ha, để tao cho mày biết, dù công phu có mạnh tới đây thì ở trước mặt súng ống đạn dược cũng sẽ không chịu nổi một chiêu.

"Vậy sao?"

Phương Hạo Vân cười lạnh một tiếng, khóe miệng nở một nụ cười khinh miệt, giống như đang chơi một trò chơi vậy: "Cứ bắn đi, đừng lãng phí thời gian nữa!" Nhìn họng súng đen ngòm trước mắt, nét mặt Phương Hạo Vân vẫn không hề có một chút sợ hãi nào. Ngược lại, đôi mắt của hắn tràn đầ sự trêu tức và xem thường. Nhưng Thirn6 Phạt trong tay hắn cũng đã dần đua về phía lồng ngực.

"Hạo Vân, cẩn thận!"

Trần Thanh Thanh rốt cục vẫn có chút lo lắng, một lần nữa lên tiếng cảnh báo.

Phương Hạo Vân không nói gì, đôi mắt chăm chú nhìn William, nội gia chân khí trong cơ thể đã được điều động toàn bộ. Trạng thái thân thể đã đạt đến mức tốt nhất.

Khoảng cách gần như vậy, nếu nói Phương Hạo Vân không để ý thì đúng là láo toét! Cho dù hắn có bước nhanh đến đâu thì cũng không thể nhanh bằng viên đạn của William.

Giây phút này đây, hai người chỉ cách nmhau có 5 mét. Hon nữa William không giống với bọn đạo tặc thông thường, tốc độ nổ súng của gã rất nhanh, cho nên Phương Hạo Vân căn bản không đủ thời gian để tránh né. Cũng may hắn còn có Thiên Phạt trongt ay, nếu không chắc chỉ còn cách làm bia để William tập bắn! Tất nhiên, muốn né được thì hắn phải phán đoán được quỹ tích của viện viên đạn trước đã.

“Bọn Trung Quốc chó chết!” William bị vẻ khinh miệt của Phương Hạo Vân làm cho nổi điên. Gã giận dữ gầm lên một tiếng, sau đó lập tức bóp còi, một âm thanh chát chúa vang lên, viên đạn đã bay thẳng về phía

Người nọ khinh miệt cười cười,: "Tôi tại sao phải báo thù cho gã? Con rùa già William này ngày thường ức hiếp các anh em của tôi, hôm nay nếu gã đã chết, tôi còn phài vỗ tay hoan hô, cớ gì phải báo thù cho gã?"

Phương Hạo Vân khẻ chau mày, cảm thấy người này có chút cân lượng. Mặc dù đôi bên chưa giao thủ nhưng theo đánh giá của hắn thì dường như võ công của người này còn vượt xa William, nếu như hắn ta thật sự ra tay thì chắc William chỉ có nước chết.

Người nọ cũng nhìn kỹ Phương Hạo Vân, sau đó sảng khoái cười một tiếng, hỏi: "Cậu chớ nên nghi ngờ lời nói của tôi.nói thật cho các người biết, tôi từng có hiệp nghị với William, cả hai chúng tôi sẽ không chính diện giao thủ. Nhưng có điều các anh em của tôi lại không phải là đối thủ của gã cho nên mới bị đám thuộc hạ của gã năm lần bảy lượt hiếp đáp."

"Nói như vậy.chúng tôi đã giúp anh một tay rồi.thế sao còn bắn lén chúng tôi từ xa?" Trần Thanh Thanh phẫn nộ nói: "Anh đúng là kẻ không nói đến đạo lý."

"Không phải thế."

Người nọ hừ một tiếng, nói: "Các người tuy giết William nhưng cũng đắc tội với tôi. Tôi và William vốn đã có hiệp định, sau mười năm sẽ có một trần đấu sống chết. Hiện tại chỉ còn ba năm nữa là đến hết thời gian mười năm, thế mà lại bị các người phá hôi, thành ra nói thử xem tôi nên cảm kích hay làm căm hận các người?"

"Chúng tôi giết William không can hệ gì đến anh.Anh bạn, nếu anh muốn gây chuyện gì tôi xin tiếp, còn không thì chúng tôi xin phép được rời khỏi đây!"Phương Hạo Vân không muốn dây dưa cùng người này, hắn chỉ mong sớm tìm được một chỗ an toàn để chữa vết thương bị trúng đạn của Trần Thanh Thanh. Thời gian kéo dài càng lâu thì đối với Trần Thanh Thanh càng bất lợi, vết thương không những làm độc, gây nguy hiểm đến tính mạng, mà cho dù có chữa lành thì cũng để lại sẹo rất xấu.

Đôi chân đối với phụ nữ mà nói hết sức quan trọng, một khi để lại sẹo vít thì ắt hẳn Trần Thanh Thanh sẽ vô cùng khó chịu.

"Muốn đi ư.vậy thì để con đàn bà này lại, tại doanh trại của ông đây còn thiếu một áp trại phu nhân!" Ánh mắt người nọ nhìn chằm chằm Trần Thanh Thanh, cười nói: "Để mỹ nữ lại cho tôi, coi như là chút quà tặng ấy mà."

"Câm mồm!"

Trần Thanh Thanh liền nổi giận, lúc nãy cô còn cảm thấy người chưa hẳn là kẽ xấu, nhưng nay khi nghe hắn nói như vậy, cô lập tức nổi cơn tam bành. Chẳng qua lúc này trong tay cô không có một tấc sắt chứ nếu không đã sớm nổ súng bắn hắn từ lâu rồi.

"Em gái, việc gì phải kích động vậy.Đây là chuyện giữa đàn ông bọn anh mà." Nói tới đây, người nọ bỗng đưa mắt nhìn Phương Hạo Vân, nói đầy khiêu khích: "Để con đàn bà này xuống, tôi và cậu đánh một trân, kẻ nào thắng thì cô ta là của kẻ ấy.Cứ yên tâm, nếu cậu thua, tôi sẽ chỉ mang cô ta đi chứ tuyệt đối không lấy mạng cậu đâu!"

"Học tỷ không phải của anh, cũng không phải là của tôi. Tôi không có quyền định sự tự do của chị ấy. Nhưng tôi sẽ đánh với anh." Phương Hạo Vân cười lạnh một tiếng, nói: "Để tôi phế bỏ cái miệng của anh, bởi lời lẽ của an thật sự là quá đáng ghét!"

"Thanh Thanh học tỷ, chị cứ nghỉ ngơi một tí, đợi em đuổi tên này đi rồi sẽ giúp chị chữa thương, không cần lo lắng đâu, sẽ rất nhanh thôi mà." Phương Hạo Vân đặt Trần Thanh Thanh ở trên cành cây, khi đã chắc chắn cô sẽ không bị té ngã thì mới ohi thân bay người xuống phía dưới, đứng ở trước mặt người nọ. Cả hai chỉ cách nhau chừng hơn mười mét.

Người nọ kinh ngạc trong giây lát, nhưng ngay sau đó cười nói: "Không tệ, đối mặt với họng súng của tôi mà không hề có chút sợ hãi nào, quả thật làm cho người ta phải bội phục.Yên tâm, tôi không phải là kẻ vô lại không biết trọng chữ tín đâu, tôi sẽ không dùng súng, àm dùng cây đại đao ở sau lưng này."

"Cứ tự nhiên!"

Đối với Phương Hạo Vân mà nói thì dù đối phương dùng súng hay là dùng đao, hắn cũng không coi vào đâu cả Dù sao có Thiên Phạt trong tay thì căn bản không có loại vũ khí nào có thể sánh kịp.

"Cuồng vọng!"

Người nọ giận dữ quát một tiếng, tất nhiên là do bị ánh mắt khinh miệt của Phương Hạo Vân chọ giận. Hắn liền cầm lấy cây đạo ở sau lưng, vung lên chém về phía Phương Hạo Vân. Phu7ong Hạo Vân khẽ cau mày, liền lập tức nghênh đón.

Hai bên đánh giáp lá cà với nhau, binh khí cũng xoắn vào một chỗ. Cây đại đao của người kia hết sức chắc chắn, tuy nhiên trước sự sắc bén của Thiên Phạt thì không chịu nổi một kích, lưỡi đao đã bị chém gãy.

Người nọ nhất thời cả kinh, vội vàng lui về phía sau. Cây đại đao này theo hắn đã hơn mười năm, lấy hơn trăm cái mạng, thế mà hôm nay không kèn không trống, đội nón ra đi.

Không thể nghi ngờ, thanh đoản đao trong tay đối phương chính là báu vật.

Nghĩ tới đây, hắn liền cười lạnh một tiếng: "Tôi còn tưởng cậu là anh hùng hảo hán thật sự, thì ra chỉ là một thằng hèn, chỉ biết dựa vào bảo đao trong tay để ức hiếp kẻ khác.sớm biết vậy thì tôi đã không bỏ súng xuống rồi."

"Được rồi, phép khích tướng không có tác dụng với tôi đâu, nhưng đối phó với kẻ như anh thì cũng không cần phải dùng đến đao." Phương Hạo Vân lạnh lùng đáp một tiếng, quyết định lấy tay không để đấu với người nọ.

"Tốt, coi như cũng là đàn ông!"

Người nọ khen ngợi một câu, sau đó chợt xông về phía trước, hai nắm đâm hung hăng đánh về phía Phương Hạo Vân.

"Ầm!" Một âm thanh vang lên, bàn tay hai người chạm vào nhau, người nọ lảo đảo về phía sau mấy bước, há mồm phun ra một ngụm máu tươi, chỗ ngực của hắn có thể nhìn thấy một màu đỏ đáng sợ.

Trần Thanh Thanh thấy kết quả như vậy, sắc mặt liền bình tĩnh lại rất nhiều, tất nhiên người này chưa phải là đối thủ của Hạo Vân.

hàn quang giống như tia laser, nhẹ nhàng cắt vào vết thương. Đúng thời điểm mũi đao chạm đến viên đạn, Phương Hạo Vân liền khẽ vận sức, dùng mũi róc viên đạn ra.

Viện đạn vừa lấy ra xong thì một dòng máu cũng men theo đó mà chảy ra, trong khoảnh khắc đã nhuộm đỏ hai đùi trắng nõn của Trần Thanh Thanh.

Phương Hạo Vân không còn kịp lau vết máu trên đùi Trần Thanh thanh nữa, bởi lẽ hắn phải mau chóng bịt miệng vết thương lại. Lúc đầu, hắn vốn định cầm máu ở chỗ có viên đạn ghim vào mà thôi. Nhưng lúc này miệng vết thương ở xung quanh cũng đã bị vỡ, máu độc theo đó tràn ra ngoài. Nếu không mau chóng xử lý thì sẽ hết sức bất lợi đối với thương thế của Trần Thanh Thanh.

Tuy Trần Thanh Thanh lúc này không có cảm giác nhưng cô vẫn có thể thấy rõ vết máu trên giường. Trong lòng cô không khỏi căng thẳng, có điều thân thể không cử động được vì bị điểm huyệt, chỉ có thể giương mắt nhìn.

"Hạo Vân." Đột nhiên Trần Thanh Thanh phát hiện mình có thể nói chuyện được rồi, nhưng thanh âm của cô có chút run rẩy.

"Không cần phải vội, em sẽ giải quyết tốt chuyện này!" Phương Hạo Vân nhẹ nhàng an ủi một câu, sau đó bắt đầu lau chùi miệng vết thương còn sót lại máu đen.

Khoảng chừng năm phút sau, Phương Hạo Vân mới có thể lau sạch hết vết máu xung quanh vết thương. Sau đó hắn không dám chậm trễ một giâu, lập tức vận chuyển chân khí trong người để giúp Trần Thanh Thanh chữa trị.

Chân khí của Phương Hạo Vân có tác dụng giống như tia hồng quang dùng để trị liệu trong bệnh viện, nó có thể mau chóng khép miệng vết thương, đồng thời có công dụng tẩy độc. Thậm chí nội gia chân khí của Phương Hạo Vân còn có phần nhỉnh hơn một chút.

Có người bạn đã từng nói, nếu công dụng lớn như vậy thì Phương Hạo Vân nên mở một bệnh viện! Nhưng nào có ai biết quá trình tu luyện chân khí này khó khăn đến dường nào. Nếu không phải là những người thân thuộc nhất của mình thì làm sao Phương Hạo Vân cam tâm sử dụng chân khí để trị liệu cho họ được?

Khoảng hơn nửa giờ sau, đến lúc miệng vết thương khép lại hẳn thì Phương Hạo Vân mới khó nhọc buông tay ra.

"Học tỷ, mọi chuyện ổn cả rồi, để em giúp chị băng bó vết thương.Chị cứ nghỉ ngơi ở đây nhé, để em đi tìm anh em nhà họ Vương, nhờ họ đưa một ít bông, băng gạc và thuốc đỏ!" Vừa nói, Phương Hạo Vân vừa giải khai huyệt đạo cho Trần Thanh Thanh, giúp cô khôi phục lại hoạt động, nhưng có vài vị trí hắn vẫn chưa giải huyệt, bởi nếu làm vậy thì cảm giác đau đớn sẽ trở lại với Trần Thanh Thanh.

Vừa mới mở cửa bước ra ngoài thì Phương Hạo Vân thấy ngay Vương Nhị Ngưu. Sau khi lên tiếng nhờ cậy, Vương Nhị Ngưu lập tức điện thoại cho thuộc hạ để thông báo yêu cẩu của Phương Hạo Vân cho Vương Đại Ngưu.

Không bao lâu sau, Vương Đại Ngưu đã đem hết những thứ cần dùng cho Phương Hạo Vân.

Phương Hạo Vân nhận lấy những thứ đó, sau đó cẩn thận giúp Trần Thanh Thanh băng bó vết thương. Đợi sau khi xong hết thì hắn mới giúp Trần Thanh Thanh mặc lại quần áo.

Giải quyết xong đống việc này, Phương Hạo Vân không khỏi thở phào nhẹ nhõm trong lòng.

Lúc này Trần Thanh Thanh không nằm sấp nữa mà đã nghiêng người lại, dựa vào vách tường. Cô cảm kích nói: "Hạo Vân, cảm ơn em. Nếu như không có em thì chẳng biết chị phải làm thế nào nữa!"

"Không có chi, đây là việc em phải làm mà!" Phương Hạo Vân cười nhạt, sau đó nói tiếp: "Học tỷ, hiện tại em vẫn còn phong bế vài huyệt đạo trên người chị nên chị vẫn chưa thấy đau, nhưng việc này không thể để lâu, nếu không sẽ khiến cho khí huyết của chị bị ngưng trệ. Đợi tí nữa em sẽ giải khai hết các đại huyệt còn lại, lúc đó có thể sẽ hơi đau một chút, hy vọng chị cố gắng chịu đựng. Có điều chị cũng không cần lo lắng, không đầy nửa giờ sau, em sẽ dùng nội gia chân khí xoa bóp cho chị, giúp chị giảm bớt đau đớn, hơn nữa cũng không de863 lại sẹo."

Nghe thấy Phương Hạo Vân nói vậy, trong lòng Trần Thanh Thanh liền bình tĩnh trở lại. Cô không sợ đau, chỉ sợ sẹo xấu. Hôm nay nếu Hạo Vân nói chắc chắn không để lại sẹo thì chẳng còn gì phải lo nữa.

Nhưng khi nghĩ tới việc hắn muốn xoa bóp cho mình, trong lòng Trần Thanh Thanh liền khẩn trương. Chỗ khác thì không sao, nhưng nơi đó lại gần với mông của mình, quả thật ngượng chết đi được.

"Học tỷ, chị cứ nghỉ ngơi đi, em ra ngoài một chút, nhân tiện nhờ anh em họ Vương chuẩn bị chút thức ăn. Trên người chị hiện tại đang có thương tích nên vấn để dinh dưỡng phải được để cao!" Vừa nói, Phương Hạo Vân liền chuẩn bị đi ra ngoài.

Trần Thanh Thanh vội nói: "Hạo Vân, em.em nhớ sớm quay lại nha!" Hiện tại Trần Thanh Thanh đã xem Phương Hạo Vân như là cứu tinh của mình, nếu ở nơi xa lạ này mà không có hắn bên cạnh thì cô sẽ cảm thấy hết sức hoang mang.

"Ừm, em sẽ nhanh quay về, chị yên tâm nhé!" Phương Hạo Vân đáp một tiếng, sau đó trao cho Trần Thanh Thanh một ánh mắt đầy khích lệ rồi đóng cửa, đi ra ngoài.

Anh em họ Vương đã đợi sẵn ngoài cửa, khi thấy Phương Hạo Vân bước ra, Vương Đại Ngưu vội hỏi thăm: "Phương thiếu gia, vết thương của bạn cậu còn đáng ngại không? Nếu quả thật tình hình chuyển biến xấu thì để tôi ra ngoài bắt mấy tay bác sĩ vào đây!"

"Không cần đâu!"

Phương Hạo Vân nói: "Tôi đã giải quyết hết rồi, à phải rồi, tôi định ra đây để nói với các người một tiếng, có lẽ thời gian tới tôi phải ở lại đây vài ngày, phiền mọi người chiếu cố vậy!"

Vương Nhị Ngưu gật đầu lia lịa, nói: "Phương thiếu gia, anh cứ yên tâm đi, căn phòng tốt nhất cũng để dành cho anh rồi, hơn nữa anh hai của tôi còn đặc biệt ra lệnh phải làm thức ăn ngon đãi anh. Hai người cứ yên tâm ở lại đây!"

"Tốt lắm!"

Phương Hạo Vân bình thản nói: "Đó cũng chính là chuyện tôi muốn nhờ cậy!"

"Phương thiếu gia, cậu có thể nói chuyện với tôi một lát được không?" Vương Đại Ngưu úp úp mở mở, dường như có việc hệ trọng muốn nói với Phương Hạo Vân.

Phương Hạo Vân gật đầu, sau đó bước tới chỗ của Vương Đại Ngưu. Vương thì vẫn như cũ, tay cầm trường thương, đứng thẳng lưng trước của, tiếp tục vai trò lính gác của mình.

Vương Đại Ngưu dẫn Phương Hạo Vân tới một vườn cây cách đó không xa, sau đó nhìn dáo dác xung quanh, đến khi xác định không có ai theo sau thì mới thấp giọng nói: "Phương thiếu gia, có thể cho tôi hỏi câu này được không? Các người có phải là quân nhân không? Một tiếng đồng hồ trước, anh em của tôi thông báo có một toán khoảng 10 lính đặc công đang lục soát núi này, giống như đang tìm người vậy. Tôi đoán người họ tìm là hai người. Cậu xem tôi có nên thông báo cho họ biết chuyện cậu đang ở đây không?"

"Các người có quen biết với họ à?" Phương Hạo Vân nhìu mày hỏi.

"Quả thật có chút quan hệ.chúng tôi mặc dù vào rừng làm cướp nhưng chưa từng gây ra tội ác tầy đình nào, hơn nữa còn nhiều lần giúp bộ đội biên phòng tiễu trừ bọn phiến loạn nên cũng coi như có chút công lao." Vương Đại Ngưu giải thích.

Phương Hạo Vân suy nghĩ một chút rồi nói: "Như vậy đi, anh tìm một người tên là Bạch Quý đến đây, còn về phần những người lính đặc chủng kia thì không cần để ý tới làm gì."

"Không thành vấn đề!"

Vương Đại Ngưu gật đầu đồng ý, ngay sau đó liền điện thoại giao phó cho thuộc hạ đi làm. Xong xuôi hết rồi, hắn mới nói: "Phương thiếu gia, cậu thật sự muốn truyền thụ miễn phí Thất Tuyệt Đao Pháp cho chúng tôi sao?"

"Tất nhiên, tôi sẽ không gạt các người đâu. Hay là thế này vậy, đợi cho vết thương của bạn tôi gần hồi phục lại thì tôi sẽ dành thời gian để truyền thụ cho các người!"

Phương Hạo Vân suy nghĩ giây lát rồi nói tiếp: "Tôi thấy các người bản chất không xấu, hơn nữa lại có một thân võ nghệ như vậy, tại sao lại phải chạy đến nơi biên cương này để làm giặc?"

483. Chương 10: Để Em Giúp Chị Lau

Nói đến đây, Vương Đại Ngưu giận dữ hô: "Nhưng tên khốn kiếp William chẳng biết từ đâu mà biết được hành tung của chúng tôi nên cho người tới bắt chúng tôi làm lao động khổ sai cho chúng. Lúc ấy chúng có tới mười lăm tên, lại còn lăm lăm vũ khí trong tay.Các anh em cùng cảnh ngộ sở dĩ muốn vượt biên chẳng qua là vì muốn tìm một cuộc sống tốt đẹp hơn, nên tất nhiên đâu ai chịu cảnh làm cu li.Do đó, trước hết chúng tôi giả vờ đồng ý với yêu cầu của thủ hạ William, nhưng khi được nửa đường, tôi khống chế được tên cầm đầu, sau đó tiến tới tước đoạt hết vũ khó của bọn chúng.Sau đó lại có người đề xuất chi bằng ở lại đây để xây dựng căn cứ tạm thời. bọn tôi vốn không quyền không thế, lại không có tiền nên ở đâu cũng được cả.Thế là chúng tôi quyết định đồng ý với đề xuất trên, thành lập một cứ điểm đóng tại đấy. Nhưng sau khi biết chuyện này, William vẫn chưa chịu buông tha cho chúng tôi, một lòng nghĩ cách thu phục chúng tôi. Thế rồi một buổi tối nọ, tôi mang vũ khí đột nhập thành công vào đại bản doanh của William, khống chế và bắt gã phải ngưng việc đối phó với chúng tôi lại. Lúc bấy giờ, cái mạng nhỏ của William còn đang nằm trong tay chúng tôi nên gã không dám phản kháng, đành phải gật đầu đồng ý. Vậy là hai bên làm một ước định, tôi không giết gã, nhưng gã cũng không được trực tiếp ra tay đối phó chúng tôi nữa.Cứ thế, chúng tôi phát triển lớn mạnh dần."

"Những năm gần đây, tôi vẫn dạy bọn họ thất tuyệt đao pháp, thu nhận ký danh đệ tử.Về sau, bởi vì tranh giánh chén cơm nên chúng tôi có xảy ra xích mích vói người của William, nhưng đến lúc này, gã vẫn chưa ra tay, mà cho dù thuộc hạ của gã có đến quấy phá thì chúng tôi cũng có thể ứng phó.Phương thiếu gia, tình hình của chúng tôi đại để là như thế!"

Sau khi hết chuyện, Vương Đại Ngưu thở dài một hơi thật sâu: "Ôi, những năm vừa qua các anh em đã chịu khổ nhiều rồi.có nhà nhưng không về được."

"Trải qua thời gian lâu như vậy nhưng các người không tìm biện pháp nào để vượt biên sao?" Phương Hạo có chút thắc mắc.

"Có chứ." Vương Đại Ngưu thành thật nói: "Chúng tôi có tiến hành thử mấy lần. Nhưng bên kia canh phòng nghiêm mật. Người Trung Quốc láo lếu qua quậy phá đều bị họ bắt giết không tha.Do đó, thay vì sang phí bên kia, chúng tôi quyết định ở lại đây.Nói thật, nếu biết trước tình huống khó khăn như vậy thì tôi đã không có ý định vượt biên rồi, cũng may lúc đó chúng tôi không có tiền để đưa cho tên môi giới, chứ nếu không bây giờ cũng đã phải chịu sự trừng phạt như bọn đồng hương Trung Quốc bố láo của chúng ta rồi."

Phương Hạo Vân cau mày hỏi: "Các người có quan hệ không tồi với bộ đội biên phòng, vậy sao không nhờ họ giúp đỡ trong chuyện này?"

"Ý của Phương thiếu gia là nhờ họ thu xếp để chúng tôi có thể hồi hương?"Vương Đại Ngưu lắc đầu nói: "Chuyện này chúng tôi cũng đã từng nghĩ tới, hơn nữa đã chính thức đặt vấn đề, nhưng quả thật khogn6 có cách nào lưỡng toàn kỳ mỹ cả.Chiếu theo quy định thì những người như chúng tôi đã bị liệt vào các phần tử có vũ trang tại biên giới nên bị soi rất kỹ.Ôi.chắc có lẽ suốt đời này, chúng tôi cũng không thể trở về nhà được rồi!" Nói đến đây, sắc mặt của Vương Đại Ngưu liền mờ mịt thấy rõ.

Phương Hạo Vân đột nhiên hỏi: "Khi nãy anh nói các người là bị Tần gia hãm hại.Mà người đứng đầu Tần gia lúc ấy là Tần Như Phong, ông ta có hai đứa con trai tên là Tần Tử Hoa và Tần Tử Kiếm có phải không?"

"Vâng, ông ta chính là Tần Như Phong. Tôi nhớ thằng giặc già này có một đứa con trai là Tần Tử Hoa.sao Phương thiếu gia lại biết gã?" Tâm tình của Vương Đại Ngưu bỗng trở nên khẩn trương hơn, sợ bọn họ là người quen cũ của nhau.

"Biết chứ!"

Phương Hạo Vân dường như nhìn thấu tâm tư của Vương Đại Ngưu, cười nói: "Nhưng anh cứ yên tâm, mặc dù tôi có quen biết Tần Như Phong, nhưng thật ra ông ta cũng là kẻ thù của tôi.Không giấu gì anh, tôi

và Tần gia bây giờ chẳng khác nào nước với lửa.Hiện tại đang là lúc tranh đấu không thể ngừng lại. Trong tương lại, nếu như tôi phá tan Tần gia thì cũng coi như là gián tiếp giúp hai anh em anh báo thù."

"Có thật thế không?" Trong giọng nói Vương Đại Ngưu có chút kích động.

"Đương nhiên là thật."

Phương Hạo Vân cười nhạt, ngay sau đó đem ân oán của mình và Tần gia ra kể hết một lượt cho Vương Đại Ngưu nghe.

Sau khi nghe hết câu chuyện, Vương Đại Ngưu vô cùng mừng rở trong bụng, vội vàng bái tạ: "Phương thiếu gia, xem ra phen này tôi được gặp quý nhân rồi.đại ân của cậu không lời nào cảm ơn hết được, sau này nếu như cậu có việc cần dùng tới tôi thì xin cứ mở miệng, cho dù có lên núi đao, xuống biển lửa thì Đại Ngưu tôi cũng sẽ không chút nhíu mày."

"Anh quá lời rồi.một chút chuyện nhỏ thôi mà!"

Phương Hạo Vân suy nghĩ một chút rồi hỏi: "Thủ hạ của anh có bao nhiêu người? Thân thủ như thế nào?"

Vương Đại Ngưu sửng sốt trong giây lát, sau đó thành thật báo cáo: "Phương thiếu gia, vốn đây là điều cơ mật trong căn cứ của chúng tôi, nhưng nếu cậu hỏi thì tôi cũng sẽ không giấu diếm.Những năm qua, số lượng thành viên của chúng tôi đã phát triển không ngừng, ước được khoảng sáu mươi người. Tất cả đều được học thất tuyệt đao chân truyền của tôi, trong đó có vài người đã có chút bản lĩnh.Hơn nữa, ngoài việc luyện tâp đao pháp của Vương gia ra thì chúng tôi cũng không ngừng tiến hành hiện đại hóa vũ khíCho nên có thể nói, trong đám thủ hạ của tôi, chỉ cần tùy ý kéo ra một hai người kiểm tra thì chắc chắn đều đạt chuẩn bộ đội dặc chủng!"

Phương Hạo Vân nghe vậy liền khẽ động tâm. Thật ra ngay từ lúc chng71 kiến đao pháp của anh em nhà họ Vương thì hắn cũng đã có chút tâm tư rồi. Hay nói đơn giản là hắn muốn thu phục đám người này. Đó cũng là nguyên nhân khiến hắn muốn điều tra rõ lai lịch của bọn họ.

Vương Đại Ngưu thấy Phương Hạo Vân không nói lời nào, tưởng hắn không tin lời mình nên liền có chút bất mãn: "Phương thiếu gia, tôi biết cậu không tin lời tôi. Nhưng tất cả những gì tôi nói đều là sự thật. Tôi thừ nhận, mặc dù các anh em của tôi chưa từng trải qua huấn luyện đặc biệt trong quân đội, nhưng trải qua cuộc sống lâu năm ở chốn rừng thiên nước độc, chống chọi với thiên nhiên và các lựu lượng vũ trang, bọn họ cũng đã luyện được không ít bản lĩnh cá nhân."

"Ha ha!"

Phương Hạo Vân khoát tay nói: "Anh hiểu làm ý tôi rồi.không phải là tôi không tin các người, tôi chỉ đang nghĩ xem có biện pháp để đưa các người về nhà được hay không."

Nghe Phương Hạo Vân nói như thế, Vương Đại Ngưu liền hết sức kinh ngạc. Sau giây phút sững sờ, hắn kích động cầm lấy cánh tay của Phương Hạo Vân, cõi lòng đầy mong đợi hỏi: "Phương thiếu gia, lời cậu nói là thật ư? Cậu thật sự có cách để đưa chúng tôi về nhà ư?"

"Biện pháp thì đúng là có thật.nhưng hiện tại tôi cũng chưa chắc có làm đuộc hay khôngĐiểm mấu chốt nhất là các người có từng làm ra chuyện nào gây tổn hại đến lợi ích quốc gia hay không.đây là một điều kiện bắt buộc." Phương Hạo Vân hỏi: "Đồng chí Đại Ngưu, anh phải nói thật với tôi về chuyện này, nếu không tôi rất khó giúp các người."

"Phương thiếu gia, Đại Ngưu tôi xin lập huyết thệ!" Nghe nói mình có thể được về nhà, máu torng người Đại Ngưu liền như sôi trảo cả lên. Để tỏ thành ý và sự trong sạch của mình, hắn cúi đầu cắn một đầu ngón tay, nhỏ máu lập lời thề: "Phương thiếu gia, có trời đất làm chứng, xin cam đoạn với cậu, Vương Đại Ngưu tôi và sáu mươi anh em tuyệt đối chưa làm chuyện gì có lỗi với quốc gia hay nhân dân, nếu sai lời thị bị thiên lôi đánh chết được toàn thây."

"Thế này đi.để tôi suy nghĩ kỹ hơn về chuyện này, trước hết anh trở về tập hợp các anh em lại nhé." Phương Hạo Vân không tin tưởng lắm vào những lời thề thốt, nhưng lời thề của Vương Đại Ngưu thì chắc chắn có độ tin cậy rất cao. Tất nhiên, tình huống cụ thể thế nào thì còn cần phải xác minh lại một lần nữa mới rõ được

"Phương thiếu gia, thế thì trăm sự nhờ cậu vậy!" Có câu nước mắt đàn ông không dễ rơi, nhưng lúc này do quá kích động nên trong tròng mắt Vương Đại Ngưu đã hơi ươn ướt.

"Tôi sẽ cố gắng hết sức!" Phương Hạo Vân mỉm cười, sau đó xoay người quai đi.

Sau khi Phương Hạo Vân rời khỏi mình, tâm lý Trần Thanh Thanh tương đối khẩn trương. Cô dường như đã quen với cảm giác được Phương Hạo Vân che chở, bảo vệ nên khi không có Hạo Vân ở đây, lòng của cô hết sức bối rối.

"Hạo Vân, mau trờ về đi." Thâm tâm Trần Thanh Thanh không ngừn kêu gọi.

Một tiếng đồng hồ sau, khi mà sự khẩn trương của Trần Thanh Thanh đã lên đến cao độ thì Phương Hạo Vân mới quay lại. Hắn mang theo một bộ quần áo sạch sẽ, hạ giọng nói: "Thanh Thanh học tỷ, em đã tìm cho chị một bộ đồ tươm tất.mặc dù đây là đồ nam nhưng em nghĩ chị có thể mặc tạm được. Chị thay quần áo đi, để em giúp chị mang đồ dơ đi giặt, sau đó phơi khô để chị mặc tiếp." Phương Hạo Vân rất tỉ mỉ, hắn thấy y phục của Trần Thanh Thanh vừa rách vừa bẩn, lòng biết con gái đều thích sạch sẽ nên chắc chắn cô sẽ rất khó chịu. Do đó mới nhờ đồng chí Nhị Ngưu đi tìm một bộ quần áo. Đáng tiếc xung quang đây đều bị rào chắn, không có phụ nữ ở nên cũng không tìm thấy quần áo của phụ nữ cho Trần Thanh Thanh mặc. Đành phải lấy tạm bộ quần áo của đàn ông cho cô. Nhưng Nhị Ngưu cũng đã hứa sẽ lập tức cho người đi qua bên kia biên giới để mua. Vì thất tuyệt đao pháp, Nhị Ngưu nguyện vì Hạo Vân làm bất cứ chuyện gì, kể cả lấy tính mạng để báo đáp.

"Cảm ơn em!"

Mắt thấy Phương Hạo Vân đã trở lại, trong lòng Trần Thanh Thanh liền bình tâm trở lại.

"Thanh Thanh học tỷ, em xoay mặt sang chỗ khác, chị cứ thay quần áo tự nhiên.Sau đó em sẽ xoa bóp các huyệt vị, giúp chị chữ thương." Phương Hạo Vân dặn dòn xong liền xoay người sanh chỗ khác.

Nghe nói lại xop bóp, gương mặt Trần Thanh Thanh liền đỏ lên, trong lòng dân lên một cảm giác khó tả.

"Ừm.chuyện đó.Hạo Vân, em không cần quay mặt đi đâu." Lúc này Trần Thanh Thanh không tiện vận động, cô do dự một chút, sau đó lấy hết can đảm, cắn răng nói: "Hạo Vân, em giúp chị thay quần áo đi.chị không tự cởi quần được!" Áo thì Trần Thanh Thanh có thể tự giải quyết, nhưng cìn phần dưới thì cô bất lực.

"Được thôi!"

Phương Hạo Vân cũng không hề đắn đo, bởi thương thế của Trần Thanh Thanh thế nào, hắn là người rõ ràng nhất. Thật sự vết thương không nhẹ, cô cần có người chăm sóc. Nhưng đáng tiếc xung quanh doanh trại của anh em họ Vương không có phụ nữ nên nhiệm vụ vinh quang và gian khổ này đành phải rơi vào tay hắn!"

Lúc Phương Hạo Vân quay đầu lại thì Trần Thanh Thanh đã thay xong áo, còn quần cũng tuột đến đầu gối.Hắn thấy khuôn mặt Trần Thanh Thanh đỏ bừng, biết trong lòng cô xấu hổ nên cũng không lên tiếng, nhẹ nhàng bước tới, nâng đùi cô lên, kéo chiếc quần ra.

Trên đùi Trần Thanh Thanh lúc này đã đọng máu thành tưng vũng, trong hết súc giật mình.

Trần Thanh Thanh khẽ cau mày, thâm tâm có chút khó chịu.

"thanh Thanh học tỷ, chị chờ tí, để em nhờ bọn họ chuẩn bị chút nước nóng để lau rửa vết thương cho chị." Vừa nói xong, cũng không đợi Trần Thanh Thanh kịp phản ứng, Phương Hạo Vân đã bước ra dặn dò mấy tiếng với đồng chí Nhị Ngưu.

Trần Thanh Thanh đột nhiên bảo: "Hạo Vân, sau này em gọi chị là chị chị Thanh Thanh được rồi, đừng có mãi học tỷ học tỷ.làm người ta thấy không đươc tự nhiên."

"Ừm, chị Thanh Thanh." Phương Hạo Vân gật đầu đồng ý.

Lúc này Nhị Ngưu đã chuẩn bị xong nước nóng, nhẹ nhàng gõ cửa phòng. Phương Hạo Vân nhận lấy bình nước nóng, sau đó đem tới trước giường.

484. Chương 11: Bạch Quý Đến Rồi

Trần Thanh Thanh đỏ mặt, dường như vẫn không thể vượt qua được, dù gì thì cô ấy cũng là lá ngọc cành vàng mà. Phương Hạo Vân không nói gì, nhúng chiếc khăn tắm vào nước nóng rồi vắt vài cái, đưa qua cho Thanh Thanh.

Trần Thanh Thanh liền lau sửa sạch sẽ ở những chỗ mà mình có thể với tới được.

Nhưng có một số chỗ, cô làm thế nào cũng không với tới được, ví dụ như ở mông chẳng hạn. lúc xả máu đen ra, trên mông cũng dính không ít máu.

"Chị Thanh Thanh, bị nằm bò xuống đi, sau đó em sẽ giúp chị lau rửa. đừng căng thẳng, chị cứ xem em như là không khí. không. nên xem em như là bác sĩ vậy. là bác sĩ đang giúp chị chữa bệnh, như vậy, tâm trạng của chị sẽ không bị căng thẳng, trong lòng cũng sẽ không thấy nặng nề." Phương Hạo Vân dịu dàng nói.

"Chỗ đó có dính nhiều máu không?" Nghĩ đến chuyện mình phải giương cái mông lên cao nữa, Trần Thanh Thanh vô cùng xấu hổ, thậm chí cũng không dám nhìn thẳng vào mắt Phương Hạo Vân.

"Uhm.!"

Phương Hạo Vân giải thích: "Lúc thải máu đen ra, cũng dính khá nhiều. tốt nhất là nên lau rửa qua, chứ không thì rất dễ bị trĩ."

"Trĩ hả?"

Trần Thanh Thanh nghe xong, liền sốt ruột, nên đã bò sấp ra, chiếc mông vốn tròn trịa của cô trông cứ như hai ngọn núi nhỏ nổi lên ở trước mặt Phương Hạo Vân.

Phương Hạo Vân cười thầm, lập tức loại bỏ tạp niệm trong lòng, cố gắng giữ cho tâm trạng của mình được bình tĩnh, giũ chiếc khăn ra, nhè nhẹ lau vào mông của cô.

Tuy Phương Hạo Vân đã cố gắng khắc chế tâm trạng của mình, nhưng đối diện với những thứ đầy mê hoặc này, ánh mắt hắn vẫn chịu không nổi liền liếc qua xem.

Lúc này, trong lòng Trần Thanh Thanh cảm thấy khó chịu, trước lúc nãy, Phương Hạo Vân đã phong vài huyệt đạo lớn trên người cô, cũng giống với việc đã chích thuốc tê cho cô, cho nên lúc đó, cô không hề cảm thấy gì. Nhưng lần này lại khác, Hạo Vân đã giải những huyệt đạo bị phong lại của cô, cảm giác của cô lại được hồi phục.

Khi Phương Hạo Vân dùng chiếc khăn nhè nhẹ lau vào mông cô, cô cảm thấy một luồng khoái cảm tê tê không ngừng ập vào tim mình, khiến tim cô nhảy múa loạn xạ.

Không biết tại sao, những đoạn phim ảnh mà cô đã từng xem qua cứ hiện ra trong đầu cô, nhất là lúc này, nhân vật nữ chính cũng giống như cô bây giờ giương cao chiếc mông lên, còn nam nhân vật chính thì vuốt ve đùi của nhân vật nữ, miệng thì khẽ le lưỡi liếm môi.

Nghĩ đến đây, Trần Thanh Thanh cảm thấy thân dưới của mình đã ươn ướt. thậm chí cô không kềm được còn nhè nhẹ động đậy chiếc mông của mình.

Sự thay đổi của người đàn bà, Phương Hạo Vân nhìn thấy rất rõ, nhất là vết nước có mang một mùi thơm thoang thoảng chảy ra, hắn lại càng thấy rõ hơn.

"Chị Thanh Thanh."

Cổ họng Phương Hạo Vân bỗng nuốt ừng ực, khó khăn lắm mới nuốt được nước bọt xuống, hắn định nói gì đó, nhưng lời nói đã ra đến cửa miệng, lại không biết nên bắt đầu từ đâu.

Đúng là quá hấp dẫn mà.

Phương Hạo Vân liều mạng khống chế tà niệm trong lòng mình, quay đầu sang một cách có ý thức, không nhìn vào chỗ kín của cô nữa. nhưng những nét xinh đẹp trên cơ thể Trần Thanh Thanh đã in sâu vào trong đầu hắn.

“Xong rồi, lau sạch cả rồi, trên trán Phương Hạo Vân đã đầy mồ hôi, hắn vội vàng ra hiệu cho Trần Thanh Thanh xoay người lại, nằm nghiêng trên giường, để làm giảm sức tấn công của cặp mông đó vào thị giác của hắn.

Trần Thanh Thanh khẽ rên một tiếng, tựa đầu lên cái mền bông, không động đậy gì nữa.

Phương Hạo Vân bưng chậu nước ra đưa cho Vương Nhị Ngưu, rồi căn dặn hắn, nửa tiếng sau đem cơm nước đến. Sau đó nói với Trần Thanh Thanh: “Chị Thanh Thanh, bây giờ em sẽ giúp chị xoa bóp., làm vậy

485. Chương 12: Thu Phục Anh Em Nhà Họ Vương

Vương Đại Ngưu cười nói: "Đừng thấy chúng tôi đều là một lũ thô lỗ, nhưng những trang bị hiện đại hóa thì chẳng thiếu một món nào…" Đã phát triển trong bao nhiêu năm nay, trong sơn trại của Vương Đại Ngưu, những thiết bị nào cần có đều đã có đủ hết. Những năm gần đây hắn còn thu nhận thêm nhiều tên đã đi đến bước đường cùng nữa, trong số đó cũng có không ít nhân tài.

Vương Đại Ngưu rất mau chóng đã lấy ra được điện thoại vệ tinh, Phương Hạo Vân hơi trầm tư một chút, rồi ngay lập tức gọi điện cho Lã Thiên Hành, nói rõ ra ý của mình.

Ý của Phương Hạo Vân cũng rất đơn giản, chính là hy vọng có thể thông qua Lã Thiên Hành, giúp Vương Đại Ngưu và sáu mươi người anh em của hắn tìm ra một con đường thoát.

Lã Thiên Hành nghe xong những lời Phương Hạo Vân nói, nhưng không hề trả lời hắn ngay lập tức, mà là hỏi đến Trần Thanh Thanh: "Hạo Vân, con hãy nói cho ông biết trước, bây giờ Thanh Thanh như thế nào rồi…ông vừa mới nhận được tin tức, nghe nói là Thanh Thanh đã bị thương, nó bị thương có nghiêm trọng không con? Nói cho ông biết vị trí của con đi, bây giờ ông sẽ cho người đi đón hai con về…vết thương của Thanh Thanh phải được chữa trị một cách tốt nhất…"

"Xem ra, ông cũng rất quan tâm đến đứa cháu gái này của ông…" Phương Hạo Vân cười nhạt, nói: "Lã Lão, ông cứ yên tâm đi, chị Thanh Thanh ở đây con sẽ chăm sóc tốt, đảm bảo với ông là sẽ không để xảy ra sơ xuất gì. Hay là chúng ta hãy bàn tiếp về chuyện của Vương Đại Ngưu đi?"

"Chuyện của Thanh Thanh, con phải đảm bảo với ông đấy…nếu như Thanh Thanh có bị sứt mẻ một chút nào đó, ông sẽ hỏi tội con…còn về chuyện của Vương Đại Ngưu mà con nói, ông hiểu rất rõ chuyện này…bộ đội biên phòng ở địa phương đã xem họ như là phần tử vũ trang rồi, hơn nữa bây giờ toàn bộ bọn họ đều là dân ở lậu…chuyện này cũng khá là khó đấy…" Lã Thiên Hành đanh giọng nói: "Hạo Vân, chắc là con muốn thu phục những người này, để cho con sử dụng phải không?"

"Con đúng là có ý này…!"

Phương Hạo Vân nói: "Lã Lão, ông là người thông minh, con cũng không giấu gì ông…con đã xem qua rồi, đám người Vương Đại Ngưu này quả thật là thân thủ cũng không tệ, nếu cứ giữ lại ở đây chỉ là lãng phí thôi. Hơn nữa, con phải hoàn thành đại nghiệp thống nhất giới xã hội đen, chẳng phải cũng cần dùng người sao…con biết là chuyện của họ không dễ dàng chút nào, nên mới nghĩ đến chuyện nhờ cậy ông, con muốn dựa vào địa vị và quyền thế của ông, giúp họ tìm một con đường sống, chắc cũng phải là chuyện khó khăn gì?"

"Hạo Vân, nếu con đã nói ra hết như vậy, thì ông cũng không vòng vo với con nữa, ông nói thật cho con biết…chuyện này quả thật là rất khó làm, chắc con cũng biết rõ, thái độ và sự quản chế của nhà nước đối với những phần tử vũ trang. Tuy họ quả thật là không làm ra những chuyện bất lợi đối với đất nước, đối với nhân dân, nhưng suy cho cùng thì họ vẫn là phần tử vũ trang…huống chi, việc lên hộ khẩu cũng phải thông qua bộ phận khác…tóm lại, cực kỳ khó làm." Lã Thiên Hành nói.

Lão hồ ly…cũng xem như Phương Hạo Vân đã hiểu được ý lão này, Lã Thiên Hành chỉ nói là cực kỳ khó làm, nhưng lại không hề nói là không thể làm được, trừ phi là lão ta đang muốn nhắc nhở mình, là lão có điều kiện.

Nghĩ đến đây, Phương Hạo Vân nói: "Lã Lão, giữa ông và con quả thật không cần phải úp úp mở mở nữa, ông nói đi, cần những điều kiện gì?"

"Ha ha…!"

Lã Thiên Hành nghe xong, liền bật cười: "Chàng trai trẻ à, rốt cuộc thì con vẫn rất thẳng thắn…được rồi, nếu như con cũng đã hiểu ra, vậy thì ông sẽ nói luôn. Chuyện này, đúng là ông có thể làm được, nhưng phía bên chính phủ chắc chắn sẽ tiến hành quản lý và giám sát họ, nếu không thì, thả sáu mươi tên có tiền thân là phần tử vũ trang trở về, nếu như để xảy ra chuyện, không ai có thể gánh nổi trách nhiệm này đâu…"

Phương Hạo Vân buồn bực, nói đi nói lại, Lã Thiên Hành vẫn muốn giám sát mình.

“Lã lão, ông lại nhắc đến vấn đề cũ nữa rồi?” Phương Hạo Vân nói với vẻ không được vui: “Ông hãy từ bỏ ý định giám sát con đi…”

“Hạo Vân, không thể nói vậy được…cái mà ông muốn giám sát chính là đám người Vương Đại Ngưu, chứ không phải là con…Hạo Vân, ông cần phải nhắc nhở con, đó là giới hạn…nếu con không đồng ý, thì ông cũng không thể làm được gì nữa. Có một số chuyện, cho dù là ông, cũng không thể vượt quá giới hạn được…”

Phương Hạo Vân hơi do dự một lúc, nói: “Thôi được, nếu đã là quy định của chính phủ, vậy thì con sẽ không làm khó ông nữa, con đồng ý…nhưng, trước tiên con phải nói rõ với ông, người của ông chỉ được quản lý và giám sát thôi, chứ không phải sai bảo họ, càng không được làm ảnh hưởng đến hành động và kế hoạch của con…”

“Điểm này thì con cứ yên tâm, ông biết nên làm thế nào mà…” Nói đến đây, Lã Thiên Hành liền chuyển sang đề tài khác, hỏi: “Hạo Vân, có chuyện này ông rất là tò mò, rốt cuộc là con làm thế nào để tìm được Thanh Thanh vậy…nên biết là đợt huấn luyện quân sự mang tên trò chơi tử thần này thuộc vào bí mật quốc gia, rất ít người có thể tìm ra được vị trí chính xác…con có thể giải thích cho ông không?” Khi Lã Thiên Hành nhận được điện thoại báo tin của Hà Trác Tiếu xong, ông ta cứ luôn suy nghĩ mãi về vấn đề này, rốt cuộc thì Phương Hạo Vân đã làm thế nào để tìm được Thanh Thanh…chuyện cơ mật như thế, hoàn toàn không thể nào bị tiết lộ được.

Do đó, Lã Thiên Hành còn dặn dò bên dưới, âm thầm tiến hành điều tra đối với những nhân viên có liên quan, nhưng không phát hiện được tình trạng khác thường nào.

Phương Hạo Vân nói nhạt: “Nguyên nhân thật ra cũng rất đơn giản, con chỉ sợ là con nói ra rồi, ông lại không tin…”

“Con nói thử xem…” Lã Thiên Hành gấp gáp muốn biết.

“Cảm ứng…con và chị Thanh Thanh có cảm ứng với nhau…” Phương Hạo Vân cười nói: “Chắc là Lữ Lão có nghe qua câu nói như thế này, đó là tâm linh tương thông.”

“Ha ha…!”

Lã Thiên Hành mỉm cười, nói: “Con cảm thấy ông sẽ tin những lời nói dối này của con sao? Thôi, ông sẽ không hỏi con nữa, ông biết là con sẽ không nói ra đâu, nhưng chuyện này ông sẽ điều tra đến cùng…”

“Lã Lão…chuyện này hình như ông đã làm quá tuyệt tình rồi…cho dù thế nào, thì cũng là con đã cứu chị Thanh Thanh…hơn nữa, sự xuất hiện của con, cũng đã làm giảm đi tình hình thương vong của bên ông. Từ một mặt nào đó mà nói, lần này ông đã nợ con một món nợ ân tình…” Phương Hạo Vân bất mãn nói.

“Hứ…!”

Lã Thiên Hành hứ một tiếng trong điện thoại, nói: “Hạo Vân, con nói cũng có lý, nhưng con cũng đừng

Sau khi 20 phút xoa bóp đã xong, thân dưới của Trần Thanh Thanh đã ướt át rồi, đều tại Phương Hạo Vân mà ra cả, và lúc này, Thanh Thanh vẫn đang ngủ say, huyệt đạo của cô bị phong lại, nên trong lòng không cảm nhận được gì, nhưng phản ứng của cơ thể thì không thể khống chế được.

Sau khi kết thúc xoa bóp trị liệu, Phương Hạo Vân mới giải huyệt cho Trần Thanh Thanh, cô trở mình, nhưng vẫn ngủ rất say, trong mơ, cô vẫn đang thấy mình và Phương Hạo Vân giao hoan, rất là vui vẻ, rất là hạnh phúc.

Phương Hạo Vân không muốn đánh thức Trần Thanh Thanh, nên đã lúng ta lúng túng mà rời khỏi.

Bên ngoài hiện đang là Vương Nhị Ngưu đứng gác, hắn cười nói: "Phương thiếu gia, tối qua không ngủ ở đây sao?"

"Không việc gì đến anh." Phương Hạo Vân suy nghĩ một lúc, nói: "Đi gọi Bạch Quý qua đây, để ông ta gác cửa, anh đi thông báo với Đại Ngưu, và các anh em khác nữa, tôi có chuyện muốn nói với họ."

"Dạ.!"

Vương Nhị Ngưu trả lời xong bèn chạy đi ngay.

Vài phút sau, Bạch Quý đã đến: "Thiếu chủ, cậu định chính thức chinh phục họ sao?"

"Đúng vậy, tôi đang có ý này." Phương Hạo Vân nhìn Bạch Quý, cười nói: "Bên phái Kim Gia bây giờ tôi vẫn chưa yên tâm lắm, tôi phải tự có thế lực của mình. anh em nhà họ vương chính là sự lựa chọn tốt nhất. được rồi, chuyện thu phục anh em nhà họ Vương tôi tự biết tính toán, từ giờ trở đi, ông gác cửa thay cho Vương Nhị Ngưu. Chị Thanh Thanh đang ngủ, đừng để ai làm phiền cô ấy." Dặn dò xong, Phương Hạo Vân liền đi khỏi.

Đến sảnh Tụ Nghĩa, Phương Hạo Vân phát hiện anh em nhà họ Vương đã tập hợp hết tất cả mọi người trong trại lại.

"Phương thiếu gia, theo lời dặn của anh, các anh em đều đã đến đủ. nhưng đội tuần tra thì vẫn chưa về được. ở biên giới nguy hiểm trùng trùng mà." Vương Đại Ngưu bước lên đón rồi nói sơ qua tình tình cho hắn biết.

"Không sao, đa số các anh em là đủ rồi." Phương Hạo Vân nhìn quanh, cười nói: "Mọi người hãy tìm chỗ mà ngồi xuống. hôm nay tôi tìm các anh em đến là vì muốn tuyên bố một tin. tôi đã thỏa thuận được với bên trên, giúp các anh em làm lại giấy tờ, lập hộ tịch mới, để mọi người có thể sống cuộc sống của một người bình thường. bây giờ tôi muốn hỏi các anh em một câu, các anh em có đồng ý rời khỏi đây không?"

Tuy là trước đó, Phương Hạo Vân cũng đã biết được tâm ý của đám người này thông qua Vương Đại Ngưu, nhưng lúc này hắn vẫn quyết định nói một cách nghiêm túc.

Có một cố chuyện, nói một cách riêng tư, với nói với mọi người, hiệu quả sẽ khác nhau nhiều.

Quả nhiên, nghe Phương Hạo Vân hỏi thế, trng sảnh Tụ Nghĩa liền ồn ào cả lên, mọi người đều muốn tỏ rõ ý của mình, họ đều đồng ý rời khỏi chỗ này, trở về thành phố lớn. "Mọi người yên lặng một chút.!"

Phương Hạo Vân huơ tay ra hiệu cho mọi người yên lặng, hắng giọng một cái, đanh giọng nói: "Còn về tình hình cụ thể, tôi nghĩ Vương lão đại của các anh cũng đã nói sơ qua cho các anh biết rồi, chính phủ sẽ tiến hành giám sát và quản thúc các anh, để tránh việc các anh sẽ gây nguy hại cho xã hội. Do đó, tôi đã sắp xếp cho các anh một công việc trong công ty bảo hiểm, không biết là ý của các anh em thế nào?" Chuyện này Phương Hạo Vân chỉ nói qua với Vương Đại Ngưu, hắn vẫn chưa kịp nói với các anh em khác.

Nghe Phương Hạo Vân nói thế, sảnh Tụ Nghĩa lại lần nữa ồn ào lên, dường như ý kiến của mọi người khác nhau, có người, thì cảm thấy không có gì hơn nữa, nhưng lại có người nóng lòng muốn trở về quê thăm người thân.

Vương Đại Ngưu thấy vậy, lớn tiếng trách mắng: "Yên lặng nào, ồn gì mà ồn. tâm tư của các anh em tôi hiểu. trong các anh em có người, ở quê nhà còn có người thân, nên muốn mau chóng quay về đoàn tụ với người thân. Đó vốn là chuyện bình thường, nhưng các anh em đã từng nghĩ qua chưa. nếu không có sự giúp

đỡ của Phương thiếu gia, các anh em có thể trở về hay không? Cho dù có về được, thì các anh em có được tự do hay không?"

Vừa nói xong, cả hiện trường liền yên lặng trở lại.

Phải công nhận rằng, Vương Đại Ngưu đã nói vấn đề then chốt nhất, nói đến trọng điểm của vấn đề.

Đối với cá nhân họ mà nói, nên làm thế nào ứng phó với sự quản chế của chính phủ, đúng là một chuyện khá là phiền phức.

"Các vị, tâm tư của các anh em tôi rất hiểu. nhưng các anh em không hiểu hết ý của tôi." Phương Hạo Vân nhìn mọi người, cười nói: "Các vị, gia nhập vào công ty bảo hiểm của tôi, không đồng nghĩa với việc bán thân cho tôi. đến lúc đó tôi sẽ ý hợp đồng lao động với các anh em theo đúng luật lao động của nhà nước, mỗi lần ký là năm năm. sau khi hết hạn hợp đồng làn thứ nhất, thì thời gian quản chế của các anh em cũng đã kết thúc, đến lúc đó các anh em tùy ý muốn đi đâu thì đi, tôi sẽ không ngăn cản. Ngoài ra, sau khi mọi người về Hoa Hải, tôi sẽ sắp xếp cho mọi người được gặp mặt người thân."

Có mấy anh em vội vàng đứng dậy, hỏi: "Phương thiếu gia, cậu nói thật đấy chứ?"

"Là thật.!"

Phương Hạo Vân nhìn mọi người cười: "Các anh em, đó là một lời hứa. của một người đàn ông như tôi. đương nhiên, tôi sẽ không ép các anh em, nếu ai tự nguyện theo tôi, tôi rất hoan nghênh, nếu không tự nguyện theo tôi, tôi cũng sẽ nghĩ cách giúp các anh em mau chóng về nhà. nhưng cuộc sống sau này của các anh em như thế nào, thì tôi sẽ không lo đến nữa."

Nghe Phương Hạo Vân nói thế, sảnh Tụ Nghĩa đột nhiên vang lên những tiếng vỗ tay nồng nhiệt, dường như mọi người đã bị Phương Hạo Vân cảm động rồi.

"Các anh em, trong lòng các anh em còn có thắc mắc gì, thì mau chóng nói ra. tôi sẽ trả lời cho các anh em." Hôm nay Phương Hạo Vân đã chuẩn bị rất kỹ, chỉ một lần đã có thể thuyết phục được đám thô lỗ này.

"Phương thiếu gia, cậu có thể nói rõ đãi ngộ cho chúng tôi sau này không?" Một tên to gan đứng lên hỏi: "Ví dụ như tôi, tôi định sẽ làm ở công ty cậu cả đời, cậu có nuôi tôi được cả đời không?"

Phương Hạo Vân nghe nói, ánh mắt chuyển sang nhìn người đó đanh giọng nói: "Hỏi hay lắm. câu hỏi này của anh đúng là đã hỏi đúng điểm quan trọng. bây giờ tôi lấy danh dự của một người đàn ông mà đảm bảo với các anh em, sau này những anh em nào đã làm ở công ty tôi được 15 năm, tôi lo cho đến cuối cùng."

"Phương thiếu gia, tôi muốn hỏi một câu. nếu trong lúc chúng tôi đang làm nhiệm vụ, có bị thương, thậm chí là tử vong. thì cậu tính thế nào?" Đây là một vấn đề khá là nhạy cảm.

Phương Hạo Vân hơi trầm ngâm một lúc, liền nói: "Tính chất của công ty bảo hiểm tin rằng các anh em cũng đã rõ, cho nên những tổn thất trong tương lai là không thể tránh được, đương nhiên, trong một số tình huống, tính mạng của mọi người sẽ không bị uy hiếp. nhưng nếu đã có người hỏi đến, vậy thì tôi cũng không ngại mà nói luôn cách nghĩ của tôi. Nếu quả thật có ai bị tổn thương hoặc hy sinh tính mạng lúc đang chấp hành nhiệm vụ. tôi cũng sẽ chịu trách nhiệm đến cùng các anh em nghe cho rõ đây, cái mà tôi nói là chịu trách nhiệm đến cùng, khác hoàn toàn so với lúc nãy tôi nói, tôi không những phụ trách về vết thương, và sự hy sinh của các anh em, mà còn lo luôn cho cả gia đình nữa. ba mẹ của các anh em tôi sẽ phụ trách dưỡng già, đến nơi yên nghỉ cuối cùng, con của các anh em tôi sẽ cho học đại học, phụ trách giáo dục cho họ thành người. tóm lại, Phương Hạo Vân tôi không để cho anh em đổ một giọt mồ hôi, hay một gọt máu một cách lãng phí đâu."

Nói xong câu này, hiện trường bỗng vang lên tiếng vỗ tay như sấm rền, hồi lâu sau mới dứt.

Những người đàn ông ở đây đều là những người trọng tình, nói nghĩa khí, nghe Hạo Vân nói thế, có người thậm chí còn rơi cả lệ, họ đã thật sự được Phương Hạo Vân cảm động rồi.

"Mọi người yên lặng một lúc.!"

Phương Hạo Vân lại lần nữa ra hiệu cho mọi người yên lặng, sau đó nói: "Các anh em, đừng có vui mừng sớm như vậy, con người tôi rất nói nghĩa khí, trọng tình cảm, nhưng cũng không thể không phân nặng nhẹ.

Bây giờ là thời buổi kinh tế thị trường. tôi dẫn các anh em ra, nếu các anh em không thể tạo ra giá trị gì cho tôi, thì các anh em sẽ không nhận lại được những lợi ích từ tôi."

Vương Nhị Ngưu nghe xong, bỗng hét lên: "Phương thiếu gia, cậu đừng xem thường chúng tôi quá. chỉ với anh em chúng tôi thôi, những chuyện khác tôi không dám nói, nhưng nếu làm công việc bảo hiểm, chúng tôi chắc chắn sẽ làm ra trò."

"Đúng. chúng tôi có thể làm tốt." Theo những lời Vương Nhị Ngưu nói, cả hiện trường bống vang lên những tiếng reo hò, những người đàn ông ở trong rừng này, chẳng ai muốn mình bị xem thường cả.

488. Chương 15: Sau Này Tôi Có Thể Cảm Thấy Tự Hào Vì Các Anh

Ngừng một lúc, hắn huơ tay nói: "Tôi tin các anh em đều là nam tử hán. nên tôi cũng tin rằng các anh em sẽ không khiến tôi thất vọng. Đồng thời, cũng xin các anh em tin tưởng tôi, tôi cũng sẽ không khiến mọi người thất vọng."

"Tôi mong rằng, sau này tôi có thể cảm thấy tự hào vì các anh em." Phương Hạo Vân tiếp tục bộc lộ tình cảm.

"Nhất định.!" Vương Nhị Ngưu lại rống lên.

Phương Hạo Vân thẳng vai lại, đanh giọng nói: "Các anh em, nếu còn có yêu cầu gì, thì hãy nói ra, tôi sẽ cố gắng giải quyết cho các anh em?" Chỉ với vị trí bây giờ, ấn tượng của Phương Hạo Vân đối với những người này cũng không tệ, những người này đã lâu không sống ở thành phố, nên tâm tính đơn thuần, tư tưởng chất phác, đúng là một hạt giống tốt.

Tuy là tạm thời, vẫn chưa thể khiến họ đến mức độ xích đảm trung can, nhưng Phương Hạo Vân có lòng tin, chỉ cần những người này theo mình làm việc, chỉ khoảng nửa năm, thì chắc chắn có thể triệt để đồng hóa họ.

Nghe lời Phương Hạo Vân nói, sảnh Tụ Nghĩa liền yên lặng trở lại.

Mọi người đều cảm thấy những chuyện bây giờ đã đủ để Phương thiếu gia phiền phức rồi, đâu dám nói ra thêm yêu cầu gì nữa.

Phương Hạo Vân lặng đi một lúc, liền hiểu ra tâm tư của mọi người, hắn nhìn sang anh em nhà họ Vương, cười nói: "Đại Ngưu, Nhị Ngưu, tôi đã từng nói sẽ truyền thụ lại Thất Tuyệt Đao chính tông cho các anh. hôm nay tôi sẽ thực hiện đúng lời hứa của tôi."

Nghe Phương Hạo Vân nói thế, anh em nhà họ Vương không nói thêm lời nào, quỳ ngay trước mặt mọi người, Vương Đại Ngưu nghẹn ngào nói: "Phương thiếu gia, xin nhận một lạy của anh em chúng tôi." Nói xong, hai anh em họ liền lạy một lạy cám ơn.

Phương Hạo Vân không từ chối đại lễ mà anh em nhà họ Vương dành cho hắn, từ một ý nghĩa nào đó, đại lễ của anh em họ, hắn xứng đáng được nhận, nên biết rằng, Thất Tuyệt Đao này đối với hậu nhân của đại đao Vương Ngũ rất là quan trọng, ơn như tái tạo.

Anh em nhà họ Vương quỳ lạy xong, các anh em đang có mặt cũng lần lượt khấu đầu tạ ơn. Dưới gối nam nhi có vàng, để quỳ lạy trời, lạy đất, lạy ba mẹ. nhưng đại ơn đại đức mà Phương Hạo Vân dành cho họ, ơn như tái tạo, cái lạy này là xứng đáng.

"Được rồi, mọi người đứng dậy đi." Phương Hạo Vân hiểu tính cách của những người này, nếu hắn cứ kiên quyết không nhận lễ, ngược lại sẽ khiến họ không được vui.

Mọi người đứng dậy xong, cung kính đứng trên Tự Nghĩa sảnh, không ai ngồi nữa.

Cái này hoàn toàn là vì muốn tỏ lòng tôn kính đối với Phương Hạo Vân.

Phương Hạo Vân cảm thấy rất an ủi, cười nói: "Đủ rồi, mọi người có cảm ơn thì cũng đã cám ơn rồi, lạy cũng lạy rồi. bây giờ chắc cũng nên nói ra yêu cầu của mọi người đi chứ? Cứ yên tâm mà nói, chỉ cần tôi đáp ứng được thì tôi đều đáp ứng hết."

Vương Đại Ngưu bước lên trước vài bước, nói: "Phương thiếu gia, chúng tôi nào đâu dám có yêu cầu gì, cậu đã cho chúng tôi cơ hội được về nhà, khiến chúng tôi thoát khỏi rừng xanh, có được thân phận mới. Từ nay về sau, chúng tôi có thể đường đường chính chính mà làm một người đàng hoàng rồi. Đại ơn đại đức của cậu, chúng tôi e là khó mà báo đáp được. như vậy, chúng tôi cũng đã rất cảm kích. chúng tôi đâu dám đề ra thêm yêu cầu gì."

Vương Đại Ngưu vừa nói xong, liền được mọi người hưởng ứng.

Phương Hạo Vân thở dài một tiếng, nói: "Xem ra mọi người vẫn chưa xem tôi là người trong nhà."

"Phương thiếu gia, cậu hiểu lầm rồi, không phải chúng tôi không nói, cũng không phải chúng tôi không xem cậu là người mình. chủ yếu là chúng tôi thật sự không muốn làm phiền cậu thêm nữa."

Vương Đại Ngưu đanh giọng nói: "Phương thiếu gia, những người khác nghĩ gì thì tôi mặc kệ, dù gì thì từ hôm nay trở đi, từ giờ trở đi, Vương Đại Ngưu tôi theo cậu chắc rồi. cho dù có giết người phóng hỏa, tôi cũng không chối từ."

"Tôi cũng vậy." Vương Nhị Ngưu liền tỏ thái độ: "Sau này tôi nghe theo Phương thiếu gia cậu, chỉ cần Phương thiếu gia ra lệnh, cho dù có lên núi đao, xuống biển lửa, Vương Nhị Ngưu tôi cũng không lùi nửa bước."

Nghe anh em nhà họ vương nói thế, mọi người cũng lần lượt tỏ rõ lòng trung thành của mình.

Phương Hạo Vân cười thầm trong lòng, xem ra mục tiêu hôm nay của mình đã thành công.

Suy nghĩ một lúc, hắn đột nhiên sực nhớ, nói: "Các anh em, nếu các anh em đã không chịu làm phiền tôi. vậy thì tôi sẽ chủ động cho các anh em."

Nói đến đây, Phương Hạo Vân nhìn đám người này, cười nói: "Các anh em muốn có đàn bà không?"

Vừa nghe xong, trên mặt mọi người đều tỏ vẻ ngạc nhiên.

Vương Nhị Ngưu không kềm được hiếu kỳ, hỏi: "Phương thiếu gia, chẳng lẽ cậu muốn kiếm vài cô gái cho anh em chúng tôi tiêu khiển sao?"

Vương Nhi Ngưu hỏi thế, hiện trường liền hỗn loạn, đàn ông rất thích tám chuyện đàn bà, nhất là những người này đã lâu không đụng đến đàn bà.

Đến cả anh em nhà họ Vương cũng trong 3 tháng gần đây mới ra chơi gái một lần, có người thậm chí đã nửa năm rồi không đụng vào đàn bà. Đó cũng là nguyên nhân mà Vương Đại Ngưu kiên quyết phải cho người giữ cửa, hắn sợ đám anh em không kềm chế nổi, thì sẽ xảy ra chuyện lớn.

Vương Đại Ngưu thấy tình hình đã bắt đầu hỗn loạn, mọi người không ngừng nói những lời tục tĩu, liền nổi giận, hắn rút súng ra, liền bắn vào không trung, hiện trường, Vương Đại Ngưu nhân lúc đó hét to giận dữ: "Im miệng hết cho tôi. tụi bây không sợ Phương thiếu gia cười chê à, tụi bây nhìn coi, làm như chưa từng thấy qua đàn bà vậy?"

Vương Nhị Ngưu trợn tròn mắt, nói một câu công bằng dùm mọi người: "Đại ca, tình hình trong trại chẳng lẽ anh không rõ sao. anh em chúng ta chẳng phải không thấy qua đàn bà sao?"

Nói xong câu này, liền được mọi người hùa theo.

Vương Đại Ngưu định lên tiếng giáo huấn tiếp, nhưng lại bị Phương Hạo Vân ngăn lại, hắn cười nói: "Đừng ngại. có người đàn ông nào không muốn đàn bà chứ. các anh em, nghe tôi nói, tôi muốn hỏi các anh em, các anh em có muốn thành gia lập thất không?"

Vương Đại Ngưu nghe xong, liền hiểu ngay vấn đề, thì ra Phương thiếu gia có ý này, hắn muốn để cho các anh em thành gia lập thất.

"Muốn.!"

Đến cả Vương Nhị Ngưu đang đứng trong đám đông của đồng thanh đáp lại câu hỏi của Phương Hạo Vân, đã mấy chục tuổi đầu rồi, ai mà không muốn lấy vợ sinh con chứ.

Nếu là lúc trước, họ có mơ cũng không dám mơ tới, hôm nay nghe Phương Hạo Vân nói thế, tâm tư của mọi người như được sống lại.

Vương Đại Ngưu suy nghĩ một lúc, hỏi một câu rất thật tế: "Phương thiếu gia, tôi biết là cậu muốn tốt cho chúng tôi. nhưng loại người như chúng tôi, cậu cảm thấy có ai dám lấy chúng tôi sao."

"Không thành vấn đề. đàn ông bốn mươi như một đóa hoa. bây giờ các anh em chẳng qua chỉ mới khoảng 30 thôi, chỉ cần có tiền, không sợ không có đàn bà theo. Yên tâm đi, chuyện này hãy giao cho tôi, sau khi trở về Hoa Hải mọi chuyện đều yên ổn, tôi sẽ sắp xếp cho các anh em." Phương Hạo Vân cười nói: "Tôi đảm bảo mỗi người trong các anh em đều có vợ ngoan cả."

"Thật sao?" Vương Nhị Ngưu có vẻ kích động nói: "Phương thiếu gia, tôi muốn vợ đẹp cơ."

"Hỗn láo, không được vô lễ." Vương Đại Ngưu trách móc, nói: "Nói bậy gì chứ. Phương thiếu gia có thể giới thiệu đối tượng cho chúng ta, đã là phước mà chúng ta tu 8 đời rồi, yêu cầu của em hơi cao. em thích xinh đẹp, mà người xinh đẹp có chịu ưng em không."

"Dù gì thì em không chịu xấu đâu." Vương Nhị Ngưu mặt đầy thiệt thòi nói: "Em thà ít mà tốt."

"Đồ khốn.!"

Vương Đại Ngưu nổi giận, liền tiến qua đó chuẩn bị đánh em trai mình một bạt tay, Phương thiếu gia người ta có lòng tốt, em thì cứ thích đòi kén cá chọn canh, còn thêm nhiều điều kiện nữa. "Dừng tay.!"

Chân Phương Hạo Vân khẽ trượt một cái, chỉ trong chớp mắt cả thân người hắn đã xuất hiện ngay giữa hai anh em nhà họ Vương, tốc độ nhanh như thế đã làm xuất hiện những tiếng trầm trồ khen ngợi.

Trước lúc đó, mọi người chỉ là thông qua anh em nhà họ Vương biết được tên Phương thiếu gia thần bí này võ công rất lợi hại, nhưng rốt cuộc lợi hại thế nào, đúng là họ chưa từng được gặp qua.

Lần này đúng thật là đã nhìn thấy một mặt sức mạnh của hắn.

Võ công thì mọi người đều biết, nhưng thân hình và bộ pháp như của Phương Hạo Vân, đúng là đã khiến mọi người đại khai nhãn giới…có thể nói là, thân hình bộ pháp mà Phương Hạo Vân thi triển, đã vượt quá phạm vi hiểu biết về võ công của họ.

"Đại Ngưu, yêu cầu của Nhị Ngưu cũng không có gì quá đáng…ai ai cũng có lòng yêu thích cái đẹp mà…yên tâm đi. Những người đàn bà mà tôi giới thiệu cho các anh em tuy không thuộc hàng quốc sắc thiên hương, nhưng cũng không xấu…đương nhiên, có thể thành hay không, bản thân các anh em cũng là một nhân tố quan trọng. Nếu trong số các anh có ai không cố gắng, không chiếm được trái tim đàn bà, đến lúc đó không được trách tôi đâu đấy…" Đối diện với sự kính phục của mọi người, Phương Hạo Vân sắc mặt vẫn bình thường nói.

"Ha ha…!"

Vương Đại Ngưu liền cười: "Phương thiếu gia, có câu nói này của anh, các anh em đã yên tâm rồi…cậu yên tâm đi, các anh em cua gái cũng không thua kém đâu…"

"Đúng vậy, liên quan đến hạnh phúc cả đời mà, ai cam tâm để lạc hậu chứ. Mọi người nói đi, tôi nói có đúng không…" Vương Nhị Ngưu lại rống lên lần nữa.

"Đúng…!"

Mọi người đồng thanh đáp, vui mừng hớn hở, đến nỗi muốn nhảy cả lên.

Thấy mọi người vui mừng, trong lòng Phương Hạo Vân cũng rất vui, giúp người vốn là một chuyện đáng vui mà, huống chi được Hạo Vân giúp đỡ cho họ đúng là chuyện đáng mừng hơn.

Có thể tưởng tượng là, sau này những người này sẽ giúp được hắn rất nhiều.

Điều quan trọng là, những người này đã chịu đại ơn huệ của hắn, nên mức độ trung thành có thể tin được.

"Chuyện này cứ tính như vậy nhé…hôm sau tôi sẽ liên lạc chuyện trở về, thời gian gần đây, các anh em hãy chuẩn bị sẵn hành lý, những gì cần mang thì cứ mang, những cái còn lại thì bỏ đi…" Phương Hạo Vân suy nghĩ một lúc nói: "Trong nước cấm mang súng, nên trước khi đi, hãy hủy hết súng đạn của các anh em…"

Vừa nghe xong, Vương Nhị Ngưu liền không vui: "Phương thiếu gia, không có súng sao chúng tôi làm việc cho cậu?"

Vương Đại Ngưu bước qua, khõ một cái vào đầu em trai mình: "Em ngốc thế…em xem Hoa Hải giống chốn rừng rậm này à, em định mang súng đi lên phố sao…em không biết dùng Thất Tuyệt Đao hả?"

Phương Hạo Vân giải thích nói: "Súng đạn của các anh bây giờ cần phải được hủy…hay là để tôi thương lượng một chút, để cho quân biên phòng lấy đi…chuyện sau này, tôi sẽ tự sắp xếp. Được rồi, những gì cần nói tôi đã nói hết, mọi người có thể giải tán được rồi…Đại Ngưu, Nhị Ngưu ở lại…"

Đợi đến khi mọi người đã đi khỏi, Phương Hạo Vân đanh giọng nói: "Thất Tuyệt Đao của nhà họ Vương, thật ra là một môn nội gia đao pháp…mấy hôm trước tôi đã xem qua đao pháp của hai người, chỉ có bề ngoài, chứ không có cái thần bên trong…tôi đoán chừng hai người đã không biết cách kết hợp giữa tâm pháp và đao pháp…hôm nay tôi sẽ truyền thụ hết cho hai anh…" Nói xong, Hạo Vân đem tâm pháp mà mình đã viết ra đưa cho Vương Đại Ngưu: "Hai anh em các anh nếu đã đọc thuộc rồi thì đem đốt đi…"

"Tôi hiểu rồi…!"

Vương Đại Ngưu đưa hai tay nhận lấy, liền đem cất ngay.

Sau đó, Phương Hạo Vân liền nhận lấy đại đao từ trong tay Nhị Ngưu, nhắc nhở nói: "Xem kỹ nhé, tôi sẽ đánh thử 3 lần…có thể học được không, phải xem bản thân các anh rồi…"

Nói xong, Phương Hạo Vân bèn vung đại đao lên, thi triển hai chiêu thức cuối của Thất Tuyệt Đao Pháp. Lần thứ nhất, tốc độ của hắn rất chậm, lấy động tác để mà phân giải. Lần thứ hai, hắn liên kết hết tất cả các động tác với nhau, đánh một hơi hết hai chiêu. Lần thứ ba, hắn kết hợp giữa chiêu thức với chân khí nội gia, trên thanh đao vốn rất bình thường liền xuất liền một luồng đao khí, khiến anh em nhà họ vương xem đến mê mệt.

"Sao nào? Đều xem rõ cả chứ?" Phương Hạo Vân thu lại đại đao hỏi.

"Chiêu thức của đao đều đã nhìn rõ." Người nói chuyện chính là Vương Đại Ngưu, bản thân hắn đã luyện đao từ lúc năm tuổi, tính cho đến nay đã hơn hai mươi năm rồi, nên cũng có am hiểu sâu sắc về đao pháp, đừng nói là 3 lần, cho dù chỉ có một lần, hắn cũng có thể rõ ràng. Nhưng muốn đạt đến trình độ như Phương Hạo Vân, vậy thì khó rồi.

Vương Nhị Ngưu nói một các ngốc ngếch: "Em nhìn không được rõ lắm."

"Sau này anh sẽ dạy em." Vương Đại Ngưu căn dặn em trai mình, sau đó liền quay đầu, nói với Phương Hạo Vân với vẻ mặt đầy ngưỡng mộ: "Phương thiếu gia, xem như hôm nay tôi đã được mở rộng tầm mắt, chỉ với một thanh đao bình thường mà cậu đã có thể đánh ra được đao khí như trong truyền thuyết, tôi nghĩ Thất Tuyệt Đao này cho dù có là Vương Ngũ tổ tông cũng chưa chắc mạnh bằng cậu." Câu nói này không phải nịnh nọt đâu, mà là sự thật. Đao pháp của Đại Đao Vương Ngũ có thể nhuần nhuyễn hơn của Phương Hạo Vân. Cho nên, cho dù có là Đại Đao Vương Ngũ năm xưa, cũng chưa chắc có thể thi triển được đao khí.

489. Chương 16: Ăn Mặc Đẹp Đi Cua Gái

"Xin được lãnh giáo.!"

Anh em nhà họ Vương gật đầu.

Lúc này, sự sùng bái của anh em họ đối với Phương Hạo Vân đã đến bước không thể nào lên được nữa.

"Được rồi, tôi về trước đây, hai anh cũng nên mau chóng trở về nghỉ ngơi. trong vòng một, hai ngày tới, chúng tôi sẽ khởi hành về Hoa Hải." Phương Hạo Vân căn dặn rồi quay lưng đi khỏi.

Đợi khi Phương Hạo Vân đã đi khuất, tâm trạng của hai anh em họ vẫn chưa thể bình tĩnh lại được. Vương Nhị Ngưu vô cùng ngưỡng mộ nói: "Đại Ca, anh nói xem Phương thiếu gia có còn là người không?"

"Xí. em nói vậy là sao. Nhị Ngưu, Phương thiếu gia đối với chúng ta ơn trọng như núi, tuy cậu ấy không có ý muốn nhận chúng ta làm đệ tử, nhưng từ hôm nay trở đi, từ giờ trở đi, chúng ta sẽ đối đãi với Phương thiếu gia như thầy của mình vậy, không được để lơ là." Vương Đại Ngưu nói với nhiều ẩn ý sâu xa.

"Em đã nhìn chán rồi, mọi chuyện tùy duyên vậy…!" Phương Tuyết Di nói một câu nửa vời. Trác Nhã thấy con gái mình, đã mấy lần từ chối Hoàng Kỳ Anh, liền thấy sốt ruột. Nhưng những chuyện này bà có sốt ruột cũng chẳng giải quyết được gì, bà đâu phải đương sự.

Thấy Hoàng Kỳ Anh một mình uống rượu buồn, Trác Nhã lo lắng hắn bị đả kích có thể sẽ bỏ cuộc, vội vàng qua ngồi với hắn: "Sao nào? Bị đả kích rồi à?" Hoàng Kỳ Anh nghe xong, khẽ gật đầu, tự cười mình nói: "Dì à, dì bảo hôm nay có phải con đã thất bại rồi không?"

Trác Nhã đanh giọng nói: "Kỳ Anh…chẳng giống tác phong của con chút nào cả…mới bắt đầu mà con đã cúi đầu chịu thua sao…dì hỏi con một câu thật lòng, con nhất định phải thật thà trả lời cho dì biết, trong lòng con rốt cuộc có thích Tuyết Di không…có định cưới nó không?"

490. Chương 17: Kim Phi Chỉ Huy Chém Người

Hoàng Kỳ Anh ngẩng đầu lên, ánh mắt nhìn chăm chằm vào Trác Nhã, giọng nói có vẻ nghiêm túc: "Dì à, từ sau khi dì cho con xem tấm hình của Tuyết Di, thì con đã động lòng rồi. Bây giờ được gặp người thật, trong lòng con càng chắc chắn hơn…tuy tuổi tác giữa chúng con cách biệt nhau khá nhiều, có thể có sự khác biệt, nhưng con vẫn phải nói, con đối với Tuyết Di đúng là vừa gặp đã yêu…"

"Ha ha…!"

Trác Nhã nghe xong, cười tươi rạng rỡ, trong lòng đã nghĩ ra được cách.

"Kỳ Anh, nghe dì nói, tính khí Tuyết Di là vậy đó…nó không mấy thích giao du với mấy công tử con nhà giàu, vì nó luôn cảm thấy phẩm hạnh của mấy công tử con nhà giàu thường không đứng đắn, không hiểu chuyện, không biết thương người, sau này nếu sống cùng nhau, e là khó mà qua ngày được…nhưng dì đối với con người của con, tuy con xuất thân trong gia đình giàu có, nhưng con khác với những cậu ấm đó…dì tin rằng, chỉ cần Tuyết Di tiếp xúc với con, tìm hiểu con người con, thì nó sẽ dần dần chấp nhận được con. Cho nên, con nhất định phải cố gắng, đừng dễ dàng bỏ cuộc như vậy…" Trác Nhã cổ vũ nói.

"Dì à, dì yên tâm đi, bất luận thế nào, con cũng sẽ không dễ gì bỏ cuộc…" Hoàng Kỳ Anh nghiêm túc nói.

"Ha ha…!"

Trác Nhã nói với vẻ thích thú: "Dì ủng hộ con…!"

"Cám ơn dì đã cổ vũ con, con sẽ cố gắng mà." Được Trác Nhã cổ vũ, tâm trạng Hoàng Kỳ Anh liền tốt trở lại.

Ngày tháng còn dài, hắn tin rằng Phương Tuyết Di sớm muộn gì cũng chấp nhận hắn.

Trước cửa quán bar Thủy Nguyệt, đột nhiên có mấy chiếc xe sang trọng chạy đến, người ngồi trên ghế của tay lái phụ chính là Kim Phi.

Cô dặn dò với cái tên ngồi trước cô, rồi mở cửa bước xuống xe. Cùng lúc đó, trên mấy chiếc xe du lịch bước xuống 30 tên mặc áo đen.

Lúc này, chính là lúc cuộc sống về đêm mới bắt đầu, quán bar Thủy Nguyệt là quán bar lớn dưới sự quản lý của băng đầu trọc ở Hoa Hải, cũng được xem là nổi tiếng ở khu Linh Giang thuộc Hoa Hải. Mấy cô em ở đây rất có tiếng, nghe nói có nhiều cô còn là sinh viên, chỉ cần tốn bốn hay năm trăm bạc là đã có thể bao qua đêm.

Lúc này, đang là lúc ồn ào náo nhiệt ở ngay trước cửa quán bar, đủ các loại người qua lại tấp nập, một cảnh tượng đông vui. Cô tiếp tân ở trước cửa quán bar, không ngừng cúi người chào khách, mỗi lần cô cúi chào, trên cổ áo của cô cũng để lộ ra một khe ngực sâu, chỗ xẻ của chiếc áo dài dường như cũng được cố tình làm cao hơn, không những nhìn thấy cả đùi, thậm chí còn nhìn thấy cả quần lót, một số vị khách khá to gan, khi đi ngang qua đã tiện tay véo vào mông cô một cái.

Với những chuyện thế này, mấy cô tiếp viên lẳng lơ, chỉ đành rên nhẹ một tiếng, chứ không hề cự tuyệt, trông rất phong tình.

Kim Phi đứng trước cửa, lặng lẽ nhìn một lúc, quả nhiên cô nhìn thấy có những người khách dẫn theo mấy cô em mặt còn non nớt lên xe rồi đi khỏi.

"Vào trong…!"

Ánh mắt Kim Phi lạnh lùng, hạ lệnh.

Liền đó, ba mươi tên đàn ông liền xông vào, hai bảo vệ ở trước cửa thấy vậy, vội vàng tiến lên ngăn cản, Kim Phi bước đến, một chân đá vào dưới đũng quần của một tên bảo vệ, kéo theo đó là một tiếng la thê thảm. Tên vệ sĩ đã té xuống đất…đồng thời, một tên đàn ông ở bên cạnh Kim Phi cũng đã giải quyết xong tên bảo vệ còn lại.

Mọi người tiến hết vào trong.

Trong đại sảnh của quán bar rất náo nhiệt, trên sân khấu hình chữ T, một đám thanh niên điên cuồng đang đung đưa lắc lư theo điệu nhạc xập xình, từ sự điên cuồng của đám người này có thể thấy, Kim Phi đoán là họ đã dùng thuốc.

Tên quản lý thấy tình hình không ổn, liền chạy lên, nở nụ cười với mấy tên đàn ông đến đây không có thiên ý: "Mấy vị đại ca, có cần gì không? Tôi chính là quản lý ở đây…đây là danh thiếp của tôi, mọi người đều gọi tôi là Ma Ngũ…"

"Đây là chị hai của bọn tao…" Một tên đứng đầu nói, đưa tay nhận lấy danh thiếp của Ma Ngũ, mặt đầy khinh khi, giới thiệu Kim Phi với hắn.

Bình tâm mà nói, đối với quyết định điên cuồng lúc nãy của Trần Thanh Thanh, sau này không biết sẽ là hối hận, hay là không hối hận.

"Hạo Vân, chị yêu em." Sau khi bình tĩnh lại, Trần Thanh Thanh bỗng nhiên ôm chầm lấy cổ người đàn ông, hôn nồng nhiệt lên cổ hắn, mặt hắn.

Phương Hạo Vân khẽ động lòng, đưa tay vuốt lưng người đàn bà, cười nói: "Chị Thanh Thanh, chị đã quyết định rồi à?"

"Chị không biết, chị chỉ biết là, chị rất yêu em" Nói xong, Trần Thanh Thanh lại lần nữa hôn lên môi Phương Hạo Vân, không để hắn kịp nói thêm gì.

Lúc lâu sau, cho đến khi Trần Thanh Thanh cảm thấy hít thở khó khăn mới chịu rời môi người đàn ông ra.

"Hạo Vân, chị chỉ biết là chị rất yêu em. nhưng chị không cách nào chấp nhận chuyện phải chia sẻ tình yêu của em với nhiều người đàn bà như vậy. hãy cho chị chút thời gian, được không?" Sau khi hôn xong dường như Trần Thanh Thanh đã bình tĩnh hơn nhiều. Không có người đàn bà nào chịu chia sẻ người yêu của mình với người đàn bà khác, Trần Thanh Thanh cũng không ngoại lệ, nhưng cô lại không cách nào từ bỏ được Hạo Vân. Hai người sống gần nhau bấy lâu, không ngừng hiểu nhau, tình yêu của cô dành cho Phương Hạo Vân cũng lớn dần theo.

"Chị Thanh Thanh, đừng làm khó dễ mình như vậy." Phương Hạo Vân nhỏ nhẹ nói: "Tại em không tốt." Nói xong, hắn ôm người đàn bà chặt hơn.

Trần Thanh Thanh tựa má mình sát vào ngực Phương Hạo Vân, buồn bã nói: "Chị rất hận bản thân chị. lúc trước chị nên ra tay sớm hơn thì em sẽ là người đàn ông duy nhất của chị."

Nói xong, Trần Thanh Thanh bèn khóc.

Phương Hạo Vân kề môi, hôn vào giọt nước mắt trên má cô, nghiêm túc nói: "Chị Thanh Thanh, lỗi tại em cả. chị là một cô gái tốt. nếu chị đồng ý, em sẽ mang lại hạnh phúc cho chị."

Trần Thanh Thanh không nói thêm nữa, chị áp má mình vào ngực người đàn ông, tiếp tục lắng nghe tiếng tim hắn đập, cô biết tim người đan ông này đang đập vì mình, như vậy cũng đã đủ rồi. "Hạo Vân, em có thể nói cho chị biết? Ngoài Bạch Lăng Kỳ và Trương Mỹ Kỳ ra, những người đàn bà của em còn có ai nữa?"

Phương Hạo Vân chần chừ một lúc, rồi thản nhiên nói: "Có một người mà chị không biết. còn một người nữa là chị Mai, chắc là chị biết?"

"Chính là Tạ Mai Nhi đã ở chung với em trong khu Lam Tâm Hoa Viên chứ gì?" Trần Thanh Thanh nghe xong, liền rớt nước mắt xuống: "Thì ra hai người đã ở cùng nhau rồi, chả trách, em lại đồng ý cho chị ấy ở chung với em". "Không phải vậy đâu."

Phương Hạo Vân giải thích, nói: "Lúc trước em và chị Mai chỉ là bạn bè. mối quan hệ giữa em và chị mai có tiến triển, cũng chỉ là chuyện gần đây thôi, thật ra cũng chẳng được mấy hôm."

"Người ở gần thì được trước thôi." Sắc mặt Trần Thanh Thanh có vẻ thê lương: "Hạo Vân, em biết không. em có biết tại sao chị phải tham gia cuộc tập huấn quân sự mang tên trò chơi tử thần này không?"

"Em biết.!"

Phương Hạo Vân nghiêm túc nói: "Em Tuyết Nhi đã nói với em rồi. cho dù em ấy không nói, em cũng có thể đoán ra được."

"Tuyết Nhi. nó vẫn khỏe chứ?"

Nghe Phương Hạo Vân nhắc đến Tuyết Nhi, tâm trạng Trần Thanh Thanh đột nhiên trở nên căng thẳng, cô đang nghĩ, cô em gái thân thiết nhất của mình có thể nào cũng chùng chia sẻ tình yêu của người đàn ông này với mình không.

Lúc mới bắt đầu quen Phương Hạo Vân, Hàn Tuyết Nhi từng nhiều lần tỏ ra là cô ấy mới chính là bạn gái Phương Hạo Vân, tuy sau đó đã bị Phương Hạo Vân phủ nhận, nhưng Trần Thanh Thanh cứ luôn cảm thấy trong lòng cô em gái mình thích hắn.

Nghĩ đến đây, trong lòng cô càng thoải mái hơn.

Từng giọt nước mắt chảy lăn xuống má.

Cô đột nhiên cảm thấy, mình đã yêu một người không đáng để yêu.

Nhưng cô đã không thể nào quay đầu lại được nữa.

Mầm mống của tình yêu đã nảy nở trong cô, đã mọc rể sâu trong tim cô rồi.

"Tình hình của em Tuyết Nhi dường như không được tốt lắm." Nhắc đến Hàn Tuyết Nhi, trong lòng Phương Hạo Vân cũng có chút lo lắng: "Em Tuyết Nhi có những biểu hiện ngỗ ngược của thời kỳ dậy thì, tính tình không ổn. trước khi đi, em đã nhiều lần an ủi em ấy, nhưng tình hình vẫn không được tốt lắm, chị Thanh Thanh, sau khi trở về, chị phải nói chuyện với Tuyết Nhi nhiều hơn, đừng để em ấy cảm thấy quá cô đơn."

"Uhm, chị biết rồi.!"

Trần Thanh Thanh gật đầu, nói với nhiều ẩn ý: "Hạo Vân, Tuyết Di cũng có thể đã thích em."

Phương Hạo Vân nghe xong khẽ nhíu mày, không thể phủ nhận rằng, lời nói của Trần Thanh Thanh cũng rất có lý, từ những quan sát của cô có thể thấy, Hàn Tuyết Nhi quả thật có chút ngưỡng mộ Hạo Vân. Nhưng hắn phân tích là, sự ngưỡng mộ của Hàn Tuyết Nhi đối với hắn, chắc là một loại sùng bái anh hùng thôi, không liên quan đến tình yêu. Dù gì thì, tuổi của cô ấy bây giờ cũng chưa hiểu thế nào là yêu.

"Chị Thanh Thanh, Tuyết Nhi còn nhỏ, không hiểu thế nào là yêu. yên tâm đi, giữa chúng em sẽ không có chuyện gì đâu." Phương Hạo Vân nói nhạt.

Trần Thanh Thanh nghe xong, không hieur tại sao, lại thấy nẹh nhõm trng lòng, cô suy nghĩ kỹ về những người đàn bà bên cạnh Hạo Vân. Cảm thấy trong số họ, mình cũn thuộc hàng có thế lực nhất, luận về tướng mạo, nhân phẩm, năng lực, gia thế, cô đều vượt xa so với những người đàn bà bên cạnh Hạo Vân.

Nhưng, cô vẫn còn lo cái người mà cô chưa được biết.

"Hạo Vân, cái người mà chị không quen ấy, rốt cuộc là ai vậy." Trần Thanh Thanh có ý muốn hỏi cho ra lẽ: "Hai người quen nhau như thế nào, cô ấy có ở Hoa Hải không?"

Phương Hạo Vân do dự một lúc, nói nhạt: "Chị Thanh Thanh, tên và thân phận của cô ấy tạm thời bây giờ chưa thể nói cho chị biết được, vì thân phận của cô ấy rất đặc biệt. Còn nữa, bây giờ cô ấy không có ở Hoa Hải. cô ấy đang ở nước ngoài. nhưng giữa chúng em đã có tình nghĩa vợ chồng, hơn nữa cô ấy đối với em cũng rất tình sâu nghĩa nặng, đã vì em mà bỏ đi không biết bao nhiêu thứ. nên em không thể phụ co ấy. còn nữa, em còn một người tình đầu tiên đã quen sáu năm trước. năm đó vì một số nguyên nhân mà chúng em đã xa nhau, bây giờ chúng em đã gặp lại, tuy tạm thời bây giờ chũng em vẫn chưa mấy hòa hợp, nhưng."

"Hạo Vân, em không cần nói nữa." Trần Thanh Thanh càng biết nhiều hơn, thì trong lòng lại càng thấy hoảng loạn, tâm trạng cũng bấn loạn.

Trực giác nói với cô là, người con gái ở nước ngoài ấy chắc chắc thân phận không hề đơn giản, nếu không thì, Hạo Vân sẽ không che dấu cô ấy. Ngoài ra còn có người tình đầu tiên vào sáu năm trước của hắn, cũng khiến cô vô cùng lo lắng, vì khi Hạo Vân nhắc đến người con gái này, ánh mắt có vẻ rất ngọt ngào.

Trần Thanh Thanh cảm thấy có thể mình sẽ bị thua.

"Hạo Vân, sáu năm trước em bao nhiêu tuổi, lúc đó em còn nhỏ hơn cả Tuyết Nhi bây giờ, em biết cái gì gọi là yêu sao?" Trần Thanh Thanh đột nhiên hỏi.

"Sáu nắm trước?"

Phương Hạo Vân gượng cười, sáu năm trước, hắn đã không còn nhỏ nữa rồi. lúc đó cũng đã biết thế nào là yêu, mà còn yêu rất sâu đậm nữa.

Tiếc là, yêu càng sâu đậm, thì càng đau lòng.

Dường như cảm nhận được sự mất mát trong lòng Phương Hạo Vân, Trần Thanh Thanh chủ động hôn hắn, dịu dàng nói: "Hạo Vân, có phải đã nhớ lại những chuyện không vui không."

"Không có." Phương Hạo Vân thầm nghĩ, cũng chẳng biết bệnh tình của Đinh Tuyết Nhu thế nào rồi, khi nào trở về, hắn nghỉ ngơi vài ngày xong, hắn dự định sẽ đến nhà họ Đinh ở nước Anh, cho dù thế nào, hắn cũng phải thuyết phục ba con nhà họ Đinh hiến tủy cho Tuyết Nhu. Giữa hắn và Đinh Tuyết Nhu sau này có tương lai hay không hắn vẫn chưa biết, nhưng dù sao đi nữa, cũng phải để Đinh Tuyết Nhu tiếp tục sống.

493. Chương 20: Hạo Vân, Em Yêu Chị Đi

Nói một cách khác, quyết định hôm nay của Trần Thanh Thanh là quyết định nông nổi, là bất chấp hậu quả.

Phương Hạo Vân lặng đi một lúc, trong lòng ngứa ngáy, nhưng hắn vẫn còn lý trí, nên không có làm ra những hành động quá khích nào.

Trần Thanh Thanh đang rất bạo dạn để nói lên tình yêu của mình, cơ thể vốn đã bình tĩnh trước đó, lại rạo rực lần nữa, chiếc eo thon thả cùng chiếc mông đầy đặn không kềm được đã khẽ lắc lư, hai tay ôm lấy Hạo Vân, như đang giải phóng tín hiệu của tình yêu.

Phương Hạo Vân là một người đàn ông bình thường, đối diện với điều đầy mê hoặc này, hắn cũng không thể không động lòng, tâm trạng không thể bình tĩnh được nữa.

"Chị Thanh Thanh." Bàn tay của Phương Hạo Vân bất giác từ chỗ eo của người đàn bà đã từ từ trượt xuống, đặt trên mông cô, người đàn bà liền rên khẽ một tiếng.

"Hạo Vân, yêu chị. hãy yêu chị nào." Eo của Trần Thanh Thanh càng lắc lư mạnh hơn, miệng phát ra những tiếng rên đầy mê hoặc.

Phương Hạo Vân cắn nhẹ vào tai của Trần Thanh Thanh, dường như đã động lòng, chính vào lúc đó, bên ngoài cửa vọng lại tiếng gọi của Bạch Quý: "Thiếu chủ nhân. Đại Ngưu bảo có điện thoại từ Hoa Hải gọi lại, bảo cậu và Trần tiểu thư đến nghe."

"Uhm, tôi biết rồi.!"

Phương Hạo Vân đáp lại một tiếng, vội vàng buông Trần Thanh Thanh ra, nói: "Chị Thanh Thanh, có thể ông của chị đã báo số điện thoại vệ tinh ở đây cho ba mẹ chị biết, chúng ta đi nghe điện đi." Phương Hạo Vân cảm thấy thật là nguy hiểm, nếu không phải là Bạch Quý, thì suýt tý nữa hắn đã phạm phải sai lầm.

Nếu muốn đẩy ngã Trần Thanh Thanh, nhưng tuyệt đối không phải trong tình huống này mà đẩy ngã, chứ không thì chỉ rước thêm phiền phức vào thân, hay là cứ đợi sau này khi đã vào quỹ đạo rồi hãy tính tiếp.

"Uhm.!"

Mặt Trần Thanh Thanh đỏ như đang sốt vậy, cúi đầu đáp lại.

Bước ra khỏi phòng, một cơn gió nhẹ thổi qua, Trần Thanh Thanh khẽ run một cái, hồi tưởng lại những chuyện lúc nãy, liền cảm thấy có chút sợ hãi.

Suy cho đến cùng, lúc đó cô có chút ý loạn tình mê, lúc này được một cơn gió thổi qua, dục vọng trong lòng không còn, lý trí đang chiếm thế thượng phong, tâm trang đã khác đi nhiều.

"Hạo Vân, Em ra trước đi, để chị thay đồ xong sẽ ra ngay." Trần Thanh Thanh đột nhiên ý thức được mình đang mặc váy ngủ, dường như có chút không lịch sự.

"Có cần em giúp không?" Phương Hạo Vân hỏi.

"Em ra trước đi, tự chị làm được rồi." Trần Thanh Thanh nói nhạt một câu, rồi tự mình đẩy cửa vào trong.

Bước ra đến sảnh Tụ Nghĩa, Vương Đại Ngưu đang nôn nóng chờ đợi Phương Hạo Vân, điện thoiaj gọi đến từ Hoa Hải, chỉ rõ phải gặp Phương Hạo Vân, Trần Thanh Thanh. Vương Đại Ngưu không phải kẻ ngốc, có thể tìm ra số điện thoại của họ, đương nhiên không phải là người bình thường.

"Phương thiếu gia, cậu đến rồi…của cậu." Thấy Phương Hạo Vân bước đến, Vương Đại Ngưu vội vàng đưa điện thoại sang.

Nhận lấy điện thoại, Phương Hạo Vân đột nhiên nghe thấy giọng nói đấy sốt ruột của Trần Thiên Huy: "Hạo Vân, chú là Trần Thiên Huy…Thanh Thanh sao rồi, nghe nói nó bị thương à, có nguy hiểm gì không?" Từ chỗ Lã Thiên Hành, Trần Thiên Huy biết được số điện thoại này, ông ấy đang lo lắng sự an nguy của con gái, không ngại đêm khuya, đã vội gọi điện đến ngay.

"Chú Trần, con là Hạo Vân…yên tâm đi, chị Thanh Thanh rất khỏe, vết thương đã gần như hồi phục, chú không cần lo lắng…khoảng hai ngày sau, chúng con sẽ về Hoa Hải…" Phương Hạo Vân nói lại tình hình một cách sơ lược.

Sau khi xong việc, hắn nói: "Chị Thanh Thanh sắp đến đây rồi, đến lúc đó chú nói chuyện với chị ấy nhé…"

"Ba…!"

Đúng vào lúc này, Trần Thanh Thanh đã đến đây, nói trong điện thoiaj một tiếng ba.

Phương Hạo Vân vội vàng đưa điện thoại cho Trần Thanh Thanh, co liền cầm lấy ngay, giọng nói có vẻ nghẹn ngào: "Ba, ba và mẹ vẫn khỏe chứ…con rất khỏe, hai người đừng lo cho con…"

Nghe giọng nói của con gái, tâm trạng Trần Thiên Huy như nhẹ nhõm hắn, ông vội vàng quan tâm hỏi: "Thanh Thanh, nghe ông con nói, con đã bị thương, bây giờ sao rồi…huấn luyện có cực khổ không…Hạo Vân và con thế nào?"

"Ba…ba có thể hỏi con từng câu một không…" Trần Thanh Thanh nũng nịu trách, nói: "Ba, Hạo Vân chăm sóc cho con rất tốt, ba và mẹ không cần lo lắng, hai hôm sau tụi con sẽ về, đến lúc đó sẽ kể rõ hơn…đúng rồi, còn mẹ đâu?"

Trần Thiên Huy nói: "Mẹ con vừa ngủ rồi…mấy ngày gần đây bà ấy lo lắng an nguy của con, ăn không ngon, ngủ không yên…tối nay khó khăn lắm mới ngủ được, nên ba không gọi mẹ con dậy. Đợi con về rồi, hai mẹ con từ từ mà nói…vậy đi, Thanh Thanh, con đưa điện thoại cho Hạo Vân, để ba nói vài câu với nó…"

"Dạ…!"

Trần Thanh Thanh ngấn lệ đáp lại một tiếng, đưa điện thoại cho Phương Hạo Vân rồi rời khỏi, nước mắt cứ rơi xuống không ngừng. Tội nghiệp cho tấm lòng của cha mẹ trong thiên hạ,mẹ đã vì cô, mà ăn ngủ không yên, mấy ngày này đúng là đã khiến mẹ lo lắng nhiều.

Trần Thanh Thanh quyết định sau khi trở về, nhất định phải hiếu kính với cha mẹ, không chọc tức họ nữa.

Phương Hạo Vân cầm lấy điện thoại nói: "Chú Trần, nếu không còn chuyện gì khác thì tạm thời cứ vậy trước đi, sau khi về chúng ta sẽ nói tiếp, nói chuyện qua điện thoại vệ tinh, không được an toàn cho lắm."

"Được, vậy thì chú nói ngắn gọn vậy…Kim Gia cho em gái Kim Phi ra mặt, đã bắt đầu xóa sạch những bang phái nhỏ ở trong nội thành Hoa Hải, theo tình hình trước mắt mà nói, tiến triển cũng khá nhanh. Nhưng chuyện giữa Kim Gia và nhà họ Tần vẫn chưa được rõ ràng…con xem chúng ta có cần gây một chút mâu thuẫn bên trng không…" Trần Thiên Huy hỏi.

"Chú Trần, chuyện này chú cứ quyết định…khoảng hai ngày sau con sẽ về đến Hoa Hải…đúng rồi, còn có một chuyện con muốn bàn với chú…con muốn chính thức nhận Vương Thế Phi là ký danh đệ tử, để anh ta phối hợp hành động với Kim Gia. Nhưng bây giờ con vẫn còn kiêng dè một điều, đó chính là Tiểu Điệp…chú Trần, ý của con là, con sẽ nói chuyện với Thế Phi trước, đem chuyện của Tiểu Điệp nói với anh ấy, xem ý của anh ta thế nào…" Chuyện liên quan đến xã hội đen, Hạo Vân đã suy nghĩ xong rồi, chủ yếu chỉ dựa vào Bạch Quý và đám anh em nhà họ Vương, nhưng phía bên Bạch Quý và Vương Thế Phi cũng không nên bỏ qua. Dù sao thì sau này cũng cần dùng đến.

Trên thực tế thì phía bên Vương Thế Phi đã không có vấn đề gì, nếu có thể loại bỏ sự phá rối của Tiểu Điệp, thì cũng có thể xem anh ta là tâm phúc của hắn. Còn về phía Kim Gia, có Kim Phi để hắn nắm, lại thêm dã tâm của ông ấy, thời gian sau này, thu phục ông ta cũng không phải chuyện khó khăn gì.

"Được thôi, thì vậy đi…Hạo Vân, thay chú chăm sóc Thanh Thanh cho tốt, cái ân tình này của con, và sự mạo hiểm của con để đi cứu Thanh Thanh, sau này chú sẽ báo đáp cho con hết." Nói xong câu này, Trần Thanh Thanh bèn chủ động cúp máy. Phương Hạo Vân định nói thêm vài câu khách sáo, cũng không còn

cơ hội nữa. Bộ đội biên phòng đã lấy hết số súng đạn và tiền bạc của anh em nhà họ Vương, đồng thời dẫn theo cả đám người họ đến doanh trại tạm thời.

Buổi trưa, một chiếc xe vận chuyển trung gian, đã chở họ đến chiến khu ở biên giới.

Theo sự sắp xếp của Lã Thiên Hành, đã đăng ký làm danh sách ở chiến khu, rồi sau khi nghỉ ngơi một lúc, sáng sớm ngày mai sẽ trực tiếp đưa họ từ chiến khu trở về Hoa Hải.

Phương Hạo Vân đối với việc này không hề có ý kiến gì.

Anh em nhà họ Vương cùng các anh em trong trại đương nhiên cũng không có ý kiến gì khác, có thể rời khỏi chiến khu, điều đó cũng có nghĩa là đường về nhà cũng không còn xa nữa.

Trần Thanh Thanh được nữ quân y ở bệnh viện trong chiến khu kiểm tra lại vết thương, cô ta rất kinh ngạc khi phát hiện ra, vết thương do súng gây ra của Trần Thanh Thanh chỉ trong một thời gian ngắn đã gần như hồi phục.

Điều càng khiến cô ngạc nhiên hơn, là từ tình hình kiểm tra có thể thấy, sau khi lành lặn, chỗ vết thương của Trần Thanh Thanh, sẽ không để lại bất cứ vết sẹo nào.

Do đó, phó viện trưởng của bệnh viện trong chiến khu đã không ngừng thắc mắc hỏi cô: "Thanh Thanh, vết thương của em là do ai xử lý cho em vậy…tôi thật không thể tưởng tượng nổi, trong một hoàn cảnh như thế, lại có thể xử lý vết thương một cách hoàn hảo như thế…" Từ góc độ chuyên môn của phó viện trưởng mà nhìn, thì cho dù có là bệnh viện chiến khu, với tình hình các thiết bị trị liệu đầy đủ, và do cô ấy tự xử lý lấy, cũng chưa chắc được hiệu quả như vậy.

"Chẳng lẽ em gặp được thần y à?" Phó viện trưởng lại hỏi lần nữa.

Trần Thanh Thanh do dự, không biết nên trả lời thế nào.

Vết thương của mình sở dĩ có thể hồi phục nhanh như vậy, hoàn toàn là kết quả của việc Phương Hạo Vân đã dùng nội gia chân khí để xoa bóp trị liệu cho cô, cách chữa trị này không phải ai cũng có thể học được, trừ phi có nội gia chân khí thâm hậu. Dĩ nhiên đó là điều không thể.

Theo dự đoán của Trần Thanh Thanh, trong phạm vi toàn quốc, nội gia cao thủ như Phương Hạo Vân chắc cũng không được mấy người.

"Cô ơi, vết thương của con là do Hạo Vân xử lý dùm con đó, cụ thể như thế nào thì con không được rõ lắm, hay là cô hỏi em ấy đi…" Phó viện trưởng là một người đàn bà đã ngoài 50, Trần Thanh Thanh gọi bà ta một tiếng cô là đương nhiên thôi.

"Hạo Vân…ý con là, cái vị Phương thiếu gia đi chung với con à?" Phó viện trưởng đã được nghe một số chuyện liên quan đến Phương Hạo Vân từ chỗ của thủ trưởng chiến khu, nhưng những chuyện mà bà biết rất hạn chế, cũng không hề biết Phương Hạo Vân là một cao thủ y học.

"Uhm…" Trần Thanh Thanh cười nói: "Từ khi con bị thương đến giờ, đều do em ấy tự tay chăm sóc cho con…cô đi hỏi em ấy chắc chắn không sai."

"Thanh Thanh à…nếu con đã không sao, vậy thì yên tâm rồi, bây giờ cô đi báo cáo lại tình hình cho thủ trưởng biết…" Nói xong, phó viện trưởng bèn cáo từ rời khỏi. Nhưng bà ta đến tìm Phương Hạo Vân, chứ không phải đi báo cáo.

Tâm tư của phó viện trưởng, Trần Thanh Thanh đương nhiên biết, đó cũng là cái mà cô đang muốn.

Nhìn thấy phó viện trưởng nhanh chóng rời khỏi, Trần Thanh Thanh thầm cười: "Để xme em ứng phó thế nào, ai bảo em ức hiếp em chứ…"

Trong lòng Trần Thanh Thanh vẫn đang tức Phương Hạo Vân, nên cố tình kiếm chuyện cho hắn gặp phiền phức.

Sau khi phó viện trưởng rời khỏi phòng bệnh, liền đến tìm Phương Hạo Vân ngay, hỏi cho ra tình hình vết thương của Trần Thanh Thanh, mục đích là muốn biết hắn đã chữa cho Thanh Thanh như thế nào.

Phương Hạo Vân nhíu mày nói: “Thưa cô viện trưởng…thật ra vết thương của chị Thanh Thanh có thể hồi phục nhanh vậy, không phải là công lao của con, mà là khả năng hồi phục của chị ấy tốt, tố chất cơ thể tốt.” Hạo Vân đang nói dối, nhưng lời nói của hắn cũng rất khoa học, cũng phù hợp y học thường thức. Có một số người thể chất tốt, khả năng phcuj hồi của cơ thể cúng nhanh hơn. Hắn nói vậy, tin rằng phó viện trưởng cũng không nêu được điểm nào không hợp lý.

“Là vậy à…nhưng tốc độ hồi phục này đã vượt qua khả năng thường thấy…Phương thiếu gia, cậu nhó lại xem, có phải cậu đã đắp thuốc gì cho Thanh Thanh không?” Phó viện trưởng là người làm công việc y vụ, lời nói của Hạo Vân tuy có lý, nhưng bà cũng không hoàn toàn tin tưởng.

“Không có, tuyệt đối không có…chỉ là một số loại thuốc quân dụng thôi…thưa cô viện trưởng, em biết cô rất tò mò…vậy đi, hay là co cứ nghiên cứu trên cơ thể chị thanh thanh…đúng rồi, chị Thanh Thanh là một cao thủ, chắc là tự bản thân chị ấy cũng biết trị thương…dù gì thì chuyện này cũng không liên quan đến con…đúng rồi, con còn có chuyện, không làm chậm trễ thì giờ của cô nữa, hẹn gặp sau…” Phương Hạo Vân nói vậy, lại đá ngay cái mâu thuẫn lại cho Trần Thanh Thanh.

Phó viện trưởng suy nghĩ một lúc, quyết định hay là thôi đi, nếu là người bình thường, bà ta có thể xme người ta như chuột mà thí nghiệm một chút, nhưng Trần Thanh Thanh lại là nhân vật đặc biệt, nghe nói lần này chến khu đã ghi công đặc biệt cho cô ấy, được mệnh danh là bông hồng trong quân, đã có quân tịch chính thức rồi.

Đương nhiên, điều này cũng không có gì, điều them chốt là, nhân vật sau lưng cô ấy không thể chọc giận được.

Buổi tối, Trần Thanh Thanh và Phương Hạo Vân lại lần nữa đụng mặt nhau, hai người nhìn nhau một lúc, bèn cười ha ha, Trần Thanh Thanh hỏi trước: “Em làm cách nào đối phó với cô viện trưởng đó vậy…”

“Thì lấy gậy ông đập lưng ông…” Phương Hạo Vân nói nhạt.

“Đồ xấu xa, em chẳng biết thương hoa tiếc ngọc chút nào…khoan đã…hình như cô ấy cũng không đến tìm chị?” Trần Thanh Thanh có chút nghi ngờ.

nhưng rốt cuộc vẫn chưa nhận được một sự chấp nhận chính thức nào của Phương Hạo Vân cả.

Hôm nay bỗng dưng nghe được một tin như sét đánh ngang tai thế này, hắn bỗng chốc trở nên không tin nổi vào tai mình nữa.

"Chú Trần, chú yên tâm đi, tôi biết mình phải làm gì rồi. Thế này vậy, tôi sẽ nói chuyện với Tiểu Điệp, sau khi nói xong tôi sẽ quay lại gặp chú, có được không?" Vương Thế Phi thành thực hỏi.

"Được thôi, tôi tin là cậu sẽ xử lý chuyện này êm thấm."

Dưới sự chiếu cố của Lã Thiên Hành, Phương Hạo Vân, Trần Thanh Thanh cùng với khoảng 60 anh em nhà Vương gia cuối cùng cũng đã về tới Hoa Hải, bọn họ đáp máy bay tại một sân bay quân dụng, cấp trên đã thông báo cho thị cục cử người đi tiếp đón, đồng thời cũng thông báo với thị cục tiến hành lập hồ sơ, thu thập các thông tin về dấu vân tay, DNA của từng người để dễ bề giám sát.

Tuy rằng ở chiến khu biên cảnh cũng đã làm các thủ tục đó, nhưng để đảm bảo không xảy ra bất cứ sai xót nào, cấp trên vẫn yêu cầu phía cảnh sát Hoa Hải phải làm lại lần nữa.

Nhận được tin, Trương Bưu đích thân dẫn anh em đi xử lý.

Trong phòng chờ ở sân bay, Trương Phi nhìn thấy người anh em đã lâu không được gặp mặt Phương Hạo Vân, hai người bùi ngùi ôm chặt lấy nhau.

Hồi lâu sau, hai người mới chịu buông nhau ra, Trương Bưu khẽ giọng nói: "Hạo Vân, mọi việc đã được giải quyết xong xuôi rồi, cậu mau đi tới chỗ Tuyết Nhu xem thế nào Bệnh tình của cô ấy hình như đã nặng thêm, những liệu pháp hóa học thông thường hình như đều vô tác dụng rồi."

"Không phải bệnh ở giai đoạn đầu sao? Tại sao chuyển sang ác tính nhanh vậy?" Phương Hạo Vân chau mày hỏi.

"Tình hình cụ thể tôi cũng không rõ lắm, nghe bác sỹ Đỗ nói, hình như là do tâm trạng bất ổn dẫn tới việc bệnh tình biến chứng nhanh như vậy." Nói tới đây, Trương Bưu trầm giọng nói: "Hạo Vân, Tuyết Nhu hình như vẫn luôn nghĩ về cậu, tôi hy vọng cậu có thể giúp đỡ cô ấy trong những giờ khắc nguy ngập này. Được không?"

"Yên tâm đi, tôi sẽ không làm ngơ đâu." Phương Hạo Vân bình nhiên đáp lời.

Ngừng lại một chút, Phương Hạo Vân hỏi: "Anh Bưu, anh dẫn đội tới đây là theo chỉ thị của cấp trên, bảo anh thu thập thông tin dựng hồ sơ?"

"Ừ!"

Trương Bưu không hề dấu diếm, gật đầu nói: "Hạo Vân, nói mấy câu không nằm trong nguyên tắc một chút, cậu không nên đánh đồng với chuyện này nhé. Cấp trên rất không yên tâm về những người này, phía quân đội và cảnh sát, còn cả hình sự nữa, đều để mắt rất chặt tới họ. Tôi thấy cậu nên nhanh chóng thoát ra khỏi vụ này, kẻo lại dây dưa phiền phức về sau"

Phương Hạo Vân biết Trương Bưu nói vậy là muốn tốt cho mình, trong lòng hơi cảm động, nói: "Anh Bưu, em đồng ý với bọn họ, là sẽ cho họ một tương lai tươi sáng. Huống hồ, bây giờ cũng là lúc em cần người, tố chất của họ hợp với mong muốn của em."

Nghe Hạo Vân nói vậy, Trương Bưu bỗng nhớ lại trước đây Trần Thiên Huy có nói với mình rằng: "Hạo Vân, tôi hỏi cậu, cậu thật sự muốn thống nhất hắc đạo ở Hoa Hải và phương Nam làm một?"

"Chú Trần đã nói với anh hết rồi?"

Phương Hạo Vân gật gật đầu, nói: "Đúng vậy. Đây là thỏa thuận đạt được của em và cấp trên. Anh yêm tâm đi, sẽ không sao đâu."

"Hạo Vân Có lẽ cậu còn chưa hiểu về mấy người phía trên. Bọn họ làm việc thì những nhân tố khó lường là quá nhiều, tôi không đồng ý cách làm của cậu. Trước nay nước ta đều không hề mềm tay đối với việc tấn công vào hắc đạo, lần này cậu lại có thể đạt được thỏa thuận với họ, tôi cảm thấy có lẽ họ có âm mưu gì trong đó."

"Âm mưu? Không đến mức vậy chứ?" Phương Hạo Vân hỏi.

"Tại sao mà không thể chứ, cậu tưởng bọn họ là thánh nhân chắc." Trương Bưu nhìn xung quanh cảnh giác, rồi hạ giọng nói: "Hạo Vân, tôi chỉ nói lời thật tâm này với cậu thôi Đừng tưởng mấy ông cấp trên đó chất phác, có đôi lúc làm việc với họ, thật sự là không tiện nói ra. Tôi đoán rằng, khi nào cậu làm xong việc, cũng là lúc cậu chịu phải những đòn hiểm độc của họ."

Phương Hạo Vân chau mày hỏi: "Ý của anh là, bọn họ chỉ muốn lợi dụng tôi phục vụ cho lợi ích của họ, đợi sau khi xong việc thì đi tìm một lý do để chơi lại tôi."

"Đúng thế đấy. Mấy ông lãnh đạo ăn trên ngồi chốc sẽ gán một tội danh nào đó cho cậu, và thế là cậu coi như đi tong một sự nghiệp. Hạo Vân, tôi biết là thế lực của cậu rất mạnh, nhưng trước pháp luật, cậu căn bản không có cách gì kháng cự lại được, nghe tôi, nhân lúc bây giờ cậu vẫn chưa hoàn toàn dấn sâu, mà bỏ cuộc đi." Trương Bưu chốt hạ một câu, giọng nói như than thở: "Đã muộn rồi đấy!"

Phương Hạo Vân mỉm cười gượng gạo, lắc đầu: "Anh Bưu, em biết anh muốn tốt cho em, nhưng chuyện này em đã không thể quay đầu lại được nữa rồi. Bất kể là đường đi phía trước có gập ghềnh gian nan làm sao, thì em cũng chỉ còn biết bước tiếp mà thôi, đương nhiên, anh cứ yên tâm, em tuyệt đối không cam tâm làm con cờ cho người khác thao túng, quăng quật thế nào thì tùy đâu."

495. Chương 22: Ngươi Cũng Biết Mình Vô Sỉ

Trương Bưu trầm giọng nói: "Nếu như cậu cam tâm làm quân cờ thì đã không có chuyện, sau này cùng lắm bọn họ chỉ đoạt quyền của cậu, nhưng bù lại sẽ đảm bảo cho cậu cả đời sống trong sự no đủ. Nhưng nếu cậu không cam tâm để họ lợi dụng, thì sẽ dẫn tới họa sát thân đấy."

"Chả sao cả."

Phương Hạo Vân vô tư nói: "Anh Bưu, anh yên tâm đi, em tự biết cách, sẽ không sao đâu, anh Bưu à, em nghĩ là anh sẽ mau chóng nhận được chỉ thị của cấp trên thôi, đến lúc đó, anh chỉ cần toàn lực phối hợp với em là ổn cả."

"Haizzz"

Trương Bưu buông tiếng thở dài nói: "Xem ra tôi đã hết cách khuyên nhủ cậu rồi, Hạo Vân, tôi biết cậu không giống người thường, nhưng tôi vẫn phải nhắc nhở cậu, tuyệt đối không được sơ xuất, những người ở trên đó đều là những kẻ ăn thịt người không để lại xương đấy."

"Em sẽ cẩn thận. Anh Bưu, thế này vậy, em sẽ bảo Bạch Quý ở lại, để cậu ta giúp sức với anh dựng hồ sơ về anh emnS

"Tuyết Nhu. Không còn sớm nữa, hôm nay tôi e là đến lúc phải về rồi Sau này hàng ngày tôi sẽ tới thăm cô" Trông thấy lông mày của Tuyết Nhu đang giãn ra, gánh nặng lòng đã được san sẻ, hắn cảm thấy sứ mệnh của mình coi như đã hoàn thành. Hắn phải mau trở về nhà, báo tin bình an cho gia đình, hắn còn phải gấp rút thu xếp cho anh em Vương gia nữa, việc hắn chưa làm còn nhiều lắm.

497. Chương 24: Thu Xếp

"Ừ."

Phương Hạo Vân thành thật gật đầu: "Tuyết Nhu, không giấu gì cô, thời gian này tôi có một số chuyện rất quan trọng cần phải làm, do vậy thời gian mỗi ngày tôi tới thăm cô sẽ không được nhiều đâu, nhưng cô yên tâm, tôi hứa là hôm nào cũng đến thăm cô."

Đinh Tuyết Nhu lắc đầu nói: "Hạo Vân, nếu như anh thật sự rất bận, vậy thì đừng vì chuyện của tôi mà phải phân tâm. Dù nói thế nào, hôm nay tôi cũng đã tìm ra đáp án."

Nói tới đây, Đinh Tuyết Nhu mỉm cười nói: "Hạo Vân, thật đấy Lâu lắm rồi tôi mới được vui thế này. Cảm ơn anh vì những gì dành cho tôi."

Nhìn vào khuôn mặt bợt bạt của cô, Phương Hạo Vân mỉm cười trìu mến, nói: "Tuyết Nhu, hôm nay, tôi cũng rất vui."

"Ừ, anh đi đi."

Đinh Tuyết Nhu nói rồi, đôi mắt lại bắt đầu rưng rưng nước.

Phương Hạo Vân dặn dò: "Hãy nhớ lời cô đã hứa, phải tích cực phối hợp điều trị, muộn nhất là 1 tuần, tôi sẽ sang Anh tìm cha ruột và em trai cho cô, để họ hiến ghép giúp cô."

Nói rồi, Phương Hạo Vân quay người bước đi.

Vương Hà và bác sỹ Đỗ đang nói chuyện gì đó, trông thấy Phương Hạo Vân bước ra, Vương Hà vội quên ngay sự hiện diện của bác sỹ Đỗ, hỏi hắn: "Hạo Vân, anh phải đi ư? Bệnh tình của Nhu Nhu thế nào rồi? Chị đã thu xếp cơm canh xong cả rồi, hay là cậu ăn xong rồi hẵng đi"

Phương Hạo Vân vừa đi vừa nói: "Chị Hà, tinh thần của cô ấy lúc này đã khá ổn định, chị cũng đừng lo lắng quá, sau khi về tôi phải làm một số việc, nên không ở lại đây ăn cơm được. Ngày mai tôi lại qua đây, những ngày này tôi sẽ mở điện thoại 24/24, có diễn biến gì thì lập tức thông báo giúp tôi một tiếng là được rồi."

"Vậy được, nhớ là thường xuyên đến đấy." Ngừng một chút, Vương Hà lại truy hỏi câu nữa: "Chuyện tìm cha con Đinh gia, cậu có nói thật không? Hiện tại không có kho tủy nào có bộ tủy phù hợp với Tuyết Nhu cả, gần như đã hết hy vọng tìm được bộ tủy phù hợp, hy vọng duy nhất bây giờ chính là Đinh gia, dù sao bọn họ cũng là quan hệ ruột thịt, Hạo Vân, nhờ cả vào cậu" Nói rồi, Vương Hà khẽ gập lưng xuống, cúi người nhã nhặn với Phuownghv.

Phương Hạo Vân vội vịn Vương Hà đứng dậy, nói: "Chị Hà, chị làm gì vậy, chuyện của Tuyết Nhu tôi sẽ lo tới cùng. Chị yên tâm, đợi tôi giải quyết xong mấy việc trước mắt đã, rồi mấy hôm nữa sang Anh tìm ba và em cô ấy. Tôi hứa sẽ thuyết phục được họ, để họ đồng ý ghép tủy cho cô ấy, vậy nhé, thời gian này chị và bác sỹ Đỗ cứ chuẩn bị đi là vừa."

Nghe Phương Hạo Vân nói vậy, Vương Hà cảm thấy vững tâm hơn rất nhiều, cô cảm kích nói: "Hạo Vân, cảm ơn cậu. Chỉ cần cậu thuyết phục được họ ghép tủy, thì cậu chính là cha mẹ tái sinh của tôi. Tương lai, cậu bảo tôi làm gì, thì tôi sẽ không từ chối."

Phương Hạo Vân cố tình cười đùa nói: "Chị sẽ không định giở màn lấy thân báo đáp đó chứ?"

Vương Hà nghe vậy, mặt khẽ ửng đỏ, bất chợt nhớ lại chuyện khi trước chính mình đã chủ động hiến thân nhưng lại bị cự tuyệt. Sau giây phút lúng túng ban đầu, Vương Hà thành thực nói: "Hạo Vân, tôi là phụ nữ. vốn liếng lớn nhất của tôi chính là cơ thể băng thanh ngọc khiết này, cho nên việc tôi lấy thân báo đáp là một điều hoàn toàn xứng đáng."

Phương Hạo Vân dở cười dở mếu: "Được rồi. Chuyện lấy thân báo đáp sau này hẵng nói, chị đi mang thức ăn cho Tuyết Nhu đi, bây giờ tôi còn có việc, không nói chuyện phiếm với chị nữa đâu."

"Ừ"

Vương Hà nhận lời đáp lại một tiếng, đích thân tiễn Phương Hạo Vân ra khỏi cửa.

Mắt dõi theo bóng dáng của Phương Hạo Vân, sắc mặt của Vương Hà khẽ ửng đỏ, không biết tự lúc nào mà cách nhìn của cô đối với Phương Hạo Vân đã hoàn toàn đổi khác.

Trở về đại đô thị năm nào, anh em Vương gia cùng với 60 người trong trại ai nấy đều tỏ ra vô cùng kích động, đồng chí được cục trưởng thành phố mời tới bắt đầu đăng ký danh sách, sau khi thu thập đủ dấu vân tay, bọn họ được điều đi.

Theo lời dặn của Phương Hạo Vân, Bạch Quý dẫn toàn bộ bọn họ tới khu nghỉ của nhân viên ở Kim Bích Huy Hoàng, Vương Thế Phi và Trần Thiên Huy đã biết tin từ trước, nên đã chuẩn bị sẵn cho việc đón tiếp và sắp xếp cho họ ở khu nhân viên Kim Bích Huy Hoàng.

Vương Thế Phi và Trần Thiên Huy gặp Bạch Quý mới là lần đầu tiên, nhưng trước đó Hạo Vân đã có lời dặn trước, cho nên hai người tiếp đãi rất thịnh tình, Vương Thế Phi dành một dãy phòng tốt nhất trong khu nhân viên, dọn dẹp kỹ càng để đón rước 60 người vào ở.

Xét một cách nghiêm khắc, thì môi trường ở trong khu nhân viên này không phải là tiện nghi lắm, nhưng đối với những người ăn rừng ở rậm lâu ngày như anh em Vương gia mà nói thì đây đã là tốt lắm rồi.

So sánh với trước đây, thì hiện tại đúng là chẳng khác nào cung điện nguy nga cả.

Đợi đến khi tát cả mọi người đều đã an định chỗ trú ngụ, Vương Thế Phi và Trần Thiên Huy mới đi tìm Bạch Quý, dò hỏi: "Anh xem, chúng tôi sắp xếp thế này liệu họ có vừa lòng không? Do lượng người quá đông, tạm thời chỉ có thể thu xếp tới đây thôi, đợi vài hôm nữa, khi mọi thứ đều đi vào quỹ đạo, thì tôi và Hạo Vân sẽ đi mua mấy căn hộ để đưa họ tới chỗ ở mới."

Bạch Quý mỉm cười nói: "Hai vị, mọi người đều là người nhà cả, không cần khách sáo, như vậy đã là quý hóa lắm rồi."

Nói tới đây, Bạch Quý đưa mắt liếc nhìn Vương Thế Phi, mỉm cười nói: "Vương thiếu gia, anh là ông chủ ở đây, anh xem liệu có thể dẫn vài cô em tới hầu hạ bọn họ không. Đám đàn ông này, đã phải chịu cảnh không đụng vào đàn bà suốt nửa năm nay rồi, tôi lo là bọn họ sau khi trở về nhịn không nổi, lại đi ra ngoài làm chuyện bậy bạ thì chết."

"Đúng, cần thiết phải đưa vài em hàng qua đó." Lời của Bạch Quý rất có lý, những gã này chui rúc trong rừng rậm đã lâu, tính cách trở nên rất cộc cằn khó chịu, lại cộng thêm việc nín nhịn chuyện ấy lâu ngày, không cẩn thận thể nào ban đêm cũng có tên lẻn ra ngoài đi làm chuyện bậy bạ gì đó, vậy thì gay go to.

"Thế này vậy, mấy chuyện này cứ để tôi và Thế Phi an bài cho." Trần Thiên Huy suy nghĩ một chút, rồi nói: "Thế Phi, dẫn mấy em hàng cơ thể khỏe mạnh dẻo dai qua bên này, những anh em này đều dai sức lắm đấy."

: "Ha ha.!"

Vương Thế Phi mỉm cười ám muội: "Tối nay, e là khu nhà nghỉ dành cho nhân viên này sẽ phát ra nhiều tiếng động lạ lắm đây mà."

"Hai người cứ đi làm việc của mình đi, để tôi đi hội ý với anh em Vương gia một chút." Bạch Quý đưa ánh mắt tỏ ý rồi bước đi.

Anh em Vương gia sau khi biết được tin tức của Bạch Quý, ngay lập tức trở nên hưng phấn, đồng chí Nhị Ngưu suýt tí nữa đã ôm chầm lấy Bạch Quý, có điều Bạch Quý đã có chuẩn bị từ trước, thân mình hơi chếch rồi rất nhanh và quái né được pha "ôm người" này.

Vương Đại Ngưu thì lãnh đạm hơn một chút, hắn mỉm cười hỏi: "Bạch tiên sinh, các anh em sĩ số rất đông, lát nữa e là không tìm được đâu ra nhiều em hàng để đáp ứng đủ, hay là để các anh em thay phiên nhau nhé."

"Vậy thì tôi phải được xơi trước." Vương Nhị Ngưu nhảy sồ cả lên, một gã thanh niên hơn hai mươi tuổi đầu, chính là lúc đang vào độ dục vọng ngút trời, bây giờ nghe được cái tin tức này, thì chẳng khác nào cá khô gặp nước.

"Câm miệng, không sợ tiên sinh đây chê cười hay sao hả." Vương Đại Ngưu chỉ muốn bợp cho thằng cu em một phát giữa mồm, cái tội dám làm mất hết mặt mũi thể diện của hắn.

"Không sao!"

Bạch Quý mỉm cười nói: "Không cần phải thay phiên, mỗi người một cô. Lát nữa, mọi người có thể thỏa thê tận hưởng, có điều tôi cũng phải nói trước, các vị thiếu chủ đã sắp xếp cho mọi người mấy cô em xinh tươi để giải phóng dục vọng, thì mọi người cũng phải biết điều một chút. Đại Ngưu, Nhị Ngưu, nơi này là Hoa Hải, không phải là rừng rậm nguyên sơ, mọi người nhất định phải quản thúc thật chặt các anh em của mình, tuyệt đối không được để xảy ra phiền phức nào hết."

Vương Đại Ngưu vội vàng vỗ ngực cam đoan: "Xin Bạch tiên sinh cứ yên tâm, dù tiên sinh không nói, thì anh em chúng tôi cũng biết nên làm gì, chúng tôi sẽ giữ đúng chừng mực, đúng rồi, Phương thiếu gia lúc nào thì qua đây?"

"Tạm thời thì chưa biết được, chắc là một lát nữa đây thôi." Bạch Quý lại dặn dò lần nữa: "Mọi người được ra ngoài hoàn toàn là do thiếu chủ nhân bảo kê cho, tôi hy vọng mọi người không gây thêm phiền phức cho Thiếu chủ nhân, nếu không tôi sẽ là người đầu tiên không tha thứ cho các vị."

"Anh muốn gây sự với chúng tôi?" Vương Nhị Ngưu hơi nóng mặt, lời của Bạch Quý quả thực mang chút giọng uy hiếp.

"Nhị Ngưu, lui xuống!" Vương Đại Ngưu cũng không thoải mái lắm với lời của Bạch Quý, nhưng bình tĩnh hơn thằng em rât nhiều. Bạch Quý là trợ thủ số một của Phương thiếu chủ, đắc tội với hắn, thì chẳng có gì là tốt đẹp cả.

"Đại Ngưu, không sao. Nếu như Nhị Ngưu huynh đệ muốn thử với tôi vài chiêu, thì tôi cũng không nề hà gì. Có điều, những chuyện này nếu để Phương thiếu gia biết được, e là các anh và tôi đều sẽ bị quở trách. Thế này vậy, chúng ta sẽ đọ sức bằng cách khác nhé." Nói rồi, Bạch Quý chỉ tay vào con sư tử đá ở trước dãy chung cư rồi nói: "Chúng ta đọ sức lực, xem ai có thể nhấc được con sư tử đá kia lên."

"Điều này." Đồng chí Nhị Ngưu nghe thấy thế, bỗng chốc đứng khựng lại, con sư tử đá đó ít nhất cũng phải nửa tấn chứ ít gì, chắc chắn là hắn không đủ trình để nhấc.

Vương Đại Ngưu nheo mắt nói: "Nhị Ngưu không nhấc được đâu, cùng lắm là nó chỉ nhấc được khoảng 2 tạ rưỡi là cùng."

"Nhưng tôi thì có thể đấy."

Bạch Quý có chủ ý muốn thị uy dằn mặt, hắn rảo bước đi tới, một tay nhấc bổng con sư tử đá kia lên, lại còn đi vòng quanh giễu cợt anh em Vương gia mấy vòng.

Sau khi làm xong, mặt hắn không hề đỏ gắt, tim không đập mạnh, giống như là chưa có gì xảy ra vậy.

Trông thấy tình hình này, anh em Vương gia đều phải bái phục sát đất. Nhất là Vương Nhị Ngưu, lèm mắt lén nhìn Ngưu Đại, cười khà khà nói: "Bạch tiên sinh, nếu đấm đá, thì tôi không phải đối thủ của anh. Anh lợi hại thật, tôi phục anh rồi."

Vương Đại Ngưu còn nhìn vấn đề rộng hơn là thằng em, Bạch Quý chỉ là một đại tướng dưới tay Hạo Vân mà đã lợi hại như vậy, vậy thì thân chủ chắc hẳn phải thuộc hàng vô địch rồi.

Nghĩ tới đây, Vương Đại Ngưu lại càng tăng thêm phần kính trọng đối với Phương Hạo Vân.

Đúng lúc này cũng vừa vặn bước vào Vương Thế Phi và Trần Thiên Huy, từ xa nhìn thấy Bạch Quý một tay nhấc con sư tử nặng nửa tấn, trong lòng bội phục vô cùng.

Đặc biệt là Vương Thế Phi, nghĩ tới việc mình sắp được trở thành đệ tử của Phương thiếu gia, được luyện những công phu chính hiệu, máu nóng trong người không khỏi sôi sùng sục háo hức.

"Đã sắp xếp xong xuôi rồi, đợi lúc nữa là các em hàng sẽ tới ngay thôi." Trần Thiên Huy bước tới nói với Bạch Quý.

Vương Nhị Ngưu nghe thấy vậy, vội vã bước lại gần rồi nói: "Tôi muốn em nào tươi ngon í."

Khi hắn nói ra lời này, Vương Đại Ngưu bỗng chốc cảm thấy ngượng thối hết cả mặt, đúng là vãi linh hồn với thằng em kia

Vương Nhị Ngưu thì cứ tưởng thế là hay, mỉm cười nói: "Hai vị, hai vị cũng thấy tôi sức dài vai rộng, hơn nữa còn có dáng vẻ phong lưu tiêu sái, cho dù là chơi ghẹ, thì cũng phải chơi em nào dáng ngon hàng đẹp. Hai vị nói phải không nào?"

"Yên chí đi, hầu hạ hai anh em các vị, đều là những mỹ nữ hạng nhất, là công chúa trong hiệp hội các hộp đêm của chúng tôi." Vương Thế Phi nháy mắt cười nói: "Huống chi lại là một người hai em."

"Thế thì tẹt ga rồi." Vương Nhị Ngưu bật cười te tởn.

Vương Đại Ngưu quả thật ngứa mặt khó chịu, lấy tay vỗ mạnh vào trán thằng cu em, giận tím ruột nói: "Mau cút về phòng cho tao, đừng có ở đây trát sh_t vào mặt tao."

"Trần Thiên Huy liền đổi chủ đề, mỉm cười rồi nói: "Đại Ngưu, tôi thấy anh em hai người rất cừ, đều là những người thẳng tính."

"Đã để hai vị chê cười rồi, lát nữa tôi nhất định sẽ dạy bảo nó cẩn thận." Vương Đại Ngưu từ lâu đã rất coi thường thằng em mạt hạng kia rồi, không biết bao lần khiến hắn mất mặt.

Trần Thiên Huy vốn dĩ còn muốn nói thêm điều gì đó, điện thoại đã rung lên, nhìn vào thì thấy đó là điện thoại của Hạo Vân, vội cuống quýt nhấc máy: "Hạo Vân, ở đây chúng tôi đã sắp xếp hết rồi, lúc nào thì cháu về."

Trong loa lập tức vang vọng tiếng nói của Phương Hạo Vân: "Chú Trần, thế này nhé. Tối nay mọi người tự thu xếp đi, để Bạch Quý vận động tí chút, cháu sẽ không qua bên đó đâu, sáng mai cháu sẽ qua."

"Được rồi." Trần Thiên Huy bước lên trước vài bước, rồi khẽ hạ giọng nói: "Hạo Vân, cháu và Thanh Thanh không xảy ra chuyện gì đó chứ. Tại sao sau khi nó về thì mặt mày dài như cái bơm, Lữ Di có nhắc tới cháu, cô ấy còn giận không?"

"Hì hì!"

Phương Hạo Vân bật cười nói: "Cháu và chị Thanh Thanh không có chuyện gì đâu, bọn cháu rất hòa hợp mà, chú Trần, cháu và chị Thanh Thanh vừa trở về, cơ thể vẫn chưa thích nghi lắm, hơn nữa, chị ấy cũng đã bị mất không ít chiến hữu, trong đó còn có một người chị em rất tốt của chị ấy nữa, chú nghĩ xem, liệu tâm trạng của chị ấy có vui vẻ được không? Thế này vậy, đợi vài hôm nữa cháu rảnh tay, thì sẽ qua đó khuyên nhủ chị ấy cho. Được rồi, cháu còn việc cần làm ngay, cháu gác máy đây."

Phương Hạo Vân gọi điện thoại khi đã ra khỏi nhà. Nghe đâu Trác Nhã và Phương Tử Lân đã đi công tác xa, hình như là ở Bắc Kinh, vài ngày nữa mới trở lại, trong nhà chỉ có một mình cô chị Phương Tuyết Di, đang ngồi xem ti vi trong phòng khách. Trông thấy Phương Hạo Vân trở về, thì hớn hở khác thường, rót trà mời nước, hỏi chuyện Đông chuyện Tây.

Có điều Hạo Vân thì không mấy nhiệt tình lắm, chỉ đáp qua loa mấy câu gọi là có rồi vội vã bỏ đi.

Lúc này, nơi đến của hắn chính là văn phòng của Kim Phi.

498. Chương 25: Ác Ma, Ác Ma Thật Sự

Từ hồi còn ở sơn trại Vương gia mát xa trị liệu cho Trần Thanh Thanh, hắn đã bị ám ảnh bởi tình dục, những tâm tình tiêu cực cứ nôn nao như sóng dậy trong lòng, may mà hắn còn áp chế được, chiều nay đi tới chỗ Tuyết Nhu, lại càng khiến dục vọng của hắn thêm bứt rứt, lúc này đây những cảm xúc trái chiều trong con người hắn không có cách nào khắc chế được nữa rồi.

Cho nên mới nói, trong cái tình hình nước sôi lửa bỏng này, nếu mà ở bên cạnh cô chị, thì rất nguy hiểm.

Phương Hạo Vân không muốn làm những chuyện mà sẽ khiến hắn phải hối hận cả đời này, cho nên hắn mới không màng đến sự oán trách của cô chị, vội vã bỏ đi.

Sau khi kết thúc cuộc gọi với Trần Thiên Huy, Phương Hạo Vân đánh máy cho Kim Phi, nói rằng cô ta tắm rửa sạch sẽ đợi hắn tới. Kim Phi không hề tỏ ra ngạc nhiên với điều này.

Bước trên đường, Phương Hạo Vân gọi một chiếc ta xi, bảo với tài xế địa chỉ của tập đoàn Hồng Tinh, chưa đầy bốn mươi phút sau, thì đã tới nơi.

Bảo vệ trước cửa đã được chỉ thị từ trước của Kim Phi, nên hắn không gặp phải phiền toái gì cả.

Hắn đi lên bằng thang máy, tới tầng văn phòng làm việc của Kim Phi, Phương Hạo Vân toan định bước ra ngoài thang máy, thì đột nhiên hắn trở nên cảnh giác, cảm thấy có người đang nấp trong bóng tối.

Và cũng vào lúc này, khi người núp trong bóng tối biết rằng mình đã bị bại lộ, lập tức nhảy vọt ra ngoài, lao tới tấn công Phương Hạo Vân.

Phương Hạo Vân có chuẩn bị từ trước khẽ nghiêng thân mình, nhanh nhẹn né mình sang một bên tránh đòn công kích, cũng vào lúc này, hắn vội vã chuyển mình, hắn rất muốn xem, rốt cuộc là kẻ nào muốn hạ thủ với mình.

Đối phương là một kẻ y phục đen toàn thân, có mạng che mặt, hắn phục kích không thành, liền lui lại một bước, trong tay hắn sáng loáng một con dao nhọn, đang chĩa về phía Phương Hạo Vân, công kích thêm một chiêu nữa.

Phương Hạo Vân phát hiện ra sát thủ này có đôi mắt màu xanh, nếu hắn đoán không nhầm, thì đây chắc hẳn là một người ngoại quốc.

Sát thủ che mặt mắt xanh lao tới, Phương Hạo Vân vội vàng lui về sau, thêm lần nữa tránh được đòn công kích của đối phương, đồng thời khẽ lách sang một bên, lấy tay nắm được cánh tay phải của sát thủ, với tốc độ đó của hắn thì sát thủ kia về lý thì không có tí phần trăm tránh né nổi.

Nhưng thật không ngờ tốc độ phản ứng của sát thủ này cũng nhanh không kém, đúng vào lúc Phương Hạo Vân định phóng tay tới nắm, thì cánh tay phải của hắn đã giãy ra, chiếc dao nhọn đâm ngang qua cánh tay của Hạo Vân, ý đồ là chém đứt ngón tay của Hạo Vân.

Phương Hạo Vân đương nhiên không để sát thủ đạt được ý đồ, hắn cười nhạt, rồi cơ thể hắn khẽ xoay tròn, vòng qua sườn trái của sát thủ áo đen, rồi tung chân đá qua.

Tưởng chừng chúng ta sẽ được thấy cảnh sát thủ "răng môi lẫn lộn", "khinh công như siêu nhân", nhưng không, sát thủ áo đen đã cuộn người lại, lăn mấy vòng để tránh cú sút của Phương Hạo Vân, đồng thời lăn lại gần Phương Hạo Vân, vung tay với con dao hướng tới đũng quần của hắn.

Tốc độ ra đòn của sát thủ áo đen tương đối chớp nhoáng, nhưng xét về lực thì vẫn còn chưa đủ hùng hồn, Phương Hạo Vân nhún người một cái đã bay lên không trung, khiến cho đòn đánh đó chỉ đâm vào không khí mà thôi.

Đúng vào lúc này, Phương Hạo Vân trong lúc đang phi thân thì cũng kịp lấy thế đưa chân tung cú đá về phía sát thủ.

Chỉ nghe thấy một tiếng kêu đau đớn, cổ tay của gã áo đen kia buộc phải bật tung con dao ra.

Sát thủ áo đen bước lui về sau hai bước, Phương Hạo Vân hếch mắt nhìn vào mắt người kia, trông thấy trong đôi mắt đó tràn ngập sự bất cam đi kèm sợ hãi.

"Chú em dân đâu đấy?""

Phương Hạo Vân giọng trầm trầm nhưng đanh thép, rồi bước tới vài bước.

Sát thủ áo đen biết mình chưa đủ trình solo với Phương Hạo Vân, toan định trở mình bỏ chạy, nhưng đã bị Phương Hạo Vân chặn đứng ý đồ, một tay in vết giữa ngực hắn, rồi theo đó một tay gạt bỏ cái khăn che mặt của hắn.

Nhìn kỹ, Phương Hạo Vân thấy có nét gì đó quen thuộc, hình như tên này trước đây đã từng cứu thoát một nữ sát thủ ngoại quốc trong tay hắn.

Sát thủ áo đen dính một chưởng của Phương Hạo Vân, mặt cắt không còn hột máu, đôi môi trắng bợt, hai mắt có chút hoang hồ, rồi hộc ra một ngụm máu tươi.

"Tôi biết rồi, cậu chính là người của Tần Tử Kiếm, là võ sư của gia tộc Morgan?" Sau thoáng lát nghĩ ngợi, Phương Hạo Vân đã nhận ra thân phận của đối phương.

Vừa nói dứt miệng, sát thủ áo đen lập tức hoảng hồn thất sắc kinh ngạc: "Tại sao anh lại biết lai lịch của tôi."

"Hừ!"

Phương Hạo Vân khinh khỉnh nói: "Lần trước chính là chú mày đã cứu thoát đồng bọn ngay trong tay ta, đương nhiên là ta nhận ra chú mày rồi. Tần Tử Kiếm không ngu tới mức bảo chú đến giết ta đấy chứ? Nói đi, chuyện hôm nay rốt cuộc là thế nào?"

"Kẻ thua là giặc, tôi sẽ nói." Suy đoán của Phương Hạo Vân không hề sai, người mặc áo đen chính là võ sĩ John của gia tộc Morgan, hôm nay sứ mệnh của hắn chính là đến để thủ tiêu Kim Phi. Ai ngờ vừa mới lẻn được vào trong tập đoàn Hồng Tinh đã đụng độ phải Phương Hạo Vân. John từ lâu đã muốn được tỉ thí cùng Phương Hạo Vân, hôm nay được trời cho cơ hội, hắn thuận tay không chút do dự, xuất đao hạ thủ, kết quả là bị đại bại dưới tay Phương Hạo Vân.

"Tôi đến để giết Kim Phi. Bây giờ nhiệm vụ đã thất bại, anh hãy giết tôi đi." John nhắm chặt mắt chờ chết.

Đúng lúc này, Kim Phi nghe thấy động tĩnh cũng bước ra khỏi phòng, đúng lúc nghe thấy lời tự thú của John, cô nhìn thấy Phương Hạo Vân đang đứng ở bên, liền bước tới, giận hầm hầm quát mắng: "Tôi với anh không thù không oán, tại sao anh lại muốn giết tôi?"

John nghe vậy, từ từ mở mắt ra, nói: "Tôi cũng chỉ là làm theo lệnh mà thôi. Còn về cơ sự thế nào, thì tôi không biết được.

Kim Phi không muốn hỏi thêm gì nữa, lúc này Phương Hạo Vân liền nói: "Không phải hỏi thêm gì nữa, mọi chuyện đã rõ ràng cả rồi, Tần gia không vừa lòng chuyện anh trai Kim gia của em tự lập môn hộ, cho nên mới phái sát thủ tới xử em,coi như dằn mặt với anh trai em."

Kim Phi nghe vậy thì bình tĩnh suy nghĩ kỹ lại, đích thị là nguyên nhân này rồi.

Nghĩ lại thật là nguy hiểm quá, nếu như không có Phương Hạo Vân đến đúng lúc, e là cô đã không thoát khỏi cái chết rồi.

Nghĩ tới đây, ánh mắt Kim Phi long lanh như muốn nói, thành thực bộc bạch: "Cảm ơn anh."

"Cô không cần cảm ơn tôi, hôm nay vận cô đỏ đấy. Đúng rồi, cô phải mau thông báo chuyện này cho Kim gia, để hắn ra quyết sách đối phó lại."

Chuyện ngày hôm nay đối với Phương Hạo Vân mà nói, chưa chắc đã là chuyện tồi tệ.

Chính vì hành động này, hắn tin rằng Kim gia nhất định sẽ thề một sống một chết với Tần gia.

Ngừng một lát, Phương Hạo Vân nói với John: "Tôi không giết anh, anh về và bảo với Tần Tử Kiếm rằng, cứ nói là tôi nói, rằng nếu đắc tội với ff hứtfi do v J * ê u t! El ch L đã thuậ8 tộ ,

"Tôi không sợ.!"

Kim Phi vừa cười vừa nói: " Tôi đã nói rồi, điều tôi muốn là cảm giác kích thích đó."

"Vậy thì được, vậy thì cứ như thế đi. tôi đồng ý" Từ một góc độ ý nghĩa nào đó mà nói, thực ra Kim Phi cũng được coi là một nhân tài, có cô ta gia nhập, cũng là một điều rất tốt.

"Cảm ơn anh!"

Kim Phi cười mê hồn. Cô chuẩn bị mặc thêm chiếc váy ra ngoài chiếc quần lót vừa bị sự thô bạo của đàn ông mà làm rách tả tơi.

"Đợi đã!"

Ánh mắt của Phương Hạo Vân quét qua cặp mông trắng nõn của người con gái và nói: " cúi xuống, chìa mông ra."

Kim Phi không biết hắn muốn làm gì, nhưng cũng thuận theo ý hắn, cúi xuống đầu giường.

Phương Hạo Vân nhìn cẩn thận cái đó của cô ta mấy lần, rồi âm thầm than ra một tiếng: " Không đẹp bằng của chị Thanh Thanh"

"Được rồi, mặc quần áo đi" Phương Hạo Vân khó chịu nói một câu.

Lúc đầu Kim Phi nghĩ Phương Hạo Vân lại muốn chơi trò biến thái gì nữa. Ai ngờ mới nhanh như vậy đã kết thúc rồi. Hơn nữa còn không làm chuyện gì. Nhưng, cô cũng đã lường trước được ý đồ của Phương Hạo Vân.

Nghĩ đến đây, cô quyết định ngày mai sẽ đi phẫu thuật thẩm mĩ bộ mông của mình.

"Mấy ngày nữa giúp tôi hẹn Tần Tử Hoa ra ngoài.Tôi muốn làm chút giao dịch với gã." Phương Hạo Vân không muốn qua đêm ở đây, lúc sắp đi, dặn dò cô một câu.

"Uhm, tôi biết rồi.!"

Kim Phi sắc mặt buồn dầu, thực ra cô hy vọng Phương thiếu gia có thể ở lại đây một đêm.

Sau khi Phương Hạo Vân đi ra khỏi cửa, người con gái Kim Phi này quả thật không đơn giản, hỷ nộ bất thường, nhưng lại luôn có thể khống chế thù hận trong lòng mình.

Sau khi Trần Thanh Thanh trở về nhà, tâm trạng luôn không vui, cả ngày cứ nhốt mình trong phòng ngủ, cả ngày chỉ ăn một bữa cơm, mấy ngày qua đi, toàn bộ cơ thể gầy đi trông thấy. Còn không bằng lúc cô ở trong rừng tùng.

Lúc trong rừng tùng nguyên thủy, tuy điều kiện rất gian khổ, nhưng tâm trạng cô lại rất vui vẻ, vì thế mỗi bữa đều ăn rất nhiều.

Sau khi trở về nhà, tâm trạng cô vô cùng buồn bực, cứ cho là sơn hào hải vị bày ra trước mặt, cô cũng không có tinh thần mà ăn. Trong lòng cô âm thầm tức giận Phương Hạo Vân, trở về đã mấy ngày rồi, ngay cả gặp nhau cũng không gặp, thậm chí ngay cả một cú điện thoại cũng không gọi. Thật là đáng ghét

Trần Thanh Thanh dường như quên mất rằng, lúc đầu là cô không cho Phương Hạo Vân chủ động liên lạc với cô.

Con gái có lúc lại vô lí như vậy đó, ngay cả người con gái mạnh mẽ như Trần Thanh Thanh cũng không phải ngoại lệ.

"Thanh Thanh. là mẹ đây, con mở cửa ra đi" Lã Nguyệt Hồng nhìn con gái mỗi ngày một héo gầy, trong lòng vô cùng thương xót. trực giác của người đàn bà nói cho bà biết, tâm trạng của con gái bà không tốt, chắc là có liên quan đến Phương Hạo Vân. Vì thế bà quyết định sẽ tâm sự nói chuyện với con gái mình, nếu cứ tiếp tục như vậy, con gái bà sớm muộn cũng chết đói.

Trần Thanh Thanh thoáng do dự một chút, rồi mới mở cửa ra. Mấy ngày này mẹ đã lo lắng rất nhiều cho cô, trong lòng cô cũng có chút đau lòng. Lúc đầu khi còn ở chiến khu, cô vẫn hạ quyết tâm sẽ hết lòng hiếu thuận với cha mẹ.

"Mẹ, con không saomẹ đừng lo lắngchỉ là trong lòng con có chút khó chịu thôi, đợi mấy hôm nữa sẽ tốt lên thôi" Sau khi mở cửa, Trần Thanh Thanh chủ động ôm lấy cánh tay mẹ mình, đưa bà vào cùng ngồi lên đệm.

Lã Nguyệt Hồng lạnh lùng hỏi: " Thanh Thanh, tâm trạng con không tốt, có phải là vì Phương Hạo Vân không? tên tiểu tử này thật là, đã mấy ngày rồi không thấy lộ diện"

Trần Thanh Thanh bĩu môi một cái, nói: " Mẹ, mẹ lại hiểu lầm rồikhông phải con vì Phương Hạo Vâncon là vì các chiến hữu của con mà buồn thôi.cái chết của San San hoàn toàn là do con.nếu không phải cô ấy chủ động xuất hiện thu hút những phần tử vũ trang đó. Thì người chết ngày hôm đó chính là con rồi."

Chuyện xảy ra trong rừng tùng, Lã Nguyệt Hồng đã nghe nói rồi.

Bà nhẹ nhàng vuốt ve mái tóc của con gái bà, dịu dàng khuyên nhủ: " Thanh Thanh, con đừng đau lòng buồn bã nữaSự việc xảy ra ngày hôm đó vô cùng gấp gáp, San San làm như vậy, là trách nhiệm của một người quân nhân, con hãy nghĩ mà xem, nếu con là San San con sẽ làm như thế nào? con sẽ giống như cô ấy xuất hiện hay là lùi bước."

"Tất nhiên là phải xuất hiện rồi." Trần Thanh Thanh kiên định nói: " Con sẽ không nhìn chiến hữu của con gặp nguy hiểm mà không làm gì được."

"Đó chẳng phải đúng rồi saoSan San cũng có suy nghĩ như vậy." Lã Nguyệt Hồng lạnh lùng nói: " Thanh Thanh, con đã giết chết kẻ địch và báo thù cho cô ấy rồi. Hơn nữa bộ đội cũng giúp đỡ người nhà cô ấy sắp xếp công việc rồi.Mẹ nghĩ San San trên trời có linh thiêng, cũng sẽ được an ủi phần nào.Người chết cũng đã chết rồi, người sống cần phải mạnh mẽ lên.Thanh Thanh, phấn chấn lên một chút" Con gái trở về lần này, Lã Nguyệt Hồng phát hiện khí chất của con mình rõ ràng có thay đổi. Đúng là người đã trải qua sa trường

"Tuyết Nhu.thời gian không còn sớm nữa, chúng ta về thôi" Bỗng nhiên Phương Hạo Vân nhận ra, mình nên trở về cùng với Kỳ và chị Mĩ Kỳ. Thời gian ngày hôm qua, hắn còn nghe chị Mĩ Kỳ nói, chị ấy vẫn chưa có thai.Những ngày này đúng lúc là thời kỳ rụng trứng. Cô hy vọng Hạo Vân có thể ở bên cô, khiến cô nhanh chóng có thai.

"Anh có việc à?" Đinh Tuyết Nhu cười cười nói: " Được, vậy anh về đi.ngày mai nhớ đến thăm tôi nhé"

"Ừ.!"

Phương Hạo Vân gật đầu, nói: " Nhớ kĩ, nhất định phải vui vẻ, phải hạnh phúc."

"Ừ, tạm biệt!" Đinh Tuyết Nhu đưa tay ra, Phương Hạo Vân bước đến nắm lấy tay cô một chút.

Nhìn bóng Phương Hạo Vân đằng sau, mắt Đinh Tuyết Nhu lại một lần nữa ướt ướt. Không biết là vui, hay là một nguyên nhân nào khác.

Sau khi trở về khu Lam Tâm hoa viên, Bạch Lăng Kỳ không có nhà, nghe nói là bị mẹ cô bà Liễu Hồng Hà gọi đi rồi. Chỉ có Trương Mĩ Kỳ một mình ngồi xem ti vi trong phòng khách, cô mặc một bộ áo tắm trên người, tóc vẫn còn ẩm ẩm, xem ra chắc cô vừa mới tắm không lâu.

Phương Hạo Vân cười ám muội, ngồi gần vào ôm chầm lấy cô, đưa tay nắm chặt hai cực đại của hai đỉnh núi, nhìn xuyên qua bộ áo ngủ mỏng manh đó, thậm chí hắn còn có thể nhìn thấy rõ hai điểm đỏ đó của người con gái này.

Vì vẫn chưa sinh đẻ qua, dù Trương Mĩ Kỳ không còn ở tuổi trẻ trung nữa, nhưng cặp núi đôi đó vẫn đứng ngạo nghễ, nụ hoa lại giống như màu của thiếu nữ vậy hồng hồng, rất hấp dẫn.

"Chị Mĩ Kỳ, thế nào?"

Phương Hạo Vân nhanh chóng ôm chặt lấy eo lưng của người con gái rồi thấp giọng hỏi.

Trương Mĩ Kỳ biết Phương Hạo Vân muốn hỏi chuyện gì, cô xấu hổ lắc đầu: " Vẫn chưa biết.mới có mấy ngày màHôm nay là chu kì rụng trứng"

Ý của Trương Mĩ Kỳ, Phương Hạo Vân nghe hiểu hết, thới gian quá ngắn, vẫn chưa thể đi xét nghiệm được. Vì trong thời kỳ bảo hiểm, hôm nay tiếp tục làm, tiếp tục làm.

"Ha Ha!"

Phương Hạo Vân cười hàm ý, một tay đã luồn vào vày ngủ của cô, đi thẳng đến phần thân dưới của người con gái.

Khi ngón tay của Phương Hạo Vân chạm vào chỗ mềm mại của người con gái, cơ thể Trương Mĩ Kỳ nhanh chóng liền run rẩy, bất giác liền ngả vào bờ vai của Phương Hạo Vân không ngừng thở dốc.

Cố gắng miễn cưỡng kiềm chế tình cảm, Trương Mĩ Kỳ ngẩng đầu lên, đôi mắt như bay bổng nhìn Hạo Vân một cái, nhỏ giọng nói: " Đừng vội vàng như vậy.Hạo Vân, chị đọc sách rồitrong sách nói, cần phải từ từ, coi trọng tâm trạng, như vậy, con sinh ra mới có thể càng khỏe mạnh hơn."

"À!"

Khóe miệng Phương Hạo Vân lộ ra nụ cười, hỏi: " Chị Mĩ Kỳ, gần đây xem nhiều tài liệu về vấn đề này vậy à.Sau này Kỳ có sinh con, chị có hãy chỉ bảo cô ấy nhiều một chút nhé."

"Hừ.!"

Trương Mĩ Kỳ nghe thấy vậy, giả bộ tức giận, thở phì phì nói: " Không biết xấu hổ.em muốn sinh bao nhiêu đứa con vậy?"

"Hôm nay sinh với chị trước rồi nói tiếp." Vừa nói, Phương Hạo Vân lại ôm chặt người con gái vào làm chuyện mờ ám, hai tay du ngoạn trên bộ phận nhạy cảm của cơ thế người con gái, chỉ là một chút công phu đã khiến Trương Mĩ Kỳ thở hổn hển, sắc mặt đỏ bừng, toàn thân dã dời không còn sức lực.

Đột nhiên, điện thoại bàn trong nhà reo lên.

Trương Mĩ Kỳ thấy thế, vội vàng thoát khỏi Phương Hạo Vân, nũng nịu nói: " Nhất định là Kỳ gọi điện thoại về, chị đi ngheem đừng có giở trò xấu nữa."

Phương Hạo Vân cười hì hì, cũng đứng dậy đi qua đó, hắn thây Trương Mĩ Kỳ nhắc điện thoại lên, bàn tay liền vuốt vào cặp mông trắng nõn của cô, nhẹ nhàng nắn bóp.

Trong mũi Trương Mĩ Kỳ bất giác cũng phát ra vài tiếng hừ dịu dàng.

Phương Hạo Vân lại không biết đủ, dứt khoát đưa ngón tay hướng về phía chỗ mềm mại đó, cơ thể Trương Mĩ Kỳ bỗng chốc giống như điện giật, run lên không ngừng.

"Hừ.!" Trương Mĩ Kỳ khẽ hừ một tiếng, vừa muốn ngăn cản Phương Hạo Vân không tiếp tục làm trò xấu nữa, nhưng lại không nghĩ ống điện thoại đã nhận, bên trong lại vọng ra giọng nói của Phương Tuyết Di: " Là Mĩ Kỳ à?"

Trương Mĩ Kỳ vội thu lại thần sắc, vội vàng nói: " Tuyết Di, là tôi"

Phương Hạo Vân chỉ ngơ ngác một chút, lại tiếp tục làm chuyện xấu, hai bàn tay không ngừng du ngoạn trên cặp mông và đùi của người con gái, có lúc còn đụng chạm vào phía trước một chút, khiến trong lòng Trương Mĩ Kỳ ngứa ngáy. Nhưng, cô không có cách nào để để ý đến Phương Hạo Vân, vì Phương Tuyết Di đang nói chuyện với cô.

"Mĩ Kỳ, sao di động của cô lại không gọi đượcChẳng phải công ty có quy định sao. Trước mười hai giờ, bắt buộc phải mở máy." khẩu khí của Phương Tuyết Di có chút tức giận oán trách.

Trương Mĩ Kỳ nghe thấy vậy, vội vàng nói: " Có thể là do hết pin rồi, tự động tắt máy thôi.Đúng rồi, Tuyết Di, có phải công ty có chuyện gì sao?" Phương Tuyết Di nhắc đến quy định của công ty, tự nhiên có nghĩa là cô gọi điện qua là nói chuyện của công ty rồi.

Phương Hạo Vân thì lại cười hì hì, bàn tay thêm sức lực, cố ý trêu trọc Trương Mĩ Kỳ.

502. Chương 29: Bản Thân Sao Lại Giống Con Gái Nước Ngoài Vậy

"Ừ."

Trương Mĩ Kỳ đáp một câu, sau đó nói: " Tuyết Di, cô yên tâm đi, chuyện cô giao cho tôi nhất định để ýuhm." Đang nói, ngón tay của Phương Hạo Vân lại đưa qua chỗ nhạy cảm của cô, khoái cảm tê dại khiến Trương Mĩ Kỳ không khỏi than lên một tiếng.

Dường như Phương Tuyết Di bên đầu dây bên kia cũng nghe thấy, hỏi: " Mĩ Kỳ,.có phải cô bị bệnh rồi không?"

"Không phảiTuyết Dicó còn chuyện gì nữa không?" Lúc này, ngón tay của Phương Hạo Vân đã bắt đầu hoạt động, từng đợt sóng khoái cảm đó không ngừng tấn công cô. Cô đã có chút không chống đỡ lại được nữa, chỉ hy vọng Phương Tuyết Di có thể sớm nói xong mọi chuyện, bản thân có thể giải thoát.

Phương Hạo Vân thì lại càng ngày càng hưng phấn, trong lòng hắn đang niệm tùng sinh, chính là muốn cho Phương Tuyết Di nghe thấy.

"Không có chuyện gì nữa.nhưng cô quả thật là không sao chứ." Phương Tuyết Di không yên tâm hỏi một câu.

"Không sao.tôi rất khỏe.à.ừ." Lúc này Phương Hạo Vân đã mãnh liệt hơn, đã cởi bỏ quần, đâm vật cứng của hắn vào, Trương Mĩ Kỳ không phòng bị, khoái cảm xâm nhập, liền rên rỉ kêu.

Lúc này Phương Tuyết Di lại nghe thấy rõ ràng. Cô đột nhiên thở hừ hừ nói: " Bảo Hạo Vân nghe điện thoại đi."

Trương Mĩ Kỳ nghe thấy, bỗng chốc liền biết mọi chuyện đã hỏng.

Hơi do dự một chút, Trương Mĩ Kỳ nói: " Xin Lỗi Tuyết Di, Hạo Vân.Hạo Vân không có nhà."

Quỷ mới không có nhàPhương Tuyết Di vốn không tin lời Trương Mĩ Kỳ, nếu Phương Hạo Vân không có nhà, tại sao cô lại phát ra những âm thanh ngại ngùng như vậy.

Nghĩ đến đây, Phương Tuyết Di tức giận nói: " Trương Mĩ Kỳ, Hạo Vân không có nhà thật saoVậy cô dang cùng ai." Vốn định nói câu gì đó, nhưng vừa nói đến miệng, cô lại dừng lại.

Trương Mĩ Kỳ sợ mình bị hiểu lầm, không nói thêm lời nào liền đưa điện thoại cho Phương Hạo Vân: " Chị em bảo em nghe điện thoại."

Phương Hạo Vân một tay ôm lấy ngực người con gái, một tay nhận điện thoại, mông vẫn không ngừng vận động, Trương Mĩ Kỳ cố gắng hết sức ngậm miệng lại, không để những âm thanh ngại ngùng đó phát ra. Nhưng sự việc lúc này quả thật kích thích, cặp mông trắng nõn và eo lưng của cô cũng không làm chủ được chuyển động, hài hòa với động tác của người con trai.

"Phương Hạo Vân, em thật vô sỉ.!"

Phương Hạo Vân vừa nhận điện thoại, trong điện thoại liền vọng lại giọng hét giận dữ của Phương Tuyết Di.

Phương Hạo Vân sửng sốt một chút, vốn định nói gì đó, nhưng điện thoại bên đầu dây bên kia đã cúp máy, chỉ còn lại tiếng tút tút mạng bận.

"Ha ha.!"

Trương Mĩ Kỳ vừa chuyển động cặp mông, vừa cười rồi nói: "Ai bảo em làm chuyện xấu."

Phương Hạo Vân hóa bực bội thành sức mạnh, sức lực bỗng chốc tăng thêm. Còn Trương Mĩ Kỳ lúc này cũng không nghĩ ngợi gì, liền lắc đầu vẫy mông hò hét, trong phòng bỗng chốc tràn ngập hương sắc.

Một đêm không ngủ, một đêm tạo người.

Mãi đến lúc trời sáng, Trương Mĩ Kỳ phải bảo Hạo Vân dừng lại, lúc đó Phương Hạo Vân mới thỏa mãn mà ngừng làm chuyện xấu đóHắn đoán rằng, trải qua một đêm gian khổ như vậy, chị Mĩ Kì có thai cũng là chuyện đương nhiên.

Cũng không ngủ được còn có Phương Tuyết Di.

Sau khi ngắt điện thoại, trong đầu cô không biết tại sao lại phập phồng xuất hiện hình ảnh Trương Mĩ Kì và Phương Hạo Vân đang làm chuyện đó ở đầu dây bên kia.khiến người khác hưng phấn, lại khiến người khác tức giận.

Nhưng, cô cũng không thể giải thích được tại sao mình lại tức giận.

Tóm lại trong lòng thấy không thỏa mái.

Buổi tối mặc quần áo ngủ nằm trên giường, trong lòng Phương Tuyết Di vẫn không thể bình tĩnh được, luôn vô thức nghĩ đến những chuyện đó. Đặc biệt là khi cô nhắm mắt lại, tiếng than thở nhẹ của Trương Mĩ Kỳ lại nhảy nhót bên tai cô, khiến trong lòng cô cũng không ngừng rung động.

"Chết tiệt!"

Phương Tuyết Di âm thầm mắng bản thân mình vô sỉ.

Mắng thì cứ mắng,nhưng cảm giác tê dại trong lòng thì lại thật sự đang tồn tại.

Trong lúc bất đắc dĩ, cô đành phải thò tay xuống dưới quần lót của mình, bắt đầu tự an ủi bản thân. Giống như độ tuổi của cô, đúng là lúc cần sự yêu thương của đàn ông. Thế nhưng đến bây giờ cô lại chỉ có một mình. Giống như sống một cuộc sống quả phụ vậy. Cơ thể vốn nhạy cảm làm sao có thể chịu được những kích thích và trêu trọc đó.

Cùng với cơ thể đang nóng bừng lên, và những đợt sóng khoái cảm, suy tư của Phương Tuyết Di cũng đã trở lên tà ác, cô bắt đầu cố ý nghĩ lại những cảnh mà cô tận mắt nhìn thấy Phương Hạo Vân và người con gái khác giao hợp.

Càng nghĩ cô càng hưng phần hơn.

Trong lúc vô thức, cô đã biến những người con gái đó thành chính mình.

Hạt giống tà ác đó cũng đã dần dần nẩy mầm.

"uhm.!"

Cuối cùng, cùng với những tiếng rên rỉ khe khẽ, cô thốt ra tên của Phương Hạo Vân, đồng thời cũng đạt được đỉnh cao của dục vọng, ngón tay của cô có thể cảm nhận được rõ ràng, từng dòng dịch nhờn đang chảy ra.

Cũng như dòng khoái cảm khiến cô lại một lần nữa gọi lên tên của Phương Hạo Vân.

Nhưng lần này, giọng nói của cô có chút to hơn. Đúng lúc bị Trác Nhã đang từ ngoài hành lang ngoài cửa nghe thấy. Tất nhiên, bà chỉ nghe thấy con gái mình đang gọi tên Phương Hạo Vân thôi.

Dừng bước một chút, hơi do dự, Trác Nhã gõ cửa, gọi: " Tuyết Di con ngủ rồi à.Sao mẹ lại nghe thấy tiếng con gọi tên Hạo Vân vậy."

Sau khi nghe thấy giọng nói của Trác Nhã, bỗng nhiên Phương Tuyết Di sững sờ một chút, trong lòng vô cùng lo lắng, tà ý bỗng chốc tiêu tan, thay vào đó là cảm giác xấu hổ.

Lấy lại bình tĩnh một chút, Phương Tuyết Di vội vàng đáp: " Mẹkhông có gì đâu, con gọi điện thoại cho Hạo Vân màcó thể di động của nó hết pin, vừa gọi được lại không thấy nói gì.Vì thế con mới gọi một tiếng."

"Ồ.thì ra là thế àcon vẫn chưa ngủ à, ra mở cửa cho mẹ vào, mẹ con mình cùng nói chuyện?" Chỉ là một giọng nói. Trác Nhã cũng không nghĩ nhiều.

"Mẹ, con ngủ rồi"

Phương Tuyết Di lại không dám cho mẹ vào trong, trên ga giường có một đống dịch lớn như vậy, huống hồ bây giờ mặt mày cô đang đỏ bừng lên. Hai đầu lông mày còn lộ ra vẻ xuân sắc. Nếu đã cho Trác Nhã vào, liệu còn có thể dấu nổi ánh mắt của bà hay không.

Trác Nhã vốn muốn hỏi mối quan hệ của con gái mình và Hoàng Kỳ Anh, nhưng nghe cô nói như vậy, cũng không miễn cưỡng, sau đó nói: " Nếu đã như vậy, thì con cũng ngủ sớm đi nhéĐúng rồi, phương án kế hoạch đợt hai của dự án Vịnh Kim Thủy, con phải nhanh chóng suy nghĩ nhé."

"Vâng, con biết rồi, mẹ cũng đi ngủ sớm đi nhé" Phương Tuyết Di đáp lại một tiếng, sau đó vội vàng đứng dậy, thay cả tấm ga giường đó và chiếc quần lót.

Nhìn tấm ga giường ẩm ướt, cô có chút bực bội, sao bản thân mình lại giống con gái nước ngoài vậy.

Cô đâu có biết, con gái như cô mới là nhân vật mà người đàn ông thích.

Tuy điều hòa trên xe mở rất to, nhưng trong lòng Đinh Vân Uy vẫn như đội một chiếc mũ hỏa, hơn nữa trong lòng gã còn lẫn một cảm giác vô cùng sợ hãi.

Đã bao nhiêu năm rồi, trong lòng gã đã không từng xuất hiện cảm giác như vậy rồi. Nhưng lần này.gã biết, trong lòng gã đang thực sự sợ hãi.

Bên cạnh gã là con rể Hoàng Bột.

Tâm trạng của Hoàng Bột cũng không cao hứng, đầu óc ủ dột, giữa hai chân mày có vẻ lo lắng lắm.

Rất lâu, gã mới mở miệng nói chuyện: " Bố, bố nói lần này bác cả có trừng phạt chúng ta không." Sau khi từ Hoa Hải trở về, Đinh Vân Uy và Hoàng Bột lại không lập tức đến gặp Đinh Vọng Long, mà lại trốn trong nhà vài ngày. Lúc trước sau khi nhận được tin Đinh Tuyết Nhu ở Hoa Hải bị bệnh, bọn họ đã gọi điện cho Đinh Vọng Long. Hơn nữa đã hứa, lần này nhất định sẽ đưa Đinh Tuyết Nhu quay về. Nhưng cuối cùng bọn họ đã thất bại.

Vì thế Đinh Vân Uy cảm thấy không còn mặt mũi nào đi gặp đại ca nữa.

Nhưng hôm nay, Đinh Vọng Long đã biết tin bọn họ trở về rồi, gọi điện thoại bảo bọn họ đến.

Xe từ từ dừng lại, Đinh Vân Uy và Hoàng Bột xuống xe, dưới sự chỉ đạo của nhân viên bảo vệ, hai người đi theo một con đường thông suốt không trở ngại, đến trước một tòa nhà ba tầng mang phong cách Châu Âu.

"Cậu đứng đây chờ tôi" Đinh Vân Uy dặn Hoàng Bột một câu, tự mình đi vào thang máy, đi thẳng lên tầng ba. Gã đứng lại trước một phòng ở tầng ba.

Cửa phòng mở, nhưng lại treo một bức rèm cửa. Đứng ở bên ngoài không thể nhìn rõ hình ảnh bên trong.

Đinh Vân Uy đứng trước cửa, chỉnh lại trang phục. Lấy lại thần sắc, đang định mở miệng nói,lại nghe thấy tiếng người bên trong nói: " Vào đi Vân Uy."

Đinh Vân Uy nghe thấy vậy vội bước nhanh vào trong, đồng thời đóng cửa phòng lại, lúc này gã mới ngẩng đầu lên nhìn, mấy ngày không gặp, tóc bạc trên đầu anh cả nhiều hơn một chút, giữa chân mày có vẻ rất lo lắng.

Đinh Vân Uy hơi lo lắng, thầm nghĩ, chẳng lẽ tình hình gia tộc lại xấu đi sao.

Đinh Vọng Long nhìn nhìn Tứ Đệ nhưng lại không nói gì, chỉ là đôi mắt cứ nhìn chằm chằm vào gã. Nhanh chóng lấy lại tinh thần, bước về phía trước hai bước, Đinh Vân Uy cúi mi nhìn theo, cung kính đứng trước mặt Đinh Vọng Long, khom người nói: " Anh Cả."

Đinh Vọng Long lại không tiếp tục nhìn gã nữa, hừ một tiếng rồi nhắm mắt lại dưỡng thần: "Ngồi đi." Ngữ khí của Đinh Vọng Long rất lạnh lùng, nhưng lại không khó để nghe ra bên trong có chút giận dữ.

Đinh Vân Uy lại không dám ngồi xuống đó, bèn vẫn đứng nguyên tại chỗ, hỏi: " Anh cả.tâm trạng anh không vui sao? Có phải chuyện trong gia đình lại."

"Tôi bảo cậu đi làm việc đã làm tới đâu rồi?" Đinh Vọng Long ngắt lời gã, lạnh lùng nói: " Tại sao hôm nay mới đến gặp tôi?"

Đinh Vân Uy vội vàng báo lại: " Anh Cảsự việc vốn rất thuận lợi, Tuyết Nhu mắc bệnh máu trắng, nhất thời vẫn chưa tìm được tủy thích hợp, em vốn nghĩ, chắc chắn nó sẽ cúng chúng em trở về nước Anh. Ai ngờ giữa đường lại xuất hiền một Trình Giảo Kim, dám làm hỏng chuyện tốt của chúng em"

Nói đến đây, gã liếc khóe mắt nhìn chộm anh cả đánh giá, thấy sắc mặt anh cả lộ vẻ không vui, trong lòng lo lắng, vội vàng nói: " Anh Cả, anh biết người đó là ai không, chính là Phương Hạo Vân lần trước đã làm hỏng chuyện của em và Hoàng BộtCông phu của người đó giống như thần linh vậy, có hắn đứng bên cạnh Tuyết Nhu, chúng em vốn không có cơ hội ra tay" Nghĩ đến Phương Hạo Vân một tay đập nát chiếc bàn uống trà lớnTrong lòng Đinh Vân UY lại lo sợ.

Đinh Vọng Long vẫn luôn lắng nghe, sắc mặt giận dữ lại ngày càng bừng lên: " Thật là xui xẻoCon tiện nhân Tuyết Nhu đó tại sao lại cùng bọn với Phương Hạo Vân"

"Anh Cả anh biết tên Phương Hạo Vân ấy?" Đinh Vân Uy vội vàng hỏi.

"Ừ.!"

Đinh Vọng Long gật gật đầu, chậm chạp nói: " Từ thất bại nhiệm vụ lần trước của hai người tôi đã bắt đầu ra tay điều tra tên Phương Hạo Vân đóKết quả ngoài sức dự đoán, người này vốn là mục tiêu ám sát của Thiên Đạo. Nhưng cuối cùng, Thiên Đạo lại hủy bỏ ám sát hắn.Thật khó tưởng tượng, tên tiể tử này không đơn giản"

Nghe Đinh Vọng Long nói như vậy,Chán Đinh Vân Uy bắt đầu lấm tấm mồ hôi, tuy trong phòng rất mát mẻ, nhưng gã lại cảm thấy có chút oi bứcThiên Đạo là tổ chức gì, bọn chúng biết rất rõ. Nghe nói từ ngày Thiên Đạo thành lập, từ trước đến nay chưa từng thất bại một lần. Nhưng lần này, lại bị Phương Hạo Vân cho thành ngoại lệ. Có thể thấy, Phương Hạo Vân này lợi hại như thế nào.

Đinh Vân Uy lau những giọt mồ hôi lanhhj trên chán đi, trong lòng phập phồng lo lắng, không ngờ bản thân lại chọc vào một sát thần mà ngay cả Thiên Đạo cũng phải kinh sợ.

Chỉ là gã lại không biết, người mà Thiên Đạo kinh sợ không phải bản thân Phương Hạo Vân, mà là thế lực đằng sau hắn.

Tất nhiên nếu gã biết thế lực đằng sau Phương Hạo Vân, chỉ càng tăng thêm phần sợ hãi mà thôi.

"Anh cả, vậy bây giờ chúng ta nên làm gì bây giờ?" Đinh Vân Uy vô cùng sợ hãi: " Theo tình hình hiền nay, chúng ta không thể tiếp tục chọc giận tên Phương Hạo Vân nàyChi bằng chúng ta nghĩ một phương án khác?"

Đinh Vọng Long nhíu mày suy tư trong chốc lát, quay người sang hỏi ý kiển Đinh Vân Uy: " Lão Tứ, theo cậu thấy tên Phương Hạo Vân này và tên Phương Hạo Vân mà Tuyết Nhu quen năm đó tại viện Phúc Lợi ở Hoa Hải, có phải là cùng một người không?"

"Không phải!"

Đinh Vân Uy lắc đầu nói: " Phương Hạo Vân năm đó là một đứa trẻ mồ côi, còn Phương Hạo Vân bây giờ lại là người thừa kế tập đoàn Thịnh Hâm của Hoa Hải, hơn nữa tướng mạo của hai người cũng chẳng có điểm nào giống nhau cả."

"Tôi lại hỏi cậu, Phương Hạo Vân này và Tuyết Nhu có quan hệ gì?" Đinh Vọng Long lạnh lùng hỏi.

"Cái này khó nói lắm" Đinh Vân Uy đoán mò nói: " Anh Cả, em đoán có thể Tuyết Nhu đã yêu tên tiểu tử đó rồiAnh nghĩ mà xem, những năm nay Tuyết Nhu luôn không thể quên tên tiểu tử ở viện Phúc Lợi năm đó, bây giờ nó không tìm được tên tiểu tử đó, mà lại tìm thấy Phương Hạo Vân bây giờ làm người thay thế.

"Ừ!"

Đinh Vọng Long gật đầu nói: " Phân tích của cậu cũng có lý, tôi cũng nghĩ như vậy."

"Ý của Anh Cả là?" Đinh Vân Uy dường như nghĩ ra điều gì.

503. Chương 30: Đinh Vọng Long Muốn Nhận Con Rể

"Vậy còn gia tộc Morgan?" Đinh Vân Uy có chút lo lắng.

"Không sao"

Đinh Vọng Long hừ một tiếng rồi nói: " Con gái tôi không nhất định phải gả cho gia tộc Morgan.phàm là có lợi cho tôi, thân sự có lợi cho Đinh Gia chúng ta đều có thể lấy. Tên tiểu tử của gia tộc Morgan đó lại không nắm chắc được quyền lợi thực tế, so sánh mà nói, tôi lại có hứng thú với tràng thanh niên khiến Thiên Đạo phải kinh sợ hơn."

Nói đền đây, Đinh Vọng Long vừa cười vừa nói: ' Cậu lại đến Hoa Hải một lần nữa, đem ý của tôi truyền cho Tuyết Nhu, bảo nó và tên tiểu tử đó cùng đến gặp tôi"

"Không cần đâu."

Đinh Vân Uy thoáng do dự một chút, nói: " Anh Cả, có lẽ mấy ngày nữa Phương Hạo Vân sẽ đên nước Anh tìm chúng ta." Lúc trước sợ Đinh Vọng Long tức giận, Đinh Vân Uy lại không dám nói ra những lời nói cuối cùng của Phương Hạo Vân.

"Có chuyện này sao? Sao cậu không sớm nói ra? " Đinh Vọng Long chau mày, giống như nghĩ ra điều gì: ' Hắn có thể là vì bệnh tình của Tuyết Nhu."

"Chính là nguyên nhân này.!"

Đinh Vân Uy không dám dấu diếm điều gì nữa, vội vàng tường thuật lại những lời của Phương Hạo Vân. Sau đó, Đinh Vân Uy lo lắng nói: " Anh Cả, oán hận của Tuyết Nhu với Đinh gia chúng ta chất chứa đã sâu, em thấy chuyện này không đơn giản như anh nghĩ đâuTên họ Phương đó chưa chắc đã chịu nhận anh làm nhạc phụ đại nhân"

"Hắn dám!"

Đinh Vọng Long cười lạnh lên một tiếng, noi: " Nếu hắn không theo, vậy đừng nghĩ đến chuyện ghép tủy cho con tiện nhân Tuyết Nhu đó nữaTủy ở trên người tôi, tôi không đồng ý. Tôi xem hắn làm thế nào?"

Đinh Vân Uy phụ họa nói: “ Anh Cả nói đúng.chính là cái đạo lí này.chỉ ợ hắn không đến, chỉ cần hắn đến, chúng ta nhất định sẽ nói điều kiện với hắn.”

“Ừ!”

Đinh Vọng Long suy nghĩ một chút rồi nói: “ Lão Tứ, nhân lúc tên tiểu tử đó chưa đến, cậu đưa người đi tra xét trước xem thế nào, xem sau lưng Phương Hạo Vân đó ngoài tập đoàn Thịnh Hâm ra còn có bối cảnh gì to lớn không? Nguy hiểm của Đinh Gia bây giờ không phải một doanh nghiệp nhỏ như tập đoàn Thịnh Hâm có thể giúp đỡ được.”

“Anh Cả, anh cứ yên tâm đí, em đảm bảo sẽ điều tra ra hết mọi chuyệnAnh Cả, có còn chuyện gì nữa không?

Rượu đỏ là thứ mà Phương Hạo Vân thích nhất trước đây, nhưng từ sau khi đổi mặt hoàn sinh, hắn đã rất ít uống rồi. Chỉ là hôm nay không biết tại sao hắn đột nhiên lại muốn uống.

Cơ thể Dì Bạch đẫy đà, mặc quần áo ngủ lại có chút hấp dẫnÁnh mắt Phương Hạo Vân quét qua một lượt, thậm chí có thể nhìn thấy hai đỉnh nhô ra của ngực dì.

Xem ra, bên trong dì không mặc gì.

Nghĩ đến đây, ánh mắt Phương Hạo Vân không khỏi hướng xuống dưới nhìn sang, việc ngoài ý định đó là, phần thân dưới Dì Bạch lại mặc quần lót, màu sắc tương đồng với bộ đồ ngủ, là màu đỏ thẫm. Phương Hạo Vân cũng theo dấu vết đó mà đoán ra.

"Trước đây hầu như ngày nào con cũng uống một bình rượu đỏ, bây giờ lại không thấy con uống.Được rồi, ở đây dì vẫn còn mấy bình mang từ Châu Âu về đây, con chờ đó dì đi lấy ra cho" Vừa nói, Dì Bạch bèn đứng dậy rời đi, lắc lư chiếc eo mảnh khảnh, nhẹ nhàng đi.

Ánh mắt Phương Hạo Vân lại dán chặt vào cặp mông của người con gái này, ánh mắt cũng lắc lư di chuyển theo cặp mông đó.

Dì Bạch cúi người xuống lấy một bình rượu đỏ từ tủ rượu ra, cùng hai chiếu ly, quay người lại thấy ánh mắt Phương Hạo Vân vẫn luôn nhìn chằm chằm vào mình.

Dì Bạch khẽ gắt lên một tiếng nói: " Hạo Vân, bây giờ con ngày càng háo sắc rồi, ngay cả đậu phụ của dì con cũng dám ăn nữa." Dì Bạch lại không thèm quan tâm đến Phương Hạo Vân đang nhìn mình, nghĩ lại lúc đầu, thậm chí cô định hiến thân mấy lần. Nhưng tình hình bây giờ khác rồi, cô buộc phải duy trì khoảng cách với Phương Hạo Vân, tuyệt đối không thể xảy ra quan hệ nam nữ quá sớm. Sau này.

504. Chương 31: Dì Bạch Hỏi Tới Chuyện Của Phương Tuyết Di

Phải công nhận rằng, thân hình của dì Bạch đúng là hoàn mỹ, đến ngay cả Hạo Vân đã từng gặp qua nhiều cô gái đẹp, cũng có lúc không thể tự kềm chế được.

"Hứ.!"

Dì Bạch giả vờ giận dữ, tức tối nói: "Đồ háo sắc, con còn nhìn bậy nữa, coi chừng dì xử tội con."

Phương Hạo Vân cười hi hi: "Dì Bạch, cái này không phải lỗi tại con, ai bảo dì hấp dẫn như vậy chứ. thôi, tốt hơn hết là con cứ thành thật thì hơn."

Tuy là nói vậy, nhưng ánh mắt của Phương Hạo Vân lại chẳng thành thật chút nào, nhìn thấy dì Bạch cũng co đôi chân trần lại ngồi trên ghế sofa, ánh mắt hắn lại chuyển sang nhìn vào đôi chân ngọc ngà của dì, yêu kiều mượt mà, sáng bóng và nổi bật.

Dì Bạch liền cười: "Đến cả chân mà cũng không tha. Hạo Vân, lúc xưa, cái gì phi lễ thì con không nhìn. xem ra, mặt đổi rồi, thì tính tình cũng đổi luôn."

"Nhưng."

Dì Bạch cười nhạt: "Dì vẫn thích con của bây giờ hơn. con của bây giờ ít ra cũng giống một người đàn ông bình thường hơn." Cử động của Phv, không có gì đáng để trách móc, đó hoàn toàn là cử động của một người đàn ông bình thường. Dì Bạch hiểu rất rõ về thân hình của mình, từ đầu đến chân không có chỗ nào không đẹp, quả thật có sức hấp dẫn rất lớn đối với đàn ông.

"Hi hi.!"

Phương Hạo Vân khẽ cười, nói: "Dì ơi, năm xưa dì cũng đâu có dịu dàng với con như vậy. lúc đó, cả ngày mặt dì cứ lầm lầm lì lì, nên con đâu có dám?"

"Lúc đó nếu không nghiêm khắc một chút, thì con có được thành tựu như ngày hôm nay không. hơn nữa, dì nhớ lúc đó, con thật sự đúng là một Liễu Hạ Huệ, trong lòng không hề nghĩ đến chuyện đen tối. Hạo Vân, dì hỏi con, con sắp xếp cho Tuyết Nhu như thế nào. Tuyết Nhu là một cô gái rất kiên cường, cô ta đã đợi con lâu đến vậy. có thể thấy tấm lòng trung trinh đối với tình yêu của cô ấy, dì nghĩ cô ấy sẽ không chịu

chia sẻ tình yêu của con với nhiều người đàn bà khác đâu." Dì Bạch buồn bã thở dài, nói: "Bây giờ số đào hoa của con đang vượng, muốn tránh cũng tránh không được."

Nghe dì Bạch nói như vậy, Phương Hạo Vân thở dài, nhắc đến chuyện tương lai sau này sẽ sống như thế nào với Tuyết Nhu, thật sự thì hắn vẫn chưa nghĩ ra.

Tuy rằng trong lòng hắn đã bắt đầu tha thứ cho Đinh Tuyết Nhu.

Nhưng vết thương trong sáu năm ròng rã, vẫn còn để lại chút vết tích trong lòng hắn.

Ngừng một lúc, Phương Hạo Vân miễn cưỡng nặn ra một nụ cười, nói: "Con vẫn chưa nghĩ ra, tóm lại là sẽ có cách thôi, chuyện cần làm bây giờ là giúp cô ấy chữa khỏi bệnh đã."

Dì Bạch bĩu môi cười: "Thật ra dì có một cách rất hay, nhưng phải xem con có đồng ý hay không đã." Nói xong, dì Bạch ngồi thẳng lên, đưa tay lên vén nhẹ mái tóc trước trán, khiến đôi ngực sừng sững, càng ưỡn ra, càng nẩy lên hơn. Phương Hạo Vân dường như đã nhìn đến nỗi ngây ngô cả người.

"Nếu con còn nhìn bậy nhìn bạ nữa, dì sẽ không nói tiếp đâu." Dì Bạch khẽ trách: "Trước mặt dì, con phải tỏ ra đàng hoàng một chút chứ."

"Dì ơi, dì đừng trêu con nữa, có cách gì, thì dì mau nói ra đi?" Phương Hạo Vân vội vàng hỏi.

"Thật ra cũng chẳng có gì khó.!"

Dì Bạch nói với nhiều ẩn ý sâu xa: "Dì biết một môn gọi là Nhiếp Tâm thuật, dì có thể biến cô ta hoàn toàn nghe theo lời con."

"Không được.!"

Phương Hạo Vân liền lắc đầu: "Dì à, nếu thật phải làm như vậy, thì chẳng còn ý nghĩa gì nữa. nếu một người mất đi tâm tính của mình, vậy có khác gì so với một con rối đâu."

Dì Bạch đưa tay xoa nhẹ vào huyệt Thái Dương, ưỡn ngực ra, vui vẻ cười: "Dì còn tưởng là con sẽ đồng ý nữa. đúng rồi, dì hỏi con, con có muốn học Nhiếp Tâm Thuật không?"

Phương Hạo Vân không trả lời câu hỏi của dì Bạch, mà cười nói: "Dì à, dì không được khỏe à? Có cần con giúp dì xoa bóp không?"

"Không cần.!"

Dì Bạch híp mắt lại nhìn Phương Hạo Vân, nâng ly rượu trên bàn lên, nhẹ nhàng nhấp một ngụm, vẫn nụ cười tươi trên môi, nói: "Thằng ranh này lại muốn sờ bậy sờ bạ chứ gì, dì không mắc lừa con đâu."

Phương Hạo Vân nghe xong, thầm nghĩ mình đã thất bại, liền đó cũng nâng ly rượu lên, uống một hớp, thản nhiên nói: "Dì à. con muốn học."

"Dì có thể dạy con, nhưng con không được dùng để đi hái hoa bắt bướm đâu đấy, nếu không, dì sẽ không tha cho con đâu." Dì Bạch giải thích nói: "Cái môn Nhiếp Tâm thuật này, chỉ có tác dụng với đàn bà, có hiệu lực chỉ trong vòng một giờ."

"Uhm, con nhớ rồi.!"

Phương Hạo Vân không nói thêm gì, chỉ là gật gật đầu, rồi quay lưng đi, nhưng tâm trạng của hắn lại không thể bình tĩnh được, oán hận trong mắt Tiểu Điệp lúc hắn quay lại có vẻ gian xảo, rốt cuộc điều đó có nghĩa là gì? Hắn đang thầm nghĩ.

Sau khi đến phòng làm việc của Vương Thế Phi, mặt Vương Thế Phi đầy vẻ xấu hổ, lắp bắp nói: "Phương thiếu gia. chuyện hôm nay. khiến anh phải chê cười rồi."

"Đều là người mình cả, đừng ngại."

Phương Hạo Vân chuyển hướng nhìn, nhìn sang Vương Thế Phi, nói nhạt: "Thế Phi, chú Trần đã bàn với anh chưa. ý của anh thế nào?"

Vương Thế Phi nghệch mặt ra, không ngờ Phương thiếu gia vừa đến là đã vào đề ngay, hắn do dự một lúc, liều nói: "Phương thiếu gia, cậu cũng thấy rồi đấy, Tiểu Điệp đã có thai. tôi không muốn kích động cô ấy trong lúc này. Phương thiếu gia, tôi thấy con người Tiểu Điệp cũng khá lắm, hơn nữa, cô ấy sẽ không ảnh hưởng đến việc tôi làm."

Vi cá và tay gấu không thể có cả hai được, nhưng Vương Thế Phi thì lại không muốn bỏ ai cả, một bên là người đàn bà và con của mình, bên kia là thứ mà mình luôn hằng mơ ước.

Hắn đang rơi vào mâu thuẫn.

"Thế Phi. ý của anh tôi hiểu, nhưng anh đã quá xem thường Tiểu Điệp rồi." Phương Hạo Vân nghiêm túc nói: "Tôi xem anh là người mình, nên tôi tính không nói với anh những chuyện này. chỉ nói đến chuyện lúc nãy thôi. tôi thấy Tiểu Điệp chưa chắc đã dám nhảy lầu thật, cô ta chỉ cố tình diễn kịch, để gây thêm áp lực cho anh thôi, con đàn bà này đúng là rất biết tính toán."

"Phương thiếu gia"

Vương Thế Phi nghĩ một lúc, hỏi: "Anh thấy vậy có được không. đợi cô ta sinh con xong, thì tôi cho cô ta rời khỏi." Đối với con người Tiểu Điệp, Vương Thế Phi càng quan tâm đến đứa con trong bụng của cô ta hơn là quan tâm đến cô ta. Nên biết là, hắn đã từng chơi nhiều cô vậy rồi, cũng đã nhiều lần không dùng bao, nhưng có thể mang thai thì đây đúng là lần đầu tiên.

"Tôi thì sao cũng được, mọi chuyện đều phải xem anh thôi." Phương Hạo Vân luôn cảm thấy Tiểu Điệp là một vấn đề, là một trái bom nổ chậm, nếu Vương Thế Phi không chịu bỏ Tiểu Điệp, vậy thì hắn đành bỏ Vương Thế Phi vậy.

Thật ra bây giờ đã có Bạch Quý và anh em nhà họ Vương rồi, nếu không có Vương Thế Phi thì cũng không sao, chỉ là hắn không muốn nhìn thấy Tiểu Điệp không chế được Vương Thế Phi mà thôi.

"Phương thiếu gia, hay là vậy đi. để tôi bàn lại với Tiểu Điệp? Tôi tin cô ấy là người hiểu chuyện." Quả thật bây giờ Vương Thế Phi đang rất khó xử.

"Thôi. tôi nghĩ anh đã đưa ra quyết định rồi." Phương Hạo Vân có chút thất vọng đối với Vương Thế Phi, lạnh nhạt nói: "Anh tự lo cho mình đi."

Nói xong, Phương Hạo Vân liền đứng dậy, xem chừng chắc là muốn rời khỏi.

Trong lòng Vương Thế Phi hơi run, vội vàng tiến lên trước ngăn Phương Hạo Vân lại, nói: "Phương thiếu gia. chẳng lẽ anh không thể cho tôi thêm một lần cơ hội sao. tôi đối với anh thế nào, chẳng lẽ anh vẫn không hiểu sao?"

Phương Hạo Vân điềm nhiên cười, quàng tay lên vai Vương Thế Phi, nói: "Đừng kích động quá, ngồi xuống từ từ nói nào. Thế Phi, mỗi người đều có lựa chọn của riêng mình, người khác thì là do miễn cưỡng, nhưng tôi đã cho anh cơ hội rồi, đến sau cùng anh vẫn lựa chọn bỏ qua cơ hội đó. nhưng như vậy cũng tốt, chuyện tôi bảo anh làm quá nguy hiểm. bây giờ như vậy cũng tốt, anh tiếp tục làm công tử của anh, vậy cũng khá lắm. chúng ta vẫn là anh em mà."

Một câu vẫn là anh em, đã khiến mắt Vương Thế Phi có chút ươn ướt, phải thừa nhận rằng, Vương Thế Phi là một người rất trọng tình nghĩa.

"Được, vậy đi. tôi còn chuyện phải xử lý. lần sau có rảnh thì nói tiếp." Phương Hạo Vân vỗ vào vai Vương Thế Phi, rồi quay lưng đi."

Lần này, Vương Thế Phi không ngăn lại nữa, hắn biết Phương Hạo Vân là người nói một là một, nói hai là hai, mặc cho hắn có ngăn lại đi chăng nữa, cũng chẳng thay đổi được gì.

Nhìn sau lưng Phương Hạo Vân, trong lòng Vương Thế Phi khẽ nhói đau, điều mà hắn phải chịu trăm ngàn cực khổ mà sắp có được, đã thấy ngay trước mắt rồi, nhưng lại xuất hiện cái biến số là Tiểu Điệp.

Hắn đang nghĩ, có phải chỉ vì cốt nhục của mình, mà hắn phải trả cái giá đắt đến vậy sao.

Nhưng nói cách khác, có thể sinh cho ông già hắn một đứa cháu mập mạp, cũng xem như báo đáp ơn dưỡng dục cho ông ấy rồi. còn về Tiểu Điệp thì, trong lòng Vương Thế Phi có chút phức tạp.

Một mặt, cô ta vì mình mà mang thai, đó là điều đáng để khẳng định, nhưng mặt khác, cũng chính vì Tiểu Điệp, mà khiến hắn mất đi cái mà hắn mong muốn.

Như vậy, Vương Thế Phi cứ ngồi mãi trong phòng, đến tận một tiếng sau, hắn mới ngẩng đầu lên, tiện tay nhấc điện thoại trên bàn, gọi điện cho ba hắn đang ở nước ngoài. Cho dù thế nào, cũng phải báo tin vui này cho ba hắn trước, còn về những chuyện đau đầu khác, tạm thời hoãn lại đã.

Vương Trạch nhận được điện thoại của con trai, nghe con trai báo tin vui xong, ông liến ngệch người ra, không biết là đang vui mừng hay là kinh ngạc, cũng có thể là một thứ cảm xúc khác. Tóm lại, một lúc lâu sau, Vương Thế Phi mới nghe được giọng nói của ba hắn trong điện thoại: "Thế Phi. con nói thật không. có thật là con đã khiến đàn bà mang thai không?"

"Là thật. đã được một tháng rồi." Vương Thế Phi nói chắc như đinh đóng cột: "Ba, có phải ba nên quay về đây một chuyến không."

"Thế Phi, nghe ba nói. bây giờ con lập tức đưa Tiểu Điệp đến bệnh viện kiểm tra, xem có phải đã mang thai thật không. đợi có được kết quả của bệnh viện, thì con gọi lại cho ba." Vương Trạch căn dặn: "Nhớ nhé, cả quá trình đó con nhất định phải có mặt, con đến bệnh viện trung tâm thành phố, viện trưởng La ở đó là bạn thân của ba, ông ta sẽ sắp xếp mọi chuyện cho con."

"Ba, ý của ba là Tiểu Điệp đang gạt con sao?" Vương Thế Phi nhíu mày lại.

"Không phải ý này"

Vương Trạch căn dặn trong điện thoại: "Ba làm vậy chỉ muốn cho chắc chắn thôi. tóm lại, con cứ làm theo lời ba nói là được. những chuyện khác đừng hỏi tới nữa."

"Nhưng về phía Tiểu Điệp." Chuyện như thế, rõ ràng là không tin tưởng Tiểu Điệp rồi, Vương Thế Phi cảm thấy có chút khó xử.

"Con nói với tiểu điệp, nói đó là ý của ba. nếu cô ta có trách thì trách ba đi." Vương Trạch nói xong bèn gác máy.

Sau khi cúp máy, Vương Thế Phi liền tìm tiểu điệp, chuyển lời của ba đến cô ta.

Tiểu Điệp nghe xong, cũng không có chút kích động nào, cô chỉ nhẹ nhàng gật đầu: "Ý của bác trai em cũng hiểu, vậy chúng ta đi thôi."

Một giờ sau, hai người đã đến khoa phụ sản của bệnh viện trung tâm thành phố, viện trưởng La và chủ nhiệm Lưu của khoa phụ sản đã chờ họ từ lâu rồi.

Sau khi hỏi vài câu đơn giản, chủ nhiệm Lưu của khoa phụ sản đã đích thân giúp Tiểu Điệp làm các xét nghiệm, và đã có kết luận là, cô ta đúng thật đã có thai.

Sau khi tin này được xác định, Vương Thế Phi liền gọi điện báo tin này cho ba hắn ở nước ngoài.

Vương Trạch nghe tin, liền nói ngay là trong tuần này sẽ về Hoa Hải một chuyến.

Lúc ra khỏi bệnh viện, Vương Thế Phi không hề chú ý đến vẻ mặt của Tiểu Điệp, cô ta đang cười thầm, cười một cách lạnh lùng.

Trần Thiên Huy được biết Phương Hạo Vân đã loại bỏ Vương Thế Phi, có chút bất ngờ, liền qua gặp hắn. Mong là có thể khuyên bảo Phương Hạo Vân, Vương Thế Phi là một nhân tài hiếm có, hơn nữa lại rất trung thành, không nên loại bỏ hắn.

"Hạo Vân, có thật là con sẽ loại bỏ Vương Thế Phi không?" Trần Thiên Huy có vẻ không tin: "Có phải có chuyện gì mà con giấu chú không."

Phương Hạo Vân nghe xong liền nói nhạt: "Tình hình hiện giờ của anh ta, không thích hợp làm chuyện mà con đã sắp xếp. vấn đề then chốt vẫn là ở Tiểu Điệp, cô ta đã mang cốt nhục của Vương Thế Phi."

"Có chuyện này sao?"

Sắc mặt Trần Thiên Huy khẽ thay đổi, suy nghĩ một lúc nói: "Hạo Vân, con thấy con đàn bà tên Tiểu Điệp này như thế nào?"

"Tiểu Điệp à. con cảm thấy cô ta có vấn đề, nhưng tạm thời con vẫn chưa biết là cô ta có vấn đề ở chỗ nào." bất giác Phương Hạo Vân lại nhớ tới ánh mắt khác thường của Tiểu Điệp.

"Hạo Vân, có chuyện này chú không biết có nên nói ra hay không." Trần Thiên Huy nghĩ một lúc, nói: "Chú cảm thấy việc tiểu điệp mang cốt nhục của Vương Thế Phi là giả."

"Là sao?"

Phương Hạo Vân khẽ giật mình, hỏi: "Con thấy Thế Phi không phải là người hồ đồ, cũng không thể nào bị Tiểu Điệp lừa gạt mà không hay biết được?"

"Là vậy nè." Trần Thiên Huy nhíu mày đanh giọng nói: "Chú và ba của Thế Phi là Vương Trạch đã quen nhau từ lâu, quan hệ cũng rất tốt. chú nhớ có một lần, Vương Trạch uống rượu say đã từng nhắc với chú, nói là hình như con trai ông ta không thể nào sinh đẻ được nữa."

"Có chuyện này sao?"

Phương Hạo Vân khẽ giật mình: "Chẳng lẽ Thế Phi không biết sao?"

"Chắc là nó không biết." Trần Thiên Huy nói: "Chuyện này chú cũng có chút ấn tượng, chú nhớ lúc đó do Vương Trạch uống rượu say lại quá đau lòng nên mới nói ra."

"Nhất định phải mau chóng điều tra cho rõ chuyện này, nếu thật sự Thế Phi không thể sinh con, vậy thì việc Tiểu Điệp có thai là có vấn đề." Phương Hạo Vân suy nghĩ một lúc, nói: "Chú Trần, chuyện này đành nhờ chú điều tra trước vậy. con phải đến nước Anh một chuyến, đợi con về rồi sẽ xử lý tiếp."

507. Chương 34: Kiểm Duyệt

"Chú Trần, chú hiểu lầm rồi…!" Phương Hạo Vân cười giải thích nói: "Con đến nước Anh hoàn toàn không liên quan gì đến việc làm ăn, con đi để tìm người…chắc nhiều nhất cũng là một tuần, rồi con sẽ quay về."

"Là vậy à…có cần chú sắp xếp dùm cho con không?" Trần Thiên Huy quan tâm hỏi.

"Không cần…!"

Phương Hạo Vân cười nói: "Dì Bạch đã sắp xếp cho con xong hết rồi, chú không cần phải lo lắng cho con đâu."

"Dì Bạch…" Trần Thiên Huy gật đầu: "Đúng rồi, sao chú có thể quên một người có tay mắt khắp thiên hạ như dì Bạch chứ…có dì ấy sắp xếp cho con, thì chú yên tâm rồi."

"Đúng rồi chú Trần, bây giờ chú có bận gì không? Nếu không bận gì, thì hãy cùng con đi một chuyến đến ký túc xá nhân viên của Kim Bích Huy Hoàng, chiều mai con phải đi rồi, trước khi đi, con muốn đến thăm anh em nhà họ Vương."

"Được, bây giờ đi luôn…!"

Trần Thiên Huy cười nói: "Hạo Vân, nhắc đến anh em nhà họ Vương chú không thể không khen con, lần này con đúng là đã nhặt được bảo bối, kỹ thuật súng giới và chiến đấu của những người này đều thuộc loại bậc nhất, nếu huấn luyện cho tốt, ngày tháng sau này, sẽ là thực lực lớn mạnh của mình…đúng rồi, người anh em tên Bạch Quý cũng là thuộc hạ của dì Bạch sao, người này đúng là rất đáng để khâm phục, một con sư tử đá nặng đến ngàn cân, mà chỉ dùng một tay đã nâng lên được…Hạo Vân, bây giờ chú lại càng cảm thấy hiếu kỳ đối với con, và cả dì Bạch của con hơn nữa, có lúc chú nghĩ, rốt cuộc thì hai người là người như thế nào?"

Người nói vô tình, nhưng người nghe lại có ý.

Phương Hạo Vân khẽ giật mình, giả vờ cười nói: "Thì con chính là con…chú Trần, chẳng lẽ chú cảm thấy trên người con còn có bí mật gì sao?"

"Ha ha…!"

Ánh mắt Trần Thiên Huy có chút gian xảo, cười nói: "Chú không có nghĩ vậy…dù gì thì, chú vẫn cảm thấy con là một người bạn đáng tin cậy…"

"Người bạn…chú Trần…có câu nói này của chú, con đã cảm thấy mãn nguyện rồi…" Phương Hạo Vân cười nói: "Nhưng giữa chúng ta cũng không thể loạn trật tự trước sau được, để chị Thanh Thanh khỏi phải lời ra tiếng vào…"

Nghe Phương Hạo Vân nhắc đến con gái mình, Trần Thiên Huy bèn nhân cơ hội nói luôn sang chuyện khác, đanh giọng hỏi: "Hạo Vân, con nói thật với chú đi, con và Thanh Thanh tiếp xúc với nhau, rốt cuộc là có phát sinh mâu thuẫn gì không? Từ khi Thanh Thanh trở về, thì đã buồn bã không vui…cũng vừa mấy hôm trước thôi, mới có tinh thần mà tiếp quản chuyện làm ăn ở công ty đầu tư của chú Trần…chú và dì Lã con cảm thấy, có phải là lúc ở trong cánh rừng, hai con đã xảy ra chuyện gì không vui không?"

"Chú Trần, quả thật là không có, trừ khi là chú vẫn không tin con…" Chuyện trị thương trong cánh rừng này, Phương Hạo Vân đâu dám nói, nếu để Trần Thiên Huy biết được mình đã rờ vào bông hoa yêu quý của ổng, chỉ có trời mới biết ổng sẽ có những phản ứng gì.

Phương Hạo Vân đoán là mấy ngày này Trần Thanh Thanh không được vui, chắc cũng là không vui vì tình.

Lúc ở trong cánh rừng, cô đã dũng cảm bày tỏ tình cảm với Phương Hạo Vân…nhưng cô lại không cách nào đối diện được với quá nhiều người đàn bà bên cạnh Phương Hạo Vân.

Phương Hạo Vân đoán là, bây giờ chắc cô ấy đang rất mâu thuẫn, rất đau khổ.

Thật ra, Phương Hạo Vân cũng có chút đau đầu, con gái thời hiện đại bây giờ rất phiền phức, nếu là thời cổ đại, thì sẽ không có nhiều chuyện phiền phức như vậy rồi.

Sự việc đã phát triển đến bước này, trong lòng Phương Hạo Vân cũng không còn kiêng dè nữa, những người đàn bà đó, đều là bảo vật của hắn, hắn nỡ bỏ ai được chứ?

Nói một cách tương đối, mối quan hệ giữa hắn và Trần Thanh Thanh vẫn chưa đến mức độ không thể rời xa nhau được, nếu buộc phải bỏ một người, vậy thì chỉ có thể là Trần Thanh Thanh thôi.

Đương nhiên, nếu Trần Thanh Thanh chủ động chấp nhận chuyện chia sẻ tình yêu của hắn, thì đó lại là một chuyện khác.

Đàn bà thôi mà, tóm lại cũng sẽ có thôi. Ký túc xá nhân viên của Kim Bích Huy Hoàng, trên quảng trường nhỏ ở phía trước ký túc xá, anh em nhà họ Vương và hơn 60 tên thuộc hạ đang tiến hành luyện tập một cách rất trật tự, dưới sự lãnh đạo của Bạch Quý.

Qua mấy ngày tập huấn, Bạch Quý phát hiện ra rằng, tố chất chiến đấu và năng lực tác chiến của đám người này rất khá, nhưng lại có một điểm không hay, đó chính là quá lười nhác, không có một chút kỷ luật nào.

Đương nhiên, điều này không thể trách họ được.

Thử nghĩ mà xem, lúc ở trong rừng, tính chất của họ chỉ là chiếm núi mà làm vua, giống với những tên thảo khấu của thời trước. Lúc đó, bọn họ đều là làm theo bản năng, không bị ràng buộc gì.

Bây giờ tuy đã quay trở về, nhưng trong dăm bữa nữa tháng đâu thể thay đổi được thói xấu ấy. Bạch Quý vì muốn giúp họ mau chóng thích nghi với cuộc sống trong thành phố lớn, mau chóng hình thành sức chiến đấu, nên mấy ngày gần đây đã chú trọng việc tăng cường huấn luyện kỷ luật cho họ.

Còn về kỹ thuật chiến đấu, bây giờ vẫn chưa cần gấp.

Những tên đàn ông này đều đã luyện Thất Tuyệt Đao của nhà họ Vương, tuy vẫn chưa được điêu luyện, nhưng cũng đã khá lắm rồi, sau này chỉ cần chỉ dạy thêm một chút, lại dạy thêm cho họ cách hít thở nữa là sẽ không có vấn đề gì.

"Khá lắm…!"

Phương Hạo Vân và Trần Thiên Huy nhìn hàng ngũ chỉnh tề từ xa, cười nói.

Phương Hạo Vân chăm chú nhìn, nói: "Cách nhìn của Bạch Quý quả thật rất chuẩn, những người này đúng là cần phải được ràng buộc trong kỷ luật…đi, chúng ta qua đó xem xem…"

Nhìn thấy hai người bước đến, Bạch Quý liền ngưng việc thao luyện, bước qua đón: "Thiếu chủ nhân, Trần tiên sinh, xin chào…bây giờ tôi đang tiến hành huấn luyện về kỷ luật…"

Phương Hạo Vân mỉm cười, nói: "Rất tốt, cứ vậy đi…Bạch Quý, tôi hỏi anh, theo tiến độ huấn luyện như bây giờ, họ cần mất bao lâu nữa mới có thể đi làm nhiệm vụ được?"

"Mất khoảng một tuần…" Bạch Quý nghiêm túc nói: "Thiếu chủ nhân, cậu cho tôi thêm một tuần nữa, tôi đảm bảo có thể thuần phục được dã tính của họ."

"Được, một tuần sau, đợi tôi từ nước Anh trở về, thì công ty bảo hiểm Đằng Phi sẽ chính thức được thành lập…!" Phương Hạo Vân cười nói: "Đến lúc đó, anh sẽ là tổng giám đốc, chuyện ở công ty, sau này sẽ do anh toàn quyền phụ trách."

"Vậy còn tôi?"

Vương Nhị Ngưu không biết từ lúc nào đã từ trong hàng ngũ chạy ra, ngốc ngếch hỏi: "Tôi cũng muốn làm quan…"

Phương Hạo Vân mỉm cười, nói: "Bảo anh cậu qua đây…"

Vương Nhị Ngưu nghe xong, vội vàng chạy về hàng ngũ gọi anh mình ra: "Anh à, Phương thiếu gia kêu mình qua làm quan kìa…"

Vương Đại Ngưu nhẹ giọng nói: "Ai bảo em chạy ra khỏi hàng vậy, em đợi mà chịu phạt đi…" Tức giận nói xong một câu, Vương Đại Ngưu bèn vội vàng chạy qua chào hỏi Trần Thiên Huy và Phương Hạo Vân.

Bạch Quý liếc qua, nhìn Vương Nhị Ngưu trách móc: "Ai bảo cậu tự ý ra khỏi hàng ngũ, bây giờ tôi lấy danh nghĩa của giáo quan, phạt cậu hít đất bằng một tay đến 500 lần…"

"Tôi…"

Vương Nhị Ngưu vốn định tranh cãi gì đó, nhưng vừa nhìn thấy con sư tử đá ở trước cửa liền im bặt, không nói lời thứ hai, đã làm ngay 500 cái hít đất bằng một tay ở tại chỗ.

"Đáng lắm…!"

Vương Đại Ngưu tức giận nhìn em trai, mắng: "Đã bảo em phải giữ kỷ luật, thì em lại không giữ…bây giờ thì phải chịu xấu hổ trước mặt Phương thiếu gia rồi nhé…"

Vương Nhị Ngưu liếc nhìn, nhưng do hiện giờ hắn đang chịu phạt, nên không dám đứng dậy tranh cãi, chỉ đành tức tối mà làm cho đủ 500 cái hít đất.

Phương Hạo Vân cảm thấy rất hài lòng đối với sự nghiêm khắc của Bạch Quý, hắn thầm gật đầu, có Bạch Quý chỉ dẫn cho đám đàn ông này, mình sẽ không có nỗi lo về sau nữa.

"Đại Ngưu, tôi gọi anh qua đây, là muốn nói với anh, mấy hôm này, các anh phải chịu khổ một chút, tập huấn cho tốt…nhất định phải thay đổi cái tính lười nhác trước kia…một tuần sau, công ty bảo hiểm Đằng Phi của chúng ta sẽ chính thức được thành lập, đến lúc đó Bạch Quý sẽ là tổng giám đốc, còn cậu và Nhị

Ngưu đều là phó giám đốc…" Phương Hạo Vân cười nói: "Tôi mong là, cậu và Nhị Ngưu có thể giúp đỡ Bạch Quý quản lý các anh em cho tốt. Sau này, tôi sẽ dẫn các anh đi thực hiện nhiệm vụ một lần…"

"Xin Phương thiếu gia cứ yên tâm…!"

Vương Đại Ngưu đưa tay lên kính chào Phương Hạo Vân một cái theo như quân lễ: "Các anh em có được ngày hôm nay, hoàn toàn đều do Phương thiếu gia ban cho, bây giờ chính là lúc để chúng tôi báo ơn."

Phương Hạo Vân cười rất vui, nói: "Đại Ngưu…đi nói với các anh em, nói là thân phận mới, và hộ khẩu mới của họ đều đã làm xong, tên họ đều không có thay đổi, chỉ là số chứng minh thư thay đổi thôi…từ giờ trở đi, các anh em sẽ là một phần tử trong thành phố lớn này…"

Nghe Phương Hạo Vân nói thế, Vương Đại Ngưu liền cười, lần này hắn không dùng quân lễ nữa, mà là cúi gập người để cảm ơn: "Phương thiếu gia, cám ơn…!"

Cám ơn xong, Vương Đại Ngưu bèn quay lưng bước qua bên kia, hướng về phía các anh em, nói lớn một lần.

Liền đó, trên cả quảng trường bỗng xôn xao.

"Phương thiếu gia, vạn tuế, Phương thiếu gia vạn tuế…"

Cũng không biết là do ai dẫn đầu hô lên một câu, mọi người liền hưởng ứng vào, bắt đầu hô hào lên.

Phương Hạo Vân bỗng thấy lúng túng: "Cái này…mau bảo họ im đi…" Trong những năm hòa bình mà hô hào những câu như thế, chẳng phải là tự tìm phiền phức cho mình sao.

Bạch Quý và Vương Đại Ngưu vội qua đó trách móc mọi người, để họ im lặng lại.

Bạch Quý tức tối nói: "Trong lúc huấn luyện, ai cho các anh la ó om xòm hả…bây giờ, tôi lấy danh nghĩa giáo quan ra lệnh cho mọi người, mỗi người hít đất 200 cái bằng một tay…"

Đại Ngưu cũng lớn tiếng trách mắng: "Toàn một lũ chẳng ra gì, cái vạn tuế là có thể tùy tiện hô được sao, tụi bây muốn hại chết Phương thiếu gia à…" Nói xong, Vương Đại Ngưu là người đầu tiên bắt đầu hít đất một tay.

Mấy tên đàn ông này lúc nãy chỉ toàn lo vui mừng, nên đã quên mất hàm ý của câu tung hô đó, bây giờ nghe lão đại nói như vậy, liền tỉnh ngộ ra.

Mọi người đều cảm thấy xấu hổ, Phương thiếu gia đối xử với họ không bạc, ơn như tái tạo, họ mở miệng ra là phải báo đáp cho người ta, kết quả thì sao, suýt tý nữa là hại chết người ta rồi.

Nghĩ đến đây, mọi người đồng loạt nằm sấp xuống bắt đầu hít đất, trên mặt đầy sự xấu hổ.

Phương Hạo Vân không nói câu nào, chỉ là yên lặng nhìn mọi người, cho đến khi họ đã hít đất xong, hắn mới tiến lên trước, giơ ngón tay cái lên, cười nói: "Khá lắm."

Một câu nói đã khiến mọi người cảm thấy ngọt ngào trong lòng.

Vương Đại Ngưu xấu hổ nói: "Phương thiếu gia, xin lỗi, chúng tôi đều là đám thô lỗ, không có văn hóa, không hiểu lễ nghĩa, suýt tý nữa là lại gây thêm phiền phức cho cậu rồi. nhưng Phương thiếu gia xin cậu hãy yên tâm, chuyện như thế, sau này sẽ không xảy ra nữa."

"Sẽ không xảy ra nữa.!"

Mọi người lại lần nữa đồng thanh hô to.

Phương Hạo Vân huơ huơ tay, ra hiệu cho mọi người yên lặng, nói: "Các anh em, những cái khác tôi không cần phải nói nhiều nữa, tôi chỉ nói một câu, nếu tôi đã dẫn mọi người từ trong rừng ra đây, vậy thì tôi nhất định sẽ cho lo cho các anh em đến cùng. ngoài ra tôi phải nói thêm một câu nữa, thời gian này, tôi sẽ nghĩ cách sắp xếp cho các anh gặp mặt người nhà, người thân của mình. nhưng trước khi tôi vẫn chưa sắp xếp xong, mong là các anh em có thể nhẫn nại chờ đợi đừng nóng vội, chuyên tâm ở đây mà làm việc. yêu cầu này của tôi, mọi người có làm được không?"

"Được.!"

Tiếng hô vang lên khắp nơi.

Phương Hạo Vân hài lòng gật đầu, nói: “Các anh em đều là những hảo hán, tôi tin rằng những lời mà mọi người đã nói chắc chắn sẽ làm được. Nhưng tôi cũng phải nói trước, nếu trong số các anh em có ai không phục, làm ra những chuyện hại người hại mình, thì đừng trách tôi trở mặt.”

“Tôn chỉ của tôi chính là có công phải thưởng, có tội phải phạt.” Câu này của Phương Hạo Vân đã được hắn dùng chân khí nội gia để phát ra, âm thanh tuy không lớn, nhưng có thể truyền đến tai của mỗi người một cách rõ ràng, thậm chí vào cả tim.

Mọi người lại một lần nữa đồng thanh hoan hô: “Tận trung, tận trung.”

Phương Hạo Vân lại huơ tay: “Được rồi, tôi đến là để thăm mọi người, mọi người cứ tiếp tục đi. một tuần sau, tôi mong có thể thấy mọi người chấp hành kỷ luật nghiêm chỉnh.”

“Chú Trần, chúng ta đi thôi.” Tổng thể mà nói, kiểm duyệt hôm nay, Phương Hạo Vân vẫn cảm thấy khá hài lòng.

Phương Hạo Vân, Trần Thiên Huy rời khỏi rồi, việc huấn luyện lại được tiếp tục.

Nhưng lần này, tinh thần của mọi người đã tốt hơn so với lúc nãy nhiều. Một là, do chứng minh thư của họ đã làm xong, điều này nghĩa là họ đã không còn là ở lậu nữa. Hai là, Phương thiếu gia cũng đã nói rõ, trong tương lai gần, họ có thể gặp mặt người nhà. còn có chuyện nào có thể vui hơn chuyện này chứ. Chỉ

"Hạo Vân, tối qua anh về lúc nào vậy…làm người ta lo muốn chết…" Tối qua Bạch Lăng Kỳ vốn định đợi Phương Hạo Vân về rồi cùng nhau ngủ, nhưng sau đó chịu khổng nổi nữa nên mới đi ngủ trước, dạo gần đây, mỗi ngày cô đều ngủ không quá 6 tiếng đồng hồ, hễ đến trời tối là cô cứ muốn ôm gối đi ngủ thôi.

Phương Hạo Vân cảm thấy cổ họng khô khan, một dòng khí ấm từ bụng dưới dâng lên tới tận tim, đã luyện công hết một đêm, trong cơ thể hắn cực kỳ hào hứng, nhìn thấy cơ thể người đàn bà gần như đã hở hết một nửa, hắn có vẻ xúc động.

"Nhìn gì chứ…còn không vào đây…" Sáng sớm là lúc mà dục vọng bùng phát, Bạch Lăng Kỳ thấy sắc mặt đầy ham muốn của Phương Hạo Vân, liền đưa tay kéo hắn vào cửa, chủ động sà vào trong lòng hắn.

Không cần có quá nhiều màn dạo đầu, hai cơ thể trẻ trung đó liền quấn chặt lấy nhau.

Sau khi Bạch Lăng Kỳ đã đạt được đỉnh điểm của dục vọng đến hai lần, nhưng cái đó của Phương Hạo Vân vẫn hùng dũng như cũ, do đó, cô bé Kỳ tội nghiệp đành dùng miệng để phục vụ cho người đàn ông mà mình yêu.

Phương Hạo Vân lại thầm đắc ý, sau khi hắn đả thông được hai mạch Nhậm Đốc, cái thứ ấy không những trở nên to hơn, mà năng lực cũng mạnh mẽ hơn nhiều.

Khoảng nửa tiếng sau, Phương Hạo Vân đã được giải phóng.

Có một sự cố là, lần này Bạch Lăng Kỳ không chê cái dòng tinh hoa ấm áp đó nữa, mà đã nuốt hết vào trong, sau khi xong việc, còn có vẻ mặt như vẫn chưa đã thèm.

Phương Hạo Vân còn cho rằng Kỳ vì muốn mình vui nên mới làm vậy, hắn đang định nói gì đó, lại không ngờ Bạch Lăng Kỳ đã cười hi hi nói: "Hạo Vân, em vẫn muốn nữa…"

Phương Hạo Vân thì lại có chút sợ, vội vàng nói: "Cái này…Kỳ à, thật ra em không cần phải như vậy…"

"Không, em thật sự muốn mà…ngọt lắm, rất ngọt…!" Bạch Lăng Kỳ đỏ mặt nói: "Hôm nay quả thật rất ngọt…"

Phương Hạo Vân nghe xong, liền ngớ người ra, sau đó trong đầu liền lóe lên, liền hiểu ra nguyên nhân bên trong, tạp chất trong cơ thể mình đã được thanh tẩy hết, những gì còn lại đương nhiên là thứ thuần khiết nhất, lại thêm bản thân mình đã hấp thu tinh hoa trời đất, nên cái thứ đó sao lại có thể không ngọt chứ…

"Vậy thì thêm lần nữa nào…"

Sau khi nghĩ thông suốt được nguyên nhân bên trong, Phương Hạo Vân không kiêng dè nữa, nằm xuống mặc cho Kỳ tự do làm.

Sau khi xong việc, vẻ mặt của Bạch Lăng Kỳ như vẫn chưa cảm thấy đủ, Phương Hạo Vân lần này thấy sợ thật, nếu cứ tiếp tục như thế, Kỳ sẽ biến thành Hấp Tinh Ma Nữ mất.

"Kỳ, hôm nay làm đến đây thôi…anh còn chuyện phải giải quyết…" Theo như kế hoạch, chiều nay hắn đã phải đáp máy bay lên đường sang nước Anh, buổi sáng, hắn định sẽ đi thăm Đinh Tuyết Nhu, cổ vũ cô một chút, để trong khoảng thời gian mà hắn không ở đây, cô sẽ không mất đi lòng tin đối với bản thân nữa.

"Được thôi, hôm nay tha cho anh vậy…đợi anh trở về, chúng ta sẽ tiếp tục…" Nói thật nha, Bạch Lăng Kỳ quả thật đã thích cái mùi vị này rồi, cứ ngọt ngào làm sao ấy…

Lúc Phương Hạo Vân ra khỏi nhà, chị Mỹ Kỳ vừa mới ngủ dậy, dặn dò Trương Mỹ Kỳ vài câu đơn giản xong hắn bèn đi khỏi.

Đến khi ăn sáng, Bạch Lăng Kỳ chỉ uống sữa chứ không ăn gì khác, Trương Mỹ Kỳ cảm thấy rất lạ, hỏi: "Kỳ à, sao không ăn thêm chút gì đi, chẳng lẽ em đang giảm cân à? Nhưng vóc dáng của em đã rất hoàn mỹ rồi, hơn nữa, đây là bữa sáng, em đâu cần phải kiêng như vậy…"

"Em ăn rồi…" Trong mắt Bạch Lăng Kỳ có chút thẹn thùng.

"Ăn rồi à? Ăn chân giò xông khói hả?" Trương Mỹ Kỳ nhớ là trong tủ lạnh vẫn còn một ít chân giò xông khói.

"Dạ, là chân giò xông khói…nhưng còn có thứ khác nữa…" Nói xong, Bạch Lăng Kỳ bèn đứng dậy bước đến gần, kề miệng sát tai chị Mỹ Kỳ, kể hết đầu đuôi toàn bộ chuyện lúc nãy cho cô nghe.

Trương Mỹ Kỳ nghe xong, liền cảm thấy ngạc nhiên: "Có thật là ngọt không?" Cái thứ đó của Phương Hạo Vân Trương Mỹ Kỳ cũng đã ăn không ít, mùi vị mỗi lần đều khác nhau, nhưng nếu nói là ngọt, thật ra thì cũng chẳng ngọt ngào gì…nếu không phải do hai người thật lòng yêu nhau, thì cái thứ đó, có làm thế nào cô cũng nuốt không trôi.

"Là thật đó, không hề giả dối, không tin thì chị đợi Hạo Vân về rồi chị thử xem…" Bạch Lăng Kỳ cười nói.

"Thử thì thử…!"

Trương Mỹ Kỳ nói, tỏ vẻ cũng không thua kém gì.

Nhà họ Đinh có một mật thất, những người được biết cũng không nhiều, chỉ tính đến nhà họ Đinh hiện giờ, trên dưới cả nhà, cũng chỉ có gia chủ Đinh Vọng Long và con trai ông là Đinh Tuyết Siêu biết mà thôi.

Hôm nay, Đinh Vọng Long dẫn theo con trai Đinh Tuyết Siêu chuẩn bị đến gặp một nhân vật quan trọng, ông ta mong rằng nhân vật quan trọng này có thể xuất sơn để giúp đỡ ông ta.

Nhà họ Đinh hiện giờ đã đang trong tình cảnh nguy cơ trùng trùng, nếu bà ấy vẫn không chịu xuất sơn, nhà họ Đinh có thể sẽ bị chia năm xẻ bảy, hoàn toàn sụp đổ không cứu vãn được nữa. Huy hoàng của ngày xưa, cũng sẽ trở thành hoa cúc đã tàn của ngày hôm qua.

509. Chương 36: Tuyết Hồ Xuất Sơn

"Là bà nội con Tuyết Hồ…!"

Lúc này, hai người đã vào bên trong mật thất, xung quanh không có người ngoài, nên Đinh Vọng Long bèn nói thật cho con trai mình biết, vừa đi, vừa kể lại tình hình của Tuyết Hồ cho hắn nghe.

Đinh Tuyết Siêu nghe xong, trong lòng đầy ngạc nhiên, mình có bà nội sao…đã bao nhiêu năm rồi, hắn thật không hề nghe nhắc qua.

"Ba, sao từ trước tới giờ con cũng không biết mình còn một bà nội?" Đinh Tuyết Siêu chau mày hỏi: "Bà có lợi hại không ba…bà sẽ thích con chứ…"

"Khoan hỏi đã, đợi gặp mặt rồi, con sẽ biết…!"

Đinh Vọng Long mở một cánh cửa cơ quan ở trước mặt, dẫn theo con trai đi vào trong, sau đó ra hiệu cho hắn đừng nói chuyện nữa, chuyện tâm mà đi là được rồi.

Đi khoảng mười phút.

Ba con nhà họ Đinh đến một đại sảnh rộng rãi sáng sủa, trang trí trong đại sảnh có vẻ rất cổ xưa, nhưng rất có phong thái, phong cách thiết kế có chút giống với kiến trúc cổ đại ở phương đông.

Giữa đại sảnh, có một chiếc giường băng đang phát ra những luồng hơi lạnh, trên chiếc giường băng, hình như có một người ngồi xếp bằng quay lưng lại với ba con họ, không hề động đậy, cũng chẳng biết là còn sống hay đã chết.

Đinh Tuyết Siêu hít một hơi, đúng thật là giường băng…cái vật đó, hắn có nghe nói qua, nhưng đây vẫn là lần đầu tiên được thấy, Người ngồi xếp bằng ngay ngắn trên đó, không hề có chút động đậy, có thể thấy võ công rất thâm hậu.

Nên biết rằng, cái giá lạnh trên chiếc giường băng đó không giống như giá lạnh bình thường, đến cả hai người họ đứng cách một khoảng khá xa, cũng có thể cảm nhận được từng luồng hơi lạnh mà chiếc giường băng tỏa ra, thì càng không phải nói đến cái người đang ngồi xếp bằng trên chiếc giường băng ấy.

"Mẹ…!"

Đinh Vọng Long bước qua, cung kính hành lễ, sau đó gọi một tiếng, liền cúi đầu đứng chờ, chờ người đó đáp lại.

Đinh Tuyết Siêu khẽ giật mình, chẳng lẽ người đó chính là bà nội chưa từng biết mặt của mình sao.

Trong khi hắn đang thắc mắc, người ngồi trên giường băng đã từ từ quay lưng lại. Trong lòng Đinh Tuyết

Chú Trần bên kia đầu dây lại ngập ngừng lần nữa, mỉm cười nói: "Hạo Vân. có câu này, chú vốn không định nói. nhưng chú đã suy nghĩ nhiều lần, vẫn là nên nói ra thì hay hơn. Lúc con giúp Thanh Thanh trị thương ở trong cánh rừng, cũng đã không ít lần gây thiệt thòi cho con gái yêu quý của chú. nếu con đã nhìn thấy hết tấm thân ngọc ngà của nó, thì nó đương nhiên là người của con rồi. chú cảm thấy đã đến lúc bàn bạc với ba con về chuyện đính ước hôn sự của hai đứa rồi."

Phương Hạo Vân ngệch mặt ra, vội vàng hỏi: "Ai nói vậy. là chị Thanh Thanh nói à?"

Đã nói ra rồi, hắn mới sực nhớ, không đúng, sao Trần Thanh Thanh có thể nói ra chuyện này chứ, cứ cho là đối với mẹ ruột mình đi nữa, Phương Hạo Vân cảm thấy cô không thể nào nói ra được. Quả nhiên, Trần Thiên Huy cười nói: "Con cũng biết hỏi vậy à. con cảm thấy là Thanh Thanh nói hay sao. Hạo Vân, chú có hỏi qua dì Lữ con, Thanh Thanh bị thương ở gần mông. đó là chỗ kín của người con gái, hôm qua chú đã tư vấn với vài vị bác sĩ, muốn trị vết thương ở chỗ đó, không muốn có tiếp xúc thân mật cũng không được. Sao nào, có phải bây giờ con cũng nên thừa nhận luôn không?"

Phương Hạo Vân nghe xong, gượng cười nói: "Chú Trần. chuyện này chú đâu thể trách con…con cũng là vì vết thương của chị Thanh Thanh thôi…con khồng hề có ý muốn mạo phạm đâu…"

"Được rồi, thằng nhãi này đừng có giải thích với chú nữa…nếu bản thân Thanh Thanh cũng đã đồng ý rồi, làm cha mẹ như chú với dì đây sẽ không can thiệp vào cuộc sống riêng của đám thanh niên như tụi con…nhưng con cũng phải làm gì đó cho con gái của chú với dì chứ, hiểu chưa?" Trần Thiên Huy hỏi.

"Chú Trần, chuyện giữa con với chị Thanh Thanh, tự chúng con sẽ giải quyết lấy…chú đừng tham dự vào nữa…tóm lại, con đảm bảo với chú, con sẽ không làm cho chị Thanh Thanh bị tổn thương là được rồi." Phương Hạo Vân nói.

"Được, có câu này của con là được rồi, chú cúp máy nhé, bây giờ con hãy gọi cho Thanh Thanh…" Trần Thiên Huy nói xong, liền bỏ máy điện thoại xuống.

Phương Hạo Vân cúp máy xong, không gọi điện ngay cho Trần Thanh Thanh, mà ngồi trên ghế sofa, bắt đầu suy nghĩ một chuyện, có cần phải gọi điện trước cho dì Bạch, giải quyết trước việc thiếu vốn của công trình vịnh Kim Thủy trước không.

Công trình vịnh Kim Thủy là hạng mục kiến trúc hạ tầng trọng điểm mà nhà nước xây dựng, để kéo nhu cầu trong nước lên, theo như tính toán ban đầu, từ trung ương đến địa phương, tổng số tiền đầu tư lên đến một trăm tỷ đồng, nếu như công ty đầu tư Trần Thị, tập đoàn Thịnh Hâm, và tập đoàn Hàn Thị có thể đảm bảo tính nhất quán trong việc hợp tác với chính phủ, cái lợi thu được sau này sẽ là một con số khổng lồ.

Cho nên nói, việc công trình vịnh Kim Thủy thiếu vốn phải mau chóng được giải quyết.

Nhưng, bây giờ hắn cũng khó mà phán đoán nổi, bên phía dì Bạch rốt cuộc có số vốn lớn như vậy không.

Ngồi trên ghế sofa suy đi nghĩ lại một hồi lâu, Phương Hạo Vân quyết định gọi điện cho dì Bạch trước, dù gì, bây giờ hắn cũng là một thành viên trong gia tộc bảo hộ, không có gì phải ngại nữa.

Điều nằm ngoài dự tính chính là, vừa gọi điện về, không cần nói đến lần thứ hai thì dì Bạch đã đồng ý ngay, còn dặn dò hắn đừng có phân tâm, cứ yên tâm mà làm việc ở Luân Đôn.

Sau khi giải quyết việc thiếu vốn xong, Phương Hạo Vân đã gọi điện cho Trần Thanh Thanh.

Trong điện ngoại chỉ mới nghe có một tiếng tín hiệu chờ, Phương Hạo Vân liền nghe được Trần Thanh Thanh đã lập tức bắt máy điện thoại lên ngay, trong giọng nói của cô dường như có chút giận dỗi: "Ai đó…bổn tiểu thư đây đang phiền chết đi được…"

Phương Hạo Vân ngớ người ra, liền nghĩ ra ngay, chắc là Trần Thanh Thanh đang cố tình làm thế, lúc cô nhận điện thoại, chắc đã nhìn thấy trên điện thoại hiển thị số của Phương Hạo Vân, hơn nữa, từ tốc độ nhận điện của cô có thể thấy, chắc chắn cô vẫn luôn chờ điện thoại của hắn.

Nghĩ đến đây, giọng nói của Phương Hạo Vân đầy vẻ áy náy: "Chị Thanh Thanh, là em, Hạo Vân…"

"Hạo Vân…cậu là Hạo Vân nào chứ, Tần Hạo Vân, hay là Dương Hạo Vân…tôi với cậu quen lắm sao…?" Trong điện thoại, vọng lại tiếng nói đầy xem thường của Trần Thanh Thanh, nghe ra được, lòng oán hận của cô ấy đối với mình rất lớn.

Phương Hạo Vân dở khóc dở cười, lặng đi một lúc, nói: "Chị Thanh Thanh, chị giận rồi à…chị đừng quên là, lúc trước là do chị bảo không cho em chủ động gọi điện thoại đến làm phiền chị mà…chẳng lẽ, đàn bà đều là nói có là không sao…"

"Em mới là nói có là không ấy…" Trần Thanh Thanh nóng giận nói: "Chắc hôm nay mặt trời mọc ở hướng tây quá, sao đại gia như em lại muốn gọi điện cho chị chứ…"

"Chị Thanh Thanh, em biết tâm trạng chị không tốt, nên mới gọi điện cho chị…em nói chị này, bây giờ em đang ở Luân Đôn để làm một chuyện vô cùng quan trọng…cho nên tạm thời không thể gặp chị được, mong là chị sẽ thông cảm cho em." Phương Hạo Vân cười nói: "Em biết chị có thành kiến với em, vậy đi, đợi em lo xong việc ở Luân Đôn trở về, em sẽ mời chị đi uống café, đến lúc đó em sẽ nhận lỗi trước mặt chị…"

"Em đang ở Luân Đôn?" Luân Đôn với Hoa Hải cách biệt nhau đến 9 giờ, Trần Thanh Thanh đoán ra được, bên Phương Hạo Vân chắc đang là ban đêm.

"Đã khuya thế rồi, sao em còn chưa ngủ…có phải đang nhớ đám bạn gái của em không?" Trần Thanh Thanh tức tối nói: "Phương Hạo Vân, đợi em trở về, chị sẽ tính sổ với em…"

Nghe cái câu đám bạn gái của Trần Thanh Thanh, Phương Hạo Vân đã biết, cái gút mắc trong lòng chị ấy vẫn chưa được gỡ ra, nói một cách khác, cô vẫn không cách nào thuyết phục được mình cùng nhau chia sẻ tình yêu của người đàn ông với nhiều người đàn bà khác.

Phương Hạo Vân cười hi hi, nói: "chị Thanh Thanh, thật ra chị đã hiểu lầm rồi, sở dĩ em chưa ngủ, là vì đang nghĩ đến chị…nếu không em cũng đâu gọi điện cho chị…đúng rồi, vết thương của chị chắc bây giờ cũng đã lành lại rồi nhỉ? Chị có xem kỹ qua, chỗ đó có để lại sẹo không?"

Nhắc đến vết thương đó, mặt của Trần Thanh Thanh liền ửng đỏ, cũng may là đang nghe điện thoại, nên Phương Hạo Vân không biết, cô cố gắng để tâm trạng của mình bình tĩnh lại, nói: "Uhm, cũng lành rồi…chị xem qua rồi, không hề để lại một tí sẹo nào, Hạo Vân, cám ơn em…"

Trong lòng Trần Thanh Thanh tuy có giận, nhưng nhắc đến vết thương của mình, cô bỗng nghĩ đến ân tình mà Phương Hạo Vân dành cho cô, nếu không phải là Phương Hạo Vân đến kịp lúc, e là cô đã chết thật rồi.

Làm người phải biết tri ơn đồ báo.

Nghĩ đến đây, giọng nói của Trần Thanh Thanh liền dịu dàng trở lại: "Hạo Vân, em đến Luân Đôn làm gì thế, có nguy hiểm không…em xem em có cần giúp đỡ gì không, nhà chị cũng có nhiều người quen ở Luân Đôn lắm…"

"Chị Thanh Thanh, cám ơn chị đã quan tâm, chị yên tâm đi, em sẽ không sao đâu…" Phương Hạo Vân nhỏ nhẹ khuyên nhủ: "Chị Thanh Thanh, nghe em nói này, vui thì cũng một ngày, không vui thì cũng một ngày, tại sao lại không để tâm trạng của mình vui vẻ mà qua một ngày chứ…hứa với em, để cho mình được vui vẻ hơn…còn không thì lúc em quay về em sẽ đét đít chị…"

"Em dám hả?"

Trần Thanh Thanh nổi giận đùng đùng: "Cái tên háo sắc này…"

"Chị Thanh Thanh, em muốn nói một câu cuối cùng với chị, nói xong em sẽ cúp máy…chị phải nghe cho rõ nhé." Phương Hạo Vân cố tình khiến Trần Thanh Thanh tò mò.

"Em nói đi…!"

Nghe Phương Hạo Vân nói nghiêm túc như vậy, Trần Thanh Thanh liền khẩn trương hơn, dỏng tai lên mà nghe.

"Chị Thanh Thanh, mông của chị trắng lắm, em rất thích…!"

Phương Hạo Vân nói xong câu này, liền vội vàng cúp máy.

Trần Thanh Thanh đang ở Hoa Hải liền đỏ mặt tía tai, trong đầu cô bất giác lại nhớ đến quá trình trị thương ở trong rừng, cô biết, những ngày tháng cô trị thương, mông của cô đã bị hắn ngắm khá là kỹ.

Nghĩ đến đây, Trần Thanh Thanh vừa thẹn vừa tức, thật muốn tìm một cái lỗ để chui vào.

Sảnh hội nghị sang trọng nhiều chức năng của tập đoàn Siêu Uy thuộc nhà họ Đinh. Đinh Vọng Long ngồi trên chiếc ghế lớn bằng gỗ đỏ, Định Vân Uy ngồi trên chiếc ghế dưới đó.

Vẻ mặt của Đinh Vọng Long dường như có chút bực bội, thần thái xem ra cũng già hơn so với dạo trước, tình hình của tập đoàn Siêu Uy nhà họ Đinh càng lúc càng tệ, do cơn bão tiền tệ ngày càng mạnh mẽ, cùng với sự thất bại của kế hoạch giải cứu của chính phủ Châu Âu, cổ phiếu của tập đoàn Siêu Uy lại tiếp tục bị ngâm ở đó, trước mắt vốn lưu động trong công ty không quá 500 triệu euro, với tình hình này, đối với tập đoàn Siêu Uy mà nói, là chưa từng xảy ra.

Bây giờ mời được Tuyết Hồ xuất sơn tuy có thể giải quyết được mâu thuẫn trong nội bộ nhà họ Đinh, nhưng hoàn cảnh mà nhà họ đinh đang phải đối mặt, đâu chỉ đơn giản là mâu thuẫn trong nội bộ.

Đầu tiên hắn định gả con gái vào gia tộc Morgan, vì nghĩ sẽ được nhà Morgan giúp đỡ về vốn liếng, nhưng bây giờ…đau đầu đây…con gái mình có còn thân trong sạch hay không đến bây giờ cũng chưa xác định được. Huống chi, muốn thuyết phục nó cam tâm chịu gả vào nhà Morgan cũng không dễ dàng gì.

Đã có tin là, con gái mình và tên Phương Hạo Vân đã đến Luân Đôn hai ngày rồi, nhưng vẫn chưa thấy hai đứa đến đây, cũng chẳng biết rốt cuộc hai đứa này đang có ý gì đây.

Đinh Vọng Long thở dài, nói: "Lão tứ, em nói thử xem tên Phương Hạo Vân và Tuyết Nhu đang muốn gì…dù gì cũng đã đến Luân Đôn rồi, tại sao lại trễ nãi không chịu đến gặp mặt chúng ta…"

Đinh Vân Uy nghe Đinh Vọng Long hỏi, vội vàng đứng dậy trả lời, Đinh Vọng Long huơ tay, ra hiệu cho hắn ngồi xuống.

512. Chương 39: Một Trong Hai Người Đứng Đầu Gia Tộc Thủ Hộ

"Vâng, đại ca…!"

Đinh Vân Uy đáp lại một tiếng, rồi ngồi xuống trở lại.

"Nói thử xem, em đã điều tra được gì về cái tên Phương Hạo Vân đó rồi?" Đinh Vọng Long gượng cười: "Nếu như thế lực của hắn không thể giải quyết được nguy cơ của nhà họ Đinh chúng ta, anh chỉ đành nhờ mẹ ra mặt để khống chế Tuyết Nhu, để nó chịu gả vào nhà Morgan…" Hổ dữ không ăn thịt con, Đinh Vọng Long vốn cũng không phải hạng người đại gian đại ác như vậy, nhưng hiện giờ đúng là hắn đã bị ép đến đường cùng, nếu còn không chịu ra tay, nhà họ Đinh có thể sẽ vạn kiếp bất phục.

Đinh Vân Uy thầm thở dài, hắn hiểu rất rõ hoàn cảnh của nhà họ Đinh, nếu muốn nhà họ Đinh trở lại ngày tháng huy hoàng như lúc trước, thì trước mắt phải để Đinh Tuyết Nhu gả vào nhà Morgan, rồi được nhà Morgan trợ giúp về vốn, đó mới là hy vọng duy nhất của họ bây giờ.

Nhưng điều mà Đinh Vân Uy hiện đang lo lắng chính là Đinh Tuyết Nhu có phải đã không còn thân trong trắng nữa hay không. Gia tộc Morgan khác với những gia tộc khác, gia tộc của họ đã tồn tại rất lâu đời, cho dù xã hội bây giờ đã không còn xem trọng trinh tiết của người con gái nữa, nhưng gia tộc họ vẫn rất chú trọng đến điểm này.

Theo họ thì, người con gái mất trinh chính là người không được sạch sẽ, là ác ma…sẽ không có tư cách để bước vào gia tộc Morgan, như vậy, sẽ làm ô uế gia tộc thần thánh của họ.

"Đại ca…!"

Đinh Vân Uy nói nhạt: "Từ những tài liệu mà em có được, thì sau lưng Phương Hạo Vân chỉ có tập đoàn Thịnh Hâm, tập đoàn Trần Thị…thực lực của hai tập đoàn này cũng tầm thường thôi, nhưng so với tập đoàn Siêu Uy của chúng ta, vẫn còn cách biệt một chút…cho dù họ có ra sức giúp đỡ, cũng không cách nào giải quyết được nguy cơ của chúng ta…hơn nữa, nếu để họ ra sức trợ giúp, cũng là việc không thể nào…"

Đinh Vọng Long nghe Đinh Vân Uy nói vậy, mí mắt cứ giật giật, sắc mặt tỏ vẻ đang khó khăn trùng trùng.

Hồi lâu sau, ông mới mở miệng nói: "Xem ra, chúng ta chỉ đành đặt hy vọng vào Tuyết Nhu thôi…chỉ là nếu nó không còn trong trắng, thì đến cả cái hy vọng cuối cùng này chúng ta cũng không còn nữa…"

"Đại ca…hay là nghĩ cách khác đi…nếu liên hôn với gia tộc Morgan không được, chúng ta có thể nghĩ tới những nhà tài phiệt khác…" Đinh Vân Uy do dự một lúc, tiếp tục nói: "Anh quên là, những người đàn ông hâm mộ Tuyết Nhu nhiều vô số kể, trong đó cũng không thiếu những nhà tài phiệt thực lực hùng hậu…"

"Uhm…"

Đinh Vọng Long nghe xong, chăm chú suy nghĩ, nói nhạt: "Lão Tứ, em nói cũng có lý…nhưng hiện giờ nguy cơ của chúng ta đã bức bách lắm rồi, theo anh được biết, ngoài gia tộc Morgan ra, những gia tộc khác cho dù có lắm tiền nhiều của hơn nữa, cũng không thể một lúc lấy ra nhiều vốn như vậy để giúp chúng ta vượt qua cửa ải khó khăn này…"

Đinh Vân Uy nghe xong, biết là Đinh Vọng Long nói rất có lý, nhưng bản thân hắn quả thật chẳng còn cách nào khác nữa.

Đúng lúc đó, điện thoại của Đinh Vân Uy reo lên, hắn nhìn số điện thoại gọi đến là của Huỳnh Bột. "Nghe đi…!"

Đinh Vọng Long gật đầu, nói nhạt.

Lúc này Đinh Vân Uy mới chịu nghe điện thoại.

Sau khi nghe điện xong, sắc mặt của hắn liền trở nên rất khó coi: "Đại ca…Huỳnh Bột đã có tin tức, công xưởng ở bên Pháp của mình đã đình công rồi…"

"Tại sao? Sao lại xảy ra chuyện như vậy?" Đinh Vọng Long nhíu mày lại, mặt đầy tức giận.

"Nghe nói ở Pháp hiện giờ đâu đâu cũng thấy bãi công…những công nhân mang quốc tịch pháp ở xưởng chúng ta cũng bị lôi kéo theo…trước mắt thì tình hình ở công xưởng, vô cùng nghiêm trọng." Đinh Vân Uy lo lắng nói: "Nếu cứ tiếp tục bãi công như thế, tổn thất của chúng ta sẽ càng lớn hơn…căn xưởng ở Pháp, chính là một trong những số ít công xưởng vẫn còn thu được lợi nhuận của chúng ta…"

"Rốt cuộc là vì nguyên nhân gì…đang tốt lành sao lại đi bãi công?" Đinh Vọng Long tức đến ói máu.

Đinh Vân Uy ngập ngừng nói: "Đều tại cái tên khốn đó gây ra cả…mẹ kiếp, sao nó không chết đi cho rồi…cho dù không chết, thì cũng nên rớt đài đi, giờ thì biết làm sao đây?"

"Em nói Lão Tát à?"

Đinh Vọng Long thở dài: "Người này mặt dày, trong khắp thiên hạ bây giờ không ai có thể dày hơn ông ta…"

Ngừng một lúc, Đinh Vọng Long gượng cười nói: "Tên rác rưởi đó còn tại chức, thì chúng ta chẳng làm gì được cả, bây giờ chỉ còn cách duy nhất chính là hy vọng cái tên khốn nạn đó có thể mau chóng ổn định tình thế, để công xưởng chúng ta mau chóng vận hành trở lại…"

"Đúng vậy, bây giờ cũng chỉ có thể như vậy thôi…" Đinh Vân Uy cũng chẳng biết nên làm sao.

Ngừng một lúc, ánh mắt của Đinh Vọng Long như sáng lên, nghiêm túc nói: "Lão Tứ, từ nay trở đi, giám sát chặt chẽ Phương Hạo Vân và Tuyết Nhu, có xảy ra chuyện gì, lập tức báo cho anh biết…"

Đinh Vân Uy đứng phắt dậy, nghiêm túc nói: "Đại ca, anh yên tâm đi, em đã sớm sắp xếp rồi…hai ngày nay hai người họ chỉ đi chơi với nhau…đúng rồi…buổi tối, họ ngủ chung một phòng."

"Đúng là gia môn bất hạnh mà…"

Nghe được tin này, trong lòng Đinh Vọng Long liền nguội lạnh, không còn hy vọng gì ở Đinh Tuyết Nhu nữa, đã ở chung với nhau rồi, sao có thể giữ được thân trong sạch chứ.

"Truyền lời ra ngoài…cứ nói nếu Phương Hạo Vân không đủ năng lực giải quyết nguy cơ của nhà họ Đinh ta, nhà họ Đinh ta sẽ không đồng ý ghép tủy cho con tiện nhân đó…" Đinh Vọng Long tức giận nói.

"Vâng…nhưng…đại ca, em cảm thấy chúng ta vẫn không nên bỏ cuộc, hai người tuy ở cùng nhau, điều đó không có nghĩa là họ nhất định sẽ nảy sinh quan hệ…đợi Tuyết Nhu về đây, chúng ta vẫn nên kiểm tra lại, nếu lỡ nó vẫn còn thân trong sạch, chúng ta cũng không nên để lỡ…"

"Được, cứ làm theo lời em nói, chuẩn bị đi…" Đinh Vọng Long suy nghĩ một lúc, lại nói: "Ngày mai báo với Lão Nhị, Lão Tam phải đến công ty…"

"Ngày mai mẹ có đến không?" Trong lòng Đinh Vân Uy hơi căng thẳng, hỏi.

"Uhm…!"

Đinh Vọng Long đáp lại một câu, huơ tay ra hiệu Đinh Vân Uy rời khỏi. Sân bay Tư La.

Hình như hôm nay sẽ có một nhân vật quan trọng phải đến sân bay, nên không khí bên trong sân bay có vẻ căng thẳng hơn, cầu thang máy bay số 1, vào sáng sớm đã bị một nhóm vệ sĩ mặc áo đen canh giữ nghiêm ngặt, còn một số cảnh sát địa phương cũng đứng gác cho họ, có thể thấy địa vị của nhưng tên vệ sĩ này cũng khá cao, thế lực cũng rất mạnh.

Một người đàn ông trung niên mặc bộ vest màu đen, bụng phệ đang ngó đông ngó tây, dường như đang nóng lòng chờ đợi cái gì đó, bên cạnh ông ta, là một tên đàn ông cũng mặc vest đen, nhưng lại cứ đứng thẳng, ánh mắt của tên này cũng có vẻ đang nóng ruột, nhưng lại giữ được vẻ bình tĩnh.

Người này chính là Kiều Trị, đã tiếp đãi Phương Hạo Vân và Đinh Tuyết Nhu.

Đúng 10 giờ rưỡi, một chiếc máy bay đáp xuống sân bay, một đoàn người từ trong đó bước ra, trong đó có một người đàn ông trung niên đứng phía đầu, khuôn mặt trắng muốt, đỏ hồng và bóng láng, đôi mắt sâu sắc nhưng có thần, và sáng quắc.

Sau lưng ông ta, là năm, sáu tên đàn ông khỏe mạnh, nhìn bước đi và thân hình của họ, chắc những người này đều có thân thủ cao cường, tuyệt đối không phải người thường.

Kiều Trị đứng nghiêm lại, vội vàng chạy lên đón.

"Hộ Pháp…!"

Người đến chính là Bạch Nguyệt Thiên, Hộ Pháp của gia tộc thủ hộ, cũng là một trong hai nhân vật lớn của gia tộc thủ hộ trên toàn Châu Âu này. Kiều Trị là người chủ trì của gia tộc thủ hộ ở Luân Đôn, đương nhiên phải cung kính hành lễ với cấp trên. Thật ra, chế độ lễ pháp của gia tộc thủ hộ, còn nghiêm khắc hơn cả so với gia tộc Morgan. Cấp trên thậm chí có quyền sinh sát đối với cấp dưới.

Bạch Nguyệt Thiên tuy nhìn bề ngoài hòa nhã dễ gần, nhưng chỉ với một ánh mắt không hài lòng thoáng qua thôi, có thể khiến Kiều Trị lạnh cả người.

Thậm chí hắn cũng không dám nhìn thẳng vào Bạch Nguyệt Thiên.

"Gọi tôi là ông chủ Bạch đi…" Bạch Nguyệt Thiên căn dặn: "Sau này nếu có người ngoài, thì đừng gọi Hộ Pháp nữa…đúng rồi, người đi chung với anh đến đây là ai?"

"Hộ…ông chủ Bạch, đó là ông Khâu Cát phó hội trưởng của hội liên hiệp thương nghiệp Luân Đôn…cũng không biết từ đâu mà ông ta biết tin ngài sẽ đến, nên đã theo tôi đến đây để đón…vì có qua lại trong việc làm ăn, nên tôi cũng không tiện từ chối ông ta…" Kiều trị giải thích…

"Là vậy à…"

Bạch Nguyệt Thiên nói nhạt: "Lần này tôi đến đây, chỉ là vì muốn phối hợp với thiếu chủ nhân đối phó với nhà họ Đinh, không hề có kế hoạch đầu tư gì khác, người đó tôi sẽ không gặp, anh đuổi cổ hắn đi dùm tôi."

"Dạ được…!"

Tuy trong lòng Kiều Trị không tán thành cách nói của Bạch Nguyệt Thiên, nhưng ông ta không thể không chấp hành.

"Đợi đã…!"

Đúng lúc Kiều Trị quay lưng đi, Bạch Nguyệt Thiên đột nhiên gọi hắn lại: “Hay là để tôi đi thì hay hơn…” Nói xong, Bạch Nguyệt Thiên liền bước về phía Khâu Cát: “Chào ông hội trưởng Khâu Cát…!”

Khâu Cát mỉm cười, vội vàng đưa đôi tay ra bắt lấy đôi tay của Bạch Nguyệt Thiên, dùng giọng Trung Quốc cứng nhắc nói: “Ông Bạch, ông biết tôi sao? Tôi rất vinh hạnh được gặp ông…Hội thương nghiệp của chúng tôi đã tổ chức lễ riêng để đón tiếp ông, mong ông nể mặt ghé qua một lúc…” Danh tiếng của Bạch Nguyệt Thiên bây giờ ở các nước Châu Âu rất lớn, vì tập đoàn Hùng Long của ông ta là tập đoàn tài phiệt quy mô lớn, trong mấy năm gần đây có tốc độ phát triển nhanh nhất trên toàn Châu Âu, cứ cho là nguy cơ tiền tệ từ năm ngoái đến năm nay, cũng không thể ngăn được sự phát triển của tập đoàn này. Đối với một thần tài lớn như vậy, là phó hội trưởng của hội thương nghiệp Luân Đôn, Khâu Cát đương nhiên không dễ gì bỏ qua. Nên biết là, lần này, ông ta cũng đã tiêu tốn rất nhiều công sức, mới dò la được tin Bạch Nguyệt Thiên sẽ đến nước Anh.

Tập đoàn Hùng Long thật ra chính là sản nghiệp của gia tộc thủ hộ ở Châu Âu.

Bạch Nguyệt Thiên từ đại bản doanh của gia tộc thủ hộ đến Châu Âu không lâu, nhưng tập đoàn Hùng Long đã có ở Châu Âu khá lâu rồi.

Chỉ là sau khi Bạch Nguyệt Thiên kế nhiệm, tốc độ phát triển và mở rộng của tập đoàn Hùng Long càng kinh người hơn, thậm chí có người còn to gan so sánh, nếu tiếp tục phát triển với tốc độ này, e là tập đoàn Hùng Long sẽ trở thành gia tộc Morgan thứ hai.

Đương nhiên, cũng vì luận điệu này, đã dẫn đến nhiều phiền phức không đáng có cho tập đoàn Hùng Long.

Nhưng cho đến tận bây giờ, những ai đến gây phiền phức cho tập đoàn Hùng Long đều mang tật mà quay về…không ai có thể đến và đi một cách nguyên vẹn.

Đinh Tuyết Nhu, Đinh Tuyết Nhu cũng cảm thấy khó chịu như vậy, hơi thở của người đàn ông khiến tâm trạng của cô có chút hoảng loạn, hơn nữa cơ thể cũng dần dần nóng lên…cơ thể cô lại càng trở nên không có sức hơn.

Lúc này, cơ thể cô đã hoàn toàn dựa vào cơ thể người đàn ông.

Rất ấm áp, rất an toàn…cái cảm giác đã mất đi từ lâu lại lần nữa ập vào tim. Tim Đinh Tuyết Nhu đập nhanh hơn, nhưng cô lại vô cùng thích cái cảm giác này.

"Hạo Vân…em chưa muốn về…như vậy càng tốt hơn…!" Đinh Tuyết Nhu quyết định, một là không làm, hai là đã làm thì sẽ không nghỉ, liền đưa tay ôm lấy cổ người đàn ông, nhè nhẹ sà vào lòng hắn cảm nhận cái ấm áp đã mất đi từ lâu.

Phương Hạo Vân cẩn thận kềm chế lại thân dưới của mình, thử khiến cho nó dừng lại, nhưng hơi thở và sự dịu dàng của người đàn bà khiến nó lại càng lợi hại hơn, càng lúc càng nóng, càng lúc càng hùng tráng hơn, thậm chí còn động đậy một cái.

Cái động đậy đó, đã khiến Đinh Tuyết Nhu giật nảy mình.

Vốn là, cô đang dựa vào lòng Phương Hạo Vân để cảm nhận sự ấm áp đã mất từ lâu này, đột nhiên, một thứ vừa to vừa cứng đang chà sát vào đùi cô.

Suýt tý nữa là cô đã la toáng lên.

Sau một chút kinh ngạc, Đinh Tuyết Nhu cuối cùng đã hiểu rõ chuyện gì đang xảy ra.

Cơ thể Đinh Tuyết Nhu khẽ run run, màu ửng đỏ trên mặt đã lan dần xuống cổ, tuy cô vẫn còn thân trong trắng, tuy trước giờ cô chưa từng tiếp xúc với cái đó…nhưng cô biết đó là chuyện gì…là phản ứng bản năng của đàn ông.

Chỉ là cô không biết, đó là vì tình yêu, hay là vì dục vọng?

"Hạo Vân…anh…anh đụng trúng em rồi…" Những câu nói như vậy, Đinh Tuyết Nhu vốn rất mắc cỡ và không muốn nói ra chút nào, nhưng đùi cô cứ bị cái đó chạm vào, trong lòng cô cứ thấy là lạ, vừa cảm thấy khó chịu, lại vừa cảm thấy hưng phấn…

Phương Hạo Vân gượng cười, trong lòng thầm thấy xấu hổ, vội vàng nhô cái mông ra sau, tránh để cái đó đụng vào Đinh Tuyết Nhu.

Hai má Đinh Tuyết Nhu đỏ ửng, đột nhiên không cảm nhận được cái đó nữa, trong lòng cô lại thấy trống trải sao ấy.

Đương nhiên, là một cô gái, dĩ nhiên cô không thể chủ động bảo Phương Hạo Vân tiếp tục đụng vào cô.

"Tuyết Nhu, hay là chúng ta về thôi…" Cứ ôm mãi thế này, sớm muộn gì cũng có chuyện, Phương Hạo Vân cảm thấy tốt nhất nên mau chóng đi về thì hay hơn.

"Không…!"

Đinh Tuyết Nhu cương quyết lắc đầu, nói: "Em không về…tối nay, em muốn anh đi cùng em ngắm cảnh đêm…chúng ta đi từ từ thôi…"

"Thôi được…!"

Dạo bước cảm giác sẽ nhẹ nhàng hơn ôm nhiều, ít ra thì, bước đi có thể phân tán sự chú ý của mình, hơn nữa không đến nỗi khiến mình tiếp tục chịu xấu hổ.

"Hạo Vân, anh buông em ra đi…để em thử tự đi xem…" Đinh Tuyết Nhu dường như cũng đã chịu không nổi, mong là có thể tạm thời rời cơ thể Phương Hạo Vân ra một chút.

Phương Hạo Vân cũng đang có ý đó, chứ cứ như thế này, hắn sợ là sẽ không khống chế nổi cái tâm trạng phụ đang động đậy trong cơ thể hắn. Hắn khẽ đẩy Đinh Tuyết Nhu ra.

Nhưng Đinh Tuyết Nhu chưa bước được hai bước đã thấy hết sức rồi, chân khụy xuống, suýt tý nữa đã ngã, cũng may Phương Hạo Vân ở sau lưng cô xem chừng, đã kịp thời đưa tay ôm lấy eo cô, nên cô mới không bị ngã.

Nhưng liền đó, Đinh Tuyết Nhu khẽ rên một tiếng…vì khi cơ thể cô được Phương Hạo Vân ôm ngược từ phía sau, chiếc mông chắc nịt của cô đã bị cái vật cưng cứng đang hừng hực của Phương Hạo Vân đụng phải.

Khoảnh khắc đó, Đinh Tuyết Nhu cảm thấy một cảm giác tê tê từ chỗ mông mình lan ra, lan đến tận tim cô.

Phương Hạo Vân vội nghiêng người, một tay đỡ lấy Đinh Tuyết Nhu, không để cho cái chuyện khó xử ấy tiếp tục nữa.

Xảy ra một sự cố như vậy, hai người bỗng trở nên im lặng, một hồi lâu sau chẳng ai nói với ai câu nào.

Suy cho cùng thì Phương Hạo Vân cũng là đàn ông, da mặt dày hơn, nên đã phá vỡ cái sự im lặng ấy, nói: "Tuyết Nhu, anh…"

Đinh Tuyết Nhu nghe được giọng nói của Phương Hạo Vân, càng trở nên căng thẳng hơn, cô biết Phương Hạo Vân đang định giải thích chuyện gì, chưa để Phương Hạo Vân kịp nói tiếp, cô đàng ngắt lời của hắn: "Hạo Vân, chúng ta tìm một quán bar nào đó ngồi nghỉ đi…"

"Được…!"

Phương Hạo Vân biết Đinh Tuyết Nhu không muốn về sớm như vậy, nên cũng không ép cô, cứ mặc cho cô ấy được thoải mái một tối.

Rất mau, hai người đã hỏi thăm được từ một người đi đường, rằng ở gần đây có một quán bar rất nổi tiếng, trên đường đi, hai người lại không ai lên tiếng nữa.

Đinh Tuyết Nhu bước đi một các cực khổ, sau nhiều lần do dự, cuối cùng cô đành đưa bàn tay bé nhỏ của mình ra, Phương Hạo Vân đương nhiên không hề chần chừ, đã nắm chặt lấy tay của cô.

Hai người vẫn im lặng không nói câu nào, lúc này tất cả đều không thể nói được bằng lời, khoảng 10 phút sau, hai người đã tìm được một quán bar nhìn cũng rất khá.

Quán bar này trang trí cũng không tệ, nhìn có vẻ yên tịnh và trang nhã, không giống với những quán bar điên cuồng và kích thích khác, đồng thời, khách trong quán cũng rất an phận, tụ năm tụ ba cùng nhau ngồi nói chuyện, hay thưởng thức rượu, không khí ở đây vô cùng hài hòa.

Phương Hạo Vân và Đinh Tuyết Nhu tìm một chỗ ngồi cạnh cửa sổ rồi ngồi xuống, gọi hai ly thức uống, tay của hai người vẫn cứ đan vào nhau, không ai có ý định buông tay cả.

Chính vào lúc đó, cái tên thanh niên tóc vàng lúc nãy ở đài phun nước lại lần nữa tức tối nhìn Đinh Tuyết Nhu qua cửa sổ, rất mau sau, hắn đã lấy điện thoại ra gọi, cũng chẳng biết tên này nói gì, vài phút sau, tên này cũng bước vào trong quán bar.

Đúng lúc người phục vụ đưa hai ly thức uống của Đinh Tuyết Nhu và Phương Hạo Vân qua, tên này cũng đã bước đến trước mặt hai người.

"Hi…Đinh tiểu thư, không ngờ chúng ta còn có thể gặp lại nhau…" Tên thanh niên tóc vàng nhìn Đinh Tuyết Nhu cười, chào cô cứ như là người quen đã lâu vậy.

Đinh Tuyết Nhu nhíu mày lại, vẻ mặt lạnh như băng, có thể thấy sự chán ghét trên nét mặt của cô, ánh mắt hắn nhìn tên này lạnh lùng, chỉ là hắn không nói câu nào.

Người thanh niên tóc vàng thấy tình hình như vậy, ánh mắt có vẻ giận dữ, tiếp tục dùng giọng Anh chính thống nói: "Đinh tiểu thư thân yêu…dùng câu nói của người Trung Quốc các người mà nói thì, gặp nhau là có duyên phận, chúng ta đã 3 năm rồi chưa gặp, hôm nay được gặp lại cô, đó chính là duyên phận…nếu cả hai ta đều có duyên với nhau, hay là cô nhảy một bản nhạc với tôi nhé?"

Lúc Phương Hạo Vân còn ở Thiên Đạo, do sự cần thiết của công việc, nên hắn biết rất nhiều ngoại ngữ, đương nhiên có thể hiểu tên thanh niên tóc vàng này đang nói những gì.

Hắn nhíu mày, ánh mắt có chút sát khí, nhỏ nhẹ hỏi: “Tuyết Nhu, em quen hắn không?”

“Hắn tên là Caesar, là một tên vô lại…!”

514. Chương 41: Người Quen Cũ Của Tuyết Nhu

Ban nãy, lời của hắn nói đều là sự thật. Quả thật trong phương diện luyện võ thì hắn có chút thiên phú. Công phu người khác mất tới 10 năm mới luyện thành thì đối với hắn, chỉ cần nửa năm là xong.

Cho nên có thể nói La Tang là một nhân tài, hay đúng hơn là một thiên tài.

Nhưng nếu muốn so sánh với Phương Hạo Vân thì vẫn còn có chênh lệch. Đương nhiên, Phương Hạo Vân không gióng như người bình thường. Trên người của hắn dường như có ẩn chứa một bí mật nào đó. Năng lực hồi phục thân thể siêu cường kia, thường nhân không thể nào có được. Hơn nữa, đối với thứ mà con người không thể đụng chạm đến là Thiên Phạt thì hắn lại có thể điều động dễ dàng. Chỉ với 2 điểm này thôi thì đã có thể nói hắn không phải người thường.

Lúc này La Tang và Shawn đã giao thủ thêm mấy hiệp. Với tình hình trước mắt thì xem ra thực lực bọn họ ngang nhau, khó mà phân thắng bại được.

Nhưng Phương Hạo Vân đã nhìn ra điểm mấu chốt, gã Shawn kia hoàn toàn dựa vào một cỗ sát khí, sát ý bộc phát ra lực lượng cường hãn. Tuy nhiên, loại sức mạnh này không kéo dài được lâu, chỉ một lúc nữa sẽ hết hiệu lực.

Ngược lại, thứ La Tang luyện là công phu chính tông, thời gian đánh càng lâu thì càng hăn hái hơn. Trò ha vẫn còn ở phía sau.

Qua đó, có thể kết luận, kết quả trận đấu lần này, kẻ chiến thắng chắc chắn sẽ là La Tang.

516. Chương 43: Sức Mạnh Của Gia Tộc Thủ Hộ

"Rầm"

Mộ âm thanh vang chói tai lên. Thì ra Shawn đã tung một trảo cực mạnh về phía lồng ngực La Tang. Thế đến cảu chiêu này cực nhanh, người ngoài quan sát đều thấy La Tang khó mà đỡ được.

La Tang lâm nguy nhưng không loạn, thân hình hắn khẽ biến một cái đã tránh thoát được trảo kia của Shawn.

Mất đi mục tiêu công kích, trảo kia liền đâm vào một cái bàn gỗ, tạo thành một lỗ thủng lớn trên bàn. Thân thể con người vốn bao bọc bởi da thịt, làm sao có thể cứng rắn như bàn gỗ kia được? Do đó có thể thấy nếu quả thật bị trúng trảo này thì chắc chắn La Tang đã phải bỏ mạng.

Vẻ mặt Caesar dần dần trở nên căng thẳng. Gã ngàn vạn lần không nghĩ tới, một đại cao thủ như Shawn đã tự mình xuất thủ nhưng vẫn không thể nào tốc chiến tốc thắng được. Thậm chí, với tình hình trước mắt thì ai thắng ai thua cũng còn chưa biết chắc được.

Giờ phút này, Shawn cũng càng đánh càng kinh hãi. Lúc bắt đầu, gã vẫn không hề tin rằng người thanh niên này lại có thể so chiêu với mình lâu như vậy. Hiện tại, gã rất muốn đánh nhanh thắng nhanh nhưng bộ pháp của đối phương quá mực nhanh nhẹn, dù mình có tăng tốc đến thế nào đi chăng nữa thì vẫn không có cách nào đánh trúng thân thể của hắn.

Shawn biết rõ hơn ai hết, nếu cứ tiếp tục như vậy thì rất bất lợi cho mình, chỉ còn không đầy 10 phút nữa thì năng lượng trong cơ thể gã sẽ tiêu tan hết, không cần người kia động thủ thì chính mình cũng sẽ tự thua.

Mắt thấy tình hình không hay, Caesar liền len lén bấm điện thoại gọi cho ông Flynn, thấp giọng nói mấy câu, bảo ông ta thông báo cho nhà chức trách, gây áp lực với cảnh sát để ra mặt dùng hỏa lực đối phó với bọn Trung Quốc hèn mọn này, hoặc chí ít cũng bắt giam được chúng nó.

Sau khi nghe cuộc điện thoại cầu cứu, ông Flynn liền cẩn thận suy nghĩ một phen, sau đó gọi điện cho cảnh sát trưởng Jerry để trình bày lại ngọn nguồn sự việc.

Cảnh sát trưởng Jerry vốn từ lâu đã nhận được không ít ân huệ và bổng lộc của ông Flynn nên đối với yêu cầu này không hề từ chối. Sau khi nghe tường thuật lại sự việc, ông ta lập tức đồng ý can thiệp, đảm bảo đem bọn Trung Quốc xấu xí nhốt vào đồn cảnh sát.

Hiệu suất làm việc của cảnh sát trưởng Jerry quả thật khá tốt, chỉ khoảng hơn 10 phút đồng hồ sau là trên đường đã có 5 chiếc xe cảnh sát hú còi phòng vùn vụt. Trong đó có 40 cảnh sát lăm lăm vũ khí trong tay.

Dọc đường đi, Jerry tiếp tục trao đổi qua điện thoại với ông Flynn, ra sức trấn an ông ta, khẳng định rằng chỉ chưa đầy nửa giờ sau là có thể có mặt ngay tại hiện trường.

Sau khi nhận được tin tức, ông Flynn liền thông báo cho con trai Caesar. Caesar nghe vậy, lập tức không còn sợ sệt lo âu gì nữa. Trận chiến hôm nay bất kể là ai thắng ai thua thì nhất quyết cũng không bỏ qua bọn giặc Tàu này.

Shawn đã giao thủ được khá lâu, lúc này đây thể lực đã bắt đầu giảm xuống, khiến cho gã vô củng lo lắng. Kể từ đó, quyền pháp công kích của gã bắt đầu xuất hiện rất nhiều sơ hở.

La Tang chờ đợi nhất chính là lúc này. Sát khí của Shawn quá nặng, nhuệ khí mười phần, nếu như vừa vào trận mà đã cùng gã lấy cứng chọi cứng thì quả thật rất thiếu thông minh. Nhưng giờ đây lại hoàn toàn khác, tâm tình của Shawn đã bắt đầu bị rối loạn, hơn nữa thể lực cũng hao tổn không ít. Nếu so sánh với lúc trước thì giờ đây lực chiến đấu của gã đã sụt giảm thê thảm.

La Tang nhắm đúng thời cô, tay phải tung quyền, chân phải cũng tung cước, trên dưới hai đường nhất tể tấn công. Tốc độ ra đòn của hắn cực nhanh, xung quanh cũng chỉ có Phương Hạo Vân là có thể thấy rõ.

"Muốn kết thúc à?"

Phương Hạo Vân lạnh nhạt buông một câu.

Quả nhiên, lời của hắn vừa dứt thì Shawn đã bị quyền của La Tang đánh trúng ngực, nhưng cước kia thì hắn vẫn có thể tránh thoát.

Thật ra với thân thủ của Shawn, một cước một quyền kia gã có thể né tránh một đòn, nhưng cuối cùng gã đã lựa chọn né cước chiêu nên mới bị trúng đòn ở ngực.

Shawn vốn dĩ cũng chưa biết quyền này của La Tang có uy lực bao lớn, nhưng quả thật bằng kinh nghiệm chiến đấu của mình, gã không có sự lựa chọn nào khác, bởi cước kia của La Tang là nhắm vào hạ bộ của gã.

Tuy nhiên, có một điều Shawn phải thừa nhận, bất kể là trúng đòn tay hay đòn chân thì đều phải chịu tổn thương vộ cùng không tốt.

"Hự." Gã cảm thấy ngực mình đau nhói, không nhịn được phun ra một ngụm máy tươi, ngã nhào xuống đất.

Thất tình cảnh này, các hộ vệ đi theo Shawn liền lập tức bao quanh lấy Caesar, đề phòng thiếu gia nhà mình bị tập kích.

Sau khi bị La Tang đánh ngã, Shawn cố gắng đứng dậy, vẻ mặt gã đầy sự khiếp sợ và kinh ngạc, lại có chút không cam, tại sao mình lại thua trong tay bọn Tàu xấu xí ngạo mạn này chứ?.Mặt gã xám như tro tàn, trong mắt ngập tràn sự khổ sở.

"Ông thua rồi.!"

La Tang điềm tĩnh nói: "Shawn, công phu của ông thật ra đã rất tốt rồi, chỉ tiếc hôm nay không may, bọ tôi dùng chiến thuật đánh bại.có lẽ ông vốn chưa hiểu chân chính công phu là gì, thật đáng tiếc."

Nếu là lúc thường cón người nói mình không hiểu công phu là gì thì Shawn chắc chắn sẽ nổi giận. Nhưng trước mắt, kẻ thắng làm vua, kẻ thua làm giặc, nên mình đành tạm khuất dưới bọn Tàu tặc thủ đoạn này vậy.

"Không sai, là tôi thua.Dựa theo giao ước trước đó của chúng ta, cậu có thể đưa ra bất kỳ hình thức xử lý nào đối với tôi." Shawn là một hán tử, một người đàn ông thật sự, cho dù là dân xã hội đen nhưng gã vẫn hết sức coi trọng chữ tín.

Vào đúng thời khắc mấu chốt này thì bên ngoài bỗng vang lên tiếng còi cảnh sát. Sau đó cảnh sát trưởng Jerry và 40 mười viên cảnh sát thuộc cấp đã nhanh chóng xuống xe, bao vây lấy quán rượu.

"Bắt hết toàn bộ bọn Trung Quốc này lại ngay!"

Sau khi bước vào cửa, Jerry liền lớn giọng hô hào. Đám cảnh sát phía sau lập tức vây lấy đoàn người của Phương Hạo Vân, giương họng súng đen kịt nhắm vào bọn họ.

Caesar thấy vậy liền hết sức đắc ý, cao giọng nói: "Hừ, xem chúng mày làm sao có thể tác oai tác quái được nữa đây.Công phu của bọn giặc Tàu chúng mày hay lắm chú gì.vậy thử xem tốc độ của chúng mày nhanh hơn hay là tốc độ đạn bắn nhanh hơn."

Phương Hạo Vân cười nhạt một tiếng, chăm chú nhìn Caesar đang đắc thắng, nói: "Nếu đã tu luyện công phu đạt đến cảnh giới nhất định thì sẽ không còn sợ súng ống nữa."

La Tang nhỏ giọng nói: "Thiếu chủ, không có gì đáng ngại.bây giờ để tôi gọi điện cho hộ pháp, chuyện này sẽ giải quyết với cảnh sát trưởng Jerry."

Mắt thấy Phương Hạo Vân gật đầu, La Tang liền lui qua một bên, bấm điện thoại gọi cho Bạch Nguyệt Thiên, sau đó thuật lại hết mọi chuyện xảy ra ở quán bar.

"Cảnh sát trưởng Jerry, mau cho người của ông hành động đi chứ." Caesar khua tay múa chân, hận không thể tự mình còng tay hết bọn Trung Quốc ngu đần này nhót vào tù.

"Hành động!"

Cảnh sát trưởng Jerry lớn tiếng ra lệnh, các cảnh sát liền lập tức triển khai hành động.

Hàn quang trong mắt Phương Hạo Vân chợt lóe, chỉ cần bọn họ ra tay thì bất kể là cảnh sát hay xã hội đen thì hắn cũng sẽ ra tay hạ gục hết.

Caesar thấy vậy, trog mắt hiện lên một tia âm hiểm. Gã cười hề hề, âm thầm suy nghĩ: "Với tính cách của gã Phương Hạo Vân thì chắc chắn sẽ không thúc thù chịu trói, thậm chí còn có thể gây ra xung đột với cảnh sát nữa. Đến lúc đó thì coi như chính thức vi phạm pháp luật rồi.tốt nhất là cảnh sát có thể linh động một chút, trực tiếp bắn gục nó thì thật là tốt cho mình quá."

Lúc này thì cuộc trò chuyện của La Tang và Bạch Nguyệt Thiên đã kết thúc. Bạch Nguyệt Thiên liên tục dặn dò La Tang phải đảm bảo an toàn cho thiếu chủ, sau đó liền cúp điện thoại, trự tiếp liên lạc với phó cục trưởng Henry của cục cảnh sát Luân Đôn.

"Không ai được động đậy.!"

La Tang khinh thường cười cười với cảnh sát trưởng Jerry: "Jerry, tôi khuyên ông nên chờ một tí nữa.cho đến khi nhận được điện thoại của cục trưởng các người là Henry rồi hãy nói tiếp."

"Cục trưởng sẽ điện cho tôi à? Làm sao anh biết được?" Jerry tỏ vẻ không tin, cười lạnh một tiếng, nói: "Cậu trai trẻ, chiêu này của cậu xem ra vô dụng với tôi rồi."

Lúc hai người đang nói thì quả thật Henry bất ngờ đã gọi điện cho cảnh sát trưởng Jerry, hạ lệnh cho ông ta lập tức thu quân, sau đó trở về cục cảnh sát tiếp nhận điều tra: "Jerry, tôi không cần biết anh đang làm gì, phải lập tức quay trờ về cho tôi, nhớ lấy.phải về ngay."

Bạch Nguyệt Thiên là ai, Henry biết rất rõ. Có một lần, giới thượng lưu tổ chức một buổi tiệc tiệc, chinh mắt Henry nhìn thấy một thành viên trong nội các chính phủ vui vẻ uống rượu trò chuyện với Bạch Nguyệt Thiên. Đến thành viên nội các mà người này còn giao thiệp được, huống chi lần này người mà Jerry muốn đối phó lại chính là chủ nhân của Bạch Nguyệt Thiên thì chẳng biết gã chủ nhân này là thần thánh phương nào nữa đây?

Gương mặt Jerry lập tức tỏ vẻ sửng sốt, bản thân mình đi theo cục trưởng Henry nhiều năm như vậy nhưng đây mới là lần đầu thấy ông ta nổi giận đến thế.

Sau giây phút kinh ngạc, ông ta vội vàng ra lệnh cho thuộc hạ dừng hành động của mình lại.

"Thu đội.!"

Jerry hạ lệnh một tiếng, trong đôi mắt vẫn còn hiện vẻ ngạc nhiên.

Đúng lúc này thì Henry lại tiếp tục gọi tới, tuyên bố tiến hành tạm thời cách chức đối với Jerry, đồng thời để cho một gã phó cảnh sát trưởng tiếp nhận chức vụ hiện tại của Jerry.

"Đừng đi mà!" Mắt thấy cảnh sát khắp rời khỏi quán bar, Caesar liền càm thấy tức tối. Gã vội vàng đuổi theo kéo Jerry lại, nói: "Cảnh sát trưởng Jerry, ông đang đùa cái gì vậy.làm sao có thể thu đội được?"

Sắc mặt Jerry ủ rũ như bánh bao chiều, trông khó coi vô cùng: "Thật tình xin lỗi thiếu gia Caesar, tôi đã tận lực rồi."

Vừa nói, ông ta vừa rút tay ra khỏi tay Jerry, sau đó bước tới mấy bước, rồi lại đột nhiên quay đầu lại, nghiêm túc dặn dò: "Caesar thiếu gia, có câu này tôi muốn nói, lần này cũng đã đụng tới nhân vật không nên đúng tới." Mặc dù chưa biết rõ lai lịch của bọn Trung Quốc kia nhưng từ thái độ của cục trưởng Henry trong điện thoại, có thể khẳng định bọn chúng là cục xương khó nuốt, không thể dây vào.

"Nói nhảm.bọn nó chỉ là mấy thằng Tàu xấu xí ngu si thôi mà." Caesar dường như khó có thể tiếp thu lời khuyên của Jerry, gã tỏ vẻ rất không tin.

Jerry hừ một tiếng, cười nói: "Caesar, tôi nói thật, cậu nên cố gắng cẩn thận, đừng dây vào bọn Trung Quốc này, chúng rất thủ đoạn, thù dai, nhò nhen ích kỷ, đặc biệt rất khinh thường các dân tộc khác, nhất là người Nhật và phương Tây.đừng bị nhiễm thói đê tiện của chúng."

Sau khi nói những lời này, Jerry liền quay đầy đi.

Caesar vốn cũng muốn chuồn khỏi đây, nhưng vừa xoay người thì phát hiện phía sau lưng mình đã có hai thằng Trnng Quốc đứng nên không thể chạy đi đâu được.

Mặt gã xám như tro tàn, quay trờ váo trong quầy rượu thì thấy Shawn đã đích thân chặt đi một ngón tay út của mình, coi như là cho La Tang một cái công đạo.

Shawn quả thật là một người đàn ông đích thực, sau khi hành động, ông ta không hề cầm máu mà cứ để máu chảy trên ngón tay bị chặt, ngay cả mày cũng không nhăn lại.

La Tang quả thật rất khâm phục, quay đầu nói với Phương Hạo Vân: "Thiếu chủ, tay Shawn này dù gì đi nữa cũng là một hán tử, hay là cứ để ông ta đi đi."

"Ông có thể rời khỏi đây!"

Phương Hạo Vân dường như cũng rất tán thưởng Shawn, cười mói: "Ông không tệ, đáng tiếc chọn lầm chủ nhân rồi."

"Cảm ơn!"

Shawn ân oán phân min, biết mình chưa đủ sức đánh bại bọn Trung Quốc này nên chấp nhận thua. Dù vậy, ông vẫn không quẹn chức trách của mình. Sau vài giây im lặng, ông nói: "Hai vị, các người có thể để thiếu gia cùng về với tôi không.chuyện hôm nay cậu ấy cũng đã chịu không ít đau khổ.trước hết các người để tôi đưa cậu ấy về, ngày khác tôi chúng tôi nhất định sẽ cho người mang lễ tới bái tạcác người cũng có câu oan gia nên giải không nên kết kia mà.mong hãy suy xét đến đền nghị này của tôi.

"Hừm!"

La Tang khẽ cười một tiếng, nói: "Để Caesar trở về ư.ông nghĩ xem gã có cảm kích không? Tôi đoán hôm nay thả gã đi, nhất định sau này gã sẽ trả thù.Shawn, thiếu gia của ông là hạng người ghì, chắc là ông rõ hơn ai hết."

Lời này vừa nói ra, sắc mặt Caesar liền xám ngoét, quả thật La Tang đã nói trúng tim đen của gã, đúng là "cùng một giuộc" nên rất hiểu rõ nhau!

Tất nhiên, hôm nay mình yếu thế hơn nên gã cũng không dám quá mức cứng đầu, vội vàng nói: "Xin hãy yên tam.tôi Caesar tuyệt đối là người ân oán phân minh, nếu các người để tôi đi thì nhất định khi khác tôi sẽ có báo đáp.có được không?"

Phương Hạo Vân nhàn nhạt gật đầu, nói: "Thật ra thả mày đi thì cũng không có gì quá khó, nhưng tao có một điều kiện nho nhỏ, nếu mày đồng ý thì bọn tao lập tức để mày được tự do."

"Điều kiện gì? Xin cứ nói" Thấy đối phương đã đồng ý thả người, Shawn liền nhanh nhảu hỏi.

"Rất đơn giản, đó là để lại một ngón tay để tỏ bày thành ý.sau đó Caesar có thể ra đi." Phương Hạo Vân nói: "Theo quy củ trong giang hồ, kẻ làm sai phải giao ra những thứ gì, chắc mọi người ở đây đều biết rõ rồi chứ nhỉ.?"

Trên mặt Caesar hiện lên vẻ sợ hãi, liếc nhìn ngón tay đang chảy máu đầm đìa của Shawn, khẽ rùng mình một cái, nhưng chuyện lần này gã cũng không còn biết cách nào khác để xử lý. Để giữ lại tính mạng cho mình, gã đành phải cắn răng đáp ứng lời đề nghị của Phương Hạo Vân.

517. Chương 44: Nghi Ngờ Của Nguyệt Như

Shawn gật đầu, bước tới cầm láy một cây dao nhỏ của thuộc hạ. Sau đó giơ tay chém xuống, gọn ghẽ chặt đứt ngón tay út của Caesar. Đao pháp của gã không tồi, chỉ để lại chút máu nơi vết thương, quá trình hành động cũng rất chính xác, thậm chí mãi cho đến khi ngón tay đã rơi xuống đất thì máu mới ohun ra ngoài.

Đúng lúc này, La Tang đột nhiên phi thân tới, tung cước đạp nát ngón tay kia.

"Mày." Caesar nhất thời giận đến hộc máu, vốn còn nghĩ sẽ dei9 bệnh viện nối tay lại, nhưng nay coi như không còn hy vọng, ngón tay đã thành đống thịt vụn, cho dù y thuật có cao minh đến đâu thì cũng đành chịu thua.

Đinh Tuyết Nhu thấy cảnh tàn nhận như vậy xảy ra trước mặt, liền nhắm hai mắt lại, bàn tay nhỏ bé nắm chặt tay Phương Hạo Vân, thân thể cô có chút run rẩy.

Phương Hạo Vân thấp giọng nói: "Tuyết Nhu, em biết không, nhân từ với kẻ địch chính là tàn nhẫn với bản thân mình.Caesar có kết quả như hôm nay đều là do gã tự chuốc lấy."

Shawn sợ thiếu gia không dằn lòng được, lại chọc giận những người này nên vội vàng bước tới kéo Caesar lại, sau đó xoay người nói với Phương Hạo Vân: "Hiện giờ chúng tôi có thể đi được rồi chứ?"

"Cứ tự nhiên!"

Phương Hạo Vân bình thản nói.

Caesar hung hăng quay đầu trợn mắt nhìn La Tang, với thái độ này chắc chắn gã sẽ không dễ dàng bỏ qua chuyện này.

La Tang cười lạnh một tiếng, khinh thường nói: "Caesar.nếu muốn trả thù thì tao xin phụng bồi, nhưng nói trước, nếu mày rơi vào tay tao một lần nữa thì sẽ không chỉ mất một ngón út đâu mà sẽ phải để lại một thứ thật đáng giá đấy!"

Dưới sự sắp xếp của Phương Hạo Vân, tin tức hắn và Caesar xung đột tại quán bar đã nhanh chóng truyền ra bên ngoài. Chuyện này vừa tới tay Đinh gia, Đinh Vọng Long lập tức hiểu ra vấn đề. Một thanh niên trẻ tuổi lại có thể đối địch cùng gia tộc Flynn.chuyện này chỉ có thể có một cách giải thích, đó là thế lực trong tay người này tuyệt đối mạnh hơn rất nhiều so với gia tộc Flynn.

Nghĩ đến đây, tâm tình của Đinh Vọng Long vô cùng hào hứng.

"Lão tứ, không ngờ lần này chúng ta bắt được vàng rồi, quả đúng là chuột sa hũ nếp mà.Tuyết Nhu đã câu được một con cá thật là to đó." Đinh Vọng Long vui vẻ cười nói.

Dinh Vân Uy nghe vậy, do dự một chút, sau đó mở miệng nói: "Anh hai à, anh đừng vội vui mừng, chớ quên Tuyết Nhu đã không còn là người của Đinh gia nữa."

"Hừ!"

Đinh Vọng Long giận dữ nói: "Lão tứ, lời này của em là sai rồi, làm sao lại có thể như thế được.đúng, quả thật Tuyết Nhu đã đoạn tuyệt quan hệ với chúng ta, nhưng em cũng đừng quên trong người ta vẫn đang tuôn chảy dòng máu cỉa Đinh gia, còn có, nó bị bệnh bạch cầu, nếu như muốn chữa khỏi hoàn toàn thì không thể nào không nhờ cậy đến chúng ta."

Nói đến đây, Đinh Vọng Long cười lớn: "Tóm lại ý của anh là.lần này anh muốn chủ động khôi phục quan hệ cha con với Tuyết Nhu."

"Anh hai, nếu quả thật có thể nối lại tình phụ tử thì không còn gì tốt hơn.nhưng em lo với cá tính của con bé Tuyết Nhu này thì." Đinh Vân Uy có chút bất an, nói: "Tính tình nó vốn bướng bỉnh, chỉ so757 rất khó quay đầu lại."

"hừ!"

Đinh Vọng Long lại hừ lạnh một tiếng: "Anh cũng nghĩ tới trường hợp nó không muốn nối lại tình cha con, cũng không muốn cầu cạnh anh.nếu dùng thân tình không được,v ậy thì làm giao dịch đi."

Đinh Vân Uy lại một lần nữa bày tỏ nỗi bâng khuâng của mình: "Em thấy Phương Hạo Vân kia chưa chắc vì một cô gái mà chịu nhún nhường quá nhiều đâu.dựa trên báo cáo của kế toán trưởng, nếu muốn vực dậy tập đoàn Siêu Uy của chúng ta thì cũng phải mất ít nhất 5 tỉ Euro mới được.khoản tài chính khổng lồ như thế thì."

"Cứ yên tâm! Tuyết Nhu xinh đẹp như thế thì chắc chắn tiểu tử kia đã yêu nó rồi.đàn ông vì người đàn bà mình yêu mà vung tiền như rác cũng không phải chuyện hiếm. Hơn nữa, chúng ta cũng đau phải lấy luôn 5 tì Euro đó đâu?" Đinh Vọng Long khẽ nói: "Anh chỉ muốn mượn tạm một khoản tiền để đầu tư, giúp công ty vượt qua cửa ải khó khăn lần này mà thôi, củng không phải lấy luôn đâu."

"Thế này vậy, trước hết em đi gặp Tuyết Nhu một chuyến để xẻm ý tứ của nó thế nào." Đinh Vọng Long nói.

Đinh Vân Uy thấy nếu làm vậy thì khả năng nối lại tình phụ tử không lớn nên lại tiếp tục đề xuất ý kiến: "Anh hai, em thấy chuyến này em đi không được thích hợp cho lắm.hay là anh để Tuyết Siêu đi đi, Hai chị em Tuyết Nhu quan hệ rất khăng khít, hơn nữa đôi bên cũng không có xung đột gì.nếu để Tuyết Siêu đi thì em thấy còn có hy vọng."

Đinh Vọng Long nghe vậy, thấy cũng có lý, gật đầu đáp: "Em nói không sai, cứ quyết định vậy đi, chuyện này giao cho Tuyết Siêu làm."

Dinh Vân Uy âm thầm thở phào nhẹ nhõm trong lòng. Khi trước ông đã mấy lần gây khó dễ cho Tuyết Nhu, hai người đã sớm trở mặt với nhau. Lời xin lỗi tự giác ông còn chưa nói được với cô ấy thì nào có mặt mũi mà đi khuyên nhủ Tuyết Nhu.

Đinh Vọng Long vừa nói dứt lời liền trầm ngâm giây lát, sau đó ngẩng đầu nói: "Vân Uy, hay là thế này, chúng ta trước hết hãy chuẩn bị thật tốt.đúng rồi, bảo lão nhị, lão tam tới đây luôn đi."

"Vâng ạ!"

Đinh Vân Uy đáp một tiếng, sau đó liền bấm điện thoại gọi cho anh ba, anh tư của mình.

Không lâu sau, lạo nhị Đinh Bối Thánh, lão Tam Đinh Vọng Tân đã nhanh chóng có mặt. Kể từ khi Tuyết Hồ ra đi, hai người đã thửa nhận dia95 vị gia chủ của Đinh Vọng Long. Họ không những ngoan ngoãn giao hết lực lượng tront tay mình ra mà còn giao nộp luôn số tiền đã tham ô của Đinh gia torng nhiều năm nay. Giờ đây, có thể nói bọn họ đã hoàn toàn yếu thế, bên cạnh không có ai, mà tiền bạc cũng không còn.

Đinh Bối Thành, Đinh Vọng Tân có hối hận thì cũng đã muộn. Nếu biết trước tình cảnh hôm nay thì lúc bà mẹ còn sống, đã đầu tư nhiều tâm huyết hơn rồi, nếu vậy sẽ chẳng rơi vào cảnh ngộ bi thảm hôm nay.

Kẻ thắng làm vua, kẻ thua làm giặc, bọn họ không còn gì để nói. Nếu Đinh Vọng Long đã diễn kịch mặt mẹ và trước mặt người trong Đinh gia bằng cách thề bỏ qua chuyện cũ thì bọn họ cũng đành phải khôi phục quan hệ với ông ta mà thôi.

"Lão tứ, em kể lại tình hình của Tuyết Nhu cho lão nhĩ, lkao4 tam nghe đi." Đinh Vọng Long trầm giọng nói.

Đinh Vân Uy không dám chậm trễ, lập tức đem đầu đuôi ngọn nguồn sự việc ra thuật lại một mạch. Sau khi xong chuyện, Đinh Vọng Long cười nói: "Năm đó, hai em và Tuyết Nhu có quan hệ không tồi, hay các em đi khuyên nhủ Tuyết Nhu đi, bảo nó trở lại với Đinh gia."

Thật vậy, Đinh Tuyết Nhu vốn dĩ có quan hệ rất thân thiết với người trong gia đình. Cô quyết kiệt đòi rời khỏi Đinh gia chẳng quy là do bất mãn trước thái độ ích kỷ và cậy quyền của Đinh Vọng Long cha mình.

Đinh Vọng Long cũng hiểu rất rõ điều này nên mới huy động hết thảy người thân thiết nhất để đi cảm hóa con gái của mình.

nhớ của Đinh Tuyết Nhu, Phương Hạo Vân của ngày xưa rất hay xấu hổ, thậm chí có đôi khi chỉ cần cô nhìn hắn lâu một chút là hắn đã đỏ mặt rồi, thế mà bây giờ lại.

Đúng là gậy ông đập lưng ông, Phương Hạo Vân cười gượng một tiếng, nói: "Tuyết Nhu, anh nói thật mà, trên người em quả thật có mùi thơm rất dễ chịu, anh muốn ngửi nữa."

Vừa nói, hắn vừa cố ý đưa mũi tới phía trước, giống như con chó con không ngừng ngửi ngửi trên người của Đinh Tuyết Nhu. Trong lúc vô tình, mũi hắn bất ngờ chạm vào mặt cảu cô.

Phương Hạo Vân không nhịn được, nhẹ nhàng hôn một cái.

Đinh Tuyết Nhu liền khẽ "ưm" một tiếng, quả không hổ danh là nữ hoàng ca nhạc, âm thanh này quả thật làm cho người ta xiêu hồn tán phách. Phương Hạo Vân giống như bị hấp dẫn nên lớn mật hôn lên miệng của Đinh Tuyết Nhu.

"Ư."

Đinh Tuyết Nhu cũng không cự tuyệt, có lẽ trong lòng cô đã mơ hồ mong đợi điều này xảy đến.

Sau màn khóa môi, hai mắt nữ hoàng ca nhạc tràn đầy sự say mê, mũi không ngừng thở hào hễ, màu hồng trên mặt đã lan ra tới cổ, thậm chí đến tận đôi bờ vai thon.

Phương Hạo Vân ôm lấy chiếc eo thon thả của cô, nhẹ nhàng vuốt ve nơi phần da thịt mềm mài đó khiến ánh mắt nữ hoàng ca nhạc càng thêm mê ly, trống ngực đập thình thịch như con nai nhỏ đang run rẩy trước bác thợ săn già!

"Hạo Vân."

Nữ hoàng ca nhạc khẽ rên một tiếng, rồi bất ngờ chủ động hôn lên môi của Phương Hạo Vân, mạnh dạn đưa chiếc lưỡi thơm vào. Hai người càng lúc càng quấn chặt lấy nhau, giống như muốn tan chảy vào nhau vậy.

Đúng lúc này thì chuông cửa vang lên.

Bình thường tiếng chuông cửa rất nhẹ nhàng, nhưng giờ đây đối với bọn họ lại cực kỳ chói tai. Nhưng cuối cùng hai người cũng tách rời nhau ra. Lúc này Đinh Tuyết Nhu đã hoàn toàn nằm gọn trong lồng ngực của Phương Hạo Vân, chẳng những ánh mắt cô mơ màng mà đôi môi khêu gợi cũng khẽ cong lên như đang làm nũng, quyến rũ chết người.

"Thiếu chủ, người của Đinh gia đã tới!" Có lẽ chờ lâu nhưng không thấy ai mở cửa nên La Tang đành phải bất đắc dĩ lên tiếng.

"Tôi biết rồi, La Tang, anh bảo bọn họ chờ một chút." Phương Hạo Vân cất tiếng đáp, sau đó vội vảng đặt Đinh Tuyết Nhu vào trong chăn để cô áy tiếp tục nghỉ ngơi.

Lúc bàn tay hắn chạm vào giữa hai đùi của cô gái, đột nhiên cảm thấy có chút ươn ướt. Khi nhìn kỹ lại thì phát hiện chỗ kỳ bíđã ướt đẫm!

Phương Hạo Vân ngẩn ra, hắn quả thật không ngờ nữ hoàng ca nhạc lại nhạy cảm đến như vậy. Chẳng qua mới chỉ hôn mà đã làm cô ấy kích thích đến dường này sao?

Nhưng bản thân hắn lại thích những cô gái có thể chất nhạy cảm như thế. Tuy nhiên trước mắt thì phải tạm ngừng tay lại thôi.

Đinh Tuyết Nhu đẩy Phương Hạo Vân, tức giận nói: "Cũng là do anh làm hại, khiến người ta thành ra thế này.vậy mà còn nhìn cái gì.làm sao người ta dám nói chuyện với người của Đinh gia bây giờ?"

"Không sao đâu, em cứ bảo trong người em không thoải mái nên nằm ở trong chăn để tiếp chuyện với người nhà họ Đinh, anh sẽ ở bên cạnh phùng bồi." Phương Hạo Vân.

"Ừm!"

Đinh Tuyết Nhu ngoan ngoãn gật đầu. Thật ra thì ngoài cách đó ra thì cũng không còn biện pháp nào khác để đối phó với chuyện này nữa.

Quả đúng như suy đoán của Phương Hạo Vân và Đinh Tuyết Nhu, Đinh Vọng Long đã phái con trai Đinh Tuyết Siêu tới để làm thuyết khách.

Đến lúc này thì hai chị em đã có 3 năm không gặp mặt nhau. Tuy mới 16 tuổi nhưng Đinh Tuyết Siêu đã cao tới 1m75, tuy vậy thân hình có chút gầy yếu. Gương mặt gã cũng thừa hưởng nét đẹp từ mẹ như Đinh Tuyết Nhu nên khá là điển trai, nếu cơ thể rắc rỏi một chút thì quả thật sẽ càng thêm hoàn mỹ.

"Chị.!"

Vừa mới vào cửa, Đinh Tuyết Siêu liền chủ động kêu một tiếng, ngay sau đó chạy đến trước giường của Đinh Tuyết Nhu, trong đôi mắt không ngừng tuôn rời hai dòng lệ.

Phương Hạo Vân cũng không muốn tỉm hiểu xem nước mắt đó là thật hay giả. Hắn chỉ hy vọng Đinh gia đừng có ngầm giở trò trước mặt hắn, dù có là em trai của Tuyết Nhu thì hắn cũng không nương tình.

Đinh Tuyết Nhu trở về nhà, trong lòng có đủ mùi vị, thời thơ ấu của cô, thậm chí là cả thời thiếu nữ của cô, cũng đều trải qua ở chổ này. Khi đó, cô không lo không buồn, làm bạn với mẹ sống rất vui vẻ.

"Haizzz."

Cảnh, vẫn là cảnh ấy, nhưng người, người đâu mất rồi?

"Tuyết Nhu, em không sao chứ?" Phương Hạo Vân đoán được tâm tình của Đinh Tuyết Nhu, âm thầm nắm lấy bàn tay nhỏ bé của con, ý bảo em hãy kiên cường lên.

"Haha."

Cả đoàn người còn chưa vào cửa, liền nghe thấy được giọng nói của Đinh Vọng Long: "Con gái của ta đã trở về. Tuyết Nhu, mau đến để ba nhìn xem. ba năm ngay, hầu như là ngày nào ba cũng nhớ con."

Nói xong, Đinh Vọng Long liền bước lại muốn nắm lấy tay của con gái.

Trong đôi mắt của Đinh Tuyết Nhu hiện lên một sự chán ghét, lui ra phía sau Phương Hạo Vân.

Đinh Vọng Long thấy thế, sắc mặt hơi xấu hổ, trong lòng thì bất mãn, nhưng ngoài mặt vẫn tỏ vẻ tươi cười: "Xem kìa, đứng nhỏ này, mấy năm không gặp mà sao lại sợ như sợ người lạ thế. vị này chính là Phương thiếu gia sao?"

George bước ra, cười nói: "Đinh tổng, tôi thay người giới thiệu một chút, vị này chính là Phương thiếu gia, còn đây là tổng giám đốc tập đoàn Hùng Long Bạch Thiên Nguyệt, Bạch tổng"

"Bạch tổng?"

Về tập đoàn Hùng Long, Đinh Vọng Long đương nhiên là biết nhiều hơn con gái rồi, Bạch Nguyệt Thiên là nhân vật như thế nào ông ra cũng rõ ràng, tuy rằng tiếp xúc không nhiều với tập đoàn Hùng Long, nhưng mà danh tiếng đã đi trước một bước. Trong cuộc khủng hoảng kinh tế toàn cầu, chỉ có tập đoàn Hùng Long cơ hồ là không bị ảnh hưởng.

Đinh Vọng Long luôn đoán rằng, sau lưng Phương Hạo Vân rốt cục có thế lực nào, nhưng ông ta thật sự không ngờ, đó lại chính là tập đoàn Hùng Long lùng lẫy.

Ông ta không khỏi nhìn lại vị Phương thiếu gia này một lần nữa, kẻ này không đơn giản.

Đinh Vọng Long thậm chí hối hận, sớm biết sau lưng Phương Hạo Vân là tập đoàn Hùng Long, thì lúc đầu ông ta đã tự mình đến cửa, cầu xin con gái tha thứ.

Đương nhiên, bây giờ vẫn chưa muộn.

Chuyện này vẫn còn có cơ hội.

"Khách quý. Phương thiếu gia, Bạch tổng. các người có thể đến Đinh gia của tôi, thật sự làm cho Đinh gia cảm thấy vinh hạnh." Con người của Đinh Vọng Long đúng là đê tiện, gió thổi chiều nào ngã theo chiều đó. Mắt thấy tổng giám đốc của tập đoàn Hùng Long đến đây, thái độ của ông ta liền trở nên khiêm tốn vô cùng.

Nói xong, ông ta bước lại nhiệt tình bắt tay với Phương Hạo Vân, khóe miệng nợ một nụ cười mờ ám: "Phương thiếu gia, nghe danh đã lâu, mấy hôm trước tôi nghe nói Caesar vừa có va chạm với cậu, bị cậu dạy dỗ, thật sự đúng là anh hùng xuất thiếu niên. Tuyết Nhu, ánh mắt của con không tồi. ba thật kiêu ngạo vì con."

"Hừ!"

Đinh Tuyết Nhu chỉ hừ lạnh, không thèm để ý đến Đinh Vọng Long.

Sau khi chào hỏi Phương Hạo Vân xong, Đinh Vọng Long liền bước lại cười nói với Bạch Nguyệt Thiên, đối với nhân vật từng làm mưa làm gió trong thương trường chưa từng gặp mặt này, Đinh Vọng Long có một sự kính sợ từ trong đáy lòng.

"Bạch tổng. nghe đại danh của cậu đã lâu, lúc đầu tôi còn nghĩ khi nào có thời gian sẽ đến chào hỏi một tiếng, không ngờ rằng cậu lại là bạn của Tuyết Nhu. Bạn của Tuyết Nhu, cũng là bạn của tôi." Đinh Vọng Long nắm chặt tay của Bạch Nguyệt Thiên, ra sức lôi kéo làm quen.

Bạch Nguyệt Thiên vì lễ phép nên thản nhiên nói: "Đinh tổng khách khí rồi, danh tiếng của ông trong thương trường châu Âu cũng rất vang dội."

521. Chương 48: Giao Dịch Bắt Đầu

Đinh Vọng Long cười nói; "Bạch tổng, hy vọng chúng ta có thể hợp tác một phen, mọi người cùng nhau làm ra một sự nghiệp lớn."

Bạch Nguyệt Thiên cười cười, không nói gì, chỉ là buông tay của Đinh Vọng Long ra.

Tiếp theo, Đinh Vọng Long lại bắt tay với George, George là ai, Đinh Vọng Long rất rõ ràng, đều là thương nhân ở Luân Đôn, tuy rằng hai bên không có hợp tác, nhưng mà vẫn quen biết nhau.

Đương nhiên, trước đây ông ta không biết rằng thứ sau lưng George lại chính là tập đoàn Hùng Long.

"George, chúng ta là bạn bè lâu năm. về sau cần phải hợp tác nhiều hơn nha!" Đinh Vọng Long vừa bắt tay với George vừa nói.

George cười nói: "không gạt ông, hôm nay chúng tôi đến đây, là vì để hợp tác với Đinh gia!"

Lời này vừa nói ra làm cho Đinh Vọng Long vui vẻ, nếu bọn họ đã đi cùng nhau, thì lời này của George đương nhiên là đại biểu cho số đông rồi.

"Anh nói hợp tác ở đây là gì?' Đinh Vọng Long thăm dò: "Tập đoàn Hùng Long muốn đầu tư cho tập đoàn Siêu Uy sao?"

George cười gật đầu, đây là một con người thông minh, nếu hôm nay đã đến để nói chuyện hợp tác và bàn giao dịch, thì vừa gặp đã nói thẳng ra rồi, đỡ phải tốn nước miếng.

Sau khi có được câu trả lời thuyết phục của George, trái tim của Đinh Vọng Long như muốn nhảy ra ngoài. Ông ta không phải đồ ngốc, nếu tập đoàn Hùng Long đã quyết định như vậy, thì có nghĩa là số lượng không nhỏ. Bám vào tập đoàn Hùng Long, còn hơn cả việc mua bảo hiểm, nguy cơ của tập đoàn Siêu Uy lần này sẽ không còn là chuyện lớn gì nữa.

Đinh Vọng Long ổn định lại cảm xúc, nói: "Như vậy rất tốt, rất tốt."

George cười, buông tay của Đinh Vọng Long ra.

Đinh Tuyết Nhu đinh đằng xa nhìn Đinh Vọng Long, trong lòng tràn ngập ghê tởm, theo cô thấy, con người mà bị sa lầy đến mức như vậy, thật sự đúng là bi ai.

Đường đường là gia chủ của Đinh gia, mà cái thái độ giả dối cùng với cách diễn trò vụng về của ông ta làm cho cô ghê tởm đến mức muốn ói.

Trong lòng Đinh Vọng Long cũng bắt đầu tính toán, nếu con gái đã có quan hệ với tập đoàn Hùng Long, như vậy thì từ nay về sau, giá trị lợi dụng cũng sẽ được tăng lên.

Đinh Vọng Long quyết định bằng bất cứ giá nào cũng phải lấy lòng con gái, khôi phục lại quan hệ cha con, nếu không được thì cho Tuyết Hồ dùng Câu Hồn Nhiếp Phách thuật để khống chế lại.

Tóm lại, lúc này nhất định phải bắt giữ được Đinh Tuyết Nhu.

"Hừ.

Đinh Vọng Long thản nhiên nhìn con gái một cái, trong lòng cũng đã có tính toán.

Đinh Vọng Long vô cùng nhiệt tình tiếp đã ba người, trên mặt vẫn là cái lớp da thú giả dối kia, tất cả mọi người ở đây đều biết, chỉ là không ai nói trắng ra mà thôi.

Có một số việc là như thế đó, không nói thì thôi, nói ra rồi thì không thể nào tiếp tục nữa.

Sau khi nói chuyện một hồi, Đinh Vọng Long cho người mang tiệc tối phong phú lên, không khí buổi tiệc coi như hòa hợp, và Đinh Vọng Long nhân cơ hội này muốn tạo quan hệ tốt với con gái, cho nên không ngừng gấp rau cho Đinh Tuyết Nhu.

Chỉ là, Đinh Tuyết Nhu không chút cảm kích, mắt thấy Đinh Vọng Long cứ gấp cho mình, cô rõ ràng là không muốn ăn, Phương Hạo Vân lại sợ cô đói, cho nên lấy thêm một cái chén nhỏ nữa, tự mình gấp những món mà cô thích.

Lúc này Đinh Tuyết Nhu mới chịu ăn một chút.

Đinh Vọng Long có thể nói là tức không nhẹ, có điều bây giờ ông ta không dám biểu hiện sự bất mãn với Đinh Tuyết Nhu, chỉ có thể âm thầm tức giận.

Trên bàn cơm, không ai nói về chuyện hợp tác, chuyện giao dịch gì cả, chỉ toàn nói về những thứ không có ý nghĩa gì thôi.

Mãi cho đến khi kết thúc bữa cơm, Phương Hạo Vân mới bắt đầu nói đến chuyện làm xét nghiệm, Đinh Vọng Long không nói hai lời, gật đầu đồng ý ngay, rồi kêu Đinh Vân Uy gọi bác sĩ đã hẹn trước đến, dẫn Đinh Tuyết Nhu đi làm xét nghiệm tủy, có điều kết quả nhanh nhất thì sáng ngày mai mới có được.

Xong việc rồi, Đinh Vọng Long cười nói: "Phương thiếu gia yên tâm, Tuyết Nhân là con gái của tôi, cho dù cậu không nói, tôi cũng đã muốn làm sớm, chỉ cần xét nghiệp phù hợp, tôi có thể giúp nó chuẩn bị một bệnh viện tốt nhất để tiến hành cấy ghép tủy."

Đinh Tuyết Siêu cũng nhân cơ hội nói theo: "Chị, chị yên tâm đi, chúng ta là chị em ruột, tủy của em nhât định sẽ phù hợp với chị, em sẽ không để chị xảy ra chuyện đâu"

Phương Hạo Vân thấy Đinh Tuyết Nhu âm thầm lắc đầu, nghĩ rằng cái tên Đinh Tuyết Siêu này đúng là diễn trò còn rất vụng về, không đúng thời điểm cũng chẳng đúng địa điểm, làm cho người ta có cảm giác rất giả dối.

"Đinh tổng, cơm đã ăn, xét nghiệm cũng đã làm, tôi nghĩ chúng tôi không cần lãng phí thời gian nữa. Bây giờ chúng ta nói về chuyện đầu tư cho Siêu Uy đi." Dưới cái nháy mắt của Bạch Nguyệt Thiên, George chủ động nhắc đến chuyện hợp tác.

Lời này vừa nói ra, chẳng những là Đinh Vọng Long, những người trong phòng khách khác như Đinh Vọng Tân, Đinh Vân Uy, thậm chí là ngay cả Đinh Tuyết Siêu cũng cười. Bởi vì vậy có thể thấy được, bọn họ cực kỳ chờ mong vào lần hợp tác này như thế nào.

"Haha."

Đinh Vọng Long cười, gật đầu nói: "Như thế cũng tốt"

Bạch Nguyệt Thiên giống như chỉ ngồi cho có thôi, còn Phương Hạo Vân và Đinh Tuyết Nhu thì ngồi xem, cho nên lần nói chuyện này là do George đảm nhận.

Đương nhiên, ý của George cũng đại biểu cho ý của Bạch Nguyệt Thiên, ý của Phương Hạo Vân.

"Đinh tổng, tình huống của tập đoàn Siêu Uy các người cũng rất rõ ràng, bây giờ tài chính mà các người cần là khoảng năm sáu mươi triệu Euro, tôi có thể nói rõ cho các người biết, số tiền này đối với tập đoàn Hùng Long mà nói, chẳng phải là chuyện lớn gì, chúng tôi có thực lực lấy nó ra để tiến hành đầu tư, có điều, phương pháp đầu tư cụ thể chúng ta cần phải tiến hành thảo luận thêm một bước nữa." Lời nói của George đầy kỹ xảo bên trong, chỉ một lời mà đã nói rõ ra thực lực của tập đoàn Hùng Long, xóa bỏ nổi băn khoăn và lo lắng của người nhà họ Đinh.

Quả nhiên, sau khi nghe George giới thiệu xong, trên mặt của Đinh Vọng Long liền lộ ra một sự vui mừng và tham lam không giấu được, ông ta tiếp tục đề tài: "Thật quá tốt, đúng là có thực lực chỉ cần các người chịu đầu tư, thì phương pháp đầu tư thế nào, chúng tôi đều sẽ nghe theo các người."

"Như thế rất tốt."

Lời nói của George dường như bắt chước theo ý của Đinh Vọng Long, có điều trong lòng hắn đã xác định ngay từ đầu. Lần này đầu tư lớn như vậy, nếu không chiếm quyền chủ động, thì quả thật là một mối nguy hiểm không thể nghi ngờ nữa.

Dừng lại một chút, George mở miệng nói: "Đinh tổng, thật ra yêu cầu của chúng tôi rất đơn giản, hạng mục đầu tư lần này, tập đoàn Hùng Long chúng tôi sẽ phái người đến quản lý, giám sát. để bảo đảm an toàn cho việc đầu tư của chúng tôi."

"Hẳn là phải như vậy." Theo lẽ thường mà nói, trong tình hình này, bên đầu tư đưa ra yêu cầu, mà tập đoàn Hùng Long đầu tư lớn như vậy, có đưa ra yêu cầu thế này cũng là bình thường.

George cười nói: "Đây chỉ là một trong các vấn đề đó, chúng tôi hy vọng có thể dùng phương pháp sát nhập cổ phần để tiện cho việc quản lý các hạng mục này."

Đinh Bối Thành nghe thấy thế, sắc mặt liền không vui: "Cái này sợ rằng không được tốt. sản nghiệp của Đinh gia, sao có thể để cho người ngoài nhúng tay vào." Sát nhập cổ phần để quản lý thì không sao, nhưng còn có ý nghĩa khác, bọn họ làm như vậy, nhập cổ phần vào trong tập đoàn Siêu Uy, thì theo một ý nghĩa nào đó, sẽ làm phân tán lợi ích của người nhà họ Đinh.

"Câm mồm!"

Đinh Vọng Long quát lớn với em trai: "Lão nhị, ai cho em xen mồm vào. từ giờ trở đi, không được lên tiếng nữa."

Đinh Bối Thành tức giận nói: "Đại ca, anh không cho em nói, em cũng không ý kiến. nhưng mà em phải nhắc nhở anh, sản nghiệp của Đinh gia, là do tổ tiên truyền xuống, tổ tiên có quy định, sản nghiệp của Đinh gia, người khác họ không thể động vào."

"Đúng vậy, anh hai nói rất đúng!"

Đinh Vọng Tân luôn đứng chung phe với anh hai Đinh Bối Thành, mặc dù bây giờ bọn họ đang thất thế vì Tuyết Hồ, nhưng mà quan hệ của hai người vẫn như trước.

Đinh Vọng Long nhíu mày, mắng: "Anh là gia chủ, nên làm thế nào, trong lòng anh rất rõ ràng, không đến lượt hai em dạy dỗ anh."

"Vân Uy, đưa bọn họ ra ngoài, từ nay vè sau, không có lời nói của ta, bọn họ không được phép tham gia bất kỳ buổi họp nào của Đinh gia nữa." Từ khi Tuyết Hồ xuống núi, Đinh Vọng Tân, Đinh Bối Thành đã hoàn toàn mất đi quyền lực, thái độ của Đinh Vọng Long cũng không còn kính trọng với bọn họ như trước nữa.

"Anh" Đinh Bối Thành là một người nóng tính, làm sao có thể chịu được cơn giận này, vung tay áo lên, muốn đánh nhau với lão đại.

Lão tam Đinh Vọng Tân là một người có lòng dạ nham hiểm, bây giờ tình thế ép người, đánh nhau với lão đại, hoàn toàn giống như chán sống nên đập đầu vào cục đậu hũ vậy.

"Anh hai, chúng ta đi!" Đinh Vọng Tân vội vàng kéo Đinh Bối Thành đi.

"Hừ, hai thằng phá của." Ngay sau đó, khuôn mặt của Đinh Vọng Long liền đổi thành mặt cười, nhìn George, nói: "George tiên sinh, vừa rồi anh cũng nghe thấy đấy, tổ tiên Đinh gia có quy định, dù tôi là gia chủ cũng có vài việc không thể làm được. hay là các người xem xét lại điều này đi."

"Đương nhiên, anh đừng hiểu lầm, việc này không phải là do tôi không muốn, chỉ là do quy định của tổ tiên, tôi thật sự không làm gì được." Nói xong, Đinh Vọng Long đưa mắt nhìn về hướng Đinh Tuyết Nhu, cười nói: "Tuyết Nhu, quy định của Đinh gia, con cũng rõ ràng, ba không có nói bậy, đúng không?"

"Đinh tổng!"

Bạch Nguyệt Thiên nãy giờ không mở miệng, cuối cùng cũng đã lên tiếng: "Đinh tổng, cái này là điểm mấu chốt trong lần đầu tư của chúng tôi. chúng tôi đã điều tra qua, quản lý bên trong tập đoàn các người vô cùng hỗn loạn, gia tộc tranh đấu tương đối nghiêm trọng. Ngay cả các hạng mục lần trước của các người, phương diện quản lý, phương diện kỹ thuật, còn có phương diện giám sát, đều tồn tại những lỗi chết người, nếu như chúng tôi không có quyền khống chế trực tiếp, như vậy chúng tôi sẽ thu vốn đầu tư về."

Mặc dù Đinh Vọng Long rất thất vọng với câu trả lời của Bạch Nguyệt Thiên, nhưng mà cũng biết người ta đang nói sự thật, ít nhất là ông ta cũng tự hiểu được đạo lý bên trong.

Quản lý bên trong Đinh gia vô cùng hỗn loạn.

Đây cũng là nguyên nhân khiến cho Đinh gia gặp phải nguy cơ lần này.

Trên thực tế, bản thân Đinh Vọng Long cũng không muốn lần đầu tư này chỉ lọt cái đầu mà không còn cái mông, hơn nữa, nếu lần đầu tư này thất bại, vậy có nghĩa rằng tập đoàn Siêu Uy đã hoàn toàn lọt vào cảnh không thể cứu được nữa.

Hơi do dự một chút, Đinh Vọng Long cẩn thận hỏi:: "Bạch tổng, chẳng lẽ không còn phương pháp khác sao? Nói thật, tôi cũng không muốn lần đầu tư này thất bại, tôi hy vọng là có thể thực hiện thành công!"

George cười nói: "Đinh tổng, tình huống Đinh gia của ông, trong lòng ông rõ ràng nhất, tôi hỏi ông một câu, o6mg cảm thấy tình huống của Đinh gia có thể dùng tài chính giải quyết được sao?"

George thấy Đinh Vọng Long cúi đầu im lặng, tiếp tục nói: "Vấn đề chủ yếu bây giờ của Đinh gia các người, là vấn đề của ông, chứ không phải là vấn đề tài chính. Bây giờ cho dù có tài chính mà cách xử lý giải quyết vẫn như cũ, thì đừng nói là năm sáu chục triệu, cho dù là năm sáu trăm triệu cũng không thay đổi được!"

Đinh Vọng Long là người thông minh, lời nói của George và Bạch Nguyệt Thiên, ông ta là người hiểu rõ nhất. Chỉ là cái này liên quan đến nhiều việc, bản thân ông ta là gia chủ của Đinh gia, nhưng có một số việc không thể do bản thân của ông ta quyết định được, nhất là chuyện có liên quan đến quy định của tổ tiên, ông ta không thể nào tự ý quyết định được.

Chỉ là tình huống bây giờ, nếu không đồng ý, thì số tiền đầu tư này có lẽ là sẽ đi du lịch.

Khi ánh mắt của ông ta đảo qua chổ Đinh Tuyết Nhu, đột nhiên nghĩ đến cái gì đó: "Phương thiếu gia, tôi nhớ cậu đã từng nói với tôi, muốn bàn giao dịch với chúng tôi. Nếu đã là giao dịch, vậy điều kiện của các người có phải là nên giảm bớt một chút hay không?" Nếu đã đến mức này, Đinh Vọng Long đành phải xé rách da mặt ra thôi.

Đinh Tuyết Nhu nghe thấy như thế, sắc mặt liền trở nên khó coi.

Đinh Vọng Long đúng là cái đồ không biết liêm sỉ, quả thật là hết cứu được rồi. Bây giờ ngay cả diễn trò ông ta cũng đã không còn muốn diễn.

Phương Hạo Vân nãy giờ không nói gì đã cười lạnh một tiếng, nói; "Không sai, trước đó tôi đã nói qua điều này, trên thực thế, chuyện chúng ta đang làm, chính là giao dịch. Đinh Vọng Long, ông không biết suy nghĩ sao, nếu không phải vì Tuyết Nhu, ông nghĩ rằng, dựa vào cái gì mà tập đoàn Hùng Long phải hợp tác với Đinh gia của ông?"

"Phương thiếu gia, anh có ý gì." Nếu đã xé rách da mặt rồi, Đinh Vọng Long cũng không còn cần phải cố kỵ nữa, lạnh lùng nói: "Lời dư thừa tôi không nói nhiều, muốn ghép tủy, ký hợp đồng đầu tư trước."

522. Chương 49: Thanh Thanh Quyết Định Đi Lính

Đinh Tuyết Nhu lúc này đã nổi giận, đập mạnh tay lên bàn, hung dữ nói: " Đinh Vọng Long, tính tình của ông vẫn không thay đổi, bây giờ tôi mới biết được, lựa chọn năm đó của tôi là đúng đắn như thế nào"

"Hừ!"

Đinh Vọng Long cười lạnh, trừng mắt nhìn Đinh Tuyết Nhu: "Bây giờ không đến lượt con lên tiếng, Phương thiếu gia, chuyện này chỉ có thể như vậy, cậu suy nghĩ đi." Nếu đã nói rồi, mặt mũi không còn, bây giờ chỉ cần làm dữ nữa thôi, Đinh Vọng Long nghĩ rằng Phương Hạo Vân sẽ không từ bỏ sinh mạng của Đinh Tuyết Nhu, cho nên thái độ liền trở nên cứng rắn hơn.

"Tuyết Nhu, chúng ta đi!"

Phương Hạo Vân không muốn làm cho Đinh Tuyết Nhu tiếp tục khổ sở, đứng dậy kéo cô vào lòng, dẫn cô rời đi.

George hung hăng nhìn Đinh Vọng Long, trong lòng tức giận vô cùng, nếu không phải Bạch Nguyệt Thiên đã dặn dò, thì có lẽ hắn đã ra tay với Đinh Vọng Long.

Có cái gì chứ, là một gia tộc đang xuống dốc, mà dám kiêu ngạo trước mặt Thiếu chủ, quả thật đúng là không biết tự lượng sức.

Khóe miệng của Bạch Nguyệt Thiên xuất hiện một nụ cười khinh thường, đứng dậy, hai mắt nhìn chằm chằm Đinh Vọng Long, nói: "Đinh tổng, xem ra, vấn đề của Đinh gia nằm ở chỗ ông, ông căn bản là một kẻ không có đầu óc. Nếu tôi là ông, tôi sẽ kiên trì nói thêm nữa, đáng tiếc, ông chỉ là đồ ngu."

Mắt thấy Phương Hạo Vân và Đinh Tuyết Nhu rời đi, Đinh Vọng Long liền khẩn trương, ông ta vội vàng đuổi theo: "Đừng đi. Phương thiếu gia, chẳng lẽ cậu không quan tâm đến sống chết của Tuyết Nhu. hôm nay các người đi, thì đừng có hối hận. Đợi kết quả xét nghiệm ra, đến lúc đó các người có đến cầu xin tôi, tôi cũng sẽ không để ý đến các người."

Phương Hạo Vân nghe thấy thế, dừng chân lại, nói: "Đinh Vọng Long, bây giờ tôi cũng nói rõ cho ông biết, đến lúc đó là ông đi cầu xin chúng tôi, chứ không phải chúng tôi đi cầu xin ông. Chúng ta chờ và xem đi"

Bạch Nguyệt Thiên là người đi ra ngoài cửa cuối cùng, hắn nhìn chằm chằm Đinh Vọng Long, nói: "Đinh tổng, tôi nhắc nhở ông một câu, ngày mai có kết quả, ông sẽ đến cầu xin chúng tôi. Đúng rồi, thị trường chứng khoán ngày mai bắt đầu mở cửa giao dịch, ông hẳn là nên đi nhìn đi. có lẽ cổ phiếu của tập đoàn Siêu Uy sẽ lọt xuống mức thấp nhất lịch sử."

Để lại những lời này xong, không đợi Đinh Vọng Long nói gì, Bạch Nguyệt Thiên liền xoay người đi ra.

"Các người. chẳng lẽ các người muốn thao túng thị trường chứng khóa để chèn ép cổ phiếu của tập đoàn Siêu Uy?" Đinh Vọng Long dường như là bị đơ ra thành đá, sau khi Bạch Nguyệt Thiên rời đi một hồi thì ông ta mới có phản ứng. Với thế lực của tập đoàn Hùng Long, muốn dùng thị trường chứng khoán để đối phó với tập đoàn Siêu Uy, căn bản không phải là một chuyện khó.

Nghĩ đến đây, ông ta lập tức hối hận.

Có điều, chuyện đã thế này, hối hận cũng vô dụng, Đinh Vọng Long vội vàng triệu tập các nhân viên cao cấp của tập đoàn Siêu Uy đến để bắt đầu thương lượng đối sách. Cổ phiếu của tập đoàn Siêu Uy không thể xảy ra vấn đề, nếu có chuyện gì, tập đoàn Siêu Uy có thể đóng cửa bất cứ lúc nào.

Rời khỏi trang viên của Đinh gia, lúc ngồi trong xe, Bạch Nguyệt Thiên nói rất nghiêm túc: "Thiếu chủ, Tuyết Nhu tiểu thư, xin hai người yên tâm, tôi lập tức chuẩn bị chèn ép cổ phiếu của tập đoàn Siêu Uy, khi thị trường chứng khoán ngày mai hoạt động, Đinh Vọng Long sẽ đến cầu xin chúng ta."

Phương Hạo Vân cười vui vẻ nói: "Được vậy thì rất tốt!"

"George."

Phương Hạo Vân nghiêng đầu qua hỏi: "Anh quan sát kết quả kiểm tra tủy cho tôi, mặc kệ là kết quả thế nào, anh cũng phải nói cho tôi biết trước"

"Thiếu chủ yên tâm, cam đoan là sẽ không xảy ra vấn đề." George gật đầu rất nghiêm túc.

Đinh Tuyết Nhu thấy Phương Hạo Vân đã thu xếp mọi chuyện thỏa đáng, trong lòng rất cảm động, nắm chặt tay hắn, xúc động nói: "Hạo Vân, cảm ơn anh."

Có nên đi lính hay không, Trần Thanh Thanh bây giờ khá là do dự. Nhất là sau khi nói chuyện xong với Lã Nguyệt Hồng, trong lòng của cô càng thêm mâu thuẫn.

Quả thật, nữ tướng quân đối với cô đúng là rất hấp dẫn, đương nhiên, cái này cần cô phải không ngừng cố gắng, hơn nữa thời gian phát triển cũng rất lâu, thế nhưng, sự hấp dẫn vẫn còn đó.

Về phương diện khác, cô không muốn cha mình phải đau lòng.

Trần gia không có con trai, cô là người con duy nhất của Trần gia, cô có trách nhiệm kế thừa sản nghiệp của Trần gia, hơn nữa còn phát triển nó.

Tóm lại, cô rất khó xử!

Trần Thanh Thanh phiền não, Lã Nguyệt Hồng hoàn toàn nhìn thấy, sau khi do dự mãi, bà ta quyết đinh

"Ông đã nói rồi, tất cả mọi người đều là bạn, nếu đã là bạn, tôi đương nhiên sẽ nể mặt ông. Như vậy đi, sau ba ngày chúng ta gặp mặt nói chuyện, có điều." Bạch Nguyệt Thiên cười lạnh nói; "Nếu ông dám giở trò gì đó, tiếp theo tôi trực tiếp cho các người phá sản. đồng thời, tôi còn sẽ không bỏ qua dễ dàng đâu." Nói xong, Bạch Nguyệt Thiên liền cúp điện thoại.

Nghe câu cuối cùng của Bạch Nguyệt Thiên, trong lòng của Đinh Vọng Long rất ức chế, chỉ là Bạch Nguyệt Thiên là một trong những người đứng đầu của tập đoàn Hùng Long, quả thật có tư cách nói những lời này.

Bực bội cúp điện thoại, Đinh Vọng Long cắn răng nói: "Lão tứ, em đi triệu tập thành viên trong gia tộc, anh có vài lời muốn nói với họ."

"Đại ca, anh thật sự quyết định vậy sao?" Trong lòng Đinh Vân Uy không muốn.

"Mày không có mắt à, mày thấy rồi đấy, chỉ cần tập đoàn Hùng *** gmuo61n, thì chúng ta hoàn toàn có thể phá sản trong nháy mắt, mày cảm thấy rằng tao còn lựa chọn nào khác sao?" Đinh Vọng Long nói: "Mày đi triệu tập thành viên trong gia tộc, tao đi nói với mẹ."

"Khoang đã."

Dường như Đinh Vọng Long nghĩ đến cái gì nữa, dặn dò: "Mày để bọn họ vào chờ trong phòng họp, khi chưa có tin tức của tao, thì không được nói sự thật cho bọn họ biết"

"Dạ, em biết" Đinh Vân Uy gật đầu, có điều không hiểu gì hết.

"Haha"

Đinh Vọng Long thấy lão tứ nghi ngờ, cười nói: "Lão tứ, thiếu chút nữa anh đã quên một chuyện, việc này nói không chừng có thể thay đổi."

"Đại ca, anh nghĩ đến cái gì sao?" Đinh Vân Uy vội vàng hỏi.

"Thiên cơ không thể tiết lộ." Đinh Vọng Long cười thần bí, sau đó đi tìm Tuyết Hồ…

Buổi tối tám giờ, Phương Hạo Vân nhận được một cú điện thoại, là do Đinh Vân Uy gọi điện đến.

"Phương thiếu gia, lão phu nhân nhà chúng tôi muốn gặp cậu và Tuyết Nhu, hy vọng các người có thể đến đây một chuyến." Đinh Vân Uy nói; "Lão phu nhân rất thích người cháu gái Tuyết Nhu này, lần này xuất quan nghe nói Tuyết Nhu đã trở về, lại còn mau theo cháu rể nữa, cho nên muốn gặp mặt hai người."

Phương Hạo Vân nghe thấy như vậy, lập tức cười, thầm nghĩ, xem ra Tuyết Hồ đúng là không nhịn được nữa rồi, muốn đích thân ra tay, và hắn cũng muốn nhìn xe, vị Tuyết Hồ danh chấn một thời này rốt cục còn bao nhiêu bổn sự.

Khi biết được mình còn có một bà nội, trong lòng Đinh Tuyết Nhu liền không tin: "Hạo Vân, có phải là Đinh gia muốn giở trò không? Tại sao đến bây giờ em mới biết là mình còn một bà nội?"

"Là thật"

Phương Hạo Vân đã sớm có được tư liệu của Tuyết Hồ từ tay của dì Bạch rồi, cười giải thích: "Bà ta tên là Tuyết Hồn, đích thật là bà nội của em, có điều, khi em còn chưa ra đời, bà ta đã bế quan quy ẩn, sợ là gần đây mới xuất quan. Tuyết Nhu, anh nhắc nhở em một câu, bà già Tuyết Hồ này không phải là thiện nam tín nữ gì, lòng dạ của bà ta còn xấu xa hơn cả Đinh Vọng Long, cho nên em không cần phải hy vọng gì vào bà ta."

"Dạ, em biết rồi, Đinh gia không có thứ tốt." Có thể nói ra một câu tàn nhẫn như vậy, có thể thấy được Đinh gia đã gây tổn thương rất lớn với Đinh Tuyết Nhu.

Lúc chín giờ, Phương Hạo Vân và Đinh Tuyết Nhu cùng đi đến trang viên Đinh gia.

Khi gặp lại Phương Hạo Vân, thái độ của Đinh Vọng Long đã trở nên cung kính và khiêm nhường hơn nhiều, người không biết, còn tưởng rằng hai người này có quan hệ rất sâu đậm chứ.

"Phương thiếu gia. Tuyết Nhu, hai người vào đi." Đinh Vọng Long tự mình dẫn hai người vào, để hai người ngồi xuống, cả người lộ ra một sự nhiệt tình chưa bao giờ có.

Phương Hạo Vân đáp lại một câu theo lễ: "cảm ơn!", sau đó mang theo Đinh Tuyết Nhu ngồi xuống, còn Đinh Tuyết Nhu, chẳng những là không thèm nhìn Đinh Vọng Long một cái, mà ngay cả một câu cũng không nói ra. Chỉ lẳng lặng ngồi xuống bên cạnh Phương Hạo Vân.

"Đinh tổng, Tuyết Hồ đâu?" Phương Hạo Vân đột nhiên hỏi.

Đinh Vọng Long nghe thấy như thế, trong lòng căng thẳng, cái tên Tuyết Hồ này, cho dù là người của Đinh gia cũng không có nhiều người biết, mà bây giờ Phương Hạo Vân lại đột nhiên kêu lên, hay là hắn đã sớm biết.

Nghĩ đến đây, Đinh Vọng Long cảm thấy chuyện này càng lúc càng nghiêm trọng, thế lực của tập đoàn Hùng Long đúng là danh bất hư truyền, có điều, chuyện đã đến bước này rồi, cũng không thể nào dừng lại, hơn nữa Đinh Vọng Long, cũng tin tưởng mẹ của mình.

Nếu không có gì xảy ra ngoài ý muốn, ông ta cảm thấy rằng mẹ hẳn là có thể khống chế Phương Hạo Vân thành công.

"Phương thiếu gia quả nhiên thần thông quảng đại, cái tên này ngay cả tôi cũng kiêng kị mà cũng có thể thăm dò được." Đinh Vọng Long cười nói: "Các người chờ một chút, tôi đi rồi sẽ trở lại."

Đợi khi Đinh Vọng Long rời đi, chỉ còn Đinh Vân Uy tiếp khách, Phương Hạo Vân cười khinh miệt nói: "Ông bạn già, xem ra địa vị của ông tại Đinh gia không được tốt, cùng lắm chỉ là một kẻ chạy việc. Đúng rồi, thiếu chút nữa tôi đã quên nói cho ông biết, cái trò Câu Hồn Nhiếp Phách của bà già Tuyết Hồ kia căn bản là vô dụng với tôi."

Lời này vừa ra, Đinh Vân Uy lập tức ngây người.

Trên thực tế, trước đó, hắn không biết về diệu kế của Đinh Vọng Long, có điều, nghe Phương Hạo Vân nói xong, hắn lập tức rõ ràng.

Theo cách nói của Phương Hạo Vân, hắn dường như không coi Câu Hồn Nhiếp Phách của mẹ ra gì.

Nghĩ đến đây, hắn muốn đi ra báo cho đại ca biết một tiếng, Phương Hạo Vân đương nhiên cũng hiểu được tâm tư của hắn, cười nói: "Muốn ra ngoài báo tin? không sao cả, nếu tôi đã dám nói trước mặt ông, thì đương nhiên cũng không sợ ông đi báo tin rồi."

Sắc mặt của Đinh Vân Uy trở nên xấu hổ, bây giờ hắn đi không được, mà không đi cũng không được.

Ngay trong lúc hắn do dự, thì Đinh Vọng Long đã mang Tuyết Hồ đến, có lẽ là suy nghĩ đến cái tôn vinh

Trác Nhã cảm thấy rằng mình cần phải giúp đỡ cho Hoàng Kỳ Anh, cho nên nói: "Tuyết Di, mẹ thấy Kỳ Anh cũng không tồi, bộ dáng đẹp trai, lại có sự nghiệp lớn, gia thế cũng không tồi, con người lại có nhân phẩm. Đây chính là người đàn ông mà có đi mòn giày cũng không tìm được. Nghe mẹ nói, con thử làm bạn với nó đi."

"Con không thích hắn, con không có cảm giác với hắn." Phương Tuyết Di từ chối đề nghị của Trác Nhã, nói giống như cầu xin: "Mẹ, chuyện của con mẹ có thể mặc kệ hay không. Mẹ nói tốt cho Hoàng Kỳ Anh như thế, cũng là nguyên nhân làm cho con cảm thấy hắn rất dối trá. con không nhìn thấu hắn."

Trác Nhã ngây người, trong ấn tượng của bà, Hoàng Kỳ Anh không phải là người như vậy.

Theo bà thấy, Hoàng Kỳ Anh căn bản là không có lòng dạ, cũng không có ý xấu, con người rất tốt, xử sự luôn rất thành thạo. Hơn nữa, cái này không phải là nhận xét riêng của bà, mà hầu như tất cả những người quen biết với Hoàng Kỳ Anh đều nói như vậy, cho đến bây giờ vẫn chưa có ai nói xấu gì về hắn.

Thấy thái độ kiên quyết của Phương Tuyết Di, Trác Nhã cười nói: "Tuyết Di. như vậy đi, mẹ không ép con, trước hết con cứ làm bạn bình thường với nó đi. mẹ tin khi nào con biết được tính tình của nó, thì con sẽ chậm rãi thích nó.

Phương Tuyết Di cầm lấy tay của Trác Nhã, giống như làm nũng: "Mẹ. chuyện của con mẹ có thể mặc kệ được không?"

"Tuyết Di"

Trác Nhã thoáng do dự một chút, thản nhiên nói: "Mẹ làm vậy cũng là vì ba con thân thể của ba con cũng biết rồi đó, ba con hy vọng lúc còn sống có thể nhìn thấy con có nơi có chốn, chỉ là bây giờ ngay cả bạn trai con cũng chưa có, con cho rằng ba con sẽ nghĩ thế nào. Nghe mẹ nó đi, hai đứa cứ làm bạn trước. về tương lai phát triển thế nào, ba mẹ tuyệt đối không can thiệp"

"Con gái, vì ba con, coi như là mẹ cầu xin con được không?" Mục đích cuối cùng của Trác Nhã, thật ra là vì con gái, vì Phương gia.

Đương nhiên, nguyên nhân cụ thể thì tuyệt đối không thể nói ra.

Nhìn thấy mẹ phân trần như thế, Phương Tuyết Di không thể kiên trì nữa, đành phải gật đầu: "Được rồi, con nghe lời mẹ, làm bạn bình thường trước."

Vì Đinh gia, cũng vì chính bản thân mình, Đinh Vọng Long không thể không làm trái lại quy định của tổ tiên, đồng ý cho tập đoàn Hùng Long nhập cổ phần.

Trong cuộc họp gia tộc, Đinh Vọng Tân, Đinh Bối Thành cực lực phản đối, chỉ là không làm được gì, thế lực mỏng manh của bọn họ, căn bản là không ảnh hưởng đến sự độc tài của Đinh Vọng Long.

Sau khi cuộc họp kết thúc, Đinh Vọng Long phái Hoàng Bột giam lỏng Đinh Vọng Tân, Đinh Bối Thành lại, để tránh làm hỏng chuyện lớn của mình.

Vì để làm lớn ra, lấy lại danh dự lại trên thị trường chứng khoán, Đinh gia và tập đoàn Hùng Long cố ý tổ chức một buổi họp báo long trọng, đem tin tức hai nhà liên minh nói ra bên ngoài.

Sau khi tin tức này vừa được tung ra, giá cổ phiếu của tập đoàn Siêu Uy liền tăng lên mười điểm, hơn nữa còn đang ở thế tăng, trong mấy này sau, giá cả chênh lệch sẽ rất là lớn.

Vì thế, Đinh Vọng Long thiếu chút nữa đã cười méo miệng.

Khi việc này được giải quyết, có người vui, cũng có người lo.

Đinh Vọng Long vui vẻ, nhưng con trai ông ta Đinh Tuyết Siêu thì lại không vui. Hai cha con đi làm xét nghiệp, bây giờ chỉ có hắn phù hợp, đối với việc cho tủy, trong lòng hắn vô cùng không muốn.

Đương nhiên, chuyện này không do hắn quyết định, vì bảo đảm sẽ không xuất hiện vấn đề, cho nên Đinh Vọng Long đã sớm cho Đinh Vân Uy giam lỏng con trai lại.

Bởi vì hợp đồng còn chưa được ký kết, đại khái là cách mạng chưa thành công, cho nên đồng chí Đinh Vọng Long vẫn còn cẩn thận.

Người vui còn có Phương Hạo Vân, ngày giải phẫu đã được định rồi, ngay buổi sáng của hai ngày sau.

526. Chương 53: Lấy Tay Giúp Anh

Chỉ sau khi năm bước này thành công, thì mới có thể nói là mọi chuyện thành công.

"Hạo Vân. em hơi sợ."

Đinh Tuyết Nhu nằm trong ngực của Phương Hạo Vân, đầu dựa vào ngực hắn, lẩm bẩm: "Anh nói giải phẫu sẽ thành công không?"

"Đương nhiên là thành công!"

Phương Hạo Vân cười nói: "Em yên tâm, bác sĩ giải phẫu đều là người của tập đoàn Hùng Long, là chuyên gia xuất sắc. Bọn họ đã thành công rất nhiều ca mổ như vậy, trước mắt vẫn giữ tỷ lệ thành công là trăm phần trăm."

Nghe Phương Hạo Vân nói như vậy, trong lòng Đinh Tuyết Nhu lập tức tốt lại, đưa tay ôm lấy người đàn ông của mình, cười ngọt ngào.

Trong đôi mắt sâu của Phương Hạo Vân toát ra một tia tình cảm, chậm rãi cuối đầu xuống, thơm lên cái trán của Đinh Tuyết Nhu một cái: "Tuyết Nhu, có thể nói rõ cho anh biết chuyện năm đó không?"

Đinh Tuyết Nhu được người đàn ông mình yêu hôn một cái, cả người giống như bị điện giật vậy, khẽ run nhẹ một cái.

Ngẩng đầu lên, đôi mắt của Đinh Tuyết Nhu trở nên mê ly, ngẩng đầu lên nhìn Phương Hạo Vân, thản nhiên lắc đầu nói: "Chờ khi nào anh thừa nhận thân phận của anh, thì khi đó em mới có thể nói cho anh biết. em thề ở đây, em chỉ nói cho Hạo Vân mà em yêu thôi"

"Tuyết Nhu." Dường như cảm nhận được sự thành thật trong lời nói của Đinh Tuyết Nhu, Phương Hạo Vân đưa tay ôm lấy cô, đưa môi hôn lên trán cô một chút, vẻ mặt đầu sự yêu thương và thương tiếc.

Đinh Tuyết Nhu ngẩng đầu lên, kinh ngạc nhìn Phương Hạo Vân, đưa đôi môi đỏ hồn lên, dường như muốn ảm chỉ điều gì đó.

Phương Hạo Vân hơi sửng sốt, nhưng lập tức hiểu được tâm tình của Đinh Tuyết Nhu, cúi đầu xuống, đưa miệng đến chổ đôi môi đỏ mọng kia.

Sau khi hôn xong, hai má của Đinh Tuyết Nhu đỏ ửng lên, vẻ mặt rất quyến rũ và kiều diễm, làm cho Phương Hạo Vân động tâm.

Mắt thấy Phương Hạo Vân nhìn thẳng mình, ánh mắt không hề nhúc nhích, Đinh Tuyết Nhu lập tức trở nên thẹn thùng, nhẹ nhàng đẩy hắn ra, khẽ cáu một câu: "Chưa thấy người ta à."

Phương Hạo Vân nghiêm túc nói: "Tuyết Nhu, em thật sự đẹp quá."“

"Miệng lưỡi trơn tru." Đinh Tuyết Nhu giả vờ giận dữ, chỉ có điều trong lòng vô cùng vui vẻ, thích được khen, đây là bệnh chung của đàn bà con gái, cho dù là nữ hoàng âm nhạc cũng không ngoại lệ.

Ngừng lại một chút, cô đột nhiên hỏi: "Hạo Vân, có phải anh đều nói như vậy với tất cả bạn gái của anh không?"

Nghe Đinh Tuyết Nhu hỏi như vậy, sắc mặt của Phương Hạo Vân liền trở nên xấu hổ, có điều, trong đầu hắn đã nghĩ đến Nguyệt Như, Bạch Lăng Kỳ, Trương Mỹ Kỳ, Tạ Mai Nhi.

Nhất là Nguyệt Như, hắn cảm thấy Nguyệt Như đang ở trong thành phố này, chỉ là hắn không thể đi gặp.

Thật ra, mấy ngày nay Phương Hạo Vân cũng rất phiền não, hắn biết mình đến Luân Đôn để làm việc, người của Nguyệt Như khẳng định là đã biết rồi.

Hắn nghĩ, Nguyệt Như có thể sẽ vì vậy mà đau khổ hay không.

Nghĩ đến đây, tâm tình của Phương Hạo Vân trở nên trầm trọng một ít.

Nhìn thấy cảm xúc của Phương Hạo Vân thay đổi, đôi mắt đẹp của Đinh Tuyết Nhu liền trở nên ảm đạm: "Hạo Vân, anh có tâm sự? Có phải là nhớ đến mấy người ở Hoa Hải hay không?"

"không phải."

Phương Hạo Vân không muốn nói dối, chỉ là trong thời gian này, lời nói dối thân thiện cũng được, hắn không muốn làm cho Đinh Tuyết Nhu đau khổ, sắp đến giải phẫu rồi, hắn muốn làm cho cô vui vẻ một chút.

"Anh gạt em."

Đinh Tuyết Nhu đã cảm nhận được sự đau buồn trong mắt của Phương Hạo Vân một cách rõ ràng.

"Anh không có gạt em, anh đang lo lắng cho bệnh tình của em. Tuyết Nhu, hứa với anh, nhất định phải vui vẻ. vui vẻ mới là liều thuốc tốt nhất."

Nghe Phương Hạo Vân nói như vậy, trên mặt của Đinh Tuyết Nhu liền lộ ra một nụ cười ngọt ngào, mặc kệ là giả dối hay thật lòng, lòng của nàng đều rất vui vẻ.

"Hạo Vân, chờ sau khi em giải phẫu xong, anh sẽ trở về như trước chứ?" Đinh Tuyết Nhu đột nhiên hỏi một câu rất quan trọng.

"Đến lúc đó rồi tính." Phương Hạo Vân cười, đưa tay lặng lẽ hướng về cặp mông tròn và căng của Đinh Tuyết Nhu.

Đinh Tuyết Nhu há miệng thở dốc, lúc đầu còn muốn hỏi nữa, nhưng đến cuối cùng lại không hỏi.

Phương Hạo Vân dường như muốn tránh cái đề tài này, bàn tay cũng đã vỗ nhẹ lên cặp mông to tròn ấy.

Mặt của Đinh Tuyết Nhu đỏ lên, cô muốn dời bàn tay ấy ra, chỉ là trong lòng cô lại có khát vọng muốn tiếp xúc thân mật với người mình yêu, cô nhẹ nhàng vặn vẹo thân người, vô thức phối hợp với bàn tay.

Hành động của Phương Hạo Vân hoàn toàn là vì muốn lảng tránh đề tài nói chuyên, chỉ là sau một hồi xoa bốp, con heo bắt đầu tỉnh dậy, cắn nhẹ vành tai của Đinh Tuyết Nhu, nói nhỏ: "Tuyết Nhu, muốn không"

"Không muốn."

Đinh Tuyết Nhu lúc đầu đã hơi mê mẩn, chii3 là nghe câu nói khêu khích của Phương Hạo Vân xong, lập tức tỉnh táo lại. Thân thể của nàng dành cho Phương Hạo Vân, chỉ là bây giờ chưa phải lúc thôi. Khi nào Phương Hạo Vân thừa nhận thân phận trước mặt cô, thì cô mới giao tất cả của mình cho Phương Hạo Vân.

Phương Hạo Vân cười mở ám, nhưng không để ý đến lời nói của Đinh Tuyết Nhu, mở cổ áo của cô ra, đưa miệng hôn xuống.

"Không muốn." Đinh Tuyết Nhu thẹn thùng, nhưng mà trong đầu của nàng không ngừng nhận được cảm giác tê dại, nhưng mà trong phương diện khác, cô không ngừng tự nói với bản thân: không được, không được.

MIệng của Đinh Tuyết Nhu thì từ chối, nhưng cơ thể cô lại đón nhận nó, giống như là nói một đằng nghĩ một nẻo vậy.

Đúng lúc này, điện thoại của Đinh Tuyết Nhu vang lên, nhân cơ hội này cô đẩy Phương Hạo Vân ra, là Vương Hà gọi điện từ Hoa Hải đến.

"Nhu Nhu, tình huống thế nào rồi, chuyện phòng làm việc chị đã xử lý xong rồi. Chị tính ngày mai đi qua đó." Ngấy ngày nay, hầu như là mỗi ngày Vương Hà đều gọi điện thoại đến, hỏi tính huống thế nào rồi.

Đinh Tuyết Nhu sợ mấy chuyện xấu của Phương Hạo Vân, cho nên đưa tay lên miệng ý bảo hắn im lặng, sau đó mới nói: "Chị Hà, chị yên tâm, ở đây có Hạo Vân chăm sóc cho em, em không sao. ngày mai chị đến đây, trực tiếp đến khách sạn Hil ton tìm em, phục vụ sẽ dẫn chị lên phòng của em"

"Ơ."

Phương Hạo Vân đang nói chuyện bình thường, đột nhiên "ơ" một tiếng.

Thì ra, Phương Hạo Vân đã dùng miệng hôn nhẹ lên trên gáy của nàng, khẽ cắn một cái.

Phương Hạo Vân ngậm chặt miệng của mình lại để không cho nó phát ra tiếng, tay kia thì đè đầu của Phương Hạo Vân ra, để tránh hắn làm thêm chuyện xấu.

"Nhu Nhu, sao thế, nói chuyện đi, em có nghe chị nói không?" Trong điện thoại truyền ra giọng nói dồn dập của Vương Hà, hiển nhiên là cô cho rằng Đinh Tuyết Nhu đã xảy ra chuyện.

"Không có gì."

Đinh Tuyết Nhu dùng sức đẩy Phương Hạo Vân ra, đỏ mặt giải thích: "Có thể là do tính hiệu không tốt. vừa rồi mới bị đứt tín hiệu. bây giờ không sao chị Hà, cứ như vậy đi, ngày mai chúng ta gặp."

"Được rồi, em nghỉ ngơi sớm đi, đừng mệt mỏi quá."

Cúp điện thoại xong, Đinh Tuyết Nhu thở phì phì, giận dữ nói: "Người xấu. bây giờ anh còn hư hơn trước kia nữa."

Phương Hạo Vân dày mặt ôm lấy Đinh Tuyết Nhu, nhẹ nhàng nói: "Tuyết Nhu, anh rất muốn, làm sao bây giờ?"

"Làm sao bây giờ?" Đinh Tuyết Nhu đương nhiên là hiểu được ý nghĩa của câu gì rồi, tên này đang muốn làm chuyện xấu với mình.

Trên thực tế, lòng của Đinh Tuyết Nhu cũng không phải là không muốn, chỉ là tạm thời không thể.

Tính tình của Đinh Tuyết Nhu mạnh hơn, trong lòng cô đã quyết định chuyện gì, thì sẽ không dễ dàng thay đổi, mặc dù bây giờ cô chịu khổ nhiều lắm, nhưng mà cô vẫn có thể chịu đựng được.

Bây giờ cô có thể cảm nhận rõ ràng được dục vọng của Phương Hạo Vân, bởi vì cái kia của hắn đang chạm lên trên đùi cô, nóng như lửa mà lại cứng như sắt.

"Hạo Vân, em có thể giúp cho anh được không?" Đinh Tuyết Nhu hỏi.

Phương Hạo Vân cười khổ nói: "Còn có thể giúp cái gì chứ? Em không cho anh làm cái kia. làm cho anh bị nghẹn chết."

"hì."

Nghe Phương Hạo Vân nói như vậy, Đinh Tuyết Nhu liền bật cười: "Chưa từng nghe có ai bị nghẹn chết vì chuyện này."

Ngừng lại một chút, Đinh Tuyết Nhu suy nghĩ, dường như giơ tay ra, đột nhiên nắm lấy cái thứ nóng như lửa ấy: "Em dùng tay giúp anh.".

Phương Hạo Vân không hề buồn ngủ.

Một giờ trước đó, hắn và tay của Đinh Tuyết Nhu đã vượt qua quan hệ hữu nghị rồi, rất thích, thật sự rất thích, đáng tiếc là không được đánh thật.

Được giải phóng một lần, nhưng không thể làm giảm bớt dục vọng đang khiêm khích trong lòng hắn.

Chỉ là hắn không muốn làm cầm thú, Đinh Tuyết Nhu không muốn, hắn cũng không muốn ép. Cũng may bay giờ cảm xúc tiêu cực kia đã không còn nhiều, chỉ cần Phương Hạo Vân muốn, hắn vẫn có thể nhịn được.

Chỉ là hơi bị nghẹn thật.

Đúng vậy, mỹ nhân nằm bên cạnh, hắn chỉ có thể nhìn, không thể ăn, việc này đúng là làm người ta ức chế lắm đây.

Bây giờ Đinh Tuyết Nhu đang ngủ rất ngon, khóe miệng để lộ ra một nụ cười ngọt ngào, có thể nhìn ra, cô đang rất vui.

Phương Hạo Vân rất muốn đánh thức cô dậy, nếu thật sự không được, dùng miệng giải quyết cũng được mà.

Đột nhiên, Phương Hạo Vân cảm nhận được Thiên Phạt đang cảnh báo hắn, hai mắt hắn bỗng nhiên mở ra, cẩn thận cảm ứng tình huống chung quanh. Rất nhanh, hắn đã cảm nhận được gần đây có một tuyệt thế cao thủ đang nhìn trộm mình.

Phương Hạo Vân lặng lẽ đứng dậy, đi đến cửa sổ, nhìn lên ánh trăng, lấy lại bình tĩnh, nhẹ nhàng nói: "Người đã đến rồi, sao không xuất hiện."

Đã nói hết lời, nhưng không ai trả lời.

Đột nhiên, một bóng người xẹt qua giữa không trung, thân pháp cực nhanh, cho dù là Phương Hạo Vân cũng không khỏi trầm trồ khen ngợi.

Phương Hạo Vân thoáng do dự một chút, nhìn Đinh Tuyết Nhu ngủ say, leo ra ngoài cửa sổ. Hắn không lo lắng cho an toàn của Đinh Tuyết Nhu, bởi vì toàn bộ cao thủ của bộ tộc thủ hộ đã vây lấy nơi này, cho dù là người có thân thủ mạnh như Phương Hạo Vân, cũng không có khả năng gây tổn thương cho Đinh Tuyết Nhu.

Chờ khi hắn nhảy ra cửa sổ, xung quanh liền có mấy bóng người nhảy ra theo, đi đầu là Rosand: "Thiếu chủ, xảy ra chuyện gì?"

"Có người nhìn lén tôi. tôi muốn xem sao!" Phương Hạo Vân trầm giọng nói: "Các người bảo vệ Tuyết Nhu cho tốt, không cần đi theo, một mình tôi có thể đối phó được"

"Tuân mệnh!"

Rosand và Bạch Nguyệt Thiên đều biết được lực lượng của thiếu chủ, hơn nữa, nếu đã là chủ nhân do Thiên Phạt chọn, thì người này có thể kém được sao?

Lúc này, Phương Hạo Vân đã thấy được bóng người, hiển nhiên là đang khiêu khích hắn.

Phương Hạo Vân kêu lên một tiếng, thân mình bắn ra như tên.

Trong trời tối, hai bóng người lao đi, một trước một sau.

Đại khái là sau nửa giờ, dưới sự dẫn dắt của người đó, Phương Hạo Vân đã đến một căn nhà xưởng ở ngoại ô, hắn không khỏi bật cười: "Thì ra là một khu bỏ hoang, ở nước ngoài cũng có."

"Mày thật hưng phấn."

Cách Phương Hạo Vân khoảng mười mét, có một bóng người đang đứng lặng yên, mặc đồ đen, mang khăn che mặt màu đen, trong tay là một thứ bằng sắt.

Phương Hạo Vân cười lạnh một tiếng, châm chọc: "Nếu đã dẫn tôi đến đây, sao không cam đảm để lộ bản mặt thật ra? Hay là do làm chuyện gì không muốn cho người khác nhận ra?"

Đối phương chỉ hừ một tiếng giơ cái thứ trong tay lên, một tia sáng sắc lạnh lướt qua, cười lạnh nói: "Quỷ Thủ, mày nhìn cái thứ này, hắn sẽ biết tao là ai?"

Tuy rằng trời đã khuya, nhưng mà khoảng cách hai người không xa, với thị lực của Phương Hạo Vân, đương nhiên là nhìn rõ cái thứ bằng sắt kia là gì rồi.

Trong lòng Phương Hạo Vân cười lạnh không thôi, bật thốt: "Anh là Robert."

Người kia cười lạnh nói: " Quỷ Thủ, lần này đến Hoa Hải, mày chặt một tay của tao, lần này tao đến để lấy lại công bằng."

Mặt của Phương Hạo Vân vẫn không đổi sắc: "Cánh tay của anh đúng là do tôi chặt, nhưng tôi không biết Thủ Quỷ mà anh nói là gì."

"Giả bộ. cứ tiếp tục giả bộ đi."

527. Chương 54: Robert Muốn Chết

"Đánh thì đánh, bớt nói nhảm là vừa. tôi lập lại một lần nữa, tôi không biết thủ cái gì quỷ mà anh nói."

Nếu hôm nay Robert đã đến, thì đương nhiên là nắm chắc, có khả năng báo thù.

Thật ra, người đàn ông này có phải là Quỷ Thủ hay không, Robert cũng không nắm chắc, nhưng mà, nói thế nào thì tên này cũng có mối thù sâu đậm với mình.

Từ lần thất bại trước, Robert đã lập tức trở về núi Phượng Hoàng tu hành, trong những ngày đó, hắn không bao giờ quên được nỗi nhục của mình, không quên được mối thù của mình, và không ngừng tu luyện.

Có được công phu ngày hôm nay, hắn đã trải qua không ít gian nan, trải qua nhiều lần sống chết.

"Phương Hạo Vân, chịu chết đi!" Robert lạnh lùng nói: "Hôm nay nếu không phải mày chết thì tao bỏ mạng, thù chặt tay này không thể đội trời chung."

Nói xong, Robert liền lao đến hướng Phương Hạo Vân, có thể nghe rõ tiếng gió phành phạch trong trời tối.

Phương Hạo Vân lúc đầu cũng không muốn tự nhiên chen ngang, nhưng mà phiền phức chủ động tìm đến cửa, và đổ trực tiếp lên trên đầu, hắn cũng không còn tránh được. Lần trước không thể giết Robert, đó là do công phu của hắn chưa đủ.

Bây giờ, hắn đã đả thông Nhâm Đốc nhị mạch rồi, công phu bây giờ so với lúc trước, cứ như là so một mét với mười mét.

Hắn quyết định tử chiến với Robert một trận.

Thân hình hai người lao vào nhau trong tíc tắc, tung ra vài chiêu, sau đó hai người nhanh chóng tách ra. Hiển nhiên là cả hai không có dốc toàn lực, mà chỉ đang thử nhau thôi.

Sau khi đứng vững thân hình lại, khóe miệng của Robert lộ ra một nụ cười thần bí, trầm giọng nói: "Mày còn mạnh hơn so với trước kia."

Phương Hạo Vân cũng đáp lời: "Robert, so với lần gặp mặt ở Hoa Hải, công phu của anh đã tiến bộ không ít, nhưng mà anh vẫn không phải là đối thủ của tôi"

"Thật sao?" Robert giơ cái bàn tay, à không thể gọi là bàn tay, mà là móc bằng sắt lên, tự tin nói: "Lúc này, tao đến để báo thù, không phải để tìm chết. mày càng mạnh, tao càng vui vẻ."

Nói xong, trên mặt của Robert xuất hiện một sự kích động và hưng phấn không hiểu được, hắn ta và cái móc bằng sắt được gắn vào tay ấy dường như đã hòa hợp thành một thể rồi, cả người hắn phát ra chiến ý mạnh mẽ.

Hai mắt của Phương Hạo Vân nhắm lại, yên lặng cảm nhận sự thay đổi lực lượng của Robert.

Bỗng nhiên, một tiếng hét lớn vang lên, Robert đột nhiên lao đến một cách dũng mãnh, cái móc sắt lập tức toát ra sát ý mãnh liệt, đâm về hướng cổ họng của Phương Hạo Vân.

So với lần trước, Robert rõ ràng là đã có tiến bộ rồi, bây giờ ra chiêu này, nếu như là Phương Hạo Vân trước kia, tuyệt đối là không thể nào đỡ được.

Nhưng bây giờ thì khác, hai mạch Nhâm Đốc của Phương Hạo Vân đã được mở, mặc kệ là công phu, hay là nhãn giới, đều được đề cao hơn.

"Ầm!"

Vũ khí hai người chạm vào nhau, Phương Hạo Vân đã đỡ được đòn tấn công của Robert, và trông có vẻ rất dễ dàng. Một luồng sức mạnh truyền từ cái móc sắt lên, làm cho Robert chấn động, thiếu chút nữa đã ném nó xuống đất.

Có điều, rốt cục hắn vẫn cắn chặt răng chịu đựng.

Sau một đòn, thân hình hai người lại tách ra.

Trong mắt của Robert tràn ngập sự khó tin và mất mác, theo hắn thấy, một chiêu mạnh mẽ như vậy mà lại bị Phương Hạo Vân dễ dàng đỡ được.

Đây là tâm huyết hắn khổ luyện mấy tháng.

"Tao muốn chết, mày tin không?" Robert đột nhiên hỏi.

"Tin!"

Phương Hạo Vân bình tĩnh đáp: "Tôi có thể cảm nhận được sự khó chịu trong lòng anh."

Trong mắt của Robert xuất hiện vài tia khác thường, hơi dừng lại một chút, rồi trên mặt hắn lại xuất hiện chiến ý như cũ: "Mày là một đối thủ không tồi, mặc kệ kết quả ngày hôm nay thế nào, tao đều không hối hận."

Khi nói xong, hắn lại chậm rãi giơ cái móc sắt lên.

Vẻ mặt của Phương Hạo Vân cũng trở nên chăm chú, giơ Thiên Phạt lên, bây giờ sau khi Robert đã quyết định tâm tình rồi, còn lợi hại hơn so với hồi nãy.

Lúc đầu hai người đứng cách nhau không xa, bây giờ lại dùng tốc độ nhanh nhất để lao đến, chỉ trong khoảnh khắc, hai người đã tấn công lẫn nhau, tiếng kim loại va chạm vào nhau như những tiếng rồng ngâm vậy, nhưng đồng thời, trên mặt của Robert cũng xuất hiện một vẻ đau đớn.

Robert bỗng nhiên cảm nhận thấy cổ tay của mình đau đớn vô cùng, đồng thời, một lực lượng cường đại đang từ cái móc sắt đánh về phía thân thể của hắn.

Cho dù ý chí của Robert có kiên định, thì giờ phút này cũng khó mà chịu nổi.

"Từ bỏ đi, tôi đã được đả thông Thiên Địa chi Kiều, Nhâm Đốc nhị mạch rồi." Phương Hạo Vân thả nhiên nói, nhưng sức mạnh nơi tay thì không giảm bớt.

Chân khí nội gia mạnh mẽ không ngừng xâm nhập vào kinh mạch của Robetrt, lực lượng của Robert hướng về âm tà, nhưng lực lượng của Phương Hạo Vân lại thuộc về loại chính khí cương trực.

Hai loại khí khắc nhau đang phát sinh xung đột trong cơ thể của Robert, mà lực lượng của Robert rõ ràng là yếu hơn của Phương Hạo Vân, cho nên, lực lượng trong cơ thể của Robert đang bị chân khí nội gia của Phương Hạo Vân chậm rãi ăn mòn, cảm giác bị ăn mòn từ bên trong này người thường khó có thể nào chịu nổi.

Robert khổ tu tại núi Phượng Hoàng, cái ý chí rắn rỏi của hắn là điều mà người bình thường không thể nào làm được, mặc dù rất đau, nhưng hắn vẫn không rên lấy một tiếng.

"Muốn hóa giải nội lực của tôi không dễ dàng vậy đâu!" Phương Hạo Vân cười lạnh nói.

"Hây"

Robert quát lạnh một tiếng, tụ tập lực lượng trong cơ thể lại, muốn đẩy chân khí nội gia của Phương Hạo Vân ra, đồng thời muốn lui thân hình lại.

Phương Hạo Vân thấy tâm chí của Robert kiên cường như vậy, không khỏi tán thưởng. Xem ra, trong khoảng thời gian này, Robert quả thật là đã khổ luyện tại núi Phượng Hoàng rồi.

Phương Hạo Vân muốn giải quyết luôn phiền toái Robert này, cho nên tăng lực ở tay lên, không để cho hắn có cơ hội.

Robert thấy thế cục không thể thay đổi, lập tức sợ hãi, hắn là một kẻ luyện võ, nếu như công lực bị Phương Hạo Vân phế, vậy thì hắn đúng là xong đời.

Nghĩ đến đây, Robert lại quát giận một tiếng, phát lực ra. Thân hình bùng nổ, hoàn toàn không còn để ý đến tính mạng của mình, lao đến hướng Phương Hạo Vân, điên cuồng tấn công.

Phương Hạo Vân tuyệt đối không ngờ rằng, trong tình huống như vậy mà Robert vẫn còn có thể phản công.

Robert muốn đánh chết Phương Hạo Vân, cho nên một chưởng này cũng dùng hết lực. Chỉ là, lực lượng của hắn đã bị chân khí của Phương Hạo Vân ăn mòn một phần, cho nên dù bây giờ đã dùng hết lực thì có so với lúc đầu cũng không bằng.

Tuy rằng Phương Hạo Vân bị tấn công bất ngờ, nhưng cũng vận dụng nội lực ra tiếp. Khi tay hai người chạm vào nhau, một tiếng nổ lớn phát ra, thân hình Robert bay ngược về sau, lúc ngã xuống đất, trong miệng phun ra một ngụm máu tươi.

Mà thân hình của Phương Hạo Vân vẫn đứng vững như núi Thái Sơn.

Chậm rãi đi đến, Robert đang hấp hối, một chưởng vừa rồi của Phương Hạo Vân đã làm đứt kinh mạch của hắn, cho dù không chết cũng sẽ tàn phế.

Phương Hạo Vân không muốn để lại phiền toái gì nữa, cho nên quyết định giết chết Robert.

Robert cố gắng giãy dụa đứng lên, hung tợn nhìn Phương Hạo Vân: "Tao lại thất bại. công lực đã bị mày phế một nửa, giết tao đi."

"Phương Hạo Vân. trước khi tao chết, tao muốn cầu mày một việc, xin mày nói cho tao biết, mày rốt cục

định là nhìn trúng năng lực của chị, bọn họ nhất định là thèm muốn chị. xét tình huống như vậy, em đề nghị chị nên đưa ra thêm điều kiện."

"Ừ, chị biết rồi." Trần Thanh Thanh gật đầu: "Hạo Vân, gặp mặt nói chuyện, chị biết bên em đang là buổi tối, không quấy rầy em nghỉ ngơi nữa."

"Robert đã chết?"

Khi Nguyệt Như biết được tin tức này từ miệng bà Jones, biểu tình của cô vô cùng kinh ngạc, thậm chí là còn không tin: "Với thân thủ của Robert, ai có thể giết chết hắn?. Đúng rồi, hắn bị giết ở chổ nào có manh mối không?"

"Chết ở Luân Đôn, ngay trong địa bàn của Thiên Đạo chúng ta." Bà Jones thở dài nói: "Bà đã tự mình đi xem xét hiện trường, không tìm ra manh mối, ngay cả xác cũng đã hóa thành máu. đáng tiếc, Robert tốt xấu gì cũng là một trong tứ đại sát thủ của Thiên Đạo, đã lập không ít công lao cho tổ chức, không ngờ lại có kết quả thê thảm như vậy. tiểu thư, gần đây con có gặp mặt Robert không?"

"Không có."

Nguyệt Như lắc đầu: "Bà, nếu không phải do bà nói cho con biết tin tức này, thì con còn tưởng rằng bây giờ Robert đang tu luyện tại núi Phượng Hoàng nữa chứ. ba con có ý kiến gì không?"

"Đang điều tra."

Bà Jones tức giận nói: "Hung thủ thật sự không coi Thiên Đạo chúng ta ra gì, theo ý của đầu lĩnh thì chuyện này nhất định phải điều tra rõ bằng bất cứ mọi giá nào, mặc kệ đối phương là ai cũng phải báo thù."

"Tiểu thư, con nói thật cho bà biết đi, con rốt cục có gặp Robert hay không?" Bà Jones dường như đã nhìn ra cái gì đó, giọng nói của bà trở nên nghiêm khắc hơn: "Tiểu thư, chuyện này vô cùng nghiêm trọng, con không thể gạt bà được, nếu con có liên quan, thì tốt nhất bây giờ nên nói cho bà biết, để bà còn cố gắng giúp con."

"Bà, con thật sự không có gặp Robert, chẳng lẽ bà không tin con?" Nguyệt Như trầm giọng nói: "Hay là tổ chức cũng đã hoài nghi con?"

Nghe Nguyệt Như nói như vậy, bà Jones liền thấp giọng nói: "Tiểu thư, nghe bà nói đã, chuyện này rất nghiêm trọng, cho đến bây giờ, tổ chức chưa hoài nghi con, nhưng mà có người phát hiện ra con đã gặp mặt Robert vài ngày trước."

"Nói bậy."

Nguyệt Như bực bội nói: "Là ai nói, tên đó rõ ràng là nói bậy bà, bà mau nói cho con biết là ai nói, con muốn đối chất với hắn."

"Người đã bị bà giết."

Bà Jones nhìn qua bốn phía theo bản năng, xác định là không có người nghe lén, mới nhỏ giọng lại, nói: "Là một thám tử của bà báo cho bà biết. vì an toàn của con, bà đã ra tay giết hắn. Tiểu thư, con đừng có giấu bà nữa, chẳng lẽ ngay cả bà con cũng không tin sao?"

Nghe bà Jones nói vậy, Nguyệt Như do dự một chút rồi nói: "Bà. nếu bà đã nói vậy, con cũng không gạt bà, trước đó vài ngày quả thật là con đã gặp mặt Robert. hắn cố ý dụ con ra ngoài, bọn con chỉ nói chuyện vài câu thôi, sau đó con không có gặp lại Robert nữa, về chuyện vì sao hắn chết, con càng không biết. bà, hay là bà cũng hoài nghi là con. là con giết Robert bà cũng biết mà, công phu của con căn bản là không thể giết được Robert."

"Điều này bà rất rõ." Bà Jones nói: "Lần này Robert từ núi Phượng Hoàng về, đầu lĩnh đã tự làm cho hắn một trang bị, bà phát hiện ra công phu của hắn còn lợi hại hơn trước kia. với công lực của con bây giờ không thể giết được hắn."

Dừng lại một chút, bà Jones nói tiếp: "Tiểu thư, bà hỏi con một lần nữa, cái chết của Robert, con rốt cục là biết được bao nhiêu. lần này đầu lĩnh và mấy lão già kia đều vô cùng tức giận, con biết được bao nhiêu thì nói cho bà biết đi. Có lẽ bà sẽ ngăn cản bọn họ điều tra."

“Nếu đã bị hóa thành máu, còn có thể tra được cái gì?” Nguyệt Như thản nhiên nói: “Bà, con có thể nói cho bà biết, chuyện lần này con không biết gì cả, trên thực tế, những cái con biết đã nói hết rồi”

“Tiểu thư. đầu lĩnh nói, người có thể giết chết Robert, ít nhất cũng đã được đả thông hai mạch Nhâm Đốc rồi, con nghĩ xem, bây giờ ở Luân Đôn có bao nhiêu cao thủ như vậy?” bà Jones nói ra một câu có ý rất sâu: “Bà biết Phương Hạo Vân đã đến Luân Đôn, hơn nữa bà còn quan sát, thấy rằng hắn đã được đả thông hai mạch đó rồi.”

Lời này vừa nói ra, trong lòng Nguyệt Như liền chấn động, vội vàng hỏi: “Bà, theo lời bà nói,v ậy thì tổ chức sớm muộn sẽ điều tra đến Hạo Vân sao?”

“Cái này thì chưa đến mức đó.”

Bà Jones nói: “ Sau lưng thằng nhóc đó là tập đoàn Hùng Long, cũng chính là bộ tộc thủ hộ phương Đông từ xưa, tổ chức tuyệt đối không có chủ ý với hắn. Nhưng mà, nếu xác định là hắn ra tay, thì tổ chức sẽ không từ bỏ ý đồ. chuyện này liên quan đến danh dự của Thiên Đạo. cho nên, tiểu thư, con biết cái gì, nói cho bà biết đi.”

Nguyệt Như do dự một hồi, cuối cùng thành thật: “Bà, bà là người con tin tưởng, con cũng không muốn gạt bà. Robert đích thật là do Hạo Vân giết, có điều lỗi là do Robert, nếu không phải là do hắn ép bức, thì Hạo Vân sẽ không dễ dàng ra tay giết người.”

“Cái xác là do con hủy?” Bà Jones hỏi rất nghiêm túc.

Nguyệt Như gật đầu: “Dạ, là con. khi con đến đó, Robert đã chết rồi, con lo rằng tổ chức sẽ điều tra manh mối từ cái xác, cho nên đã dùng Hóa Thi Tán để hủy diệt xác của Robert bà, mọi chuyện con đã nói cho bà biết, bà nghĩ biện pháp giúp co đi. đừng để tổ chức điều tra Hạo Vân.”

“Tiểu thư yên tâm, nếu bà đã tìm đến con, thì cũng đã nghĩ biện pháp rồi.” Bà Jones khẽ cười một tiếng: “Tiểu thư, có muốn gặp Hạo Vân không?”

“Muốn!”

Nguyệt Như đáp mà không cần do dự.

Có điều, cô nhanh chóng đổi ý, nhìn ra được là cô đang rất băn khoăn: “Con nghĩ con không cần phải gặp mặt Hạo Vân đâu, lỡ như để xảy ra hiểu lầm gì thì phiền phức lắm.”

“Không sao, chỉ cần con muốn, bà có thể thu xếp cho hai đứa.” Bà Jones giải thích: “ Ba đã từng chịu ân của giáo quan, lần này bà được cô ta nhờ, thu xếp cho hai đứa gặp mặt. Cho nên trong lòng con không cần phải lo lắng gì cả. còn nữa, cái chết của Robert, bà sẽ thu xếp kẻ chết thay.”

“Cái này được không?”

Nguyệt Như lo lắng hỏi: “Lỡ như lộ ra thì sao?”

“Không sao cả, sở tài phán và đầu lĩnh đã đem chuyện này giao cho bà, bà tự có biện pháp đối phó, đúng lúc này, Thiên Đạo chúng ta có một kẻ đối đầu rất lợi hại, bà có thể đem chuyện này đổ lên trên đầu hắn, đến lúc đó, sở tài phán phái ra ba cao thủ đánh chết hắn.”

Dừng lại một chút, bà Jones còn nói thêm: “Tiểu thư, bà về trước để thu xếp, con chờ tin của bà.”.

Hai ngày sau, dưới sự thu xếp của bà Jones, Phương Hạo Vân và Nguyệt Như rốt cục đã gặp mặt. Địa điểm gặp mặt của bọn họ là chổ ở của bà Jones, nơi này là chổ an toàn nhất nước Anh, trừ đầu lĩnh và lão đại của thất tông tội thì người khác không ai được đến đây cả. Huống hồ đầu lĩnh và đại trưởng lão Howard không có thời gian đến đây, nhất là trong ba năm gần đây, bọn họ chưa đến được một lần.

Cho nên, nơi này trở thành địa điểm gặp mặt tố đ g ch ệt Ngli ra r dưới 6 tr bà Z t y ra hai h đ t

Ngay sau đó, Vương Hà đột nhiên nói: "Cậu rốt cục đang ở cùng với con đàn bà dâm tiện nào."

"Đàn bà dâm tiện?"

Lời này đúng là quá đáng, không chỉ là làm cho Nguyệt Như không vui, ngay cả sắc mặt của Phương Hạo Vân cũng thay đổi, hắn hừ một tiếng, nói: "Vương Hà, cô câm miệng cho tôi. cô đừng quá đáng."

Giọng nói của Vương Hà vẫn lạnh như băng, dường như không sợ Phương Hạo Vân uy hiếp: "Thế nào, chột dạ à, bị tôi nói trúng rồi à."

"Vương Hà, tôi nói cho cô biết, chuyện của tôi không cần cô quản." Phương Hạo Vân lạnh lùng nói: "Cô chỉ cần chăm sóc cho Tuyết Nhu là được."

Đối với việc Phương Hạo Vân đột nhiên thay đổi thái độ, Vương Hà không thèm đáp lại, cô vẫn dùng cái giọng nói lạnh như băng của mình: "Phương Hạo Vân, tôi mặc kệ cậu đang ở đâu, bây giờ Nhu Nhu đang muốn gặp cậu, cậu phải trở về." Nói xong, Vương Hà liền cúp điện thoại.

531. Chương 58: Ý Tứ Sâu Xa Của Bà Jones

Phương Hạo Vân nhíu mày: "Em sẽ đi giết cô ta à?"

"Đương nhiên là không!"

Nguyệt Như hừ một tiếng, nói: "Thân là đàn bà, mà không biết tôn trọng đàn bà, loại đàn bà như vậy em rất khinh thường, em sẽ dạy dỗ cô ta có chừng mực thôi"

Nói đến đây, Nguyệt Như ngẩng đầu lên, vẻ mặt khá là u oán: "Hạo Vân, anh không cản em chứ?"

Tuy rằng Vương Hà không phải là gì của Phương Hạo Vân, nhưng mà hắn không hy vọng Nguyệt Như sẽ đi gây thù với cô ta, nhưng mà nếu không cho phép, thì có lẽ cục tức của Nguyệt Như sẽ không tan được.

Thoáng do dự một chút, Phương Hạo Vân cười một tiếng, nói: "Anh đương nhiên sẽ không ngăn cản em rồi. hôm nay Vương Hà quả thật rất quá đáng, có điều cô ta không biết anh ở chung với em. Như vậy đi, Nguyệt Như, em chỉ cần dạy dỗ một chút thôi, đừng làm lớn chuyện."

"Dạ"

Nguyệt Như ngoan ngoãn gật đầu.

Dừng lại một chút, cô ta nheo mắt nhìn Phương Hạo Vân, hỏi; "Hạo Vân, anh nói thật với em đi, Vương Hà có phải là bạn gái dự bị không?"

"Cái này. ặc." Phương Hạo Vân dở khóc dở cười: "Nguyệt Như, em quá nhạy cảm rồi, anh không phải là loại gặp ai cũng ** đâu. anh là người thế nào, em còn lo lắng sao?"

"Anh trước đây thì em rất yên tâm, nhưng mà bây giờ. không chỉ đổi mặt mà ngay cả tâm cũng đổi, ai biết được." Nói đến đây, Nguyệt Như liền hỏi một câu khá là nhạy cảm: "Hạo Vân, có chuyện này, anh phải trả lời cho em, Đinh Tuyết Nhu có phải là người con gái trong lòng của anh không?"

Phương Hạo Vân nghe thấy thế, trong lòng run lên, lập tức hỏi: "Có phải là giáo quan nói cho em."

"Không, em tự đoán."

Nguyệt Như cười nhạt, nhưng nụ cười của cô không được tự nhiên: "Chúc mừng anh. rốt cục đã tìm lại mối tình đầu của mình."

"Nguyệt Như."

Phương Hạo Vân ôm lấy cô, nhẹ nhàng nói: "Hãy nghe anh nói, trong lòng của anh, địa vị của em lớn hơn cô ta, cho nên em yên tâm, tình yêu của anh dành cho em vẫn sẽ không thay đổi"

Nguyệt Như cố gắng đứng lên, nhặt quần áo cho Phương Hạo Vân, thản nhiên nói: "Hạo Vân. anh trở về đi, đừng để cô ta chờ lâu. Dù sao cô ta cũng là người bệnh, em không tính toán với cô ta. Sau trung thu, chúng ta sẽ có thể ở bên nhau, còn nhiều thời gian, em không cần phải tính toán làm gì."

Nói xong, Nguyệt Như hôn lên mặt hắn một cái.

Phương Hạo Vân há miệng ra, muốn nói cái gì đó, lần này hai người gặp mặt xong, sợ rằng đến trung thu mới gặp lại.

Thân phận của Nguyệt Như quá nhạy cảm, hơn nữa Phương Hạo Vân lại là một vấn đề tại Thiên Đạo, nếu không phải do bà Jones hết lòng thu xếp, thì hai người quả thật là không thể gặp mặt được.

"Nguyệt Như, chờ anh!"

Mặc đồ xong, Phương Hạo Vân liền ôm lấy cô hôn một cái, nghiêm túc dặn dò.

"Cẩn thận một chút." Ở dưới của Nguyệt Như vốn đang rát, không có đứng dậy đưa tiễn. Sau một hồi, cô mới miễn cưỡng đứng dậy, nhìn hình bóng của Phương Hạo Vân qua cửa sổ, giây phút ấy, một giọt nước mắt đã lăn xuống bên má cô.

"Đây là lần khóc cuối cùng."

Đàn bà rất dễ dàng thay đổi vì người đàn ông mình yêu, khi Nguyệt Như biết được Phương Hạo Vân thích mình trước kia hơn, liền hạ quyết tâm, sẽ trở về vẻ kiên cường và lạnh lùng trước kia.

Khi đi ra cửa, thân hình của bà Jones không biết xuất hiện từ góc nào, bà gọi Phương Hạo Vân lại, thản nhiên dặn dò: "Cẩn thận một chút, Nguyệt Như dựa vào con, sau khi trở về, hỏi thăm giáo quan giùm bà, nói là bà già này rất nhớ cô ta."

Phương Hạo Vân chậm rãi quay đầu lại, nhìn vẻ mặt hiền lành của bà Jones, cung kính nói: "Bà yên tâm, con nhất định sẽ chuyển lời. bà, trong khoảng thời gian con không có ở đây, xin nhờ bà chăm sóc cho Nguyệt Như."

"Yên tâm đi, bà già này luôn coi tiểu thư là con ruột mà, có bà ở đây, tiểu thư sẽ không sao đâu. Nhớ kỹ, trước trung thu, con phải trở về, nếu không sẽ chậm." Bà Jones cẩn thận dặn dò.

Phương Hạo Vân gật đầu rất nghiêm túc.

Dừng lại một chút, Phương Hạo Vân chuẩn bị rời đi, không ngờ bà Jones lại lên tiếng: "Con trai, sau này nếu con thật sự đối địch với Thiên Đạo, thì bà hy vọng con sẽ không đuổi cùng giết tận. coi như là nể tình bà và tiểu thư, được không?"

Phương Hạo Vân sửng sốt, trên thực tế, với thực lực của bộ tộc thủ hộ, hiểu biết của hắn vẫn còn kém xa bà Jones.

"Bà. vì sao bà lại không ngăn cản hai bên xảy ra xung đột?" Phương Hạo Vân hỏi ngược lại.

"Không thể."

Trong lòng bà Jones dùng rất muốn, nhưng với địa vị và lực lượng của bà, không có khả năng ngăn cản xung đột lần này được. Trên thực tế, cho dù là đầu lĩnh và Howard cũng không có mặt mũi như vậy, trừ phi là tất cả lãnh đạo của Thiên Đạo thống nhất ý kiến, nhưng điều này là không có khả năng rồi.

Cho nên, điều bà Jones có thể làm bây giờ là cố gắng thu xếp hết sức, để tránh để thương vong quá lớn.

"Con biết rồi."

Phương Hạo Vân gật đầu: "Con sẽ nhớ kỹ lời bà dặn."

"Có những lời này của con, bà cũng yên tâm." Bà Jones cười vui mừng, xoay người bước đi.

Lúc bà Jones vào trong phòng, Nguyệt Như đã mặc đồ xong rồi, có điều khuôn mặt ửng đỏ vẫn chưa hết, đôi mắt long lanh, nhìn rất hấp dẫn.

"Tiểu thư, thế nào rồi? Bây giờ trong lòng còn hoài nghi không?" Bà Jones là một người phương Tây điển hình, nói chuyện cũng không hề kiêng dè gì nhiều: "Trải qua lần tiếp xúc thân mật tối nay, trong lòng có tràn ngập lòng tin với hắn chưa?"

Nguyệt Như nghe thấy như thế, mặt đang đỏ liền đỏ rực lên, nói như làm nũng: "Bà, bà chỉ biết giễu cợt con. con vốn dĩ chưa từng hoài nghi Hạo Vân."

"Haha."

Bà Jones cười nói: "Hèn chi mọi người đều nói, yêu là tin tưởng. tối nay hai đứa làm vậy, tình yêu đâm chồi nảy lộc rồi."

Nguyệt Như đỏ mặt, muốn cãi lại vài câu, nhưng thấy sắc mặt của bà Jones bỗng nhiên trở nên nghiêm túc: "Tiểu thư. con ngồi xuống đi, bà có chuyện quan trọng muốn nói với con."

Thấy bà Jones nghiêm túc, trong lòng Nguyệt Như cũng biết là chuyện lớn, vội vàng kéo tay bà Jones ngồi xuống ghế, hỏi: "Bà, rốt cục là chuyện gì?"

"Tiểu thư. theo bà dự đoán, đại chiến trung thu, Thiên Đạo của chúng ta sẽ bị liên lụy vào, thương vong đến lúc đó khẳng định là rất lớn, thậm chí là có thể sụp đổ" Nói đến đây, bà Jones nhìn Nguyệt Như rất nghiêm túc: "Tiểu thư, bà hy vọng con có thể cứu vớt Thiên Đạo. Nếu như có thể, bà hy vọng con có thể tiếp quản Thiên Đạo vào thời điểm đó, nói như vậy, Thiên Đạo và Phương Hạo Vân sẽ giảm bớt xung đột."

"Tiếp quản Thiên Đạo?"

Nguyệt Như nhướng mày, nói: "Bà, sao có thể được. sao con có thể tiếp quản Thiên Đạo được? Hơn nữa ba con."

"Tiểu thư, bây giờ bà nói với con điều này, chính là muốn con chuẩn bị trong lòng trước. Về phần ngọn nguồn cụ thể, tương lai bà sẽ nói với con" Bà Jones nói rất ý nghĩa: "Tóm lại, bà sẽ không hại con, con phải tin tưởng bà, bà làm như vậy là vì tốt cho con, tốt cho Thiên Đạo."

"Tiểu thư, hôm nay bà nói với con những lời này, hy vọng con không nhắc lại với bất kỳ kẻ nào." Bà Jones dặn dò một câu.

Nguyệt Như nghi hoặc, còn muốn hỏi gì nữa, nhưng bà Jones đã tránh người: "Hôm nay, con ở chổ của bà nghỉ ngơi đi, bà đi điều tra.".

Ca cấy ghép tủy của Đinh Tuyết Nhu vô cùng thành công, những phần trị liệu kế tiếp cứ dựa theo kế hoạch mà làm, hôm nay, cô đã tỉnh.

Sau khi tỉnh lại, câu đầu tiên mà cô nói, chính là tên của Phương Hạo Vân.

Giọng nói của cô rất yếu, nhưng lại rất kiên quyết, cô muốn gặp Phương Hạo Vân, muốn gặp người đàn ông đã từng bị mình làm tổn thương, và bây giờ là người đàn ông cho mình sinh mạng.

Bác sĩ Paul đành phải chuyển ý của Đinh Tuyết Nhu cho Vương Hà và George, hy vọng bọn họ mau chóng tìm được người mà người bệnh muốn gặp, nếu cứ kéo dài sẽ ảnh hưởng đến tâm lý người bệnh, ảnh hưởng đến quá trình trị liệu.

"Vương tiểu thư, cô đừng gấp, cô đã gọi điện cho thiếu chủ rồi, như vậy anh ấy nhất định sẽ nhanh chóng trở về." George thấy Vương Hà cứ đứng ngồi không yên, đành phải qua khuyên vài câu.

"Hừ!"

Vương Hà dường đang nổi nóng, cô vẫn cho rằng Phương Hạo Vân đúng là quá đáng.

"Không thể tha thứ, không thể tha thứ, Phương Hạo Vân không phải thứ tốt." Vương Hà tức giận nói: "Hắn bỏ mặc Nhu Nhu bệnh nặng, đúng là không phải người."

"Vương tiểu thư, xin cô nói chuyện tôn trọng một chút. nếu cô cứ dùng ngôn ngữ mà vũ nhục thiếu chủ của chúng tôi, thì đừng trách tôi không khách khí." Tuy rằng sắc mặt của George không được vui, nhưng mà hắn không nói gì, bởi vì chuyện nam nữ vốn là như vậy, không thể nói ai đúng ai sai, nhưng mà Rosand thì không như vậy, hắn chỉ biết rằng, Vương Hà đang chửi Thiếu chủ của mình, như vậy là đủ rồi.

Cảm nhận được sát khí từ đôi mắt của Rosand, Vương Hà lùi lại vài bước theo bản năng, trong mắt lộ ra một sự kinh ngạc: "Anh muốn làm gì. anh muốn đánh tôi?"

"Xin cô im lặng một chút, đây là bệnh viện" George nháy mắt bảo Rosand im lặng, nhỏ giọng khuyên Vương Hà: "Vương Hà tiểu thư, tôi cảm thấy bây giờ chúng ta tốt nhất là nên chờ đợi im lặng."

"Thượng bất chính hạ tắc loạn." Vẻ mặt của Vương Hà khá là bất mãn.

Đúng lúc này, Phương Hạo Vân chạy đến đây, nghe Vương Hà nói câu đó, liền lên tiếng: "Cô đang nói tôi sao. chị Hà, vì cô quan tâm đến Tuyết Nhu nên nói ra những lời này, tôi không tính toán với cô, có điều tôi hy vọng, lần sau khi cô nói chuyện, nên dùng cái đầu một chút, đầu giống mấy con nhỏ ngực to mà óc trái nho, nói chuyện không biết suy nghĩ gì cả. như vậy thì đúng là phiền phức."

"Cậu." Vương Hà nghe thấy thế, nổi giận đùng đùng, có điều còn chưa kịp nói gì, thì đã cảm nhận được sát khí lạnh như băng đang phủ lấy toàn thân.

Quay đầu lại nhìn, thấy ánh mắt giết người của Rosand đang nhìn mình.

Vương Hà vội vàng im miệng lại, không dám nói nữa.

Phương Hạo Vân âm thầm bật cười, ác nhân phải để ác nhân trị.

Có điều, nói như vậy hơi quá, Vương Hà thật ra không phải là ác nhân, chỉ là tính hơi nóng một chút thôi, táo bạo một chút thôi.

"Chị Hà. Tuyết Nhu vẫn còn nằm trong phòng vô khuẩn, thân thể chưa hồi phục, chúng ta đừng có náo loạn được không, tất cả phải lấy đại cục làm trọng. bây giờ không nói nữa, em đi vào phòng bệnh cách ly gặp Tuyết Nhu đây." Nói xong, Phương Hạo Vân liền nhờ Paul dẫn đường. Trong giai đoạn này, Phương Hạo Vân không thể vào trong phòng bệnh trực tiếp, phải đứng ở ngoài phòng cách ly nhìn.

Vương Hà nhìn Phương Hạo Vân một cách oán hận, cuối cùng không nói gì nữa, vội vàng đi theo.

Vài phút sau, dưới sự dẫn đường của Paul, Phương Hạo Vân đã đứng trước tấm kính của phòng cách ly, thấy được Đinh Tuyết Nhu đang nằm trên giường bệnh bên tong, sắc mặt của cô trắng bệch vô cùng, có điều trong ánh mắt tràn ngập sức sống, tinh thần có vẻ không tồi.

"Tuyết Nhu."

Thông qua cái micro bên ngoài, Phương Hạo Vân nhẹ nhàng kêu lên một tiếng.

Đinh Tuyết Nhu nghe thấy như thế, lập tức quay đầu lại, nhìn người đàn ông qua tấm kính cách ly kia, trong con mắt xinh đẹp lập tức tràn ra nước mắt.

Những giọt nước mắt này không hề liên quan đến cơn đau, mà hoàn toàn là vì vui mừng mà khóc. Sau khi tỉnh lại, Đinh Tuyết Nhu cũng biết, ca phẫu thuật của mình đã thành công, trong tương lai không lâu sau, thân thể của cô sẽ hoàn toàn khôi phục, trở thành một người bình thường. Và từ đó về sau, cô sẽ được hưởng cuộc sống của người bình thường, hạnh phúc bình thường.

"Tuyết Nhu, kiên cường lên, phẫu thuật đã thành công, chỉ cần phối hợp với bác sĩ kiên trì trị liệu, thân thể của em sẽ hoàn toàn hồi phục, đến lúc đó chúng ta sẽ vĩnh viễn bên nhau, không bao giờ chia lìa những."

Nói thật, với những lời này, ngay cả bản thân Phương Hạo Vân còn không tin tưởng nữa, nhưng mà bây giờ nói như vậy, đối với Đinh Tuyết Nhu mà nói, chính là một sự cổ vũ tinh thần rất lớn.

532. Chương 59: Sinh Ly Tử Biệt

Quá trình như vậy kéo dài khoảng mười lăm phút, cuối cùng, dưới đề nghị của bác sĩ Paul, nó đã được kết thúc.

Đinh Tuyết Nhu bây giờ chẳng những cần được an ủi tinh thần, mà cũng cần nghỉ ngơi nữa, hơn nữa cũng không thể làm cảm xúc quá kích động.

Trở về văn phòng của bác sĩ Paul, Phương Hạo Vân liền cẩn thận hỏi tình huống trị liệu, hơn nữa còn dặn dò mãi, nhất định phải dùng thuốc tốt nhất, thiết bị trị liệu tốt nhất.

Paul cười trả lời: "Phương thiếu gia. anh cứ yên tâm, bệnh viện chúng tôi dưới chỉ thị của Bạch tổng, đã tiến hành trị liệu tốt nhất dành cho Đinh tiểu thư."

Dừng lại một chút, Paul còn nói thêm: "Phương thiếu gia, có thể nói rằng, cho dù là nữ hoàng cũng chưa từng được trị liệu đặc biệt như vậy."

"Ừ."

Phương Hạo Vân gật đầu rất hài lòng, nói: "Nghe lời ông nói vậy, tôi rất yên tâm có điều, các người không được bất cẩn, nhất định phải bảo đảm mọi chuyện thành công"

George đi đến, nghiêm túc nói: "Thiếu chủ yên tâm, nhóm chữa bệnh của chúng ta vẫn chưa giải tán, toàn bộ đều trực bên cạnh Đinh tiểu thư 24/7. Hơn nữa trong phương diện bảo vệ, đã có Rosand và người của anh ấy, sẽ không xảy ra vấn đề."

Vương Hà không nói gì, nghe bọn họ nói như vậy, liền lộ ra vẻ khó tin. Cô không phải là người giàu có, nhưng mà lại đi chung với rất người giàu có, mấy ngày nay cô được hưởng thụ đãi ngộ mà cả đời trước đây cô chưa từng có. Đối với thân phận của Phương Hạo Vân, cô càng lúc càng tò mò, chỉ là hôm nay hai người đang không vui, cho nên dù có tò mò, cô cũng không hỏi.

"George, anh lại đây. tôi có chuyện muốn dặn dò anh." Phương Hạo Vân tính ngày kia sẽ lên đường, trước khi đi, hắn cần phải dặn dò mọi chuyện rõ ràng.

Lúc đầu, hắn muốn dặn dò Bạch Nguyệt Thiên, nhưng mà ngày hôm qua Bạch Nguyệt Thiên phải đi xử lý tranh cãi gia tộc, phỏng chừng là một hai ngày nữa cũng không trở về.

George nghe thấy thế, không dám chậm rãi, vội vàng bước lại chổ Phương Hạo Vân, dựng lổ tai lên nghe Thiếu chủ dặn dò.

Cái mà Phương Hạo Vân dặn rất đơn giản, chính là công tác bảo vệ và bệnh tình của Đinh Tuyết Nhu, chẳng qua, Phương Hạo Vân đứng trên một góc độ chuyên nghiệp để đưa ra ý kiến tốt nhất.

George đương nhiên là ghi nhớ tất cả.

Sau khi xong việc, Phương Hạo Vân liền gọi Vương Hà lại, trầm giọng nói: "Chị Hà, ngày kia em sẽ về Hoa Hải, khi em không có đây, việc chăm sóc Tuyết Nhu xin giao cho chị. Em đã dặn dò George rồi, hắn sẽ tích cực phối hợp với chị."

"Cậu phải đi?"

Sắc mặt của Vương Hà lập tức trở nên căng thẳng, vội nói: "Tình trạng của Nhu Nhu bây giờ mà cậu có thể rời đi sao? Nếu cậu đi rồi, tâm tình của Nhu Nhu sẽ bị ảnh hưởng, tôi không đồng ý cho cậu đi."

"Chị Hà, chuyện này chị không nói được gì đâu. Ngay cả em cũng không thể tự quyết định được." Phương Hạo Vân cười khổ: "Em bận rộn nhiều chuyện, có một số việc cần em phải tự đi xử lý, hơn nữa không thể chậm trễ được, ca phẫu thuật của Tuyết Nhu đã thành công, bây giờ là thời kỳ dưỡng bệnh, tác dụng của em cũng không còn lớn nữa."

Bình tĩnh mà xem xét Phương Hạo Vân quả thật không muốn rời xa Đinh Tuyết Nhu, nhưng mà hắn không thể không trở về. Đầu tiên, cái chết của Robert, đã khiến cho Thiên Đạo nổi giận, nếu hắn không đi, sớm muộn gì cũng sẽ khiến cho Thiên Đạo hoài nghi. Tiếp theo, Trần Thanh Thanh nói là muốn đi lính, trước khi đi, nói thế nào hắn cũng phải gặp mặt cô một lần. Còn chuyện thành lập công ty Đằng Phi nữa, cũng đang chờ hắn trở về giải quyết.

Cho nên, về tình về lý, hắn đều phải trở về, không thể ở lại Luân Đôn được nữa.

"Phương Hạo Vân, cậu làm cho tôi rất thất vọng." Vương Hà là đàn bà, cho nên tư tưởng luôn hẹp hòi, trừ lợi ích của chính cô ta và Đinh Tuyết Nhu ra, thì không hề nghĩ đến cảm xúc của người khác: "Nhu Nhu đối với cậu như vậy, cậu lại đối xử với nó như vậy, chuyện hôm nay tôi tạm thời không nói, chỉ là bây giờ cậu lại đòi về nước. nếu Nhu Nhu biết chuyện này, không biết sẽ đau khổ đến mức nào"

"Hừ!"

Phương Hạo Vân khẽ cười: "Chị Hà, em nghĩ Tuyết Nhu không giống như chị nói đâu"

Lùi một bước mà nói, cho dù Đinh Tuyết Nhu có suy nghĩ giống Vương Hà, thì Phương Hạo Vân cũng không thay đổi ý kiến. Nam tử hán đại trượng phu, không thể sống suốt ngày chỉ vì đàn bà được. Hơn nữa, cả hai đều là người phụ nữ của mình, không thể nặng bên này mà nhẹ bên kia được.

"Chị Hà, chuyện này có nói tiếp cũng không có ý nghĩa gì, bây giờ em muốn nói cho chị biết, mấy ngày nữa, chị sẽ vất vả lắm. Tuyết Nhu nhờ chị cả. Buổi tối ngày mai, em sẽ tự mình chào từ biệt Tuyết Nhu." Để lại những lời này xong, Phương Hạo Vân xoay người đi ra.

Vương Hà cắn chặt răng, nhưng không nói thêm gì.

"Chị Hà. có phải chị đã đến thời kỳ mãn kinh rồi không, nếu không sao tính tình của chị dễ dàng bị xúc động như vậy." Lúc đi ra đến cửa, Phương Hạo Vân đột nhiên hỏi lại một câu.

"Phương Hạo Vân, cậu đi chết đi!" Vương Hà lập tức nổi giận.

"Ừ, nhất định đã vào thời kỳ mãn kinh rồi, bằng không chị sẽ không đối xử với ân nhân của mình như vậy." Phương Hạo Vân cười, nhìn thoáng qua bộ ngực của Vương Hà, sau đó xoay người bước đi. Lần này hắn không quay đầu lại nữa.

Vương Hà vốn muốn gào lên, nhưng mà chợt nhớ lại, Phương Hạo Vân dúng là đại ân nhân của mình, không chỉ cứu cô vài lần, mà còn cứu luôn em trai của cô nữa.

Nghĩ đến đây, hai má của Vương Hà đỏ lên, như vậy quả thật là hơi quá.

Chỉ là, lúc phát sinh sự việc, chính bản thân cô ta cũng không khống chế được tính tình của mình.

"Hay là, mình thật sự đã vào thời kỳ mãn kinh?" Vương Hà nhíu mày, dường như đã bị hoang mang rồi.

Trưa ngày hôm sau, Bạch Nguyệt Thiên đã trở về, cùng đi với hắn là một ông già, một người trẻ tuổi. Người trẻ tuổi kia thì Phương Hạo Vân có biết, chính là Caesar đã bị Rosand đánh. Còn ông già kia thì có vài phần tương tự Caesar, có lẽ là ông già của thằng này.

Quả nhiên, Bạch Nguyệt Thiên cười giới thiệu: "Thiếu chủ, đây là tộc trưởng của gia tộc Flynn, Jack Flynn, về người này, thiếu chủ hẳn là cũng biết."

"Xin chào Phương thiếu gia."

Caesar có vẻ giống như là một học trò ngoan vậy, chạy lại chào hỏi.

Có cái gọi là đánh người không đánh ai đang cười, Phương Hạo Vân thản nhiên đáp lại: "Hiểu chuyện là tốt rồi."

"Tộc trưởng Jack, ông mang Caesar đến đây là.?" Phương Hạo Vân quay đầu lại hỏi.

Jack vội vàng cười nói: "Phương thiếu gia, cậu cứ gọi tôi là lão Jack được rồi, hôm nay tôi mang Caesar đến đây, chính là đến để xin lỗi, hy vọng Phương thiếu gia đại nhân đại lượng, đừng chấp nhất thằng con ngỗ nghịch của tôi, cho chúng tôi một cơ hội." Nói xong, lão già Jack liền cung kính cúi đầu trước Phương Hạo Vân.

Caesar bên cạnh cũng không dám chậm trễ, vội vàng cúi đầu trước Phương Hạo Vân.

Phương Hạo Vân mỉm cười, khoát tay nói: "Không cần phải thế. người không biết không có tội. hơn nữa, chuyện lần trước Caesar đã bị dạy dỗ rồi, việc này tôi không để ý nữa đâu"

Lão già Jack muốn nói rằng, cậu không để ý, nhưng tập đoàn Hùng Long vẫn để ý, luôn miệng nói gia tộc của mình đã đắc tội với Thiếu chủ nhà họ, muốn dứt điểm bọn họ.

Gia tộc Flynn coi như cũng là rắn độc tại nước Anh rồi, có quan hệ rất rộng, là thành viên trong hoàng thất, có quan hệ tốt bên nghị viên. Nhưng mà, so với tập đoàn Hùng Long, vẫn còn có chênh lệch nhất định.

Vẫn là câu nói đó: Không thể trêu vào!

Vì gia tộc, lão già Jack không thể không cúi đầu, tự mình đến xin lỗi, việc này đối với ông mà nói, đúng là nghẹn khuất thật, nhưng mà tình thế ép người, con trai gây ra họa, ông đành phải làm vậy.

"Xin Phương thiếu gia nói cho." Lão già Jack cúi đầu xuống, chờ Phương Hạo Vân tỏ thái độ.

Phương Hạo Vân quay đầu qua nhìn Bạch Nguyệt Thiên, hai người cười hiểu ý, Phương Hạo Vân lúc này mới nói: "Haha, ông quá khách khí rồi. như vậy đi, nếu ông đã coi trọng chuyện này, vậy thì lần này tôi đại biểu cho tập đoàn Hùng Long nói luôn, việc này dừng ở đây."

"Cảm ơn."

Lão già Jack nói như mang ơn vậy: "Phương thiếu gia rộng lượng."

"Bạch tổng, anh gọi tôi?" Đúng lúc này George đẩy cửa đi vào.

"George, cậu đưa Jack tiên sinh và Caesar về trước đi. sau này, cậu nên qua lại với bọn họ nhiều chút, có thể làm ăn được nhiều đấy." Bạch Nguyệt Thiên thản nhiên dặn dò.

Đợi khi cha con Caesar đi về, Bạch Nguyệt Thiên mới cười nói: "Thiếu chủ, việc này xử lý như vậy anh có hài lòng không? Gia tộc Flynn tại nước Anh cũng là một danh môn vọng tộc, tôi không muốn làm to chuyện ra, tôi chỉ gây áp lực thích hợp, lão già ấy liền tỏ vẻ muốn hợp tác với chúng ta, tôi đã cẩn thận suy nghĩ, với thực lực của gia tộc Flynn tại nước Anh, chúng ta hợp tác với họ rất có lời. thiếu chủ, anh còn ý kiến nào khác không?"

Phương Hạo Vân gật đầu hài lòng: "Xử lý như vậy rất tốt. dù sao mục tiêu cuối cùng của chúng ta vẫn là gia tộc Morgan. trước khi chúng ta đạt được mục đích, thì nên tập trung nhân lực cho thỏa đáng"

Dừng lại một chút, Phương Hạo Vân còn nói thêm: "Bạch hộ pháp, trước khi đi, tôi có chuyện muốn nhờ anh. hy vọng anh có thể giúp tôi."

"Thiếu chủ nói quá lời, có việc gì anh cứ dặn dò." Bạch Nguyệt Thiên nghiêm mặt nói: "Thiếu chủ, anh là chủ, Bạch Nguyệt Thiên là nô. quy định của bộ tộc thủ hộ là thế, xin thiếu chủ ghi nhớ, có việc gì cứ dặn dò."

"Đã như vậy, tôi không khách khí nữa." Phương Hạo Vân quay đầu lại nói: "Bạch hộ pháp, anh biết Thiên Đạo Yêu Cơ Nguyệt Như không?"

"Biết!"

Bạch Nguyệt Thiên nghiêm túc nói: "Tôi hiểu ý thiếu chủ muốn nói gì rồi. thiếu chủ yên tâm, chúng tôi đã sớm âm thầm phái cao thủ ẩn núp bên cạnh Nguyệt Như tiểu thư, cô ta sẽ không có việc gì. Huống hồ, với công phu của Nguyệt Như tiểu thư, cùng với địa vị của cô trong Thiên Đạo, tin rằng thiên hạ này sẽ không có nhiều người có thể làm cô bị thương."

"không sợ vạn nhất, chỉ sợ nhất vạn."

Phương Hạo Vân cẩn thận dặn dò: "Theo dõi Edward, nếu hắn có hành động gì nhằm vào Nguyệt Như, phải nói cho tôi biết ngay mặt khác, bệnh tình của Tuyết Nhu, tôi cũng đã dặn dò George và Vương Hà, anh có việc thì cứ rời khỏi Luân Đôn, đừng bận tâm chuyện này.

"Thuộc hạ hiểu rồi!'

Bạch Nguyệt Thiên cung kính nói: "Thiếu chủ, bệnh tình của Đinh tiểu thư, tôi sẽ chú ý tòa bộ. Cái này không phải là sinh ly tử biệt, mà muốn nói rằng khi hai người chia xa nhau, sẽ vô cùng đau đớn, có một số người thậm chí cho rằng, chia tay đau đớn thế này giống như là cái chết tìm đến vậy"

Khi màn đêm buông xuống, trong phòng bệnh rõ ràng đang diễn ra cảnh sinh ly tử biệt.

Đối với việc Phương Hạo Vân rời đi, Đinh Tuyết Nhu đã chuẩn bị sớm tâm lý rồi, chỉ là, dù rằng như vậy, đến lúc gặp mặt nhau, từ sâu trong lòng của Đinh Tuyết Nhu vẫn không thể chấp nhận được.

Đương nhiên, cô là một cô gáik một cô gáik gá c r g g ti k Ph g,

Mà bây giờ, Phương Hạo Vân vẫn còn đang ở Luân Đôn.

"Hạo Vân, Đại Phi đây. cấp trên có phái người xuống, là nữ thượng tá. lai lịch không nhỏ" Đại Phi nhỏ giọng nói.

Phương Hạo Vân sửng sốt, lập tức hiểu được, là người của Lã Thiên Hành. Lúc đầu Phương Hạo Vân luôn nghĩ mãi, không biết lão cáo già này sẽ phái một người nào xuống đây. Có điều hắn không ngờ rằng, lão cáo già này lại phái một cô gái xuống, hơn nữa còn là mang quân hàm là tá nữa, xem ra cô gái này không đơn giản rồi.

Suy nghĩ một chút, Phương Hạo Vân dặn dò: "Đại Phi, ngày mai em trở về. sau đó chúng ta tìm cơ hội gặp mặt nói chuyệ. nhớ kỹ, mặc kệ cô ta muốn làm gì em, anh cũng đừng để ý, anh cứ tiếp tục làm tròn chức trách là được"

Cúp điện thoại xong, Đại Phi làm bộ đi toilet về, vào trong phòng.

Lúc này Hà Thanh cũng đã xem các tư liệu xong, nhíu mày hỏi: "Chỉ có bao nhiêu đây? Cảm giác không được đầy đủ. đúng rồi, những người trong rừng cây do Phương Hạo Vân mang về đâu? Có thể dẫn tôi đi gặp được không?"

"Cái này." Đại Phi nhớ lại lời dặn của Phương Hạo Vân, gật đầu nói: "Anh em Vương gia bây giờ đang ở trong đội cảnh sát điều tra của cục cảnh sát. Như vậy đi, cô chờ một chút, để tôi thông báo với đội trưởng Trương Bưu đã, chúng ta cùng nhau đi qua. đúng rồi, tôi có thể hỏi cô một câu không? Cái này có phải là chuyện trong nhiệm vụ không?"

"Đương nhiên!"

Hà Thanh thản nhiên nói: "Anh em Vương gia là lực lượng chủ yếu của Phương Hạo Vân, tôi cần phải tìm hiểu về họ"

"Được rồi!"

Đại Phi gọi điện cho Trương Bưu, giới thiệu tình huống một chút, hia người hẹn nửa giờ nữa sẽ gặp nhau tại Kim Bích Huy Hoàng.

Trương Bưu nhận được điện thoại của người anh em xong, liền cảm thấy không ổn.

Theo tình huống bây giờ, cấp trên muốn đối phó với Phương Hạo Vân. Cũng không biết nữ thượng tá Hà Thanh này, rốt cục là người thế nào, sao lại được cấp trên coi trọng như vậy.

"Tiểu Lý, tôi ra ngoài một chút, chuyện trong đội, cậu phụ trách chuẩn bị, vụ án bầm xác kia nhất định phải cẩn thận. Ngoài ra, chuyện nhảy lầu tự sát cũng phải cảnh giác, tôi cảm thấy chuyện này nhất định có vấn đề, tuyệt đối không phải là tự sát đơn giản như vậy."

Tiểu Lý bây giờ cũng đã là phó đội trưởng đội điều tra rồi, đi theo bên cạnh Trương Bưu, hắn học được rất nhiều thứ, không chỉ có cách phá án, còn có cách làm người.

534. Chương 61: Hộp Đêm Màu Xanh

Dù đã mặc đồ thường vào, nhưng vẫn không thể che dấu được khí thế hiên ngang của cô ta, cái khí chất được tu luyện từ lâu ở trong quân đội, không thể biến mất vì không mặc quân trang.

"Bưu ca, đây chính là thượng tá Hà Thanh do cấp trên phái đến."

"Tôi là đội trưởng Trương Bưu."

Trương Bưu chủ động giới thiệu, vươn tay ra với Hà Thanh.

Bắt tay xong, Hà Thanh nhíu mày hỏi: "Hai vị, những người đó được thu xếp làm việc ở đây à?" Là một cô gái, Hà Thanh rất nhạy cảm với những chổ ăn chơi như vậy, cô kiên trì cho rằng, những chổ như vậy không phải là nơi mà người đứng đắn đến.

"Thật ra không phải. bọn họ sống nhờ ở chổ này." Trương Bưu giải thích.

Đúng lúc này, có đám người vào, trong đó có học sinh, có cả thành phần tri thức nữa.

Hà Thanh hơi bực, hỏi: "Trị an của nơi này dường như không được tốt, ngay cả học sinh cũng đến nơi này?"

Đại Phi cười một tiếng, nói: "Haha, Hà Thanh đồng chí, có điều cô không biết rồi, hộp đêm này khác với hộp đêm khác, đây là hộp đêm màu xanh."

"Hộp đêm màu xanh?"

Hà Thanh liền nở nụ cười, cái tên này đúng là độc đáo, nhưng có tác dụng gì? Ai cũng biết, hộp đêm là một nơi đầy rẫy những thứ tai hại của xã hội, có liên quan gì đến màu xanh?

Trương Bưu cười nói: "Chúng ta vào thôi, đi vào rồi cô sẽ biết." Muốn đi vào trong khu ở nhân viên của Kim Bích Huy Hoàng, thì phải đi qua đại sảnh của nó. Vì Bạch Quý muốn quản lý đám người Vương Đại Ngưu, cho nên đã cố ý bít con đường trước đó lại.

Sao khi vào cửa, Hà Thanh liền phát hiện ra nơi này khác với hộp đêm bình thường, không có mùi khó ngửi, không có tiếng nhạc dồn dập, cũng không có những em gái xinh tươi ăn mặc mát mẻ uốn éo trên sàn. càng không có mấy chất độc hại khác. Trong đại sảnh phát ra tiếng nhạc cổ điển tao nhã, những người khác tụ tập lại với nhau, có người ngồi chơi mạt chược, có người ngồi chơi đánh bài, cũng có người ngồi nói chuyện với nhau.

Tóm lại, tình huống nơi này khác với những gì mà Hà Thanh dự đoán.

"Đồng chí Hà Thanh, bây giờ cô đã tin, nơi này là hộp đêm màu xanh chưa?" Trương Bưu hỏi.

Anh em họ Vương sau khi cầm lại đao, sắc mặt trở nên chăm chú, gật đầu nghiêm túc, xoay người đến trước mặt đám anh em, hét lớn: "Luyện tập!"

Lời này vừa nói ra, tất cả mọi người đều rút đao sau lưng ra, bắt đầu luyện tập.

Có lẽ là do bị Hà Thanh kích thích, cho nên hôm nay mọi người đều khác thường, ai cũng ra sức, ai cũng có suy nghĩ riêng, và trong lòng dường như đều bị nghẹn một cục gì đó vậy.

Chỉ là, Vương Nhị Ngưu hơi khó hiểu, dựa theo tình huống bây giờ, giáo quan hẳn là đủ đánh bại con đàn bà để mọi người hãnh diện, tại sao ông lại dừng tay thế nhĩ? Ngược lại còn nói không phân cao thấp, thật sự đúng là khó hiểu.

Vương Nhị Ngưu lén nhìn trộm giáo quan, không giống như thằng mặt trắng, càng không giống loại thương hoa tiếc ngọc, rốt cục là thế nào nhĩ?

Trương Bưu và Đại Phi dường như hiểu thấu được suy nghĩ của Bạch Quý.

Có cái gọi là oan gia nên giải không nên kết. Lai lịch của Hà Thanh không nhỏ, tâm cao khí ngạo, không phải là một người chịu thiệt. Nếu hôm nay làm cô ta mất mặt quá, thì hôm khác cô ta nhất định sẽ nghĩ biện pháp đòi lại mặt mũi này.

Bạch Quý không muốn trêu chọc vào phiền toái này, cho nên mới hành động như vậy, coi như là nể mặt của Hà Thanh.

Đương nhiên, lần tỷ thí hôm nay, ai thắng ai bại, tin rằng trong lòng mọi người đã rất rõ ràng.

Hà Thanh ngẩn người ra, kinh ngạc đứng trơ ra đó, trong lòng của cô lộn xộn lắm. Bạch Quý nương tay, cô biết chứ, chỉ là cô không hiểu.

Nếu đổi lại là cô, cô tuyệt đối sẽ không nương tay.

Mặc kệ là nói thế nào, đối phương cũng đã chừa lại mặt mũi cho mình rồi, Hà Thanh dù có điêu ngoa, thì cũng không có khả năng không biết chừng mực, sau khi kinh ngạc trôi qua, cô thản nhiên nói: "Cảm ơn."

Bạch Quý cũng thản nhiên cười: "Thượng tá Hà Thanh quá khách khí."

"Chúng ta đi."

Nếu đã bị đánh bại, Hà Thanh không còn mặt mũi ở lại chổ này để dương oai nữa, cô xoay người, quát một tiếng với Trương Bưu Đại Phi, dẫn đầu rời đi.

Đại Phi nhìn Trương Bưu một cái, rồi gật đầu, Đại Phi đuổi theo Hà Thanh, còn Trương Bưu thì đi về hướng Bạch Quý, giơ ngón cái lên, cười nói: "Hay lắm. đúng rồi, cho tôi hỏi một câu, lúc đó, nếu anh không nhẹ tay, thì Hà Thành có phải là đã bại thê thảm rồi không?"

"Không nhất định!"

Bạch Quý biết quan hệ của Trương Bưu và Phương Hạo Vân, cho nên không giấu diếm, nhỏ giọng nói: "Đội trưởng Trương, không dám giấu diếm, trước đó cho dù tôi không nhẹ tay, mạnh mẽ tấn công, thì dù tôi có thắng lợi, cũng phải trả giá. Thật ra, nghiêm khắc mà nói, công phu của tôi và thượng tá Hà Thanh là ngang nhau."

Dừng lại một chút, Bạch Quý thở dài, nói tiếp: "Quốc gia có cao thủ như vậy, đúng là không tưởng được."

"Người anh em, mặc kệ là nói thế nào, tôi cũng rất bội phục anh, anh như vậy mới gọi là trí dũng song toàn. Hạo Vân có thuộc hạ như anh, tôi cũng mừng cho hắn. Có điều, mấy ngày nay anh phải cẩn thận một chút, xem ra cấp trên bắt đầu để ý đến Hạo Vân rồi. không nói nhiều nữa, tôi biết anh có thể ứng phó được, tôi đi trước." Nói xong, Trương Bưu quay đầu, vội vã đuổi theo Hà Thanh.

Bạch Quý cũng gật đầu, xoay người đi về hướng của anh em họ Vương.

Bây giờ anh em nhà họ Vương đang theo dõi các anh em luyện tập, Bạch Quý cười vui vẻ, vì lần này bọn họ luyện tập, có vẻ khác biệt so với những lần trước.

Xem ra, sự xuất hiện của Hà Thanh, cũng không phải là chuyện xấu.

Đám người này ở trong rừng lâu rồi, cần tìm đối thủ, chuyện hôm nay đúng là đã mở rộng tầm mắt cho họ.

Người bị rung động còn có cả Hà Thanh, công phu của cô trong quân đội có thể nói là số một số hai, lúc đầu, với thân thủ của mình, cô cho rằng có thể trấn áp đám người này, coi như là ra oai với Phương Hạo Vân.

Kết quả thì ngược lại, mình không chỉ không thể trấn áp người ta, mà còn bị người ta đánh bại.

Bạch Quý chỉ là một thuộc hạ mà đã có thân thủ lợi hại như vậy, vậy thì ông chủ của ông chẳng phải càng lợi hại hơn sao! Hà Thanh rốt cục đã hiểu câu nói của ông La trước khi đi: "Đây là một nhiệm vụ khó, nhất định phải cẩn thận!" Nói thật, lúc đó cô không nghĩ nhiều, nhưng bây giờ, cô đã cảm nhận được đầy đủ ý nghĩa của câu nói này.

Cô cảm thấy mình cần phải báo cáo tình huống của Bạch Quý lên cấp trên, để cho cấp trên dùng hết mọi thủ đoạn để điều tra về người này, có lẽ sẽ thu được nhiều điều không tưởng.

"Thượng tá Hà Thanh, chuyện hôm nay thật là nguy hiểm. tôi cảm thấy về sau cô nên ít đi tìm anh em họ Vương thì tốt hơn." Đại Phi khuyên: "Về sau khi không có gì làm, cô cứ ở trong cục đợi đi, lỡ như cô xảy ra chuyện gì, thì chúng tôi không thể nào gánh nổi đâu."

"Yên tâm, an toàn của tôi không cần các người phụ trách, tôi tự mình ứng phó được.' Hà Thanh biết hôm nay mình bị mất mặt, đám người này chắc chắn sẽ khinh thường mình, cho nên cũng không tính toán gì với họ…

Chuyến bay từ Luân Đôn về Hoa Hải hạ cánh vào lúc trưa, Phương Hạo Vân một mình trở về Hoa Hải, được Bạch Quý và anh em họ Vương ra đón.

Sau khi ngồi vào trong xe, Vương Nhị Ngưu kể lại chuyện Hà Thanh chịu nhục cho Phương Hạo Vân nghe.

Sau khi kể xong, sắc mặt của đồng chí Nhị Ngưu có vẻ xấu hổ: "Phương thiêu gia, lần này Nhị Ngưu đã làm mất mặt anh, anh yên tâm. mấy ngày nữa tôi nhất định sẽ luyện tập gấp đôi, sớm muộn gì tôi cũng sẽ dẫm nát con đàn bà này dưới chân."

"Haha"

Phương Hạo Vân cười thản nhiên: "Tốt thôi, để tôi mở mắt ra chờ."

"Phương thiếu gia, anh đừng nghe nó nói bậy, nó có chênh lệch rất lớn với vị nữ thượng tá kia.lần trước luận võ, thiếu chút nữa là nó đã bị người ta dẫm dưới chân rồi." Vương Đại Ngưu châm chọc: "Không biết luyện võ, chỉ biết mặt dày nói khoác, bây giờ còn xạo sự với Phương thiếu gia, mày đúng là càng lúc càng khó bảo."

"Anh, trước mặt Phương thiếu gia, anh không thể chừa cho em chút mặt mũi nào sao?' Nhị Ngưu trở nên xấu hổ, cười ngượng ngùng, đưa tay lên gãi đầu.

"Haha, không sao, vài ngày nữa tôi sẽ tự mình huấn luyện cho các anh, chỉ cần các anh luyện tập tốt, thì có thể sẽ dẫm cô ta dưới chân." Phương Hạo Vân quay đầu qua hỏi Bạch Quý: "Bạch Quý, tính tình của Hà Thanh thế nào?"

Bạch Quý cẩn thận suy nghĩ một chút rồi nói: "Phương thiếu gia, Hà Thanh là coon người tâm cao khí ngạo, tôi phỏng chừng, từ trước đến giờ cô ta chưa từng chịu thất bại như vậy, là một người cực kỳ tự tin, thậm chí còn có thể là tự phụ."

"Phương thiếu gia, tôi muốn lên tiếng."

Nhị Ngưu giơ tay lên, giống học sinh muốn phát biểu ý kiến vậy.

Phương Hạo Vân bị hành động ngây thơ của đồng chí Nhị Ngưu làm cho buồn cười: "Nói đi!"

"Tôi muốn nói, con đàn bà kia đúng là loại vú to óc trái nho." Vương Nhị Ngưu nói.

Phương Hạo Vân khẽ rùng mình, cười hỏi: "Là sao?"

Bạch Quý gật đầu nói: "Nói thô tục một chút, cô ta đúng là loại vú to óc như trái nho vậy."

"Lão cáo già sao lại phái một người như vậy đến?" Phương Hạo Vân khẽ nhíu mày, cảm thấy lão cáo già này nhất định có ý đồ khác.

"Phương thiếu gia, bây giờ anh muốn đi gặp các anh em trước, hay là về nhà nghỉ ngơi?" Bạch Quý lên tiếng hỏi.

"Về nhà trước, ngày mai tôi sẽ đi gặp các anh em." Phương Hạo Vân thản nhiên nói, sau đó dựa mình vào ghế, khẽ nhắm mắt lại.

Trở về tiểu khu Lam Tâm Hoa Tâm, Phương Hạo Vân vốn tưởng rằng ở nhà không có người, nhưng ai ngờ vừa mở cửa ra, đã thấy cô bạn gái Bạch Lăng Kỳ rồi.

Bạch Lăng Kỳ đang mặc một cái áo ngủ màu vàng nhạt, cặp đùi trắng noãn để phơi ra, đôi bàn chân đang cuộc lại trên ghế sofa, con mắt xinh đẹp thì cứ nhìn chằm chằm vào màn hình TV.

Khi Phương Hạo Vân mở cửa ra, cô ta giật mình quay đầu qua nhìn: "Hạo Vân, anh đã về."

Lúc Phương Hạo Vân trở về, không thông báo cho Bạch Lăng Kỳ các nàng biết, vốn tưởng rằng sẽ cho các nàng một bất ngờ. Mà bây giờ, hắn quả thật đã cho Bạch Lăng Kỳ một bất ngờ, mà Bạch Lăng Kỳ cũng tặng lại cho hắn một bất ngờ.

Ngây người ngắn ngủi trong qua, Bạch Lăng Kỳ không để ý đến chân trần, nhào đầu vào ngực của hắn, Phương Hạo Vân ôm chặt lấy cô, nhẹ nhàng hỏi: "Nhớ anh không?"

"Nhớ!"

Nói xong câu đó, Bạch Lăng Kỳ chủ động đưa môi anh đào lên, hôn lấy miệng của hắn.

Phương Hạo Vân đương nhiên là không từ chối rồi, liền bắt đầu màn ôm hôn đắm đuối với bạn gái. Một hồi lâu sau, hai người mới tách ra, Phương Hạo Vân cười xấu xa hỏi: "Kỳ, em chủ động như vậy, không sợ anh "ăn" em à?"

Bạch Lăng Kỳ thẹn thùng nằm trong ngực của hắn, ngẩng đầu lên, phà hơi thở nóng bỏng ra, nói: "Người ta vốn là của anh mà, anh muốn ăn thì cứ ăn."

Nói xong, Bạch Lăng Kỳ lại đưa môi lên hôn hắn.

Trong lòng Phương Hạo Vân thoải mái vô cùng, không hề do dự, đưa tay lên sờ nhẹ vào bộ ngực của nàng, đồng thời còn xoa nắn một cách cẩn thận.

"Ơ."

Bạch Lăng Kỳ thở gấp, phát ra một tiếng rên rất nhỏ, cả người nóng lên, dựa hết vào trong lòng của hắn.

Sau khi xoa nắn một hồi, Phương Hạo Vân liền đưa tay xuống dưới, bắt đầu vuốt ve những chổ khác.

Bạch Lăng Kỳ ôm chặt lấy thân thể của Phương Hạo Vân, đôi mắt trở nên mê ly, nói: "Hạo Vân, em muốn." Nói xong, cô chủ động kéo khóa quần của Phương Hạo Vân xuống.

Sau khi vận động mạnh mẽ kết thúc, hai người trần trụi ôm lấy nhau, nhẹ nhàng vỗ về nhau, không ai nói một câu gì, lúc này, không một tiếng động nào được phát ra.

Lâu sau, Bạch Lăng Kỳ mới thản nhiên hỏi: "Chị Tuyết Nhu không sao chứ? Sao không về cùng anh?"

"Em đã biết?"

Phương Hạo Vân cười một tiếng, nói: "Phẫu thuật cấy ghép tủy rất thành công, chỉ cần trị liệu một thời gian, đại khái là hơn một tháng sẽ khỏi. Đúng rồi, công trình Tây Hoàn em phụ trách như thế nào rồi?" Phương Hạo Vân cố ý đổi đề tài, không muốn tiếp tục cái câu chuyện nhức đầu này.

Bạch Lăng Kỳ nghe thấy thế, trên khuôn mặt nhỏ nhắn liền lộ ra một vẻ đắc ý: "Hạo Vân, khu nhà Tây Hoàn đã được xác định là công trình an cư trọng điểm, chính phủ cũng tự mình quảng cáo cho chúng ta, bây giờ giấy tờ đã có đầy đủ, chúng ta cũng bắt đầu đem bán, tình huống bây giờ đúng là rất tốt."

537. Chương 64: Nghi Án Tiểu Điệp

Phương Hạo Vân đưa tay xuống vuốt ve cặp mông trần trắng mịn kia của cô, cười nói: "Không ngờ nha, Kỳ nhà chúng ta lại là một thiên tài, về sau anh sẽ thoải mái hơn rồi."

"Hừ!"

Bạch Lăng Kỳ thở gấp nói: "Chỉ có anh không biết xấu hổ mới nói ra những lời này, người ta không phải là vì giúp anh sao. nếu không là vì anh, em sẽ không cần phải vất vả nhiều như vậy. Đúng rồi, Hạo Vân, chị Mai ở thôn Lưu Thủy cũng rất vất vả, anh có thời gian thì gọi điện tâm sự với chị ấy đi. anh chỉ biết cho ngựa chạy, không biết cho ngựa ăn cỏ. thật là vô lương tâm!"

Phương Hạo Vân buồn bực, không phải là hắn không muốn, chỉ là bản thân hắn quá bận rộn thôi.

Có điều, nói đi thì phải nói lại, quả thật cũng cần phải bớt thời gian đến thôn Lưu Thủy thôi, dù đã có Bạch Phúc và Tạ Mai Nhi ở đó rồi, nhưng làm ông chủ cũng phải đến để cổ vũ sĩ khí chứ.

"Hạo Vân, theo tính toán ban đầu của em, khi công trình Tây Hoàn kết thúc, có thể kiếm được một triệu. đương nhiên, cái này là chưa tình đến những thứ vô hình như danh tiếng và vinh dự nữa, anh cần phải báo đáp em đấy." Bạch Lăng Kỳ cười đùa.

"Báo đáp, bây giờ báo đáp ngay tại chổ vậy."

Nói xong, Phương Hạo Vân liền ôm người đẹp trong lòng đè xuống, rồi đem cái thứ của mình nhét vào giữa hai chân của cô, bắt đầu hôn môi.

Trong phòng, lại truyền ra những dục vọng nguyên thủy nhất của con người…

Vương Trạch trở về Hoa Hải đã vài ngày rồi, nhưng mà mấy ngày nay ông ta không được thoải mái cho lắm. Hôm trước ông ta đã lén lấy trộm tinh dịch trong phòng ngủ của con trai, cầm đến bệnh viện xét nghiệm, kết quả cho biết, tinh của con trai bị yếu, nói cách khác, trong tình huống như vậy không có khả năng làm đàn bà mang thai được.

Kết quả xét nghiệm đã nằm trong tay ông ba ngày rồi, nhưng ông không biết mình có nên đem kết quả xét nghiệm này cho con trai hay không.

Khi Tiểu Điệp ra mắt ông, diện mạo không tồi, đối nhân xử thế cũng không tồi, làm cho ông cảm thấy đây là một cô gái hiền lành. Vương Trạch lúc đầu vô cùng hài lòng về cô.

Nhưng, kết quả xét nghiệm bây giờ lại làm cho ông vô cùng tức giận.

Theo tình huống bây giờ, con trai của mình không có khả năng làm thụ thai. Mà Tiểu Điệp lại đột nhiên mang thai?

Bởi vì như vậy, Tiểu Điệp mang thai là có vấn đề.

Và còn là một VẤN ĐỀ LỚN!

Vương Trạch nghĩ rằng, con trai đã bị người ta cắm cho mấy chục cái sừng lên đầu rồi.

"Chú Vương, chú gọi con?" Ngay trong lúc Vương Trạch trầm tư, một giọng nữ dễ nghe vang lên, cắt đứt mạch suy nghĩ của ông, ngẩng đầu lên, đã thấy Tiểu Điệp cung kính đứng trước mặt ông.

"Đúng vậy, chú cho người hầu đi gọi con, chú có chuyện muốn hỏi con." Chuyện này rất quan trọng, trước khi xác định chứng cứ, Vương Trạch không dám vạch trần âm mưu của Tiểu Điệp.

Đương nhiên, bây giờ nói là âm mưu, thật ra cũng không chính xác.

Căn cứ theo kết quả của mấy bệnh viện phụ sản mà Vương Trạch nhờ kiểm tra, thì chuyện này chưa có khẳng định, cái gì cũng có ngoại lệ. Có lẽ đứa nhỏ kia đúng là con của Vương Thế Phi cũng không chừng, đương nhiên tỷ lệ rất nhỏ, hầu như chỉ có 1/10000.

Nhưng trong y học, 1/10000 ấy xảy ra hoài.

Cho nên, Vương Trạch không dám đưa ra quyết định.

Thật ra, chuyện này tốt nhất là chờ khi nào Tiểu Điệp sinh con ra rồi đi giám định ADN mới rõ ràng, nhưng mà Vương Trạch không muốn chờ đến lúc đó, ông không muốn Vương gia phải nuôi con người ta.

"Tiểu Điệp, chú đã cẩn thận suy nghĩ rồi, con và Thế Phi không thể kết hôn." Vương Trạch trầm giọng nói: "Vương gia của chú là danh môn vọng tộc, mà gia cảnh của con lại bần hàn, tuy rằng bây giờ con có thai với Thế Phi, nhưng chú vẫn không đồng ý hôn sự của hai đứa. Nếu con muốn, có thể sinh đứa con này ra, chú sẽ trả một số tiền cho con, coi như là bình thường. con cứ tùy tiện nói đi, chỉ cần hợp lý, chú sẽ không từ chối!"

Lời này vừa nói ra, khuôn mặt tươi cười của Tiểu Điệp lập tức cứng đờ lại.

Lúc đầu cô nghĩ rằng, Vương Trạch gọi cô đến đây, chính là muốn thương lượng chuyện kết hôn, ai mà ngờ kết quả lại như vậy, Tiểu Điệp hầu như muốn chửi ầm lên, nhưng cuối cùng cô vẫn nhịn lại.

Bình tĩnh lại tâm lý một chút, Tiểu Điệp hỏi: "Chú Vương, ý của chú là."

"Hừ!"

Vương Trạch hừ nhẹ một tiếng, nói: "Ý gì cô chẳng lẽ nghe không hiểu? Vương gia chúng tôi mà kết thân, thì rất chú trọng môn đăng hộ đối, cô cảm thấy nhà của cô xứng đôi với Vương gia của tôi sao? Một cái giá, một triệu, cô nhận không?"

"Con hiểu rồi."

Tiểu Điệp cười tự giễu: "Chú khinh thường con, chú chỉ coi con là công cụ sinh đứa nhỏ, phải không?"

"Theo ý nghĩa nào đó, đúng là có thể hiểu như vậy!" Vương Trạch gật đầu: "Một triệu không ít. cô là sinh viên, nói cho cô rõ ràng, người ta sinh con ra cũng chỉ có giá khoảng một trăm ngàn thôi"

"Chú Vương, con muốn hỏi một câu, đây là ý của chú, hay là ý của Thế Phi." Tiểu Điệp kinh ngạc nói: "Nếu là ý của Thế Phi, con không cần tiền, quay đầu bước đi. từ nay về sau, con và Vương gia của chú không có quan hệ, nếu là ý của chú, xin lỗi con không thể theo."

Vương Trạch cười lạnh một tiếng: "Là ý của tôi nhưng tôi nhắc cho cô biết, Vương gia bây giờ do tôi làm chủ, Thế Phi là con của tôi, ý của tôi, cũng chính là ý của nó"

"Chưa chắc"

Tiểu Điệp cười lạnh một tiếng, xoay người bước đi.

Vương Trạch nhìn Tiểu Điệp rời khỏi, cũng không đuổi theo, cũng không cản, chỉ lẳng lặng nhớ lại sự thay đổi trên khuôn mặt của Tiểu Điệp.

"Không có sơ hở."

Theo suy nghĩ lúc đầu của Vương Trạch, nếu đứa con của Tiểu Điệp không phải của Thế Phi, vậy thì chứng minh rằng cô gái này vì tiền, chỉ cần cho cô ta một số tiền đủ làm cho cô ta động lòng, cô ta sẽ đồng ý thôi. Nhưng mà tình huống bây giờ thì khác, cô ta từ chối. Vương Trạch đã điều tra về gia cảnh của Tiểu Điệp, một triệu đối với cô ta đúng là một con số khổng lồ.

Đương nhiên, Tiểu Điệp từ chối cũng không nói lên điều gì cả. Có thể là do cô có dã tâm quá lớn, không thèm để ý đến một triệu này.

Nghĩ đến đây, Vương Trạch cũng đã quyết định chủ ý, trước khi đứa nhỏ được sinh ra, tuyệt đối không cho cô một danh phận gì. Tất cả đều chờ khi đứa nhỏ được sinh ra, xét nghiệm ADN xong thì mới đưa ra được quyết định cuối cùng. T

Tiểu Điệp giận dữ đi khỏi chổ của Vương Trạch xong, liền lên lầu tìm Vương Thế Phi, đem tất cả những lời ấy nói cho Vương Thế Phi nghe.

Sau khi kể xong, Tiểu Điệp làm ra vẻ đau khổ muốn chết: "Thế Phi, anh nói cho em biết đi, anh phải anh cảm thấy em không xứng với anh không? Nếu anh cũng cóc suy nghĩ này, bây giờ em sẽ rời khỏi Vương gia, từ nay về sau chúng ta sẽ không gặp lại."

"Tiểu Điệp. đừng kích động, nghe anh nói, anh không có nghĩ như vậy." Vương Thế Phi ôm lấy Tiểu Điệp, nhỏ giọng khuyên: "Anh không phải đã nói rồi sao, anh căn bản là không cần em sinh con, anh chỉ để ý đến em thôi. yên tâm đi, không sao đâu."

Nghe Vương Thế Phi nói thế, trong lòng Tiểu Điệp lập tức thoải mái đi nhiều, có điều Vương gia là một gia tộc lớn, khác với gia đình bình thường. Nếu Vương Trạch kiên trì không đồng ý, cho dù là Vương Thế Phi có thích cô thì cũng không có tác dũng.

Mục đích cuối cùng của Tiểu Điệp chính là trở thành nữ chủ nhân của cái gia đình này, chứ không phải là người đàn bà của Vương Thế Phi, cô cần phải có được sự đồng ý của Vương Trạch, sau đó mới có danh phận của Vương Thế Phi.

"Nhưng mà ba của anh." Tiểu Điệp chảy nước mắt, nức nở nói: "Ba của anh khinh thường em, khinh thường nhà của em."

"Yên tâm đi, anh sẽ đi khuyên ba." Vương Thế Phi nhỏ giọng an ủi: "Tiểu Điệp, em không cần phải để ý gì cả, chỉ cần giữ thân thể tốt là được, chăm sóc cho con của chúng ta. anh sẽ nhanh chóng thuyết phục ba, cho chúng ta kết hôn"

"Ừ!"

Tiểu Điệp nghe thấy thế, dặn dò: "Thế Phi, vậy anh cần phải nhanh lên, để càng lâu, bụng của em càng to lên, đến lúc đó em làm sao mà có mặt mũi nhìn người."

"Như vậy đi, em nghỉ ngơi trước, bây giờ anh đi tìm ba thương lượng." Vương Thế Phi rời khỏi phòng, lập tức đi tìm Vương Trạch.

Vương Thế Phi tính rằng sẽ làm nũng để năn nỉ Vương Trạch.

Chỉ là, hắn không ngờ rằng, Vương Trách trước giờ luôn yêu thương hắn, bây giờ lại tỏ thái độ kiên quyết, mặc kệ hắn nói thế nào, Vương Trạch đều giữ vững lập trường của mình.

Vẫn là câu kia: Không cho phép kết hôn!

Vương Thế Phi cãi ầm lên với ba, sau đó giận dữ rời đi. Hắn không dám đi gặp Tiểu Điệp, chuyện này còn chưa hoàn thành, hắn cảm thấy mình không có mặt mũi đi gặp Tiểu Điệp.

Một mình lang thang trên con đường, Vương Thế Phi cực kỳ buồn bực, trong ký ức của hắn, ba không phải là người như vậy, gia cảnh của Tiểu Điệp quả thật rất nghèo, nhưng mà tình cảm của mình là thật, dựa theo tính tình của ba, ông hẳn là phải ủng hộ mới đúng, tại sao lại kịch liệt phản đối?

"Không nghĩ ra."

Vương Thế Phi cảm thấy rất đau đầu.

Chuyển cảnh về Phương Hạo Vân vậy.

Lần trước khi chuẩn bị rời khỏi Hoa Hải, Phương Hạo Vân đã từng dặn dò Trần Thiên Huy một việc, điều tra chuyện Tiểu Điệp mang thai, trải qua mấy ngày điều tra, Trần Thiên Huy rốt cục đã có một ít tư liệu xác thật.

"Hạo Vân, theo tư liệu trong tay chú bây giờ, đứa nhỏ trong bụng của Tiểu Điệp, chín phần là không phải của Thế Phi." Trần Thiên Huy lấy giấy xét nghiệm trong xấp tư liệu ra đưa cho Phương Hạo Vân, chính là phần xét nghiệm tinh trùng của bệnh viện.

"Theo kết quả xét nghiệm cho thấy, tinh trùng của Thế Phi bị yếu, không thể nào làm thụ thai được." Trần Thiên Huy trầm giọng nói: "Đây là kết quả do ba của Thế Phi là Vương Trạch tự kiểm tra, chú phỏng chừng ông ta cũng đã hoài nghi Tiểu Điệp."

Phương Hạo Vân nhìn kết quả xét nghiệp, thở dài một tiếng: "Phi ơi là Phi, sống của anh thật là khổ, khó khăn lắm mới yêu một cô gái, không ngờ lại gặp phải cảnh này."

"Khoan đã!"

Phương Hạo Vân đột nhiên nhìn thấy một thứ: "Cho dù kết quả này là sự thật, nhưng không thể trực tiếp phủ nhận cái thai của Tiểu Điệp. chú xem đây, ở dưới có ghi rõ, tỷ lệ mà Thế Phi có thể làm cho đàn bà mang thai là 1/10000"

"Hạo Vân, ở đây còn mấy phần tư liệu, con nên xem đi." Trần Thiên Huy đưa cho Phương Hạo Vân một số tư liệu khác.

Phương Hạo Vân cầm lấy, mở ra nhìn, là giấy cam kết nạo phá thai, hơn nữa bên dưới còn có chữ ký của Tiểu Điệp.

"Đã kiểm tra chữ ký rồi chứ, cùng một người?" Phương Hạo Vân hít sâu một hơi, cô gái Tiểu Điệp này đúng là bạo gan thật, nạo thai hai lần rồi, người bình thường đã rất khó mang thai lại, chỉ là cô ta dường như không sợ, không bị ảnh hưởng, cho nên, Tiểu Điệp đúng là mạnh mẽ.

"Đã tìm chuyên gia giám định chữ ký rồi, dòng chữ này đúng là của Tiểu Điệp" Trần Thiên Huy cười lạnh một tiếng: "Cô gái Tiểu Điệp này đúng là hiểm thật. Hạo Vân, theo bằng chứng bây giờ, Tiểu Điệp tuyệt đối không có mang thai đứa con của Thế Phi, hơn nữa, chú hoài nghi, Tiểu Điệp còn có âm mưu"

Phương Hạo Vân nói theo: "Ý của chú là, Tiểu Điệp cố ý tiếp cận Thế Phi?"

Cẩn thận nhớ lại chuyện lần trước ở Kim Bích Huy Hoàng, Phương Hạo Vân không nhận ra được vấn đề nào cả, ít nhất là cái đám người kia không phải là do Tiểu Điệp an bài, cô ta không có năng lực lớn như vậy.

"Không sai!"

Trần Thiên Huy phân tích: "Hạo Vân, chú biết tâm tư của con, chuyện lần đó tại Kim Bích Huy Hoàng chỉ là trùng hợp mà thôi, không phải do Tiểu Điệp an bài, chỉ là cô gái này vô cùng thông minh, biết lợi dụng cơ hội đó để tiếp cận Thế Phi, cuối cùng lấy được lòng tin của hắn."

"Có lẽ là vậy!"

Phương Hạo Vân nhíu mày: Chú Trần, vậy theo ý của chú là, giao tư liệu này cho Thế Phi."

"Không vội!"

Trần Thiên Huy nói: "Vương Trạch cũng đang nắm giữ chứng cứ, nhưng mà ông ta không nói thẳng ra, cái này có nghĩa là ông ta không muốn làm cho Thế Phi biết bệnh tình của mình, chú thấy chúng ta cũng không nên nói, dù sao thì chuyện không thể sinh con, đối với đàn ông mà nói, thì cũng có ảnh hưởng rất lớn. chú lo Thế Phi không chấp nhận được. Như vậy đi, chúng ta tiếp tục điều tra chứng cứ trên người Tiểu Điệp, đến khi nào có đầy đủ chứng cứ, chú nghĩ Tiểu Điệp sẽ không thể không thừa nhận."

538. Chương 65: Người Đàn Bà Thần Bí

Dựa theo quy định của quốc gia, khi muốn phá thai cần phải có chồng cùng ký tên, thì bệnh viện mới đồng ý. Mặc dù cô gái đó chưa lập gia đình, nhưng cũng cần phải có người đàn ông đứng tên bảo lãnh, nếu không bệnh viện sẽ từ chối.

"Hạo Vân, con xem cái thứ hai đi, có tên của người đàn ông đấy." Trần Thiên Huy nhắc nhở.

Đại khái là khoảng nửa giờ, Hoàng Kỳ Anh đi theo người phía trước đến một cái ngõ. Sau khi đứng lại, hắn nhìn thấy một người mặc đồ đen đang đứng trước mặt hắn, đối phương trùm kín cả người, chỉ lộ ra đôi mắt thôi, hơn nữa, đôi mắt ấy cũng rất là tinh tường.

"Sao lại là bà. sao bà lại tìm đến Hoa Hải?" Hoàng Kỳ Anh cau mày, nhỏ giọng nói: "Bà không thể trở về tìm tôi. bà quên quy định của cấp trên roi62sao, bà làm như vậy, sẽ hại chết chúng ta."

539. Chương 66: Thằng Mặt Trắng Cực Phẩm

"Thì ra là thế." Dừng lại một chút, Hoàng Kỳ Anh nói tiếp: "Cho dù chị có đến Hoa Hải làm nhiệm vụ, thì cũng không thể tìm ý đến tìm em được, lỡ như thân phận của em bị bại lộ, ảnh hưởng đến kế hoạch của cấp trên, chị và em. ngay cả người nhà của chúng ta sẽ bị cấp trên xử lý. Hãy nghe em nói, Bối Bối, chị trở về đi, sau này đừng tìm đến em. Cho dù vô tình gặp mặt, chị cũng phải làm bộ như không biết em, hiểu chưa?" Cái tên Bối Bối này, hiển nhiên không phải là tên thật rồi.

"Bảo Bảo. em lo lắng cái gì. không ai phát hiện ra đâu." Người kia nói nhỏ: "Chị nhớ em. cho nên chị muốn gặp em."

"Em cũng nhớ chị, nhưng bây giờ chúng ta đang làm nhiệm vụ, chúng ta không thể tiếp xúc với nhau, chị hiểu không?" Hoàng Kỳ Anh vô cùng buồn bực, bà chị này tại sao không hiểu chuyện gì hết, bây giờ là lúc nào mà còn nói chuyện yêu đương vậy trời? Có phải là không biết quy định của cấp trên đâu.

"Chị đang ở khách sạn Shangri La, em theo chị đi." Người nọ dường như không để ý đến lời cảnh báo của Hoàng Kỳ Anh, thản nhiên nói một câu, sau đó phi thân rời đi.

Hoàng Kỳ Anh lầm bầm: "Em khờ à?" Nói xong, liền quay trở về chổ ở của mình. Cô gái này bị điên, nhưng hắn không có điên. Tuy rằng lúc trước lúc hai người được đặc huấn, hắn quả thật là cũng có vài ý tưởng đê tiện với cô, quả thật là muốn mây mưa với cô, nhưng chuyện này có liên quan đến tiền đồ của mình, thậm chí là sinh mạng, thật sự không đáng. Còn nhiều thời gian, để lại tính mạng mới quan trọng.

Dường như phát hiện Hoàng Kỳ Anh không đi theo, người kia liền phi thân trở về, cản đường Hoàng Kỳ Anh, hừ nói: "Bảo Bảo. không phải em luôn hy vọng được làm chị sao? Bây giờ chị muốn giao mình cho em, vì sao em lại lùi bước?"

Hoàng Kỳ Anh nhức đầu, cái này không phải là lùi bước, mà chỉ là vì giữ mạng.

"Được rồi, đừng làm loạn nữa, tôi lập lại một lần nữa, tôi không muốn làm trái kỷ luật!" Trong giọng nói của Hoàng Kỳ Anh lộ vẻ bất mãn cực độ: "Nếu cô không muốn tôi báo cáo lại chuyện này, mời cô rời đi. về sau đừng chủ động tìm tôi nữa."

"Hừ!"

Người kia nghe thấy thế, tức giận nói: "Em quả nhiên là đã thay lòng đổi dạ."

"Thay lòng đổi dạ?"

Hoàng Kỳ Anh buồn bực, hắn không nhớ là mình có hứa hẹn gì với cô gái này cả, giữ bọn họ chỉ là quan hệ qua lại thôi. Tuy rằng Tuy rằng lúc trước cũng có thể sẽ phát triển, nhưng sau này bởi vì công việc, cho nên không tiếp tục nữa, đương nhiên là hai người vẫn còn giữ quan hệ bạn bè.

"Chị hỏi em, em có phải là đã thích một người con gái tên là Phương Tuyết Di không?" Trong đôi mắt của người này bắn ra sát khí, hung dữ nói: "Em có tin là chị sẽ giết cô ta không?"

"Không được động vào!"

Giọng nói của Hoàng Kỳ Anh trở nên nghiêm túc: "Bối Bối, nếu chị đụng vào Phương Tuyết Di, vậy thì chị sai rồi. có lẽ vì chuyện này mà chị sẽ trả giá lớn, thậm chí là cái mạng của chị!"

"Có ý gì?"

Người kia dường như không hiểu: "Theo chị được biết, cô gái Phương Tuyết Di này hình như không có năng lực?"

“Bối Bối, đã nói rồi, tôi không muốn nhiều lời, trở về tự suy nghĩ đi. còn nữa, tôi phải nhắc nhở chị một câu, tôi nói cho chị biết, lúc trước tôi vốn không có tình cảm nam nữ gì với chị, càng không nói là thay lòng đổi dạ hay thay dạ đổi lòng gì cả. chúng ta chỉ có quan hệ đồng sự thôi.” Giọng nói của Hoàng Kỳ Anh trở nên nghiêm túc: “Về sau, nhiệm vụ của chị chị làm, của tôi tôi làm, đừng đến quấy rầy tôi, nếu không tôi sẽ báo cáo lại với cấp trên.”

“Em.” Người kia nghe thấy thế, cơ hồ như muốn bùng nổ, nhìn sơ thôi cũng biết được rồi, Hoàng Kỳ Anh là một người giữ nguyên tắc rất mạnh, nói không chừng hắn sẽ báo cáo thật, đến lúc đó thì phiền lắm.

“Chờ đi.”.

Trải qua sự cố gắng của Trần Thiên huy, rốt cục đã tìm được cái người tên là Hầu Dũng. Trải qua xác nhận chữ ký, lập tức xác định được đây chính là người đàn ông đã ký tên trong cái bản cam kết ấy.

Lúc đầu Trần Thiên Huy nhìn cái tên này, cho rằng đây là một sinh viên, ai mà ngờ thằng này lại chỉ là một tên đầu g yônu Sl h

Thanh Thanh lại là một người thành thật, là một người con có hiếu, chú lo nó sẽ chịu thiệt. Con nhắc nhở Thanh Thanh một chút, để cho nó cẩn thận." Trần Thiên Huy dặn dò.

"Chú Trần, con cũng đang có tâm tư này." Phương Hạo Vân thản nhiên nói.

Sau đó, Phương Hạo Vân gọi điện thoại cho Trần Thanh Thanh, hẹn cô gặp mặt, Trần Thanh Thanh vui vẻ đồng ý, hai người hẹn nhau nửa giờ nữa gặp mặt tại quảng trường Thời Đại.

Cúp điện thoại xong, Phương Hạo Vân liền chào tạm biệt Trần Thiên Huy.

"Chủ tịch, bây giờ chúng ta đi đâu?" Lái xe hỏi.

"Đến gặp Phương Tử Lân!" Trần Thiên Huy quyết định hôm nay sẽ đem chuyện của con gái và Phương Hạo Vân nói ra, ông ta lo rằng Lã Thiên Hành sẽ giở trò trong khi con gái đi lính.

Buổi chiều sáu giờ, Phương Tử Lân và Trác Nhã vừa mới ra về, Phương Tuyết Di còn đang ở công ty với Bạch Lăng Kỳ, hai người đang tính toán nấu vài món cho tụi nhỏ.

Tay nghề của Phương Tử Lân đúng là không tồi, lúc cưới Trác Nhã mấy năm đầu, ông ta đều đích thân xuống bếp, có điều sau này, do thân thể không tốt, Phương Tử Lân đã ít xuống bếp lại.

"Kính cong."

Ngay khi Phương Tử Lân vừa mang tạp đề vào, thì chuông cửa vang lên.

Ông ta không cởi tạp đề mà đi ra mở cửa, ngoài cửa là ông bạn già Trần Thiên Huy. Từ đầu năm đến giờ, bởi vì quan hệ của hai đứa nhỏ, bởi vì công trình vinh Kim Thủy, Trần Thiên Huy và Phương Tử Lân đều đã trở thành bạn tốt với nhau, quan hệ có thể nói là thân hơn anh em ruột.

"Haha."

Nhìn thấy Phương Tử Lân mang tạp đề, Trần Thiên Huy lập tức cười nói: "Tử Lân à, không ngờ ông còn là người đàn ông gương mẫu của gia đình nha. xem ra ông còn muốn xuống bếp nấu cơm."

Phương Tử Lân cười một tiếng, đang chuẩn bị nói chuyện, thì thấy Trác Nhã đi ra, cười nói "Chủ tịch Trần đến chơi à. anh đến tìm Tử Lân à. Tử Lân, cởi tạp đề ra, đi nói chuyện với chủ tịch Trần đi, để tôi thu xếp cơm chiều cho." Nói xong, Trác Nhã liền bước lại, cởi tạp đề trên người của Phương Tử Lân xuống.

"Tử Lân, Trác Nhã hiền lành như vậy, tôi rất hâm mộ." Trần Thiên Huy cười nói.

"Nguyệt Hồng nhà ông cũng không tồi mà." Phương Tử Lân cười nói: "Đi nào, đến phòng sách của tôi, tôi biết ông có chuyện cần nói mà."

Hai người lập tức bước lên trên lầu.

Phương Tử Lân pha cho Trần Thiên Huy một tách trà thơm, đến tuổi của bọn họ rồi, không còn thích gì hơn ngoài một tách trà thơm nữa, vả lại nó cũng giúp cho đầu óc được tỉnh táo.

Trần Thiên Huy cần lấy tách trà, nói thẳng vào vấn đề: 'Tử Lân, tất cả đều là người một nhà, tôi cũng không lòng vòng, tôi đến tìm ông, chính là muốn định chuyện hôn nhân của hai nhà."

"Cái này."

Phương Tử Lân dường như hơi bất ngờ, đã trôi qua lâu như vậy mà Trần Thiên Huy vẫn chưa từ bỏ. Nói thật, đứng ở góc độ của Phương Tử Lân, ông ta cũng không phản đối chuyện này, con trai của mình, đúng là tai họa hại khuê nữ nhà người ta, chỉ là, chuyện này dường như khó nói lắm, huống hồ, ông ta còn có ấn tượng không tồi với người con dâu Bạch Lăng Kỳ. Còn nữa, còn Trương Mỹ Kỳ nữa, tuy rằng tuổi hơi lớn, nhưng mà tính tình rất tốt, huống hồ bây giờ còn đang mang đứa nhỏ của Hạo Vân trong người. Bây giờ lại thêm một Trần Thanh Thanh, dường như là hơi bị loạn.

"Tử Lân, chuyện này tôi đã bàn với Nguyệt Hồng rồi, chúng tôi mặc kệ Hạo Vân có bao nhiêu vợ. hơn nữa, Thanh Thanh và Hạo Vân cũng đã có cái kia." Nói đến đây, Trần Thiên Huy đột nhiên cao giọng: "Tử Lân, có chuyện này có thể ông không biết, Hạo Vân nhà ông đã ăn đậu hủ của Thanh Thanh chúng tôi rồi chuyện đã thế này, thì chỉ có thể thành toàn cho việc lúc trước."

"Có chuyện này sao?"

Phương Tử Lân nghe thấy thế, khẽ nhíu mày, có điều trong lòng cực kỳ vui vẻ. thằng nhóc này, không tồi!

"Đích thật là vậy! Nguyệt Hồng đã nghe tất cả từ miệng của con gái nhà tôi. đúng rồi, bây giờ bọn nó còn đang hẹn gặp mặt nhau." Trần Thiên Huy nói ra những lời nửa thật nửa giả, trên thực tế, ngoại trừ việc chữa thương trong rừng cây, thì hai người có thể nói là trong sạch. Đương nhiên, bọn họ quả thật là có thích lẫn nhau, vấn đề duy nhất bây giờ chính là, Trần Thanh Thanh tạm thời còn chưa thiếu phục bản thân, chia xẻ người đàn ông của mình với người phụ nữ khác.

"Thiên Huy. nếu đã như vậy, tôi cũng có vài lời muốn nói với ông, đứng trên cương vị của tôi mà nói, tôi không phản đối, thậm chí là còn ủng hộ. Nhưng mà bên Bạch gia dường như rất khó ứng phó. còn nữa, bạn gái của Hạo Vân không chỉ có một mình Kỳ, còn có Trương Mỹ Kỳ đã mang thai với Hạo Vân nữa." Phương Tử Lân đem tức cả những chuyện phong lưu của con trai nói ra.

Những điều mà Phương Tử Lân nói, vài thứ Trần Thiên Huy đã biết, cũng có vài thứ ông ta chưa biết.

Sự bác ái của Phương Hạo Vân quả thật là còn nghiêm trọng hơn ông tưởng.

Đây là điều ông bất ngờ.

"Thiên Huy, tôi đã đem tình huống của Hạo Vân nói rõ rồi đấy, ông thấy thế nào."

Phương Tử Lân còn chưa nói xong, Trần Thiên Huy đã chặn lời: "không cần phải nhiều như vậy. Tử Lân, tôi nói thiệt với ông, Hạo Vân là thằng con rể duy nhất là tôi chọn. Trên đời này, trừ Phương Hạo Vân ra, thì không còn ai xứng đôi với Thanh Thanh nhà tôi. Có điều, tôi nói ông này, ông già như ông không quản được con trai sao, để cho nó thu tay lại một chút, bớt chọc gái lại."

"Hắc hắc."

Khóe miệng của Phương Tử Lân lộ ra một nụ cười đáng khinh: "Thiên Huy, lời này của ông là không đúng. tôi với ông đều là đàn ông. đàn ông."

"Đi chết đi. tôi biết ý của ông, nhưng đừng quên, cả đời này tôi không có phạm sai lầm." Trần Thiên Huy đắc ý nói: "Cả đời này tôi chỉ có một người phụ nữ, tôi không giống ông. Đúng rồi, sao tôi lại quên, ông có tiền án, trên mà không nghiêm thì dưới sẽ loạn, Hạo Vân khẳng định là bị ông làm ảnh hưởng."

542. Chương 69: Người Đẹp Say

Phương Tử Lân tức quá, nói: "Thiên Huy, ông là một kẻ dối trá, ông dám thề rằng cả đời này ông chỉ chơi một người đàn bà, và mấy con nhỏ nước ngoài trong hộp đêm của ông, ông chưa từng đụng qua không?"

Một phát trúng ngay tim đen, Trần Thiên Huy á khẩu không trả lời được, mấy năm nay, ông ta không có nuôi tình nhân, không có bà hai bà ba gì cả, nhưng mà mấy cô gái còn trinh trong hộp đêm lại chơi không ít. Nhất là gái nước ngoài, càng làm không ít. Có một thời gian, khi ông vận động với Lã Nguyệt Hồng, còn kêu bà ta dùng tiếng Anh để rên rỉ.

"Ha ha."

Thấy Trần Thiên Huy bị câu hỏi của mình làm cho nghẹn lời, Phương Tử Lân đắc ý cười nói: "Đàn ông. đàn ông mà. đàn ông trong thiên hạ đều cùng một dạng."

Dừng lại một chút, Phương Tử Lân nói tiếp: "Thằng con tôi, dù hơi bác ái, nhưng có một việc mà tôi biết, nó đều yêu mỗi người đàn bà của nó giống như nhau, luôn đầy đủ. Thiên Huy, dù sao việc này vợ chồng ông giải quyết là được rồi, tôi không có ý kiến."

Trần Thiên Huy gật đầu, chậm rãi nói: "Chuyện này tôi và Nguyệt Hồng đã thương lượng rồi, chỉ cần Thanh Thanh không muốn danh phận, chúng tôi cũng không có ý kiến. Có điều, chúng tôi có một điều kiện nhỏ, cần ông đồng ý"

"Điều kiện gì?" Phương Tử Lân lập tức hứng thú.

"Thật ra cũng không có gì lớn lao." Trần Thiên Huy cầm tách trà lên uống một ngụm, nói: "Ông cũng biết, tôi và Nguyệt Hồng chỉ có một đứa con gái bảo bối thôi. tôi nghĩ, chờ Hạo Vân và Thanh Thanh có con, cho đứa nhỏ theo họ Trần, để kế thừa sản nghiệp của tôi."

"Gì. ông dám nói đây là chuyện nhỏ à, đúng là không biết xấu hổ" Phương Tử Lân nói: "Muốn để cháu của tôi theo họ Trần, ông nói đây là chuyện nhỏ sao?"

"Tử Lân, ông nói như vậy là không đúng. con gái của tôi đã không cần danh phận của Phương gia nhà ông rồi, còn mang theo cả công ty bảo an Trần thị rồi, chỉ muốn một đứa cháu nhà ông mà không được sao?" Trần Thiên Huy nổi nóng: "Tử Lân, ông không thể ích ỷ như vậy được."

"Tôi ích kỷ thế nào?"

Phương Tử Lân vỗ bàn: "Vấn đề là vì sao cháu của Phương gia lại phải mang họ Trần? Khoang đã ông nói là còn có cả công ty bảo an Trần thị là sao? Hay là ông tính đem công ty đó làm sính lễ? Ha ha. cái này thì có thể xem xét lại."

"Lão già này."

Trần Thiên Huy hầm hừ: "Sớm biết ông không dễ dàng đồng ý như vậy mà, uổng công tôi coi ông là anh em."

"Haha, không phải người ta nói rất đúng sao, anh em ruột còn tính toán với nhau mà." Phương Tử Lân cười nói: "Ông thân gia, uống trà, uống trà. lát nữa ở lại ăn cơm."

Khi mà Phương Tử Lân và Trần Thiên Huy đang kết thân gia với nhau, Phương Hạo Vân và Trần Thanh Thanh đã gặp mặt rồi. Khi Trần Thanh Thanh ra ngoài, dường như đã cố ý ăn mặc lại, giống như một yêu tinh vậy, váy ngắn màu đen mê người, vớ chân cũng màu đen, dưới chân là một đôi giày hiện đại. Nhìn dáng vẻ yêu kiều, mang theo một sự quyến rũ như vậy, nói cô là yêu tinh cũng không quá đáng.

Đứng ở quảng trường Thời Đại, Trần Thanh Thanh giống như là một sức hút kỳ lạ, lập tức thu hút rất nhiều ánh mắt, thậm chí là có mấy cặp tình nhân nhí vì vậy mà cãi nhau. Đàn ông con trai là thảm nhất, bởi vì ánh mắt cứ nhìn chằm chằm vào Trần Thanh Thanh, cho nên bị bạn gái ghen, và thế là xoắn một phát vào ngay hông, đau đến thấu trời xanh.

Phương Hạo Vân là người đứng gần Trần Thanh Thanh nhất, đứng ở góc độ của hắn, có thể thấy rõ được dáng người ma quỷ của Trần Thanh Thanh, lại còn có thể nhìn thấy được khe núi trắng noãn và sâu tút kia.

"Chị Thanh Thanh, chị thật xinh đẹp." Phương Hạo Vân khen ngợi một tiếng.

Dừng lại một chút, Phương Hạo Vân nói thêm: "Chị thấy chúng ta có nên đổi chổ không. nếu chị tiếp tục đứng ở đây nữa, em sợ thế nào cũng có án mạng."

"Hì hì, miệng lưỡi của em hôm nay ngọt ghê, có phải vì chúng ta sắp xa nhau, cho nên nói mấy lời này cho chị nghe à?" Trần Thanh Thanh thản nhiên cười, trông rất là mê hồn.

"Cái đó thì không biết, khi nào đi, em tiễn chị?" Phương Hạo Vân hỏi.

"Không cần tiễn!"

Khóe miệng Trần Thanh Thanh xuất hiện một nụ cười: "Chị không thích đau thương khi đưa tiễn tối nay coi như là buổi đưa tiễn đi, lúc đi, chị cũng không thông báo cho em đâu"

"Cũng tốt." Phương Hạo Vân thản nhiên nói.

Trần Thanh Thanh đột nhiên mở miệng: "Hạo Vân, chị đã đặt phòng tại Shangri La rồi."

Phương Hạo Vân nghe thấy thế, lập tức cả kinh, nghiêm mặt nói: "Cái này không tốt đâu. giữa chúng ta. đương nhiên, chị Thanh Thanh, nếu chị thật sự muốn vậy, em có thể thỏa mãn chị!"

"Em đi chết đi!"

Trần Thanh Thanh đỏ mặt, giận dữ nói: “Em nói cái gì vậy. em mướn phòng, là muốn uống rượu với em.em lại nghĩ bậy bạ gì đó!”

“Chỉ là uống rượu thôi sao?” Phương Hạo Vân thăm dò.

“Đương nhiên chỉ là uống rượu, em còn muốn làm gì nữa?’ Trần Thanh Thanh cười hỏi: “Em đúng không được đụng vào nha, bây giờ chị là quân nhân theo đúng nghĩa vụ rồi, nếu em dám động vào, hừ, hậu quả nghiêm trọng lắm đấy.”

Lúc đi đến khách sạn Shangri La mới biết, phòng do Trần Thanh Thanh thuê là loại phòng tổng thống, tiện nghi trong phòng cái gì cũng có, ngay cả một tủ rượu cũng hơn cả trăm chai.

Hai người vào trong phòng, không lập tức uống rượu, mà ngồi trên ghế sofa gần sát cửa sổ, lẳng lặng nhìn ra ngoài cửa sổ, không ai nói gì.

Cảnh tượng yên tĩnh, Trần Thanh Thanh thậm chí có thể nghe thấy rõ nhịp tim mình đập, tiếng hít thở của mình.

Sau một hồi, Trần Thanh Thanh mới nghiêng đầu qua nhìn Phương Hạo Vân, thấy hắn im lặng nhìn ra ánh trăng ngoài cửa sổ, nhỏ giọng hỏi: “Hạo Vân nghĩ gì đó. chị đi rồi, em có nhớ chị không? Mỗi ngày có nhớ chị không?”

Phương Hạo Vân nghe thấy thế, quay đầu lại cười nói: “Chị hỏi em nhiều câu như vậy, chị muốn em trả lời câu nào trước?”

“Mấy câu này, thật ra cũng chỉ là một câu.” Trần Thanh Thanh nói nhỏ: “Hạo Vân, chuyện của chúng ta, sẽ có kết quả không?”

“Kết quả?”

Phương Hạo Vân sửng sốt, lập tức hỏi: “Chị muốn kết quả thế nào?”

“Không phải chị muốn, mà là chúng ta muốn.” Trần Thanh Thanh đi qua, ngồi đến trước mặt Phương Hạo Vân, nghiêm túc nói: “Ông ngoại khẳng định là sẽ tìm đối tượng cho chị trong quân đội, cho nên trước khi đi, chuyện của chúng ta nhất định phải có kết quả.”

Phương Hạo Vân đưa tay ôm lấy Trần Thanh Thanh, để cho cô ngồi trên đùi mình, đưa tay ôm ngang eo của cô, nhẹ nhàng hỏi: “Chị Thanh Thanh, em dám khẳng định rằng, chú Trần bây giờ đang ở nhà của em, đang nói chuyện với ba em về việc của hai chúng ta”

“Thật sao?”

Mặt của Trần Thanh Thanh đỏ lên: “Làm sao mà em biết?”

“Đoán!’

Phương Hạo Vân kéo cô sát vào hơn: “Tuy rằng là đoán, nhưng mà em có thể khẳng định.”

“Hạo Vân.”

Trần Thanh Thanh mở miệng ra, muốn nói cái gì, nhưng khi đến cửa miệng lại nuốt vào. Ngồi trong lòng của hắn, một sự ấm áp và hạnh phúc đã xâm nhập vào lòng cô. Trần Thanh Thanh hy vọng thời gian có thể dừng lại, để cho mình và Phương Hạo Vân có thể ngồi mãi như vậy.

Giờ phút này, Trần Thanh Thanh cảm thấy thế giới chỉ còn lại cô và Phương Hạo Vân thôi.

Thật lâu sau, Trần Thanh Thanh mới lắc đầu, nghĩ đến chuyện của mình ngày hôm nay.

Đẩy Phương Hạo Vân ra, cô mở tủ rượu, hỏi: “Uống rượu gì. rượu đế hay là rượu vang.”

Phương Hạo Vân khẽ cười: “Rượu vang đi. rượu đế nặng lắm, hơn nữa uống vào cũng không tốt cho thân thể.”

Trần Thanh Thanh nghe thấy thế, lấy một chai rượu vang năm 82 ra, rồi lấy ra hai cái ly thủy tinh xinh đẹp, cầm đến, đặt trên bàn.

"Em mở cho." Phương Hạo Vân không cần cái đồ khui, trực tiếp dụng chân khí vào tay, dễ dàng mở cái nút gỗ ra.

Đợi khi Phương Hạo Vân rót rượu ra, thì Trần Thanh Thanh mới nhẹ nhàng nói: "Hạo Vân, nếu chị say, em không được nhân cơ hội ăn hiếp chị."

"Haha."

Phương Hạo Vân cười hắc hắc, vô sỉ nói: "Đều nói là rượu làm loạn tính, em còn đang lo sau khi em say, chị Thanh Thanh sẽ hiếp em."

"Té đi." Trần Thanh Thanh hừ nhẹ một tiếng, giơ ly rượu lên: "Nào, chúng ta cạn ly, sau này có lẽ sẽ ít cơ hội hơn rồi"

Sau đó, cô ngẩng đầu lên, uống cạn một hơi, Phương Hạo Vân nhìn thấy cô như vậy, cũng biết cô muốn uống rượu.

"Nào, một ly nữa!" Trần Thanh Thanh quả nhiên là muốn uống rượu, mỗi lần rót rượu, đều rót cho mình đầy ly, hơn nữa uống cạn chỉ trong một hơi, không chừa lại một giọt.

Phương Hạo Vân biết trong lòng Trần Thanh Thanh không thoải mái, cho nên muốn mượn rượu giải sầu, vì thế cũng không cản, tùy ý để cho cô uống rượu.

Qua một hồi, chai rượu vang đã thấy đáy, đại khái là có hai phần ba nằm trong bụng của Trần Thanh Thanh rồi, bây giờ, khuôn mặt của cô đã đỏ ửng, ánh mắt mê ly, hiển nhiên là đã ngà ngà say rồi.

"Uống tiếp nào, không say không về." Trần Thanh Thanh thấy cạn chai rồi, không nói nhiều, đi đến tủ rượu, lấy thêm một chai ra nữa, còn Phương Hạo Vân vẫn tiếp tục mở nút chai ra, và tiếp tục uống nữa.

Khi còn nửa chai, Trần Thanh Thanh ngồi vào trong lòng của hắn, một tay ôm lấy cổ của hắn, tay kia cầm ly rượu, ép Phương Hạo Vân uống: "Hạo Vân, uống đi. hôm nay chúng ta phải uống cho say."

"Chị Thanh Thanh, được rồi, đừng uống nữa. chị đã say rồi." Phương Hạo Vân vẫn tỉnh táo, hắn có thể cảm nhận rõ ràng sự buồn bực và đau khổ trong lòng của Trần Thanh Thanh.

Cô vẫn hồi hộp như cũ, vẫn không thể nào đưa ra quyết tâm.

Tuy rằng cô đã tỏ vẻ, hy vọng rằng trước khi đi sẽ có kết quả, nhưng mà trên thực tế, trong lòng cô vẫn chưa có quyết định.

Đây là nguyên nhân khiến cho cô uống hộc mạng.

"Chị không có say"

Ngay trong lúc Phương Hạo Vân ngây người, Trần Thanh Thanh trực tiếp cầm lấy nửa chai rượu còn lại, nốc một hơi liên tục hết trơn, không chừa lại một giọt.

Phải nói là tửu lượng của Trần Thanh Thanh càng ngày càng tăng, lúc trước là lần đầu tiên cô uống rượu, mà bây giờ thì cô đã xử đẹp cả hai chai rượu nhẹ nhàng rồi.

Có điều, khi Trần Thanh Thanh say lại có vẻ hấp dẫn riêng, khuôn mặt đỏ bừng, ánh mắt mê ly, môi anh đào phà ra hơi nóng hừng hực, một mỹ nhân say uyển chuyển.

"Chị Thanh Thanh, chị say rồi, em đưa chị về." Phương Hạo Vân âm thầm nhíu mày, chuẩn bị ôm lấy Trần Thanh Thanh.

"Không về. không về đâu." Trần Thanh Thanh giãy dụa, xem ra không muốn về nhà, có lẽ cô không muốn ba mẹ nhìn thấy bộ dáng cô say rượu như vậy.

Nghĩ đến đây, Phương Hạo Vân cũng không cố gắng, ôm cô đến giường, đắp chăn lên: "Chị Thanh Thanh, chị nghỉ ngơi trước đi, một lát em pha trà cho chị uống tỉnh rượu"

Ngay trong khi Phương Hạo Vân vừa đứng dậy, thì Trần Thanh Thanh đã mắc ói, và không nhịn được, làm một phát dơ cả giường và quần áo.

Phương Hạo Vân vội vàng ôm lấy Trần Thanh Thanh, đặt lên trên ghế sofa, giúp cô dọn dẹp một chút.

Sau đó, hắn gọi cho phục vụ khách sạn, kêu phục vụ lên thu dọn.

Chưa đến một phút, thì cô phục vụ đã nhấn chuông cửa rồi, Phương Hạo Vân mở cửa, bảo cô thay giường khác.

Quả nhiên không hổ là nhân viên của khách sạn năm sao, cô ta không hỏi nhiều, chỉ làm theo lời dặn của Phương Hạo Vân, thu dọn cái giường sạch sẽ.

Sau khi xong việc, cô chủ động hỏi: "Tiên sinh, có cần đồ lót nữ không. chổ chúng tôi có thuốc giải rượu. xin hỏi anh có cần không?"

Phương Hạo Vân nhìn Trần Thanh Thanh đang nằm thẳng cẳng trên ghế sofa, gật đầu nói: "Lấy một bộ đi. lấy luôn cái thuốc giải rượu kia."

Vài phút sau, cô nhân viên mang đến một bộ đồ lót nữ, và hai viên thuốc giải rượu, Phương Hạo Vân đưa cho cô ta hai trăm tiền boa, rồi bảo cô rời đi.

"Chị Thanh Thanh, đây là thuốc giải rượu. chị uống đi, lát nữa sẽ không thấy khó chịu đâu" Phương Hạo Vân không muốn thừa dịp Trần Thanh Thanh say mà làm bậy, hắn lấy nước, giúp cho Trần Thanh Thanh uống thuốc.

Trên thực tế, cái thuốc giải rượu này chỉ có tác dụng an thần thôi, không có khả năng giải men rượu. Đáng tiếc chổ này không có củ cải trắng, nếu không ăn một miếng củ cải trắng vào, phỏng chửng là sẽ có hiệu quả hơn nhiều.

543. Chương 70: Đẩy Ngã Chị Thanh Thanh

Đúng lúc này, Trần Thanh Thanh đột nhiên ôm lấy Phương Hạo Vân, nhẹ giọng nỉ non: "Hạo Vân, ôm chị đi. chị không muốn rời em."

Phương Hạo Vân hơi sửng sốt, sau đó cúi thân người xuống ôm chặt lấy Trần Thanh Thanh, hắn cảm thấy được Trần Thanh Thanh đang run lên, không biết là vì say rượu, hay là vì nguyên nhân khác.

Phương Hạo Vân ôm chặt lấy thân thể của Trần Thanh Thanh, nhỏ giọng hỏi "Chị Thanh Thanh, em giúp chị thay đồ."

"Ừ."

Thật bất ngờ khi Trần Thanh Thanh có thể nghe hiểu Phương Hạo Vân đang nói gì, hơn nữa còn gật đầu, chủ động ngồi dậy, đưa tay cởi cái váy màu đen ra.

Khi cặp núi đôi lộ ra trước mặt Phương Hạo Vân, ánh mắt của hắn liền dừng lại. Tuy rằng đây không phải là lần đầu tiên hắn nhìn thấy ngực đàn bà, nhưng mà bây giờ bộ ngực trần của Trần Thanh Thanh đã làm cho thị giác của hắn bị kích thích mãnh liệt.

Cố gắng khống chế lại tâm tình, Phương Hạo Vân đem cái áo lót màu đỏ kia lại, đúng lúc này, Trần Thanh Thanh lại ngăn cản Phương Hạo Vân: "Không muốn."

Phương Hạo Vân không biết là Trần Thanh Thanh không muốn mặc vào, hay là ghét đồ lót của khách sạn nữa.

"Ôm chị."

Ngay trong lúc Phương Hạo Vân ngây người, Trần Thanh Thanh đã chủ động ôm lấy Phương Hạo Vân, một mùi thơm thản nhiên xộc vào mũi của Phương Hạo Vân, làm cho tâm tình của hắn nhộn nhạo ngay.

"Hạo Vân, yêu chị." Đây là lần thứ hai Trần Thanh Thanh chủ động đòi "yêu", lần trước Phương Hạo Vân đã từ chối, mà lần này, hắn đang khá là mâu thuẫn.

Ở chung với Trần Thanh Thanh lâu như vậy, nói là không có cảm giác, có đánh chết thì người đọc cũng không tin. Hai người đã có tình cảm với nhau, lên giường cũng là một việc rất bình thường. Thế nhưng Phương Hạo Vân không muốn lợi dụng lúc Trần Thanh Thanh say mà giở trò.

Ngay khi hắn do dự, thì lập tức cảm giác được thằng nhỏ của mình đang bị một bàn tay nhỏ bé nắm vào, cúi đầu nhìn xuống, không biết khi nào Trần Thanh Thanh đã cởi khóa quần của hắn ra, đang nắm lấy thằng bé mà vuốt ve.

Nếu hắn có thể nhìn vào mắt của Trần Thanh Thanh lúc này, sẽ phát hiện ra, trong mắt của Trần Thanh Thanh đang xuất hiện một tia gian xảo.

"Chị Thanh Thanh. em đã nói với chị rồi, rượu làm loạn tính mà chị không nghe. bây giờ thì đừng trách em." Từ đầu đến giờ Phương Hạo Vân chưa từng thừa nhận nửa phần dưới của mình là động vật. Thế nhưng ngay giây phút này, hắn cảm thấy rằng cho dù là Liễu Hạ Huệ cũng không thể nhịn được nữa.

Phương Hạo Vân chậm rãi đưa tay đến đùi của cô, nhẹ nhàng vuốt ve chổ đùi non, phần mông, cuối cùng là xâm nhập vào một chổ ẩm ướt, nhẹ nhàng sờ mó.

Trần Thanh Thanh nhanh chóng cảm nhận được từng đợt tê dại như nước.

Lúc này, cô dường như đã không giả bộ nổi, trong mắt lộ rõ dục vọng mê ly, ngay lập tức hôn lên miệng hắn, mạnh mẽ mút vòa.

Phương Hạo Vân dường như hiểu ra cái gì đó, nhưng không nói ra gì thôi.

Trần Thanh Thanh hôm nay uống rượu là giả, hiến thân mới là thật. Trên thực tế, cô không có say, bởi vì đầu óc của cô vẫn rất tỉnh táo.

Đương nhiên, cái vụ ói kia là thật, bởi vì dạ dày của cô không được tốt lắm.

Phương Hạo Vân đoán rằng, Trần Thanh Thanh nhất định là do xấu hổ, cho nên trong lòng mới không thể đưa ra quyết định được, vì thế mới dùng hạ sách này. Dựa theo ý của cô thì chắc là khi gạo nấu thành cơm rồi, đến lúc đó ngay cả bản thân cô ta cũng không thể không chấp nhận.

Có lẽ, đây là một quyết định khá đau khổ.

hận Phương Hạo Vân, càng không cảm thấy cái gì gọi là tội nghiệp cả. Trong lòng bây giờ cô chỉ có hạnh phúc và tình yêu thôi.

"Thanh Thanh. lại đây nào, đến chổ dì nào." Trác Nhã nhìn thấy Trần Thanh Thanh đang không biết nên làm thế nào, trừng mắt nhìn chồng một cái, sau đó ngoắc Trần Thanh Thanh lại.

544. Chương 71: Đính Hôn Đơn Giản

"Haha."

Phương Tử Lân cười rất đắc ý, cái miệng của ông ta mở rộng hết cỡ, nhìn chung quanh một vòng, nói: "Các vị, tất cả đều là người một nhà, tôi nghĩ mọi người không cần phải gò bó như vậy, tự nhiên đi nào. túy ý một chút. Thanh Thanh, từ hôm nay trở đi, Phương gia chính là nhà của con."

"Dạ."

Trần Thanh Thanh ngẩng đầu lên đáp.

"Thanh Thanh, Hạo Vân. lúc đầu theo ý ba và mẹ, muốn tổ chức cho hai đứa một nghi thức. nhưng mà xét lại Hạo Vân đang đến trường, còn có bên Kỳ nữa. cho nên nghi thức này không cần làm, hai nhà chúng ta chỉ cần ăn một bữa cơm, coi như là đính hôn cho hai đứa." Người nói là Trần Thiên Huy, dựa theo ý định lúc đầu của ông ta, thì muốn cử hành một buổi tiệc đính hôn, sau đó lại bị Trác Nhã từ chối. Lý do rất đơn giản, làm vợ chính như Bạch Lăng Kỳ còn chưa có tiến hành nghi thức nào với Phương Hạo Vân, đến sau như Trần Thanh Thanh thì càng không thể cử hành.

Cũng may, Trần Thiên Huy và Lã Nguyệt Hồng coi như là người hiểu chuyện, cẩn thận suy nghĩ một chút, liền từ bỏ chuyện này, ai kêu con gái của mình đến muộn hơn một bước?

Người lớn hai nhà nói chuyện một hồi, định đoạt hết mọi chuyện, chỉ có chuyện cháu trai là không được nhắc lại, bởi vì trong lòng mọi người đều đã rõ ràng.

Đến trưa, Trác Nhã và Lã Nguyệt Hồng đi vào bếp làm đồ ăn, Trần Thiên Huy và Phương Tử Lân lên phòng sách nói chuyện. Trong phòng khách chỉ còn lại Phương Hạo Vân, Phương Tuyết Di, Trần Thanh Thanh và Bạch Lăng Kỳ.

Người lớn đi rồi, bầu không khí tại đây liền căng thẳng lại.

Nhất là Phương Tuyết Di, cô cảm thấy mình không được tự nhiên.

Lúc đầu, cô và Trần Thanh Thanh có quan hệ không tồi, chỉ là hôm nay cô lại cảm thấy rất khó chịu.

"Mấy đứa nói chuyện đi, chị vào bếp." Tìm đại một lý do, Phương Tuyết Di vội vàng chuồn mất, vì áp lực và sự xấu hổ ở đây làm cho cô cảm thấy khó chịu quá.

"Kỳ, em và Thanh Thanh nói chuyện đi. anh cũng vào bếp luôn. Hôm nay anh sẽ tự tay nấu đồ ăn, coi như là an ủi cho hai người." Phương Hạo Vân cũng cảm thấy rằng minh càng phải chuồn. Để cho Kỳ và chị Thanh Thanh nói chuyện với nhau, nếu không cứ như vậy hoài, không được tự nhiên, lại không có biện pháp.

Phương Hạo Vân đi rồi, trong phòng khách chỉ còn lại Trần Thanh Thanh và Bạch Lăng Kỳ, hai người nhìn nhau, miệng mỉm cười, Không biết vì sao, mọi người đi hết, trong lòng hai người lại bình tĩnh, không còn hồi hộp như lúc đầu.

Dừng lại một chút, Bạch Lăng Kỳ chủ động kéo tay Trần Thanh Thanh, cười nói: "Chị Thanh Thanh, hoan nghênh chị gia nhập vào gia đình lớn của chúng ta."

"Hì."một tiếng.

Nghe Bạch Lăng Kỳ nói như vậy, Trần Thanh Thanh liền bật cười. Có điều, trong tiếng cười ấy cũng có chứa sự chua xót.

Đúng vậy, đây là một gia đình lớn.

Một gia đình vô cùng lớn.

Khi khi thành lập đến giờ, trong nước cũng đã hủy bỏ chế độ một chồng nhiều vợ rồi, xã hội bây giờ phát triển lên, phụ nữ được giải phóng nhiều hơn, một chồng nhiều vợ hầu như đã biến mất.

Chỉ là, làm một cô gái thành phố, Trần Thanh Thanh khó chấp nhận chuyện một chồng nhiều vợ được.

"Kỳ. xin lỗi!" Mặc kệ là nói thế nào, Trần Thanh Thanh cũng là kẻ đến sau, vì lễ phép hay vì cái gì khác, cô cũng đều phải nói câu xin lỗi này.

"Chị Thanh Thanh. chị không có lỗi, em cũng không có lỗi." Bạch Lăng Kỳ thản nhiên cười hì hì, sau đó tức giận nói: "Đều là do tên xấu xa kia làm hại.

"Đúng vậy!"

Trần Thanh Thanh cũng hầm hừ: "Kỳ, em nói đúng, đều là do tên xấu xa Hạo Vân làm hại, chị em chúng ta phải kết hợp lại trừng trị hắn. không thể để cho hắn bác ái như vậy được nữa."

"Ừ."

Hai cô gái nắm lấy tay nhau, trong nháy mắt, bởi vì có chung một mối thù, khúc mắc trong lòng các nàng đã được hóa giải. Hai cô đều là người thông minh, nếu đã không thể thay đổi được sự thật, không bằng chấp nhận sự thật.

Phương Hạo Vân thật ra không có xuống bếp, hắn đang trốn ở một bên, len lén quan sát hai người. Lúc đầu hắn cho rằng trong lòng Kỳ nhất định sẽ không thoải mái, ai mà ngờ rằng chỉ vài câu nói thôi mà hai người đã nắm lấy tay nhau, thân như là chị em vậy.

Hắn có một dự cảm rằng, hai nàng đang liên minh với nhau, và người chịu khổ phỏng chừng là hắn.

"Thôi, vào bếp hỗ trợ luôn." Phương Hạo Vân cảm thấy hai cô hòa hợp như vậy, trong lòng cũng yên tâm, liền đi vào bếp.

Mười hai giờ trưa, một bàn đồ ăn đầy ắp được dọn lên, hai nhà ngồi chung lại với nhau, cùng ăn cùng uống, trông thật ấm cúng.

Toàn bộ quá trình đều vô cùng hòa hợp và nhiệt tình, Bạch Lăng Kỳ và Trần Thanh Thanh đều sửa miệng, gọi Phương Tử Lân và Trác Nhã một tiếng ba mẹ, làm cho Phương Tử Lân và Trác Nhã vui mừng cười liên tục.

Sau cơm trưa, bởi vì chuyện Tây Hoàn nên Bạch Lăng Kỳ phải trở về công ty. Trác Nhã bảo Phương Hạo Vân đưa đi, Phương Hạo Vân đương nhiên là hiểu ý của mẹ, chào mọi người rồi tự lái xe đưa Bạch Lăng Kỳ đi.

Trên đường đi, Bạch Lăng Kỳ làm bộ không thèm để ý đến Phương Hạo Vân, quay đầu ra ngoài nhìn cảnh ngoài cửa sổ. Phương Hạo Vân đã vài lần bắt chuyện với cô, nhưng đều không có đáp lại, rơi vào đường cùng, đành phải tập trung lái xe.

"Tới rồi, mở cửa xe, em muốn xuống." Sau khi xe đã chạy vào bãi giữ xe của tập đoàn Thịnh Hâm, Phương Hạo Vân khóa cửa xe lại, dường như không muốn để cho Bạch Lăng Kỳ xuống xe vậy.

"Kỳ, em giận à."

Phương Hạo Vân quay đầu hỏi: "Thật ra chuyện này, em cũng không thể trách chị Thanh Thanh. chủ yếu là."

"Khoan đã!"

Bạch Lăng Kỳ rốt cục đã quay đầu lại, tức giận nói với Phương Hạo Vân: "Anh nói bậy cái gì đó chuyện này có liên quan gì đến chị Thanh Thanh. em trách chị Thanh Thanh khi nào."

"Vậy tại sao em lại không vui? Chẳng lẽ vì chuyện công việc?" Phương Hạo Vân làm ra vẻ kinh ngạc.

"Hừ!"

Bạch Lăng Kỳ không biết là Phương Hạo Vân đang cố ý, nghe hắn nói vậy, nổi giận nói: “Anh còn không biết xấu hổ sao. em tức giận, không phải là vì tên hoa tâm này sao. anh muốn trêu chọc bao nhiêu chị em nữa. em thấy Vi Tiểu Bảo còn không được như anh.”

Phương Hạo Vân dày mặt nói: “Cảm ơn đã khen!”

“Vô sỉ!” Bạch Lăng Kỳ trừng mắt, lập tức nhào vào lòng của Phương Hạo Vân, há miệng ra, cắn vào đầu vai của hắn: “Cắn chết anh.”

Phương Hạo Vân cười, hoàn toàn không để ý đến việc Bạch Lăng Kỳ cắn mình, ngược lại còn đưa tay vào trong váy của cô, lập tức làm mấy chuyện xấu.

Vì để tạo hiệu quả nhất định, cho nên khi làm mấy chuyện xấu, Phương Hạo Vân đã vận dụng chân khí, dòng khí ấm áp lập tức vọt vào trong thân thể của Bạch Lăng Kỳ. Trong giây phút ấy, Bạch Lăng Kỳ dường như không nhịn được, khẽ run một tiếng, miệng cũng nhả vai của hắn ra, khẽ rên một tiếng.

“Buông tay.”

Bạch Lăng Kỳ còn phải đi họp nữa, không có tâm tư làm chuyện gì với hắn. Phương Hạo Vân đương nhiên là không dễ dàng buông tha rồi, ý định của hắn là thông qua thủ đoạn này để lôi kéo Bạch Lăng Kỳ, để cô ấy đừng ghét mình nữa.

Đương nhiên, nếu nói Bạch Lăng Kỳ ghét hắn, thì có vẻ hơi quá.

Bạch Lăng Kỳ là người thế nào, trong lòng Phương Hạo Vân rất rõ ràng, hắn phỏng chừng rằng, Bạch Lăng

Trương Bưu và Đại Phi đều sợ anh Hạo Vân của mình làm lớn chuyện, vội vàng hòa giải, Trương Bưu cười nói: "Phương thiếu gia, tất cả đều là người nhà, tôi thấy đừng đùa quá trớn."

"Đúng vậy, đến chổ thì dừng là được."

Đại Phi cũng nói hùa theo, nháy mắt với Phương Hạo Vân.

Phương Hạo Vân biết an toàn của Hà Thanh tại Hoa Hải là do Trương Bưu và Đại Phi phụ trách, cho nên hắn cũng không muốn làm hai người anh em khó xử, liền ra tay giải huyệt đạo của Hà Thanh.

Khi buông Hà Thanh ra, tay của hắn còn bóp nhẹ lên mông của cô một cái, xong việc còn vô sỉ nói: "Xem ra cô không mặc quần lót"

"Cậu mới không mặc." Hà Thanh lập tức đỏ mặt cãi lại: "Tôi có mặc, chỉ là không có ngấn."

"Thế màu gì?" Phương Hạo Vân đột nhiên hỏi.

Lúc này Hà Thanh mới có phản ứng, mình đã bị lừa, bị hắn trêu chọc.

"Nhìn cái bộ dáng lẳng lơ của cô như vậy, phỏng chừng là màu đỏ thẫm, còn không là màu đen, có phải là loại có ren không?" Phương Hạo Vân tiếp tục hỏi.

"Vô sỉ" Hà Thanh giật dữ quát một tiếng, đỏ mặt lui về sau. Phương Hạo Vân nhân cơ hội mở cửa rời đi, Hà Thanh vốn định đuổi theo, nhưng nghĩ đến thủ đoạn của hắn, hoảng sợ lùi lại.

Trương Bưu và Đại Phi nhìn nhau, anh Hạo Vân dường như càng lúc càng có cá tính.

Đợi khi Phương Hạo Vân rời đi, trong phòng chỉ còn lại Đại Phi, Trương Bưu và Hà Thanh. Sắc mặt của Hà Thanh ửng đỏ, thở phì phì nhìn Trương Bưu và Đại Phi, xem ra muốn gây chuyện.

Trước đó do thẹn thùng nên không để ý, bây giờ mới tỉnh ngộ ra, khi mình bị Phương Hạo Vân ăn hiếp, bọn họ chỉ thờ ơ ngồi nhìn.

Có vấn đề.

"Các người. các người rốt cục là có âm mưu gì. hay là các người cấu kết với Phương Hạo Vân?" Hà Thanh mở miệng ra chụp mũ hai người: "Tôi sẽ đem thái độ của hai người báo cáo lên cấp trên."

Trương Bưu nghe cô nói vậy, lập tức không vui: "Đồng chí thượng tá, cô nói như vậy, tôi không đồng ý. thủ đoạn của Phương thiếu gia, cô đã tự thử rồi, với thân thủ của chúng tôi căn bản là không có khả năng giải cứu cô, mặc dù vậy, chúng ta vẫn nói giúp cho cô, đủ thấy chúng tôi quan tâm cô rồi."

"Đúng vậy."

Sắc mặt của Đại Phi cũng không vui, đương nhiên là đang giả bộ rồi, hừ lạnh một tiếng, nói: "Thượng tá Hà, cấp trên ra lệnh cho chúng tôi phối hợp với cô, nhưng đồng thời cấp trên cũng kêu chúng tôi phối hợp với Phương thiếu gia. hai người đều là người cấp trên muốn chúng tôi chiếu cố, chúng tôi không tắc tội với ai được. Cô không thể bắt chúng tôi vì cô mà trở mặt với Phương thiếu gia được. Thượng tá Hà, tôi cho rằng chuyện hôm nay chúng tôi đã làm tròn bổn phận, đương nhiên, báo cáo là chức trách của cô, chúng tôi không có quyền can thiệp. nhưng chúng tôi có quyền khiếu nại."

Hà Thanh thấy hai người này tức giận, liền không nói gì nữa. Dù sao thì cuộc sống sau này cũng cần dựa vào hai người này khá nhiều, làm việc gì cũng phải chừa đường lui cho mình.

"Được rồi, lần này coi như hắn cao tay, lần sau tôi sẽ cho hắn đẹp mắt" Hà Thanh trực tiếp nói một câu hâm dọa xong, liền rời đi. Trở về cục quốc an, cô khóa cửa phòng lại, lấy điện thoại ra gọi cho Lã Thiên Hành.

"Ông chủ lớn, tôi đã gặp mặt Phương Hạo Vân. thằng nhóc này quả nhiên rất kiêu ngạo, căn bản là không coi tôi ra gì. hơn nữa hắn còn từ chối yêu cầu gia nhập công ty bảo an của tôi, ông xem bây giờ tôi nên làm gì? Có cần chút thủ đoạn không?" Ở bên ngoài, mọi người luôn gọi La Thiên Hành là ông chủ lớn.

Những người đi đường thấy người gây tai nạn rời đi, mà cảnh sát không thèm quan tâm, liền tức giận không thôi. Dưới sự dẫn dắt của vài người, bọn họ chặn xe của Xuân Hoa và Thu Nguyệt lại, và hô lớn: "Nghiêm trị người gây họa, nghiêm trị người gây họa"

Người cảnh sát kia vội vàng giải thích với quần chúng; "Các vị, bọn họ đã để người ở lại xử lý vụ án. xin mọi người bình tĩnh, tránh đường ra."

"Nghiêm trị người gây họa. nghiêm trị người gây họa."

Những người xung quanh hiển nhiên là không hài lòng với kết quả như vậy, liền hô khẩu hiệu.

Phương Hạo Vân âm thầm cười lạnh, nhìn xem các người giải quyết thế nào, bây giờ đã khiến cho dân chúng phẫn nộ rồi.

Phương Hạo Vân không tin rằng trong tình huống như vậy, cái gọi là giai cấp đặc quyền còn có thể hưởng đặc quyền.

Nhìn thấy tình thế càng lúc càng lớn, cảnh sát cũng không thể khống chế được hiện trường, bọn họ vội vàng gọi điện xin trợ giúp. Đồng thời đám người của Nam Cung thế gia cũng gọi điện thoại, phỏng chửng cũng là cầu viện.

Ước chừng khoảng mười phút sau, những cảnh sát xung quanh cũng chạy đến, bắt đầu giúp giữ trật tự hiện trường. Nhưng mà dân chúng ở đây dường như vô cùng kích động rồi.

Một số người thậm chí còn lấy điện thoại hoặc là máy quay ra quay lại tình huống ở đây.

Phương Hạo Vân biết, không cần bao lâu sau, vụ tai nạn lần này sẽ xuất hiện trên mọi trang web lớn, đến lúc đó, dư luận sẽ không bỏ qua cho chuyện này.

"Phương thiếu gia, Xuân Hoa đã đi theo cảnh sát rồi. Em đồng ý với anh nhất định sẽ xử lý thỏa đáng chuyện này, anh theo em đi gặp phu nhân đi.' Mọi người càng lúc bu càng đông, Thu Nguyệt cảm thấy giằng co như vậy không phải là biện pháp tốt. Bây giờ cần phải làm dịu sự phẫn nộ của dân chúng, tuy rằng trong lòng cô cũng không thật sự coi cái gọi là sự phẫn nộ của dân chúng ra gì, nhưng mà dưới ban ngày ban mặt, trước mặt bao nhiêu người, cô cũng không dám áp dụng hành vi quá khích.

"Được rồi!"

Phương Hạo Vân gật đầu, coi như là đáp ứng.

Xuân Hoa vốn không muốn đi theo cảnh sát, nhưng mà dưới sự khuyên bảo không ngừng của Thu Nguyệt, cuối cùng vẫn đồng ý đi theo.

Có điều, cô cũng biết, nói là đi theo điều tra, thật ra chỉ là làm bộ trước mặt mọi người, cô có thể đi ra nhanh chóng. Chuyện như vậy không phải là lần đầu tiên cô gặp.

Xuân Hoa bị cảnh sát mang đi, người bị thương cũng được đưa đén bệnh viện. Người đi đường dưới sự khuyên bảo của cảnh sát cũng rời đi. Thu Nguyệt lần này cũng khôn hơn, lái xe chậm lại, thậm chí là chưa đến 40km nữa.

Bốn mươi phút sau, dưới sự dẫn đường của Thu Nguyệt, Phương Hạo Vân đi đến phòng tổng thống của khách sạn Shangri La, phòng số 2088, hắn đã thấy được thiếu phu nhân của Nam Cung thế gia, em gái ruột của Long Chiến, Long Hi Phượng.

"Phương thiếu gia, mời ngồi." Long Hi Phượng mặc một bộ đồ bó màu trắng, ngồi ngay ngắn trên ghế, trên mặt lộ ra một nụ cười ung dung, thần thái quyến rũ, mắt phượng uốn cong, đôi mắt như vì sao trong trời đêm, sáng ngời nhưng sâu xa. Bộ dáng của cô ta trông cũng khoảng ba mươi tuổi, trẻ hơn Long Chiến rất nhiều.

"Phương thiếu gia, gặp mặt cậu đúng là không dễ dàng." Đợi khi Phương Hạo Vân ngồi xuống ghế sofa, Long Hi Phượng cười thản nhiên nói: "Phương thiếu gia còn trẻ hon tôi tưởng tượng."

Phương Hạo Vân cười cười trả lời: "Phu nân cũng xinh đẹp hơn tôi tưởng tượng."

"Haha."

Long Hi Phượng cười nói: "Miệng của Phương Hạo Vân thật ngọt, tôi nghĩ phụ nữ bên cạnh cậu khẳng định là không ít. đàn ông miệng ngọt, luôn thích chọc ghẹo người khác."

Phương Hạo Vân hơi nhíu mày, ánh mắt cũng bắt đầu lướt qua người của Long Hi Phượng, nói: "Hay là phu nhân cũng có ý với tôi. nếu không tại sao đêm hôm lại mời tôi đến gặp mặt."

"Hi Phượng là một quả phụ ở góa, quả thật là cần một người đàn ông. chỉ là đàn ông trong thiên hạ này, không ai xứng đôi với tôi." Nói đến đây, Long Hi Phượng cười lạnh lùng nói: "Hay là Phương thiếu gia cũng đã động tâm với tôi?"

"Phu nhân quả nhiên là vưu vật của nhân gian, chỉ tiếp là tôi chỉ thích hàng còn nguyên tem." Phương Hạo Vân cười ngả ngớn, nói.

Lời này vừa nói ra, Thu Nguyệt lập tức hét lớn: "Làm càn. Phương Hạo Vân, trước mặt phu nhân không chấp nhận anh lỗ mãng như thế."

"Phu nhân, nha hoàn của bà hình như không biết quy tắc gì cả. Xuân Hoa cũng thế, Thu Nguyệt cũng thế.' Trong đôi mắt của Phương Hạo Vân đã hiện ra một tia lạnh lùng.

Long Hi Phượng nghe thấy thế, khẽ nhíu mày, ánh mắt chuyển về hướng Thu Nguyệt, quát: "Thu Nguyệt. không nghe Phương thiếu gia nói gì sao. tại sao hai đứa bây giờ càng lúc càng không có quy tắc vậy. tự vả miệng đi."

"Phu nhân, em." Thu Nguyệt tủi thân, sao phu nhân lại khách khí với Phương Hạo Vân như vậy. Trong ký ức của cô, phu nhân chưa bao giờ nghiêm khắc như vậy. Cô và Xuân Hoa tuy là nha hoàn, nhưng mà phu nhân đã xem hai cô như là con gái vậy.

"Cái thứ không biết liêm sỉ này, chẳng lẽ còn để tôi lập lại nữa sao?" Long Hi Phượng biến sắc, tức giận quát lớn.

Thu Nguyệt không dám nói gì, vội vàng dùng tay vả miệng mình.

Phương Hạo Vân âm thầm cười lạnh, người đàn bà này quả nhiên không tầm thường.

Nghe hai tiếng bốp bốp vang lên, Phương Hạo Vân và Long Hi Phượng nhìn nhau, không ai nói lời này, bầu không khí có vẻ quái dị.

Dừng lại một hồi, Long Hi Phượng mới nói: "Được rồi, đứng qua một bên, không có sự cho phép của tôi, không được nói nữa."

Sau khi dặn dò Thu Nguyệt, Long Hi Phượng mới quay lại cười nói với Phương Hạo Vân: "Phương thiếu gia, xin lỗi, hạ nhân không biết quy tắc, để cho cậu chê cười."

"Không sao!"

Phương Hạo Vân cười nói: "Sự kiêu ngạo của Xuân Hoa và Thu Nguyệt, tôi đã sớm lãnh giáo rồi. Tôi chỉ có hứng thú là vì sao phu nhân lại muốn gặp tôi. hay là bà muốn báo thù cho gia tộc? Có điều theo tôi thấy công phu của phu nhân không phải là đối thủ của tôi, hẳn là cần nhiều sự giúp đỡ lắm."

"Haha!"

Long Hi Phượng lập tức cười nói: "Phương thiếu gia, tuy rằng cậu làm cho Long gia nhà tan cửa nát, nhưng mà tôi không hề hận cậu. nguyên nhân có hai, thứ nhất, chuyện lần này tuy rằng là do cậu ra tay, nhưng mà là ý của cấp trên, nếu không cậu sẽ không thể thành công. Tiếp theo, tuy rằng tôi là người của Long gia, nhưng mà tôi không còn chút tình cảm nào với Long gia. Long gia có hậu quả ngày hôm nay, trong lòng tôi lại cảm thấy vui vẻ."

"Thật sao?"

Phương Hạo Vân thầm nghĩ, chẳng lẽ Long Hi Phượng bị biến thái, nếu không tại sao lại nói ra những lời này, nói thế nào thì bà ta cũng là người của Long gia mà.

Long Hi Phượng cười thản nhiên, nhẹ giọng nói: "Phương thiếu gia, tôi biết cậu có thể không tin lời nói của tôi, nhưng mà những lời tôi nói đều là sự thạt. những năm gần đây, trong lòng tôi không lúc nào không oán

hận Long gia cả, tôi hy vọng Long gia bị hủy diệt. hôm nay tôi mời cậu đến đây, thật ra là muốn cảm ơn cậu."

"Không rõ!" Phương Hạo Vân lắc đầu.

"Thật ra rất đơn giản, người của Long gia chưa từng coi tôi là người. vì sao tôi không thể oán hận bọn họ." Long Hi Phượng cười tự giễu: "Lúc trước, Long gia vì muốn kết thân với Nam Cung thế gia, đã chia rẻ tình yêu của tôi, hơn nữa còn giết chết người đàn ông tôi yêu thương nhất. Phương thiếu gia, cậu nói xem tôi có nên hận Long gia hay không."

Phương Hạo Vân nghe thấy thế, cũng có vài phần đồng cảm cho Long Hi Phượng, Long gia làm như vậy quả thật là không đúng, có điều, nói đi thì phải nói lại, sinh ra trong một gia tộc như vậy, lẽ ra phải tự hiểu cái gọi là tự hiến thân.

"Phu nhân, chuyện của bà quả thật đáng để đồng tình. bà muốn cảm ơn tôi, bây giờ cũng đã cảm ơn rồi. Nếu không có chuyện gì, tôi nghĩ tôi phải đi. Không dám giấu diếm, tôi còn có chuyện gấp, không có thời gian rãnh ở đây với bà" Phương Hạo Vân vẫn còn đang nghĩ đến chuyện của Bạch Lăng Kỳ và Trương Mỹ Kỳ.

Long Hi Phượng đang muốn nói gì đó, thì nghe thấy điện thoại của Phương Hạo Vân vang lên.

Nhìn màn hình, là số điện thoại của tiểu khu Lam Tâm Hoa Viên, Phương Hạo Vân phỏng chừng là Kỳ và chị Mỹ Kỳ da949 về đến nhà, cho nên gọi điện báo tin cho mình.

Quả nhiên, trong điện thoại truyền ra giọng nói của Bạch Lăng Kỳ: "Hạo Vân, anh ở đâu vậy, em và chị Mỹ Kỳ đã về nhà rồi, nếu anh bận thì thôi, anh cứ giải quyết công chuyện đi, không cần lo lắng cho bọn em."

Phương Hạo Vân ngượng ngùng nói: "Vốn dĩ anh muốn đi đón mọi người. nhưng ai ngờ trên đường gặp vài tình huống. Hai người đói bụng rồi phải không, buổi chiều anh và dì Bạch có làm chút đồ ăn, để trong tủ lạnh, hai người lấy ra hâm nóng lại mà ăn. Buổi tối nếu trước mười giờ mà anh còn chưa trở về thì không cần chờ anh. Hai người cứ nghỉ ngơi trước đi."

"Ừ, anh cẩn thận một chút." Nói xong, Bạch Lăng Kỳ liền cúp điện thoại.

Long Hi Phượng cười nói: "Phương thiếu gia thật may mắn, bạn gái thật ngoan. có bạn gái như vậy, đối với đàn ông mà nói, quả thật là một sự hạnh phúc."

Phương Hạo Vân xoay người lại hỏi: "Bà có thể nghe thấy sao? Xem ra công phu của bà cũng không tệ

604. Chương 31: Độc Phụ Chân Chính

"Lời chúc tết thì đợi đến sang năm hẵng nói!" Phương Hạo Vân cười đùa, ánh mắt không chút kiêng kỵ, nhìn thẳng vào bộ ngực sung mãn của Long Hi Phượng.

Trong mắt của Long Hi Phượng hiện ra một sự chán ghét, chỉ là nhanh chóng khôi phục lại bình thường. Nghiêng người đi đến gần Phương Hạo Vân, nói: "Phương thiếu gia còn chưa nghe tôi nói, sao lại kết luận là tôi sẽ nói mấy lời chúc tết?"

Khi thân mình của Long Hi Phượng đến gần Phương Hạo Vân, thì có một mùi thơm lập tức chui vào mũi của Phương Hạo Vân, mùi rất thơm, chỉ là hơi bị dày đặc.

Phương Hạo Vân nhớ rõ, có người từng nói rằng, nước hoa thường đại biểu cho lòng của phụ nữ, loại nước hoa của Long Hi Phượng dùng, phần lớn đều dành cho những phụ nữ mãnh liệt, dám yêu dám hận.

Đáng tiếc là bà ta lại là quả phụ, thật đúng là châm chọc.

Nghĩ đến đây, Phương Hạo Vân đột nhiên ý thức được một vấn đề, hôm nay Long Hi Phượng mời mình đến, có phải là đại biểu cho Nam Cung thế gia hya không.

Nói tóm lại, cái lý do cảm ơn của Long Hi Phượng hiển nhiên là không đúng. Theo lẽ thường mà nói, cả nhà bị giết, cho dù là trong lòng có thù hận người nhà thế nào, thì cũng không có khả năng đi cảm ơn kẻ

thù được. Trừ phi là tâm lý bị biến thái, mà Phương Hạo Vân mới gặp mặt Long Hi Phượng lần đầu, nói bà ta biến thái, hình như không có khả năng lắm.

Bởi vì vậy, có thể thấy được, người phụ nữ này là nói không đúng lòng.

Nhớ đến biểu tình trước đó của bà ta, Phương Hạo Vân hít sâu một hơi, lòng dạ của bà ta rất sâu đậm, thậm chí là vượt qua cả Kim Phi rồi.

Long Hi Phượng đương nhiên không biết tâm tư của Phương Hạo Vân, thấy Phương Hạo Vân đã có ý ở lại, vội vàng nói: "Phương thiếu gia, không bằng tôi mời cậu uống rượu? Ở chỗ tôi có loại rượu vang cao cấp."

"Phu nhân đã thịnh tình như vậy, nếu tôi từ chối nữa, thì có vẻ không thông nhân tình rồi, không hiểu phong tình đúng không?" Nói xong câu cuối, ánh mắt của Phương Hạo Vân lại đảo qua người của Long Hi Phượng.

Ngay thời khắc đó, Long Hi Phượng liền cảm thấy mình giống như đang cởi hết đồ và bị nhìn trộm vậy, trong lòng có một cảm giác không hiểu.

Cô liền nhận được người tên Phương thiếu gia này chính là một kẻ háo sắc.

Có điều nghĩ lại, hắn có thể lật đổ Long gia, thì hẳn không thể nào lổ mãng được. Có lẽ biểu hiện bên ngoài của hắn là biểu hiện giả dối.

Nghĩ đến đây, Long Hi Phượng cảm thấy mình cũng cần phải làm tốt mới được.

"Đều nói là không phong lưu uổng đời thiếu niên. người giống như Phương thiếu gia đây, vậy càng không cần phải nói"' Long Hi Phượng cố ý nhìn Phương Hạo Vân; "Phương thiếu gia, mời cậu ngồi trước. để tôi đi chuẩn bị rượu."

Phương Hạo Vân hơi gật đầu, ngồi xuống ghế sofa một lần nữa, mở hai tay ra, dựa đầu vào ghế, hơi nhắm mắt lại.

Long Hi Phượng vội vàng kêu Thu Nguyệt lấy chai rượu vang cao cấp ra, Thu Nguyệt trước đó không biết Phương Hạo Vân là ai, cho nên trong lòng cô không cho là đúng.

Nhưng bây giờ, cô đã nghe bà chủ của mình nói chính hắn là người đã hủy diệt Long gia, không khỏi nhìn nhận Phương Hạo Vân lại. Long gia là nhà của phu nhân, Thu Nguyệt đương nhiên là biết thế lực của Long gia như thế nào. Thử nghĩ xem, người có thể hủy diệt Long gia, thì sẽ mạnh đến mức nào.

Nghĩ đến đây, thân mình của Thu Nguyệt không khỏi run lên, Phương Hạo Vân này căn bản là một sát tinh.

"Phương thiếu gia, ly rượu thứ nhất, tôi muốn kính cậu." Sau khi lấy rượu ra, rót đầy ly, Long Hi Phượng đã ngồi xuống đối diện Phương Hạo Vân, tao nhã bưng ly rượu lên, nói: "Ly thứ nhất, xem như tôi cảm ơn cậu. cảm ơn cậu đã hủy diệt Long gia, loại bỏ sự thù hận của tôi mấy năm nay."

Phương Hạo Vân mỉm cười, cầm ly rượu lên, uống cạn một hơi.

Sau đó, hắn cười hỏi: "Phu nhân, sao tôi vẫn cảm thấy bà không thành thật. hôm nay bà mời tôi đến đây, tuyệt đối không phải là cảm ơn đơn giản như vậy chứ? Tôi bận lắm, có việc gì bà cứ nói đi'

Quả nhiên là lợi hịa, Long Hi Phượng thở dài nói: "Phương thiếu gia. Hi Phượng không lừa cậu, hôm nay tôi mời cậu đến đây, đích thật là để cảm ơn. Cậu cũng biết, Long gia đã hủy hoại hạnh phúc cả đời tôi. Bọn họ giết chết người đàn ông tôi yêu đã không nói. nhưng sau khi tôi tiến vào Nam Cung thế gia, cũng không được hưởng cuộc sống của một phụ nữ hạnh phúc. chồng của tôi Nam Cung Hoàng đã trúng độc bỏ mạng ngay trong đêm động phòng. buồn cười, đêm động phòng hoa chúc của người ta đều vui vẻ, còn đêm động phòng của tôi lại đầy máu tươi."

"Phương thiếu gia, cậu nói xem có phải là Long gia đã đẩy tôi vào hố lửa không? Tôi có nên hận Long gia không?" Nói đến chổ đau lòng, trong đôi mắt của Long Hi Phượng thậm chí đã chảy nước xuống.

Phương Hạo Vân không nói gì, Long Hi Phượng này đúng là xui xẻo, ngay trong đêm động phòng mà ông chồng lại lăn đùng ra chết.

Haizzz, cũng là người đáng thương.

Đôi mắt đẹp của Long Hi Phượng nhìn Phương Hạo Vân không chớp, đưa tay lau nước mắt, nhẹ nhàng nói: "Phương thiếu gia, thật xin lỗi, là tôi thất thố, làm cậu chê cười."

Phương Hạo Vân thản nhiên nói: "Phu nhân nghĩ nhiều rồi. thật ra tôi cũng đồng tình với phu nhân lắm. Vốn tôi nghĩ có cái gọi là cốt nhục tình thân, nhưng bây giờ nghe phu nhân nói vậy, người của Long gia đối xử với bà như vậy, bà oán hận bọn họ cũng là phải thôi"

Dừng lại một chút, Phương Hạo Vân nhắc lại: "Phu nhân, nếu bà không còn vấn đề gì để nói, tôi nghĩ tôi nên đi rồi."

Long Hi Phượng nghe thấy thế, trong đôi mắt hiện ra một sự kỳ quái, thầm nghĩ, theo tư liệu thì Phương Hạo Vân là đồ háo sắc mà, mình xinh đẹp gợi cảm như vậy, vì sao hắn lại làm như không thấy, hay là tư liệu sai?

Nghĩ đến đây, Long Hi Phượng cười thản nhiên nói: "Phương thiếu gia xin cứ an tâm, thật ra cậu không cần phải hoài nghi thành ý của tôi. Bởi vì tôi mời cậu đến đây, đúng là muốn tặng cho cậu một lễ vật. nói thật đây là một tin tức tốt. Tôi nghĩ cậu cũng nghe nói, tôi còn có một người anh tên là Long Thần?"

"Long Thần?"

Phương Hạo Vân quả thật biết Long Chiến có một người em, nhưng mà tên là gì thì không biết rõ.

Hắn cười nói: "Sao thế. hắn là thần à?"

"Phương thiếu gia lại nói giỡn rồi." Long Hi Phượng cười nói: "Phương thiếu gia thật sự cảm thấy rằng trên đời này có cái gọi là thần sao? Lùi một bước mà nói, cho dù thế giới này quả thật có thần, thì cũng không phải là Long Thần hắn. Long Thần sở dĩ lấy tên như vậy, cũng bởi vì người nhà họ Long hy vọng hắn sẽ là một vị thần cứu vớt Long gia. chỉ tiến là Long gia đã bị cậu hủy diệt."

Phương Hạo Vân hỏi: "Nghe bà nói như vậy, tôi thấy rằng, hình như Long gia đã sớm nhìn thấy cảnh này rồi!"

"Đương nhiên!"

Long Hi Phượng cười thản nhiên, nói: "Gia tộc chúng tôi tồn tại như vậy, không hợp với xã hội hiện đại, cấp trên đương nhiên không cho phép tồn tại nữa. Long gia chỉ là một khởi đầu mà thôi."

"Thật sao?" Phương Hạo Vân vẫn tiếp tục hỏi: "Phu nhân có đang lo lắng cho Nam Cung thế gia không?"

"Không hề!"

Long Hi Phượng cười tự hào: "Phương thiếu gia vẫn chưa hiểu gì về Nam Cung thế gia rồi. Nam Cung thế gia không giống với Long iga. Nam Cung thế gia đã trở nên trong sạch từ nhiều thế hệ trước rồi. Cấp trên sẽ không đụng đến bọn tôi. Tôi chỉ hy vọng Phương thiếu gia đừng xem tôi là người của Long gia, tôi không muốn là địch với cậu Người như cậu, chỉ có thể là bạn, nếu trở thành kẻ địch, sẽ rất là phiền toái."

Phương Hạo Vân hơi sửng sốt, cuối cùng hiểu được, bà ta làm ra hành động lớn như vậy, thật ra ý tứ rất đơn giản, chỉ là hy vọng mình không tìm bà ta gây phiền toái.

Trên thực tế, Phương Hạo Vân cũng không tính là sẽ gây phiền toái cho bà ta.

Đương nhiên, chuyện này khó mà nói trước được, cũng không ai biết trước.

"Về Long Thần, bà còn cái gì để nói không?" Phương Hạo Vân thản nhiên hỏi.

"Đương nhiên là có. Nếu tôi không đủ thực lực, sao có thể khiến cho Phương thiếu gia làm bạn với tôi?" Long Hi Phượng cười nói: "Long Thần đang ở nước Z."

"Nước Z?" Phương Hạo Vân hơi kinh hãi: "Vốn tưởng rằng lão nhị của Long gia sẽ phát triển tại châu Âu hay châu Mỹ, ai mà ngờ hắn lại ở nước Z, đúng là một bất ngờ"

"Phương thiếu gia, không cần hoài nghi tin tức tình báo của tôi, Long Thần quả thật đang ở nước Z. có điều bây giờ hắn đã xây dựng một lực lượng vũ trang mạnh rồi, muốn đối phó với hắn tại nước Z, quả thật là

không có khả năng. Nếu Phương thiếu gia đồng ý là bạn với tôi, thì tôi có thể giúp cậu dẫn hắn về Hoa Hải để cậu ra tay." Long Hi Phượng cười nói.

Phương Hạo Vân hít sâu một hơi, người đàn bà này quả thật độc ác, Long Thần kia tốt xấu gì cũng là anh trai của bà ta, mà bà ta có thể nghĩ ra một kế hoạch độc ác như vậy.

Quả thật, độc nhất vẫn là lòng dạ đàn bà.

Từ trên người của Long Hi Phượng, Phương Hạo Vân đưa ra một kết luận, nếu không có chuyện gì thì đừng trêu chọc vào người đàn bà này, một khi bà ta nổi điên lên, thì vô cùng khủng bố.

"Ok!"

Phương Hạo Vân không quan tâm đến cái gọi là đồng bọn, hắn chỉ quan tâm đến lợi ích sau khi hợp tác với Long Hi Phượng thôi.

"Cảm ơn!"

Long Hi Phượng giơ ly rượu lên, nói: "Phương thiếu gia, vì tình hữu nghị của chúng ta, vì sự hợp tác của chúng ta, làm một ly."

"Tốt!"

Phương Hạo Vân giơ ly lên, chạm ly với Long Hi Phượng, sau đó uống một ngụm, rồi hỏi: "Phu nhân, làm như vậy đáng không?"

"Haha!"

Long Hi Phượng đương nhiên là biết ý của Phương Hạo Vân, bà ta cười tự giễu: "Vấn đề này tôi đã nghĩ rất lâu rồi, đáp án khẳng định là có, rất đáng giá, rất giá trị. Người của nhà họ Long đã hủy hoại hạnh phúc của tôi, bọn họ tự tay đẩy tôi vào hố lửa. Là bọn họ bất nhân trước, thì bây giờ đừng trách tôi bất nghĩa. Buồn cười, bọn họ vẫn hy vọng là đám cưới này sẽ củng cố địa vị của Long gia, chỉ là khi Long gia gặp nạn, Nam Cung thế gia cũng không thể nào cứu được, đây quả thật là một sự châm chọc."

"Phương thiếu gia, cậu biết không. từng ấy năm đến giờ, đây là lần đầu tiên tôi vui vẻ như vậy. nếu ngay cả Long Thần cũng chết, vậy tôi càng vui vẻ hơn" Long Hi Phượng cười nói: "Phương thiếu gia, chuyện giết Long Thần xin nhờ cậu. Nếu Long Thần có thể chết, tôi xin báo đáp cho cậu."

Đồ điên, người đàn bà này đúng là một kẻ điên.

Phương Hạo Vân là một cô nhi, cho nên hắn luôn hy vọng mình có thể có được anh em, cha mẹ. đối với tình thân, hắn vô cùng coi trọng.

Hắn vẫn luôn hâm mộ những gia đình hạnh phúc.

Chỉ là hôm nay hắn lại thấy được một cảnh khác của gia đình.

Long Hi Phượng này rất đáng giận, nhưng cũng thật đáng thương.

Cái này gọi là người đáng thương tất có chổ đáng giận, chính là đang nói về tình huống của Long Hi Phượng.

Đương nhiên, nói đi thì cũng phải nói lại, đứng trên góc độ của Phương Hạo Vân thì Long Hi Phượng dường như không có gì đáng giận cả, dù sao thì đây cũng là nghiệp chướng của Long gia cả thôi.

"Nếu tình báo của bà không có vấn đề, tôi nghĩ sẽ như bà mong muốn." Chuyện Phương Hạo Vân đối phó với Long Thần là điều tất nhiên rồi, Long Hi Phượng có thể tìm được Long Thần, vậy thì cũng có thể tìm được Long Chiến đã bỏ trốn. Khi bọn họ gặp nhau, thì sớm muộn gì cũng sẽ triển khai trả thù cho Long gia. Lã Thiên Hành đại biểu cho cơ quan quốc gia, cho nên bọn họ không thể trả thù được, và cứ như vậy, người đứng mũi chịu sào chính là Phương Hạo Vân.

Cho nên, mâu thuẫn của Long Thần và Phương Hạo Vân nhất định phải giải quyết.

"Phương thiếu gia, Hi Phượng lấy nhân cách ra bảo đảm, tin tình báo của tôi không có vấn đề. Tôi chờ mong ngày Long gia bị diệt hoàn toàn." Vẻ mặt của Long Hi Phượng dường như đã hơi điên: "Tới ngày đó rồi, Phương thiếu gia có yêu cầu gì, thì Hi Phượng đều đồng ý."

Phương Hạo Vân nghe thấy thế, trong lòng liền sinh ra một suy nghĩ tà ác.

Đương nhiên, cái ý niệm này chỉ vừa xuất hiện liền biết mất.

Phương Hạo Vân vẫn luôn cảm thấy rằng loại đàn bà như Long Hi Phượng ít trêu vào thì tốt hơn, nếu không sẽ gặp phiền toái rất lớn.

"Phu nhân, con đã về." Đột nhiên, Xuân Hoa vốn bị bắt đến cục cảnh sát để điều tra về vụ tai nạn xe bước vào phòng.

Phương Hạo Vân đột nhiên cười, theo hắn thấy, câu hỏi này, giống như là hỏi vì sao lại muốn ăn cơm vậy.

"Phu nhân, câu hỏi của bà tôi không có cách nào trả lời được. bởi vì tôi và bà căn bản không cùng một loại người. tư tưởng của tôi bà không hiểu được, mà tư tưởng của bà, tôi cũng không thể nào hiểu được." Phương Hạo Vân thản nhiên nói.

"Thật không?" Long Hi Phượng cười thản nhiên, cười đến quyến rũ: "Được rồi, không nói những chuyện không có ý nghĩa này nữa."

Phương Hạo Vân nhân cơ hội này đứng dậy nói: "Phu nhân, không còn sớm nữa, tôi nghĩ tôi cũng cần trở về.'

"Còn chút rượu. không bằng uống hết rồi 9di." Long Hi Phượng giữ lại.

"Tôi sợ uống rượu."

"Không sao. nếu Phương thiếu gia thật sự say, tôi có thể chăm sóc cho cậu." Long Hi Phượng cười mị.

"Tôi sợ uống rượu rồi sẽ không giữ được mình, lỡ như khinh nhờn phu nhân thì không tốt." Phương Hạo Vân cười nói.

"Tôi không sợ." Long Hi Phượng đến gần Phương Hạo Vân, nhìn hắn một cái, đưa ngón tay vuốt lên vai của Phương Hạo Vân, buồn bả nói: "Nếu cậu muốn ở lại, tôi sẽ không từ chối."

Phương Hạo Vân nghiêng người tránh ra, cười nói: "Trong nhà còn có vợ đẹp, sao tôi có thể không trở về. phu nhân, bà cứ yên tâm, tôi làm việc làm người đều có nguyên tắc của mình, người khác coi tôi là bạn, thì tôi sẽ đối xử với người đó là bạn. Là địch hay là bạn, hoàn toàn là do đối phương quyết định. về chuyện Long Thần, về tình về lý tôi đều sẽ cố hết sức."

Nói đến đây, Phương Hạo Vân lại nhớ đến chuyện tai nạn xe: "Người bị đụng kia, hy vọng các người có thể giải quyết thỏa đáng. tôi biết, bà sẽ không làm tôi thất vọng, đúng không?"

"Yên tâm đi, tôi biết nên làm thế nào mà"

"Đã như vậy, tôi đây xin cáo từ. sau này còn gặp lại!" Nói xong câu này, Phương Hạo Vân liền xoay người rời đi.

"Người đàn ông này không đơn giản." Đợi khi Phương Hạo Vân đi rồi, trong phòng liền xuất hiện một người đàn ông mặc âu phục màu trắng, ước chừng khoảng ba mươi, dáng người khôi ngô, khuôn mặt tuấn tú, chỉ là trong đôi mắt trong suốt ấy đã có vài phần lo lắng.

"Nam Cung Kiếm. nếu cậu đánh với hắn, cậu có nắm chắc không?" Long Hi Phượng quay đầu lại, thản nhiên hỏi.

"Khó mà nói. em không nhìn thấu hắn." Người tên Nam Cung Kiếm thành thật nói.

"Hắn thật sự lợi hại vậy sao?" Long Hi Phượng hỏi.

"Chị Dâu. nếu không em phái người đi thử thân thủ của hắn. nếu chị muốn em giết chết hắn, em sẽ vui vẻ cống hiến sức lực cho chị." Con mắt lo lắng của Nam Cung Kiếm khi nhìn về hướng Long Hi Phượng, lại tràn đầy sự ôn nhu

"Nam Cung Kiếm. tôi đã nói bao lần rồi, gọi tôi là Thiếu phu nhân, đừng gọi tôi là chị dâu." Long Hi Phượng lớn tiếng quát: "Tôi hy vọng cậu có thể nhớ kỹ lời tôi nói."

"Chị. thiếu phu nhân, em nhớ rồi!" Nam Cung Kiếm vội vã đáp, có vẻ rất tôn trọng Long Hi Phượng.

Dừng lại một chút, Long Hi Phượng căm hận nói: "Chuyện của Nam Cung Hoàng, chẳng lẽ bây giờ còn chưa có kết quả sao? Hai mươi năm rồi, cậu luôn nói cậu truy tìm hung thủ, vì sao đến bây giờ vẫn chưa cho tôi đáp án?"

"Thiếu phu nhân, xin lỗi. mấy năm nay em thật sự đã rất cố gắng, nhưng mà hung thủ năm đó hết sức cẩn thận, hắn không để lại dấu vết gì cả, em không có cách nào điều tra được. xin chị cho em chút thời gian, em sẽ cố hết sức" Nam Cung Kiếm tỏ vẻ áy náy.

606. Chương 33: Lại Là Một Bà Điên

Long Hi Phượng tức giận nói: "Nam Cung Kiếm, tôi hỏi cậu, vì sao cậu không kết hôn thành gia, có phải cậu đang đợi tôi?"

Nam Cung Kiếm nghe thấy thế, hơi kinh hãi, nhất thời không nói điều gì.

Nam Cung Kiếm là em ruột của gia chủ đời trước Nam Cung Hoàng, chính là em chồng của Long Hi Phượng, năm nay ông ta đã bốn mươi hai rồi, vốn dĩ đã sớm thành gia lập thất rồi, nhưng cho đến giờ vẫn chưa chịu cưới vợ. Vì thế, mẹ của Nam Cung Kiếm, lão phu nhân của Nam Cung thế gia Mộc Nguyệt Dung thậm chí tước luôn quyền thừa kế chức vị gia chủ của Nam Cung Kiếm. Nói rằng nếu ông ta không chịu cưới vợ, thì sẽ không cho ông ta thừa kế chức vị gia chủ.

Và Nam Cung thế gia bây giờ là do hai người đàn bà nắm quyền.

Thứ nhất chính là Long Hi Phượng, Thiếu phu nhân của Nam Cung thế gia. Thứ hai chính là lão phu nhân Mộc Nguyệt Dung.

Hai người này không ai chịu nhường nhịn ai.

Lúc đầu, Mộc Nguyệt Dung và Long Hi Phượng còn sống chung rất tốt. Dù sao cũng là Nam Cung thế gia thiếu nợ Long Hi Phượng, chỉ là sau này, Mộc Nguyệt Dung phát hiện ra con trai thứ của mình mê luyến chị dâu của nó, và tuy rằng là lén lút, nhưng ai ai cũng biết.

Trong tình huống như vậy, sự hòa thuận ban đầu đã phát sinh mâu thuẫn.

Mộc Nguyệt Dung kiên trì cho rằng chính Long Hi Phượng đã cố ý dụ dỗ cậu em chồng của mình.

Nhưng mà Long Hi Phượng nhấn mạnh rằng, chính do bản thân Nam Cung Kiếm cam tâm, nếu đã gả cho Nam Cung Hoàng thì tuyệt đối không gả thêm lần nữa. Nếu Nam Cung Hoàng đã chết thì tuyệt đối không tái giá.

Còn Nam Cung Kiếm thì căn bản là mặc kệ hai người, tỏ vẻ rằng mình sẽ sống như vậy, cho đến một ngày chị dâu đổi ý.

Cứ như vậy, Nam Cung Kiếm đã chờ đằng đẳng hai mươi năm.

Mà trong hai mươi năm này, Long Hi Phượng đã lợi dụng thủ đoạn để cướp lấy một số thế lực của Nam Cung thế gia, hơn nữa còn được một đám người ủng hộ, đủ sức chống lại Mộc Nguyệt Dung.

Hai mươi năm trôi qua, thái độ của Mộc Nguyệt Dung cũng đã chậm rãi thay đổi, bà biết thời gian của mình không còn nhiều, mà Nam Cung thế gia tuyệt đối không thể rơi vào tay của Long Hi Phượng.

Bà hy vọng Nam Cung Kiếm có thể thừa kế Nam Cung thế gia, cho nên, bà ta đã nhượng bộ. Chỉ cần Long Hi Phượng đồng ý giao lại quyền lực của Nam Cung thế gia, thì bà sẽ đồng ý hôn sự của Nam Cung Kiếm và Long Hi Phượng.

Chỉ là lời nói của Mộc Nguyệt Dung cũng chỉ là một bên tình nguyện thôi.

Bởi vì Long Hi Phượng từ trước đến giờ chưa từng đồng ý Nam Cung Kiếm.

Từ hai mươi năm trước, tim của Long Hi Phượng đã bị thù hận ăn mòn rồi. Cho đến hôm nay, lòng của bà ta vẫn chỉ có thù hận mà thôi.

Thù hận của Long Hi Phượng không ai biết được cả, bà ta nhiều lần từ chối Nam Cung Kiếm, ngược lại làm cho người của Nam Cung thế gia tôn kính. Bởi vì tất cả thấy rằng, bà làm như vậy, cũng bởi vì Nam Cung Hoàng, thủ tiết cho Nam Cung Hoàng.

Nam Cung Hoàng khi còn sống có nhân duyên không tồi, hơn nữa có rất đông tâm phúc.

phát biểu cái nhìn của mình: "Hạo Vân, người đàn bà Long Hi Phượng này chú có biết. có thế lực rất lớn tại Nam Cung thế gia, thậm chí là vượt qua cả Long gia nữa. Trong hai mươi năm tranh giành, Long Hi Phượng đã thành công tiếp nhận hết tâm phúc của Nam Cung Hoàng, và đủ để chống đỡ với lão phu nhân Mộc Nguyệt Dung rồi. Chỉ dựa vào điều này đã đủ thấy người đàn bà này không đơn giản"

Vương Thế Phi nhíu mày nói: “Chú Trần, Phương thiếu gia, tôi cảm thấy người đàn bà này không phải người tốt”

“Sao lại nói thế?’ Phương Hạo Vân hỏi.

Tuy rằng cho đến giờ, hình bóng của người đó vẫn chưa thoát khỏi hình bóng của Phương Hạo Vân, nhưng mà Phương Tuyết Di tin rằng, đến một ngày nào đó, cô sẽ hoàn toàn từ bỏ được cái suy nghĩ không có đạo đức của mình, và được thỏa mãn trong thế giới ảo tưởng.

"Yêu một người không nên yêu." Phương Tuyết Di nói xong câu đó, liền vùi đầu vào ngực của Phương Hạo Vân. Gió đêm đã làm cho cô cảm thấy đau khổ hơn.

Phương Hạo Vân để cho chị gái dựa vào ngực, trong lòng đang suy nghĩ đến câu nói kia. Có phải là thật không, hắn cũng không thể xác định.

"Chị, em đưa chị trở về. chị cần nghỉ ngơi" Phương Hạo Vân đỡ lấy hai vai của Phương Tuyết Di, nói.

"Ừ, trở về." Tuy rằng Phương Tuyết Di đã say lắm rồi, nhưng mà Phương Hạo Vân vẫn có thể cảm nhận được sự rõ ràng trong lời nói khi nãy của chị.

Ngồi vào xe, Phương Tuyết Di há miệng ra muốn nói cái gì nữa, nhưng không nói ra chữ nào, cả người cô ngã nghiêng về hướng Phương Hạo Vân.

Phương Hạo Vân đành phải nâng chị gái dậy, mang dây an toàn vào.

Về đến nhà, Phương Hạo Vân đỡ Phương Tuyết Di đến phòng khách, nhanh chóng lấy một ly nước ấm, và một viên thuốc giải rượu đến.

Phương Tuyết Di khoát tay: "Không cần uống thuốc. Hạo Vân, hãy nghe chị nói, đầu của chị rất đau, nhưng chị vẫn ý thức được, rất rõ ràng. Chị thích cảm giác này, chị không muốn uống thuốc." Nói xong, cô uống hết ly nước.

Phương Hạo Vân cũng không ép.

Dừng lại một chút, hắn mở miệng hỏi: "Chị, em dìu chị lên nghỉ ngơi, tối nay em sẽ không đi, em sẽ ngủ ở phòng khách, nếu có chuyện gì, chị cứ gọi em."

"Chị không đi được." Phương Tuyết Di lắc đầu: " Chị ngủ ở phòng khách cũng được, chị thật sự không đi được, trừ phi là em ôm chị lên."

"Được rồi!" Phương Hạo Vân không muốn để cho ba mẹ vừa về liền thấy chị gái say rượu, cảm thấy đưa chị lên phòng thì tốt hơn.

Hít sâu một hơi, Phương Hạo Vân đưa tay ôm lấy Phương Tuyết Di say rượu, đi vào phòng của cô, hơn nữa còn đặt lên giường.

Ánh mắt của Phương Tuyết Di trở nên mê ly, vẻ mặt đỏ cừng, bộ ngực lớn của cô phập phồng không ngừng theo nhịp thở. Hai tay cô ôm lấy cổ của Phương Hạo Vân, dường như không có ý muốn buông ra.

Mùi thơm và mùi rượu không ngừng kích thích thần kinh của Phương Hạo Vân, dần dần, hắn đã xuất hiện phản ứng sinh lý.

"Tiểu Hạo Vân dậy rồi. em có phản ứng?" Phương Tuyết Di cười nói.

Cô cố gắng mở to mắt ra, nhìn Phương Hạo Vân, hỏi: "Vì sao em lại có phản ứng. là vì chị sao?"

Phương Hạo Vân đúng là bó tay, đúng là rượu vào làm loạn tính, lời này không hề giả, ngày thường Phương Tuyết Di tuyệt đối không như vậy.

Nói thật, khi Phương Tuyết Di say đã làm cho Phương Hạo Vân có kích thích và hấp dẫn mãnh liệt, tuy rằng hắn cố gắng khống chế tâm lý, nhưng mà phản ứng của cơ thể thì không thể giấu được.

Phương Hạo Vân hít sâu một hơi, hắn không ngừng nhắc nhở mình, tuy rằng hắn không có quan hệ huyết thống với nhà họ Phương, tuy rằng hắn là giả, nhưng mà khi ở đây, hắn đã thật sự xem nơi này là nhà mình rồi.

Dần dần, dưới sự khống chế không ngừng của hắn, phản ứng của cơ thể cũng dần biến mất.

"Chị. chị nên đi nghỉ ngơi đi, em giúp chị pha chén nước ấm." Phương Hạo Vân đứng dậy chuẩn bị rời đi.

609. Chương 36: Xảy Ra Chuyện Lớn

Nếu trước mắt thật sự là chị gái ruột của hắn, thì trong lòng hắn đương nhiên sẽ không xuất hiện ý nghĩ bậy bạ. Nhưng vấn đề là, hắn biết rõ quan hệ của mình và nhà họ Phương.

Nói trắng ra, hắn và nhà họ Phương không có chút quan hệ gì.

Trong một dạng quan hệ bình thường, hắn là một người đàn ông bình thường, hắn không có khả năng không có ý nghĩ khác đối với Phương Tuyết Di.

Đúng lúc này, Phương Tuyết Di lại chủ động buông cổ của Phương Hạo Vân ra, thở dài một tiếng, thu hồi lại vẻ mờ ám trên mặt, yếu ớt nói: "Chị muốn khóc."

Nói xong, Phương Tuyết Di nhẹ giọng nức nở.

Nhìn Phương Tuyết Di đang khóc, Phương Hạo Vân liền mềm lòng, hắn đưa tay lau giúp những giọt nước mắt trên mặt của Phương Hạo Vân, nhẹ nhàng khuyên: "Chị Tuyết Di, nếu lòng chị không thoải mái, thì chị cứ khóc đi, khóc thật nhiều, có lẽ sẽ đỡ hơn."

Phương Tuyết Di khóc một hồi, rồi lại mơ màng nói: "Hạo Vân, em không được được chị buồn khổ thế nào đâu, đã từ lâu lắm rồi, những chuyện trong lòng chị không thể chia xẻ với ai được, từ nhỏ đến lớn, tất cả mọi chuyện chị đều phải tự gánh vác một mình, cho đến bây giờ chị vẫn chưa từng chia xẻ niềm vui hay nổi buồn của mình với người khác. cho đến bây giờ chị vẫn chưa gặp được người đàn ông nào để chị tin tưởng." Phương Tuyết Di nói xong, cảm xúc liền bị kích động, cuối cùng là òa lên.

Phương Hạo Vân nhanh chóng đỡ chị gái đã, ôm lấy chị, vỗ về sau lưng chị, nói: "Chị. đừng kích động. từ từ nói."

"Để chị dựa một hồi." Phương Tuyết Di dựa đầu vào vai của Phương Hạo Vân, nói tiếp: "Hạo Vân, đừng ghét chị. chị không phải là loại hư hỏng. chị rất rõ ràng, cái gì có thể làm, cái gì không thể làm"

"Chị. đừng nói vậy, không ai nói chị là loại hư hỏng cả." Phương Hạo Vân thở dài một hơi. Thật ra, hắn cũng rất đồng tình với Phương Tuyết Di.

Trở thành như vậy, căn bản không phải do lỗi của chị gái.

Cho nên, với một người trưởng thành, nhân tố gia đình là cái quan trọng nhất.

"Chị mệt mỏi quá."

Phương Hạo Vân vốn định nói cái gì đó, nhưng khi hắn cúi đầu xuống phát hiện ra Phương Tuyết Di đã nhắm mắt lại.

Sau khi khóc xong, cô rốt cục đã mệt.

Đặt Phương Tuyết Di xuống giường, đắp chăn xong, Phương Hạo Vân cũng không rời đi. Lần đầu tiên Phương Tuyết Di uống nhiều rượu trắng như vậy, hơn nữa lại đi ra gió, rất dễ bị đau đầu. Hoặc là sẽ khó chịu. Hắn cảm thấy rằng mình cần phải ở lại chăm sóc cho cô.

Nhìn nhìn căn phòng, cuối cùng hắn quyết định ngủ trên ghế sofa.

Đương nhiên cái ghế sofa này khá nhỏ rồi, thế nhưng chỉ ngủ được cũng đã đủ rồi.

Cố gắng thức đến hai giờ sáng, xác định là Phương Tuyết Di đã ngủ rồi, Phương Hạo Vân mời nhắm mắt nghỉ ngơi. Vất vả nãy giờ rồi, hắn cũng rất mệt.

Sáng ngày hôm sau, khi ánh nắng chiếu xuyên qua cửa sổ, Phương Tuyết Di chậm rãi mở mắt dậy, và cảm thấy đầu mình rất đau.

Cô lắc đầu, cố gắng nhớ đến chuyện hôm qua, chỉ là không nhớ ra được nhiều. Cô chỉ nhớ mình cùng ăn cơm với em trai, cùng uống rượu. chuyện kế tiếp thì không nhớ gì cả.

Phương Tuyết Di nhíu mày trầm tư, nhưng không phát hiện ra bây giờ thân thể của cô đã lộ ra trọn vẹn rồi, hơn nữa cái chăn còn bị cô hất xuống đất, thân thể trắng mịn bóng lưỡng của cô hoàn toàn lộ ra dưới ánh nắng.

Phương Tuyết Di không ý thức được mình đang khỏa thân, nhưng không có nghĩa là người khác không thấy.

Phương Hạo Vân nằm trên ghế sofa chậm rãi mở mắt ra, ánh mắt nhìn chằm chằm vào khối thịt trắng bóng ấy. Không phải là do hắn muốn nhìn, chỉ là cái ghế sofa nằm đối diện, chỉ cần mở mắt ra là nhìn thấy rồi.

Hít sâu một hơi, Phương Tuyết Di vội vàng khống chế tâm tình của mình lại, tiếp tục nhắm mắt, giả bộ ngủ.

Hiển nhiên là Phương Tuyết Di vẫn chưa phát hiện ra hắn đã tỉnh.

Có điều, Phương Tuyết Di rất kỳ quái.

Tối hôm qua tuy rằng hắn uống nhiều, nhưng mà hắn không say. Cho nên hắn có thể khẳng định rằng ý thức của hắn vẫn còn rất tỉnh táo. Hắn nhớ rõ là tối qua khi đặt bà chị tiện nghi lên giường thì vẫn còn mặc quần áo, hơn nữa còn đắp chăn cẩn thận nữa. Tại sao khi ngủ dậy thì chăn nằm dưới đất, quần áo trên người thì biến mất.

Nếu như tối qua hắn uống say, thì hắn còn có thể hoài nghi là mình uống say rồi làm ra chuyện cầm thú.

Nhưng, bây giờ hắn thật sự không nghĩ ra, rốt cục là thế nào?

"A!"

Ngay trong lúc Phương Hạo Vân đang suy tư, thì Phương Tuyết Di rốt cục đã ý thức được mình đang nude, mà cách đó không xa là Phương Hạo Vân đang nằm ngủ trên sofa.

Không kịp nghĩ là đã xảy ra chuyện gì, Phương Tuyết Di vội vàng chồm xuống chụp lấy cái chăn che người mình lại.

Sau đó, cô nhìn trộm qua Phương Hạo Vân, phát hiện ra hắn vẫn đang nhắm mắt, hẳn là vẫn còn ngủ say.

Thoáng do dự một chút, cô vội vàng chùm chăn lại, và dùng tốc độ nhanh nhất của cuộc đời để mặc quần áo vào.

Sau khi làm xong, cô thấy Phương Hạo Vân vẫn ngủ, vội vàng nhân cơ hội chạy vào phòng tắm trong phòng, khóa cửa lại, hai tay đặ lên ngực, trong lòng có đủ loại cảm xúc.

Cùng lúc đó, Phương Hạo Vân xác định là bà chị tiện nghi đã rời giường, cũng không còn giả bộ ngủ nữa, nhanh chân chạy ra ngoài, cho đến khi đến phòng khách, tim của hắn vẫn không giảm được tốc độ đập. Tuy rằng trước đó hắn chỉ nhìn thoáng qua, nhưng mà thấy rất rõ ràng. Hắn hy vọng rằng về sau mình có thể quên đi hình ảnh này, chỉ là hình ảnh ấy cứ hiện lên trong đầu hắn.

Phương Hạo Vân không biết sợ trời sợ đất là gì, mà tự nhiên cảm thấy hai má nóng bừng lên.

Sau khi rửa mặt xong, tâm tình lung tung của Phương Tuyết Di cũng dần bình tĩnh lại, co rất khó hiểu, vì sao mình lại nude thế này, và vì sao Hạo Vân lại ở trong phòng mình?

Cô cố gắng suy nghĩ đến chuyện tối qua, rốt cục đã xảy ra chuyện gì?

Chỉ là càng nghĩ càng không nhớ gì cả.

Cô quyết định gọi Phương Hạo Vân dậy, có lẽ hắn sẽ nói ra đáp án cho cô biết.

Nhưng khi cô bước trở vào phòng, phát hiện ra Phương Hạo Vân đã biến mất rồi, Phương Tuyết Di đột nhiên ý thức được một vấn đề nghiêm trọng, có lẽ hắn đã tỉnh dậy trước rồi.

Có lẽ, hắn cũng đã thấy được thân thể của mình rồi.

Nghĩ đến đây, tâm tình vốn hơi bình tĩnh lại trở nên lộn xộn, khuôn mặt ửng đỏ, và càng lúc càng đỏ khắp người.

"Hắn khẳng định là giả bộ ngủ" Phương Tuyết Di có thể xác định điều này. Nếu không thì tại sao khi mình vừa vào trong phòng tắm thì hắn chuồn mất.

Đương nhiên, cái này không quan trọng.

Vấn đề quan trọng nhất là cô muốn biết rõ ràng, tối hôm qua sau khi say rốt cục đã xảy ra chuyện gì, quần áo của cô tại sao lại bị cởi ra?

Mặc đồ vào xong, Phương Tuyết Di thoáng do dự một chút, chuẩn bị đi xuống lầu nhìn. Nếu Phương Hạo Vân vẫn còn, cô phải làm chuyện này rõ ràng.

Cô không muốn vì vậy mà phạm phải sai lầm gì.

Nói thật, tâm tình của Phương Tuyết Di bây giờ vẫn chưa bình tĩnh, chuyện này quả thật là ngoài ý muốn, một chút chuẩn bị cũng không có.

Phương Hạo Vân ngồi trên ghế ở ngoài phòng khách cũng đang rất do dự, bây giờ đi hay không đi, trong lòng hay rất mâu thuẫn.

Có điều cuối cùng hắn quyết định không đi, nếu đã xảy ra chuyện, trốn tránh cũng vô dụng. Hơn nữa tối hôm qua hắn cũng không phạm phải sai lầm gì. Hắn nhớ rõ là đến hai giờ sáng mà Phương Tuyết Di vẫn còn mặc đồ, chăn cũng được đắp kín. T

Về chuyện tại sao đến sáng nó lại biến mất thì hắn không biết.

Hắn cũng muốn biết là, quần áo của Phương Tuyết Di đâu? Và rốt cục là ai làm?

"Chào buổi sáng!"

Mắt thấy Phương Tuyết Di đi xuống cầu thang, Phương Hạo Vân cười chào hỏi. Tuy rằng nhịp tim vẫn chưa ổn định, nhưng bên ngoài cũng không biểu hiện gì cả.

Phương Tuyết Di cũng đã thay bộ đồng công sở, có vẻ duyên dáng yêu kiều, dáng người đúng là khiến cho người ta đầy hứng thú, xinh xắn dễ thương, và vô cùng nóng bỏng.

Ngày thường thì rất bình thường, nhưng hôm nay khi Phương Tuyết Di nhìn thấy dáng người nóng bỏng của bà chị tiện nghi, trong lòng liền cả thấy xúc động.

Và hình ảnh trước đó lại hiện về trong mắt hắn.

Thấy Phương Hạo Vân cứ nhìn chằm chằm mình, tâm tình vốn đã hơi bình tĩnh lại một chút liền trở nên hồi hộp, Phương Tuyết Di đỏ mặt hỏi: "Em dậy khi nào vậy?"

"Vừa mới dậy thôi" Phương Hạo Vân đáp.

Phương Tuyết Di chậm rãi đi đến, ngồi đối diện Phương Hạo Vân, hít sâu một hơi, lấy hết dũng khí ra hỏi: "Hạo Vân, em nói thật cho chị biết, có phải là cái gì em cũng đã thấy hết." Nói đến đây, Phương Tuyết Di vội vàng cúi đầu, mặt cũng ửng đỏ.

Phương Hạo Vân cũng xấu hổ, thoáng do dự một chút, cuối cùng vẫn quyết định thành thật, gật đầu nói: "Chỉ thoáng qua thôi."

"Vậy em còn muốn nhìn bao lâu?" Phương Tuyết Di vừa thẹn vừa giận nói: "Nói cho chị biết, chúng ta rốt cục có làm gì hay không."

Thấy Phương Hạo Vân thừa nhận là có nhìn, Phương Tuyết Di xấu hổ và giận dữ không chịu nổi, hận sàn nhà tại sao không có một cái lổ để cô nhảy xuống. Có điều, nói đi thì phải nói lại, trừ sự xấu hổ và hồi hộp ra, thì cô không có thái độ tức tối vì mình bị nhìn.

Đương nhiên, tối hôm qua đã xảy ra chuyện gì, nhất định phải biết rõ ràng.

"Chị. chị đừng kích động, hãy nghe em nói, tối hôm qua chúng ta uống hết rượu, rồi ra ngoài hóng gió. Lúc trở về em liền chăm sóc cho chị ngủ. Tuy rằng em cũng không biết là tại sao nó lại thành như vậy, nhưng mà em có thể khẳng định, giữa chúng ta tuyệt đối không có xảy ra chuyện gì" Phương Hạo Vân cũng đang cố gắng làm cho mình bình tĩnh lại.

Dừng lại một chút, Phương Hạo Vân đứng dậy nói: "Bây giờ chị mới rời giường, có thể là rất đau đầu, cho nên không cần nghĩ chuyện tối hôm qua. Như vậy đi, em đi trước, lát nữa chị từ từ mà nghĩ"

"Khoan đã!"

Phương Tuyết Di vừa thẹn vừa vội, gọi hắn lại: "Không được đi. em muốn đi cũng được, nhưng phải nói rõ chuyện tối hôm qua."

"Chị, tối hôm qua sau khi trở về, chị rất là say, cho nên em đưa chị lên giường ngủ, rồi ngồi canh đến hai giờ sáng, sau đó em mới ra sofa nghỉ một chút. buổi sáng mở mắt ra liền. đại khái là thế đó, còn vì sao chị bị như vậy thì em cũng đang rất buồn bực. chị, chị nghĩ lại đi, có phải là nửa đêm chị tự cởi không?" Phương Hạo Vân cẩn thận hỏi.

"Cái này." Phương Tuyết Di cũng không biết nên nói thế nào. Đúng là cô có thói quen ngủ lõa thể, ngày thường khi ngủ ngay cả áo ngủ cũng không mặc, nếu nói là do nửa đêm cô tự cởi thì cũng không phải là không có khả năng. bởi vì chuyện này đã từng xảy ra rồi, chỉ là hồi trước mỗi khi cô tỉnh dậy đều nhớ rõ, nhưng chuyện ngày hôm qua lại không nhớ gì hết.

Chẳng lẽ là do uống quá say?

"Được rồi. Hạo Vân, em quên hết những gì đã thấy ngày hôm nay đi. có lẽ thật sự là do chị tự làm." Phương Tuyết Di đoán rằng Phương Hạo Vân tuyệt đối sẽ không nói ra chuyện này.

"Chị. xin lỗi." Phương Hạo Vân nói lời xin lỗi.

"Có gì mà xin lỗi." Phương Tuyết Di cười gượng nói: "Coi như là em nhìn người mẫu khỏa thân thôi. Hạo Vân, nhớ kỹ, chuyện này chỉ có em biết, chị biết, trời biết đất biết thôi."

"Chị, vậy chị nghỉ ngơi đi, em có việc đi trước, khi nào có chuyện gì thì chị gọi điện cho em." Mặc kệ là nói thế nào thì chuyện hôm nay đúng là xấu hổ thật, Phương Hạo Vân cảm thấy hai người bây giờ tạm thời không gặp mặt thì tốt hơn.

Thật ra, bây giờ hắn cũng không dám khẳng định là bà chị tiện nghi sẽ hoài nghi hắn.

Dù sao lúc trước cũng là do hắn có lỗi trước.

Có điều lần đó là do cảm xúc tiêu cực khống chế.

Mà trong lòng của Phương Tuyết Di càng lúc càng có khuynh hướng nghiêng về việc mình tự cởi đồ. Cô đang nghĩ rằng, có phải là mình đã hiểu lầm Phương Hạo Vân không. Cô còn tưởng rằng cô đúng là loại phụ nữ không biết thẹn, không có đạo đức.

610. Chương 37: Kim Phi

"Hạo Vân, con đến rồi à. có ăn sáng chưa?" Ngay trong lúc Phương Hạo Vân và Phương Tuyết Di đang xấu hổ, thì Trác Nhã và Phương Tử Lân mang vào túi đồ ăn từ ngoài cửa đi vào.

"Đúng vậy, con vừa mới đến, chuẩn bị ăn sáng." Phương Hạo Vân không dám đề cập đến chuyện mình say rượu và ngủ chung với Phương Tuyết Di ra, vội vàng nói dối một câu.

Phương Tuyết Di cũng vội vàng thu hồi vẻ nghi hoặc trên mặt, đi đến cầm bữa sáng trong tay ba mẹ, cười nói: "Con cũng vừa rời giường, còn chưa kịp làm bữa sáng, ba mẹ mua đến thật đúng lúc. Hạo Vân, lại đây ăn"

Phương Hạo Vân gật đầu, giúp Phương Tuyết Di dọn bữa sáng phong phú ra.

Trác Nhã và Phương Tử Lân đi rửa mặt, sau một hồi họ cũng đến phòng ăn.

Cả nhà đã lâu rồi không ngồi ăn chung với nhau, cho nên rất là vui vẻ. Có điều trong lòng Phương Tuyết Di và Phương Hạo Vân đều đang có quỷ, cho nên đều không được tự nhiên.

Phương Tử Lân và Trác Nhã cũng nhanh chóng nhận ra vấn đề, hơn nữa Trác Nhã còn muốn mở miệng ra hỏi, chỉ là đến cuối cùng vẫn im lặng.

Mãi cho đến khi bữa sáng chấm dứt, Phương Hạo Vân lái xe rời đi, Trác Nhã mới gọi Phương Tuyết Di vào phòng, nói: "Tuyết Di, chưa đến giờ đi làm, chúng ta nói chuyện một chút đi. Mẹ hỏi con, Hạo Vân không phải mới đến sáng nay đúng không? Mẹ thấy xe nó để trong gara, nếu chỉ đến ăn sáng, vì sao nó lại để xe trong gara. Hạo Vân nói dối mẹ, đúng không? Nói cho mẹ biết, giữa hai đứa rốt cục đã xảy ra chuyện gì."

"Không có gì!"

Phương Tuyết Di âm thầm kinh hãi, năng lực quan sát của mẹ quả thật rất mạnh, có điều chuyện tối hôm qua thật sự không thể để cho mẹ biết, nếu không thì càng dễ bị hiểu lầm.

"Mẹ, nói thật với mẹ đó, Hạo Vân vừa mới đến." Phương Tuyết Di nhíu mày nói: "Sao mẹ lại nghi ngờ? Chẳng lẽ mẹ cảm thấy con và Hạo Vân đang gạt mẹ?"

Phương Tuyết Di vừa nói vậy, làm cho Trác Nhã cứng họng.

Đúng vậy, bà rốt cục là hoài nghi cái gì?

Cho dù bà không tin con gái của mình, thì cũng không thể hoài nghi luôn cả Phương Hạo Vân.

Từ sau khi lên đại học, bà phát hiện ra Phương Hạo Vân dường như đã thay đổi thành một người khác, chẳng những là chững chặc hơn nhiều, hơn nữa còn trưởng thành hơn rất nhiều, là một người biết chừng mực.

Lấy chuyện của Phương Tuyết Di mà nói, đã vài lần nói chuyện với nó, Trác đều cảm thấy rằng đứa con này vô cùng hiểu lý lẽ. Theo lý mà nói, bên nó hẳn là không có vấn đề gì cả.

Nhưng mà chuyện ngày hôm nay, rõ ràng là Phương Hạo Vân đang nói dối. Mà Phương Tuyết Di cũng giúp nó che dấu, nếu nói giữa hai đứa không có chuyện gì, bà không tin.

"Mẹ, thời gian không còn sớm nữa. Trong công ty còn nhiều chuyện chờ con xử lý, con đi trước, có việc gì buổi tối chúng ta về rồi nói sau." Thừa dịp Trác Nhã sửng sờ, Phương Tuyết Di vội vàng đánh bài chuồn.

"Tuyết Di." Trác Nhã vội hô một tiếng, đuổi theo, nói: "Tuyết Di, mẹ xin lỗi. mẹ không nên hỏi con như vậy. đừng nói cho Hạo Vân biết."

"Dạ!"

Phương Tuyết Di gật đầu, cố gắng mỉm cười, nói: "Mẹ, mẹ đừng lo lắng, con không có xảy ra chuyện gì đâu. con đã trưởng thành rồi, con biết cái gì nên làm và cái gì không nên làm"

"Mẹ tin tưởng con!" Trác Nhã gật đầu nghiêm túc.

Phương Hạo Vân lái xe đến tập đoàn Đằng Phi, nửa đường hắn vô tình gặp phải Kim Phi, cách ăn mặc của Kim Phi rất giống với Phương Tuyết Di, cũng là một bộ váy công sở màu vàng nhạt, có vẻ thanh xuân cùng khí chất, nhất là hôm nay còn mang theo cả một cặp mắt kính màu vàng, càng tăng thêm vài phần quyến rũ nữa.

Phương Hạo Vân âm thầm lấy Kim Phi ra so sánh với Phương Tuyết Di, phát hiện ra chị gái đẹp hơn một chút. Bởi vì cái đẹp của chị là do tự nhiên mà thành, còn Kim Phi thì dùng đồ trang điểm mới có được.

Đương nhiên, nếu so về dung mạo, Kim Phi cũng là một mỹ nữ, chỉ là không đến loại xuất chúng mà thôi.

Phương Hạo Vân nhớ rất rõ ràng, lần đầu tiên nhìn thấy Kim Phi tại tập đoàn Trần thị, thân thể của cô dường như chưa hoàn mỹ, nhưng dung nhan cũng coi như là không tồi rồi.

Ít nhất là trong thương giới cũng có thể coi là mỹ nữ rồi.

Phải biết rằng, hiện thực rất khác với phim và truyện, không phải nói những người phụ nữ thành công trong thương trường đều xinh đẹp. Cái đó rõ ràng là nói nhảm.

Theo Phương Hạo Vân quan sát, bình thường mà nói, những người được gọi là người phụ nữ mạnh nẽ, thường có diện mạo không xuất chúng. Bởi vì ông trời rất công bằng, đã cho một cái đầu tốt rồi, thì không có khả năng cho thêm dung mạo và dáng người nữa.

Đương nhiên, ngoại lệ thì cũng có, ví dụ như Trương Mỹ Kỳ, Phương Tuyết Di vậy.

Nhưng mà, dù sao cũng rất ít.

Cho nên, dung nhan trước đó của Kim Phi, chỉ có thể gọi là mỹ nữ thôi. Sau này lại có quan hệ với Phương Hạo Vân, cô bắt đầu tập thể hình, giảm béo, thậm chí là bớt dùng đồ trang điểm đi.

Sau một thời gian cố gắng, dường như cô đã thay da đổi thịt vậy, tuyệt đối có thể gọi là siêu cấp mỹ nữ.

"Kim tổng, sáng sớm không đi làm à, sao lại đến đây đi dạo?" Phương Hạo Vân cười hỏi.

"Không phải là đi dạo, tôi đến đây vì cố ý chờ cậu, tôi muốn được ngồi trên chiếc Lamborghini của cậu, tôi muốn cảm thụ chiếc xe thể thao trị giá một triệu Euro này." Kim Phi cười nói: "Thế nào, có thể đưa tôi đi một vòng không?"

"Haha!"

Phương Hạo Vân mở cửa xe, để cho Kim Phi vào nồi, lập tức cười hỏi: : "Kim Phi, tôi thấy cô hình như nói không đúng ý, cô không phải là muốn đến ngồi xe, mà là muốn đến ngồi người"

Kim Phi liếc hắn một cái, cười nói: "Cậu thật thông minh. không sai, tôi nhớ cậu. lý do này cậu hài lòng chưa?"

"Cô nói thật là tốt rồi!"

Ánh mắt của Phương Hạo Vân nhìn lướt qua bộ ngực của Kim Phi, cười mờ ám: "Có phải là muốn uống sữa không?"

"Ừ!"

Kim Phi không hề che dấu dục vọng của mình, cúi người xuống, lấy cái thứ cứng cứng ấy ra, bỏ vào miệng mà mút, không chút lãng phí.

Mà lúc này, Phương Hạo Vân cũng tận tình hưởng thụ, hỏi: "Cô thật sự muốn từ bỏ tập đoàn Hồng Tinh do một tay cô gầy dựng sao?'

"Là thật, tôi đã nghĩ rất rõ ràng rồi. Phương thiếu gia. có điều tôi muốn giữ lại bốn mươi phần trăm cổ phần của tập đoàn Hồng Tinh." Kim Phi thản nhiên nói.

"Không có vấn đề gì" Ngón tay của Phương Hạo Vân dừng lại trên cổ của cô, hỏi: "Cô xác định là mình không hối hận. tôi phải nhắc nhở cô, một khi bắt đầu, thì cô sẽ không còn đường lui!"

"Không hối hận!"

Kim Phi cắn môi, nói: "Tôi rất cô đơn. cô nên tôi muốn một cuộc sống oanh oanh liệt liệt. khoái cảm giết chóc có thể làm trấn an được tâm tình cô đơn của tôi."

"Lỡ như cái cô lựa lại là đường chết?" Phương Hạo Vân hỏi.

Kim Phi nghe thấy thế, trên khuôn mặt không hề lộ ra một chút gì gọi là hoảng sợ, thản nhiên trả lời: " Vấn đề này tôi đã nghĩ kỹ rồi, nhưng tôi không hối hận. Chết còn tốt hơn so với cuộc sống không có cảm xúc gì. Phương thiếu gia, tôi chỉ hy vọng có nhiều thời gian ở bên cạnh cậu."

Phương Hạo Vân cười cười, nói tiếp: "Cô cần nhiều cơ hội để giết tôi, trả thù tôi sao?"

"Không phải!" T saO mỆ K n. cậ

"Hèn chi." Hà Thanh thì thào: "Hai ngày trước, người phụ trách theo dõi Long Chiến báo cáo, Long Chiến đã nhập cư đến nước Z, sau đó liền không còn tin tức gì, xem ra ông ta đã tìm được Long Thần."

"Phương thiếu gia, cảm ơn tin tức của cậu." Hà Thanh muốn đem điều này báo lại cho ông chủ lớn, để nghiên cứu về hành động tiếp theo.

"Sao chỉ cảm ơn thôi? Không bằng lấy thân báo đáp đi" Phương Hạo Vân cố ý nói.

Nhìn nhìn nụ cười mờ ám của hắn, Hà Thanh lập tức xích lại, nói nhỏ vào lổ tai hắn: "Không phải là cậu không có hứng thú với tôi sao?"

"Tuy rằng cô không được tốt, nhưng mà ngẫu nhiên đổi khẩu vị cũng tốt. Coi như là giải trí." Phương Hạo Vân cười xấu xa.

"Nghe đây, tôi cảnh cáo cậu. tôi không phải là loại đàn bà tùy tiện, nếu cậu dám làm bậy, tôi sẽ đá bể hai hòn của cậu." Hà Thanh hung hăng nói.

Phương Hạo Vân nghe thấy thế, lập tức cười nói: "haha, không tồi, rốt cục đã khôi phục lại bản sắc của cô, tôi còn tưởng rằng cô đang muốn dùng mỹ nhân kế với tôi chứ."

Dừng lại một chút, ánh mắt của Phương Hạo Vân dừng lại trên cổ áo của Hà Thanh: "Lần sau mặc cổ áo cao lên một chút, giống như hôm nay, lộ hàng ra hết trơn, rất dễ làm cho người ta hiểu lầm.'

Hà Thanh nghe thấy thế, mặc đỏ lên, liếc nhìn Phương Hạo Vân một cía, vội vàng xoay người rời đi…

Gió đang nổi lên, sắc trời hơi đổi, có vẻ như sắp có bão rồi, Nguyệt Như đang đứng trong hoa viên, cúi người xuống ngắt một nhành hoa, có vẻ rất là hưởng thụ.

"Ầm!"

Một tiếng sấm vang lên, một tia sét đánh xuống, và những giọt nước tí tách rơi xuống. Nguyệt Như không rời khỏi hoa viên để trú mưa, mà chỉ đứng lẳng lặng ở đó, giơ hai tay ra, hưởng thụ cảm giác mát mẻ do trận mưa mang đến.

Trời càng lúc càng tối dần, mây đen che phủ bốn phía, làm cho bầu trời trở nên tối đen.

Giữa cơn mưa, toàn thân của Nguyệt Như đã bị ướt sũng, cô chậm rãi đi ra khỏi hoa viên, ánh mắt dường như không nhìn về phía trước, có vẻ đang có tâm sự.

"Bà Jones, tối nay bà có đến không?" Nguyệt Như nhìn cửa lớn, tự thì thào một mình. Sau đó, cô chậm rãi đi về biệt thự cách đó không xa.

612. Chương 39: Ám Sát Nguyệt Như

Cô đẩy cửa ra, dừng chân lại, dùng chân khí trong người làm khô quần áo bị thấm ướt, sau đó, cô mới đi vào trong. Cách bài trí trong phòng rất xa hoa, sang trọng, làm cho người ta có cảm giác như đang ở cung điện vậy.

Bây giờ, trong một có một người đàn bà đang đưa lưng về hướng cửa, lẳng lặng nhìn ra ngoài cửa sổ, không hề cử động, và trong phòng rất là tịnh mịch.

"Là bà Jones sao?" Nguyệt Như nhẹ giọng hỏi, từ dáng người và quần áo thì người này dường như chính là bà Jones, nhưng Nguyệt Như vẫn cảm thấy có cái gì đó không đúng.

Đúng lúc này, người đàn bà kia đột nhiên quay người lại, tay cầm một tay kiếm, đâm thẳng tới không tạo ra một tiếng động.

Nguyệt Như mặc dù kinh ngạc nhưng không hoảng loạn, lắc tay một cái, cũng đã nắm chặc một thanh đao.

"Keng!" Tiếng kim loại va chạm vào nhau, người đàn bà kia lăn một vòng rồi lại nhào đến, đâm thẳng vào bụng của Nguyệt Như.

Nguyệt Như cười lạnh một tiếng, đao trong tay bổ xuống, ánh đao chợt lóe lên trong phòng.

“Xoẹt!” Một tiếng, người đàn bà kia không kịp tránh, bị đao chém qua một đường, máu tươi liền phun ra.

“Là ai?” Nguyệt Như lạnh lùng quát: “Vì sao lại giả dạng thành bà Jones đến giết tôi, bà rốt cục là ai?”

“Là người muốn mạng của mày.” Bà ta lạnh giọng quát một tiếng, sau đó ném ra một vật hình tròn, nơi này lập tức phát ra một tiếng nổ, và khói bụi nổi lên bốn phía, Nguyệt Như vội vàng lui về sau, mà người đàn bà kia cũng thừa dịp hỗn loạn nhảy ra ngoài cửa sổ.

Nguyệt Như đang muốn đuổi theo, thì chợt nghe thấy giọng nói của bà Jones: “Tiểu thư không cần đuổi, bà ta chết chắc rồi.”

Xoay người lại, Nguyệt Như phát hiện ra người đứng sau lưng mình đích thật là bà Jones: “Bà, bà đến khi nào vậy, rốt cục đã xảy ra chuyện gì?”

“Đừng gấp, lát nữa bà sẽ nói cho con biết.” Bà Jones bước lại gần cửa sổ, nhìn bầu trời mưa bên ngoài, thản nhiên nói: “Nếu bà đoán không sai, đây là kẻ địch của Edward Morgan”

Hơi thở của cô làm cho tai của Phương Hạo Vân rất ngứa, làm cho tâm lý của hắn bị lung lay.

Đương nhiên, cái này vẫn chưa phải là vấn đề mấu chốt.

Điểm chết người nằm ở chổ là Hàn Tuyết Nhi cứ cử động đùi, cố ý va chạm vào Tiểu Hạo Vân của hắn. Hành động như vậy đối với đàn ông mà nói, quả thật chính là sự hấp dẫn giết người.

Trong giây phút đó, hô hấp của Phương Hạo Vân cũng trở nên trầm trọng, hắn nhíu mày, vất vả nói: "Tuyết Nhi, đừng lộn xộn. chú Hàn và dì đang ở ngoài cửa, lỡ như để bị thấy thì không tốt lắm." Nếu như là trước đây thì sợ rằng Phương Hạo Vân đã điên cuồng với cô một lần rồi.

Nhưng mà, bây giờ hắn đã đồng ý với Hàn Tuyết Nhi, và lời hứa kia chẳng còn giá trị gì cả.

Hơn nữa, quan hệ của hắn với Hàn gia cũng không tồi, trong tình huống như vậy, hắn không muốn đi làm cầm thú. Cho dù hôm nay phóng túng một lần, thì sau này hắn sẽ phải đối mặt với Hàn Tuyết Nhi thế nào, đối mặt với ba mẹ của cô thế nào?

"Anh Hạo Vân, Tuyết Nhi không lộn xộn. em thật sự muốn làm tình nhân của anh. em không cần anh chịu trách nhiệm, em không cần anh hứa, em chỉ muốn làm người tình bên cạnh anh thôi." Đôi tay của Hàn Tuyết Nhi vẫn ôm chặt lấy cổ của Phương Hạo Vân, sợ hắn sẽ bỏ đi mất.

Phương Hạo Vân hít sâu một hơi, vẫn cố gắng xua đuổi tà niệm trong đầu.

"Tuyết Nhi, hãy nghe anh nói, bây giờ em còn nhỏ, có nhiều chuyện em vẫn chưa thể đưa ra lựa chọn chính xác. nếu anh đáp ứng em, chính là làm hại em. Anh hứa với em, chờ sau khi em tốt nghiệp đại học, nếu em còn suy nghĩ này, anh sẽ xem xét"

'Không, em đã không thể chờ đến lúc đó." Hàn Tuyết Nhi vươn lưỡi ra, nhẹ nhàng liếm lên vành tai của Phương Hạo Vân, đồng thời, đùi của cô vẫn tiếp tục ma sát, kích thích Phương Hạo Vân.

Phương Hạo Vân bị hành động này làm cho phấn chấn đến cực đểm, cảm xúc tiêu cực trong lòng nhân cơ hội này mà hành động, dần dần, hô hấp của hắn cũng trở nên dồn dập. Vốn, bàn tay của hắn định đẩy Hàn Tuyết Nhi ra, chỉ là không biết tại sao nó lại đặt lên đùi của Hàn Tuyết Nhi, nhẹ nhàng vuốt ve.

Hàn Tuyết Nhi thấy anh Hạo Vân đã chủ động, tim lập tức đập nhanh hơn, hồi hộp vô cùng. Thân thể cũng vì sự hồi hộp mà run lên, khẽ rùng mình vài cái.

Có điều, trong lòng cô, thật sâu trong lòng cô lại có một sự chờ mong.

"Anh Hạo Vân. Tuyết Nhi nguyện ý giao tất cả cho anh." Hàn Tuyết Nhi chậm rãi nhắm mắt lại, buông Phương Hạo Vân ra, mặc cho hắn làm.

Trong đầu của Phương Hạo Vân bây giờ đang có một cảnh đánh nhau giữa lý trí và dục vọng.

Cuối cùng, lý trí giành chiến thắng, và hắn liền đẩy Hàn Tuyết Nhi ra, chạy nhanh vào phòng vệ sinh, mở nước lạnh ra rửa mặt cho tỉnh táo.

Nghe tiếng nước chảy trong phòng vệ sinh, Hàn Tuyết Nhi khóc không ra nước mắt, vốn cô đã lấy hết dũng khí ra rồi, chỉ là đến thời khắc cuối cùng hắn lại tha cho cô.

Trong lòng Hàn Tuyết Nhi có một cảm giác chua xót không nói nên lời, khuôn mặt vốn ửng đỏ đã trở nên ảm đạm không gì tả được. Chậm rãi ngồi xuống mép giường, nước mắt nhẹ nhàng rơi xuống.

Rửa mặt một hồi, dục vọng trong lòng Phương Hạo Vân cũng đã biến mất, và tiểu Hạo Vân lại đi ngủ.

Sau một hồi, hắn đi ra khỏi phòng vệ sinh, nhìn vẻ tủi thân của Hàn Tuyết Nhi, liền nói: "Tuyết Nhi, chúng ta đang chơi với lửa. binh tĩnh một chút, hay là em đi rửa mặt đi?"

Hàn Tuyết Nhi lắc đầu: "Em không cần rửa mặt. em không sao, anh Hạo Vân, xin lỗi, là em sai. Là em tình nguyện. anh mắng em đi"

Nói xong, Hàn Tuyết Nhi bắt đầu nức nở.

Phương Hạo Vân thở dài một tiếng, đi qua, nâng khuôn mặt đầy nước mắt của Hàn Tuyết Nhi lên, cười khổ nói: "Tuyết Nhi, đừng như vậy. anh biết em là một cô gái tốt. nhưng mà."

"Không. đừng nói như vậy, em không cần làm người tốt." Hàn Tuyết Nhi lắc đầu: "Anh Hạo Vân, em tình nguyện nghe anh nói em là một cô gái hư hỏng. Em chỉ muốn ở cùng một chổ với anh, em không cần làm người tốt, không cần."

Phương Hạo Vân cười khổ không thôi, không ngờ rằng lời nói vô tình của mình lại làm cho Hàn Tuyết Nhi xúc động mạnh như vậy. Hắn tuyệt đối không cố ý, hắn thề với trời đất là hắn không cố ý.

Phương Hạo Vân nhún vai, nói: "Tuyết Nhi, em đừng kích động, thả lỏng cảm xúc ra. Anh nghĩ em đã hiểu lầm ý của anh rồi, anh không phải là muốn em làm người tốt, anh chỉ hy vọng em có thể dùng lý trí để suy nghĩ tốt chuyện này"

"Tuyết Nhi, bài vở của em có chổ nào không hiểu, để anh coi giúp em?' Phương Hạo Vân cố ý đổi đề tài, thay đổi lực chú ý của cô đi.

Hàn Tuyết Nhi ngồi ngơ ngác trên mép giường một hồi, cuối cùng thở dài yếu ớt, nói: "Anh Hạo Vân, vậy anh giúp em học tiếng Anh đi"

"Tốt!"

Nói về mấy môn khác, Phương Hạo Vân không dám khẳng định, nhưng nói đến tiếng Anh thì hắn nắm chắc tuyệt đối. Ba năm sống ở Luân Đôn không phải để chơi.

Hàn Tuyết Nhi lặng lẽ đứng dậy, lấy cuốn sách giáo khoa tiếng Anh trong cặp ra, đưa cho Phương Hạo Vân, ngồi xuống bên cạnh hắn, ngắm nhìn hắn mở sách ra.

"Tuyết Nhi, ngữ pháp của em không tốt, hay là phát âm có vấn đề?" Phương Hạo Vân thấy Hàn Tuyết Nhi ngoan ngoãn hơn rất nhiều, còn tưởng rằng lời nói của mình có hiệu quả, trong lòng lập tức thoải mái không ít.

"Đều không tốt!"

Thật ra thì không phải tiếng Anh của Hàn Tuyết Nhi không tốt, chỉ là lần kiểm tra trước, bởi vì trong lòng của chỉ nghĩ đến Phương Hạo Vân, cho nên mới không phát huy tốt, dẫn đến thành tích cũng không tốt. Nếu cho cô một cơ hội nữa, và lòng cô bình tĩnh lại, tuyệt đối sẽ không kém như vậy. Còn việc cô nói tiếng Anh mình không tốt, cũng chỉ vì muốn lấy cớ, cố gắng giữ Phương Hạo Vân lại, không hơn!

Khả năng phát âm của Phương Hạo Vân rất tốt, nhất là ba năm ở Thiên Đạo, dưới sự dạy dỗ của Nguyệt Như và dì Bạch, hắn đã học rất nhanh, rất tốt.

"Như vậy đi, chúng ta cùng xem bài của mấy ngày trước, nếu có chổ nào không hiểu, em cứ hỏi anh" Phương Hạo Vân thản nhiên nói.

Hàn Tuyết Nhi đột nhiên ôm lấy cánh tay của Phương Hạo Vân, nhỏ giọng nói: "Anh Hạo Vân. em không muốn làm em gái của anh, em muốn làm tình nhân của anh. em đã nghĩ rồi, em thật sự không muốn làm em gái, em chỉ muốn làm tình nhân thôi, em không cần mấy cái khác, em thật sự không cần."

Phương Hạo Vân lại cảm thấy nhức đầu, vốn tưởng rằng Hàn Tuyết Nhi đã nghĩ thông suốt, ai dè trong lòng cô lại cố chấp như vậy.

"Tuyết Nhi, sao em lại nghĩ như thế, em còn trẻ, sau này còn có tương lai, sao em lại muốn làm tình nhân của anh." Phương Hạo Vân thầm nghĩ, nếu lời này của Hàn Tuyết Nhi mà để cho vợ chồng Hàn Sơn nghe được, khẳng định là cả hai sẽ lên cơn nhồi máu cơ tim ngay. Làm ba làm mẹ, ai mà không muốn con gái của mình có được một cuộc hôn nhân tốt.

Ánh mắt của Hàn Tuyết Nhi đã rất ảm đạm, thản nhiên nói: "Anh Hạo Vân, em thật sự không ngại, chỉ cần được ở với anh, em căn bản là không ngại cái gì, em cũng không cần danh phận, thanh danh."

"Tuyết Nhi, đừng nói bậy nữa. em biết không? Nếu những lời nói của em mà để cho ba mẹ em biết, bọn họ sẽ đau khổ cỡ nào. Nếu em không muốn làm ba mẹ em tức chết, thì đừng nói những lời vô liêm sỉ này nữa."

Đôi mắt vốn long lanh của Hàn Tuyết Nhi đã không còn một tia sáng nào cả, cô lại khóc lớn: "Vì sao vì sao chúng ta không thể ở cùng một chổ. anh Hạo Vân, anh nói cho em biết vì sao đi. Không làm tình nhân cũng được, chỉ cần anh đồng ý, cho em ở cùng một chổ, em đã cảm thấy mỹ mãn rồi."

Phương Hạo Vân do dự một hồi, rồi trịnh trọng nói: "Tuyết Nhi, Phương Hạo Vân anh tuy rằng không phải là người tốt gì, nhưng anh làm người luôn có giới hạn. Anh thừa nhận, ở cùng với em, anh rất vui vẻ, thoải mái. Nhưng mà em hẳn là cũng biết, anh đã có người yêu, và không chỉ là một người. cho nên, quan hệ của chúng ta, chỉ có thể làm bạn thôi, không hơn"

615. Chương 42: Sói Đội Lốt Cừu

"Im miệng!"

Phương Hạo Vân liền không vui, nói: "Em càng lúc càng quá đáng. bây giờ em căn bản không hiểu cái gì gọi là yêu, cái gì gọi là tình cả. chuyện quan trọng của em bây giờ chính là học tập. Muốn yêu đương thì cùng phải chờ em trưởng thành, hiểu được cái gì gọi là tình yêu, thì mới có thể bắt đầu. Hơn nữa đàn ông vĩ đại hơn anh trên đời này còn rất nhiều, em cần gì phải tự làm khổ mình?"

Những lời mà Phương Hạo Vân nói, Hàn Tuyết Nhi đều hiểu được.

Nhưng, hiểu là một chuyện, có làm được hay không lại là một chuyện khác.

Nếu ở trong tình huống khác, Hàn Tuyết Nhi có thể lý luận với người khác về chuyện này. Nhưng mà, nó diễn ra trước mặt cô, cô không thể nào nói gì được.

Cái này gọi là người ngoài cuộc thì rõ, người trong cuộc thì mù đường.

Rất nhiều vì vì cái còi của mình mà trả giá quá lớn.

Người ở ngoài nhìn vào, thì thấy người trong cuộc thật là ngu ngốc, nhưng mà trong lòng bọn họ không biết rằng, nếu đổi lại là họ thì họ có được tốt hơn không? Góc độ nhìn nhận vấn đề khác nhau, cảm giác cũng sẽ khác nhau.

Không phải cũng có câu nói sao, đau cũng là một niềm vui.

"Anh Hạo Vân. em. em thật sự không thể khống chế tình cảm trong lòng em." Đôi mắt của Hàn Tuyết Nhi lại ngập nước rồi, thời kỳ trưởng thành nảy mầm, làm cho cô không thể thu lại được tình cảm dành cho một kẻ mà cô rất hận. Mặc kệ là nói thế nào thì hình tượng anh hùng của Phương Hạo Vân đã khắc rất sâu trong lòng cô rồi.

Nước mắt trong suốt, chậm rãi chảy dài xuống hai bên má, một giọt, hai giọt. chậm rãi rơi xuống đất. Làm cho tim của Phương Hạo Vân đau không chịu nổi.

"Anh Hạo Vân. ôm em một lần nữa được không?" Hàn Tuyết Nhi dùng giọng nói cầu khẩn, nói với Phương Hạo Vân: "Anh Hạo Vân, coi như em cầu xin anh, anh ôm em một lần này nữa thôi. Sau khi ôm xong, em tuyệt đối sẽ không dây dưa với anh nữa, em sẽ nghe lời anh, mau mau trưởng thành."

Cảm nhận được sự chân tình, Phương Hạo Vân thở dài. Đi qua dùng tay trái ôm lấy eo nhỏ của cô, đưa tay phải lên lau nước mắt trên mặt cô, an ủi: "Đừng khóc, khóc sẽ không đẹp đâu."

"Dạ. anh Hạo Vân, em nghe lời anh." Hàn Tuyết Nhi gật đầu, hai tay ôm lấy eo hắn, đưa đầu tựa vào ngực hắn, nhẹ nhàng ngừng tiếng nức, cảm thụ hơi thở và nhịp tim của hắn.

"Tuyết Nhi, Hạo Vân, có muốn ăn dưa hấu ướp lạnh không?"

Đúng lúc này, Tần Tú Văn vui vẻ đẩy cửa phòng ra, chỉ là khi thấy con gái và Phương Hạo Vân ôm nhau, liền hóa thành đá.

Phương Hạo Vân và Hàn Tuyết Nhi liền tách ra theo bản năng.

"Hai đứa. hai đứa. hai đứa đang làm gì thế?' Tần Tú Văn hầu như muốn té ngửa xuống đất, tình cảnh trước mắt giống như là tia sét đánh xuống đầu bà, làm cho ba nhất thời không biết nên nói gì.

"Mẹ" Hàn Tuyết Nhi dường như cũng ý thức được sự nghiêm trọng của vấn đề, vội vàng đi qua ôm lấy cánh tay của Tần Tú Văn, nói: "Mẹ hiểu lầm rồi, bọn con không có gì cả. bọn con chỉ là."

"Im miệng!"

Phản ứng của Tần Tú Văn dường như rất hơi quá khích, bà căm tức nhìn Hàn Tuyết Nhi, tức giận nói: "Mày. mày đúng là làm tao thất vọng, sao mày lại có thể làm ra chuyện này. Mày. mày cút ngay cho tao, tao không có đứa con gái như mày, mày làm tao tức chết."

"Dì Tần. dì đừng nói giận, nghe con giải thích, dì nhất định đã hiểu lầm rồi" Phương Hạo Vân giữ Hàn Tuyết Nhi sắp tông cửa bỏ chạy, giải thích với Tần Tú Văn: "Dì, con và Tuyết nhi không có chuyện gì cả, xin dì tin tưởng con."

"Tôi không tin cậu, mời cậu cút đi Hàn gia chúng tôi không chào đón cậu, bây giờ cậu lập tức cút đi cho tôi." Tần Tú Văn dường như đã mất hết lý trí.

Phương Hạo Vân lập tức không vui, bà mẹ nó, bố có lòng tốt đến dạy kèm cho con gái của mấy người, rõ ràng đã sắp an ủi khuyên bảo thành công rồi, lại xảy ra chuyện ngoài ý muốn như vậy.

Ngoài ý muốn thì ngoài ý muốn, nhưng mà Tần Tú Văn không biết phân biệt tốt xấu sao, không biết nhìn xem đã xảy ra chuyện gì sao?"

"Dì Tần. con hy vọng dì có thể bình tĩnh một chút, mời dì nghe rõ sự thật rồi hãy nổi giận được không?" Phương Hạo Vân nhẫn nại khuyên.

"Sự thật?'

Tần Tú Văn lập tức cười lạnh, thầm nghĩ: Cái gì mà sự thật nữa, sự thật chính là cậu đang dụ dỗ con gái của tôi. Nghĩ đến đây, Tần Tú Văn như muốn nổi điên lên, vốn tưởng rằng đứa nhỏ Hạo Vân này không tồi, kết quả lại phát hiện ra, nó chính là sói đội lốt cừu.

"Phương Hạo Vân, cậu làm tôi rất thất vọng." Tần Tú Văn quát lạnh một tiếng: "Từ hôm nay trở đi, nhà của chúng tôi không hoan nghênh cậu nữa. mời cậu rời đi."

Hàn Tuyết Nhi bây giờ cũng đang hoảng sợ không thôi, đứng đơ ra đó, nhìn mẹ và anh Hạo Vân cãi nhau, không dám nói lời nào.

"Dì Tần, dì cũng làm con rất thất vọng."

Nói đến đây, Phương Hạo Vân quay đầu lại nhìn Hàn Tuyết Nhi, nói: "Tuyết Nhi, tự chăm sóc mình nha, gặp lại."

"Anh Hạo Vân, đừng đi!" Hàn Tuyết Nhi liền chạy đến ôm lấy Phương Hạo Vân, cô không muốn hắn rời đi như vậy.

"Đồ vô liêm sỉ, mày còn muốn tao tức chết sao?" Tần Tú Văn kéo con gái trở về, tức giận nói.

Nhìn vẻ mặt điên cuồng của mẹ, Hàn Tuyết Nhi giựt cánh tay của mình ra khỏi tay của mẹ, đồng thời, trong lòng cô cũng tràn ngập sự oán hận với mẹ của mình.

Sự không tin tưởng, sự hoài nghi và sự phẫn nộ của mẹ đã làm cho Hàn Tuyết Nhi oán hận. Vô hình chung, quan hệ của hai người càng lúc càng tách xa nhau ra hơn.

"Đừng, đi theo chú nào." Hàn Sơn tuy rằng không xuất hiện tại hiện trường, nhưng mà cũng biết được tình huống từ lời nói của hai người, ông ta vội vàng ngăn Phương Hạo Vân đang tức giận, kéo vào phòng mình.

Sau khi ngồi xuống, Hàn Sơn liền khóa cửa phòng lại.

Ông thản nhiên nói: "Hạo Vân, dì Tú Văn của con rất nóng tính, chú thay mặt dì ấy xin lỗi con, hy vọng con đừng giận dì ấy"

Nhìn thấy Hàn Sơn coi như còn hiểu lý lẽ, tâm tình của Phương Hạo Vân cũng tốt hơn nhiều, hắn nói: "Chú Hàn, thật ra con cũng không có giận dì ấy cái gì cả, con cảm thấy rằng dì ấy gặp chuyện không bình tĩnh thô, hơn nữa, dì ấy không tin tưởng con gái của mình. Chuyện hôm nay, con có thể nói thẳng với chú, giữa con và Tuyết Nhi không có gì cả."

"Chú tin tưởng con. có điều, chú cũng biết, Tuyết Nhi thích con, yêu con." Nói đến đây, Hàn Sơn trầm giọng nói: "Hạo Vân, con thành thật nói với chú đi, con có thích Tuyết Nhi không?"

“Tình cảm nam nữ?’ Phương Hạo Vân hỏi.

“Ừ!”

Hàn Sơn gật đầu: “Chú đã quan sát Tuyết Nhi rất lâu, nó thích con. thành tích kiểm tra lần này không tốt, chú biết, nguyên nhân chủ yếu cũng chỉ vì con. Nói chính xác hơn là bởi vì Tuyết Nhi cứ nghĩ đến con, cho nên mới không làm bài được”

Phương Hạo Vân nhức đầu, quả nhiên, đúng như những gì mình đã nghĩ.

Nhưng việc này không thể trách hắn được, lớn lên đẹp trai, lại có mị lực đâu phải là lỗi của hắn =))

“Chú Hàn, chú đã hiểu như vậy rồi, thế thì chú hẳn là cũng nghĩ biện pháp giải quyết rồi chứ?’ Phương Hạo Vân hỏi.

“Không có!”

Hàn Sơn trả lời thẳng thắn: “Mấy ngày nay chú đã suy nghĩ về vấn đề này rồi, nhưng nghĩ như thế nào cũng không có biện pháp giải quyết. Đứa con Tuyết Nhi này chú hiểu rất rõ, một khi đã quyết định chuyện gì đó trong lòng thì rất khó thay đổi. Dì Tú Văn của con cảm thấy Tuyết Nhi còn nhỏ, không hiểu chuyện. Thật ra chú biết, Tuyết Nhi là đứa con gái trưởng thành sớm, trong lòng nó cái gì cũng hiểu cả. Chẳng qua tính cách của nó hơi trái ngược thôi.Hạo Vân, chú muốn biết suy nghĩ của con”

“Chú Hàn. chú cũng biết, con đã có bạn gái rồi, và không chỉ có một người” Phương Hạo Vân trầm giọng nói: “Con thừa nhận, ở cùng một chổ với Tuyết Nhi, con rất vui, nhưng con không muốn làm cho Tuyết Nhi chịu khổ cả đời”

“Chịu khổ hay không chịu khổ, trong lòng Tuyết Nhi đương nhiên cũng biết” Hàn Sơn kéo tủ lấy một gói thuốc ra, rút một điếu đưa cho Phương Hạo Vân: “Có muốn hút không?”

“Không cần!”

Phương Hạo Vân khoát tay: “Mấy thứ ni cô tin này, con không bao giờ đụng vào. Mấy thứ này chỉ làm hại người, làm con người trở nên suy yếu.”

“Con đang khuyên chú bỏ thuốc à?’ Hàn Sơn cười tự giễu: “Mười lăm tuổi chú đã hút thuốc rồi, đến bây giờ đã qua ba mươi năm rồi, cũng đã nghiện rồi, chú cũng đã từng hạ quyết tâm cai thuốc, nhưng mà đến cuối cùng vân không được. Chú nghĩ ba con cũng giống vậy. Được rồi, không nói về vấn đề này, con vẫn còn chưa trả lời chú, trong lòng con nghĩ thế nào?”

Phương Hạo Vân hơi sửng sốt, trong lòng thầm suy nghĩ, Hàn Sơn nói vậy là có ý gì? Hay là muốn gia Hàn Tuyết Nhi cho mình?

Bình tĩnh mà xem xét, Hàn Tuyết Nhi quả thật là một cô gái đáng yêu, nhưng mà trong lòng Phương Hạo Vân vẫn còn chút kiêng kỵ, có nhiều đàn bà cũng rất phiền toái.

“Hạo Vân, chú tin tưởng con là một người đàn ông tốt, là người đàn ông có trách nhiệm.” Hàn Sơn đưa mắt nhìn về hướng Phương Hạo Vân, nói: “Đồng ý với chú, thay chú chăm sóc cho Tuyết Nhi.Chú biết, con có thể làm được, đúng không?”

“Ý của chú là?”

“Ý của chú rất đơn giản, hy vọng con có thể chấp nhận Tuyết Nhi.” Nói đến đây, Hàn Sơn cười nói: “Con đừng từ chối, đối với con mà nói, đây chính là một chuyện tốt.”

Phương Hạo Vân cười khổ: “Chú Hàn, chú biết không, nhiều phụ nữ cũng là phiền toái. Chú Hàn, chú thật sự muốn giao Tuyết Nhi cho con sao?”

“Xác định, khẳng định cùng với nhất định” Hàn Sơn nghiêm túc nói: “Hạo Vân, hôm nay chú rất nghiêm túc, hy vọng con có thể xem xét đề nghị của chú. Về phần dì Tú Văn của con, chú sẽ giải thích sau.”

“Như vậy đi, cho con chút thời gian để con suy nghĩ, và chú cũng suy nghĩ.” Phương Hạo Vân không dám tùy tiện đồng ý. Không phải là do hắn muốn làm ra vẻ, mà nguyên nhân chính là do việc này không phải chuyện nhỏ, cần phải suy nghĩ thật kỹ.

"Được rồi, chờ con nghĩ kỹ rồi báo cho chú biết, chú chờ tin tốt của con." Hàn Sơn cười nói: "Lát nữa con mang Tuyết Nhi ra ngoài chơi đi, để chú và dì Tú Văn nói chuyện."

"Hôm nay đủ rồi.để hôm khác đi" Phương Hạo Vân nhẹ nhàng từ chối.

"Cũng tốt, chờ chú nói chuyện với dì Tú Văn đã." Hàn Sơn nói.

"Vậy con đi trước, lát nữa chú đi khuyên dì Tú Văn đi, cần phải tin tưởng Tuyết Nhi một chút. Nếu không cứ như vậy, quan hệ của hai mẹ con sẽ càng lúc càng cách xa"

Để lại những lời này xong, Phương Hạo Vân liền xoay người rời đi.

"Hạo Vân, chờ một chút!" Hàn Sơn do dự mãi, cuối cùng gọi Phương Hạo Vân lại: "Hạo Vân, cảm ơn con. cảm ơn con đã cứu chú."

Phương Hạo Vân nghe Hàn Sơn nói vậy, vội dừng chân lại, quay đầu, kinh ngạc nhìn Hàn Sơn.

Hàn Sơn nhỏ giọng nói: "Hạo Vân, chú đã xem nhật kí của Tuyết Nhi, chú biết, con chính là người đã cứu chú cũng vì nguyên nhân này, chú mới yên tâm giao Tuyết Nhi cho con."

Phương Hạo Vân âm thầm kinh hãi, lá gan của cô bé Tuyết nhi này cũng đủ lớn rồi, dám viết chuyện của mình vào trong nhật kí. Hiển nhiên là không thèm để ý đến lời nói của mình rồi.

"Nhật kí đâu?" Giữ cuốn nhật kí ấy lại là một tai họa.

"Đã đốt rồi. sau khi chú xem xong, đã hủy nó rồi. Tuyết Nhi vẫn chưa biết chuyện này. Chú đã để tờ giấy lại chổ để nhật kí của nó, tin rằng nó nhìn thấy sẽ hiểu" Hàn Sơn nghiêm túc nói: "Hạo Vân, con yên tâm đi, chú biết nên làm thế nào. Chuyện này chú vĩnh viễn giấu trong lòng, cho dù là dì Tú Văn của con, chú cũng không tiết lộ một câu"

"Chú Hàn. con đã từng cảnh báo Tuyết Nhi, nhất định phải quên chuyện này đi, nếu không sẽ dẫn đến họa sát thân. Hôm nay, con cũng đem lời này nói với chú" Phương Hạo Vân nghiêm mặt nói: "Chú Hàn, hy vọng chú có thể nhớ kỹ lời con nói, đồng thời, con hy vọng chú có thể báo lại cho Tuyết Nhi"

Lúc Phương Hạo Vân ra ngoài cửa, cũng không quay đầu lại nhìn Hàn Tuyết Nhi một lần. Có điều, Tần Tú Văn đang đứng ở cửa lạnh lùng nhìn hắn, hiển nhiên là hôm nay bà đã hiểu lầm rồi, hơn nữa còn hiểu lầm không nhỏ.

616. Chương 43: Đếm Tiền Gãy Tay

Sau khi nhận được tin, Phương Hạo Vân liền quyết định đi ra đó đón.

Đồng thời, hắn còn đem tin này nói cho Đại Phi và Trương Bưu nghe, hay người kia liền tỏ vẻ sẽ ra sân bay đón. Và bốn người bạn cũ sẽ có cơ hội gặp mặt nhau.

Bên nước Z cũng truyền tin đến, Long Chiến và Long Thần sau khi gặp mặt nhau cũng không còn tin tức, hai người này dường như không có ý định báo thù.

Nhưng mà theo dì Bạch phân tích, với tính cách của Long Chiến và Long Thần, tuyệt đối không phải là loại bỏ qua thù hận. Cho nên, sự yên lặng bây giờ có lẽ là khởi đầu cho một cơn bão chăng?

Ngày hôm sau, bên Hà Thanh cũng báo cáo tình huống đến, theo tin tức thì tổ chức vũ trang của Long Thần đang mua một số lượng vũ khí rất lớn, hơn nữa đều là loại tiên tiến, trong đó có cả róc két và súng trái phá.

Tính sơ ra, với số lượng vũ khí mà hắn mua, đủ để tiến hành một chiến dịch hành quân nhỏ.

Phương Hạo Vân phỏng chừng rằng, hai anh em nhà họ Long đang chuẩn bị gây chiến tranh.

Đương nhiên, Phương Hạo Vân không cho rằng hai người này ngu đến mức chạy đến Hoa Hải trả thù, khả năng lớn nhất bây giờ chính là họ muốn gây áp lực từ biên giới.

Đối với chuyện này, Phương Hạo Vân không hề lo lắng, người đau đầu là Lã Thiên Hành.

nhân của Long Thần, xin hỏi cô có biết chổ của Long Thần không? Nói cho tôi biết, tôi có thể tha chết cho cô, hơn nữa nếu có lòng từ bi sẽ cho cô một cơ hội làm nô lệ."

"Hì!"

Nghe Phương Hạo Vân nói vậy, cô gái liền bật cười, hứng thú nhìn Phương Hạo Vân và Hà Thanh, nói: "Cậu nói như vậy, không sợ cô bạn gái bên cạnh cậu tức giận sao? Hay là cô ta cũng là nô lệ của cậu?"

Hà Thanh trừng mắt nhìn cô gái một cái, không nói gì.

Phương Hạo Vân cười nói: "Cô ta không có tư cách này."

"Nói như vậy, tôi hẳn là nên cảm thấy vinh hạnh mới đúng." Nói đến đây, sắc mặt cô gái liền phát lạnh: "Cậu bé, cậu biết đây là địa bàn của Long Thần, mà cậu còn dám giương oai ở đây. cậu rốt cục có lai lịch gì. Ở cái phố này, tôi còn chưa thấy người nào như cậu"

Phương Hạo Vân cười khinh miệt: "Nói thật cho cô biết, tôi n đây là để đập quán. kêu Long Thần ra đây, nếu không cô chết đi."

Nếu ở trong nước, Phương Hạo Vân có lẽ sẽ áp chế sát khí trong lòng, nhưng bây giờ ở bên ngoài thì không cần thiết.

Lần trước giết Đà Ông, hắn đã hấp thu không ít cảm xúc tiêu cực, lần này nếu có thể đại khai sát giới, thì đối với việc tu luyện tinh thần của hắn sẽ có trợ giúp rất lớn.

Sự cuồng vọng của hắn đã chọc tức đám người bên cạnh cô gái, nhưng mà cô gái chưa ra lệnh, bọn chúng không dám lộn xộn. Hơn nữa, phía trước Phương Hạo Vân giơ tay một cái đã giết chết đồng bọn của chúng, làm cho chúng biết Phương Hạo Vân không dễ đối phó.

"Cuồng vọng!"

Cô gái cười lạnh: "Ở phố D này cho đến bây giờ còn chưa có ai dám mạo phạm Bách Hợp này cả"

Nói xong, cô gái vung tay lên, đám người sau lưng liền vây lấy Phương Hạo Vân, cùng lúc đó, vách tường, những góc tối chung quanh cũng đã xuất hiện hơn mười mấy người cầm súng, nhắm vào đầu của Phương Hạo Vân.

"Cô là bách hợp?" Phương Hạo Vân nói ra những lời này xong, tự cười một cái.

"Thì ra cô thích đàn bà. vậy vì sao lại làm tình nhân cho Long Thần. hay cô là ba rưỡi?" Phương Hạo Vân mắng: "Con mẹ nó, thật là ghê tởm, từ giờ trở đi, tôi tước quyền nô lệ của cô. nếu không nói chổ của Long Thần, vậy thì chết đi."

Lời này vừa nói ra, sắc mặt của Bách Hợp liền trở nên âm trầm, nghiến răng nói: "Nổ súng, bắn chết chúng."

"Đùng đùng."

Theo lệnh của Bách Hợp, nơi này lập tức vang lên tiếng súng.

Bách Hợp quay đầu đi, theo cô ta thấy, thằng nhóc cuồng vọng kia chết chắc rồi. Xem ra hắn cũng có chút công phu, nhưng cho dù biết công phu thì sao, có đấu lại súng à?

Nhưng mà, cô rất nhanh trợn tròn mắt.

Sau khi tiếng súng dày đặc kết thúc, Phương Hạo Vân và Hà Thanh đã biến mất, chổ đó không còn bóng dáng của hai người, cũng không thấy xác của cả hai. nói cách khác, hai người ấy đã biến mất trước mắt bao nhiêu người rồi, mấy chục người của Bách Hợp đứng ở đó, trơ mắt ra nhìn nhau, không ai biết đã xảy ra chuyện gì.

"Người đâu?" Bách Hợp chỉ vào đám thủ hạ, mắng: "Mau đi tìm đi, bọn mày còn đứng đây làm gì?" Bách Hợp không tin rằng trên đời này có người tự bốc hơi.

"Không cần chửi, tao đây."

Đúng lúc này, Phương Hạo Vân ôm lấy eo của Hà Thanh từ trần nhà rơi xuống, khinh thường nói: "Cô gái, chỉ dựa vào chút chuyện này mà muốn giết tôi đúng là buồn cười"

Sắc mặt của Bách Hợp liền trở nên tái nhợt, đây rốt cục là người hay là quỷ? Sao hắn có thể chạy trốn dưới nhìn họng súng vậy, và còn có vẻ tiêu sái thế, thật sự làm cho người ta không tưởng nổi.

Bách Hợp kinh ngạc, đồng thời Hà Thanh cũng kinh ngạc. Cô thấy may mắn vì mình còn sống. Đồng thời cũng sợ hãi vì năng lực của Phương Hạo Vân. Ngay khi tiếng súng vang lên, cô thậm chí đã nhắm mắt lại chờ chết, cô nghĩ rằng mình chết chắc rồi. Dưới nhiều họng súng như vậy, căn bản là không có đường chạy.

Nhưng mà, cô nhanh chóng phát hiện ra, mạng của mình còn chưa tuyệt.

Bởi vì, khi cô mở mắt ra, cô phát hiện mình đang được Phương Hạo Vân ôm, và đang ở phía trên trần nhà, súng của đối phương căn bản là không bắn trúng.

"Bắn chết hắn. bọn mày là heo à." Bách Hợp vội quát lớn một tiếng.

Lập tức, tiếng súng lại vang lên khắp nơi, và hỗn loạn nữa, thậm chí là còn có cảnh người nhà bắn người nhà.

Sau khi tiếng súng chấm dứt, Bách Hợp và đám người lại vội vàng qua xem, nhưng không thấy cái xác nào của hai người cả, Phương Hạo Vân dường như lại biến mất một lần nữa.

"Tôi ở đây!"

Khi mọi người đang đắm chìm trong sự kinh ngạc, Phương Hạo Vân đã xuất hiện trong tầm mắt của họ.

Có mấy người phản ứng nhanh vội vàng cầm súng lên bắn, nhưng mà khi chuẩn bị siết cò súng, thì phát hien65ra bản thân không thể cử đ6ọng được, giống như là bị đứng hình vậy.

Phương Hạo Vân giống như một trận gió xoáy vậy, quét một vòng qua sảnh.

Khi hắn xuất hiện lại trước mặt Bách Hợp, thì đám thủ hạ của Bách Hợp đã đứng như cọc gỗ rồi, không cử động được nữa. Bởi vì bọn họ đã bị Phương Hạo Vân điểm huyệt hết rồi.

Trừ phi là người có lực bằng hoặc hơn Phương Hạo Vân cứu giúp, còn không thì đành cam chịu đi.

Vì năm phút sau, những người này sẽ chết vì mạch máu chạy ngược kinh mạch làm cho nổ tan xác mà chết.

Phương Hạo Vân không phải là kẻ cuồng sát, nhưng mà đối với những người đã có tội lỗi đầy mình, từ trước đến giờ hắn chưa từng nương tay.

Sắc mặt của Bách Hợp đã trở nên tái nhợt rồi, cô giơ tay chỉ vào Phương Hạo Vân, lắp bắp: "Các người là ai. rốt cục là người hay là quỷ?"

Trong lòng Hà Thanh cũng đồng thời có chung một suy nghĩ đó.

Cô lại chứng kiến một chuyện thần kỳ nữa, khi tiếng súng vang lên, Phương Hạo Vân đang mang cô thoát khỏi làn đạn, tốc độ này căn bản là không thể nói bằng lời được.

Nếu không tận mắt thấy và tự thể nghiệm, thì cho dù có đánh chết cô cũng không tin, con người có thể đạt đến tốc độ này.

"Nổ súng đi, đám đầu heo này." Bách Hợp hét ầm lên, ra lệnh cho đám thủ hạ của mình.

Phương Hạo Vân cười thản nhiên: "Đừng gào nữa, tiết kiệm chút sức lực đi. bọn họ đã bị tôi điểm huyệt hết rồi"

Hà Thanh tránh dưới bàn nghe thấy thế, lúc này mới chui ra, cô cẩn thận đi đến trước mặt một người, đẩy đẩy một chút, người này không hề có phản ứng.

"Rầm!"

Để chứng thực thêm một bước nữa, Hà Thanh nhảy lên đá một phát về hướng đũng quần của người này. Người này ngã xuống đất, sắc mặt trở nên tái nhợt, đáng tiếc cũng không phát ra âm thanh nào, cũng không thể nhúc nhích.

"Bách Hợp tiểu thư, tôi hỏi cô lại một lần nữa, cô biết Long Thần ở đâu không?" Phương Hạo Vân cũng không để ý đến Hà Thanh, chỉ nhìn Bách Hợp, mỉm cười hỏi.

Bách Hợp lui về sau theo bản năng, cô cảm thấy rằng người thanh niên đẹp trai này giống như ác ma vậy, làm cho người ta run sợ.

"Nếu cô không phối hợp, kết quả của cô cũng sẽ giống như họ" Phương Hạo Vân nhìn đồng hồ, đã bốn phút trôi qua rồi. Một phút sau, đám người này sẽ nổ tan xác mà chết. Hắn tin rằng, cảnh tượng máu thịt tung tóe ấy, sẽ làm cho Bách Hợp mở miệng. Trừ phi thần kinh của cô được làm bằng thép.

"Này, lại đây một chút, đừng có đứng gần mấy người đó quá." Phương Hạo Vân tốt bụng nhắc nhở một câu.

Hà Thanh liếc nhìn Phương Hạo Vân một cái, nhưng không thèm nghe lời khuyên của hắn.

Hà Thanh rất hứng thú với điểm huyệt của Phương Hạo Vân, cô muốn nghiên cứu một chút.

Bách Hợp cắn môi, hầm hừ nói: "Xin lỗi, tôi không biết. tôi không biết Long Thần ở đâu, tôi cũng không biết Long Thần là ai cả"

"Cứng đầu quá"

Phương Hạo Vân hừ lạnh một tiếng, nói: "Nhìn kết quả của đám người đó đi."

Ngay khi hắn vừa dứt lời, đã thấy mấy tiếng kêu đau đớn vang lên, mấy tên bị điểm huyệt đã bị nổ tan xác, máu và thịt lập tức văng khắp nơi.

Hà Thanh đứng gần nhất, cho nên đứng hứng hết đống máu và thịt đó, lập tức hét hoảng lên, và nhìn lại không khác gì một con quỷ cho lắm.

Tuy rằng trên người Bách Hợp không dính nhiều thịt và máu như Hà Thanh, nhưng cô tận mắt chứng kiến cảnh những người này nổ tan xác mà chết, cô kêu lên một tiếng, liền chui vào lòng của Phương Hạo Vân.

"Cút ngay!"

Phương Hạo Vân không ngờ rằng khi hoảng loạn quá rồi Bách Hợp lại làm thế này, nhào vào trong lòng kẻ địch. Hắn tức giận đẩy Bách Hợp ra, sau đó lớn tiếng nói: "Một lần cuối, Long Thần ở đâu?"

"Không biết, tôi thật sự không biết. đã mười ngày rồi hắn chưa liên hệ với tôi, tôi cũng đang tìm hắn, nhưng mà vẫn không tìm thấy" Thấy được thủ đoạn ma quỷ của Phương Hạo Vân, Bách Hợp đã không nhịn được khai sạch sẽ.

"Phế vật"

Phương Hạo Vân nghe thấy thế, mắng: "Lãng phí thời gian của tôi. cô cần phải trả giá" Nói xong, Phương Hạo Vân điểm lên vài huyệt trên người của Phương Hạo Vân, làm cho cô im miệng lại, sau đó ném cô vào đám xác chết, nói: "Sáu giờ sau huyệt đạo sẽ tự giải, nếu ý chí và năng lực chịu đựng của cô đủ mạnh, tôi nghĩ cô có thể giữ được mạng."

Ý của Phương Hạo Vân rất đơn giản, nếu tố chất tâm lý của cô không mạnh, thì sẽ bị hù chết. Và không liên quan đến hắn.

Lúc đi ra ngoài, Phương Hạo Vân mới phát hiện ra Hà Thanh đã biến mất.

637. Chương 64: Thông Đồng Với Long Hi Phượng

Phương Hạo Vân nhìn kỹ lại, thì ra Hà Thanh đi thay đồ, kết quả là không tìm được một món nào thích hợp cả. Rời vào đường cùng, cô đành phải lấy cái màn cửa quấn quanh người, làm một cái váy dài.

"Haha!" Phương Hạo Vân mỉm cười: "Không tồi, cái thứ này có thể giúp làm tăng vẻ đẹp của cô."

"Cậu còn nói nữa? Cậu biết rõ là xảy ra chuyện mà vì sao không nói cho tôi biết?" Hà Thanh giận đến nổi muốn nhảy đến nhào đến cắn tên ác ma này một cái cho đỡ tức. Cảnh vừa rồi rất ghê rợn, phỏng chừng là cả ngày hôm nay cô đừng mong được ăn cái gì vào bụng.

"Tôi đã nhắc nhở cô rồi, nhưng mà cô không cần. đừng trách tôi" Phương Hạo Vân thản nhiên nói…

Phương Hạo Vân đi rồi, không khí bên Hoa Hải đã trở nên căng thẳng hơn. Căn cứ theo điều tra của đám người Trần Thiên Huy, xe của Hàn Sơn gặp vấn đề, người gây ra hẳn là Tần Tử Kiếm hoặc là Tần Tử Hoa.

Nhưng mà cụ thể là ai làm thì bây giờ vẫn chưa tìm ra. Cũng may dì Bạch đã tiếp nhận chuyện này, cô quyết định dùng lực lượng của bộ tộc thủ hộ để điều tra chuyện này.

Theo sự phân tích của dì Bạch, chuyện này hơn phân nửa là do Tần Tử Hoa. Hắn muốn vu oan cho Tần Tử Kiếm, để cho Phương Hạo Vân giết chết Tần Tử Kiếm. Chỉ có như vậy, hắn mới hoàn toàn yên tâm được. Và đối với điều này, đám người Trần Thiên Huy đều tỏ vẻ đồng ý.

Có điều, trước mắt bây giờ vẫn chưa có chứng cứ chính xác. Bằng chứng bây giờ đang hướng về Tần Tử Kiếm. Tuy rằng đã có gần đủ, nhưng cần phải đợi có thêm chứng cứ chính xác.

Trừ bỏ việc tìm kiếm hung thủ ra, Hàn gia còn gặp phải một vấn đề lớn. Đó chính là vấn đề về tập đoàn Hàn thị. Gần hai năm nay, tập đoàn Hàn thị phát triển quá nhanh, làm cho nó tồn tại không ít lổ hổng. Bây giờ, sau khi Hàn Sơn chết, các vấn đề này lập tức lộ ra.

Tuy rằng Hàn Tuyết Nhi là người thừa kế pháp định, nhưng mà tuổi còn trẻ quá, hơn nữa lại là con gái, cho nên không thể làm phục chúng. Ngay khi tin tức Hàn Sơn chết được truyền ra ngoài, thì ngày hôm sau, mấy cổ đông lớn trong tập đoàn đã liên kết lại tạo áp lực với Tần Tú Văn, hy vọng là vì tập đoàn Hàn thị mà tuyển chọn ra một giám đốc để quản lý. Về phần Hàn Tuyết Nhi, vẫn làm chủ tịch của tập đoàn, nhưng mà chuyện tình cụ thể thì không cần quan tâm.

Rất rõ ràng, bọn họ hy vọng Hàn Tuyết Nhi làm một con rối.

Càng làm cho người ta lo lắng hơn là, một số người có thâm niên trong công ty cũng hướng ứng với ý của ca1cc cổ đông này, và liên tiếp gây áp lực.

Người mà bọn họ đề cử lên làm giám đốc, chính là phó tổng giám đốc của tập đoàn Đới Cường.

Đối với Đới Cường, Tần Tú Văn cũng có hiểu biết tương đối, bởi vì trong cùng ngay gặp tai nạn, Hàn Sơn đã dặn dò bà, kêu bà và con gái cẩn thận Đới Cường, đừng để người này nhân cơ hội làm bậy. Nhưng mà, không ngờ rằng tốc độ phát triển của Đới Cường lại nhanh như vậy.

"Mẹ, không cần lo lắng. không phải còn có chú Trần, dì Bạch và anh Hạo Vân giúp chúng ta sao? Mẹ không cần lo, cũng không cần sợ." Mấy ngày nay Hàn Tuyết Nhi dường như đã thay đổi thành một người khác, trở nên kiên cường hơn rất nhiều. Có đôi khi, cô còn an ủi cả mẹ của mình.

Nhìn thấy con gái ngoan và hiểu chuyện như vậy, Tần Tú Văn liền cười vui mừng: "Tuyết Nhi. thấy con hiểu chuyện như vậy, mẹ rất vui. Nếu ba con còn sống, chắc ổng cũng rất là mừng"

Một câu nói lại làm cho Hàn Tuyết Nhi khóc lên.

Cô nhẹ nhàng nức nở: "Mẹ, Tuyết Nhi xin lỗi mẹ, xin lỗi ba. lúc trước Tuyết Nhi không hiểu chuyện, làm cho ba mẹ đau lòng. mẹ yên tâm đi, sau này con nhất định sẽ hiếu kính với mẹ. Đồng thời con sẽ làm cho sản nghiệp của ba phát dương quan đại, con không làm cho ba thất vọng đâu."

"Ừ!"

Tần Tú Văn vui mừng gật đầu, đưa tay lau nước mắt trên mặt con gái, kiên cường nói: "Chúng ta cùng nhau vượt qua cửa ải khó khăn lần này."

Phương Hạo Vân và Hà Thanh đợi liên tiếp vài ngày, nhưng cũng không tìm được tin tức liên quan đến Long Thần.

Đồng thời, người của bọn họ cũng không tra được tin tức có giá trị gì, ngay cả SeeDs của Lã Thiên Hành cũng không có tin tức.

Cái này làm cho người ta có cảm giác rằng, Long Thần dường như đã biến mất khỏi thế giới vậy.

"Phương thiếu gia, cậu sốt ruột à?" Mấy ngày nay, Hà Thanh phát hiện ra Phương Hạo Vân luôn có vẻ sốt ruột, nhưng muốn giải quyết xong chuyện rồi về vậy.

"ừ!"

Phương Hạo Vân thành thật nói: "Bên Hoa Hải xảy ra vài vấn đề, tôi muốn sáng nay trở về xử lý. Nếu bây giờ có thể tìm được Long Thần, tôi sẽ một đao chém chết hắn, không lãng phí thêm giây nào nữa"

"Bên Hoa Hải xảy ra chuyện gì? Nói tôi nghe một chút đi, có lẽ tôi sẽ giúp được cậu" Hà Thanh nói ra một câu làm cho người ta hài lòng.

Phương Hạo Vân do dự một chút, rồi nói tình huống Hàn Sơn gặp chuyện cho Hà Thanh nghe, sau khi xong việc, hắn nói: "Nếu muốn hỗ trợ, thì giúp tôi điều tra về kẻ đứng sau."

"Không thành vấn đề!" Vì để làm cho Phương Hạo Vân yên tâm xử lý chuyện ở đây, Hà Thanh nhanh chóng đáp ứng, liền gọi vài cú điện thoại, ra lệnh cho các ban ngành có liên quan bắt tay vào điều tra.

Dừng lại một chút, Hà Thanh đột nhiên hỏi: "Tối hôm qua tôi đã nhận được tin, thiếu phu nhân của Nam Cung thế gia Long Hi Phượng đã đến đây, có lẽ bà ta có thể tìm được Long Chiến và Long Thần. Có lẽ chúng ta có thể xuống tay từ Long Hi Phượng"

Nói đến đây, Hà Thanh cười nói: "Phương thiếu gia, Long Hi Phượng là đàn bà, đối phó đàn bà, là chuyên nghề của cậu."

Phương Hạo Vân hơi nhíu mày, nói: "Ý của cô là muốn tôi đi tiếp xúc Long Hi Phượng à. cô hẳn là cũng biết, Long Hi Phượng đang hận tôi thấu xương."

"Tôi đương nhiên biết!"

Hà Thanh khẽ cười nói: "Yên tâm đi, Long Hi Phượng sẽ không làm gì với cậu đâu, bởi vì bà ta rất rõ thực lực của cậu, rất rõ chúng tôi sau lưng cậu. Trước khi bà ta hoàn toàn nắm giữ Nam Cung thế gia, bà ta sẽ không xuống tay với cậu đâu"

Hà Thanh nhún vai, cười thản nhiên, nói: "Nghe nói Long Hi Phượng vẫn còn giữ được cái tem, chẳng lẽ cậu thật sự không có hứng thú?"

"Long Hi Phượng thì tôi không có hứng thú, nhu7ngg mà tôi muốn biết, thật ra cô còn tem hay không?" Phương Hạo Vân cười tà ác: "Có thể nói cho tôi biết không?"

"Có gì mà không thể?" Hà Thanh hừ nói: "Nói cho cậu biết, bổn tiểu thư bây giờ vẫn còn là băng thanh ngọc khiết có điều cậu đừng ôm ảo tưởng gì, thân thể băng thanh ngọc khiết của bổn tiểu thư chỉ dành cho người tôi yêu. Cậu đừng luyến tiếc làm gì"

Phương Hạo Vân hừ một tiếng, nói: "Yên tâm đi, tôi không có hứng thú với cô đâu"

"Haha!" Hà Thanh bỗng nhiên cười, mà cười rất quyến rũ. Có điều Phương Hạo Vân lại không có một cảm giác đặc biệt gì, liếc nhìn Phương Hạo Vân một cái, Hà Thanh cười lạnh nói: "Phương thiếu gia, tôi rất thích trạng thái bây giờ của cậu. hy vọng cậu vĩnh viễn không có hứng thú với tôi"

Phương Hạo Vân lười phản ứng với Hà Thanh, quay đầu qua một bên, không thèm nói gì hết.

Mấy ngày nay, Hà Thanh đã chứng kiến nhiều chuyện kỳ lạ của Phương Hạo Vân, công phu của hắn đã vượt qua sự nhận thức của Hà Thanh. Đồng thời, cô cũng thấy rằng mình càng lúc càng nhìn không thấu hắn. Nói hắn là người xấu, có đôi khi lại trọng tình trọng nghĩa đến lợi hại, nhưng nói hắn là người tốt thì hắn lại giết người không chớp mắt, cực kỳ giống ác ma.

Có điều, nói đi thì hải nói lại, đến giờ cô vẫn chưa thấy Phương Hạo Vân giết một người tốt nào.

"Thật là một người kỳ quái." Sờ sờ đôi môi bị đàn ông mạnh mẽ hôn qua, Hà Thanh cười khổ một tiếng, quay đầu xe rời đi, trong lòng cũng cảm thấy rất kỳ quái.

Phương Hạo Vân đứng đằng xa quan sát tình huống phòng vệ của biệt thự, phát hiện ra nơi này được canh gác rất nghiêm ngặt, có điều đối với hắn mà nói, dường như không tính là gì cả.

Tìm đúng cơ hội, Phương Hạo Vân dễ dàng đi vào trang viên, trà trộn vào đại sảnh chổ cửa lớn, tìm bóng dáng của Long Hi Phượng.

Đại sảnh của biệt thự vô cùng xa hoa, cực kỳ khác biệt so với bên ngoài. Sàn nhà được lót bằng đá cẩm thạch, đồ dùng trong nhà thì làm bằng gỗ lim, còn vàng và bạc thì tùy ý cũng có thể thấy. Đối diện dãy ghế là cái màn hình LCD 60 inch, mặc dù nó không nhỏ, nhưng mà không hề ảnh hưởng đến mỹ quan.

Bởi vì mang tâm lý đến gặp chủ, cho nên Phương Hạo Vân ngồi xuốn ghế sofa kiên nhẫn chờ đợi, sớm hay muộn gì cũng có người đến.

Đột nhiên, cái màn hình LCD mở lên, và bên trong đang truyền ra tin tức địa phương, hình như là một vụ đâm chém nhau trên đường.

Chỉ lát sau, vô số cảnh sát đã vọt đến bắt đám người này, Phương Hạo Vân phát hiện ra, cái đám người kia, trên người đều mang một dấu hiệu.

Ngay trong lúc hắn đang tập trung, thì nghe thấy một tiếng nổ lớn, và cảnh tượng trong màn hình đã nổ tung tóe lên.

Rất nhanh, hiện trường lâm vào cảnh hỗn loạn, bên cảnh sát và người dân đều bị thương.

Phương Hạo Vân hoàn toàn bó tay, phố D này cũng là thật, trường hợp như vậy mà cũng phát tin được, nếu như ở trong nước thì chuyện này đã bị ém nhẹm rồi.

"Ai?"

Ngay trong lúc Phương Hạo Vân đang suy tư, thì một người đột nhiên đẩy cửa đi vào, cầm lấy súng chỉ vào đầu của Phương Hạo Vân.

"Không tồi."

Tốc độ rút súng và tư thế của người này cho thấy đây hiển nhiên là một võ giả, và còn là một cao thủ, công lực ít nhất cũng tương đương với Bạch Quý.

Nếu đổi lại là trước kia, người như vậy mà chỉ súng vào đầu, Phương Hạo Vân sẽ cảm thấy lâm vào nguy cơ rồi, nhưng bây giờ thì khác, hắn đã có thể thoải mái tránh viên đạn.

"Sao mày lại ở đây. mày là người của Long Thần?" Người cầm súng là một người Trung Quốc, ước chừng khoảng ba mươi, trên mặt có một vết sẹo, trông vô cùng khủng bố, trong con mắt thỉnh thoảng cũng lóe lên tia tàn nhẫn.

Phương Hạo Vân thản nhiên nói: "Tôi đến tìm Long Hi Phượng, tôi là bạn của bà ta."

"Làm càn!"

Người này quát lớn một tiếng: "Tên húy của phu nhân mà mày cũng có thể tùy tiện kêu sao?"

Phương Hạo Vân nhanh chóng suy nghĩ, nếu hắn muốn, thì hắn hoàn toàn có thể khống chế đối phương, thậm chí là giết chết đối phương.

Chỉ là, hắn cảm thấy rằng xung quanh còn có nguy cơ, nếu hắn ra tay, thì sẽ tạo cơ hội có người khác đối phó mình.

Nếu hắn là bọ ngựa, thì sau lưng chắc chắn là còn chim sẻ. Nam Cung thế gia quả thật cũng có năng lực.

Phương Hạo Vân hít sâu một hơi, ánh mắt lặng lẽ nhìn trái nhìn phải, nhưng không phát hiện ra bóng người. Hiển nhiên, đây là một cao thù, và còn là cao thủ am hiểu thuật ẩn nấp.

"Tiểu Đao chuyện gì?"

Ngay trong lúc hai người giằng co, một giọng nữ dễ nghe vang lên. Ngay sau đó, một dáng vẻ kiều mỵ mê người xuất hiện trong tầm mắt của Phương Hạo Vân.

Người này rất đẹp, giống như thiên tiên vậy, cho dù là người đã từng kiểm duyệt qua không ít mỹ nữ như Phương Hạo Vân cũng không thể không thừa nhận đây là mỹ nữ.

Dáng người của đối phương càng đẹp hơn, ngực cao eo thon mông căng tròn, uyển chuyển lả lướt, giống như là một kiệt tác hoàn mỹ của thượng đế vậy, bầu ngực cao ngất, vòng eo mảnh khảnh, đôi chân dài mê người, những cái này góp phần tôn vinh lên vẻ xinh đẹp và gợi cảm của bản thân.

Mái tóc đen của người này thả dài đằng sau lung, có vẻ bồng bềnh rất nhiều, mắt phượng dài và nhỏ, kinh ngạc nhìn Phương Hạo Vân, khóe miệng mỉm cười, thản nhiên nói: "Tiểu Đao, không được vô lễ, thu súng vào."

Khi người này nói chuyện, vẻ mặt cũng đã biến đổi, giọng nói tuy rằng rất nhẹ nhàng, nhưng lại mang theo một sự uy nghiêm làm người ta không thể kháng cự.

Người đàn ông kia nghe vậy, vội vàng thu súng vào, cung kính đứng một bên, chỉ là ánh mắt vẫn tập trung vào Phương Hạo Vân, dường như chuẩn bị ra tay bất cứ lúc nào vậy.

"Phương thiếu gia, cậu đến rồi. cậu biết không? Tôi vẫn luôn đợi cậu, tôi biết sớm hay muộn gì cậu cũng sẽ tìm đến tôi. Cậu quả nhiên không làm cho tôi thất vọng" Người này chính là thiếu phu nhân của Nam Cung thế gia, Long Hi Phượng!

Phương Hạo Vân thản nhiên cười: "Vốn tôi p c, bầu n

"Không có khả năng." Rất nhanh, Phương Hạo Vân đã phủ định suy nghĩ của mình, Long Hi Phượng tuy rằng là một bà điên, nhưng vẫn chưa điên đến mức làm loại chuyện nhàm chán này. Sau khi dùng Đà Ông để thử xong, có lẽ là tạm thời hết hy vọng rồi.

Lui một bước mà nói, cho dù Long Hi Phượng thật sự có năng lực giết chết Phương Hạo Vân, thì tin rằng bà cũng không làm như vậy. Bà biết rõ, sau lưng Phương Hạo Vân là cơ quan quốc gia, Nam Cung thế gia cho dù mạnh, cho dù trâu bò, tuyệt đối cũng không phải là đối thủ của cơ quan quốc gia.

Nếu không phải là trở mặt liều mạng, thì chắc chắn là một chuyện khác.

Ngay trong lúc Phương Hạo Vân đang suy nghĩ, thì hắn đã tiếp cận luồng sát khí ấy. Sườn núi nhỏ phía trước ấy, chung quanh không có ánh sáng, cho nên mặc dù thị lực của Phương Hạo Vân rất tốt, cũng không thể nào nhìn rõ được dung mạo của đối phương, có điều nhìn quần áo thì có thể đoán ra, đối phương là đàn ông.

Mang theo sự tò mò, Phương Hạo Vân phi thân lên sườn núi. Lúc này, hắn đã nhìn rõ hơn, là một người đàn ông hơn ba mươi, toàn thân đã ướt đẫm nước mưa rồi, trong tay đang nắm chặt một thanh kiếm chỉ về hướng mình. Trong con mắt của ông ta đầy sát khí, sắc mặt giống như tảng băng vậy.

641. Chương 68: Cầu Xin Cậu, Giết Tôi Đi

Chỉ là trên thực tế, cả người ông ta đã ướt sũng rồi.

"Các hạ là người nào của Nam Cung thế gia? Tại sao lại cố ý cản đường tại hạ?" Phương Hạo Vân cố gắng nhớ lại xem mình đã đắc tội với người này ở đâu. Hắn vẫn cảm thấy rằng người này có thù rất nặng với mình, nghiêm trọng giống như thù giết chồng cướp vợ vậy.

"Cậu là Phương Hạo Vân?" Người nọ lạnh giọng: "Tại hạ Nam Cung Kiếm, là em ruột của cô gia chủ Nam Cung thế gia Nam Cung Hoàng. Long Hi Phượng là chị dâu của tôi."

"Thì ra là Nam Cung Hoàng đại ca. Haha, người một nhà rồi, anh có thể không biết? Tôi và chị Phương vừa kết nghĩa, chính thức trở thành chị em, theo lễ nghĩa, tôi cũng gọi anh một tiếng đại ca" Phương Hạo Vân cười hì hì nói.

"Hừ!"

Nam Cung Kiếm nghe thấy thế, cười lạnh một tiếng, trong đôi mắt hiện lên một tia khinh thường. Trong giọng nói mang theo sự cao ngạo và kinh thường: "Thật là buồn cười. cậu là cái thứ gì, cậu đủ tư cách gọi tôi là đại ca sao?"

"Đúng là cũng có chút năng lực." Phương Hạo Vân cảm nhận được một áp lực vô hình từ trong tiếng cười của Nam Cung Kiếm.

Ánh mắt của Phương Hạo Vân xuyên qua làn mưa, nhìn Nam Cung Kiếm, lạnh nhạt hỏi: "Nam Cung Kiếm, tôi và chị dâu của anh tốt xấu gì cũng là bạn, thái độ của anh như vậy là sao? Tôi cũng không rõ là đã đắc tội với anh chổ nào nữa"

Nghe Phương Hạo Vân hỏi như vậy, kiếm trong tay Nam Cung Kiếm càng được nắm chặt hơn.

"Cậu khinh nhờn thiếu phu nhân của Nam Cung thế gia." một tiếng quát phẫn nộ vang lên, truyền vào lổ tai của Phương Hạo Vân vô cùng rõ ràng.

Phương Hạo Vân cảm thấy một luồng sát khí đánh ập vào mặt mình, vội vàng ngưng thần lại, nhẹ nhàng hóa giải nó.

"Nam Cung Kiếm, anh bị bệnh thần kinh à, tôi khinh nhờn chị Phượng khi nào?" Phương Hạo Vân cảm thấy rằng Nam Cung thế gia này sao lại không có nổi một người bình thường nhĩ?

Tiếp xúc với hai người, nữ là bà điên, nam là ông khùng. Đúng là bó tay! Trong ký ức của hắn, hắn căn bản là chưa từng chọc ghẹo Nam Cung Kiếm bao giờ cả.

Hơn nữa, cái lý do khinh nhờn Long Hi Phượng, càng không tồn tại.

Tuy rằng hai người sớm muộn gì cũng thành kẻ địch, nhưng giai đoạn hiện giờ, vì lợi ích của hai bên, cả hai đều đối với nhau rất tốt. Nếu không cũng không kết nghĩa chị em làm gì.

Nam Cung Kiếm chậm rãi giơ kiếm lên, trầm giọng nói: "Nói nhiều làm gì? Tôi và cậu đánh một trận sảng khoái đi. Nếu cậu có thể thắng được thanh kiếm trong tay tôi, vậy cậu có thể đi, nếu không thì cậu sẽ chết."

"Ơ? Đập Con Muỗi." Nam Cung Kiếm nói như vậy, làm cho Phương Hạo Vân mở miệng chửi bậy một câu, hắn chưa từng gặp người không nói lý như vậy.

"Bố mày giết ông già của mày, fuk bà già của mày, mày làm được gì bố?" Phương Hạo Vân đã nổi điên lên, vì nãy giờ ngồi uống rượu với Long Hi Phượng cũng đã hơi thấm men, làm cho ruột đói cồn cào, hắn tính chạy nhanh nhanh về ăn chút gì đó, tuy rằng ra ngoài, nhưng cũng không thể tự bạc đãi bản thân được.

"Tốt. tôi sẽ khiến cho cậu chết rõ ràng." Giọng nói của Nam Cung Kiếm lạnh lùng vang lên: "Cái sai của cậu là tiếp xúc với Nam Cung thế gia, nói chuyện với Thiếu phu nhân. cậu khinh nhờn thiếu phu nhân của chúng tôi, làm một thành viên của Nam Cung thế gia, tôi có quyền tru sát cậu để bảo toàn danh dự cho Thiếu phu nhân."

Nghe Nam Cung Kiếm cố tình gây sự như vậy, Phương Hạo Vân liền bật cười.

"Haha"

Phương Hạo Vân cười dài, chế nhạo: "Bố hiểu rồi, thì ra mày yêu thầm chị dâu của mày. Vừa rồi có phải mày nhìn thấy bố và chị Phượng nói chuyện với nhau vui vẻ, mày ghen tị đúng không? Cho nên mới ra đây mai phục, tính giết bố đúng không? Bệnh thần kinh em chồng yêu chị dâu. mày cũng đủ cam đảm thật"

Nam Cung Kiếm bị Phương Hạo Vân nói trúng tâm sự, thẹn quá hóa giận, rốt cục đã không nhịn được, vung kiếm lên múa, đâm tới hướng Phương Hạo Vân xuyên qua làn mưa.

Con ngươi của Phương Hạo Vân liền co lại, vẻ mặt cũng trở nên nghiêm túc hơn. Không thể không nói, Nam Cung Kiếm quả thật cũng có chút bản lĩnh. Từ uy lực của một kiếm này mà thấy, ông ta đã là đối thủ lợi hại nhất mà Phương Hạo Vân từng gặp. Tuy rằng kiếm chiêu còn cách khá xa, nhưng Phương Hạo Vân vẫn có thể cảm nhận được sát khí vô hạn từ trong kiếm chiêu này.

"Có chút hứng thú!"

Phương Hạo Vân cười nhạt, xuất ra Thiên Phạt, chỉ về hướng Nam Cung Kiếm: "Mày có tư cách để bố ra tay, vậy bố sẽ cùng chơi với tên điên này một chút."

Thoáng một chút, một luồng chiến ý cường đại đã bao phủ bốn phía.

Nam Cung Kiếm lập tức cảm giác được một nỗi sợ từ trong đáy lòng, không cần nghi ngờ nữa, thằng mặt trắng này cũng là một cao thủ.

"Xoẹt xoẹt!"

Theo cái múa tay của Nam Cung Kiếm, vài đường kiếm hoa giống như tia chớp đánh về hướng Phương Hạo Vân, tốc độ cực nhanh, cho dù là Phương Hạo Vân cũng không thể nhìn rõ được.

Hắn vội vàng dùng Thiên Phạt chống đỡ.

Đao kiếm chạm nhau dưới làn mưa, lực lượng mạnh đến nổi làm cho những giọt nước mưa văng lên, và bốc hơi ngay lập tức.

"Hảo kiếm pháp." Phương Hạo Vân khen ngợi một câu, ra tay cũng không nể tình nữa. Đao khí của Thiên Phạt phát ra không ngừng, đánh úp về những huyệt vị quan trọng của Nam Cung Kiếm.

Tốc độ của hai người cực nhanh, chỉ chớp mắt một cái mà đã đấu năm sáu chiêu, chiêu thức sắc bén, hơn nữa tiếng kim loại va chạm nhau còn vượt qua cả tiếng mưa rơi.

Sau mười chiêu, Nam Cung Kiếm dường như không còn đủ lực theo, mơ hồ có vẻ muốn thua, thậm chí là bắt đầu đổi tấn công thành phòng ngự, vừa đánh vừa lui.

Nhưng mà Phương Hạo Vân theo sát như hình với bóng, căn bản là không cho Nam Cung Kiếm cơ hội thở dốc, Thiên Phạt trong tay vẫn tấn công không đổi, ra chiêu là nhắm ngay cổ của Nam Cung Kiếm.

Nam Cung Kiếm rút thân tránh né, vách núi sau lưng ông ta ngay lập tức xuất hiện một vết chém của Thiên Phạt, và đá vỡ vụn ngay tại chổ, có thể thấy được áp lực mà Nam Cung Kiếm đang chịu là lớn thế nào.

Phương Hạo Vân rõ ràng đã chiếm thế thượng phong, Nam Cung Kiếm bắt đầu vào thế thủ, nhưng không hề tỏ ra yếu kém, kiếm thế biến đổi liên tục, vung tay lên, lấy tốc độ và kiếm chiêu để hóa giải chiêu thức lấy mạng của Phương Hạo Vân.

Chiêu này là tuyệt học của Nam Cung thế gia, Thất Tuyệt Toàn Phong kiếm, uy lực cự mạnh, đủ để chém núi vạch sông, nhưng với công lực hiện tại của Nam Cung Kiếm thì vẫn chưa thể nào phát huy được một phần mười uy lực của nó.

Dù vậy, một kiếm này cũng làm cho Phương Hạo Vân xanh mặt, sắc mặt cũng trở nên nghiêm túc hơn.

"ầm ầm."

Vài tiếng nổ vang lên, Phương Hạo Vân dựa vào tốc độ của Hoạt Bộ làm ưu thế, dùng lực lượng cường đại hóa giải chiêu thức của Nam Cung Kiếm, đồng thời còn khai triển một vòng tấn công mới.

Lúc này, Phương Hạo Vân càng đánh càng nhanh, căn bản là không để cho Nam Cung Kiếm có cơ hội phản kích giống hồi nãy nữa.

Nam Cung Kiếm càng lúc càng bị ép lui, đã bị ép đến mép núi, nếu còn tiếp tục như vậy thì ông ta chắc chắn sẽ ngã xuống núi.

Đương nhiên, cái sườn núi khoảng hai mươi mét này đối với một võ giả như Nam Cung Kiếm mà nói thì không tính là vấn đề.

Nhưng nó đã nói lên tình thế của Nam Cung Kiếm rồi.

"Nam Cung Kiếm, ông chỉ có chút năng lực ấy thôi sao?" Phương Hạo Vân đã lâu rồi không đánh sướng tay như vậy, hắn thấy Nam Cung Kiếm đã hụt hơi rồi, vội vàng dùng miệng nói khích.

Cùng lúc đó, hắn lui về sau khoảng mười mét, để cho Nam Cung Kiếm có cơ hội thở dốc.

Nam Cung Kiếm vội vàng phi thân lại, phát động tấn công. Cũng dùng Thất Tuyệt Toàn Phong kiếm khi nãy, nhưng lực công kích lần này mạnh hơn lần trước rất nhiều. Nhưng Phương Hạo Vân không chút sợ hãi, ngược lại còn cười, trong con mắt hiện lên một vẻ vui mừng, không hổ là nhị thiếu gia của Nam Cung thế gia, quả thật cũng có chút bản lĩnh.

Trừ dì Bạch ra, Nam Cung Kiếm hầu như là một trong những võ giả lợi hại nhất là hắn từng gặp.

Thất Tuyệt Toàn Phong của Nam Cung Kiếm không tồi, chỉ tiếc là nội công chưa đủ mạnh, nói như vậy, ngay cả Nhâm Đốc hai mạch của ông còn chưa được đả thông nữa.

Trong tình huống như vậy, cho dù Nam Cung Kiếm có dủng kiếm chiêu cực mạnh cũng không có cơ hội giành phần thắng.

Rất nhanh, Nam Cung Kiếm đã cảm thấy hai tay mỏi nhừ, khó có thể tiếp tục thêm nữa.

Nam Cung Kiếm hơi giật mình, Phương Hạo Vân trước mắt chỉ mới hơi hai mươi, mà tuổi của mình lại gấp đôi hắn, theo lý thuyết thì công phu nội gia của mình phải mạnh hơn hắn mới phải.

Nhưng mà bây giờ mình đã không còn chút hơi nào, còn Phương Hạo Vân thì càng đánh càng hăng, căn bản là không hề có vẻ mệt mỏi.

Phải biết rằng, công phu nội gia khác với những thứ khác, tu luyện một chút gôm được một chút, chỉ khi nào tích lũy lâu dài thì mới có thể thành công được. Và nó cần rất nhiều thời gian.

Trừ phi. trừ phi là hắn đã đả thông Nhâm Đốc hai mạch.

bình thường mà nói, chỉ khi được đả thông Nhâm Đốc hai mạch thì trong nội lực trong cơ thể mới thành một vòng tuần hoàn, và chân khí bên trong mới có thể sinh sôi không ngừng.

"Không có khả năng. tính theo tuổi của hắn, thì cho dù là thiên tài cũng không thể đả thông Nhâm Đốc hai mạch được." Nam Cung Kiếm nhanh chóng phủ định suy nghĩ của mình. Theo ông ta biết, Nam Cung thế gia có hai vị lão tổ tông, bây giờ đã hơn một trăm hai mươi tuổi rồi, và cũng mới đột phá Nhâm Đốc hai mạch không lâu.

Phương Hạo Vân dường như cũng nhìn ra được suy đoán của Nam Cung Kiếm, cười nói: "Chúc mừng anh, anh đã đoán đúng rồi. tôi quả thật đã phá tan sinh tử huyền quan, đả thông Nhâm Đốc hai mạch"

"Ta không tin!"

Nam Cung Kiếm gầm lên một tiếng, giơ kiếm vọt đến.

Phương Hạo Vân cười lạnh, Thiên Phạt trong tay phát sáng lên, đón đỡ.

Rất nhanh, Nam Cung Kiếm lại bị ép đến mép núi, và ông đã không thể tiếp tục chống đỡ rồi.

Ngay trong lúc ông thu kiếm về, chuẩn bị toàn lực phòng thủ, thì một tia sáng đã xoẹt qua kiếm của ông, và nghe một tiếng keng vang lên, thanh kiếm trong tay của Nam Cung Kiếm đã bị đánh rơi xuống đất.

Dù vậy, đao thế của Phương Hạo Vân vẫn không giảm, tình cảnh của Nam Cung Kiếm liền trở nên nguy hiểm vạn phần.

Trong lòng Nam Cung Kiếm rung lên, ánh mắt hiện lên một vẻ tuyệt vọng, ông ta vạn lần không ngờ rằng, mình lại rơi vào tình cảnh như vậy.

"Không. mình không thể chết như vậy được." Nhớ đến Long Hi Phượng, Nam Cung Kiếm quát lên một tiếng lớn, dùng toàn lực đỡ một đao này, cho dù là đứt tay cũng chịu.

"Rầm!"

Một tiếng sấm nổ vang lên, thân hình của Nam Cung Kiếm bay ngược về sau, lúc té xuống đất, liền thấy miệng ngọt ngọt, và phun ra một họng máu.

Mặc dù đã đến nông nỗi này, nhưng Nam Cung Kiếm vẫn không từ bỏ. Cho dù chết, ông cũng không thấy được mặt của Long Hi Phượng trước khi chết, cho nên ông nhất định phải cố gắng.

Phương Hạo Vân căn bản là không để cho Nam Cung Kiếm có cơ hội thở dốc, ngay trong lúc Nam Cung Kiếm vừa đứng dậy, thì Phương Hạo Vân đã lao đến, trong mắt lộ ra sát khí dày đặc.

"Không. ta không muốn chết." Nam Cung Kiếm ngửa mặt lên trời kêu lên một tiếng đầy đau khổ, nghiêng người mở to mắt ra, hy vọng có thể tránh thoát một kích này của Phương Hạo Vân.

"Không tự lượng sức!"

Phương Hạo Vân khẽ cười một tiếng: "Đường là do anh chọn, đừng trách tôi."

"Đao hạ lưu nhân!"

Đúng lúc này, trong làn mưa xuất hiện vài bóng người, ngăn cản trước mặt Phương Hạo Vân. Đứng đầu là Long Hi Phượng, phía sau bà là sáu người, trừ Tiểu Đao và lão Lang ra, những người kia đều không quen mắt. Có điều công phu của họ cũng không tồi, bởi vì quần áo của họ không bị ướt.

"Phương thiếu gia. Nam Cung Kiếm là nhị thiếu gia của Nam Cung thế gia, hy vọng em có thể nể mặt Nam Cung thế gia mà tha cho hắn một con đường sống, được chứ?" Long Hi Phượng nói.

"Phu nhân. em không coi Nam Cung thế gia là địch, nhưng Nam Cung Kiếm vô cớ phục kích em trên đường, Nam Cung thế gia của chị cũng phải cho em một sự công bằng chứ?" Phương Hạo Vân nghiêm mặt nói.

"Cái này là đương nhiên, chuyện hôm nay, chị nhất định sẽ cho em một sự công bằng" Long Hi Phượng sai người nâng Nam Cung Kiếm dậy, lớn tiếng quát: "Nam Cung Kiếm, cậu rốt cục muốn làm cái gì? Vì sao cậu lại phục kích Phương thiếu gia. Nếu không muốn chết, cậu phải nói rõ chuyện hôm nay."

"Haha." Nam Cung Kiếm nhìn thấy được Long Hi Phượng trước khi chết, tâm nguyện đã xong, lập tức cười to nói: "Không có lý do, chỉ là nhìn không thuận mắt. Thiếu phu nhân, chị đừng quản tôi, chị để hắn giết tôi đi"

"Đồ khốn nạn!"

Long Hi Phượng quát lạnh một tiếng: 'Nam Cung thế gia luôn có ân oán rõ ràng, cậu làm cũng đã làm, nhất định phải nói rõ ràng. Cho dù chết, cũng phải chết trong sự trong sạch. Nếu không, cậu không xứng làm người của Nam Cung thế gia"

Nam Cung Kiếm nhìn nhìn Long Hi Phượng, há miệng ra, nhưng không nói một chữ nào. Dừng lại một chút, ông đưa mắt nhìn về hướng Phương Hạo Vân, nói: "Giết tôi. giết tôi đi, cầu xin cậu."

642. Chương 69: Trần Thanh Thanh Đi Đến Căn Cứ Seeds

Phương Hạo Vân châm chọc: "Nam Cung Kiếm, uổng công anh làm nhị thiếu gia của Nam Cung thế gia, thật đúng là kém cỏi, làm người như anh, đúng là thất bại. Nếu tôi là anh, tôi đã đập đầu chết mẹ rồi"

"Đúng vậy, các người không giết tôi, tôi có thể tự sát!" Được Phương Hạo Vân nhắc nhở, Nam Cung Kiếm liền nảy sinh ý định tự sát trong đầu.

"Đúng là khốn nạn. mười phần khốn nạn!" Long Hi Phượng mắng vài tiếng, nhẹ nhàng chuyển thân, xuất hiên trước mắt Nam Cung Kiếm, ra tay điểm vào huyệt đạo của Nam Cung Kiếm.

Sau đó, bà lập tức quát với lão Lang: "Coi chừng cho tôi"

Xong việc, Long Hi Phượng quay đầu nhìn Phương Hạo Vân, có vẻ không vui: "Phương thiếu gia, vì sao em không chịu tha cho Nam Cung Kiếm."

"Không phải là không muốn tha, mà là anh ta muốn chết!"

Nói đến đây, Phương Hạo Vân đột nhiên cười nói: "Tôi biết vì sao Nam Cung Kiếm lại chặn đường giết tôi, nếu như chư vị có hứng thú, tôi sẽ nói cho các vị nghe!"

"Đừng nghe hắn nói bậy." Công lực của Nam Cung Kiếm đã bị phong bế, nhưng hành động nói chuyện vẫn tự do, ông ta đang lo lắng Phương Hạo Vân sẽ nói ra chuyện mình thầm mến Long Hi Phượng.

"Haha!'

Phương Hạo Vân cười to vài tiếng, nhìn nhìn Long Hi Phượng, nói: "Thật ra chuyện này có liên quan đến chị rất lớn, đương nhiên, nếu chị không muốn nghe cũng không sao"

"Nói!"

Long Hi Phượng cắn răng nhìn Phương Hạo Vân, nói: "Có gì cứ nói, em cứ việc nói đi."

"Nam Cung Kiếm chặn đường giết em, cũng chính vì chị." Phương Hạo Vân chỉ vào Nam Cung Kiếm: "Vừa rồi anh ta luôn mồm nói với em, là em khinh nhờn chị. Có điều em biết rằng, đây không phải là lý do thật sự. Anh ấy ghen tị bởi vì thấy em uống rượu vui vẻ với chị. Nói cách khác, Nam Cung Kiếm đã thầm mến chị dâu của mình từ lâu rồi."

"Nói bậy!"

Nam Cung Kiếm bị Phương Hạo Vân nói trúng tâm sự, lập tức thẹn quá hóa giận, nhưng đáng tiếc bây giờ ông ta không khác gì một phế nhân, cho nên muốn làm gì cũng không được.

Long Hi Phượng nghe thấy thế, một hồi lâu sau cũng không nói gì.

Lâu thật lâu sau, bà mới nói với Phương Hạo Vân: "Phương thiếu gia, xin em cho phép chị mang Nam Cung Kiếm trở về, sau đó, chị sẽ cho em một sự công bằng."

"Đương nhiên là được!" Phương Hạo Vân đột nhiên cười nói: "Chị Phương, chúng ta dường như đã quên một chuyện, chị và em cũng đã kết bái, đều là người một nhà, cần gì phải khách khí như vậy. Thế này đi, tuy rằng Nam Cung Kiếm sai trước, nhưng mà dù sao cũng là kỹ không bằng người, bại dưới tay em, không gây thương tích cho em, chuyện này coi như hết."

Long Hi Phượng nghe thấy thế, gật đầu nói: "Em đã gọi chị một tiếng chị Phượng, vậy chị cũng không làm giá nữa, Hạo Vân, cảm ơn em."

Bên Hoa Hải, phó tổng tập đoàn Hàn thị Đới Cường cũng đã bắt đầu hành động, thế cục vô cùng bất lợi. Cũng may là có Trần Thiên Huy chủ trì đại cục cho Hàn gia, tạm thời Đới Cường vẫn chưa dám manh động. Có điều, chuyện này sớm muộn gì cũng cần phải giải quyết, nếu không thì cứ tiếp tục như vậy chỉ gây bất lợi cho mẹ con Hàn Tuyết Nhi mà thôi.

Ngoài ra, bên dì Bạch cũng đã có tin tức, theo kết luận ban đầu cho thấy, người động tay vào xe của Hàn Sơn rất có khả năng là Tần Tử Hoa.

Tuy rằng bằng chứng trước mắt vẫn là do Tần Tử Kiếm làm.

Nhưng trải qua sự trinh thám cẩn thận, chuyện này trên cơ bản có thể xác định là do Tần Tử Hoa sai người làm, và cố ý để lại dấu vết để vu oan giá họa.

Dì Bạch đã giao toàn quyền xử trí cho Trần Thiên Huy và Tần Tú Văn.

Đồng thời, việc Tần gia bán hết của cải tại Hoa Hải cũng đã bị chặn lại, ở trong nước, hầu như là không có người nào hỏi thăm. Rất nhanh, bên châu Âu cũng đã truyền tin đến, không ai dám thu mua tài sản của Tần gia cả.

Vì thế, Tần Như Phong, Kim Đại Trung đã hỏi thăm nhiều nơi, rốt cục cũng đã có một chút tin tức.

Nghe nói là tập đoàn Hùng Long bên châu Âu đã tung tin ra, không ai được phép thu mua tài sản của tập đoàn Tần thị, nếu không sẽ chịu sự tấn công của Hùng Long.

Tin tức này như thế, thử hỏi còn ai mà dám thu mua chứ.

Đương nhiên, ngoại trừ gia tộc Morgan rồi.

Chỉ tiếc là nội loạn bên trong gia tộc Morgan vẫn chưa chấm dứt, bọn họ bây giờ còn chưa lo xong cho mình, căn bản là không có rãnh để ý đến một chuyện nhỏ này.

Tần Như Phong rơi vào đường cùng, đành phải cầu xin sự giúp đỡ của Kim Gia. Vốn bọn họ đã hẹn gặp mặt rồi, Tần Như Phong vốn muốn chế nhạo Kim Gia là phản bội này nọ, rồi nói là sau này sẽ không có kết quả tốt.

Nhưng mà bây giờ, tình thế ép người, Tần Như Phong đành phải cầu xin Kim Gia giúp đỡ, dù sao thì sản nghiệp của Tần gia tại Hoa Hải cũng không thể để bị hủy như vậy.

Hai người tạm thời sửa địa điểm gặp mặt, hẹn nhau ra bờ biển.

Rời khỏi thành thị đông đúc, được gió biển thổi vào làm tỉnh táo hơn, Tần Như Phong thản nhiên nói: "A Kim. còn nhớ không? Lúc trước tôi cho cậu ra ngoài tự thân lập nghiệp, cũng là ở chổ này."

"Nhớ, đương nhiên là nhớ!"

Kim Gia khẽ cười một tiếng, ngẩng đầu lên nhìn Tần Như Phong: "Tần đại ca, tâm tư của anh tôi biết, chỉ là chuyện này tôi đành bó tay Hơn nữa, nói vậy anh cũng đã nghe qua, Hàn Sơn đã chết"

"Ừ, tôi có nghe nói, chết do tai nạn xe" Tần Như Phong cảnh giác, vội vàng hỏi: "A Kim, ý của cậu là, cái chết của Hàn Sơn có liên quan đến Tần gia?"

"Ừ!"

Kim Gia gật đầu: "Bây giờ theo chứng chứ cho thấy, là Tần Tử Kiếm cho người động tay vào xe của Hàn Sơn"

"Thằng khốn nạn, tại sao nó lại không chịu nghe lời chứ." Tần Như Phong cắn chặt ra, hận không thể đánh chết thằng con trời đánh ngay tại chổ.

"Đừng vội, nghe tôi nói hết đã." Kim Gia trầm giọng nói: "Chuyện này trên cơ bản đã điều tra rõ rồi, người đứng đằng sau là Tần Tử Hoa. Nó làm như vậy, là vì muốn hãm hại Tần Tử Kiếm. Để cho chúng tôi ra tay đối phó với Tần Tử Kiếm, tiêu diệt mối họa trong lòng nó"

"Điều này là không thể. Tử Hoa sao có thể làm ra loại chuyện hồ đồ như vậy? Các người nhất định là lầm rồi" Tần Như Phong cả giận nói: "Các người lầm rồi, tôi không tin"

"Tần đại ca!"

Kim Gia nói đến đây, sắc mặt trở nên nghiêm túc: "Vốn những lời này tôi không định nói với anh, nhưng mà dù sao năm đó anh đối với A Kim tôi cũng không tệ. Cho nên tôi mới tiết lộ tin tức này với anh. Tôi thề có trời đất, những chuyện ngày hôm nay tôi nói đều là sự thật."

"A Kim, cảm ơn cậu!"

Tần Như Phong cố gắng làm cho mình bình tĩnh lại, hỏi: "Theo cậu thấy, bây giờ tôi nên làm cái gì? Chẳng lẽ chuyện này không còn biện pháp?"

"Haizzz"

Kim Gia lắc đầu, thở dài một tiếng: "Chuyện này quả thật rất khó, anh có thể không biết, Hàn Sơn là cha vợ của Phương thiếu gia, cho nên cái chết của Hàn Sơn, đối với Phương thiếu gia mà nói, là một chuyện rất quan trọng. Tần đại ca, nói thật với anh, Tần gia lần này đã hoàn toàn xong đời rồi. Sai ở chổ là các người không nên giết Hàn Sơn. Tôi rất hiểu Phương thiếu gia, đối xử với kẻ địch cậu ấy luôn luôn tàn khốc rét lạnh"

"Vậy ý của cậu là chúng tôi chết chắc rồi sao? Hừ!" Tần Như Phong hừ lạnh một tiếng: "Tôi không tin Phương Hạo Vân hắn dám đuổi cùng giết tân, Tần gia tại Hoa Hải tuy rằng suy tàn, nhưng thế lực bên châu Âu cậu cũng rõ ràng."

"Hừ!"

Kim Gia cười khinh miệt: "Tần đại ca, có cái gọi là biết người biết ta, trăm trận trăm thắng, anh biết Phương thiếu gia có thế lực ra sao ở châu Âu không? Tập đoàn Hùng Long, anh có nghe qua chưa?"

"Tập đoàn Hùng Long?" Sắc mặt của Tần Như Phong liền trở nên căng thẳng, vội vàng hỏi: "Ý của cậu là, tập đoàn Hùng Long chính là thế lực của Phương Hạo Vân tại châu Âu? Sao có thể chứ? Nghe nói tập đoàn Hùng Long có lịch sử từ lâu rồi, sao nó có thể có quan hệ với Phương Hạo Vân?"

"Tình huống cụ thể thì tôi không rõ, nhưng mà có thể khẳng định rằng, tập đoàn Hùng Long quả thật có quan hệ với Phương thiếu gia. Anh nghĩ đi, nếu tập đoàn Hùng Long không có quan hệ với Phương thiếu gia, vì sao nó lại ngăn cản bên châu Âu thu mua sản nghiệp của Tần gia tại Hoa Hải?" Nói đến đây, Kim Gia thở dài một tiếng: "Tần đại ca, hôm nay tôi nói cho anh biết mấy cái này, hoàn toàn là vì tình cảm nhiều năm của chúng ta. Trên thực tế, A Kim tôi không còn thiếu anh cái gì, anh tự giải quyết đi."

Nói xong, Kim Gia đứng dậy xoay người rời đi.

"Khoan đã!"

Tần Như Phong vội gọi Kim Gia lại, hỏi: "Thật sự không còn đường sao?"

"Đã không còn. trừ phi anh giao Tần Tử Hoa ra tạ tội với Hàn gia. có lẽ Phương thiếu gia sẽ cho anh một con đường sống." Kim Gia nói xong những lời này, liền xoay người rời đi, không quay đầu lại nữa.

Tần Như Phong nhìn Kim Gia, ngửa mặt lên trời thở dài, trong lúc nhất thời không biết đang nghĩ cái gì. Nếu lời của Kim Gia là thật, thì muốn bảo vệ cho Tần gia, đành phải hy sinh Tần Tử Hoa.

Nhưng mà Tần Như Phong luôn coi trọng Tần Tử Hoa, sao có thể hy sinh con trai được.

Sau khi Trần Thanh Thanh hoàn thành khóa huấn luyện tại căn cứ bí mật xong, Lã Thiên Hành tự mình phát huy hiệu tốt nghiệp cho cô, đồng thời còn mang cô đến căn cứ bí mật khác.

Chổ này chính là hang ổ của Lã Thiên Hành, căn cứ SeeDs.

Dựa theo những phương diện tương quan, Lã Thiên Hành quyết định tiến hành tẩy não Trần Thanh Thanh, tranh thủ bồi dưỡng cô trở thành một SeeDs xuất sắc.

Đương nhiên, chuyện này cũng không thể trách Phương Hạo Vân, mà do năng lực của Nam Cung KIếm không đủ.

Tài không bằng người, lại tỏ ra nguy hiểm như thế, thì sẽ có kết quả này thôi.

"Chị Phượng, theo em được biết, Nam Cung Thế gia bây giờ là thiên hạ của chị và Mộc Nguyệt Dung. Chẳng lẽ chị không muốn thống nhất thiên hạ? Hoặc là, mượn Nam Cung Kiếm để thống nhất thiên hạ?" Phương Hạo Vân đột nhiên hỏi.

Nghe Phương Hạo Vân nói như vậy, Long Hi Phượng đột nhiên cười, cười một cách kỳ quái: "Câu hỏi này, em không phải là người đầu tiên hỏi, có điều trước giờ chị chưa từng nói thật với người khác. Nhưng đối với em, Hạo Vân, chị có thể thành thật. Thống nhất thiên hạ là giấc mộng chị, có điều, Nam Cung Kiếm lại không có tác dụng gì trong đó."

Nói đến đây, Long Hi Phượng đột nhiên cười: "Hạo Vân, nếu em có hứng thú, thì chúng ta có thể hợp tác với nhau, em cảm thấy thế nào?"

"Chúng ta? Hợp tác?" Phương Hạo Vân thản nhiên nói: "Em không muốn tranh gì trong Nam Cung thế gia"

Long Hi Phượng cúi đầu, làm ra vẻ suy nghĩ, chậm rãi nói: "Hạo Vân, trời sinh em là một người làm ăn. hay là chúng ta làm giao dịch đi? Chị em chúng ta kết hợp lại, chờ khi chị lấy được quyền khống chế Nam Cung thế gia, Nam Cung thế gia sau này sẽ trở thành một đồng minh mạnh mẽ của em, cùng sống cùng chết, em cảm thấy thế nào?"

Đối với câu cam đoan của Long Hi Phượng, Phương Hạo Vân không tin.

Hắn phỏng chừng rằng, sau khi Long Hi Phượng khống chế Nam Cung thế gia, thì bản thân tuyệt đối không nhận được báo đáp, mà là báo thù. Đây là một người đàn bà có thù tất báo.

Chỉ là, bà ta giỏi ngụy trang thôi.

"Chị Phượng. em đang nghĩ, sau khi chị khống chế được Nam Cung thế gia, chị có quay lại cắn em một phát hay không?" Phương Hạo Vân đột nhiên cười hỏi.

Lời này vừa nói ra, ánh mắt của Long Hi Phượng hiện lên một tia khác thường, thản nhiên cười mị nói: "Ha Ha. Hạo Vân, em quả nhiên là một người hài hước, em không nói giỡn chứ, trừ tình nghĩa của chúng ta ra, với thực lực của Phương đại thiếu gia em thôi, chị cũng đã không dám làm gì em rồi. Em không cần nghi ngờ, thật sự không được, chị có thể bảo đảm với em. hoặc là chị sẽ tăng thêm một chút điều kiện, em thấy thế nào?"

"Vậy phải xem điều kiện của chị có lớn không, có nặng không" Khóe miệng của Phương Hạo Vân lộ ra một nụ cười, làm ra vẻ mê đắm, con mắt nhìn chằm chằm bộ ngực cao ngất của Long Hi Phượng.

Long Hi Phượng cười hiểu ý, nói: "Nếu em đồng ý giúp chị, sau khi xong việc, chị sẽ giao thứ quý nhất cho em."

"Là cái gì?" Thứ quý nhất của đàn bà là con tem của bản thân, Phương Hạo Vân đương nhiên là biết rồi.

"Hì hì!"

Long Hi Phượng khẽ cười một tiếng, trên người toát ra một khí thế kiêu hùng: "Hạo Vân, nếu em không chê chị già thì đến lúc đó, đến lúc đó, em sẽ trở thành người tình của chị. Chị cam đoan em sẽ không chịu thiệt, em sẽ hưởng thụ những mùi vị đàn bà khác nhau."

Nghe cách nói kiêu hùng của Long Hi Phượng như vậy, Phương Hạo Vân rất buồn bực, không phải là thích chơi trò nữ vương và sex slave chứ? Bố không muốn làm cái sex toy bằng thịt đâu.

"Cái này. ặc. à. chị Phượng, em cũng không phải loại người tùy tiện. Như vậy đi, đề nghị của chị em sẽ cẩn thận xem xét. Chị cho em chút thời gian đến em suy nghĩ" Trước khi chưa được điều tra rõ ràng thì Phương Hạo Vân sẽ không lên tiếng, hắn cảm thấy rằng trước khi đồng ý với Long Hi Phượng, cần phải điều tra lại một phen, nhất là tình huống của Mộc Nguyệt Dung, càng cần phải điều tra rõ ràng.

Hợp tác với Long Hi Phượng, giống như là ngồi trên lưng cọp, ngàn vạn lần không thể mất cảnh giác.

"Đương nhiên." Long Hi Phượng gật đầu đồng ý, lập tức nhìn nhìn Phương Hạo Vân một cách đầy ẩn ý, hai má ửng hồng, nhỏ giọng nói: "Tâm nguyệt lớn nhất của đàn bà, là tìm được một người đàn ông thương mình, yêu mình. Thật ra, quyền thế ngập trời đối với chị mà nói, cũng chẳng al2 gì. Thật ra có đôi khi, chị cũng muốn mình làm một người phụ nữ bình thường."

Sự kiều mị của Long Hi Phượng mang theo ba phần hấp dẫn, làm cho Phương Hạo Vân hơi động lòng. Có điều, hắn nhanh chóng khống chế xúc động trong lòng, ho khan một tiếng, sửa mặt nói: "Chị Phượng. thật ra em cảm thấy rằng, phần lớn đàn bà trong thiên hạ đều rất hâm mộ chị."

"Em nói là phần lớn thôi. ít nhất là những người đàn bà của em không hâm mộ chị, bởi vì bọn họ có em." Nói đến đây, mặt của Long Hi Phượng trở nên u oán.

644. Chương 71: Hoàng Đế Ngầm

Có điều hắn đã lo lắng thừa, Long Hi Phượng không nhân cơ hội làm ra chuyện gì cả, ánh mắt của bà chỉ mê ly một lát rồi liền trở lại bình thường.

"Hạo Vân, đây là danh sách khách mời của Ngũ Gia, em xem đi Có Long Chiến, Long Thần, chị có cảm giác, tối nay bọn họ sẽ xuất hiện. Chúng ta phải cẩn thận một chút" Nói xong, Long Hi Phượng lấy ra một bản danh sách đưa cho Phương Hạo Vân.

Nói xong, không đợi Long Hi Phượng và Ngũ Gia nói cái gì, hắn đã nhanh chóng rời đi.

Long Hi Phượng thấy Phương Hạo Vân có phản ứng như vậy liền biết đã xảy ra chuyện, vốn định gọi Phương Hạo Vân lại hỏi có cần hỗ trợ không, thì đã bị Ngũ Gia cản: "Được rồi, để nó đi đi, chúng ta uống rượu. Đứa nhỏ Hạo Vân này không tồi, với năng lực của nó, mặc kệ là chuyện gì, ông nghĩ hắn đều có thể ứng phó được."

Tần Như Phong suy nghĩ mãi, cuối cùng quyết định liều mạng, kêu ông hy sinh Tần Tử Hoa, dường như không phải sự thật. TỪ xưa đến nay, ông luôn coi trọng Tần Tử Hoa, dù sao trong hai người con của ông, thì nó cũng có dòng máu thuần khiết.

Tần Như Phong cảm thấy rằng, chỉ có Tần Tử Hoa thừa kế Tần gia, thì khi chết ông mới có mặt mũi đối diện với liệt tổ liệt tông. Tần Tử Kiếm cái gì cũng tốt, riêng chỉ có dòng máu là không thuần, dù sao thì trong thân thể của nó cũng có máu của lũ người tây.

Loại chuyện này vốn chẳng gì ghê gớm cả.

Nhưng đối với một lão cổ hủ như Tần Như Phong thì lại vô cùng quan trọng.

Tần Tử Hoa cũng ý thức được nguy cơ, hắn biết mình đã phạm một sai lầm không thể tha thứ, nhưng mà chuyện đã thế nào,c ó hối hận thì cũng đã muộn.

"Ba. ba nhất định phải cứu con. con không muốn chết, con không thể chết. Ba yên tâm, chỉ cần lần này con không chết, sau này con nhất định sẽ nhớ kỹ bài học này, về sau làm việc cho Tần gia, mưu phúc lợi cho Tần gia, con sẽ không để cho ba thất vọng nữa, con sẽ cố gắng. Xin ba, bất kể thế nào cũng cứu con với." Giọng nói của Tần Tử Hoa rõ ràng đang mang theo sự nức nở.

"Được rồi, lau nước mắt đi. Nam tử hán đại trượng phu thà đổ máu chứ không rơi lệ, bộ dạng của con bây giờ, ba làm sao yên tâm giao Tần gia lại cho con?" Tần Như Phong trách: "Ba hy vọng con có thể nhớ kỹ bài học lần này, đừng có dùng thủ đoạn thấp hèn, làm như vậy chỉ hại người hại mình."

"Ba, con biết rồi, con nhất định sẽ nhớ kỹ lời ba nói, xin ba giúp con vượt qua cửa ải khó khăn lần này." Bây giờ Tần Tử Hoa mới biết được cái gì gọi là thần chết đến cửa.

Kim Đại Trung dường như không đồng ý với cách thể hiện của Tần Như Phong, đợi khi Tần Tử Hoa đi rồi, ông ta mới nói: "Em không biết là vì Tử Hoa, chúng ta phải trả giá quá lớn sao? Em cần phải rõ ràng, bên châu Âu rõ ràng đã có người gây chuyện."

"Hừ!"

Tần Như Phong cười lạnh: "Gây chuyện? Em thật sự muốn nhìn xem bọn họ rốt cục có năng lực làm gì. Mấy năm nay em nể tình anh em, cho nên mới nhẫn nhịn, nếu không như vậy thì em đã sớm ra tay trừng trị bọn họ rồi. Nếu bọn họ thật sự muốn trở mặt, vậy thì đừng trách em."

Nhìn thấy sát khí trong mắt của Tần Như Phong, KIm Đại Trung không nói gì nữa…

Không còn ba, không có anh Hạo Vân, càng không có chị Thanh Thanh để tâm sự, Hàn Tuyết Nhi đã trở nên kiên cường hơn, độc lập hơn. Mấy ngày nay, cô cố nén đau thương trong lòng, bắt đầu lo cho chuyện tập đoàn, mấy lần tranh đấu với Đới Cường đều không lọt xuống thế dưới, rất có biểu hiện của vị nữ tướng.

Đối với việc này, trong lòng Tần Tú Văn rất vui mừng.

Bà tin rưởng rằng chồng mình có linh thiên, thì nhất định sẽ rất vui, con gái quả thật đã trưởng thành rồi, đã hiểu chuyện rồi.

Thật ra, có đôi khi sự trưởng thành của con người, có thể chỉ trong nháy mắt. Một sự cổ vũ, một kích thích, thường hay kích thích tiềm năng của con người.

Mà tình huống của Hàn Tuyết Nhi bây giờ, có thể gọi là thời thế tạo anh hùng, cái chết của Hàn Sơn đã làm khơi dậy ngọn sóng trong lòng của Hàn Tuyết Nhi, mà lúc này, xung quanh cô không có một sự trợ giúp nào cả.

Vì thế, tiềm năng trong cô liền được kích thích.

Đương nhiên, theo thế cục trước mắt, Đới Cường vẫn chưa chịu từ bỏ, ngược lại, hắn ta còn đang tiến hành một âm mưu lớn hơn, và nguy cơ của Hàn Tuyết Nhi liền trở nên không nhỏ.

Hôm nay, Hàn Tuyết Nhi đã nhận được tin tức của kẻ chủ mưu đứng đằng sau vụ tai nạn của Hàn Sơn, và ý kiến của cô rất rõ ràng: Nợ máu phải trả bằng máu.

Tần Tú Văn cũng ủng hộ quyết định này.

"Tuyết Nhi. con yên tâm, khi Hạo Vân đi đã dặn dò, công ty bảo an Đằng Phi sẽ cố hết sức xử lý chuyện này. Hơn nữa, còn có dì Bạch nữa, chú cam đoan rằng, cho dù cha con Tần gia có năng lực to bằng trời cũng không có khả năng rời khỏi Hoa Hải bình yên. Chuyện bây giờ con cần xử lý là vấn đề của tập đoàn Hàn thị. chuyện khác con không cần quan tâm." Trần Thiên Huy khuyên.

"Dạ, con biết!"

Hàn Tuyết Nhi nghiêm túc nói: "Chú Trần, chú yên tâm đi, con biết mình nên làm cái gì, và không nên làm cái gì."

Buổi tối, Hàn Tuyết Nhi đứng một mình ngoài ban công, ngẩng đầu lên nhìn bầu trời sao, trong lòng trộn lẫn nhiều cảm giác. Lúc ban ngày, vì chống đỡ, cô không thể không giả bộ kiên cường, đem tất cả máu và nước mắt nuốt vào trong bụng. Khi trời tối, lúc Tần Tú Văn đã ngủ rồi, cô mới có thời gian nghĩ đến người mình yêu."

"Hạo Vân, anh có khỏe không?" Hàn Tuyết Nhi nhìn ánh trăng, hy vọng mặt trăng có thể chuyển sự thương nhớ của mình đến cho người mình yêu.

Chỉ là lúc này Phương Hạo Vân không có tâm tình ngẩng đầu lên ngắm trăng, haizzz thật là tương tư.

Cái chết của Vương Đại Ngưu đã làm cho hắn cực kỳ phẫn nộ, sau khi rời khỏi buổi tiệc của Ngũ Gia, Phương Hạo Vân liền liên hệ với Hà Thanh, kêu cô lái xe đến chổ dừng chân tạm thời của Bạch Quý.

Bạch Quý đã chỉ huy mọi người xây dựng một linh đường rộng rãi, đồng chí Nhị Ngưu thì đã khóc thành sông, thấy Phương Hạo Vân đến, hắn vội vàng nhào đến khóc lóc: "Phương thiếu gia. anh của tôi đã chết, anh ấy đã chết. cậu phải báo thù cho anh tôi, cậu làm chủ cho tôi."

Nhị Ngưu vừa lên tiếng, mọi người lập tức yêu cầu báo thù rửa hận.

Bạch Quý vội vàng lên tiếng, ý bảo mọi người im lặng.

Nhưng Phương Hạo Vân khoát tay, ý muốn mọi người cứ tiếp tục.

Tâm tình của mọi người, hắn hiểu.

"Nhị Ngưu. đứng lên!" Phương Hạo Vân đỡ lấy Vương Nhị Ngưu đang quỳ dưới chân mình, vỗ vai hắn, nghiêm túc nói: "Nhị Ngưu, anh yên tâm, chuyện này tôi nhất định sẽ xử lý tốt. Nợ máu phải trả bằng máu, mặc kệ là ai đã ra tay, tôi cũng không bỏ qua"

"Phương thiếu gia, cảm ơn cậu." Vương Nhị Ngưu lại quỳ xuống đất, dập đầu một cái thật mạnh trước mặt Phương Hạo Vân, làm cho đầu của hắn lập tức sưng lên.

Phương Hạo Vân lại đỡ Vương Nhị Ngưu lên, xin lỗi: "Nhị Ngưu, nếu là anh em của tôi thì không cần phải nói lời cảm ơn. Chuyện anh của anh, là tôi có lỗi với anh."

Nói xong, Phương Hạo Vân đưa Vương Nhị Ngưu đến trước linh đường.

Trước khi Phương Hạo Vân đến, Bạch Quý đã chuẩn bị một cái quan tài cho Đại Ngưu rồi, đưa thi thể của hắn vào trong. Đại Ngưu chết rất thảm, bị bắn một phát lấy mạng, và viên đạn đã phá tan bộ óc của hắn.

Ánh mắt của Đại Ngưu vẫn trừng lớn, hiển nhiên là chết không nhắm mắt.

Vương Đại Ngưu, hậu duệ của đại đao Vương Ngũ, Thất Tuyệt Đao của hắn cũng đã luyện được chút lửa rồi, vốn Phương Hạo Vân rất kỳ vọng vào hắn, chỉ là không ngờ rằng hắn lại đi sớm như thế.

Hắn đã chết, sao hắn có thể chứ?

"Là ai làm? Đệt mẹ, bố nhất định sẽ không bỏ qua." Phương Hạo Vân nổi giận lên, Thiên Phạt xuất hiện nơi tay, một tia sáng lóe lên, và lao đến một tảng đá cách đó không xa.

Chỉ nghe một tiếng ầm vang lên, khối đá to trước mắt đã bị chém nát.

Mọi người lần đầu tiên nhìn thấy đao kỹ của Phương Hạo Vân, không khỏi hít sâu một hơi, và khen lão đại lợi hại. Còn Vương Nhị Ngưu nhìn thấy cảnh này, trong lòng cang tin chắc sẽ báo thù được.

Lúc này bên ngoài lại truyền đến tiếng ồn ào, dường như đã xảy ra chuyện, Bạch Quý vội vàng đ qua, một lát sau, ông cau mày đi lại.

"Thiếu chủ, chúng ta lại mất thêm hai anh em, là những người phái đi kiếm Đại Ngưu và không kịp trở về. Cũng là bị một viên lấy mạng, xuyên đầu và xuyên tim. hơn nữa." Nói đến đây, trên mặt Bạch Quý lộ ra vẻ khó khăn, dường như có ý muốn nói lại thôi.

'NÓI!" Phương Hạo Vân quát.

"Trong túi áo của một người, chúng tôi phát hiện ra một tờ giấy do hung thủ để lại, kêu chúng ta cút khỏi phố D trong ba ngày, nếu không sẽ giết sạch chúng ta." Bạch Quý đưa tờ giấy đến.

"Hừ!"

Phương Hạo Vân cười lạnh một tiếng, cũng không cầm lấy tờ giấy: "Khẩu khí rất lớn, ai giết sạch ai còn chưa nhất định."

Trong lòng Phương Hạo Vân đã nổi điên lên, giống như một ngọn lửa gặp xăng thì bùng cháy, bắt đầu nổ dữ dội hơn, hắn nắm chặt tay, nhìn Bạch Quý, nói: "Kêu Thất Tinh Tài Phán sở hành động, bất kể thế nào cũng phải tra ra hung thủ."

"Đã biết, tôi đi thu xếp." Bạch Quý vội nói.

Phương Hạo Vân vốn không tính để cho Thất Tinh Tài Phán sở ra mặt, bởi vì hắn muốn mượn cơ hội này rèn luyện cho các anh em, chỉ là kết quả lại thành thế này.

Nhớ đến cái chết của Vương Đại Ngưu, hắn liền áy náy, liền đau lòng.

Mặc kệ là ai, đều phải trả giá gấp ngàn lần.

"Thiếu chủ, anh em của Thất Tinh Tài Phán sở đã hành động, bây giờ chúng ta làm gì?" Một lát sau, Bạch Quý đi đến hỏi.

Phương Hạo Vân không nói gì, hắn đi qua đi lại trong phòng, vẻ mặt cực kỳ hung dữ: "Chuyện điều tra hung thủ để anh em Thất Tinh Tài Phán sở làm, ông mang các anh em ở đây đợi lệnh, đợi chỉ thị của tôi."

"Phương thiếu gia, chuyện này không biết có phải là do thế lực vũ trang ở phố D làm không?" Hà Thanh nãy giờ không nói gì đã lên tiếng: "Theo tôi được biết, thế lực địa phương ở đây vô cùng ghét bên ngoài"

"Ngũ Gia." Phương Hạo Vân cười lạnh: "Nếu tôi đoán không sai, thì chuyện này là do Ngũ Gia làm. Hành tung của đám người Bạch Quý vô cùng kín, người bình thường, những thế lực vũ trang bình thường căn bản là không thể tìm được họ. Trừ phi là hoàng đế ngầm của phố D. Toàn bộ phố D đều nằm trong sự khống chế của ông ta, chỉ có ông ta mới có năng lực này."

647. Chương 74: Sự Giác Ngộ Của Đinh Gia

Trước đây mọi người cũng đã từng có suy đoán này, cái chết của Đại Ngưu càng thêm xác định suy đoán này.

Hà Thanh suy nghĩ một chút rồi nói: "Tôi phải lập tức báo cho cấp trên biết."

"Lão già chết tiệt, tôi sẽ không bỏ qua cho ông." Nhớ đến Ngũ Gia, trong lòng Phương Hạo Vân liền nổi giận.

Hà Thanh tìm một chổ không người, vội vàng đem tình huống nơi này báo cáo cho Lã Thiên Hành biết, Lã Thiên Hành lập tức đưa ra chỉ thị.

Sự tham dự của Ngũ Gia, làm cho thế cục trở nên phức tạp, độ khó của kế hoạch cũng đã tăng lên.

Tuy rằng hành động lần này chủ yếu là do Phương Hạo Vân, nhưng mà Lã Thiên Hành không thể không để ý. Bởi vì muốn giải quyết phiền toái Long Thần, thì nhất dịnh phải mượn lực lượng của Phương Hạo Vân. Trừ cái này ra thì không còn phương pháp, ít nhất là lực lượng của ông cũng không thể gióng trống khua chiên đi giải quyết Long Thần được.

Phải biết rằng, phố D tuy rằng lạc hậu, nhưng mà cũng rất phức tạp, có rất nhiều tổ chức tình báo nước ngoài đặt thế lực tại đây.

Một khi đã dính dáng đến Ngũ Gia, chuyện này càng trở nên phức tạp hơn, thậm chí là có thể dẫn đến xung đột về mặt ngoại giao.

Hành động lần này, quan hệ của ông dính liền với Phương Hạo Vân, không thể để xảy ra bất kỳ sai lầm nào hết.

Vì bảo đảm tin tình báo cho đám người Phương Hạo Vân, Lã Thiên Hành đã vận dụng lực lượng tình báo cao cấp tại phố D, thậm chí là còn sử dụng cả vệ tinh theo dõi.

"Phương thiếu gia, cậu yên tâm, ông chủ lớn vô cùng coi trọng chuyện này, ông đã bắt đầu bố trí hành động, tin rằng chúng ta sẽ nhận được trợ giúp lớn nhất" Hà Thanh an ủi: "Nén bi thương thành sức mạnh. người chết cũng đã chết. chúng ta."

"Không cần khuyên, đạo lý này tôi rất rõ ràng, cô không cần nói với tôi" Phương Hạo Vân khoát tay chặn lời Hà Thanh, lập tức kêu Nhị Ngưu đến.

Sắc mặt của Vương Nhị Ngưu hơi tái nhợt, nhìn chằm chằm Phương Hạo Vân, dùng cái giọng khàn khàn do khóc nhiều nói: "Phương thiếu gia, có chuyện gì?"

Phương Hạo Vân gật đầu, ánh mắt có vẻ hơi phức tạp khi nhìn Vương Nhị Ngưu, hỏi: "Đại ca của anh có người tình nào ở Hoa Hải không, có mang thai chưa?"

"Hẳn là có rồi, theo tôi dc biết, trong quá khứ, cũng đã có ba người mang thai của ảnh. gần đây thì tôi không rõ ràng" Vương Nhị Ngưu thành thật đáp.

"Ừ"

Phương Hạo Vân gật đầu, sau đó gọi điện cho Trần Thiên Huy, dặn dò vài câu.

Sau đó, Phương Hạo Vân nói: "Nhị Ngưu, tôi đã cho chú Trần đi thăm dò, nếu đại ca của anh gần đây còn có người tình mang thai của đại ca anh, tôi sẽ giúp cô ta hạ sinh đứa nhỏ, coi như là an ủi anh trai của anh"

Lời này vừa nói ra xong, Vương Nhị Ngưu lại quỳ xuống đất, nói lời cảm ơn liên tục.

"Đứng lên!"

Phương Hạo Vân quát: "Dưới gối nam nhi có lót vài, nam tử hán đại trượng phu, quỳ lạy cha mẹ, quỳ lạy trời đất, không thể dễ dàng quỳ lạy người khác."

Vương Nhị Ngưu ngẩng đầu lên, nghiêm túc nói: "Phương thiếu gia, trong lòng Nhị Ngưu, cậu giống như là cha mẹ tái sinh vậy, một lạy này, xin cậu nhận cho."

"Anh em tốt. đứng lên đi, đây là những điều tôi nên làm." Phương Hạo Vân tự mình đỡ Vương Nhị Ngưu dậy.

Nhìn thấy tình cảnh cảm động này, đôi mắt của Hà Thanh đã hơi ướt, chỉ trong một năm mà Phương Hạo Vân đã đạt đến thành tựu này, cũng không phải do ngẫu nhiên.

Long Hi Phượng và Ngũ Gia đã uống ngồi hết chai rượu thứ ba, loại rượu mà họ uống đều là rượu mạnh, theo lẽ thường mà nói, rượu này mà để đàn bà uống thì chỉ một ly thôi cũng đủ lật xuồng rồi.

Nhưng mà mặt của Long Hi Phượng vẫn không chút gì thay đổi, cứ một ly rồi lại một ly.

Ngược lại, Ngũ Gia nổi danh là ngàn chén không say đã bắt đầu có cảm giác mơ hồ.

Rốt cục ông ta đã không chống đỡ nổi, xua tay nói: "Được rồi, anh nhận thua. Tiểu Phượng Hoàng, không biết tửu lượng của em luyện như thế nào nữa, anh thật sự bội phục em." Bình thường khi chỉ còn hai người, Ngũ Gia đều xưng hô là anh em với Long Hi Phượng cho thân mật. Mà ông ta đâu biết rằng, tửu lượng của Long Hi Phượng đâu phải do luyện, mà chỉ là dùng nội công bức rượu ra thôi.

Làm một người không biết công phu, Ngũ Gia đương nhiên là không hiểu được ngọn nguồn rồi.

"Haha!"

Long Hi Phượng thản nhiên cười nói: "Tửu lượng của em đâu có tốt, chủ yếu là do Ngũ Gia nhường thôi. Ngũ Gia, anh say rồi à?"

Ngũ Gia nghe thấy thế, trong lòng thầm mắng, mẹ kiếp, nếu chưa say thì đã ăn em từ mấy đời rồi, còn đợi đến bây giờ à?

"Tiểu Phượng Hoàng, nói chuyện với Ngũ Gia đi. hy vọng lần này em có thể ở phố D lâu một chút" Trong đôi mắt của Ngũ Gia hiện lên một tia nóng bỏng, ánh mắt nhìn chằm chằm vào Long Hi Phượng, rất giống phong cách của dâm tặc.

Long Hi Phượng cười hỏi: "Ngũ Gia, anh không tham gia buổi tiệc bên ngoài sao?"

"Không cần. dù sao toàn bộ phố D này cũng là của anh, về phần bọn họ, muốn chia thế nào thì chia, cũng chẳng làm gì được. Tiểu Phượng Hoàng, nói thật đi, em có thích đứa nhỏ Hạo Vân đó không?" Ngũ Gia đột nhiên hỏi.

"Không thích, em chỉ thích người thành thục ổn định thôi." Nói xong, Long Hi Phượng dùng ánh mắt đầy ý nghĩa nhìn Ngũ Gia, thậm chí là còn đưa lưỡi liếm môi vài lần.

Động tác lơ đãng như thế làm cho Ngũ Gia nổi lửa, quả thật muốn đè Long Hi Phượng xuống để mà hành hạ một phen. Nhưng mà, dùng sức mạnh tuyệt đối là không thể, tuy rằng Ngũ Gia tự phụ, nhưng vẫn còn biết sợ Nam Cung thế gia.

Cho nên, ông chỉ nghĩ biện pháp dụ dỗ Long Hi Phượng mà thôi, Lấy đi trinh tiết của bà dưới tình huống hai bên đều tình nguyện, làm thành chuyện tốt.

Nhưng mà Ngũ Gia dường như đã quên mất một chuyện quan trọng, ông ta đã là ông già sáu mươi rồi, Long Hi Phượng dựa vào cái gì mà thích ông ta. Tuy rằng bây giờ Long Hi Phượng cũng đã bốn mươi, nhưng người ta là kẻ luyện võ, và còn là một cao thủ. Với công lực của bà bây giờ, bốn mươi chưa tính là già.

Hơn nữa, dung nhan của bà nhìn sơ qua cũng chỉ ba mươi thôi, là giai đoạn mà mị lực bộc phát cao nhất.

Đáng tiếc là Ngũ Gia làm hoàng đế ngầm đã lâu, nên không còn nghe được lời thật nữa. Tình huống của Ngũ Gia bây giờ, không khác gì ông vua không mặc đồ trong cổ tích vậy.

Nói thật, nếu không phải vì Long Chiến và Long Thần, Long Hi Phượng tuyệt đối không có khả năng nói chuyện với một ông già như vậy.

"Haha!"

Ngũ Gia đã bị rượu làm cho mơ hồ, lại bị Long Hi Phượng mê hoặc như thế, cho nên không còn nhìn thấy đường nữa. Ông cười to vài tiếng, ánh mắt vẫn nhìn chằm chằm Long Hi Phượng, nói: "Tiểu Phượng Hoàng, nếu em không chê Ngũ Gia già, thì sau này anh nguyện ý cùng em khai sáng một tương lai mới, một thời thế mới"

Long Hi Phượng cố ý nén sự ghê tởm trong lòng, thản nhiên nói: "Chuyện sau này để sau này tính. chuyện quan trọng trong mắt Phượng Hoàng bây giờ là nhanh chóng tìm được hai vị gia huynh."

"Tiểu Phượng Hoàng yên tâm, chuyện này anh sẽ cố gắng, anh sẽ cho người đi điều tra, chậm thì ba ngày, nhanh thì hai ngày, nhất định sẽ có tin tức" Ngũ Gia cười nói: "Trong phố D này, không có sự đồng ý của anh, cho dù là tướng quân cũng chẳng làm gì được."

Lão già, chờ sau này sẽ biết. Long Hi Phượng âm thầm bật cười, trong lòng cũng đưa ra quyết định, chờ sau khi hết giá trị lợi dụng, thì mạng của ông cũng sẽ kết thúc.

Khi Long Hi Phượng biết tin có vài anh em của Phương Hạo Vân bị giết, đã là chuyện của ngày hôm sau.

Khi nghe nói những người đó có thể là do Ngũ Gia giết, trong lòng bà lập tức suy nghĩ, tính lợi dụng Phương Hạo Vân để đối phó với lão già Ngũ Gia.

Bị lão già kia nghĩ bậy lâu như vậy, cũng nên đòi lại chút gì đó.

"Hạo Vân, em tính là thế nào? Bây giờ chúng ta vẫn phải dựa vào Ngũ Gia để tìm Long Chiến và Long Thần. Nếu lúc này chúng ta trở mặt, thì chỉ bất lợi cho chúng ta." Long Hi Phượng đề nghị: "Ý của chị là, tạm thời giả câm giả điếc, đợi sau khi giải quyết xong chuyện của Long Thần, chúng ta sẽ cùng diệt trừ lão già này, em thấy thế nào?"

Phương Hạo Vân khẽ cười, nói giống như giỡn: "Chị Phượng, em thấy lão già đó đối với chị không tồi. vốn tưởng rằng chị có chút hảo cảm với ông ta, không ngờ rằng trong lòng chị cũng giống như em."

"Hạo Vân, em đừng cười chị Phượng. nếu không phải bây giờ do chúng ta có việc cầu ông ta, thì chị mới lười phản ứng với ổng." Nói đến đây, Long Hi Phượng đột nhiên cười: "Lão già ấy thật sự là buồn cười, hy vọng có thể kết thành vợ chồng với chị, sống hết quãng đời còn lại. thiếu chút nữa đã làm chị nôn chết"

"Đúng rồi, Hạo Vân, có phải em hoài nghi lão già này cấu kết với Long Thần không?" Long Hi Phượng đột nhiên hỏi.

"Không sai!"

Phương Hạo Vân thản nhiên nói: "Theo tình huống trước mắt, lão già này tám phần đã là người của Long Thần rồi, cho nên, chị Phượng, chị phải cẩn thận"

"Cảm ơn em!" Long Hi Phượng nghe thấy thế, trong mắt hiện lên một sự vui mừng: "Đã lâu rồi không nghe những lời ấm áp, chân thành như vậy. Hạo Vân, chị Phượng có thể kết bạn với em, quả thật là may mắn ba đời."

"CHị Phượng, chị xem vậy được không? Chị theo dõi Ngũ Gia một chút, mấy ngày nay em phải xử lý chuyện anh em của em bị giết, có tình huống gì chúng ta lập tức báo cho nhau" Phương Hạo Vân nói.

"Không thành vấn đề. Hạo Vân, chị biết em là người có cá tính, nhưng làm chị, chị cũng khuyên em một câu, đừng để bi thương và thù hận làm rối loạn. Nếu chuyện này thật sự là do lão già kia phái người làm, thì chúng ta đã lâm vào nguy cơ rất lớn. Lúc này, chúng ta cần phải bình tĩnh, đừng mắc vào sai lầm gì. Ngũ Gia có mưu tính rất sâu, cho dù chỉ là một nụ cười sai lầm, thì cũng có thể đẩy chúng ta vào cảnh vạn kiếp không phục." Long Hi Phượng dặn dò.

"Ừ, em biết chừng mực mà" Phương Hạo Vân lạnh giọng nói: "Mặc kệ hung thủ al2 ai, thì hắn chắc chắn phải trả một cái giá gấp trăm ngàn lần. cho dù tàn sát hết cả phố D, em cũng không tiếc"

Nhìn thấy ánh mắt kiên nghị của Phương Hạo Vân, Long Hi Phượng không chút nghi ngờ. Nhưng mà bà rốt cục vẫn chưa rõ, làm một kẻ bề trên như hắn, tại sao lại quan tâm đến tính mạng của thủ hạ như vậy.

Cái này chính là điểm khác nhau rất lớn giữa Long Hi Phượng và Phương Hạo Vân.

Trong mắt Phương Hạo Vân, trừ bỏ người xấu ra, thì tất cả mọi người đều ngang hàng.

Chúng sinh chưa chắc đã ngang hàng, nhưng sinh mạng thì bằng nhau.

Cho nên, từ trước đến giờ Phương Hạo Vân chưa từng giết một người không nên chết.

Từ lúc gia nhập Thiên Đạo, trên tay của Phương Hạo Vân đã dính đầy máu, nhưng hắn có thể tự hào nói ra, những kẻ chết trong tay hắn từ trước đến giờ đều không oan.

Sau khi hai người thương lượng kế sách tạm thời xong liền chia tay.

Long Hi Phượng tiếp tục thám thính tình hình từ Ngũ Gia, và Phương Hạo Vân tự mình dẫn Thất Tinh Tài Phán sở đi tìm hung thủ. Tất cả đều đồng thời tiến hành.

Cùng lúc đó, mạng lưới tình báo SeeDs của Lã Thiên Hành cũng đã bắt đầu điều tra.

Làm sai thì phải trả giá cho hành động của mình.

Đinh gia có thể đứng vững tại nước Anh, đương nhiên cũng không phải do may mắn và tự phu. Nhất là gia chủ Đinh Vọng Long, càng có thể gọi là lão cáo già tâm địa hiểm độc.

Mấy ngày nay, dưới sự xâm lấn không ngừng từ các hạng mục của tập đoàn Hùng Long, ông ta dần dần

Trải qua vài ngày điều tra, theo tin tức thu thập được, và với tình huống trước mắt mà nhìn, cái chết của Vương Đại Ngưu quả thật là do một tay Ngũ Gia bày ra.

Không cần quản Ngũ Gia và Long Thần có cấu kết hay không, chứng cứ trước mắt đã cho thấy điều này.

Dưới sự thu xếp của Phương Hạo Vân, Hà Thanh và Long Hi Phượng đã gặp mặt.

Sau khi gặp mặt, hai người có vẻ không được thích nhau, có điều do có Phương Hạo Vân ở đây, cho nên hia người cũng không gây ra mâu thuẫn hay xung đột gì.

"Phương thiếu gia. tôi hy vọng cậu có thể lấy đại cục làm trọng, đừng trở mặt với Ngũ Gia, ít nhất là chúng ta cần một ít thời gian để xác định quan hệ của Ngũ Gia và Long Thần. Nếu bây giờ mà trở mặt, thế cục sẽ vô cùng bất lợi với chúng ta, dù sao đây cũng là phố D, không phải trong nước. Cường long không chơi lại rắn độc, chúng ta nên cẩn thận thì tốt hơn." Người lên tiếng là Hà Thanh, cô đang lo Phương Hạo Vân nhất thời nổi giận, sẽ làm ra một quyết định sai lầm. Theo thế cục trước mắt, nếu thật sự trở mặt với Ngũ Gia, thì phần thắng thật sự quá nhỏ. Không nói về việc hoàn thành công tác, chỉ với lực lượng trong tay của Ngũ Gia thôi cũng đã hơn ngàn người rồi, hơn nữa cái này còn chưa tính về lực lượng hắc đạo ở phố D

Phương Hạo Vân lạnh giọng nói: "Nợ máu phải trả bằng máu. thượng tá Hà Thanh, tôi cảm thấy rằng bây giờ chúng ta không cần phải làm xác định gì cả. Không cần nghi ngờ, Ngũ Gia và Long Thần tuyệt đối cùng một phe, nếu không như vậy thì sao ông ta lại đi ám sát người của tôi? Phải biết rằng, trước đây tôi và ông ta đều không quen biết, căn bản là không có thù hận. Bởi vậy có thể thấy được, chuyện này cũng có liên quan đến Long Thần. Bây giờ không quyết, thì sẽ làm trễ thời cơ. Tôi có một dự cảm, Long Thần và Ngũ Gia còn chưa ra tay, phỏng chừng cũng là do đang tìm kiếm cơ hội. Nếu chúng ta còn chưa động, vậy thì sẽ thật sự lâm vào nguy cơ"

"Nhưng mà ông chủ lớn ra lệnh." Trên mặt Hà Thanh lộ vẻ khó xử.

"Đủ rồi!"

Phương Hạo Vân thấy Hà Thanh nói như vậy, cười khinh thường: "Ở bên ngoài quân lệnh cũng không thể làm gì, huống chi ông Lã không có ở đây, phán đoán của ông ta chưa chắc đã chính xác. Chuyện này, từ giờ trở đi, tôi làm chủ, sau này có trách nhiệm gì thì để một mình tôi gánh vác."

649. Chương 76: Xác Định, Quả Nhiên Là Có Gian Tình

Long Hi Phượng nãy giờ không nói gì đã lên tiếng: "Hạo Vân, chị ủng hộ em. Có được hào khí can vân như vậy, anh hùng thiên hạ đứng trước mặt em cũng đều mất sắc. Chị Phượng lần này sẽ toàn lực ủng hộ em, em muốn làm gì thì cứ đi làm đi."

"Cảm ơn chị Phượng." Phương Hạo Vân lễ phép cảm ơn một tiếng, sau đó nói: "Chúng ta nên thảo luận hành động của bước tiếp theo đi. thượng tá Hà Thanh, nếu cô cảm thấy khó xử, cứ tự tiện đi. chuyện này không cần cô tham dự!"

"Cậu. thôi được, chuyện lần này tôi nghe lời cậu." Hà Thanh thoáng do dự một chút rồi nói: "Tôi cũng sẽ toàn lực phối hợp với cậu, chuyện lần này rất khó giải quyết, chúng ta phải đồng lòng, hy vọng cậu có thể vứt bỏ thành kiến với chúng tôi"

Phương Hạo Vân đang muốn nói cái gì đó, thì bên ngoài truyền đến tiếng gõ cửa của Bạch Quý.

Phương Hạo Vân biết Bạch Quý khẳng định là có chuyện gấp, vội vàng nói: "Vào đi."

"Thiếu chủ, không tốt, bên ngoài có một đám quân cảnh." Sắc mặt của Bạch Quý tái xanh lại, nói: "Đám quân cảnh này nói chúng ta nhập cư trái phép, muốn mang chúng ta đến cục di dân, trục xuất toàn bộ về nước"

"Ngũ gia rốt cục đã ra tay." Phương Hạo Vân cười lạnh, nói với Hà Thanh: "Thấy chưa? Bọn họ cũng đã bắt đầu ra tay."

Hà Thanh nhỏ giọng thì thầm: "Có lẽ chuyện là thật sự do cục di dân làm thì sao?"

"Cho dù hành động hôm nay là của cục di dân, thì sau lưng cũng không tránh khỏi hình bóng của Ngũ Gia." Phương Hạo Vân phân tích: "Với lực ảnh hưởng của Ngũ Gia tại phố D, muốn làm cho cục di dân ra mặt cũng không phải vấn đề."

"Phương thiếu gia, cậu tính nên làm thế nào đây? Đối kháng ngay mặt?" Hà Thanh nhíu mày: "Quân cảnh của phố D có tố chất rất khém. Tôi dám cam đoan, nếu cậu thật sự muốn đối kháng lại, thì đám quân cảnh này tuyệt đối không phải là đối thủ của cậu. Có điều tôi nghĩ, nếu chúng ta làm như vậy, thì sẽ trúng quỷ kế của Ngũ Gia"

"Không sai"

Long Hi Phượng gật đầu: "Nếu chúng ta chống lại quân cảnh, thì Ngũ Gia có thể vận dụng quân đội để tiến hành trấn áp quy mô lớn, đến lúc đó chúng ta chỉ còn con đường chết"

"Đương nhiên là yên tâm rồi, TIểu Phượng Hoàng làm việc, ông yên tâm nhất" Ngũ Gia cười, sau đó cầm cốc lên, tiếp tục uống.

Phương Hạo Vân đứng bên cạnh bật cười, hắn chẳng những là biết, hơn nữa còn đang đứng trước mặt ông ta, nhưng ông có thể thấy sao?

Sau khi uống hết một vò rượu nữa, bên ngoài truyền đến tiếng ồn ào.

Phương Hạo Vân vểnh tai lên nghe, tổng cộng có mười người, ai cũng là cao thủ, trong đó có hai người mạnh hơn hẳn.

Hắn phỏng chừng đây là Long Chiến và Long Thần, theo cảm nhận từ khí tức thì Long Chiến đã mạnh hơn trước đây một chút.

"Đến rồi!"

Ngũ Gia cười nói: "Tiểu Phượng Hoàng, người con đợi rốt cục đã đến rồi. đi, chúng ta ra đón họ" Nói xong, Ngũ Gia liền đứng dậy chào đón.

Đoàn người kia vừa đi vào, Long Hi Phượng liền nhận ra Long Chiến ngay, về phần người đàn ông cao lớn bên cạnh ông ta, phỏng chừng chính là Long Thần. Bởi vì khuôn mặt hai người có vài phần giống nhau.

Phương Hạo Vân cũng nhân cơ hội đánh giá Long Chiến và Long Thần một chút.

Tinh thần của Long Chiến tốt hơn trước kia một ít, còn người bên cạnh ông ta, hẳn là Long Thần, cũng trẻ hơn Long Chiến một ít, theo khuôn mặt mà đoán thì khoảng chừng hơn ba mươi, con mắt thâm thúy mà có thần, vẻ mặt lãnh khốc, ánh mắt mơ hồ mang theo một sát khí thản nhiên.

Người này mạnh hơn Long Chiến nhiều.

"Tiểu Phượng. quả nhiên là em." Long Chiến nhận ra Long Hi Phượng, sắc mặt liền vui vẻ, vội vàng đến cầm lấy hai tay của bà, nói: "Ông trời có mắt rồi, ba anh em Long gia chúng ta lại gặp mặt, nợ diệt môn của Long gia đã có thể báo. ông trời có mắt."

"Đúng rồi, anh quên giới thiệu cho em." Long Chiến kéo tay Long Hi Phượng đến, cười nói: "Tiểu Phượng, em xem. đây là anh hai của em, Long Thần"

"Chào anh hại!" Long Hi Phượng kêu một tiếng, cẩn thận đánh giá vài lần. Trong lòng bà âm thầm kinh ngạc, theo khuôn mặt của anh hai mà đoán, thì phỏng chừng là trẻ hơn tuổi thực tế khoảng mười tuổi, có thể thấy được công lực của người này không yếu, nhất định là khó đối phó rồi.

"Tiểu Phượng. em chính là tiểu Phượng à. không thể tưởng được, khi Long Thần anh còn sống, vẫn có thể nhìn thấy em gái của mình." Long Thần đi đến cầm tay em gái, ánh mắt có vẻ hơi ướt.

Long Hi Phượng nhìn thấy cảnh này, trong lòng dường như cũng hơi xúc động.

Phương Hạo Vân thấy hơi kinh ngạc vì phản ứng của Long Hi Phượng, có điều nghĩ lại thì thấy đây cũng là chuyện bình thường. Dù sao thì bọn họ cũng cùng chung dòng máu mà.

"Anh hai, mấy năm nay cực khổ cho anh rồi. hôm nay cuối cùng em cũng đã nhìn thấy anh." Vẻ mặt của Long Hi Phượng không nhìn ra được là đang nói thật hay nói dối nữa, bởi vì nước mắt đã chảy ra rồi.

"Haha!"

Ngũ Gia cười to vài tiếng: "Quả nhiên là anh em tình thâm. mọi người từ từ, vào ngồi đi. làm vai cốc trước đã. coi như chúc mừng cho cả nhà đoàn tụ"

Mọi người nghe thấy thế, cầm cốc lên, uống cạn một hơi.

Sau khi xong việc, Ngũ Gia dặn dò thuộc hạ ra ngoài, saud 9o1 nói: "Nào, chúng ta uống thêm một ly nữa, hy vọng đại thù của Long gia sớm ngày được báo"

Sau khi uống xong, Long Thần ném cái cốc xuống đất, nghiêm mặt nói: "Long Thần tôi xin thề với trời, mặc kệ là trả giá thế nào, tôi cũng phải cắt lấy cái đầu của Phương Hạo Vân"

"Đúng, cắt đầu Phương Hạo Vân" Long Chiến cũng ném cái cốc xuống, tức giận nói: "Tiểu tử họ Phương ấy tàn sát Long gia không còn một người. Món nợ này, Long Chiến xin thề, nhất định phải trả bằng máu."

Nói đến đây, Long Chiến xoay mắt lại nhìn Long Hi Phượng, hỏi: "Tiểu Phượng, anh nghe nói em có quan hệ không bình thường với hắn, có việc này sao?"

"Bọn em chỉ gặp mặt vài lần. cũng không nói rõ là có quan hệ gì. Đại ca, anh nói vậy là có ý gì? Hay là anh cảm thấy rằng em không được gần gũi với kẻ thù của Long gia?" Long Hi Phượng khẽ cười: "Hoặc là trong lòng anh vẫn còn ghen ghét vì Nam Cung thế gia thấy chết mà không cứu?"

"Em biết là tốt rồi!"

Nói đến chuyện này, trong lòng Long Chiến liền không thoải mái, năm đó gả Long Hi Phượng vào Nam Cung thế gia, cũng chỉ hy vọng sẽ có ngày giúp đỡ lẫn nhau.

Kết quả là, Nam Cung thế gia lại thờ ơ, ông vài lần kêu Long Nhị cầu cứu, nhưng Nam Cung thế gia không tỏ thái độ gì.

Lúc này Long Thần cũng chuyển mắt nhìn về hướng Long Hi Phượng, thản nhiên nói: "Tiểu Phượng, việc này là em không đúng, bây giờ em là thiếu phu nhân của Nam Cung thế gia, với địa vị của em tại Nam Cung thế gia, muốn trợ giúp cho *** ggia hẳn không phải là việc khó, việc này là em thật sự không đúng."

"hừ!"

Long Hi Phượng cười lạnh một tiếng: "Hai anh trai, hai anh đang công khai lên án em à? Đại ca, thế cục lúc ấy anh còn chưa rõ sao, chuyện của Long gia mặc dù do Phương Hạo Vân làm, nhưng mà do cấp trên ra lệnh. Anh nghĩ đi, những gia tộc có giao tình với Long gia lúc ấy có trợ giúp cho anh không? Cấp trên muốn xử lý, ai dám nhúng tay vào?"

"Em nói cũng đúng, lúc ấy Long gia đã cầu cứu chung quanh, nhưng không ai dám giúp đỡ. Nhưng em thì khác, em là người của Long gia, sao em có thể thấy chết mà không cứu" Long Chiến cả giận nói: "Hôm nay có lão nhị ở đây, em phải cho một lý do rõ ràng. Em làm như vậy mà không thấy mất mặt với ba mẹ sao?"

Phương Hạo Vân âm thầm bật cười, sự lo lắng của mình đã không có xảy ra rồi.

Mặc kệ là Long Hi Phượng, hay là Long Chiến hoặc Long Thần, đều đã qua cái tuổi xúc động rồi. Đối với bọn họ bây giờ, lợi ích mới là điều quan trọng.

Cho nên, sau khi nói chuyện một hồi, bọn họ liền khai chiến lợi ích.

"Hừ!"

Long Hi Phượng lại hừ lạnh một tiếng, nhìn Long Chiến, nói: "Đại ca, anh sai rồi. từ giây phút em bước chân ra khỏi cửa nhà họ Long, em đã không còn là người của Long gia nữa, anh chưa từng nghe sao? Con gái gả ra ngoài, giống như nước đã bị đổ đi. anh có suy nghĩ không, nếu lúc đó cho dù em có giúp anh, thì Long gia có thể thoát khỏi kiếp nạn sao? Tình huống trong nước anh cũng rõ ràng, chuyện cấp trên muốn làm, không gia tộc hoặc thế lực nào có khả năng thay đổi. Lúc trước nếu em tùy tiện cứu *** giga, chẳng những là không cứu được, ngược lại còn liên lụy cả Nam Cung thế gia vào. Anh nói rất đúng, em là thiếu phu nhân của Nam Cung thế gia, nên em có trách nhiệm với Nam Cung thế gia."

Lời này vừa nói ra, Long Chiến liền không còn gì để nói.

Bởi vì theo lẽ mà nói, lời nói của Long Hi Phượng rất hợp tình hợp lý, hoàn toàn không có sơ hở.

Long Thần nhíu mày: "Tiểu Phượng, bọn anh cũng biết chổ khó xử của em. có điều dù sao cũng là người một nhà, cho nên trong lòng đại ca của em mới nói vậy nếu chuyện đã qua rồi, anh thấy không cần phải nhắc lại. Chuyện cấp bách bây giờ là báo thù cho Long gia."

652. Chương 79: Chính Thức Gặp Mặt

Long Chiến nói xen vào: "Lần này Phương Hạo Vân đến phố D, là cơ hội trả thù tốt cho chúng ta Tiểu Phượng, chuyện lần này em không thể khoanh tay đứng nhìn được."

“Hai anh muốn em làm thế nào?” Long Hi Phượng thản nhiên hỏi

“Rất đơn giản. đãi tiệc dụ Phương Hạo Vân ra, chuyện còn lại để bọn anh làm.” Long Thần cười nói: “Phố D bây giờ là thiên hạ của bọn anh. nếu không phải là do e ngại thực lực cá nhân của thằng nhóc họ Phương ấy, bọn anh đã dẫn người qua giết rồi.”

Nói xong, Long Thần ném cho Long Hi Phượng một cái túi bột: “Đây là bột Tán Công do anh tự tay chế tạo, em chỉ cần pha vào rượu, đợi khi Phương Hạo Vân uống xong, mặc kệ hắn có công lực cao thế nào thì cũng sẽ biến thành một phế nhân.”

Phương Hạo Vân nghe thấy thế, rùng mình một cái, đám người này quả nhiên rất độc ác, có thể nghĩ ra chiêu thức ác độc như vậy đối phó với mình, cũng may là hôm nay mình đến đây, nếu Long Hi Phượng mà giở trò xấu, mình quả thật là không đỡ nổi.

Long Hi Phượng cầm lấy bộc thuốc, tiện tay đưa cho Phương Hạo Vân, dặn: “Cầm lấy.”

Long Chiến thấy em gái đưa thứ quan trọng như vậy cho tùy tùng, vội nói: “Tiểu Phượng, em phải cẩn thận, thứ này không tầm thường đâu, lão nhị đã tốn rất nhiều công sức, nghiên cứu trong điển tịch của Long gia mà ra đấy”

“Yên tâm đi, ba người này đều là tâm phúc của em, sẽ không xảy ra chuyện đâu” Long Hi Phượng giải thích.

Phương Hạo Vân âm thầm bật cười, dùng cái thứ này để hại mình, và nó lại nằm trong tay mình, đúng là có ý tứ thật.

“Tiểu Phượng, chuyện này rất quan trọng, anh phải dặn em lại một lần, nhất định phải bảo đảm rằng Phương Hạo Vân ăn cái bột đó vào, nếu không chuyện này sẽ không dễ làm” Long Thần dường như không yên tâm, dặn dò thêm một câu.

Long Hi Phượng gật đầu đáp ứng.

Phương Hạo Vân lại nghĩ, bây giờ có nên ra tay không nhĩ, giết sạch Long Chiến, Long Thần và Ngũ Gia luôn, bắt trọn một mẻ.

Hắn cẩn thận suy nghĩ về lực lượng đối lập, tuy rằng bên mình ít hơn, nhưng mà có một kẻ đã đả thông nhâm đốc hai mạch như hắn ở đây, xử lý những người này cũng không phải việc khó.

Tuy rằng người ở đây khá đông, nhưng với khinh công của hắn, rời khỏi đây không phải việc khó.

Đúng lúc này, hắn đột nhiên nghe Long Hi Phượng nói: “Ngươi không phải anh hai của ta. ngươi rốt cục là ai?”

Phương Hạo Vân hơi kinh hại, vội vàng nhìn lại, hay Long Thần này là kẻ giả mạo?

Cái này khiến cho người đứng giữa là Ngũ Gia biến sắc, vội hỏi: “Tiểu Phượng Hoàng, có chuyện gì thế. con nói hắn không phải là anh hai của con. như vậy là sao? Ông và Long Thần quen biết nhiều năm như vậy. ông còn có thể nhìn lầm sao?”

“Đại ca, cái này rốt cục là sao?” Long Hi Phượng không thèm để ý đến Ngũ Gia, tức giận quay mặt lại nhìn Long Chiến: “Đây là chuyện gì? Là không tin tưởng em, hay là không tin tưởng Ngũ Gia?”

Long Chiến vốn định chối, nhưng nghĩ lại, cũng biết trình độ của em gái dường như đã vượt qua mình, thuật dịch dung của Long gia em nó còn thuộc hơn cả mình, sợ là không thể gạt được.

“Tiểu Phượng. em đừng có gấp. Bây giờ anh sẽ giải thích với em.” Long Chiến hít sâu một ơi, cười nói: “Anh hai của em bây giờ có một chuyện cực kỳ quan trọng phải làm, cho nên trong lúc nhất thời không thể xuất hiện, rơi vào đường cùng, đành phải dùng hạ sách này.”

“Hừ!”

Long Hi Phượng cười khinh thường: “Anh trai của em ơi, hai anh đối xử với em gái ruột thật tốt.”

“Long Chiến, các người cũng thật kỳ cục. Tôi có lòng tốt muốn để cho các anh em gặp nhau. mà ngay cả tôi chú cũng lừa. Nếu để cho Tiểu Phượng Hoàng nghĩ, tôi thông đồng với các chú lừa em nó thì sao đây?

Sau này làm sao mà tôi có thể ở chung với Tiểu Phượng Hoàng nữa." Nếu không phải d Long Hi Phượng nhìn ra người kia có dấu hiệu cải trang, Ngũ Gia cũng không biết đấy là người giả nữa. Bởi vì người này cải trang quá giống, ngay cả cử chỉ hành động và lời nói cũng giống y Long Thần như đúc.

"Ngũ Gia, xin lỗi chuyện hôm nay. có điều ông hãy nghe tôi giải thích, chúng tôi không phải cố ý lừa gạt ông, chỉ là hôm ay đột nhiên xảy ra chuyện, trong lúc nhất thời không kịp thương lượng với ông, cho nên Như vậy đi, tôi và lão Nhị sẽ thỉnh tội lại với ông sau, mong rằng ông đừng tức giận" Kết quả bây giờ, Long Chiến có nằm mơ cũng không ngờ được.

"Được rồi, nể mặt tinh bạn của tôi và Long Thần nhiều năm. Chuyện này tôi bỏ qua. Có điều tôi phải nói rõ ràng. Lần sau không được như vậy nữa. Đi ra đường, chú ý nhất là chữ tín" Sắc mặt của Ngũ Gia trở nên âm trầm, có điều những năm gần đây, ông ta có quan hệ rất tốt với Long Thần, hơn nữa hai người đã có một mối quan hệ không phân lợi ích, cho nên chút chuyện này không đáng để trở mặt.

Nhưng mà Long Hi Phượng thì lại không tha, vẻ mặt đầy tức giận: "Đại ca. anh đã không tin em, không tin tưởng em. em cũng không cần phải nói gì. chuyện bột Tán Công này, các người tự đi làm đi. Từ trước đến giờ, các người luôn xem em là người ngoài. Em còn có việc, không thể ở lại."

Nói xong, Long Hi Phượng liền đứng dậy đi ra ngoài.

"Tiểu Phượng, chờ đã. Có chuyện gì từ từ nói, đều là người nhà, cần gì phải tức giận như vậy?" Ngũ Gia đi qua, kéo lấy cánh tay của Long Hi Phượng, cười khuyên: "Tiểu Phượng Hoàng, đừng nóng giận lát nữa ông sẽ kêu hai đứa này xin lỗi. Nể mặt ông, con đừng nổi nóng."

Lúc này Long Hi Phượng mới chịu dừng bước, có đều trên mặt vẫn lạnh như thế.

Long Chiến cười nói: "Tiểu Phượng, chuyện này lát nữa anh và lão nhị sẽ nói cho em biết, bây giờ trước anh cảm thấy rằng chuyện quan rto5ng hính là giải quyết Phương Hạo Vân, lấy đầu của hắn tế vong linh của Long gia chúng ta."

"Nể mặt thù nhà, em tạm thời không truy cứu. Nhưng mà anh và anh hai phải cho em một cái công bằng" Long Hi Phượng nghiêm mặt nói: "Đại ca, anh nói đi, các người tính toán thế nào? Tình huống cụ thể em còn chưa rõ. Hơn nữa, em phải nói rõ cho các người biết, Phương Hạo Vân không tầm thường, lỡ như bột Tán Công này không dùng được, các người nên làm gì tiếp theo? Đây là một vấn đề vô cùng quan trọng, em hy vọng các người có thể xem xét rõ ràng."

"Cái này, em yên tâm." Long Chiến cười tự tin: "Chỉ cần Phương Hạo Vân uống vào, anh cam đoan là nó tuyệt đối hữu hiệu."

Dừng lại một chút, Long Chiến nói thêm: "Em theo anh đến đây, anh nói kế hoạch cho em nghe. Đúng rồi, thuộc hạ của em không cần đi theo."

Tiểu Đao và lão Lang nghe thấy thế, vội vàng đuổi theo, có vẻ không đi không được.

Phương Hạo Vân thấy vậy, cũng làm bộ đuổi theo, biểu hiện ra sự trung thành tận tâm.

Long Hi Phượng thản nhiên cười: "Không sao. anh ấy là đại ca của tôi, không có khả năng hại tôi đâu. các người chờ tôi ở đây."

Mọi người nghe thấy thế, lúc này mới bỏ qua.

Một buổi tiệc long trọng được tổ chức, chính thức mời Phương Hạo Vân, Ngũ Gia đến dự tiệc, quy mô vô cùng lớn, có thể nói là sự kiện hiếm có tại phố D.

Trước buổi tiệc, Phương Hạo Vân đã bí mật thu xếp mấy trăm người xung quanh sơn trang. Bởi vì việc này còn có Long Hi Phượng và Hà Thanh phối hợp, cho nên làm rất là khéo và kín, hầu như là không làm cho Ngũ Gia phát hiện ra cái gì cả.

Mấy trăm người còn lại thì dưới sự Bạch Quý chuẩn bị tấn công vào sản nghiệp trên danh nghĩa của Ngũ Gia, tiến hành tẩy trừ quy mô lớn.

Buổi tối tám giờ, buổi tiệc chính thức được bắt đầu.

Dưới sự bao vây của gần trăm vệ sĩ, Ngũ Gia mang theo đội hình chậm rãi đi vào trong buổi tiệc, Long Hi Phượng tự mình dẫn người ra đón, có vẻ vô cùng nhiệt tình.

Mười phút sau, Phương Hạo Vân cũng mang hơn mười người đến tham gia. Ngũ Gia và Long Hi Phượng cùng ra nghênh đón, hôm nay Ngũ Gia có vẻ vô cùng nhiệt tình, người không biết còn tưởng đây là hai người bạn lâu năm của nhau nữa.

"Phương thiếu gia. mấy ngày không gặp, phong thái vẫn như trước. hôm nay Tiểu Phượng Hoàng đãi tiệc, chúng ta không say không về nhé. Nghe Tiểu Phượng Hoàng nói con Hoa Hải là nhân vật một tay che trời, sau này nếu ông có đến Hoa Hải phát triển, hy vọng con chiếu cố nhiều hơn." Nói xong, Ngũ Gia kéo tay Phương Hạo Vân đi vào, vẻ mặt đầy ý cười.

Phương Hạo Vân âm thầm cười lạnh, nhưng trên mặt vẫn không đổi sắc, cười cười đi theo vào.

Hai bên ngồi xuống, phục vụ mang rượu ra, Long Hi Phượng tự mình đứng dậy rót cho Ngũ Gia và Phương Hạo Vân, ba người cùng nhau nâng chén.

Trong lúc Ngũ Gia uống rượu, có liếc nhìn Long Hi Phượng một cái, bà ta hiểu ý gật đầu một cái, khóe miệng của Ngũ Gia liền lộ ra một nụ cười hiểu ý.

Cùng lúc đó, Phương Hạo Vân cũng âm thầm bật cười, trò hay còn chưa bắt đầu đâu.

Dựa theo kế hoạch của Long Chiến, sau nửa giờ thì bột Tán Công mới phát huy tác dụng. Đến lúc đó, Long Chiến và Long Thần sẽ dẫn người đến, cùng với người của Nam Cung thế gia giải quyết Phương Hạo Vân.

Kế hoạch tuy rằng đơn giản, nhưng chổ mấu chốt lại do Long Hi Phượng nắm giữ, và chính là bột Tán Công ấy.

Trước khi Phương Hạo Vân đến, dưới cái nhìn chăm chú của Ngũ Gia, Long Hi Phượng đã tự tay bỏ bột Tán Công vào trong ly rượu, sau đó, Ngũ Gia tận mắt nhìn thấy Phương Hạo Vân uống hết ly rượu đó.

Chuyện tiến hành đến bước này, theo bên Ngũ Gia thấy, đã thành công hơn phân nửa rồi. Phương Hạo Vân mất đi công phu, căn bản là không còn gì đáng sợ.

Đương nhiên, bọn họ không biết là Phương Hạo Vân đã thu xếp rất nhiều võ sĩ của bộ tộc thủ hộ. Bọn họ càng không biết là bột Tán Công đó không có tác dụng với Phương Hạo Vân, bởi vì cái thứ mà Long Hi Phượng bỏ vào ấy cũng là một loại bột vô dụng cùng màu cùng mùi và sức nặng tương tự.

"Phu nhân, có người nói là đại ca của bà đến cửa cầu kiến" Nửa giờ sau, Tiểu Đao tiến vào nói.

Long Hi Phượng khẽ nhíu mày: "Cho vào."

Ánh mắt của Ngũ Gia nhìn về hướng, Phương Hạo Vân, cố ý nói: "Phương thiếu gia, theo ông được biết, con và Long gia có ân oán với nhau. con thấy có nên tránh đi một chút không?"

"Không sao?"

Phương Hạo Vân tỏ vẻ không cần, nói: "Hừ, con đang lo không tìm được người của *** ggia, ông ta đến rất đúng lúc." Nói xong, Phương Hạo Vân cầm ly rượu lên, uống cạn cả ly, làm cho Ngũ Gia vui mừng không siết.

Vài phút sau, dưới sự dẫn đường của Tiểu Đao, Long Thần, Long Chiến đồng thời xuất hiện trước mắt mọi người. Kẻ thù gặp nhau liền đỏ mắt, lúc nhìn thấy Phương Hạo Vân, Long Chiến lập tức gầm lên, làm ra vẻ muốn ăn thịt người vậy: "Tặc tử, mày giết chết mấy trăm người của Long gia tao, hôm nay phố D là mồ chôn của mày!"

"Haha!"

Phương Hạo Vân khinh thường: "Đúng là điếc không sợ súng, chưa thấy quan tài chưa đổ lệ, chưa thấy zú sệ chưa hết hồn Ông quên ông đã bỏ Long gia chạy thế nào sao? Hôm nay ông đến đúng lúc lắm, ông cũng biết lần này vì sao tôi lại đến phố D rồi đấy. mục đích của tôi là đến tìm ông, nhổ cỏ tận gốc luôn."

Lời này vừa nói ra, Long Thần liền cười to: "Phương Hạo Vân. mày biết tao là ai không? Nói cho mày biết, tao là người mà mày luôn muốn tìm, lão nhị của Long gia Long Thần. Không gạt mày, hôm nay tao đến đây để nhặt xác mày, mấy trăm người của Long gia, phải lấy đầu của mày để tế."

Phương Hạo Vân cười lạnh: "Đối phó với hai người, rất là dễ dàng"

"Thật sao?"

Long Chiến cười lớn: "Phương Hạo Vân. mày thử vận công xem sao Cho dù là người bình thường cũng có thể giết chết mày rồi, mày còn không biết sao. Mày đã ăn bột Tán Công rồi, cho dù là thần tiên cũng không thể nào khôi phục công phu đã mất của mày."

Lời này vừa nói ra, Phương Hạo Vân liền âm thầm bật cười, có điều, ngoài mặt hắn vẫn làm ra vẻ sợ hãi: "Sao có thể chứ. sao công lực của tôi không tụ tập lại được. Chị Phượng. là chị làm à. vì sao chị lại làm như vậy với em. vì sao?"

Cùng lúc đó, đám vệ sĩ đi theo Phương Hạo Vân đã vây hắn lại.

Không ai chú ý, trong đôi mắt của Long Thần và Ngũ Gia hiện lên một tia gian xảo, hai người chậm rãi đứng lên, dường như muốn làm cái gì đó.

653. Chương 80: Làm Một Phát Nghiêng Trời Lở Đất

Long Hi Phượng cười lạnh một tiếng, nói: "Phương Hạo Vân, mày giả khờ à, hay bị ngu thật thế? Mày giết mấy trăm người của Long gia, mày nghĩ rằng tao không quan tâm sao? Hôm nay chính là ngày giỗ của mày, tao cắt đầu mày để tế những người đã chết dưới tay mày."

"Bọn mày tránh hết ra, nếu không thì bọn mày đều phải chết. Oan có đầu, nợ có chủ, bọn tao chỉ muốn giết chết Phương Hạo Vân, không muốn lạm sát kẻ vô tội." Long Hi Phượng quát lạnh một tiếng, hơn mười tay súng đã bao quanh lấy đám người của Phương Hạo Vân.

Dựa theo lời dặn trước đó, dưới sự cưỡng bức của Long Hi Phượng, đám vệ sĩ của Phương Hạo Vân đều tránh ra một con đường, giơ tay lên cao, ngồi xổm xuống đất. Lập tức có hơn mười khẩu súng khác nhắm về phía họ.

Cùng lúc đó, Long Chiến chậm rãi đi đến hướng của Phương Hạo Vân, vẻ mặt đầy sát ý.

Dựa theo kế hoạch, khi chuyện này được tiến hành, đám thuộc hạ của Long Hi Phượng cũng đã âm thầm chuyển họng súng về hướng Ngũ Gia và Long Chiến cùng thuộc hạ của họ.

Phương Hạo Vân lui về sau theo bản năng, nhưng mà lui đúng năm bước liền đụng vào tường. Hắn đã không còn đường lui.

"Haha!"

Long Chiến cười điên cuồng, trong lòng mừng rỡ không thôi, ông ta không ngờ rằng chuyện này lại thuận lợi như thế, cho nên trong lòng ông ta còn chút bối rối.

"Chịu chết đi!" Long Chiến bước nhanh lại hướng Phương Hạo Vân, tay phải tung nội kình ra, trong đôi mắt hiện lên một tia lạnh lùng, đánh đến đầu của Phương Hạo Vân.

Một chưởng này của Long Chiến mang theo sự phẫn nộ vô cùng, ngay cả một võ giả bị dính chưởng này cũng phải mất mạng, thì đừng nói người đã mất đi công lực như Phương Hạo Vân.

Long Chiến nghĩ, một chưởng này, Phương Hạo Vân hẳn là phải chết.

"Ầm!"

Một tiếng, một người bay ngược ra ngoài, nhưng có điều người này không phải là Phương Hạo Vân, mà lại là Long Chiến.

Long Chiến té thật mạnh xuống đất, khóe miệng hộc máu ra, xem như là bị nội thương không nhẹ.

“Con tiện nhân Long Hi Phượng.” Long Thần quát lớn một tiếng, sau đó liền tung thuốc nổ trên người ra, cùng lúc đó, Ngũ Gia cũng không chút do dự cho nổ bom trên người mình theo.

Trong tiếng nổ mạnh, có một bóng người phóng lên cao, trong tay hắn là hai người đàn bà.

Hắn đang nhảy lên cao, một áp lực lớn đánh tới, làm cho ba người bay ra ngoài xa, đáp lên một gốc cây cách đó không xa.

“Phương thiếu gia, rốt cục là thế nào?” Trên nhánh cay, Hà Thanh hồi phục tinh thần, ngẩng đầu lên nhìn Phương Hạo Vân, vẻ mặt đầy khó hiểu.

654. Chương 81: Hà Thanh Muốn Hiến Thân

"Bố!"

Số 1 đi đến tát vào mồm của một người, đánh bay hàng tiền đạo của tên này đi, làm cho hắn phun ra một họng máu.

""Không muốn chết thì trả lời câu hỏi của thiếu chủ."

Phương Hạo Vân lạnh lùng nhìn chằm chằm vào năm người, hắn phát hiện thân thể của những người này đang run lên, trong đôi mắt có sự trốn tránh, rất là kỳ quái.

"Các người thật sự không sợ chết?" Phương Hạo Vân đi đến, khẽ động một cái, Thiên Phạt liền xuất hiện trong tay, nhẹ nhàng vung lên, đầu của một người đã lăn xuống đất.

Phương Hạo Vân ra tay rất nhanh, khi cái đầu lăn được một vòng dưới đất rồi thì chổ cái cổ mới bắt đầu phun lên máu tươi.

Toàn bộ quá trình vô cùng nhanh, ít nhất là bốn người kia chưa kịp đề phòng gì, đã bị máu phun ướt cả người.

Khóe miệng của Phương Hạo Vân lộ ra một nụ cười lạnh, trong đôi mắt hiện lên sát ý mãnh liệt: "Hắn là bài học cho các người. Yên tâm đi, tốc độ của tôi nhanh lắm, các người tuyệt đối không cảm thấy đau đớn đâu"

"Mày giết bọn tao đi. bọn tao không biết gì cả" Một tên đầu trọc trong nhóm nói: "Bọn tao thật sự không biết gì cả."

"Ra tay!"

Phương Hạo Vân quát lạnh một tiếng, số 1 liền vọt đến trước mặt tên này, vung đao trong tay lên, chém đứt cánh tay phải của hắn, và máu tươi lập tức phun ướt sàn nhà.

Tên này kêu thảm một tiếng, sau đó muốn đập đầu tự sát, đáng tiếc là đã bị số 1 phát hiện ra, nhanh tay điểm huyệt lại, làm cho thân thể của hắn không thể cử động được, nhưng máu trên chổ tay vẫn không ngừng chảy ra.

Ba người còn lại nhìn thấy đồng đội thảm hại như vậy, rốt cục đã không nhịn được, tới tấp giơ tay lên tỏ vẻ là muốn nói cho Phương Hạo Vân biết tất cả.

Số một nghe thấy thế, liền vung đao giết chết tên cụt tay luôn.

Phương Hạo Vân nhân cơ hội này nói: "Giữa ba người chỉ có một kẻ có thể sống. chỉ có người nói thật mới được tiếp tục sống sót."

Lời này vừa nói ra, sắc mặt của ba người liền trở nên trắng bệch, và khoảng sau vài giây, ba người hầu như cùng quát lên một tiếng.

"Không cần phải gấp, từ từ nói. anh trước." Phương Hạo Vân rất hài lòng với phản ứng của họ, đưa tay chỉ về người bên trái.

"Ngũ Gia. Ngũ Gia đang ở Lam Hải doanh địa." Giọng nói của người này hơi run rẩy, lúc nói những lời này, hắn thỉnh thoảng đưa mắt nhìn về hai người bạn.

"Vậy Long Thần đâu? Có ở Lam Hải doanh địa không? Lam Hải doanh địa ở đâu?" Phương Hạo Vân hỏi.

"Tôi chỉ biết có nhiêu đó!" Người này hoảng hốt nói: "Tôi thật sự chỉ biết có nhiêu đó, cầu xin cậu tha cho tôi."

"Nói dối. anh là tôi quá thất vọng rồi." Phương Hạo Vân cười lạnh, gật đầu bảo số 1 ra tay.

Số 1 hiểu ý, vung đao lên chặt đứt hai tay của hắn, đồng thời còn điểm huyệt của hắn lại, bắt hắn phải chịu đựng sự đau đớn.

Phương Hạo Vân mỉm cười khinh miệt, nói: “Tôi đã nói rồi, chỉ có người nói thật mới có thể sống sót, anh đã chọn nói dối, vậy cũng có nghĩa là anh đã chọn con đường chết. Đường là do anh chọn, đừng trách người khác.”

“Tôi nói tôi nói hết. cầu xin cậu tha cho tôi một con đường sống.” Người vừa lên tiếng là một gã đàn ông trung niên khoảng bốn mươi, cầu xin: “Tôi cam đoan sẽ nói tất cả những gì mình biết, hy vọng cậu có thể giữ lời hứa, tha cho tôi một con đường. Mấy ngày nữa vợ tôi sẽ sinh, tôi không hy vọng đứa nhỏ ra đời mà không có ba.”

“Chúc mừng anh!” Phương Hạo Vân mỉm cười: “Tôi tuyên bố, anh có thể sống. Nói đi, anh biết cái gì cứ nói đi”

“Chúng tôi đều là tâm phúc của Ngũ Gia. Bí mật của ông ta chúng tôi đều biết hết. Vì không để cho chúng tôi lộ bí mật, cho nên Ngũ Gia đã bắt người nhà chúng tôi đến Lam Hải doanh địa. Cho nên chúng tôi không dám nói. Thà rằng chịu chết, cũng phải giữ bí mật. Nếu tôi không nghĩ đến việc sắp làm ba, tôi cũng sẽ không nói.” Nói đến đây, người này nhìn người bên cạnh, nói: “Xin lỗi, vì đứa nhỏ, anh phải làm vậy.”

“Em hiểu” Người kia cười tự giễu một cái, rồi nói: “Em biết nên làm thế nào.”

Vừa dứt lời, người này liền cắn lưỡi tự sát.

Phương Hạo Vân khẽ nhíu mày, người này cũng có tình có nghĩa, quả thật rất có ý nghĩa. Đáng tiếc, nếu bọn họ là người trong nước, Phương Hạo Vân sẽ nghĩ biện pháp đưa bọn họ về.

“Phương thiếu gia, bây giờ tôi sẽ nói cho cậu biết tất cả. Long Thần và Ngũ Gia đều ở Lam Hải doanh địa, đó là hang ổ của bọn họ, cũng là chổ tập kết, hỏa lực rất mạnh, hơn nữa còn rất đông người. Nếu không có đội hình mạnh mẽ, cậu không thể nào tấn công nổi. Bây giờ tôi sẽ nói cho cậu đường đi, cùng với sơ đồ phòng ngự mà tôi biết.”

Phương Hạo Vân cùng Thất Tinh Tài Phán sở cẩn thận kiểm tra và xem xét, xác định là không có sai, liền thả người đó ra, hy vọng ông ta có thể nhìn thấy con của mình.

Căn cứ theo lời nói của người nước Z, cái gọi là Lam Hải doanh địa ấy, thật ra chính là một căn cứ quân sự, bên trong căn cứ thậm chí còn có cả pháo phòng không, đạn đạo, hỏa lực vô cùng mạnh, người ở đây khoảng hơn năm trăm người, hơn nữa mỗi người đều là binh lính đầy kinh nghiệm.

Phương Hạo Vân nghiêm túc suy xét, quyết định hủy diệt Lam Hải doanh địa bằng bất cứ giá nào, nếu không thì hành động lần này sẽ chẳng còn ý nghĩa nào cả.

Sau khi trở về, Phương Hạo Vân đem tình huống nói cho Bạch Quý nghe, để cho ông ta và Thất Tinh Tài Phán sở cùng với những người phụ trách thảo luận phương án hành động. Sáng ngày mai sẽ bắt đầu tấn công về Lam Hải doanh địa.

Khi trở về phòng, Phương Hạo Vân cởi quần áo ra chuẩn bị đi tắm, để làm cho đầu óc tỉnh táo lại một chút, vô luận thế nào cũng phải bảo đảm số thương vong ít nhất trong lần tấn công sáng ngày mai.

Võ sĩ của bộ tộc thủ hộ, đối với Phương Hạo Vân mà nói, đó là một tài sản không thể nào đếm được, cho dù là mất một hắn cũng sẽ rất đau lòng.

Khi hắn chuẩn bị đi vào phòng tắm, thì lại thấy Hà Thanh đi ra, mái tóc của cô ướt sũng, toàn thân được quấn bởi một cái khăn tắm, hầu như có thể gọi là chấp nửa trái rồi, mà cái khăn cũng không thể che hét được phần mông vào cái đùi nữa.

Hiển nhiên là cô vừa tắm xong.

Phương Hạo Vân hơi sửng sốt, thậm chí là còn hoài nghi mình có đi nhầm phòng hay không.

Dọc đường đi, nơi nơi đều là xác và tay chân của người nước Z, làm cho ngay cả một người cao ngạo như Long Thần cũng phải hít sâu một hơi, bọn này rốt cục là người thế nào.

Long Ngũ cũng kinh hồn, xem ra người của Phương Hạo Vân cũng không ít.

Ngay trong lúc hắn muốn rút lui thì đã không còn kịp rồi, Long Thần đã gặp mặt Phương Hạo Vân, Long Hi Phượng.

"Em chính là Long Hi Phượng." Long Thần chỉ nhìn lướt qua Phương Hạo Vân, sau đó lập tức dừng mắt lại trên người của Long Hi Phượng. Hai người tuy rằng chưa từng gặp mặt, nhưng mà Long Thần đã từng nhìn thấy ảnh chụp của bà ta, cho nên, bây giờ chỉ cần liếc mắt một cái đã có thể nhận ra em gái của mình.

"Anh là anh hai à. Không biết là thật hay giả? Ngũ Gia đâu?" Long Hi Phượng nhìn Long Thần một cái, lạnh lùng nói: "Tàn nhẫn lắm, ngay cả anh trai ruột mà cũng hy sinh được. Đáng tiếc, tôi không chết, Phương Hạo Vân cũng koche61t!"

"Quả thật là ngoài ý muốn!"

Long Thần cười lạnh: "Em gái, chúng ta cùng một loại người, em nói anh tàn nhẫn, anh thấy em còn tàn nhẫn hơn anh. Đừng nói với anh là em đến phố D để đoàn tụ gia đình rồi cùng nhau báo thù cho Long gia nhé. Người khác không rõ em, nhưng anh rất rõ, bởi vì trong lòng chúng ta có cùng một mối hận."

"Ý của anh là, anh cũng hận Long gia?" Long Hi Phượng nhíu mày: "Long gia đối xử với anh không tệ, vì sao anh lại hận Long gia?"

"Đối xử không tệ?" Long Thần hừ khinh thường;" Nếu Long gia đối xử không tệ, vậy vì sao từ nhỏ đã vứt anh ra ngoài đường, để người ngoài nuôi lớn anh. em có biết còn nhỏ mà phải rời xa người thân là đau đớn đến mức nào không? Em không biết. Tuy rằng năm em hai mươi đã gả vào cho Nam Cung thế gia, nhưng dù sao em cũng sống tại Long gia được hai mươi năm rồi, còn anh? Từ nhỏ anh đã phải rời khỏi Long gia, rời khỏi quê hương của mình Em biết những năm đó anh phải sống thế nào không?"

"Trong lòng anh oán hận Long ia, cho nên anh giết chết anh trai của mình?" Long Hi Phượng hỏi.

"Anh giết Long Chiến, quả thật là do hận, nhưng mối hận này, cũng bởi vì chính hắn." Long Thần hừ nói: "Làm lão đại của Long gia, hắn được tất cả của Long gia, kế thừa phúc khí của Long gia, nhưng hắn không có năng lực bảo vệ cho Long gia. Phế vật như vậy nên chết sớm đi"

"Haha!"

Nghe Long Thần nói vậy, Long Hi Phượng liền cười: "Thật có ý nghĩa. Vốn tôi nghĩ Long gia chỉ có một động vật máu lạnh là tôi, không ngờ ngay cả Long Thần anh cũng thế. quả báo."

"Tôi hận tất cả người của Long gia, cho nên anh cũng phải chết!" Long Hi Phượng cao giọng nói.

"Anh cũng hận tất cả người của Long gia, cho nên em cũng phải chết!" Long Thần cười lạnh nói: "Ra tay đi, các người cùng tiến lên, hay sao?"

Phương Hạo Vân quát một tiếng: "Nạp mạng đi!"

Khi đang nói, Phương Hạo Vân đã phóng lên cao, tốc độ cực nhanh, khí thế cường đại lập tức trở thành một luồng khí đáng sợ, lao đến hướng Long Thần, làm cho Long Thần rung động ngay.

"Hạo Vân, nhờ em!" Long Hi Phượng biết mình không phải là đối thủ của Long Thần, cho nên việc giết chết Long Thần liền nhờ Phương Hạo Vân.

Sau này, bà sẽ đem tất cả thù hận đổ lên trên đầu của Phương Hạo Vân.

Đối phó Phương Hạo Vân, bà sẽ tìm biện pháp khác.

Long Thần cũng quát một tiếng, ngón tay sắc như kiếm, là Linh Tê Chỉ của Long gia, lập tức chỉ vào mi tâm của Phương Hạo Vân. Chiêu như vậy, đủ để biểu hiện sự tự cao tự đại c3ua Long Thần, nhìn bộ dạng của ông ta, giết chết Phương Hạo Vân tựa hồ là do tình thế bắt buộc.

Long Ngũ thấy như vậy, vội vàng lao đến, ý đồ muốn hợp công với Long Thần.

Phương Hạo Vân cười lạnh, thân hình nhoáng lên, đổi hướng công kích, xuất hiện trước mặt Long Ngũ, hơn nữa còn chặn đòn tấn công của Long Ngũ lại.

Long Ngũ nhanh chóng phát hiện ra tất cả đường lui của mình đã hết, khi đối mặt với Phương Hạo Vân, hắn liền có cảm giác không đỡ được.

"Chết đi!"

Phương Hạo Vân quát một tiếng, Thiên Phạt lại hiện nơi tay, chém ra một tia sáng, đao thế cường đại làm cho Long Ngũ bị phong tỏa, khiến hắn không thể nhúc nhích được.

Long Ngũ không ngờ rằng, cái chết lại đến nhanh như vậy.

Nhìn thấy một đao của Phương Hạo Vân bổ về hướng mình, hai mắt của Long Ngũ co lại, trong lòng hắn liền nguội lạnh, hắn hối hận vì đã đưa ra quyết định cuối cùng.

Chết tử tế cũng không bằng sống cúi đầu.

Nếu ông trời cho hắn thêm một cơ hội nữa, hắn tuyệt đối sẽ không ở lại.

Trong nháy mắt, khi cái chết phủ xuống đầu, trước mặt đã tối sầm lại, thì Long Ngũ bỗng thấy có một người lao đến hướng mình chặn Phương Hạo Vân lại.

Đột nhiên xảy ra dị biến,làm cho Long Ngũ nhất thời không biết nên làm thế nào.

Và đồng thời, trong cùng thời điểm ấy, cánh tay của hắn đã bị người khác kéo, cả người lập tức bị lôi về phía sau, ngã mạnh xuống đất, đau không chịu nổi. Nhưng mà ngã như vậy đã giúp hắn giữ mạng.

Lúc này hắn mới nhìn rõ lại, thì ra Long Thần đã ném một người đến, dùng máu và thịt để cứu mình.

Long Thần biết nội lực bản thân không thể so với Phương Hạo Vân, không dám đánh bừa với hắn, cho nên mới cứu Long Ngũ ra, hy vọng hai người liên thủ lại, đồng lòng đối phó Phương Hạo Vân.

Long Ngũ tìm thấy đường sống trong chổ chết, trong lòng bình thường lại rất nhiều, lúc này liền hiểu được, phải cùng Long Thần đứng chung, chuẩn bị cùng nhau chống địch.

Xung quanh vẫn đang hỗn chiến, tiếng kêu thảm, súng nổ, máu và thịt văng khắp nơi, không ngừng có người ngã xuống, không ngừng có người tử vong. Máu đã nhuộm đỏ cả nền đất rồi.

Phương Hạo Vân không đánh chết được Long Ngũ, có vẻ hơi bất ngờ, có điều hắn cũng không lo lắng, cho dù bọn họ có liên thủ lại, cũng không làm gì được hắn.

"Hy vọng các người đừng làm tôi thất vọng." Phương Hạo Vân cười lạnh, cầm Thiên Phạt trong tay chủ động tấn công, mục tiêu là kẻ yếu nhất trong hai người, Long Ngũ.

Hai bên đều không còn đường sống, Long Ngũ cắn chặt ra, lập tức thi triển toàn lực, tính liều mạng với Phương Hạo Vân.

Long Thần của thu hồi vẻ khinh thường, không dám ẩn giấu nữa, đem tất cả lực lượng tu luyện hơn mười mấy năm qua, khi đó trong tay ông ta cũng đã cầm Long Tuyền bảo kiếm rồi.

"Hạo Vân, cẩn thận thanh kiếm đó!" Long Hi Phượng vội vàng hô lên, sợ Phương Hạo Vân không biết được sự lợi hại của thanh kiếm mà chịu thiệt. Đến cuối cùng Phương Hạo Vân sẽ trở thành nô lệ cho bà, cho nên ngàn vạn lần không được xảy ra sơ xuất.

657. Chương 84: Về Nhà Vui Vẻ

Nghĩ đến đây, Phương Hạo Vân quyết định tìm cơ hội cướp lấy thanh bảo kiếm này.

Một kích không có kết quả không làm cho Phương Hạo Vân rùng mình, trong nháy mắt đã đánh ra đòn thứ hai, hai lần tấn công đều có tốc độ ngang nhau, không thể so sánh được.

Tốc độ tấn công như vậy, Long Thần căn bản là không phản ứng kịp.

Rơi vào đường cùng, Long Ngũ đành phải tự mình giơ đao ra đón, tranh thủ thời gian cho Long Thần.

"RẮC!"

Một tiếng gãy vang lên, thanh đao của Long Ngũ đã bị Thiên Phạt chém gãy, và chém luôn cánh tay phải của hắn làm hai đoạn. Sau một tiếng hét thảm, cả người Long Ngũ ngã vật ra đất, máu tươi theo cánh tay chảy ào ào ra.

Long Ngũ đứng chịu đòn đã cho Long Thần thời gian, ông vội vàng giơ bảo kiếm lên, đâm về hướng cổ họng của Phương Hạo Vân, một kiếm này nếu đi chuẩn, thì khẳng định sẽ mất mạng.

Lực lượng của Long Thần không hề nhỏ, Phương Hạo Vân hít sâu một hơi, phát toàn bộ công lực trong người ra, tăng tốc độ lên đến cực hạn lớn nhất.

Trong giây phút ấy, Thiên Phạt đã đưa lên cản đòn tấn công của Long Thần, vũ khí hai người chạm vào nhau một cái, phát ra tiếng kim loại va chạm nhức óc.

Long Thần bị phản chấn lùi về mấy bước, cố gắng đứng vững lại, tay phải cầm kiếm hầu như đã bị tét hết da, sắc mặt tái nhợt, khí tức cuồng loạn, trong lòng thì tràn ngập sợ hãi.

Hiển nhiên, ông đã đoán sai rồi, cho dù là hai người liên hợp lại cũng không thể chống đỡ Phương Hạo Vân.

"Mày đã đả thông Nhâm Đốc hai mạch?" Trong tình huống như vậy, chỉ có một lời giải thích, ánh mắt của Long Thần đã trở nên tuyệt vọng.

Phương Hạo Vân cười to: "Bây giờ ông hiểu thì quá muộn rồi."

"Chịu chết đi." Đòn vừa rồi đã làm cho Long Thần bị thương rất nặng, sức chiến đấu đã không còn, Phương Hạo Vân quyết định ra tay, để tránh xảy ra thêm việc phiền toái.

"Khoan đã!" Long Hi Phượng gọi Phương Hạo Vân lại, cầu xin: "Hạo Vân, để chị ra tay!"

"Chị. sao lại như thế, ông ta nói thế nào cũng là anh của chị." Phương Hạo Vân hơi khó xử.

"Không sao!"

Long Hi Phượng cười ngạo nghễ, nói: "Hạo Vân, vừa rồi hai chúng ta nói chuyện em cũng nghe rồi đấy. chị và hắn căn bản là không có tình thân."

"Tiểu Phượng. đến đi, anh tình nguyện chết trong tay người nhà." Chết đến nơi rồi, tâm tình của Long Thần trở nên bình tĩnh rất nhiều. Nhưng mà ông rất đau khổ, những công sức ông bỏ ra để xây dựng cơ nghiệp bao nhiêu năm, nháy mắt đã không còn.

Dừng lại một chút, Long Thần đưa mắt chuyển về hướng Phương Hạo Vân, cười nói: "Phương Hạo Vân, mày thật sự rất mạnh, ít nhiều gì tao cũng nên nhắc nhở mày, tránh xa Long Hi Phượng. Nếu không tương lai của mày cũng không tốt hơn tao. Một người đàn bà bị điên đáng sợ thế nào, trên đời này chẳng ai biết được."

"Chết đến nơi rồi còn châm ngòi ly gián." Trong con mắt của Long Hi Phượng hiện lên một tia tàn nhẫn, thân hình nhoáng lên, lập tức xuất hiện trước mặt Long Thần, tung một chưởng thật mạnh lên ngực của Long Thần.

"Ầm!" Một tiếng.

Thân hình của Long Thần bay ngược về sau, lúc rơi xuống đất cũng đã tắt thở.

Long Ngũ thấy như vậy, ba hồn bảy vía chạy đi hết, chuẩn bị chuồn, nhưng mà tâm tư của hắn đã bị Long Hi Phượng nhìn ra, cười lạnh nói: "Nói cho tôi biết, Ngũ Gia đâu? Nói ra chỗ của Ngũ Gia, tôi sẽ tha chết."

Long Ngũ nghe thấy thế, hai mắt đảo một vòng, trong lòng lập tức nảy sinh kế hoạch: "Tôi nói, em không được giết tôi."

"Nói!" Phương Hạo Vân quát lớn một tiếng: "Anh không có sự lựa chọn."

Long Ngũ bị khí thế của Phương Hạo Vân làm cho trấn trụ lại, thân hình mềm nhũn ra, lập tức quỳ xuống đất, đem chuyện mình giả làm Ngũ Gia kể ra rõ ràng.

Có lẽ là do quá choáng váng, cho nên ngay cả việc thèm muốn nhan sắc của Long Hi Phượng cũng nói ra luôn.

Long Hi Phượng nghe thấy thể, quát lớn một tiếng, tung chân đá một phát vào giữa đũng quần của Long Ngũ. Chỉ tội nghiệp cho Long Ngũ, kêu thảm một tiếng, bay ngược ra sau, dưới thân chảy máu ròng ròng, chết rất là thảm

Phương Hạo Vân âm thầm kinh hãi, Long Hi Phượng quả thật không phải tàn nhẫn bình thường.

"Không ngờ rằng Ngũ Gia đã sớm bị hại." Long Hi Phượng thở dài: "Hạo Vân, chuyện lần này cũng nhờ có em, nếu không thì chỉ dựa vào một mình chị, căn bản không phải là đối thủ của bọn họ"

Đầu đảng đã bị diệt, những người còn lại thì dễ xử lý rồi. Phương Hạo Vân dẫn dắt võ sĩ của bộ tộc thủ hộ, giết hết tất cả không chừa một ai.

Căn cứ theo nguyên tắc nhổ cỏ tận gốc, toàn bộ nanh vuốt của Lam Hải doanh địa đều bị tàn sát không chừa một ai. Vốn đây là một căn cứ quân đội, nhưng đã nhanh chóng trở thành một địa ngục Tu La, tình huống vô cùng thê thảm.

Hà Thanh và Long Hi Phượng đã thật sự thấy được bộ mặt tàn nhẫn của Phương Hạo Vân.

Hai người lần đầu tiên nhìn thấy cảnh này, có điều vẻ mặt của Long Hi Phượng thoải mái hơn Hà Thanh một chút, dù sao bản thân bà cũng là một người tàn nhẫn mà.

Tốc chiến tốc thắng, sau khi dọn dẹp hiện trường xong, tất cả võ sĩ của bộ tộc thủ hộ lập tức rút đi, trở về nơi của mình.

Những người mà Phương Hạo Vân mang đến từ Hoa Hải cũng đã trải qua lễ rửa tội bằng máu, đã trưởng thành hơn rất nhiều.

Toàn bộ sự việc này, bên Phương Hạo Vân không chết quá nhiều, chỉ có hai mươi người, và bị thương hơn trăm người, so với bên Long Thần và Ngũ Gia thì cái này là không đáng kể.

Căn cứ theo kế hoạch trước đó, công việc giải quyết hậu quả sẽ do Lã Thiên Hành xử lý, còn Phương Hạo Vân, Hà Thanh và Long Hi Phượng thì trở về, để tránh bị người nước Z làm phiền.

Hành động lần này tuy rằng làm chuyện xấu rất nhiều, nhưng mà đối với Phương Hạo Vân mà nói, thu hoạch cũng rất khá. Không nói về chuyện tiêu diệt kẻ địch, chỉ iêng biểu hiện lần này của hắn đã làm thuyết phục đám võ sĩ của bộ tộc thủ hộ tại Đông Nam Á, đây là một thu hoạch vô hình rất lớn.

Bên Hà Thanh cũng chiếm được một thứ lớn, vì nước vì dân mà diệt trừ tai họa ngầm, giành lấy được nhiều lợi ích cho quốc gia.

Thu hoạch của Long Hi Phượng cũng không kém, ít nhất là thù hận về Long gia đã hoàn toàn chấm dứt, và từ nay về sau, bà đem tất cả thù hận đổ lên đầu của Phương Hạo Vân.

So với Long Thần, bà tình nguyện đấu với Phương Hạo Vân.

Thời gian trôi qua rất nhanh, chỉ trong nháy mắt, Phương Hạo Vân đã về đến Hoa Hải được một tuần rồi, và trong vòng một tuần này, hắn bận tối mặt luôn. Đầu tiên là phải xử lý những chuyện bị đình trệ tại tập đoàn Đằng Phi, sau đó là vấn đề đi thăm hỏi những người phụ nữ của mình.

Bây giờ hắn không có thời gian rãnh rỗi, chuyện Hàn gia còn chưa giải quyết xong, cha con Tần gia đã bị dì Bạch giam ở Hoa Hải, tạm thời vẫn chưa ra tay.

Việc này phải để Phương Hạo Vân tự mình xử lý.

Sau khi cẩn thận thương lượng với Trần Thiên Huy, Phương Hạo Vân quyết định ngày mai đến tập đoàn Hàn thị để dự thính cuộc họp, nhìn xem tình huống thế nào rồi quyết định.

Tối nay, hắn đã có thể ngủ an giấc tại tiểu khu Lam Tâm Hoa Viên.

Biết được người yêu sẽ về tối nay, Trương Mỹ Kỳ và Bạch Lăng Kỳ đều bắt đầu giải quyết công việc từ trưa, xong rồi trở về chuẩn bị những món ăn mà hắn thích nhất.

Vốn Trương Mỹ Kỳ đang mang thai, Bạch Lăng Kỳ không muốn để cho cùng nấu cơm, nhưng cô nhất quyết muốn giúp. Cũng may là Trương Mỹ Kỳ đã được dì Bạch cho uống thuốc dưỡng thai rồi, cho nên cũng không sợ vận động nhiều, không sợ mệt nhọc. Nếu không thì nhìn cái bộ dáng hưng phấn của cô, đứa nhỏ sẽ nguy hiểm mất.

Sau khi ra về, Phương Hạo Vân liền nhanh chóng chạy về nhà, nhìn thấy Kỳ và chị Mỹ Kỳ đều bận, hắn cũng thấy ngại không dám ngồi đợi cơm. Tự giác đi đến phòng bếp giúp một tay, kéo Trương Mỹ Kỳ ra, để cô ấy ngồi trong phòng khách nghỉ ngơi.

Sau khi chuẩn bị xong, Kỳ cũng đuổi hắn ra ngoài luôn, để hắn ra bầu bạn với chị Mỹ Kỳ, còn mình thì tự nấu.

"Chị Mỹ Kỳ, để cho em nghe tim của cục cưng đập một chút." Phương Hạo Vân ngồi xổm xuống, đưa lổ tai lại sát bụng của chị Mỹ Kỳ, cẩn thận lắng nghe nhịp tim của đứa nhỏ.

"Ai da."

Đúng lúc này, Trương Mỹ Kỳ than nhẹ một tiếng, cười nói: "Thằng nhóc này biết ba nó đến, liền tỏ vẻ hưng phấn, đá chị vài cái."

"Haha!"

Phương Hạo Vân mỉm cười, đưa tay lên khẽ vuốt bụng của chị Mỹ Kỳ, cười nói: "Chị Mỹ Kỳ, chờ thằng ku này sinh ra, em sẽ đánh mông nó báo thù cho chị."

"Em dám.'

Trương Mỹ Kỳ tức giận nói: "Em dám đánh con chúng ta, chị liều mạng với em."

"Đùa chút ấy mà. tiểu bảo bối của chúng ta sinh ra, em thương nó còn không kịp, sao lại đánh nó. Đúng rồi, chị Mỹ Kỳ, chị đã nghĩ tên của đứa nhỏ chưa?" Phương Hạo Vân hỏi.

"Em làm ba mà, em tự đặt đ. Nếu không để cho ba em suy nghĩ." Trương Mỹ Kỳ bây giờ là người rất hiểu chuyện, cô dường như có thể hiểu được tâm nguyện của Phương Tử Lân.

"Được rồi, hôm nào chúng ta về nhà một chuyến, để cho ba tự đặt tên cho đứa nhỏ." Phương Hạo Vân rất hài lòng với thái độ của chị Mỹ Kỳ, đứng dậy ngồi đến bên cạnh cô, hai người cùng ôm nhau, trông rất vui và hạnh phúc.

Tay nghề của Bạch Lăng Kỳ càng lúc càng cao, chỉ sau khoảng bốn mươi phút, cô đã nhanh chóng dọn lên một bàn đầy đồ ăn, tất cả đều là các món Phương Hạo Vân thích ăn, đồng thời cũng tốt cho phụ nữ mang thai.

Sau khi ăn cơm chiều xong, ba người ngồi trong phòng khách xem TV nói chuyện phiếm, bầu không khí có vẻ sinh động, mãi cho đến mười giờ tối, Trương Mỹ Kỳ mới đứng dậy nói: "Không còn sớm nữa, chị phải nghỉ ngơi."

Phương Hạo Vân cười mờ ám: "Cùng nhau."

"Không được!"

Trương Mỹ Kỳ liếc nhìn Phương Hạo Vân, nói: "Dì Bạch đã nói rồi, mấy tháng gần đây chúng ta không thể ở chung phòng, nếu không sẽ ảnh hưởng đến sự phát triển của đứa nhỏ. Em Kỳ, tối nay vất vả cho em.," Nói xong, Trương Mỹ Kỳ cười hì hì, đứng dậy khỏi ghế sofa, đi vào trong phòng ngủ của mình.

Trong phòng khách chỉ còn lại hai người, và cả hai đều im lặng, bốn mắt nhìn nhau, và đùng một cái, hai người liền ôm lấy nhau.

Khi tay của Phương Hạo Vân đặt lên mông của Bạch Lăng Kỳ, thân hình của cô liền run lên, hai má đỏ ửng, đưa mắt lên nhìn Phương Hạo Vân: "Hạo Vân. anh cuối cùng đã về, anh biết không, mấy ngày nay bọn em lo cho anh lắm." Trong con mắt của cô có vui vẻ, có lo lắng, có u oán, cũng có tình cảm mãnh liệt.

Giọng nói kiều mị của Bạch Lăng Kỳ nỉ non bên tai của Phương Hạo Vân, mang theo tiếng thở dốc nhè nhẹ: "Hạo Vân. anh yêu, em nhớ anh muốn chết rồi. tối nay yêu em đi."

Tiếng thở dốc, ánh mắt say mê của cô đủ làm lạc đường bao nhiêu gã đàn ông si tình, làm cho Phương Hạo Vân không kìm lòng được, đưa tay cởi áo của cô ra.

Bạch Lăng Kỳ đỏ mặt, xấu hổ cúi đầu lên vai của Phương Hạo Vân, nhỏ giọng nói: "Vào phòng ngủ đi, đừng ảnh hưởng đến chị Mỹ Kỳ." Bạch Lăng Kỳ biết rõ lát nữa mình sẽ kêu rất to, cho nên vội kéo Phương Hạo Vân vào phòng, sau đó đóng chặt cửa lại.

Chỉ một lát sau, bên trong phòng liền tấu lên bài ca của dục vọng…

Hôm nay là hội nghị đầu tiên của tập đoàn Hàn thị từ sau khi Hàn Sơn qua đời, toàn bộ lãnh đạo cấp cao của tập đoàn đều được mời đến họp. Hàn Tuyết Nhi là người kế thừa hợp pháp của tập đoàn Hàn thị, mang theo Tần Tú Văn đến tham dự, còn Phương Hạo Vân thì tùy ý kiếm một góc ngồi xuống, chậm rãi đợi cuộc họp bắt dầu. Trước khi thấy rõ tình huống, hắn không muốn tùy tiện hành động, làm như vậy sẽ khiến cho tập đoàn Hàn thị rung rinh

Đương nhiên, sự xuất hiện của Phương Hạo Vân đã làm cho vài người chú ý. lãnh đạo của tập đoàn không nhiều lắm, chỉ khoảng hai mươi người, tất cả đều quen biết nhau. Hôm nay đột nhiên xuất hiện một người lạ, cho nên mọi người tương đối cảnh giác. Nhất là Đới Cường, trong khoảng thời gian này, mẹ con Hàn Tuyết Nhi dường như có ý rất cung kính với hắn. Trực giác nói cho hắn biết, đây là sự bình yên trước cơn bão, cho nên, khi khuôn mặt mới Phương Hạo Vân xuất hiện, hắn liền quan sát vài lần.

Phương Hạo Vân cố ý hạ thấp, làm ra vẻ lười nhác, ngay cả quần áo trên người cũng không gọn gàn, khiến cho người ta có cảm giác không được tốt.

658. Chương 85: Nguy Cơ Của Tập Đoàn Hàn Thị

Hàn Tuyết Nhi và Tần Tú Văn vẫn chưa đến, trong phòng họp rất là ồn ào, có vài người ngồi tụ tập lại nói chuyện với nhau, chỉ có cá biệt một số người là ngồi nghiêm chỉnh, im lặng chờ đợi cuộc họp bắt đầu.

Đới Cường cười tủm tỉm nhìn đồng nghiệp bốn phía, trong lòng âm thầm cân nhắc, xem ra hôm nay rốt cục đã có chuyện.

Phương Hạo Vân vẫn không để ý đến những ánh mắt tò mò hay hèn mọn xung quanh, vẻ mặt của hán vẫn bình tĩnh, khóe miệng hơi nhếch lên. Hôm nay hắn chỉ là một người đến nghe, đến nhìn mà thôi.

Vài phút sau, người chủ trì cuộc họp Hàn Tuyết Nhi mặc một bộ công sở màu vang bước vào trong phòng họp, Tần Tú Văn đi theo sau lưng cô.

Lúc hai người bước vào, thản nhiên nhìn thoáng qua vị trí của Phương Hạo Vân, không khiến cho người khác hoài nghi.

Sau khi Hàn Tuyết Nhi và Tần Tú Văn bước vào, mọi người lập tức im lặng lai5.

"Mời mọi người ngồi!" Hàn Tuyết Nhi nhìn chung quanh một vòng, khẽ gật đầu.

Đợi khi tất cả ngồi xuống, Hàn Tuyết Nhi mới nhìn thoáng qua Đới Cường, lập tức cầm lấy một xấp tài liệu từ tay của thư ký, cúi đầu đọc, không nói một chữ.

Phương Hạo Vân không khỏi âm thầm bội phục, Tuyết Nhi còn nhỏ tuổi mà phải gánh nhiều trọng trách như vậy, đúng là không dễ dàng.

Trong phòng họp, trừ tiếng lật tài liệu của Hàn Tuyết Nhi ra, thì không còn một tiếng động nào khác, bầu không khí rất là quái dị, thậm chí còn làm cho người ta có cảm giác thở không nổi.

Thật lâu sau, Hàn Tuyết Nhi mới chậm rãi lên tiếng; " Hôm nay triệu tập mọi người đến đây, chủ yếu là muốn tuyên bố vài việc thay đổi nhẩn sự, đồng thời cũng muốn thảo luận về kế hoạch phát triển tương lai của Hàn thị. Mặt khác, tôi cũng muốn chú Đới giải thích một chút, vì sao doanh thu của tập đoàn trong

khoảng thời gian này lại tụt xuống. Đây là báo cáo doanh thu tôi vừa lấy được, doanh thu tháng này của tập đoàn ước chừng đã giảm xuống 60%”

Giọng nói của Hàn Tuyết Nhi tuy rằng rất thong thả, nhưng lại mang theo một sự mạnh mẽ.

Hàn Tuyết Nhi vừa nói vậy xong, phòng họp vốn đang im lặng lập tức trở nên xôn xao lên, nhất là Đới Cường, sắc mặt cũng đã thay đổi.

Có điều, trên mặt hắn cuối cùng vẫn hiện lên một nụ cười.

Còn những người khác thì hồi hộp, bây giờ là thời điểm tài chính đang bị khủng hoảng, chỉ cần đề cập đến vấn đề thay đổi nhân sự thôi, cũng đủ làm cho bọn họ đau tim rồi.

Đương nhiên, ngoại trừ nhóm người của Đới Cường thì không như vậy.

Bởi vì mấy ngày trước Đới Cường đã nói, chỉ cần hắn nắm được quyền khống chế tập đoàn Hàn thị, thì địa vị sau này của bọn họ đều sẽ được tăng cao.

Lúc này Phương Hạo Vân cũng đang rất bình thản, trên mặt vẫn luôn là nụ cười như không cười của hắn, vô luận là hạ chức hay thăng chức gì cũng chẳng ảnh hưởng đến hắn, hắn chỉ đến xem mà thôi. Thông qua ánh mắt của mọi người, hắn cũng đã phát hiện ra, những người ở đây, hơn phân nửa đều là thân tín của Đới Cường, vấn đề dường như có chút nghiêm trọng.

Muốn giải quyết vấn đề của Hàn thị, thì cần phải được thay máu.

Thay đổi nhân viên không khó, khó là làm thế nào để tiến hành kế hoạch thay đổi này thôi. Toàn bộ tập đoàn Hàn thị, trên dưới tổng cộng có khoảng mười ngàn người, cho dù Phương Hạo Vân có khủng bố thế nào thì cũng không thể thay đổi một lần tất cả được. Nếu để đến tình trạng này rồi, không bằng công bố phá sản cho lẹ.

Cho nên, nếu muốn thay đổi lãnh đạo cao cấp, nhất định phải tìm lý do.

Đôi mi của Hàn Tuyết Nhi khẽ nhíu lại, ho nhẹ một tiếng, nói: “Mọi người im lặng một chút. Nói như vậy mọi người cũng đã biết, tập đoàn Hàn thị đang gặp phải một số phiền toái. Vì thế, căn cứ theo nhu cầu và tình trạng phát triển của tập đoàn, tôi sẽ tiến hành thay đổi phần lớn chức vị của mọi người, bây giờ tôi tuyên bố một chút.”

Dừng lại một chút, Hàn Tuyết Nhi lấy bản công bố nhân sự ra đọc một lần, tổng cộng đổi sáu chức, tất cả đều từ quản lý lên làm trưởng phòng hay giám đốc bộ phận nào đó.

Và sáu người bị thay thế tạm thời bị đình chỉ công tác.

“Tôi không phục.” Người nói là phó bộ trưởng bộ hậu cần, cũng chính là em vợ của Đới Cường, Hứa Trí An. Hắn tức giận nói: “Cô dựa cái gì mà cắt chức tôi. tôi rốt cục đã phạm vào sai lầm gì?”

“Vấn đề này anh còn chưa rõ sao?” Hàn Tuyết Nhi cười lạnh nói: “Tôi đã tiến hành kiểm tra và thống kê ở

Chỉ tiếc là năm phút sau, Đới Cường đã buông vũ khí đầu hàng, thở dốc liên tục như một con chó vậy, nằm gục trên người Từ Yến.

Từ Yến tức giận đẩy Đới Cường ra, tự mình dùng tay an ủi bản thân, một lát sau mới thỏa mãn được tí tí.

Sau khi xong việc, Từ Yến tức giận nói: "Đàn ông vô dụng."

Đới Cường biết mình thua thiệt, cũng không dám nói gì, ngượng ngùng mặc quần vào, cười nói: "Từ Yến. chúng ta nói chuyện chính nha?"

"Vậy anh nói đi. anh rốt cục có nắm được Hàn thị trong tay không? Em nói rõ với anh, nếu anh không có cách nào chiếm được Hàn thị, quan hệ của chúng ta chấm dứt tại đây." Từ Yến cười lạnh.

"Yến à, em yên tâm. anh sẽ cố gắng. Có điều hai mẹ con đó dường như không dễ đối phó Đúng rồi, lần trước em nói tìm người xử lý bọn họ, anh cảm thấy phương án này có thể." Đới Cường cười nói: "Mấy ngày trước, anh đã cho người gửi thư đe dọa rồi. Tuy rằng cuộc họp bị gián đoán, nhưng anh phỏng chừng bọn họ đã nhận được bức thư rồi, bức thư được gửi từ Bắc Hải qua, bọn họ tuyệt đối không tra được anh."

"Cuối cùng anh đã nghĩ thông suốt." Từ Yến cười nói: "Chỉ cần anh đồng ý, chuyện này em sẽ thu xếp, cam đoan là không có sai lầm."

"Vậy làm phiền em." Trong lòng Đới Cường lập tức thoải mái không ít.

Trương Bưu biết Phương Hạo Vân đã về nước, trong lòng rất vui vẻ. Khi hắn nghe Phương Hạo Vân nói về chuyện mẹ con Hàn gia bị uy hiếp đe dọa, liền vỗ ngực tỏ vẻ: "Hạo Vân, cậu yên tâm, chuyện này cứ để anh giải quyết, cho anh một ngày, anh cam đoan sẽ tra hung thủ cho cậu."

Phương Hạo Vân cười nói: "Có phải anh muốn nhờ Đại Phi giúp anh không?"

"Đương nhiên, nói về tra án, người của Đại Phi còn chuyên nghiệp hơn cả anh. Cậu chờ tin tốt của anh đi, khi có kết quả anh sẽ thông báo cho cậu. Mặt khác. Hạo Vân, tìm cơ hội, ba anh em chúng ta ngồi uống vài ly." Trương Bưu chờ mong hỏi.

"Không thành vấn đề!" Phương Hạo Vân cười nói: "Chờ chuyện của Hàn thị chấm dứt, em mời hai anh uống rượu.

"Quyết định như vậy!"

"Một lời đã định!"

Đợi khi cùng Phương Hạo Vân thề, Trương Bưu mới cảm thấy mỹ mãn và rời đi.

Lúc đi, hắn còn cười nói: "Hạo Vân, khi nào thì được uống rượu mừng của cậu và Tuyết Nhu vậy, cô ấy đã đợi cậu sáu năm rồi đấy!"

"Haha!" Phương Hạo Vân cười cười, không trả lời câu hỏi của Trương Bưu. Đàn bà của hắn rất đông, trừ Trương Mỹ Kỳ đang mang thai ra, còn vài người nữa. Nếu thật sự muốn làm lễ thành hôn, thì sợ rằng không thể bỏ sót một ai cả. Đây là chuyện làm người ta đau đầu, bây giờ Phương Hạo Vân vẫn chưa muốn suy nghĩ.

Mấy ngày nay Phương Tuyết Di rất là buồn bực, Hoàng Kỳ Anh siêng năng theo đuổi làm cho cô chết lặng. Hơn nữa, cô cũng phát hiện ra một vấn đề, bây giờ khi cô gặp Hoàng Kỳ Anh, cũng không còn chán ghét như trước nữa.

Đương nhiên, chỉ là không ghét mà thôi.

Muốn nói đến quan hệ bạn trai bạn trai, cô vẫn không thể nhận được. Bởi vì trong lòng cô, trong tim của cô đã có một người khác rồi.

Đương nhiên, cô cũng rõ ràng, tình yêu trong lòng cô là một hy vọng xa vời, nhưng cô vẫn không muốn tìm một vật thay thế.

Bởi vì trong mắt cô, người đó là có một không hai, tuyệt đối không thể thay thế được.

Thà không có chứ không ẩu, đây là nguyên tắc tình yêu của Phương Tuyết Di.

"Lão tặc, ngươi cũng không hơn gì!" Quát giận một tiếng, thân hình của dì Bạch liền xoay tròn, Thiên Phạt Âm tính trong tay múa ra một đường, ngăn chặn kiếm thế mãnh liệt của Tiên Tổ.

"Ầm!"

Một tiếng, khi đao và kiếm chạm vào nhau, một tiếng nổ như sấm rền vang lên, ngay lập tức, những cây cột xung quanh liền bị khí kình ăn mòn.

Sau tiếng nổ mạnh, hai người đồng thời lao ra ngoài vòng chiến.

"Bạch Tố Tố, quả nhiên cũng có chút năng lực…" Tiên Tổ cười cười đầy thâm ý: "Ngươi là người đàn bà mạnh nhất của Bạch gia mà ta từng gặp…Có điều ngươi chưa chắc đã là đối thủ của ta…"

"Cũng thế, ngươi cũng chưa chắc đã là đối thủ của ta…" Dì Bạch nhướng mày nói: "Giữa ta và ngươi, trong vòng ngàn chiêu, căn bản là không phân thắng bại…"

"Thật sao?"

Tiên Tổ cười khinh thường, đáp: "Trong vòng năm mươi chiêu, ta sẽ lấy mạng của ngươi…"

Vừa dứt lời, ông ta liền giơ thanh kiếm đen lên, vẻ mặt rất nghiêm túc, dường như muốn làm thật vậy.

"Ta muốn ngươi chết!" Trong đôi mắt của Eris hiện lên một luồng khí đen, kiếm trong tay lập tức chém ra một luồng kiếm quang màu đen, khí thế hung mãnh vô cùng.

Căn bản là không chừa đường sống, khiến cho dì Bạch không khôi vận dụng Thiên Phạt Âm tính để phòng ngự.

Khí thế của đối phương rất mạnh, sát khí tuyệt phách của Tiên Tổ đã tạo thành một áp lực lớn đánh sâu vào trong người của dì Bạch, khiến cho trong lòng dì Bạch hơi hoảng hốt.

"Đến đây đi, đàn bà Bạch gia, ta muốn cho ngươi biết, cái gì mới là hắc ám nguyên lực chân chính!" Quát lạnh một tiếng, thân hình của Tiên Tổ cũng đã xuất hiện trước mặt của dì Bạch.

Dì Bạch vội vàng giơ Thiên Phạt lên đỡ.

"Ầm!"

Một tiếng nữa, dì Bạch liền cảm thấy cánh tay phải tê rần, thân hình không khỏi lui về sau một bước, ngay lập tức dì Bạch vung đao lên chém ra một luồng sáng màu tím, đao ra như điện.

Chiêu thức vô cùng đơn giản.

Nhưng lực lượng không thể khinh thường.

Tiên Tổ vội vàng chống đỡ, hai người lao vào cuốn lấy nhau, lại một tiếng nổ lớn vang ra, kèm theo tiếng kêu đau đớn, cả hai người đồng thời lui về hai hướng khác nhau.

Dì Bạch chỉ cảm thấy cổ họng ngọt ngọt, vất vả lắm mới nuốt ngụm máu bị kích động ấy xuống.

Mà khí huyết của Tiên Tổ cũng cuồn cuộn lên, có điều tình huống của ông ta dường như tốt hơn, cơ hội ngay trước mắt, Tiên Tổ quát lớn một tiếng, rồi lập tức phi thân lao đến.

Nhìn thấy dì Bạch gặp nguy, Phương Hạo Vân lập tức tung người lao đến cản.

"Ầm!"

Ngay khi kiếm của Tiên Tổ sắp đâm vào người của dì Bạch, thì Thiên Phạt Dương tính của Phương Hạo Vân đã ngăn đỡ lấy.

"Tố Tố, chúng ta kề vai chiến đấu!" Phương Hạo Vân đến, đứng cùng với dì Bạch.

"Ừ!" Dì Bạch gật đầu, đưa tay cầm lấy tay của Phương Hạo Vân.

Tiên Tổ Eris âm trầm nhìn hai người, ánh mắt đảo qua đảo lại mấy vòng, nói với Phương Hạo Vân: "Tôn giả, nếu bây giờ ngươi cầu xin tha thứ thì vẫn còn kịp…"

Hai tiếng hừ lạnh khinh thường vang lên, Phương Hạo Vân nói: "Mạnh miệng sớm quá đấy, ông mạnh là chuyện của ông, nhưng muốn giết chúng tôi lại là một chuyện khác…"

"Thật vậy sao…vậy ngươi cứ thử đi…" Vừa dứt lời, ánh mắt của Tiên Tổ liền rực sáng như điện, phát ra một luồng sát khí đáng sợ lao đến hướng của Phương Hạo Vân, lực chấn mạnh đến nổi khiến cho thân thể của Phương Hạo Vân run mạnh lên, sắc mặt lập tức trở nên tái nhợt. Cố gắng thoát khỏi ánh mắt của Tiên Tổ, Phương Hạo Vân phát hiện ra tu vi của Tiên Tổ rất đáng sợ, chỉ cần một ánh mắt thôi cũng đủ để giết người trong vô hình rồi, vung tay phải lên, Thiên Phạt lập tức ngăn chặn ánh mắt của Tiên Tổ.

Dì Bạch thấy thế, trên khuôn mặt liền hiện lên sự lo lắng, vừa lui đến bên cạnh Phương Hạo Vân, vừa cảnh giác nhìn Tiên Tổ, trầm giọng nói: "Tịch Diệt Chi Nhãn…Lão tặc, xem ra hôm nay đối phó ngươi, quả thật cần phải tốn công phu rất nhiều…"

Tiên Tổ Eris cười lạnh một tiếng, nói: "Đàn bà Bạch gia, quả nhiên cũng có chút kiến thức…"

Dì Bạch cười ngạo nghễ nói: "Gia tộc thủ hộ tranh đấu với Darkness của ngươi lâu như vậy, ta có thể không biết sao?"

Tiên Tổ hừ nói: "Ngươi biết thì đã sao, các ngươi đều phải chết…"

Dì Bạch hơi chần chờ một chút, rồi lập tức nói: "Eris Feyde, bây giờ ngươi đã bị mọi người xa lánh, nếu ta là ngươi, đã sớm không còn mặt mũi diễu võ dương oai ở đây…"

Hừ nhẹ một tiếng, Tiên Tổ nói: "Được rồi, bớt nói nhảm đi, các người liên thủ đánh một trận, xem thử có thể tiếp được mấy chiêu của ta…"

Thực khí bị dao động khi nãy trong cơ thể của Phương Hạo Vân cũng đã khôi phục lại bình thường, lúc này nghe Tiên Tổ nói vậy, không khỏi giận dữ quát: "Tốt, hôm nay để tôi xem thử, ông rốt cục là có bao nhiêu lợi hại" Lời còn chưa dứt, sát khí quanh thân hắn đã được thôi thúc ra một cách mãnh liệt đến tột đỉnh.

Dưới sự khống chế của Phương Hạo Vân, khí tức của Tiên Tổ lập tức bị tập trung lại.

Hai bên tuy rằng chưa khai chiến, nhưng cũng đã bắt đầu giao chiến trên tinh thần, đối mặt với sự công kích tinh thần của Phương Hạo Vân, Tiên Tổ chỉ im lặng bất động, khí hắc ám quanh thân cũng bắt đầu tăng tốc xoay tròn, ánh mắt lạnh lùng nhìn bốn phía, khóe miệng nhếch lên một nụ cười lạnh.

Dì Bạch tập trung chú ý vào cuộc chiến âm thầm này, và cũng thấy giật mình vì tu vi của Tiên Tổ, tu vi như vậy, quả thật là hiếm thấy trên thế gian.

Đột nhiên, quanh thân của Tiên Tổ lập tức toát ra luồng khí tức hắc ám cực mạnh, trong khoảng khắc đã bao phủ lấy toàn bộ sảnh.

Phương Hạo Vân hơi kinh hãi, Tiên Tổ quả thật cũng có chút thủ đoạn.

"Lão tặc, ông cho rằng chỉ với chút năng lực ấy mà có thể khống chế tôi sao?" Phương Hạo Vân cười nhạt nói.

Tiên Tổ nói: "Phương Hạo Vân, bản tôn cho ngươi cơ hội cuối cùng, nếu ngươi chịu đầu hàng, ta sẽ tha thứ cho ngươi…Ta và ngươi liên thủ lại, cả thế giới này sẽ là của chúng ta…"

"Sorry old man…Tôi với ông không cùng chí hướng rồi, căn bản là không có gì để thương lượng…" Phương Hạo Vân khinh miệt nói: "Lão tặc, hôm nay ông phải chết…"

"Hừ, không biết thức thời…" Tiên Tổ oán hận nói: "Ta sẽ cho ngươi sống không bằng chết, ta muốn hút khô tinh khí trong người con đàn bà của ngươi ngay trước mặt của ngươi…"

Lời này vừa nói ra, Nguyệt Nha Nhi ẩn trong đám người lập tức phi thân ra quát lớn: "Lão tặc vô sỉ…"

Tiên Tổ nhìn thoáng qua Nguyệt Nha Nhi, nói: "Ha ha, lại là một con đàn bà của Bạch gia…Đàn bà Bạch gia đối với ta mà nói, chính là loại thuốc bổ tốt nhất thiên hạ…"

Nguyệt Nha Nhi cười lạnh một tiếng, nói: "Lão tặc tử, ngươi cho rằng ngươi là cái thá gì chứ, bổn cô nương muốn giết ngươi, căn bản là không tốn một hột bụi…"

“Sophie, Tome, bây giờ ta hỏi các ngươi một lần cuối. Các ngươi rốt cục là giúp ta hay giúp Phương Hạo Vân?” Tiên Tổ quát lớn một tiếng.

Tome ngẩng đầu lên nhìn Tiên Tổ một cách khinh thường, nói: “Tiên Tổ, mặc dù đến nông nỗi bây giờ rồi, nhưng ta vẫn xem trọng tôn giả như trước…Ta không cho rằng ông có thể đánh thắng được tôn giả…”

“Đồ khốn nạn, các ngươi sẽ hối hận!” Tiên Tổ nghe thấy thế, quát giận lớn một tiếng, trong lòng tràn ngập sự phẫn nộ vô cùng.

“Sophie, bắt đầu đi, không cần do dự nữa…” Tome nói.

“Ừ!”

Sophie nghiêm túc gật đầu.

Tiên Tổ cười lạnh một tiếng, nói: “Hắc Bạch song nô, mang thuộc hạ của các ngươi, bắt hết những kẻ không biết trời cao đất rộng kia…” Theo một tiếng gầm của Tiên Tổ, những tên trong đội quân bí mật được mai phục trước đó cũng nhanh chóng xuất hiện, bao vây Phương Hạo Vân, dì Bạch, Nguyệt Như, Sophie và Tome lại.

“Tome, Sophie, bản tôn đã cho các ngươi cơ hội, nhưng các người lại muốn chết…” Tiên Tổ hừng lạnh một tiếng, nói: “Giết!’

Chữ giết vừa nói ra, đám cao thủ hắc ám lập tức khởi xướng công kích.

Vì để bảo đảm rằng không có tình huống bất ngờ xảy ra, Tiên Tổ tự mình ra tay dánh với Phương Hạo Vân và dì Bạch.

Nguyệt Nha Nhi tự mình chỉ huy những cao thủ của gia tộc thủ hộ chống lại đội quân bí mật được chế tạo từ nguyên lực hắc ám này.

Tome và Sophie thì chia ra đối phó với vợ chồng Phương Kiến Hoa.

Dì Bạch và Phương Hạo Vân liên thủ, bốn phía lập tức bắn ra khí kình diệt bạo, uy lực không tầm thường chút nào. Nhìn thế công uy mãnh trước mắt, sắc mặt của Tiên Tổ liền trở nên âm trầm, kiếm đen trong tay chuyển động, khiếm quan sắc bén bá đạo tung hoàng bay vụt ra, tạo thành một lớp kiếm phòng ngự quanh thân, kiếm khí trùng điệp nhiều không đếm xuể, kiếm quang lượn lờ quanh thân không ngừng, hình thành một tầng phòng ngự cường đại.

Cùng lúc đó, Phương Hạo Vân và dì Bạch cũng đã tiến hành một thế tấn công cực mạnh, đao thế hai người kết hợp lẫn nhau, phối hợp lao đến.

“Ầm ầm!”

Hai tiếng, đao khí cường đạo cùng với kiếm khí dầy đặc chạm vào nhau, tạo thành những tiếng sấm nổ liên tục, khiến cho xung quanh biến thành một cơn lốc khí kình, trong lúc nhất thời, khí kình phản chấn của hai bên cuộn lên như sóng, thổi bay nền gạch dưới dất, cuối cùng bùng nổ mãnh liệt, có vài võ sĩ hắc ám xung quanh không kịp tránh né, bị đánh trúng và chết ngay tại chổ do không chịu nổi áp lực quá mạnh này.

Tiên Tổ cùng Phương Hạo Vân và dì Bạch giao chiến mấy hiệp, sắc mặt dần dần trở nên nghiêm trọng, Thiên Phạt Âm Dương kết hợp, uy lực quả thật rất kinh người.

Eris Feyde đã tung hoành cả đời rồi, chinh chiến vô số, đến nay vẫn chưa có ai làm cho ông ta cảm thấy bất an. Nhưng mà Phương Hạo Vân và dì Bạch liên thủ đã tạo cho ông ta cái cảm giác này.

“Ầm ầm ầm!” Theo những tiếng nổ lớn, Phương Hạo Vân, dì Bạch đã tách ra khỏi Tiên Tổ, lui về phía sau một bước, lạnh lùng nhìn chằm chằm vào đối phương.

“Hạo Vân, lại đây đi…” Dì Bạch nhìn thấy tình hình không được tốt, trong lòng lập tức đưa ra quyết định, nói: “Hạo Vân, Bạch gia của em còn có một bí pháp, Tâm Ấn Truyền Công…’

“Có ý gì?” Đầu tiên là Phương Hạo Vân hơi sửng sốt, nhưng lập tức hiểu ra và nói ngay: “Không được…Tố Tố, nếu em đem hết công lực của em truyền cho anh, tuy rằng công lực của anh có thể gia tăng lên mấy lần,

nhưng mà nếu như vậy thì sẽ không còn được sự chấp nhận của Tịnh Thế Tử Viêm, và như vậy em rất có thể bị Tịnh Thế Tử Viêm nuốt chửng…"

"Không đâu!"

Dì Bạch vội vàng giải thích: "Em có Băng Linh châu, có thể ngăn cản được Tịnh Thế Tử Viêm trong một khoảng thời gian, để bảo đảm em không xảy ra chuyện gì. Chờ sau khi anh giết chết Tiên Tổ, thì anh khống chế Tịnh Thế Tử Viêm trong cơ thể của em là được rồi…"

"Thật sự có thể chứ?" Phương Hạo Vân dường như vẫn không tin tưởng cho lắm.

"Ừ!"

Dì Bạch nghiêm túc gật đầu: "Tin tưởng em, những gì em nói đều là sự thật…Hạo Vân, đừng do dự nữa, lại đây, nắm lấy tay em đi…"

"ừ!"

Phương Hạo Vân nhìn thấy sắc mặt nghiêm túc của dì Bạch, cũng không còn hoài nghi nữa, đưa tay nắm lấy bàn tay nhỏ bé của cô. Ngay lập tức, một cổ lực lượng cực mạnh từ trong cổ tay của dì Bạch, nhanh chóng truyền vào trong cơ thể của hắn.

Trong giây phút đó, tâm linh của hai người đã kết nối lại với nhau.

"Các ngươi đang tập trung lực lượng!" Tiên Tổ dường như cảm nhận được cái gì đó, chỉ là ông ta phát hiện ra quá muộn rồi, Tâm Ấn Truyền Công này chỉ cần chớp mắt là đã hoàn thành.

"Hừ!"

Tiên Tổ khinh thường cười lạnh một tiếng, nói: "Phương Hạo Vân, Bạch Tố Tố, các ngươi nghĩ rằng với lực lượng của các ngươi có thể giết được ta, vậy thì các ngươi đã sai rồi. Đến đây nào, ta sẽ cho các người nhìn thấy lực lượng chân chính của ta…"

Khi nói chuyện, Tiên Tổ cũng đã bắt đầu lăng không bay lên. Phương Hạo Vân cũng dùng chân khí đạp đất nhảy lên, và thân hình cũng bắt đầu trôi lơ lửng giữa không trung, hai người lạnh lùng nhìn chằm chằm vào đối phương.

Quanh thân của Tiên Tổ đột nhiên xuất hiện một luồng ánh sáng đỏ kinh động lòng người, khiếp cho người ta khiếp sợ đến cực điểm, miệng của ông ta xuất hiện một nụ cười âm trầm, nói với Phương Hạo Vân: "Phương Hạo Vân, ta sẽ cho ngươi biết cái gì gọi là hắc ám nguyên lực…"

Phương Hạo Vân khẽ cười một tiếng, trên mặt hiện ra sự khinh thường, trầm giọng nói: "Lão tặc, lực lượng của tôi đã mạnh hơn lúc trước mấy lần rồi, ông căn bản không còn là đối thủ của tôi"

Tiên Tổ lạnh lùng nói: "Đừng đắc ý quá sớm, các ngươi chỉ là truyền công cho nhau, giống như nước đến chân mới nhảy, các ngươi căn bản là không phát huy được uy lực của nó đến cực điểm…"

Phương Hạo Vân nghiêm nghị nói: "Thủ rồi sẽ biết…"

Tiên Tổ cười cuồng một tiếng, nói: "Phương Hạo Vân, hôm nay ta sẽ cho ngươi nhìn thấy thực lực chân chính của ta…"

Vẻ mặt của Phương Hạo Vân cũng trở nên kiêu ngạo, khóe miệng hơi nhếch lên, đối mặt với Tiên Tổ, hắn khinh thường như vậy, vì hắn có bản lĩnh để cao ngạo.

Khuôn mặt lạnh lùng hiện lên một nụ cười trêu tức, trong con mắt thâm thúy đột nhiên bắt ra luồng sát khí rất thật, Phương Hạo Vân nói: "Eris Feyde, đến đây đi, tôi hy vọng ông đừng để tôi phải thất vọng…"

Tiên Tổ cười lạnh một tiếng, cổ tay run lên, một luồng kiếm khí màu đen bắn ra như tia cướp, hướng đến phía của Phương Hạo Vân, uy thế rất kinh người.

Phương Hạo Vân biến sắc, giơ Thiên Phạt lên trước mặt, triển khai lớp phòng ngự cường đại. Khi đòn tấn công của Tiên Tổ chạm vào trong lớp phòng ngự ấy, kiếm quang lập tức trở nên ảm đạm, và chậm rãi biến mất.

"Eris, hy vọng ông có thể xuất ra toàn bộ lực lượng, nếu không ông sẽ hối hận cả đời…" Phương Hạo Vân khẽ cười một tiếng, âm thanh cũng mang theo lực lượng hùng hậu.

Tiên Tổ không ngờ rằng sau khi Phương Hạo Vân tiếp nhận lực lượng của dì Bạch, sức chiến đấu đã tăng lên rất nhiều lần, trong lòng ông ta không khỏi lo lắng một chút.

"Eris, lại đây…xuất ra lực lượng cực mạnh của ngươi đi…" Phương Hạo Vân không ngừng thôi thúc lực lượng trong cơ thể, dâng chiến ý lên đến đỉnh điểm.

Nghe thấy vậy, sắc mặt của Tiên Tổ hơi biến, trong lòng không khỏi xuất hiện một nổi sợ hãi khó hiểu.

"Eris, ông sợ?" Phương Hạo Vân ngạo nghễ nói.

Tiên Tổ lạnh lùng nhìn Phương Hạo Vân trước mắt, trong lòng bắt đầu suy nghĩ về đối sách, đột nhiên, ông ta nhìn thấy một tia khác thường trong ánh mắt của Phương Hạo Vân, tuy rằng nó chỉ hiện lên như một tia chớp, nhưng mà đối với Tiên Tổ mà nói, thì chính là một chuyện tốt vô cùng, ông ta cảm thấy rằng Phương Hạo Vân chỉ đang phô trương thanh thế thôi.

Nghĩ đến đây, niềm tin của Tiên Tổ lập tức khôi phục lại bình thường.

Ông ta nhìn Phương Hạo Vân, nở một nụ cười âm hiểm, nói: "Phương Hạo Vân, thiếu chút nữa đã bị ngươi hù, cho dù ngươi có Thiên Phạt, cho dù ngươi thừa kế lực lượng của Bạch Tố Tố thì sao nào…Thủ đoạn chân chính của ta vẫn còn chưa thi triển…"

"Giết!"

Tiên Tổ quát lớn một tiếng, khí hắc ám vờn quanh thân, khuôn mặt vốn bình thường liền trở nên khủng bố đáng sợ, con ngươi trở nên đỏ sậm, phát ra những tia sát khí rợn lòng người.

Phương Hạo Vân không dám chậm trễ, lẳng lặng nhìn sự thay đổi của Tiên Tổ, Thiên Phạt trong tay phát ra đao quang màu tím, rực rỡ không chừng, khi thì phát ra những tiếng kêu to, khí thế kinh người.

"Chịu chết đi!" Tiên Tổ quát lạnh một tiếng, vô số quang mang hắc ám bắn ra bốn phía, lấy khí thế như sấm chớp, phá không mà lao đến hướng của Phương Hạo Vân.

Phương Hạo Vân nhíu mày, hơi buồn bực nói: "Ông xong đời rồi…" Lời còn chưa dứt, Tịnh Thế Tử Viêm đã rực lên, vô số ánh lửa cũng bắn ra, như là mưa lửa đầy trời vậy, chỉ sợ rằng nếu Phương Hạo Vân hơi sơ sảy một chút cũng sẽ bị mưa lửa màu tím này đánh trúng.

Trên mặt của Phương Hạo Vân không hề có chút khiếp sợ nào cả, ngược lại còn trông rất trấn định bình tĩnh.

Nhìn thấy đòn tấn công đã đến, mà Phương Hạo Vân lại không có chút phản ứng nào cả, trong lòng Tiên Tổ mừng rỡ, thầm nghĩ Phương Hạo Vân chết chắc rồi. Dưới làn mưa lửa màu tím ấy, một tia sáng màu đen lao vụt đến, và Phương Hạo Vân đã động, chỉ nghe hắn gào lên một tiếng thật lớn, âm thanh giống như vang lên tận trời không dứt, giống như rồng ngâm cọp rống vậy, uy thế không thua gì đòn tấn công điên cuồng của Tiên Tổ.

"Eris Feyde, cho ông nhìn xem uy lực chân chính của Thiên Phạt…" Một tiếng gào lớn vang lên, Thiên Phạt trong tay của Phương Hạo Vân cũng đã hóa thành ngàn vạn hào quang màu tím, điên cuồng lao đến, khí thế vô cùng lớn, khiến cho trời đất biến đổi. Tia sáng màu đen cũng rít gào, mang theo sự phẫn nộ của trời biển, gào thét mà đến. Lúc này, đòn tấn công cường đại của hai người đã chạm vào nhau, hai lực lượng cực mạnh cuốn lấy nhau, và phát ra một tiếng nổ lớn thổi bay cả mái nhà.

Khóe miệng của Phương Hạo Vân hiện lên một nụ cười mỉm, thân hình sừng sững bất động, chiến ý quanh thân vẫn mang theo vẻ cường đại vô cùng.

"Phương Hạo Vân, ngươi đừng đắc ý quá sớm!" Tiên Tổ cũng cười lạnh một tiếng, hai tay mạnh mẽ đẩy ra, Tịch Mịch Chi Hỏa âm lạnh như đến từ địa ngục mãnh liệt tàn phá mà đến.

"Cũng nên kết thúc rồi…" Phương Hạo Vân cười lạnh một tiếng, Tịnh Thế Tử Viêm lập tức bao phủ lấy toàn thân của hắn.

Một lát sau, quanh thân của Phương Hạo Vân liền phát ra vô số ánh sáng tím, và ở nháy mắt đó, trong tim của Tiên Tổ đột nhiên nảy sinh một ý nghĩ sợ hãi.

"Ông sợ, tôi có thể cảm ứng rõ ràng nổi sợ trong lòng ông…" Khóe miệng của Phương Hạo Vân cũng hiện lên một nụ cười âm hiểm.

Tiên Tổ cả giận nói: "Không có khả năng…Vì sao ca không cảm ứng được khí tức của ngươi…"

"Rất đơn giản…"

Phương Hạo Vân nói: "Ánh mắt của ông…"

"Mắt?" Thân mình của Eris rung lên mạnh mẽ, dường như đã hiểu ra được cái gì đó vậy.

Đúng lúc này, thân mình của Phương Hạo Vân cũng trở nên mơ hồ trước ngàn vạn tia sáng màu tím, thân thể của hắn giống như đã bị ngọn lửa màu tím đốt thành tro tàn vậy.

Đây là tình cảnh mà bên ngoài nhìn thấy.

Nhưng trên thực tế thì không phải vậy.

Theo một ý nghĩa nào đó mà nói, Phương Hạo Vân bây giờ đã đã hoàn toàn hợp nhất với Tịnh Thế Tử Viêm, lấy khí thế như lôi đình thổi quét đến hướng của Tiên Tổ.

Đối mặt với uy lực kinh thiên của Tịnh Thế Tử Viêm, Tiên Tổ chỉ cố gắng tập trung toàn bộ Tịch Mịch Chi Hỏa. Trong trời đất này, thứ có thể chống đỡ lại Tịnh Thế Tử Viêm, chỉ có Tịch Mịch Chi Hỏa.

Chỉ là Phương Hạo Vân không có cách nào cảm ứng được sự tồn tại của Phương Hạo Vân.

Biết người biết ta, trăm trận trăm thắng.

Nhưng mà bây giờ, ngay cả bóng dáng của Phương Hạo Vân mà Tiên Tổ cũng không thấy, thì ông ta thua là khẳng định rồi.

"Không…đừng…"

Vừa dứt lời, ngàn vạn tia lửa màu tím đã thổi quét đến hướng của Tiên Tổ, mấy tiếng kêu thảm vang lên, và thân thể của Tiên Tổ đã bị Tịnh Thế Tử Viêm bao phủ, Tịch Mịch Chi Hỏa quanh thân ông ta d94 không còn tác dụng phản kháng nữa rồi.

"A…"

Đột nhiên, xung quanh cũng truyền đến vô số những tiếng kêu thảm, Phương Hạo Vân qauy đầu nhìn lại, thì ra những võ sĩ hắc ám được chế tạo từ nguyên lực hắc ám của Tiên Tổ cũng đã chết ngay tức khắc, hóa thành tro bụi.

Đám võ sĩ này hoạt động nhờ nguyên lực hắc ám của Eris, bây giờ Eris đã bị thương, hắc ám nguyên lực bị hao tổn, thì bọn họ đương nhiên là sẽ không còn được cung cấp nguồn sống nữa.

Dưới tình huống như vậy, bọn họ dĩ nhiên sẽ phải trở về trạng thái ban đầu rồi.

"Không xong!"

Phương Hạo Vân dường như nghĩ đến cái gì đó, vội vàng bỏ Tiên Tổ lại, lao đến hướng của Phương Kiến Hoa, Lam Thải Nhi. Hắn lo rằng vận mệnh của bọn họ sẽ giống như những người đó.

…

794. Chương 23: Di Nguyện Cuối Cùng.

Tiên Tổ không ngừng giãy dụa trong vòng vây của Tịnh Thế Tử Viêm, kích thích Tịch Mịch Chi Hỏa trong cơ thể của mình để chống lại, có điều việc này không thể kéo dài lâu, tình huống của ông ta đã không còn được tốt.

"Phương Hạo Vân, nếu ngươi giết ta, thì cha mẹ của ngươi cũng đừng mong sống sót…" Tiên Tổ nói: "Bọn họ vốn là người hoạt tử, bây giờ được nguyên lực hắc ám của ta làm cho sống lại. Nếu ta mà chết, thì bọn họ cũng sẽ không sống được. Chẳng lẽ ngươi muốn làm cho cha mẹ vừa tìm được của ngươi phải chết sao?"

"Im miệng!"

Phương Hạo Vân quát lạnh một tiếng: "Lão tặc câm mồm lại ngay…"

"Hạo Vân, không cần lo lắng…" Dì Bạch yếu ớt nói: "Hạo Vân, không cần lo, bọn họ là người hoạt tử, không giống như võ sĩ được chế tạo từ hắc ám nguyên lực…"

"Đi chết đi!"

Đúng lúc này, phía sau Phương Hạo Vân truyền đến một luồng sát khí mãnh liệt, thì ra Tiên Tổ nhân cơ hội này đánh lén, mục tiêu rõ ràng chính là hậu tâm của Phương Hạo Vân.

"Hừ!"

Phương Hạo Vân khinh thường hừ lạnh một tiếng, giơ tay cầm Thiên Phạt đâm tới, một đao quang màu tím hiện lên, ngay lập tức đâm vào ánh mắt của Tiên Tổ.

Cùng lúc đó, Tome cũng lao đến, khi sắp tiếp cận với Tiên Tổ, trong tay của cô tung ray một thứ bột phấn màu đỏ như máu, lập tức tung vào ánh mắt của Tiên Tổ.

"A…"

Sự tấn công của Thiên Phạt từ Phương Hạo Vân và bột phấn của Tome hầu như đồng thời tiến vào ánh mắt của Tiên Tổ. Một tiếng hét thảm vang lên, cả người ông ta té ngã xuống đất. Vết thương do Thiên Phạt để lại đang không ngừng chảy máu, màu chảy ra như nước vậy, Tiên Tổ vài lần cố gắng cầm máu lại, nhưng không có tác dụng nào cả.

"Cái này…sao có thể chứ?" Tiên Tổ dường như không tưởng tượng nổi, cơ thể của mình là thân bất tử, sao có thể xuất hiện vấn đề này chứ. Máu đối với ông ta mà nói, chính là một thứ vô cùng quan trọng. Khi máu không ngừng chảy ra, thì ông ta cảm nhận rõ ràng lực lượng trong cơ thể cũng dần dần biến mất, và cả người nhanh chóng già đi.

Lúc này Tome đi đến, đắc ý nói: "Tiên Tổ…đây là bột tán công ta đặc chế cho ông đấy…Có chuyện này ông vẫn luôn hiểu lầm…Ta lấy máu trên người của Sophie ra, thật ra chính là vì muốn chế tạo thứ này. Chứ không phải chế tạo máu hắc ám…Còn có một chuyện nữa mà ta phải thẳng thắn với ông. Từ đầu đến cuối ta luôn biết về sự tồn tại của ông, tất cả những gì ta làm, điều là vì giây phút ngày hôm nay…"

"Không có khả năng!"

Tiên Tổ dường như không thể chấp nhận được chuyện này: "Ta là thân bất tử…"

"Ta biết…" Tome cười lạnh, nói: "Nếu không phải Tịnh Thế Tử Viêm của Thiên Phạt làm cho ông bị thương, thì bột của ta sẽ không có khả năng tạo thành tán dụng gì cả. Đương nhiên, con mắt chính là nhược điểm trí mạng của ông, cái này cũng tạo thành nguyên nhân trực tiếp…"

"Đủ rồi, không cần nói nhảm nữa!" Phương Hạo Vân nói chặn lời lại: "Để cho tôi chấm dứt cái gọi là Tiên Tổ này…Lão tặc, ông có thể chưa từng nghĩ qua, ông sẽ có ngày hôm nay, đúng không?"

"Tome, vì sao ngươi phải làm vậy?" Tiên Tổ không cam lòng, gào lên một tiếng.

"Ông chết rồi, ta và Sophie chính là Tiên Tổ của Darkness!" Tome cũng không che dấu dã tâm của mình: "Lịch sử là do người thắng viết…bây giờ ông đã rõ chưa?"

"Ngươi sẽ hối hận…" Tiên Tổ gào lên một tiếng: "Mất sự chống đỡ của nguyên lực hắc ám, ngươi không thể nào tiến hóa được nữa…"

Vừa dứt lời, Phương Hạo Vân đã giơ Thiên Phạt lên chém xuống, chỉ thấy một đạo lửa tím thổi quét qua, và chỉ trong nhảy mắt, đã nuốt chửng hoàn toàn Tiên Tổ lại.

Ngọn lửa đi qua, Eris Feyde cũng đã không còn bóng dáng, thậm chí là không tìm thấy được một dấu vết nào cả.

Một sự tồn tại cường đại như vậy, cuối cùng lại bị diệt vọng.

"Hạo Vân, anh thành công rồi…" Dì Bạch nói xong câu đó liền ngất đi hoàn toàn.

Phương Hạo Vân vội vàng đi qua kiểm tra tình huống, sau khi xác định là không có vấn đề, hắn mới thở phào một hơi, nói: "Nguyệt Nha Nhi, em chăm sóc cho Tố Tố giùm anh, về phần công lực, anh sẽ nghĩ biện pháp khôi phục lại"

Sau đó, Phương Hạo Vân đi đến hướng Phương Kiến Hoa và Lam Thải Nhi, sau khi mất đi sự khống chế của chủ nhân, bọn họ liền trầm lặng lại, sát khí quanh thân cũng không còn nữa.

Hắn cố gắng lục lọi trong mớ ký ức của lão tổ tông Bạch gia, rốt cục đã tìm thấy được biện pháp khôi phục lại lý trí cho vợ chồng Phương Kiến Hoa rồi. Chỉ là bọn họ bây giờ vốn là người hoạt tử rồi, lại bị nguyên lực hắc ám của Eris xâm nhập nữa, linh hồn đã không còn dính liền với thể xác nữa.

Tức là, nói ngắn gọn hơn, nếu khôi phục lại lý trí linh hồn cho bọn họ, thì bọn họ cũng sẽ nhanh chóng biến mất khỏi thế giới này.

"Con trai, con trai ngoan của ba…" Sau khi Phương Kiến Hoa khôi phục lại ý thức, ánh mắt liền nhìn lên người của Phương Hạo Vân: "Con trai, xin lỗi, ba xin lỗi con…"

"Ông thật sự biết tôi là ai sao?" Phương Hạo Vân hơi khó tin, tuy rằng hắn xác định mình chính là con của Phương Kiến Hoa, nhưng lúc này hắn cũng không biết nên phản ứng thế nào.

"Con trai…ba biết ý của con…" Phương Kiến Hoa giải thích: "Chuyện là như vậy, ý thức của ba và mẹ con trong khoảng thời gian này thật ra vẫn rất tỉnh táo, chỉ là ba mẹ bị khống chế, ba mẹ thấy rất rõ mọi chuyện đang xảy ra từ đầu đến cuối…Rất nhiều lần ba mẹ muốn nhận lại con, nhưng mà ba mẹ không cách nào khống chế được thân thể, thậm chí là tư tưởng…Tiên Tổ chết rồi, ba mẹ đương nhiên cũng khôi phục lại tự do…"

Tuy rằng không có tình cảm, nhưng dù sao cũng là huyết mạch tình thân.

Phương Hạo Vân đi qua ôm lấy cha mẹ ruột của hắn, sắc mặt của hắn cũng trở nên tái nhợt, hắn có thể cảm nhận rõ ràng được, sinh mạng của vợ chồng Phương Kiến Hoa đang dần dần yếu đi.

"Con trai, đừng trách ba mẹ, lúc trước có người trộm con khỏi ba mẹ, ba mẹ cũng bất lực…" Trong con mắt của Lam Thải Nhi cũng chảy ra những dòng lệ.

"Con trai, thay mẹ hoàn thành một tâm nguyện" Lam Thải Nhi nghiêm túc dặn dò: "Đi Lam gia ở Phúc Kiến, tha mẹ và ba con, thắp một nén nhanh cho ông ngoại của con…"

"Con trai, con cứ sống theo cuộc sống của mình…" Trong con mắt của Phương Kiến Hoa cũng hàm chứa sự kiêu ngạo vô cùng: "Tuy rằng ba mẹ biết tình huống của con không lâu, nhưng ba mẹ vô cùng kiêu ngạo vì con bây giờ…Con trai, ba mẹ vô dụng, ba mẹ không thể chăm sóc cho các con…Hy vọng con có thể tự chăm sóc cho chính mình. Nhớ kỹ, ba mẹ bị gia tộc Edward của Morgan hại chết…Ngọc bội này, cho cậu của con…"

Nói xong câu đó, hắc ám nguyên lực trong cơ thể của vợ chồng đã cản, lập tức cạn khí bỏ mạng.

"Giết!"

Một tiếng giết vang lên, Phương Hạo Vân cả giận nói: "Giết chết một phần mười thành viên của gia tộc Morgan bây giờ…"

"Tôn giả, ngươi…" Sophie đang muốn nói cái gì đó, thì đã bị Tome ngăn lại: "Tôn giả, đối với mệnh lệnh của anh, bọn em không có dị nghị gì cả…"

Phương Hạo Vân khinh thường hừ lạnh, nói: "Sophie, Tome, tôi muốn nói cho hai người biết, tôi muốn hủy diệt hai người, hoàn toàn chỉ cần một ý niệm. Tôi hy vọng từ nay trở về sau, các người có thể tuân thủ nghiêm ngặt ước định của các người, an tâm tu dưỡng…"

…

795. Chương 24: Hoàn Mỹ Đại Kết Cục.

Đối với kết quả này, Tome cũng không tỏ ra bất mãn cái gì cả.

Cho đến giờ, cô ta đều rất rõ tính tình của Phương Hạo Vân, đối với một sự tồn tại cường đại như vậy, tốt nhất là không nên khinh nhờn hay đối kháng gì cả.

Bởi vì, Eris Feyde chính là một ví dụ tốt.

Tuy rằng Tome tự tin, nhưng không dám so sánh mình với Eris Feyde.

Sau khi Eris Feyde chết, Phương Hạo Vân ở lại Luân Đôn ba ngày, rồi một mình hắn trở về nước, đi đến Phúc Kiến.

Hắn muốn hoàn thành di mệnh của cha mẹ, đây là bổn phận mà một người con nên làm.

Về chuyện ở Luân Đôn, hắn đã giao lại hết cho dì Bạch, và Nguyệt Nha Nhi toàn quyền xử lý rồi. Và bọn họ đủ sức để tin cậy.

Trải qua ba ngày điều tra của gia tộc thủ hộ, nhà của cậu hắn, cũng chính là một gia tộc độc tài theo kiểu cũ tại Phúc Kiến, Lam gia. Là một gia tộc cũng có danh tiếng tại Phúc Kiến.

Đương nhiên, nếu so sánh tổng thể thì, Lam gia vẫn còn chút chênh lệch với Nam Cung thế gia, có lẽ là gần giống Long gia ngày trước.

Vốn dĩ với một gia tộc tầm thường như vậy, trong mắt của Phương Hạo Vân căn bản không tính là gì cả, nhưng bây giờ, hắn không dám chậm trễ, bởi vì ở đây dù sao cũng là nhà cậu của hắn.

Vì tỏ thành ý cùng lễ nghĩa của mình, nên hắn đã dùng theo cách thường đi đến đó. Gia chủ của Lam gia bây giờ tên là Lam Kiến Quốc, là anh ruột của mẹ, có điều người này rất là đê tiện và ti bỉ, thuộc dạng tiểu nhân bỉ ổi, toàn bộ tầng lớp xã hội thượng lưu tại Phúc Kiến đều biết danh tiếng cả.

Lúc trước khi Lam Thải Nhi gả cho Phương Kiến Hoa, nghe nói ông ta là người đầu tiên phản đối, hơn nữa còn dùng mọi cách để quấy nhiễu. Dựa theo ý của ông ta là, muốn gả em gái cho Long gia tại Hoa Hải, lấy đám cưới để tạo quan hệ, để mọi người gìn giữ lẫn nhau. Nhưng mà sự cố gắng của ông ta cũng không ngăn được việc em gái kết hôn.

Vì thế, Lam Kiến Quốc liền đoạn tuyệt quan hệ với em gái, sau đó cha của Lam Thải Nhi là Lam Chính bệnh nặng, Lam Kiến Quốc chấp chưởng Lam gia. Và ông ta đã xóa tên của Lam Thải Nhi ra khỏi dòng tộc Lam gia. Cái ngày mà Lam Chính qua đời, ông ta cho người ngăn Lam Thải Nhi lại ngoài cửa, ngay cả cơ hội gặp mặt cuối cùng cũng không cho em gái.

Sau này, trong cuộc sống ngày thường, Lam Thải Nhi có nhiều lần đến đây, hy vọng là có thể thắp nén nhang cho người cha quá cố, chỉ là Lam Kiến Quốc liên tiếp ngăn cản và đuổi đi.

Vì thế, Lam Thải Nhi và Phương Kiến Hoa đành phải rời xa quê hương, xây dựng sự nghiệp tại nước ngoài, và như thế mới xảy ra chuyện đột tử.

Nói lòng vòng nãy giờ, thật ra chỉ túm lại một câu, theo lý thuyết mà nói, cái chết của vợ chồng Phương Kiến Hoa là do một tay Lam Kiến Quốc gián tiếp gây ra.

Những điều này, trong lòng Phương Hạo Vân cũng rất rõ ràng.

Sau khi đưa thiệp mời và ngọc bội xong, quản gia liền mở cửa mời Phương Hạo Vân vào.

Trong đại sảnh, một người ông già khoảng năm mươi tuổi đang đứng chắp tay ngắm cảnh ngoài cửa sổ, con mắt nhìn thẳng ra bên ngoài, không biết trong lòng đang suy nghĩ cái gì. Khi Phương Hạo Vân đi vào, người này xoay lại, thản nhiên nói: "Đến rồi…"

Phương Hạo Vân đi qua, hỏi: "Ông chính là cậu Lam Kiến Quốc?"

"Ha ha…"

Lam Kiến Quốc cười lớn một tiếng, nói: "Phương tiên sinh, nếu cậu đến để nhận người thân, vậy thì thật đáng tiếc, cậu đã tìm lầm chổ rồi, mời cậu về cho…"

Tuy rằng Lam Kiến Quốc không có lớn tiếng đuổi đi, nhưng ai cũng có thể nhìn ra, ông ta quả thật không chút nể mặt. Hơn nữa trong ánh mắt của ông ta hiện lên một sự chán ghét thản nhiên.

Mà sự chán ghét này, xuất phát từ vợ chồng Phương Kiến Hoa mà ra cả.

"Cậu, làm gì mà tuyệt tình vậy…" Phương Hạo Vân nói: "Tốt xấu gì tôi và cậu cũng là người thân…Có điều cậu yên tâm, lần này tôi đến đây, cũng không phải để nhận người thân gì cả"

"Tốt lắm!"

Lam Kiến Quốc đi qua ngồi xuống ghế, nói: "Chỉ cần cậu không đến nhận người thân…vậy thì dễ làm rồi…Nói đi, có chuyện gì?"

"Thay cha mẹ thắp nén nhang…" Phương Hạo Vân nói ra ý đồ của mình.

"Thắp nhang?" Lam Kiến Quốc khinh thường nói: "Lam Thải Nhi đã bị tôi xóa tên từ trước rồi, nó có tư cách gì mà vào thắp nhang. Đúng rồi, sao nó không tự mình đến, lại phái cậu đến đây hả? Chẳng lẽ nó cũng tự hiểu rằng mình không còn mặt mũi nào để nhìn ông già nữa sao?"

"Cũng không phải!"

Phương Hạo Vân nói: "Người có lỗi với ông ngoại chính là ông, chứ không phải là cha mẹ của tôi…Nghe nói năm đó ông ngoại bệnh nặng cũng là do sự bất hiếu của ông mà ra cả. Nói cách khác, ông ngoại bị ông làm cho tức chết, người không có tư cách ở tại Lam gia này chính là ông, chứ không phải là cha mẹ của tôi…"

"Làm càn!" Lam Kiến Quốc bỗng nhiên đứng lên, hai mắt toát ra tia lửa: "Thằng ranh mất dạy này, mày ở đây nói bậy bạ cái gì đó…Mày cút ngay cho tao"

"Cậu thân yêu à, ông cảm thấy rằng tôi đang nói bậy sao?" Phương Hạo Vân cười khinh miệt, nói: "Lúc trước ông và bà Ba lén lút với nhau, mấy lần bị ông ngoại phát hiện, cuối cùng làm cho ông ngoại tức giận đến nổi bệnh tim tái phát…Ông nói xem, tôi nói có đúng không"

"Nói bậy!"

Lam Kiến Quốc dường như bị nói trúng tâm sự, thân mình hơi run rẩy lên, có điều lòng dạ của ông ta rất sâu, chỉ trong nháy mắt liền khôi phục lại bình thường

"Phương Hạo Vân, thằng nhóc con, mày cút ngay cho tao…" Lam Kiến Quốc chỉ tay ra ngoài cửa lớn, nói: "Bây giờ mày cút ngay cho tao, nếu không thì đừng trách tao vô tình"

"Vô tình?"

Phương Hạo Vân hèn mọn nói: "Ông vốn là một kẻ vô tình rồi…"

Nói đến đây, Phương Hạo Vân bật cười nói: "Hôm nay vì di mệnh của cha mẹ, tôi đến thắp nhang cho ông ngoại, cũng không muốn truy cứu việc này…Như vậy đi, không bằng chúng ta làm giao dịch, tôi cho ông năm triệu, ông để cho tôi đi thắp nhang…"

Nói xong, Phương Hạo Vân rút chi phiếu ra ghi, tùy tiện ném lên mặt của Lam Kiến Quốc.

"Khoan đã!"

Lam Kiến Quốc dường như nhận ra cái gì đó, nói: "Mày nói là di mệnh? Hay là cha mẹ của mày đã chết?"

"Không sai!"

Phương Hạo Vân gật đầu nói: "Đúng là đã chết…Ông có phải là rất vui vẻ không…Lam Kiến Quốc, nói đến chuyện này, cái chết của ba mẹ tôi, cũng có liên quan trực tiếp đến ông. Nếu không phải ông bắt bọn họ phải rời nước, thì bọn họ làm sao mà bỏ mạng nơi đất khách quê người chứ"

"Hừ!"

Lam Kiến Quốc khinh thường nói: "Tự làm bậy, không thể sống…"

Phương Hạo Vân nghe thấy thế, sát khí lập tức bốc lên từ đôi mắt.

Có điều, luồng sát khí ấy chỉ chợt lóe mà thôi.

"Tôi cho thêm năm triệu nữa…" Phương Hạo Vân nói xong lại ghi thêm một tờ chi phiếu và ném qua.

"Cút!"

Lam Kiến Quốc dường như bị nhục nhã, đem tờ chi phiếu đập mạnh xuống bàn, nói: "Cầm tiền của mày, cút ngay cho tao, cút xa ra…"

Phương Hạo Vân nhìn nhìn tấm chi phiếu, sắc mặt âm trầm không ổn, sau đó, khóe miệng hiện lên một nụ cười mỉm, nói: "Lam tiên sinh…sao ông lại quát lớn như vậy…"

"Mày không có cái lổ tai hả?" Lam Kiến Quốc cười lạnh nói: "Phương Hạo Vân…tao thật sự không ngờ, mày lại có nhiều tiền vậy…Taoo vốn tưởng rằng mày phải nghèo kiết xác ra chứ…"

Lam Kiến Quốc không biết gì về thân phận của Phương Hạo Vân, cùng với lực lượng và thế lực mà Phương Hạo Vân nắm giữ.

"Bài vị ông ngoại nằm ở đâu?" Phương Hạo Vân hỏi.

Lam Kiến Quốc lạnh lùng nhìn hắn, khóe miệng hiện ra một nụ cười mỉa mai: "Đến bây giờ mà mày còn không rõ sao? Mày với ông bà già khốn nạn của mày đều giống như nhau, bọn mày căn bản là không có tư cách đến thắp nhang cho ông già của tao…"

"Ông thật sự tuyệt tình vậy sao?" Phương Hạo Vân vẫn còn chút níu kéo.

Dừng lại một chút, Phương Hạo Vân nói tiếp: "Lam tiên sinh, không phải là tôi uy hiếp ông, nhưng những chuyện trong quá khứ của ông tôi đều rất rõ ràng, tôi hy vọng ông có thể hiểu rõ…"

"Câm mồm!"

Lam Kiến Quốc quát giận một tiếng: "Phương Hạo Vân, bây giờ mày cút ngay cho tao. Nếu không tao gọi người vào đánh chết mẹ mày đấy…"

"Ha ha…"

Phương Hạo Vân dùng ánh mắt thương hại nhìn Lam Kiến Quốc, tỏ ra đau lòng nói: "Tôi đã cho ông cơ hội rồi, nhưng đáng tiếc ông không biết nắm bát và quý trọng"

"Có ý gì?" Không biết vì sao, khi Lam Kiến Quốc nhìn thấy ánh mắt của Lam Kiến Quốc, thì trong lòng đột nhiên cảm thấy lạnh cả người…

"Rất đơn giản!"

Phương Hạo Vân thản nhiên nói: "Tôi luôn cảm thấy rằng cái chết của ba mẹ tôi tại nước ngoài, là do ông gián tiếp tạo ra. Tôi muốn báo thù…Nhưng mà, con người của tôi lại cực kỳ coi trọng tình thân, theo lý luận mà nói, ông cũng là anh ruột của mẹ tôi, cho nên tôi không thể ra tay được. Dưới tình huống như vậy, tôi rất là khó xử. Nhưng ông lại tự nhiên chui đầu vào rọ, tuyệt tình đối với tôi như vậy, thậm chí là còn làm nhục cha mẹ của tôi, cái này là ông tự tìm đường chết…"

"Ha ha…"

Nghe Phương Hạo Vân nói như vậy, Lam Kiến Quốc bật cười lớn, giận dữ quát: "Buồn cười, thật là buồn cười…Mày thì tính là cái gì, mày muốn trả thù tao, mày trả thù thế nào? Trong mắt của tao, mày giống như một con kiến vậy, tao muốn mày chết, thì mày căn bản là không có cơ hội đứng đây nói chuyện"

"Hay lắm, ông nói hay lắm…Có điều lẽ ra câu này phải là tôi nói cho ông biết mới đúng!" Sắc mặt của Phương Hạo Vân phát lạnh, nói: "Từ giờ trở đi, trên thế giới này sẽ không tồn tại cái gọi là Lam gia nữa…"

Đúng lúc này, quản gia của Lam gia, Lam Đại tiên sinh sốt ruột chạy vào, khẽ nói với Lam Kiến Quốc: "Gia chủ, đại sự không ổn rồi…Có người tha ra tin tức cực kỳ bất lợi đối với chúng. Khi vừa bắt đầu phiên giao

dịch ngày hôm nay, giá cổ phiếu của chúng ta đã hạ một cách nhanh chóng. Bây giờ đang tiếp tục mất giá không ngừng, theo bước đầu ước chừng thì tổn thất khoảng hai trăm triệu đô"

Lời này vừa nói ra, sắc mặt của Lam Kiến Quốc liền thay đổi ngay, ông ta nhìn Phương Hạo Vân theo bản năng.

Với công lực của Phương Hạo Vân, thì Lam Đại tiên sinh nói cái gì, hắn đương nhiên đều có thể nghe rất rõ ràng. Hắn cười nói: "Cái này chỉ là khởi đầu thôi…Lam tiên sinh, ông luôn tự phụ, đáng tiếc chỉ là được cái tài chém gió thôi, chứ làm ăn thì như *** mắc mưa vậy. Nếu mà ông có thể sử dụng cái đầu một chút, thì ông sẽ biết Phương Hạo Vân tôi rốt cục là ai. Trừ việc tôi là con trai của Lam Thải Nhi ra, tôi còn là tôn giả của gia tộc thủ hộ, lúc trước, Long gia hiển hách một đời đã bị chính tay tôi hủy diệt…"

Vừa dứt lời, lại có người chạy vào báo tin, nói là toàn bộ trang viên đã bị người ta bao vây rồi, Lam gia dường như đã mất đi tất cả quyền khống chế.

"Ông, mang tôi đến linh bài của lão gia…" Ánh mắt của Phương Hạo Vân chuyển về hướng của Lam Đại tiên sinh, cười nói: "Ông là người thông minh, tôi nghĩ ông sẽ không từ chối, đúng không?"

"Tiểu nhân biết…"

Lam Đại tiên sinh làm quản gia cho Lam gia hơn ba mươi năm rồi, cho nên cũng thuộc dạng càng già càng phát triển chứ không yếu đi, bởi vì ông ta biết cách đối nhân xử thế khéo léo, lúc này ông ta thấy tình thế không đúng, vội vàng lựa chọn thuận theo Phương Hạo Vân.

Sau đó, ông ta mang Phương Hạo Vân đi đến trước bài vị của Lam Chính để thắp nhang.

Đến lúc này, tâm nguyện của Lam Thải Nhi rốt cục đã được hoàn thành rồi.

Phương Hạo Vân rời khỏi Lam gia vào buổi tối, giờ phút này, Lam gia cũng đã bị tẩy trừ hoàn toàn, và được gia tộc thủ hộ quản lý. Còn về phương diện pháp luật và bên ngoài thì đã có Trần Thanh Thanh xử lý rồi, và lợi ích chia ra năm năm.

Cái chờ đợi Lam Kiến Quốc chính là giam lỏng cả đời.

Khi bị buộc rời khỏi Lam gia, giây phút đó, trong lòng ông ta bỗng nhiên cảm thấy hối hận. Nhưng, sớm biết như vậy, thì lúc trước đừng có làm.

Sau khi rời khỏi Lam gia, Phương Hạo Vân thở dài một tiếng thật buồn, nhìn lên không trung, tự thì thào nói: "Ba, mẹ, tâm nguyện của ba mẹ con đã hoàn thành rồi, Lam Kiến Quốc cũng đã bị trừ phạt thích đáng…"

…

Nửa tháng sau, dì Bạch và Nguyệt Nha Nhi cùng nhau trở về từ Luân Đôn, trước khi trở về, hai người đã dẫn dắt tinh anh của gia tộc thủ hộ đi rửa sạch hoàn toàn Darkness, giải quyết hậu quả cuối cùng.

Lực lượng trong tay Sophie và Tome bây giờ không còn được một phần trăm so với lúc Darkness còn cường thịnh nữa.

Cam kết ngàn năm, khẳng định sẽ được kéo dài.

Chỉ bằng điều này thôi, thành tựu mà Phương Hạo Vân tạo được cũng đã chưa từng có ai làm ra.

Lần này, Phương Hạo Vân cũng không để cho người đàn bà hắn yêu rời xa hắn nữa. Hắn thu xếp những chức vị quan trọng cho chị em của Bạch gia, có thể nói là dưới một mình hắn nhưng trên cả vạn người.

Đương nhiên, với năng lực của chị em Bạch gia thì hai người hoàn toàn có thể đảm nhiệm được.

Nói cách khác, Phương Hạo Vân hoàn toàn muốn làm ông chủ ngồi không.

Bây giờ, Trương Mỹ Kỳ cũng đã dưỡng sức sau khi sinh xong rồi, cũng khôi phục lại chức vụ ban đầu, cùng với Tạ Mai Nhi, hai người phụ trách tài nguyên khách hàng cho Đằng Phi, đều là tổng giám đốc giám sát khách hàng.

Bạch Lăng Kỳ cũng lấy được bằng tốt nghiệp sớm như mong muốn, và được làm chủ tịch của công ty địa ốc Đằng Phi, một chi nhánh của tập đoàn Đằng Phi. Bắt đầu kiếp sống tự lo thân của cô, cô tuyệt đối có niềm tin, trong tương lai sau này, công ty địa ốc Đằng Phi do mình quản lý tuyệt đối sẽ là một bộ phận không thể thiếu của vương quốc kinh doanh Đằng Phi.

Còn Hàn Tuyết Nhi thì sao? Tuy rằng khẩn trương làm việc nhưng cũng không quên học tập. Cô đã tham gia vào cuộc thi tuyển sinh đại học rồi, thành công đi vào trong đại học Hoa Hải. Sau khi nhập học, cô không cần mỗi ngày phải đến đi học, chỉ cần tham gia vào các cuộc thi cuối kỳ là được.

Đặc quyền này đối với các cô gái này, hoàn toàn là điều bình thường cả.

Không ai biết rằng, người đàn ông của các cô đã cống hiến rất nhiều cho hòa bình của thế giới.

Phương Tuyết Di, Trác Nhã vẫn phụ trách tập đoàn Thịnh Hâm như trước, hai người đàn bà giải quyết một tập đoàn lớn như Thịnh Hâm rất là gọn gàng và ngăn nắp.

Trần Thanh Thanh cũng đã hoàn toàn nắm quyền khống chế căn cứ SeeDs trong tay, và còn được cấp trên mạnh mẽ ủng hộ nữa. Cấp trên rất hài lòng với những chuyện mà cô xử lý gần đây.

Đối với việc này, Lã Thiên Hành cảm thấy rất vui mừng.

Tuy rằng cháu gái không làm theo ý của ông, nhưng mà hiệu quả cuối cùng lại không tưởng nổi. Trong lòng ông cũng rõ ràng thế lực của Phương Hạo Vân lớn bao nhiêu.

Bảo trì quan hệ hợp tác chiến lược với Phương Hạo Vân, đây là một lựa chọn sáng suốt nhất.

Còn Long Hi Phượng, từ sau khi mất đi tất cả công lực, mỗi ngày đều buồn bực không vui. Thậm chí là còn vài lần tự sát nữa chứ. Tất cả đều được Mộc Nguyệt Dung cứu cả. Và cuối cùng, trong tình huống bất đắc dĩ, Mộc Nguyệt Dung đành phải giam lỏng bà ta lại.

Đối với chuyện này, thái độ của Phương Hạo Vân chính là hy vọng Mộc Nguyệt Dung có thể làm cho Long Hi Phượng có niềm tin trong cuộc sống, và làm tốt quan hệ của hai người. Nam Cung thế gia, cái phân đường này, từ nay về sau sẽ do hai người phụ trách. Còn Phương Hạo Vân khi nào có thời gian thì sẽ đến thị sát, thuận tiện gia tăng sự quan tâm và an ủi lên.

Dưới lời mời nhiệt tình của Trần Thanh Thanh, Hà Thanh đã trở về SeeDs lại, có điều lần này cô ta không còn làm lính gì cả nữa. Chỉ phụ trách với Trần Thanh Thanh mà thôi, xử lý những việc có liên quan giữa gia tộc thủ hộ và căn cứ SeeDs.

Biểu hiện của Kim Gia tại Luân Đôn một lần nữa đạt được sự tin tưởng của mọi người, Phương Hạo Vân tự mình ra lệnh khôi phục lại tất cả công tác quan hệ của ông ta. Còn Kim Phi vẫn là nữ nô của Phương Hạo Vân như trước, chỉ là bây giờ Phương Hạo Vân càng yêu thương cô ta hơn mà thôi.

Dưới sự kiên trì của Phương Hạo Vân, Nguyệt Như cũng chấp nhận đến Hoa Hải chờ sinh, căn cứ theo hiệp nghị mà Long Đầu ký kết với Phương Hạo Vân, thì đứa con đầu tiên của Nguyệt Như sau khi sinh sẽ kế thừa Thiên Đạo.

Mà trong kế hoạch của Phương Hạo Vân thì, Thiên Đạo sau này cũng sẽ là một phân đường của gia tộc thủ hộ.

Đinh Tuyết Nhu và Vương Hà trở về làm chủ tịch và tổng giám đốc của công ty giải trí Đằng Phi. Tiếp tục kinh doanh phần công việc yêu thích của hai người. Đồng thời, Đinh Tuyết Nhu còn tỏ vẻ muốn mang thai đứa nhỏ của Phương Hạo Vân. Còn Vương Hà thì vẫn cứ không nóng không lạnh gì với Phương Hạo Vân cả, nhưng trong con mắt thường xuyên xuất hiện ý ghen tuông.

Tất cả mọi việc bây giờ đều đang diễn ra theo kế hoạch của Phương Hạo Vân cả.

Tương lai không lâu sau, vương quốc kinh doanh mà hắn kỳ vọng sẽ hoàn toàn quật khởi.

Trong khoảng thời gian gần đây, tâm tình của Phương Tuyết Di khá là buồn bực, bởi vì tất cả những người phụ nữ của Phương Hạo Vân đều đã thành vợ thành chồng hết rồi, hơn nữa còn mang thai này nọ nữa chứ.

Chỉ riêng có một mình cô là vẫn còn trong sạch với Phương Hạo Vân mà thôi.

Chuyện như vậy, đối với cô mà nói, chưa chắc đã là chuyện may mắn.

Có điều, Phương Tuyết Di cũng không còn tâm tình để tính toán mấy chuyện này cả, bởi vì công trình kiến thiết thứ ba của vịnh Kim Thủy cũng đã khởi công rồi, tập đoàn Thịnh Hâm gần đây đang phải toàn lực ứng phó với việc này.

Làm người đứng đầu của cái hạng mục quan trọng này, sự bận rộn của Phương Tuyết Di đương nhiên không cần phải suy nghĩ.

Lúc cơm chiều, Phương Tuyết Di tự mình làm một tô mì gói ăn liền, ăn qua loa vài đũa xong, cô lại tiếp tục bận rộn công việc. Đến buổi tối chín giờ, Phương Tuyết Di mới thật sự không chịu được nữa, nằm lên ghế sofa mà nghỉ ngơi một chút.

Nhìn thấy Phương Tuyết Di mệt nhọc như vậy, Trác Nhã cũng không đành lòng, liền gọi điện thoại cho Phương Hạo Vân, đem tình huống của Phương Tuyết Di kể lại cho Phương Hạo Vân biết.

Sau khi nhận được điện thoại, Phương Hạo Vân vội vàng chạy lại đây.

Khi hắn đẩy cửa phòng đi vào, thì Phương Tuyết Di cũng mơ màng tỉnh lại, và Phương Hạo Vân liền đi qua ôm lấy cả người của cô, đem cô đặt lên trên giường.

Phương Tuyết Di vẫn còn đang ngái ngủ, ngượng ngùng nói: "Hạo Vân, anh đến khi nào vậy, sao không nói sớm…"

Phương Hạo Vân khẽ cười một tiếng, nói: "Không có việc gì đâu, em cứ ngủ tiếp đi, còn sớm mà. Anh sẽ làm chút đồ ăn cho em, đừng có ăn mì gói nữa, cái đó không có chất dinh dưỡng đâu…"

"Dạ…"

Cảm nhận được sự quan tâm của Phương Hạo Vân, trong lòng Phương Tuyết Di liền thấy ngọt ngào.

Khoảng mười phút asu, Bạch Quý tự mình mang đến một bữa tối hoành tráng, sau khi Phương Hạo Vân mở những túi đóng gói ra, đặt đồ ăn lên trên bàn trước mặt của Phương Tuyết Di, nói: "Anh đút em ăn…"

Phương Tuyết Di nhìn Phương Hạo Vân một cái, ánh mắt nhu thuận đến mê người cùng với cái miệng nhỏ nhắn hồng hào khẽ mở ra, và bầu không khí xung quanh lập tức bao phủ trọng sự ngọt ngào ấm áp.

Nửa tiếng sau, Phương Tuyết Di đã ăn gần hết đồ ăn trên bàn rồi.

Sau khi duỗi lưng một cái, Phương Tuyết Di liền đứng dậy đi vào toilet rửa mặt.

"Tuyết Di, sao em lại làm việc cực nhọc như vậy…Có chuyện gì thì em cứ nói với anh một tiếng, bây giờ anh là một người cực kỳ rãnh rỗi, anh sẽ đến giúp em…Anh ôm em đi ngủ nha. Tối nay anh không cho em thức đêm nữa đâu…"

Nói xong, Phương Hạo Vân liền ôm lấy Phương Tuyết Di đi lên giường.

"Hạo Vân, đừng đi!" Ngay khi Phương Hạo Vân sắp buông tay ra, Phương Tuyết Di liền ôm lấy cả người hắn, nói: "Đừng đi…"

Phương Hạo Vân nghe thấy thế, cười hắc hắc, sau đó lập tức ôm lấy Phương Tuyết Di mà nằm xuống, bàn tay to cũng bắt đầu xoa nắn cặp mông của cô…"

"Hạo Vân, anh gấp quá à, giày của người ta còn chưa cởi nữa…" Không biết là do ai gấp nữa, nói tóm lại rằng, lúc Phương Tuyết Di bị ôm lên trên giường, giày còn chưa cởi ra, thế thôi.

Phương Tuyết Di nhắm mắt lại, tình cảm và sự thương nhớ trong lòng chậm rãi phát tiết ra.

Phương Hạo Vân vội vàng nghiêng người giúp cởi giày cho cô, đưa mắt nhìn nhìn bộ váy công sở màu vàng của cô, cái đùi thon dài mà xinh đẹp lập tức khiến cho hắn nuốt nước miếng ừng ực.

Sau khi cởi giày xong, bàn tay của hắn liền đặt lên đùi của Phương Tuyết Di.

"Tuyết Di, anh không nhịn được…" Phương Hạo Vân nói như hấp dẫn; "Anh muốn em…"

"Em cho anh…"

Phương Tuyết Di dùng hết dũng khí để nói "Hạo Vân, nhịn không được thì đừng nhịn, em cho anh, cái gì cũng cho anh…Em nguyện ý dùng tất cả của em để cho anh…"

Nói xong, Phương Tuyết Di lớn mật cởi quần áo trên người của mình ra, bộ đồ lót màu tím của cô hiện ra ngay trước mắt Phương Hạo Vân, khiến cho hắn cảm thấy trong lòng ngứa ngáy.

Nhìn thấy ánh mắt của Phương Hạo Vân cứ nhìn chằm chằm mình không chuyển, Phương Tuyết Di ngượng ngùng cúi đầu nói: "Hạo Vân…đừng có nhìn chằm chằm người ta như vậy mà…"

"Hắc hắc…" Phương Hạo Vân cúi đầu xuống hôn lên những đường cong tuyệt mỹ của Phương Tuyết Di, cuối cùng dừng lại ở con mắt ướt át của cô, cười nói: "Tuyết Di, từ hôm nay trở đi, em là người của anh…"

"Dạ…"

Phương Tuyết Di ngẩng đầu lên nhìn Phương Hạo Vân, sắc mặt hơi thẹn thùng, nói: "Hạo Vân…em hơi sợ…"

Lần đầu tiên đối với con gái mà nói, mặc kệ là thể xác hay là tiinh thần đều có chút lo lắng, Phương Tuyết Di cũng không ngoại lệ.

"Sợ à…" Phương Hạo Vân suy nghĩ một chút, rồi rút bàn tay đang nằm dưới váy của Phương Tuyết Di ra. Lúc bàn tay ấy rời khỏi đùi của cô, trong lòng Phương Tuyết Di đột nhiên cảm thấy vô cùng mất mác, phương tâm kinh hoàng không thôi, cô thậm chí là cảm thấy rằng, giữa hai chân của mình đã xuất hiện một sự ướt át, một cảm giác trống rỗng.

Phương Hạo Vân có thể cảm ứng rõ ràng sự hồi hộp của Phương Tuyết Di, hắn âm thầm bật cười, với kinh nghiệm của hắn, Phương Tuyết Di sợ rằng đã sớm động tình rồi.

Chỉ là sự rụt rè của con gái làm cho cô cứ ỡm ờ như vậy đấy.

"Đừng…đừng rút tay ra mà…" Phương Tuyết Di ngẩng đầu lên, thẹn thùng nói: "Hạo Vân, em thích cảm giác anh vuốt ve em…"

"Tốt!"

Nhận được tín hiệu của Phương Tuyết Di, bàn tay to của Phương Hạo Vân lại xâm nhập vào giữa hai chân của cô, hơn nữa còn dùng tốc độ như tia chớp, xâm nhập vào chổ riêng tư của cô nữa. Phương Tuyết Di muốn ngăn lại, nhưng cũng đã không còn kịp nữa rồi, bởi vì ở dưới thân của cô bay giờ đã ướt sũng. Giờ phút này, ngón tay của Phương Hạo Vân mấy máy muốn đột kích, một khoái cảm không ngừng xâm nhập vào trong não của cô cùng nội tâm của cô. Sự rụt rè và ngượng ngùng của cô bị cảm giác lửa nóng ấy chậm rãi hòa tan.

"Chậm một chút…em sợ…" Trong lòng Phương Tuyết Di hơi mâu thuẫn, cùng lúc, cô muốn hưởng thụ sự âu yếm này, nhưng mà về phương diện khác, cô lại không dám cởi mở như thế. Có điều âm thanh run rẩy của cô đã không có che giấu nữa, ngoài ra, thân thể cũng không tỏ ra kháng cự một chút nào cả.

Phương Tuyết Di giống như một thiếu nữ đôi mươi vậy, xấu hổ không chịu được. Trong lòng có một sự kích động vô cùng khiến cho ánh mắt của cô trở nên mê ly hơn.

Dừng lại một chút, Phương Hạo Vân hỏi: "Tuyết Di, nói cho anh biết, lần đầu tiên ảo tưởng về anh là khi nào?"

Lời này vừa nói ra, màu đỏ trên khuôn mặt của Phương Tuyết Di lập tức lan đến tận cổ.

"Khi nào vậy? Nói cho anh biết đi…" Phương Hạo Vân cố ý hỏi tiếp.

Phương Tuyết Di hận không có một cái lổ để mà chui vào, nhìn thấy Phương Hạo Vân cứ không ngừng truy vấn, cô đành phải há môi ra hôn lên miệng của Phương Hạo Vân, để tránh cho hắn nói chuyện.

Trong lòng Phương Hạo Vân vui vẻ, lập tức bắt đầu kích hôn. Đầu lưỡi của hắn linh hoạt chui vào trong miệng của Phương Tuyết Di, bắt lấy cái lưỡi thơm của cô, không ngừng mút vào. Không lâu sau đã hòa tan sự rụt rè của Phương Tuyết Di. Không tự giác, Phương Tuyết Di cũng đã ôm lấy Phương Hạo Vân, chủ động mấy máy cái môi để đáp lại sự nhiệt tình của hắn.

Khoái cảm như điện giật không ngừng đánh sâu vào trong lòng của Phương Tuyết Di, áp lực thương nhớ từ lâu chậm rãi được kích hoạt, tràn ra một cách mãnh liệt như một cơn lũ, không ngừng tiến vào trong nội tâm của cô một cách dũng mãnh. Dần dần, lý trí của cô, thẹn thùng của cô, rụt rè của cô cũng bị bao phủ.

"Tuyết Di, anh muốn cho em biết làm đàn bà có bao nhiêu hạnh phúc, anh sẽ cho em niềm vui sướng…" Khi miệng của Phương Hạo Vân vừa rời khỏi môi của Phương Tuyết Di, chậm rãi đi đến vành tai trong suốt của cô thì thào tự nói. Đồng thời, bàn tay to cũng đặt lên trên ngực sữa của cô mà bắt đầu xoa nắn mạnh mẽ.

Thân thể mềm mại của Phương Tuyết Di khẽ vặn vẹo, xấu hổ giận dữ nói: "Nhẹ một chút đi…"

Phương Hạo Vân làm sao mà nghe lời của Phương Tuyết Di, hơn nữa lời nói của cô chưa chắc đã là thật, đàn bà vào lúc này, theo tình hình chung cho thấy, đều luôn không nói thật. Trừ phi là thật sự không muốn mà thôi. Phương Hạo Vân cũng không quan tâm, xé rách đồ lót của cô ra, tay còn lại thì mò xuống vùng đất bí ẩn nhưng ẩm ướt kia.

"Đừng, đừng có sờ chổ đó…" Thân mình của Phương Tuyết Di rung lên mạnh mẽ, kẹp hai đùi lại theo bản năng, ý muốn ngăn cản động tác của Phương Hạo Vân.

"Tuyết Di, thật ra trong lòng em rất muốn…đúng không?" Phương Hạo Vân phà một hơi nóng vào trong lổ tai của Phương Tuyết Di, thừa dịp cái mông đẹp của cô vặn vẹo, đưa ngón tay đi vào trong.

Sau đó, hắn rút ngón tay ướt sũng ra, đưa đến trước mặt của Phương Tuyết Di, ngoắc ngoắc: "Tuyết Di, em xem nè, em đã ướt thế này rồi…"

Phương Tuyết Di thẹn thùng ừ nhẹ một tiếng, mặt ngọc đỏ ửng vùi vào trong ngực của Phương Hạo Vân, thẹn thùng vô hạn. Đôi tay nhỏ cũng chậm rãi vô thức sờ xuống giữa hai chân của Phương Hạo Vân. Và tiểu Hạo Vân bị cô sờ lấy, lập tức hưng phấn không thôi. tay cũng xoa nắn bộ ngực sữa của cô mạnh mẽ hơn, dùng nhiều kỹ xảo để khiêu khích hơn.

Thân mình của Phương Tuyết Di run rẩy liên tục, bên tai thì bị Phương Hạo Vân khiêu khích, cả người mềm nhũn ra như một đóa hoa vậy, toàn thân vô lực, nói: "Hạo Vân…em đã sớm muốn anh rồi…từ rất sớm, rất sớm, em đã muốn ngủ với anh rồi…" Cô thẹn thùng nói ra tâm sự của mình.

Lời này vừa nói ra, lửa dục trong lòng của Phương Hạo Vân lập tức thành mặt trời ban trưa, kéo hẳn cái quần lót của cô xuống luôn, để cho thân thể hoàn mỹ như ngọc của cô hiện ra trước mắt hắn.

Lấy một ngón tay, Phương Hạo Vân cố ý di di cái chất lỏng sệt sệt ấy lên người của Phương Tuyết Di, nói: "Nhìn xem, đã thành như vậy rồi…Tuyết Di, trong lòng em nhất định là rất muốn phải không?"

"Nào, để cho anh nhìn chổ đó một chút đi…" Phương Hạo Vân tách hai chân của Phương Tuyết Di ra, và ánh mắt lập tức nhìn chằm chằm vào nơi đó.

"Không…không được nhìn chổ đó…" Phương Tuyết Di hô lên một tiếng, nhắm chặt hai mắt lại, lông mi thật dài của cô hơi run rẩy, mặt đỏ như một quả táo chín vậy, thậm chí là còn lan đến tai và cổ nữa.

Phương Hạo Vân cẩn thận thưởng thức vẻ đẹp trên người của cô, và máu dâm trong người không ngừng sôi trào.

"Tuyết Di, anh biết em đang suy nghĩ cái gì…đoạn phim của em, anh cũng đã xem qua rồi…" Nói xong, hắn liền cúi đầu xuống hôn lên chổ riêng tư của cô, tham lam liếm lấy nó.

Thân mình của Phương Tuyết Di run lên như bị điện giật, cả người đột nhiên căng cứng, cái cảm giác kích thích như vậy, làm cho trong lòng cô hưng phấn không nói nên lời, cảm thấy rằng vô cùng kích thích. Trong miệng trừ những tiếng rên rĩ ra, đều là những câu nói không thành tiếng, hai mắt của cô mê ly, mặt đỏ bừng như say, thở hổn hển đáng yêu nói: "Hạo Vân…đừng mà…"

Lời tuy là nói vậy, nhưng trong lòng cô lại vô cùng sung sướng, cô thậm chí là nhớ đến những cảnh trong phim kia.

Nói thật nhé, tình cảnh như vậy, cô đã ảo tưởng trong mơ không biết là bao nhiêu lần rồi.

Nhưng hôm nay, nó đã thành sự thật rồi.

Cô cảm thấy rằng mình đang nằm mơ.

Phương Hạo Vân ngẩng đầu lên nói: "Thơm quá…"

Nghe thấy Phương Hạo Vân nói vậy, trong lòng Phương Tuyết Di ngọt ngào, cố nén sự run rẩy trong lòng, cắn răng nói: "Hạo Vân, anh chậ rãi một chút nha…"

"He he…"

Phương Hạo Vân ngẩng đầu lên cười nói: "Đợi lát nữa em lại kêu nhanh cho mà coi…"

Quả nhiên, chỉ một lát sau, Phương Tuyết Di đã không thể kìm chế được nữa, môi anh đào khẽ mở, thẹn thùng kêu thành tiếng: "Mau lên một chút…"

Phương Hạo Vân biết thời cơ đã thành thục, liền dừng lại trên người của Phương Tuyết Di, tách hai chân của cô ra, đẩy eo nhẹ một cái, từ từ tiến vào trong cơ thể của Phương Tuyết Di. Phần thân dưới của Phương Tuyết Di bây giờ đã ướt át lắm rồi, tuy rằng khá hẹp, nhưng cũng dễ dàng tiến vào. Sau khi toàn bộ đã đi vào trong rồi, Phương Hạo Vân lập tức cảm thấy tiểu Hạo Vân của mình bị một cảm giác mềm mại nóng bỏng bao lấy.

"Nhẹ một chút…" Khoái cảm trộn lẫn với đau đớn, làm cho Phương Tuyết Di rên rỉ thành tiếng.

Phương Hạo Vân vội vàng thúc giục chân khí nội gia trong cơ thể chảy ra, tiến vào phần dưới của Phương Tuyết Di, giúp cô giảm bớt đau đớn. Chỉ trong nháy mắt, phần dưới của cô đã không còn đau nữa.

Sau khi tất cả đau đớn đã biến mất, cái còn thừa lại chỉ là khoái cảm tột độ.

"Hạo Vân…em rất vui…" Hai tay trắng như tuyết của Phương Tuyết Di quấn quanh cổ của Phương Hạo Vân, cái mông không tự chủ vặn vẹo liên tục. Bắt đầu đón nhận sự đâm sâu vào của hắn.

Nghe thấy tiếng rên rỉ kiều mỵ vô cùng của Phương Tuyết Di, Phương Hạo Vân hưng phấn vô cùng, tăng mạnh động tác ra vào cơ thể của Phương Tuyết Di, và Phương Tuyết Di bây giờ đã hoàn toàn vứt bỏ sự rụt rè, vui sướng mà rên rỉ.

Không biết qua bao lâu sau, Phương Hạo Vân cảm thấy được trong cơ thể của Phương Tuyết Di truyền đến một dòng khí ấm áp từ bên dưới. thông qua chổ hai người kết hợp, truyền đến toàn thân. Khi dòng khí này đi đến đâu, Phương Hạo Vân liền cảm thấy thoải mái đến đó. Hắn đột nhiên cảm thấy cả người run rẩy kịch liệt, giống như đạt khoái cảm kịch liệt vậy, và ngay sau đó, Phương Hạo Vân và Phương Tuyết Di cùng đạt đến đỉnh cực khoái.

Sau khi mọi chuyện bình tĩnh lại một chút, thật lâu sau, Phương Hạo Vân mới chịu leo xuống người của Phương Tuyết Di.

Khi hắn đưa mắt nhìn về phía Phương Tuyết Di, thì ngạc nhiên phát hiện ra, Phương Tuyết Di dường như đã thay đổi thành một người khác vậy, trên người được bao phủ với tia sáng thánh khiết, hơn nữa, sức sống của cô cũng đã tăng mạnh hơn trước rất nhiều.

"Chẳng lẽ là…" Theo tình huống bây giờ cho thấy, Phương Tuyết Di dường như đã có được một chút công lực truyền thừa rồi.

"Hạo Vân, em còn muốn nữa…" Mặc dù ở dưới có chảy máu, nhưng sự thèm muốn trong người của Phương Tuyết Di đã được kích phát ra, có lẽ là do chịu đựng áp lực từ quá lâu rồi.

"Không thành vấn đề!"

Phương Hạo Vân cười hắc hắc, và lại bắt đầu một vòng chinh phạt mới trên người của Phương Tuyết Di.

Suốt cả đêm, hai người hình như đã chiến đấu với nhau bốn lượt.

Cuối cùng, Phương Tuyết Di rúc vào trong ngực của Phương Hạo Vân, mệt mỏi ngủ đi.

Sáng sớm hôm sau, khi mở mắt tỉnh dậy, Phương Tuyết Di đầu tiên là len lén hôn lên mặt của Phương Hạo Vân, sau đó nâng má ngưng mắt nhìn chằm chằm người đàn ông làm cho tim của cô đập nhanh này.

Phương Tuyết Di khi thì mỉm cười, khi thì nhíu mày, hoàn toàn giống như biểu tình của một cô gái trẻ khi lọt vào cạm bẫy của tình yêu vậy. lặng lẽ xốc chăn lên nhìn, khuôn mặt của Phương Tuyết Di đỏ ửng lên.

Vết máu đỏ tươi trên tấm lót giường đã chứng minh rằng, từ hôm nay trở đi, cô đã hoàn toàn biết thành người phụ nữ của Phương Hạo Vân.

Đây cũng là điều mà cô chờ mong vô cùng.

"Tuyết Di, còn muốn sao em?" Đúng lúc này, Phương Hạo Vân đột nhiên mở mắt ra hỏi.

Phương Tuyết Di đỏ mặt nói: "Anh muốn làm em chết hả?"

Dừng lại một chút, Phương Tuyết Di đột nhiên hỏi: "Hạo Vân, nói cho em biết, lần đầu tiên anh nghĩ rằng muốn ngủ với em là khi nào…"

"Em lại đây anh sẽ nói cho em nghe…" Phương Hạo Vân có ý muốn làm cho Phương Tuyết Di nằm phủ lên trên người hắn.

Phương Tuyết Di hiểu ý, chậm mình chậm rãi bò qua.

"Tuyết Di…anh rất mê em…" Bàn tay của Phương Hạo Vân tùy ý chạy lên trước ngực của Phương Tuyết Di, tay còn lại thì không chút an phận, mò xuống khoảng bóng lưỡng giữa hai chân của cô mà vuốt ve.

"Là mê cơ thể của em sao?" Phương Tuyết Di chuyển đề tài, mỉm cười nói: "Hạo Vân…mấy ngày nay là chu kỳ an toàn của em…nhưng em lại muốn mang thai cơ…"

"Ý của em là chúng ta phải tiếp tục làm sao…cho đến khi nào em mang thai mới thôi à?" Phương Hạo Vân hôn lên hai má của Phương Tuyết Di, cười hỏi.

"Nghĩ thật đẹp…" Phương Tuyết Di bò thân mình dậy, nói: "Người ta gần đây rất bận rộn công việc, mới không thể mỗi ngày làm được…" Nói xong, cô đứng dậy tìm quần áo mặc vào, nói: "Em phải đi làm, anh ngủ thêm một chút nha…"

"Tuyết Di, em phải chịu trách nhiệm đó…" Phương Hạo Vân nói đùa.

"Anh giành lời nói của em…" Phương Tuyết Di liếc nhìn Phương Hạo Vân một cái, rồi xoay người đi ra ngoài.

Vừa mới đi ra phòng khách, cô đã gặp Trác Nhã.

Trác Nhã dường như đã đến sớm, bà đã giúp Phương Tuyết Di xử lý một số văn kiện rồi.

"Tuyết Di, mẹ chúc phúc cho con…" Trác Nhã hình như cũng biết chuyện xảy ra tối hôm qua, thản nhiên cười nói một câu.

"Cảm ơn mẹ…" Phương Tuyết Di vừa bước chân làm thiếu phụ ngày đầu, đã mất đi vài phần ngượng ngùng, tăng thêm vài phần quyến rũ và thành thục.

"Con gái, mẹ rốt cục đã có thể yên tâm rồi…" Trác Nhã cười nói.

"Mẹ, con nghĩ mẹ hẳn là…"

"Không cần nói nữa!"

Trác Nhã chặn lời của Phương Tuyết Di, nói: "Mẹ biết tâm tư của con, mẹ cũng biết con muốn nói gì…Con gái, mẹ là người trưởng thành, chuyện của mẹ tự mẹ sẽ xử lý. Con yên tâm đi, mẹ cũng đã suy nghĩ tốt rồi. Cả đời này, vô luận thế nào, mẹ cũng sẽ không tái giá đâu, mẹ sẽ thủ cho ba con cả đời…"

"Nhưng mà mẹ…" Phương Tuyết Di dường như vẫn không muốn từ bỏ.

"Không cần nói cái gì nữa…"

Trác Nhã nói: "Hôn nhân chưa chắc là tất cả đối với người phụ nữ. Đã không còn đàn ông, mẹ vẫn có thể tiếp tục sự nghiệp như trước. Từ hôm nay trở đi, mẹ sẽ đem hết sức lực của mình vào trong công việc…"

"Mẹ…" Phương Tuyết Di thở nhẹ một tiếng, nhưng cuối cùng vẫn không nói gì. Trác Nhã là dạng người gì, trong lòng cô cũng rất rõ ràng.

Có điều như vậy cũng tốt, đàn bà cũng nên có một cái gì đó thuộc về mình.

Sự nghiệp cũng là một lựa chọn không tồi.

...

Ba tháng sau, một sự kiện khiến cho toàn bộ dân chúng Hoa Hải phải chú ý đến, đó chính là hôn lễ siêu cấp cực lớn cực hoành tráng cực kỳ imba được diễn ra ngay tại quảng trường của vương quốc kinh doanh Đằng Phi do tập đoàn Đằng Phi xây dựng. Toàn bộ người dân Hoa Hải đều cảm thấy vinh quang vì được tham gia sự kiện này.

Bởi vì chủ nhân của buổi lễ kết hôn này chính là chủ tịch của tập đoàn Đằng Phi Phương Hạo Vân, cùng với chủ tịch của công ty địa ốc Đằng Phi Bạch Lăng Kỳ. Danh tiếng của Đằng Phi tại Hoa Hải thì không cần phải nói nữa rồi, mà mỹ danh của Phương Hạo Vân và Bạch Lăng Kỳ thì đã sớm lan xa cả trăm ngàn cây số rồi.

Đương nhiên, ai cũng không biết, cô dâu của hôn lễ này không chỉ có riêng một mình Bạch Lăng Kỳ, mà còn rất nhiều người khác.

Nói tóm lại, sau ngày hôm nay, tất cả những người phụ nữ bên cạnh Phương Hạo Vân đều đã có được danh phận tương ứng. Mà quan hệ giữa các cô ấy đều vô cùng hòa hợp, thân với nhau như chị em ruột vậy.

Đây là chuyện mà người bình thường nằm mơ cũng không tưởng tượng được, nhưng Phương Hạo Vân đã làm được, và hưởng hết phúc của người Tề.

Sự suy yếu của Darkness, đã khiến cho gia tộc thủ hộ lớn mạnh. Vương quốc kinh doanh do Phương Hạo Vân sáng lập cũng đang thành hình, dựa theo chỉ thị của hắn, Bạch An Viễn đã cho tất cả những xí nghiệp chim di trú chạy đến Hàn Quốc.

Tất cả đều được dựa theo kế hoạch của Phương Hạo Vân mà tiến hành, có thể tưởng tượng được, cuộc sống tương lai sau này sẽ tốt đẹp đến mức nào, hạnh phúc đến mức nào…

Trọn bộ
