Đám người A Hổ, Bộ Vân Yên lúc này đã xử lí xong con Hắc Thủy Khuê Ngưu, còn lại xương thịt ba người cũng nướng một ít, lại cất vào bao hành trang rất nhiều. Thịt linh thú Thiên cấp khẳng định là đại bổ siêu cấp nha!

Xương cố cũng đều là cực phẩm để bào chế thuốc!

Tuy nhiên Hắc Thủy Khuê Ngưu quá lớn, bọn họ cũng không có khả năng mang đi hết được. Hơn nữa chỗ giữa hồ phát sinh hàng loạt biến hóa khiến ba người có cảm giác không thể tới gần nhìn. Trên mặt Bộ Vân Yên lộ vẻ lo lắng nói:

-Tần Lập sẽ không gặp chuyện không may chứ?

Tuy rằng xưa nay Bộ Vân Yên thích trêu chọc Tần Lập, nhưng trong nội tâm đã sớm đối xử với hắn như là thân đệ đệ của mình, hơn nữa nhận định thiếu niên này sẽ có phát triển, cũng không nghĩ sẽ mất đi một đồng bọn tốt như vậy.

Ánh mắt Lãnh Dao thoáng ngưng trọng, nhìn ra giữa hồ, thần sắc kiên định nói:

-Ta tin tưởng hắn sẽ không gặp chuyện không may! Tuy nhiên, ta nghĩ chúng ta tốt nhất vẫn là lui trở lại trên vách núi. Người đến đây càng ngày càng nhiều, một khi có người phát hiện ra chúng ta, khẳng định chúng ta không giữ được nội đan linh thú Thiên cấp! Truyện "Duy Ngã Độc Tôn " được copy từ diễn đàn Lương Sơn Bạc (LuongSonBac.com)

A Hổ gật đầu, cho rằng Lãnh Dao cùng Bộ Vân Yên nói có đạo lí, vì thể dùng đại đao trong tay, ở trong rừng cây đào một cái hố sâu bảy tám thước, đẩy thi thể Hắc Thủy Khuê Ngưu chôn dưới đó. Sau đó nói:

-Sâu như vậy, thời gian một hai tháng cũng không bị thối rữa. Nếu có cơ hội, chúng ta lại đến lấy mang đi!

Lãnh Dao cùng Bộ Vân Yên cũng đều biết rõ giá trị của Hắc Thủy Khuê Ngưu, nên chỉ yên lặng gật đầu. Bọn họ là thợ săn, đối với con mồi sẽ không nảy sinh lòng thương hại gì. Hơn nữa cũng không phải do bọn họ giết…

————-

Tần Lập chỉ cảm giác được mặt đất hơi nhoáng lên một cái, hắn nhướng nhướng mày lại tiếp tục xem. Hắn đoán không sai, trong phần ghi chép này, đúng là người xây dựng tòa cổ thành hùng vĩ này, là một người kinh thế hãi tục thời thượng cổ.

Theo ghi chép trên đó Tần Lập thấy được rất nhiều chỗ hắn suy nghĩ mãi mà không hiểu. Cũng biết được tòa thành này tồn tại do đâu và nguyên nhân nó bị chìm xuống hồ! Còn có các thứ liên quan tới chiến kĩ Duy Ngã Độc Tôn. Truyện "Duy Ngã Độc Tôn " được copy từ diễn đàn Lương Sơn Bạc (LuongSonBac.com)

Sau khi xem xong, Tần Lập cảm xúc vô cùng, thật lâu không kiềm chế được. Sau đó Tần Lập cung kính cất lại phong thư, đối với vị tiên nhân này, chỉ còn lại một ý niệm trong đầu: quá cường đại!

Ngay sau đó Tần Lập lại có cảm giác dở khóc dở cười: một quyển chiến kĩ Cửu Thiên Thập Địa Duy Ngã Độc Tôn, không ngờ lại là tính kế đùa bỡn với toàn bộ người trong thiên hạ!

Đồng thời, Tần Lập cũng vì mối si tình của vị đại tài thượng cổ này mà…cảm động không thôi.

"Lực khuynh đảo thiên hạ, cũng không đổi được nàng trở về, đời sống này còn có ý nghĩa gì nữa? Tòa thành này, là vì nàng mà lập nên! Nàng đã mất đi, vậy để cho nó chôn theo cùng nàng đi!"

Đây là mấy dòng trong bản ghi chép. Chuẩn xác mà nói là trên nhật kí, là câu đầu tiên của khúc dạo đầu!

Tiểu Mùi

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

85. Chương 85: Ô Quận Vương

Thần nhân, thật sự là thần nhân mà!

Tần Lập ngồi ở đó, tâm tình thật lâu không bình phục lại được.

Người này tên gọi Ô Quận Vương vang danh từ thời thượng cổ, quả thật không phải kẻ trâu bình thường, mà là một kẻ trâu siêu cấp!

Trước không nói võ đạo của hắn đã đạt đến cảnh giới thế nào, chỉ nói tới lĩnh vực người này am hiểu, trình độ tinh thông, nói ra liền có thể dọa ngã lăn một đám người!

Đầu tiên, Ô Quận Vương là một võ giả Phá Thiên cảnh, cho đến lúc nhắm mắt buông tay thì đã sống hơn chín trăm tám mươi tuổi! Quyển bút ký này cũng là ông ấy viết lại lúc tuổi già, miêu tả một thời huy hoàng của bản thân cùng nỗi cô đơn khi về già. Lúc viết những thứ này, Ô Quận Vương đã hơn chín trăm sáu mươi tuổi rồi.

Phá Thiên cảnh!

Lúc Tần Lập nhìn đến đây thì máu nóng sôi trào, trong lúc mình còn nỗ lực tu luyện, đặt mục tiêu đạt đến cảnh giới võ giả Thiên cấp, lại có người sống gần ngàn năm!

Hơn nữa, đến cuối cùng ông ấy chết đi lại là do quá mức tưởng niệm vong thê, cảm thấy trên đời này không còn một chút thú vui nào, mới tự mình tọa hóa!

Nói cách khác, con người đại tài này nếu như không phải là một kẻ si tình, có thể ông ấy sẽ sống quá ngàn năm!

Thế giới kiếp trước của Tần Lập, có một câu mắng người gọi là "người tốt không trường thọ tai họa sống ngàn năm". Nhưng mà nói thật ra thì ai cũng biết, trong lịch sử nhân loại trải qua mấy ngàn năm, có thể sống hơn trăm tuổi lại có bao nhiêu người?

Thiên Nguyên đại lục có linh khí dồi dào, võ đạo thịnh vượng, tuyệt đại đa số võ giả đều có thể sống hơn trăm tuổi. Nếu như có thể đạt đến cảnh giới Thiên cấp, sống hai ba trăm tuổi cũng không phải là mơ mộng!

Điều này đối với Tần Lập mà nói đã là một dụ hoặc rất lớn rồi!

Người: nếu có thể sống, ai lại chịu chết!

Nhưng không nghĩ tới, không ngờ có người tiến vào Phá Thiên cảnh, sống hơn một ngàn năm! Đây là loại trường thọ cỡ nào? Lại là phúc phận cỡ nào?

Tần Lập nhớ tới Thượng Quan Thi Vũ cùng mẫu thân Tần Hàn Nguyệt và Tần Tuyết đi tới Huyền Đảo có nhắc tới, tuyệt đại đa số võ giả trên Thiên Nguyên đại lục sau khi đột phá Thiên cảnh đều sẽ đi đến đó. Đương nhiên ngoại trừ Huyền Đảo ra, còn có mấy nơi thần bí, có người nói đều có cường giả Chí tôn Phá Thiên cảnh.

Hơn nữa, cũng không phải tất cả mọi người sau khi đột phá Thiên cấp, đều sẽ chọn lựa rời khỏi gia tộc.

Có một số gia tộc lịch sử xa xưa mấy ngàn năm, bên trong có truyền thuyết về cường giả Chí tôn Phá Thiên cảnh. Đương nhiên, cái này chỉ là truyền thuyết. Hơn nữa có thể phán đoán, Ô Quận Vương ở Phá Thiên cảnh này, khẳng định đã đạt đến một cảnh giới tương đối cao bằng không cũng không có khả năng sống lâu như vậy. Điểm này từ những chuyện ông ấy viết về vong thê ở phía sau có thể nhìn ra được.

Ngoại trừ một đường võ đạo, Ô Quận Vương còn tinh thông kiến trúc học, có thể xưng là đại tông sư!

Tòa cổ thành Tần Lập đang đứng này, năm đó do chính Ô Quận Vương dùng lực bản thân, mất thời gian hai trăm năm, từng chút từng chút xây dựng lên.

Mà nguyên nhân xây dựng tòa thành này, cũng làm cho người ta cảm thấy chua xót.

Bởi vì ông ấy tịch mịch, bởi vì ông ấy quá mức tưởng nhớ vong thê, tưởng nhớ đến mức không cách nào ngủ được. Bao gồm năm món trang sức công năng kỳ diệu mà Tần Lập tìm được, tất cả đều là tác phẩm do Ô Quận Vương giải tỏa tịch mịch lúc tuổi già mà thôi.

Bày biện ở chỗ đó, đơn giản là tự an ủi bản thân mình, lão nhân có được thực lực siêu quần cực kỳ mạnh mẽ, cũng sẽ có một giấc mộng: bỗng nhiên có một ngày, cánh cửa kia nhẹ nhàng đẩy ra, một nữ nhân mắt ngọc mày ngài khuynh thành tuyệt sắc, giống như một nữ nhân bình thường thích dạo phố, ánh mắt sáng rực nhìn những trang sức châu bảo này, sau đó miệng mở to hét lớn: "Thật là thích!"

Ông ấy biết nàng thích nhất ngọc khí, thích những kim loại từ vẫn thạch hiếm có cổ quái. Cho nên bao gồm cả không gian giới chỉ Tần Lập có được, tất cả đều dùng những tài liệu này chế thành.

Khi xem đến đây, Tần Lập lặng lẽ lấy ra những món trang sức vừa mới cao hứng bừng bừng thu lấy. Những món trang sức này trải qua ngàn năm vạn năm vẫn có ánh sáng lưu chuyển, rực rỡ lóa mắt. Nhưng trong nháy mắt này, Tần Lập lại giống như cảm nhận được trên những món trang sức đó chứa đầy nỗi lòng tưởng nhớ, mang theo tình yêu nồng nàn của Ô Quận Vương với thê tử!

Tần Lập trầm ngâm, kinh ngạc nhìn những món trang sức này, lặng im không nói gì, cẩn thận bỏ vào trong hộp thu trở vào nhẫn trữ vật.

Cái tên Ô Quận Vương rất kỳ dị, nghe giống như là hoàng thân quốc thích. Nhưng trên thực tế ông không có một chút quan hệ nào với hoàng thân quốc thích cả. Hoàng quyền thế tục làm sao có khả năng để cho loại người kinh tài tuyệt diễm này để vào mắt chứ?

Ngoại trừ những thứ này, Ô Quận Vương còn am hiểu nghề đúc, am hiểu luyện kim, luyện đan, huyễn thuật… Theo lời ông ấy nói một đường thẳng từ cửa vào cổ thành, mỗi gian phòng đều bị ông ấy bày huyễn thuật!

Mà chỉ có người tu luyện chiến kỹ Cửu Thiên Thập Địa Duy Ngã Độc Tôn mới không bị bất cứ ảnh hưởng gì!

Ông ấy nói tu luyện, là chỉ võ giả sẽ không niết bàn!

Lúc Tần Lập xem đến đây, chỉ có một phản ứng: đó chính là sau lưng toát đầy mồ hôi lạnh!

Thật đúng là toàn mồ hôi lạnh, bởi vì Ô Quận Vương lấy ngữ khí trào phùng viết: Vì sao tên của chiến kỹ này lại là Cửu Thiên Thập Địa Duy Ngã Độc Tôn? Nguyên nhân rất đơn giản, trên đời này võ giả thích hợp tu luyện nó, cho dù ở thời đại nào đều tuyệt không vượt quá ba người! Còn nếu muốn tu luyện đến cảnh giới nhất định, phải có rất nhiều loại nhân tố: chẳng hạn như cường độ thân thể, như tâm pháp tu luyện nguyên lực, đều phải có yêu cầu cực cao!

Nói tới mặt tâm pháp nguyên lực này, nếu là tu luyện thiên địa linh khí khẳng định sẽ không được, phải là tu luyện thiên địa linh khí tinh hoa mới có thể!

Bằng không dựa vào cái gì, mà dám xưng bằng cái tên này?

Tỷ lệ này là một phần trăm triệu? Hay là một phần tỷ? Hay là một phần mười tỷ?

Trong lòng Tần Lập kinh hãi không thôi, đồng thời lại cảm thấy vô cùng may mắn. Nếu hắn không có được Tiên Thiên Tử Khí Quyết, nếu không có phương pháp luyện thể lọt ra từ Huyền Đảo, sợ rằng hiện giờ dù có đi vào di tích thượng cổ này cũng chỉ có thể trơ mắt chờ niết bàn, chờ đợi cái chết đến!

Bởi vì theo Ô Quận Vương nói, trên đời này căn bản là không có cái gì phương thuốc Thiên Huyền đan cả, thứ đó chẳng qua là ông ấy quá buồn chán lấy ra lừa bịp thế nhân mà thôi. Ông ấy chỉ muốn nhìn xem, sau khi ông ấy chết mấy trăm năm, ngàn năm thậm chí vạn năm, thì sau khi bản chiến kỹ bị đặt ở chỗ rõ ràng nhất nơi ra vào cổ thành lại hiện thế, sẽ dẫn phát một trận phong ba cỡ nào.

Xem đến đó, Tần Lập cũng chỉ có thể nói một câu: Lão gia này, ngài thật sự là một đại ma vương mà!

Ông ấy tinh thông thư pháp, có thể xưng là bậc thầy; tinh thông văn học, có thể xưng là đại văn hào! Tinh thông thiên văn địa lý, thiết kế ra tòa cổ thành này, là đủ để thấy được trí tuệ của ông ta; tinh thông các loại tạp học, cơ quan học… Thậm chí cả làm vườn trồng trọt… dùng sở học cả đời đặt trên thiết kế tòa cổ thành này, nếu như tòa cổ thành này hoàn toàn hiện ra khỏi mặt nước, sẽ oanh động toàn bộ đại lục!

Thậm chí sẽ sửa đổi rất nhiều lịch sử Thiên Nguyên đại lục!

Đồng thời, ông ấy cũng là một kẻ si tình. Ông ấy dùng đủ thiên tài địa bảo luyện chế các loại linh đan diệu dược, cũng không thể lưu lại được sinh mệnh của nàng. Thê tử của ông ấy vốn chỉ có một chút thiên tư, lại bị ông ấy dùng đan dược mạnh mẽ nâng cao đến Phá Thiên cảnh!

Chỉ tiếc rằng, vẫn đi sớm hơn ông ấy mấy trăm năm.

Đến cuối cùng, kẻ siêu cấp toàn năng có thể xưng là đệ nhất nhân đương đại, buông tha truy đuổi Thiên đạo, buông bỏ cơ hội tìm kiếm trường sinh bất tử. Khi nỗi tưởng nhớ đạt đến đỉnh điểm, ông ấy đã phát điên, điên cuồng công kích toàn sơn cốc này. Một sơn cốc khổng lồ, bị ông cường ngạnh đánh ra hơn một ngàn con suối, sau đó nhìn những con suối này, từng chút một nhấn chìm tòa cổ thành do tự tay mình xây dựng!

Chẳng qua vì không muốn thân thể của mình và thê tử bị nước nhấn chìm, liền tạo ra một trận pháp năng lượng tuần hoàn khổng lồ. Cứ mỗi mười lăm năm, mực nước hồ Phượng Hoàng sẽ giảm xuống một nấc lớn, để cho trận năng lượng hấp thu thiên địa linh khí. Mà mỗi lần hấp thu, cũng là thời gian mười lăm ngày!

Như vậy lặp lại, tuần hoàn không đứt!

Ở nơi rừng núi hoang dã này, thời gian mười lăm ngày sẽ qua đi rất nhanh, rất ít có người chú ý đến loại biến hóa này. Hơn nữa lão già này cũng giống như một ác ma, đặt ở ngay cửa thành một quyển chiến kỹ do ông ấy dùng tinh lực suốt đời sáng tạo nên, bên trên chiến kỹ ông đã viết rất rõ ràng: cố luyện tuyệt học, sẽ tổn thương linh hồn.

Nhưng sau đó lại cho một đường hy vọng, lấy được phương thuốc Thiên Huyền đan thì sẽ không rơi vào niết bàn. Trên thực tế, đừng nói căn bản là không có phương thuốc Thiên Huyền đan, dù là ông ấy có thể luyện chế ra loại đan dược này, thì cũng sẽ không lưu lại cho hậu nhân! Lấy đầu óc của ông ta, lẽ nào không nghĩ ra một khi bản chiến kỹ này không có chỗ thiếu hụt, sẽ có ý nghĩa gì với cả đại lục?

Cho nên, đây chỉ là một trò đùa ác của một lão đầu thiên tài kinh hoa tuyệt diễm ở trong lúc buồn chán nhất, không hơn gì khác.

Đến cuối bản chép tay, có viết một đoạn: nếu như ngươi có thể đi tới đây, còn có tâm tình xem xong những lời lảm nhảm buồn chán của lão già như ta, như vậy chúc mừng ngươi, ngươi chính là đồ đệ cách đời của ta! Ở trong góc phòng sách này, đẩy chiếc bàn kia ra sẽ có một căn phòng ẩn. Bên trong phòng ẩn có linh vị của ta và vong thê, nếu ngươi có tâm thì bái tế một chút, coi như là an ủi lão đầu cơ khổ ta ở trên trời có linh là được. Nếu như không muốn cũng thôi đi, người chết mọi chuyện cũng bỏ, cũng không có tính toán gì khác. Phía trước còn có một tiệm vũ khí, bên trong còn một số vũ khí, trừ cái đó ra thì còn một gian phòng chứa lượng lớn linh thạch cùng thiên tài địa bảo, đều tặng cho người có duyên.

Tần Lập không chút do dự, mặc kệ nói thế nào thì cũng nhận được nhiều chỗ tốt của người ta, đi bái tế cũng không có gì quá đáng.

Rất dễ dàng mở ra phòng ẩn kia, quả nhiên bên trong là một căn phòng, có một chiếc đèn chiếu sáng mờ nhạt nhưng không u tối. Trên bức tường đối diện cửa, có treo một bức tranh, bên trên vẽ một nam một nữ.

Nam trẻ tuổi anh tuấn, mày kiếm mắt sáng; nữ khuynh thành tuyệt sắc, phong thái như tiên. Dù cho ai nhìn thấy, cũng sẽ không nhịn được tán thưởng một tiếng: đúng là một đôi thần tiên quyến lữ!

Phía dưới bức tranh bày một chiếc bàn, bên trên đặt linh vị của hai người, một cái viết: Bài vị Ái thê Tiểu Long Nữ; cái còn lại viết: Bài vị Ô Quận Vương.

Trên mặt đất bày sẵn một bồ đoàn sạch sẽ, Tần Lập nghiêm túc quỳ trên bồ đoàn nói:

- Sư phụ sư mẫu trên cao, xin nhận Tần Lập ba lạy!

Cung kính dập đầu lạy ba cái, Tần Lập mới đứng dậy. Lúc này trong lòng hắn đối với vị sư phụ cách đời chưa từng gặp mặt này, giống như bỗng nhiên sinh ra một tia cảm tình huyết mạch tương liên. Đối với tịch mịch cô độc lúc ông tuổi già, có một loại cảm giác như tự thân trải qua!

Lúc này, trong phòng tối bỗng nhiên truyền đến một trận rung động rất nhỏ, trên vách tường ngay bên trái Tần Lập, không chút tiếng động mở ra một cánh cửa ngầm!

Trong lòng Thiển Thuỷ Thanh điên cuồng hét lên như vậy.

Đế quốc thiên phong

77. Chương 19: Trở Về

Bắc Môn quan.

Xa xa cuối chân trời, một cánh quân thân khoác khôi giáp đang ào ạt tiến tới như dòng nước lũ.

Đi đầu là một đội kỵ binh dạt dào chiến ý, dần dần xuất hiện trước mắt mọi người.

Kỵ sĩ dẫn đầu cỡi một con tuấn mã màu trắng bạc, uy phong lẫm lẫm.

Chính là Thiển Thuỷ Thanh dẫn đầu đội kỵ binh.

Phía sau hắn là ba ngàn dũng sĩ hoá thành một cơn hồng thuỷ đang nện những bước chân làm cho địch nhân run sợ.

Sự trở về của Thiển Thuỷ Thanh và Hữu Tự Doanh giống như một liều thuốc trợ tim, tiêm vào người của quân nhân Đế quốc Thiên Phong.

Đối với quân Đế quốc Thiên Phong mà nói, Thiển Thuỷ Thanh chính là một anh hùng giỏi sáng tạo kỳ tích.

Hắn luôn có thể biến những chuyện không có khả năng thành những chuyện có khả năng.

Vị anh hùng này khác với tất cả anh hùng từ trước tới nay ở chỗ là, hắn yêu thương binh sĩ của mình hơn tất cả các vị Tướng quân khác.

Thức ăn của Hữu Tự Doanh có thể nói là thức ăn ngon nhất trong lịch sử chiến tranh, quân lương của Hữu Tự Doanh gấp mười những nơi khác. Chiến tích của Hữu Tự Doanh thì…chưa ra chiến trường nhưng đã có uy danh hiển hách.

Trận đại chiến trên Hồng Thổ cương của Hữu Tự Doanh, bọn họ diệt hơn bốn ngàn tên thổ phỉ, nhưng chỉ tổn thất có hơn ba mươi binh sĩ.

Đây là trận chiến thuộc quy mô trung bình có số thương vong ít nhất mà sử sách ghi lại, có thể nói đã tiến đến khái niệm không có thương vong.

Đồng thời, Hữu Tự Doanh còn có được trang bị vũ khí và khí giới công thành tốt nhất trong toàn Quân đoàn.

Binh sĩ của Hữu Tự Doanh nếu không ra chiến trường, cuộc sống của họ còn thoải mái hơn cả Tướng quân.

Chiến công hiển hách, thương yêu cấp dưới, hai điểm này đã khẳng định địa vị Thiển Thuỷ Thanh trong quân.

Hào quang của quá khứ và hiện tại của hắn làm cho người khác phải kinh ngạc về hắn và khâm phục hắn.

Đương nhiên cũng có một số ít tướng lĩnh không phục, tỏ ra bất mãn, nhưng những chuyện ấy Thiển Thuỷ Thanh đều giải quyết một cách dễ dàng.

Vào đêm của ngày vừa trở về Bắc Môn quan, Thiển Thuỷ Thanh lần lượt bái phỏng tất cả tướng lĩnh các Trấn, Kỳ, thậm chí là các Doanh của Long Nha Quân.

Gần như mỗi một Tướng quân đều nhận được một món quà ra mắt đặc biệt của Thiển Thuỷ Thanh, một bao đầy cái gọi là 'đặc sản địa phương', bên trong đầy vàng bạc châu báu, còn có một tấm ngân phiếu có giá trị rất lớn.

Lúc nên kiêu ngạo thì kiêu ngạo, lúc nên cúi đầu phải cúi đầu. Trở về Bắc Môn quan rồi, không phải một Hữu Tự Doanh nhỏ bé của mình có thể độc bá thiên hạ, thái độ làm người khiêm tốn, đôi khi quan trọng hơn bất cứ cái gì.

Cho nên ngoài Nam Vô Thương và Lý Quy ra, gần như không ai không thích Thiển Thuỷ Thanh. (Mặc dù hai người này cũng nhận được 'đặc sản địa phương' mà Thiển Thuỷ Thanh mang tới.)

Lúc ấy, Nam Vô Thương đã nghĩ đến chuyện tố cáo Thiển Thuỷ Thanh phạm tội hối lộ trái với quân pháp, nhưng sau khi thấy phần hối lộ này các Tướng quân đều có, thậm chí ngay cả Hoàng đế cũng có phần, ai nấy ăn đến đầy bụng mềm môi, cho nên rốt cục chỉ có thể đè nén sự tức tối trong lòng.

Hắn vẫn chưa ngu ngốc đến mức vì một mình Thiển Thuỷ Thanh mà đắc tội với toàn quân.

Trong toàn Quân đoàn Bạo Phong, người duy nhất không nhận được 'đặc sản địa phương' của Thiển Thuỷ Thanh, có lẽ là Liệt Cuồng Diễm.

Thiển Thuỷ Thanh biết rõ đối với Liệt Cuồng Diễm mà nói, không có lễ vật nào có ý nghĩa bằng thành Kinh Viễn.

Mà trước khi hắn đánh hạ thành Kinh Viễn, hắn còn muốn làm một chuyện…

Ngày thứ hai sau khi Thiển Thuỷ Thanh trở lại Bắc Môn quan.

Trên chiến trường thành Kinh Viễn.

Gió Thu mát mẻ thổi phớt qua hai kỵ sĩ đang giục ngựa trên đường, mang đến một ngày trời quang mây tạnh.

Thiển Thuỷ Thanh giục ngựa phía trước, Thác Bạt Khai Sơn phi sau lưng hắn.

- Qua khỏi sườn núi phía trước là tiến vào phạm vi khống chế của thành Kinh Viễn.

Thiển Thuỷ Thanh hét lớn trong tiếng gió vù vù:

- Ta chỉ có thể đưa ngươi đến đây mà thôi, quãng đường còn lại ngươi phải tự mình đi vậy!

Thác Bạt Khai Sơn nhìn Thiển Thuỷ Thanh đầy kinh ngạc:

- Ngươi thả ta đi như vậy à, không sợ các tướng trong Quân bộ xử tội ngươi sao?

Thiển Thuỷ Thanh cao giọng cười to:

- Ta nói với bọn họ rằng, Thác Bạt Khai Sơn đã âm thầm hàng phục ta. Lần này hắn trở về thành Kinh Viễn là để làm nội ứng cho ta, như vậy chuyện ngươi trở về thành Kinh Viễn trở thành chuyện đương nhiên.

- Nếu ta không âm thầm làm nội ứng cho ngươi, vậy ngươi phải làm sao?

- Diệu kế trong thiên hạ không có đạo lý nào mỗi kế đều thành. Thác Bạt Khai Sơn tính tình gian trá, hắn chỉ giả bộ hàng ta, cuối cùng gạt ta quay về với địch, trốn về thành Kinh Viễn. Lòng ta tức giận, nhưng chỉ có thể khóc mà không thể làm gì, ta làm mất đi Đại tướng của địch, chịu đòn nhận tội thì tránh không khỏi, nhưng chưa chắc sẽ phải mất đầu. Nhiều nhất là Quân bộ chỉ phạt ta chút bổng lộc, cho ta lập công chuộc tội mà thôi.

Thiển Thuỷ Thanh cười hì hì đáp:

- Lúc ta mới trở về Bắc Môn quan, ta đã đưa lễ vật trọng hậu tới cho các tướng, bọn họ được lợi như vậy, chắc cũng không đến nỗi đẩy ta vào chỗ chết!

Thác Bạt Khai Sơn ngẩn người ra không biết nên nói như thế nào mới phải.

Thiển Thuỷ Thanh lại nói:

- Chỉ cần ngươi bằng lòng không nói ra bí mật về chiến sĩ Hùng tộc, hiện tại ngươi có thể trở về nhà.

Thác Bạt Khai Sơn thở dài:

- Thiển Thuỷ Thanh, ngươi là người mà ta cảm thấy khó hiểu nhất từ trước tới nay. Tuy rằng ngươi có cánh quân chiến sĩ Hùng tộc, nhưng ngươi lại giấu giấu diếm diếm, hiện giờ toàn bộ Quân đoàn Bạo Phong cũng không biết được sự tồn tại của chiến sĩ Hùng tộc, như vậy có thể biết được ngươi coi trọng chuyện này đến

mức nào. Chuyện quan trọng như vậy, ngươi cũng tin rằng ta có thể giữ bí mật cho ngươi sao? Ngươi cũng biết nếu ta làm mà không nói ra thì đâu có khó khăn gì?

Thiển Thuỷ Thanh cười nhẹ:

- Bởi vì ngươi là Thác Bạt Khai Sơn, cho nên ta tin ngươi!

Một câu nhẹ nhàng như vậy nhưng lại làm cho Thác Bạt Khai Sơn chấn động trong lòng.

Hắn ngây người ra một lúc lâu, rốt cục thở dài một tiếng, không nói lời nào, chỉ giục ngựa chạy thẳng về hướng thành Kinh Viễn.

Bất kể Thiển Thuỷ Thanh đối xử với hắn như thế nào, rốt cục hắn cũng không thể phản lại Đế quốc Chỉ Thuỷ.

Có lẽ kiếp sau, ta sẽ làm thuộc hạ của ngươi! Hắn nghĩ như vậy.

Hắn còn đang thở dài, phía sau lại vang lên tiếng kêu của Thiển Thuỷ Thanh:

- Thác Bạt Tướng quân, xin chờ một chút!

Thác Bạt Khai Sơn dừng ngựa lại, quay đầu thấy Thiển Thuỷ Thanh đang giục ngựa chạy về phía mình.

Thiển Thuỷ Thanh vẻ mặt trịnh trọng lấy ra một chiếc vòng tay bằng sắt nhét vào trong tay Thác Bạt Khai Sơn:

- Suýt nữa thì quên đưa cái này cho ngươi.

Thác Bạt Khai Sơn ngơ ngác nhìn chiếc vòng sắt kia, chỉ thấy nó đen nhánh, không biết là vật gì.

- Chiếc vòng tay bằng sắt này là lúc trước ta đi du lịch khắp các Đế quốc tình cờ gặp được. Nó được làm bằng sắt ròng, nhưng trọng lượng cũng rất nhẹ, ta thấy nó cũng đẹp đẽ nên bỏ tiền ra mua. Trong khoảng thời gian gần đây, ta sống chung với Thác Bạt Tướng quân hai tháng, coi như cũng có chút cảm tình. Lần này ly biệt, có chút lễ vật muốn tặng Tướng quân, nếu như ta tặng vàng bạc châu báu, vậy đã xem thường nhân cách của Tướng quân rồi, nên tặng vòng tay này cho Tướng quân làm kỷ niệm!

Trong lòng Thác Bạt Khai Sơn vô cùng cảm động.

Hắn nhận lấy chiếc vòng sắt đeo vào tay mình, ôm quyền nói:

- Đa tạ!

Nhìn theo bóng dáng của hắn dần xa, ánh mắt Thiển Thuỷ Thanh lộ ra vẻ không cam lòng, hắn khẽ thì thào trong miệng:

'Thác Bạt Khai Sơn, chúc ngươi lên đường bình an!'

Đi theo con đường vận binh về phía trước không bao lâu, liền tới thành Kinh Viễn.

Thác Bạt Khai Sơn một người một ngựa, càng ngày càng tiến gần tới mục tiêu. Nhìn thấy tường thành cao lớn sừng sững ở xa xa, nhìn thấy đám quân thủ vệ đứng thành từng toán từng toán, trong lòng Thác Bạt Khai Sơn kích động không thôi.

Rốt cục đã có thể về nhà.

Từ xa nhìn lại, trên đầu thành Kinh Viễn cờ xí rợp trời, cứ mười bước lại có một trạm canh, phòng ngự vô cùng nghiêm mật.

Là phòng tuyến cuối cùng của Đế quốc Chỉ Thuỷ, việc bố trí phòng thủ thành Kinh Viễn dưới sự lãnh đạo của Bão Phi Tuyết có thể nói là võ trang từng tấc đất.

Dựa vào tường thành cao lớn, quân Đế quốc Chỉ Thuỷ xây dựng những công sự phòng ngự khổng lồ.

Chỉ riêng ở cửa thành đã xây dựng rất nhiều hệ thống phòng ngự như tường hộ thành, Ủng thành để bảo vệ tường thành.

Tường hộ thành là một hệ thống phòng ngự hoàn toàn khác với sông hộ thành.

Bên ngoài thành Kinh Viễn cũng không có sông hộ thành, bản thân thành Kinh Viễn cũng không phải chỉ có một cửa lớn, mà có tới năm cửa.

Lúc xây dựng thành, thành Kinh Viễn không có tác dụng làm một phòng tuyến cuối cùng.

Nó chỉ là một trung tâm để quân Đế quốc Chỉ Thuỷ chỉ huy tấn công quân Đế quốc Thiên Phong, ý nghĩa tấn công của nó nặng hơn là phòng ngự.

Sông hộ thành có thể ngăn được quân địch xung phong, nhưng cũng gây ra trở ngại khi quân mình tấn công. Một khi quân của hai bên đang giằng co, chỉ cần quân địch thấy trong thành hạ cầu treo xuống là lập tức biết trong thành sắp sửa xua quân phản kích, do đó sẽ có sự chuẩn bị sẵn sàng.

Nhưng tường hộ thành thì lại khác.

Nó không chỉ có tác dụng bảo vệ cửa thành khỏi sự tấn công của xe công thành, đồng thời nó còn là một thủ đoạn chiến lược quan trọng để yểm hộ cho việc chuyển đổi từ thủ sang công và ngược lại.

Tường hộ thành cao lớn hoàn toàn che khuất cửa thành, từ bên ngoài căn bản không thể nhìn thấy cửa thành mở hay đóng. Vì vậy, một khi quân thủ cần phải chuyển sang trạng thái tấn công, chỉ cần nấp sau tường hộ thành, quân địch sẽ rất khó mà phát hiện, chuyện này tạo điều kiện tấn công rất tốt cho phe thủ. Bản thân tường hộ thành còn có tháp canh, bên trong chứa được trăm quân thủ, phối hợp phòng thủ với quân thủ vệ trên đầu thành, càng gây khó khăn nhiều hơn cho phe công thành.

Trận đại chiến vào hai tháng trước, sở dĩ Tang Phi Báo có thể suất lĩnh khinh kỵ binh xông ra bất ngờ, đốt cháy khí giới công thành của quân Đế quốc Thiên Phong chính là nhờ vào sự yểm hộ của tường hộ thành. Nếu thành Kinh Viễn dùng hệ thống sông hộ thành để bảo vệ tường thành, vậy sẽ rất khó khi quân thủ muốn tấn công.

Chuyện gì cũng có mặt lợi mặt hại của nó, tuy thành Kinh Viễn có được năng lực tấn công như trên, nhưng nếu chỉ nói đơn thuần về phòng ngự, nó cũng không mạnh hơn Bắc Môn quan bao nhiêu. Nó lại không phải nằm ở một tuyệt địa hiểm trở như Nam Môn quan, cũng không có hệ thống phòng ngự cứng như sắt thép ở Hàn Phong quan, mà là một nơi đặc thù trong thủ có công, trong công có thủ, chuyển đổi thật nhanh mà thôi.

Với một nơi có hệ thống phòng ngự như vậy, làm thế nào để phát huy hiệu quả tấn công, chính là một tiêu chuẩn cực kỳ quan trọng để phán đoán năng lực của Tướng quân chỉ huy quân thủ.

Đồng thời Tần Lập cũng có cảm giác đặc biệt sảng khoái, tuy rằng còn có rất nhiều người hắn không nhìn thấy, nhưng hắn lại biết lúc này đây ở hồ Phượng Hoàng đã hấp dẫn không ít võ giả tới. Hoàng thất thậm chí mạo hiểm phiêu lưu đắc tội võ giả khắp thiên hạ, cản trở tất cả ai dưới Địa cấp ở bên ngoài!

Nhưng có thu hoạch chân chính, cũng là có thu hoạch duy nhất, lại chỉ có một mình Tần Lập!

Loại cảm giác này làm Tần Lập thật muốn ngửa mặt lên trời cười to mấy tiếng. Chẳng qua hắn cũng biết bây giờ còn không phải lúc đắc ý, mau mau rời khỏi nơi này mới là thu được thắng lợi cuối cùng.

Nhìn thoáng qua phương hướng bọn người A Hổ, Tần Lập đang chuẩn bị men theo rừng cây bên hồ sang phía bên kia hội hợp cùng bọn họ. Bỗng nhiên khi không có một cỗ nguy hiểm rất lớn kéo tới!

Đồng thời trong tai Tần Lập nghe một tiếng cười quái dị.

- Lão nhị, chúng ta thật đúng là tốt số! Không đi vào giữa hồ, trốn ở chỗ này xem náo nhiệt, không ngờ cũng có thu hoạch!

- Đại ca, vận số Tần gia chúng ta luôn luôn rất tốt, bằng không làm sao có thể phát triển đến hôm này? Tiểu tử kia, ngươi không cần trốn nữa. Hắc hắc! Lấy được thứ gì thì ngoan ngoãn giao ra cho gia gia, gia gia ta vui vẻ thì sẽ cố lưu lại cho ngươi một mạng. Nếu như không, vậy thì hôm nay sang năm chính là ngày giỗ của ngươi!

Nếu như biết phản ứng kế tiếp của Tần Lập, hai người này có chết cũng sẽ không lựa chọn lên tiếng. Nếu như có thể làm lại một lần, bọn họ nhất định sẽ lấy thế sấm vang chớp giật, lập tức đánh chết người thanh niên chết tiệt này!

Bởi vì sau khi Tần Lập nghe thấy tiếng bọn họ nói, giống như mèo bị đạp phải đuôi, thân thể nhảy lên không trung trong khoảng khắc, nổi giận gầm lên một tiếng:

- Mấy lão già Tần gia thành Hoàng Sa kia, các ngươi có được tuyệt thế trân bảo ta lấy từ trong hồ, còn muốn giết người! Ta thành quỷ cũng không buông tha các ngươi!

Giọng nói này tràn ngập ủy khuất cùng bi phẫn, một cổ oán khí to lớn theo tiếng rống to này truyền khắp toàn hồ Phượng Hoàng!

Muốn cướp đồ của lão tử? Trước tiên đeo cái tiếng xấu này rồi nói!

Tần Lập vừa hét xong, thân hình giống như giống như quỷ mỵ phóng vào giữa rừng rậm núi Phượng Hoàng, lập tức biến mất không thấy bóng!

- Mẹ thằng ranh con!

- Thằng nhãi ranh, ngươi muốn chết!

Hai lão già râu tóc bạc trắng lúc này đều bị chọc giận đến bốc khói sùi bọt mép, nhắm theo phương hướng Tần Lập biến mất, đuổi theo như tia chớp.

Tác giả:Tiểu Đao Phong Lợi

88. Chương 88: Phản Ứng Dây Chuyền

Tần Lập rống to một tiếng này, giống như là Sư Tử Hống làm cho tất cả mọi người bốn phương tám hướng tránh trong núi Phượng Hoàng đều nghe thấy được. Dù cho bọn người A Hổ ở một nơi trên đỉnh núi bờ phía Đông cách bờ Nam chừng mười dặm cũng nghe được, cau mày nói:

- Hình như ta nghe thấy tiếng của công tử? Các người có nghe thấy không?

Chỗ này nói riêng, mấy người A Hổ đều tôn xưng Tần Lập là công tử, không quy củ không thành tiêu chuẩn. Lấy địa vị Tần Lập sau này, mỗi người cứ kêu là lão đệ thì dù là Tần Lập không ngại, người khác nghe cũng sẽ khó chịu. Mọi người đều là người trưởng thành, đạo lý này vẫn phải rõ ràng.

Lãnh Dao cau đôi mi thanh tú, nhìn về hướng Nam nói:

- Nghe giọng hình như là hắn! Lẽ nào xảy ra nguy hiểm gì sao?

- Chúng ta nên làm gì bây giờ?

Bộ Vân Yên có chút khẩn trương hỏi.

Nàng không thể không khẩn trương, một đêm này bọn họ đã nhìn thấy không dưới mười ba người bay về phía di tích hồ Phượng Hoàng. Đồng thời trên những ngọn núi bốn phương tám hướng, thỉnh thoảng cũng có thể nghe từng trận đánh nhau kịch liệt.

Sợ rằng hiện tại đã có không dưới ngàn người đang tụ tập bốn phía quanh hồ Phượng Hoàng!

Linh thú trên núi Phượng Hoàng tuy rằng kinh khủng, nhưng nếu như nhân loại trở nên cố chấp, năng lượng bộc phát ra cũng sẽ trở nên cực kỳ đáng sợ! Rồi cũng có lúc tìm ra một số biện pháp đi tới cạnh hồ Phượng Hoàng.

- Chúng ta đi, rời nơi này quay về thành Hoàng Sa trước tiên ẩn nấp một thời gian. Ta đã nói qua chỗ chúng ta cư ngụ, cho nên chỉ cần công tử trở về, hắn tự nhiên sẽ đi tìm chúng ta!

A Hổ trầm ngâm nói.

- Không sai, ở lại chỗ này cũng hoàn toàn vô ích, sợ rằng con đường trở về cũng sẽ không quá bình yên!

Lãnh Dao hết sức bình tĩnh phân tích nói.

- Bản lãnh tránh khỏi bọn họ ta vẫn phải có.

A Hổ hết sức tự tin nói, mấy người lại liếc nhìn về phía Nam xa xôi, nhưng không nhìn được gì.

- Ngươi đi theo bọn họ, hộ tống những nhân loại này trên đường ra khỏi rừng rậm.

Ở một chỗ âm u, một thiếu nữ xinh đẹp tuyệt sắc khuynh thành quay sang phía linh thú Thiên cấp Thiết Tí Viên phân phó.

Bóng dáng Thiết Tí Viên chợt lóe, biến mất khỏi tầm nhìn. Bạch hồ nhìn thoáng qua hướng Nam có chút sầu lo, ở bên kia chính là địa bàn kẻ tử thù của nàng. Vết thương lần này chính là do hắn ban tặng, hiện giờ mình lại đi sang đó, quả thật không khác gì chịu chết!

Do dự hồi lâu, trên mặt thiếu nữ lộ ra một tia u sầu, khoanh chân ngồi xuống, trong lòng nghĩ: nếu hắn chết ta nhất định sẽ báo thù cho hắn!

Lại nói hiện tại Trần Diệc Hàn cũng đã hạ lệnh các võ giả Hoàng gia canh giữ ở các cửa khẩu tản ra, thả các võ giả từ khắp nơi tiến vào. Nếu bọn họ muốn chịu chết, vậy cứ thành toàn cho bọn họ là được.

Trước đó không ai nghĩ tới bên trong di tích cổ này sẽ nguy hiểm như thế, căn bản là nguy cơ từng bước!

Cũng không biết là tiên nhân thượng cổ thiếu đạo đức nào lại biến thái như vậy. Mỗi phòng đều có bày ra các loại huyễn thuật, hơn nữa mạnh mẽ đến rối tinh rối mù, coi như võ giả Thiên cấp gặp phải cũng sẽ điên cuồng hoảng loạn. Nếu không phải thực lực mấy người bọn họ đều cực kỳ hùng mạnh, linh hồn vô cùng kiên cố, sợ rằng không chết cũng sẽ biến thành người điên.

Dù là như vậy, chín gã cung phụng Hoàng gia cũng có năm người cơ bản mất đi sức chiến đấu. Trần Diệc Hàn biết lần hành động này coi như hoàn toàn thất bại, dứt khoát không phong tỏa nữa. Kỳ thật cũng đã không phong tỏa được nữa, ai có bản lãnh thì đã đi tới nơi này rồi.

Một đêm điên cuồng tổn thất rất lớn, coi như cường giả Thiên cấp bậc chín thì Trần Diệc Hàn cũng cảm giác hết sức mất mát, uể oải. Trong trí nhớ, đã không biết bao nhiêu năm lão chưa từng trải qua thất bại như thế.

Mắt thấy sắc trời dần sáng lên, bỗng nhiên lại nghe thấy từ phía xa bên bờ Nam truyền đến một tiếng rống giận tràn ngập bi phẫn: "Thành Hoàng Sa… Tần gia", năm chữ này truyền rõ ràng vào tai Trần Diệc Hàn. Trong lòng Trần Diệc Hàn khẽ động, miệng lẩm bẩm nói:

- Tần gia?

Do dự một chút, Trần Diệc Hàn vung tay lên lên:

- Trở về, quay lại thành Hoàng Sa. Nghỉ ngơi chỉnh đốn!

Cùng lúc đó, không biết bao nhiêu võ giả thực lực mạnh mẽ nghe xong câu rống giận kia, trong lòng đều nổi lên tâm tư phức tạp. Nhất là mấy thế lực có tổn thất trong di tích, sau khi nghe đến hai chữ Tần gia, đều không nhịn được tràn ra một cổ oán khí cùng đố kị mãnh liệt.

Mẹ nó, bọn lão tử ở chỗ này liều mạng chết sống, không ngờ có kẻ ở phía Nam kiếm được chỗ tốt khổng lồ?

Giờ này khắc này, đã không còn bao nhiêu người sẽ đi phân tích tiếng rống bi phẫn kia là thật hay giả nữa. Dù là chỉ có một phần ngàn hy vọng, bọn họ cũng sẽ đi tranh thủ một chút. Càng đừng nói khả năng là giả quá nhỏ, võ giả nào ăn no rỗng mỡ không có chuyện làm, dám đi đùa giỡn võ giả Thiên cấp?

Chí bảo bên trong di tích thượng cổ hồ Phượng Hoàng, người thường không biết, nhưng chỉ cần hơi có chút địa vị, ai lại không rõ ràng? Kẻ mạo hiểm may mắn lấy được mấy loại chén hũ năm đó, hôm nay phần lớn đều thu vào hoàng cung, dù là Hoàng đế bệ hạ cũng không dễ dàng lấy ra sử dụng. Bởi vì tùy tiện một cái nào cũng đều có công năng trữ vật không gian! Hơn nữa các loại hoa quả tươi mới được tồn trữ trong đó, một hai năm cũng không biến chất!

Đó… mới là bảo vật chân chính!

Văn minh thời đại thượng cổ huy hoàng rực rỡ, căn bản không phải thời đại hiện giờ có thể so bì. Cho nên vật từ thượng cổ mới có thể hấp dẫn người ta như vậy, mới bị người ta điên cuồng truy lùng!

Tần gia, Tần gia!

Giờ khắc này, tâm tư tuyệt đại đa số người ở đây đều đã không còn ở hồ Phượng Hoàng nữa, đều bay về thành Hoàng Sa. Lần này thế lực Hoàng thất cường đại như vậy, cũng không tìm được chút chỗ tốt nào, bọn họ lại có thể nhận được cái gì?

- Đi, quay về thành Hoàng Sa!

Trong lúc này, vô số người đều hạ mệnh lệnh, mục tiêu: Thành Hoàng Sa.

Tần Hoành Viễn gần đây rất phẫn nộ, cực kỳ phẫn nộ, cực độ phẫn nộ! Quả thật không thể nén nổi phẫn nộ nữa!

Lúc này lão rất hối hận, hối hận đối với rất nhiều chuyện, hối hận vì sao năm đó mình không phái người bóp chết cái nghiệt chủng kia! Hối hận bản thân năm đó quản giáo hai huynh đệ Tần Hổ Tần Phong quá mức buông thả, hối hận lần này để Tần Phong cùng Tần Hổ dẫn người đi hồ Phượng Hoàng tăng kiến thức…

Còn có rất nhiều rất nhiều, từ lúc vị tộc trưởng thủ đoạn độc đoán này chào đời đến nay, chưa từng hối hận như bây giờ, thống hận như thế.

Tần Hoành Viễn biết chuyện này trước hết, còn là bởi người Mạc gia!

Con gái chịu ủy khuất to lớn, Mạc thành chủ cũng không bị cừu hận làm đầu óc hôn mê. Hắn biết thế lực gia tộc của mình tuyệt đối không so hơn Tần gia, Tần gia có hai cường giả Thiên cấp tọa trấn, Mạc gia căn bản không thể trêu chọc được!

Thế nhưng mười mấy võ giả Huyền cấp chết thảm, con gái chịu ủy khuất, cũng quyết không thể quên đi như thế!

Bằng không dù là người khác không biết, sau này con gái sẽ đối xử với phụ thân mình thế nào?

Vì vậy, một phong thư ngôn ngữ bình tĩnh, đưa đến trên bàn lão gia tử Tần Hoành Viễn.

Xét công bằng, bức thư này Mạc thành chủ viết rất chân thực, hoàn toàn không có chen vào bất cứ tình

- Kết quả lần này lão phu xuất quan, thằng ranh Tần Hoành Viễn kia lại nói ả đê tiện kia bỏ nhà theo trai, còn sinh ra một thằng con hoang! Hơn nữa từ trong lời nói, còn rất có ý vị nói tốt cho ả đê tiện kia. Buồn cười, thật đúng là coi nó như con gái rồi sao? Hừ! Con mẹ nó, thật sự là buồn cười! Thật là tức chết lão phu! Sớm biết như vậy, năm đó lão phu nên hưởng thụ đồ đê tiện kia trước…

- Hưởng thụ con mẹ ngươi!

Một tiếng rống giận kinh thiên, một đạo kiếm khí tuyệt thế, từ trên cao giáng thẳng xuống đầu Tần Hằng Thiên bên dưới!

91. Chương 91: Thiên Cấp Ngã Xuống

Đạo kiếm khí sắc bén linh hoạt không thể địch nổi này mạnh mẽ ép câu nói cuối cùng của Tần Hằng Thiên quay về trong cổ họng.

Ra tay vào thời điểm kẻ địch dao động cảm xúc lớn nhất, một kích nhất định phải trúng!

Tần Hằng Thiên kinh sợ đan xen, bất kể thế nào cũng không nghĩ tới người trẻ tuổi này không ngờ lại ẩn thân trên cây đại thụ này. Lão càng không thể tưởng tượng được hắn lại có gan dám chủ động ám sát mình.

Kiếm chưa tới, kiếm khí đã tới!

Một luồng sát khí lạnh lẽo theo kiếm khí đâm thẳng tắp vào đầu Tần Hằng Thiên. Một vết máu lập tức tràn ra, để lại ở trên đầu trần của Tần Hằng Thiên một miệng vết thương vừa lớn vừa sâu!

Tần Hằng Thiên hét lớn một tiếng, thân hình trong nháy mắt dùng một tư thế khó tin đánh về phía trước.

Như một con chó phóng lướt trên mặt đất, mà một kiếm kinh thế kia đúng thật như âm hồn không tan nhanh chóng đuổi theo phía sau!

Bộ mặt Tần Lập dữ tợn, nghiến răng nghiến lợi thề phải một kiếm chém chết võ giả Thiên cấp!

Thực lực Tần Hằng Thiên cũng là siêu cường, thân hình mạnh mẽ đánh xuống đất tạo thành một cái hố vừa to vừa sâu, thân hình như rắn bắn về phía trước như tia chớp. Đồng thời, trong thân thể lão cũng bộc phát ra một cỗ năng lượng kinh người, cương khí hộ thể tăng lên đến một độ dày đáng sợ, toàn bộ tập trung lên lưng lão.

Lão nắm chắc bảo kiếm trong tay, muốn liều mạng đón đỡ một kiếm này của Tần Lập, sau đó trở tay chém giết!

Tưởng tượng vĩnh viễn đều là tốt đẹp, sự thật vĩnh viễn đều là tàn khốc!

Thanh Ẩm Huyết kiếm trong tay Tần Lập bắn ra một đạo kiếm khí thật dài, khí thế như nghiền nát mọi thứ trước mặt đâm vào lưng Tần Hằng Thiên, một kiếm đâm xuyên thân cường giả Thiên cấp!

Đồng thời Tần Lập lại dùng tốc độ nhanh đến tận cùng, để lại mấy vết thương sâu đến tận xương ở sau lưng Tần Hằng Thiên. Cường giả Thiên cấp đích thật là cường đại, thần binh lợi khí trong tay như thế không ngờ không thể chém hắn thành mấy mảnh. Nhưng là như vậy, Tần Hằng Thiên cũng phát ra một tiếng kêu thảm thiết cực kỳ thê lương!

Phịch!

Thân hình Tần Hằng Thiên đụng vào một cây cổ thụ to mấy người ôm, lập tức tạo thành một lỗ sâu lớn, Tần Lập ở sau đuổi theo không bỏ lại chém hai kiếm xuống dưới. Hai chân Tần Hằng Thiên lập tức rời khỏi thân thể bay đi.

Mà lúc này, cây cổ thụ thô to kia ầm ầm nổ tung, lộ ra khuôn mặt cơ hồ bị bóp méo của Tần Hằng Thiên. Trong ánh mắt lão có nổi giận, có sợ hãi, oán độc, mê mang đủ loại phức tạp trộn lẫn vào nhau. Thanh kiếm trong tay lão bắn ra một đạo kiếm khí đỏ tươi, hung hăng chém về phía Tần Lập.

- Chết đi!

Theo tiếng gào gần như rống giận này của Tần Hằng Thiên, đạo kiếm khí này đánh vào không khí.

Thân thể Tần Lập hoàn toàn đi ngược lại hiểu biết của Tần Hằng Thiên, rõ ràng là nghiêng về trước, như thế nào có thể đột nhiên trước đó biến thành lui về sau? Hơn nữa thân hình hắn giống như một cái lá bị gió mạnh cuốn đi, hoàn toàn không có bất kỳ quy luật gì!

- Lão già kia, ngươi thành công chọc giận ta. Tuy nhiên, ngươi lại quên. Con người vào lúc dao động cảm xúc lớn nhất cũng là lúc phòng bị yếu nhất! Ngươi luôn luôn tìm khoảnh khắc ta dao động cảm xúc nhưng ngươi lại quên bản thân mình!

Thân thể Tần Lập dừng ở nơi cách Tần Hằng Thiên khoảng hơn mười thước, trong mắt lóe sát khí nồng đậm, lạnh lùng nhìn Tần Hằng Thiên nói.

- Khụ khụ…

Trong miệng Tần Hằng Thiên bỗng nhiên nhổ ra hai ngụm máu tươi. Khi tử vong đã không thể tránh khỏi, lúc này lão ngược lại bình tĩnh xuống. Tuy nhiên trong ánh mắt lão vẫn mang theo vô tận mê mang và nghi hoặc.

- Ngươi rốt cục là ai? Vì sao trên người của ngươi, lão phu cảm nhận được thù hận kinh thiên?

Tần Hằng Thiên không ngừng ho ra máu, hai chân bị đứt cũng chảy ra một đống máu lớn.

Tần Lập híp hai mắt, nhún nhún vai, lại lui về phía sau mười mấy bước. Hắn vẫn cảm thấy được có chút không an toàn, thân hình dứt khoát nhảy lên một gốc đại thụ, từ trên cao nhìn xuống, khoảng cách mình lúc này với Tần Hằng Thiên khoảng hơn năm mươi thước mới cảm giác được lúc này hết lo lắng. Hắn lại không chú ý tới trong khoảnh khắc hắn lùi ra ngoài, trong ánh mắt Tần Hằng Thiên hiện lên một tia oán độc.

"Giỏi lắm thằng súc sinh giảo hoạt!"

- Ta là ai? Ha ha! Vốn cùng ngươi có chút quan hệ, nhưng hiện tại chẳng có quan hệ chó gì với ngươi cả!

Tần Lập cười lạnh nhìn Tần Hằng Thiên, nói:

- Ngươi đoán xem, ta là ai?

- Ngươi là thằng con hoang đó!

Tần Hằng Thiên phản ứng cực nhanh, thốt ra. Nói xong trong mắt lão lại tràn ngập hào quang không thể tin, lắc mạnh đầu:

- Không có khả năng, tuyệt đối không có khả năng! Ngươi tuyệt đối không phải hắn! Hắn không lớn như ngươi! Thằng con hoang kia vẫn chỉ là một thằng nhóc hơn mười tuổi!

- Chậc chậc! Ta thấy, ngươi kích động như vậy làm gì? Nhìn kìa, đầu gối lại đổ máu rồi. Đúng rồi, ngươi không phải có muối sao? Rải lên một chút, cam đoan nâng cao tinh thần!

Vẻ mặt Tần Lập như diễn trò nhìn Tần Hằng Thiên, toàn thân toát mồ hôi lạnh. Hắn cũng chỉ có thể dùng cách này để làm giảm bớt áp lực trong lòng mình.

- A! Ngươi, ngươi… tức chết ta! Thằng súc sinh nhà ngươi!

Tần Hằng Thiên không thể tưởng tượng được Tần Lập không ngờ lại dùng lời nói vừa rồi của lão để trả lại lão, lập tức giận sôi lên.

Lão không biết Tần Lập lúc này cũng vô cùng khẩn trương.

Đánh lén thuận lợi thành công, đối mặt không ngờ là một cường giả Thiên cấp!

Coi như nói ra ngoài không ai tin tưởng, ngay cả bản thân Tần Lập lúc này đều có loại cảm giác như người trong mộng! Hắn không có lỗ mãng đến mức biết rõ là chết cũng phải xông lên. Hắn đã nhìn ra được, Tần Hằng Thiên không tìm được mình tuyệt đối không từ bỏ ý đồ!

Hơn nữa, căn bản ngôn ngữ ô uế không có một chút phong độ cao nhân cũng khiến cho Tần Lập không thể nhịn được. Từ một mặt nào đó mà nói, Tần Hằng Thiên thành công! Lão dùng miệng thối của mình thành công làm tâm tình Tần Lập dao động. Tuy nhiên lão lại không thể nào nghĩ tới, người lão muốn tìm đủ mọi cách tìm ra lại chính là thằng con hoang trong lời nói của lão. Lão càng không thể tính đến, thằng con hoang đó thân mang tuyệt kỷ, ngay cả lão cũng đều bị lừa!

Đúng là hai sai lầm trí mạng này tạo thành kết cục Tần Hằng Thiên bị thương nặng!

Thật đáng buồn! Thật đáng tiếc!

Tuy nhiên đối với Tần Lập mà nói, một chút cũng không đáng buồn, một chút cũng không đáng tiếc! Lúc này, hắn tận mắt thấy Tần Hằng Thiên bị thương nặng, gần như không có bất kỳ năng lực phản kháng nào, thần kinh vẫn căng thẳng rốt cục thả lỏng một chút, thản nhiên nói:

- Xứng đáng!

Tần Hằng Thiên hận không thể ăn tươi nuốt sống thằng súc sinh này, tuy nhiên trước mắt lão chỉ có thể kéo dài thời gian để khôi phục lại một chút thể lực nhất định. Mức độ cường hãn của võ giả Thiên cấp tuyệt đối vượt qua sự tưởng tượng của người thường!

Tần Hằng Thiên bị một kiếm của Tần Lập đâm thủng từ trước ngực ra sau lưng, dù chưa thương đến nơi yếu hại trí mạng nhưng đổi lại là người thường cũng sớm chết từ lâu. Hơn nữa vài vết kiếm thương khủng bố trên lưng đã làm xương cốt Tần Hằng Thiên mạnh mẽ bị cắt đứt vài cái, càng không nói đến hai chân của lão đã bị cụt đến đầu gối!

Dưới thương thế nặng nề như vậy lão không ngờ còn có thể ở đó nghiến răng nghiến lợi chậm rãi đối đáp với Tần Lập, không thể không nói võ giả Thiên cấp thật sự cường đại!

Đối với động tác của Tần Hằng Thiên, Tần Lập biết rõ trong lòng nhưng hắn trừ việc xoay người rời đi, cũng không còn biện pháp nào tốt hơn. Hơn nữa, hắn còn muốn từ trong miệng Tần Hằng Thiên hỏi ra được thứ gì đó có tác dụng.

- Nói như vậy, ngươi chính là Tần Lập kia?

Tần Hằng Thiên cố gắng khôi phục tâm tình của mình lại bình thường, như vậy thể lực sẽ khôi phục nhanh hơn rất nhiều.

- Nhưng vì sao ngươi lại biến thành dạng như này?

Tần Lập cười hắc hắc, nói:

- Thuật dịch dung. Ngươi sống lâu như vậy chẳng lẽ ngay cả thứ này cũng chưa từng nghe nói qua?

- Nói láo! Trên mặt của ngươi căn bản không có dấu vết dịch dung!

Tần Hằng Thiên nổi giận nói:

- Rốt cục ngươi là ai?

Tần Lập bỗng nhiên rùng mình, thân hình bay lên không lại lui về phía sau hơn năm mươi thước. Quả nhiên Tần Lập lại lui về phía sau khiến cho Tần Hằng Thiên lại chửi ầm lên một hồi.

Tần Lập vỗ vỗ ngực, thầm nghĩ may mắn lão già kia tự lộ ra dấu vết, khoảng cách hơn năm mươi thước lại bị thương nặng không ngờ một mực chắc chắn mình không dịch dung!

Đôi mắt phải lợi hại thế nào mới có thể quan sát được cẩn thận như thế?

Lúc này, nghe thấy Tần Hằng Thiên bên kia lớn tiếng nói:

- Tần Lập! Lão phu coi như ngươi là thằng con hoang kia của Tần gia, ngươi còn muốn nghe chuyện về mẹ ngươi hay không? Nếu ngươi muốn nghe, liền lăn lại đây cho ta. Sau khi nói xong, ngươi cho ta được chết một cách thoải mái!

"Lão tử tin tưởng ngươi mới có quỷ!" Tần Lập nghĩ trong lòng, cách mấy gốc cây, cũng nói lớn:

- Lão già kia! Ngươi vẫn còn sức lực, muốn chết thì tự kết thúc là được! Những điều ngươi nói, ta tuy rằng rất muốn biết, nhưng cho dù không biết cũng chẳng sao cả! Mẹ con chúng ta đã sớm không còn bất kỳ liên quan nào với Tần gia. Cho nên nếu dùng điều đó, ngươi không uy hiếp được ta!

Đáp lại Tần Lập, bên kia im lặng thật lâu. Tần Lập cũng đang không ngừng vận hành Tiên Thiên Tử Khí trong cơ thể. Khoảnh khắc ngắn ngủi vừa rồi gần như cạn sạch Tiên Thiên Tử Khí và toàn bộ tinh lực của hắn mới đổi được làm cường giả Thiên cấp này bị thương nặng.

Loại chuyện này, nếu để Tần Lập đi làm lại một hồi, hắn cũng không dám cam đoan mình còn có thể làm được hoàn mỹ như thế.

Đột nhiên, Tần Lập hoàn toàn mất hứng thú đối với Tần Hằng Thiên: "Nơi quỷ quái này ai biết ẩn nấp bao nhiêu linh thú cường đại, chỉ bằng Tần Hằng Thiên đã bị thương nặng, cho dù lão ta có thể may mắn sống sót thì một thân thực lực cũng bị giảm hơn phân nửa! Mình chỉ cần đột phá Địa cấp là có thể giết lão dễ dàng!"

"Cần gì lại phải sợ hắn?"

Nghĩ vậy, Tần Lập đứng lên, không nói một lời xoay người bước đi.

Ngay khoảnh khắc Tần Lập rời đi, sau lưng truyền đến một chuỗi tiếng mắng cực kỳ ác độc.

- Thằng súc sinh, ngươi không chết tử tế được! Mẹ ngươi cũng là thứ đê tiện, ngươi là một thằng con hoang! Đến đây, có gan đến giết tổ tông ngươi này! Thằng khốn nạn bất hiếu, ngươi sẽ không đi ra khỏi khu rừng này đâu. Ngươi sẽ bị linh thú xé nát từng mảnh.

Tần Lập tươi cười đầy mặt, cũng không quay đầu lại, đi ngược về theo hướng lúc nãy.

Còn lại Tần Hằng Thiên ngồi ở đó, bắt đầu gian nan xử lý vết thương trên đùi mình. Phía sau lưng mấy chỗ vết thương càng nghiêm trọng, tuy nhiên lão cũng chịu đựng được. Cái loại đau đến tận tim gan, xương cốt cho dù lão có thực lực Thiên cấp cũng không nén nổi đau… Cả người đổ mồ hôi lạnh lão cắn răng mắng:

- Thằng súc sinh. Ta nhớ kỹ khuôn mặt này của ngươi! Ngươi chờ đó, tương lai một ngày nào đó ta sẽ lột trần mẹ của ngươi trước mặt ngươi…

- Rắc rắc!

Một thanh âm cực nhỏ giống như có người không cẩn thận giẫm gãy nhánh cây đột nhiên cắt đứt tiếng mắng chửi của Tần Hằng Thiên.

Một cỗ khí tức cường đại từ sâu trong rừng áp bách mà đến.

- Ai? Là vị linh thú tiền bối nào? Tại hạ vô tâm xúc phạm, đều là tên tiểu tử kia nó gây ra. Hắn chính đang đi về phía bắc, hắn…

Trong bóng cây, một cô gái tuyệt sắc, sắc mặt tái nhợt đi ra, vẻ mặt khinh miệt nhìn Tần Hằng Thiên, lạnh lùng nói:

- Tên vô sỉ, đi chết đi!

Một đạo ánh sáng rực rỡ từ trong tay cô gái bắn ra, cái đầu của Tần Hằng Thiên lăn sang một bên. Cặp mắt lão mở to, tràn ngập oán độc cùng không cam lòng.

Trong tay cô gái bỗng nhiên có thêm một ngọn lửa nhỏ rực rỡ màu đen bắn lên thân thể Tần Hằng Thiên. Ngọn lửa trong nháy mắt lan tràn, cắn nuốt thi thể lão từng chút một.

Làm xong mọi chuyện, cô gái nhăn mũi, hướng về phía Tần Lập rời đi, bước nhanh đuổi theo.

Tiểu Mùi

Tác giả:Tiểu Đao Phong Lợi

92. Chương 92: Tần Gia Diệt Môn

Nhanh chóng chạy như bay trong rừng rậm nguyên thủy, Tần Lập khống chế khí tức của bản thân để không sinh ra dao động quá mức mãnh liệt tránh quấy nhiễu đến linh thú cường đại. Hắn không muốn không chết dưới kiếm của võ giả Thiên cấp lại thành vong hồn trong miệng linh thú.

Vào lúc chiến đấu với Tần Hằng Thiên, Tần Lập cảm giác rõ ràng Tiên Thiên Tử Khí trong cơ thể mình cũng có dấu hiệu đột phá. Đây cũng là vì sao Tần Lập không lựa chọn đánh tiêu hao lâu dài với Tần Hằng Thiên. Mặc dù lão già mất nết đó nói lời ác độc làm nhục mình tuy nhiên lão cũng bị báo ứng xứng đáng.

Tần Lập muốn tìm một chỗ nhanh chóng đột phá. Bởi vì hắn đã cảm giác được rõ ràng Tiên Thiên Tử Khí trong cơ thể đang xao động dường như bất cứ lúc nào cũng có thể bùng nổ.

Cứ như thế này không được!

Tần Lập híp mắt, nhảy lên đỉnh một ngọn cây đưa mắt nhìn địa hình xung quanh. Rất nhanh ánh mắt hắn nhìn về phía trên một ngọn núi cao và hiểm trở. Ngọn núi cao và hiểm trở kia kỳ thật cũng không xa hồ Phượng Hoàng, hơn nữa lúc Tần Lập đi tới, ngang qua đó cũng không gặp được linh thú quá cường đại ở đó.

Đúng! Chính là nơi đó!

Sau khi quyết định, nghĩ dù sao bốn phía không người Tần Lập dứt khoát buông toàn bộ tu vi, thi triển khinh công. Thân hình hắn như một làn khói nhẹ nhanh như một tia chớp nháy mắt liền xuất hiện ở một nơi rất xa.

Cô gái tuyệt sắc đi theo phía sau, giật mình nhìn nơi Tần Lập biến mất, trong đôi mắt xinh đẹp quyến rũ tràn ngập khó tin. Đến hiện tại, nàng mới hiểu được vì sao Tần Lập có thể thong dong chạy thoát khi bị hai cường giả Thiên cấp đuổi giết!

Nghĩ vậy, khóe miệng cô gái nổi lên một nụ cười bướng bỉnh. Linh thú trên ngọn núi kia đúng là bằng hữu tốt nhất của nàng, đúng lúc nàng đi đến đó tu dưỡng thân thể, sau đó mời nàng ta ra tay cùng nhau đối phó kẻ địch đáng chết kia!

Trong mắt cô gái hiện lên một đạo sát khí, miệng lẩm bẩm:

- Đã đến lúc kết thúc ân oán giữa chúng ta rồi!

Một thời gian gần đây, mạch nước ngầm bắt đầu chảy mạnh. Cho dù là dân bình thường của thành Hoàng Sa cũng dường như cảm giác được bầu không khí khác thường.

Chỉ còn ba ngày là đến năm mới. Đổi là năm trước, toàn thành Hoàng Sa đều là bầu không khí vui mừng hân hoan. Nhất là đám con cháu mấy đại gia tộc, ngày thường khó gặp đều vào chợ mua sắm hàng tết hoặc là tụ họp với nhau.

Nhưng năm nay mấy đại gia tộc này đều đóng cửa lớn, nghiêm khắc cấm con cháu trong tộc ra ngoài! Có một số tiểu gia tộc sau khi mua sắm đồ đạc sinh hoạt hoàn toàn phong bế gia tộc.

Chuyện này khiến cho rất nhiều người cảm thấy khó hiểu. Hơn nữa gần đây trong thành Hoàng Sa xuất hiện nhiều gương mặt mới. Quán rượu, nhà trọ gần như trong trạng thái chật ních! Rất nhiều hào khách giang hồ không nói một lời lập tức ra tay. Những người đó thực lực rất cường đại, phủ thành chủ cũng không quan tâm chuyện này, ngay cả những ông chủ lớn đứng sau ngành dịch vụ này là Thượng Quan gia cũng mắt nhắm mắt mở cho qua khiến cho mọi người phục vụ các ngành quán rượu, nhà trọ thành Hoàng Sa đều câm như hến.

Trải qua vài ngày nghỉ ngơi chỉnh đốn, phần lớn đám cung phụng của hoàng gia bị thương đã khôi phục bình thường. Trần Diệc Hàn triệu tập tất cả mọi người, bàn luận chờ lão tổ thực lực Thiên cấp của Tần gia

trở về lập tức tạo áp lực lên gia tộc bọn họ, yêu cầu lão giao bảo vật trong hồ Phượng Hoàng ra đây. Sau đó lấy danh nghĩa hoàng gia, che chở gia tộc này. Như vậy, một công đôi việc, vừa vì hoàng thất thu phục một đại gia tộc cường đại, lại chiếm được bảo vật đó. Về việc xử lý bảo vật hồ Phượng Hoàng, Trần Diệc Hàn đã nghĩ thật kỹ. Nếu là có chiến kỹ tâm pháp gì đó liền cho phép Tần gia sao chép một phần, bảo vật còn lại chia hai tám, Tần gia hai phần, hoàng thất tám phần.

Nghĩ đến chỗ đắc ý, khóe miệng Trần Diệc Hàn lộ ra nụ cười lạnh, thầm nghĩ: "Nhìn xem những võ giả cường đại hiện nay ở thành Hoàng Sa, tin tưởng Tần gia chỉ cần không ngốc nhất định lựa chọn hợp tác với hoàng thất!"

Đúng thật. Đại bộ phận võ giả lần này đến tầm bảo ở hồ Phượng Hoàng đều chưa rời đi. Bọn họ thậm chí ngay cả di tích thượng cổ cũng không thể đi vào, rất nhiều người còn bị chết trong miệng đám linh thú ở dãy núi Phượng Hoàng, tâm lý đã có nhiều tức giận bất bình. Nếu là ai cũng không chiếm được lợi thì cũng thôi, nhưng mà tên thần bí kia lại đẩy Tần gia lên đầu sóng ngọn gió. Như vậy, cho dù xem náo nhiệt, cũng phải xem rốt cục là ai có thể chiếm được bảo vật từ Tần gia!

Rất nhiều thế lực đều đang âm thầm quan sát, âm thầm chờ đợi. Chờ đợi đến một cơ hội thích hợp nhất, bất kỳ ai đều muốn đi chiếm chút tiện nghi!

Nhưng khiến mọi người không nghĩ tới chính là, Tần gia không ngờ vào ban đêm bước sang năm mới gặp phải một hồi giết hại cực kỳ thảm thiết.

Phủ đệ Tần gia, toàn tộc dòng chính, dòng phụ gặp phải diệt môn!

Mà càng làm cho người ta hoảng sợ không yên chính là hết thảy mọi chuyện không ngờ không có bất kỳ ai nhìn thấy.

Phải biết rằng xung quanh Tần gia một đoạn thời gian gần đây không dưới ba mươi thế lực lớn nhỏ ngày đêm không ngừng giám thị mọi động tĩnh của Tần gia.

Sau khi xem xét thi thể, trên thân thể người chết đều chỉ có một vết thương bằng kiếm, có một số người thậm chí còn chết lúc đang ngủ!

Hơn nữa, trái tim hung thủ cực kỳ lạnh lùng. Bất kể lão già sức yếu hay trẻ con trong tã lót không bỏ qua một ai!

Nếu không phải sau khi hắn giết sạch người phóng hỏa đốt nhà, thì đám người theo dõi Tần gia còn căn bản không chút phát hiện!

- Người gây ra chuyện này không biết có trái tim độc ác đến thế nào…

Thượng Quan Bất Hối gia chủ Thượng Quan, Phương Chính Đông gia chủ Phương gia ngày hôm sau chạy đến Tần gia. Nhìn thấy chỉ là khắp nơi đổ nát, phủ đệ Tần gia to như vậy bị cháy sạch không còn chút nào!

Gần như tất cả mọi người đều trợn mắt há mồm giống như hóa đá. Bọn họ căn bản không thể tin được ai có cừu hận lớn với Tần gia như vậy, không ngờ trong một đêm giết sạch mấy ngàn người Tần gia?

Cuối cùng có người theo dõi Tần gia nói lên một việc: Sau khi lão tổ Tần gia Tần Hằng Địa trở về, cửa lớn Tần gia đã mở rộng. Đoàn người nghênh đón, đại khái tám, chín người toàn bộ đều mặc đồ đen che mặt nhìn không rõ. Sau khi trở ra, vào lúc ban đêm Tần gia liền đã xảy ra thảm án bị diệt môn rồi.

Vì thế mọi người bắt đầu tìm kiếm thi thể đám người mặc đồ đen, nhưng không thể tìm thấy cái nào. Đồng thời bọn họ phát hiện thi thể lão tổ Tần gia Tần Hằng Địa hoàn hảo không thương tích gì nằm trong nhà cỏ bế quan của mình, mắt trợn trừng tràn ngập không thể tin cùng không cam lòng.

Lúc này lại có người nói không phát hiện thi thể gia chủ Tần Hoành Viễn. Những người này đoán rằng lão ta bị đốt thành tro, còn có một số người cho rằng lão ta đã chạy thoát.

Mặc kệ nói thế nào, toàn thể Tần gia bị diệt đã vẽ lên một dấu chấm hỏi về chuyện tầm bảo trong di tích cổ hồ Phượng Hoàng. Có lẽ hung thủ có cừu oán với Tần gia. Có lẽ hung thủ chính là vì bảo bối của Tần gia mà đến, sau đó giết người diệt khẩu. Bởi vì mọi người ở Tần gia đều không tìm được bất kỳ thứ gì đáng giá, đoán rằng có thể là bị hung thủ lấy đi.

Tuy nhiên, người có thể đến vô ảnh đi vô hình trước mắt bao người cũng không phải đối tượng người bình thường có khả năng trêu chọc. Đám vũ giả ở lại thành Hoàng Sa sau khi âm thầm suy tính thực lực của mình, phát hiện tiếp tục ở lại đây cũng không có bất kỳ ích lợi gì.

Vì thế, sau năm mới, thành Hoàng Sa dần dần khôi phục yên tĩnh. Một trong ba đại gia tộc ngày xưa, hào môn thế gia tuyệt đối hôm nay chỉ còn lại gạch nát ngói vụn thật sự làm người ta than thở.

Chuyện này hoàn toàn kinh động cao tầng Thanh Long quốc, hoàng đế phái rất nhiều người tra xét việc này nhưng không tra được bất kỳ dấu vết để lại. Thân phận đám người mặc đồ đen hoàn toàn trở thành một cái bí ẩn.

Cuối cùng, năm mới qua được hai tháng, chuyện này cũng vẫn thế không giải quyết được gì.

Thành Hoàng Sa xuân ấm hoa nở cũng dần dần khôi phục phồn hoa ngày trước. Mà hai người dòng chính duy nhất may mắn còn lại của Tần gia: Tần Phong và Tần Hổ cũng không lộ mặt. Tuy nhiên có tin tức Tần Phong cùng Tần Hổ sau khi biết được thảm án gia tộc đều gia nhập hoàng thất, hiện tại thành hộ vệ của Nhị hoàng tử nổi bật nhất Thanh Long quốc. Tuy nhiên trước mắt bọn họ vẫn còn đang học ở Học Viện Đế Quốc.

Rất nhiều dân chúng thành Hoàng Sa cảm thấy khinh thường hai thiếu gia của Tần gia này. Toàn thể Tần gia còn lại hai người có thể nói là thiên tài, những năm gần đây bọn họ được Tần gia chăm chút bồi dưỡng mới có thành tựu ngày hôm nay. Kết quả gia tộc bị diệt không ngờ bọn họ cũng không trở về tế bái.

Cũng có người bày tỏ sự cảm thông với điều này. Ngộ nhỡ kẻ thù còn nhìn chằm chằm vào nơi này, trở về chẳng phải chịu chết?

Ảnh hưởng do chuyện này mang tới dần dần yếu bớt. Lại qua ba tháng, thời tiết thành Hoàng Sa đã trở nên đặc biệt nóng bức. Đến hiện tại, chỉ sợ trừ mấy người ít ỏi, rất nhiều người đều đã quên người từng bị Tần gia vứt đi – Tần Lập!

Một buổi tối trăng tối sao thưa, trên đống đổ nát Tần gia xuất hiện một bóng người yên lặng đứng trên đống đổ nát. Người này mặc một bộ áo dài xanh, thật lâu sau mới phát ra một tiếng thở dài.

- Tại sao lại như vậy?

Người này đúng là Tần Lập thành công đột phá Địa cấp. Ở trên ngọn núi cao và hiểm trở, Tần Lập tìm được một huyệt động bỏ đi rất sâu, dùng đá lớn chắn cửa bắt đầu bế quan. Thẳng đến mấy tháng sau, hắn vừa mới đột phá Địa cấp liền không ngừng chạy về thành Hoàng Sa lại không ngờ nghe được tin tức như vậy. Hơn nữa không ngờ thời gian đã trôi qua lâu như vậy.

Cho dù Tần Lập không chút hảo cảm nào với Tần gia, nhưng nhìn mọi thứ trước mắt vẫn không kìm nổi có chút cảm khái. Hắn vốn đang muốn tìm Tần Hoành Viễn để hỏi một số chuyện về mẫu thân, nhưng hiện tại xem ra… Tần Lập khẽ lắc đầu, bỗng nhiên hai mắt hắn nhìn về một nơi rất xa phía trước. Nơi đó, theo ánh trăng chiếu rọi, một bóng người chậm rãi đi tới.

- Tần Lập?

Giọng nói người kia mang theo kinh ngạc, thử kêu một tiếng.

Tần Lập lúc này đã khôi phục bộ mặt mười bốn tuổi. Đi vào nơi này, hắn không muốn bất kỳ ai biết thân phận khác của hắn.

Nghe giọng nói đó, Tần Lập cũng kinh ngạc không thôi. Không nghĩ tới Tần Hoành Viễn không ngờ vẫn còn sống!

- Đây là chuyện gì xảy ra?

Nghĩ đến những lời Tần Hằng Thiên từng nói, ánh mắt Tần Lập dần dần híp lại. Tuy nhiên hắn không phát tác, bởi vì có một số việc hắn vẫn muốn hỏi cho rõ.

- Quả nhiên là ngươi! Ngươi biến mất lâu như vậy. Đi đâu, làm gì?

Tần Hoành Viễn bước nhanh tới, nghi hoặc đánh giá Tần Lập thấy bộ dạng hắn không thay đổi lại hỏi:

80. Chương 22: Nội Ứng

Mong muốn tốt đẹp của Bão Phi Tuyết, cuối cùng vẫn thất bại.

Tuy rằng Thiển Thủy Thanh ép bức Lý Quy giết chiến mã cứu người, nhưng công này lớn hơn tội rất nhiều.

Tuy rằng chiến mã quý giá thật, thậm chí còn quý giá hơn so với một ít binh sĩ bình thường, nhưng dù sao đi nữa, mấy trăm con chiến mã cũng không quan trọng hơn tính mạng của chín ngàn binh sĩ Thiết Phong Kỳ. Hơn nữa cứu được tính mạng binh sĩ của Thiết Phong Kỳ coi như đã cứu vãn được lòng quân, tránh được sự tổn thất có thể coi là lớn nhất trong một trận chiến công thành trong mấy năm gần đây của quân Đế quốc Thiên Phong.

Trận chiến ở cửa Cảnh Thâm, Bão Phi Tuyết đã thể hiện ra đầy đủ năng lực chỉ huy điều động, liệu địch của mình. Thủ đoạn phòng ngự của hắn luôn luôn ẩn chứa sự phản kích vô cùng mạnh mẽ, chỉ cần hơi sơ ý liền có thể trúng kế của hắn, không hổ là đệ nhất danh tướng của Đế quốc Chỉ Thủy.

Mà trong trận chiến này, tổn thất lớn nhất của quân Đế quốc Thiên Phong không phải là ai khác, mà là Chiến Thiên Cuồng.

Một vị Tướng quân Hổ Uy tử trận sa trường, gần như là vị Tướng quân có cấp bậc cao nhất của Quân đoàn Bạo Phong tử trận trong mấy năm vừa qua.

Chỉ trong vòng nửa tháng ngắn ngủi, sau khi Vân Phong Hàn bị bọn 'thổ phỉ giết hại', lại có một vị tướng lĩnh trung cấp chết đi, chỉ có thể nói rằng năm nay Đế quốc Thiên Phong vô cùng bất lợi.

Cái chết của Chiến Thiên Cuồng cũng đồng thời làm dấy lên một hồi tranh luận trong quân Đế quốc Thiên Phong.

Ai sẽ tiếp nhận chức Chưởng Kỳ do Chiến Thiên Cuồng để lại?

Doanh Chủ ba Doanh dưới trướng Thiết Phong Kỳ, nếu nói về lý lịch cá nhân, Hồng Thiên Khải, Đông Quang Chiếu đều là lão quân nhân đã nhập ngũ nhiều năm, ai cũng có tư cách tiếp nhận chức Chưởng Kỳ. Nhưng nếu nói về chiến công thì không ai hơn được Thiển Thủy Thanh.

Kể cả trong trận thất bại ở cửa Cảnh Thâm hôm nay, cũng nhờ có Thiển Thủy Thanh mới có thể cứu ra đại đa số tướng sĩ của Thiết Phong Kỳ. Danh vọng của hắn hiện tại trong quân Đế quốc Thiên Phong, có thể nói như mặt trời giữa ban trưa.

Thế nhưng có rất nhiều người không muốn hắn tiếp nhận chức vụ này.

Đương nhiên là Nam Vô Thương không muốn, Lý Quy cũng không hề muốn, thậm chí ngay cả bọn Hồng Thiên Khải, Vũ Tàn Dương cũng không muốn.

Thiển Thủy Thanh quá mạnh mẽ ngang ngược.

Hắn mạnh mẽ đến mức chuyện gì cũng dám làm, người nào cũng dám trêu.

Mặc dù bình thường hắn tao nhã lễ độ, khiêm tốn với tất cả mọi người, khách khí với tất cả mọi người, thậm chí biết tự hạ thấp mình kết giao với mọi người, nhưng những chuyện hắn làm thì không thấp chút nào.

Một Tướng quân như vậy rất khó khống chế.

Người như Thiển Thủy Thanh, chỉ trong vòng nửa năm đã lên tới chức Chưởng Kỳ, đối với bất cứ người nào đều là một mối uy hiếp không nhỏ.

Cho nên, dù là Liệt Cuồng Diễm cũng không có cách nào làm thay đổi suy nghĩ của tất cả mọi người. Mặc dù một lần nữa ông ta đề nghị Thiển Thủy Thanh nhận chức Chưởng Kỳ của Thiết Phong Kỳ, nhưng cuối cùng vẫn bị các tướng trong Quân bộ thỉnh cầu thu lại mệnh lệnh đã ban ra.

Lý do mà bọn họ đưa ra rất đơn giản:

sQ¢i tQ¢i tQ¢i tQ¢i5

Một loạt tiếng binh khí ra khỏi vỏ, đều là tinh cương bảo kiếm.

Một cỗ sát khí khổng lồ ép về hướng Tần Lập. Trên người bọn người này không chỗ nào không dính đầy máu tươi, một hai người không tính là gì. Nhưng hơn trăm người đứng ở một chỗ, cỗ khí thế này ngưng kết lại không thua gì cường giả Thiên cấp!

Hô!

Thân hình Tần Lập bỗng nhiên động.

Tĩnh như xử nữ, động như thỏ chạy!

Tần Lập đầu tiên là chém ra một đạo kiếm khí, ánh sáng màu tím yêu dị như là lưỡi hái tử thần nháy mắt thu gặt sinh mạng ba, bốn người.

Mà lúc đầu lâu lăn xuống mặt đất, Tần Lập đã như một con sư tử hung mãnh nhào vào đàn dê!

Mây tím tràn ngập bầu trời, từng đạo kiếm khí từ thanh kiếm trong tay Tần Lập bắn ra. Hơn bảy mươi võ giả Hoàng cấp đỉnh, hơn ba mươi võ giả Huyền cấp bậc trung, cao cấp mà Tần Hoành Viễn khổ tâm bồi dưỡng hơn mấy chục năm không ngờ trước mặt Tần Lập lại không chịu nổi một kích!

Chỉ trong giây lát, ở phía trên đống đổ nát tối đen như mực, máu chảy thành sông!

Giết chóc lại một lần nữa xảy ra ở địa phương này.

Tần Hoành Viễn đứng trên đống đổ nát, cặp mắt trợn tròn, miệng há hốc như hóa đá đứng sững tại chỗ.

Cái gì là cường thế? Chính là đây!

Cái gì kêu thực lực? Cũng là đây!

Mình không ngờ lại muốn giữ hắn ở lại chỗ này, không ngờ còn muốn giết hắn. Nhưng… ta hận!

Sắc mặt Tần Hoành Viễn bỗng tím đen, một ngụm máu đen mạnh mẽ phun ra, thân hình lung lay muốn đổ. Lão nhìn Tần Lập phát ra một tiếng kêu thê lương thảm thiết:

- Tần Lập! Ta thành quỷ cũng không bỏ qua cho ngươi!

Nói xong, rút ra một lưỡi dao sắc bén, hung hăng cắm vào ngực. Thân thể Tần Hoành Viễn mềm oặt, ngã xuống. Trong đôi mắt thất thần tràn ngập không cam lòng cùng oán hận.

Đống đổ nát của Tần gia phạm vi chừng mười dặm, cho nên tiếng hét thảm của Tần Hoành Viễn trước khi chết tuy rằng truyền đi rất xa ra ngoài nhưng chưa chắc đã có người nghe thấy. Cho dù nghe thấy cũng không ai tới nơi này.

Thành viên tổ chức cuối cùng, một chút thuộc hạ thân tín của Tần Hoành Viễn nguyên vốn định giao cho Tần Phong và Tần Hổ lại bị Tần Lập giết sạch, không chừa một ai!

Ngay cả bản thân Tần Hoành Viễn cũng mang theo vô tận hối hận và không cam lòng, chết không nhắm mắt!

Tần Lập yên lặng đứng ở đây một hồi, trong lòng một mảnh yên bình hoàn toàn không bởi vì một hồi giết chóc tràn ngập máu tanh mà sinh ra bất kỳ gánh nặng tâm lý gì. Với hắn mà nói, những người này chết cũng không đủ!

Nhất là Tần Hoành Viễn. Chuyện này nếu để mẫu thân Tần Hàn Nguyệt biết, chắc chắn đau lòng muốn chết. Tần Lập nghĩ trong lòng: "Quên đi, vẫn không nên nói cho mẫu thân là hơn! Coi như mọi người Tần gia đều chết sạch trong trận giết hại kia là được!"

Hắn nhấc tay, một cỗ lực lượng bá đạo bắn ra. Mặt đất lập tức bị đánh ra một hố to sâu hơn mười thước. Hắn chôn tất cả mọi người xuống hố, lẫn lộn gạch ngói Tần gia. Những người này coi như lá rụng về cội.

Than nhẹ một tiếng, Tần Lập đứng dậy rời đi.

Thành nam, trong một tiểu viện có một nam hai nữ đang ở. Tiểu viện không lớn quá ba ra ba vào, gia đình bình thường đều có thể mua được dạng như vậy.

Hàng xóm chung quanh đối với người nhà này gần như không hiểu biết gì. Dường như bọn họ cũng không ra khỏi cái tiểu viện này. Nếu như không phải ngẫu nhiên thấy hán tử dáng người khôi ngô kia đi ra ngoài mua một ít vật tư sinh hoạt cùng với khói bếp mỗi ngày thì thậm chí ai cũng cho rằng tiểu viện này không có bóng người.

Ba người này tự nhiên là A Hổ, Lãnh Dao và Bộ Vân Yên.

Sau khi từ hồ Phượng Hoàng an toàn trở về, ba người bọn họ dùng tên người khác mua một tiểu viện đã rất lâu năm liền rất ít đi ra ngoài. Nhưng mọi chuyện xảy ra trong thành Hoàng Sa đều trong khống chế của bọn họ.

Tần gia trục xuất và truy nã Tần Lập, Thượng Quan hủy hôn cùng với Phương gia im lặng.

Hôm sau cả nhà Tần gia bị giết, thành Hoàng Sa thần hồn nát thần tính đều rơi vào trong mắt bọn họ.

Gốc Nhất Diệp Bách Niên Thảo hơn ngàn năm cực kỳ quý báu kia được trồng trong một chậu hoa đặt ở một góc sân mặc kệ gió táp mưa sa. Không ai lại nghĩ rằng gốc cỏ ngoan cường đó lại có được giá trị thế nào.

Ở trong sân trước cửa nhà có chất một ít củi đun, trên dây phơi có mấy cái quần áo. Ai cũng cảm thấy được đây là một nhà thuộc loại sung túc bình thường.

Ánh mắt Lãnh Dao hơi sáng lên, lại cũng không nói gì. Nàng biết chủ kiến của thiếu niên này tuyệt đối không nhỏ hơn so với mình.

- Cho nên…

Tần Lập mỉm cười, nói:

- Đầu tiên chúng ta phải làm chính là tăng thực lực, mà tăng thực lực là cần tiền tài, lại cần thế lực làm cơ sở. Ta xem toàn bộ Thanh Long quốc cũng chỉ có đế đô là thích hợp nhất. Cho nên ta chuẩn bị đi tới đó phát triển. Các người có vấn đề gì không?

Bộ Vân Yên cùng Lãnh Dao đồng thời gật đầu. Hai người bọn họ vốn không còn người thân, đi đâu cũng giống nhau. A Hổ lại do dự một chút, tuy nhiên cũng rất nhanh gật đầu nói:

- Mẹ ta nói, chí đàn ông ở bốn phương trời. Vì đại phú đại quý, ta có thể trả bất cứ giá nào!

Tần Lập cười gật đầu. Hắn thích A Hổ ở tính tình ngay thẳng, tốt hơn rất nhiều so với người ngấm ngầm!

Lập tức sắc mặt Tần Lập dần dần nghiêm túc, nhẹ giọng nói:

- Tuy nhiên, trước khi rời khỏi nơi này, ta còn hai việc phải làm. Một việc trong đó là đệ tử… là thằng nhóc Tây Qua. Hắn cũng tu luyện chiến kỹ Duy Ngã Độc Tôn, mắt thấy cũng sắp niết bàn, ta không muốn hắn chết cho nên phải mang hắn đi. Chuyện thứ hai ta muốn đi Thượng Quan gia một chuyến.

Chuyện của Tây Qua bọn A Hổ cũng nghe qua sơ sơ, cũng biết tiểu tử đó là một người ngoan độc. Ngắn ngủi một năm đã thống nhất các bang hội lớn nhỏ ở thành bắc, ở trong các thế lực ngầm thành Hoàng Sa cũng là có chút tên tuổi. Chỉ là không nghĩ tới không ngờ hắn cũng tu luyện chiến kỹ Duy Ngã Độc Tôn.

Đám người A Hổ không khỏi có thêm vài phần kính nể với thiếu niên chưa từng gặp mặt đó. Không ai biết lúc Tây Qua bắt đầu tu luyện căn bản là không biết sự nghiêm trọng của chuyện này. Nếu lúc ấy biết được, đánh chết hắn cũng không tu luyện loại chiến kỹ chết người này. Cái loại đau khổ khi linh hồn bị tổn thương, sống không bằng chết!

Tuy nhiên, đi Thượng Quan. Đi Thượng Quan gia làm gì?

Bọn A Hổ đồng thời ngẩng đầu, nhìn Tần Lập. Khóe miệng A Hổ hơi giật giật, không nói gì. Bộ Vân Yên dịu dàng nói:

- Chúng ta nghe nói Thượng Quan tiểu thư đối với ngươi quyết chí thề không lấy người khác. Cho nên, thái độ của Thượng Quan gia chưa chắc có tác dụng gì với nàng, vậy cũng chả cần đi chứ?

Tần Lập cười cười:

- Ta biết các người lo lắng điều gì. Không sao, ta có mức độ, bọn họ không dám làm gì ta! Muốn giết ta nhất chính là Tần gia, nhưng hiện tại Tần gia đã bị diệt rồi!

Đám người A Hổ nghe vậy, trong lòng khẽ động. Thầm nghĩ có phải là Tần gia diệt vong có quan hệ trực tiếp với Tần Lập

Bộ Vân Yên nói:

- Vậy ngươi phải đồng ý với chúng ta, không nên xúc động. Nội tình của Thượng Quan không phải Tần gia có thể so sánh!

Tần Lập gật gật đầu, trong lòng có chút cảm động, nói:

- Ba ngày sau ta lại tới tìm các người. Chuẩn bị sẵn sàng, đến lúc đó chúng ta trực tiếp lên đường!

Nhìn thân hình Tần Lập biến mất ở cửa, Bộ Vân Yên lẩm bẩm:

- Công tử bề ngoài vô cùng lạnh nhạt nhưng trên thực tế trong lòng rất kiêu ngạo!

- Hắn đi Thượng Quan gia là muốn làm gì nhỉ?

A Hổ gãi gãi đầu, có chút khó hiểu!

- Thị uy!

Trên khuôn mặt lạnh lùng của Lãnh Dao hiện ra một chút đùa cợt nhàn nhạt:

- Thượng Quan gia trừ bỏ lão gia chủ bế quan thì đều là một đám có mắt không tròng!

- Tây Qua! Ngươi có nghĩ tới con đường về sau của ngươi không? Ngộ nhỡ ngươi xảy ra chuyện gì, cha mẹ của ngươi làm sao bây giờ?

Đối mặt với Tây Qua không muốn rời đi, Tần Lập trầm giọng nói.

- Nhưng mà… sư thúc. Ta nếu đi, thành bắc khó khăn đánh ra này chẳng lẽ liền chắp tay tặng người khác hay sao? Một năm qua, kẻ thù của ta cũng không ít. Ta ở đây còn đỡ, nhưng ta rời đi, cha mẹ ta làm sao bây giờ? Bọn chúng tìm không thấy ta, không chắc sẽ không tìm cha mẹ ta trả thù.

Tây Qua lúc này đã sớm không còn bộ dáng ngây thơ của một năm trước, đã khí thế mười phần, phong thái trầm ổn, nói chuyện thong thả.

- Tầm nhìn hạn hẹp.

Tần Lập "hừ" một tiếng:

- Cũng chỉ là một đám ô hợp mà thôi, có thể chống lại hai võ giả Huyền cấp càn quét sao?

- Sư thúc…

Tây Qua tan mất vẻ ngụy trang bên ngoài, thay vào đó là một bộ mặt mày ủ dột, kéo dài giọng nói:

- Ngài có thể không đả kích ta như vậy hay không? Thế lực của ta căn bản không đối nghịch với võ giả Huyền cấp mà! Chúng ta là cái gì? Là giai cấp thấp! Là người ở tầng dưới cùng của thành thị này! Là những người sống trong bóng tối, sống trong bí mật. Nói với ngài về những người đó cũng không có quan hệ gì a!

- Đừng nói với ta những thứ không tác dụng. Chẳng lẽ một năm qua bên cạnh ngươi không có mấy người thân tín, không có mấy người có thể tin dùng sao?

Giọng điệu Tần Lập có chút khinh thường, kích thích Tây Qua. Tiểu tử này lập tức nhảy dựng lên, lớn tiếng nói:

- Làm sao lại không có. Đương nhiên có mấy tên thuộc hạ thân tín. Làm lão Đại không có thuộc hạ thân tín sao được! Thuộc hạ của ta có bốn người…

- Được rồi, được rồi! Đừng nói nhiều lời nữa.

Tần Lập khoát tay:

- Giao vị trí lão Đại của ngươi cho một người có thể lãnh đạo mọi người! Nói rằng ngươi muốn đi đế đô phát triển, đến khi phát triển tốt thì đều mang bọn họ qua đó, sau đó để cho bọn họ chú ý cha mẹ ngươi! Bọn họ không phải không biết ngươi tu luyện công pháp gì sao? Là một võ giả Huyền cấp, chút năng lực cỏn con ấy ngươi vẫn phải có chứ?

- Nhưng mà sư thúc… ta có chút không bỏ được…

- Mạng của ngươi thì sao? Ngươi không theo ta đi, qua nửa năm nữa ngươi nhất định mất mạng là cái chắc!

Tần Lập nói:

- Theo ta đi ngươi còn có một đường hy vọng. Hơn nữa, đế đô là nơi nào? Ngươi nghĩ lại xem, nếu ngươi có thể thành lập một thế lực ngầm ở đế đô, ngươi còn sợ cha mẹ của ngươi không có nơi trông cậy?

Tây Qua rốt cục bị Tần Lập khuyên đến động lòng. Bản thân hắn cũng là một người quyết đoán, nếu không cũng không có khả năng tuổi nhỏ như vậy đã nắm trong tay một phần tư thế lực ngầm của thành Hoàng Sa, bị người coi là thiếu niên vương.

- Được. Sư thúc! Ta đồng ý. Cái mạng nhỏ này của ta liền giao vào tay sư thúc!

Tây Qua đáng thương nói.

Tần Lập cười gật gật đầu:

- Được rồi, ta biết! Ngươi đi chuẩn bị, cho ngươi hai ngày. Ba ngày sau ta đến đón ngươi.

Thượng Quan gia, nhà cao cửa rộng.

Tần Lập lại đến nơi đây, trong lòng rất nhiều cảm khái: nơi nhà rộng tường cao này vẫn như trước, nhưng giai nhân đã vắng mặt.

Đang nghĩ ngợi, hai tên bảo vệ ở cửa khuôn mặt lạnh lùng nhìn thoáng qua Tần Lập, một người nói:

- Nhanh chóng cút ngay, đừng lưu luyến ở nơi này. Không biết đây là nơi nào sao? Nhanh cút đi! Đồ không có mắt!

97. Chương 97: Thái Tử Điện Hạ

Tên thủ vệ chó cậy gần nhà, gà cậy gần chuồng, Tần Lập ngay cả ý muốn giáo huấn họ cũng không có, từ trên người đột nhiên bộc phát ra khí thế kinh người. Luồng áp lực mạnh mẽ khiến hai tên thủ vệ đặng đặng đặng bước về sau vài bước, mặt vàng như đất, lại nhìn Tần Lập, ánh mắt tràn ngập kinh hãi!

- Người nào, dám đến Thượng Quan gia gây sự!

Một tiếng nói từ xa truyền đến, nói đến chữ cuối, người nọ đã tới trước cửa. Cửa hông mở ra lộ ra một gương mặt thâm trầm kiên nghị, ánh mắt lạnh như băng. Khi ánh mắt người nọ nhìn tới Tần Lập bỗng nhiên trở nên nhẹ nhàng, trong tiếng nói còn có sự ngạc nhiên vui mừng.

Người này nhiệt tình nói:

- Tần công tử, không ngờ cậu lại đến đây. Mau vào trong, đã lâu không có tin tức gì của cậu, còn tưởng cậu đã rời khỏi thành Hoàng Sa rồi.

Người này đúng là người mà Tần Lập biết tới, hơn nữa hắn còn bị cỗ khí thế người này phát ra làm cho sửng sốt.

Người này chính là hộ vệ tùy thân của Thượng Quan Thiết, Thượng Quan Hồng Phi. Trước kia thực lực Tần Lập không cao, thật là nhìn không ra, người này lại nói bản thân là Huyền Cấp bậc bảy, nhưng dao động cực mạnh này rõ ràng là thực lực Địa Cấp! Cả Thượng Quan gia trừ gia chủ Thượng Quan Thiết là coi trọng Tần Lập, chỉ sợ cũng chỉ có Thượng Quan Hồng Phi này mới có cái nhìn xem trọng với Tần Lập.

- Ha ha. Mạo muội tới đây, thật xấu hổ quá.

Tần Lập cười nói, đi cùng với Thượng Quan Hồng Phi.

Hai thủ vệ ở đằng sau vẻ mặt chật vật, một câu cũng không dám nhiều lời, thẳng đến khi hai người kia đã đi xa, một thủ vệ mới dám nói:

- Mẹ nó, hù chết ta, tiểu tử này có lai lịch gì vậy? Hồng Phi đại nhân sao lại khách khí với hắn như thế?

Kẻ kia vỗ ngực nói:

- Ta cũng không biết, xem ra tiểu tử này rất có lai lịch đây. Đúng rồi, mới rồi Hồng Phi đại nhân gọi hắn là gì?

- Tần công tử. Đúng, chính là Tần công tử. Hả?

Thủ vệ cửa giáp vừa nói xong bỗng nhiên sửng sốt, nhìn bảo vệ cửa Ất, sắc mặt khó coi nói:

- Chẳng lẽ là, cái tên kia của Tần gia ?

Bảo vệ cửa Ất cũng hoảng lên, nói:

- Làm sao giờ? Có nên nhanh chóng đi báo cho gia chủ không?

Thủ vệ cửa Giáp do dự một lúc, lắc đầu nói:

- Thôi mặc kệ. Hắn là do Hồng Phi đại nhân dẫn vào, xảy ra chuyện cũng không đổ lên đầu chúng ta. Lại nói, gia chủ hiện giờ đang đãi khách, chúng ta không cần tìm thêm phiền toái.

Không nói hai tên thủ vệ dùng mắt chó nhìn người đang thương lượng thế nào, Tần Lập theo sau Thượng Quan Hồng Phi, đi vào bên trong.

Trên đường, Thượng Quan Hồng Phi tuyệt đối là tâm phúc của Thượng Quan Thiết, hơi ngượng ngùng nói với Tần Lập:

- Tần công tử, thực xin lỗi. Chuyện này, lão gia tử thực sự không biết, mấy người thường chúng ta căn bản là không thay đổi được ý của gia chủ đại nhân.

Tần Lập mỉm cười, khoát tay áo nói:

- Không sao. Lần này ta tới là muốn gặp gia chủ đại nhân nhà ngươi đó.

- Có một vị khách quý từ đế đô đến đây, nghe nói là hoàng thân, còn mang theo thủ dụ của Hoàng Phi Thượng Quan. Hình như… hình như là đến cầu thân.

Tần Lập hơi sửng sốt, lập tức hỏi:

- Thi Vũ?

Thượng Quan Hồng Phi cười khổ gật đầu nói:

- Kỳ thực, chuyện màu da của Thi Vũ tiểu thư dần dần chuyển biến tốt đẹp trong Thượng Quan gia sớm đã biết rồi, nếu không gia chủ cũng không có khả năng kiên định hối hôn với công tử như vậy. Vị khách quý trong kia, nghe nói…

Thượng Quan Hồng Phi cảnh giác nhìn thoáng qua bốn phía, mới đè thấp giọng nói:

- Nghe nói… người tới là Thái tử điện hạ!

- Thái tử?

Trong mắt Tần Lập hiện lên sát khí, chẳng quản ngươi là ai, dám tranh lão bà với ta, ta đều không tha!

- Cho nên, lúc này gia chủ chưa chắc đã gặp cậu đâu.

Thượng Quan Hồng Phi nói xong, lắc lắc đầu:

- Thậm chí còn có thể đuổi công tử đi nữa. Ôi! Lão gia tử bế quan lâu như vậy, vẫn không có động tĩnh gì, thật sự là gấp muốn chết người màNếu lão gia tử vẫn làm chủ thì tuyệt đối không thể có chuyện thế này xảy ra đâu!

Tần Lập từ chối cho ý kiến, chỉ cười cười, sau đó nói:

- Không quan hệ, ngươi cứ nói với Thượng Quan Bất Hối, nói Tần Lập đã tới, hắn sẽ gặp ta.

Thượng Quan Hồng Phi bất đắc dĩ cười khổ một tiếng, thầm nghĩ, "vị này cũng thật là không dễ chọc". Vừa rồi Tần Lập tản mát ra luồng khí thế kia, hắn rõ ràng cảm nhận được áp bách mãnh liệt! Sau khi nhìn thấy Tần Lập, sự kinh ngạc trong lòng đã lên đến tột đỉnh rồi, phải biết rằng, một năm trước Tần Lập vẫn chỉ là một võ giả yếu nhược mà thôi!

Không thể tưởng được, chỉ một thời gian ngắn chưa tới một năm đã có thể tiến bộ tới như thế. Gia chủ à gia chủ, ngài thật sự là nhìn lầm rồi! Một võ giả thiên tài có tiềm lực như thế, chỉ sợ là Hoàng Thượng nhìn thấy cũng sẽ dùng quan to lộc hậu thu mua lấy, hơn nữa còn đối đãi như người trên. Tần Lập năm nay mới có mười bốn tuổi, trước ba mươi tuổi chắc chắn có khả năng tiến vào cảnh giới Thiên cấp!

Thiên cấp cường giả ba mươi tuổi, đây là khái niệm gì?

Thượng Quan Hồng Phi dẫn Tần Lập đến phòng khách, một mình đi gặp gia chủ Thượng Quan Bất Hối.

Lúc này, Thượng Quan gia đang ở trong một căn phòng xa hoa, mở tiệc chiêu đãi quý nhân đến từ hoàng tộc. Một số con cháu dòng chính của Thượng Quan gia đều đứng tiếp khách, cả đám người đều tươi cười đầy mặt.

Không có biện pháp, Thượng Quan gia tuy rằng cũng là hoàng thân quốc thích, nhưng vị trước mắt này lại là Thái tử!

Đây là thân phận kinh người cỡ nào, đây chính là quốc quân Thanh Long tương lai đó! Tuy rằng Nhị điện hạ cũng rất nổi trội, tài hoa hay võ công đều có thể nói là thiên tài, nhưng Thanh Long quốc chưa bao giờ có vua là con thứ, trừ khi vị nhị hoàng tử kia dám tạo phản. Cho nên, phế trưởng lập ấu, là tuyệt đối không thể.

Cho nên, đối mặt với vị Hoàng đế tương lai này, Thượng Quan gia từ trên xuống dưới, bao gồm cả gia chủ Thượng Quan Bất Hối đều cẩn thận hầu hạ, rất sợ đối phương có điều bất mãn.

Thái tử Triệu Tinh Hà khuôn mặt như quan ngọc, mày kiếm mắt sao, dáng người cao to. Hơn nữa từ nhỏ sinh trưởng trong gia đình hoàng tộc, cỗ khí chất hiên ngang kia con cháu quý tộc tầm thường vốn không thể so sánh cùng.

Trên mặt hắn trước sau đều lộ ra nụ cười ôn hòa, thấy người Thượng Quan gia cẩn thận, hắn còn chủ động cười nói:

- Thượng Quan gia chủ, không cần khách khí như vậy. Dựa theo bối phận, ta cũng chỉ là vãn bối của ngài, Hoàng phi Thượng Quan vẫn thường chiếu cố ta.

Thượng Quan Bất Hối khiêm tốn cười, trong lòng nghĩ: "So với Thái tử trước mắt này, tên Tần Lập tiểu tạp chủng kia căn bản là không bằng cặn bã! Cũng không biết phụ thân lúc ấy nghĩ sao nữa, thật sự là già quá nên hồ đồ!"

Luận gia thế, một người là Hoàng đế tương lai, một kẻ là tên con hoang bẩn thỉu, thật là trên trời dưới đất mà! Luận diện mạo, tuy là diện mạo Tần Lập không kém, nhưng sao có thể so với khí chất cao quý của Thái tử? Lại nói thực lực, Thái tử điện hạ mới mười tám tuổi đã có thực lực Huyền cấp bậc chín rồi!

Phải biết rằng, người ta tu luyện cũng không phải là bản chiến kỹ Duy Ngã Độc Tôn chết người kia!

Ấn tượng trong lòng Thượng Quan Bất Hối đối với Thái tử quả thực coi như trời rồi. Nhất là muội muội hắn, Hoàng phi Thượng Quan để Thái tử mang thư tới, còn nhắc tới chuyện tốt nhất là có thể hứa gả Thượng Quan Thi Vũ cho Thái tử. Trong thư, Hoàng phi Thượng Quan đưa Thái tử điện hạ lên khen hết lời một phen, nói hắn ôn hòa có lễ, nhân phẩm rất tốt, lại là quốc quân tương lai. Bằng vào gia thế của Thượng Quan gia, chỉ cần Thượng Quan Thi Vũ có thể gả cho Thái tử, vậy thì tất nhiên sẽ thành Hoàng hậu!

Nghĩ lại thì, đó chính là Hoàng hậu, mẫu nghi thiên hạ đó! Đến lúc đó, Thượng Quan gia sẽ hiển hách cỡ nào, sẽ vinh quang thế nào!

Trong lòng Thượng Quan Bất Hối đã nóng như lửa rồi, cười nói với Thái tử:

- Điện hạ! Cháu gái của ta trước đây có bệnh trong người bên không tiện nói ra, nói vậy ngài cũng nghe nói rồi, làn da màu lam, bị người khác đồn tin là yêu nghiệt. Nhưng trên thực tế thì từ năm trước, làn da của nàng đã khôi phục lại bình thường, lời này tuy bất kính, nhưng ngay cả muội muội của ta, Hoàng phi nương nương cũng không có tư sắc xuất chúng bằng cháu gái của ta đâu!

Triệu Tinh Hà vẻ mặt tươi cười, nếu chưa từng nghe Hoàng phi Thượng Quan nói, hắn cũng không động tâm, vì sao phụ hoàng hắn lại yêu quý Hoàng phi Thượng Quan? Còn không phải gương mặt quốc sắc thiên hương của nàng kia sao, không phải da dẻ trắng nõn, eo nhỏ linh hoạt như xà vương kia sao?

Nghĩ đến Thượng Quan Thi Vũ còn xuất sắc hơn, Triệu Tinh Hà cũng nóng lòng hẳn lên, bưng lên chén rượu, nói:

- Như thế, vậy làm phiền Thượng Quan gia chủ rồi! Tinh Hà trước kia từng cự tuyệt phụ hoàng an bài hôn sự, đối với Thi Vũ cô nương thực có tình ý, lần này tới đây cũng là vì chuyện này. Nếu Thượng Quan gia chủ đồng ý, ta trở về sẽ thỉnh cầu phụ hoàng.

Thượng Quan Bất Hối vừa muốn đáp ứng, ngẩng đầu lên, lại thấy hộ vệ thiếp thân của phụ thân Thượng Quan Hồng Phi đứng ở cửa, đang nhìn mình.

Tuy rằng hắn rất bất mãn với phụ thân, nhưng đây cũng chỉ là nghĩ trong lòng thôi, hơn nữa đối với mấy đại hộ vệ bên người phụ thân, trước giờ thái độ của Thượng Quan Bất Hối đều rất ôn hòa, đó đều những cao thủ mạnh mẽ! Cho dù đặt mình lên cây đại thụ hoàng tộc này, nhưng thực sự dựa vào, phải là những kẻ trung thành trong gia tộc này.

- Là Hồng Phi à, sao ngươi lại tới đây?

Thượng Quan Bất Hối cười gật gật đầu với Thượng Quan Hồng Phi, nói với Thái tử :

- Điện hạ, đây là hộ vệ bên người cha ta, võ giả Địa cấp.

Sâu trong mắt Triệu Tinh Hà hiện lên sự trào phúng rất khó phát hiện, hơi gật đầu:

- Ồ, Thượng Quan gia nội tình thực thâm hậu, võ giả Địa cấp đã không tệ rồi.

Thượng Quan Bất Hối biết là Thái tử nói khách sáo, cũng không quá để ý, thấy Thượng Quan Hồng Phi như có việc muốn nói, đứng dậy, đi tới cửa, nhẹ giọng hỏi:

- Làm sao vậy?

- Tần Lập đến đây.

Thượng Quan Hồng Phi nhìn thoáng phía trước mặt, hạ giọng nói.

- Cái gì?

Thượng Quan Bất Hối nao nao, lập tức nhớ tới gương mặt thanh tú quật cường, đồng tử lập tức co rụt lại, nhíu mày:

- Hắn tới làm gì? Ai để hắn vào? Đuổi hắn ra!

Nghĩ một lúc, Thượng Quan Bất Hối lại nói thêm:

- Quên đi quên đi. Chỉ là một tên rác rưởi không tiền đồ mà thôi. Lấy lệnh bài của ta, đi phòng thu chi lấy ra một vạn lượng bạc cho hắn, để hắn cút xa ra một chút, về sau không được đến đây. Thượng Quan gia từ này về sau đã thanh toán xong với hắn.

Thượng Quan Hồng Phi nhìn biểu tình của gia chủ, trong lòng vô cùng thất vọng, muốn nói gì, bỗng nhiên lại thấy tiếng Thái tử.

- Thượng Quan gia chủ, đã xảy ra chuyện gì?

Thượng Quan Bất Hối xấu hổ cười cười, nói:

- Không có gì, một tên đáng ghét tới, ta đang cho người đá hắn ra ngoài!

- Là Tần Lập kia phải không? Ngươi gọi hắn tới đây, bổn vương muốn trông thấy hắn.

Thái tử Triệu Tinh Hà không biết nghĩ đến điều gì, khóe miệng hiện lên nụ cười quái dị.

Tiểu Mùi

98. Chương 98: Bùng Nổ

Thượng Quan Bất Hối rất hận Tần Lập, thầm nói ngươi không có việc gì lại tới đây náo loạn hả? Đồng thời hắn cũng phải nén giận với Hồng Phi, hắn biết, Thượng Quan Hồng Phi có cùng ý tưởng với phụ thân mình, rất bất mãn với quyết định hối hôn cuả mình. Tuy nhiên, đối với ý của Thái tử điện hạ hắn lại càng không chắc, hạ giọng nói:

- - Điện hạ, việc này không tốt lắm đâu. Thân phận của tiểu tử đó…

Nói xong, hắn lại chợt nhớ tới Hoàng đế khai quốc của Thanh Long quốc: Triệu Long Đằng, đành phải nuốt những lời định nói ra vào bụng.

Triệu Tinh Hà tùy ý khoát tay nói:

- - Không sao, bổn vương nghe nói, hắn tu luyện chiến kỹ Duy Ngã Độc Tôn. Ha ha! Không nói gạt ngươi, hoàng gia luôn nghiên cứu bản chiến kỹ này, tuy nói nó là chiến kỹ Thần cấp, uy mãnh bá đạo, đáng tiếc, trước mắt không có ai có thể vượt qua được ba lần niết bàn. Cho nên, ta muốn nhìn xem, trên người hắn có phát sinh kỳ tích hay không.

- - Hơn nữa, nghe nói cả nhà Tần gia bị giết. Ôi! Tần gia cũng coi như là một trong những đại gia tộc giàu có tại Thanh Long quốc, thật là có chút đáng tiếc. Hai thiếu gia Tần gia kia hiện giờ chính là đang đi theo Nhị đệ ta. Ha ha! Tần Lập này, cũng được xem là con cháu Tần gia nhỉ?

Trong lòng Thượng Quan Bất Hối hơi rùng mình. Lời nói của Thái tử tưởng như vô tâm, nhưng thực tế lại để lộ ra một vấn đề. Khoảng cách từ đế đô đến thành Hoàng Sa rất xa xôi, chuyện về một tên con hoang chỉ là một việc nhỏ mà người ta cũng biết rõ ràng như thế. Hơn nữa, hắn nói Tần Phong và Tần Hổ đang đi theo Nhị hoàng tử, trong lời này, có thâm ý!

Từ đầu chí cuối, Thượng Quan Bất Hối vốn không xem Thái tử là một đứa trẻ mà đối đãi. Sinh tại hoàng gia, được vạn người chú ý, từ nhỏ đã nhận được giáo dục hoàn mỹ, tâm trí này có thể kém được sao? Lại nghĩ về lời nói của Thái tử, Tần Lập đã bị Tần gia trục xuất khỏi gia tộc, hơn nữa, trước khi Tần gia bị diệt còn dùng mười vạn lượng bạc thuê người ám sát người này, nghe nói là vì nửa năm trước Tần Lập đã châm ngòi quan hệ giữa Mạc gia và Tần gia.

- - Được rồi, ngươi dẫn hắn tới đây. Bổn vương cũng sẽ không làm hắn khó xử.

Triệu Tinh Hà hơi nhíu mày.

Thượng Quan Bất Hối thấy Thái tử lộ ra vẻ mặt không vui, chỉ đành bảo người gọi Tần Lập tới, trong lòng bất an, thật sự là không có nửa điểm tin tưởng với Tần Lập. Trong thịnh yến ngày trước, trước mặt tất cả các nhân vật Thượng lưu thành Hoàng Sa, Tần Lập đã dám kiêu ngạo như thế, chẳng lẽ đổi thành Thái tử trước mắt này, thì hắn sẽ thành thật sao?

"Chỉ mong hắn có thể thành thật một ít!" Vẻ mặt Thượng Quan Bất Hối âm trầm, hiện tại Thượng Quan gia là do hắn định đoạt, hắn tuyệt đối không cho phép chuyện gì có thể phá hoại kế hoạch của hắn! "Nếu hắn thức thời thì tốt, nếu không…" Trong mắt Thượng Quan Bất Hối hiện lên sát khí.

Trong phòng ăn lớn cực kỳ hoa lệ có bảy tám cái bàn, trong đó hơn nửa là dòng chính Thượng Quan gia, một phần khác là tâm phúc tùy tùng của Thái tử mang tới. Trước đó bọn họ đã ngồi chung với nhau, đàm tiếu nói chuyện, lúc này đều ngưng thần tĩnh khí, nhìn sang bên này không biết chuyện gì xảy ra.

Sau một lát, Tần Lập theo sau Thượng Quan Hồng Phi đi tới, trên đường Thượng Quan Hồng Phi còn dặn đi dặn lại, sợ Tần Lập gây sự trong đó.

Tần Lập vừa vào cửa, liền cảm giác được vài ánh mắt đảo qua trên người mình, trong đó có một ánh mắt cực kỳ âm trầm, chính là Thượng Quan Bất Hối. Tần Lập thản nhiên nhìn lại hắn một cái, sau đó liếc qua Thái tử trong miệng Thượng Quan Hồng Phi, thấy hắn đang đánh giá mình, trong mắt cũng không có ý khinh thường hay trào phúng gì cả.

Tần Lập thầm nghĩ: "Quả nhiên là một nhân tài!"

- - Tần Lập, còn không bái kiến Thái tử điện hạ!

Giọng Thượng Quan Bất Hối trầm trầm, mang theo hương vị cảnh cáo, trước tiên làm rõ thân phận Thái tử, miễn cho tiểu tử này lại giả bộ hồ đồ.

- - Vậy sao?

Tần Lập mỉm cười, nhìn Triệu Tinh Hà nói:

- - Thái tử điện hả, chào ngài!

- - Lớn mật!

- - Láo xược!

- - Nhìn thấy Thái tử điện hạ còn không mau quỳ xuống!

- - Thật sự là đồ con hoang không có giáo dục.

- - Lão gia tử thật hồ đồ, không ngờ lại coi trọng người như thế.

Trừ câu láo xược đầu tiên là của Thượng Quan Bất Hối, câu lớn mật là của đứa con cả của Thượng Quan Bất Hối, Thượng Quan Hiên Vũ. Vị thế tử của Thượng Quan gia này cũng ước gì muội muội mình thành hoàng thân quốc thích, trước kia hắn vẫn học ở Học viện Đế quốc, năm nay tốt nghiệp. Mười tám tuổi có được thực lực Huyền cấp bậc ba, được Hoàng đế bệ hạ tự mình ban thưởng, phong làm Nam tước, tuy không phải thừa kế, nhưng ở Thanh Long quốc mà có được thân phận quý tộc thì đã được cho là tuổi trẻ đầy hứa hẹn rồi!

Lần này Thái tử điện hạ tới, hắn là người cao hứng hơn ai hết, nếu việc hôn nhân này có thể thành thì hắn có thể thành quốc cữu gia rồi! Cho nên hắn đối với Tần Lập quả thực là phản cảm.

Về phần những tiếng huyên náo sau đó đều là dòng chính Thượng Quan gia. Những tâm phúc dưới tay Thái tử điện hạ một người cũng đều không phát ra tiếng, bởi vì không đợi những người này nói, những người Thượng Quan gia đã làm thay rồi.

- - Tần Lập, ngươi có biết người trước mặt ngươi là ai không? Há có thể để ngươi càn quấy!

Thượng Quan Bất Hối phẫn nộ trách mắng.

- - Không sao, không sao.

Triệu Tinh Hà nở nụ cười chân thành, không nhìn thái độ của mọi người, nhìn Tần Lập cười nói:

- - Ta thích người chân tình.

Tần Lập cũng tươi cười:

- - Nhưng ta cũng không thích người nham hiểm!

Nụ cười của Triệu Tinh Hà lập tức cứng lại.

- - Họ Tần, ngươi đừng có được nể mặt còn không muốn, cút khỏi Thượng Quan gia!

Thượng Quan Hiên Vũ vỗ bàn một cái, đứng dậy, căm tức quát lên.

- - Hắn là ai vậy? Sao lại vô giáo dục như thế?

Vẻ mặt Tần Lập ngây thơ, giọng điệu ôn hòa hỏi Thượng Quan Bất Hối.

- - Tiểu súc sinh. Tin hay không ta cho người lập tức đánh gãy chân chó của ngươi, vứt ngươi ra ngoài?

Thượng Quan Bất Hối cũng bất chấp trước mặt Thái tử quát lên. Tiểu tử này ngay cả mặt mũi Thái tử cũng không cho, để hắn tiếp tục đứng ở đây thì chuyện khẳng định sẽ càng lớn.

- - Vứt ta ra ngoài?

Tần Lập vẫn tươi cười như trước:

- - Thượng Quan Bất Hối, ngươi nói rõ ràng đi. Hôn sự của ta và Thi Vũ ngươi dựa vào cái gì mà dám nhúng tay vào? Ngươi là cái thá gì? Đúng, ngươi tuyên bố: “ Hôn ước của Thượng Quan Thi Vũ và Tần

Đi ra khỏi Thượng Quan phủ, hai thủ vệ mắt chó cúi đầu khom lưng nhìn Tần Đại công tử tiêu sái đi xa, trong lòng có chút buồn bực, vì sao Hồng Phi đại nhân không có đưa hắn ra ngoài?

Lúc này sắc trời đã tối muộn, gió đêm phơ phất, một cảm giác lạnh lẽo khiến cho nhiệt huyết sôi trào trong cơ thể Tần Lập bình phục lại một chút, nếu đã dám náo loạn, vậy thì Tần Lập tất nhiên cũng sẽ không sợ làm lớn chuyện.

Làm việc phách lối, làm người khiêm tốn, đây là câu châm ngôn ở kiếp trước của Tần Lập, gần như đại đa số người đều đúng với câu nói này. Tại thời đại pháp chế xã hội phát triển, võ hiệp xuống dốc kia, cũng không chấp nhận được kẻ phách lối. Thậm chí lúc ấy có người đã nói đùa, bang hội ở Hoa Hạ, ai phách lối là muốn chết!

Nhưng đồng thời, thân là cao thủ, trong lòng Tần Lập sao không có ý niệm như vậy trong đầu. Ta muốn trời trên cao kia, không che mắt ta; Ta muốn đất dưới chân kia, không chôn thân ta; Ta muốn tất cả chúng sanh, hiểu được lòng ta; Ta muốn chư thiên thần phật, tan thành mây khói!

Tự do là gì? Tiêu sái là sao?

Chính là đây!

Nhưng đã quen sống dưới bầu trời không được tự do đó, bị trói buộc ba mươi năm làm người, thình lình phải tới Thiên Nguyên đại lục này, pháp chế thô sơ, là thế giới mà cường giả vi tôn, trong lúc nhất thời còn chưa thể nào thích ứng được.

Không sai, Tần Lập giết người không chớp mắt, kiếp trước hắn cũng có thể giết người không chớp mắt!

Nhưng coi rẻ phú hào, không sợ quyền quý cũng là chuyện mà kiếp trước Tần Lập không làm được! Bang phái, tại Hoa Hạ vĩnh viễn chỉ có thể tồn tại ngầm. Không quản ngươi có mạnh mẽ đến đâu, không quản nghề nghiệp của ngươi là gì, đều phải cúi đầu trước cường quyền, cũng không thể chủ động đi trêu chọc phú hào.

Bởi vì, thế giới kia, là do người khác định!

Thiên Nguyên đại lục, cũng do giai cấp phú quý định ra pháp tắc, nhưng, nơi này cũng là thế giới mà cường giả vi tôn! Cho dù ngươi là nô lệ, nếu ngươi có thể đột phá Thiên cấp, cho dù ngươi có muốn trèo lên xe của Hoàng đế, ông ta cũng chỉ có thể cười xòa với ngươi!

Một khi đã như vậy, ta sao phải nhẫn? Ta sao phải cúi đầu?

Ta có thực lực, cũng có năng lực giẫm lên lũ tiểu nhân khốn kiếp cặn bã đó, ta sao phải nhún nhường với chúng?

Trời đất này mình ta đi.

Giờ phút này, Tiên Thiên Tử Khí trong cơ thể Tần Lập điên cuồng dâng trào, hắn cuối cùng cũng lĩnh ngộ được hào khí xung thiên năm đó của Ô Quận Vương!

Cái gì là Duy Ngã Độc Tôn?

Duy Ngã Độc Tôn chính là vĩnh viễn nắm giữ vận mệnh trong tay mình!

Thượng thiên địa hạ, Duy Ngã Độc Tôn!

Chỉ có khí thế kích động trong lồng ngực này mới có thể phát ra được toàn bộ uy lực của bộ chiến kỹ Cửu Thiên Thập Địa Duy Ngã Độc Tôn này!

Tần Lập hít sâu một hơi, thét dài một tiếng!

Tiếng gầm cuồn cuộn khí thế phá trời, như tiếng sấm sét phá trường không!

Gần như toàn bộ thành Hoàng Sa đều bị tiếng thét dài này đánh thức, rất nhiều lão quái vật đang bế quan nghe tiếng mà trợn mắt, trong mắt lộ ra sự kinh hãi, trong lòng đều có một ý niệm: "Thành Hoàng Sa từ bao giờ lại có thêm một Thiên cấp võ giả?"

Thượng Quan Thiết chậm rãi mở hai mắt, đỉnh đầu toát ra bạch khí, hai mắt tinh quang bắn ra. Gần một năm bế quan tu hành, nhưng lại khiến một lão giả tưởng như vĩnh viễn không thể đột phá, thẳng một hơi tiến vào cảnh giới Địa cấp bậc chín!

Nếu không có tiếng thét dài này, lão thậm chí còn muốn một hơi vọt tới Thiên cấp! Thở phào một hơi, Thượng Quan Thiết đứng dậy, nghĩ: Không biết đã bao lâu rồi, phải ra xem sao, trong thời gian này đã xảy ra những gì.

Tần Lập trực tiếp trở về thành Nam, tìm được ba người A Hổ, xe ngựa đã chuẩn bị thỏa đáng, A Hổ đã an bài tốt cho mẹ và cha dượng của hắn, hứa hẹn tương lai nhất định áo gấm về làng, hai lão đã sớm vô tư vô lự bắt đầu hưởng phúc, cùng hy vọng đứa cón có thể có được tiền đồ, cho nên tự nhiên là không theo chân hắn.

Ngồi trong xe ngựa, Tần Lập nhắm mắt dưỡng thần, một đường hướng Bắc, đi về khu dân nghèo. Tây Qua đã đứng chờ từ lâu, cùng cha mẹ lưu luyến không thôi, cắn răng một cái, bước lên xe ngựa.

Xa phu kinh nghiệm phong phú giơ roi lên, một tiếng quất giòn tan vang lên, con ngựa cao to mạnh mẽ giương bốn vó, theo đường cái tiến về phương bắc.

Rất nhanh, xe ngựa đã bỏ lại toàn thành nguy nga đồ sộ kia lại phía sau, càng ngày càng xa.

Từ đầu chí cuối, Tần Lập không hề quay đầu lại, trong lòng mặc niệm: Thành Hoàng Sa, ta sẽ quay về! Tuy rằng ra đi mà không hề khuất phục, nhưng trong lòng tiểu nhân bỉ ổi, ta vẫn chỉ là một kẻ chẳng ra gì, là một nhân vật nhỏ mà bọn họ có thể bóp chết. Nhưng, chờ ngày ta trở về, thân phận và địa vị chắc chắn sẽ đảo ngược!

Tây Qua ngồi chung một xe với Tần Lập có phần kính sợ nhìn vị sư thúc không hơn mình mấy tuổi này. Hắn có cảm giác, chỉ trong một đêm, khí chất trên người sư thúc đã xảy ra biến đổi nghiêng trời lệch đất.

Vốn sư thúc làm người rất khiêm tốn, trên người phần nhiều là thái độ ôn hòa, quân tử phong độ, nhưng tối ngày hôm qua, bỗng nhiên như thay bằng một người khác, khí thế trở nên vô cùng kiêu ngạo, vô cùng bá đạo! Trên người hắn không cảm thấy được nguyên lực dao động gì, nhưng lại khiến Tây Qua có cảm giác mềm nhũn cả người.

Không chỉ có Tây Qua, ba người A Hổ cũng đều cảm nhận được loại biến hóa vô thanh vô tức này. Tuy nhiên, đối với bọn A Hổ thì lại càng mừng khi thấy Tần Lập có biến hóa như vậy.

Bởi vì, chỉ có được dã tâm mạnh mẽ, mơi có thể đạt được sự nghiệp càng lớn lao!

Ôn hòa, nhã nhặn, khiêm tốn, vĩnh viễn chỉ thuộc về nhân vật nhỏ! Ít nhất, ở thế giới mạnh ăn thịt yếu này chính là như thế.

- - Tốt lắm, tốt lắm, tốt lắm!

Nói lên tục ba câu tốt lắm, ngực Thượng Quan Thiết phập phồng, thực sự là tức giận không nhỏ.

Đôi mắt lạnh của lão nhìn thấy vẻ mặt không phục của đứa con, lại nhìn thoáng qua sắc mặt cũng không thể nào gọi là đẹp của Thái tử điện hạ thở phào một cái, thản nhiên nói:

- - Nếu Thi Vũ không muốn, lão phu dù phải liều mạng cũng phải ngăn cản hôn sự này. Nếu Thi Vũ đồng ý, các ngươi, mặc kệ là ai, đều không có quyền ngăn cản! Thượng Quan Bất Hối, ngươi ngu xuẩn đến cực điểm! Việc đã đến nước này, hiện tại ngươi là gia chủ, ta nhiều lời vô ích, chỉ nói cho ngươi một câu, ngươi tất sẽ phải hối hận!

Nói xong, tâm tình vốn hưng phấn của Thượng Quan Thiết đã biến mất không còn chút gì, uể oải rã rời nói:

- - Lão phu đi bế quan, trừ phi gia tộc lâm vào nguy cơ, nếu không, không được làm phiền ta!

Cũng không thèm nhìn tới đám người nhà của mình, nghĩ đến con cháu đời sau, cả nam lẫn nữ, Thượng Quan Thiết xoay người bước đi, trong lòng dâng lên ý niệm bi thương: Cả đám con cháu đông đảo, nhưng không một kẻ có tiền đồ, đều là một đám bất lực!

Từ đầu đến cuối, Thượng Quan Thiết căn bản là không liếc mắt nhìn Thái tử một cái! Cái gì gọi là thâm sâu? Cái gì gọi là khí thế? Cái gì gọi là cường thế? Nhìn Thượng Quan Thiết là đủ để thấy!

Thái tử làm sao vậy? Con gái lão tử vẫn là Hoàng phi đó! Ngươi là Hoàng đế tương lai, nhưng bây giờ ngươi chưa phải!

- - Hắc hắc. Điện hạ, tính tình của cha ta là như vậy ngài đừng chấp nhặt. Chuyện của Thi Vũ, cha nàng đã mất, ta là thúc thúc đương nhiên vẫn có thể làm chủ!

Trên mặt Thượng Quan Bất Hối nhanh chóng đổi thành nụ cười chân thành.

- - Không cần. Việc hôn nhân này, ta không có hứng thú.

Khuôn mặt Triệu Tinh Hà đen lại, sai bảo kẻ dưới, nói:

- - Quay về đế đô!

100. Chương 100: Sự Quyết Đoán Của Phương Hạo Nam

Di Hồng Lâu, thanh lâu tốt nhất ở thành Hoàng Sa là sản nghiệp của Thượng Quan gia.

Thân mình Phương Hạo Nam lõa lồ, nằm trên một nữ tử xinh đẹp. Bàn tay của hắn đang mân mê bộ ngực đầy đặn láng mịn của nữ tử kia, trên mặt lộ ra vẻ đáng tiếc, lẩm bẩm nói:

- Không ngờ hắn cứ như thế mà đi. Ài, thật sự đáng tiếc, còn chưa kịp đến chào từ biệt!

- Ai vậy?

Âm thanh nữ thân ngọt dịu ra vẻ nũng nịu.

- Tần Lập!

- Người con hoang của Tần gia mà bị Thương Quan gia ta hủy hôn kia ư? Hắn thì có cái gì đáng tiếc? Hi hi, chẳng lẽ ngài lại thích nam nhân ư?

Nữ tử xinh đẹp cười rung cả người, khuôn mặt lộ ra vẻ khó tin. Nàng không hiểu, đứa con hoang kia thì có cái gì mà khiến Phương Hạo Nam đáng tiếc.

- Thượng Quan gia các ngươi?

Phương Hạo Nam quay đầu nhìn lại phía nữ nhân xinh đẹp này, biểu tình tựa như cười như không. Bỗng nhiên hắn nâng cánh tay lên…

Bốp

Âm thanh của một cái tát vang lên. Trên khuôn mặt trắng hồng của nữ nhân xinh đẹp này lập tức xuất hiện một dấu tay màu đỏ.

Nhìn đôi mắt ủy khuất khó hiểu của nữ nhân này đang nhanh chóng xuất hiện một tầng hơi nước, Phương Hạo Nam hung tợn nói:

- Hắn là bằng hữu của ta, hơn nữa hắn so với ngươi còn cao quý hơn! Thượng Quan gia các ngươi… Phì!

Hắc y nhân lớn tiếng quát:

- Nếu không ngươi sẽ phải hối hận!

Phốc phốc!

Tần Lập nhanh chóng dùng Ẩm Huyết kiếm điểm hai cái lên người hắc y nhân. Hắc y nhân căn bản không phản ứng, thấy Tần Lập đã đưa kiếm rời khỏi thân mình thì mạnh mẽ oằn người, tay nắm đao liền vung đao về phía Tần Lập.

Đây gần như đã là bản năng của một võ giả cường đại!

Hắn không ngờ rằng thân thể lại truyền tới một cảm giác vô lực, cây đao trong tay rơi ra, tạo ra âm thanh rơi xuống mặt đất. Khuôn mặt của hắc y nhân lập tức xám như tro tàn, đôi môi trở nên run rẩy. Trong mắt hắn lần đầu tiên lộ ra một cơn sợ hãi thấm thía.

- Tiệt Mạch thuật! Không ngờ ngươi biết Tiệt Mạch thuật!

- Tiệt Mạch thuật chó má gì? Ta không hiểu!

Tần Lập ngồi xổm xuống bên người hắc y nhân, mở ra cái khăn che mặt của hắc y nhân. Lộ ra dưới chiếc khăn là một khuôn mặt ở độ tuổi hơn năm mươi, cũng không già nua như trong tưởng tượng. Bởi vì đau đớn nên khuôn mặt lão đang không ngừng nhăn nhúm, nhìn qua có chút vặn vẹo.

- Mắt to mày rậm, sao lại thích làm cái chuyện dấu đầu hở đuôi như thế nhỉ?!

Tần Lập than thở một câu, hướng về bên kia hô lên:

- Tây Qua! Chưa chết thì đến đây đi, lục soát thân thể hắn, sau đó moi từ miệng hắn ra mọi chuyện!

Hắc y nhân mở to hai mắt ra nhìn, cả người dâng lên một nỗi hận ý xông lên tận trời cao!

Tiểu Mùi

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

102. Chương 102: Tra Tấn Ngươi Nhục Nhã Đến Chết

Hắc y nhân lúc này rất phẫn nộ.

“Trước mặt mọi người mà hắn dám gọi một thằng nhóc đến làm nhục ta!”

Tây Qua bên cạnh cười hắc hắc, hưng phấn chạy qua:

- Sư thúc, ta sẽ làm việc này! Hắc hắc hắc! Đây chính là võ giả Thiên cấp a! Trời ơi, ta còn chưa thấy qua võ giả Thiên cấp là cái dạng gì! Hãy để ta nhìn cho đã mắt! Cũng là một cái mũi, hai con mắt sao? Hừ? Ngươi dám trừng mắt nhìn ta ư? Lão bang tử (*) như ngươi mà cũng dám trừng mắt nhìn Tây Qua bang chủ vĩ đại ư?! Sư thúc! Ta đối đãi với hắn như thế nào cũng được phải không?

- Uh! Tùy ngươi, ngươi làm gì hắn thì làm, thậm chí khiêng hắn ra ngoài cho người ta nhìn cũng được, ta không có ý kiến gì cả!

Tần Lập tùy ý nói.

- Tiểu súc sinh! Ngươi dám làm nhục ta như thế ư? Kẻ sĩ khả sát bất khả nhục! Có giỏi thì giết ta đi!

- Ngươi thấy mình ngu chưa?! Lão bang tử như ngươi tưởng mình vinh quang lắm sao? Còn có chút nào là cao thủ Thiên cấp không? Thật làm mất mặt cao thủ Thiên cấp, ta vẫn luôn sùng bái võ giả Thiên cấp! Ngươi trừng mắt ư?

Bốp!

- Còn trừng?

Bốp!

- Vẫn trừng?

Bốp, bốp, bốp, bốp!

- Lão bang tử ngươi, con mẹ nó! Còn dám trừng mắt nhìn ta ư?! Ngươi có tin ta cắt cái phía dưới của ngươi không?!

Tây Qua tát cho cái mặt của hắc y nhân thành giống như một cái đầu lợn! Hắn cũng không sử dụng quá nhiều sức lực, chủ yếu là làm nhục hắn mà thôi! Sau lại còn tát cho hắn thêm mấy cái.

Tây Qua nói xong, đứng dậy nói:

- Ai có con dao nào thật cùn một chút không? Quá sắc ta sợ nhanh quá hắn lại không có cảm giác!

Bộ Yên Vân và Lãnh giao đều xì một tiếng, xoay người rời đi đến một nơi rất xa đứng! Nơi này gây ra động tĩnh lớn như thế mà không ngờ cũng không có ai đi ra xem. Ngôi nhà trọ này bị bọn họ bao trọn bộ nên cũng không có khách nhân nào khác.

Tây Qua đi tới bên cạnh, trong tay mang theo một nửa viên gạch. A Hổ có chút nghi hoặc hỏi:

- Ngươi lấy gạch làm gì?

- Không kiếm được dao cùn thì dùng gạch đập vậy!

Phốc!

Ngay cả Tần Lập cũng không nhịn được, thầm nghĩ mình để cho Tây Qua làm việc này quả đúng là cực kỳ thích hợp! Tiểu tử này chẳng những tâm ngoan thủ lạt mà có đầy các chiêu số, cũng đủ âm hiểm!

Hắc y nhân bên kia thật sự chấn động chưa từng có, mắt thấy thiếu niên như một ác ma, mang theo viên gạch, hắc hắc cười đi về phía mình thì vô cùng xấu hổ và phẫn nộ quát lớn:

- Tiểu tử! Ngươi hôm nay đùa bỡn lão phu, không giết lão phu thì nhất định lão tử sẽ giết cả nhà ngươi! Nhất định dùng thủ đoạn gấp mười lần để trả thù!

- Con mẹ ngươi!

Tây Qua cầm lấy viên gạch hung hăng đánh thẳng vào mũi của hắc y nhân. Dù là võ giả Thiên cấp thì trên người đều có nơi yếu hơn. Huống chi, hắn đã bị Tần Lập điểm huyệt, nguyên lực không thể vận hành, căn bản không thể hình thành hộ thể cương khí, chỉ có thể dựa vào độ cứng rắn của thân thể. Nhất là cái mũi yếu ớt này thì làm sao có lực mà kháng cự được!

- Tiếp theo là mắt!

Tây Qua nói xong, căn bản không cho hắc y nhân cơ hội nào để phản ứng. Cầm viên gạch trong tay hung hắn đánh về phía mắt của hắc y nhân. Hắc y nhân lúc này hồn bay phách tán, hồn vía lên mây! Thủ đoạn của thiếu niên này quả là độc ác, quả thực khiến người ta phải cảm thấy sợ hãi!

Từ khi chào đời tới nay, lần đầu tiên hắn sinh ra cảm giác sợ hãi đối với một kẻ thực lực thua xa mình! Ngay cả Tần Lập, kẻ khiến hắn thân bại, hắn cũng không cảm thấy sợ hãi lắm bởi vì hắn thấy rằng Tần Lập bất ngờ thủ thắng, không phải mạnh mẽ chiến thắng! Đó là cũng vì hắn chưa ngẫm lại chính hắn cũng đang có ý định đánh lén người ta!

Cho nên, ai cũng đối với chính mình thì khoan dung, đối với người khác thì hà khắc.

- Dừng lại!

Tốc độ của viên gạch kia cực nhanh, thời điểm Tần Lập nói ra thì đã đến gần mi mắt đang nhắm chặt của lão già kia, khó có thể dừng lại được!

Nếu Tần Lập nói muộn hơn một chút thì nháy mắt một con mắt của hắc y lão giả khẳng định sẽ bị phế mất!

- Ha ha! Hẳn là đủ rồi! Tây Qua! người ta dù sao cũng là võ giả Thiên cấp, ngươi dùng chiêu thức ấy quả thực là chiêu số của phường lưu manh đầu đường xó chợ rồi!

Thanh âm của Tần Lập lúc này rơi vào trong tai hắc y lão giả thật giống như âm thanh của trời. Hắn mở to mắt, ánh mắt nhìn về phía Tần Lập có thêm đôi chút cảm kích! Đang nghĩ rằng, Tần Lập sẽ cho hắn một chút thống khoái thì lại nghe Tần Lập nói:

- Ngươi dùng phương pháp ấy không ổn, nếu thiếu kỹ thuật thì thoạt nhìn tuy dữ dằn nhưng hậu quả chỉ mới chỉ hơi thê thảm mà thôi! Ngươi phải học lấy một vài chiêu số cao cấp hơn, có muốn ta dạy cho ngươi không?

- Muốn muốn, sư thúc! Ngài cũng biết ta không có văn hóa mà!

Tây Qua tỏ vẻ hổ thẹn cúi đầu xuống, bộ dáng có vẻ chân chân thật thật!

Ba người A Hổ, Bộ Vân Yên, Lãnh Dao trợn mắt há mồm, nhìn hai chú cháu có độ tuổi tầm ngang ngang nhau này, giống như bị hóa đá, đầu óc gần như mất đi khả năng suy nghĩ. Hai tên thiếu niên này rõ ràng chính là ác ma với hai cái sừng dài trên đầu!

Mà hắc y lão giả cũng tức giận tới độ phải phun ra một ngụm máu tươi! Hắn mắng lên với thanh âm thê lương:

- Tần Lập, ngươi làm nhục một võ giả Thiên cấp như thế! Ngươi chắc chắn không được chết tử tế!

- Thế thì lại làm nhục ngươi vậy, xem ngươi làm gì được ta nào?!

Tần Lập ngồi xổm trước mặt lão giả này, cầm lấy khối gạch ở bên Tây Qua, rồi liền ném về phía một mắt của lão giả kia!

Một tiếng kêu cực kỳ thảm thiết vang lên trong đêm vắng. Lão giả đau đến độ muốn ngất đi!

Đám người Tây Qua nhìn đến ngây người, trong miệng Tây Qua thì thào nói:

- Sư thúc! Không phải ngài nói như thế là không có kỹ thuật sao?!

Tần Lập ném khối gạch xong, vận chi như bay điểm vài cái lên người hắc y nhân khiến hắn cầm máu, thản nhiên nói:

- Đối phó với loại người gian ngoan, não không biết nghĩ như thế này thì chiêu này rất hữu dụng!

Đứng dậy nhìn lướt qua không gian yên tĩnh xung quanh, Tần Lập nói:

- Ném hắn lên xe ngựa đi, chúng ta đi!

Lúc này, Bộ Vân Yên mới có chút lo lắng, đi tới bên cạnh dịu dàng nói:

- Tần Lập! Như thế có khiến chúng ta bị bại lộ không?

Khóe miệng Tần Lập nổi lên một chút cười lạnh nói:

- Ngươi cho là không như thế thì chúng ta không bại lộ sao? Bọn họ có thể phái một người tới đây thì còn có thể phái người thứ hai người thứ ba đến! Yên tâm đi, tới đế đô rồi ta biết nên làm cái gì! Ngày mai, trăm dặm phía trước có một tòa thành, Nơi này ta làm cho các ngươi mỗi người một cái mặt nạ. Sau khi dịch dung chúng ta sẽ tách nhau ra hành tẩu. Ta sẽ đi cùng với cao thủ Thiên cấp này, mấy người các ngươi thì phân tán trà trộn vào các thương đội. Sau khi đến đế đô, trong một thời gian chúng ta sẽ không gặp nhau. Các ngươi cầm lấy tiền, mua một gian nhà ở nơi chúng ta đã bàn luận. Sau đó tốt nhất là tạo một gian cửa hàng. Trước không cần vội phát triển, chờ ta xử lý xong mọi việc thì có thể quang minh chính đại mưu cầu phát triển!

- Như vậy có được không?

Bộ Vân Yên đến bên cạnh Tần Lập.

- Như thế có nguy hiểm quá không?

Tần Lập cười cười nói:

- Nếu tiếp tục đi chung với nhau thì mới chân chính là nguy hiểm. Tin ta đi, đã đáp ứng các ngươi thì ta sẽ không thay đổi đâu!

- Ngươi xác định kẻ đến này chính là người của Thái tử?

Lãnh Dao nhẹ giọng hỏi.

- Tám chín phần mười!

Tần Lập nhìn thoáng qua hắc y lão giả vừa bị Tây Qua ném lên xe ngựa, sau đó nói:

- Có một số người, nếu ngươi không đánh cho thật đau thì không chịu nói ra gì đâu!

Ba ngày sau, trên con đường dẫn tới đế đô có một chiếc xe ngựa lẻ loi chạy đi. Người đánh xe thỉnh thoảng lại nhìn về phía cánh cửa xe luôn đóng chặt kia, trong lòng hối hận không thôi. Chỉ vì ham chút bạc mà nhận công việc này!? Bên trong xe có một lão già quả thực rất khủng bố, mù một mắt, hai đùi bị chặt đứt! Hơn nữa dọc đường đi không ngừng mắng mỏ thiếu niên kia! Mà thiếu niên kia lại càng khủng bố, mỗi khi như thế lại không biết sử dụng thủ đoạn gì mà khiến cho lão già kia kêu lên cực kỳ thảm thiết, không ngừng la hét cầu xin mau giết hắn.

"Lần này, sau khi trở về nhất định sẽ không bao giờ làm việc này nữa, nhất định phải tìm một chỗ mà trốn! Dù sao số bạc mà thiếu niên này trả cho mình cũng đủ để dưỡng lão rồi!"

Trong lòng gã đánh xe thầm nghĩ!

Mấy ngày này, Tần Lập trừ việc không ngừng lấy võ giả Thiên cấp mà thí nghiệm thì căn bản không hỏi hắn bất cứ sự tình gì cả!

Đối với Tiên Thiên Tử Khí trong cơ thể mình, Tần Lập còn nhiều chỗ chưa hiểu. Vừa lúc có một cừu nhân võ giả Thiên cấp trước mặt thì làm sao có thể buông tha được!

Có lẽ sẽ có người nói Tần Lập tàn nhẫn, giết người thì chém cho đầu rơi khỏi cổ, thế là xong! Nhưng Tần Lập căn bản không cần quan tâm tới người khác nghĩ về hắn như thế nào. Dựa vào cái gì mà người có thể đến giết ta còn ta không thể tra tấn người, không thể làm nhục người ta!?!

Ta vì sao mà phải làm chính nhân quân tử? Cho tới hôm nay ta cũng chưa từng là chính nhân quân tử!

Kinh mạch của hắc y lão giả sớm đã bị Tiên Thiên Tử Khí chấn thành từng đoạn một, cho dù sống sót cũng hoàn toàn trở thành một phế nhân!

Mà trong khi Tần Lập thí nghiệm thì đã phát hiện ra một thứ khiến hắn cảm thấy cực kỳ vui mừng! Đó chính là Tiên Thiên Tử Khí có thể chữa trị kinh mạch bị đứt gãy trong cơ thể lão già này!

Đây quả là một năng lực nghịch thiên!

Tuy rằng bằng vào thực lực của Tần Lập lúc này muốn chữa trị hoàn toàn kinh mạch cho một võ giả Thiên cấp thì còn chưa được, nhưng nếu cứ tiếp tục tu luyện thì đến một ngày, Tần Lập nhất định có được một thân bản sự mà có thể khiến cho Thiên Nguyên Đại lục lâm vào điên cuồng!

Hiện tại, toàn bộ Tiên Thiên Tử Khí trong cơ thể Tần Lập chỉ có thể miễn cưỡng chữa trị được một phần ba thương tổn kinh mạch cho hắc y lão giả rồi phải nghỉ ngơi ba bốn ngày mới có thể khôi phục lại!

Mà mỗi lần khôi phục lại thì Tiên Thiên Tử Khí trong cơ thể hắn lại càng nhiều hơn, càng tinh thuần hơn trước đó!

Mà hắc y lão giả này, đường đường là một võ giả Thiên cấp mà như rơi vào ngày cùng tháng tận, từ nơi đó đến đế đô, hơn hai mươi ngày, kinh mạch bị chặt đứt của hắn được chữa trị rồi lại bị chặt đứt! Quá trính này cứ lặp đi lặp lại tới ba bốn lần!

Đợi đến khi tường thành nguy nga hoành tráng của đế đô hiện ra trong tầm mắt thì hắc y lão giả đã bị tra tấn cho tới độ hai mắt vô thần, chỉ còn lại một chút tàn hơi nữa mà thôi!

Tần Lập ngồi đối diện hắn tủm tỉm cười nói:

- Ngươi xem, chúng ta lập tức sẽ tới đế đô, cũng sắp nhìn thấy được chủ tử của ngươi rồi! Tâm tình của ngươi có phải đang rất kích động? Ta đoán ngươi nhất định đang rất cao hứng!

Hắc y lão giả không thốt ra câu nào, ánh mắt dại ra!

- Loại người nhu nhược như Triệu Tinh Hà thật đúng là bỏ ra một cái giá rất đắt! Ta đoán dưới tay hắn nhất định có không nhiều tên thực lực Thiên cấp! Ngươi nói xem, nếu ta treo ngươi trên cửa thành trang trọng, tang thương cao lớn kia thì hắn có kích động hơn cả ngươi nữa hay không?

- Súc sinh!

Hắc y lão giả mở mắt ra. Lúc này hắn cũng không phủ nhận thân phận thật của chính mình nữa. Một mắt còn lại bắn ra quang mang vô cùng oán độc!

- Điện hạ nhất định sẽ báo thù cho ta! Tần Lập! ngươi sẽ bị băm thây vạn đoạn, chết không có chỗ chôn!

- Thật không?

Tần Lập bĩu môi.

- Vậy thử xem thế nào!?

* xưng hô người già một cách khinh miệt.

Tiểu Mùi

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

103. Chương 103: Một Vấn Đề Cuối Cùng

Cách đế đô mười mấy dặm là một mảnh rừng tươi tốt, Tần Lập xách lão già áo đen xuống dưới xe ngựa, sau đó nhìn mặt trời trên đỉnh đầu, hiển nhiên nó đang ngã về phía Tây. Kêu người đánh xe im lặng rời khỏi, Tần Lập mang lão già áo đen vào trong rừng, vừa đi vừa nói:

- Lão già! Trời còn chưa tối, chờ trời tối ta sẽ cột lão lên cột cờ trên thành lâu ở đế đô! Ha ha! Đó là nơi cao nhất ở trong đế đô phải không? Ta nghĩ ngươi nhất định chưa từng lên đó! Lần này ta sẽ làm thỏa mãn nguyện vọng của lão, lão cảm thấy thế nào?

- Súc sinh, tên súc sinh nhà ngươi…

Lão già áo đen nghiến răng nghiến lợi nói:

- Tần Lập! Ngươi chết không được tử tế!

- Ôi! Lão già, lời này lão cũng đã nói trên đường rồi. Lão không nói đủ, nhưng ta nghe phát chán rồi. Mong lão hãy nói cách nói mới một chút đi. Tỷ như nói, ta bị một đám mỹ nữ vây quanh, cạn kiệt tinh lực mà chết. Ha ha ha!

Tần Lập mang lão già áo đen đi tới chỗ sâu trong rừng, ném lão ở đó, thu lại vẻ cười trên mặt, nói với vẻ lạnh lùng:

- Lão già! Chắc chắn lão rất hận ta. Ta biết, lão cảm nhận ta làm nhục sự tôn nghiêm của một võ giả Thiên cấp. Tuy nhiên, lão có nghĩ qua, đêm hôm khuya khoắt, lão lặng lẽ tiến vào phòng của ta với hành vi muốn ám sát ta thì cao thượng hơn ta bao nhiêu chứ? Thấy thân thủ giết người của lão, e rằng suốt cuộc đời lão sớm đã có một thân máu tươi! Trong những người lão giết, có bao nhiêu người con, trượng phu, phụ thân của người khác chứ? Lại tạo nên bao nhiêu sự sợ hãi, gia đình cửa nát nhà tan? Khiến cho biết bao nhiêu mẫu thân khóc mù cả hai mắt, khiến cho biết bao nhiêu đứa bé mất cha mẹ biến thành kẻ mồ côi bơ vơ đáng thương? Đừng nói cho ta biết, lão chưa từng làm những điều như vậy!

Lão già áo đen chỉ mở to được một con mắt, khóe miệng lộ ra vẻ cười lạnh, nói với giọng khàn khàn:

- Đã làm thì ta đã làm rồi. Hơn nữa, so với tưởng tượng của ngươi còn muốn tàn nhẫn hơn vô số lần! Nhưng vậy thì sao hả? Sư tử nhào vào đàn dê săn bắt, chẳng lẽ còn quan tâm đến suy nghĩ của của con dê sao? Đáng cười! Ngươi có tư cách gì để dạy ta? Thật quá ngây thơ!

- Chà chà! Lão già này, võ giả Thiên cấp đúng là không bình thường, đến trình độ này mà vẫn còn khí lực để dạy ta. Được rồi. Lúc nào thì ta mới đạt tới cảnh giới Thiên cấp chứ?

Tần Lập tựa như cười tựa như không, nhún vai, đưa hai tay ra nói:

- Xem ra ta vẫn còn xem thường lão. Lão mắng ta là một tên súc sinh, nhưng thật ra lão cũng là súc sinh! Không, lão còn không bằng cầm thú!

Lão già áo đen trợn cặp mắt trắng dã, rồi mặc kệ Tần Lập. Dọc theo đường đi, loại thống khổ kinh mạch như đứt ra từng khúc, đã đạt tới cực hạn mà con người có thể chịu đựng! Nếu không phải tiểu súc sinh tâm ngoan thủ lạt cứu giúp thì mình sớm đã không biết đau đớn thống khổ biết bao nhiêu lần. Có lẽ càng như vậy thì lão già áo đen càng thống hận Tần Lập.

Đồng thời đối với người thiếu niên này thực sự sinh ra bóng ma to lớn trong lòng. Hiện tại lão chỉ mong sao mình có thể chết nhanh hơn một chút, càng sớm chết càng sớm giải thoát!

- Nếu như lão có thể làm cho ta một chuyện thì có lẽ ta có thể cho lão chết vinh quang một chút, sẽ không dùng phương pháp dọa treo lão lên cột cờ. Dù sao lão cũng có tôn nghiêm chứ?

Trên mặt Tần Lập bỗng nhiên lộ ra nụ cười nhân hậu, giống như đang tâm sự.

- Lão yên tâm, ta tuyệt đối không hỏi về chuyện thái tử. Loại người nhu nhược như hắn còn không đáng để lão tử dùng trăm phương ngàn kế để đối phó.

Lão già áo đen vốn quyết tâm không nói một lời, tùy ý Tần Lập tra tấn, nhưng nghe thấy Tần Lập không hỏi lão về chuyện Thái tử, con mắt còn lại mở ra, nói:

- Ngươi giữ lời nói chứ?

- Lão chỉ có thể cầu xin ta nói ra giữ lời.

Trên mặt Tần Lập lộ ra một chút vẻ cười trào phúng:

- Lão không có tư cách gì nói điều kiện với ta! Lão có tin rằng ta có thể làm cho lão còn sống rồi sau đó lột sạch treo lão lên cột cờ? Tuy rằng lão từng có thực lực rất mạnh, nhưng ở đế đô này tuyệt đối sẽ không phải không có kẻ thù nhỉ? Ta tin rằng, trong tình huống kẻ thù nhìn thấy lão như vậy, nhất định sẽ rất vui mừng!

- Ngươi là ác ma!

Lão già áo đen rít gào nói.

- Tùy lão nói thế nào, hiện tại lão hiểu rõ rồi chứ? Làm thế nào để xử lý lão thì phải xem tâm tình của ta. Ta muốn hỏi lão những điều lão có thể không nói, tuy nhiên không chỉ một mình lão biết! Chuyện đó ta trước sau gì cũng biết, lão nói xem, ta sao phải hứa hẹn với lão cái gì chứ?

- Ngươi hỏi đi.

Vào lúc này, lão già áo đen hoàn toàn hiểu rằng, cho dù lão có kiên trì như thế nào thì cũng không cách nào thay đổi gã thiếu niên trước mặt này thật sự là ác ma, chuyện gì cũng làm được. Nói đạo lý với ác ma, căn bản như đàn gảy tay trâu, giống như không thể nói chuyện băng tuyết với sâu bọ sống mùa hạ!

- Ôi! Như vậy mới ngoan chứ!

Tần Lập cười nói:

- Nói với ta về đại lục Thiên Nguyên một chút đi. Nơi ta đi qua quá ít, chưa có nhiều kinh nghiệm. Lão không cần kể lại quá tỉ mỉ, đại khái nói một chút để cho trong đầu ta có chút khái niệm là được.

Lão già áo đen sửng sốt, không ngờ vấn đề mà Tần Lập hỏi lại đơn giản như vậy. Bất kỳ người nào am hiểu lịch sử của Đại lục, cũng có thể nói được một mảng lớn? Tuy nhiên lại nhớ đến thân phận của Tần Lập, là đứa con hoang cho tới bây giờ vẫn chưa được đi học. Không biết vì sao, trong lòng lão già áo đen không ngờ nổi lên một ít đồng tình. Nhưng một chút đồng tình này rất nhanh được thay thế bằng sự phẫn nộ. Mẹ nó! Lão tử làm sao mà đồng tình với ác ma này chứ!

đất hai trăm thước, trên bầu trời cũng có trận gió rất lớn, hơi vô ý sẽ bị gió thổi đi. Tuy rằng võ giả Thiên cấp không đến mức ngã chết nhưng có chút chật vật là không thể tránh.

Nhưng hiện tại không ngờ có người đánh chết một người, lại treo lên đó! Thực lực cao bao nhiêu chứ? Hơn nữa, đây quả thật chính là mạnh mẽ đánh một cái tát cho hoàng thất Thanh Long quốc nha!

Miếng vải thô trắng kia rất nhanh tìm được nơi xuất xứ. Chủ quán kia vốn đang phẫn nộ giải thích chuyện mất trộm đêm hôm qua với mọi người chung quanh. Sau khi biết vải bố của nhà bọn họ dùng ở nơi nào, chủ quán hối hận muốn chết. Chỉ hận chiếc miệng xấu của mình, vì sao phải tới nơi ồn ào, chuyện này nếu hoàng thất trách tội thì tru di cửu tộc bọn họ cũng còn nhẹ!

Chuyện này đối với Thanh Long hoàng gia, đối với thái tổ hoàng đế Triệu Long Đằng, quả thực chính là vũ nhục rất lớn!

Rất nhanh, toàn bộ một nhà chủ quán đều bị mang đi, binh sĩ tuần tra trên thành lâu ở cửa Nam đêm đó cũng thần bí biến mất.

Chuyện này thành đề tài nhiều câu chuyện ở khắp các ngõ nghách trong thành Thanh Long. Ít nhất tương lai mấy tháng sau, đề tài này không có dấu hiệu suy giảm.

Mà người thường mãi mãi cũng nhìn không ra. Từng luồng mạch nước ngầm hình thành từng luồng lốc xoáy to lớn, thổi quét bao nhiêu đại tộc hào môn đi vào. E rằng chỉ có người ngồi trên long ỷ mới rõ ràng nhất.

Mà Tần Lập là người khởi xướng chuyện này, căn bản cũng thật không ngờ, hành động của mình lại gây nên hậu quả kinh thiên động địa như vậy. Giống như một con bướm vỗ cánh ngoài ngàn dặm, tạo nên một cơn gió lốc to lớn ở bên này. Hành động của hắn chẳng những làm cho Triệu Tinh Hà thất điên bát đảo, còn ở trên mặt hoàng thất Thanh Long quốc, hung hăng tát một cái!

Mà ảnh hưởng sâu xa mang tới , thậm chí còn trực tiếp ảnh hưởng đến ngôi vị hoàng đế tương lai của Thanh Long quốc!

Nếu Tần Lập biết, nhất định cười giống như tiểu tặc, hết sức vui vẻ.

Lúc này, Tần Lập hoàn toàn thay đổi một gương mặt mới. Hắn biến thành một công tử gia anh tuấn tiêu sái mười bảy mười tám tuổi, cầm quạt xếp trong tay, quần áo hoa lệ, gật gù đắc ý đi trên con đường cực kỳ phồn hoa ở thành Thanh Long, đối với đám con gái xinh đẹp đi ngang qua, bình phẩm từ đầu đến chân.

Bộ dáng đó, nếu như mấy tên cẩu nô tài đi theo phía sau, chính là một bại gia tử ăn chơi trác táng!

Tiểu Mùi

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

105. Chương 105: Thành Thanh Long

Ngày trước khuôn mặt hơn hai mươi tuổi đã có người lấy đi, mà giá trị của nó cũng nhỏ cho nên Tần Lập mới có thể làm một tấm nữa. Trước đây khó làm, đó là vì trong tay không có tiền. Hiện tại, tuy rằng Tần Lập chưa nói tới đại phú đại quý nhưng một chút tiền làm mặc nạ, bao giờ cũng có thể lấy ra.

Cho nên, khuôn mặt nạ hiện tại cũng càng thêm chính xác với niên kỉ hiện tại của hắn. Nhưng tuyệt không ai liên tưởng tới Tần Lập.

Tần Lập cũng không nóng lòng đi tìm đám người A Hổ. Bọn họ cũng là những thợ săn có kinh nghiệm phong phú, càng hiểu nhiều về đạo sinh tồn so với người thường. Huống chi, bộ dáng sau khi đám người A Hổ dịch dung ở trong thành lớn Thanh Long gần ngàn vạn nhân khẩu, hoàn toàn không có bất cứ nguy hiểm gì.

Việc Tần Lập phải làm, là trong khoảng thời gian ngắn, hoàn toàn dung nhập vào trong thành Thanh Long, có được một thân phận hợp pháp. Sau đó lại lấy một thân phận khác, lại nhận biết đám người A Hổ, chỉ có như vậy mới có thể ngăn chặn hết tai họa về sau.

Tần Lập ở kiếp trước, thân là lãnh tụ bang hội, trên thực tế có nhiều lúc, hắn cũng ở vào một vị trí siêu nhiên, nội vụ bang hội cũng không cần hắn đi xử lý, mà hắn chỉ cần quản lý tốt vài tên thủ hạ tâm phúc của mình là được rồi. Như vậy thời gian cho hắn rất đầy đủ, có thể dùng để học tập những thứ mà hắn cảm thấy hứng thú.

Ngôn ngữ chính là một trong ham muốn của Tần Lập. Chung quy hắn cảm thấy mang một phiên dịch bên mình, tuy rằng uy phong nhưng lại có cảm giác bị quản chế. Hơn nữa, có lúc người phiên dịch chưa chắc có thể hoàn toàn chuyển đạt tư tưởng của đối phương cho mình.

Cho nên, Tần Lập bỏ thời gian học tập ngôn ngữ các nước, cũng chính lúc đó hắn mới phát hiện, thiên phú thật sự của mình là ở đây!

Bởi vì Tần Lập chỉ dùng không đến thời gian ba năm, nắm vững mười lăm ngôn ngữ của các nước. Hơn nữa, lợi hại nhất là ngay cả khẩu âm cũng có thể bắt chước giống đến tám phần. Diện tích quá lớn của Thiên Nguyên đại lục, ngôn ngữ cũng không thể thống nhất hoàn toàn. Tuy nhiên trải qua vô số năm phát triển, có lẽ cho ra một loại ngôn ngữ thông dụng đại lục hợp chuẩn, tựa như ngôn ngữ mà đám người Tần Lập hiện tại sử dụng, cũng là ngôn ngữ thông dụng của đại lục. Bởi vì khi mọi người ý thức được tầm quan trọng của ngôn ngữ thì các quốc gia cũng bắt đầu phát triển nó theo bản năng.

Cho tới hôm nay, trên cơ bản ngôn ngữ thông dụng của đại lục đã thay thế ngôn ngữ vốn có của nó. Tuy nói là như thế nhưng vẫn có nhiều nơi khác nhau vẫn còn giữ lại ngôn ngữ địa phương.. Tỷ như nói, người phương Bắc của Thanh Long quốc, lời nói hơn phân nửa có chút hào sảng, giọng nói rất lớn, làm cho người ta cảm giác rất nhiệt tình, tương tự với lời nói với người của Tu La quốc; Mà người phương Nam của Thanh Long quốc giọng nói có chút mềm mại ôn hòa, nghe ra vô cùng thoải mái, rất gần giống với khẩu âm của người Khí Khâu quốc.

Về phần Đại Sở quốc ở phía Đông cùng với Đại Tề Quốc ở phía Tây cũng có khẩu âm bất đồng, một số phương thức biểu đạt tỉ mỉ cũng đều có sự khác biệt.

Tần Lập đâu? Hắn tìm một nhà trọ rất lớn nhưng giá cả cũng không đắt tiền bao một gian phòng ở lại lâu dài.

Đặc điểm của loại nhà trọ này, nơi chốn đủ lớn, cũng đủ phong thái, phục vụ cũng rất chu đáo, giá cả không đắt, người hơi có chút tiền cũng có thể chấp nhận được. Cho nên những thương đội đến từ các quốc gia, cũng rất thích ở những địa phương như vậy.

Mỗi ngày Tần Lập ru rú trong ngày, ngoại trừ tu luyện thì gần như toàn bộ thời gian đều dùng để học tập các thứ ngôn ngữ. Ở lâu ngày, hắn cùng với một số thương đội đóng quân trường kỳ ở nơi này, tạo được một chút giao tình với nhau, không việc gì thì uống rượu. Dần dần, khẩu âm nói chuyện của Tần Lập đã hoàn toàn thay đổi, biến thành khẩu âm của Đại Tề quốc ở phương Tây.

Lúc này, Tần Lập tráng kiện như một tên phú thương đến từ Đại Tề quốc, hơn nữa trong một lần bọn lưu manh đòi tiền tài của phú thương, Tần Lập ra tay giúp đỡ. Hơn nữa hắn còn trực tiếp xách lão đại của bang hội côn đồ kia đến đây, hơi lộ ra chút khí thế, dọa cho đối phương chết khiếp.

Nói đùa, một tên võ giả Địa cấp, làm sao bang hội của bọn chúng có thể đắc tội được cơ chứ? Hơn nữa thấy Tần Lập chỉ khoảng mười sáu mười bảy tuổi, một thân uy áp đó thiếu chút nữa khiến bọn họ hồn cũng bị dọa bay đi. Tuy rằng nhận không ra Tần Lập là võ giả có cấp bậc gì nhưng có một chuyện: Bọn họ không thể trêu vào người như vậy!

Cho nên, chẳng những Tần Lập giúp đỡ phú thương này giải quyết vấn đề trước mắt, mà ngay cả ngay cả buồn phiền sau này cũng giải quyết cho hắn. Lão đại bang hội kia có được thực lực Hoàng cấp bậc chín nói ra, sau này ai dám ở đây khi dễ phú thương này thì liền khó dễ hắn!

Có thể nghĩ phú thương cảm kích Tần Lập đến mức nào.

Mà khi thương nhân ngoại quốc tiến vào nước khác, cũng có thể chứng minh loại thân phận gì đó của mình. Tuy rằng năm nước kết thành liên minh, hiện tại đang ở thời kì nhạy cảm, nhưng tra xét một số thân phận là cần thiết, nếu không chết ở đất khách quê người thì chẳng phải là ngay cả người nhà cũng tìm không thấy sao?

Đối với Tần Lập mà nói, đó chẳng qua là chuyện đơn giản như trở bàn tay, nhưng đối với phú thương mà nói, lại giống như giải quyết phiền toái to lớn. Bằng không bị người ức hiếp tổn thất tiền tài không nói, nhưng vẫn luôn nơm nớp lo sợ.

Hiện tại tốt rồi, ở vùng này, hắn đi đến đâu, cũng không ai dám xem thường hắn.

Do đó, đối với lời nói muốn quyền chứng minh thân phận Đại Tề quốc của Tần Lập, phú thương vội vàng

- Không tốt, hắn tiêu hao quá lớn!

Lãnh Dao kinh hô một tiếng, lập tức lấy ra một cái hộp nhỏ, mở ra hộp ngọc, hương vị bay đầy phòng. Viên nội đan Hắc Thủy Khuê Ngưu kia được Lãnh Dao cầm trong tay, nói:

- Vân Yên, giúp ta đưa hắn xuống dưới!

Bộ Vân Yên nhanh chóng đi tới bên người Tần Lập, nói với giọng run rẩy:

- Hé miệng ra.

Trông thấy miệng của Tần Lập ngậm chặc, một luồng lạnh giá trên thân hắn khiến nước mắt Bộ Vân Yên lập tức rơi như mưa. Lãnh Dao một tay cầm nội đan Hắc Thủy Khuê Ngưu cầm đến, sau đó ngậm vào miệng, dưới cái nhìn chăm chú đến há hốc miệng của Bộ Vân Yên và A Hổ, cúi xuống hôn lên miệng của Tần Lập!

Thân thể Tần Lập bỗng nhiên cứng đờ, miệng thì lại hơi hơi mở ra, Lãnh Dao không sợ ngượng ngùng, dùng chiếc lưỡi thơm tho của mình, nạy miệng của Tần Lập ra. Sau đó đưa nội đan của Hắc Thủy Khuê Ngưu vào trong miệng Tần Lập. Lúc này nàng mới đứng thẳng dậy, khuôn mặt kia sớm đã đỏ như muốn nhỏ máu tươi, giải thích với giọng nói yếu ớt:

- Ta, ta vừa rồi…

Sắc mặt hai người A Hổ và Bộ Vân Yên mặc dù có chút quái dị, không thể tưởng được Lãnh Dao luôn luôn lạnh lùng, hơn nữa còn băng thanh ngọc khiết, không ngờ chịu hy sinh như vậy vì Tần Lập. Nhưng vẫn tập trung chú ý lên trên người Tần Lập, thấy sắc mặt Tần Lập bắt đầu xuất hiện một chút đỏ, lòng ba người rốt cục cũng thả lỏng ra, thở phào một cái.

Thần trí của Tần Lập cũng rất thanh tỉnh, kể cả Lãnh Dao dùng miệng đưa đan hắn cũng rõ. Viên nội đan kia vừa vào trong miệng, theo cổ họng Tần Lập chảy xuống phía dưới.

Ầm!

Một dòng nước ấm to lớn theo cơ thể Tần Lập bắn ra chung quanh!

Đan điền vốn gần như khô cạn, trong nháy mắt liền tràn đầy năng lượng kinh người!

Mà lúc này, thân thể của Tây Qua, như trước giống như một con quỷ tham lam hút máu, điên cuồng hấp thu năng lượng trên người Tần Lập. Cho nên, viên nội đan Hắc Thủy Khuê Ngưu kia phát huy ra tác dụng lớn nhất của nó!

Bản thân Tần Lập cũng không biết rốt cục qua thời gian bao lâu, mà chỉ biết nội đan của Hắc Thủy Khuê Ngưu dường như có năng lượng vô cùng tận, mặc cho thân thể Tây Qua hấp thụ như thế nào, cũng không có nửa điểm dấu hiệu khô kiệt!

Liên tục trải qua bảy ngày, đám người hạ nhân quay lại từ hai ngày trước, toàn bộ khôi phục lại bình thường. Chỉ có trong phạm vi năm mươi thước của gian phòng, được thiết lập thành vùng cấm tạm thời.

Mỗi thời mỗi khắc, cũng có một trong ba người A Hổ bọn họ chờ.

Hoàng hôn ngày thứ bảy, rốt cục Tây Qua đã tỉnh lại, mở hai mắt, hai luồng tinh quang đoạt mắt người! Hắn đứng dậy, thở phào một cái, tay ở chỗ Tần Lập tự nhiên đã thu hồi, nhưng người lại như cũ vẫn không tỉnh lại.

Lúc này tay đặt trên người này là Bộ Vân Yên, thấy Tây Qua rốt cục chuyển nguy thành an, trên mặt Bộ Vân Yên lộ ra vẻ tươi cười:

- Tây Qua, chúc mừng ngươi. Cuối cùng ngươi cũng vượt qua!

Tây Qua giống như chưa nghe qua lời nói của Bộ Vân Yên, nước mắt từ trong hốc mắt nhanh chóng tràn ra, đến trước mặt Tần Lập quỳ gối, nức nở nói:

- Sư thúc, người cũng là đàn ông, người nhất định phải vượt qua nha.

- Tiểu tử, ngươi nói bậy gì đó? Sư thúc người dùng nội đan Hắc Thủy Khuê Ngưu nên đang ở trạng thái bế quan, còn đang sống sờ sờ đó!

Bộ Vân Yên trừng mắt nhìn Tây Qua một cái, đôi mắt cũng có một chút ửng đỏ. Lúc này nàng cũng hiểu được cảm thụ của Tây Qua, thực sự đi qua Quỷ Môn quan một lần, tư vị đó không đủ nói với người ngoài.

Hơn nữa, Tây Qua khẳng định biết Tần Lập cứu hắn. Nếu vì cứu hắn mà bản thân Tần Lập thì rơi vào nguy hiểm, cả đời Tây Qua cũng không thể tha thứ cho mình.

Hai người A Hổ và Lãnh Dao nghe tin lập tức đến, thấy Tây Qua không chuyện gì, cuối cùng mọi người cũng thở phào một hơi. A Hổ nhìn thấy Tây Qua một thân nguyên lực dao động vô cùng mãnh liệt, cười hỏi:

- Tây Qua! Nhân họa đắc phúc nha?

Khóe miệng Tây Qua nhanh nhếch lên, thở dài, lại không nói gì.

A Hổ với vẻ mặt nghi hoặc nhìn Tây Qua:

- Như thế nào, ngươi còn chưa thấy đủ? Hiện tại một thân nguyên lực dao động cường đại của ngươi, như thế nào cũng có cảnh giới Huyền cấp bậc cao. Lần niết bàn trước, không phải trở lại Hoàng cấp sao?

- Ôi, công pháp Duy Ngã Độc Tôn trong thân thể ta hoàn toàn biến mất!

Tây Qua bật đắc dĩ thở phào một tiếng, nói:

- Hiện tại chỉ còn có Nhất Nguyên tâm pháp mà sư phụ đã dạy ta. Nói cách khác, ta vẫn còn cảnh giới Huyền cấp, nhưng ta lại không có bất cứ chiến kỹ nào.

- Hả? Tại sao có thể như vậy?

Vẻ mặt ba người cũng dại ra, cho tới bây giờ họ cũng chưa từng nghe qua loại tình huống này. Chiến kỹ còn có thể vô duyên vô cớ biến mất trong thân thể.

- Cho dù không có vận hành công pháp chiến kỹ, nhưng chiêu thức chiến kỹ sẽ không quên chứ?

Không nghĩ tới, sau khi Bộ Vân Yên hỏi những lời này, Tây Qua vẫn dở khóc dở cười gật gật đầu:

- Đúng vậy, hoàn toàn quên rồi.

- Duy Ngã Độc Tôn, Duy Ngã Độc Tôn.

Lãnh Dao đứng đó thấp giọng nói:

- Chẳng lẽ nói, công pháp này, trên đời chỉ có một người có thể tu luyện hay sao? Nếu không, vì sao kêu là tên này?

Hai người A Hổ và Bộ Vân Yên ở bên kia, cũng gật gật đầu thầm chấp nhận, sau đó nhìn Tây Qua với vẻ mặt đồng tình.

Bộ Vân Yên cười nói:

- Không sao, chỉ cần người còn sống, mọi thứ đều có hi vọng. Mấy chiến kỹ của chúng ta, ngươi cũng có thể học! Nếu như không thích, công tử hắn nhất định sẽ cho ngươi chiến kỹ cao cấp hơn!

Lúc này, Tây Qua đã nghĩ thông suốt, tuy nói hắn không thể dùng lại chiến kỹ Duy Ngã Độc Tôn nhưng sinh mệnh được bảo vệ. Hơn nữa, vẫn còn có một thân cảnh giới này, ít nhất còn có thực lực Huyền cấp bậc bảy, cho dù dùng khí thế cùng quyền cước, người bình thường căn bản cũng không phải là đối thủ của hắn!

Tưởng tượng như vậy, Tây Qua lại cảm thấy vui vẻ hơn. Hơn nữa, Tây Qua trông thấy A Hổ luyện công, cũng cảm thấy được chiêu thức mạnh mẽ cũng không tệ, thầm nghĩ: "Nếu thực sự không được thì học chiến kỹ của A Hổ! Có lẽ trước tiên chờ sư thúc xuất quan rồi nói sau!"

Cũng không từng nghĩ đến, một lần bế quan của Tần Lập là một tháng!

Còn vài ngày nữa là tới năm mới, đám hạ nhân Tần trạch cũng chọn mua rất nhiều hàng hóa chuẩn bị đón mừng năm mới. Cả thành Thanh Long đang bao phủ trong một luồng không khí tốt lành.

Một luồng phong ba thật lớn mà hoàng thất chịu nhục vào mùa hạ, rốt cục cũng bắt đầu trở nên nhợt nhạt, mọi người cũng chuẩn bị một năm tốt.

108. Chương 108: Tăng Lên Thiên Cấp

Bầu trời sáng dần, ngày mới lại đến! Trước tiên người rời giường, bầu trời hôm nay dường như càng ngày càng xanh thẳm rồi đến tím xanh so với lúc xưa.

Thời tiết mùa đông ở thành Thanh Long thì cực kỳ khó gặp. Hơn nữa, phương Đông ở phía chân trời tràn ngập một chút màu tím đầy mị hoặc, nồng đậm hơn xa lúc bình thường rất nhiều lần!

Mà ngay cả những quý tộc hào môn sáng sớm cũng đang quan sát cảnh tượng dị thường này. Có rất nhiều người cho rằng, đây là dấu hiệu báo trước điềm lành từ trên trời!

- Tiểu thư, ngài mau đến xem kìa! Đẹp quá nha!

Một thị nữ của một nhà giàu có đứng trước cửa sổ kêu tiểu thư với vẻ hưng phấn.

- Nha đầu chết tiệt kia, ngươi càng ngày càng không có quy củ, la cái gì chứ!

Một cô gái xinh đẹp đang khoát một bộ áo da cừu lộng lẫy, từ trong phòng đi ra với vẻ lười biếng, thoáng ngẩng đầu, lại bị màu tím kinh người ở chân trời làm cho kinh sợ, miệng anh đào nhỏ khẽ nhếch, chậm rãi nói :

- Thật đẹp quá!

- Lão gia, ngài nhất định phải nhanh tới đây xem, nếu không một lát nữa mặt trời xuất hiện thì sẽ không còn cơ hội để xem.

- Phụ thân! Phụ thân! Ngài mau đến xem, chân trời thật xinh đẹp!

- Bệ hạ, người xem, đây chính là điềm lành từ trời đấy! Nhất định thái tổ hoàng đế biết được nửa năm buồn rầu của ngài nên hiển thánh!

Lý công công đã rất lâu không thấy, mặt đầy vẻ nịnh bợ nói với hoàng đế.

Đương kim hoàng đế của Thanh Long quốc Triệu Nguyên Lễ ngẩng đầu, nhìn màu tím tràn ngập phía chân trời, cũng không kiềm nổi gật gật đầu vui mừng không thôi :

- Loại dị tượng này thật sự là điềm lành! Truyền chỉ cho thiên hạ, sang năm giảm thuế phân nửa!

Bởi vì vùng màu tím kinh người phía chân trời phát sinh đủ thứ chuyện, cũng không hoàn toàn liên quan đến Tần Lập, đúng vào thời khắc quan trọng nhất tấn công vào cảnh giới Thiên cấp!

Không thể không nói, nội đan của linh thú Thiên cấp quả thật quá mức cường đạiMột chút năng lượng bị Tây Qua hút đi, cũng chưa chiếm đến một phần trăm !

Vốn khối không khí màu tím trong cơ thể của Tần Lập cỡ hạt đậu tương, giờ phút này đã hoàn toàn biến mất. Hiện tại nơi đan điền của Tần Lập xuất hiện một lốc xoáy màu tím cỡ nắm tay!

Lốc xoáy chậm rãi vận chuyển, ở phía trên lốc xoáy là một viên nội đan linh thú Thiên cấp Hắc Thủy Khuê Ngưu ngày càng nhỏ.

Tần Lập không ngừng vận hành Tiên Thiên Tử Khí Quyết, trùng kích tẩy rửa kinh mạch trong cơ thể, hắn đã không nhớ mình đã vận hành bao nhiêu lần. Mỗi một lần dường như cũng còn kém một chút mà dường như mắt thấy có thể thành công đột phá Địa cấp, nhưng đều thất bại trong gang tấc!

Tần Tập không vội vã xao động chút nào. Nếu như cảnh giới Thiên cấp có thể dễ dàng đột phá như vậy thì trên đời này võ giả Thiên cấp cũng sẽ không nổi tiếng như vậy!

Cẩn thận nhìn, trong lốc xoáy màu tím dường như ẩn chứa một ngọn núi lửa ở dưới. Ở chính giữa lốc xoáy, chậm rãi nhấp nhô, tựa như cảnh tượng núi lửa trước khi phun trào, không ngừng có bọt khí từ trong dòng xoáy bắn ra, sau đó tan biến đi, dung nhập vào trong dòng xoáy.

Tuần hoàn lập lại như thế, rốt cục khi viên nội đan Hắc Thủy Khuê Ngưu hoàn toàn biến mất thì lốc xoáy màu tím nơi đan điền của Tần Lập đột nhiên ngừng chuyển động.

Toàn bộ thế giới dường như cũng yên tĩnh lại.

Yên tĩnh!

Leng keng! Leng keng! Leng keng!

Giống như âm thanh giọt nước phát ra khi rơi trên thủy đàm tĩnh mịch. Chính giữa lốc xoáy màu tím trong đan điền của Tần Lập, không biết từ đâu rơi xuống vài giọt chất lỏng.

Ầm!

Trong giây lát, lốc xoáy màu tím bắt đầu chuyển động điên cuồng hơn. Một luồng tử khí đậm đặc cỡ chừng ngón út, như lưu tinh từ phía chân trời phá trường không, phóng thẳng tới chỗ thành Thanh Long!

Toàn bộ thành Thanh Long trong nháy mắt lập tức chấn động!

Không biết có bao nhiêu người phát ra tiếng hoan hô kinh thiên, cũng không biết có bao nhiêu người sợ tới mức mặt vàng như đất!

Trong hoàn cung, giọng nói the thé của Lý công công lớn tiếng hô lên:

- Hộ giá! Hộ giá!

Triệu Nguyên Lễ có được tu vi Địa cấp cau mày, quát nhỏ :

- Đủ rồi! Đây là hiện tượng thiên văn! Hô to gọi nhỏ còn ra thể thống gì!

Lý công công nghiên mặt cười nói :

- Bệ hạ thấy biến không kinh khiến nô tài thúc ngựa theo không kịp.

Luồng khí xoáy màu tím trong cơ thể Tần Lập, bị một luồng tử khí từ phía chân trời bắn trúng, ầm ầm bắn ra! Luồng năng lượng kinh thiên kia nháy mắt tràn ngập khắp toàn thân kinh mạchTần Lập. Lập tức một luồng khí thế từ trên thân thể Tần Lập phát tán ra, xông thẳng lên trời!

Tấc cả các võ giả đạt tới cảnh giới Thiên cấp ở thành Thanh Long, bất kể là đang bế quan hay không, toàn bộ đều như có điềm báo trong lòng, đồng thời mở to mắt, lộ ra một chút hào quang kinh hãi.

Có một siêu cấp cường giả sinh ra, võ giả thành công tiến giai Thiên cấp, thực sự sẽ sinh ra khí thế to lớn, thậm chí còn kinh động toàn thành. Nhưng có thể dẫn phát ra hiện tượng thiên văn dị biến, không có người nào không phải siêu cấp cường giả!

Thành Thanh Long từ trước tới nay, chưa từng có loại hiện tượng này!

Là ai có được thực lực mạnh mẽ giống như vậy chứ?

- Mau điều tra xem luồng tử khí kia rơi xuống nơi nào đi!

Lúc này trong nháy mắt có rất nhiều thế lực chưởng môn nhân của những thế lực lớn, đồng loạt phát ra một mệnh lệnh cho cấp dưới!

Thậm chí, ngay cả trong hoàng cung, hoàng đế Triệu Nguyên Lễ cũng phân phó cho Lý công công:

- Đi điều tra xem luồng tử khí kia rơi xuống chỗ nào! Siêu cấp cường giả như thế nhất định phải cho hoàng gia ta sử dụng! Nhớ kỹ, nếu như tìm được, ngàn vạn lần phải lễ ngộ! Hắn muốn cái gì thì ngươi liền đáp ứng cái đó! Nếu cho gia tộc khác cướp đi thì ta bắt ngươi hỏi tội!

Hiện tượng thiên văn này tới nhanh mà đi cũng nhanh, theo đó cỗ khí thế xông lên tận trời cùng với luồng tử khí đậm đặc ở chân trời nhạt dần. Cho đến khi mặt trời lên, ánh mặt trời vạn trượng yên lặng chiếu trên đầu tường thành Thanh Long.

Mọi người đều cảm thấy hưng phấn cực độ, cho rằng đây điềm lành từ trên trời. Năm sau, nhất định rất tốt mà lại không biết, điềm lành này trên thực tế chỉ phục vụ cho một người!

Giờ phút này, trong toàn bộ đan điền của Tần Lập chiếm cứ một dòng xoáy màu tím thật lớn, nó chiếm cứ toàn bộ đan điền của hắn!

Lốc xoáy kia hiện giờ phẳng lặng như nước, chậm rãi lưu động, tựa như ngân hà sáng chói, rực rỡ mê người, Tiên Thiên Tử Khí tinh thuần, sinh sôi không ngừng!

Tần Lập chậm rãi mở ra hai mắt, đôi mắt giống như giếng cổ không gợn sóng, bình lặng giống như một đầm nước mùa thu.

Thoáng hoạt động thân thể, khóe miệng hắn lộ ra một chút ý cười thản nhiên. Vốn còn muốn đi kiểm tra một chút thực lực của mình rốt cục đạt tới trình độ nào, nhưng hiện tại xem ra, đã không còn cần thiết.

Nếu như mình xuất hiện ở bất cứ một nơi kiểm tra nào thì e rằng cũng sẽ gây nên chấn động thật lớn.

Đùa giỡn kiểu gì chứ, trong nhà cường giả Thiên cấp không có dụng cụ kiểm tra? Không ngờ muốn tới nơi kiểm tra để trắc nghiệm? Những người đó còn không cả kinh tới cằm rơi xuống!

Huống chi, Tần Lập cũng không muốn bại lộ thực lực chân chính của bản thân.

Khi hắn có được Địa cấp thì dám đánh bừa Thiên cấp. Hiện tại chân chính tiến nhập cảnh giới Thiên cấp, Tần Lập mới biết được mình có bao nhiêu may mắn. Khi đó chuyện đánh bừa Thiên cấp có nguy hiểm cỡ nào!

Không nói điều gì, lực lượng của võ giả Thiên cấp đâu chỉ hơn kém Địa cấp khoảng trăm lần!

Một quyền vô cùng đơn giản mà võ giả Thiên cấp dùng, uy lực vô cùng to lớn. Mà nguyên nhân bởi vì mình tu luyện chiến kỹ Duy Ngã Độc Tôn nên mạnh hơn người có thực lực cùng cấp rất nhiều!

Vốn đối kháng với võ giả Thiên cấp cần dùng thần kiếm Âm Huyết, cần dựa vào chiến kỹ Duy Ngã Độc Tôn mới có thể đạt được. Mà hiện tại, Tần Lập có lòng tin, có lẽ dùng bảo kiếm mà Phương Hạo Nam đưa cho mình, thi triển các loại võ công sở học ở kiếp trước thì cũng đủ để chiến thắng võ giả cùng bậc!

Đối với chuyện che dấu thân phận của mình thì điều này trợ giúp rất nhiều.

Thở phào một cái, không thể tưởng được lần này mình mới thật sự là người nhân họa đắc phúc! Nếu không vì trợ giúp Tây Qua, mình tuyệt đối không thể hao hết Tiên Thiên Tử Khí cuối cùng trong cơ thể, như vậy cũng không thể xuất hiện một luồng khi xoáy có thể phá rồi lại lập, càng không thể ở thời điểm đột phá gây ra hiện tượng thiên văn dị biến. Luồng Tiên Thiên Tử Khí vô cùng tinh thuần kia, một lần nữa đúc đan điền của Tần Lập!

- Sư thúc! Cuối cùng rồi ngài cũng xuất quan.

Từ tối hôm qua, Tây Qua liền có cảm giác, hôm nay sư thúc chắc chắn cũng sẽ xuất quan! Cho nên, Tây Qua đứng thủ ở ngoài cửa của ngài cả đêm! Ai nói gì cũng không nghe.

Cho dù có được cảnh giới Huyền cấp, đứng ở bên ngoài lạnh giá một đêm, cũng sẽ không thoải mái lắm, nhưng trên khuôn mặt của Tây Qua tràn ngập vẻ cười phát ra từ nội tâm.

- Tiểu tử ngốc, người đứng ở ngoài một đêm ngoại trừ làm cho mình bị đông lạnh ra thì có tác dụng gì?

Tần Lập vừa thấy bộ dáng Tây Qua đông lạnh đến run run nên có chút đau lòng, xụ mặt trách mắng.

- Ha ha. Ta cao hứng, ta cao hứng!

Tây Qua nói xong, há to miệng, nhanh chóng hắt xì một cái.

- Mau cút đi kêu phòng bếp làm cho ngươi một bát canh gừng!

Tần Lập đá nhẹ Tây Qua một cước, vẻ tươi cười tràn ngập vui vẻ. Mặc kệ nói thế nào, sinh mệnh tiểu tử này xem như được nhặt lại.

Chỉ sợ, đây cũng chính là người tu luyện chiến kỹ Duy Ngã Độc Tôn từ trước đến nay đã trải qua ba lần niết bàn lại có thể sống sót nhỉ?

Ba người A Hổ và Bộ Vân Yên, Lãnh Dao lúc này đều chạy đến, nhìn thấy Tần Lập thần thanh khí sảng, cũng hết sức cao hứng. Bộ Vân Yên tủm tỉm cười dịu dàng nói :

- Công tử, chúc năm mới vui vẻ.

A Hổ cũng nhếch miệng cười nói :

- Năm mới vui vẻ!

Bên kia Lãnh Dao đối mặt với Tần Lập, trên mặt có chút mất tự nhiên, một chút đỏ ửng lặng lẽ dâng lên, vẫn còn đang duy trì loại trong trẻo nhưng lạnh lùng, lại không biết vì sao trong lòng lại loạn lên.

Tần Lập nhìn Lãnh Dao, cười ôn hòa nói:

- Lãnh Dao. Chúc mừng năm mới!

- Hả! Tốt, tốt!

Thần sắc Lãnh Dao có chút bối rối tránh né ánh mắt ôn hòa của Tần Lập. Chung quy cảm thấy được, trong ánh mắt của hắn ẩn dấu một chút ý vị nói không nên lời.

Bộ Vân Yên và A Hổ phía đối diện cười trộm, biết bên ngoài Lãnh Dao lạnh lùng, nên chưa từng trêu ghẹo nàng. Bốn người vào nhà ăn, Tần Lập đã lâu rồi chưa ăn cơm nên khi đối mặt với rượu và thức ăn phong phú quá nhiều trên bàn, ăn rất vui vẻ.

Cùng đêm đó, thành Thanh Long pháo hoa đầy trời, đủ thứ màu sắc, trang trí cho bầu trời đêm rực rỡ. Một mình Tần Lập lặng lẽ đứng ở noi đó, nhớ tới khuôn mặt tuyệt sắc kia, nhẹ giọng nói:

- Hai năm rồi, nàng có khỏe không?

Tiếp đó lại nghĩ tới ngày hôm nay khi Lãnh Dao đối mặt với mình có vẻ mất tự nhiên, trong lòng Tần Lập có chút áy náy. Vốn hắn chắc hẳn là nói gì đó với Lãnh Dao, ít ra cũng có thể cảm tạ công lao của nàng đối với mình.

Nhưng câu nói này Tần Lập cảm thấy mình không nói nên lời, càng không thể hứa hẹn gì với nàng.

Tất cả chuyện này, đơn giản là trong lòng Tần Lập, vẫn luôn có chút áp lực. Nếu như không thể bước lên Huyền đảo, quang minh chính đại đưa người đàn bà của mình về thì hắn tuyệt sẽ không chấp nhận những cô gái khác!

Bởi vì một người đàn ông ngay cả vị hôn thê của mình cũng không bảo vệ được thì có tư cách gì bảo vệ con gái khác?

109. Chương 109: Phát Triển Thương Nghiệp Của Tần Lập

Những ngày năm mới trong nước bắt đầu trong vòng một tháng, được gọi là tháng hoan lạc mặc sức vui chơi. Mọi người đều sẽ đắm chìm trong bầu không khí ngày hội, thoải mái, vui vẻ.

Quân đội của quốc gia tháng này cũng thay phiên nhau nghỉ phép thường niên. Có thể nói, tháng này là một tháng thoải mái nhất trong năm của toàn bộ từ trên xuống dưới Thanh Long quốc.

Mãi đến năm nay, Tần Lập mới coi như thực sự ổn định. Nghĩ lại hai năm qua ở thế giới này quả thực là không thoải mái.

Trải qua rất nhiều chuyện, từ lúc hắn mở mắt ra tỉnh lại đó, vốn không có lúc nào an nhàn.

Một năm mới đã bắt đầu! Cái mạng nhỏ của Tây Qua cũng giữ được rồi, Tần Lập thương lượng cùng mọi người, kế hoạch của bọn họ cũng có thể bắt đầu hiện được rồi.

Tây Qua cuối cùng lựa chọn tu luyện chiến kỹ của A Hổ. Tuy rằng chiến kỹ của A Hổ không hẳn là tốt lắm, nhưng cũng rất thích hợp cho Tây Qua tu luyện. Hơn nữa Tây Qua có tu luyện căn bản của chiến kỹ Duy Ngã Độc Tôn, tu luyện tiếp chiến kỹ Toàn Phong Hỏa Diễm Đao của A Hổ này, có thể nói tiến cảnh của hắn tiến triển cực nhanh, rất nhanh chóng dũng mãnh!

Hơn nữa Tây Qua yên lặng một đoạn thời gian. Nguyên vốn cái tiểu bang hội thuộc về hắn kia cùng với các bang hội cỡ trung bắt đầu rục rịch. Bên trong nội bộ có người nghĩ không thấy Tây Qua đâu nên muốn giành lấy vị trí lão Đại. Còn cấu kết một số người bên ngoài tiến đến. Nếu không có một đám tận trung với Tây Qua liều chết chống cự, có lẽ cũng đã bị người khác đoạt đi rồi.

Sở dĩ như thế vì trong lòng Tây Qua vẫn nín nhịn. Hắn chờ đến khi nào tu luyện thật thuần thục chiến kỹ Toàn Phong Hỏa Diễm Đao, lúc đó mới đi tìm đám phản đồ chết tiệt kia xả giận.

Bên này Bộ Vân Yên cũng đã chọn được một cửa hiệu, chuẩn bị mở một cửa hàng trên phố buôn bán phồn hoa nhất ở thành Thanh Long. Việc buôn bán này đương nhiên là lấy đan dược làm chính. Trình độ luyện đan của Lãnh Dao có thể nói là cấp bậc tông sư, cho nên chuyện buôn bán đúng là không lo.

Đừng nói Thanh Long quốc, cho dù cả Thiên Nguyên Đại Lục, nghề luyện đan cũng đều là một nghề được người ta tôn kính. Không gặp trường hợp vạn bất đắc dĩ, tuyệt đối sẽ không có người nào đi đắc tội với luyện đan sư.

Cửa hàng này vốn thuộc về một phú thương của Đại Sở quốc, hắn lớn tuổi rồi muốn trở về cố hương dưỡng lão. Bộ Vân Yên dáng người xinh đẹp lại khéo ăn nói, qua mấy lần giao dịch, không ngờ lại dùng cái giá của một cơ sở bình thường mua được. Xem như chiếm tiện nghi không nhỏ!

Phải biết rằng, cửa tiệm có được ba tầng lầu hơn một ngàn thước vuông, lại nằm trên đoạn đường phồn hoa nhất của thành Thanh Long, ít nhất phải có giá mười vạn lượng bạc! Mà Bộ Vân Yên chỉ dùng có sáu vạn năm nghìn mua được!

Không chỉ như thế, rất nhiều đồ vật này nọ bên trong cửa hàng, lão chủ đều để lại cho bọn họ: tỷ như một số bàn ghế đồ gỗ đắt tiền; còn có một số quầy hàng còn tốt. Nguyên trước nơi này chính là một cửa hiệu thuốc bắc, chỉ cần hơi sửa đổi một chút đổi thành cửa hiệu Đan Dược.

Số tiền mua sắm cửa hàng là tiền riêng của Bộ Vân Yên. Bộ mỹ nữ mỉm cười nói ra: số tiền này coi như nàng tạm thời cho Tần Lập vay, sau này phải hoàn vốn.

Tần Lập hiểu rõ trong lòng: đây là Bộ Vân Yên sợ lòng tự trọng của mình quấy phá, không chịu nhận. Trên thực tế, Bộ Vân Yên lại có chút xem thường lòng dạ của Tần Lập: mấy cái thể diện vô vị Tần Lập không hề quan tâm tới. Trừ phi va chạm vào nguyên tắc cùng điểm mấu chốt của hắn, nếu không hắn tuyệt sẽ không dễ dàng phát tác.

Nhưng khiến cho Tần Lập nhiều ít có chút khó chịu chính là: trong khoảng thời gian gần đây, vẫn có một số người không rõ thân phận quanh quẩn tại khu vực chỗ ở của mình dường như đang tìm kiếm cái gì, hơn nữa còn dò hỏi người ở chung quanh.

Tần Lập đương nhiên biết rõ bọn chúng tìm hiểu cái gì. Hắn có hỏi qua A Hổ, ngày đó mấy luồng tử khí rơi xuống địa phương nào, có ai thấy không? A Hổ nói tốc độ quá nhanh, cảm giác như là rơi xuống nơi bọn họ này, nhưng hẳn là không ai nhìn thấy rõ ràng được.

Lúc này Tần Lập mới thở phào một hơi nhẹ nhõm. Bởi vì nhà cửa của bọn họ cũng mới mua không bao lâu rất dễ dàng tránh khỏi hoài nghi của người ngoài. Cho nên, Tây Qua cứ ở lại chỗ bất động sản do bang hội

của hắn khống chế. Còn Tần Lập vốn đã rất ít khi xuất hiện ở Tần trạch, lúc này lại về ở căn phòng hắn thuê bao dài hạn trong nhà trọ kia.

Dù sao hắn đã đặt cọc một năm tiền, nhà trọ cũng không quản tới hắn có ở hay không, cũng sẽ không quan tâm tới hắn biến mất bao lâu.

Tuy nhiên bởi vậy cũng có thể biết một điều: Đó chính là chính mình thăng lên Thiên cấp, vẫn dẫn tới chú ý của một số người. Vì lẽ đó trong khoảng thời gian này, Tần Lập biến thành rất thấp kém.

Ngược lại hành vi cử chỉ lại càng giống một người quý tộc trẻ tuổi hơn.

Cửa hiệu Đan Dược đã mở hơn mười ngày. Công việc buôn bán vẫn luôn sôi động, đầu tiên bởi vì bản tính hiếu kỳ của người ta, "một cửa hàng mới mẻ" ; kế tiếp chính là Tần Lập đã nghĩ tới thủ đoạn quảng cáo của nhân sĩ trước khi xuyên qua đến đây.

Hắn cho Bộ Vân Yên đi in ấn rất nhiều truyền đơn đẹp đẽ, sau đó thuê một số cô gái tuổi trẻ xinh đẹp đứng bên đường phân phát. Đơn giản chỉ là một thủ đoạn quảng cáo mặt hàng của giới buôn bán ở địa cầu thôi.

Nhưng ở thế giới này, quả thực chính là khai sáng một cái tiền lệ quảng cáo!

Ngày khai trương đó sôi động đến mức quan phủ không thể không phái ra rất nhiều binh sĩ để duy trì trật tự. Cửa hàng tên là "Cửa hiệu Đan Dược Tần Ký" này gần như chỉ trong một đêm đó tiếng tăm liền lan truyền khắp nơi!

Bên trong cửa hiệu Đan Dược khác với các nơi khác. Ở nơi khác phụ việc bán dược phẩm đều là nam nhân ba bốn mươi tuổi, thậm chí là bốn năm mươi tuổi. Bởi vì muốn bán đan dược, đầu tiên phải có hiểu biết về mặt hàng dược phẩm mới được. Dù sao không thể khi người ta hỏi ngươi, vừa hỏi ngươi một câu trả lời ba câu không biết? Cho nên, hễ là phụ bán hàng của cửa hiệu Đan Dược, phần lớn đều là người học tập luyện đan thuật không có hy vọng gì. Đối với mặt hàng này coi như hiểu biết một chút cũng được làm chức nghiệp này.

Mà Tần Ký thì hoàn toàn lật đổ ý niệm cổ hủ trong lòng mọi người. Đầu tiên trước khi hành nghề, Bộ Vân Yên phải đi chiêu mộ hai mươi cô gái tuổi trẻ xinh đẹp dọa người; sau đó phân loại sản phẩm kinh doanh, từ đơn giản đến cao thâm giao các cô gái đó cho Lãnh Dao dẫn đi phụ giúp luyện chế ra dược phẩm. Hiệu quả tự nhiên khỏi phải nói, nếu muốn biết đan dược gì có tác dụng gì hỏi tất cả các cô gái là có thể biết rõ!

Đương nhiên, những khởi điểm quan trọng này cũng đều là của Tần Lập, mặc kệ là Bộ Vân Yên hay là Lãnh Dao, thậm chí là A Hổ, đều cảm thấy thật khó tin: Tập tục của dân chúng Thanh Long quốc tuy rằng rất thoáng, rất nhiều nghề cũng có nữ nhân làm, nhưng loại công việc công khai lộ mặt ra trước công chúng này, thì gần như chưa từng có nữ nhân nào làm!

Ngoại trừ một chỗ, đó chính là kỹ viện!

Còn lại bất kể là tiểu nhị trong tửu quán hay trong khách điếm hoặc là các ngành dịch vụ khác, phần lớn đều dùng nam nhân là chính. Mọi người dường như cũng quen với chuyện này.

Hiện tại không ngờ Tần Lập lại cho biết muốn tuyển một số cô gái hoàn toàn không có kinh nghiệm luyện đan làm người bán hàng. Ngay từ đầu, Bộ Vân Yên chết sống cũng không theo cực lực đấu lý với Tần Lập. Nếu không phải biết Tần Lập cũng không là hạng người ăn chơi trác táng háo sắc như mạng. Bộ Vân Yên thật sự sẽ nghĩ rằng Tần Lập có dụng ý xấu xa rồi.

Kết quả, đương nhiên Tần Lập đạt được thắng lợi. Bởi vì Tần Lập đánh cuộc với Bộ Vân Yên, nói là trong vòng một tháng, nếu việc buôn bán không thể đạt tới mức sôi động, mỗi ngày bán được hết đan dược, thì coi như hắn thua cuộc.

Bộ Vân Yên lúc ấy đáp ứng, cảm thấy rằng Tần Lập thua chắc không thể nghi ngờ. Nguyên nhân rất đơn giản, tuy rằng bọn họ tiêu thụ đan dược cũng không là dược liệu gì cao lắm, nhưng dù sao không phải ai cũng dư tiền tiêu xài. Những dân chúng bình dân đó chẳng lẽ mỗi lần đau đầu nhức óc đều đến mua Bồi Nguyên Đan sao?

Kết quả: dưới hàng loạt hành động ngày khai trương sôi sục đó, làm cho đám người trong cửa hiệu Đan Dược bọn họ đều mắt choáng váng, miệng há hốc, cũng bao gồm cả đám người trên đường chờ xem náo

nhiệt.

Mọi người đều trợn mắt há hốc mồm nhìn cảnh náo nhiệt ở Tần Ký trước mặt. Trong đầu những người này trên cơ bản chỉ còn lại có bốn chữ: "Vậy cũng được sao?"

Tần Lập từ trước tới nay cũng không muốn phát triển nhiều lắm trên con đường thương nghiệp, bởi vì hắn biết rõ trong tương lai chính mình phải đối mặt với một nhóm người như thế nào. Nếu như hắn muốn làm một phú ông. Như vậy, hắn thật có tin tưởng sẽ trở thành người giàu có nhất khắp toàn bộ Thanh Long quốc!

Nhưng mục đích của hắn, xa không chỉ như thế. Nếu như cả ngày bị chuyện này ràng buộc, như vậy cũng đừng nghĩ còn phát triển lên tầng lớp cao hơn.

Có quá nhiều người ganh tỵ với công chuyện buôn bán của bọn họ. Hơn nữa cùng nghề tại thành Thanh Long này, hơn phân nửa đều có nội tình cao thâm, trên cơ bản đại đa số đều là sản nghiệp của các vương công đại thần.

Cho nên, trong thời gian mười ngày từ ngày khai trương đến nay, tìm đến dò xét cũng không dưới hai ba mươi người.

Tần Lập cảm thấy rằng nếu cứ tiếp tục như vậy cũng không phải là cách của mình. Hắn vẫn muốn tìm một cách nào đó khiến cho người ta kiêng nể thân phận mình mới được. Mà thân phận như vậy ở Thanh Long quốc chỉ có một người có thể cấp cho hắn, người đó chính là Hoàng đế!

Nhưng phải như thế nào mới có thể làm cho Hoàng đế chú ý tới mình đây? Phóng xuất ra khí tức của Thiên cấp ư? Đó là chuyện kẻ kém trí mới có thể làm. Cuối cùng vẫn là A Hổ đưa ra một chủ ý cho Tần Lập: Vào tháng ba hàng năm, Thanh Long quốc đều sẽ tổ chức một trận đấu lôi đài đại quy mô. Tên gọi là Giải Tranh Tài Võ Giả Hàng Năm.

Mục đích không ngoài việc chọn lựa nhân tài.

Bởi vì ngoài phần thưởng hậu hĩnh, thật sự còn có mặt sau: là có thể trực tiếp nhận được Hoàng đế bệ hạ sắc phong - Một bước lên mây bước vào tầng lớp quý tộc. Cho nên hàng năm đều thu hút rất nhiều võ giả tới tham gia.

Trong số người tham gia đích xác cũng đều là ngọa hổ tàng long, bởi vì không thể gạt bỏ một số võ giả thực lực rất hùng mạnh mà mang trong lòng ý đồ bất lương. Tuy nhiên người như vậy bình thường cũng sẽ không đánh tới trận cuối cùng sẽ rời đi. Thật sự chọc cho Hoàng đế tức giận, cung phụng hoàng gia cũng không phải là vật để bài trí.

Với thực lực của Tần Lập, chỉ cần xuất ra trình độ Huyền cấp phỏng chừng có thể khiến cho rất nhiều người chú ý rồi!

Nhưng A Hổ nhiều ít có chút lo lắng về chiến kỹ Duy Ngã Độc Tôn của Tần Lập, bởi vì rất nhiều thế lực đều có nghiên cứu về chiến kỹ này, một khi Tần Lập thi triển ra bị người ta phát hiện thì làm sao đây?

Với chuyện này Tần Lập cũng không lo lắng, bởi vì ngoại trừ chiến kỹ Duy Ngã Độc Tôn, trong đầu hắn có rất nhiều võ công khác! Hiện tại toàn bộ võ công này đều là chiến kỹ, có được thực lực Thiên cấp dùng cành hoa cũng đều là ám khí!

- Ta quyết định rồi! Đi tham gia giải đấu lôi đài này!

Tần Lập uể oải nằm trên ghế ở lầu hai phơi nắng. Quay sang Bộ Vân Yên bên cạnh đang đứng nhìn dòng người phía dưới, nói:

- Trước khi ta đi Huyền Đảo, nhất định phải bảo đảm các người có thể phát triển vững vàng ổn định mới được. Thật ra điều ta muốn làm nhất là gầy dựng một thế lực khổng lồ hiển hách, rồi mới an tâm đi Huyền Đảo!

Bộ Vân Yên xẻ từng trái nho nhỏ trong suốt nhẵn nại bỏ hết hạt bên trong, sau đó dường như không cam lòng đút vào miệng Tần Lập.

- Ăn đi, đại gia!

À! Chuyện này cũng là một trong điều kiện hai người đánh cuộc: Nếu Tần Lập thua sẽ làm người hầu cho Bộ Vân Yên một tháng; Bộ Vân Yên thua phải làm thị nữ một tháng.

- Kỳ thật ta cảm thấy rằng lúc này ngươi đi Huyền Đảo, có hơi không thích hợp đấy.

Bộ Vân Yên nói với giọng bình tĩnh. Có điều tay nàng run nhè nhẹ hoàn toàn bán đứng tâm tình không yên ổn trong lòng nàng.

- Nghe nói Huyền Đảo nơi đó, tất cả mọi người có thực lực rất hùng mạnh. Võ giả Thiên cấp ở đó cũng không hẳn được coi trọng. Hơn nữa lúc này chỉ mới hai năm, ngươi cho rằng nữ nhân kia, sẽ buông tha cho Thượng Quan tiểu thư trở về sao? Nếu nàng ta không đồng ý, ngươi đánh thắng được nàng ta không?

Tần Lập khẽ nhíu mày trầm tư suy nghĩ, hắn cũng không có nói cho mấy người Bộ Vân Yên biết, cha mẹ của mình hiện giờ cũng ở Huyền Đảo.

Xem ra, chuyện này đích xác hẳn phải bàn bạc kỹ hơn mới được!

110. Chương 110: Đấu Đá

Trên lầu cửa hàng được Bộ Vân Yên thiết kế thập phần tinh xảo. Từ bên trong có thể nhìn thấy rõ ràng cả ngoài đường phố, mà từ ngoài đường lại không nhìn thấy cảnh vật trong này. Hai người nhỏ giọng nói chuyện, đột nhiên, Tần Lập vốn đang híp mắt, bỗng nhiên mở hai mắt ra, nhìn chằm chằm một đám người đang từ bên kia tới, nói:

- Dường như… có phiền toái rồi đây?

Bộ Vân Yên ngẩng đầu nhìn một cái, đôi mi thanh tú nhíu lại, có vẻ bất đắc dĩ nói:

- Tam công tử của Ngự Tiền Uy Vũ Tả Tướng quân Đỗ Uy gia: Đỗ Tử Đằng, một tên ăn chơi trác táng. Hai nơi cửa hiệu Đan Dược nhà hắn, đều ở trên đường này. Bởi vì chúng ta khai trương làm cho chuyện làm ăn của nhà bọn họ trở nên vắng tanh. Gần nửa tháng nay tiểu tử này rất ngạo mạn đã đến đây hai lần cũng không thèm nói ra thân phận của mình, tưởng rằng ta không biết hắn muốn làm cái gì? Ha ha! Còn làm bộ đeo đuổi ta, chỉ là thủ hạ của hắn ngược lại rất biết tìm cơ hội dò xét.

- Tỷ không gặp hắn không phải là được sao? Ồ? Đỗ Tử Đằng? Cái tên này nghe rất êm tai nha!

Tần Lập trừng hai con mắt, không kìm nổi cười khì một tiếng, ngay lập tức sắc mặt đổi thành lạnh tanh:

- Con cháu nhà giàu từ nhỏ đều được giáo dục tốt nhất, ăn tốt nhất, mặc tốt nhất, học tốt nhất, kết quả vẫn là giống nhau lại xuất hiện rất nhiều kẻ bại hoại.

- Hì hì! Ngươi ghen rồi?

Bộ Vân Yên nhẹ nhàng khoát hai bàn tay nhỏ nhắn mềm mại trên vai Tần Lập, nhéo hai cái vẻ mặt đầy ý cười.

- Ta thật không có!

Tần Lập nhắm mắt lại chẳng muốn nhìn nữ nhân tự mình đa tình này.

Bộ Vân Yên cười khanh khách vài tiếng, than nhẹ một tiếng:

- Cho nên nha! Ngươi phải nhanh một chút ở thành Thanh Long tạo ra một vùng trời để ngăn mưa che gió cho chúng ta.

Lời này nói ra khiến trong lòng Tần Lập mềm nhũn, cái địa phương mềm mại nhất trong lòng kia bị chạm nhè nhẹ hắn giật mình, nhẹ giọng nói:

- Yên tâm đi! Không phục ta sẽ đánh cho hắn phục!

- Nữ chủ nhà các ngươi đâu? Kêu nàng ra đây! Không thấy Đỗ tiểu Tướng quân chúng ta tới chiếu cố việc buôn bán của nàng sao?

Vừa vào cửa một giọng nói có chút chua ngoa, liền hô to gọi nhỏ ầm lên.

Đang một vài khách nhân trong cửa hàng vừa thấy cách ăn mặc cùng dáng điệu của người tới, lập tức cúi đầu bỏ đi ra ngoài. Hoành hành ngang ngược ở thành Thanh Long này đơn giản chính là con cháu quan lớn và nhà quyền thế, cũng không phải người bình thường có khả năng trêu chọc.

Người trẻ tuổi bị vây giữa đám người trông thấy thế. Khóe miệng nổi lên một vẻ chế giễu, giương cặp mắt lờ đờ, quét mấy lần trên gương mặt xinh đẹp của nữ nhân viên phục vụ. Thầm nghĩ: nữ chủ họ Bộ này, thật đúng là rất sáng ý và có bản lãnh. Không ngờ có thể nghĩ ra phương pháp như vậy. Vốn hắn cũng muốn cho hai nơi cửa hiệu Đan Dược trong nhà bắt chước làm theo, kết quả bị lão cha hắn mắng té tát vào mặt, cũng không dám… đề nghị chuyện đó nữa.

Nhưng đối với đầu óc kinh doanh của nữ chủ kêu là Bộ Yên Vân này, hắn vẫn có vài phần bội phục. Nghĩ nếu thu nữ nhân như vậy nuôi ở bên ngoài làm phòng nhì, cũng là rất không tệ! Chẳng những không cần hao phí tiền của ngươi, ngược lại còn có thể kiếm tiền cho ngươi! Loại nữ nhân này tìm đâu ra?

Bởi vì sợ phiền toái, Bộ Vân Yên đã sửa đổi lại tên của mình một chút, đối ngoại thì nói tên của mình là Bộ Yên Vân.

- Thực xin lỗi Đỗ tiểu Tướng quân! Chủ nhân nhà chúng ta hiện không có đây! Ngài muốn mua cái gì, có thể nói với ta. Chủ nhân có dặn: Đỗ tiểu Tướng quân xem trọng cái gì, đều đồng loạt giảm giá tám phần.

Cô gái dáng người cao gầy, đôi mắt trong sáng, dịu dàng nói lộ hàm răng trắng tinh.

Đây đúng là quản lý trong cửa tiệm Bộ Vân Yên tuyển ra tới, thái độ xử thế rất nhanh nhẹn hoạt bát, biết thanh niên này thích người khác gọi hắn tiểu Tướng quân mà không phải Đỗ thiếu gia. Hơn nữa Bộ Vân Yên cũng chưa từng nói qua cái gì Đỗ tiểu Tướng quân đến mua đan dược được giảm giá. Nhưng nàng ta biết Đỗ gia danh nghĩa đã quản lý hai cái cửa hiệu thuốc bắc, như thế nào có thể chạy tới nhà người khác để mua chứ?

- Ngươi? Ngươi tính cái gì vậy? Ngươi có tư cách gì nói chuyện với tiểu Tướng quân nhà ta? Hừ! Một nữ nhân so với nữ tử trăng hoa kia xuất đầu lộ diện cao quý đến đâu chứ? Cút đi!

Gã nam nhân trung niên kia nói giọng chua ngoa, vẻ mặt khinh thường trừng mắt nhìn cô gái cao gầy, lanh lãnh nói tiếp:

- Cho các ngươi một khắc thời gian, chạy nhanh gọi chủ ngươi tới đây! Thật đúng là… không có quy củ!

Mà lúc này, đám thị vệ Đỗ Tử Đằng mang tới cũng đã đứng chặn ngay cửa của cửa hiệu Đan Dược, lúc này ai muốn vào cũng không được. Rất nhanh, bên ngoài liền vây quanh một vòng người xem náo nhiệt, đang ở đó tranh nhau bàn cãi ầm ĩ cả lên.

- Hà hà! Ngươi xem, ta đã nói Đỗ tiểu Tướng quân kiên nhẫn có hạn! Thế nào? Ta nói có đúng không? Tới hai lần đó chỉ là cảnh cáo! Nhìn diện mạo nữ nhân mê hoặc kia thức thời ghê chưa! Lần này, đúng là không có làm quen tốt như vậy!

- Đúng không? Ta ngay từ đầu cũng nói qua, cửa hàng này của bọn họ làm không lâu đâu! Cửa hiệu thuốc bắc trước kia, cũng chưa ảnh hưởng gì đến sinh ý của Đỗ gia, kết quả còn không phải bị thường xuyên quấy rầy? Nói là quay về Đại Sở quốc dưỡng lão. Trên thực tế còn không phải kinh doanh không được mới bỏ đi! Đỗ gia chính là mưu đồ ép giá muốn mua chỗ này, kết quả bị nữ nhân này ngang ngược chọc gậy vào, dám mua đi! Ngươi nói xem không tìm nàng phiền toái thì tìm ai nữa chứ?

- Hừ! Vậy các ngươi nói, hôm nay có trò hay xem hay không?

- Ngươi ngốc à! Không thấy tất cả mọi người đều tụ tập lại sao? Có trò hay hay không, nhìn không biết à?

- Thực xin lỗi…

Cô gái cao gầy xinh đẹp trong điếm còn muốn nói cái gì, lại bị người trung niên nói chuyện chua ngoa kia, hung hăng tát một cái lên mặt.

Bốp!

Một tiếng vang giòn tan!

Bên ngoài không ít người vây xem, nhìn xuyên qua thủy tinh sáng ngời thấy thật rõ ràng, lập tức tiếng ồn ào náo động chợt ngưng lại, tất cả đều ngừng thở, vẻ mặt hưng phấn chăm chú nhìn.

Xem ra, quả nhiên lòng kiên nhẫn của Đỗ tiểu Tướng quân đã dùng hết rồi!

- Lớn mật!

Nam nhân trung niên đánh người xong, trừng khởi hai mắt phẫn nộ quát:

- Cũng không xem lại thân phận của các ngươi là gì! Dám chậm trễ với tiểu Tướng quân của nhà ta như thế! Mắt chó của các ngươi mù à!

Cô gái cao gầy ôm mặt mình có chút không dám tin, vẻ mặt ủy khuất, trong mắt rất nhanh phủ kín một màn hơi nước, nhưng vẫn cắn chặt môi không cho nước mắt rơi xuống. Vẻ mặt quật cường nhìn gã trung niên vô sỉ này.

- Ái chà chà! Ta thật không nhìn ra cô nàng này, còn rất quật cường nha?

Gã nam nhân trung niên vốn đang chờ mong thấy cô gái này hỏng mất, gào khóc, sau đó thỏa mãn tâm lý biến thái của hắn. Nào ngờ cảnh đó cũng không có xuất hiện, hắn không kìm nổi ngoài cười nhưng trong không cười nói:

- Không biết ta mua ngươi, xong lột hết quần áo của ngươi, ngươi có còn dùng ánh mắt này nhìn ta hay không!

Mấy chữ cuối cùng gã nam nhân trung niên nói với âm điệu lanh lãnh phi thường phẫn nộ.

Sự tình phát sinh trong nháy mắt ngắn ngủn. Tần Lập cùng Bộ Vân Yên hai người lúc này mới vừa đi xuống hết thang lầu, liền thấy một màn nhân viên của mình bị người ta làm nhục.

Lập tức hai mắt Tần Lập lóe ra hai luồng sát khí mãnh liệt, Bộ Vân Yên đi bên cạnh hắn trực tiếp cảm nhận được, nhẹ nhàng nắm tay Tần Lập.

- Ây dà! Đây không phải Bộ nữ chủ tự cao tự đại đây sao?

Gã nam nhân trung niên cười lạnh nhìn Bộ Vân Yên từ thang lầu đi xuống tới, ánh mắt chiếu vào trên người Tần Lập.

- Hắn là ai vậy?

Lời này là Đỗ Tử Đằng vẫn lẳng lặng đứng ở nơi đó xem náo nhiệt, lên tiếng hỏi, cặp mắt lờ đờ của hắn lộ ra vẻ khinh thường, dừng ở Tần Lập trên người, lại hỏi:

- Hắn là ai vậy?

Bất cứ ai đều có thể nghe ra mùi dấm chua trong giọng nói của Đỗ Tử Đằng, không biết đúng là nghĩ rằng hắn là đang tranh giành tình nhân. Thoạt nhìn, ăn chơi trác táng cũng không phải là không đúng tý nào, ít nhất trình diễn thật sự không tệ!

- Ngươi là ai?

Tần Lập với ánh mắt lạnh lùng, thản nhiên nhìn Đỗ Tử Đằng.

- Láo xược!

Gã nam nhân trung niên lại rít gào lên:

- Mắt chó của ngươi mù à! Dám nói chuyện với tiểu Tướng quân như vậy! Tiểu Tướng quân nhà ta chính là…

- Câm cái miệng chó của ngươi lại!

Tần Lập cũng không thèm liếc mắt nhìn gã trung niên một cái, lạnh lùng nói:

- Chủ nhân nói chuyện, nào có phần cho hạng nô tài ngươi nói chen vào!

- Lớn mật! Bắt hắn cho ta…

Gã trung niên giận tím mặt, tuy nhiên nói còn chưa dứt lời, đã bị Tần Lập cắt ngang lần nữa.

- Ta bảo ngươi câm miệng! Cẩu nô tài ngươi không có nghe sao!

Tần Lập hướng về phía gã trung niên nam nhân trầm giọng quát lên. Tiếng quát này Tần Lập đã vận dụng lực lượng tinh thần! Gã trung niên này thực lực không mạnh như thế nào có thể chống nổi. Thân mình hắn lập tức bật lui về phía sau ba bốn bước, té ngồi phịch dưới đất.

Nhưng người bên ngoài đều không cảm nhận được loại dao động tinh thần này, chỉ nhìn thấy gã trung niên thật quá mất mặt, chỉ bị một thiếu niên hù dọa mà thành như vậy.

Tần Lập không để ý đến gã trung niên, mà đi đến trước mặt cô gái cao gầy có chút sửng sốt ngây người, dịu dàng hỏi nói:

- Đau không?

Cô gái xinh đẹp không nói gì gật gật đầu. rốt cuộc nước mắt cũng không kìm nổi, ào ào chảy tuôn xuống. Đương nhiên nàng biết thiếu niên này là ai, ngay cả nữ chủ cũng lộ ra dáng vẻ rất tôn kính hắn. Chỉ có điều Bộ nữ chủ đối xử rất tốt với các nàng, nàng không muốn bởi vì tâm trạng của bản thân mình bị ủy khuất mà gây phiền hà là tốt rồi.

Cho nên, nàng vừa rơi lệ vừa lắc đầu nói:

- tuy r vừa k ủ gâ iq

bị nhục nhã quá như thế, kết quả lại nói là thay Tướng quân đại nhân dạy dỗ. Đỗ Uy Tướng quân nếu như nghe được lời nói này của ngươi, còn không tức giận đến nghẹt thở chết đi sao?"

Người trung niên trước khi đến đây đã chuẩn bị tốt một bài thuyết khách, chợt phát hiện trước mặt thiếu niên này không ngờ lại hoàn toàn không dùng được câu nào! Điều này làm cho trong lòng người trung niên không kìm nổi rùng mình một cái. Một lần nữa hắn bắt đầu nhìn Tần Lập bằng con mắt khác.

Trước khi đi, Nhị hoàng tử đã dặn dò hắn, nói cái tên kêu là Tần Lập quý tộc Đại Tề quốc đó, nếu là một tên thiếu niên chỉ có thực lực nhưng không có đầu óc, thì cho hắn một chút ngon ngọt: Tỷ như nói một câu hứa hẹn suông ý tứ chính là: ngươi yên tâm mạnh dạn làm tới với bọn Đại Thanh Bang và Đỗ tiểu tướng quân đi! Nhị hoàng tử điện hạ sẽ ủng hộ ở sau lưng ngươi! Ngươi muốn tiền có tiền, muốn người có người!

Nếu như vậy, Nhị hoàng tử sẽ hoàn toàn không hao phí quá nhiều tâm tư ở trên người Tần Lập.

Mà cho dù Tần Lập không phải là một tên ngốc lỗ mãng, mà chỉ là một con chó điên bị dồn ép tức giận cắn càn, như vậy lại càng hợp với tâm ý của đám Nhị hoàng tử, dùng một con chó điên đi cắn người như vậy, quả thực là thích hợp không còn gì bằng.

Đến lúc đó có chuyện gì, hoàn toàn có thể đổ lên đầu tên quý tộc nghèo túng Đại Tề quốc này, còn chính bọn họ phủi tay sạch sẽ!

Cho nên nói Nhị hoàng tử cũng tốt, hay người trung niên này cũng tốt. Ngay từ điểm khởi đầu này hoàn toàn là không an tâm chút nào, cũng không muốn đặt Tần Lập này vào địa vị ngang hàng với mình để bàn bạc cái gì.

Nhiệm vụ của hắn, chính là cấp cho Tần Lập một hy vọng, sau đó để Tần Lập đứng mũi chịu sào, làm con chó điên cắn càn, không hơn không kém!

Nhưng lúc này người trung niên phát hiện tên thiếu niên nhìn như lỗ mãng càn quấy này, hoàn toàn không phải ngây thơ như trong tưởng tượng của hắn. Người ta đối phó với sư gia của Đại Thanh Bang, làm nhục tiểu thiếu gia Đỗ gia, khẳng định là cố ý! Hơn nữa, người trung niên có thể đoán được: nếu hôm nay mình cứ như vậy đi về, như vậy ngày mai, tiểu tử này khẳng định sẽ tung ra lời đồn, nói Nhị hoàng tử là hậu trường của hắn!

Nguyên nhân rất đơn giản, không có hậu trường không có chỗ dựa vững chắc không có bối cảnh, ai ăn no rững mỡ dám nổi điên đối kháng cùng Đại Thanh Bang? Trường phong ba giữa Đại Thanh Bang cùng Nhị hoàng tử kia vừa mới bình ổn cũng không có bao lâu!

Mẹ nó, tiểu tử này! Nhất định là hắn biết sự kiện kia rồi! Nhìn vẻ mặt Tần Lập tươi cười mộc mạc, trong lòng người trung niên chợt nảy sinh một cơn kích động, thật muốn tung một quyền đập nát cái gương mặt làm ra vẻ tươi cười ngu ngốc kia.

Hít sâu một hơi, trên mặt người trung niên lại lộ nét tươi cười, vẻ mặt thân thiết nói:

- Một lần nữa giới thiệu cho biết một chút. Ta tên là Vương Siêu, là phụ tá bên người Nhị điện hạ, ta lớn tuổi hơn ngài, tại hạ mạo muội xưng hô ngài là lão đệ, không biết ý ngài?

Lời này nếu phóng ra bên ngoài, khẳng định sẽ dẫn tới mọi người kinh hoàng. Đường đường là phụ tá bên người Nhị điện hạ: Vương tiên sinh Vương Siêu, không ngờ lại khách khí với một quý tộc tha hương nghèo túng như thế… Nói ra thật có thể khiến người ta kinh ngạc đến trợn lọt tròng mắt!

113. Chương 113: Ác Mộng Của Triệu Tinh Hà

Rốt cục trong mắt Tần Lập lộ ra một chút kinh ngạc. Điều này làm cho trong lòng Vương Siêu sinh ra một chút cảm giác thỏa mãn, hắn nghĩ thầm: "Còn tưởng rằng tiểu tử ngươi cái gì đều không cần chứ! Hóa ra

cũng có chuyện ngươi không nghĩ tới nhỉ?"

- Ha ha! Tần công tử hẳn không nghĩ tới ta là người của Nhị hoàng tử điện hạ, vẫn là không nghĩ tới ta sẽ tới nhanh như vậy?

Vương Siêu cho rằng mình đã hòa nhau một và một, cười tủm tỉm nhìn Tần Lập hỏi.

- Cũng không phải!

- Ồ? Vậy là cái gì?

Vương Siêu có hơi bất ngờ hỏi.

- Ha ha! Không nghĩ tới ngài đã thẳng thắn thành khẩn nói ra thân phận bản thân như vậy! Còn tưởng rằng, ngài sẽ biểu hiện rất thần bí, sau đó dùng tay chỉ trời nói: "Tiểu huynh đệ! Ngươi không phải sợ, ở trên có người ủng hộ ngươi!"

Nhìn thiếu niên này nói với vẻ mặt châm biếm, cùng với những lời dặn dò của Nhị hoàng tử cho mình, Vương Siêu xem như hoàn toàn ý thức được rằng: người trẻ tuổi ngồi đối diện với mình là một yêu nghiệt cỡ nào. Trong lòng Vương Siêu cũng không còn dám… sinh ra chút khinh thường nào với hắn. Sau khi ổn định tâm tình Vương Siêu cảm thấy rằng chuyện này cũng không hẳn là chuyện xấu.

Đại lục truyền lưu một câu ngạn ngữ từ xưa: không sợ địch nhân mạnh, chỉ sợ đồng bạn ngu ngốc!

Địch nhân dù có lợi hại đến đâu đi nữa cũng có phương pháp phá giải, mà nếu như đồng bạn ngu xuẩn, vậy không đơn giản chỉ là chuyện gây trở ngại, mà thậm chí có thể phá vỡ hoàn toàn kế hoạch của ngươi!

- Ha ha! Tần công tử nói quá lời! Ta lần này đến đây chính là mang theo thành ý của Nhị điện hạ tới. Nhị điện hạ ủy thác ta nói với Tần công tử, chỗ bang chủ Đại Thanh Bang cùng Đỗ Tướng quân Đỗ Uy, cũng sẽ không có vấn đề gì. Ngài cứ tiếp tục công việc buôn bán của ngài là tốt rồi. Nhị điện hạ thực rất xem trọng Tần công tử, hôm nào có thời gian rãnh sẽ đích thân tới gặp chuyện trò với ngài!

Vương Siêu nói xong, đứng dậy, thản nhiên cười nói:

- Ta hy vọng, về sau giữa song phương chúng ta, có thể đối đãi thẳng thắn thành khẩn với nhau. Tin rằng hôm nay Tần công tử làm việc không kiêng nể gì như thế, cũng có liên quan tới sự kiện mấy tháng trước kia chăng?

Tần Lập cười cười, vẫn không phủ nhận điều ấy.

Vương Siêu nói tiếp:

- Kỳ thật kẻ ngu ngốc mới có thể cho rằng Nhị điện hạ e ngại Đại Thanh Bang. Nhị điện hạ hùng tài đại lược, đâu phải đám tiểu dân suốt ngày lang thang trên đường phố kia có thể hiểu được? Tần công tử tự nhiên không phải là người bình thường, hẳn là hiểu được ý của Nhị điện hạ thế nào chứ?

Tần Lập tiếp tục cười cười, cũng không có nói gì.

Vương Siêu vừa lòng gật gật đầu, hướng về phía Tần Lập cười nói:

- Tần công tử là người thông minh như thế, tin rằng ở Thanh Long quốc nhất định sẽ đạt tới thành tựu cao hơn so với ở Đại Tề quốc. Chuyện vinh quang gia tộc kia cũng chỉ trong thời gian ngắn mà thôi!

Lúc này Tần Lập mới thản nhiên nói:

- Tần Lập chỉ là một quý tộc nghèo túng, sở cầu không cao, chỉ cầu mong được bình an mà thôi! Cho nên, mặc kệ là ai muốn đánh chủ ý ta, phải chuẩn bị sẵn cái giá phải trả! Tần gia tuy rằng đã nghèo túng suốt thời gian trăm năm, nhưng vẫn còn có chút tài lực. Nếu ta sinh ra lớn lên ở thời điểm gia tộc huy hoàng, cũng nhất định là một thiên tài kinh thế hãi tục!

Nói xong, trên người Tần Lập trong giây lát tản ra một vầng hào quang màu lam mờ nhạt. Chợt lóe lên rồi biến mất.

Cổ khí thế đó khiến cho Vương Siêu bật mạnh về phía sau năm sáu bước, phía sau lưng lập tức đụng vào bức tường phát ra một tiếng "bịch". Áp lực kia cực lớn khiến hắn ngay trong khoảnh khắc đó, gần như có cảm giác nghẹt thở!

Trên mặt Vương Siêu rốt cục lộ ra vẻ kinh hãi. Lúc này, tuyệt đối là phát ra từ nội tâm!

Màu lam, Địa cấp!

Tiểu tử này không ngờ là một võ giả Địa cấp! Trời ạ! Hắn mới bao nhiêu? Mười bảy tuổi? Mười tám tuổi? Dù sao khẳng định chưa tới hai mươi tuổi, không ngờ đã có thực lực Địa cấp!

Khó trách hắn dám ngang ngược đối mặt với Đại Thanh Bang như thế, khó trách hắn dám không xem Đỗ tiểu Tướng quân vào mắt. Hôm nay cho dù đám người kia có lợi hại đến mấy cũng không đủ một bàn tay hắn giết!

Hơn nữa, cho dù giết bọn chúng xong, chỉ cần hắn lập tức tỏ vẻ nguyện ý nguyện trung thành với hoàng thất. Chắc chắn bệ hạ khẳng định sẽ cho người tới bảo vệ hắn! Một võ giả Địa cấp không đến hai mươi tuổi, thành tựu trong tương lai quả thực không thể lường trước được!

Người như thế… nói thế nào cũng phải thu hắn về phe cánh của Nhị hoàng tử điện hạ! Trong lòng Vương Siêu bỗng dâng lên một luồng hơi nóng bỏng, hắn có cảm giác lần này đúng là mình đã vớ được bảo bối rồi!

- Tần công tử quả là đại tài! Vương mỗ trở về, nhất định sẽ bẩm báo cho điện hạ đúng sự thật ý nguyện của Tần công tử. Tin rằng Nhị điện hạ rất nhanh sẽ tới tiếp kiến Tần công tử.

Đóng cửa hàng lại, hai người Tần Lập cùng Bộ Vân Yên trở lên lại lầu ba. Bộ Vân Yên nhẹ giọng hỏi:

- Thế nào?

Tần Lập hờ hững cười:

- Hôm nay thời điểm đám người kia tới ta đã nghĩ: hẳn là ta không cần đi tham gia cái gì thi đấu lôi đài kia nữa.

- A? Ngươi hẳn không phải… thật sự muốn gia nhập phe cánh Nhị hoàng tử chứ? Công tử, tuy rằng ta thuộc giới nữ lưu, nhưng ta cũng nghe nói qua sự tranh đấu tàn khốc của các hoàng tử. Hơn nữa… hai người Tần Phong, Tần Hổ hình như cũng là người của Nhị hoàng tử đấy?

Bộ Vân Yên khẽ nhíu đôi mi biểu lộ nỗi lo của mình.

- Ai nói ta muốn gia nhập trận doanh của Nhị hoàng tử?

Tần Lập nhún nhún vai, sau đó nói:

- Hắn nghĩ rằng muốn dùng ta làm cái bung xung, để ta xông tới trước đấu đá cùng Đại Thanh Bang còn có tên chó má Đỗ tiểu Tướng quân gì đó nữa. Ta sao có thể gia nhập phe cánh của hắn? Hừ! Vương Siêu này đúng là nhân vật không tầm thường, mặt không đổi sắc tạm thời đáp ứng với ta nhiều thứ như vậy, nhưng ta như thế nào lại không nhìn ra ý đồ của hắn trước khi đến đây là gì?

Tần Lập lạnh lùng cười, nói tiếp:

- Về phần Tần Phong, Tần Hổ… chẳng qua là hai chó lang thang, có gì đáng sợ? Ta vừa mới hướng tên Vương Siêu kia triển lãm một chút thực lực Địa cấp, một võ giả Địa cấp chưa tới hai mươi tuổi, cùng hai tên Huyền cấp chưa tới hai mươi tuổi, ngươi nói xem Nhị hoàng tử sẽ lựa chọn ai? Huống chi, trước khi bọn họ chết, ta cũng không để cho bọn họ biết ta chính là Tần Lập mà bọn họ thống hận kia!

Bộ Vân Yên bật cười khì một tiếng, nói:

- Ngươi thật đúng là một người xấu! Đã thay hình đổi dạng còn cố tình dùng cái tên cũ trước kia. Ta nghĩ không riêng Tần Phong, Tần Hổ, ngay cả Thái tử điện hạ mà biết, khẳng định cũng sẽ buồn bực mà chết. Hơn nữa, hắn sẽ căm thù ngươi suốt đời, bởi vì, quả thực cái tên của ngươi đã mang lại sỉ nhục cho hắn quá lớn!

Bộ Vân Yên nói ra cũng không sai chút nào, Thái tử Triệu Tinh Hà cũng ở thời điểm chạng vạng tối, liền nhận được đầy đủ tin tình báo về chuyện này. Khi nghe nói tên thiếu niên quý tộc nói tiếng Đại Tề quốc kia cũng tên là Tần Lập, hơn nữa qua tra xét, đích thật trăm năm trước ở Đại Tề quốc có một quý tộc họ Tần giàu có huy hoàng. Nghe nói Triệu Tinh Hà đương trường đã đập nát mấy bình hoa cổ quý giá, ném hư cái bàn gỗ trầm hương cực kỳ đắt tiền, cuối cùng lại đá nát một tấm ghế dựa gỗ hoàng lê ngàn năm, còn chửi rủa ầm lên một hồi mới nguôi giận.

Tất cả mọi người biết rõ khúc mắc của Thái tử điện hạ, đúng là đến từ đứa con hoang Tần Lập của Tần gia thành Hoàng Sa kia. Cái tên này gần như đã thành một cơn ác mộng của Triệu Tinh Hà, thậm chí khiến hắn đêm không thể ngủ yên giấc, lúc thức dậy liền cảm thấy trong lòng phát lạnh.

Một cung phụng Thiên cấp nha!

Lão sư phụ dạy hắn từ nhỏ không ngờ cứ như vậy bị hành hạ đến chết. Hơn nữa mấy câu viết trên tấm bố trắng đẫm máu dài mười thước đó đã đả kích Triệu Tinh Hà thiếu chút nữa tự sát!

Hắn chết sống không tin chuyện đó chính là do Tần Lập làm. Nhưng mọi người liên tưởng đến biến hóa phát sinh của Tần Lập ở thành Hoàng Sa trước kia, gần như tất cả đều cho rằng đứng sau lưng Tần Lập, nhất định là một cường giả tuyệt thế! Là loại cường giả siêu cấp ngay cả chỗ thiếu hụt trong chiến kỹ Cửu Thiên Thập Địa Duy Ngã Độc Tôn cũng có thể bù đắp!

Thậm chí có người hoài nghi, sư phụ của Tần Lập hẳn còn lợi hại hơn so với cường giả siêu cấp cảnh giới Phá Thiên! Bởi vì từng có người cảnh giới Phá Thiên nghiên cứu chiến kỹ Duy Ngã Độc Tôn, phát hiện chiến kỹ kia thương tổn cho người khẳng định là không có cách giải! Cho dù cường giả siêu cấp cảnh giới Phá Thiên tu luyện chiến kỹ này, kết quả lạc quan nhất cũng chỉ là thêm vài lần tọa hóa rồi chết!

Việc này cũng thuộc loại cơ mật ở hoàng gia. Triệu Tinh Hà thân phận là Thái tử, giúp hắn biết được nhiều điều hơn so với người khác, bao gồm cả Nhị hoàng tử Triệu Tinh Hải đệ đệ hắn.

Cho nên, hắn sợ rồi! Ngay cả phụ thân hắn, đương kim Hoàng đế Triệu Nguyên Lễ, đều là vừa sợ vừa giận, cùng lúc thống hận đứa con của mình lén lút cấu kết với đại gia tộc. Mà về phương diện khác, cũng vì thể diện của hoàng thất bị nhục nhã mà phẫn nộ không thôi, thề phải bắt Tần Lập kia bầm thây vạn đoạn.

Chỉ có điều, sau đó tên con hoang Tần gia kia giống như một giọt nước rơi xuống sông… biến mất vô ảnh vô tung!

Trải qua thời gian dài sống bình ổn, cơn ác mộng của Triệu Tinh Hà rốt cục dần dần giảm đi một ít. Hơn nữa, Thượng Quan gia xin lỗi, cùng với Hoàng Phi Thượng Quan tự mình nói tốt cho người, giúp tâm tư Triệu Tinh Hà linh lợi lại. Kỳ thật, ngược lại hắn không phải không thể cưới Thượng Quan Thi Vũ, nhưng hắn coi trọng tài lực hùng hậu cùng thế lực hùng mạnh của Thượng Quan gia hơn!

Hai mươi Thiên cấp! Ngẫm lại lời đồn Thượng Quan Thi Vũ bị người thần bí mang đi thu làm đồ đệ, chuyện này không hẳn là giả, lúc này Triệu Tinh Hà cũng lựa chọn quên sự kiện đó, ngoài miệng không nói, nhưng sớm đã ghi nhớ ở trong lòng.

Cho nên, khi Thượng Quan gia gói ghém mang tới chiến xa của hắn khoản tài sản kếch xù, hơn nữa Hoàng Phi Thượng Quan trong hoàng cung không có con nối dõi hết lòng tương trợ cho địa vị Thái tử của hắn, làm sao hắn không dao động!

Sau khi phụ hoàng về trời, chính mình sẽ là đế vương mới của quốc gia này!

Nhưng không nghĩ tới cái tên khiến hắn nằm mơ khi tỉnh lại còn kinh sợ này, không ngờ lại một lần nữa hiện ra trước mắt hắn. Hơn nữa, tất cả chứng cớ đều chứng tỏ một sự thật: Tần Lập này không phải là Tần Lập kia, bởi vì một người dung mạo có thể thay đổi, nhưng giọng nói quê hương lại khó thay đổi nhất! Không thấy trên đường xá phồn hoa thành Thanh Long, các thương nhân đến từ các quốc gia khác, rất nhiều người đã ở lại sinh sống tại thành Thanh Long hơn ba mươi năm, nhưng vừa mở miệng vẫn là tuôn ra giọng nói quê hương!

Nhưng cũng chính vì vậy, Triệu Tinh Hà mới cảm thấy phẫn nộ cực độ. Con bà nó! Có phải tất cả tên Tần Lập nào cũng đều có cừu oán với lão tử hay không?

Bởi vì người đứng phía sau khống chế Đại Thanh Bang đúng là Triệu Tinh Hà hắn!

Về phần bang chủ Đại Thanh Bang, chỉ là trước đây mấy năm Triệu Tinh Hà mời chào một gã Địa cấp làm thủ hạ tâm phúc mà thôi. Chuyện này, thật ra ở trước mặt giới quyền quý cũng không tính là bí mật gì, nếu không Nhị hoàng tử Triệu Tinh Hải dựa vào cái gì tại trường phong ba tranh giành tình nhân kia lại nhượng bộ lui binh?

Chỉ vì hắn không nghĩ trở mặt quá sớm cùng Thái tử ca ca của mình mà thôi!

- Phàm kêu là Tần Lập đều là hỗn đản! Đều là súc sinh!

Triệu Tinh Hà nhốt mình trong phòng, sau khi phát tiết một trận, hắn thở hổn hển mắng:

- Tên con hoang chết tiệt! Rốt cục ngươi ở đâu? Đừng để ta tìm được ngươi, nếu không, nhất định sẽ chém ngươi ngàn đao vạn đao… A… Chết tiệt!

Tiểu Mùi

Duy Ngã Độc Tôn

114. Chương 114: Ngự Tiền Uy Vũ Tả Tướng Quân

- Người đâu!

Triệu Tinh Hà quát nhẹ một tiếng, một bóng người như âm hồn hiện ra tại trong phòng. Triệu Tinh Hà lại một chút phản ứng đều không có, phân phó nói:

- Đi! Ta không quản ngươi dùng biện pháp gì, buổi sáng ngày mai, ta muốn nhìn thấy tên quý tộc nghèo túng chó má chết tiệt… tên là Tần Lập, đến từ Đại Tề quốc kia!

- Dạ!

Người này không hỏi một tiếng, nháy mắt liền biến mất ở trong phòng.

- Chờ một chút! Ngươi quay lại!

Bóng người một lần nữa hiện ra tại trong phòng, lẳng lặng đứng đó chờ phân phó.

Triệu Tinh Hà cau mày, trong lòng nghĩ: "Nhị đệ khả ái của ta biết chuyện này, hắn sẽ làm thế nào đây? Đúng rồi! Hắn nhất định phái người bảo hộ hắn, sau đó chờ ta đưa tới cửa đi. Hắn biết, ta hận nhất chính là cái tên Tần Lập."

"Hừ! Muốn cho ta mắc câu. Không dễ dàng như vậy!"

- Quên đi! Ngươi đi nói cho Lãnh Bình. Cứ nói ta nói, tiểu tử kia làm mất mặt mũi Đại Thanh Bang, bảo hắn lấy danh nghĩa bang chủ ra mặt trả thù đi thôi, vừa lúc cũng danh chính ngôn thuận hơn!

Triệu Tinh Hà nói xong, trong mắt chớp động hào quang điên cuồng, lạnh lùng nói:

- Bảo hắn đêm nay động thủ ngay đi! Nếu không ta sợ đêm dài lắm mộng!

- Dạ!

Ảnh Tử nhoáng một cái như làn gió biến mất ở trong phòng.

"Vẫn là Ảnh Tử dùng tốt! Lúc đi trấn Hoàng Sa nếu mang theo hắn thì tốt rồi. Tên con hoang chết tiệt kia nhất định bị Ảnh Tử giết chết!" Triệu Tinh Hà cúi đầu trầm tư suy nghĩ một hồi, hắn cảm thấy chuyện này cũng không có vấn đề gì, cùng lắm thì diệt trừ tên quý tộc nghèo túng chết tiệt của Đại Tề quốc cũng kêu là Tần Lập kia.

Tại phủ Ngự Tiền Uy Vũ Tả Tướng quân Đỗ Uy, Tướng quân Đỗ Uy mặt không chút biểu cảm ngồi trên ghế gỗ hoàng lê nhìn con trai đứng ở trước mặt mình với vẻ mặt không phục, lão khẽ thở dài một tiếng.

Đỗ Uy có tất cả ba nam một nữ: con cả cùng con thứ thiên phú cũng không tệ, cũng đều chịu cố gắng, hiện tại đều tham gia trong quân đội đảm nhiệm chức vị quan trọng, tiền đồ sáng chói. Người con gái duy nhất Đỗ Vận hiện đang theo học ở học viện đế đô, mười bốn tuổi cũng đã có được thực lực Hoàng cấp bậc chín. Hơn nữa chẳng những võ công xuất sắc, các ngành học khác đều có thể nói là ưu tú. Đỗ Vận cũng có chút danh tiếng, dáng vẻ lại thập phần xinh đẹp, toàn bộ lớp trẻ thượng lưu ở đế đô đều quấn lấy…

Chỉ có đứa con thứ ba trước mắt này là đủ tiêu chuẩn ăn chơi trác táng. Thiên phú của Đỗ Tử Đằng cũng không thể nói không tốt. Ít nhất nếu như hắn cố gắng dụng công, ở trước hai mươi tuổi đột phá trở thành võ giả Huyền cấp vẫn là không có bất cứ vấn đề gì.

Nhưng tiểu tử này, đến hiện tại cũng chỉ là Hoàng cấp bậc bảy, còn không bằng muội muội hắn. Hơn nữa, cho tới bây giờ cũng không biết chăm chỉ học tập là gì, suốt ngày mang theo bọn nô tài chó má trêu ghẹo con gái nhà lành trên đường phố.

Tuy nhiên có một điểm là tiểu tử này luôn rất có hứng thú đối với công chuyện làm ăn của gia tộc. Sau khi hắn trực tiếp tham gia, chuyện tham ô trước đây giảm bớt rất nhiều, sinh ý cũng có chuyển biến tốt hơn lên.

Thế nhưng vấn đề cũng xuất phát tại đây: hắn là đệ đệ, cho dù không được thừa kế tước vị, nhưng dù sao cũng có thân phận quý tộc. Nhưng hắn suốt ngày tụ tập cùng một đám thương nhân, sau đó ăn chơi đàng điếm đã sớm làm cho rất nhiều người bất mãn. Bao gồm cả Hoàng thượng trong đó, có một lần trong một buổi lâm triều Hoàng thượng đã ngụ ý nhắc đến: phải trông nom con cái của mình, đừng làm những chuyện tổn hại tới thân phận!

Thương nhân ở Thiên Nguyên Đại Lục địa vị thấp, đây là sự thật không cần bàn cãi. Tuy nhiên chính Đỗ Uy cũng không biện pháp gì với đứa con này, bởi vì mỗi lần lão răn dạy Đỗ Tử Đằng, mẫu thân của Đỗ Tử Đằng đều dùng mọi cách cản trở, vì để hậu viện không phát hỏa dần dần Đỗ Uy cũng chẳng quan tâm tới Đỗ Tử Đằng nữa.

Nhưng hôm nay lại không được, buổi chiều Đỗ Uy đã được đám tâm phúc mật báo chuyện xảy ra trên đường phố buôn bán ở thành Thanh Long kia.

Lúc ấy Đỗ Uy vừa nghe nói cũng là giận tím mặt, đừng thấy lão ở nhà răn dạy đứa con như thế nào, đó là chuyện người trong nhà đóng cửa dạy nhau thế nào cũng được. Nhưng nếu như có người ngoài muốn khi dễ con mình, khẳng định Đỗ Uy sẽ không bỏ qua!

Làm một Tướng quân từng trải chiến trường, dưới trướng tới tám vạn trọng bộ binh, Đỗ Uy nhất định sẽ không ngại giáo huấn một chút kẻ dám khi dễ người nhà của mình.

Giáo huấn này đúng có thể là máu chảy đầm đìa!

Nhưng ngay sau đó lão liền cảm thấy sự tình có chút không thích hợp: thiếu niên tên là Tần Lập kia quả thực không có sợ hãi gì lắm. Rõ ràng là một quý tộc nghèo túng của Đại Tề quốc, ở bên này lăn lộn kiếm cơm ăn cũng không phải dễ dàng. Người hơi có chút đầu óc, ai lại ngu dại lựa chọn đắc tội với một thế lực ngầm cường đại nhất của thành Thanh Long chứ? Ai lại không kiêng nể gì chỉ vào một công tử của Tướng quân gia chửi ầm lên như thế?

Tuy rằng thật không ngờ thuộc phe cánh Nhị hoàng tử, nhưng bản năng xuất ra từ chém giết trên chiến trường, vẫn là khiến Đỗ Uy cảm thấy bên trong chuyện này có điều khác thường. Cho nên, hắn quát đứa con ngưng mọi hành động dẫn người đi trả thù. Dùng lời nói ân cần khuyên giải an ủi một hồi. Tuy nhiên, dường như tiểu Tướng quân Đỗ Tử Đằng… không thế nào mua chuộc hắn được.

- Ta cảnh cáo ngươi, chuyện này, tự có Đại Thanh Bang chính bọn nó đi xử lý! Cậu ngươi… hắn không phải không chết sao? Ngươi lội xuống vũng bùn đó làm gì?

Đỗ Uy quả thật có chút bất đắc dĩ, có chút không biết phải nói sao nữa.

Tần Lập đã đoán đúng, những người tới đây đêm nay đúng là một đường tinh nhuệ nhất của Đại Thanh Bang: Chiến Đao Đường, mà người cầm thanh trường đao quái dị trong tay này là Tôn Lục được người ta tôn xưng ngoại hiệu Thiểm Điện Đao!

Một thân thực lực đạt tới Địa cấp bậc hai, tinh luyện chiến kỹ Thiểm Điện Đao Pháp, tại trong thành Thanh Long này cũng có tiếng tăm lừng lẫy!

Tuy nói thành Thanh Long cũng không hề ít võ giả Thiên cấp, nhưng các võ giả Thiên cấp đó không phải là lão tổ tông của những gia tộc lớn quyền thế, thì cũng là cung phụng trong hoàng cung, xưa nay đâu có người nào còn lòng dạ quản tới những chuyện thế tục vớ vẩn?

Giống như Mộ Dung Thiên bị Tần Lập giết kia, nếu không phải bị cây linh dược thu hút thì đâu thèm tự mình ra tay đối phó với một thiếu niên nghèo túng?

Bởi vậy, với những võ giả như Thiểm Điện Đao Tôn Lục, ở thành Thanh Long được xem như nhân vật số 1 khó lường rồi!

Đây cũng là nguyên nhân hôm nay người của Chiến Đao Đường khó chịu. Lão Đại Lãnh Bình của họ, không ngờ lại lệnh cho cả tinh nhuệ của Chiến Đao Đường ra hết, nói là cần phải chặt đầu của quý tộc nghèo túng Đại Tề Quốc đem về, sau trọng thưởng!

Nhưng ở trong mắt những người Chiến Đao Đường này, trọng thưởng có trọng hậu đi nữa cũng làm giảm tôn nghiêm của võ giả. Lệnh cho hơn mười võ giả Huyền cấp bọn họ, cộng thêm một Đường chủ Địa cấp đến đối phó với một thiếu niên, chuyện này quả thực giống như tát vào mặt bọn họ!

Thế nhưng hiện tại bọn họ mới biết được mệnh lệnh của bang chủ chính xác biết bao. Hai võ giả Huyền cấp dưới tay thiếu niên kia, ngay cả một chiêu cũng không tới liền cùng mất mạng.

Thiểm Điện Đao Tôn Lục sở dĩ có một cái ngoại hiệu như vậy, đó chính là đao của hắn rất nhanh.

Từ khi xuất đạo đến nay, dưới đao của hắn đã có không biết bao nhiêu vong hồn, ước chừng không dưới mấy trăm người! Hầu hết võ giả trong đó đều tránh không khỏi một đao như tia chớp của hắn!

Chẳng những đao mau, hơn nữa trong khoảnh khắc phát ra kia, trên thanh đao của hắn còn có thể bùng phát ra một vầng hào quang như ánh mặt trời. Đó đương nhiên chính là chỗ tinh túy trong chiến kỹ Thiểm Điện Đao Pháp!

Chỉ cần địch nhân hơi có chút xíu phân tâm, vậy gần như liền báo hiệu kết cục của hắn.

Thậm chí Tôn Lục đã từng giết cả đối thủ thực lực cao hơn một hai bậc so với hắn. Tất cả đều bởi vì đối phương không biết chiêu thức của hắn, trong khoảnh khắc bị ánh sáng chói mắt, theo bản năng nháy mắt, cái nháy mắt đó đã cướp đi tính mạng họ.

- Tiểu tử! Chết dưới đao của Thiểm Điện Đao Tôn Lục ta, coi như ngươi cũng không thiệt! Nhiều năm như vậy trong số người bị lão tử giết, ngươi là người trẻ tuổi nhất!

Tôn Lục một tay kéo thanh đao, theo bước chân hắn nện bước, khí thế từng bước một tăng lên, khi cách Tần Lập còn hơn mười thước, bỗng nhiên tăng tốc, cả người giống như vì sao băng mạnh mẽ vọt tới phía Tần Lập.

Trong nháy mắt vọt tới phụ cận Tần Lập, thân mình hắn nhảy dựng lên. Đồng thời, trường đao quái dị kéo theo hắn chỉ trong giây lát bay vòng lên, giống như chiếc lưới vàng của chiến thần. Từ trên cao nhìn xuống một chiêu Lực Phách Đại Sơn vô cùng đơn giản, nhưng bởi vì lực lượng và tốc độ của nó làm cho không khí đều trở nên có chút vặn vẹo.

Đồng thời, trên thân thanh trường đao bùng phát ra ánh sáng rực rỡ! Ban đêm tối đen bỗng nhiên sáng lên giống như ánh mặt trời chiếu rọi hào quang vạn trượng, sáng lạn chói mắt!

- Chết!

Không ai nhìn thấy trong tay Tần Lập, không biết từ khi nào thì nhiều ra một thanh trường kiếm, càng không ai nhìn thấy, Tần Lập làm thế nào cắm thanh kiếm kia vào ngực Thiểm Điện Đao Tôn Lục.

Chỉ biết là trong vầng hào quang chói mắt đó, chẳng những Tần Lập, mà ngay cả những người đứng phía sau cũng hoàn toàn không có cách nào thấy rõ bên trong đã xảy ra chuyện gì. Chỉ có khi hào quang tán đi, mới thấy Thiểm Điện Đao Tôn Lục đã đứng trước mặt Tần Lập, mà sau lưng hắn lộ ra mũi kiếm dài cả xích.

(Thước Trung Quốc: đơn vị đo chiều dài, bằng 1/3mét).

Luồng hơi lạnh trên thân kiếm cổ kia giống như đúc từ hàn băng vạn năm, cho dù khoảng cách rất xa cũng khiến người ta có cảm giác lạnh cả từng chân lông sợi tóc.

Thiểm Điện Đao Tôn Lục mắt mở trừng trừng, không hổ là võ giả Địa cấp, bị một kiếm xuyên tim không ngờ không có lập tức chết đi. Hắn cảm nhận được máu trong thân thể mình chạy tới thanh kiếm kia rồi dường như không chịu khống chế.

Khóe miệng Tôn Lục, bỗng nhiên xuất hiện một cái cười dữ tợn:

- Đây chính là mùi vị của tử vong à? Ngươi… ngươi nhanh hơn ta!

Thân mình hắn mềm nhũn. Tần Lập vừa kéo cổ tay, Ẩm Huyết kiếm trở lại trong tay, phía trên thân kiếm không dính chút vết máu nào! Nhưng Tần Lập lại biết rằng thứ này vừa mới uống sạch máu tươi của Tôn Lục, bởi vì thân mình Tôn Lục ngã trên mặt đất, một hồi lâu mới có một chút máu rỉ ra. Tần Lập tập trung tinh thần quan sát rất rõ ràng cảm nhận được sự hưng phấn của Ẩm Huyết trong tay.

Ma kiếm nha! Tần Lập nghĩ trong lòng. Hắn nheo mắt nhìn đám hán tử đối diện sửng sốt đứng như tượng gỗ, lạnh lùng nói:

- Còn chưa cút đi! Chờ lão tử ra tay lấy cái mạng chó các ngươi à?

- Đại ca!

Theo tiếng nói của Tần Lập, đám người kia giật mình kinh tỉnh lại, đồng thời lao ra mười mấy người, vung chiến đao trong tay, một màn hào quang màu xanh lập tức bùng lên giữa đám người.

- Báo thù cho đại ca!

Cũng không biết ai gào lên, cả đám người như điên cuồng phóng vọt lại phía Tần Lập.

Trong mắt Tần Lập thoáng hiện lên vẻ kính nể, tuy nhiên ngay lập tức trở nên lạnh như băng. Ta có thể bội phục các ngươi tình huynh đệ thắm thiết, nhưng không thể dễ dàng tha thứ các ngươi đối phó với ta!

Như vậy đến đây đi! Để ta nhìn thử xem kỹ xảo chiêu thức cùng lực lượng của tầng thứ nhất chiến kỹ Duy Ngã Độc Tôn, rốt cục mạnh đến cỡ nào! Tần Lập hô lên trong lòng, vung trường kiếm lên đón đám người vọt đang vọt tới.

Đối phó với bọn họ, không cần dùng tầng thứ hai của chiến kỹ Duy Ngã Độc Tôn: Uy Áp Tinh Thần!

Trên con đường đêm tối.

Một hồi chém giết chấn động lòng người! Kỳ thật cũng chỉ duy trì không đến một khắc chung. (mười lăm phút bằng một khắc)

Gần như tất cả những người nhận được tin tức tới đây âm thầm quan sát, đều không chịu được mùi máu tươi tanh nồng trên đường, đều rút lui trước thời hạn.

Bọn họ cũng đều biết: Đại Thanh Bang vô địch lâu nay, lần này thật đúng là đụng phải thiết bản rồi!

Bắt đầu từ ngày mai, Chiến Đao Đường một đường tinh nhuệ nhất của bọn họ, từ nay về sau bị xoá tên.

Tiểu Mùi

Tác giả:Tiểu Đao Phong Lợi

Nhưng mà Tần Lập cũng tốt, Bộ Vân Yên cũng vậy, trong lòng đều rõ ràng: chuyện này tuyệt đối không có khả năng quên đi như thế.

Cho nên, Tần Lập vẫn đang chầm chậm đợi đối phương tìm tới cửa.

Thanh Long quốc có một tập tục, sau khi người chết được bảy ngày được gọi là đêm hồi hồn. Có người nói linh hồn người đã chết sẽ vào ngày hôm đó quay về nhìn lại một lần, sau đó hoàn toàn rời đi, hồn về địa phủ, sau đó chuyển thế luân hồi.

Mà nếu như muốn báo thù cho người kia, thời cơ tốt nhất chính là đêm hồi hồn, lấy đầu cừu nhân đặt trước linh cữu, để cho người đã khuất tận mắt nhìn thấy đại thù đã báo!

Lúc Bộ Vân Yên nói cho Tần Lập những lời này, trong lòng cũng ít nhiều có chút thấp thỏm. Đại Thanh Bang cuối cùng là một quái vật lớn! Mà Tần Lập, lại lẻ loi một mình!

Mấy ngày nay mỗi ngày Tây Qua đều sẽ nhắn gửi sang tin tức mới nhất hắn nhận được, tất cả chứng cứ đều cho thấy: Lãnh Bình bang chủ Đại Thanh Bang, sẽ lựa chọn đêm ngày thứ bảy, báo thù cho huynh đệ hắn!

Bởi vì Đại Thanh Bang đã tuyên bố lệnh triệu tập các bang hội trên toàn thành Thanh Long, ra lệnh tất cả các bang chủ bang hội cỡ trung trở lên, đến tiễn đưa Thiểm Điện Đao Tôn Lục trong đêm hồi hồn.

Bởi vì Tây Qua khống chế được một bang hội cỡ trung loại nhỏ, cũng nhận được lệnh triệu tập của Thanh Long bang. Nói là tiễn đưa cho Tôn Lục, kỳ thật ai cũng đều biết nhất định là Đại Thanh Bang muốn giết cừu nhân của Tôn Lục, sau đó bày ra cho các bang hội thành Thanh Long xem: chúng ta vẫn cường đại như trước!

Đây cũng là phương thức tìm lại mặt mũi tốt nhất, bởi vì trải qua một trận đánh này, địa vị Long đầu của Đại Thanh Bang trong thành Thanh Long đã bộc phát nguy cơ. Thành Thanh Long cũng không phải chỉ có mỗi thế lực một nhà bọn họ, các bang hội vốn bị bọn họ đè đầu không thở nổi tùy thời đều có thể phản công, hung hăng cắn bọn họ một miếng.

Sự tình dường như đã phát triển theo phương hướng kia, không thể nghịch chuyển được nữa.

Mà ngay sáng sớm ngày thứ bảy, một sự kiện gây ra bước chuyển ngoặc thật lớn làm người ta trợn mắt líu lưỡi!

Người trong cung đến đây!

Hơn nữa, người đến tuyên chỉ còn là một người Tần Lập quen thuộc! Chính là Lý công công mù một mắt!

Thương thế trên mặt Lý công công đã sớm tốt hơn, ngự y trong hoàng cung cũng rất có thực lực. Hiện giờ Lý công công ngoại trừ có thể nhìn ra con mắt giả, đã hoàn toàn không nhìn ra được thảm tượng năm đó nữa.

Bộ Vân Yên không đi ra, tuy nói đã dịch dung, hơn nữa Lý công công cũng không biết tên của nàng, nhưng khó bảo toàn người ta sau này sẽ không điều tra.

Tần Lập thấy Lý công công cũng hơi sững sờ, trong lòng nói người này cũng còn có chút thủ đoạn, mù một mắt còn có thể tiếp tục ở lại trong cung. Tần Lập lại không biết, Lý công công ít ra cũng là một võ giả Địa cấp, lại hầu hạ bên Hoàng đế nhiều năm, Hoàng Thượng hiện nay là một người tương đối trọng tình cảm, cho nên cũng không thay đổi hắn.

- Ngươi chính là Tần Lập?

Một con mắt còn lại của Lý công công quét tới quét lui trên mặt Tần Lập, ngữ khí có pha vài phần bất thiện. Cái tên gọi này đối với hắn mà nói, quả thật là đau tận xương tủy, hắn hận không thể ăn thịt uống máu lột da Tần Lập.

- Phải, tại hạ là Tần Lập quý tộc Đại Tề quốc, không biết ngài là?

Tần Lập một hơi khẩu âm Đại Tề, khiến một chút khả nghi của Lý công công cũng biến mất.

- Quý tộc sẽ không cần phải quỳ xuống tiếp chỉ, chúng ta phụng khẩu dụ của Hoàng Thượng, đón ngươi tiến cung gặp mặt thánh thượng!

Lý công công nói có chút buồn bực, hắn thật sự không thích cái tên gọi Tần Lập này, rất chán ghét, cực kỳ chán ghét!

118. Chương 118: Một Thân Ngạo Cốt Đáp Quân Vương

Thấy Tần Lập do dự, Lý công công liền bĩu môi quay sang các binh sĩ đứng phía sau hắn, thoạt nhìn thực lực cũng không bình thường nói:

- Các ngươi thủ vệ ở nơi này đi.

- Bọn họ?

Tần Lập liếc mắt liền nhìn ra, mười mấy binh sĩ này cũng chỉ có trình độ Hoàng cấp. Hắn quả thật có chút lo lắng an toàn ở đây, vạn nhất Lãnh Bình kia tìm hắn không được, bắt những nữ nhân vô tội này thế mạng thì làm sao đây?

- Hừ, được rồi! Chút cẩn thận của ngươi cũng đừng khoe khoang trước mặt chúng ta, coi chúng ta không biết ngươi nghĩ gì sao?

Lý công công bĩu môi, khinh thường nói:

- Ngươi có biết bọn họ có thân phận gì không?

Không đợi Tần Lập trả lời, Lý công công chỉ vào một binh sĩ trong đó hỏi:

- Nói cho vị quý tộc Đại Tề quốc này biết, các ngươi là ai!

- Chúng ta là Ngự Tiền Thị Vệ binh sĩ Tam Đại Doanh!

Gã binh sĩ kia cũng nhìn ra Tần Lập hoài nghi thực lực của bọn họ, cố ý ngẩng đầu ưỡn ngực, giọng cũng nói lớn hơn một chút. Vừa lúc bị đám người vây xem cách đó không xa nghe thấy, lúc này cả đám người đều co rụt đầu lại phát ra một trận kinh hô.

Tần Lập không quá rõ ràng, chẳng qua lời bàn tán xôn xao của đám người vây xem bên kia lập tức lọt vào trong tai hắn.

- Trời ạ! Lại là người của Tam Đại Doanh, phái bọn họ tới đây làm gì? Làm thủ vệ cho người kia sao? Khó tin quá!

- Tam Đại Doanh, đó là đội quân át chủ bài của Thanh Long quốc chúng ta mà! Năm đó lúc giao chiến với Đại Tề quốc, đánh cho quân đội Đại Tề đến tơi bời tan tác. Không ngờ tới hôm nay lại đến trông cửa cho một quý tộc Đại Tề sa sút, thật là không thể tin nổi.

- Hứ, các ngươi đều lạc hậu cả rồi hay sao. Hiện giờ Đại Tề, Đại Sở, Tư La, Thanh Khâu cùng Thanh Long chúng ta năm nước kết minh, thân như huynh đệ, đều là người một nhà cả.

- Người một nhà cái chó má gì chứ, còn không phải bị Tân Tần quốc bức ra.

- Được rồi, ngươi nói nhỏ một chút, cái này có liên quan gì đến ngươi?

Tần Lập bất chợt hiểu được, thì ra gác cửa này cũng không phải ở chỗ thực lực mạnh yếu, mà là vấn đề thân phận. Đứng ở chỗ này, liền đại biểu thái độ của Hoàng đế, chí ít ở trong giai đoạn hiện tại, thật là sẽ không có ai dám công khai khiêu khích Hoàng quyền.

- Vậy đa tạ các vị huynh đệ rồi!

Tần Lập chắp tay về phía các binh sĩ kia, hắc hắc cười nói. Sau đó quay đầu lại nói với Đóa Đóa:

- Những người này đều là Hoàng đế lão nhân gia phái tới bảo hộ các ngươi, buổi trưa nói với phòng bếp làm thêm mấy bàn, món ăn phải ngon, phải có thịt!

Đám người vây xem kia toàn bộ đều không biết nói gì nữa, vẻ mặt khinh thường nhìn Tần Lập, trong lòng thầm nói: ngươi coi Ngự Tiền Thị Vệ người ta chưa ăn thịt bao giờ sao? Đại Tề nhà quê, ngu ngốc mà!

Lý công công cũng vẻ mặt trầm lặng, nhìn phía Tần Lập nói:

- Tần công tử, mời!

Lên xe ngựa, Tần Lập mới phát hiện thì ra chiếc xe ngựa này thoạt nhìn bề ngoài bình thường, nhưng bên trong lại cực kỳ sang trọng. Xa hoa mà không lãng phí, khí thế trầm trọng mà không mất vẻ thoải mái.

Trên xe ngựa, đầu tiên Lý công công giảng giải cho Tần Lập một đống quy củ tiến cung gặp Hoàng thượng. Tuy rằng hắn rất chán ghét cái tên gọi Tần Lập này, nhưng cũng không còn cách nào. Người này là Hoàng Thượng nhìn trúng, những người như bọn họ đều biết rõ chuyện xảy ra ở Đại Thanh Bang. Sợ rằng hiện giờ Lãnh Bình bang chủ Đại Thanh Bang chỉ còn cách dậm chân bực bội mất thôi! Lá gan hắn có lớn, chẳng lẽ còn dám đối nghịch với Hoàng Thượng? Đêm hôm nay Đại Thanh Bang đã định sẵn phải mất hết mặt mũi trước tất cả các bang hội ở Thanh Long!

Xe ngựa tiến thẳng một đường vào trong hoàng cung, lúc dừng lại Lý công công nhẹ giọng nói:

- Tần công tử chớ quá lo lắng, bên Nhị điện hạ đã an bài tốt rồi.

Nói xong, còn nhìn Tần Lập thật sâu.

Tần Lập sững sờ, không nghĩ tới Lý công công này lại là người của Nhị hoàng tử, hơi gật đầu. Vốn hắn cũng không có gì phải sợ, một thân thực lực đã đạt tới Thiên cấp. Diện tích Thiên Nguyên đại lục quá sức rộng lớn, quốc gia lớn nhỏ nhiều như lông trâu, các vùng đất thần bí có ở khắp mọi nơi, không lẽ còn không tìm được chỗ sinh tồn?

Lý công công đi rồi, tự nhiên có người tới dẫn Tần Lập tiến vào đại điện Thanh Long - trung tâm chính trị tối cao Thanh Long quốc!

Ở đây cũng không có khí tức xa hoa như trong tưởng tượng của Tần Lập, thậm chí dường như còn không trang hoàng nguy nga lộng lẫy bằng đại sảnh yến hội của Thượng Quan gia. Nhưng khắp chốn lại lộ ra một cổ khí thế trang trọng, làm cho người ta đi vào trong này không kìm nổi sẽ sinh ra một cổ kính nể trong lòng.

Nên biết rằng, người ngồi trên ghế rồng ở nơi cao nhất của đại điện, chính là vua của một nước, đế vương chân chính đó!

Dù là Tần Lập, cũng là lần đầu tiên gặp được loại tràng diện này, trong lòng thoáng có chút khẩn trương, chẳng qua hắn nhanh chóng thích ứng lại. Đi theo phía sau một thái giám, sau khi vào đại điện, Tần Lập tự giác đi vào trong một góc.

Phía trước chừng hơn trăm người đông nghịt đứng thành hai hàng. Những người này chính là kẻ nắm quyền quốc gia chân chính.

Ở trong mắt mấy người bọn họ, võ giả chỉ là một công cụ lợi dụng mà thôi!

Tuy rằng Thanh Long quốc dùng võ lập quốc, Thiên Nguyên đại lục vô cùng tôn trọng truyền thống võ học, chú ý thực lực làm đầu. Nhưng ở trong triều đình này, chân chính nắm trong tay quyền cao, thật không có bao nhiêu võ giả cao giai.

Tần Lập đến đây cũng không khiến bao nhiêu người quan tâm tới, chỉ có một ít người đứng trong đội ngũ cuối cùng, hiếu kỳ quan sát hắn vài lần, lập tức xích lại gần hắn.

Triệu Nguyên Lễ là một hoàng đế coi trọng nhân tài, cho nên bình thường sẽ có một chút người mang năng lực đặc thù được tiếp kiến, cũng ban cho quan tước nhất định, sau này cả đời hầu như không có cơ hội đứng ở chỗ này lần thứ hai.

Cho nên, đối với việc Tần Lập đến đây, không ai cảm thấy kinh ngạc.

Lúc này, có thể có người nói cho Hoàng đế là Tần Lập đã đến. Triệu Nguyên Lễ ngừng các sự tình khác, giọng nói sang sảng:

- Tần Lập đã tới rồi chứ?

Lúc này Tần Lập chỉ có thể đi ra từ góc phòng, quay về phía Hoàng đế hơi khom người:

- Quý tộc Đại Tề quốc, Tần Lập ra mắt bệ hạ.

- Lớn mật! Nhìn thấy bệ hạ sao không quỳ bái!

Ở phía xa xa bên trên truyền đến một tiếng quát lạnh lùng.

Tuy rằng khoảng cách xa, nhưng ánh mắt của Tần Lập vẫn liếc thấy người vừa nói. Đó là một quan văn hơn bốn mươi tuổi, mặt trắng không râu, một đôi mắt âm trầm. Hắn đứng cách Hoàng đế không xa, đang lạnh lùng nhìn chằm chằm vào Tần Lập.

Tần Lập híp mắt nhìn người này cười ngạo nghễ:

- Tại hạ có thân phận quý tộc Đại Tề, thấy Hoàng Thượng tự nhiên có thể không quỳ bái!

- Quý tộc Đại Tề, lẽ nào đến Thanh Long chúng ta cũng là quý tộc sao? Đáng cười!

Gã quan viên mặt trắng kia như nghe được một chuyện quá sức buồn cười, bĩu môi nói.

- Vị đại nhân này, tuy rằng ta không rõ ràng vì sao ngài lại nhằm vào tại hạ cho lắm, chẳng qua cũng không sao cả. Có thể ngài đố kỵ diện mạo ta anh tuấn hơn ngài, nhưng có một chút tại hạ thật không rõ, mời vị đại nhân này giải thích cho: Đại Tề, Đại Sở, Thanh Long, Tư La cùng Thanh Khâu năm nước kết minh, cùng nhau tiến lùi, thân phận quý tộc có hiệu lực ngang nhau giữa các quốc gia. Làm sao đi đến nơi này, thì lại không được thừa nhận? Dựa theo ý của ngài là Liên minh năm nước ở chỗ của ngài vô hiệu sao, vị đại nhân này, ta nói có đúng không?

- Ngươi… ngươi ngậm máu phun người!

Quan viên mặt trắng kia không ngờ rằng Tần Lập lại nhanh mồm nhanh miệng như vậy, nói mấy câu đã chèn ép hắn vào góc cũng không nói, lại còn có thể trả đũa. Loại chuyện này nói nhỏ không nhỏ nói lớn không lớn, bởi vì rất dễ khiến cho hai nước tranh chấp.

Tần Lập nhún vai:

- Ta dùng ngữ khí ôn hòa như thế nói chuyện với ngài, làm sao thành ngậm máu phun người được? Tuy rằng ngài lớn tuổi, râu mép nhiều hơn ta, diện mạo… ấy, diện mạo so với ta kém một chút, nhưng cũng không thể nói xấu một quý tộc Đại Tề được chứ!

Khẩu âm Đại Tề quốc tương đối cường điệu, Tần Lập vừa so sánh vừa làm động tác, nói xong những lời này, cả triều đình đã truyền đến những tiếng cười lớn. Gã quan viên mặt trắng kia bị tức đến mặt đỏ tận mang tai, chỉ vào Tần Lập nói không ra lời.

Bóng người bên kia chợt lóe, Tần Lập chợt phát hiện một khuôn mặt quen thuộc đang cực độ phẫn nộ căm tức nhìn mình, trong ánh mắt tràn đầy sát khí. Cũng không phải ai khác, chính là Thái tử Triệu Tinh Hà.

- Được rồi!

Triệu Nguyên Lễ lạnh lùng quát, một màn vừa rồi làm cho hắn cực kỳ thất vọng. Người vừa nói chính là Lễ bộ Thị Lang, bình thường rất thân cận với Thái tử, hắn làm khó dễ lần này cũng là do Thái tử bày mưu đặt kế. Dù sao Đại Thanh Bang kia cũng là do Thái tử nắm giữ, mà cách làm của mình sẽ làm cho Thái tử ngậm một cái bồ hòn, sợ rằng phải mất mặt trước mọi người. Trong lòng Triệu Nguyên Lễ lạnh lùng hừ một tiếng: Trẫm còn chưa chết mà! Ngươi đã dã tâm bừng bừng trang bị lực lượng của mình, coi ta không biết gì sao?

Chẳng qua nhìn thấy Lễ bộ Thị Lang lại bị một thiếu niên quý tộc ngoại quốc bắt bẻ tới á khẩu không nói gì được, trong lòng Triệu Nguyên Lễ cũng sẽ rất khó chịu. Dù sao đây là liên quan đến thể diện một quốc gia, trong lòng không nhịn được mắng: thật là xấu mặt còn bày đặt ra ngoài!

- Tần Lập phải không? Người tiến lên trước, để trẫm nhìn ngươi.

Giọng nói của Triệu Nguyên Lễ rất là ôn hòa, văn võ bá quan cả triều nghe vậy đều nghi hoặc không ít, giữa bọn họ còn có không thiếu người căn bản không biết Tần Lập này là người ra sao. Thừa dịp cơ hội này, không nhịn được chụm đầu ghé tai tìm hiểu.

Tần Lập trong ánh mắt hiếu kỳ của mọi người, ngẩng đầu lên tiến phía trước, khoảng cách đến Hoàng đế ở trên cao còn khoảng sáu bảy thước, Tần Lập dừng lại đứng yên.

Triệu Nguyên Lễ thấy thiếu niên này hồn nhiên không hãi sợ đánh giá mình, không nhịn được mỉm cười:

- Quả nhiên là tuấn tú lịch sự.

Tiếp đó hắn chợt biến sắc, vỗ bộp lên trên bàn một cái. Đám người đang chụm đầu ghé tai bên dưới không nhịn được cả người run lên, giật nảy mình ngưng thần nhìn Hoàng đế.

- Trẫm nghe nói ngươi mới tới Đế đô không bao lâu, liền chọc ra rất nhiều tai họa! Làm nhục Tướng quân quốc gia của ta, sau còn tàn sát bách tính. Tuy rằng Tần Lập ngươi là quý tộc Đại Tề, nhưng lại phạm pháp trên quốc thổ Thanh Long ta, trẫm vẫn có thể trị tội ngươi! Ngươi còn có gì để nói?

Vừa đánh vừa xoa? Trong lòng Tần Lập cười lạnh, ngang nhiên quay về phía Hoàng đế nói:

- Bệ hạ! Chẳng hay là ngài nghe nói, hay là nghe người khác nói?

- Lớn mật!

Lúc này là một người khác, hơn ba mươi tuổi mặc trang phục võ tướng nhảy ra, chỉ vào Tần Lập quát:

- Ngươi dám chất vấn bệ hạ, đây là tội đại bất kính. Bệ hạ! Xin cho thần lập tức bắt lại!

Tần Lập quay đầu lại, vẻ mặt hàm hậu cười với người nhảy ra kia:

- Bệ hạ còn chưa nói gì, ngươi đã nhảy ra. Là muốn tranh công? Hay là muốn cướp hàng đầu của bệ hạ?

Mọi người trong đại điện không nhịn được hít vào một hơi lạnh, trong lòng nói: con mẹ nó tiểu tử này thật là độc, bản lãnh chụp mũ đúng thật là hạng nhất.

Võ tướng này nhất thời nghẹn họng, hung hăng trừng mắt với Tần Lập, lui trở lại.

Tần Lập xoay người lại, nhìn Hoàng đế Triệu Nguyên Lễ cười tủm tỉm xem náo nhiệt, giơ hai tay, vô cùng đau lòng nói:

- Bệ hạ! Ngài nên chỉnh đốn lại kỷ luật triều đình mạnh một chút, người của ngài thật quá không biết quy củ. Thật là không biết bọn họ đặt ngài ở chỗ nào nữa!

Tiểu Mùi

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

119. Chương 119: Tự Điên Cuồng Giữa Triều Đình

Triệu Nguyên Lễ dở khóc dở cười nhìn thiếu niên nhanh mồm nhanh miệng bên dưới, cũng không có bao nhiêu bực bội. Nếu như thật sự muốn trị tội hắn, cần gì phải dấy binh động chúng triệu hắn đến ngự triều? Đừng nói là người thường, coi như là một đại quý tộc, cả đời cũng chưa chắc có cơ hội gặp mặt thánh thượng một lần.

Có thể diện kiến Hoàng đế, đó là ân sủng trời ban!

Đừng thấy rất nhiều võ giả cao giai không để hoàng quyền vào mắt, coi như mây bay, bộ dáng ngông nghênh bất cần. Đó là bọn hắn chưa từng trải nghiệm qua tuyệt vời của quyền thế!

Bằng không vì sao bên trong hoàng cung, lại có nhiều cung phụng Thiên cấp như vậy?

Còn thiếu niên quý tộc Đại Tề quốc trước mắt này, thật là khiến Triệu Nguyên Lễ có chút tặc lưỡi nhìn lại. Thoạt nhìn một bộ dáng hỉ hả, khù khờ ngây ngô, giống như không rành thế sự. Nhưng trên thực tế, lại là một tên kiêu ngạo cứng đầu! Dù là hắn đối mặt với vua một nước, cũng không chịu cúi thấp cái đầu cao ngạo!

Ừ! Thật sự là một nhân tài không tệ mà!

Hơn nữa sâu trong nội tâm Triệu Nguyên Lễ, đối với Tần Lập nói cũng có chút tán thành.Trong triều Thanh Long quốc luôn luôn tương đối cởi mở, giữa quân thần cũng không có loại quan niệm đẳng cấp đặc biệt sâm nghiêm.

Nhưng trải qua Tần Lập kích thích, nhìn lại vô số tên ác ý xúi giục, Triệu Nguyên Lễ thật ghi vào lòng, chẳng qua cũng không dễ biểu lộ ra mặt mà thôi. Vì vậy hắn cười nhàn nhạt, không để ý đến lời Tần Lập nói, mà trực tiếp nói:

- Trẫm có thể không trách tội ngươi giết con dân ta, tuy nhiên ngươi phải gia nhập Thanh Long quốc. Ngươi có đồng ý không?

- Không đồng ý.

Tần Lập trả lời thẳng thắn như vậy, làm cho mọi người bên dưới đều trợn tròn mắt. Bất luận là phái Thái tử hay là phái Nhị hoàng tử, đều tròn mắt dại ra nhìn Tần Lập, trong lòng nói: tiểu tử này đầu vô nước hay sao? Hay là hắn thiếu đầu óc, mới có thể trả lời một câu kém trí như vậy?

Mấy người vốn đã nhìn Tần Lập không vừa mắt, lần này rốt cuộc cũng hài lòng, trong lòng nói: tiểu tử này thật đúng là tự mình làm bậy, không thể sống được mà! Lại dám ngỗ nghịch Hoàng Thượng ngay mặt như thế. Đừng nói ngươi có thực lực Địa cấp, dù cho ngươi là Thiên cấp, nếu như Hoàng Thượng muốn giết ngươi thì ngươi căn bản không đi ra khỏi cửa lớn cung điện này được.

Lúc này Triệu Nguyên Lễ cũng có chút bực bội, trong lòng nói tiểu tử này thật đúng là ngây ngốc mà. Trẫm là vua một nước, dùng thái độ nói chuyện với ngươi như vậy, ngươi lại hoàn toàn không để trẫm vào mắt!

Thật sự là tức chết ta mà! Triệu Nguyên Lễ vừa trừng mắt muốn nói, nhưng lại thấy Tần Lập vẻ mặt không cam lòng, há miệng nói to:

- Ta vốn có thân phận quý tộc Đại Tề quốc! Nhất định là ngươi muốn ta gia nhập Thanh Long quốc, sau đó xóa đi thân phận quý tộc của ta, tiếp đó lại trị tội ta. Hừ! Ta biết mà, nhất định là như thế! Ta sẽ không đáp ứng, trừ khi ngươi giết ta.

Toàn bộ triều thần, lúc này ít nhất có hơn phân nửa người quay mặt đi chỗ khác lấy tay cực lực bịt miệng lại, bằng không nhất định sẽ cười ra tiếng.

Dù là như thế, bầu không khí trên toàn đại điện cũng chợt buông lỏng.

Mấy người thống hận Tần Lập đều vẻ mặt chấn động nhìn hắn. Thái tử Triệu Tinh Hà rốt cuộc không nhịn được, mặt tái mét nhỏ giọng mắng:

- Ngu ngốc!

Triệu Nguyên Lễ cũng bị Tần Lập chọc vui vẻ, chỉ hắn cười nói:

- Tiểu tử như ngươi, trẫm muốn thu phục ngươi còn cần phiền phức như vậy sao? Ngươi… ngươi làm trẫm chết cười mà. Ha ha ha!

Hoàng đế dẫn đầu cười to, không ít người cũng không nhịn được cười ra tiếng. Ánh mắt nhiều người nhìn về phía Tần Lập cũng nhu hòa hơn rất nhiều, trong lòng nói: thiếu niên này tính tình thẳng thắn, thật là khả ái.

Nhưng những người chán ghét Tần Lập, cái nhìn đối với Tần Lập hoàn toàn ngược lại: thằng nhà quê, lưu manh, lão nông dân, ngu ngốc chưa thấy sự đời…

Nhưng mặc kệ thế nào, mọi người đều trong đại điện cũng đều nhìn ra: Hoàng đế bệ hạ yêu thích thiếu niên quý tộc Đại Tề này, đích thật phát ra từ nội tâm!

- Tần Lập! Vậy ngươi nói ngươi muốn thế nào mới bằng lòng gia nhập quốc tịch Thanh Long ta đây?

Triệu Nguyên Lễ cười xong, tay đặt trên ghế rồng, ánh mắt sáng quắc nhìn vào Tần Lập.

Hoàng đế Triệu Nguyên Lễ này đích xác cực kỳ yêu thích nhân tài, hơn nữa đối đãi với người có tài năng đặc thù thì thường thường đều có thể vứt bỏ mặt mũi vua một nước. Vì chiêu hiền đãi sĩ, không nói thật giả, một Hoàng đế có thể làm được đến mức này, coi như là giả cũng đã là một phần đặc biệt quang vinh rồi!

Đổi lại người thường, ngươi muốn gặp mặt Hoàng đế một lần cũng không bao giờ có cơ hội!

- Ta nghe nói Thanh Long quốc có một tòa học viện Đế đô. Chỉ cần tốt nghiệp ở nơi đó, trước hai mươi tuổi đạt được Huyền cấp là có thể nhận được sắc phong của bệ hạ trở thành quý tộc?

Tần Lập cười hì hì nhìn Triệu Nguyên Lễ, trong lòng nói: không ngờ tới quốc tịch Đại Tề này, còn có diệu dụng như vậy.

Triệu Nguyên Lễ gật đầu nói:

- Không sai. Thanh Long quốc ta đối đãi nhân tài luôn luôn hào phóng.

- Vậy, ta là võ giả Địa cấp mười sáu tuổi, nếu như gia nhập Thanh Long quốc trở thành con dân của bệ hạ. Bệ hạ chuẩn bị phong thưởng ta thế nào đây?

Tê!

Trên triều trong giây lát vang lên một trận hít vào một hơi lạnh, mọi người đều giống như đau răng, ánh mắt nhìn Tần Lập đầy kinh hãi. Dù ngay cả Thái tử Triệu Tinh Hà, trong ánh mắt nhìn về phía Tần Lập, cũng nhiều thêm vài phần kiêng kỵ.

Cũng không phải mọi người đều biết thiếu niên này lại là võ giả có thực lực Địa cấp, cho nên Tần Lập vừa nói ra miệng, làm mọi người chấn động ngay tại chỗ. Nhìn lại Tần Lập đã có tính toán bất đồng rất lớn, trong lòng nói thảo nào bệ hạ kiên trì như vậy. Không sợ ngươi trời sinh ngớ ngẩn hay là ngu ngốc, đều sẽ chiều theo ý hắn. Thật không nghĩ ra cái tiểu tử quý tộc sa sút này, lại có được thiên tư tập võ tuyệt hảo như vậy.

Người như thế đừng nói là Hoàng Thượng, mỗi một vị ở đây nếu như Tần Lập gật đầu đồng ý, vậy thì tiền tài mỹ nữ danh vọng địa vị tùy tiện lựa chọn! Có mấy đại thần phái Thái tử biết trận giết chóc trước kia, trong lòng đều âm thầm oán giận Thái tử Triệu Tinh Hà: nhân tài như vậy lại đi kết lấy hận thù, thật là quá không sáng suốt mà!

Đại Thanh Bang kia dù là tốt, ở trong mắt đoàn người này cũng không theo kịp một mình Tần Lập!

Võ giả Địa cấp mười sáu tuổi có ý nghĩa gì? Có nghĩa hắn là một thiên tài giống như yêu nghiệt! Toàn bộ Thanh Long quốc, sợ rằng cũng đã mấy trăm năm trời chưa từng xuất hiện thiên tài như thế!

Tần gia Tam công tử Tần Phong ở thành Hoàng Sa trước kia, có người nói cũng là một thiên tài siêu cấp, năm nay đồng dạng cũng là mười sáu tuổi, nhưng cũng chỉ là Huyền cấp bậc chín. Người như vậy trên toàn Thanh Long quốc, cũng đã coi là nhân tài rất giỏi rồi!

Mười sáu tuổi tiến vào Địa cấp, chỉ cần không có vấn đề gì, trước hai mươi lăm tuổi chắc chắn tiến vào Thiên cấp!

Một võ giả Thiên cấp hai mươi lăm tuổi, tiền đồ cùng tương lai của hắn… Ngẫm lại mà mọi người đều đỏ mắt sốt ruột!

Những đại thần ở đây, tuy rằng trong lòng không quá coi trọng võ giả, lúc này khi một thiên tài như yêu nghiệt đứng ở đây, nói không động tâm, vậy chắc chắn đều là giả.

Triệu Nguyên Lễ thu thần sắc mọi người phía dưới vào trong mắt, mỉm cười nói:

- Vậy ngươi muốn cái gì đây?

- Thăng quan phát tài, kim tiền mỹ nữ ta đều muốn!

Tần Lập híp mắt, cười rất vui vẻ, giống như một con tiểu hồ ly tham lam.

Phì!

Rất nhiều người lại bị chọc cười một lần nữa, kẻ dở hơi này nói thật là trực tiếp mà! Ngày hôm nay coi như mở rộng tầm mắt. Cho tới giờ chưa từng gặp qua một người nào, dám ở trong triều đình trước mặt Hoàng đế nói như vậy.

Triệu Nguyên Lễ cười ha ha, tâm tình cực kỳ vui vẻ, trong lòng nói: loại yêu cầu này, trẫm thích nhất! Trẫm chỉ sợ nhất là những tên khô khan đờ đẫn chỉ biết tu luyện ngày đêm, cả đám vô dục vô cầu, hoặc là thuộc về một đại gia tộc nào đó, muốn lôi kéo cũng không có biện pháp!

Đối với vua của một nước mà nói, quyền thế, quan tước, tiền tài mỹ nữ... Những thứ này căn bản không phải vấn đề! Chỉ sợ ngươi không dám đòi, chỉ cần ngươi có thực lực kia, ngươi muốn cái gì, Hoàng Thượng liền dám cho ngươi thứ đó!

- Tốt, tốt, tốt!

Triệu Nguyên Lễ liên tiếp nói ba chữ tốt, Nhị hoàng tử trong đám người bên kia không nhịn được mặt mày hớn hở, trong lòng nói coi như hắn kết được một thiện duyên rồi! Cho dù như thế nào, người này tuyệt đối không thể đi cùng một đường với đại ca được. Ha ha! Triệu Tinh Hà ơi Triệu Tinh Hà, con sông của ngươi cuối cùng cũng phải dung nhập biển rộng thôi!

Ngay khi Triệu Nguyên Lễ muốn mở miệng sắc phong cho Tần Lập, Thái tử Triệu Tinh Hà bên kia bỗng nhiên nhảy ra cao giọng nói:

- Phụ hoàng! Nhi thần có lời muốn nói!

Triệu Nguyên Lễ như cười như không nhìn thoáng qua Triệu Tinh Hà, nhàn nhạt nói:

- À? Thái tử có lời gì muốn nói?

- Phụ hoàng! Nhi thần cảm thấy trực tiếp sắc phong Tần Lập như vậy, có phải quá vội vàng hay không?

Triệu Tinh Hà không chút hoang mang nói.

Tần Lập khó hiểu nhìn thoáng qua Triệu Tinh Hà, trong lòng nói: tên đê tiện nhà ngươi, khẳng định là không hợp ngày sinh với lão tử, xem ra giết một cánh tay trái của ngươi còn ngại ít, còn phải chém luôn một cánh tay phải, ngươi mới thoải mái sao!

- Thế nào lại vội vàng?

Trên mặt Triệu Nguyên Lễ không nhìn ra vui buồn, nhưng mọi người quen thuộc Hoàng đế đều biết: bệ hạ mất hứng rồi! Dù ngay cả mấy người phái Thái tử cũng không nhịn được nháy mắt với Triệu Tinh Hà, trong lòng nói lúc này ngươi nghịch lại bệ hạ còn không phải tự chịu bẽ mặt sao?

Ai biết rằng, Triệu Tinh Hà giống như không phát hiện ánh mắt những người đó, cố chấp khom người đối mặt với phụ thân - Hoàng đế bệ hạ Triệu Nguyên Lễ, trầm giọng nói:

- Thanh Long quốc ta khát cầu nhân tài, nhưng ai biết có thể vàng thau lẫn lộn hay không đây?

Ài, Thái tử Điện hạ bị thù hận che mù mắt rồi! Lập tức liền có không ít người nghĩ như vậy: Tần Lập này có phải vàng thau lẫn lộn hay không, Thái tử gia ngài còn không biết sao? Nếu ngài nói không biết, vậy Thiểm Điện Đao Tôn Lục, Đường chủ Chiến Đao Đường trong Đại Thanh Bang kia, chết như thế nào?

- Vậy theo ý của ngươi là?

Triệu Nguyên Lễ nhìn lướt qua Triệu Tinh Hà sắc mặt trầm ổn.

- Ý của nhi thần, tự nhiên là phải khảo sát Tần Lập này một phen. Kiểm tra đẳng cấp của hắn trước, sau đó tìm người luận bàn với hắn một phen, như vậy cũng có thể chứng minh giá trị của hắn. Đến lúc đó phụ hoàng lại phong thưởng, chẳng phải càng thêm có lý có cớ?

Triệu Tinh Hà chậm rãi nói ra mục đích của mình, nói xong còn không quên quay đầu về phía Tần Lập cười quỷ dị:

- Tần công tử, ngài nói sao đây?

Trong lòng Tần Lập hơi khẽ động, lập tức bừng tỉnh đại ngộ, trong lòng mắng: Triệu Tinh Hà ngươi thật là đê tiện, thì ra ngươi đang chờ ta ở chỗ này! Muốn bức ta lộ ra chiến kỹ Duy Ngã Độc Tôn? Ngươi nằm mơ đi!

- Điện hạ nói có lý! Cái gọi là không công không chịu lộc. Xin bệ hạ chấp nhận yêu cầu của Điện hạ, tại hạ muốn chứng minh giá trị của mình.

Tần Lập khẽ hất hàm, giống như rất hài lòng mình nói lớn tiếng. Trong lòng lại cười lạnh: Triệu Tinh Hà, ngươi tốt nhất là không nên tìm người cùng lúc nghiệm chứng ta, lại có ý muốn giết ta. Nếu như vậy, ngươi sẽ lại bị thương nữa đấy!

120. Chương 120 : Thực Lực Kinh Người

Các văn võ đại thần trên điện nghe nói còn phải nghiệm chứng, cả đám lập tức xôn xao trầm trồ. Nếu bình thường, loại kiểm tra võ giả này bọn họ chưa chắc có nhiều hứng thú, nhưng tình huống hiện tại không như thế nữa. Dù là đại thần không biết trước đó giữa Thái tử cùng Tần Lập đã xảy ra chuyện gì, cũng có thể nhận ra trên người Thái tử Điện hạ nỗi căm hận với Tần Lập.

Diễn võ trường nằm ở phía cửa Tây ngoài hoàng cung, rất giống với sân thể dục ở kiếp trước. Chỉ là không có nhiều chỗ ngồi như vậy, chỉ có khoảng một vạn mà thôi.

Đấu lôi đài mùa xuân mỗi năm cũng được tổ chức ở nơi này. Các diễn võ trường giống như vậy, ở Đế đô còn có rất nhiều chỗ, nhưng nơi này thuộc về Hoàng gia, cho nên là chỗ lớn nhất.

Toàn thể đại thần tiến vào trên chỗ ngồi quý tộc, tự nhiên có người đưa điểm tâm nước trà lên, chuyện như vậy đối với bọn họ mà nói cũng coi như khá mới mẻ. Cho nên trên mặt những người này đều lộ vẻ tươi cười thoải mái. Truyện “Duy Ngã Độc Tôn ” được copy từ diễn đàn Lương Sơn Bạc (LuongSonBac.com)

Thái tử Triệu Tinh Hà đi tới bên người Tần Lập, ánh mắt cực kỳ lạnh nhạt nhìn thoáng qua Tần Lập, dán trên tai Tần Lập lạnh lùng nói:

- Chuyện ngươi giết thủ hạ của ta, tuyệt sẽ không dễ dàng bỏ qua! Còn nữa, tên của ngươi làm cho ta rất chán ghét! Nếu như ngươi là cùng một người với kẻ kia, ta nhất định sẽ chiêu đãi ngươi thật tốt!

- Điện hạ! Ngài đang nói gì, tại hạ không hiểu. Từ khi tại hạ tới Thanh Long quốc, tuân theo pháp luật, yên ổn kinh doanh buôn bán. Mấy ngày trước chỉ có một đám súc sinh Đại Thanh Bang kia tới tìm ta gây chuyện, lẽ nào đám côn đồ Đại Thanh Bang này đều là thủ hạ của Điện hạ hay sao?

Tần Lập nói những lời này, cũng không có bất kỳ che giấu này, trực tiếp lớn tiếng nói ra.

Tiếng bàn tán ong ong khắp diễn võ trường lập tức tan biến, bầu không khí bắt đầu trở nên có chút khẩn trương.

- Ngươi… ngươi nói bậy bạ gì đó? Kỳ quái! Ngươi nói với ta những điều này làm gì!

Mặt Triệu Tinh Hà đỏ hồng, ngực hơi phập phồng. Hắn thật không ngờ tới, cái tên khờ chết tiệt này lại dám không cố kỵ đắc tội mình như vậy. Trong lòng Triệu Tinh Hà đại hận, nhìn Tần Lập cười hung ác, khẽ giọng nói:

- Được! Tiểu tử, đợi lát nữa ngươi đừng hối hận!

- Điện hạ, lời ngài nói là có ý gì? Ngài đang uy hiếp ta sao? Cái gì gọi là không hối hận?

Tần Lập bỗng nhiên phẫn nộ, trừng mắt nhìn về phía Triệu Tinh Hà cả giận nói:

- Không ngờ tới Thái tử của một quốc gia, lại không có khí thế như vậy! Hơn nữa tại hạ căn bản không biết đắc tội Thái tử Điện hạ chỗ nào, lại khiến ngài liên tục chĩa mũi nhọn vào ta như vậy! Quý tộc Thanh Long quốc này, lão tử không làm cũng được! Nơi này không lưu ta, tự nhiên có chỗ để ta ở!

Tần Lập nói xong lời thê lương như thế, liền xoay người muốn đi. Triệu Tinh Hà bị Tần Lập nói đến nỗi khí huyết trào lên, hét lớn:

- Tần Lập! Ta biết nhất định là ngươi! Nhất định là ngươi! Hôm nay ngươi dám đi, có tin ta lập tức phái người truy sát ngươi hay không!

- Câm miệng!

Triệu Nguyên Lễ ngồi trên khán đài vốn không muốn lên tiếng, nhưng phát hiện Thái tử càng ngày càng quá đáng, lại trực tiếp công khai uy hiếp tới Tần Lập, trong mắt hiện lên thất vọng sâu sắc.

Nhị hoàng tử Triệu Tinh Hải ngồi ở bên cạnh hắn, nhẹ giọng khuyên can:

- Phụ hoàng! Đừng vì chuyện này mà tổn hại thân thể!

- Đại ca ngươi nếu hiểu chuyện được như ngươi, vậy thì tốt rồi!

Triệu Nguyên Lễ than nhẹ một tiếng, sau đó quay về phía Thái tử cách đó không xa lớn tiếng nói:

- Ngươi lập tức cút ra cho ta! Chuyện kiểm tra tự nhiên có người an bài, có liên quan gì đến ngươi?

Triệu Tinh Hà hung hăng trừng mắt với Tần Lập, lại nháy mắt với một thái giám truyền lệnh, sau đó mới mơ hồ không bằng lòng trở về chỗ cạnh Triệu Nguyên Lễ. Nhìn sắc mặt phụ hoàng khó coi, còn Nhị đệ làm lại ra một bộ dáng hiếu thuận ngồi bên cạnh, trong lòng càng thêm phiền muộn, nói với Triệu Nguyên Lễ:

- Phụ hoàng! Hài nhi hoài nghi Tần Lập này chính là gã Tần Lập ở thành Hoàng Sa kia.

- Nói bậy! Người ở thành Hoàng Sa làm sao có thể nói khẩu âm như người Đại Tề quốc? Tuy rằng hai người tuổi không kém mấy, nhưng bộ dạng Tần Lập thành Hoàng Sa kia ngươi còn chưa thấy qua sao?

Triệu Nguyên Lễ lạnh lùng trừng mắt nhi tử mình, trong lòng nói may mà bản thân cũng có thực lực Địa cấp, còn có tuổi thọ rất dài. Nói cách khác, nếu như truyền ngôi cho Thái tử, vậy Tần Lập này tự nhiên bỏ đi thật xa! Một võ giả thiên tài tiền đồ rộng lớn, lại bị bỏ qua như thế! Vẫn là Tinh Hải hiểu chuyện hơn một chút.

Triệu Tinh Hải ở bên cạnh khuyên nhủ:

- Đại ca! Tuy rằng Tần Lập thành Hoàng Sa kia có thù oán với huynh, nhưng huynh cũng không thể đổ hết tức giận lên những người có tên gọi Tần Lập được chứ.Thiên hạ này người có tên gọi như vậy ngàn ngàn vạn vạn, lẽ nào đại ca còn có thể giết sạch hết bọn họ được sao?

Triệu Tinh Hà mặt đầy âm trầm, cũng không nói gì, trong lòng lại đang mắng to: “Lão Nhị, ngươi thật cho rằng ta không biết ngươi đang suy nghĩ gì hay sao? Hừ, chỉ cần một ngày ta còn sống, ngươi liền vĩnh viễn đừng nghĩ tới có cơ hội! Chờ đến ngày ta đăng cơ kế vị, chính là ngày ngươi… Hừ hừ!”

Lúc này, bên ngoài bỗng nhiên truyền đến một hồi tiếng cười nói như chuông bạc, giọng nói rất là êm tai. Hoàng đế Triệu Nguyên Lễ nghe thấy tiếng cười đó, vốn gương mặt cứng ngắc, rốt cuộc cũng lộ ra tươi cười.

- Phụ hoàng phụ hoàng! Ta tới rồi, phụ hoàng có chuyện thú vị cũng không biết gọi nữ nhi một tiếng, nữ nhi thật là đau lòng mà!

Một cô gái mười ba mười bốn tuổi, gương mặt cực đẹp, da thịt trắng tuyết, mặc một bộ áo dài màu xanh biển, mái tóc dài đen óng có chút xoắn lại, bay bổng trên vai, cười hì hì đẩy cửa đi vào gian phòng xa hoa .

- Ồ! Hai vị ca ca cũng ở đây!

Ánh mắt cô gái nhìn lướt qua Thái tử cùng Nhị hoàng tử, vừa cười vừa nói.

Cô gái này chính là công chúa Triệu Thiên Thiên, em ruột cùng mẹ với Nhị hoàng tử và Thái tử, cũng là một công chúa được Hoàng Thượng Triệu Nguyên Lễ sủng ái nhất. Chính vì như thế, Lý công công mới dẫn người đi bắt Lục Nhung Miêu cho nàng.

- À, Thiên Thiên tới rồi! Chuyện này có gì thú vị chứ, đây là phụ thân dâng đao mời nhân tài mà thôi!

Triệu Nguyên Lễ đối với nữ nhi hiếu động này cho tới giờ luôn luôn hòa ái thân thiết, cũng không quá mức nghiêm khắc. Mà nữ nhi cũng rất hiểu chuyện, trên người không nhìn ra một chút kiêu căng, càng chưa từng bày vẻ công chúa.

- Hì hì, là người nào vậy?

Công chúa Triệu Thiên Thiên hỏi, vừa nhìn xuống bên dưới. Lúc này bên kia đã bày biện dụng cụ kiểm tra đẳng cấp võ giả xong, chỉ chờ Hoàng đế lên tiếng, Tần Lập mới có thể tiến hành kiểm tra.

- Thoạt nhìn cũng không lớn hơn ta bao nhiêu cả.

Triệu Thiên Thiên thuận miệng nói:

- Hắn có bản lĩnh gì mà để phụ hoàng coi trọng như thế chứ?

Triệu Nguyên Lễ vẻ mặt hiền lành cười nói:

- Ngươi đợi xem sẽ biết! Thực lực của hắn so với ngươi mạnh hơn rất nhiều đó!

Vẻ mặt Triệu Thiên Thiên không phục, bĩu môi nói:

- Người ta đã là tiểu thiên tài từ lâu rồi mà!

- Ha ha, nữ nhi của ta là đại thiên tài! Đại thiên tài!

Triệu Nguyên Lễ cười ha ha nói.

- Hừ! Vốn là thế mà!

Triệu Thiên Thiên bĩu môi, ngồi ở bên cạnh Triệu Tinh Hải, nàng cùng nhị ca càng thêm gần gũi một chút. Đại ca là Thái tử, cả ngày mặt cứng ngắc, hơn nữa quá kiêu ngạo, Triệu Thiên Thiên không thích ở cùng hắn lắm. Năm nay Triệu Thiên Thiên mười bốn tuổi, bản thân có thực lực Huyền cấp bậc sáu, tuy nói là dùng rất nhiều loại linh dược, nhưng thiên phú của nàng xác thật cũng không kém.

Cho nên thấy phụ hoàng nói người kia lợi hại hơn mình, trong lòng Triệu Thiên Thiên có chút không phục, mắt nhìn chằm chằm không chuyển vào thiếu niên bên dưới.

- Có thể bắt đầu rồi chứ?

Thần thức khổng lồ của Tần Lập, đối với những chuyện xảy ra ở trong căn phòng xa hoa kia đều dò thám được rõ ràng, cho nên cũng không nóng nảy. Thấy đều đã chuẩn bị tốt, liền thuận miệng hỏi.

- Tốt, có thể bắt đầu rồi!

Thái giám được cho phép, gật đầu với Tần Lập.

Tần Lập nhìn thiết bị kiểm tra giống như một tấm khiên màu đỏ trước mắt, ngưng thần tĩnh tâm hít sâu một hơi, đột nhiên hét lớn một tiếng. Trong khoảng khắc trên người bùng lên một quần sáng màu xanh lam, đồng thời đẩy thẳng tay, một quyền hung hăng đánh về phía thiết bị kiểm tra màu đỏ kia.

Theo quần sáng màu xanh bùng phát trên người Tần Lập, miệng công chúa Triệu Thiên Thiên liền hơi mở ra, giật mình nhìn thiếu niên kia, vẻ mặt không thể tin nổi.

Ầm!

Một tiếng nổ vang, quanh quẩn trên toàn diễn võ trường.

Ngay sau đó, một tiếng nói máy móc vang lên:

- Địa cấp, bậc bảy!

Tần Lập mặt hiện vẻ mỉm cười, đứng vững như núi cao ở đó giống như một tướng quân chiến thắng, chờ đợi người ta hoan hô.

A!

Một loạt tiếng kinh hô không che giấu được lập tức vang lên từ trên khán đài.

Triệu Thiên Thiên hai mắt trừng lớn, sững sốt một lát, mới gào lên:

- Phụ hoàng! Ngài xác định hắn… là người chứ?

Trong mắt Nhị hoàng tử Điện hạ lóe ra tia sáng hưng phấn, trong lòng không ngừng lẩm bẩm:

- Lão tử tìm được bảo rồi, lão tử tìm được bảo rồi!

Triệu Nguyên Lễ cũng lập tức đứng dậy, hét lớn một tiếng:

- Hay cho một thiên tài!

Bộp bộp bộp!

Một hồi tiếng vỗ tay nhiệt liệt truyền đến từ bốn phương tám hướng, đồng thời nương theo đó còn có không ít tiếng khen ngợi trầm trồ của rất nhiều người không kìm nổi.

Trên mặt Thái tử Triệu Tinh Hà âm trầm bất định, phải thừa nhận đích xác hắn xem thường người này, không ngờ tới lại là một võ giả Địa cấp bậc bảy. Thiểm Điện Đao Tôn Lục cùng các huynh đệ Chiến Đao Đường chết không oan! Trong lòng thống hận Tần Lập đã đạt đến tột đỉnh, thầm nói: “Tên nhãi ranh phá hủy chuyện lớn của ta, hơn nữa đã không có khả năng cho ta sử dụng, như vậy ta nhất định phải trừ bỏ ngươi!”

Triệu Nguyên Lễ quay đầu lại nhìn thoáng qua nữ nhi của mình, vừa cười vừa nói:

- Thế nào, nữ nhi bảo bối của ta, lúc này con chịu phục chưa? Tiểu thiên tài!

Triệu Thiên Thiên cười hì hì:

- Phụ hoàng, không chừng hắn là linh thú gì biến hóa thì sao, bằng không làm thế nào lại lợi hại như vậy?

- Thôi đi, đừng nói bậy. Linh thú biến hóa cái gì chứ, linh thú biến hóa ít nhất cũng phải có thực lực Thiên cấp! Truyện “Duy Ngã Độc Tôn ” được copy từ diễn đàn Lương Sơn Bạc (LuongSonBac.com)

Triệu Nguyên Lễ cười vuốt mũi nữ nhi một chút, sau đó nói:

- Hiện tại ai tới kiểm tra thực lực chân chính của Tần Lập thử một chút? Có vị cung phụng nào ở đây?

- Bệ hạ! Thần tới thử xem.

Một giọng nói già nua vang lên, làm tất cả mọi người ở đây trong lòng đều rùng mình. Làm đại thần trong triều, cung phụng Thiên cấp tự nhiên bọn họ cũng không xa lạ. Mà người vừa nói này tự nhiên không phải ai khác, chính là người đứng đầu giữa năm mươi bốn cung phụng Thiên cấp - Trần Diệc Hàn! Truyện “Duy Ngã Độc Tôn ” được copy từ diễn đàn Lương Sơn Bạc (LuongSonBac.com)

Thăm dò di tích thượng cổ hồ Phượng Hoàng, kết quả hao binh tổn tướng, làm cho Trần Diệc Hàn buồn bực một thời gian rất lâu. Chẳng qua là một võ giả Thiên cấp bậc chín cường hãn, trên toàn Thanh Long quốc ai ai cũng biết tên lão, không ai không tôn kính lão! Tần Lập nghe đến giọng nói này, trong lòng khẽ động, thầm nhủ: Triệu Tinh Hà, ngươi giỏi lắm! Lại có tâm cơ như thế, mời được vị lão đại này đi ra!

Phải biết rằng Trần Diệc Hàn ở chỗ hồ Phượng Hoàng, ngoại trừ cảm thấy uất ức ra, đối với mấy võ giả cấp thấp cướp đi Hắc Thủy Khuê Ngưu cũng cực kỳ thống hận!

Hơn nữa làm một cường giả Thiên cấp cao giai, còn kém một chút là có thể đột phá đến cảnh giới Phá Thiên, thần thức cũng cực kỳ cường đại! Người bình thường dù có dịch dung đi nữa, nhưng khí tức cũng không qua mặt được cường giả như lão!

Trong căn phòng sang trọng, Triệu Tinh Hà đang cười lạnh.

Vô Tình

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

121. Chương 121 : Cuồng Long Thập Tam Thức

"Nếu Tần Lập này thật sự là kẻ ở thành Hoàng Sa kia, vậy ngày hôm nay chắc chắc là ngày ngươi bỏ mạng!" Truyện "Duy Ngã Độc Tôn " được copy từ diễn đàn Lương Sơn Bạc (LuongSonBac.com)

"Nếu ngươi không phải, vậy cứ cho ngươi sống lâu hơn một chút, bản vương sẽ tuyệt không buông tha ngươi!"

Triệu Tinh Hà căn bản không tin sẽ có sự tình xảo hợp như vậy, làm thế nào hai người có cùng cái tên Tần Lập đều kết thù với mình được. Hắn tình nguyện tin tưởng rằng không biết Tần Lập dùng biện pháp gì, lấy được thân phận Đại Tề quốc.

Về phần khẩu âm, thủ hạ của hắn cũng có người có thể nói được các loại khẩu âm các nơi khác!

Cho nên từ đáy lòng Triệu Tinh Hà, cho rằng cái tên quý tộc Đại Tề quốc này nhất định chính là thằng con hoang thành Hoàng Sa kia! Chỉ là không biết dùng phương pháp gì, thay đổi dung mạo, lại sửa đổi được khẩu âm.

Nhưng một người dù có thay đổi thế nào đi nữa, khí tức của ngươi, dao động nguyên lực trên người của ngươi, cũng không cách nào thay đổi. Đối với cường giả chân chính mà nói, liếc mắt liền có thể xem rõ!

Cho nên hắn tìm đại cung phụng thủ tịch Hoàng gia Trần Diệc Hàn tới, vốn là Trần Diệc Hàn căn bản không muốn chen vào loại chuyện này. Nhưng khi nghe đến thiếu niên kia mới mười sáu tuổi đã có thực lực Địa cấp, Trần Diệc Hàn ít nhiều cũng có chút kinh ngạc.

Trên thực tế, võ giả có thể tu luyện đến cảnh giới Thiên cấp, lúc còn trẻ tuổi người nào không phải là thiếu niên thiên tài! Điểm ấy không cần hoài nghi, có thể tiến vào Địa cấp lúc mười sáu tuổi, vậy thật sự có thể nói là thiên tài trong thiên tài!

Cho nên Trần Diệc Hàn mới nổi lòng yêu tài, cũng có chút hiếu kỳ. Bởi Thái tử Điện hạ thề thốt một mực chắc chắn tiểu tử này là thằng con hoang Tần gia thành Hoàng Sa, còn nói thằng con hoang Tần gia kia chính là tu luyện chiến kỹ Duy Ngã Độc Tôn, muốn mình tự thân hỗ trợ dò xét.

Chiến kỹ Cửu Thiên Thập Địa Duy Ngã Độc Tôn, tự nhiên là Trần Diệc Hàn biết tới. Loại phương thức xuất chiêu đặc biệt này, thủ đoạn công kích sắc bén đó, đều lưu lại cho hắn ấn tượng sâu đậm. Cho nên nếu thật là thiếu niên này tu luyện chiến kỹ Duy Ngã Độc Tôn, vậy bị mình áp bức nhất định sẽ lộ ra sơ hở. Lúc này Trần Diệc Hàn cũng không ngờ tới, Tần Lập này chính là người thanh niên mới hai mươi tuổi ở hồ Phượng Hoàng lúc trước, dù là hắn nhớ rõ khí tức người thanh niên kia thì cũng không suy nghĩ tới. Huống chi, mấy người võ giả thực lực quá yếu, làm sao để Trần Diệc Hàn ghi nhớ trong lòng chứ?

Nếu lão biết, Tần Lập này chẳng những là kẻ lấy đi nội đan Hắc Thủy Khuê Ngưu, càng là người duy nhất có lợi trong di tích thượng cổ hồ Phượng Hoàng, vậy nhất định sẽ không bình tĩnh hòa nhã như bây giờ. Sợ rằng ngay cả ý nghĩ nuốt sống Tần Lập cũng có nữa.

Đối với việc này Tần Lập biết rất rõ ràng, trong lòng cũng thầm nhủ thật đúng là trùng hợp. Chẳng qua biểu hiện bên ngoài thật nghiêm trang, xoay về phía Trần Diệc Hàn ôm quyền nói:

- Mời vị tiền bối này, xin hỏi ngài là?

- Tiểu tử Tần Lập. Ngươi có biết hôm nay ngươi thật là vinh hạnh, ngươi có biết đứng ở trước mặt ngươi là người nào hay không?

Hoàng đế Triệu Nguyên Lễ ở bên trong phòng sang sảng cười nói:

Hoàng đế Triệu Nguyên Lễ cũng không ăn nhiều liền đứng dậy rời đi. Đám đại thần ở lại lúc này mới có cơ hội tiếp cận Tần Lập. Không phải hỏi Tần Lập lúc nào dời tới phủ Hầu tước, thì là nói đại loại như có hôn phối hay chưa…

Tần Lập vẫn duy trì vẻ mặt nhẫn nại tươi cười, trả lời lại không phiền nhiễu. Lúc này, bỗng nhiên Thái tử Triệu Tinh Hà từ bên kia bưng một ly rượu đi sang, trên mặt cố bày ra vẻ tươi cười. Thoạt nhìn hết sức cứng ngắc, không chút tự nhiên, trong ánh mắt còn tràn ngập màu sắc mâu thuẫn.

Nói lời thật, hắn căn bản không muốn đi cúi đầu với Tần Lập. Hắn là Thái tử đương triều, tương lai là vua một nước! Dựa vào cái gì phải cúi đầu trước một tên cuồng vọng kia?

Tình hình hôm nay, hắn không phải không nhìn ra, chỉ là không nghĩ tới phụ hoàng lại chỉ tin một phía như vậy. Chẳng những phong hầu ban phủ, lại còn đưa thành Hoàng Sa ra làm đất phong cho người này! Truyện "Duy Ngã Độc Tôn " được copy từ diễn đàn Lương Sơn Bạc (LuongSonBac.com)

Thành Hoàng Sa!

Vừa nghĩ đến nơi đó, Triệu Tinh Hà liền có cảm giác như tim mình đổ máu.

Khuôn mặt trào phúng, dáng cười lạnh lùng, cùng với câu nói kia: bởi vì ngươi sợ chết, cho nên ngươi không dám! Câu nói kia, quả thật giống như một lưỡi đao, đến giờ vẫn ghim chặt đau thắt trong tim hắn.

Đặc biệt là sư phụ Mộ Dung Thiên bị ngược đãi đến chết, treo ở trên cột cờ, cùng với mảnh vải trắng cảnh cáo đẫm máu. Nó càng như một thanh trọng kiếm treo ở trên đầu hắn, không chừng một lúc nào đó sẽ hạ xuống, chặt đứt đầu của hắn!

Trọng yếu nhất là cái tên con hoang chết tiệt kia lại biến mất!

Triệu Tinh Hà sẽ không tin hắn đã chết, khẳng định là hắn trốn ở một nơi nào đó, đang âm thầm nhìn trộm mình, tùy thời chuẩn bị ám sát mình!

Cơn ác mộng này, vẫn luôn đeo bám Triệu Tinh Hà.

Thẳng đến sau khi phát sinh sự kiện Đại Thanh Bang, Triệu Tinh Hà nghe đến cái tên này, liền vô thức muốn giết chết hắn. Nguyên nhân rất đơn giản, dù là hắn không phải Tần Lập kia, chỉ cần giết được hắn, vậy cũng có thể giảm bớt một phần ác mộng của hắn!

Thẳng đến một khắc nhìn thấy Tần Lập, nghe hắn nói một loạt khẩu âm Đại Tề cường điệu, cùng lời nói đồng dạng sắc bén, Triệu Tinh Hà hầu như trực tiếp nhận định: người này khẳng định là Tần Lập!

Đáng tiếc, hắn không cách nào chứng minh, cũng không ai tin tưởng hắn!

Vừa rồi ngay cả triều thần vẫn ủng hộ hắn, cũng đều đưa ý kiến với hắn, kiến nghị hắn nên hòa hoãn quan hệ giữa hắn với Tần Hầu gia, đừng khiến cho căng thẳng như vậy nữa. Dù là tạm thời không cách nào lôi kéo, như vậy cũng không nên trở thành cừu nhân. Nếu thật sự muốn giết hắn, vậy cũng phải trên mặt treo nụ cười, sau lưng đâm một đao! Truyện "Duy Ngã Độc Tôn " được copy từ diễn đàn Lương Sơn Bạc (LuongSonBac.com)

Triệu Tinh Hà cũng biết đạo lý này, tuy rằng hắn nhận định Tần Lập này là kẻ thù của mình, nhưng vẫn quyết định nghe theo ý kiến những người ủng hộ mình. Dù sao cũng không thể làm thủ hạ lạnh lòng được, bằng không bọn họ lại chạy sang hệ Nhị hoàng tử thì xong rồi.

- Tần Hầu! Trước đó bản vương cùng ngài có chút hiểu lầm, hiện giờ bản vương xin lỗi ngài, hy vọng Tần Hầu đừng chú ý. Sau này mọi người làm việc cùng một chỗ, mong rằng Tần Hầu có thể giúp đỡ nhiều hơn!

Triệu Tinh Hà nói xong, nâng ly rượu trong tay lên uống cạn.

Đường đường Thái tử vương tước, lại khuất phục trước một Hầu gia. Lời lẽ của hắn coi như thành khẩn, đồng thời cũng đã uống một ly rượu, đây đã là mặt mũi quá lớn. Đối với một Thái tử mà nói, hắn đã làm đến cùng rồi.

Không ít người đều đặt ánh mắt lên người Tần Lập vẻ mặt nghiền ngẫm, Tần Lập ngồi ở tại chỗ, căn bản không hề đứng lên!

Cứ ngồi như vậy, thưởng thức ly rượu cầm trên tay, vẻ mặt như cười như không, nhàn nhạt nói:

- Bản Hầu cùng Điện hạ vốn đã không hề có thù hận. Cho tới nay đều là người của Điện hạ gây sự trước. Hiện tại muốn cười một tiếng xóa hết ân cừu? Cũng được, ta hỏi Điện hạ một câu: Đại Thanh Bang cùng với Điện hạ ngài có quan hệ hay không?

Sắc mặt Triệu Tinh Hà chợt đại biến, vừa muốn phát tác, nhưng lại nhìn Tể tướng đương triều - là nhân vật cường thế nhất chống sau lưng mình, đang ở bên kia liều mạng nháy mắt với hắn. Trong lòng Triệu Tinh Hà rùng mình một cái, lập tức phản ứng trở lại, trong lòng thầm nói Tần Lập này thật là âm hiểm! Nếu như bản vương nói sai một câu, chẳng phải lập tức bị hắn nắm lấy điểm yếu?

Hắn lắc đầu kiên định, nói:

- Ngài nghe nói từ nơi nào? Bản vương từng nghe nói đến bang hội này, chẳng qua là một đám lưu manh giang hồ, làm sao có thể kéo quan hệ đến bản vương? Tần Hầu nói đùa rồi!

- À? Vậy thì tốt!

Tần Lập gật đầu, nhàn nhạt nói:

- Bản Hầu có thù oán với bọn họ, nghe nói Đại Thanh Bang kia muốn tìm ta báo thù. Vốn cứ tưởng rằng bọn họ nhận thức Thái tử Điện hạ, bản Hầu cũng cho Điện hạ một mặt mũi, không truy cứu chuyện này nữa. Nếu không có quan hệ đến Điện hạ, như vậy… Ha ha, bản Hầu thật muốn xem, một đám lưu manh phố phường có lá gan lớn cỡ nào, dám hạ lệnh truy sát muốn giết bản Hầu!

Tần Lập nói xong trực tiếp đứng dậy, chắp tay với Triệu Tinh Hà:

- Cáo từ!

Triệu Tinh Hà đứng ở đó trợn mắt líu lưỡi, chốc lát không phản ứng lại được. Sắc mặt tái mét hỏi người ở bên cạnh:

- Hắn nói lời này là có ý gì?

Ngưu Kiếm Phong đi tới, nhìn phương hướng Tần Lập rời đi, như có chút lo lắng nói:

- Nghe ý trong lời Tần Hầu gia nói, dường như hắn muốn tìm Đại Thanh Bang tính sổ.

Rầm một tiếng, trong đại sảnh yến hội Hoàng gia, ít nhất có bảy tám người sắc mặt khó coi đi không từ giã.

Những người này, trên cơ bản đều có người làm cung phụng nắm giữ cổ phần danh nghĩa trong Đại Thanh Bang, vừa nghe Tần Lập muốn tìm Đại Thanh Bang xả giận, nào còn có thể ngồi yên?

Dù cho ai cũng nhìn ra được, Hầu gia vinh quang tột đỉnh này, ai dám động đến hắn, vậy tuyệt đối là chán sống. Nếu hắn muốn, Đại Thanh Bang bị diệt chỉ là chuyện trong sớm tối!

Lãnh Bình ngồi ở trung ương linh đường, nơi đó còn đặt linh cữu Tôn Lục - huynh đệ tốt nhất của hắn, còn có bốn mươi lăm bộ quan tài! Buổi sáng hôm nay, hắn nhận được tin Tần Lập được tuyên chỉ nhập cung. Tin tức truyền đến, bảo hắn an tâm chớ nóng ruột, đừng hành động mù quáng.

Vì vậy Lãnh Bình muốn bắt lấy nữ nhân của Tần Lập, không còn cố kỵ thủ đoạn bỉ ổi nữa, báo thù cho huynh đệ quan trọng hơn!

Nhưng không nghĩ tới, trước Cửa Hiệu Đan Dược Tần Ký, lại có Ngự Tiền Thị Vệ đứng gác!

Lúc đó trong lòng Lãnh Bình cũng như bọn người theo hắn, hoàn toàn lạnh xuống!

Mà ngay vừa rồi, mấy tên cung phụng trong Đại Thanh Bang thường ngày chỉ biết cầm lấy bạc trắng không làm gì cả, sau khi nhận được chim ưng truyền tin, không nói một câu nào trực tiếp rời đi!

Cuối cùng vẫn là một cung phụng có quan hệ với hắn xưa nay không tệ, lặng lẽ nói cho hắn:

- Lãnh bang chủ, ngài đi nhanh đi. Tần Lập kia đã được phong Hầu, muốn tới tìm ngài xả giận. Mà ngài, đã bị Thái tử Điện hạ vứt bỏ rồi!

Cái gọi là đau đớn đến nỗi lòng đã chết, lúc này Lãnh Bình thật có cảm giác lòng mình đã chết. Hắn không tin Thái tử Điện hạ lại vứt bỏ hắn như vậy. Đại Thanh Bang vốn là một bang phái siêu cấp có hơn hai vạn chiến sĩ tinh nhuệ, mười vạn bang chúng cơ mà!

Đại Thanh Bang làm ăn buôn bán trong rất nhiều thành thị trải khắp Thanh Long quốc, thu nhập hàng năm đều là một con số tương đối kinh người!

Ở trong mắt Tần Lập, trăm vạn lượng bạc đã coi như một món tiền khổng lồ, thậm chí đối với nhiều hào môn đại tộc mà nói, trăm vạn lượng cũng thật sự không phải con số nhỏ. Nhưng ở trong Đại Thanh Bang, trăm vạn lượng chỉ là chia hoa hồng một năm của một cung phụng cao cấp mà thôi!

Thu nhập hàng năm của Đại Thanh Bang, đều lên đến mấy tỷ!

Thu nhập kếch xù như vậy, mới là mục đích chân chính để Triệu Tinh Hà khống chế Đại Thanh Bang! Về phần nói tới sức chiến đấu, tuy rằng chiến lực của Đại Thanh Bang không bình thường, nhưng so sánh với quân đội chính quy, vẫn còn có chênh lệch rất lớn.

Sở dĩ Triệu Tinh Hà chấp nhận để người ta liên tưởng đến sức chiến đấu của Đại Thanh Bang, đó là bởi hắn không muốn bại lộ một mặt sự thật là Đại Thanh Bang có thu nhập kếch xù như vậy!

Bởi thế, Lãnh Bình căn bản không tin Thái tử Điện hạ sẽ vứt bỏ quyền khống chế Đại Thanh Bang!

Trên thực tế, hắn nghĩ sai. Người truyền tin cho hắn, cũng là cố ý nói sai cho Lãnh Bình. Trước giờ Triệu Tinh Hà chưa từng nghĩ đến buông bỏ Đại Thanh Bang, có buông bỏ cũng chỉ có mỗi một mình Lãnh Bình mà thôi, chỉ một người mà thôi!

Chẳng qua ngay cả Triệu Tinh Hà, cũng đánh giá thấp dã tâm của Tần Lập. Tần Lập muốn, nào chỉ là giết người cho hả giận?

Đêm hồi hồn, gió đêm lạnh lẽo, nơi đặt Tổng đường bang hội Đại Thanh Bang người đi lại khắp nơi. Đêm nay toàn bộ bang chủ bang hội to nhỏ trên cả thành Thanh Long, kéo đến đây không dưới hai trăm người! Hơn nữa bọn họ còn mang theo hộ vệ tùy thân, tổng số không dưới hai ngàn người! Còn có bản thân Đại Thanh Bang cũng đặt hơn một ngàn chiến sĩ tinh nhuệ ở chỗ này. Từ lúc chiều đến tối rồi thẳng đến lúc này, Lãnh Bình cũng không nhận được bất kỳ tin tức nào bên phía Thái tử.

Đến lúc này đây, nếu hắn còn không biết mình đã bị Thái tử từ bỏ, vậy cũng không xứng làm bang chủ nhiều năm như vậy nữa.

Con mắt Lãnh Bình có chút đỏ lên, một cỗ khí tức thô bạo đang không ngừng phát ra từ thân thể hắn. Dù ngay cả bang chúng nội bộ Đại Thanh Bang cũng không dám tới gần hắn.

Rất tốt! Thái tử Điện hạ, còn có đám cung phụng ngày thường luôn nói có phúc cùng hưởng có họa cùng chịu. Các ngươi làm rất tuyệt, chờ mong ta bị Tần Lập giết rồi, lại đẩy một đời bang chủ lên thay, vậy Đại Thanh Bang sẽ trở thành đồ trong túi của các ngươi rồi?

Trong lòng Lãnh Bình nghĩ vậy, ánh mắt đỏ hồng, khóe miệng khẽ xẹt một tia cười lạnh: đừng có mơ!

Bỗng nhiên, Lãnh Bình nheo mắt lại, nhìn ra con đường đối diện Tổng đường. Xa xa, một thân ảnh gầy gò đang đi tới. Trên người hắn, trong khoảng khắc bộc phát một cỗ sát khí kinh người.

"Tần Lập, rốt cuộc ngươi tới rồi!"

Vô Tình

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

124. Chương 124 :di Chúc Ngoài Dự Đoán

Từ thật xa, Tần Lập đã cảm nhận được cỗ sát khí cuồng bạo này, trong lòng thầm nói: người này là một võ giả chân chính!

Bởi vì Tần Lập cảm nhận được cỗ sát khí này cực kỳ tinh thuần, không hề hỗn tạp nhiều loại ý niệm. Nên biết rằng, Lãnh Bình bị Thái tử buông bỏ, chính hắn không có khả năng không biết, nhưng mà trước khi lâm chiến vẫn còn có thể bảo trì được sát khí tinh thuần như vậy. Ít nhất như thế có thể nói rõ, bản thân hắn đầu tiên là một võ giả, sau đó mới là những thứ khác!

Tiên Thiên Tử Khí cảm ứng với các loại dao động tâm tình, bao gồm cả nguyên lực đều hết sức nhạy cảm. Bản thân Tần Lập cũng đã đạt tới Thiên cấp, nhưng chỉ sợ ngay cả thần thức của cường giả cảnh giới Phá Thiên cũng không cường đại được như Tần Lập.

Các đầu lĩnh bang hội lớn nhỏ trong thành Thanh Long này, vừa nhìn đến tình hình như vậy, liền lập tức tản ra hai bên. Bang chúng Đại Thanh Bang cũng đều tản ra rất xa, lưu lại một khoảng trống rất lớn cho hai người.

Nơi đặt Tổng đường Đại Thanh Bang, xung quanh là một vùng đất hoang rất lớn, ngoại trừ đường đi, bốn phía đều hết sức hoang vắng.

- Tần Lập! Giữa ngươi và ta, ngày hôm nay là một hồi tử chiến!

Lãnh Bình chậm rãi rút ra Liệt Diễm Kiếm, thân kiếm không biết chế tạo từ chất liệu gì, cả thân đỏ rực giống như lửa đỏ thiêu đốt. Nhiệt độ xung quanh, cũng theo thanh kiếm rời vỏ mà tăng lên một ít.

Tần Lập mỉm cười, lạnh nhạt nói:

- Chẳng qua, là ngươi chết!

- Ha ha! Ai chết còn chưa nói được!

Lãnh Bình cười ha ha, sau đó bỗng nhiên nói:

- Tuy nhiên trước khi chiến đấu, ta có lời muốn nói!

Tần Lập gật đầu, nói:

- Ta cho ngươi thời gian lưu di ngôn!

Lãnh Bình cũng không để ý, lớn tiếng nói:

- Ngày hôm nay, trước mặt các đại bang hội thành Thanh Long, Lãnh Bình ta ở chỗ này, cùng Tần Hầu gia Tần Lập giải quyết ân oán cá nhân!

Ân oán cá nhân?

Lập tức có người nghe ra không đúng, không phải ân oán giữa Đại Thanh Bang cùng Tần Hầu gia Tần Lập sao? Làm thế nào bỗng nhiên thành ân oán cá nhân rồi?

Rất nhiều người đều nhìn chằm chằm Lãnh Bình, sắc mặt khác nhau nhìn vương giả thế lực ngầm thành Thanh Long này.

- Ta nói như vậy, sợ rằng các ngươi sẽ có nghi hoặc. Chẳng qua không sao cả! Các ngươi cũng không cần nghe hiểu, chỉ cần làm chứng là được rồi. Lãnh Bình ta suốt đời làm việc ngay thẳng, quang minh lỗi lạc, tuy là người thế lực ngầm, nhưng cũng không làm chuyện khi nam phách nữ, ức hiếp bách tính! Cho nên, ta nói chuyện giữ lời!

- Ân oán giữa ta cùng Tần Hầu gia, là bởi vì Lãnh Bình ta dựng lên. Ta lầm trúng tiểu nhân tính kế, phái huynh đệ ra giết Tần Hầu gia, nhưng bị Tần Hầu gia giết chết. Ân oán giang hồ, chính là như vậy, việc một mình Lãnh Bình ta làm ra thì một mình ta chịu! Không cần người khác phải đảm nhận cho ta cái gì, càng không có liên quan đến Đại Thanh Bang! Đêm nay, ta nên báo thù cho huynh đệ Thiểm Điện Đao Tôn Lục, nếu như ta may mắn giết được Tần Hầu, nhất định hậu táng! Người nhà Tần Hầu, sau này chính là cung phụng của Đại Thanh Bang!

Lãnh Bình nói lời này, khiến cho rất nhiều người đều không quá rõ ràng. Theo đạo lý, nhổ cỏ phải tận gốc, ai cũng hiểu rõ lý lẽ này. Nhưng lại bị Lãnh Bình kiên quyết kéo tới ân oán giang hồ, đến cùng là hắn muốn làm gì đây chứ?

Trong đó có một ít người Thái tử phái tới, xen lẫn trong đội ngũ bang phái thành Thanh Long này, cũng đều không rõ ràng nhìn Lãnh Bình.

Nhưng khóe miệng Lãnh Bình nổi lên một tia cười lạnh, kế đó tàn khốc nói:

- Nếu là Lãnh Bình ta bất hạnh chết trận! Như vậy… Đầu tiên hy vọng Tần Hầu đại nhân có đại lượng, không nên truy cứu trách nhiệm thê nhi lớn nhỏ của tại hạ; mà bọn họ cũng sẽ vĩnh viễn không tìm Tần Hầu trả thù, nếu có vi phạm, sẽ vạn tiễn xuyên tâm mà chết! Thứ hai, nếu ta chết trận…

Trên mặt Lãnh Bình, bỗng nhiên lộ ra vẻ cười cực kỳ quỷ dị:

- Đại Thanh Bang… Từ nay về sau… Sẽ nghe theo mệnh lệnh của Tần Hầu!

Ầm!

Một hòn đá tung ngàn con sóng trào!

Toàn bộ người ở trong này, hầu như tất cả mọi người đều giống như hóa đá đứng sững ở đó, vẻ mặt tràn đầy thần sắc chấn động, đều hoài nghi có phải là mình nghe lầm hay không!

Hắn… Hắn lại muốn đưa một bang hội khổng lồ như vậy…. đưa cho kẻ thù?

Trời ạ! Có phải đầu óc hắn có chuyện hay không? Choáng váng rồi sao?

Lúc này Lãnh Bình ngẩng đầu cười to, quay đầu về phía linh đường phía sau hô to:

- Mệnh lệnh của lão tử, các người có nghe hay không?

- Các huynh đệ!

- Có!

Hơn hai ngàn chiến sĩ tinh nhuệ Đại Thanh Bang ầm ầm đáp lại, chỉ là có không ít người, mang theo tiếng khóc nghẹn.

Những người này, mới là tâm phúc chân chính của Lãnh Bình tích lũy trong nhiều năm qua.

Nguyên bản còn có Thiểm Điện Đao Tôn Lục cùng với bốn mươi lăm huynh đệ Chiến Đao Đường, đáng tiếc mình một bước đi nhầm, làm cho bọn họ đi trước một bước.

"Nếu ta chết, hôm nay sẽ làm bạn với các người! Nếu Tần Lập Hầu gia chết trận, đại thù của các ngươi đã báo, chết cũng nhắm mắt!"

"Cho nên, các huynh đệ, các người đừng sợ, các người không cô độc!" Lãnh Bình lại quay về phía bên trong linh đường nhàn nhạt nói:

- Các người cũng đều rõ rồi chứ?

Một lúc lâu, bên trong linh đường truyền đến vài tiếng thở dài, một giọng nói có chút già nua vang lên:

- Long đầu cần gì phải bi quan như vậy? Ai thắng ai thua còn chưa biết…

- Ta chỉ hỏi các ngươi một câu. Nếu ta chết trận, các ngươi sẽ làm thế nào?

Lãnh Bình lớn tiếng quát.

- Chúng ta tự nhiên nghe theo ý nguyện của Long đầu!

Mấy người bên trong cũng không chút do dự, cùng kêu lên.

Nhưng không một ai nói hai từ "di nguyện" xui xẻo cả.

Một vài người trong đám đông, đến khi nghe đến Lãnh Bình nói những lời này, bỗng nhiên biến sắc, chui ra khỏi đoàn người hốt hoảng chạy đi.

Lãnh Bình nhìn ở trong mắt, ngửa mặt cười to:

- Ha ha ha. Cả đời này Lãnh Bình ta đắc ý nhất, chính là kết giao được mấy lão già các ngươi.

Theo Lãnh Bình nói một câu hào khí này, một thân khí thế của hắn trong nháy mắt nâng cao đến đỉnh. Liệt Diễm Kiếm trên tay, theo nguyên lực rót vào bùng lên hỏa diễm hừng hực, thuận theo thế đứng, thân thể đột ngột phóng lên khỏi mặt đất, giống như một con chim lớn nhào xuống chộp lấy Tần Lập. Một đạo kiếm khí đỏ rực lửa chợt chém về phía Tần Lập.

Thanh bảo kiếm tinh luyện trong tay Tần Lập vung mạnh về phía Lãnh Bình, vỏ kiếm như mũi tên rời dây cung bắn về phía mặt Lãnh Bình. Đồng thời, kiếm trong tay Tần Lập cũng chém mạnh ra một con rồng nước trong suốt!

Nước lửa vốn đối đầu xung khắc, trong không khí phát ra một tiếng nổ vang rền. Không khí đột nhiên vặn vẹo một chút, một cổ lực lượng cường đại, khuếch tán ra bốn phương tám hướng.

Đồng thời, Liệt Diễm Kiếm trong tay Lãnh Bình cũng chém nát vỏ kiếm Tần Lập bắn ra, sau đó gào thét một tiếng, phóng xuống mặt đất bắt đầu đại chiến với Tần Lập!

Tuy rằng biết sau khi Lãnh Bình nói những lời này, sau khi hắn chết Đại Thanh Bang liền thuộc về mình, cũng chưa chắc có bao nhiêu ý tốt. Nhưng trong lòng Tần Lập vẫn còn sinh ra vài phần bội phục với nam nhân này. Không có gì khác, chỉ bằng vào những lời hắn nói ngày hôm nay, thật sự quá giống Tần Lập ở kiếp trước!

Đại trượng phu, phải thủ đoạn độc ác, nhưng lại nên ân oán rõ ràng!

Bởi vì Tần Lập biết, đứng sau màn của Đại Thanh Bang chính là Thái tử Điện hạ, bởi vậy rõ ràng Lãnh Bình làm như vậy chỉ là không muốn để Đại Thanh Bang rơi vào trong tay Thái tử sau khi hắn chết mà thôi. Đưa cho mình, kỳ thật mục đích chính là muốn hắn đấu đá tranh giành với Thái tử!

Nhưng dù là thế, Tần Lập lại không thể từ chối!

Không chỉ vì Tần Lập cùng Thái tử vốn đã có thù. Dù là không có thù, một bang hội khổng lồ như vậy, lợi nhuận sản sinh hàng năm lớn cỡ nào, trong lòng hắn cũng tính toán được ít nhiều.

Các gia tộc, môn phái thế ngoại bí ẩn vừa cường đại lại thần bí, vì sao phải giúp đỡ thế lực bên ngoài thống trị một quốc gia? Mục đích chính, còn không phải bởi lợi ích kinh người?

Tiền tài, có thể đối với người chỉ tu luyện không có tác dụng gì. Nhưng thiên tài địa bảo, các loại tài liệu luyện khí, nếu như không có tiền tài, cũng tuyệt đối không có khả năng tới tay được!

Giống như bản bí tịch đan phương thượng cổ của Tần Lập, không thể đánh giá hết giá trị của nó. Tùy tiện một loại đan dược bên trong, chớ nói thế tục, chỉ sợ dù là cao nhân thế ngoại cũng sẽ đổ xô chạy tới! Truyện “Duy Ngã Độc Tôn ” được copy từ diễn đàn Lương Sơn Bạc (LuongSonBac.com) Truyện “Duy Ngã Độc Tôn ” được copy từ diễn đàn Lương Sơn Bạc (LuongSonBac.com)

Nhưng buồn cười nhất, là bọn người Tần Lập lại không luyện chế nổi một loại! Cũng là bởi.. bọn họ thiếu tài lực!

Cho nên, đừng nói Lãnh Bình dùng kế dẫn họa sang đông đẩy Đại Thanh Bang vào trong tay mình, dù là Lãnh Bình không nói như vậy, Tần Lập cũng sẽ không bỏ qua khối thịt béo như Đại Thanh Bang!

Ai dám tranh với lão tử, lão tử làm thịt kẻ đó!

Nếu không phải đại thù sống chết, Tần Lập thật không muốn giết gã nam nhân có dũng có mưu có đảm lượng này. Nói thật, thực lực Lãnh Bình đích xác không tệ - Địa cấp bậc tám, quả nhiên không phải hạng người bình thường!

Một bộ chiến kỹ Liệt Diễm Kiếm, được hắn thi triển đến mức xuất thần nhập hóa! Chiêu thức sắc bén, tốc độ cực nhanh! Nếu đối thủ không phải là Tần Lập, chỉ sợ dù có là võ giả Địa cấp bậc chín, cũng chưa chắc là đối thủ của hắn!

Hơn nữa mỗi một kiếm của Lãnh Bình đều mang theo độ nóng kinh người, nhiệt độ kia chỉ cần dính vào da thịt, lập tức khiến người ta tổn thương. Cho dù là cường độ thân thể của võ giả Thiên cấp, cũng căn bản không thể chống lại!

Tần Lập cũng không nóng lòng chém giết Lãnh Bình. Nguyên nhân có hai: thứ nhất, trong đám người kia có không biết bao nhiêu người của Thái tử đang nhìn, Tần Lập không muốn bại lộ quá nhiều thực lực của mình ra ngoài như vậy.

Thứ hai, ngày hôm nay Tần Lập ở diễn võ trường thi triển bộ chiến kỹ kia, cái gọi là Cuồng Long Thập Tam Thức, kỳ thật căn bản là do hắn đánh bậy đánh bạ ra thôi!

Nào có cái gì Cuồng Long Thập Tam Thức, thể chất Ngũ hành của Tần Lập là thật, từ nhỏ hắn tu luyện bản Yếu Quyết Cơ Sở kia, trên thực tế là rèn đúc ra cơ sở này.

Còn Tiên Thiên Tử Khí của Tần Lập, cũng bất đồng với nguyên lực trong cơ thể các võ giả khác trên Thiên Nguyên đại lục. Bản thân Tiên Thiên Tử Khí chính là một loại năng lượng tinh thuần nhất trong thiên địa, đối với nguyên tố Ngũ hành, trời sinh đã có một lực tương tác không gì sánh được!

Lấy kỹ xảo cùng lực lượng của chiến kỹ Cửu Thiên Thập Địa Duy Ngã Độc Tôn, hơn nữa thể chất Ngũ hành cùng với Tiên Thiên Tử Khí, Tần Lập quả thật quá dễ dàng tự sáng tạo ra một ít chiêu thức! Vốn là Tần Lập còn phát sầu không có cơ hội diễn luyện các chiêu thức này cho thuần thục một chút, đừng để người khác nhìn ra dấu vết mình tu luyện chiến kỹ Duy Ngã Độc Tôn.

Cho nên, Lãnh Bình ở trong mắt Tần Lập, quả thật biến thành một kẻ bồi luyện tối ưu nhất!

Song phương ngươi tới ta đi, "Cuồng Long Thập Tam Thức" của Tần Lập càng đánh càng thêm thành thạo, hơn nữa thi triển càng ngày càng theo tâm ý.

Tới lúc rồi!

Đây là một trận chém giết ngươi chết ta sống! Tần Lập hừ lạnh một tiếng, một chiêu Nộ Long Xuất Thủy. Con rồng nước trong suốt kia bất chợt lớn hơn trước gấp đôi, tốc độ… cũng nhanh hơn gấp đôi!

Phập!

Lóe lên như tia chớp, rồng nước đi qua ngực Lãnh Bình!

Trên mặt Lãnh Bình, bỗng nhiên nổi lên một tia tươi cười giải thoát, chậm rãi nói:

- Tần Hầu gia, đáp ứng ta, phải đối xử tử tế với… các huynh đệ của ta!

Mặt Tần Lập không chút thay đổi, gật đầu. Loại nam nhân này, không cần người khác đồng tình!

Trên mặt Lãnh Bình quả nhiên nổi lên một tia cười hài lòng, trong hoảng hốt, hắn giống như nhìn thấy nữ nhân mình yêu nhất, giọng mềm mại ngọt lịm: "Lãnh gia, người ta chờ ngài trở về nha!"

Vĩnh biệt rồi… Con bé phong tao mỹ lệ nhà ngươi!

Vô Tình

125. Chương 125 :thay Đổi Như Chong Chóng

Hiện trường mấy nghìn người một mảnh im lặng!

Đám người này bị cuộc đấu đặc sắc của hai người mê hoặc, lúc này mới giật mình phục hồi tinh thần. Lão đại… thủ lĩnh của các thế lực ngầm thành Thanh Long: Liệt Diễm Kiếm Lãnh Bình… đã chết!

Một hồi tiếng nức nở khe khẽ vang lên từ giữa đám hán tử Đại Thanh Bang, dần dần hòa vào thành một mảnh.

Từ bên trong linh đường có bảy, tám người đi ra. Ánh mắt bọn họ nhìn Tần Lập đều tràn ngập vẻ phức tạp.

Nhìn đến Lãnh Bình nằm trên mặt đất, đôi mắt từng người đều đỏ lên.

- Bang chủ!

Bảy tám người này bước vài bước tới trước người Lãnh Bình, đều quỳ xuống, đau khổ không thôi.

Mà tất cả các bang chủ bang hội lớn nhỏ thành Thanh Long có mặt ở đây, ánh mắt nhìn về phía Tần Lập thì tràn ngập kính sợ.

- Nâng bang chủ của các ngươi vào trong, lát nữa ta có lời muốn nói.

Tần Lập thấp giọng nói với mấy người đang quỳ trên mặt đất khóc rống.

Mấy người kia sửng sốt, lập tức gật gật đầu. Bọn họ đều biết Tần Lập muốn nói gì, tự nhiên là vấn đề Đại Thanh Bang này thuộc về ai! Nhưng đây là nguyện vọng của lão đại, mặc kệ lão đại là vì mục đích gì mà quyết định như vậy, nhưng bọn họ là huynh đệ của lão Đại thì sẽ trung thực đi chấp hành!

Bởi vì, bang hội bọn họ thờ một từ "Nghĩa" !

Lãnh Bình trước mặt các bang chủ lớn nhỏ thành Thanh Long nói ra lời này, vậy ý nghĩa cho dù bọn họ hận Tần Lập thấu xương cũng không thể thay đổi một sự thật: Tần Lập là bang chủ mới của Đại Thanh Bang.

Về phần có phải là thủ lĩnh của các thế lực ngầm của thành Thanh Long hay không, vậy… thì phải xem thủ đoạn của Tần Lập.

Cái gọi là bang hội, bọn họ có thể làm ác, bọn họ cũng không cho rằng mình là người tốt nhưng nhất định phải nhất ngôn cửu đỉnh!

Bởi vì bọn họ đều là những người đàn ông chân chính!

- Đều tản ra đi.

Tần Lập nhìn đám người vây quanh nhìn xem, thản nhiên nói:

- Ân oán giữa ta và Đại Thanh Bang, đến đây chấm dứt!

Tây Qua cũng đứng trong đám người, một tiểu đệ đứng cạnh hắn cảm khái nói:

- Tần Hầu đây mới là cường giả chân chính a!

Một tiểu đệ khác hâm mộ nói:

- Đại Thanh Bang ở trong mắt người ta, ngay cả cái rắm cũng không phải. Thật lợi hại.

- Đều câm miệng cho ta!

Tây Qua trừng mắt liếc nhìn hai tên tiểu đệ khiến hắn cảm thấy mất mặt xấu hổ, trong lòng cực nóng nghĩ thầm: "Sư thúc quá uy mãnh, quá lợi hại! Đại Thanh Bang không ngờ cứ thế thành của sư thúc. Không biết… ta có cơ hội trở thành thủ lĩnh của Đại Thanh Bang hay không?

Nhưng vừa nghĩ đến câu nói 'chờ ngươi thành võ giả Thiên cấp' của sư thúc, Tây Qua lập tức có cảm giác nhụt chí, nói với tiểu đệ ở bên cạnh:

- Đi! Về thôi!

- Không… không xem nữa sao?

Một tiểu đệ thấy đại đa số người còn chưa đi, có chút chần chờ nói một câu.

- Xem cái rắm! Đánh xong rồi, còn xem làm trò à!

Tây Qua trợn trắng mắt nhìn tiểu đệ thân tín đó, xoay người bước đi.

Lúc này mọi người bắt đầu dần dần tản ra. Cho dù có một số người không muốn đi, nhưng đám hán tử tinh nhuệ tâm tình khó chịu của Đại Thanh Bang cũng bắt đầu tới dọn dẹp.

Sau khi Lãnh Bình bị đưa vào trong một phòng ở tổng đường Đại Thanh Bang, Tần Lập đầu tiên là ngưng thần nhắm mắt. Trong vòng hai, ba trăm mét không có bất kỳ khí tức nào khả nghi.

Hắn mở hai mắt, nhìn Phó bang chủ cùng trưởng lão Đại Thanh Bang mặt mày bi thương, bỗng nhiên trầm giọng nói:

- Ta có thể tín nhiệm các ngươi không?

Những người này đều sửng sốt, một lão già phúc hậu thoạt nhìn hơn năm mươi tuổi, vẻ mặt đau thương nói:

- Thật xin lỗi Tần Hầu. Bang chủ đã chết, Tôn Lục và huynh đệ Chiến Đao Đường cũng đều chết trong tay Hầu gia. Tuy nói ân oán đã tiêu nhưng trong lòng đã nảy sinh vướng mắc. Tần Hầu không cần tín nhiệm chúng ta, trong vòng hai tháng chúng ta sẽ chuyển giao mọi chuyện của Đại Thanh Bang cho Tần hầu, hy vọng có thể giúp Tần Hầu một chút tác dụng giao thời. Chúng ta có thể làm cũng chỉ có như vậy, bởi vì đây cũng là tâm nguyện của bang chủ. Hắn không hy vọng Đại Thanh Bang lại một lần nữa rơi vào trong tay Thái tử!

Lúc lão già phúc hậu nói đến Thái tử, hận ý trong mắt khó tiêu. Nếu không vì Thái tử Triệu Tinh Hà, Đại Thanh Bang bọn họ đâu có ngày hôm nay, mọi người ở cùng một chỗ hòa thuận vui vẻ. Tôn Lục sẽ không chết, bốn mươi lăm huynh đệ Chiến Đao Đường không chết, Bang chủ… càng không phải chết!

Tần Lập không kìm nổi nao nao trong lòng. Vốn hắn còn tưởng rằng Bang chủ Đại Thanh Bang đã chết, toàn bộ bang hội lập tức sẽ sụp đổ, đều tự lo lắng tiền đồ của mình. Không nghĩ tới lực ngưng tụ của bang hội này lại mạnh như thế!

Kế hoạch đã nghĩ từ trước ở đây gặp phải một bước ngoặt nho nhỏ.

Một hán tử cao gầy hơn bốn mươi tuổi, ánh mắt mang theo vài phần âm lãnh, da tái nhợt cằm để mấy sợi dâu dê, thanh âm cũng mang vài phần âm nhu:

- Tần Hầu không cần lo lắng. Nhiều năm như vậy, Bang chủ coi chúng ta như thân huynh đệ. Tài sản của mỗi chúng ta cũng không kém, tuyệt không toan tính bất kỳ tài sản gì của Đại Thanh Bang. Tuy rằng chúng ta cũng không hiểu vì sao Bang chủ lại muốn giao Đại Thanh Bang vào tay một kẻ thù nhưng chúng ta nhất định sẽ làm theo tâm nguyện của Bang chủ.

- Đúng vậy! Cũng xin Tần Hầu có thể đối xử tử tế với người nhà của Bang chủ.

Một lão già hơn năm mươi tuổi, dáng người cường tráng trầm giọng nói.

- Lãnh Bình có thể có được những huynh đệ như các ngươi, thật sự là may mắn của hắn!

Tần Lập không kìm nổi khẽ thở dài một tiếng. Bang hội, nghĩa khí… ở thế giới kia của Tần Lập, trong tâm rất nhiều người đã thành một thứ lỗi thời. Sống nghĩa khí đồng nghĩa với chết ngu ngốc.

- Một khi đã vậy…

Tần Lập nói, một bàn tay đặt lên mạch môn của Lãnh Bình:

-… Ta liền trả lại một Bang chủ cho các ngươi!

Mọi người trong phòng toàn bộ sững sờ, trợn mắt há hốc mồm nhìn Tần Lập. bọn họ vừa rồi đã xem qua, Bang chủ đã chết không thể chết lại, mà lời này của Tần Lập Tần Hầu gia là…

- Đó là sao nhỉ?

Trong đầu mọi người một mảnh hỗn loạn, mà người trung niên cao gầy kia phản ứng nhanh đẩy cửa ra ngoài, dặn dò:

- Nơi này giới nghiêm. Không có mệnh lệnh không cho bất cứ người nào đi vào!

Tần Lập nghe thấy rõ ràng có người thấp giọng hỏi một câu:

- Nếu người của điện hạ thì sao?

- Vậy thì cũng ngăn lại ở ngoài cho ta!

Người hán tử trung niên sau khi phân phó xong xuôi, trở về đóng cửa thì lại thấy một cảnh tượng mà suốt đời hắn khó mà quên được!

Tay của Tần Hầu cứ vậy đặt lên mạch môn của Lãnh Bình. Một lát sau, trên đầu Bang chủ Lãnh Bình bắt đầu toát ra luồng khí màu trắng, thân thể nằm trên giường vết thương to ở trên ngực không ngờ bắt đầu đóng vảy. Mà trái tim Lãnh Bình cũng bắt đầu chậm rãi đập lên từng nhịp!

- Chuyện… chuyện này là sao?

Cơ mặt lão già phúc hậu co giật dữ dội. Mấy năm nay đã sớm nhìn quen sinh tử, cũng xem nhạt sinh tử, núi lở trước mặt cũng không biến sắc nhưng cảnh tượng trước mắt vẫn khiến trong lòng vị đại lão bang phái này cảm thấy vô cùng rung động!

- Chúng ta không nằm mơ chứ?

Hán tử trung niên cao gầy thì thào nói.

Mọi người mắt thấy trên trán Tần Lập bắt đầu nhỏ xuống mồ hôi như mưa, trong lòng rốt cục biết rõ một điều: Tần Hầu này rõ ràng là một siêu cấp cường giả có tuyệt thế thần kỹ, hơn nữa vì cứu Bang chủ hắn cũng bỏ ra rất nhiều công sức!

Tần Lập cần chính là loại hiệu quả này. Vốn hắn cũng không tính toán muốn giết chết Lãnh Bình – hán tử khiến cho hắn có chút kính nể – lúc đánh ra sát chiêu sau cùng hắn đã cố ý tránh trái tim Lãnh Bình, sau đó lại phong bế kinh mạch hắn. Khiến cho Lãnh Bình ở trong mắt người ngoài đã thành một người chết!

Tần Lập vốn tính toán chờ sau khi Đại Thanh Bang chôn Lãnh Bình, rồi mình ngầm trộm hắn đi. Một là Tần Lập bội phục Lãnh Bình là một hán tử. Hai là Tần Lập rất rõ ràng, quản lý một bang hội tuyệt đối không phải là cứ có vũ lực là làm được.

Chỉ một điều đơn giản nhất, người phía dưới bằng mặt không bằng lòng, ôm tư tưởng kiếm tiền cá nhân chẳng lẽ đều giết sạch hay sao?

Mà Tần Lập mặc dù có năng lực quản lý bang phái, nhưng mà hắn còn có rất nhiều chuyện muốn làm, còn phải lên Huyền Đảo đón nữ nhân của mình về. Chỉ riêng thân phận hiện tại của hắn, đường đường là Hầu gia Thanh Long quốc.

Một Hầu gia đi làm lão Đại bang phái? Chuyện này sẽ là một chuyện cười lớn nhất thiên hạ! Như vậy để ai quản lý? Tây Qua? Đừng xem thằng tiểu tử đó là tên lanh lợi, cũng đủ lòng dạ độc ác. Nhưng loại bang hội như Đại Thanh Bang cũng không phải Tây Qua hiện tại có khả năng quản lý! Không phải nghi ngờ năng lực của hắn, mà loại quái vật lớn này, lúc này Tây Qua căn bản không thể khống chế!

Mà một con quái vật lớn như Đại Thanh Bang, giá trị quả thật không thể đánh giá! Trước không nói đến hàng năm nó làm ra bao nhiêu tài phú, chỉ nói đến bang chúng trải rộng Thanh Long quốc đó căn bản là một mạng lưới tình báo siêu cấp!

Cho dù là mạng lưới tình báo của hoàng gia chỉ sợ cũng chưa chắc xuất sắc hơn so với bọn họ! Truyện “Duy Ngã Độc Tôn ” được copy từ diễn đàn Lương Sơn Bạc (LuongSonBac.com)

Bởi vì rất nhiều chuyện vĩnh viễn đều truyền đi đầu tiên từ tầng dưới cùng.

Cho nên Lãnh Bình không thể chết! Đây là ý định ban đầu của Tần Lập, mà nhìn ở một góc độ khác, hắn lại phải chết! Cừu hận giữa hắn cùng Đại Thanh Bang nói trắng ra đó là cừu hận của hắn cùng Thái tử!

Tình hình hiện tại không chấp nhận Tần Lập cùng Thái tử hoàn toàn xé rách da mặt đối lập với nhau. Nếu là như vậy, Tần Lập thật sự cũng chỉ có xa chạy cao bay. Dù sao hoàng gia nhiều cung phụng như vậy, thật sự không phải để bày xem!

Tần Lập có thể đối phó một cái Trần Diệc Hàn, nhưng không cách nào bình yên vô sự dưới công kích của nhiều võ giả Thiên cấp!

Đừng nói hắn, cho dù võ giả cảnh giới Phá Thiên chân chính cũng chưa chắc dám khiêu khích một đoàn võ giả Thiên cấp.

Cho nên để cho Lãnh Bình dùng một loại phương thức khác xuất hiện ở trên đời là thích hợp nhất. Bản lĩnh dịch dung của Tần Lập nếu không xưng thiên hạ đệ nhất, cũng tuyệt đối không kém đến đâu.

Đến lúc đó, đẩy Tây Qua lên sân khấu để Lãnh Bình ở phía sau. Cho dù như vậy không đạt được tiêu chuẩn như lúc Lãnh Bình tự thân quản lý nhưng cũng có thể khiến cho Đại Thanh Bang tiếp tục hoạt động bình thường, cam đoan vẫn nằm trong tay mình cũng không thành vấn đề!

Nhưng hôm nay, thái độ những huynh đệ của Lãnh Bình, mấy cao tầng Đại Thanh Bang khiến cho Tần Lập thay đổi chủ ý. Dưới Tiên Thiên Tử Khí thiện ác không thể che giấu!

Tần Lập có thể cảm giác được những người này thật sự đang thương tâm vì Lãnh Bình, cũng thật sự nản lòng thoái chí tính toán rời khỏi.

Nguyên nhân chính vì như thế, Tần Lập mới có thể lựa chọn cứu sống Lãnh Bình trước mặt bọn họ! Tần Lập tin tưởng hành vi này của mình tuyệt đối có thể tiến thêm một bước tiêu trừ cừu hận mang tới bởi cái chết của Tôn Lục!

Lãnh Bình chậm rãi mở to mắt. Cảm giác ánh sáng chói mắt, hắn hơi híp mắt, khóe miệng còn treo nụ cười:

- Ta đã chết rồi sao? Địa phủ này… làm sao cũng… con mẹ nó… giống như nhân gian vậy?

Tần Lập cười:

- Đúng vậy! Lãnh Bình trước kia đích thật đã chết. Còn sống sau này khẳng định không phải Lãnh Bình!

Tiểu Mùi

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

126. Chương 126:ảnh Tử

- Bang chủ!

Bảy, tám hán tử khoảng năm mươi tuổi đồng loạt “phịch” một tiếng, quỳ rạp xuống đất, lệ rơi đầy mặt gào khóc như một đám trẻ con.

Chỉ là hiện tại khóc cùng với lúc nãy khóc hoàn toàn là hai loại tâm tình!

Lãnh Bình còn chưa phục hồi tinh thần lại, trong mắt dần dần hiện ra vẻ phẫn nộ, cắn răng nói:

- Tần Hầu rõ ràng đã đồng ý với ta không làm khó dễ các ngươi, làm sao… Làm sao… con mẹ nó… các ngươi đều xuống dưới theo lão tử! Lão tử hiện tại thành quỷ cũng sẽ không bỏ qua cho hắn!

Tần Lập dở khóc dở cười nhìn Lãnh Bình thần trí còn chưa thanh tỉnh, dứt khoát điểm vào huyệt ngủ của hắn, nói:

- Ngươi trước tiên vẫn nên ngủ một giấc rồi nói sau…

- Thật sự? Ta thật chưa có chết?

Sau hai canh giờ, Lãnh Bình nằm ở trên giường nhìn những huynh đệ năm xưa đi theo hắn cùng nhau giành quyền lực, vẻ mặt hồ nghi sau đó lắc mạnh đầu:

- Làm sao lại thế? Ta rõ ràng cảm thấy mình đã chết, như thế nào vẫn còn sống? Ngươi là Tần Hầu… hắn, hắn làm thế nào nhỉ?

Biểu tình lúc này của lão già phúc hậu giống như một đứa bé ngoan được kẹo, cười rất vui vẻ.

Lãnh Bình trừng mắt liếc lão một cái:

- Thường lão tam! Con mẹ nó! Ngươi có thể có chút tiền đồ hay không? Lão tử nhớ rõ ngươi lớn hơn lão tử vài tuổi, có thể không nên cười ngu ngốc đến như vậy hay không?

Hắn lại chỉ vào hán tử trung niên cao gầy:

- Lý lão tứ, còn có ngươi! Ngươi không phải bình thường rất có thể giả thâm trầm, như thế nào cũng giống như thằng ngốc? Con mẹ nó, nhanh trả lời lão tử! Chuyện này… chuyện này rốt cục là sao?

- Hắc hắc! Bang chủ, lão đại của ta. Ngươi không chết, ngươi chính là vẫn sống. Về phần như thế nào còn sống, ngươi hỏi Tần Hầu đi. Mẹ nó! Nếu không phải Tôn Lục chết trong tay hắn, lão tử hận không thể đi hôn chân hắn. Lão tử sống bằng ấy năm, lần đầu tiên thấy kỳ tích. Bang chủ! Thật sự là kỳ tích!

Hán tử cao gầy hoa chân múa tay vui sướng, lộn xộn nói.

Lãnh Bình đầu đầy vạch đen, lại nhìn tới mấy người khác, biểu hiện cũng không khác bao nhiêu. Hắn không khỏi thở dài một tiếng, thầm nghĩ: "Lão tử thật sự không chết, nhưng đám huynh đệ này của lão tử… con mẹ nó… đều điên rồi!"

Lúc này, bên ngoài có người nhẹ nhàng gõ cửa phòng, khẽ bẩm báo:

- Thường Phó bang chủ. Điện hạ phái người đến…

Máy người trong phòng mạnh mẽ cảnh tỉnh lại, liếc mắt nhìn lẫn nhau, ánh mắt đều rơi lên người Lãnh Bình.

- Con bà nó! Mấy tên ngu ngốc các ngươi, đều bình thường trở lại đi!

Lãnh Bình mắng một câu, mạng của hắn tuy rằng kiếm trở lại nhưng thân thể vẫn thực suy yếu, dù sao cũng phải tĩnh dưỡng một đoạn thời gian dài mới có thể chân chính khôi phục. Kế hoạch hôm nay, công việc nên làm chính là lập tức làm hậu sự cho hắn… Lãnh Bình nghĩ vậy không kìm nổi nhổ xuống đất một ngụm nước bọt, thầm nghĩ con mẹ nó thật là cái miệng xui xẻo, mình tự làm hậu sự cho mình. Trên đời làm gì có chuyện như vậy?

- Thái tử điện hạ? Hừ! Xác lão tử còn chưa lạnh, hắn đã không chờ kịp rồi? Thật sự là sợ bang hội rơi vào trong tay Tần Hầu!

Lãnh Bình cười lạnh nói:

- Đuổi đi! Nói rằng, có lời gì đi tìm Tần Hầu mà nói! Bang chủ Đại Thanh Bang bây giờ là Tần Hầu!

Lão già phúc hậu gọi là Thường lão tam, lúc này cầm đến cho Lãnh Bình một lọ đan dược và một tấm mặt nạ Tần Lập để lại, nói:

- Bang chủ! Đây là Tần Hầu để lại cho ngài trước khi đi!

Lãnh Bình sau khi đeo mặt nạ, tất cả mọi người trong phòng trợn mắt há hốc mồm. Đây vẫn là huynh đệ ở chung với bọn họ ba mươi năm, Bang chủ Đại Thanh Bang, thủ lĩnh các thế lực ngầm thành Thanh Long oai phong lẫy lừng kia sao?

Trước mắt rõ ràng là một văn nhân trung niên mặt trắng nho nhã hơn bốn mươi tuổi, ngay cả ánh mắt cũng khác ngày trước rất nhiều. Nếu không phải giọng nói Lãnh Bình không biến hóa, thậm chí bọn họ còn tưởng rằng gặp quỷ!

Mà ngay cả bản thân Lãnh Bình nhìn gương xong cũng không nói gì, trong lòng đột nhiên hiện lên một ý niệm: Nhớ tới lúc Thái tử bảo mình phái người giết Tần Lập đã từng nói: Quý tộc xuống dốc Đại Tề quốc này nhất định là tên Tần Lập ở thành Hoàng Sa kia, cũng không biết dùng phương pháp gì hành hạ cường giả Thiên cấp Mộ Dung Thiên – sư phụ của Thái tử – đến chết. Sau đó còn treo lên cột cờ cao nhất thành Thanh Long, nhắn lại lời cảnh cáo Thái tử điện hạ.

Trong lòng Lãnh Bình bỗng nhiên hiểu ra vài phần, bỗng nhiên rùng mình. Nếu là sự thật, như vậy Tần Hầu này tâm cơ cùng thủ đoạn cũng quá khủng bố rồi. Nghĩ lại, ngay cả võ giả Thiên cấp đều có thể bị hắn tàn sát, mà mình là một võ giả Địa cấp không ngờ lại phái người đi tìm hắn gây phiền toái. Đây không phải tìm chết thì là cái gì?

Nghĩ vậy, hận ý của Lãnh Bình đối với Thái tử Triệu Tinh Hà càng sâu vài phần, trong lòng cười lạnh: "Thái tử a Thái tử! Ngươi nhất định muốn cho ta chết, muốn ra tay cướp lấy bang hội của ta. Đó là không có khả năng!"

Lão tử làm trâu làm ngựa cho ngươi nhiều năm, cung cấp tình báo cho ngươi, cung cấp nhiều tài chính cho ngươi huấn luyện các loại nhân tài. Đến cuối cùng, vừa nghe lão tử chết, ngươi không ngờ trước tiên chạy đến mưu đồ sản nghiệp của lão tử. Thật sự là lòng lang dạ sói. Mà Tần Hầu mới là nam nhân chân chính!

Vô tình, trong lòng Lãnh Bình đã bắt đầu nghiêm trọng nghiêng về Tần Lập. Tuy rằng Tần Lập lưu lại hắn, mục đích quan trọng cũng vì Đại Thanh Bang, nhưng người ta làm việc quang minh lỗi lạc!

Chuyện này mưu kế chia ra âm mưu cùng dương mưu. Âm mưu chung quy không lộ ánh sáng, mà dương mưu là cái loại đường đường chính chính làm ra, mới là vương đạo!

Lúc này, hán tử cao gầy Lý lão tứ nhẹ giọng nói:

- Bang chủ! Nếu xử lý hậu sự, bên trong linh cữu của ngài, không thể trống không…

Phó bang chủ cùng mấy trưởng lão ở bên kia đều cảm thấy có lý. Muốn làm giả, vậy phải làm hoàn hảo.

Lãnh Bình nghe vậy, trầm ngâm một chút sau đó nói:

- Đi tìm một người thế thân tướng mạo gần giống ta. Đối xử tử tế với người nhà của hắn!

- Người của điện hạ nói muốn gặp Thường Phó bang chủ!

Bên ngoài lại có thân tín nhẹ giọng nói.

- Mẹ nó! Bọn họ còn dây dưa không dứt. Lão tử đi giết bọn họ!

Thường lão tam tuổi hơn năm mươi, dáng người phúc hậu nhưng tính tình nóng nảy như trước. Phó bang chủ Đại Thanh Bang chỉ có Huyền cấp bậc chín này cũng là tên côn đồ đầu đường một mạch đi theo Lãnh Bình chém giết, liều mạng từ máu mà ra.

Một thân tâm huyết kia cũng chưa giảm bớt chút nào theo tuổi nhiều lên, vẫn hiếu chiến như cũ.

- Được rồi! Đuổi đi là được. Nói hiện tại thương tâm quá độ, có chuyện gì chờ sau khi lão tử hạ táng rồi nói!

Lãnh Bình bĩu môi, thật sự có chút không tự nhiên nói.

Suy nghĩ một chút, hắn tiếp theo phân phó:

- Lão tứ! Đi đón người nhà của ta lại đây, đặc biệt là tên khuyển tử không hiểu chuyện kia của ta. Đừng để hắn bị người xúi giục, làm ra chuyện gì ngu ngốc.

- Nhưng mà công tử, ngươi có thể cam đoan Bang chủ Đại Thanh Bang kia sẽ quyết một lòng đi theo ngươi sao?

- Ha ha! Người đó là một hán tử, ta tin tưởng mình không nhìn lầm người. Lại nói, hiện tại hắn không đi theo ta, không có con đường thứ hai có thể lựa chọn!

Đôi mi thanh tú của Bộ Vân Yên nhíu lại, mắt chớp chớp sau đó nói:

- Vậy ngươi nói Thái tử sau khi không chiếm được quyền khống chế Đại Thanh Bang, có thể thẹn quá thành giậnmà phái binh bao vây tiễu trừ bọn họ hay không?

Tần Lập trầm tư một chút, nhẹ nhàng lắc đầu:

- Sẽ không! Triệu Tinh Hà cũng không biết Lãnh Bình không chết, cho nên hắn nhất định muốn trăm phương ngàn kế khống chế Đại Thanh Bang trong tay. Tỷ yên tâm đi, ngày mai đám cung phụng vốn thuộc về Đại Thanh Bang liền nhất định sẽ quay về!

- Ồ! Vậy thì làm thế nào?

- Cái gì làm thế nào? Giống như trước kia thôi!

Tần Lập chẳng hề để ý trả lời.

Bộ Vân Yên nghĩ một chút, bỗng cười nói:

- Ta hiểu rồi! Ý của công tử là tạm thời không nên đắc tội đến đám quý tộc hào môn này, nhường một chút ích lợi cho bọn hắn. Sau đó đồng thời làm cho Thái tử không thể khống chế Đại Thanh Bang, còn không thể phái binh ra diệt. Bởi vì như vậy, ngay cả người của Thái tử cũng không đồng ý, đúng không?

Tần Lập khen ngợi liếc nhìn Bộ Vân Yên, thò tay nhẹ nhàng véo mũi nàng một cái, cười nói:

- Bộ tỷ tỷ quả nhiên là thông minh sắc sảo!

Một cảm giác nhẵn nhụi theo đầu ngón tay Tần Lập truyền đến, làm xong động tác này, hắn thấy có chút không ổn. Tâm lý của hắn đã ba mươi mấy tuổi, Bộ Vân Yên hơn hai mươi tuổi trong lòng hắn tự nhiên là một cô bé đáng yêu. Tiếng "Bộ tỷ tỷ" càng nhiều là một loại trêu đùa, nhưng Bộ Vân Yên lại không nghĩ như vậy!

Quả nhiên, một màu đỏ ửng hiện lên trên hai gò má Bộ Vân Yên, nàng cúi đầu đứng lên khẽ nói một câu:

- Ta đi ngủ, công tử cũng sớm đi ngủ một chút!

Nói xong liền chạy trối chết ra ngoài.

Tần Lập đưa tay đặt lên mũi khẽ ngửi, một mùi thơm thấm tận đáy lòng, thấy vậy hắn không khỏi cười khổ.

Sáng sớm hôm sau, Tần Lập mang theo Bộ Vân Yên đi tới đường Chu Tước. Nhìn phủ đệ thuộc về mình, Tần Lập bỗng nhớ tới Tử Thần Viên ngày trước, so với phủ đệ xa hoa trước mắt này, Tử Thần viên liền có vẻ quá mức tầm thường. Hơn nữa, nơi đó đã sớm biến thành một đống hoang tàn, mà Tần gia huy hoàng ngày trước cũng không còn tồn tại.

Nghĩ đến Học Viện Đế Quốc còn hai người của Tần gia, Tần Lập nghĩ thầm: "Xem ra mình có thời gian, hẳn là đi qua nhìn một chút! Dường như trên đầu mình còn treo một cái danh hiệu giảng sư cao cấp của Học Viện Đế Quốc!"

Nghĩ vậy, Tần Lập có chút tự giễu cười, mình từng là lão Đại bang hội, cũng có một ngày đi giảng bài cho người khác! Trên thân thể này từ đâu có thể tìm ra một chút khí chất, hình tượng gương tốt làm người?

Bộ Vân Yên hết sức hưng phấn, trực tiếp dẫn theo quản lý Đóa Đóa trong quán theo, phái xe ngựa đi tiếp Lãnh Dao cùng A Hổ sau đó tự mình thì mang theo Đóa Đóa đi chọn lựa thị nữ, hạ nhân!

Tần Lập một người đi dạo trong trạch viện, nơi này môi trường tuyệt đẹp hơn nữa hết sức tự nhiên, dấu vết của con người tạo hình để lại rất ít. Xem ra điều này có quan hệ với cung phụng Thiên cấp ở đây ngày trước.

Cái gọi là vạn pháp về một, thực lực tới một mức độ và cảnh giới nhất định, thứ theo đuổi kỳ thật cũng không khác nhau nhiều lắm.

Tần Lập trong đầu nhớ tới trận chiến với Ảnh Tử tối qua, hắn dùng là một loại Thái Cực Quyền xa xưa của Hoa Hạ, thắng vì bất ngờ. Có thể dùng cảnh giới Địa cấp chiến thắng một sát thủ Thiên cấp, cũng làm hắn bị thương nặng, Tần Lập cảm thấy rất vừa lòng.

Bởi vì Ảnh Tử cũng không dám tùy ý hoàn toàn bộc phát khí thế Thiên cấp khiến cho người khác chú ý. Đến cuối cùng, hắn muốn bùng nổ cũng đã muộn. Sợ là đến chết Ảnh Tử cũng không nghĩ ra, chiến kỹ kỳ quái này của Tần Lập rốt cục học được từ đâu.

Kỳ thật bản thân Tần Lập đối với lão đạo sĩ từ nhỏ nuôi dưỡng mình trong lòng cũng tràn ngập cảm kích. Nếu năm xưa không có lão đạo sĩ dạy dỗ, cho dù Tần Lập đến Thiên Nguyên Đại Lục chỉ sợ cũng không thể sinh tồn ở trong loại môi trường này.

Cho dù có thể sinh tồn, cũng là tham sống sợ chết, đến hiện tại vẫn như trước sống trong khinh thường cùng châm chọc của người khác!

Kỳ thật ở sâu trong trí nhớ của Tần Lập, trí nhớ về quá khứ cũng không có bao nhiêu hình ảnh bị bắt nạt. Càng nhiều đó bị khinh thường cùng châm chọc người khác!

Bất kỳ người nào đều có tự tôn, chẳng sợ quá khứ Tần Lập kia chỉ là đứa nhỏ, cũng đồng dạng có tôn nghiêm của mình. Từ nhỏ sinh sống trong môi trường đó, cũng thật là làm khó hắn.

Hơn nữa, lúc ban đầu mẫu thân thực lực rất yếu, thực lực Thiên cấp cũng là mấy năm gần đây mới đạt tới. Vì không để cho người đàn ông mình yêu bị bất kỳ uy hiếp nào, Tần Hàn Nguyệt chỉ có thể ủy khuất đứa nhỏ của mình. Đại khái nàng cũng rất nhiều lần nghĩ đến việc rời đi, nhưng Tần gia làm sao lại cho phép hai mẹ con mất mặt như vậy rời khỏi tầm mắt Tần gia? Nếu dùng sức mạnh, vậy bí mật cha của Tần Lập cũng hoàn toàn bị lộ ra. Hai lão tổ tông thực lực Thiên cấp của Tần gia cũng không phải là thứ tốt gì, làm sao sẽ bỏ qua cho nữ nhân yếu đuối Tần Hàn Nguyệt!

Tần Lập đứng giữa đình viện, khẽ thở dài thầm nghĩ: “May mắn hết thảy đều đã qua đi! Tương lai mới là chân chính thuộc về ta!”

Khi đêm đến, Lãnh Dao cùng A Hổ đều qua tới. Bộ Vân Yên cùng Đóa Đóa cũng mua trở về hai mươi mấy nha hoàn cùng mười mấy hạ nhân, đều là tỉ mỉ tuyển chọn, lại thêm hạ nhân ở nhà cũ khiến cho phủ đệ Tần Hầu gia lập tức trở nên náo nhiệt hẳn lên.

Lãnh Dao đã mấy ngày không gặp Tần Lập, không nghĩ tới trong thời gian ngắn như vậy, Tần Lập không ngờ đã được phong Hầu gia. Tuy rằng quá khứ Lãnh Dao chưa bao giờ coi trọng hoàng quyền, nhưng điều này không cấm nàng kiêu ngạo vì thành tựu của Tần Lập.

Trong phòng chỉ có bốn người: Lãnh Dao, Bộ Vân Yên, A Hổ cùng Tần Lập.

Tần Lập nhìn ba người bọn họ, vẻ mặt nghiêm túc nói:

- Bước đầu tiên của chúng ta đã bước ra, tiền tài đã không thành vấn đề. Bước tiếp theo chúng ta phải làm: Một là làm lớn mạnh thế lực. Hai là phải tăng thực lực của mọi người. Mấy người các ngươi đều phải làm tốt chuẩn bị liều mạng tu luyện. Lãnh Dao tỷ! Tỷ liệt kê ra các loại dược liệu cần thiết để chế tạo đan dược tăng thực lực. Có thể mua được thì mua, không mua được chúng ta tự mình đi tìm! Tóm lại: ta muốn trong vòng năm năm, thực lực toàn bộ các người đều tăng tới Thiên cấp!

129. Chương 129 :truyền Kỳ Trong Mắt Thiên Tài

- Cái gì?

- Không có khả năng!

- Khẳng định không thể!

Ba người gần như tranh nhau nói, nói xong lại liếc mắt nhìn lẫn nhau sau đó không khỏi đều cười rộ lên.

Lãnh Dao nhìn Tần Lập, thanh âm nói chuyện không tự chủ dịu dàng hẳn lên. Điều này lúc trước trên người Lãnh Dao là tuyệt đối không có khả năng xảy ra. Trên thực tế, cho dù là hiện tại, phần dịu dàng này của Lãnh Dao cũng chỉ nhằm vào một mình Tần Lập mà thôi. Chỉ là bản thân nàng còn không cảm giác được.

- Công tử! Ta biết ngươi cấp bách muốn tăng thực lực của chúng ta, nhưng điều này không thực tế. Cho dù những thế gia môn phái nơi thần bí cũng không dám nói trong vòng vài năm tăng một ít võ giả tư chất kém cỏi lên tới một trình độ nào đó. Đan dược cuối cùng chỉ là phụ trợ, mà quan trọng nhất vẫn là tư chất của võ giả! Truyện "Duy Ngã Độc Tôn " được copy từ diễn đàn Lương Sơn Bạc (LuongSonBac.com)

A Hổ cũng gật đầu nói:

- Có thể đi theo công tử đã là một chuyện may mắn nhất đời này của A Hổ. Về sau ta đi ra ngoài cũng có thể nói lão tử có huynh đệ là Hầu tước! Tuổi ta đã lớn, có thể làm cho công tử một số việc cũng đã rất thỏa mãn. Qua vài năm nữa, ta sẽ đón mẫu thân cùng cha dượng đến đế đô, để cho bọn họ cũng được an hưởng lúc tuổi già là ta đã cảm thấy mỹ mãn! Truyện "Duy Ngã Độc Tôn " được copy từ diễn đàn Lương Sơn Bạc (LuongSonBac.com)

Bộ Vân Yên nhìn Tần Lập, trong mắt dịu dàng như nước, khẽ nói:

- Tư chất của ta không tốt, hiện tại còn chưa tới Huyền cấp. Hơn nữa, ta đã vượt qua hai mươi tuổi, có đan dược kia còn không bằng bồi dưỡng thêm một số đứa nhỏ có tiềm lực…

Trên thực tế, trong lòng Bộ Vân Yên rất muốn nói: Chỉ cần đời này có thể đi theo bên cạnh ngươi, chẳng sợ làm một thị nữ bưng trà rót nước, ta cũng đã cảm thấy mãn nguyện rồi!

Tần Lập cười cười, nói:

- Ta nếu dám nói như vậy, tự nhiên có biện pháp của ta. Các người vội vã từ chối như vậy làm gì?

Nói xong nhìn về phía A Hổ:

- A Hổ đại ca! Huynh từ trước tới giờ đã từng nghĩ tới có một ngày cũng dẫm trên luồng gió, oai phong một cõi chưa?

A Hổ ngượng ngùng vò đầu cười cười:

- Đó đều là giấc mộng thời nhỏ không hiểu chuyện. Ặc… Công tử! Ta không phải nói ngươi!

Tần Lập nhún nhún vai, lại chuyển hướng Lãnh Dao:

- Tuy rằng ta không biết kẻ thù Lãnh Dao tỷ rốt cục cường đại bao nhiêu, nhưng người sống trên đời có giấc mộng mới có hy vọng. Nếu ngay cả nghĩ cũng không dám vậy còn sống cũng là tầm thường, sống tạm cho qua ngày! Lãnh Dao tỷ! Tỷ đừng nói với ta, tỷ chưa từng nghĩ tới có một ngày tự tay đâm chết kẻ thù dưới kiếm!

Ánh mắt Lãnh Dao có chút đau khổ, bặm môi thản nhiên nói:

- Nghĩ thì làm thế nào? Cho dù ta đạt tới cảnh giới Thiên cấp, ở trong mắt những người đó cũng căn bản chỉ là mạnh hơn một con kiến một chút mà thôi, tùy thời đều có thể bị bóp chết!

Tần Lập lúc này cười rộ lên, nói:

- Tỷ năm nay cũng chỉ mới hai mươi mốt, hai mươi hai tuổi. Năm năm sau ngươi hai mươi sáu tuổi tiến vào Thiên cấp, lại qua mười năm, tỷ ba mươi sáu tuổi tiến vào cảnh giới Phá Thiên. Lại qua mười năm tỷ bốn mươi sáu tuổi đạt tới cảnh giới Hợp Thiên, thậm chí là cảnh giới Dung Thiên cũng không phải việc không có khả năng. Đến khi đó tỷ vẫn không chút hy vọng sao? Một mình tỷ có lẽ không được, nhưng chẳng lẽ tỷ quên còn có ta… ở cùng một chỗ với tỷ!

Thân thể Lãnh Dao nhẹ nhàng run lên, ngẩng đầu, đôi mắt trong trẻo nhưng lạnh lùng phủ một tầng hơi nước, nói:

- Vậy… có thể sao?

"Có ta, mọi chuyện đều có thể!" Tần Lập kỳ thật rất muốn làm bộ nói như vậy, tuy nhiên nghĩ lại cảm thấy có chút quá tự kiêu, chỉ gật đầu nói:

- Không thử xem làm sao biết không thể? Người khi còn sống, nếu ngay cả một trái tim cầu tiến cũng không có như vậy không cần người khác tới đánh bại, tỷ đã bị bại bởi chính mình rồi!

Trong mắt Lãnh Dao dần dần ngưng kết ra một vẻ kiên định.

Gia tộc của nàng năm xưa ở thánh địa Phổ Đà tuy rằng không tính là cường thế đại tộc, ít ra cũng có chút danh tiếng. Mà tổ tiên của nàng, năm xưa chẳng phải từ một võ giả thế tục bình thường đi một bước lên đỉnh, cuối cùng cắm rễ ở thánh địa Phổ Đà sao?

Lãnh Dao nhớ lại cái ngày nhà tan cửa nát, tứ thúc của nàng liều mạng đưa nàng ra khỏi thánh địa Phổ Đà, khó khăn kiên trì đến Thanh Long quốc cuối cùng tứ thúc thương nặng không chữa được. Trước khi chết ông nói cho nàng, vĩnh viễn không nên nghĩ báo thù, ngay cả ý nghĩ trong đầu cũng không nên có. Nếu không, huyết mạch Lãnh gia sẽ hoàn toàn biến mất!

Cảnh tượng trong quá khứ không ngừng xuất hiện trong đầu Lãnh Dao. Từ nhỏ nàng sống như công chúa, gia tộc lại vốn là nổi tiếng về luyện đan, tư chất của Lãnh Dao tự nhiên cũng là tuyệt hảo. Lúc nàng mười hai tuổi, cũng đã tu luyện đến cảnh giới Huyền cấp bậc một. Nếu không có biến cố bất ngờ kia xảy ra, hiện tại nàng ít nhất cũng tiến vào hàng ngũ võ giả Địa cấp. Sau rồi nản lòng thoái chí, nguyên nhân chủ yếu vì nàng lẻ loi một mình, cho dù tu luyện đến Thiên cấp thì lại có năng lực thế nào? Cho dù đột phá Thiên cấp thì lại có thể thế nào?

Nhưng hiện tại, trong cuộc sống của nàng lại có thêm một bóng hình. Lúc trước hoàn toàn không thể nghĩ tới thực lực Tần Lập không ngờ tăng lên nhanh như vậy. Người khác không biết nhưng Lãnh Dao biết rõ về tiềm lực của Tần Lập hơn ai hết.

Nhưng nàng cũng không nguyện để Tần Lập bị cuốn vào trong chuyện này. Kẻ thù của nàng thật sự là quá cường đại, cường đại đến mức chỉ cần nghĩ đến đã có một cảm giác lạnh lẽo từ trong đáy lòng.

Thử xem… như vậy thật sự sẽ có hy vọng sao? Nhìn ánh mắt kiên định của Tần Lập, trái tim Lãnh Dao dần dần ấm áp. Có lẽ, thật sự có hy vọng!

Nghĩ vậy, Lãnh Dao dùng sức gật đầu:

- Từ ngày mai trở đi, ta sẽ tu luyện chăm chỉ!

Tần Lập nhìn Bộ Vân Yên cùng A Hổ, chậm rãi nói:

- Không có ai từ khi sinh ra đã đứng trên đỉnh thế giới. Cho dù là hoàng quyền thế tục này, tổ tiên bọn họ cũng giống như chúng ta. Có một số người, cho dù cả đời cũng sẽ không có hy vọng, nhưng các người không giống vậy. Từ ngày mai bắt đầu, trước tiên ta sẽ thay đổi thể chất của các người! Đừng quên, công pháp ta tu luyện là Thần cấp, mà ta là người duy nhất có thể tu luyện nó.

A Hổ cùng Bộ Vân Yên lúc này trong lòng cũng sôi trào lên. Từ nhỏ, bọn họ đã sống dưới hoàng quyền, cảm thấy được Hoàng đế chính là do trời sinh. Nhưng nghe xong những lời có vẻ đại nghịch bất đạo của Tần Lập, lại cảm thấy rất có lý. Không ai trời sinh phú quý, ta không phú quý nhưng ta có thể cho con của ta, khiến cho đời sau của ta trở nên phú quý!

Nhìn khí chất biến hóa của ba người, Tần Lập khẽ cười biết tâm tình bọn họ đã tốt lên!

Thay đổi một người, trước tiên phải thay đổi trái tim của hắn. Nếu không có một trái tim muốn biến thành cường giả đỉnh cao, như vậy cho dù ngươi cho hắn linh dược tốt nhất trên đời, để hắn học công pháp tốt nhất thì hắn cũng chỉ là một kẻ yếu!

Biết bọn họ còn cần tiêu hóa một chút, Tần Lập chào từ biệt bọn họ trở lại phòng của mình bắt đầu khoanh chân tu luyện.

Muốn thành công đúng là cần phải trả giá cố gắng tương đương. Người khác chỉ có thể nhìn thấy vầng sáng huy hoàng, lại vĩnh viễn không thấy được chua xót sau lưng.

Học Viện Đế Quốc hai ngày này điên cuồng truyền lại một tin tức về những việc truyền kỳ của một thiếu niên quý tộc Đại Tề quốc.

Có thể vào học ở Học viên cao cấp đế quốc, bản thân cũng đã là một vinh quang khó lường. Nơi này tụ tập thiên tài các nơi của Thanh Long quốc.

Đúng vậy, chính là thiên tài!

Tư chất kém một chút, căn bản không thể vào học viện này. Cho dù gia thế của ngươi mạnh mẽ đến đâu, nếu tư chất của ngươi bình thường, như vậy thật xin lỗi. Đế đô còn rất nhiều học viện, như là đế đô Quý Tộc học viện, hay Võ Đấu học viện… rất nhiều rất nhiều đều có thể vào học.

Chỉ có Học Viện Cao Cấp của đế quốc là chỉ thiếu niên tư chất tuyệt hảo mới có thể tiến vào. Mà học sinh nơi này tương lai cũng sẽ trở thành tầng lớp tinh anh chân chính của Thanh Long quốc!

Nghĩ là có thể biết học sinh học ở trong này sẽ là một đám kiêu ngạo như thế nào!

Nhưng chính là đám kiêu ngạo sẽ không dễ dàng coi trọng một học sinh nào, hai ngày nay đều điên cuồng ca ngợi một cái tên – Tần Lập!

Cái tên này dường như có một ma lực thần kỳ khiến cho tất cả các học sinh ở Học Viện Cao Cấp ngay cả tâm tư ghen tị cũng không sinh ra.

Bởi vì… hắn quá mạnh mẽ!

Mười sáu tuổi, Địa cấp bậc bảy, cường công hoàng gia đệ nhất cung phụng Trần Diệc Hàn của Thanh Long quốc ba chiêu, Trần Diệc Hàn không ngờ lại không thể đứng yên ngạnh tiếp được. Điều này… ở một mức độ nào đó mà nói, Tần Lập đã thắng!

Một kiếm chém Thiểm Điện Đao Tôn Lục, thực lực Địa cấp Đường chủ Đại Thanh Bang. Tàn sát bốn mươi lăm võ giả Huyền cấp chiến Đao Đường không tốn nhiều hơi sức. Mà hôm trước lại có thêm một chuyện: vị Hầu gia mười sáu tuổi xưa nay chưa từng có này, không những chém chết Thiểm Điện Đao Tôn Lục, mà cũng chém chết một nhân vật truyền kỳ của thành Thanh Long: Bang chủ Đại Thanh Bang!

Càng thêm truyền kỳ chính là Bang chủ Lãnh Bình của Đại Thanh Bang không ngờ trước khi chết lại giao phó bang hội cho vị Hầu gia tuổi trẻ đến cực điểm kia. Chuyện này… không thể tưởng tượng nổi!

Mà làm cho đám học sinh tinh anh này hưng phấn nhất chính là một nhân vật truyền kỳ như vậy không ngờ lại thành giảng sư cao cấp của học viện bọn họ. Rất nhiều học sinh nữ hưng phấn thậm chí ngủ không yên, mà mấy cửa hàng trang phục xa hoa xung quanh học viên, mấy ngày nay việc buôn bán tốt hơn bình thường mấy lần!

Phải biết rằng, những thiên tài học viện ngày thường đều chỉ lo liều mạng tu luyện, làm sao có thời gian chăm chút chuyện ăn mặc. Mà một cái Tần Lập, người còn chưa tới đã khiến cho rất nhiều học sinh nữ, bắt đầu chú ý dáng vẻ của mình.

Điều này không thể không nói là một kỳ tích nho nhỏ!

Có người vui vẻ, tự nhiên cũng có người không vui.

Mấy ngày nay, huynh đệ Tần Phong Tần Lập gần như sống một ngày dài như một năm. Một mặt, bọn họ hy vọng báo thù rửa hận. Cửa nát nhà tan, hai người hiện tại trừ một chút vầng sáng thiên tài ở ngoài, thì là hai bàn tay trắng. Tuy nói Tần Lập cùng Tần gia bị diệt, ở trong mắt hai người không có quan hệ gì, nhưng hận ý của Tần Phong cùng Tần Hổ đối với Tần Lập lại càng ngày càng tăng!

Bởi vì theo lá thư Tần Hoành Viễn cho người mang tới, bọn họ biết đời này gần như không có bất kỳ cơ hội nào báo thù! Kẻ thù kia, bọn họ không thể trêu vào, cả đời này không thể trêu chọc. Oán hận ngập trời kia đành phải đổ hết lên đầu Tần Lập.

Bọn họ hận không thể nghiền xương Tần Lập thành tro!

Nhất là Mạc Phỉ Phỉ cùng học ở Học Viện Đế Quốc mỗi lần nhìn về phía huynh đệ hai người, cái loại ánh mắt cừu hận càng làm cho Tần Phong thống hận Tần Lập không thôi. Nguyên nhân rất đơn giản, nếu không có Tần Lập, hắn cùng Mạc Phỉ Phỉ cũng không thể xích mích đến mức như vậy. Như thế, cho dù Tần gia diệt vong, Tần Phong cũng có thể cưới cô gái từ nhỏ đã thầm mến mộ, yêu thích mình. Như vậy, khôi phục Tần gia sẽ nhanh hơn rất nhiều! Truyện "Duy Ngã Độc Tôn " được copy từ diễn đàn Lương Sơn Bạc (LuongSonBac.com)

Tất cả mọi chuyện này đều là vì thằng con hoang chết tiệt kia!

Hai huynh đệ không chỉ một lần thương lượng với nhau, chờ sau khi thực lực tăng lên, ở bên người Nhị hoàng tử có được địa vị nhất định, nhất định phải tìm đến Tần Lập đưa hắn băm vằm từng mảnh!

Bọn họ thế nào cũng không nghĩ tới, không đợi bọn họ tìm tới, một cái Tần Lập khác đã xuất hiện ngang trời vô cùng thần kỳ, xuất hiện trước mắt bọn họ!

Vô Tình

130. Chương 130 :ghen Tị

Điều này giống như một khối đá lớn ngàn cân, tâm tình bọn họ vốn cừu hận buồn phiền, lại trực tiếp bị đập biến thành rối tinh rối mù! Hiện tại vắt ngang trong lòng huynh đệ Tần Phong, Tần Hổ không chỉ là buồn bực, càng nhiều là sợ hãi!

Trên đời này làm gì có chuyện trùng hợp như vậy?

Hai người từ lúc nghe thấy cái tên này liền bắt đầu ngủ không ngon, có tâm muốn đi hỏi Nhị hoàng tử điện hạ một chút, lại nghe nói tên Tần Lập quý tộc Đại Tề quốc được Nhị hoàng tử rất coi trọng. Cứ như vậy, phỏng chừng là đi cũng lại bị mắng một phen, mà chưa biết chừng nếu thật sự là người kia, hai người còn gặp họa sát thân!

Nghe nói tên Tần Lập kia còn sắp tới Học Viện Cao Cấp dạy học, trong lòng Tần Phong buồn bực càng sâu. Lúc trước bỏ đi dường như không có chuyện gì, nhưng nếu hiện tại chạy trốn, đó càng tương đương tự hủy tương lai. Cả đời này cơ bản đã chấm dứt.

Nghĩ tới nghĩ lui, Tần Phong cùng A Hổ quyết định trước tiên cố gắng ở lại, chờ khi Tần Lập kia đi vào học viện tự mắt nhìn xem rốt cục có phải là một người hay không!

Hai người tin tưởng, cho dù Tần Lập hóa thành tro bọn họ cũng có thể nhận ra! Bởi vì cừu hận giữa bọn họ là ghi sâu vào xương tủy!

- Hắc hắc! Bạn học Tần Phong. Nghe nói nhân vật truyền kỳ Tần Lập Tần Hầu gia sắp tới, ngươi không tới xem nào nhiệt sao? Rất nhiều học sinh nữ học viện chúng ta đều đi đó! Mà ngay cả Triệu Thiên Thiên – Công chúa điện hạ nghe nói cũng đi! Hắc! Ngươi không phải vẫn đối với công chúa điện hạ có ý hay sao?

Một nam sinh quan hệ không tồi với Tần Phong, nói xong liền cười rộ một cách đáng khinh. Truyện "Duy Ngã Độc Tôn " được copy từ diễn đàn Lương Sơn Bạc (LuongSonBac.com)

Ở Học Viện Cao Cấp của đế quốc, một số người có thân phận mọi người đều biết, mà một số người rất khiêm tốn thì có vẻ có rất nhiều thần bí. Nhà Tần Phong gặp chuyện không may, rất nhiều người của Học Viện Đế Quốc cũng không biết, người biết thì cũng không nói lung tung. Hai người Tần Phong cùng Tần Hổ cũng tự nhiên không ngu ngốc đi khắp nơi tuyên dương chuyện này.

Hơn nữa Tần Phong đúng thật là có ý tưởng với Công chúa Triệu Thiên Thiên, nếu không cũng không hề có chút cảm giác nào đối với biểu muội Mạc Phỉ Phỉ. Bởi vì so sánh với Công chúa, bất kể mặt nào của Mạc Phỉ Phỉ đều kém hơn rất nhiều!

Xưa nay Tần Phong cũng tự đánh giá mình rất cao, cái tên thiên tài của hắn cũng không phải là hư danh tự có, bởi vì hiện tại hắn đang đánh vào cảnh giới Địa cấp! Mà năm nay, hắn cũng chỉ vừa mới mười sáu tuổi! Nếu thật sự thành công đánh vào cảnh giới Địa cấp, như vậy ở Thanh Long quốc coi như là thiên tài xưa nay chưa từng có!

Về phần tên Tần Lập của Đại Tề quốc kia, lúc hắn thành danh còn không coi là người của Thanh Long quốc.

Ít nhất Tần Phong cho là như vậy.

Nguyên bản hắn cảm thấy chỉ cần mình thành công tiến vào Địa cấp, sau khi chân chính trở thành nhân tài tinh anh đứng đầu Thanh Long quốc, Công chúa Triệu Thiên Thiên nhất định càng thêm coi trọng mình. Đến lúc đó chỉ cần mình kết giao với nàng, nàng sẽ không từ chối!

Vì ngọn lửa ở sâu trong lòng, vì giấc mộng phục hưng gia tộc cũng vì có thể sớm một ngày bầm thây Tần Lập thành vạn đoạn, Tần Phong thật sự là vô cùng cố gắng.

Thậm chí dưới ảnh hưởng hắn tiến bộ điên cuồng, không khí Học Viện Cao Cấp đế quốc càng tốt hơn vài phần. Bởi vì bản thân có tính hai mặt, Tần Phong ở Học Viện Đế Quốc luôn ngụy trang rất tốt.

- Đi! Sao lại không đi. Chờ ta một chút!

Tần Phong cắn chặt răng, thầm nghĩ nếu đã tới thì trốn không được. Nếu hai người đó không phải là một, vậy mình cùng ca ca cũng sẽ không cần lo lắng nữa!

Nghĩ vậy, Tần Phong cố ý tìm một cái áo choàng màu đen mặc trên người, đội mũ trùm đầu khiến cho người không thấy mặt của hắn.

Bạn học của Tần Phong cười nói:

- Bạn học Tần Phong. Cách ăn mặc này của ngươi thật sự là quái dị. Ha ha! Ngươi chẳng lẽ muốn càng nổi bật hơn vị Hầu gia cùng họ kia sao?

Tần Phong nghĩ lại cũng cảm thấy đúng. Cách ăn mặc quái dị ngược lại dễ dàng khiến người khác chú ý, hắn liền bỏ mũ xuống, lộ ra khuôn mặt anh tuấn, nhẹ giọng nói:

- Đi thôi!

Cửa học viện lúc này đã tụ tập rất nhiều học sinh, trên mặt mọi người đều mang theo biểu tình hưng phấn, thì thầm to nhỏ với nhau.

Bởi vì không khí học viện vốn rất nhẹ nhàng, quản lý học sinh cũng không quá nghiêm khắc cho nên lúc này cũng không thiếu giáo sư của Học Viên Cao Cấp đều xen lẫn vào trong đám học sinh xem náo nhiệt.

Tuy nhiên, bọn họ đối với vị Hầu gia này lại chưa chắc là tốt đẹp.

Một người đàn ông khoảng hơn bốn mươi tuổi trong đó dường như rất chán ghét Tần Lập, cau mày đối với một nữ giáo sư tuổi trẻ xinh đẹp bên cạnh, oán giận nói:

- Chẳng qua chỉ là một võ giả Địa cấp bậc bảy mà thôi, đế quốc cũng không phải không có thực lực như vậy. Võ giả Thiên cấp tuy rằng không nhiều lắm, nhưng Địa cấp… Hừ! Giảng sư của Học Viện Cao Cấp chúng ta, tùy tiện người nào không phải?

Đúng thật! Thân là Học Viện Cao Cấp của đế quốc, thực lực của sư phụ nơi này cũng là nơi hùng hậu nhất Thanh Long quốc. Bất kỳ một giáo sư nào đều ít nhất có thực lực Huyền cấp bậc cao. Mà viện trưởng đại nhân trong truyền thuyết thần long thấy đầu không thấy đuôi kia thực lực đã sớm tới Thiên cấp! Hàng năm bế quan, không biết chừng lúc nào đó lão sẽ đột phá Thiên cấp, tiến vào cảnh giới Phá Thiên!

Vị nam giáo sư trung niên này tên là Lương Lạc, năm nay bốn mươi tuổi, thực lực đã đạt tới Địa cấp bậc tám! Hắn chủ tu một chiến kỹ hỏa thuộc tính, vũ khí là một thanh trường đao, ở trong Học Viện Cao Cấp đế quốc coi như là rất có danh tiếng.

Chỉ là cái mồm của hắn rất xấu, hơn nữa không coi ai ra gì, đắc tội không ít người. Người bình thường đều không muốn cùng hắn quan hệ.

Mà vị nữ giáo sư tuổi trẻ này, là năm nay mới đi vào Học Viện Cao Cấp đế quốc, cũng là một võ giả thực lực Địa cấp. Thân phận bối cảnh nàng hết sức thần bí, mà bộ dạng hết sức xinh đẹp, rất nhiều người nguyện ý vây quanh nàng.

Nữ giáo sư tuổi trẻ xinh đẹp chỉ nhàn nhạt cười, có câu không nói ra miệng." Ngươi làm sao không nhìn xem tuổi của vị giáo sư Tần Lập này? Nếu ngươi mười sáu tuổi có thực lực Địa cấp bậc bảy, chỉ sợ cái đuôi đã sớm vểnh lên trời!" Chỉ là câu nói này không cách nào nói ra.

Nam giáo sư trung niên Lương Lạc thấy đối phương không đáp lời, nghĩ rằng nàng cũng đồng ý lời nói của mình, không kìm nổi nói thêm:

- Giáo sư Y Ngưng! Ta rất bất công thay cho cô. Cô xem, lúc trước cô là giảng sư cao cấp trẻ tuổi nhất của học viện đế quốc, tiểu tử này còn chưa có đến đã đoạt hết sự nổi bật của cô. Tuy nhiên ta sẽ không để ý đến hắn, kiên quyết đứng về phía giáo sư Y Ngưng! Truyện "Duy Ngã Độc Tôn " được copy từ diễn đàn Lương Sơn Bạc (LuongSonBac.com)

Y Ngưng lại thản nhiên cười cười, tuy nhiên ẩn sâu trong cặp mắt long lanh lại hiện lên một chút chán ghét. Người này, thật sự rất đáng ghét!

- Oa! Xe của giáo sư Tần Lập tới rồi!

- Hắc hắc! Đúng rồi, giáo sư Tần Lập. Ta yêu ngươi!

- Đừng nói bừa, giáo sư Tần Lập là của ta!

Theo xe ngựa Tần Lập tiến vào cửa học viện, hoạt động hoan nghênh tự phát tổ chức cũng trực tiếp tiến vào giai đoạn cuồng nhiệt. Đám học sinh nữ điên cuồng, chẳng những dọa tới đám nam sinh và giáo sư trong học viện, cũng làm Tần Lập hoảng sợ.

Vén màn xe ngựa một cái khe hở, thấy trước cửa học viện một đám người rất đông, từng khuôn mặt trẻ tuổi khiến Tần Lập thật sự kinh ngạc không thôi. Càng làm cho hắn giật mình chính là, dao động nguyên lực trong đám người kia như sóng thủy triều!

Bọn họ cũng không phải là một đám thiếu nam thiếu nữ hoa si, bọn họ chính là tinh anh tương lai của Thanh Long quốc!

Mình không ngờ lại được hoan nghênh như vậy?

Tần Lập sửng sốt hồi lâu, muốn nói cái gì đó. Giống như là vẫy vẫy tay, nói hai câu: chào các đồng chí, các đồng chí vất vả linh tinh… Sau lại hắn cảm thấy như vậy rất ngốc, hắn cũng không phải là nguyên thủ quốc gia. Lại nói, ngày đầu tiên tới Học Viện Cao Cấp nếu đã phách lối ngông cuồng như vậy chỉ sợ sẽ làm rất nhiều người cảm thấy bất mãn.

Bởi vậy, trái tim rục rịch của Tần Lập trong nháy mắt bình tĩnh lại. Đám học sinh kia tuy rằng thoạt nhìn rất cuồng nhiệt nhưng cũng không có chặn kín đường cho nên xe ngựa Tần Lập rất dễ dàng đi thông qua, đi sâu vào trong học viện.

- Mẹ kiếp! Giáo sư Tần Lập này cũng quá kiêu ngạo rồi! Nhiều người như vậy muốn nhìn mặt hắn, không ngờ hắn ngay cả mặt mũi cũng không lộ! Truyện "Duy Ngã Độc Tôn " được copy từ diễn đàn Lương Sơn Bạc (LuongSonBac.com)

Bạn học Tần Phong đứng bên cạnh khẽ oán giận nói.

Lời này lại bị một nữ sinh bên cạnh nghe thấy, hung hăng trừng mắt nhìn hắn một cái, nói:

- Ngươi biết cái gì! Người ta như vậy gọi là cool. Có bản lĩnh ngươi cũng mười sáu tuổi thực lực tới Địa cấp bậc bảy, cũng có một tước vị Hầu tước! Ngươi cũng có thể làm vậy.

- Đúng vậy, đúng vậy! Kỳ thật chúng ta đều biết, nam sinh các ngươi đều ghen tị thành tựu của Tần giáo sư. Tỉnh lại đi! Ghen tị vĩnh viễn là nguyên nhân tạo thành sa đọa! Quyết chí tự cường mới là các ngươi nên làm!

- Đúng! Bé trai nên có ý chí rộng lớn, lòng dạ quá hẹp hòi sẽ không được con gái yêu thích!

Một đám nữ sinh líu lo, mỉa mai châm chọc bạn học của Tần Phong. Tên bạn học của Tần Phong này rất buồn bực trợn trắng mắt, thầm nghĩ: "Ta không phải chỉ oán giận một câu, đáng giá các ngươi công kích ta như vậy sao?

Đám nữ sinh nói xong, mới phát hiện thiên tài nổi tiếng học viện Tần Phong cũng ở đó, đều có chút ngượng ngùng. Bọn họ đều quay đầu, bắt đầu bàn luận Tần Lập rốt cục bộ dạng thế nào!

Trong lòng Tần Phong ít nhiều được an ủi đôi chút. Xem ra trong lòng đám nữ sinh, ít nhiều mình vẫn còn có chút địa vị, mạnh hơn nhiều so với tên bên cạnh bị vỗ mặt đến ngây ngất.

Đám học sinh đi theo vào trong sân học viện, nhưng đám giáo sư chạy tới xem náo nhiệt phần lớn đều ở lại tại chỗ. Nếu bọn họ cũng đi qua, như vậy có chút mất mặt.

Lòng tự trọng của mỗi người cũng không cho phép bọn họ làm như vậy.

Lương Lạc bĩu môi, nhìn bóng lưng đám đông học sinh, nói:

- Ta thấy tiến cử người này vào Học Viện Cao Cấp chính là một sai lầm! Vốn không khí học viện rất tốt, đều rất chăm chú tu luyện, nhưng hắn vừa đến, các ngươi xem đều biến thành dạng gì rồi? Một đám nam sinh ghen tị muốn chết, một đám nữ sinh đều biến thành một đám hoa si. Còn kêu gào cái gì: "Tần giáo sư, ta yêu ngươi!" Chẳng còn ra thể thống gì nữa!

Tuy rằng ngày thường Lương Lạc quan hệ với mọi người không được tốt lắm, nhưng lời nói của hắn lúc này hiển nhiên dẫn đến một số đồng tình. Đón ý nói hùa theo hắn hơn phân nửa là một đám nam giáo sư.

Trong đó một nam giáo sư thoạt nhìn chỉ khoảng ba mươi tuổi, hình thể khỏe đẹp cười lạnh nói:

- Chẳng qua cũng chỉ là một võ giả Địa cấp, nghe nói tuổi rất trẻ? Nghe nói rất có năng lực đánh đấm? Ta cũng không sao tin được. Địa cấp bậc bảy sao? Ồ! Có cơ hội ta thật sự muốn luận bàn với thể chất Ngũ Hành của hắn một phen, có phải thật sự xuất sắc như trong truyền thuyết hay không!

Vô Tình

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

131. Chương 131 : Bộ Đồng

- Lời đồn hơn phân nửa là hư cấu, ta không tin! Ta càng khuynh hướng thiên về sự thật! Hắc hắc! Các ngươi cũng biết loại chuyện này là rất bình thường!

Lại một nam giáo sư vẻ mặt đáng khinh gia nhập hàng ngũ thảo luận.

Đôi mi thanh tú của Y Ngưng nhíu lại, nàng thật sự không thích nghe đám người này nói sau lưng người khác, liền đứng dậy bỏ đi.

Chờ nàng đi rồi, một nam giáo sư đáng khinh cười nói:

- Các ngươi thấy không? Giáo sư Y Ngưng rất có khả năng có hảo cảm với giáo sư Tần Lập kia!

- Đừng nói bậy, mặt cũng chưa thấy làm sao có hảo cảm!

Nam giáo sư hình thể khỏe đẹp có chút không vui nói.

- Hắc! Ngụy giáo sư không muốn nghe, nhưng ta nói là sự thật! Ngươi xem vừa rồi chúng ta nói Tần Lập như vậy, biểu tình của giáo sư Y Ngưng dường như không hài lòng. Không chừng người ta đã quen biết từ trước!

- Không có khả năng!

Ngụy giáo sư hình thể khỏe đẹp lớn tiếng nói:

- Hừ! Ngày mai ta liền đi khiêu chiến hắn, để hắn hiểu được ở trong Học Viện Cao Cấp đế quốc này không chấp nhận hắn kiêu ngạo làm càn như vậy!

Tần Lập lần đầu tiên đến nơi này, có thể cảm nhận được loại không khí thanh xuân đầy sức sống, hương vị khác hẳn một đám ăn chơi trác táng như tưởng tượng. Đám học sinh trước mặt cùng với kiếp trước cũng không khác nhiều lắm, duy nhất không giống có lẽ là đám người trẻ tuổi thoạt nhìn rất cuồng nhiệt này trên thực tế đều là thiên tài trong thiên tài, tinh anh trong tinh anh!

Mà mình không ngờ có thể chỉ đạo người như vậy, nghĩ đến thật sự là chuyện đời khó đoán trước!

Tần Lập trước tiên phải đến chỗ giáo vụ để đưa tin. Tuy rằng thân phận của hắn rất cao quý, nhưng nếu đã tới học viện, như vậy mọi chuyện phải theo học viện sắp xếp. Nếu đặc biệt quá sẽ chỉ khiến người chán ghét.

"Dù sao, một tuần cũng chỉ đến một lần mà thôi." Tần Lập nghĩ.

Xuống xe, bên kia sớm đã có người chờ, một cô gái tuổi còn trẻ hơi chút khẩn trương ôn hòa cười với Tần Lập:

- Xin hỏi có phải là Tần Lập Tần giáo sư không ạ?

Tần Lập gật gật đầu, nói:

- Đúng là ta!

Cô gái thấy Tần Lập rất ôn hòa, cảm giác khẩn trương giảm vài phần, nói:

- Xin mời lên lầu. Phó Viện trưởng đang chờ ngài!

Đám học sinh kia thấy Tần Lập vào trong phòng làm việc của học viện, đều tự giác dừng chân chờ ở bên ngoài. Đối với vị Hầu gia gần đây danh chấn thành Thanh Long, bọn họ hôm nay không gặp mặt một lần tuyệt không từ bỏ ý đồ.

Trong đám người, Công chúa hoàng thất Triệu Thiên Thiên cũng ở trong đó, cùng với mấy cô gái khác ở một chỗ, thảo luận không có bộ dạng kiêu ngạo gì.

Một cô gái trên mặt có mấy nốt tàn nhang trong đó nhìn Triệu Thiên Thiên hỏi:

- Thiên Thiên Công chúa! Ngươi nói vị giáo sư Tần Lập kia thật sự lợi hại như vậy sao? Hắn lại có thể tấn công khiến cho võ giả Thiên cấp phải ra tay phòng ngự?

- Là Thiên cấp bậc chín! Trần gia gia chính là đại cung phụng thủ tịch hoàng gia!

Triệu Thiên Thiên chỉnh lại nói:

- Ta làm sao lại lừa các ngươi. Lúc ấy phụ hoàng nói hắn lợi hại hơn ta, ta cũng không tin. Các ngươi rất nhanh sẽ biết, hắn… thật sự rất mạnh!

- Có cường giả như vậy đến chỉ đạo chúng ta, ta nghĩ chúng ta nhất định có thể tiến bộ nhanh hơn!

Một nữ sinh diện mạo xinh đẹp, dáng người hết sức đầy đặn, vẻ mặt hy vọng nói.

- Vô Âm muội muội, thấy ngươi phát xuân! Ngươi phát dục rồi!

Triệu Thiên Thiên cười hì hì trêu ghẹo bạn mình.

Vô Âm dung mạo xinh đẹp hì hì cười:

- Vậy thì sao? Ta thấy Công chúa đối với giáo sư Tần Lập chỉ sợ cũng…

- Không cho ngươi nói!

Triệu Thiên Thiên bỗng nhiên đỏ mặt, hung hăng trừng mắt nhìn Vô Âm, uy hiếp:

- Ngươi nếu dám nói, mấy ngày sau ta sẽ không mang ngươi đi vườn hoa hoàng gia ngắm cảnh nữa!

- Được rồi, được rồi!

Vô Âm bĩu môi nhỏ giọng nói thầm:

- Thật sự là… Thích thì nói thích, có cái gì chết người đâu. Hừ! Chỉ biết uy hiếp ta!

Tần Lập đi theo người con gái tuổi trẻ kia, một mạch đi tới một gian phòng rất lớn ở lầu ba mới dừng lại, cô gái nhẹ nhàng gõ cửa, bên trong vang lên một giọng nói tràn ngập uy nghiêm.

- Mời vào!

Cô gái mở cánh cửa, hướng về Tần Lập làm động tác 'mời' sau đó mình thì dừng lại ở bên ngoài.

Tần Lập đi vào trong phòng. Đây là một văn phòng rất lớn, gian ngoài là một nơi tiếp khác, bên trong mới là phòng làm việc. Theo Tần Lập vào cửa, từ trong một người đi ra, thoạt nhìn cũng khoảng hơn bốn mươi tuổi, mặt trắng không râu, tóc ngắn hai mắt có thần bộ dạng hết sức nho nhã. Có thể nhìn ra lúc hắn tuổi trẻ cũng tuyệt đối là một người đàn ông anh tuấn!

Tần Lập nhìn thấy người này, lập tức sửng sốt. Một chút kinh ngạc hiện lên rồi biến mất trong mắt.

Người tới cũng không chú ý đến, nhìn Tần Lập thản nhiên nói:

- Ngũ Hành Hầu Tần Lập phải không? Ta là Tử Kinh Hoa Hầu gia Bộ Đồng, đồng thời cũng là phó Viện trưởng cao cấp học viện, rất hân hạnh gặp ngài! Gần đây cũng nghe nói không ít về chuyện của ngài, tóm lại ngài là một võ giả thiên tài, cũng hoan nghênh ngài đi tới Thanh Long quốc, vì bồi dưỡng nhân tài Thanh Long quốc mà làm ra cống hiến!

Tần Lập nghe thấy tên của phó Viện trưởng này, đột nhiên cả kinh, tuy nhiên hắn biểu hiện ra ngoài rất tốt. Vừa rồi hắn nhìn thấy mặt người này, liền cảm thấy rất quen mặt, bởi vì hắn ta thật sự quá giống Bộ Vân Yên. Không nghĩ tới, người này thật sự là họ Bộ!

Tần Lập cho tới bây giờ vẫn chưa từng hỏi qua, Bộ Vân Yên có phải là theo họ mẹ, đúng như lời Bộ Vân Yên nói. Hiện tại xem ra hoặc là Bộ Vân Yên nói dối, hoặc là mẫu thân Bộ Vân Yên không nói cho con gái biết sự thực. có lẽ là không muốn con gái về sau dựa vào họ để tìm người đàn ông kia, có lẽ là vì nguyên nhân khác. Tuy nhiên mẫu thân của Bộ Vân Yên đã qua đời, mà người đàn ông này rất có khả năng có quan hệ với Bộ Vân Yên.

- Nếu đã vào học viện, như vậy tước vị gì đó cũng không nên đi tính toán nữa. Trong học viện, tùy tiện một giảng sư nào đó cũng đều có thân phận Bá tước hoặc là Tử tước. Tất cả mọi người đều là quý tộc bệ hạ sắc phong, nhưng ở học viện thì phải tuân thủ quy củ học viện!

Bộ Đồng thong thả ung dung nói khiến cho Tần Lập có loại cảm giác trở lại kiếp trước, đối mặt với tiểu cán bộ, trong lòng có loại cảm giác buồn cười. Tuy nhiên Tần Lập cũng không phản bác gì, chỉ mỉm cười gật đầu! Truyện "Duy Ngã Độc Tôn " được copy từ diễn đàn Lương Sơn Bạc (LuongSonBac.com)

Bộ Đồng thấy trên người Tần Lập không có loại tư thế lên mặt khi dễ người, trong lòng dễ chịu đôi chút. Trên thực tế, hắn không thích vị Hầu gia trẻ tuổi này đi vào cao cấp học viện dạy học!

Nguyên nhân rất đơn giản, ở cao cấp học viện, người hiện tại có quyền lớn nhất chính là Viện trưởng đại nhân thì thường xuyên không ở đây. Lão xuất quỷ nhập thần, cho dù ngẫu nhiên trở về cũng một mình đóng cửa nghiên cứu cái gì. Người của toàn học viện đều biết Viện trưởng đại nhân đang chuẩn bị đột phá Thiên cấp, cho nên căn bản không có tâm tư đi quản lý chuyện trong học viện.

Mà mấy người phó viện trưởng trong học viện, phần lớn tuổi đã rất lớn, hoặc là ham mê nghiên cứu, hoặc là ham mê tu luyện. Đối với những thứ như quyền lực đều rất lạnh nhạt!

Duy nhất một người quản lý trẻ trung khỏe mạnh nhất chính là Bộ Đồng trước mắt này! Truyện "Duy Ngã Độc Tôn " được copy từ diễn đàn Lương Sơn Bạc (LuongSonBac.com)

Bộ Đồng khác với người bình thường. Năm nay hắn bốn mươi lăm tuổi, có thực lực Địa cấp bậc chín, lẽ ra đã xem như không tồi. Nhưng hắn lại không muốn phát triển ở vũ đạo quá mức sâu xa. Hắn thích nhất vẫn là loại cảm giác nắm trong tay quyền lực. Cái loại tư vị tuyệt vời này, thường thường khiến cho hắn có cảm giác thỏa mãn rất cao. Cái loại cảm giác khiến mọi người nhìn hắn kính ngưỡng quả thực là vô cùng thoải mái!

Mà cái ngày lão Viện trưởng nếu thật sự đột phá Thiên cấp, tiến vào cảnh giới Phá Thiên chính là ngày hắn ngồi lên vị trí Viện trưởng!

Viện trưởng Học Viện Cao Cấp đế quốc, quyền lực nắm trong tay thậm chí không nhỏ hơn so với một Đại Tướng quân!

Phải biết rằng, từ nơi này tốt nghiệp đó chính là nhân tài tinh anh bậc cao toàn quốc! Mà bản thân Bộ Đồng nếu trở thành Viện trưởng, những người đó đến lúc đó đều là môn sinh của hắn.

Loại quan hệ rộng lớn như vậy, ai có thể so sánh!

Trên thực tế, mọi chuyện vẫn đều phát triển theo phương hướng này. Bộ Đồng thậm chí ngay cả tu luyện đều bỏ, nắm bắt mọi chuyện lớn nhỏ trong học viện, rất nhanh liền tạo nên danh vọng rất cao.

Năm trước, lão Viện trưởng mất tích thật lâu lại xuất hiện, nghe nói phải bế quan lâu dài, chuẩn bị đột phá Thiên cấp sau đó hoàn toàn chuyển giao quyền lực nắm trong tay cho Bộ Đồng.

Tuy rằng trên danh nghĩa Bộ Đồng vẫn là phó Viện trưởng, nhưng tất cả mọi người trong học viện đều biết Viện trưởng kế tiếp nhất định là hắn!

Bao gồm cả bản thân Bộ Đồng cũng cho là vậy.

Nhưng không nghĩ tới, gần đây một đoạn thời gian, thành Thanh Long ngang trời xuất thế, xuất hiện một thiếu niên thiên tài quét ngang Đại Thanh Bang lại được Hoàng đế cùng thủ tịch cung phụng hoàng gia Trần Diệc Hàn ưu ái, hơn nữa trực tiếp đề cử đến Học Viện Cao Cấp làm giảng sư.

Điều này làm cho trong lòng Bộ Đồng hết sức khó chịu. Người khác có lẽ chỉ có thể nhìn thấy Tần Lập tuổi trẻ phong hầu cũng đã cảm thấy ghen ghét, nhưng Bộ Đồng lại khác. Hắn cảm thấy lo lắng cho tương lai của mình!

Bởi vì hắn là người của Thái tử điện hạ, mà Tần Lập này lại là cái đinh trong mắt Thái tử điện hạ.

Không chỉ như thế, người này tuổi còn nhỏ đã có thực lực như vậy, thật dễ dàng trở thành thần tượng trong mắt đám thiên tài mắt cao hơn đỉnh của Học Viện Đế Quốc!

Chuyện này thoạt nhìn có lẽ không có gì, nhưng nếu Tần Lập giỏi lợi dụng loại quan hệ này, như vậy chẳng bao lâu danh vọng của thiếu niên Hầu gia này có thể so sánh với Bộ Đồng, thậm chí là vượt qua hắn!

Cho nên Bộ Đồng rất không thích người này, nếu không phải hắn không thể cự tuyệt, hắn khẳng định sẽ không đồng ý Tần Lập tới cao cấp học viện.

Híp mắt, đánh giá cẩn thận người trẻ tuổi có vẻ ôn hòa này vài lần, Bộ Đồng thản nhiên nói:

- Ngài tạm thời phụ trách ban cao cấp. Vừa lúc giáo sư của bọn họ mới bị điều đi nơi nào đó đảm nhiệm chức thành chủ, ngài vừa vặn thay thế ghế trống của hắn. Được rồi, ngài có thể đi. Lát nữa sẽ có người dẫn ngài qua đó.

Người ta không nhiệt tình với mình, Tần Lập tự nhiên cũng không quá khách khí. Nhất là sau khi cảm giác được người đàn ông này có liên quan với Bộ Vân Yên, Tần Lập mỉm cười, nói:

- Bộ phó Viện trưởng! Bệ hạ từng nói mỗi tuần ta chỉ cần tới nơi này một lần, tùy ý chỉ đạo học sinh một chút là có thể. Đúng, nói cách khác khác, ta không cần tiền lương của Học Viện Cao Cấp. Ta chỉ có thể xem như là một giảng sư thỉnh giảng. Đúng. Chính là giảng sư thỉnh giảng.

- Ý tứ của Tần giáo sư là không muốn trở thành giảng sư chuyên trách của Học Viện Cao Cấp?

Bộ Đồng trên mặt nhìn không ra bất kỳ biểu tình nào, híp mắt thản nhiên hỏi.

Tiểu Mùi

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

132. Chương 132 : Tiểu Công Chúa Triệu Thiên Thiên

Tần Lập mỉm cười, gật đầu:

- Đúng vậy. Bệ hạ có lời ta không thể chối từ. Trước mắt bản Hầu kỳ thật bận rất nhiều việc, mỗi tuần có thể rút ra một ngày đã là không dễ dàng gì!

Bộ Đồng tuy rằng cảm giác được lời nói của người tuổi trẻ này có châm chích, nhưng lại cũng không nổi giận. Thiếu niên đắc chí, nếu một chút tính tình cũng không có vậy mới khiến cho người khác hoài nghi.

Cấp ban của học viện chia làm bốn ban Giáp, Ất, Bính, Đinh, xếp hạng cũng từ trước đến sau. Tuy nhiên, cho dù xếp hạng cuối cùng, tố chất học sinh Đinh ban cũng không kém chút nào. Có thể được xưng là thiếu niên thiên tài, làm sao có thể kém được?

Mà Bộ Đồng thấy Tần Lập thật sự không có ý tranh giành quyền lực học viện, rốt cục cũng yên lòng, thản nhiên nói:

- Vậy, ta thấy như vậy đi. Nếu ngài được bệ hạ phong làm Ngũ Hành Hầu, nói vậy thuộc tính Ngũ Hành nhất định rất xuất sắc. Mười sáu tuổi võ giả Địa cấp bậc cao cũng thật sự xem như thiên tài. Như vậy, ta sẽ mở một khoa riêng cho ngài, gọi là khoa Ngũ Hành. Mỗi tuần ngài tới học viện một lần, sau đó lễ đường lớn nhất của học viện sẽ thành phòng giảng của ngài. Chỉ cần học sinh thích môn học này, đều có thể học

Người đó lấy ra một bình đan dược cho Ngụy Cường uống, sau đó ngẩng đầu, ánh mắt lạnh léo nhìn Tần Lập:

- Tần giáo sư, ngươi ra tay có quá mức tàn nhẫn không? Mặc dù Ngụy Cường sai trước, nhưng ngươi lại nặng tay như vậy muốn đẩy người vào chỗ chết, có phải quá đáng không?

Những học sinh xung quanh hiện trường đều nhìn thấy chuyện vừa xảy ra, nghe thấy vậy thì không khỏi cười nhạt, thầm nghĩ: "Ngụy Cường giáo sư rõ ràng là muốn giết chết Tần giáo sư trước, người ta chỉ phản kích lại mà thôi!"

Tuy nhiên, càng có nhiều người khiếp sợ sức chiến đấu của Tần Lập, một cước long trời lở đất vừa rồi có rất nhiều học sinh không thể nhìn rõ, chưa biết có gì xảy ra đã thấy Ngụy Cường bay ngược ra ngoài.

Ở đây thực ra cũng có mấy người thấy rõ động tác trong nháy mắt của Tần Lập, tuy nhiên, dù thấy rõ nhưng không ai có hứng thú nói ra.

Bởi vì thân pháp của Tần Lập thực sự quá quỷ dị! Bọn họ chưa từng thấy thân pháp cùng loại trên người một võ giả nào khác, hơn nữa trong nháy mắt đó, bên cạnh Tần Lập không ngờ lại phát ra một tầng hào quang màu xanh nhàn nhạt!

Việc này, việc này cũng thật là khó tin!

Cho nên, mấy người nhìn thấy rõ động tác của Tần Lập đều rất lý trí, bảo trì im lặng không nói. Hơn nữa, bọn họ đã quyết định, sau này nhất định phải quan hệ tốt với vị Hầu gia trẻ tuổi nhất Thanh Long đế quốc này.

Con đường thăng cấp của võ giả luôn gặp phải bình cảnh, liên lạc qua lại với nhau là không thể thiếu. Tần Lập tuổi nhỏ đã có tu vi này, ngày sau chắc chắn sẽ tỏa sáng rực rỡ. Đắc tội với một người như thế, thật sự là đầu bị ngập nước rồi!

Đối với chất vấn của người nọ, Tần Lập cũng lười để ý tới, hắn nhìn lướt qua thị vệ bốn phía xe ngựa. Những người này đều có thực lực Địa cấp đỉnh phong, thầm nghĩ: xem ra nội tình của hoàng gia lại càng thâm sâu hơn một chút.

Lên xe ngựa, Tần Lập ôn hòa nói với người xa phu đang bị dọa ngây người:

- Đi thôi.

- Ngươi không thể đi!

Người nọ lập tức đứng dậy, chỉ vào Tần Lập lớn tiếng nói:

- Ngươi có mưu sát hại một quý tộc đế quốc, là một giáo sư của học viện cao cấp, nếu giờ phút này ngươi đi, ngày mai ngươi ắt sẽ gặp phải sự trả thù của hoàng gia!

Mi mắt Tần Lập khép lại, trên xe ngựa của mình có tiểu công chúa được hoàng gia yêu thương nhất, mà người này lại dám nói ra những lời này sao?

- Ngươi là người nào?

Tần Lập thản nhiên hỏi.

- Ta… ta là giáo sư của học viện cao cấp! Tần Lập, thấy chuyện bất bình mỗi người đều có trách nhiệm, ta thấy ngươi vừa muốn mưu sát người, vừa muốn chạy trốn, muốn ngăn cản ngươi, chẳng lẽ không được? Như thế nào, ngươi có phải cũng muốn giết cả ta?

Người trung niên đứng dậy, gân cổ lên, căm tức nhìn Tần Lập.

- Hắn là người của đại ca ta.

Tần Lập nghe thấy tiếng nhỏ như muỗi kêu của công chúa Triệu Thiên Thiên, hắn bỗng nhiên hiểu ra. Chẳng trách, thì ra trong học viện này cũng có chia phe phái! Khó trách người này cố quấn lấy mình không buông, thì ra là muốn nắm lấy nhược điểm của mình, để có cái công kích mình trên triều đình!

Nghĩ vậy, Tần Lập nở nụ cười, lộ ra hai cái răng nanh trắng bóc, nhưng lại khiến người trung niên phía trước cảm thấy lành lạnh, dường như đối mặt với mình là một con dã thú hung mãnh đang lộ ra răng nanh!

- Ta nghĩ, ngươi phải biết ta.

Tần Lập nói xong, chậm rãi đi tới chỗ người trung niên, vừa đi vừa nói :

- Như vậy, ngươi đã biết ta, vậy ngươi có biết, nhóm các đại thần văn võ trên triều đình gọi ta là gì không?

- Gọi… gọi ngươi là gì?

Người trung niên nhìn Tần Lập tựa cười mà như không, trong lòng sợ hãi, hỏi theo bản năng.

- Bọn họ đều gọi ta… là cục đá cứng đầu, cái chày gỗ bự !

Lúc này, Tần Lập đã tới trước mặt người trung niên, nói:

- Ngươi có biết, đó là vì sao không?

- Tần Lập, ngươi muốn làm gì?

Quả nhiên, người trung niên này tuyệt đối là đã nghe nói tới đủ loại sự tích của Tần Lập trong triều đình, lập tức trở nên sợ hãi, nhưng lại mạnh mẽ nhịn xuống. Hắn biết, phó Viện trưởng Bộ Đồng nhất định sẽ xuất hiện quản chuyện này!

Ngay dưới lầu của ông ta làm ra chuyện nháo loạn lớn thế này, ông ta sao có thể không nhìn thấy? Cho nên, trong lòng người trung niên coi như là có phần tin tưởng. Hơn nữa, thực lực của hắn là Địa cấp bậc bốn, tuy rằng thấp hơn Tần Lập, nhưng hắn đã cố hết sức nhìn chằm chằm nhất cử nhất động của Tần Lập. Hắn không tin, Tần Lập dám làm gì mình giữa chốn đông người thế này.

- Ta nghĩ…

Tần Lập vừa nói, cánh tay mạnh mẽ vung lên, “bốp” một tiếng, một cái tát hung hăng đánh lên mặt người trung niên. Người trung niên lập tức bị đánh lùi ra xa bảy tám bước, thân mình lảo đảo, há miệng phun ra một búng máu, trong đó còn có vài cái răng!

- … Đánh ngươi!

- Dừng tay!

Tần Lập vừa đánh người xong thì có hai tiếng đồng thời vang lên, là một tiếng la lớn đầy uy nghiêm.

Tần Lập cười lạnh lùng, thầm nghĩ chính chủ cuối cùng cũng ra rồi.

Người trung niên bị đánh xong đang bưng mặt mình, trong mắt tràn ngập sự sợ hãi. Hắn biết, vừa rồi một cái tát của Tần Lập có phát ra sát khí, là sát ý sát khí thực sự không chút giả bộ. Hắn không nghi ngờ một chút nào, nếu đổi lại là một chỗ khác, nếu chỉ có hai người họ ở đây, vừa rồi Tần Lập sẽ không chút do dự giết chết mình!

Người này, rất kinh khủng! Người trung niên thậm chí đã mất đi cả dũng khí chỉ trích Tần Lập, chính là như vậy, hắn nhìn Tần Lập bằng đôi mắt tràn ngập sợ hãi.

Đám học sinh xung quanh đều lộ ra thần sắc kích động. Hai giáo sư vừa bị đánh, một là Ngụy Cường, một là người trung niên kia, thường ngày trong học viện đều có quan hệ với mọi người không được tốt lắm. Mặc trong các học sinh này không ít người theo phe Thái tử, nhưng thứ mà người trẻ tuổi không thiếu nhất chính là nhiệt huyết. Đối với những người chỉ trích vô lễ với Tần Lập, ngay cả các nam sinh ban đầu khó chịu với Tần Lập thì phần lớn cũng đều lựa chọn đứng về phía Tần Lập.

Chỉ có một số ít lộ ra thần sắc hoảng sợ, sắc mặt rất khó coi. Những người này đều là con cháu gia tộc sớm đã buộc chặt chung một thuyền với Thái tử. Hơn nữa, những tin tức thường ngày mà họ tiếp xúc so với bạn cùng lứa hơn rất nhiều, đối với nhiều vấn đề tất nhiên sẽ không đơn giản như vậy.

Bọn họ cũng biết, hai người mà Tần Lập đánh là người của Thái tử, cũng biết người có quyền lực lớn nhất hiện giờ của học viện Phó viện trưởng, cũng là người của Thái tử! Cho nên, đều chờ Bộ Đồng tới chủ trì công đạo.

Tần Lập đứng yên tại chỗ, trong đầu đột nhiên hiện lên một ý niệm, nhìn Ngụy Cường ngã trên đất, người trung niên đang bụm mặt, còn có Bộ Đồng đang khoan thai đi tới, Tần Lập bỗng nhiên xâu chuỗi ba chuyện này lại, sau đó lại nghĩ tới lúc Hoàng thượng phái mình tới nơi này, có phải có ý nghĩa đặc biệt nào đó?

Mặc dù thiên phú của Tần Lập tốt, thực lực cũng coi như không tồi, nhưng chỗ giá trị nhất của hắn, cũng không phải là hắn có bao nhiêu kinh nghiệm về thái độ làm người, mà là tuổi của hắn còn chưa trưởng thành! Đó mới là giá trị đầu tư đáng giá nhất!

Về phần học viện cao cấp đế quốc, có Tần Lập hay không tin rằng cũng không có khác biệt nhiều. Nghĩ vậy, trong lòng Tần Lập không nhịn được trầm xuống, thầm nghĩ, lão Hoàng đế, là muốn mượn cây khoái đao ta đây, chặt bớt đi một ít nhân tố bất ổn phải không? Bởi vì lúc này tất nhiên Tần Lập đã nhìn ra, trong học viện cao cấp này cũng phân ra vài phe phái khác nhau! Xem biểu tình của mấy vị giáo sư này là có thể nhìn ra.

Bộ Đồng bây giờ thực sự đã tức giận, trước kia hắn cũng có nghe qua về Tần Lập. Rất nhiều người đều nói, quý tộc đến từ Đại Tề quốc nghèo túng này là một võ giả thiên tài, nhưng cũng là một họa tinh, hơn nữa tuyệt đối là một tảng đá cứng đầu, tính tình ngang ngược. Mặc kệ đối phương là ai cũng không để lại chút mặt mũi nào, là hạng người tâm ngoan thủ lạt. Nhưng ông ta cũng thật không ngờ, tại nơi tập hợp tinh anh của Thanh Long quốc này lại trước mặt bao nhiêu học sinh như vậy, Tần Lập dám hạ sát thủ như thế!

Bộ Đồng sẽ không nghĩ tới chuyện, là Ngụy Cường rút kiếm trước muốn giết người, vì Ngụy Cường đã nằm trên mặt đất, sống chết khó nói.

- Tần Lập! Ngươi… ngươi thật to gan! Ngươi có biết người ngươi đánh là ai không? Bọn họ đều là quý tộc công huân của Thanh Long quốc! Bọn họ vì quốc gia này mà bồi dưỡng ra vô số người tài! Mà ngươi, người đến từ Đại Tề quốc, ngươi cái gì cũng chưa làm! Ngươi nhận được sự tín nhiệm của Thánh thượng mà lại ra tay đả thương người, ngươi…

- Được rồi, lại nói, ngay cả ngươi lão tử cũng đánh.

Giọng Tần Lập lành lạnh, nói tiếp:

- Cho nên, là một người có thân phận, xin ngươi đừng tự rước lấy nhục!

Giờ phút này, Tần Lập cuối cùng cũng nghĩ thông suốt. Hẳn là Hoàng thượng xem trọng tính cách dám đánh dám giết này của mình, cố ý cho mình đãi ngộ rất cao, sau đó để mình đi tới học viện cao cấp đảm nhiệm chức vụ giáo sư. Nhất định là sẽ có người khó chịu với mình, mà lấy tính tình mình, Tần Lập thầm hắc hắc cười lạnh, thầm nghĩ, tốt nhất là các ngươi cứ cho ta là họa tinh, cho ta là tảng đá cứng đầu mới tốt!

Bởi vì chỉ có tảng đá cứng đầu, mới dễ dàng bị khống chế, mới dễ dàng bị khích tướng!

Là ai đùa ai, chung quy thì một thời gian nữa chẳng phải sẽ biết hay sao?

- Ngươi… ngươi… tức chết ta!

Bộ Đồng nghĩ muốn nói ngươi dám tới, nhưng lại chợt phát hiện, tên này chẳng những dám, mà còn cực kỳ dám! Vốn không có chuyện gì hắn không dám!

Hít sâu một hơi, Bộ Đồng lạnh lùng nhìn Tần Lập :

- Chuyện này, ta sẽ tìm Hoàng Thượng phân xử!

- Xin cứ tự nhiên!

Tần Lập bĩu môi, nhìn thoáng qua đám học sinh xem náo nhiệt, sờ sờ mũi, có chút ngượng ngùng cười nói :

- Thật có lỗi, khiến mọi người chê cười rồi, xem ra không có cơ hội giảng bài cho mọi người rồi. Nếu, ta nói nếu… nếu ta còn có cơ hội giảng bài cho mọi người, mọi người có đi nghe không?

Bộ Đồng đang chỉ huy người nâng Ngụy Cường đi cũng không thể không dừng bước, dỏng tai lên nghe. Tiếng gầm truyền tới lại khiến ông ta cả kinh, trong lòng run lên.

- Có!

Tiếng gầm rung trời.

Tiểu Mùi

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

135. Chương 135 : Bộ Vân Yên Hiểu Lầm

Bộ Đồng nhìn kỹ khuôn mặt viết hẳn lên mấy chứ kiêu ngạo ngang ngược của Tần Lập, không nói hai lời, lập tức để cho người mang Ngụy Cường rời đi.

Ông ta thật sự đã có chút sợ cái tên không chút kiêng kỵ này rồi, quả thực chính là tên vô lại, làm gì mà có một chút phong cách quý tộc nào cơ chứ? Nếu còn đứng lại đây một lúc nữa thì Bộ Đồng gần như có thể chắc chắn, Tần Lập sẽ ra tay với mình. Mà vừa rồi mấy chiêu Tần Lập đối phó với Ngụy Cường thì Bộ Đồng đều thấy rõ, hắn tự nhận, cho dù đổi là bản thân cũng chắc gì đã có thể tránh được công kích linh hoạt mà sắc bén này!

Nếu thật sự phát sinh xung đột với Tần Lập, hắn thật ra sẽ không sao. Văn võ bá quan trong triều đều nói cái gì mà tảng đá cứng đầu, cái chày gỗ bự. Thế nhưng, hình tượng mình khổ công gây dựng bao nhiêu năm sẽ sụp đổ trong nháy mắt. Về chuyện khác, thương thế Ngụy Cường đã rất nguy hiểm, bất luận là thế nào ông ta cũng không thể để hắn chết trong học viện, nếu không thì cho dù là Thái tử cũng không thể chủ trì công đạo cho được. Chuyện thị phi này cứ giao cho Hoàng thượng phán xét là tốt nhất, dù sao thì họa đều là Tần Lập gánh! Trong lòng Bộ Đồng thầm hận: Chết tiệt, sao lại đưa một người như vậy tới học viện cao cấp làm gì?

Bên kia Tần Lập đang tủm tỉm cười nói với các học sinh, sau đó lên xe ngựa. Trên đường ra khỏi học viện cao cấp đế quốc, tiểu công chúa Triệu Thiên Thiên có chút tò mò đánh giá thiếu niên đang nhắm mắt dưỡng thần, trên mặt thoạt trông có phần mệt mỏi trước mắt. Trong lòng nàng cảm thấy có chút quái dị. Rõ ràng là thiếu niên này chỉ hơn mình có hai tuổi, nhưng trên người hắn, căn bản là không cảm giác được hắn là thiếu niên. Thật khiến cho người ta liên tưởng, hắn cũng giống như phụ hoàng, trầm ổn, cơ trí, sát phạt quyết đoán!

Việc này kỳ thực thuần túy chỉ là cảm giác, trong mắt người khác chỉ có một Tần Lập, tảng đá cứng đầu không chút đầu óc, nhưng trong mắt công chúa lại là một hình tượng khác. Nếu để Tần Lập biết được suy nghĩ trong đầu Triệu Thiên Thiên bây giờ, hắn chắc chắn sẽ vươn tay ra, nước mắt lưng tròng lớn tiếng: Duyên số a!

Những hộ vệ của Triệu Thiên Thiên không xa không gần đi sau xe ngựa của Tần Lập, chức trách của họ là bảo vệ cho an toàn của công chúa, còn lại tất cả các chuyện khác đều không liên quan. Công chúa điện hạ muốn làm gì, bọn họ cũng không can thiệp.

Kỳ thực, việc này cũng chứng tỏ Hoàng đế Triệu Nguyên Lễ đối với công chúa này cực kỳ yêu thương.

Xe ngựa chạy một lúc, Tần Lập mới mở to mắt, có chút áy náy nói với Triệu Thiên Thiên:

- Thật là có lỗi, công chúa điện hạ, ta có chút chuyện vừa mới nghĩ tới, có phần nhập thần, làm phiền công chúa rồi.

- Ngươi không cần khách khí với ta như vậy. Ngươi là giáo sư, ta là học sinh, ngươi gọi ta là Thiên Thiên là được.

Tính cách của Triệu Thiên Thiên khá vui vẻ, mặc dù có chút không tự nhiên, nhưng vẫn khá hào phóng.

Không thể không nói, Triệu Thiên Thiên về lâu về dài nhất định được xem là cô gái quốc sắc thiên hương. Dáng người cao gầy cân xứng, đôi chân thẳng tắp thon dài, mười phần mượt mà; da thịt nhẵn nhụi, sáng bóng như ngọc; xương quai xanh tinh xảo hơi lộ ra nơi bờ vai. Khuôn mặt trái xoan, mi dài như liễu, mắt sáng như nước, môi đỏ mọng oánh nhuận. Khó trách Hoàng đế bệ hạ lại yêu thương đứa con gái này như vậy. Đổi là ai cũng vậy, có con gái như thế này đều là đặt trong miệng sợ tan, đặt trong tay thì sợ rơi.

- Ha ha, vậy thì ta không khách khí. Thiên Thiên công chúa. Cô tìm ta có việc gì không?

Nếu phải diễn vai của kẻ có tính tình không chút kiêng kỵ gì, vậy thì thái độ đối đãi với công chúa tất nhiên cũng không cần phải khiêm tốn. Thật ra tính cách Tần Lập vốn là không chút kiêng kỵ gì, tuy nhiên, hoàn cảnh sinh sống kiếp trước không cho phép một số việc làm không hay, đều ngăn cản.

Hiện giờ sống trong thế giới cường giả vi tôn, Tần Lập lại có được tư cách đứng trên cao. Như vậy, tại sao lại không làm theo ý mình một chút?

Thực ra Triệu Thiên Thiên tìm Tần Lập làm gì có chuyện gì, nàng chỉ muốn giải vây giúp Tần Lập mà thôi. Nàng không quen nhìn bộ dạng các giáo sư học viện này ghen tị Tần Lập. Tuy nói không bị người đố kị là tài trí bình thường, nhưng đám người Ngụy Cường thật sự là có chút quá phận. Triệu Thiên Thiên cho rằng, Ngụy Cường dù bị đánh chết cũng là xứng đáng!

Ngươi đã dám khiêu khích, như vậy, phải chuẩn bị tinh thần gánh vác hậu quả!

Ít nhất, từ nhỏ nàng đã nhận được giáo dục của hoàng tộc, chính là như vậy!

- À… là thế này. Tần giáo sư, ta chỉ muốn hỏi một chút, ngươi thật sự sẽ làm bang chủ Đại Thanh bang sao?

Tần Lập sửng sốt, hắn vốn tưởng Triệu Thiên Thiên sẽ tìm một số vấn đề võ học gì đó hỏi mình, lại không nghĩ tới nàng sẽ hỏi những lời này, không nhịn được cười nói:

- Sao nào, công chúa cũng có hứng thú với những thứ như bang hội gì gì đó sao?

Triệu Thiên Thiên hơi ngượng ngùng, cười cười:

- Sao có thể chứ, ta chỉ là nghe Thái tử ca ca nói mà thôi. Đúng rồi, đại ca ta dường như thực không thích ngươi, ngươi phải cẩn thận hắn.

- Thiên Thiên công chúa, vì sao lại nói cho ta chuyện này. Phải biết, Thái tử điện hạ là ca ca ruột thịt của cô, vạn nhất mà hắn biết hắn sẽ thương tâm đó.

Tần Lập cười nhìn Triệu Thiên Thiên, cảm thấy tiểu công chúa xinh đẹp này thật là người đáng mến.

- Có cái gì mà thương tâm? Trong lòng hắn chỉ có ngôi vị Hoàng đế! Muội muội ta trong lòng hắn không bằng một kẻ tâm phúc dưới tay đâu!

Triệu Thiên Thiên bĩu môi, thuận miệng oán giận nói, rồi lại lập tức ngưng mắt nhìn Tần Lập:

- Tần giáo sư còn chưa trả lời ta, hiện tại Đại Thanh bang thực sự là nằm trong tay ngươi sao?

- Thiên Thiên công chúa cảm thấy có khả năng sao? Đại khái chắc cô cũng nghe được một số chuyện, Thái tử ca ca của cô sẽ không từ bỏ ý đồ đâu!

Tần Lập nửa thật nửa giả thở dài:

- Ta chỉ là một người xa lạ, có thể sống yên ổn ở thành Thanh Long này, hơn nữa lại được làm giáo sư đã là chuyện may mắn lớn lắm rồi, nói ngàn lần cũng chỉ thế thôi.

Triệu Thiên Thiên bên cạnh an ủi nói:

- Ai nói, ngươi còn có bằng hữu mà, nhị ca ta cũng rất tán thưởng ngươi đó.

- Ha ha. Thì ra tiểu nha đầu nhà cô là tới làm thuyết khách cho nhị ca cô hả.

Tần Lập cố ý làm ta vẻ chợt hiểu ra, cười trêu nói.

- Ta mới không có!

Triệu Thiên Thiên thật muốn tự vả vào miệng mình, trợn mắt nhìn Tần Lập một cái sẵng giọng:

- Ngươi trêu ghẹo ta!

- Ha ha. Không có, ta sao dám trêu ghẹo công chúa điện hạ tôn quý đây nhỉ.

- Ngươi còn nói! Còn có chuyện gì mà ngươi không dám không hả?

- Thật không có!

- Ta nói có là có !

- Được rồi, cô thắng!

Cuối cùng, lấy việc người nào đó thất bại mà kết thúc, Triệu Thiên Thiên mới chuyển giận thành vui, tươi cười rạng rỡ nói:

- Vậy… về sau ta có thể trở thành bạn của Tần giáo sư không?

- Đương nhiên.

Tần Lập giờ mới phát hiện bản chất ma nữ của tiểu nha đầu, hữu khí vô lực trả lời.

Có chút không vừa lòng với biểu tình lười biếng của Tần Lập, Triệu Thiên Thiên buồn bực nói:

- Ta nói thật đó!

- Được rồi, vậy ta cũng nói thật. Thực ra công chúa điện hạ xinh đẹp đáng yêu như thế, có thể trở thành bạn của công chúa điện hạ, là vinh hạnh của bản Hầu rồi!

- Thế mới phải chứ!

Triệu Thiên Thiên vui vẻ, nói:

- Ngươi cứ yên tâm, chuyện ngày hôm nay khi ta trở về nhất định sẽ nói với phụ hoàng. Hừ, ta là nhân chứng, ta xem cái đám người khiến cho người ta chán ghét kia có dám làm trò trước mặt bản cung, đổi trắng thay đen hay không?

Lúc này, xa phu bên ngoài thấp giọng nhắc nhở:

- Hầu gia, về đến nhà rồi.

Tần Lập nhìn thoáng qua Triệu Thiên Thiên, cười mời:

- Điện hạ có muốn vào trong ngồi một chút không?

Biểu tình Triệu Thiên Thiên bỗng nhiên có chút xấu hổ, nói:

- Không được, ta còn phải về hoàng cung trước, nói với phụ hoàng chuyện này, miễn cho tên ác nhân nào đó cáo trạng trước! Cho xe của ngươi đưa ta về là được rồi.

Tần Lập gật gật đầu, sau đó nói:

- Vậy ngày khác mời Thiên Thiên công chúa tới phủ của ta.

- Tốt!

Triệu Thiên Thiên cúi đầu lên tiếng, thấy Tần Lập xuống xe, vội vàng vén màn xe lên, tiếng nói trong trẻo:

- Đầu tuần sau ngươi nhất định phải tới học viện đó!

Tần Lập không quay lưng, khoát tay áo với Triệu Thiên Thiên, ý bảo mình đã biết, đi thẳng vào trong phủ.

Xa phu thấp giọng nhắc nhở:

- Phải đi thôi, điện hạ cẩn thận!

Triệu Thiên Thiên thu hồi tay, thả màn xe xuống, trên gương mặt tươi sáng động lòng người lộ ra biểu tình buồn bã, nhưng ngay lập tức lại nghĩ tới chuyện gì, vui vẻ hẳn lên, múa may nắm tay thanh tú, trong mắt hiện lên một chút giảo hoạt.

Tần Lập trở lại phủ, Bộ Vân Yên còn chưa có về, A Hổ cũng đi ra ngoài. Tần Lập vô tình đi tới nơi luyện đan của Lãnh Dao, đẩy cửa ra, lại thấy Lãnh Dao đang ngồi như đang đùa nghịch dược liệu, miệng còn lẩm bẩm tính toán cái gì đó.

Ngẩng đầu lên, thấy Tần Lập, trên khuôn mặt trong trẻo nhưng lạnh lùng của nàng lộ ra chút ý cười ôn hòa, nhẹ giọng nói:

- Đã về rồi?

Tần Lập gật gật đầu, tới cạnh nàng, nhìn nàng đùa nghịch dược liệu.

Dần dần, trên mặt Lãnh Dao hiện lên chút đỏ ửng, dừng tay lại, ngẩng đầu hỏi:

- Ngươi nhìn cái gì? Ngươi nhìn khiến người ta tâm phiền ý loạn, còn phối trí đan dược làm sao hả.

Nói xong lại thấy bản thân có chút quá khích, sắc mặt hồng lên, nhỏ giọng nói:

- Thực xin lỗi.

Tần Lập dở khóc dở cười nhìn Lãnh Dao, nhưng cũng không nói thêm, có một số việc không phải cứ hứa hẹn một câu là có thể giải quyết.

- Ta chuẩn bị, trước tiên cải tạo thể chất cô một chút, sau đó thuận tiện hỏi cô, có thể liệt kê phối phương đan dược tăng nhanh thực lực được không, ta sẽ cho người dựa theo phối phương mà chuẩn bị.

- Vậy à. Việc đó thì, đã chuẩn bị tốt rồi, nhưng mà ngươi nói cải tạo thể chất của ta, là chuyện gì?

Lãnh Dao ngẩng đầu, vẻ mặt hồ nghi nhìn Tần Lập.

- Đi theo ta!

Tần Lập nói xong, liền đi về phòng mình.

Lãnh Dao hơi do dự một chút, đứng lên đuổi theo Tần Lập.

Đêm đó, sau khi đám người Bộ Vân Yên trở về, hỏi về Tần Lập và Lãnh Dao, lại nhận được một đáp án khiến cho họ trợn mắt cứng lưỡi. Thị nữ trong phủ nói cho Vân Yên, nói Lãnh tiểu thư và Hầu gia đã vào phòng Hầu gia, mãi cho tới giờ còn chưa có đi ra.

Bộ Vân Yên nghe xong, trong lòng cảm thấy có phần mất mát, nhất là mãi đến đêm khuya, Tần Lập đi ra, vẻ mặt mệt mỏi, phân phó thị nữ chuẩn bị nước tắm rửa. Bộ Vân Yên nghe xong, trong lòng có đủ vị lẫn lộn.

Lúc này, Tần Lập đi tới, thấy Bộ Vân Yên vẻ mặt ngây ngốc đang ngồi đằng trước, vẻ mặt ai oán. Vì đưa Tiên Thiên Tử Khí vào giúp Lãnh Dao tẩy tủy phải tổn hao lượng lớn thể lực, cực độ mỏi mệt nên Tần Lập cũng không muốn nghĩ nhiều, nhìn Bộ Vân Yên nói:

- Bộ tỷ tỷ, hôm nay thực sự là rất mệt mỏi, xem chừng phải tĩnh dưỡng vài ngày mới có thể giúp tỷ được.

- Ta không cần.

Bộ Vân Yên lạnh lùng nói, dùng sức cắn môi, nước mắt lưng tròng, trong lòng lại vì tỷ muội của mình Lãnh Dao cảm thấy không đáng giá. Thầm nghĩ: Thấy chưa? Đây là nam nhân!

136. Chương 136 : Tẩy Tuỷ

Tới giờ Tần Lập mới nhìn ra sự khác thường của Bộ Vân Yên, hơi nhíu mày hỏi:

- Làm sao vậy? Hôm nay lại có người tới gây phiền toái cho tỷ sao? Ai lớn gan như vậy, dám đi trêu chọc tỷ, không muốn sống nữa sao? Nhưng mà tỷ cũng không cần chấp nhặt với chúng, hôm nay đệ đã tẩy tủy cho Lãnh Dao tỷ, chờ vài ngày nữa đệ khôi phục lại, sẽ giúp tỷ tẩy tủy nha. Sau khi tẩy tủy rồi tư chất của mọi người sẽ tăng lên rất nhiều, khi đó lại tu luyện thì sẽ làm ít mà được nhiều. Đến lúc đó ai lại chọc giận tỷ,

tỷ cứ hung hăng mà đánh hắn! Quản làm quái gì vương công đại thần với lại phú hào quý tộc gì đó, cũng không cần để ý tới, tất cả đã có đệ gánh chịu trách nhiệm cho tỷ rồi!

Phần sau Tần Lập nói gì, Bộ Vân Yên đều không nghe thấy. Nàng chỉ nghe thấy được một câu, "Tẩy tủy". Trong lòng đột nhiên khẽ động, "chẳng lẽ, bọn họ... bọn họ không phải, ai da, thật là xấu hổ quá!" Bộ Vân Yên đỏ mặt, vội vàng đứng dậy, nói:

- Được rồi, được rồi. Ngươi xem rồi sắp xếp là được. Ta có chút mệt mỏi, chuẩn bị đi ngủ thôi, công tử ngươi cũng đi ngủ sớm đi một chút.

Sau đó, liền chạy trối chết.

Tần Lập có điểm mờ mịt nhìn bóng dáng Bộ Vân Yên có thể cảm giác rõ ràng là nàng có chút không thích hợp, nhưng cơ bản mà nói, một tên ngu ngốc về tình yêu như Tần Lập đối với phản ứng của Bộ Vân Yên sao có thể biết được, cuối cùng là có gì không thích hợp.

- Thật là khó hiểu mà!

Than thở một câu, cảm giác hết sức mệt mỏi, Tần Lập lắc đầu, trở về phòng nghỉ ngơi.

Vì cải tạo thân thể cho Lãnh Dao, Tần Lập gần như hao tổn toàn bộ Tiên Thiên Tử Khí trong người, mệt mỏi như vừa cùng người ta ác chiến một trận. Cho nên sáng ngày hôm sau Tần Lập phá lệ không dậy sớm luyện công, nằm trên giường ngủ rất ngon giấc.

Đêm qua sau khi Bộ Vân Yên trở về, nghĩ như thế nào cũng cảm thấy dường như mình phản ứng hơi quá mức. Lại nói, cho dù Tần Lập với Lãnh Dao có xảy ra chuyện kia, thì cũng chỉ là bình thường. Nàng hoàn toàn không có lý do gì để biểu hiện thất thố như thế.

Nguyên nhân duy nhất chỉ có một: Nàng đã thích Tần Lập rồi!

Bộ Vân Yên có phần không muốn đối mắt với cảm giác này. Nàng cảm thấy nó có chút không bình thường. Dù sao thì năm nay Tần Lập thực ra mới có mười lăm tuổi, mà nàng, đã hai mươi mốt!

Không ngờ lại thích một người con trai nhỏ hơn nàng nhiều như vậy, điều này khiến người luôn luôn tự nhận mình là nữ nhân thành thục quyến rũ là Bộ Vân Yên cảm thấy khó có thể mở miệng.

Hơn nữa hôm nay còn gây ra chuyện xấu như vậy, không biết nếu Lãnh Dao mà nghe thấy chuyện này sẽ chê cười nàng như thế nào đây. Mặc dù cô gái kia mỗi ngày đều là bộ dạng lạnh như băng, chỉ thích dùng đôi mắt có thể nói là thản nhiên nhìn nàng.

Nhưng càng là như thế, Bộ Vân Yên càng cảm thấy khó mà chịu nổi. Rõ ràng là tới nửa đêm vẫn chưa ngủ được, chạy tới chỗ Lãnh Dao, mà biến hóa phát sinh trên người Lãnh Dao lại khiến cho Bộ Vân Yên trợn mắt há mồm!

Trên thực tế, đến cả bản thân Lãnh Dao cũng không ngờ được, thân thể sau khi được Tần Lập tẩy tủy lại có thể phát sinh biến hóa lớn như vậy.

Lãnh Dao vốn nghĩ, nàng không cần cái gọi là tẩy tủy này, vì từ nhỏ nàng đã sinh hoạt ở luyện đan thế gia. Thân thể gần như là được các loại thiên tài địa bảo nuôi lớn! Tư chất như thế sao có thể kém?

Nhưng thật không thể tưởng tượng được, sau khi Tần Lập dùng Tiên Thiên Tử Khí vận hành một Đại Chu thiên trong kinh mạch nàng, bên ngoài thân thể nàng lại xuất hiện một lượng chất bẩn đen thui, điều này khiến cho một Lãnh Dao thường ngày luôn luôn sạch sẽ rất là khó chịu. Cho nên, ngay sau khi chấm dứt tẩy tủy nàng liền đuổi Tần Lập ra ngoài.

Sau khi tắm xong, nàng lại kinh ngạc vạn phần phát hiện đủ loại thay đổi thần kỳ trên người mình. Đầu tiên chính là làn da non mịn trắng trẻo lại trở nên trong suốt, sáng rực rỡ như là ngọc thạch được tạo hình vậy!

Khuôn mặt vốn cực đẹp càng như được che phủ một tầng tiên khí mờ ảo, cả người thoạt nhìn giống như một cửu thiên tiên nữ vậy. Khí chất này khiến chính bản thân Lãnh Dao cũng phải si mê không thôi!

Đây còn là biến hóa bên ngoài, nữ nhân mà, dù là người lạnh lùng như Lãnh Dao thì cũng rất để ý đến dung mạo của mình, trước tiên đương nhiên phải nhìn diện mạo.

Nếu nói biến hóa bề ngoài khiến Lãnh Dao ngạc nhiên vui mừng, vậy thì biến hóa bên trong còn khiến nàng cảm thấy vô cùng rung động!

Võ giả Thiên Nguyên đại lục tu luyện đều thông qua tâm pháp nguyên lực khác nhau, hấp thu thiên địa linh khí, sau đó dùng linh khí đã hấp thu đó chuyển thành Nguyên lực, giữ trong đan điền. Nguyên lực có cấp bậc càng cao thì võ giả càng tích trữ được nhiều nguyên lực!

Mà cấp bậc tâm pháp nguyên lực sẽ quyết định linh khí hấp thu nhiều hay ít. Chẳng hạn, võ giả tu luyện tâm pháp nguyên lực thấp, một ngày có thể hấp thu được một đơn vị linh khí, vậy thì, võ giả tu luyện một tâm pháp cao cấp một ngày có thể hấp thu được năm sáu, thậm chí là bảy, tám đơn vị linh khí!

Mà cấp bậc nguyên lực càng cao, chẳng những đại biểu cho nguyên lực của hắn càng thâm hậu, cũng có thể tăng nhanh tốc độ hấp thu linh khí!

Võ giả Thiên cấp chân chính khi chiến đấu với người khác, thậm chí có thể vừa tiêu hao lại vừa hấp thu! Mà võ giả ngoài cảnh giới Phá Thiên thậm chí có thể hút sạch linh khí quanh thân phạm vi mấy chục thước chỉ trong nháy mắt!

Loại thực lực này quả thực mới nghe đã rợn cả người!

Cho nên, bình thường thì có đạt tới Thiên cấp thì mới có thể hấp thu linh khí bất cứ lúc nào. Dưới Thiên cấp thì phải thông qua việc vận hành tâm pháp nguyên lực để hấp thu.

Nhưng trải qua vài lần thử, Lãnh Dao phát hiện, thân thể mình, không ngờ lại có thể tự động hấp thu linh khí! Tuy nói tốc độ hấp thu không bằng thời điểm ngồi xuống vận hành tâm pháp, chỉ bằng một phần ba.

Nhưng nhiêu đó đã đủ dọa người rồi!

Bình thường thì chỉ có bế quan thực sự mới có thể hấp thu linh khí ngày đêm, dựa vào linh khí tẩm bổ cơ thể, sẽ không cảm thấy đói khát và thực lực sẽ tăng lên rất nhanh.

Chưa tới Địa cấp bậc cao, cấp bậc nguyên lực chưa đạt tới trình độ nhất định thì bế quan gần như không có hiệu quả gì! Vì hấp thu linh khí không đủ để tiêu hao cho thân thể, nói trắng ra là còn cần phải ăn uống. Cho nên, võ giả dưới Địa cấp bình thường rất ít bế quan, hơn nữa dù là bế quan cũng không thực sự là bế quan.

Như vậy, nói cách khác, giờ phút này trên phương diện thân thể, Lãnh Dao đã vượt qua Địa cấp, đạt tới tiêu chuẩn Thiên cấp! Đây vẫn là dưới tình huống không tu luyện, linh khí cũng đã dũng mãnh tự tràn vào cơ thể nàng, nếu nàng tu luyện thêm, khẳng định là linh khí hấp thu được so với tu luyện trước đây phải nhiều hơn rất nhiều!

Loại biến hóa này nếu còn không được gọi là thần kỳ, vậy còn có thứ gì có thể cho là thần kỳ?

Vì vậy khi Bộ Vân Yên nghe nói xong, nửa điểm suy nghĩ lung tung trước đó lập tức mất sạch, chỉ còn lại một ý tưởng duy nhất: Ta nhất định phải đoạt trướctên A Hổ kia!

Như Tần Lập thấy bắt cá cho người không bằng dạy người bắt cá!

Trên thế giới này, chỉ có nắm giữ thực lực rất mạnh mới có thể thực sự có được quyền lực, nếu không, cho dù trở thành một thế hệ siêu cấp phú hào thì kết quả là sẽ mặc người khác xâm lược!

Cho tới giờ Tần Lập chưa bao giờ có tính tình chịu nhục!

Trong một tháng kế tiếp, Tần Lập ngoại trừ mỗi tuần đi tới học viện cao cấp đế quốc một chuyến, thời gian còn lại thì là giúp Bộ Vân Yên, A Hổ và Tây Qua tẩy tủy.

Thông qua việc trợ giúp họ, Tần Lập cũng chiếm được không ít lợi ích. Mỗi lần Tiên Thiên Tử Khí hao hết, Tần Lập đều có thể cảm giác được tốc độ khôi phục nhanh hơn một chút.

Mãi cho tới sau khi tẩy tủy cho Tây Qua, tốc độ khôi phục của Tần Lập so với lúc tẩy tủy cho Lãnh Dao đã nhanh hơn một nửa!

Đồng thời, mảnh Tinh Hải màu tím xoáy tròn sáng lạn trong đan điền Tần Lập cũng thu về nhỏ bằng nắm tay. Mỗi lần nội thị Tần Lập đều bị mê hoặc, hiện tại trong đan điền, khối khí xoáy Tiên Thiên Tử Khí giống như một viên bảo thạch trong suốt màu tím! Trên bề mặt có sương khí mờ mịt lượn lờ, hư hư thực thực. Năng lượng mênh mông trong đó không ngừng truyền khắp toàn thân Tần Lập.

Vũ lực thực sự của bản thân mạnh bao nhiêu? Nếu không có lão giả mạnh mẽ Trần Diệc Hàn ở cách vách, Tần Lập thật muốn kêu Tây Qua từ Đại Thanh bang gọi tới một cái máy thí nghiệm để kiểm tra xem thế nào. Hiện giờ thì không thể rồi, vì một khi bộc phát ra thực lực Thiên cấp thì Trần Diệc Hàn bên kia lập tức có thể phát hiện ra được.

Mình mới mười sáu tuổi có thực lực Địa cấp bậc bảy đã khiến người ta ghen ghét, nếu thực bị người khác biết thực lực hắn đạt tới Thiên cấp, chỉ sợ sẽ gây ra sóng to gió lớn!

Loại nổi tiếng này Tần Lập không chút hứng thú nào.

Ngụy Cường cuối cùng vẫn bảo vệ được một mạng, vì được cứu đúng lúc, nhưng một thân thực lực cũng đã hoàn toàn bị phế đi. Nghe nói gia tộc Ngụy Cường đã tìm tới Hoàng Thượng, yêu cầu nghiêm trị hung thủ Tần Lập. Người của Thái tử cũng nhân cơ hội này ra sức, yêu cầu đuổi cái tên vô pháp vô thiên kia đi.

Tuy nhiên, lực lượng của những người này còn chưa bằng một buổi nói chuyện của tiểu công chúa Triệu Thiên Thiên. Hoàng thượng nghiêm khắc trách cứ phụ thân Ngụy Cường, Ngự Tiền Uy Vũ Hữu tướng quân Ngụy Đằng Hổ.

Trách hắn quản giáo không nghiêm, Ngụy Cường khiêu khích trước, rút kiếm hành hung, toàn bộ các học sinh trong học viện đều thấy tận mắt, không ngờ còn dám chạy tới đây cáo trạng.

Tuy trong lòng Ngụy Đằng Hổ không phục, nhưng không có lá gan dám đối nghịch với Hoàng thượng. Chuyện này cứ như thế mà vô hình chung bị đè ép xuống. Nhưng cả triều văn võ bá quan đều phát hiện, từ khi Tần Lập xuất hiện, phe cánh Thái tử dường như bắt đầu xui xẻo.

Đại Thanh bang đổi chủ, Thái tử đến giờ còn chưa thể thu hồi lại từ trong tay Tần Lập. Đến học viện cao cấp đế quốc cũng vì một Tần Lập mà xuất hiện náo nhiệt. Nghe nói chỉ cần mỗi tuần một lần Tần Lập tới học viện cao cấp, giảng đường lớn của học viện lập tức không còn chỗ ngồi, gần như hơn nửa học sinh đều chạy tới khóa học của Tần Lập.

Kết quả này lại khiến Phó viện trưởng Bộ Đồng vừa tức lại vừa bất đắc dĩ, vì đi đầu chính là công chúa điện hạ.

Thực ra cũng có rất nhiều người còn biết, hộ vệ Thiên cấp của Thái tử bị trọng thương trong tay Tần Lập, bị chặt đứt một bàn tay, thực lực tổn hại lớn!

Cho nên, thù hận giữa Thái tử và Tần Lập dường như lại càng sâu.

Mà Ngự Tiền Uy Vũ Hữu Tướng quân Ngụy Đằng Hổ, phú hào Ngụy gia, sau khi xác định Ngụy Cường từ một võ giả Địa cấp cao cấp rất có tiền đồ bị biến thành một phế nhân, cuối cùng cũng hoàn toàn nổi giận, công bố tuyệt đối sẽ không bỏ qua cho Tần Lập!

Mà bản thân Tần Lập mỗi ngày đều nhàn nhã, bình thường đều tránh trong phủ Hầu tước tu luyện. Hoặc là ngẫu nhiên cùng với lão Trần Diệc Hàn đánh cờ, trao đổi tâm đắc tu luyện. Hoặc là phải tới Học viện đế quốc, giữa bầu không khí đầy nhiệt huyết nơi này cảm nhận hơi thở thanh xuân không gì sánh được.

Tóm lại, Tần Hầu gia dạo gần đây thật là quá tiêu sái.

137. Chương 137: Ba Loại Đan Dược

Vương Siêu, phụ tá của Triệu Tinh Hải cũng hai lần đến tìm Tần Lập, không lần nào không mang theo tặng phẩm, chính là nhằm biểu đạt lời chào hỏi quan tâm của Nhị điện hạ! Cùng với thông báo một sự tình mà Nhị điện hạ đã giúp Tần Lập xử lý tốt!

Còn là sự tình gì thì Tần Lập không hỏi, Vương Siêu cũng không nói gì. Tất cả mọi người đều là người thông minh. Đối với Vương Siêu mà nói thì chỉ cần Tần Lập cảm kích thì mọi chuyện đã tốt đẹp lắm rồi!

Bởi vì đối với Triệu Tinh Hải mà nói thì mượn sức được người như Tần Lập cũng trọng yếu hơn nhiều so với đạt được một gia sản kếch xù.

Không thể không thừa nhận về điểm này thì Triệu Tinh Hải là một người của Hoàng gia rất có suy nghĩ và khí phách! So với đại ca, Thái tử Triệu Tinh Hà thì hắn ưu tú hơn rất nhiều!

Kỳ thật cũng không thể nói Triệu Tinh Hà là một người không có gì hay. Cái sai duy nhất của hắn chỉ sợ cũng là kết thành kẻ thù với Tần Lập! Về phần nói đến lòng dạ thì con cháu Hoàng gia qủa thật cũng không khác gì nhau cả. Triệu Tinh Hải khoan dung với Tần Lập, thái độ vô cùng tốt nhưng đối với những người không có giá trị lợi dụng thì cũng là cùng một dạng thái độ mà thôi!

Mà Thái tử Triệu Tinh Hà, đối với những người có thể mượn sức thì cũng có thể vung tiền như rác.

Cho nên nói hắn sai cũng chỉ là đã đắc tội Tần Lập mà thôi!

Sinh ý của căn điếm vô cùng tốt. Đại Thanh Bang cũng dần đem trọng tâm dời ra khỏi thành Thanh Long đế đô. Nhất là Lãnh Bình, sau khi đã dịch dung lại mang theo cả nhà đi trước tới thành Hoàng Sa, thành quan trọng nhất ở phía Nam!

Bởi vì thành Hoàng Sa là đất phong của Tần Lập!

Đối với một bang phái cường đại như Đại Thanh Bang đến đây, các hào môn thế gia đều đối với bọn họ kính nhi viễn chi, gần như sẽ không chút đắc tội với bọn họ!

Đây gọi là Diêm Vương dịch kiến, tiểu quỷ nan triền!

Ân oán giữa quý tộc hào môn có phương thức giải quyết của riêng mình! Mà đắc tội với các thế lực ngầm thì ngươi sẽ phải đối mặt với sự trả thù với bất cứ thủ đoạn tồi tệ nào!

Đa số nhân vật cao tầng của Đại Thanh Bang đã ra khỏi thành Thanh Long khiến cho thế giới ngầm ở nơi này rơi vào trạng thái như rắn mất đầu. Ngay khi các bang hội đang ma quyền sát chưởng, chuẩn bị tiến hành một hồi chém giết để chiếm giữ ngôi vị thủ lĩnh giang hồ của thế giời ngầm ở thành Thanh Long thì Thường Phó Bang chủ của Đại Thanh Bang đột nhiên hiện thân ở thành Thanh Long, tuyên bố Đại Thanh Bang ủng hộ Hôi Ưng Bang. Hơn nữa đem tổng đường mà Đại Thanh Bang lưu lại kinh thành giao cho Hôi Ưng Bang, đồng thời còn giao hơn một vạn ba ngàn bang chúng có thực lực không tồi của Đại Thanh Bang ở thành Thanh Long!

Đến lúc này, cái tên Bang chủ Tiểu Tây của Hôi Ưng Bang, nhân vật đồng niên với Đệ nhất Hầu gia của Thanh Long Quốc lần đầu tiên nổi lên, xuất hiện trước toàn bộ thế lực ngầm ở Thanh Long Bang!

Loại chuyện này khẳng định sẽ có vô số người không phục! Đối với thế giới ngầm mà nói thì kết quả của không phục chỉ có một, đó là đánh!

Nhưng không ai nghĩ tới rằng cái tên Tiểu Tây này không ngờ dũng mãnh như thế! Một thân thực lực Huyền cấp đỉnh, có thể kháng cự lại một võ giả Địa cấp tam giai, cuối cùng một đao chém võ giả Địa cấp kia rời khỏi trần thế!

Hôi Ưng Bang thành công tiếp nhận cờ xí của Đại Thanh Bang, trở thành kẻ đứng đầu thế lực ngầm ở thành Thanh Long.

Trên thực tế, vào đêm phát sinh cuộc hỗn chiến, bốn người Tần Lập, A Hổ, Bộ Vân Yên và Lãnh Dao vẫn âm thầm quan sát, sẵn sàng tùy thời ra tay. Ngoài ra còn có vài tên hộ vệ Thiên cấp của Nhị Hoàng tử Triệu Tinh Hải cũng âm thầm sẵn sàng ra tay!

Có thể nói, nếu Tây Qua không địch lại được đối phương thì cũng không có vấn đề gì cả!

Nhưng kết quả lại vượt xa dự đoán của nhiều người, Tây Qua không ngờ lại dũng mãnh như thế, đương trường chém chết lão đại của một bang hội mà chỉ kém hơn một chút so với Đại Thanh Bang. Cũng chính là vì chém chết võ giả Địa cấp tam giai này mà chiến đấu mới ngừng hẳn. Mọi người cũng đều đã nhìn ra tên Tiểu Tây còn trẻ tuổi này, không kể là thực lực hay quyết đoán đều không chút yếu kém hơn so với Long đầu Lãnh Bình của Đại Thanh Bang! Tuy thực lực có kém hơn một chút nhưng hắn chỉ là một võ giả Huyền cấp không ngờ có thể giết chết một võ giả Địa cấp. Điều này không thể không nói là một kỳ tích!

Điều này cũng khiến cho không ít người theo bản năng nghĩ tới Tần Lập, lộ ra đôi chút cảm khái! Chẳng lẽ hiện nay thế đạo đã thay đổi? Những tên trẻ tuổi thời nay đều đã trở nên yêu nghiệt như thế?! Lúc trước, thời điểm mà Tần Lập chỉ với một cước mà phế bỏ Ngụy Cường, triển hiện ra thực lực chẳng qua cũng chỉ là Huyền cấp mà thôi! Trong thành Thanh Long này, Tần Lập coi như đã đặt nền móng vững vàng rồi!

Thực lực của Bộ Vân Yên, Lãnh Dao và A Hổ đều có những bước tiến triển khả quan, chỉ cần tiếp tục tu luyện như thế thì trong vòng năm năm, dù không cam đoan có thể tiến vào Thiên cấp nhưng khẳng định không có vấn đề gì ngăn cản bọn họ đạt tới Địa cấp cao giai!

Đồng thời, Lãnh Dao cũng mang đan phương giao cho Tần Lập. Nếu là muốn nhanh chóng đề thăng thực lực thì cần phải phối chế ra ít nhất ba loại đan dược!

Loại đan dược thứ nhất tên là Bạo Nguyên Đan!

Loại đan dược này là lấy bốn loại linh thảo vạn năm là chủ, lấy hơn ba mươi loại linh dược làm phụ, luyện chế mà thành!

Linh thảo vạn năm, không cần nghĩ cùng biết là đã hấp thu thiên địa linh khí vạn năm, có thể bảo tồn thì có thể nói thân mình nó chính là một loại bảo vật!

Phàm là loại linh thảo này, bên cạnh nó khẳng định đều có linh thú rất cường đại thủ hộ. Nguyên nhân đơn giản là nếu con người có thể thông qua những loại linh thảo nào để luyện chế đan dược, tăng cường thực lực thì linh thú cũng có thể thông qua những linh dược này để tăng trưởng thực lực của bản thân nó!

Tuy loại hành vi này trong mắt luyện đan sư mà nói thì rất lãng phí, là phí phạm vật báu trời cho! Nhưng trong mắt linh thú, con người thu thập những linh thảo này cũng không phải là hành vi cường đạo sao?!

Loại đan dược thứ hai tên là Cố Bản Đan!

Loại đan dược này không phải là nhằm tăng trưởng thực lực mà là một đan dược hạn chế linh lực!

Nguyên nhân là sau khi dùng Bạo Nguyên Đan thực lực thì linh lực bạo trướng, kháng lực trong cơ thể đại thắng, và trong thời gian ngắn, võ giả căn bản không thể tiêu hóa hết được số linh lực này. Vì để phòng ngừa linh lực này tiêu tan, hoặc khiến cho kinh mạch quá sức chứa làm bạo liệt mà chết thì cần một loại đan dược khác để tạm thời giam cầm linh lực này lại!

Sau đó lại thông qua một số phương pháp đặc thù để đạt tới một sự cân đối.

Nói cách khác, tức là khiến cho Bạo Nguyên đan đạt tới tác dụng lớn nhất, khiến dưới điều kiện cho phép, võ giả có thể hấp thu linh lực được nhiều nhất, cũng không quá nhiều khiến cho kinh mạch trong cơ thể bị thương tổn!

Đừng xem thường loại đan dược này. Trước đó, ngay cả Lãnh Dao là đệ tử sinh trưởng trong luyện đan thế gia cũng chỉ là nghe nói qua về loại đan dược này mà chưa từng được chứng kiến phối phương của nó.

Giống như loại phối phương Bạo Nguyên Đan, đều được bảo tồn từ thời thượng cổ trong các môn phái, thế gia! Nhưng quả thật có thể nhận ra, loại đan dược thần kỳ như Cố Bản Đan thì việc có được phối đan không liên quan gì đến một cái gia tộc lấy luyện đan làm việc chính cả!

Hơn nữa muốn luyện chế loại đan dược này cần có bảy loài hoa. Bảy loài hoa này có tới hai loại mà ngay cả Lãnh Dao đều chưa từng nghe nói qua. Căn cứ vào đan phương và bút ký của Ô Quận Vương để lại thì có thể biết rằng hai loại hoa này đều sinh trưởng ở trên hải đảo!

Hơn nữa, cũng không phải ở hải đảo nào cũng đều có. Chỉ những hải đảo có linh khí sung túc tới một mức độ nhất định thì loại hoa này mới có thể sinh trưởng!

Mà đồng dạng, cũng không phải chỉ có con người mới biết được công hiệu của loại hoa này, linh thú còn hiểu rõ giá trị của nó hơn cả con người! Bởi vậy muốn thu thập chúng liền cần phải có tu vi ít nhất đạt tới Thiên cấp!

Dù sao, ngay cả Lãnh Dao đều không quá tin tưởng rằng mình có thể thu thập được hết các loại tài liệu này! Bởi vì môi trường sinh trưởng của thiên tài địa bảo đối với con người mà nói thì chính là thuộc vào loại cấm địa!

Mà càng là loại địa phương này thì sẽ xuất hiện linh thú có thực lực vô cùng khủng bố!

Trên thế giới này, thực tế mà nói tuy con người chiếm địa vị chủ yếu nhưng dù là kẻ cực kỳ cuồng vọng cũng không dám nói con người là cường đại nhất!

Trên Thiên Nguyên Đại Lục có vô số cấm địa! Những địa phương này căn bản không phải là nơi mà con người có khả năng đặt chân tới!

Bởi vì hậu quả loại này thì ngay cả bọn hắn cũng không thể gánh vác được!

- Ta sao?! Ha ha, một vô danh tiểu tốt mà thôi, sao có thể so sánh với được thiên tài chân chính như ngài được!

Trên mặt Tần Lập lộ ra vẻ tươi cười cực đậm, nhìn Hạ Hầu Phong nói:

- Tuy nhiên, ta có một sở thích…

Nói tới đây, Tần Lập liền dừng lại, không nói tiếp!

- Sở thích gì?

Thần sắc của Hạ Hầu Phong lúc này thực sự trở nên tập trung, nghe giọng điệu của đối phương cùng với thái độ đó thì hẳn là hắn cũng là đệ tử của một gia tộc đến từ thần bí chi địa! Tuy rằng gia tộc hắn chưa chắc đã cường đại như gia tộc mình nhưng loại sự tình này cũng không thể đoán định được. Do đó Hạ Hầu Phong không thể không cẩn thận ứng phó được!

- Sở thích của ta đó là dẫm đạp thiên tài kiêu ngạo, hung hăng nhổ vào mặt hắn, cho hắn biết rằng hắn cũng không phải là thiên tài, mà quả thực là một thứ rác rưởi không bằng *** chó mà thôi!

Trên mặt Tần Lập thủy chung vẫn duy trì vẻ tươi cười nồng đậm, nhe răng cười nói:

- Ngươi thấy sở thích của ta như thế nào?!

Khuôn mặt của Hạ Hầu Phong nháy mắt trở nên xanh mét! Nhất là hai mắt hắn bắn ra hai đạo quang mang chứa đầy sát khí, chậm rãi nói:

- Bằng hữu, ngươi đang khiêu khích ta phải không?

Tần Lập lắc đầu, cười nói:

- Không, không phải là khiêu khích mà là lời nói thật! Như ngươi thì không đáng để ta khiêu khích!

- Tần Lập!

Triệu Thiên Thiên dùng sức cắn môi, nước mắt không thể ngừng chảy xuống. Nàng gần như đoán được kết cục đến với Tần Lập! Trêu chọc những người này chẳng lẽ còn có kết cục tốt sao?!

Ở thời điểm này, Triệu Thiên Thiên không khỏi vô cùng thống hận bản thân mình! Vì cái gì mà nghĩ muốn hắn gặp mặt lần cuối cùng!? Vì cái gì mà đem một người có tiền đồ tốt như hắn liên lụy vào?! Nhưng tới lúc này rồi thì có nói gì cũng không có tác dụng gì nữa, cũng đã chậm rồi!

Một khi đã như thế nếu phải chết thì liền chết cùng một chỗ vậy!

- Ta thích ngươi!

Triệu Thiên Thiên nhìn Tần Lập, khuôn mặt đầy nước mắt, nhoẻn miệng cười nói:

- Cực kỳ, cực kỳ thích!

Bên kia, Hạ Hầu Phong vốn đã phẫn nộ đến cực điểm, khuôn mặt cuối cùng lại hiện lên vẻ tươi cười, vỗ tay nói:

- Thật là cảm động! Đúng là vở kịch nam nữ si tình! Xem cảnh này trái tim ta cũng không nhịn được! Ta đang nghĩ có nên thành toàn cho các ngươi hay không?!

- Ngu ngốc!!!

Tần Lập quay đầu lại, phun ra hai chữ rất rõ ràng! Sắc mặt đột nhiên thay đổi, nhìn Hạ Hầu Phong nói:

- Cha ngươi không dạy bảo ngươi làm người phải như thế nào sao?! Ta sẽ dạy ngươi vậy!!

- Ngươi muốn chết!

Trên người Hạ Hầu Phong đột nhiên bộc phát ra một cỗ khí thế khiến người ta cực kỳ sợ hãi! Từ khi hắn sinh ra đến nay vốn chưa từng bị người nào nhục mạ như thế! Nếu không phải hoài nghi Tần Lập cũng đến

từ thần bí chi địa thì hắn đã sớm động thủ! Không nghĩ tới đối phương cứ hết lần này tới lần khác khiêu khích cực hạn của hắn. Cuối cùng, rốt cuộc khiến hắn hoàn toàn bị chọc giận!

- Ngươi đừng vội, vội vàng tìm chết như thế sao?!

Tần Lập nói xong, nhìn vào không trung thản nhiên nói:

- Ta nói Trần lão nhân ngươi, ngươi đã đến chẳng lẽ còn cứ muốn tiếp tục xem trò vui như thế sao?!

Bên kia bóng người chợt lóe lên, Trần Diệc Hàn xuất hiện trước mặt Tần Lập, có chút bất đắc dĩ thở dài một tiếng nói:

- Ôi! Làm sao phải như thế?!

- Được rồi, tìm cho ta một cái địa phương rộng rộng một chút! Ngoài ra đem tất cả học viên đều gọi tới, để cho bọn họ biết cái gọi là thiên tài bị một tên vô danh tiểu tốt như ta dẫm đạp lên như thế nào!

Tần Lập nói xong, hướng về Hạ Hầu Phong nháy mắt mấy cái nói:

- Ta và ngươi đánh cuộc chiến, ngươi có dám đáp ứng không?!

Tài năng ở độ tuổi này mà tu luyện đến canh giới Thiên cấp, tâm tính tất nhiên cũng thập phần cuồng ngạo! Hạ Hầu Phong lúc này đã không thể khống chế được tâm tình của mình nữa, cắn răng nói:

- Ngươi muốn chết thì ta sẽ thành toàn cho ngươi!

Tiểu Mùi

Tác giả:Tiểu Đao Phong Lợi

140. Chương 140: Diệt Ngươi Kỳ Thật Chỉ Cần Một Chiêu

Mấy canh giờ sau, trong diễn võ đường lớn nhất của Học viện đã có vô số người, không còn chỗ trống nào nữa!

Gần như tất cả học viên đều có mặt, ánh mắt cực kỳ nóng bỏng nhìn về phía hai người trẻ tuổi trên lôi đài.

Trong đó, một người đại diện cho toàn bộ học viên trên toàn đế quốc của Cao cấp học viện, thậm chí là đại diện cho Thanh Long Quốc - Tần Lập!

Ngay cả những đệ tử của các gia tộc thuộc phái Thái tử vốn ôm hận ý với Tần Lập giờ phút này cũng tạm thời bỏ qua cừu hận. So với thể diện quốc gia thì những đấu đá bên trong không tính là gì ở những thời điểm như thế này!

- Tần lão sư! Cố lên!

- Tần lão sư, giết tên cuồng vọng kia đi!

- Cho hắn biết ai mới chân chính là thiên tài! Tần lão sư, chúng ta ủng hộ ngài!

Từng trận sơn hô hải khiếu, tất cả học viên của Học viện đều điên cuồng hô lên. Loại tâm tư cộng đồng đối ngoại này cuốn hút tất cả mọi người!

Cái không khuyết thiếu của người trẻ tuổi đó chính là nhiệt huyết!

Mặc dù có người nói nhiệt huyết là thứ không đáng chút gía trị nào bởi vì có nhiệt huyết hơn nữa cũng sẽ có lúc nguội lạnh!

Ai mà không từng có lúc tuổi trẻ, ai lại không từng có lúc nhiệt huyết?!

- Chậc chậc, có nhiều người như thế đến tiễn đưa ngươi, tuy rằng đều là một đám phế vật nhưng ngươi cũng có thể kiêu ngạo được rồi!

Vẻ mặt Hạ Hầu Phong ngạo nghễ quét nhìn Tần Lập, thanh âm hắn rất tràn ngập đùa giỡn, nhưng kỳ dị là ngăn chặn toàn bộ âm thanh ầm ỹ của mấy nghìn người trên khán đài, rõ ràng rơi vào tai của mỗi người này!

Cả diễn võ đường bỗng nhiên trở nên yên tĩnh lại, tuy nhiên ánh mắt của nhiều người nhìn về Hạ Hầu Phong đều chứa đầy vẻ phẫn hận!

- Trước đừng vội nói lời độc địa, chúng ta hãy nói đến phần thưởng cho người chiến thắng đã!

Tần Lập cười hì hì nhìn Hạ Hầu Phong, lại hỏi:

- Ngươi có dám đánh cuộc không?!

Đồng dạng, thanh âm của Tần Lập cũng truyền đến trong tai của mỗi người. Ngồi trên sân, Trần Diệc Hàn cùng một lão già đầu bạc nhìn nhau một cái, đều từ trong mắt đối phương nhìn ra được một chút kinh ngạc!

- Tiểu tử này không đơn giản!

Lão già đầu bạc cau mày nói:

- Hơn nữa hắn cho ta một cảm giác như rất quen thuộc. Không hiểu vì sao mà ta cảm thấy như đã từng gặp qua tiểu tử này ở đâu đó!?

- Y huynh mấy năm nay vì truy tìm bí mật bên trong Cửu Thiên Thập Địa Duy Ngã Độc Tôn chiến kỹ mà đi khắp các quốc gia thì có lẽ đã từng gặp qua tiểu tử này ở một nơi nào đó, ha ha!

Trần Diệc Hàn khẽ cười một tiếng, thuận miệng nói.

Lão già được gọi là Y huynh nghe được lời này nhãn tình lập tức sáng lên, sau đó trở nên hơi mơ hồ, nhìn Tần Lập trên luyện võ tràng có chút suy nghĩ.

Cái loại thái độ khinh thường, giọng điệu khinh miệt này khiến Hạ Hầu Phong cảm thất cực kỳ phẫn nộ! Hắn dựa vào cái gì mà tin tưởng như thế?! Hắn khẳng định là một kẻ yếu đuối chưa đạt tới Thiên cấp, chỉ bằng vào những kẻ cũng yếu đuối như bốn phía kia thì chỉ là rác rưởi mà thôi!

- Đánh cuộc gì? Ngươi có cái gì đáng để ta cá cược!?

Hạ Hầu Phong khinh thường cười lạnh nói.

- Ta với ngươi đánh cuộc tính mạng! Ngươi thua, nếu còn có thể sống sót thì ngươi cần hướng về những học viên mà ngươi hoàn toàn không để vào mắt này chân thành nói một câu: "Thực xin lỗi, ta sai rồi! Các ngươi là thiên tài, ta là đồ ngu!" Sau đó khép cái đuôi của ngươi cút đi thật xa cho ta! Về phần Công chúa, không phải là thứ mà ngươi có thể chạm vào?!

Trên mặt Tần Lập lộ ra một nụ cười mỉm.

- Ngươi có dám không?

Những lời này tuy Tần Lập cười cười nói nói nhưng mỗi câu lại chắc như đinh đóng cột!

Khiến cho toàn bộ diễn võ trường lâm vào yên tĩnh. Không ít cô gái phải rơi lệ, rất nhiều nam sinh đôi mắt cũng phải đỏ ửng! Một số nam sinh ngày thường vẫn không vừa mắt với Tần Lập cũng mắng:

- Mẹ nó, ngươi vì sao phải như vậy! Vì sao mà phải nói những lời này!? Sau này lão tử làm sao còn hận ngươi được nữa!?

- Hận cái rắm, nếu Tần Lập hôm nay chết trận thì ta sẽ lập bài vị trường sinh cho hắn! Ta không quản cha hắn làm cái gì, mẹ nó, ta chỉ biết hắn là vì Thanh Long Quốc chúng ta mà chết trận!

Một nam sinh vừa quan sát vừa nói:

- Ta khinh, ngươi thật mạnh mồm!

Không ai cười nhạo hắn, bởi vì các học viên thiên tài của Thanh Long Quốc lúc này trong lòng đều đau thương và cảm động!

Bọn họ ngu ngốc sao? Không, bọn họ không ngốc chút nào!

Thanh niên kia tuy không toát ra chút khí tức cùng dao động nào nhưng bằng vào biểu hiện của hắn thì những học viên này không khó để nhìn ra đối phương ít nhất có được thực lực Thiên cấp! Muốn lấy thực lực của bản thân, dùng cường độ âm thanh để át đi thanh âm của mấy nghìn người thì nếu không phải cảnh giới Thiên cấp thì căn bản không thể làm được!

Mà thực lực hiện tại của Tần Lập thì bọn họ cũng rất rõ ràng! Đó là Địa cấp bậc bảy!

Địa cấp đánh với Thiên cấp thì có thể thăng sao?! Chỉ sợ đa số mọi người nơi này đều lắc đầu! Sợ rằng nhân vật truyền kỳ của Thanh Long Quốc kia, sức chiến đấu vô cùng cường đại cũng không thể được!

Địa cấp so với Thiên cấp có một khe rãnh thật lớn, cũng không phải những nhân tố bên ngoài có khả năng bù đắp được!

Ngay cả Triệu Tinh Hà nghe thấy mà đến cũng lộ ra một nụ cười lạnh! Nhìn về xung quanh, mặc kệ có bao nhiêu người không cam lòng, hắn cũng không thể không thừa nhận, Tần Lập này là một nam nhân, một người đàn ông chân chính! Thậm chí hắn không dám dùng từ không biết sống chết để hình dung về Tần Lập vì hành vi của hắn chính là để giải cứu thân muội của hắn! Vì vãn hồi thể diện cho mấy ngàn nhân tài tương lai của Thanh Lương Quốc!

Một trận chiến này, bất kể thắng thua thì Triệu Tinh Hà cũng có thể tưởng tượng ra rằng tất cả học viên thiên tài của Cao cấp Học viện đều có được lực ngưng tụ cường đại!

- So với trước đây nhất định là sẽ có động lực mà khắc khổ tu luyện hơn mấy lần!

Mà chỉnh thể thực lực của Thanh Long Quốc cũng vì thế mà tăng lên rất nhiều!

Cho nên mặc kệ thế nào, Hoàng thất Thanh Long Quốc đều được Tần Lập mang đến cho thật nhiều chỗ tốt! Điều này, không phải là bất kỳ người nào có khả năng chối bỏ!

Trong con mắt đạm mạc của Hạ Hầu Phong rốt cuộc lộ ra một chút phẫn nộ không thể kìm nén. Hắn lạnh lẽo nói:

- Tốt! Thật là tốt! Tần Lập, nếu ngươi muốn chết như thế thì ta nếu không thành toàn cho ngươi lại có vẻ như ta không có nhân tình! Vậy được, liền theo như ngươi nói đi! Nếu ngươi thua thì ta sẽ giết ngươi! Nếu ta thua, ta sẽ hướng mọi người nơi này xin lỗi! Ta sẽ hướng Công chúa của các ngươi xin lỗi! Không chỉ có thế ta còn thề rằng cả cuộc đời này ta sẽ tuyệt đối không bước vào Thanh Long Quốc các ngươi nửa bước!

Hạ Hầu Phong hít sâu một hơi nói:

- Đừng tưởng rằng chỉ có ngươi là nam nhân, ta cũng vậy! Đến đây đi, Tần Lập, để ta kiến thức một chút nhân vật truyền kỳ trẻ tuổi nhất của thành Thanh Long, của vị Hầu gia trẻ tuổi nhất rốt cục là miệng lưỡi lợi hại hay là vũ lực cường đại?!

Hiển nhiên, thời gian nửa canh giờ qua cũng đủ cho Hạ Hầu Phong hiểu biết hết thảy về Tần Lập! Ngay cả hắn cũng không thể không thừa nhận rằng tên Tần Lập này xứng với hai chữ thiên tài! Trong thế tục này mà mới mười sáu tuổi không ngờ đã có thực lực Địa cấp bậc bảy. Hơn nữa thân phận vẫn là hậu duệ của một quý tộc đã xuống dốc của Đại Tề Quốc!

Trong lòng Hạ Hầu Phong còn có đôi chút hoài nghi về lại lịch của Tần Lập. Thân phận hậu nhân của một thế gia đã xuống dốc, hiển nhiên cũng không khiến hắn thôi nghi ngờ! Bởi vì thời điểm hắn mười sáu tuổi cũng chẳng qua chỉ là một Địa cấp bậc tám mà thôi! Đó lại là kết quả của sự bồi dưỡng về tài lực rất lớn của gia tộc hắn.

Tên Tần Lập này dựa vào cái gì mà có thể cường đại hơn ta?! Nhất định hắn cũng giống như ta! Người như thế không thể lưu lại, nếu không tất có đại hoạn ngày sau! Hạ Hầu Phong vốn đã động sát tâm, không ngờ đã buồn ngủ lại có người tới tặng gối đầu! Tên Tần Lập này không ngờ lại không biết sống chết, đề xuất ra loại đánh cuộc thế này với mình!

Tần Lập chậm rãi rút thanh Bách luyện tinh cương kiếm ra, vứt vỏ kiếm sang một bên rồi chỉ kiếm về phía Hạ Hầu Phong, ngón út tay trái ngoắc ngoắc về phía hắn mấy cái rồi chỉ xuống phía dưới!

- Muốn chết!?!

Từ trong thân thể của Hạ Hầu Phong đột nhiên tuôn ra một cố khí thế kinh thiên, uy áp cường đại lập tức tràn ra.

Mặc dù diễn võ trường này cũng rất lớn, hơn nữa cũng có phòng hộ tráo thủ hộ nhưng học viên ở xung quanh vẫn có thể cảm nhận được loại áp lực sâu sắc này!

- Thiên cấp!

- Đúng là Thiên cấp!

Dù trước đó trong lòng mọi người đều đã có phán đoán nhưng sự thật cũng màng đến cảm giác khác hẳn với phán đoán! Ánh mắt mọi người nhìn về phía Tần Lập mang theo đầy vẻ lo lắng!

Triệu Thiên Thiên lẳng lặng đứng nơi đó, dường như sự náo động ồn ào xung quanh, ánh mắt của những người khác, đủ loại âm thanh như cũng không có quan hệ gì đến nàng vậy! Trong mắt của nàng, trong lòng của nàng lúc này chỉ có hình bóng của một người!

Trong lòng ngực của nàng có giấu một thanh chuỷ thủ lưu truyền từ thời thượng cổ, được đúc bởi danh gia, cực kỳ sắc bén! Nàng nghĩ nếu Tần Lập chết thì nàng cũng không sống để làm gì nữa!

"Tuy hắn chưa từng nói rằng thích ta nhưng việc hắn làm so với vạn câu nói đều khiến ta còn động tâm hơn, khiến linh hồn ta run rẩy! Đúng vậy! Đây chính là sự lựa chọn của ta!"

Trên mặt Triệu Thiên Thiên nổi lên một chút đỏ ửng khác thường!

Vô Âm bên cạnh Triệu Thiên Thiên cũng có chút lo lắng nhìn người bạn thân của mình. Nàng thừa hiểu tính cách của Triệu Thiên Thiên như thế nào! Bình thường thoạt nhìn có vẻ tuỳ tiện, chỉ khi nào đã quyết định chuyện gì thì dù là ai cũng không thể ngăn cản được. Nàng chỉ có thể chờ đợi, hướng về ông Trời để cầu nguyện Tần Lập có thể chiến thắng!

Mặc dù hy vọng này thoạt nhìn có vẻ thập phần xa vời!

- Làm cái gì thực tế đi! Chút khí thế ấy không chút ảnh hưởng gì đến ta đâu!

Tần Lập thản nhiên nói.

- Vù!

Thân mình Hạ Hầu Phong rốt cục động!

Tĩnh như xử nữ, động như thỏ chạy!

Không ra tay thì thôi, vừa ra tay đó chính là khí thế lôi đình vạn quân!

Hai tay của Hạ Hầu Phong lăng không dựng lên, hung hăng đánh một quyền về phía đầu của Tần Lập! Mà ở bên ngoài nắm tay của hắn có một tầng hoả diễm bốc cháy vây lấy!

Trong khoảnh khắc nhanh như một tia chớp đó, không khí dường như cũng đều bốc cháy, mọi người đều nhìn chằm chằm!

Một tiếng nổ ầm vang lên!

Một quyền này của Hạ Hầu Phong thất bại!

Không ít nữ sinh đã đem tay lên che mặt không tự chủ được ồ lên một tiếng, giữa những ngón tay còn lộ ra một chút khe hở, sau đó mới thở dài một hơi. Nhưng ngay sau đó trái tim liền co thắt lại.

Thân mình Tần Lập giống như một con thuyền lẻ loi trong cơn sóng dữ, bị thổi đi ở giữa không trung, có vẻ rất chật vật!

Mà tốc độ của Hạ Hầu Phong lại càng lúc càng nhanh, cuối cùng toàn bộ thinh không của diễn võ trường đều bị bao phủ bởi một mảnh cực nóng.

Sau đó ở thành Phong Sa, Thôi gia ý đồ muốn nhúng tay vào đan phương của Tần gia, có một số người của chi thứ Thôi gia tự cao tự đại xung đột với Tần gia rồi bị giết. Thôi gia lại bị bẽ mặt, thật mất mặt rồi. Kỳ thật theo toàn bộ gia tộc Thôi gia mà nói, những chuyện này căn bản không tính là rất nghiêm trọng.

Là một gia tộc có nội tình vô cùng thâm hậu, sẽ không có người bởi vì chuyện này xảy ra, liền vì vậy mà coi thường bọn họ. Cho nên bọn họ cũng không cần phải trước tiên gây ra phản ứng dị thường kịch liệt, muốn tiêu diệt toàn tộc Tần gia.

Điểm này, từ trong phản ứng của người Thôi gia ở hội đấu giá là có thể hiểu rõ. Như vậy có thể thấy được, trong mắt Thôi gia, Tần Lập cũng chỉ là một thiếu niên thiên tài thiên tư trác tuyệt, có thực lực rất mạnh mà thôi. Thiên tài như vậy, Thôi gia cũng có!

Đương nhiên, nếu như có cơ hội, giết chết một thiên tài như vậy, Thôi gia sẽ làm không chút do dự. Bởi vì đối với bọn họ mà nói, không cho phép trên đời này không có người qua Thôi gia. Dù sao một gia tộc khổng lồ như vậy, nếu nói không đắc tội với người nào chính là nói nhảm.

Nhưng bọn hắn tuyệt đối không cho phép có người thật sự uy hiếp đến toàn bộ gia tộc bọn họ!

Nếu như vậy, cho dù liều mạng bọn họ cũng sẽ loại bỏ người này. Hiển nhiên, hiện tại Tần Lập trong mắt Thôi gia chỉ là rất có uy hiếp mà thôi, còn chưa tới mức có thể ảnh hưởng tới sinh tử tồn vong của Thôi gia!

Bởi vậy, thái độ đối với Tần Lập, là có thể giết thì giết, giết không được cũng không có gì đáng lo lắm. Thôi gia có nhiều cường giả Chí Tôn, còn thật sự sợ Tần Lập hay sao? Trên thực tế, những thứ này đều chính bản thân Tần Lập ngộ ra một chút.

Tuy rằng hắn có hai kiếp làm người nhưng đều không phải loại siêu cấp thiên tài với chỉ số thông minh như yêu nghiệt. Huống chi, trải qua kiếp trước, hắn cũng gần như không gặp qua quái vật lớn như Thôi gia, thậm chí ngay cả gia tộc lớn như Tần gia thành Phong Sa, đều rất ít khi có thể tiếp xúc.

Có thể cho tới mức như hôm nay, một phương diệnchính là bằng vào ý chí không chịu thua, về phương diện khác, yếu tố vận khí cũng chiếm một phần rất lớn!

Quả thật, một người muốn thành tựu thì vận khí là thứ ắt không thể thiếu. Nhưng Tần Lập biết rõ, một người không thể cả đời gặp may mắn, cũng không có khả năng trông cậy vào vận khí lúc nào cũng ở bên cạnh ngươi!

Hơn nữa, nghe Tần Hải Dương nói về truyền thuyết này, trong lòng Tần Lập liền sinh ra một ý niệm trong đầu: Cả đời này, nhất định phải hết sức cố gắng, trả giá mọi thứ, cũng muốn đứng ở trên đỉnh cao nhất của thiên hạ này,cho dù kết cục như thế nào! Nếu không, chẳng phải là sống lại vô ích sao?

Về phần nói Thôi gia, cho dù nó cường đại đến thế nào đi nữa thì cũng không trở thành tường cao ngăn cản mình, nhiều nhất đó chỉ là một khối chướng ngại vật, chỉ vậy mà thôi! Chắn đường mình thì đá văng ra! Chỉ đơn giản như vậy! Sau khi Tần Lập nghĩ thông suốt chuyện này, tâm tình tự nhiên có cảm giác trong sáng rộng mở.

Hơn nữa, sau khi Tần Lập biết nguyên nhân đại khái Thôi gia chiếm lĩnh địa bàn thế tục, như vậy đi gây phiền toái cho hoàng thất Thôi gia, quả thực là chuyện tất nhiên! Các ngươi đã đủ cường đại rồi, cho nên làm sao có thể cho phép các ngươi càng trở nên mạnh hơn?

- Đứng lại! Các ngươi muốn làm gì?

Vệ binh ở cửa hoàng cung lớn tiếng quát:

- Nơi này là hoàng thành, người thường cấm vào, còn không mau chóng rời đi!

Tần Lập và Thượng Quan Thi Vũ căn bản cũng không khó xử những người thường, mũi chân hai người điểm xuống đất, thân thể khẽ chùng, lăng không bay lên, trực tiếp xông qua hướng vào trong hoàng cung!

- Người nào dám xông vào hoàng cung, lưu lại cho ta!

Một tiếng hét to vang lên, trong nội viện hoàng cung nháy mắt lăng không lên mười mấy võ giả Thiên cấp, ra tay không lưu tình chút nào, toàn bộ là sát chiêu. Dù sao, dám xông vào hoàng cung, chính là tội chết! Cho dù là người bình thường, thấy loại xông vào này, đánh chết cũng không có gì to tát!

- Cút!

Tần Lập lạnh lùng quát một tiếng, một luồng sóng khí theo thân thể bắn ra. Mười mấy hộ vệ hoàng cung từ phía chân trời nháy mắt bị luồng khí thế đè khiến cho hơi thở không thuận, đều từ không trung khã xuống.

Tần Lập cũng không giết bọn họ, không phải hắn thương hại, mà là người như vậy, giết hay không cũng không có gì quan hệ. Hắn còn muốn tích tụ sát khí, chuẩn bị cho chiến đấu phía sau !

Vù vù vù vù vù vù!

Một hồi âm thanh mũi tên phá không, đây là binh lính trong hoàng cung muốn dùng cường nỏ trong tay chuẩn bị bắn chết hai người trong thời gian ngắn nhất.

Thượng Quan Thi Vũ hừ lạnh một tiếng, hai tay vung lên, một luồng lực lượng bài sơn đảo hải, cuốn trở về những mũi tên bắn tới thật mạnh mẽ. Phía dưới lập tức có một trận gà bay chó sủa, đồng thời còn có nhiều tiếng kêu thảm thiết cố gắng kìm nén.

- Đều lui ra!

Trong không trung giây lát truyền đến một tiếng hét to, quát ngừng những cường nỏ và hộ vệ hoàng cung đang muốn ra tay lần nữa. Sau đó một bóng người từ sâu trong hoàng thành, nhanh như tia chớp xông về phía hai người. Vũ khí trong tay là một thanh trường thương màu đen!

Người này có thể hình cao lớn uy mãnh, trường thương màu đen phát ra một luồng sát khí ngùn ngụt. Người đó lăng không phi hành trên không trung, trường thương trong tay hung hăng đâm về phía Tần Lập.

- Bọn chuột nhắt, đi chết đi!

- Để cho muội!

Thượng Quan Thi Vũ nói với giọng thanh lãnh, sau đó bảo kiếm trong tay vung lên. Trên bầu trời nháy mắt xuất hiện một vệt màu lục, rực rỡ động lòng người, liền giống như mặt đất bị băng tuyết che phủ lại, lộ ra một vệt màu xanh biếc đẹp động lòng người! Cả bầu trời đều tràn ngập một luồng hương vị xuân!

Tuyệt học của Tứ Quy Môn - chiến kỹ Tứ Quý!

Một thương sắc bén kia bị một vệt màu xanh biếc cuốn lấy, lập tức ngưng lại, người đó hừ lạnh một tiếng:

- Cũng có chút bản lĩnh! Tuy nhiên… Cũng phải chết!

Trường thương hung hăng gạt một cái, trên bầu trời xuất hiện vô số tàn ảnh màu đen, mỗi một tàn ảnh đều mang theo sát khí cường đại!

Thượng Quan Thi Vũ không nói gì, bảo kiếm run lên, màu xanh kia chợt biến mất, trở thành một vệt đỏ rừng rực!

Tiểu Mùi

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

257. Chương 259

Tái ngộ Băng Mộng Vân

Từng đóa kiếm lửa đỏ tươi, giống như hoa tường vi rực rỡ nở rộ đầy trời! Võ giả có thân hình to lớn của đối phương hiển nhiên sửng sốt, hắn chưa bao giờ gặp qua chiến kỹ như thế, nhưng đã nghe nói qua chiến kỹ Tứ Quý! Hắn kinh hô thành tiếng:

- Ngươi là người của Tứ Qúy Cốc?

Thượng Quan Thi Vũ căn bản không đáp lời, hiện giờ bầu trời cũng giống như là bị nhiễm hồng. Trong đoàn hoa tuyệt mỹ kia lại ẩn chứa sát khí kinh thiên!

Trong nháy mắt đối phương ngây người, liền bị Thượng Quan Thi Vũ bức đến liên tục lui về sau. Mà lúc này từ sâu trong hoàng thành, lại liên tục bay ra mấy chục bóng người, trong đó có tốc độ nhanh nhất là một người con gái cung trang!

Hầu như là trong nháy mắt nàng ta liền bay đến đây, trong mắt cũng lộ ra chút kinh ngạc, lập tức quát:

- Dừng tay!

Trong nháy mắt người đó tới, Tần Lập trong lòng vừa động, thầm nghĩ: "Người đàn bà này không ngờ có qua lại với Thôi gia!"

Thượng Quan Thi Vũ nghe thấy âm thanh này, cũng nao nao, thu hồi kiếm trong tay, từ trên không trung hạ xuống, ngừng lại nhìn người đang nói chuyên, thản nhiên nói:

- Bái kiến môn chủ.

Người tới chính là môn chủ Tứ Quý Môn, Băng Mộng Vân!

Võ giả cao lớn dùng thương kia trông thấy song phương quả nhiên nhận thức, không kìm nổi lén lau một vệt mồ hôi. Nếu như môn chủ Tứ Quý Môn này đến chậm một bước, chỉ sợ hắn bị chết dưới kiếm khí sắc bén của đối phương. Với thực lực của hắn, vẫn còn thua xa thiếu nữ này.

Băng Mộng Vân thản nhiên "ừ" một tiếng, sau đó dôi mắt rơi trên người Tần Lập, tựa như cười tựa như không, nói:

- Tiểu tử kia! Chúng ta lại gặp mặt!

Lời này của Băng Mộng Vân vừa ra, sắc mặt hoàng đế Thôi gia của Tân Tần đế quốc theo sau tới lập tức thật sự khó coi, kể cả những người bên cạnh hắn, một đám sắc mặt cũng đều trông không tốt lắm.

Thôi gia rất mạnh mà lại đặt phần tinh lực rất lớn lên chuyện ở thế tục, nhưng còn chưa đạt tới mức phái ra một võ giả có cảnh giới Chí Tôn ở thế tục. Mà môn chủ Tứ Quý Môn Băng Mộng Vân, cũng tuyệt đối là một cường giả Chí Tôn! Tất cả mọi người ở đây cũng không phải đối thủ của nàng!

Hơn nữa, bản thân nàng tuy rằng là minh hữu của Thôi gia nhưng hai người trước mặt này, cô gái là đệ tử của Tứ Quý Môn, mà Tần Lập này xem ra dường như nàng cũng quen biết.

Chuyện đã phát sinh ở Tứ Quý Cốc, cũng không phải ai đều có tư cách biết được nội tình. Mà cho dù biết, vậy có thể làm sao chứ? Băng Mộng Vân người này, căn bản là không ai biết được tâm của nàng, đến tột cùng suy nghĩ cái gì!

Tần Lập không kìm nổi cười khổ, biết chuyện hôm nay thất bại tám, chín phần mười. Có người đàn bà này ở đây, mình muốn làm gì thì làm, gần như là chuyện không có khả năng.

Tuy nhiên, trong lòng Tần Lập vẫn hiện lên một niềm nghi hoặc: "Người đàn bà này làm sao có thể xuất hiện ở nơi này? Cho dù nàng liên hiệp với Thôi gia, cho dù nàng kiết minh với Thôi gia, nhưng dựa vào thực lực cảnh giới Chí Tôn, cũng không nên xuất hiện ở thế tục này chứ?"

- Đúng vậy, thật sự là khéo nha. Không biết Băng môn chủ làm sao lại xuất hiện ở nơi này vậy?

Trông thấy bẻ mặt bất đắc dĩ của Tần Tập, trên mặt Băng Mộng Vân cũng không kìm nổi lộ ra một chút ý cười thanh lãnh:

- Ngươi đều có thể tới nơi này, ta vì sao không thể xuất hiện ở đây chứ? Tuy nhiên, tiểu tử kia! Hôm nay e rằng ngươi phí công đi một chuyến rồi, ngươi đi đi.

- Băng môn chủ!

Sắc mặt Thôi Khởi cực kì khó coi, thầm nghĩ: "Cho dù cô là cường giả Chí Tôn, nhưng đây là địa bàn của Thôi gia! Cô dựa vào cái gì để làm chủ chứ?"

Sắc mặt của những người Thôi gia này cũng rất khó coi. Bọn họ vì giết chết Tần Lập nên chuẩn bị rất nhiều cho nên đã ở nơi này chờ đợi Tần Lập đến.

Mà hiện tại Tần Lập đến đây, người phụ nữ này không ngờ chỉ dùng một câu nhẹ nhàng, "để cho hắn chạy! Nàng ta cho rằng mình là ai?"

Băng Mộng Vân cũng không quay đầu lại, nàng có thái độ ôn hòa với Tần Lập, nhưng đối với người khác vị tất là như thế. Hơn nữa, tên đế vương thế tục Thôi Khởi bị nàng coi thường này, không ngờ ngầm có một chút dâm ý với nàng… Đối với con gái ở thế tục giới, đây có lẽ là vinh hạnh to lớn nhưng đối với Băng Mộng Vân mà nói, đây quả thực chính là sỉ nhục to lớn! Mượn một câu mà bây giờ người Thôi gia suy nghĩ trong lòng, hắn tưởng hắn là thứ gì chứ?

- Tần Lập! Chẳng lẽ ngươi còn muốn khoa tay múa chân với ta hay sao? Khà khà, ngươi có lẽ nên đi thôi. Tiểu tử! Hiện tại ngươi còn quá yếu, dù cho cảnh giới Dung Thiên ở trước mặt ngươi chỉ là hữu danh vô thực (thứ vô dụng), thì ngươi cũng không phải đối thủ của ta!

Một đám người ở phía sau, lập tức lộ ra cảm xúc kinh hãi đến không dám tin, nhìn Tần Lập và Băng Mộng Vân, thầm nghĩ: "Làm sao có thể? Người thanh niên này, hắn còn không đến hai mươi tuổi, làm sao có thể ngay cả cảnh giới Dung Thiên cũng không phải đối thủ của hắn? Người đàn bà này nhất định nói bậy!"

- Ngươi và Thôi gia có quan hệ gì?

Tần Lập không biết nói gì hơn, lắc lắc đầu thầm nghĩ trong lòng: "Thật đúng là xui, bây giờ muốn đối kháng với người đàn bà này, thật sự là không nắm chắc. Hơn nữa, dưới tình huống này, đám người Thôi gia kia hận không thể sớm giết chết mình. Nếu mình bị thương trên tay Băng Mông Vân, đám người Thôi gia này nhất định sẽ không bỏ qua một lần cơ hội như vậy!"

- Quan hệ giữa chúng ta? Chẳng qua là quan hệ lợi dụng lẫn nhau mà thôi! Tiểu tử kia! Câu trả lời này của ta, ngươi có hài lòng không? Khà khà.

Băng Mộng Vân giống như rất vui vẻ khi gặp lại Tần Lập, trên mặt mang theo vẻ tươi cười:

- Đúng rồi! Ngươi giết chết đại trưởng lão Tứ Quý Môn chúng ta. Ta còn chưa tìm ngươi tính sổ với ngươi đấy!

Đám người Thôi Khởi lại một trận kinh hãi, thầm nghĩ: "Đây rốt cục là xảy ra chuyện gì? Giữa bọn họ chắc hẳn là có cừu oán mới đúng, làm sao hiện tại xem ra, bộ dáng Băng Mộng Vân kia giống như một chút cũng không muốn làm khó Tần Lập. Nhưng lại là vẻ mặt tươi cười, một chút sát khí trên người cũng không có!

"Chẳng lẽ… Giữa bọn họ có bí mật gì không thể cho ai biết? Hay nói là, bối cảnh Tần Lập này cường đại đến loại cường giả có cảnh giới Chí Tôn, đều phải kiêng kị?"

Cho nên nói, trên đời này, thời đại nào thì người thông minh cũng không khiếm khuyết.

- Ôi! Băng môn chủ nói như vậy là không có ý nghĩ, chẳng lẽ cô không muốn giết lão bà kia sao?

Tần Lập thản nhiên nói :

- Cô chẳng qua chỉ là mượn tay ta loại bỏ bà ta thôi. Hiện tại ngài ở Tứ Quý Môn nhưng chính là một lời liền nghe theo rồi đó!

Lời này của Tần Lập lập tức khiến đám người Thôi gia bừng tỉnh đại ngộ, thầm nghĩ: "Nguyên lai là có chuyện như vậy", ánh mắt nhìn về phía Băng Mộng Vân, cũng bắt đầu trở nên có chút phức tạp. Người phụ nữ này cũng rất đáng sợ đấy, chẳng những thực lực cường đại, chỉ số thông minh cao cũng dọa người! Tuy rằng không biết giữa nàng và Tần Lập đến tột cùng phát sinh cái gì. Nhưng rất hiển nhiên, hai người này cũng không phải là loại hiền lành gì!

Phản ứng của đám người chung quanh Băng Mộng Vân cũng thấy trong mắt, khẽ thở dài một tiếng, nói:

- Tần Lập! Làm người có lẽ không nên quá thông minh là hơn. Quên đi, ta thật sự không muốn tự tay giết chết một thiên tài tiền đồ rất phát triển. Ngươi nên rời đi đi, ta ở nơi này, cũng không thể để mặc cho ngươi giết những người này. Tuy rằng… Giết họ cũng không có gì to tát, nhưng chung quy ngươi nên bận tâm thể diện của ta chứ?

Đám người Thôi Khởi đột nhiên giận dữ, một đám mặt đỏ bừng, giống như chó bị đoạt xương, cả người phát ra sự giận dữ thật lớn. Đáng tiếc chính là, đoạt xương lại chính là một con sư tử.

Băng Mộng Vân nói xong, cười tủm tỉm nhìn Thượng Qun Thi Vũ, nói:

- Tiểu nha đầu! Chiến kỹ Tứ Quý con luyện đã không tệ rồi. Nhưng còn thiếu một chút hỏa hầu. Tuy nhiên… Khi ta bằng tuổi con, vẫn còn thua xa con. Cho nên… Ta quyết định rồi, môn chủ nhiệm kỳ tiếp theo của Tứ Quý Môn là con!

- Hả?

Thượng Quan Thi Vũ hơi hơi sửng sốt. Nàng nằm mơ cũng không nghĩ tới, Băng Mộng Vân không ngờ ở đây vào lúc này, nói ra lời nói này.

Nếu nói, vào mấy năm trước, Tần Lập vẫn chưa bước vào Huyền Đảo, Tứ Quý Môn cũng không phát sinh biến cố gì, Băng Mộng Vân nói ra lời nói này, còn có chút hợp lý. Nhưng hiện tại, tuy nói Tần Lập không có thâm cừu đại hận gì với Tứ Quý Môn, nhưng ân oán với Băng Mộng Vân, cũng phải là một hai câu thì có thể giải thích rõ ràng!

Tuy rằng Băng Mộng Vân không giết hắn nhưng từng có ý đồ dụng tinh thần lực lấy trí nhớ của Tần Lập, sau khi thất bại, lại hốt hoảng ném hắn vào cấm địa Huyền Đảo. Qua chuyện này, nếu đổi là ai đều không thể dễ dàng bỏ qua!

- Như thế nào? Kỳ quái sao?

Băng Mộng Vân than một tiếng, khẽ lắc lắc đầu trực tiếp truyền âm nói với Tần lập:

- Tiểu tử! Ta biết trong lòng ngươi còn đang ghi hận về chuyện lúc trước. Hừ! Ngươi muốn trả thù, như vậy tùy ngươi cũng được, chỉ cần ngươi có bản lãnh đó, ta sẽ chờ ngươi đến báo thù. Tuy nhiên, hiện tại ta ở đây, là có một chuyện quan trọng muốn làm. Nếu chuyện này thành, tự nhiên không thiếu chỗ tốt cho ngươi. Ngươi cũng không nên ở nơi này làm khó những tiểu nhân vật này. Bọn họ đối với ngươi mà nói, có chút uy hiếp gì sao? Ngươi cho là ngươi giết bọn họ thì Thôi gia sẽ không thể phái một số người khác đến sao? Ngươi cũng không nên hoài nghi. Loại người có thân phận như ta, lời nói ra từ miệng, tự nhiên là không thể đổi ý. Nói Tứ Quý Cốc truyền cho tiểu nha đầu này là truyền cho nàng. Tuy nhiên, phải chờ sau khi đại sự của ta hoàn thành mới được. Ngươi yên tâm! Ta tuyệt sẽ không pha trộn với Thôi gia, giữa các ngươi có thù hận gì, chỉ cần không có ta ở nơi này, ngươi tùy ý làm sao đối với đám người bọn hắn, cũng không có một chút quan hệ nào với ta!

Tần Lập nao nao, không thể tưởng được Băng Mộng Vân lại có thể thành thật nói nhiều thứ như vậy với mình. Tần Lập có loại cảm giác, lần này gặp Băng Mộng Vân, giống như có rất lớn thay đổi so với lần trước trông thấy nàng, cụ thể là khác nhau chỗ nào thì Tần Lập cũng không nói nên lời.

Tuy nhiên là một cường giả có cảnh giới Chí Tôn, có thể giải thích với mình như vậy, Tần Lập cũng không thể muốn động thủ. Dù sao, hiện tại hắn vẫn chưa là đối thủ của Băng Mộng Vân!

Trấn Áp Quyết không có hiệu quả với cường giả Chí Tôn, còn lại Tần Lập cũng chỉ có chiến kỹ Cửu Thiên Thập Địa Duy Ngã Độc Tôn, cùng với thanh thần binh Ẩm Huyết. Nhưng cho dù như thế, hắn vẫn không phải đối thủ cảnh giới Chí Tôn. Điểm ấy không cần có bất cứ hoài nghi nào! Bản thân Tần Lập rất rõ trong lòng.

Nhìn thoáng qua Thượng Quan Thi Vũ bên cạnh, Tần Lập híp mắt, tựa như cười tựa như không, nhìn thoáng qua Thôi Khởi:

- Cẩu hoàng đế! Lần này tính ngươi gặp may!

- Tần Lập! Ta muốn giết ngươi!

Thôi Khởi giận tím mặt, nhớ tới tiểu tử này nhiều lần làm nhục mình, lửa giận trong lòng càng lớn hơn, rít gào nói:

- Băng môn chủ! Nếu cô không tiện ra tay thì cô hãy đứng bên cạnh, đây là ân oán tư nhân giữa chúng tôi!

Trên khuôn mặt nhìn không ra dấu vết của năm tháng, cuối cùng không kìm nổi lộ ra một chút cười lạnh, nói với giọng thanh lãnh:

- Được! Ngươi muốn chết trận, ta không ngăn cản, các ngươi đánh đi!

258. Chương 260

Màu tím kinh diễm

Băng Mộng Vân nói xong liền thoát sang một bên, sâu trong đôi mắt lộ ra vẻ khinh thường. Thôi Khởi cũng chỉ nao nao một chút mà thôi, vung tay lên:

- Giết!

Lập tức, mười mấy cao thủ Thôi gia xúm lại Tần Lập. Mười mấy người phần lớn đều là võ giả cảnh giới Hợp Thiên, còn có ba cường giả cảnh giới Dung Thiên!

Cũng khó trách Thôi Khởi vì sao lại tự tin như vậy, nếu trong tay có được thực lực hùng hậu như vậy thì ai cũng không sợ Tần Lập! Chỉ một thiếu niên như vậy thôi, chẳng sợ, cho dù thực lực thiếu niên có mạnh nữa thì hắn cũng không tin mình sẽ thua.

Bởi vì một thiếu niên, dù có kỳ ngộ liên tục, cho dù hắn có luyện công từ trong bụng mẹ đi nữa thì hắn có được bao nhiêu năm công lực? Cùng lắm là có năm mươi năm công lực! Mà những võ giả này tùy tiện một người có ai không ngoài trăm năm công lực?

Võ giả đạt tới cảnh giới nhất định, không thể dựa vào một cấp bậc thì có thể nói hắn mạnh yếu thế nào!

Trong lòng Băng Mộng Vân cũng khinh thường, nàng thậm chí còn không thèm nhắc nhở nhóm người này không được đả thương truyền nhân nàng đã chỉ định, vì không cần thiết!

Sở dĩ nàng dám khẳng định như thế, vì những võ giả khác đều bị nàng liếc mắt là hiểu, nhưng chỉ có Tần Lập là nàng không thể nhìn thấu!

Hơn nữa, có thể bình an đi ra từ cấm địa của Huyền Đảo, thật không hổ là kẻ tu luyện chiến kỹ Thần cấp. Sau khi Băng Mộng Vân biết được bí mật kia, tầm mắt đã được phóng ra xa, căn bản là không còn giới hạn trong phạm vi Huyền Đảo nữa, mà đã phóng mắt ra khắp Thiên Nguyên Đại Lục!

Nếu hôm nay Tần Lập có nguy hiểm, vậy thà là nàng đắc tội với Thôi gia cũng phải cấp cho Tần Lập một nhân tình! Chuẩn xác mà nói, là đưa cho người sau lưng Tần Lập một nhân tình!

Băng Mộng Vân sau khi biết bí mật kia, ra khỏi Huyền Đảo, mới lần đầu tiên cảm nhận được, thế giới này quá khổng lồ. Quay đầu lại nghĩ về những việc làm trong quá khứ, thật sự có chút buồn cười.

Bối cảnh thần bí lại cường đại của Tần Lập, mà nàng và Tần Lập thực sự cũng không có thâm cừu đại hận gì, cho nên, Băng Mộng Vân liền cố ý hóa giải đoạn thù hận này. Thực ra để đại trưởng lão ở lại Tứ Quý Cốc chính là Băng Mộng Vân cố ý, vì nàng biết, đại trưởng lão cũng không phải đối thủ Tần Lập! So với việc mình giết mụ, phải mang cái tiếng sát hại đồng môn, vậy không bằng để cho Tần Lập giết chết mụ.

Lúc này, bên kia đã bắt đầu đánh. Băng Mộng Vân híp mắt, nhìn vài lần, trong lòng đã hoàn toàn yên tâm, cũng cảm thấy kinh hãi vì tiến bộ của Tần Lập.

Tới giờ mới được bao nhiêu lâu? Còn chưa đến hai năm đi? Tiểu tử này… không ngờ lại có loại thực lực này? Dao động này… hẳn là cũng có cảnh giới Hợp Thiên!

Tuy nhiên, nếu ai cho rằng tiểu tử này chỉ có thực lực cảnh giới Hợp Thiên thì chỉ sợ đến chết thế nào cũng không biết! Băng Mộng Vân nghĩ vậy, khóe miệng nhếch lên nụ cười mỉa mai.

Ầm!

Tần Lập quét ngang Ẩm Huyết Kiếm, lập tức quét bay mấy cường giả Hợp Thiên ra ngoài. Trên cơ thể mấy người đó xuất hiện vài vết thương rất sâu, nếu không có nhiều người tới, Tần Lập lại phải chiếu cố tới Thượng Quan Thi Vũ, chỉ sợ mấy người này đã bị chém đứt ngang eo rồi! Một chiêu này khiến cho tất cả võ giả Thôi gia nghiêm trọng hẳn lên, thiếu niên này quả nhiên không phải người thường! Giọng nói trong trẻo mà lạnh lùng của Thượng Quan Thi Vũ vang lên bên tai Tần Lập:

- Phu quân, không cần xen vào thiếp, thiếp có thể tự bảo vệ mình!

Thượng Quan Thi Vũ nói xong, chiến kỹ Tứ Quý bắt đầu thi triển, gió xuân ấm áp, hoa hạ rực rỡ, lá thu vàng óng, băng lạnh mùa đông! Từng chiêu từng chiêu được thi triển ra, ngay cả một gã Dung Thiên nhất thời cũng không thể đến gần người!

- Kiếm này của ngươi dùng không đúng chỗ, Xuân Phong kiếm là trong bông có kim! Gió xuân ấm áp màu lục khiến cho người ta lâm vào ảo giác, sát chiêu mới là chủ yếu! Hạ Quý kiếm pháp phải mãnh liệt hơn lửa, phải xuất ra được loại khí dương cương này, cho dù ngươi là nữ tử cũng phải xuất ra phong thái cân quắc trước nay chưa từng có! Thu Quý kiếm pháp… phải dùng… Diệp Thiển Dục dạy ngươi như thế nào vậy?

Băng Mộng Vân cũng không chú ý Tần Lập bên cạnh, mà chỉ đứng chỉ điểm môn nhân của mình, cũng khiến cho Thôi Khởi bên kia tức gần chết.

Vì ngay cả hắn cũng nhận ra được, trải qua một phen chỉ điểm của Băng Mộng Vân, cô gái tuyệt sắc kia trong nháy mắt đã tăng sức chiến đấu thêm một thành!

- Băng môn chủ, bọn họ hiện giờ đã sống chết cùng nhau, ngài làm vậy, chỉ sợ có chút không ổn đi?

Khuôn mặt Thôi Khởi âm trầm, không vui nói.

- Sao kia? Ta làm sao? Còn cần ngươi phải dạy ta sao? Ngươi là cái gì chứ!

Bỗng nhiên Băng Mộng Vân trở mặt, nhìn Thôi Khởi lạnh lùng nói :

- Ngươi cho là ngươi có thể đại biểu cho toàn bộ Thôi gia sao ? Đừng nói là ngươi, cho dù là đương kim gia chủ Thôi gia nhìn thấy ta còn phải khách khách khí khí, mà ngươi, trong mắt ta, ngươi ngay cả chó cũng không bằng ! Ngươi nghĩ rằng ta và ngươi đứng cùng một chỗ thì phải nghe ngươi bố trí sao? Cái gì chứ !

- Ngươi!

Sắc mặt Thôi Khởi lập tức đỏ bừng, hai mắt bắn ra tia oán độc, trong lòng nghĩ: Đàn bà thối, ngươi nhớ kỹ đấy, ngàn vạn lần đừng rơi vào tay ta, đến lúc đó, ta cho ngươi muốn chết cũng không thể!

Đại trượng phu co được giãn được! Không chấp nhặt với nữ nhân! Trẫm… là vua một nước, trẫm… trẫm thật là tức giận !

Khóe mắt lóe kim quang của Tần Lập chú ý Thượng Quan Thi Vũ, thấy nàng quả nhiên là càng ngày càng thuần thục, cũng không lo lắng nữa. Nhìn những võ giả Thôi gia đang vây công mình, khóe miệng Tần Lập nhếch lên cười lạnh, trong giây lát, tốc độ của hắn bạo tăng. Những võ giả vừa rồi còn đang tập trung vây công hắn chớp mắt một cái đã không còn thấy bóng dáng Tần Lập!

Một võ giả Hợp Thiên của Thôi gia còn chưa nói xong câu nhắc nhở, đột nhiên cảm thấy sau lưng lạnh toát, mạnh mẽ quay đầu lại, lại không nhìn thấy cái gì, lúc này, dường như hắn nghe thấy người khác thét lên kinh hãi, sau đó liền cảm thấy mơ hồ, rồi sau đó… vốn không có sau đó.

Võ giả cảnh giới Hợp Thiên này bị Tần Lập một kiếm chém bay đầu, máu tươi phụt thành dòng từ xác chết không đầu.

Tiếp theo, lúc mà mọi người Thôi gia còn kinh hãi, là lúc thân hình như quỷ mị của Tần Lập chém chết ba gã võ giả Phá Thiên bên cạnh!

Gần như tất cả võ giả Thôi gia đều lập tức tỉnh táo lại. Tất cả đều liều mạng nhằm vào Tần Lập, không tiếc hy sinh tính mạng mình, cũng phải bắt được Tần Lập.

Chính là tốc độ Tần Lập thực sự quá nhanh, duy nhất có thể miễn cưỡng đuổi kịp là vài võ giả Dung Thiên. Nhưng Tần Lập vốn không giằng co với những kẻ này, hắn chuyên môn nhìn chằm chằm vào các võ giả cảnh giới Phá Thiên và Hợp Thiên, chỉ trong khoảnh khắc đã có sáu bảy người chết trong tay Tần Lập!

- Tần Lập, ngươi đê tiện vô sỉ! Có gan thì đánh với chúng ta!

Một võ giả Dung Thiên giận giữ gào thét.

Ngay cả Băng Mộng Vân cũng không nhịn được mà bĩu môi, "Các ngươi tự mình còn nói đây là cuộc chiến sinh tử, tại sao không chọn kẻ yếu hơn mà đánh, có bệnh mới đánh trực diện với các ngươi!"

- Hừ, hôm nay lão tử liền diệt hoàng thất Thôi gia các ngươi! Có Băng môn chủ cầu tình, muốn tha cho các ngươi một mạng, ai biết các ngươi lại phụ lòng người ta, không phải các ngươi muốn giết ta sao? Đến đây?

Tần Lập nói xong, thân mình như một cái bóng mờ, nhanh đến khó tin vọt tới bên cạnh một gã Hợp Thiên của Thôi gia, nhấc chân hung hăng đá về phía bụng của gã. Võ giả kia trong lúc hấp tấp, liền mạng lắc mình một cái, chợt nghe rắc một tiếng, tiếng xương cốt vỡ vụn vang lên, cánh tay lập tức bị bẻ gãy xương! Ẩm Huyết kiếm trong tay Tần Lập tùy tiện vung lên một cái, hoặc là không đánh, nếu đánh là đánh chết, đây là tác phong ngày thường của Tần Lập!

Có một số việc tuy rằng suy nghĩ cẩn thận, nhưng không có nghĩa là hắn lùi bước, nhát gan sợ phiền phức, từ trước tới nay Tần Lập chưa bao giờ là người như vậy.

Mắt thấy võ giả Hợp Thiên kia sẽ chết dưới kiếm của Tần Lập, một võ giả Dung Thiên như nổi điên, đánh ra một quyền, nhưng lại bộc phát hoàn toàn thực lực cảnh giới Dung Thiên.

Thiên địa đột nhiên xuất hiện cảnh cát bay đá chạy, ngay cả những người Thôi gia cũng không chịu nổi khí thế của võ giả Dung Thiên, đều chạy sang hai bên.

Tốc độ Tần Lập nhanh đến khó tin, căn bản là không đón đỡ một chiêu này, người đang giữa không trung liền như một cái xoắn ốc, xoay người bay vụt sang bên.

Mà một kích toàn lực của võ giả cảnh giới Dung Thiên vừa lúc nện lên võ giả vừa bị Tần Lập bẻ gãy tay kia.

Ngay cả Tần Lập cũng không nhịn được mà cảm thấy bi ai cho võ giả Hợp Thiên kia, mà những người Thôi gia lại cảm thấy căng thẳng.

Võ giả cảnh giới Dung Thiên này bắt buộc phải thu tay lại, lực lượng phản phệ kinh thiên khiến hắn phun ra một ngụm máu, lại thấy võ giả cảnh giới Hợp Thiên kia không vì đồng bọn thu tay mà cho chút ưu đãi nào, một quyền cũng vừa lúc nện trên ngực hắn.

Trước ngực hiện lên vết tay lõm sâu xuống, miệng phung máu, mắt trợn trắng như muốn lồi ra, đã không còn có thể sống được nữa!

- A!

Võ giả cảnh giới Dung Thiên ngẩng mặt lên trời rống lên một tiếng đầy bi phẫn:

- Tần Lập, ta với ngươi không chết không thôi!

Mà lúc này Tần Lập nói ra một câu khiến cho Băng Mộng Vân thiếu chút nữa phun cả nước bọt trong miệng.

Chỉ thấy Tần Lập đứng một chỗ, ánh mắt dại ra, biểu tình trên mặt dường như là sợ hãi, lại dường như tán thưởng:

- Uy lực cảnh giới Dung Thiên thật là mạnh nha!

Phốc!

Võ giả Thôi gia vừa mới ngộ sát đồng bọn nghe thấy lại phun ra một ngụm máu.

- Tiểu súc sinh, nạp mạng đi!

Vài võ giả Dung Thiên đỏ ngầu cả mắt, đều phóng về phía Tần Lập, nhưng bọn họ cũng không dám có chút lòng khinh thường Tần Lập nữa. Thiếu niên này nhìn thì không tính là mạnh mẽ, nhưng tốc độ của hắn, thật sự là quá nhanh! Nhanh đến mức khó tin! Tốc độ này căn bản là không để cho người ta có thể phản ứng lại!

Lại nhìn Thượng Quan Thi Vũ, bộ chiến kỹ Tứ Quý càng lúc càng thuần thục, mà bước chân nàng di chuyển chính là khinh công mà Tần Lập dạy cho nàng! Tuy rằng không thể giết chết đối phương, nhưng ba bốn người vây công nàng cũng không chiếm được chút tiện nghi nào từ nàng!

Sắc mặt Tần Lập lạnh dần, nhìn lướt qua Thôi Khởi mặt xám như tro, Ẩm Huyết kiếm đột nhiên bay múa, bóng kiếm đầy trời!

- Hôm nay lão tử liền cho các ngươi mở rộng tầm mắt, kiến thức cái gì mới là chiến kỹ Thần cấp chân chính!

Tần Lập thét dài một tiếng, khí thế bùng nổ, khiến cho khí thế của những võ giả Dung Thiên hoàn toàn bị cắt ra.

Không đợi bọn họ biến sắc mặt, đã thấy trước mắt là… màu tím kinh diễm!

259. Chương 261

Dã tâm

Võ giả Dung Thiên của Thôi gia hoảng sợ. Trong nháy mắt, hắn muốn tránh một kiếm kinh diễm này nhưng động tác vẫn có chút chậm, bị kiếm khí màu tím quét qua cổ, lập tức mất mạng!

Vẫn cho rằng, cấp bậc chính là tất cả sao?

Tần Lập ổn định thân hình, khí định thần nhàn, nhìn đám người giống như hóa đá, trong lòng thầm cười lạnh. Cái gì gọi là cấp bậc, cũng chỉ là lý giải về lực lượng và kỹ xảo của võ đạo mà thôi!

Nhưng, nguyên lực có mạnh nữa, lực lượng có mạnh nữa thì thế nào?

Trước mặt tuyệt thế thần kiếm Ẩm Huyết sắc bén không gì sánh được, võ giả cảnh giới Dung Thiên vốn không có nửa điểm cơ hội!

Ngay cả Băng Mộng Vân vốn vẫn khí đinh thần nhàn, sau khi nhìn thấy Tần Lập thi triển ra một chiêu này nháy mắt giết chết một võ giả Dung Thiên, không nhịn được mà hơi động dung.

Cho dù là mình nếu hiện giờ chống lại Tần Lập, chỉ sợ cũng không chiếm được chỗ ưu đãi nào! Chiến kỹ và thân pháp cổ quái mà tiểu tử này tu luyện, cùng với thanh thần kiếm trong tay hắn, thật quá bá đạo!

Người Thôi gia vừa mới vây công Thượng Quan Thi Vũ giờ phút này đều cấp tốc thối lui về sau, thần tình kinh hãi nhìn Tần Lập. Hiện giờ bọn họ cuối cùng đã hiểu, vì sao Thôi gia nói, nếu có cơ hội thì nhất định không được buông tha cho tiểu tử này. Thì ra Thôi gia đã sớm biết Tần Lập khủng bố thế nào!

Nếu có cơ hội sao? Tất cả những võ giả Thôi gia còn sống đều không nhịn được thối chí, làm gì có cơ hội? Bằng vào mấy người này vốn không phải đối thủ của Tần Lập!

Tần Lập đã đập tan hoàn toàn lòng tin của bọn họ!

Một võ giả có thể võ kỹ không bằng người, nhưng nếu cả lòng tin tất thắng cũng không có thì làm sao thắng được đối phương?

Tuy nhiên, giờ phút này, những người này thật sự đã bị dọa vỡ mật rồi!

Vì giết nhiều người như vậy mà trên người Tần Lập không ngờ lại không có cả một miệng vết thương, thậm chí, ngay cả trang phục cao quý trên người hắn cũng không có một nếp gấp.

- Còn muốn giết ta không?

Trên mặt Tần Lập không biết từ khi nào lại xuất hiện một nụ cười thật hàm hậu. Khuôn mặt anh tuấn nhìn qua mười phần thành ý.

Nụ cười này trong con mắt của người Thôi gia, căn bản là nụ cười của ác ma mà!

- Tần Lập, ngươi, ngươi dám tàn sát người Thôi gia ta, Thôi gia ta sẽ không bỏ qua cho ngươi đâu.

Thôi Khởi lo lắng không thôi nói.

- Thật không? Thôi gia các ngươi vốn dĩ đã không muốn bỏ qua ta, giết một với giết mười không có gì khác nhau.

Tần Lập chẳng hề để ý cười nói:

- Hôm nay giết tới đây thôi, Thôi Khởi, đừng trách ta không cảnh cáo ngươi, rút quân của ngươi về, nếu không lần sau tái kiến, ta nhất định sẽ giết ngươi!

Tần Lập nói xong, buông tay, nói:

- Ngươi xem đó, việc này không phải là ta khiêu khích trước, là bọn họ muốn giết ta, ta bị bắt phải đánh trả, phiền toái về sau trước mặt gia chủ Thôi gia, nói giúp ta vài câu tốt nha!

Băng Mộng Vân có chút bất đắc dĩ gật đầu, thở dài một tiếng, trên mặt lộ ra biểu tình trách trời thương dân:

- Các ngươi không tin lời ta, bằng không, sao có thể thương vong như thế?

Người Thôi gia còn sống đều thầm chửi ầm lên: Mẹ nó đàn bà thối, vừa rồi nếu ngươi ra tay ngăn chặn một chút thì chúng ta sao có thể chết nhiều người như thế?

Tất nhiên, lời này chỉ dám đặt trong lòng, thậm chí không dám biểu hiện ra ngoài mặt. Ai biết mụ đàn bà có thể phát điên, giết sạch bọn họ hay không.

Ánh mắt Thôi Khởi híp lại, nhìn Tần Lập, cắn răng nói:

- Tần Lập, ngươi dù giết ta thì lệnh lui binh ta cũng không thể hạ!

- A? Vậy ta sẽ giết ngươi!

Tần Lập nói xong, bước từng bước về phía Thôi Khởi.

Thôi Khởi sợ hãi lập cập lui về sau vài bước, sau đó mới nói :

- Chờ chút ! Ta còn chưa nói hết…

Tần Lập nhìn Thôi Khởi sắc mặt đỏ bừng, ánh mắt tràn ngập sợ hãi, cười lạnh nói:

- Có phải ngươi muốn nói, dù ta giết ngươi thì Thôi gia cũng sẽ phái người khác tới làm Hoàng đế?

Tuy rằng thực không tình nguyện, nhưng Thôi Khởi phải gật đầu, nói:

- Không sai, ta chỉ là một tiểu nhân vật của Thôi gia, chỉ là một quân cờ mà thôi. Nếu ngươi thật sự cường đại, có gan thì đi tìm Thôi gia gây phiền toái, đừng nên tìm những tiểu nhân vật như chúng ta, ngươi không biết là nó vô nghĩa sao?

Đám người Thôi gia sau lưng Thôi Khởi đều lộ ra vẻ mặt xấu hổ, nhưng không ai lên tiếng phản bác, vì những lời mà Thôi Khởi nói, chính là sự thực!

Những người vốn cao cao tại thượng, tự cao tự đại này tới giờ cuối cùng cũng phát hiện, thì ra trên đời này người có thực lực cường đại, cũng không chỉ có mình Thôi gia bọn họ thôi, nhà khác cũng có.

- Ha ha! Các ngươi cũng coi như tự biết mình đấy. Đúng vậy, các ngươi chính là một đám hỗn tạp khiến cho người ta chán ghét mà thôi, thành sự không đủ mà bại sự có thừa. Xem ra cho dù ta có giết sạch đám người các ngươi thì Thôi gia cũng không có ý kiến gì. Một hồi chiến tranh mà không có một chút đánh lén nào, các ngươi có đánh vài năm cũng chẳng thể công hạ được thành, việc này đã đủ cho thấy rèn luyện hàng ngày của các ngươi rồi!

Tần Lập cười khẩy, khuôn mặt lạnh lùng lại khiến những người Thôi gia, nhất là Thôi Khởi mặt đỏ tai hồng, mà lời nói tiếp theo lại khiến những người Thôi gia có cảm giác muốn hộc máu.

- Bởi vậy, ta sẽ không giết sạch nhóm người các ngươi, mà lưu các ngươi lại. Các ngươi không lui binh, cũng không sao cả, tin rằng không đến vài ngày các ngươi sẽ nhận được tin tức trăm vạn đại quân Tân Tần đế quốc toàn bộ tan tác! Hừ. Giống như ta đã nói, không vận dụng cách đánh lén, muốn đường đường chính chính diệt sạch một quốc gia, Thôi gia các ngươi, không có khả năng đó! Cho nên, ta sẽ lưu lại các ngươi, chỉ cần các ngươi sống một ngày, thì năm nước kia liền an toàn một ngày, bởi vì, cả đám các ngươi đều là rác rưởi.

- Tần Lập. Ngươi khinh người quá đáng!

- Tần Lập. Ngươi chết không được tử tế!

- Tần Lập. Ngươi ỷ thế hiếp người.

Băng Mộng Vân có chút không biết nói gì với đám võ giả Thôi gia, thầm nghĩ, người như vậy khó trách Tần Lập không để vào mắt, cũng thật sự là bùn lầy không chống đỡ được tường!

Thôi Khởi đích thực là có chút bổn sự. Nói đến trị quốc, trong toàn bộ Thôi gia gia tộc cũng không có mấy người làm tốt hơn hắn, nhưng trên phương diện quân sự thì chung quy lại là hắn không bằng những tướng quân thân kinh bách chiến. Mà Thôi gia lại khinh thường các võ giả thế tục này, nắm hết quân đội trong tay mình.

Quá ỷ vào số đông các võ giả Thiên cấp thì có thể đánh đâu thắng đó, không gì cản nổi, kiếm chỉ chỗ nào liền diệt chỗ đó sao? Nhưng hiện giờ trận chiến đấu này nhân số đạt tới trăm vạn người đó! Hơn nữa, càng quan trọng hơn là… trận chiến này đã thành công câu dẫn ra toàn bộ các thế lực sau lưng năm nước kia, ngươi có Thiên cấp võ giả, người ta cũng có môn nhân đệ tử Thiên cấp!

Cứ như vậy, thực lực song phương lại trở về khởi điểm. Có thể nói, trường chiến đấu này, Thôi gia sẽ gặp phải gian khổ chưa từng có! Hơn nữa, Thôi gia là phe tiến công, mà Liên minh năm nước là phe phòng thủ, bọn họ đánh thua còn có thể về nhà. Tin rằng Liên minh năm nước cơ bản sẽ không chạy tới Tân Tần quốc gây họa. Dù sao thì ai ai cũng biết, Tân Tần quốc có được một đội ngũ cung phụng mạnh mẽ.

Nhưng nếu Liên minh năm nước kia bị thua, thì cha mẹ, huynh muội, thê tử con cái họ đều phải trở thành tù nhân của địch, sẽ bị khi dễ, sẽ bị hiếp đáp!

Cho nên, sĩ khí song phương, hoàn toàn khác nhau!

Thêm nữa, ngày đó Tần Lập điều khiển xe ngựa như một thanh lợi kiếm trực tiếp xông qua mười vạn đại quân Tân Tần quốc, tru sát bảy tám mươi võ giả Thiên cấp! Việc này khiến Tân Tần quốc chịu đả kích trầm trọng.

Tần Lập nhìn kỹ Băng Mộng Vân, kéo tay Thượng Quan Thi Vũ nói:

- Thi Vũ, chúng ta đi thôi!

Băng Mộng Vân thản nhiên cười cười, cái gì cũng không nói, xoay người trở về hoàng cung đã chuẩn bị cho nàng. Cuối cùng nàng cũng hiểu được một chút, vì sao rất người lại tham luyến hồng trần như vậy. Thì ra, giữa thế tục, lại có thể hưởng thụ như vậy!

So sánh với nó, thời gian mình hô phong hóa vũ ở Tứ Quý Môn, chỉ là vui đùa bình thường mà thôi.

Hồng trần, hồng trần thật là tốt! Băng Mộng Vân quyết định, chờ sau khi chuyện cần làm hoàn thành, nhất định đi tìm một tiểu quốc, sau đó khống chế trong tay Tứ Quý Môn, sau đó, mình muốn thế nào liền được thế đó!

Một chuyến này tuy rằng không thể tiêu diệt toàn bộ hoàng thất Thôi gia, nhưng trong lòng Tần Lập đã hài lòng rồi. Thực ra cũng như Thôi Khởi nói, cho dù Tần Lập diệt toàn bộ hoàng thất đế quốc Tân Tần quốc thì Thôi gia cũng sẽ không dừng tay tranh đoạt năm nước Liên minh. Thứ mà bọn họ theo đuổi, tuyệt không phải đất đai nơi thế tục, mà thứ đó, là một bí mật kinh thiên!

Trên đời này tuyệt đối không có ai có thể kháng cự lại hấp dẫn này! Nếu không có cảm giác gì, đó là bởi vì không đứng trên độ cao kia, chênh lệch quá lớn, cho nên không có cảm giác.

Đơn giản mà nói, giống như khát vọng của một người bình thường đối với quan tước, tài phú; như khát vọng của một hoàng tử hoàng tộc đối với ngôi vị Hoàng đế. Đó là đạo lý.

Không ai không muốn một bước lên trời, nhất là đại tộc mang trên mình thế lực siêu cấp như Thôi gia này. Nếu không có dã tâm, thì tiền đồ của gia tộc này cũng chỉ dừng lại đó mà thôi.

Có thể có cơ hội phá tan rào chắn Huyền Đảo, đứng trên đỉnh cao của Thiên Nguyên Đại Lục, Thôi gia sao có thể bỏ qua?

Nhưng trải qua một trận chiến này, tin tưởng mười mấy hai mươi năm sau Thôi gia cũng khó mà hồi phục hoàn toàn lại được, vì bọn họ không có khả năng đặt toàn bộ tinh lực vào thế tục giới nữa.

Còn có giải đấu Chí Tôn, còn phải đề phòng các gia tộc khác dòm ngó Thôi gia nữa!

Cho nên, tồn tại của Tần Lập đối với Thôi gia mà nói quả thực giống như một cái xương cá trong yết hầu, tuy rằng không có quan hệ tới tính mạng, nhưng khó chịu muốn chết!

Ta muốn, chính là khiến các ngươi khó chịu! Các ngươi mà dễ chịu thì lão tử không thư thái.

Tần Lập ngồi trên ghế mềm xa hoa, híp mắt, trong lòng bắt đầu tính toán đến cuộc sống.

Người không có lo xa, tất có ưu phiền tới gần, giống như Tần Lập hiện giờ vậy. Nhìn qua thì thực lực hắn mạnh mẽ, nhưng nếu Thôi gia thực sự là dày mặt bất chấp tất cả, cái gì cũng không cần, phái ra vài lão tổ tông Chí Tôn thì chỉ sợ Tần Lập cũng chỉ có thể chạy trốn mà thôi.

Cho nên, trong lòng Tần Lập vẫn tồn tại một kế hoạch!

Tần gia mặc dù đối tốt với hắn, lực lượng gia tộc rất mạnh, nhưng chung quy cũng không hoàn toàn thuộc về hắn.

Tần Lập người này, dã tâm cũng rất lớn. Nếu có cơ hội, hắn cũng muốn thành lập một thế lực hoàn toàn thuộc về mình!

Thế lực này có thể không cần quá lớn, nhưng phải nắm chắc trong tay hắn!

Cho nên, lần này tề tựu tất cả những người có quan hệ thân mật với hắn, Tần Lập cũng đã có quyết định. Chuẩn bị lần này sau khi về Huyền Đảo, hắn liền triệu tập mọi người, xem họ nghĩ thế nào.

260. Chương 262

Tâm tư Tần Lập

Thất Thải Huyễn Quang Môn lại xuất hiện trên vách núi đen cao vạn trượng. Lâm Vân Lan ngửa đầu nhìn cảnh cửa năng lượng, khóe miệng không nhịn được khẽ nhếch lên, kinh ngạc không thôi.

Tán thưởng:

- Không tưởng được, trên đời này lại có kỳ tích như thế, nơi thần bí này làm sao mà hình thành?

Vấn đề này hỏi cũng như không, vì không ai có thể trả lời được. Ngay cả Ô Quận Vương là người tinh thông vô số thứ cũng không thể trả lời. Tần Lập thật không muốn dùng lý luận không gian giải thích một phen, hắn hiểu được lý luận này đừng nói là Lâm Vân Lan, cho dù là Thượng Quan Thi Vũ có thể nghe hiểu được hay không hắn cũng không rõ.

Dù sao thì hắn cũng không phải chuyên gia.

Sau khi tiến vào Huyền Đảo, dọc đường đi không gặp được người nào. Xem ra, gần đến giải đấu Chí Tôn các gia tộc và môn phái đều đặt tâm tư ở nơi đó.

Một ngày nay bọn Tần Lập một hàng lớn nhỏ trở lại thành Phong Sa. Xe ngựa vừa đến cửa Tần gia liền có rất nhiều người ra đón. Người tới trước là Tiểu Hồ Ly, Lãnh Dao, Bộ Vân Yên và Triệu Thiên Thiên, vẻ mặt vui sướng. Họ cuối cùng cũng đã chờ đợi được Tần Lập quay về, không có Tần Lập ở bên, dường như cuộc sống thiếu mất nhiều điều thú vị.

Tuy rằng Tần gia đối đãi với các nàng rất tốt, nhưng chung quy lại đây cũng không phải nhà mình, mấy người thậm chí còn có chút hối hận, không bằng lúc trước cùng đi với Tần Lập.

May mắn còn có Tần Hàn Nguyệt và Tần Tuyết ở cùng với ba cô gái. Sau khi tận mắt thấy thực lực mạnh mẽ của đám con cháu Tần gia, cả đám cũng đều cắn răng bắt đầu khổ luyện.

Ba cô gái đến đây thật ra lại khiến những người thanh niên trẻ tuổi Tần gia mười phần hưng phấn. Ba cô gái này tuy tới từ thế tục, nhưng các nàng đều là quốc sắc thiên hương, cho dù dùng từ thiên tư trác tuyệt cũng không đủ để hình dung!

Về phần Lệnh Hồ Phi Nguyệt thì cả đám con cháu Tần gia đều triệt để dập tắt tâm tư rồi. Ai chẳng biết cô gái này và Thượng Quan Thi Vũ đều là nữ nhân của Tần Lập, Tần Lập là ai? Nói không khoa trương chút nào, hắn là hy vọng của cả Tần gia!

Cho nên ánh mắt những người này đều phóng tới mấy người Lãnh Dao, nhưng lại không nghĩ rằng, ba cô gái đối đãi khách khí với họ, đối với người đều duy trì khoảng cách nhất định!

Đến cuối cùng mới có người nghe được từ Tần Tuyết, cảm tình của ba cô gái xinh đẹp này đều có liên quan tới Tần Lập!

Trong lòng Tần Lập lăn lộn với những ý nghĩ, hắn không biết rằng trong lòng Thượng Quan Thi Vũ, cũng đồng dạng là tim đập nhanh như hươu chạy, vừa rồi thời điểm hai người động tình, từ trên người Tần Lập nàng rõ ràng cảm giác được cái loại dị thường này đã khiến toàn thân nàng mềm nhũn vô lực, vừa sợ hãi, vừa tò mò… Hiện tại thấy Tần Lập đã tỉnh táo lại, biết hắn thương yêu mình, trong lòng nàng ngọt ngào, nhưng cũng cảm thấy có chút mất mát. Tuy nhiên phần nhiều vẫn là tình yêu dành cho Tần Lập càng thêm nồng nàn.

- Thi Vũ! Cho ta cái đó đi.

Cũng không biết Tần Lập nghĩ thế nào, vừa thốt ra xong, chính hắn cũng sửng sốt một chút, tuy nhiên ánh mắt vẫn còn thật sự nhìn đăm đăm Thượng Quan Thi Vũ.

Thượng Quan Thi Vũ đỏ mặt đến nóng lên, cảm giác trái tim đập thình thịch trong lồng ngực, đầu óc bay bổng đâu đâu, lại kìm lòng không được gật gật, tiếng nói như tiếng muỗi kêu:

- Muội… chúng ta không phải… đã sớm đính hôn rồi sao?

- Cái đó không tính! Ta muốn muội, chân chính làm thê tử của ta!

Tần Lập hai tay nâng gương mặt vô cùng mịn màng của Thượng Quan Thi Vũ, có chút bá đạo nói:

- Ta muốn muội làm nữ nhân của ta! Sau khi giải thi đấu Chí Tôn chấm dứt, chúng ta liền tổ chức hôn lễ, được không?

Thượng Quan Thi Vũ nhẹ gật gật đầu, trong mắt nhanh chóng dâng lên một màn hơi nước, sau đó vùi đầu vào lòng Tần Lập trong, buồn bã nói:

- Huynh phải luôn yêu muội như vầy!

- Ta sẽ!

Tần Lập không kìm nổi ôm sát Thượng Quan Thi Vũ, thân thể mềm mại kia nóng dần lên… đôi tay hắn cũng không kìm nổi không thành thật lên.

Thượng Quan Thi Vũ từ trong lòng Tần Lập nhảy vọt ra, hai gò má đỏ ửng nói:

- Muội… muội trở về ngủ đây!

Nói xong, vội vàng chạy ra ngoài, không còn chút phong phạm nào của cao thủ cảnh giới Hợp Thiên? Tần Lập ở lại một mình, vẻ mặt cười khổ, đưa tay lên mũi dường như còn dư hương mờ nhạt.

Tần Lập ngẩn người ngồi ở đó một hồi lâu mới đứng lên, thu lại vẻ tươi cười bước ra ngoài. Nhìn thấy phòng Lãnh Dao còn sáng đèn, hơi do dự một chút, Tần Lập bước tới gõ nhẹ cánh cửa.

- Ai?

Lãnh Dao đang ở trong phòng ngắm nghía chiếc vòng tay linh ngọc vạn năm Tần Lập tặng cho nàng, nghe tiếng gõ cửa nàng nhẹ giọng hỏi, thanh âm trong trẻo nhưng lạnh lùng.

- Là ta! Còn chưa ngủ chứ? Ta có thể vào không?

- A! Là ngươi, chờ một chút.

Lãnh Dao vội vàng cất chiếc vòng tay phía dưới gối đầu, rồi soi gương sửa sơ lại mái tóc của mình, sau đó mới nói:

- Công tử vào đi…

Tần Lập đẩy cửa bước vào, thấy Lãnh Dao sắc mặt ửng đỏ, bộ dáng dường như có vẻ ngượng ngùng, trong lòng thở dài, tuy nhiên vẫn cười nói:

- Tối như vậy còn chưa ngủ sao?

- Ta ngủ không được.

Lúc này Lãnh Dao ổn định lại bình thường, thản nhiên nói giọng trong trẻo nhưng lạnh lùng, mang theo vài phần đau thương.

- Là nghĩ tới cừu gia?

Lãnh Dao nhẹ gật gật đầu, sau đó thở dài một tiếng, không nói gì.

- Vậy tỷ không biết ta cùng với bọn chúng, kỳ thật cũng là có cừu hận sao? Hiện tại bọn chúng hận không thể lập tức giết chết ta mới hả giận.

Tần Lập dang hai tay, có chút bất đắc dĩ nói.

- Đừng nói bậy! Không nên nha! Công tử sao có thể chết được!

Lãnh Dao lườm Tần Lập một cái, bất mãn nói.

- Ha ha! Thật ra không có gì, ta biết tỷ đang lo lắng điều gì: tỷ e ngại nhắc tới chuyện báo thù, sẽ làm phiền ta và Tần Gia nên không nói ra, tự mình vẫn không cam lòng, đúng không?

Lãnh Dao thản nhiên ừ một tiếng, sau đó nói:

- Thôi gia thực lực quá cường đại, quả thực là khó có thể rung chuyển. Từ trước ta đã nghĩ đến, bọn họ nhất định rất có thế lực, nhưng mãi đến lúc đi vào Huyền Đảo này, ta mới chính thức hiểu được, cái gì gọi là thế gia siêu cấp! Ta nghĩ suốt cuộc đời này, cũng không có cơ hội báo thù.

Nhìn vẻ mặt Lãnh Dao ủ rũ mất mát, Tần Lập gật gật đầu, nói:

- Đúng vậy, thực lực của Thôi gia rất mạnh! Nếu cứ suy nghĩ theo lẽ thường muốn báo thù, tự nhiên là rất khó.

Lãnh Dao nghe Tần Lập cũng nói như vậy, trong lòng cảm thấy thập phần thất vọng. Cũng không phải là với Tần Lập, bởi vì nàng biết, Tần Lập nói đều là lời nói thật.

- Tuy nhiên, cũng không phải một chút hy vọng cũng không có!

Lời nói kế tiếp của Tần Lập, làm cho cặp mắt u sầu của Lãnh Dao một lần nữa dấy lên ngọn lửa hy vọng.

- Có cái hy vọng gì? Nghe nói cường giả cảnh giới Chí Tôn của Thôi gia, ít nhất cũng có mười mấy người! Với thực lực của chúng ta còn chưa đủ cho người ta nhét kẽ răng nữa!

- Nói không đủ sức như vậy, chẳng lẽ tỷ quên bản đan phương bí tịch thượng cổ trong tay chúng ta kia sao? Ta vì cái gì muốn thành lập thế lực thuộc về mình ở địa phương thần bí Cực Nhạc Thiên Cung kia, chẳng lẽ tỷ không hiểu sao?

Tần Lập vẻ mặt bình tĩnh nói tiếp:

- Ta đã tìm tài liệu bào chế Bạo Nguyên Đan không sai biệt lắm, chỉ còn thiếu một loại linh thảo còn không tìm được, linh hoa chế Cố Bản Đan ta cũng đã tìm được trừ bốn loại chỉ trên hải đảo mới có!

- Thật vậy sao?

Trong đôi mắt Lãnh Dao, lập tức lộ ra vẻ ngạc nhiên vui mừng. Có lẽ trong lòng nàng ngoài báo thù ra, còn lại chuyện hứng thú lớn nhất, chính là luyện đan!

- Đương nhiên là thật! Tuy nhiên, chúng ta không thể luyện chế đan dược ở Huyền Đảo. Mặc dù Tần gia đối đãi tốt, nhưng nơi này rất không an toàn!

- Đúng vậy, trên Huyền Đảo có quá nhiều gia tộc cùng môn phái thật cường đại, cùng với Thánh địa Phổ Đà trước kia, hoàn toàn là không có gì có thể sánh bằng!

Lãnh Dao nói xong, khóe miệng nổi lên một vẻ khinh thường, nói tiếp:

- Nghe nói Tần gia là gia tộc luyện đan nổi danh trên Huyền Đảo, nhưng ta thấy đan dược này, thật sự là rất bình thường nha!

Tần Lập cười khổ, hỏi:

- Trước kia Lãnh gia của tỷ luyện chế đan dược, có tốt như Tần gia không?

Lãnh Dao nghe vậy, không khỏi kinh ngạc, tuy rằng thời điểm gia tộc gặp chuyện không may, tuổi nàng còn nhỏ không lớn lắm, nhưng dù sao cũng có chút ấn tượng, nàng suy nghĩ một hồi, mới nói:

- Nguyên lai là bản bí tịch đan phương thượng cổ kia, khiến tầm nhìn của ta đề cao…

- Đương nhiên, cho nên tỷ yên tâm được rồi! Trong tay chúng ta, có đan phương tốt nhất trên đời này, chẳng lẽ còn sợ thành lập không được một thế lực cường đại như vậy sao? Lãnh Dao! Tỷ có nghĩ tới không, chỉ cần thực lực của tỷ đạt tới cảnh giới Hợp Thiên, thậm chí là cảnh giới Dung Thiên, là tỷ có thể có tuổi thọ mấy trăm năm. Với mấy trăm năm đó đủ để thành lập thế lực của chúng ta vùng lên. Đến lúc đó, Thôi gia ở trong mắt chúng ta, cũng vị tất đã đáng sợ như hiện giờ vậy!

Còn có câu, Tần Lập cũng không nói ra: nếu ta đột phá đến cảnh giới Chí Tôn, thì toàn bộ Thôi gia có gì đáng sợ? Tuy nhiên hiện tại nói ra như thế có vẻ hơi khoa trương. Chuyện không có nắm chắc có thể làm được, Tần Lập chưa bao giờ nói ra.

Trên gương mặt lạnh như băng của Lãnh Dao kia, rốt cục dần dần hòa tan đi, ánh mắt nhìn về phía Tần Lập, cũng biến thành vô cùng ôn hòa, nàng dịu dàng nói:

- Tần Lập! Cảm ơn công tử!

Mấy ngày sau, đám người Bộ Vân Yên, Lệnh Hồ Phi Nguyệt, Triệu Thiên Thiên, kèm theo một đại đội võ giả Tần gia, lưu luyến không rời cáo biệt Tần Lập, đi trước tới giới thế tục.

Tuy rằng trong lòng Tần Lập cũng có vài phần không muốn, nhưng đồng dạng trong lòng cũng mơ hồ hiểu được dụng ý của mấy người Bộ Vân Yên, trong lòng hắn cũng không biết là cảm kích hay là mất mát. Dù sao, Tần Lập cũng không phải là tảng đá vô tri, không phải không có tâm lòng, chỉ là có chút điềm đạm, thật sự là khó có thể chịu đựng hoàn cảnh này.

Lãnh Dao từ lúc nói chuyện cùng Tần Lập, sau đó liền bắt đầu chuyên tâm khắc khổ tu luyện, ngay cả đan dược cũng rất ít luyện chế. Nàng cảm thấy Tần Lập nói rất có đạo lý, chỉ cần nâng cao thực lực của chính mình, sống lâu thêm một số năm, như vậy, sớm muộn gì cũng có một ngày có thể nhìn thấy Thôi gia bị tiêu diệt! Thời gian mấy tháng cứ như vậy trôi qua, thoáng cái đã đến mùa đông trên Huyền Đảo.

Đương nhiên, toàn bộ Huyền Đảo trừ Tứ Quý Cốc kia là địa phương bốn mùa phân biệt rõ ràng, còn các địa phương khác đều bốn mùa xanh tươi ấm áp như mùa xuân.

Giải thi đấu Chí Tôn mỗi bảy mươi năm mới tổ chức một lần, cho nên, toàn bộ Huyền Đảo bất kể là môn phái gia tộc lớn nhỏ, thậm chí là các võ giả tán tu, đều tụ tập tới tìm vận may.

Đương nhiên, giải thi đấu Chí Tôn đồng dạng sẽ có chết chóc, sẽ có các loại âm mưu, dù sao giữa các gia phái trong đó có rất nhiều người cừu oán nhau, một khi đánh nhau chính là không chết không ngừng.

Hai gia tộc thì không thể tùy tiện sống mái với nhau, nhưng con cháu tộc nhân thuộc hai cái gia tộc đối địch, lại có thể lợi dụng cơ hội này để đánh nhau chí chết.

Bởi vậy, cũng không phải là gia tộc nào cũng dám đưa con cháu ưu tú nhất của mình đi tới tham gia giải thi đấu Chí Tôn, bởi vì cho dù không có thù hận, cũng có loại người lòng dạ hẹp hòi, ganh tỵ cố ý hạ độc thủ. Một con cháu có hi vọng nhất trong gia tộc bị rơi rụng, trên cơ bản chẳng khác nào dập tắt niềm hy vọng tương lai của gia tộc này. Loại chuyện hại người lợi mình này, luôn luôn không ít người cảm thấy hứng thú.

Vị trí Hoàng Kim Cung xuất hiện ở trên đỉnh núi cao nhất Huyền Đảo, cũng chính là ngọn núi Huyền Vũ. Nơi đó, cách thành Phong Sa Tần gia đại khái chừng nửa tháng lộ trình.

Cho nên, từ trước một tháng Hoàng Kim Cung xuất hiện, Tần Gia trên dưới cũng đã hoàn toàn chuẩn bị tốt. Lúc này đây, Tần Lập là chủ lực còn có hai mươi mấy người con cháu trẻ tuổi Tần Gia thực lực xuất chúng. Ái chà! Phải rồi! Có một số cũng không nhỏ tuổi, cỡ như Tần Văn Hiên vừa mới đột phá đến cảnh giới Hợp Thiên, đều xem như tuổi còn trẻ.

Dù sao, quy định của Hoàng Kim Cung là dưới một trăm tuổi. Mà trải qua ngàn vạn năm tích lũy, mấy giải thi đấu Chí Tôn gần đây, có thể nói cao thủ trẻ dưới trăm tuổi xuất hiện lớp lớp! Tuy nhiên, còn có một

điều: tham gia giải thi đấu Chí Tôn, cũng không phải chỉ có thực lực là đủ mà trọng yếu nhất là vận may.

263. Chương 265

Thôi gia càn quấy

Dọc theo đường đi đám người Tần Lập gặp vô số đội ngũ lớn nhỏ, đều chậm rãi hướng tới Huyền Vũ phong mà đi. Loại võ hội rầm rộ bảy mươi năm mới có một lần này, thật sự xem như rất hiếm thấy. Ngay cả Thượng Quan Thi Vũ cũng không khỏi cảm thấy vài phần tò mò. Tần Lập nhìn cảnh tượng người đông đúc như thế, bỗng nhiên nhớ tới thành phố lớn ở kiếp trước của mình, mỗi khi đến giờ tan tầm cũng không phải chính là cảnh tượng này sao?

Nghĩ tới hắn cười khổ một tiếng, ở nơi đó rốt cuộc không trở về được nữa rồi! Duy nhất làm cho hắn cảm thấy tưởng nhớ là lão đạo sĩ, hiện tại cũng không biết thế nào, trừ lão đạo sĩ ra Tần Lập đối với thế giới đó cũng không còn gì vướng bận!

Bởi vì chỉ có thế giới như Thiên Nguyên Đại Lục này, mới thực sự là địa bàn thích hợp cho hạng người như Tần Lập sinh tồn: Ai nắm tay lớn người đó chính là lão Đại! Ta thích!

Tần Lập suy nghĩ trong lòng, đột nhiên phía trước đoàn xe truyền đến một trận xôn xao, Tần Lập ngồi trong một chiếc xe ngựa cực kỳ xa hoa, bên trong trang trí cực kỳ sang quý mà không thô tục, hoành tráng mà không mất vẻ tinh xảo, không gian rộng rãi chỉ có hai người hắn và Thượng Quan Thi Vũ.

Toàn bộ đoàn xe Tần gia, có thể hưởng được loại đãi ngộ này chỉ có một mình hắn!

Đến ngay cả Tần Tỏa, cũng đều là xen lẫn trong một chiếc xe ngựa cùng một số con cháu Tần gia khác. Tuy nhiên, không có bất cứ người nào có một câu oán hận gì.

Người xưa nói rất đúng: khi thực lực của ngươi mạnh hơn đối phương chỉ một chút, như vậy đối phương sẽ không cho là đúng, cho rằng ngươi không mạnh hơn hắn; khi thực lực của ngươi mạnh hơn hắn một phần nào đó nhưng không nhiều lắm, hắn sẽ ghen tị, sẽ đỏ mắt, đồng thời phát thệ phải vượt qua ngươi! Mà khi thực lực của ngươi mạnh hơn hắn quá nhiều đến không thể so được, khiến hắn thúc ngựa cũng theo không kịp, cuộc đời này không có hy vọng vượt qua, thì hắn chỉ còn biết kính sợ ngươi, sùng bái ngươi, hâm mộ ngươi!

Kỳ thật Tần Lập hiện tại chính là thuộc diện cuối cùng kia, thực lực cùng cảnh giới của hắn, đã vượt qua hầu hết đám con cháu trẻ của Tần gia. Trong cùng lứa tuổi với hắn không có người nào có thể nổi bật như vậy!

Vì thế, cho dù Tần Lập nhận được ưu đãi tốt như thế nào đi nữa, cũng sẽ không có người nào cảm thấy đây là chuyện bất bình thường.

- Phía trước đã xảy ra chuyện gì rồi?

Thượng Quan Thi Vũ buông một bản bí tịch Ô Quận Vương viết trong chiếc nhẫn của Tần Lập.

- Có lẽ là một chút đụng chạm nhỏ thôi!

Tần Lập thuận miệng đáp, cũng không quan tâm lắm. Như nhiều người như vậy cùng tụ tập đi về một chỗ thường có va chạm. Hơn nữa trên cơ bản đều là người trẻ tuổi là việc chính, như lần này, Tần gia cùng đi chỉ có một lão tổ tông là Tần Lĩnh Sơn, các lão nhân trong gia tộc khác, nói vậy cũng sẽ không có tới đây nhiều lắm, cho dù có, cũng là để áp trận mà thôi, trên cơ bản sẽ không ra tay.

Cho nên nói, trong hoàn cảnh đó nếu như một chút đụng chạm đều không có thì thật mới đúng là chuyện lạ. Dọc theo đường đi này, Tần Lập đã nhìn thấy mười mấy lần đụng độ nhỏ với nhau.

Phát sinh xung đột giữa các gia tộc, hơn phân nửa đều do nhìn nhau không hợp nhãn. Nhưng gần như sẽ không thật sự tạo thành hậu quả nghiêm trọng. Nguyên nhân rất đơn giản, mọi người đều muốn dành sức lực để biểu hiện trong giải thi đấu Chí Tôn mới là việc chính, nếu giữa đường lại để giảm sút thực lực, vậy chẳng phải là sẽ tiếc nuối cả đời sao? Dù sao rất nhiều người suốt cả đời cũng chỉ có cơ hội một lần tham gia. Bởi vậy Tần Lập cũng không quan tâm, càng lười dùng thần thức đi tra xét đã xảy ra chuyện gì. Lúc này, bỗng nhiên phía trước có người phẫn nộ quát lớn:

- Các ngươi dựa vào cái gì đánh người?

- Đúng vậy! Bằng hữu sao ra tay đánh người, Thôi gia rất giỏi sao? Chúng ta trêu chọc gì các ngươi chứ?

- Hừ! Thôi gia làm vậy rồi sao? Chỉ bằng Tần gia các ngươi loại gia tộc bình thường rác rưởi này, ta vốn không thèm đặt trong mắt. Đáng tiếc các ngươi rất không tự giác, vội vàng đi theo chúng ta nhanh như vậy làm gì? Đừng tưởng rằng liên minh Tần gia các ngươi có một số gia tộc cường đại, các ngươi tự mình là có thể khoe khoang, ở trong mắt ta, đám đại tộc liên minh Tần gia các ngươi, cũng chỉ là là một đàn chó mà thôi!

- Ngươi nói gì!

- Ta nói như vậy rồi nào? Ngươi cắn ta à?

Gã Thôi gia trẻ tuổi kia nói lời cực kỳ lỗ mảng, sau đó còn có ý trêu chọc nói:

- Nghe nói Tần gia các ngươi, không phải đã xuất hiện một cái… cái gì thiên tài siêu cấp sao? Nếu không phục kêu hắn ra đây? Để xem ta làm thế nào thu thập hắn!

Trong tai Tần Lập lúc này bỗng nhiên truyền đến tiếng truyền âm của Tần Lĩnh Sơn:

- Tần Lập! Không cần để ý tới khiêu khích của Thôi gia, giao cho Tần Tỏa đi xử lý được rồi! Bọn chúng cố tình muốn chọc giận ngươi, chúng phái ra cũng đều là một đám bất nhập lưu. Đừng quan tâm, nếu không ngươi sẽ thua trí chúng đó.

Tần Lập không có trả lời, vẻ mặt bình tĩnh quay sáng nói với Thượng Quan Thi Vũ:

- Chúng ta xuống xe xem đã xảy ra chuyện gì.

Lúc này, phía trước đã bu đông một đám người, không riêng Tần gia, còn có rất nhiều người gia tộc môn phái khác. Nhìn thấy Thôi gia chủ động khiêu khích Tần gia đều lộ vẻ mặt hứng thú vây lại xem.

Lúc này Tần Tỏa tách đám người đi tới, nhìn thấy một người trẻ tuổi trong tộc, trên mặt in một dấu bàn tay sưng đỏ, trong mắt đầy vẻ ủy khuất, bởi vì trước khi đi đã được dặn dò: không được chủ động gây chuyện, lại càng không cho phép tùy tiện phát sinh xung đột cùng gia tộc như Thôi gia loại này. Dù sao, căn cứ trên thực lực mà nói, Tần gia còn xa không bằng Thôi gia.

Dựa theo số lượng phái ra con cháu lần này liền có thể thấy được, Tần gia bên này, tính toàn bộ chỉ có khoảng một trăm người. Mà Thôi gia bên kia, đội ngũ thật dài, liếc mắt một cái gần như nhìn không đến người cuối, ít nhất có hơn một ngàn người! Đây chính là thế mạnh của thế lực siêu cấp!

Ngày thường, ngươi có thể rất khó nhìn thấy bọn họ có động tĩnh gì, chỉ khi nào phát sinh sự tình gì đó, các cường giả gia tộc sẽ nhanh chóng hiện ra, thực khiến cho ngươi khó mà dự liệu được. Thậm chí có rất nhiều người trên giang hồ không có chút danh tiếng gì, nhưng bản lãnh lại không kém chút nào!

- Đã xảy ra chuyện gì?

Tần Tỏa nói giọng trầm thấp, sắc mặt bình tĩnh. Hắn biết rằng loại chuyện này, chỉ có thể để mình ra mặt, bởi vì giải thi đấu Chí Tôn lần này, đối với hắn cũng như là một lần khảo nghiệm.

- Gia chủ! Chúng ta không trêu chọc gì bọn họ, bọn họ lại động thủ đánh người!

Gã con cháu trẻ tuổi Tần gia bị đánh, theo bối phận so với Tần Tỏa còn nhỏ hơn hai đời, loại tình huống này ở bên trong đại gia tộc thường thấy.

- Hừ! Tiểu tạp chủng ngươi, còn học được thói vu cáo?

Tên con cháu Thôi gia kia, làm mặt lạnh cười nói:

- Rõ ràng là ngươi nói xấu sau lưng Thôi gia ta. Ta nổi giận mới cho ngươi một cái tát, thay trường bối của ngươi giáo huấn ngươi một chút. Thế nào, chẳng lẽ ta đánh sai?

- Ta không có!

Người Tần gia kia chỉ mới mười sáu mười bảy tuổi tức giận đến sắp khóc, nhưng lại ưỡn thẳng ngực, quật cường nói.

- Ngươi không có? Ngươi không có ta vì cái gì muốn đánh ngươi? Chẳng lẽ vì ngươi có bộ dạng đẹp? Phì! Ta thật không thích thỏ…

Gã con cháu Thôi gia này lộ vẻ mặt cao ngạo, nhìn thấy cực kỳ đáng ghét, rõ ràng là tìm tới gây chuyện.

Kỳ thật loại chuyện này, cũng không hẳn là có người nào bày mưu đặt kế, thể diện của Thôi gia năm lần bảy lượt bị đánh mất trong tay Tần Lập. Mặc dù đối với một đại gia tộc siêu cấp mà nói, chuyện này không tính cái gì. Nhưng đám con cháu trẻ Thôi gia thì không hẳn nghĩ như vậy, cả đám đều như lửa cháy trong lòng, đều mang ý định: gặp người Tần gia nhất định phải làm cho bọn họ méo mặt!

Không nghĩ tới thật đúng là xui khiến để bọn họ gặp phải. Mà nơi này cách Huyền Vũ phong cũng chỉ còn lại có hơn một ngày lộ trình, cho nên phần lớn mọi người thả chậm cước bộ, chậm một chút cũng không sao.

Tần Tỏa nhìn vẻ mặt ngông cuồng của gã con cháu Thôi gia, nhíu nhíu mày, trên thực tế trong lòng Tần Tỏa cũng rất muốn không quản tất cả xông lên tát cho tên đó mấy tát tai, đá hắn ngã trên mặt đất, sau đó dùng chân đạp trên mặt, giậm cho cái miệng của hắn nát tương, để xem về sau hắn còn có dám ăn nói ngang ngược như vậy nữa hay không.

Nhưng thực tế Tần Tỏa biết rằng: nếu mình làm như vậy, chỉ sợ người của hai gia tộc này ngay lập tức phát tiết tại đây, không đánh cho long trời lỡ đất cũng không thể dừng tay.

- Thôi gia các ngươi, đều là ngươi người như thế sao? Ngông cuồng ngang ngược! Dưới mắt không người! Hơn nữa, nửa điểm lễ phép cũng không có?

Tần Tỏa lạnh lùng nhìn gã con cháu Thôi gia nói tiếp:

- Nhân phẩm các hạ như thế, thực khiến cho người ta hoài nghi, ngươi có phải là kẻ giả mạo trà trộn vào đội ngũ Thôi gia hay không.

- Đánh chết con mẹ ngươi!

Gã con cháu Thôi gia này giận tím mặt, không nghĩ tới Tần gia nói chuyện miệng lưỡi ác độc như thế. Không ngờ lại lấy chuyện của hắn áp đặt đến trên đầu toàn bộ Thôi gia. Hơn nữa chẳng khác nào nói người của Thôi gia không có giáo dục.

- Ái chà! Nếu ta là trưởng bối của ngươi, ta thực lấy làm hổ thẹn! Mọi người nói xem, có phải như vậy hay không? Đây mà là cái gọi là đại gia tộc siêu cấp sao? Bọn họ giáo dục tinh anh hay là giáo dục ra thứ bại hoại này?

Tần Tỏa nói xong, hướng về phía mọi người vây xem bên cạnh cung tay nói tiếp:

- Tần gia ta tuy không phải là đại gia tộc gì, nhưng cũng không phải là kẻ yếu để người có thể khi dễ. Ngươi vô duyên vô cớ động thủ đánh con cháu ta, phải nói cho ta một cái lý do chính đáng!

- Đúng! Thôi gia có gì đặc biệt hơn người?

- Đúng vậy! Thôi gia sao có thể bạo ngược như vậy chứ?

- Thôi gia cùng Tần gia có cừu oán, nghe nói là sợ người thiếu niên thiên tài Tần Lập của Tần gia kia, không dám đi tìm chính chủ, lại khi dễ một đứa nhỏ.

- Ha ha ha ha!

Bốn phía đám người vây xem kia dường như chỉ sợ thiên hạ không loạn lập tức liền hùa theo ồn ào cả lên.

Gã con cháu Thôi gia kia bị nói nghẹn lời không nói gì, trong mắt bắn ra tia oán hận, vừa định há mồm mắng chửi người, bỗng nhiên lại nghe một giọng nói lạnh lùng:

- Được rồi! Nói không lại người thật mất mặt! Cút trở về cho ta!

Gã con cháu Thôi gia nghe vậy, lập tức đem ngậm miệng lại. Từ trên một chiếc xe ngựa phía trước bước xuống một người tuổi trẻ bộ dáng công tử, môi hồng răng trắng, phong lưu phóng khoáng, vẻ mặt ung dung tự tại, ánh mắt bình thản, nhưng ở chỗ sâu trong mắt cũng ẩn chứa vẻ ngạo nghễ. Hộ tống hắn cùng bước xuống là một gã trung niên có bộ râu cá trê.

Tần Lập cùng Thượng Quan Thi Vũ trong đám người vừa liếc mắt một cái liện nhận ra, người đó chính là Thôi gia công tử ở Tứ Quý Cốc ngày đó, bị Tần Lập xúi giục, sinh ra xích mích với Thập Tứ công tử Tạ Hiểu Trung của Tàng Kiếm Sơn Trang.

- A! Thì ra là Thất công tử Thôi Vũ Văn của gia chủ Thôi gia. Nghe nói ở Thôi gia được sủng ái nhất không phải là Đại công tử Thôi gia thiên tài siêu cấp trong truyền thuyết kia, mà là Thôi Vũ Văn này đấy!

Trong đám người có người nhỏ giọng bàn tán.

- Vì sao không phải là Đại công tử? Nghe nói Đại công tử Thôi gia kia, thực lực đã đạt tới một mức kinh khủng. Giải thi đấu Chí Tôn lần này, có lẽ sẽ ra mặt đấy!

- Hà hà! Tiểu tử này được sủng ái nguyên nhân a, nghe nói là mẹ của hắn…

- Ha ha ha ha!

Trong đám người lập tức truyền đến một tràng tiếng cười hiểu ý.

Lúc này Thôi Vũ Văn chậm rãi đi đến trước mặt Tần Tỏa, trên mặt hiện lên vẻ khinh thường cười lạnh, há miệng nói:

- Muốn cách nói à?

Đột nhiên, thân hình Thôi Vũ Văn chợt lóe, động tác của hắn nhanh như một tia chớp, nhằm phía Tần Tỏa, giơ cao cánh tay hung hăng tát vào mặt Tần Tỏa, đồng thời nói:

- Đây là cách nói của ta!

Tiểu Mùi

264. Chương 266

Giết thì sao?

Lấy thực lực của Tần Tỏa thì không thể ly khai khỏi công kích của Thôi Vũ Văn. Nhân phẩm của Thôi Vũ Văn tuy rằng không được tốt lắm nhưng một thân thực lực cũng không phải là vô cớ mà có được! Hắn có thể được sủng ái ở một đại gia tộc khổng lồ như Thôi gia tự nhiên không chỉ hoàn toàn là bởi vì mẫu thân hắn. Mà nguyên nhân đa phần là bởi vì bản thân tiểu tử này cũng là một võ giả thiên tư trác tuyệt! Nếu không làm sao có thể đánh đồng cùng một chỗ với Tàng Kiếm Sơn Trang Thập Tứ công tử Tạ Hiểu Trung, Thiên Cơ Môn Trầm Nhạc, và với Lâm gia Lâm tứ công tử Lâm Hằng?!

Những người vây quanh quan khán không kìm nổi phải thốt ra một trận kinh hô, thầm nghĩ người trẻ tuổi thoạt nhìn ôn hòa này gặp phải khó khăn rồi!

Thôi Vũ Văn đã nhanh nhưng một người giữa đám đông này còn nhanh hơn, đi sau mà tới trước. Giữa không trung mọi người đều nghe thấy một tiếng rắc do xương cốt nứt vỡ giòn tan. Sau đó nhìn thấy Thôi Vũ Văn giống như một con tôm lớn, thân hình cong lại bị người ta đá một cước bay về.

Hết thảy điều này phát sinh quá nhanh, giống như một tia chớp vậy. Gần như mọi người nơi này thậm chí đều không thấy Thôi Vũ Văn của Thôi gia làm sao mà bay đi, đương nhiên càng không rõ người nào ra tay?

Thân thể Tần Lập từ không trung hạ xuống bên cạnh Tần Tỏa. Lúc này ánh mắt của mọi người mới tập trung vào người hắn, không kìm nổi lại phải thốt ra từng trận kinh hô, không kìm được hít sâu mấy ngụm khí lạnh, nuốt nước miếng vào trong cổ họng thầm nhủ:

- Trời ạ, người trẻ tuổi kia là ai? Vừa rồi… thật sự là hắn đá một cước khiến Thôi gia công tử bay đi sao?!

- Mẹ ơi, ta không thấy rõ được! Tiểu tử kia sao mà lợi hại như thế?

- Hắn sẽ không phải là nhân vật truyền kỳ Tần Lập của Tần gia chứ?!

- Ai da, có thể!

Lúc này thân thể của Thôi Vũ Văn mới "Phịch" một tiếng, rơi vào trong đoàn xe khiến một chiếc xe ngựa xa hoa tan vỡ.

Tần Tỏa vừa rồi cũng đã chuẩn bị tâm lý sẽ bị thương, thậm chí bị thương nặng. Oán khí của Thôi gia đối với Tần gia cũng không phải chỉ là ngày một ngày hai. Liên tiếp chịu thiệt trong tay Tần Lập, Tần Tỏa thầm nghĩ đổi lại là chính mình thì cũng muốn trả thù một phen!

Hắn cũng không ngờ đệ đệ của mình lại ra tay đúng lúc, giúp mình thêm lần nữa!

Tuy nhiên, lúc này đây dường như đã chọc phải tổ ong vò vẽ… Bởi vì toàn bộ đoàn xe của Thôi gia đã dừng lại, đang có rất nhiều người không ngừng chạy tới nơi này.

- Kẻ nào làm bị thương đệ đệ của ta?!

Một tiếng gầm lớn từ bên kia truyền tới.

Khi tiếng hô dứt, chỉ thấy một đại hán râu quai nón, cầm một thanh cự kiếm màu đen dài chừng hai thước tản ra hào quang khiến người ta sợ hãi đang từng bước một đi tới. Mỗi bước chân, mặt đất dường như cũng phải run lên nhè nhẹ.

- Hừ, mặc kệ là ai làm đệ đệ ta bị thương, đều phải chết!

Một giọng nữ lạnh như băng đồng thời từ giữa những người vây quanh kia vang lên. Không ít người lúc này cũng là biến sắc mặt, bàn luận:

- Không thể tưởng được bọn họ đều đến đây. Thôi gia đối với giải thi đấu Chí Tôn lần này hẳn là ôm quyết tâm phải đạt được!

- Một nam một nữ này là ai?

Có người hỏi.

- Ngươi ngay cả bọn họ cũng không biết sao? - Thanh âm người kia mang theo đầy vẻ khinh thường.

- Ta thực hoài nghi lão huynh ngươi có phải là người của Huyền Đảo không đó!

- Ha ha, huynh đệ ngu dốt, còn mong ngài chỉ giáo nhiều hơn!

Người nọ cũng không tức giận nói.

Bên cạnh liền có người tiếp chuyện nói:

- Đại hán đen thui kia bốn mươi năm trước đã nổi danh, tự xưng Nộ Hùng, tên là Thôi Cương. Hắn là con thứ hai của đương kim gia chủ Thôi gia. Tuy nhiên, có người nói Thôi Cương là người được Thôi gia bồi dưỡng để trở thành gia chủ tương lai. Quan trọng là, bốn mươi năm trước, khi hắn mới mười bảy tuổi thì cũng đã đạt tới cảnh giới Phá Thiên!

- Hiện tại, chắc hắn cũng phải đạt tới cảnh giới Hợp Thiên rồi!?

Có người hô lên.

- Cảnh giới Hợp Thiên? ngươi là đang nói đùa à? Nếu không có thực lực cảnh giới Dung Thiên thì mới là điều không ổn?!

- Ai nha, tên Tần Lập của Tần gia này gặp phải khó khăn rồi! Đúng rồi còn có nữ nhân lãnh ngao kia nữa là ai?

- Người kia là Đại tiểu thư nhà Thôi gia, đừng nhìn bộ dáng tuổi còn trẻ - Trong đám người này có người giảm thanh âm xuống, nhẹ giọng nói - trên thực tế đã hơn năm mươi tuổi rồi! So với tên Thôi Cương kia thì tuổi lại còn lớn hơn! Thực lực của nàng ta sợ là ít nhất cũng đã đạt tới cảnh giới Hợp Thiên! Không nghĩ tới làm bị thương Thất công tử của Thôi gia mà lại dẫn tới hai người này. Còn không biết vị nhân vật tương truyền là cường đại nhất trong đám người trẻ tuổi có ở nơi này hay không nữa?!

Trong khi nói chuyện, đại hắn đen thui và nữ tử lãnh ngạo kia từ phía sau mang theo một đám người sắc mặt bất thiện chạy tới bên cạnh Tần Lập. Ánh mắt của đại hán đen thui kia đối thượng với Tần Lập, giữa không trung như nổi lên tia lửa vô hình!

Tuy nhiên, lửa giận của đại hán kia thoạt nhìn mạnh hơn một chút bởi vì Tần Lập lúc này cũng không biểu hiện ra chút chiến ý nào cả.

Nhưng nữ tử kia thì đôi mắt lạnh lẽo nhìn tới người Tần Lập lại như đang nhìn một kẻ đã chết vậy, lạnh lùng nói:

- Ngươi chính là Tần Lập?

- Là ta!

- Ngươi thật to gan, trước đây chuyện ngươi đã quá đáng đối với Thôi gia ta còn chưa tính hết, hôm nay trước mặt mọi người lại làm bị thương đệ đệ của ta! Tần Lập, ngươi thật sự cho rằng Thôi gia không dám động thủ với Tần gia các ngươi phải không?!

Nữ nhân này tuy rằng vô cùng lãnh ngạo nhưng ngôn từ bên trong cũng chính là rất kẻ cả, không thuộc loại xú nữ nhân la lối om sòm. Nhất là vừa lên tiếng đã nhất định gán người ta vào chỗ chết! Một đôi con mắt lạnh như băng thể hiện một sự tự tin, tự tin do xuất thân từ một đại gia tộc!

Đây mới chân chính là đệ tử của đại gia tộc, bọn họ có sự kiêu ngạo của riêng mình, có phương pháp hành xử của riêng mình nhưng rất ít khi đi nói ra những lời nông cạn!

Đại tiểu thư Thôi gia này vừa lên tiếng liền đem đấu đá cá nhân nâng lên thành tranh chấp gia tộc. Bởi vì Thôi gia thế lớn cho nên nàng không chút sợ hãi!

- Nghe ra như thế thì ta không đúng sao?

Khóe môi Tần Lập nhếch lên một vẻ tươi cười hời hợt, thần sắc không thay đổi nói:

- Vừa rồi nếu không phải một cước của ta còn lưu tình thì ngươi cho rằng tên đệ đệ không có tiền đồ của ngươi chỉ là trọng thương hay không có việc gì sao?!

- Tiểu tử, ngươi thật ngông cuồng! Có bản lĩnh thì đánh nhau với ta một hồi, như thế nào?

Nộ Hùng Thôi Cương hướng về phía Tần Lập quát lớn.

Đại tiểu thư khoát tay áo, ý bảo hắn hãy an tâm chờ chút, đừng vội vã, trên mặt cũng nổi lên vẻ cười lạnh:

- Tần Lập, ẩn ý của ngươi thì là ngươi lưu lại chút thể diện cho Thôi gia ta phải không? Nếu không lưu thì có thể như thế nào?

- Không lưu thì dưới một cước của ta hắn đã chết! Hơn nữa, vị tiểu thư Thôi gia này, ngươi không thấy rằng dùng Thôi gia các ngươi đến uy hiếp Tần gia, phương thức này có chút không ổn sao?!

- Ta không thấy có gì không ổn! Sự thật là như thế, Thôi gia ta chỉ cần động ngón tay là Tần gia các ngươi sẽ thành thiên cổ!

Đại tiểu thư không vì lời nói của Tần Lập mà thay đổi, thần sắc vẫn lạnh nhạt nói.

- Không hổ là đệ tử của đại gia tộc, thật sự khoe khoang, đúng là tự tin!

Sắc mặt của Tần Lập bỗng nhiên biến đổi:

- Nếu ta muốn ngươi đem kẻ vừa đánh người kia giao ra đây thì ngươi nhất định cũng không chịu phải không?

- Tần Lập, ngươi đang khảo nghiệm sự kiên nhẫn của ta hay sao?!

Đại tiểu thư Thôi gia lạnh lùng nhìn Tần Lập, trong lòng đã vô cùng phẫn nộ! Nếu không phải vì không muốn sớm bộc lộ ra vũ khí bí mật lớn nhất của bọn họ thì chỉ sợ lúc nàng nàng đã cho người giết chết Tần Lập rồi!

- Được rồi, các ngươi không giao…

Tần Lập nói xong, thân mình bỗng nhiên chợt lóe lên, biến mất tại chỗ. Nộ Hùng Thôi Cương và Đại tiểu thư gần như không kịp phản ứng. Chờ bọn họ kịp định thần thì Tần Lập đã đi tới phía sau, một tay nắm lấy tên đệ tử Thôi gia vừa khiêu khích Tần gia kia.

- Ta tự mình đến vậy!

Khi những câu này của Tần Lập thốt ra thì hắn đã về tới chỗ cũ. Chỉ là trong tay hắn lúc này lại có thêm một tên trẻ tuổi với khuôn mặt trắng bệch. Tuy hắn chưa mở miệng ra cầu xin tha thứ nhưng ánh mắt mang vẻ cầu xin đã hướng về Đại tiểu thư của Thôi gia.

- Tần Lập, ngươi làm gì? Nhanh chóng thả người ra, bằng không…

Đại tiểu thư Thôi gia quát lớn, chỉ tiếc lời của nàng còn chưa nói xong đã bị Tần Lập cắt đứt.

Chỉ thấy Tần Lập ngửa mặt lên trời cười lớn:

- Bằng không cái rắm! Kẻ làm nhục người khác, tử! Thôi gia các ngươi không chịu nhục nổi thì Tần gia chúng ta sẽ chịu sao? Đây là đạo lý gì? Không giết tên đệ đệ vô dụng của ngươi đã là để lại thiên đại thể diện cho Thôi gia các ngươi rồi! Mà tên súc sinh dám công nhiên lăng nhục Tần gia ta này thì vì cái gì mà ta phải lưu thủ với hắn!?

- Đại tiểu thư, cứu mạng!

Tên đệ tử của Thôi gia này từ trong câu nói dày đặc sát ý kia của Tần Lập cũng đã cảm nhận được sát tâm của đối phương. Lúc này hắn không kìm nổi, hét lớn lên cầu xin tha thứ!

- Tần Lập, không nên khi dễ một kẻ thực lực thua xa ngươi như thế! Có bản lĩnh thì hãy đánh với ta!

Cự kiếm trong tay Nộ Hùng Thôi Cương chỉ về phía Tần Lập nói.

- Phì!

Tần Lập hướng về mặt đất phun ra một bãi nước bọt, liếc mắt khinh thường nói:

- Lão tử thích khi dễ một kẻ thực lực không bằng ta thì sao! Thế nào? Muốn cắn ta sao?

Tần Lập nói ra lời này khiến những người vây quanh xem vui cười vang lên. Sắc mặt của hai huynh muội Thôi gia và những người phía sau đều trở nên vô cùng khó coi. Trên thực tế, kẻ trên tay Tần Lập thì cho dù là Thôi Cương hay Đại tiểu thư Thôi gia cũng không thật sự quan tâm đến sống chết của hắn! Chỉ vì đối phương là người của Thôi gia, nếu lúc này chết trên tay Tần Lập thì thể diện của Thôi gia đúng là mất hết!

- Tiểu tử, ngươi tốt nhất là nhanh thả ta ra, bằng không Thôi gia nhất định san bằng Tần gia ngươi!

Tên đệ tử Thôi gia bị Tần Lập nắm trong tay thấy dường như đối phương đã thu liễm sát khí lại, không kìm nổi lại thốt lên lời uy hiếp!

- Ngươi cho rằng lão tử không dám giết ngươi?!

Thanh âm của Tần Lập như cười như không.

- Không nên!

Tiếng quát chói tai của Thôi gia Đại tiểu thư vang lên bảo dừng tay. Chỉ thấy một tiếng rắc vang lên, người này đã bị Tần Lập siết đứt cổ, mất mạng đương trường!

- Giết hắn thì thế nào?!

Thanh âm của Tần Lập vẫn bình tĩnh như chưa hề phát sinh sự tình gì cả, khiến những người vây quanh xem náo nhiệt cũng sợ đến ngây người. Những người này giống như bị hóa thạch, ngây ngốc đứng đó. Tuy bọn họ biết kẻ bị Tần Lập nắm trong tay kia không phải có địa vị cao trong Thôi gia những ai cũng không nghĩ tới rằng Tần Lập lại rõ ràng như thế, tâm ngoan thủ lạt, nói giết là giết!

Tối trọng yếu chính là trước mặt gia tộc đối phương!

- Ah! Tần Lập, ta muốn giết ngươi!

Nộ Hùng Thôi Cương đã sớm nhân cơ hội này để gặp mặt kẻ được gọi là thiên tài của Tần gia. Khi thấy tộc nhân của mình bị người ta chặt đứt cổ trước mặt mình khiến cỗ lửa giận trong lòng rốt cuộc không kiềm chế nổi, cự kiếm trong tay vung lên, như lôi đình nhất kích chém về phía Tần Lập!

- Tiểu tạp chủng, chết đi!

Lúc này, trong đám người đứng phía sau Thôi gia cũng có mấy người ánh mắt lạnh như băng, trong đó có một người nhìn qua cũng chỉ hơn ba mươi tuổi, đôi mắt nhìn chằm chằm về phía Tần Lập, nhẹ giọng nói:

- Ta nhất định phải giết hắn!

265. Chương 267

Giải vây

- Đương!

Trên bầu trời lập tức truyền tới một âm thanh, loại âm thanh của kim loại chạm nhau cực lớn này truyền ra nghe cực kỳ khó chịu.

Lại nhìn đại hán đen thui kia, ánh mắt như dại ra đứng ở đó, nhìn chằm chằm vào nửa thanh thiết kiếm còn lại đến ngẩn người.

Thanh kiếm này dùng tinh thiết để đúc ra, lại cho thêm tinh kim cùng bí ngân và một số tài liệu đặc thù, hơn nữa đã có lịch sử đến mấy trăm năm rồi!

Nó từng được một số nhân vật cũng theo lộ tuyến cương mãnh sử dụng. Khi rơi vào tay Nộ Hùng Thôi Cương thì ít nhất đã qua tay mười mấy chủ. Hắn không nghĩ rằng hôm nay chỉ dưới một chiêu mà thanh kiếm này đã bị người ta chặt đứt!

Nộ Hùng Thôi Cương đã đạt tới cảnh giới Dung Thiên, căn bản không nghĩ tới vũ khí của mình lại bị người ta chặt đứt. Vừa rồi nếu hắn không nhanh trốn chạy thì sợ rằng thân mình hắn cũng có thể bị một kiếm kia chém thành hai đoạn!

Cỗ khiếm khí lẫm nhiên kia tràn ngập sát ý lập tức khiến Nộ Hùng Thôi Cương toát cả mồ hôi lạnh! Thậm chí quên cả phẫn nộ, gió mát thổi qua khiến lưng áo hắn ướt đẫm, sau lưng truyền tới một cảm giác lạnh lẽo! Khi Thôi Cương hồi phục tinh thần thì đôi mắt cũng đỏ lên! Vũ khí chính là thể diện của một võ giả, thậm chí thân thiết giống như bạn đời!

Nhìn thấy vũ khí của mình bị hủy chẳng khác nào bị người ta cho mình ăn một cái tát mạnh mẽ. Từ trong cổ họng Thôi Cương phát ra một trận gào rít. Hắn ném nửa thanh kiếm còn lại xuống đất, gào một tiếng tựa như lôi hống!

Khí thế cường đại của cảnh giới Dung Thiên phút chốc bộc phát ra! Một số người thực lực hơi kém ở xung quanh lập tức sắc mặt đại biến, hướng về bốn phía thối lui! Thôi Cương vung cánh tay, hung hăng đánh ra một quyền về phía mặt Tần Lập!

Tần Lập thấy thế cũng cười lạnh lẽo, Ẩm Huyết Kiếm chuyển sang tay trái, vung nắm đấm nhỏ bé kém xa so với Thôi Cương, không hề sợ hãi nghênh đón quyền của đối phương!

Không ít người vây quanh xem náo nhiệt lập tức phát ra một trận kinh hô. Không ít người lắc đầu thương xót, thầm nghĩ thiếu niên Tần Lập này đích xác rất cường đại nhưng đầu óc cũng không sáng sủa, lấy sở đoản của mình địch lại sở trường của người khác, có phải đầu óc bị phát bệnh không?

Hắn dùng nắm đấm thì ngươi dùng thần binh lợi khí có phải là xong rồi không?! Ngươi nhìn lại thân thể của mình đi, làm sao có thể là đối thủ của Thôi Cương?! Ý niệm này vừa nảy sinh trong đầu mọi người thì chợt nghe thấy một tiếng nổ lớn truyền ra từ giữa không trung.

Thân thể như kim cương rất to lớn của Thôi Cương lại mạnh mẽ bị đánh văng về phía sau, đồng thời một loạt âm thanh răng rắc của xương cốt vỡ vụn cũng truyền ra! Gần như mọi người đều trợn mắt há mồm nhìn một màn này!

Chỉ thấy Tần Lập chẳng những không bị Thôi Cương đánh tan nát mà thân mình thậm chí còn chưa di động! Còn Thôi Cương cao lớn, vạm vỡ giống như hắc thiết tháp kia lại phát ra một tiếng kêu cực kỳ thê thảm!

Lại nhìn về phía cánh tay phải còn tráng kiện hơn bắp đùi của người thường kia lại như là một sợi bún buông thỏng từ bả vai xuống, khuôn mặt tối đen kia giờ đã trở thành một mảnh trắng bệch!

Những giọt mồ hôi lạnh to như hạt đậu từ sau ót của Thôi Cương tuôn ra như nước chảy xuống.

Ầm!

Tất cả mọi người sợ ngây cả người. Khi phục hồi tinh thần thì đều không kìm được phải phát ra một tiếng kinh hô khó tin.

Tại sao lại có thể như thế? Ngay cả Thôi gia Đại tiểu thư cũng ngây ngốc đứng tại chỗ. Hết thảy những điều này chỉ phát sinh trong nháy mắt. Dù kiến thức rộng rãi như nàng ta mà cũng bị một màn trước mắt làm cho kinh ngạc đến ngây người.

Lại nhìn thấy người trẻ tuổi gầy yếu với khuôn mặt anh tuấn kia lẳng lẳng đứng đó, trên khóe miêng như hiện lên một vẻ mỉa mai như có như không.

Hình tượng của Tần Lập trong lòng mọi người cũng trở nên cao lớn hơn rất nhiều. Nhất là con cháu Tần gia cũng không kìm lòng được phát ra một trận hoan hô rung trời!

Giải đấu Chí Tôn lần này thật náo nhiệt! Chưa đợi đến khi Hoàng Kim Cung xuất hiện mà không ngờ lại phát sinh loại chuyện này. Xem ra cho dù rất nhiều năm sau, giải đấu Chí Tôn lần này cũng sẽ được nhiều người nhắc tới. Mà những người may mắn thấy được một màn này, trên khuôn mặt đều không kìm được phải lộ ra biểu tình hưng phấn! Thôi gia trong lòng mọi người đều gần như là một con quái vật khổng lồ!

Nếu hình dung thực lực của Thôi gia một cách trực quan thì nếu đem Thôi gia so sánh với một con lão hổ, thì các gia tộc khác nhiều nhất chỉ là một hầu tử mà thôi! Đây không phải là vũ nhục mà là một sự thật!

Cho dù hầu tử có liên hợp với những cường giả của sâm lâm như hắc hùng, sư tử, báo tử nhưng bản thân hầu tử nếu không có sự thay đổi gì thì vẫn chỉ là hầu tử mà thôi, chưa có tư cách đối thoại trực tiếp với lão hổ!

Chuyện này không phải một hai người là có thể thay đổi được. Đây là do Thôi gia tích lũy từ thời thượng cổ, trải qua hơn ngàn vạn năm!

Mà hiện tại, ở nơi này có một con tiểu hầu tử không ngờ dám vô cùng kiêu ngạo, lại hung hăng liên tục bạt tai lão hổ Thôi gia này một cái. Hơn nữa, mỗi lần đều có thể toàn thân trở ra, còn nghiêng đầu cười hì hì, nghênh ngang mà đi.

Những người vây quanh xem náo nhiệt nội tâm cũng cực kỳ kinh hãi, dùng câu "không biết sống chết" để hình dung Tần Lập bởi vì cho dù là hầu tử, tên Tần Lập này cũng chính là Vương giả trong đám hầu tử! Tôn nghiêm của hắn cũng không thể bị ai xâm phạm!

Bên kia, người của Thôi gia lúc này đã bắt đầu trở nên xao động, ánh mắt nhìn về phía Tần Lập chứa đầy vẻ thù hận! Đều là người trẻ tuổi nên đều có được một bầu nhiệt huyết không sợ chết! Mắt thấy chỉ trong khoảnh khắc mà hai chính dòng đệ tử thân phận vô cùng tôn quý của gia tộc mình bị thương, nhất là còn có một đệ tử dòng thứ bị người ta đương trường giết chết. Nếu không phải lo lắng có đại nhân vật còn chưa lên tiếng thì bọn họ sớm đã xông lên, đồng loạt đem tên Tần Lập, không, toàn bộ Tần gia băm thây vạn đoạn!

Tần Lĩnh Sơn cũng không từ trên xe ngựa bước xuống nhưng trong lòng tràn ngập lo lắng! Đến hôm nay, Tần gia vẫn chưa có được một cường giả Chí Tôn nào, mà bên đoàn xe của Thôi gia kia, chỉ trời mới biết là có ẩn chứa lão yêu quái cảnh giới Chí Tôn nào hay không? Thật sự nếu hắn không giữ thể diện, trực tiếp ra tay với Tần Lập, chỉ sợ… Tần Lĩnh Sơn có chút không dám suy nghĩ tiếp!

Lúc này ở rất xa bỗng nhiên truyền đến một tiếng hô hoán rất nhiệt tình:

- Ai nha, kia là Tần Lập huynh đệ phải không?! Ngươi thật là không biết suy nghĩ, uổng phí một phen tâm tư của ca ca, đã chủ ý chạy tới thành Phong Sa tìm ngươi mà không ngờ ngươi lại xuất phát từ trước. Thật là! Lúc này cuối cùng ta cũng đã đuổi kịp ngươi, ha ha!

Con đường đi về phía đỉnh Huyền Vũ rất rộng lớn nhưng lúc này lúc này đã đông cứng người. Gần như tất cả mọi người đều đã chạy tới xem náo nhiệt cho nên thời điểm thanh âm vang lên vẫn là đang ở bên ngoài đám người. Những khi những người vây quanh thấy rõ người tới thì không ít người lập tức nhường ra một cái thông đạo.

Còn có một số người không nhận thức ra thì cau mày, trong lòng thầm nghĩ dựa vào cái gì mà muốn lão tử nhường đường cho ngươi. Bị người bên cạnh kéo ra, thanh âm cảnh cáo nói:

- Hai tiểu tử các ngươi cũng thật là tinh mắt, quan hệ tốt với Tần công tử này đối với các ngươi hay gia tộc đều chỉ có lợi mà không có bất kỳ chỗ hại nào!

Trong lúc bọn họ nói chuyện đã sớm bày ra kết giới ngăn cách, cũng không sợ bất kỳ người nào có thể nghe thấy. Cho nên lời nói bọn họ đều rất trực tiếp.

Cho dù có võ giả Chí Tôn gia tộc khác ở đây cũng không cách nào nghe thấy đám người bọn họ nói cái gì!

Trừ bỏ loại gia tộc không có cường giả Chí Tôn làm át chủ bài như Tần gia, đại tộc bình thường cũng sẽ xuất hiện một ít cường giả Chí Tôn bảo vệ, hộ tống người trẻ tuổi trong tộc.

Giống như là Thôi gia cũng không phải là không có võ giả Chí Tôn lớn tuổi, nhưng những người đó trừ khi là có người muốn tiêu diệt toàn bộ Thôi gia nếu không bọn họ sẽ không dễ dàng ra tay. Hơn nữa đối với một tiểu tử không đến hai mươi như Tần Lập, ra tay với hắn quả thật là một chuyện rất mất mặt, làm bôi nhọ tên tuổi!

Nhưng Thôi Lãnh lại không giống vậy, tuy rằng tuổi của hắn xấp xỉ với phụ thân Tần Lập, nhưng cũng đủ để được xưng là cường giả Chí Tôn trẻ tuổi. Người của gia tộc bị khi dễ hắn đứng ra là chuyện rất bình thường, không có ai sẽ đưa ra ý kiến gì!

Nhưng tấn công lâu như vậy mà không thắng, ngay cả trong lòng Thôi Lãnh đều bắt đầu có chút vội vàng xao động. Đánh lâu như vậy hắn rốt cục lấy ra vũ khí tuyết kiếm của mình!

- Nhìn xem, thanh kiếm trong tay của Chí Tôn Thôi gia có phải là Thần Kiếm Lãnh Tuyết trong truyền thuyết hay không?

- Ái chà! Nhất định là vậy! Nhất định!

Có người kích động nói:

- Truyền thuyết Thôi gia có Thần kiếm tên là Lãnh Tuyết nhưng lại chưa từng thấy có người sử dụng. Không nghĩ tới hôm nay lại gặp được ở đây.

Lúc này có người gần gũi Thôi gia lớn tiếng nói:

- ha ha! Thần kiếm Thôi gia đã ra, tiểu tử Tần gia kia hẳn phải chết không thể nghi ngờ!

Người nọ vừa nói xong, bên này liền vang lên một giọng nói trào phúng:

- Hắc hắc! Thần kiếm có tác dụng cái rắm gì, Chí Tôn lại có tác dụng cái rắm? Không thấy biểu tình trên mặt Thôi Lãnh kia sao? Là phẫn nộ đến cỡ nào? Ha ha! Đường đường là võ giả Chí Tôn không ngờ lại bị một người trẻ tuổi cảnh giới Hợp Thiên đánh cho phải rút kiếm! Thật là một chuyện vinh quang sao?

- Ha ha ha ha!

Trong đám người truyền đến một hồi cười vang, bởi vì đại đa số người đều cho là như vậy!

Tuy nhiên còn có người ý thức được có chút không bình thường, dường như nhiệt độ không khí chung quanh đang hạ từng chút một!

- Lui về phía sau, lui nữa ra sau!

Có người la lớn.

Lúc này đoàn xe ngựa các gia tộc đều rời khỏi trung tâm chiến trường. Thôi gia cũng thế, Tần gia cũng thế, đều tránh đi rất xa biểu tình ngưng trọng nhìn hai người trên bầu trời.

Một trận chiến này đối với Thôi gia mà nói có quan hệ đến mặt mũi Thôi gia. Nếu là Thôi Lãnh bị bại, mặt mũi Thôi gia sẽ mất hết, nếu là Tần Lập bại, như vậy những ngày về sau của Tần gia cũng chắc chắn không sống khá giả!

Ai cũng không phát hiện, trong đám người còn có một đôi mắt tràn ngập oán độc nhìn chằm chằm Tần Lập trên bầu trời. Đây là một người trung niên nhìn qua hơn bốn mươi tuổi, ở bên cạnh hắn còn có ba lão già không rõ tuổi tác, mặt không chút thay đổi. Nhưng nếu nhìn thật kỹ, ánh mắt ba lão già này nhìn về phía Tần Lập cũng đều tràn ngập phẫn hận!

- Tần Lập! Hy vọng ngươi không nên chết trong tay Chí Tôn Thôi gia!

Người trung niên nghiến răng nghiến lợi nói.

Lúc này nhiệt độ không khí giữa Tần Lập và Thôi Lãnh đã hạ xuống một mức tương đối thấp, nhưng trên người hai người đều không nhìn ra bất kỳ biến hóa gì. Chỉ có Lãnh Tuyết kiếm của Thôi Lãnh kia nhìn qua dường như càng thêm trắng!

Ẩm Huyết kiếm trong tay Tần Lập lúc này cũng tự động phát ra tiếng "ô ô" trầm thấp. Một cỗ sát khí thật lớn không ngừng xông tới hàn khí trên bầu trời.

Đây giống như là giữa động vật với nhau, hai vương giả cường thế gặp nhau, về mặt khí thế ai cũng không muốn yếu hơn đối phương! Một khi khí thế yếu đi, vậy trận đánh này cũng không cần phải đánh tiếp!

Khí thế yếu đi, tất bại!

- Tần Lập! Hôm nay cho ngươi nhìn xem cái gì mới chân chính gọi là "Lãnh Kiếm Thôi gia" !

Thôi Lãnh nói xong, thân hình đột nhiên động, giống như đột nhiên biến mất vậy!

Trên bầu trời đột nhiên hạ tuyết như lông ngỗng!

Tuyết đó trong nháy mắt liền dày đặc đến mức làm cho người ta không thấy rõ bên trong rốt cục xảy ra chuyện gì. Đám người đã lùi ra rất xa không ngừng phát ra tiếng kinh hô. Thôi Lãnh này dùng dường như là chiến kỹ Thần cấp! Uy lực không ngờ lại mãnh mẽ như vậy!

Ngay cả ở ngoài khoảng cách vài trăm thước đều có thể cảm giác được cỗ gió lạnh thấu xương, như vậy ở vùng trung tâm sẽ là nơi khủng bố cỡ nào!

Một loạt tiếng binh khí chạm nhau vang lên, từ trong tuyết lớn truyền ra nhưng chỉ một lát liền trở về bình tĩnh.

Trái tim mọi người như nhảy lên cổ họng, khẩn trương nhìn sang bên đó không biết ai thắng ai thua.

268. Chương 270

Nổi giận

Trong phạm vi hai người chiến đấu một trăm thước, bông tuyết không ngừng bay xuống!

Nơi đó yên tĩnh giống như bên trong thật sự không có cái gì cả!

Ngay khi tất cả mọi người hận không thể đi lên trước vài bước, đi đến gần hỏi thăm một phen thì đột nhiên một cỗ nguy hiểm thật lớn từ bên trong truyền đến.

Người vây xem vẻ mặt hoảng sợ lại lùi ra đằng sau.

Rầm!

Một tiếng nổ kinh thiên từ bên kia vang lên, trên mặt đất bông tuyết lẫn bùn đất bị nổ lớn bay tán loạn!

Sau đó bông tuyết đầy trời chậm rãi biến mất, nhiệt độ trên bầu trời cũng bắt đầu khôi phục bình thường. Ánh sáng nóng rực chiếu vào bông tuyết rơi trên mặt đất nhanh chóng ta rã hóa thành một dòng nước chảy xuôi về chỗ thấp!

Mà hai bóng người trên bầu trời cũng biến mất không thấy.

Đúng lúc rất nhiều người nghi hoặc khó hiểu, hai bóng người từ hai nơi cực xa bay trở về!

Tê!

Đến lúc này, bảy, tám ngàn gần vạn người vây quanh lại không kìm nổi hít một ngụm khí lạnh. Trong lòng bọn họ cảm giác càng kinh hãi: Hai người kia rốt cục bay ra từ khi nào?

Trừ bỏ đám cường giả Chí Tôn cùng với một số ít võ giả cảnh giới Dung Thiên đỉnh thì căn bản không có người nào hiểu được rốt cục là xảy ra chuyện gì.

Mà lúc này Tần Lập cùng Thôi Lãnh lại giằng co trên không.

- Ngươi không phải đối thủ của ta!

Thần sắc Thôi Lãnh có chút cổ quái, dường như đau đầu không ngừng cau mày.

- Nhưng là ta chiếm tiện nghi!

Trên mặt Tần Lập lại rất thoải mái cười hắc hắc nhưng nếu nhìn thật kỹ thì khóe miệng của hắn vẫn có một tia máu. Chỉ là vết máu rất nhạt nếu không cẩn thận khẳng định sẽ không nhìn thấy.

- Ta cũng không bị thiệt!

Thôi Lanh cắn răng nói.

Mọi người phía dưới nghe thấy không hiểu tại sao, ngay cả trung niên vừa rồi vô cùng căm hận Tần Lập cũng không kìm nổi hỏi ba lão già bên cạnh:

- Đã xảy ra chuyện gì?

Những lời này chỉ sợ cũng là nghi hoặc trong lòng mọi người.

Một lão già sắc mặt vàng rực, bày ra kết giới mới thản nhiên nói:

- Tiểu nghiệt súc của Tần gia này… không dễ giết!

Một lão già ngọc diện khác, biểu tình trở nên ngưng trọng gật đầu, nói:

- Xem ra chỉ có chúng ta tập kích giết hắn, quyết không thể để hắn thành công tiến vào sân dự bị hình chiếu Hoàng Kim Cung!

Lão già mặt đen cũng nhíu mày gật đầu nói:

- Không sai. Nếu kẻ này tiến vào sân dự bị, chỉ cần không gặp Chí Tôn Thôi gia hai người đào thải một người vậy nhất định có thể tiến vào Hoàng Kim Cung. Đến lúc đó chẳng phải là chờ thêm mười năm? Chờ sau khi lên núi, trước khi Hoàng Kim Cung xuất hiện tìm cơ hội giết hắn!

Người trung niên vẻ mặt kinh hãi nói:

- Vì sao không chờ ta tự tay giết hắn báo thù cho phụ thân và đệ đệ ta?

Ba lão già gần như đồng thanh nói:

- Không được! Ngươi không phải đối thủ của hắn!

Sắc mặt người trung niên lập tức âm trầm, hắn thế nào cũng không nghĩ ra dao động trên người tiểu tử kia tản ra rõ ràng không phải là mạnh vì sao ba vị sư phụ đều nói mình không phải đối thủ của Tần Lập? Trong lòng hắn âm thầm tính toán: “Bất luận thế nào, mối hận này ta cũng phải tự tay báo! Tần Lập, ngươi chờ!”

Đồng dạng, Lâm Hằng cùng Trầm Nhạc cũng hỏi lão nhân bên người bọn họ.

Võ giả Địa Tôn Lâm gia bên cạnh Lâm Hằng sắc mặt có chút cổ quái nói:

- Tần công tử dường như phát động tinh thần công kích, tuy rằng không thể một chiêu đánh bại tuổi trẻ Chí Tôn của Thôi gia này nhưng dường nhưng cũng khiến hắn bị thương không nhẹ. Mà về mặt lực lượng thì Tần công tử chung quy kém hơn Chí Tôn Thôi gia, cho nên cũng bị một chút nội thương.

- Ngài là nói, hiện tại Tần Lập đã có bản lĩnh để đối kháng cường giả cảnh giới Chí Tôn?

Trên mặt Lâm Hằng tràn đầy vẻ khó tin.

Trầm Nhạc cũng trợn mắt há hốc mồm:

- Không phải là nói giỡn chứ?

- Còn đánh sao?

Tần Lập cười tủm tỉm nhìn Thôi Lãnh đứng ở đối diện, Tiên Thiên Tử Khí trong cơ thể nhanh chóng chữa trị nội thương của hắn.

- Hừ! Trên giải đấu Chí Tôn, ngươi nên cầu nguyện không nên gặp được ta, đến lúc đó nhất định cho ngươi đẹp mắt!

Giọng nói Thôi Lãnh mang theo vài phần thống khổ dường như đang chịu đựng cái gì.

- Cũng thế! Ngươi gặp được ta, tính ngươi không may!

- Hừ!

Thôi Lãnh không đáp lại, thân hình chợt lóe biến mất.

Tần Lập cũng từ không trung hạ xuống, trở lại nơi Tần gia. Mọi người lập tức vây quanh, vẻ mặt thân thiết đồng thời cũng hết sức hiếu kỳ nhìn Tần Lập.

Tần Lập khoát tay áo, cười nói:

- Ta không sao!

Nói xong hắn xoay người đi lên xe ngựa của mình, Thượng Quan Thi Vũ cũng theo sát sau đi lên.

Tần Lập trở lại xe ngựa, đầu tiên là phất tay lập kết giới sau đó mới lấy ra một chậu hoa trong xe, hơi chút dùng lực phun ra một búng máu vào chậu hoa. Bên trong còn có một cục máu màu đen.

- Hả! Tần Lập, huynh làm sao vậy?

Thượng Quan Thi Vũ run giọng hỏi.

- Không việc gì, bị một chút nội thương. Phun ra cục máu này, nghỉ ngơi một chút là ổn!

Tần Lập khoát tay ý bảo mình không sao, đồng thời nhắm hai mắt lại. Tiên Thiên Tử Khí giống như thủy ngân hướng tới đoàn xe Thôi gia phía trước tràn tới!

Đám người vây quanh đều chẳng biết ra sao bởi vì nhìn đến cuối cùng cũng không nhìn ra được đến tột cùng ai thắng. Tuy nhiên chỉ là như vậy, ánh mắt những người này nhìn lại về phía Tần gia đã thay đổi. Tần Lập chính diện đánh với một cường giả Chí Tôn, hơn nữa chẳng phân thắng bại. Mà hắn còn chưa đến hai mươi tuổi!

Mà đám người Thôi gia thì đều ủ rũ, trở lại đoàn xe của mình tiếp tục đi về phía trước nhưng sĩ khí lại trở nên vô cùng giảm sút!

Chí Tôn ra tay, dùng chiến kỹ cường đại nhất Thôi gia cùng với Lãnh Tuyết kiếm cũng không thể chém chết tiểu tử kia. Đối với đám con cháu kiêu ngạo của Thôi gia này mà nói, loại đả kích này quả thật là quá lớn!

Lại nói Thôi Lãnh, trở lại xe ngựa của mình cũng đồng dạng bày ra một đạo kết giới lập tức không kìm nổi rên rỉ thành tiếng. Trong xe ngựa còn có hai lão già, theo Thôi Lãnh trở về lại có bốn lão già xuất hiện trong xe.

- Thôi Lãnh. Tiểu nghiệt súc kia làm thế nào tổn thương đến ngươi? Chẳng lẽ là lực lượng tinh thần?

Một lão già mặt mũi âm trầm, trầm giọng hỏi.

Thôi Lãnh gật gật đầu, sắc mặt hơi chút đỏ lên, từ trong túi lấy ra một bình sứ đổ ra một viên đan dược ném vào miệng, sau đó mới nói:

- Đúng vậy! Trong tay tiểu tử kia khẳng định có chiến kỹ về tinh thần lực!

Mấy lão già trong xe liếc mắt nhìn nhau, ánh mắt đều sáng ngời.

- Chiến kỹ tinh thần lực? Chúng ta nhất định phải chiếm được!

Một lão già tinh quang trong mắt sáng lóa, nói.

- Đúng vậy! Thôi gia ta vạn nghìn năm qua cũng chỉ có một quyển chiến kỹ về mặt tinh thần lực mà lại còn là chủ phòng thủ. Chiến kỹ tinh thần lực của tiểu tử kia khẳng định là chủ công kích!

- Nhất định là như thế, có tin đồn tiểu nghiệt súc kia không sợ uy áp cường giả Chí Tôn. Vốn tưởng rằng trên người hắn có bảo vật, hiện tại xem ra nhất định là tu luyện loại chiến kỹ tinh thần lực này!

- Bảo vật trên người tiểu nghiệt súc này thật sự là không ít!

Một lão già Thôi gia cảm thán nói:

- Thanh kiếm trong tay hắn không kém gì Lãnh Tuyết kiếm của Thôi gia chúng ta. Chiến kỹ tinh thần lực, còn có chiến kỹ hắn dùng, nghe nói gọi là chiến kỹ Cửu Thiên Thập Địa Duy Ngã Độc Tôn gì đó? Chiến kỹ này nghe ra giọng điệu thật ghê gớm, nhưng thấy thân thủ tiểu tử này dường như cũng có chút xứng với cái tên đó!

- Chiến kỹ này, thật ra ta biết một ít.

Một lão già khác của Thôi gia lấy tay vuốt râu, nói:

- Nó vốn là một quyển chiến kỹ truyền trong thế tục, rất nhiều người từng tu luyện nhưng có một chỗ thiếu hụt trí mạng. Mỗi sáu tháng một lần sẽ xuất hiện niết bàn, sau ba lần niết bàn sẽ bị tổn thương linh hồn mà chết. Không biết tiểu nghiệt súc này làm thế nào tu luyện thành công!

- Đúng vậy. Những thứ này đều là thứ chúng ta muốn biết, nhất định phải khiến chúng nó biến thành đồ vật của Thôi gia ta! Đối với chuyện lớn kia của chúng ta sẽ mang đến tác dụng có tính mấu chốt! Cho nên tiểu nghiệt súc này, tạm thời không thể giết hắn, nhất định phải bắt giữ! Về phần Tần gia kia, trước tiên buông tha bọn họ, ma túy bọn họ. Chờ đến lúc bí mật này đều trở thành Thôi gia ta, rồi lúc đó tiêu diệt bọn họ cũng được!

Thôi Lãnh lúc này bỗng nói:

- Nghe nói Tần Lập kia là một kẻ phong lưu, cùng với thất đệ Thôi Vũ Văn của ta tranh một nữ nhân. Hôm nay nhìn thoáng qua, dĩ nhiên là một cái Tiên Thiên linh thể. Người như thế nếu là làm thuốc… chỉ sợ là có chỗ tốt rất lớn đó!

Mấy lão già Thôi gia đều ngẩng đầu, có chút cổ quái nhìn Thôi Lãnh. Đại khái bọn họ không nghĩ tới Thôi Lãnh không ngờ không biết thương hương tiếc ngọc, không ngờ muốn đem một thiếu nữ tuyệt sắc yểu điệu đi làm thuốc!

Tuy nhiên đề nghị này của Thôi Lãnh cũng khiến mấy lão già Thôi gia ngẫu nhiên động tâm. Thực lực đạt tới một cảnh giới nhất định, cái gì lễ pháp, luân lý, đạo đức đều là thứ có thể tùy ý giẫm nát dưới chân!

Tiên Thiên linh thể cho dù là trên Huyền Đảo cũng là ngàn năm khó gặp. Nếu thật sự hoàn toàn luyện hóa, luyện chế thành linh dược như vậy đối với tăng thực lực thật sự là có tác dụng phụ trợ rất lớn!

Một lão già trong đó nói:

- Nhưng trước tiên bắt nữ oa kia dùng để uy hiếp Tần Lập. Đợi cho sau khi Tần Lập nói hết bí mật rồi luyện chế nữ oa kia thành thuốc cũng không chậm.

- Uy hiếp dường như có chút không ổn. Lần nay Lâm gia cùng Thiên Cơ Môn, còn có không ít gia tộc môn phái đều phái không ít lão quái vật cảnh giới Chí Tôn đến. Nếu chúng ta làm quá đáng chỉ sợ sẽ khiến bọn họ phản kích kịch liệt. Các ngươi đừng quên, đan dược của Tần gia cũng là tuyệt thế trân bảo!

Một lão già Thôi gia híp mắt phân tích.

- Vậy thì chờ giải đấu Chí Tôn chấm dứt!

Thôi Lãnh cắn răng nói:

- Chỉ là nếu trong giải đấu gặp được Tần Lập kia, ta vẫn là phải đào thải Tần Lập kia. Tối đa là không giết hắn!

- Đúng, cứ quyết định như vậy, tha cho hắn một mạng. Đợi sau khi giải đấu Chí Tôn chấm dứt, chúng ta tìm cơ hội ra tay!

Đám người Thôi gia ở trên chiếc xe ngựa xa hoa thoải mái rất nhanh quyết định một kế hoạch ác độc như vậy.

Tần Lập khẽ nhắm mắt, sắc mặt xanh mét thân hình có chút khong kìm nổi run rẩy. Tiên Thiên Tử Khí chậm rãi thu hồi, lúc mở hai mắt đã tràn ngập sát khí kinh thiên!

Đồng dạng, trong lòng Tần Lập cũng sớm cuộn trào sóng lớn động trời: "Thôi gia, lúc này nếu không thể cho các ngươi thất bại thảm hại, chết sạch không thừa một người thì lão tử không phải họ Tần!

Tiểu Mùi

Duy Ngã Độc Tôn

269. Chương 271

Trên đỉnh Huyền Vũ

- Lão tổ tông! Ngài nói với ta một số quy củ của giải đấu Chí Tôn đi.

Trên chiếc xe ngựa nhìn không bắt mắt của Tần Lĩnh Sơn, vẻ mặt Tần Lập bình tĩnh, khẽ hỏi.

Xe ngựa không lớn, trang trí bên trong cũng rất đơn giản nhưng làm cho người ta có một loại cảm giác tâm bình khí hòa (bình tĩnh, hòa nhã). Hiển nhiên gỗ tạo xe ngựa cũng không phải thứ bình thường.

Tới cảnh giới cùng tuổi của Tần Lĩnh Sơn, càng nguyện ý thân cận tự nhiên một chút cho nên những thứ xa hoa này lão gia tử cũng không thích.

- Ồ? Làm sao bỗng nhiên hỏi về chuyện này?

Tần Lĩnh Sơn ít nhiều có chút nghi hoặc nhìn Tần Lập.

- Con nghe nói quy của của Hoàng Kim Cung là dưới trăm tuổi, cảnh giới Chí Tôn trở xuống mới có thể tham gia. Nhưng Thôi Lãnh rõ ràng là cảnh giới Chí Tôn, vì sao hắn có thể tham gia?

Tần Lĩnh Sơn lắc đầu, nói:

- Ngươi nói sai rồi. Quy củ là như vậy, trên trăm tuổi, Chí Tôn trở lên không thể tham gia mà không nói là Chí Tôn là không thể tham gia. Mà là võ giả Chí Tôn trở lên không thể tham gia. Quy củ này rất nhiều năm qua đều bị cho rằng không có tác dụng. Bởi vì thứ nhất: trong vòng trăm tuổi có thể đạt đến cảnh giới Chí Tôn, từ xưa đến nay cũng không có mấy người; thứ hai là võ giả đột phá cảnh giới Chí Tôn, tuy rằng trong truyền thuyết là có nhưng lại chưa bao giờ thấy qua. Ta cũng chưa bao giờ cho rằng, trên thế gian này còn tồn tại võ giả trong vòng trăm tuổi liền siêu việt Chí Tôn. Cho nên rất nhiều năm qua ta đều không hiểu quy củ này.

- Dựa theo ý của ngài là võ giả Chí Tôn dưới trăm tuổi là có thể giam gia giải đấu Chí Tôn?

- Đương nhiên! Quy định này phải chia làm hai bộ phận. Thứ nhất phải là võ giả trong phạm vi trăm tuổi, đây là quy định không thay đổi; thứ hai chính là võ giả cảnh giới Chí Tôn trở lên không thể gham gia. Nói cách khác, cho dù ngươi trong vòng trăm tuổi siêu việt cảnh giới Chí Tôn là có thể tham gia!

Tần Lĩnh Sơn nhíu mày nói, sau đó lại cười khổ nói rằng:

- Kỳ thật quy củ này chưa từng có người để ý. Ít nhất ta cho tới bây giờ chưa từng nghe qua có võ giả nào trong vòng trăm tuổi đạt tới cảnh giới Chí Tôn. Thôi Lãnh của Thôi gia này thật đúng là người thứ nhất!

Nói thật ta thật sự có chút lo lắng. Người này hôm qua tuy rằng cũng bị thất thế nhưng ta vẫn có cảm giác hắn còn có chuẩn bị. Cho nên nếu gặp hắn ngươi nhất định phải cẩn thận!

Tần Lập gật đầu:

- Lão tổ tông! Con đã biết, ngài cứ yên tâm!

Đỉnh Huyền Vũ hùng vĩ cao chót vót, ở vào vùng ven phía đông nam Huyền Đảo. Đầu Huyền Vũ thật lớn hướng về phía mặt trời mọc, lại đi tới phía trước không đến trăm dặm là biên giới của Huyền Đảo. Nơi đó là hư không vô tận, võ giả bình thường căn bản không thể vào. Mà cho dù tiến vào trong cũng sẽ bị lạc ở đó. Không ai biết trong nơi hư vô đó rốt cục có cái gì.

Đỉnh Huyền vũ vô cùng to lớn, cho dù lúc này toàn Huyền Đảo có hơn mười vạn người tiến vào cũng không cảm giác được chật chội nhiều lắm.

Các gia tộc môn phái đều ở trên đỉnh Huyền Vũ tuyển chọn kỹ lượng nơi đóng quân. Những nơi này cơ bản đã sớm định hình. Mà như bảy thế lực lớn cùng một số gia tộc môn phái cao cấp lại từ rất nhiều năm trước cũng đã xây dựng hành cung ở nơi này!

Xây dựng hành cung ở đây, cái loại khó khăn cùng tiêu hao rất lớn thật sự không phải thế lực bình thường có thể chịu được. Nhưng đối với các thế lực khống chế mấy quốc gia mà nói thì thật đúng là không đáng bận tâm.

Phía đông nam của đỉnh Huyền Vũ, giữa một sườn núi là một bình đài vô cùng lớn, bán kính bình đài khoảng chừng hai mươi dặm. Mà vách đá mà bình đài dựa vào cao khoảng mười lăm dặm!

Loại núi khổng lồ này so với bất kỳ ngọn núi nào kiếp trước Tần Lập từng gặp đều phải cao hơn rất nhiều lần!

Người đứng trên bình đài nhìn vách đá vô tận, cái loại ấn tượng đánh vào thị giác quả thật rất cường đại. Cũng khó trách Hoàng Kim Cung lại buông xuống trên bình đài này!

Con đường kia cũng chỉ thông đến phía trên bình đài, các nhà đều đóng quân ở trong này. Tần gia lựa chọn là một nơi dựa vào núi đá, mấy mươi lều trại dựng lên, xem ra cũng rất quy mô.

Thượng Quan Thi Vũ đứng cạnh Tần Lập nhìn vào vách đá trên đỉnh đầu không thấy đỉnh, không biết bao nhiêu tầng sương mù và mây trắng lượn lờ bên trên. Cảm giác ngọn núi này dường như muốn đâm thẳng lên trời vậy.

- Nơi này thật đẹp!

Thượng Quan Thi Vũ cảm thán nói.

Tần Lập đứng cạnh nàng, lấy tay ôm vùng eo thon mềm mại đầy co dãn của Thượng Quan Thi Vũ, nói:

- Hay là chúng ta lên trên nhìn?

- Không thể!

Giọng nói Tần Lĩnh Sơn từ cách đó không xa truyền đến.

Sắc mặt Thượng Quan Thi Vũ đỏ ửng tránh khỏi tay Tần Lập. Tuy nói quan hệ của hai người đã sớm được xác định nhưng chung quy còn chưa làm lễ cưới. Loại cử chỉ vô cùng thân thiết chỉ giới hạn ở chỗ vắng người, nếu trước mặt người khác vẫn rất thẹn thùng.

- Đỉnh Huyền Vũ này chính là Thánh sơn của Huyền Đảo. Nghe đồn Thần tiên thương cảm loài người cho nên mới mỗi 70 năm khiến cho Hoàng Kim Cung xuất hiện một lần, dạy nhân loại rất nhiều tri thức khiến cho văn minh có thể truyền thừa kéo dài. Nguyên bản trên Huyền Đảo là thiên hạ của các loại linh thú mạnh mẽ, mà trên đỉnh Huyền Vũ này lại có một linh thú cường đại đến khó tin. Mà nơi bình đài này đã được bảo hộ mới không bị linh thú tấn công đến. Nhưng trên đỉnh Huyền Vũ này… Nhất định không thể lên!

Vẻ mặt Tần Lĩnh Sơn nghiêm túc, từ xa xa nhìn Tần Lập nói. Lão biết huyền tôn của mình cái gì cũng tốt, nhưng là lá gan có chút quá lớn! Quả thật chính là to gan lớn mật. Trên đời này dường như không có gì có

thể khiến hắn cảm thấy sợ hãi. Cho nên Tần Lĩnh Sơn chỉ có thể lấy truyền thuyết nghe được từ khi còn bé để hù dọa Tần Lập. Lại không nghĩ rằng, lúc này ngược lại dẫn đến một đám con cháu trẻ tuổi Tần gia nổi lòng hiếu kỳ, không ít người vây lại đây. Tần Tỏa nhìn Tần Lĩnh Sơn, vẻ mặt mong đợi:

- Lão tổ tông! Xin người kể một chút, trên đỉnh Huyền Vũ này có những linh thú cường đại nào đi!!!

- Đám nhóc con các ngươi, không có việc gì lại đây ồn ào gì thế!

Tần Lĩnh Sơn trừng con ngươi, trong lòng cũng rất cao hứng. Tần gia đã không biết bao nhiêu năm không có loại không khí như hiện tại. Đám trẻ tuổi trước mắt này đều là hy vọng và tương lai của Tần gia!

Mà Tần Lập lại là thần tượng trong mắt tất cả đám trẻ tuổi Tần gia cộng đồng sùng bái. Chỉ cần Tần Lập vẫn có thể trưởng thành lớn mạnh, như vậy Tần gia quật khởi cũng là một ngày không xa.

- Lão tổ tông! Ngài nói đi mà!

- Đúng vậy, lão tổ tông. Chúng con đều rất thích nghe chuyện này!

- Đúng vậy, lão tổ tông nói đi mà!

Một đám con cháu trẻ tuổi Tần gia đều nhìn ra Tần Lĩnh Sơn đang giả bộ vì thế đều cười ồn lên.

- Được rồi, được rồi! Ta liền nói cho các ngươi một chút về truyền thuyết của đỉnh Huyền Vũ này. Tuy nhiên các ngươi nghe cho kỹ, ta nói cũng không phải tất cả đều là truyền thuyết không có thật, mấy ngày hôm nay các ngươi đều yên ổn ở nơi này không được đi loạn, không được gây chuyện. Nếu có người vi phạm, cũng đừng trách ta dùng gia pháp xử lý các ngươi!

- Chúng con đều nhớ kỹ!

Một đám con cháu Tần gia, đáp ứng vang rền khiến cho người của các gia tộc, môn phái cách đó không xa đều lấy làm kỳ. Người trẻ tuổi luôn thích sùng bái người cường đại hơn so với mình cho nên một số người trẻ tuổi của không ít gia tộc, môn phái đều cảm thấy sùng bái Tần Lập – người có thể chống đỡ một võ giả Chí Tôn mà không bị thua thiệt. Cũng thậm chí có một số người hận mình không phải là một thành viên của Tần gia. Một đám con cháu Tần gia đều biết việc này cho nên mấy ngày qua, mỗi người đều cảm thấy tự hào.

Nơi dừng chân của Thôi gia cách nơi này mấy dặm, sau khi đi tới Huyền Vũ đài (bình đài trên đỉnh Huyền Vũ) liền trở nên hết sức khiêm tốn. Ở trong mắt rất nhiều người, bọn họ là bởi vì sĩ khí hạ thấp, nhưng Tần Lập lại rất rõ ràng, Thôi gia làm vậy chỉ là vì che mắt người đời mà thôi.

- Giải đấu Chí Tôn 2100 năm trước, từng có đệ tử một môn phái vì tò mò mà từ bên cạnh Huyền Vũ đài trèo lên đỉnh Huyền Vũ, gặp được một đại mãng xà dài trăm thước. Con đại mãng xà kia to như một thùng nước, toàn thân tối đen như mực, trên đầu có hai sừng nhọn; toàn thân vảy bóng loáng giống như mặc ngọc vậy, nhìn qua cực kỳ khủng bố. Tên đệ tử đó thiếu chút nữa bị dọa chết tại chỗ, chạytrối chết. May mắn con cự mãng kia không có hứng thú với hắn, nếu không tên võ giả chỉ có cảnh giới Hợp Thiên đó hẳn phải chết không nghi ngờ! Bởi vì khí tức phát ra trên thân con cự mãng kia sâu không lường được!

- Lão tổ tông! Con cự mãng kia có cảnh giới Chí Tôn sao?

TầnTỏa hỏi.

- Chỉ sợ còn hơn!

Đôi mắt Tần Lĩnh Sơn cũng lộ ra mấy phần mê hoặc, sau đó nói:

- Từ cổ đến nay, trên đỉnh Huyền Vũ đã truyền lưu câu chuyện về "Nhất mãng, nhất điêu, nhị ưng, tam viên". Truyền thuyết đám linh thú này ít nhất có cảnh giới Chí Tôn, thậm chí còn có khả năng siêu việt cảnh giới Chí Tôn. Đương nhiên ngoài ra còn có rất nhiều linh thú cường đại chiếm cứ trên đỉnh Huyền Vũ này. Những gì chúng ta nghe nói chỉ là một góc nhỏ mà thôi, tựa như Huyền Đảo cũng chỉ là một trong vô số nơi thần bí trên Thiên Nguyên Đại Lục. Những gì chúng ta không biết còn có rất nhiều!

Một đám con cháu Tần gia bị chuyện xưa của Tần Lĩnh Sơn dọa sợ. Lòng hiếu kỳ tuy mạnh nhưng mà phải sống sót thì mới có thể tiếp tục tò mò. Người chết vĩnh viễn sẽ không hiếu kỳ!

Nhưng thật ra Tần Lập, trong lòng đối với đỉnh Huyền Vũ này có vài phần hướng tới. Tiểu Hắc lần này ở lại Tần gia ở thành Phong Sa, cùng lúc thủ hộ Tần gia và không ngừng tu luyện muốn đột phá đến cảnh giới Chí Tôn. Một khi tiến vào cảnh giới Chí Tôn, Tiểu Hắc có thể trở về báo thù rửa hận, cho nên hắn vẫn rất nỗ lực.

Nguyên nhân bởi vì Tần Lập có liên hệ với rất nhiều linh thú, Tiên Thiên Tử Khí trên người hắn đối với rất nhiều linh thú mà nói dường như có một loại hấp dẫn thần kỳ mới khiến cho hắn hết sức hướng tới đám linh thú trong truyền thuyết trên đỉnh Huyền Vũ này. Nghĩ lại, nếu có thể có được một con linh thú cảnh giới Chí Tôn đi theo, vậy chẳng phải là quá sung sướng?

Tần Lập cho tới bây giờ đều không phải là một người theo lẽ thường, đối với điểm ấy Thượng Quan Thi Vũ biết rất rõ. Sau khi trở lại lều của Tần Lập, đôi mắt Thượng Quan Thi Vũ sáng ngời vô cùng.

- Phu quân! Mang ta cùng đi được không?

Tần Lập có chút ngây người nhìn ánh mắt chờ đợi của Thượng Quan Thi Vũ, giả ngu nói:

- Ta không phải là mang nàng đi là gì?

- Hừ! Ta nói là đi lên núi! Chàng chẳng lẽ không có hứng thú với đám linh thú này sao?

Thượng Quan Thi Vũ bĩu môi, tựa như Tần Lập hiểu biết về nang, nàng đối với Tần Lập cũng rất hiểu.

- Không có hứng thú!

Tần Lập rất quả quyết trả lời. Đùa gì chứ, Tần Lập dám lên núi đó là bởi vì trong cơ thể hắn có Tiên Thiên Tử Khí. Mà Thượng Quan Thi Vũ tuy là Tiên Thiên linh thể nhưng chính vì vậy Tần Lập mới không dám mang nàng theo.

Đám người Thôi gia kia đều muốn đem nàng luyện chế thành thuốc càng đừng nói đám linh thú trí tuệ sắc bén… Khẳng định đều muốn trực tiếp ăn tươi nàng!

270. Chương 272

Truy sát vách núi

Thượng Quan Thi Vũ chớp chớp đôi mắt mỹ lệ, dừng ở trên người Tần Lập, một hồi lâu sau mới cụt hứng ngồi xuống, lầm bầm nói:

- Không cho theo thì không theo, có gì hay lắm chứ?

Tần Lập cười hắc hắc, ngồi ở bên cạnh Thượng Quan Thi Vũ, kéo bàn tay nhỏ bé tinh xảo của nàng, tách năm ngón tay tinh xảo nhẵn nhụi đan vào tay mình, sau đó nói:

- Thế nào? Lại tức giận?

- Không có!

Thượng Quan Thi Vũ quay đầu sang một bên, đột nhiên yếu ớt nói:

- Phu quân! Huynh nói chúng ta thật sự có thể toàn thân ra khỏi nơi này không?

Tần Lập ngẩn ra, lập tức kéo lấy thân thể mềm mại của Thượng Quan Thi Vũ, gác cằm lên vai nàng, nhẹ nhàng cọ cọ, trơn mịn như ngọc.

Thượng Quan Thi Vũ sắc mặt ửng đỏ, khẽ dựa vào trong lòng Tần Lập:

- Muội rất sợ…

- Không phải sợ, bọn họ không ăn người ta!

Tần Lập nhàn nhạt nói, một cổ tự tin mạnh mẽ mọc lên trong lòng:

- Chỉ cần có huynh ở đây, tất cả mọi chuyện sẽ tốt thôi!

- Muội tin tưởng huynh!

Thượng Quan Thi Vũ mơ màng nói, giọng điệu ôn nhu, cũng chỉ có ở trước mặt Tần Lập nàng mới lộ ra một mặt chân thực.

Giải đấu Chí tôn còn mười ngày nữa mới bắt đầu, những thanh niên môn phái gia tộc liền lợi dụng mấy ngày này bắt đầu qua lại giao tiếp với nhau. Giải đấu Chí tôn bảy mươi năm mới có một lần, cũng là thời cơ tốt nhất để những thanh niên trẻ tuổi giao lưu. Lâm Hằng và Trầm Nhạc cùng nhau tới thăm, cắt đứt khoảng khắc ấm áp kiều diễm giữa Tần Lập cùng Thượng Quan Thi Vũ.

- Hắc hắc! Tần huynh đệ thật là có phúc khí, có được đệ muội thiên tư quốc sắc như vậy, thật là làm vi huynh hâm mộ mà!

Trầm Nhạc vừa cười đùa, vừa đi tới.

Lâm Hằng ở phía sau hắn nói:

- Có muốn ta nói lời này cho vị hôn thê ngươi hay không? Dường như… lần này nàng ta cũng đi đến đây thì phải?

- Đừng! Ngàn vạn lần đừng! Lâm huynh, ngài là ca ca của ta! Ta làm tiểu đệ còn không được sao?

Trầm Nhạc quay đầu, vẻ mặt u oán nhìn Lâm Hằng.

Thượng Quan Thi Vũ cười khúc khích, đứng dậy uyển chuyển nói:

- Các người trò chuyện, ta đi chuẩn bị điểm tâm trà nước.

- Không dám làm phiền đệ muội, chúng ta chỉ tới tâm sự với Tần huynh đệ một chút.

Lâm Hằng nói rất khách khí, sau đó hai người ngồi ở trên sàn mềm, đồng thời nhìn về phía Tần Lập.

Tần Lập bị hai người này nhìn đến nỗi có chút sợ hãi, cười khổ nói:

- Các người nhìn ta làm gì?

Trầm Nhạc than nhẹ một tiếng, vẻ mặt phiền muộn nói:

- Chúng ta muốn xác nhận xem cuối cùng ngươi bao nhiêu tuổi rồi. Có phải cũng giống như cái tên Thôi Lãnh đáng ghét kia, cũng là một lão già hay không!

- Thôi Lãnh là một lão già? Hắn năm nay bao nhiêu tuổi?

Tần Lập đúng thật không biết cái này, không nhịn được hỏi.

- Đệ đoán hắn bao nhiêu tuổi?

Trầm Nhạc mí mắt cụp xuống, không đợi Tần Lập trả lời, liền bĩu môi nói:

- Lão già kia đã hơn bảy mươi tuổi rồi! Đệ cho là ai cũng là một yêu nghiệt giống như đệ hay sao?

Lúc này Lâm Hằng ở một bên cười nói:

- Tần huynh đệ không cần chấp nhặt với Trầm Nhạc, người này chỉ là đố kỵ đệ trẻ tuổi như vậy mà có được thân thủ như thế cùng với…

- Không được nói nữa!

Trầm Nhạc cắt đứt lời Lâm Hằng:

- Bằng không cho ngươi biết tay!

Chẳng qua hiển nhiên Lâm Hằng không để ý tới lời uy hiếp không có sức nặng của Trầm Nhạc, cười nói:

- …Cùng với hồng nhan tri kỷ bên cạnh đệ, người nào cũng xinh đẹp như vậy!

- Đáng chết…

Trầm Nhạc mặt đầy vẻ phẫn nộ, Lâm Hằng lại tùy ý nói tiếp:

- Kỳ thật ta cũng rất hâm mộ…

- Ha ha ha!

Trầm Nhạc không nhịn được cười to, sau đó nói:

- Còn tưởng rằng ngươi là một người rất đứng đắn, hóa ra cũng là một công tử phóng đãng mà!

- Cút đi! Bản công tử như thế này gọi là lòng yêu thích cái đẹp ai cũng có, khác biệt với ngươi!

Lâm Hằng khinh thường phản bác.

Tần Lập nhún nhún vai, có chút bất đắc dĩ nhìn hai người vừa gặp mặt liền đấu võ mồm. Nói đúng ra, hai vị này chỉ cần gặp phải mình, sẽ không nhịn được đấu võ mồm lẫn nhau.

- Tần huynh đệ! Lần này chúng ta tới đây là muốn nhắc nhở huynh đệ một việc.

Thu hồi vẻ cười đùa, sắc mặt Lâm Hằng bắt đầu nghiêm túc, nói tiếp:

- Căn cứ tình báo của chúng ta, mấy ngày này Thiên Sát Môn cũng phái người tới. Thù hận giữa đệ với Thiên Sát Môn không cần chúng ta nhiều lời, đệ nhất định phải cẩn thận. Mấy lão già Thiên Sát Môn kia thực lực vẫn là …

Trầm Nhạc cũng vẻ mặt nghiêm túc gật đầu:

- Đúng vậy! Mấy lão già Thiên Sát Môn kia thực lực đều rất mạnh, nếu như bọn họ đứng ngoài sáng thì cũng không cần sợ. Lần này Thiên Cơ Môn cùng Lâm huynh đều có mấy lão tổ tông thực lực Chí tôn tới, nhưng chỉ sợ bọn họ bị thù hận che mù mắt, thủ đoạn gì cũng dùng được. Trước khi giải đấu Chí tôn bắt đầu, đệ nhất định phải cẩn thận một chút, đừng bị bọn họ thừa cơ bắt được.

- Trầm huynh nói rất đúng. Mặt khác ngoại trừ ba lão già Thiên Sát Môn ra còn có một người trung niên, thoạt nhìn thực lực cũng không tầm thường. Trải qua chúng ta điều tra, người trung niên kia gọi Bàng Văn, chính là con trưởng của Bàng Úy Nhiên môn chủ Thiên Sát Môn! Cũng là ca ca của Bàng Kỳ bị đệ giết!

Tần Lập đứng dậy, quay về phía Trầm Nhạc cùng Lâm Hằng ôm quyền:

- Cảm tạ hai vị huynh đệ cho đệ biết những tin tức này, ta nhất định sẽ chú ý!

Lâm Hằng cùng Trầm Nhạc cũng đứng dậy, cười nói:

- Không dám nhận! Chúng ta coi Tần huynh đệ như bạn tốt tri giao, chuyện của Tần huynh đệ cũng là chuyện của chúng ta!

Hai người tùy ý hàn huyên một hồi những chuyện liên quan đến giải đấu Chí tôn, sau đó cùng nhau cáo biệt. Bọn họ đi rồi, Tần Lập ngồi một mình trầm tư. Năm đó Tần Lập cũng từng nghĩ qua Thiên Sát Môn kia có thể còn chút dư nghiệt, hơn nữa thực lực một môn phái cao cấp, nếu bọn họ một võ giả cảnh giới Chí tôn cũng không có, dường như không quá hiện thực.

Nhưng lại không nghĩ rằng sẽ có tới ba người như vậy! Hơn nữa ẩn dấu đủ sâu, bản thân mình lại không chút nhận thấy. Nếu không phải có Trầm Nhạc cùng Lâm Hằng nhắc nhở, thật đúng là có khả năng bị lừa!

Chẳng qua giờ đã biết, vậy thì không có gì. Công khai giết tới, bọn người kia thật không có lá gan này, bởi vì nơi trú ngụ của Lâm gia cùng Thiên Cơ Môn ở ngay sát bên cạnh Tần gia! Hành cung hai thế lực lớn lại chỉ cách nơi Tần gia trú hai ba dặm, nếu như có chuyện thì hai nhà đều có thể lập tức đến ngay.

Không nói cái khác, chỉ bằng vào tạo nghệ (trình độ) đan dược của Tần gia hiện tại, Thiên Cơ Môn cùng Lâm gia sẽ không cho phép bất kỳ kẻ nào bất lợi với Tần gia.

Mấy ngày nay Thôi gia cũng coi như cúi thấp, thậm chí không có bất kỳ con cháu nào tới đây khiêu khích, đoán chừng là sợ Tần Lập tàn nhẫn. Thôi gia Thất công tử Thôi Vũ Văn bị Tần Lập đá một cước trọng

thương, người Thôi gia ra tay đánh con cháu Tần gia lập tức bị Tần Lập bóp chết! Cho nên, Thôi gia cũng đã hấp thụ bài học này, không tới tìm Tần gia chịu nhục nữa.

Thiên Sát Môn! Tần Lập híp mắt, chợt lóe tia sáng, trong lòng suy nghĩ: "Thiên Sát Môn này rất có thể chỉ còn tồn tại mấy người như thế, nếu thật là ba võ giả cảnh giới Chí tôn, bản thân mình thật không có biện pháp đối phó". Dựa vào Thiên Cơ Môn cùng Lâm gia, cũng không phải mong muốn của Tần Lập.

Nhân tình, thứ này chỉ cần thiếu một chút xíu cũng sẽ cảm thấy khó chịu, càng đừng nói thiếu người ta nhân tình cực lớn, vậy thì có thể cả đời cũng không trả hết.

Tiên Thiên Tử Khí trong cơ thể Tần Lập từ từ vận hành, dần tĩnh tâm lại, chìm vào trong tu luyện.

Tới nửa đêm, trên đài Huyền Vũ cũng hoàn toàn an tĩnh, gần như phần lớn mọi người đều đã ngủ.

Tần Lập mở hai mắt, thay một bộ trang phục màu đen, nhẹ nhàng lướt ra ngoài lều trại. Tiên Thiên Tử Khí trong cơ thể lưu chuyển, viên tinh hạch tử sắc trong đan điền cung cấp năng lượng cuồn cuộn không dứt nhưng lại không có một tia dao động.

Tần Lập căn bản không chọn một vị trí nào khác mà đứng ngay tại chỗ, đối mặt với vách đá cao hơn mười dặm, đầu ngón chân khẽ điểm đất lăng không bay lên!

Giống như đại bàng tung cánh, chỉ trong nháy mắt thân thể Tần Lập đã bay lên cao hơn ba trăm thước. Một hơi vừa đứt liền vươn tay ra, đặt lên một khối đá hơi chút nhô ra ngoài, vừa định mượn lực tiếp tục leo lên phía trên, đột nhiên cảm giác phía dưới có một cổ dao động khí tức cực kỳ cường đại nhanh chóng phóng về phía bản thân! Trong lòng Tần Lập thầm mắng một tiếng: mấy lão già kia, không nhịn nổi rồi sao?

Dao động khí tức của người kia hùng hậu kéo dài, hiển nhiên không phải là một võ giả bình thường, rất có thể chính là một trong ba lão bất tử Thiên Sát Môn. Chỉ là Tần Lập không nghĩ tới mình lại không thể liệu được trước phát hiện ra hành tung của đối phương, cho nên rõ ràng kỹ năng ẩn nấp của người kia cũng đạt trình độ nhất lưu!

Chẳng qua muốn so leo núi với ta? Khóe miệng Tần Lập nổi lên một chút ý cười, hít sâu một hơi, Tiên Thiên Tử Khí trong cơ thể bắt đầu vận hành nhanh chóng, trên tay dùng lực một chút, thân thể Tần Lập lập tức vọt lên phía trước giống như một mũi tên!

Người phía dưới có lẽ không nghĩ tới Tần Lập có bản lãnh mạnh như thế, ở trên vách đá trơn trượt sắc như dao này còn có thể chạy nhanh như vậy.

Tuy nhiên hắn cũng không buông tha, bằng vào thực lực mạnh mẽ bám vào trên vách đá này, giống như một con thằn lằn linh hoạt cũng leo lên trước với tốc độ cực nhanh.

Nhìn lại tốc độ của Tần Lập, quả thật làm cho người ta trợn mắt há mồm. Ở trên vách đá hầu như không có bất cứ chỗ dựa nào, chỉ sử dụng tay và chân liền không cần nhiều sức đã bò lên một phần mười vách đá cao năm mươi dặm này! Một phần mười, chính là năm dặm!

Cảnh vật dưới chân đã sớm không nhìn thấy nữa, từng tầng không khí đan lẫn những khối mờ mờ không ngừng trôi qua bên người. Bóng đêm như nước, trong những khối không khí kia ẩn chứa một lượng lớn linh khí, nhanh chóng bổ sung lượng tiêu hao của Tần Lập.

Làm cho Tần Lập cảm giác cực kỳ khó chịu, là đạo khí cơ kia vẫn tập trung vào hắn. Khoảng cách cùng bản thân vẫn duy trì trong phạm vi mười dặm!

Lão bất tử ngươi là thằn lằn sao? Tần Lập có thể nhanh như vậy hoàn toàn là ỷ vào một thân khinh công thần kỳ, bằng không nào dám trực tiếp tiến lên như vậy. Độ cao như thế mà ngã xuống, coi như võ giả cảnh giới Chí tôn cũng phải rơi thành đống thịt nát!

Đừng nói bay gì đó, coi như võ giả cảnh giới Chí tôn biết phi hành, cũng chỉ bảo trì độ cao bảy tám mươi thước, hơn nữa khoảng cách thi hành trong một hơi thở cũng sẽ không vượt quá trăm dặm! Dù sao thể lực võ giả Chí tôn cũng có lúc suy kiệt!

Lúc này, đột nhiên phía dưới truyền lên một giọng nói già nua âm u khó lường:

- Tiểu nghiệt súc, ngươi trốn không thoát đâu! Nhanh dừng lại nhận lấy cái chết, bằng không cho ngươi rơi xuống thành bãi thịt nát!

Tiểu Mùi

Duy Ngã Độc Tôn

271. Chương 273

Nguy cơ lại tới

- Hừ! Lăn xuống cho lão tử!

Tần Lập vươn tay, trực tiếp cắm vào vách đá, kéo ra từng tảng đá thật lớn ném xuống phía dưới.

Tảng đá rít gào lăn xuống dưới, tuy rằng tốc độ cực nhanh, nhưng khả năng đánh trúng đối phương lại cực nhỏ. Chỉ là đối với một võ giả Chí tôn đã thành danh nhiều năm, Tần Lập hành động như thế phần nhiều mang tính chất nhục nhã.

Ở bên dưới lập tức không nhịn được mắng to:

- Tiểu nghiệt súc! Chờ ta đuổi tới ngươi, nhất định khiến ngươi sống không bằng chết!

- Lão đê tiện! Ngươi cứ đuổi theo ta được rồi hãy nói!

Tần Lập vừa nói, đột nhiên cảm giác khoảng cách với đối phương lại càng gần mình một chút, trong lòng không nhịn được thầm mắng một tiếng lão hồ ly, đồng thời thân thể cũng tiếp tục phóng lên trên.

Kẻ đuổi theo Tần Lập ở bên dưới, không phải ai xa lạ, chính là Ngọc trưởng lão trong ba vị lão tổ Kim Ngọc Thiết của Thiên Sát Môn! Thực lực bản thân đã đạt tới Nhân Tôn đỉnh!

Chỉ là muốn đột phá đến cảnh giới Địa Tôn, sợ là rất khó, bởi vì thọ mệnh của hắn chỉ còn không đủ trăm năm. Thời gian trăm năm đối với người thường mà nói thì là cả một đời, thậm chí rất nhiều người chỉ sống có sáu bảy mươi năm. Nhưng đối với một võ giả cảnh giới Chí tôn, chẳng qua chỉ là vài lần bế quan mà thôi.

Nếu như không thể đột phá đến Địa Tôn, như vậy thọ mệnh của hắn sẽ dùng hết rất nhanh, phải chấp nhận kết quả tử vong.

Đây cũng là vì sao sau khi thực lực đột phá đến Chí tôn, hầu như tất cả võ giả đều sẽ lựa chọn tiếp tục khổ tu, không ai lại chịu chết già. Sống càng lâu, lại càng muốn sống tiếp!

Ngọc trưởng lão có bối phận cực cao ở Thiên Sát Môn, năm nay lão cũng hơn bảy trăm tuổi. Lúc lão còn trẻ tuổi, diện mạo anh tuấn tiêu sái, cũng từng là nhân vật danh tiếng Huyền Đảo một thời.

Có thể tu luyện đến cảnh giới ngày hôm nay, hoàn toàn là bởi lão thiên tư xuất chúng, hơn nữa sau này chăm chỉ nỗ lực. Bởi vậy, cũng là một người rất có tự tin!

Lão muốn phục kích Tần Lập cũng không phải chuyện ngày một ngày hai. Từ khi thấy Tần Lập ngạnh kháng với Thôi Lãnh Chí Tôn trẻ tuổi của Thôi gia mà không thất bại, lão liền rõ ràng: dựa vào Bàng Văn mà giết Tần Lập, đã là một chuyện hoàn toàn không có khả năng!

Thực lực bản thân Bàng Văn tuy rằng cũng đã đạt đến Dung Thiên cảnh hậu kỳ, nhưng còn chưa đạt đến cảnh giới đỉnh phong. Như vậy đối mặt với Tần Lập có thể ngạnh kháng Chí tôn, thật sự không có nửa cơ hội chiến thắng.

Cho nên ba Trưởng lão Kim Ngọc Thiết liền âm thầm thương thảo, trước khi giải đấu Chí tôn bắt đầu, nhất định phải giết chết Tần Lập!

Nhưng làm bọn họ không ngờ tới, là Thiên Cơ Môn cùng Lâm gia đều ở ngay hai bên bảo hộ an toàn cho Tần gia, khiến cho Ngọc trưởng lão vừa phẫn nộ lại bất đắc dĩ. Hôm nay lão vốn nghĩ là không có khả năng giết được Tần Lập, chỉ muốn chạy tới tìm cơ hội mà thôi.

Huyền Vũ Đài tuy rằng bằng phẳng, nhưng cũng không phải không có một ngọn cây cọng cỏ nào. Nhất là những nơi gần vách đá, cũng có cỏ dại nương theo lùm cây tràn lan.

- Này! Ta nói cho huynh đệ, chúng ta có thể ngồi xuống nói chuyện hay không? Ta không lấy trứng của ngươi, thứ hai không xâm phạm lãnh địa của ngươi. Vì sao ngươi lại theo đuổi không bỏ chứ? Một chút thịt của ta, còn chưa đủ kẽ răng của ngươi đấy!

Tần Lập khó khăn di chuyển ở trên vách đá, vừa tránh né công kích luân phiên của con Kim Điêu to lớn này. Lúc này Tần Lập cũng không rõ lắm Ngọc trưởng lão thế nào rồi, hắn trái lại cũng biết Ngọc trưởng lão đồng dạng cũng gặp công kích. Tuy nhiên bây giờ làm sao còn có tâm tư nghĩ chuyện người khác, mình còn lo chưa xong.

Con Kim Điêu to lớn kia dường như cũng bị Tần Lập dây dưa, hai người một đuổi một chạy. Tần Lập đã lên tới độ cao hai mươi bảy, hai mươi tám dặm, vượt qua một nửa vách đá này!

Trời cao như thế, đã rất ít có mây trôi. Cho nên một chút tử sắc động lòng người phía chân trời kia, cũng xuất hiện ở trong đáy mắt Tần lập, đồng thời phát hiện một chuyện kinh người, thiếu chút nữa khiến Tần Lập bị một kích của Kim Điêu đánh trúng! Trong lòng lại dấy lên cơn sóng gió động trời!

Cho nên, Tần Lập mới có thể bỗng nhiên nói lời này với Kim Điêu. Tuy nhiên con Kim Điêu to lớn này hiển nhiên chưa từng có hứng thú câu thông với Tần Lập. Giờ phút này nó đang vô cùng tức giận. Một nhân loại có thực lực rõ ràng rất yếu, không ngờ có thể cứng rắn chịu công kích của mình, duy trì với thời gian lâu như vậy. Đối với vua trên không trung mà nói, đây quả thực rất mất mặt!

Cho nên, cho dù vì để bảo vệ tôn nghiêm của mình, hôm nay nhất định cũng phải đánh cho nhân loại đáng chết này thành mảnh nhỏ!

Tất cả linh thú trên đỉnh Huyền Vũ đều biết bảy mươi năm Hoàng Kim Cung mới buông xuống một lần, chúng nó đều rõ, vì người quá cường đại đó thương hại và chiếu cố nhân loại!

Cho nên, chúng nó không dám công kích những nhân loại đó trên Huyền Vũ đài. Nhưng đối với nhân loại có gan thoát khỏi phạm vi Huyền Vũ đài, bước vào lãnh thổ chúng nó, sẽ khiến cho tất cả linh thú trên đỉnh Huyền Vũ điên cuồng công kích không chết không ngừng!

Cho nên, phút giây đầu tiên phát hiện Tần Lập, Kim Điêu liền quyết định công kích gã nhân loại to gan lớn mật này. Chỉ là nó không nghĩ tới, nhân loại này quả thực đều muốn khó chơi hơn tất cả những đối thủ mà cả đời này nó gặp được!

Là một bá chủ trên bầu trời, thiên địch của Kim Điêu gần như không tồn tại! Hoặc là đánh không lại người cường đại hơn nó. Chính là người ta bị nó dùng móng vuốt cào chết, mà người giảo hoạt giống cá trạch như Tần Lập, chưa từng gặp qua.

Kỳ thật Kim Điêu cảm giác thấy mất mặt nhất, là hai cấp dưới của nó cũng đã hoàn thành nhiệm vụ, mà nó cao cao tại thượng, lại còn không giết chết nhân loại giảo hoạt này! Loại chuyện này làm sao có thể dễ dàng tha thứ chứ?

Ầm!

Lại một luồng lực lượng khí thế dồi dào phát ra từ đôi cánh thật lớn của Kim Điêu kia, đánh hướng vào vách đá Tần Lập dựa vào.

Lập tức lại một trận đá vụn bay tán loạn, từng khối đá lớn nhỏ, hóa thành mưa đá đầy trời, ầm ầm vang lên. Tần Lập thu hồi Ẩm Huyết thần kiếm, hai tay trên không trung vẽ vòng tròn, một chiêu Thái Cực, tập hợp những cự thạch này lại, sau đó dùng sức thoáng nâng, thẳng đánh về phía Kim Điêu.

Kim Điêu phát ra một tiếng kêu to phẫn nộ, hai cánh lại hung hăng quạt, xem ra những tảng đá này lại theo đó nổ trở lại. Tuy nhiên thân hình Tần Lập lại ở ngoài mấy mươi thước.

Tuy nhiên những tảng đá trên vách đá không biết tồn tại mấy vạn năm ngã lớn, từng tảng lớn rơi xuống phía dưới, thân hình Tần Lập tiếp tục leo lên phía trên, đồng thời vận hành Tiên Thiên Tử Khí Quyết, từng luồng Tiên Thiên Tử Khí vô cùng rực rỡ tràn ngập mị hoặc phía chân trời kia, từng chút từng chút ngưng kết thành tia, phóng tới thân thể Tần Lập.

Luồng năng lượng dao động phong phú kia, khiến cho cự điêu màu vàng còn muốn tiếp tục công kích Tần Lập kinh ngạc một chút, lập tức đình chỉ công kích. Một đôi mắt ưng màu vàng kim, gắt gao nhìn chằm

chằm vào thân thể Tần Lập hiện lên Tiên Thiên Tử Khí, trong mắt bắn ra hào quang vô cùng tham lam! Cái gọi là linh thú, đối với năng lượng tinh túy nhất trong thiên địa, kỳ thật hơn xa sự hiểu biết của nhân loại.

Con Kim Điêu này xưa nay hấp thụ cũng chỉ là lực thái dương. Cho nên, đối với chuyện Tần Lập hấp thu loại Tiên Thiên Tử Khí này thèm nhỏ dãi ba thước, hận không thể thoáng một cái liền nuốt hết gã nhân loại này!

Phía dưới rất xa, lại truyền đến hai tiếng kêu to, đó là hai tiểu đệ của nó, kêu người hầu cũng được, thực lực yếu hơn Kim Điêu hơn nữa vô cùng trung thành. Nhưng Kim Điêu cũng biết, một khi có một ngày, khi thực lực hai con ưng khổng lồ kia đều có thể vượt qua mình, quan hệ giữa chúng nó sẽ đổi chỗ!

Cho nên, Kim Điêu cho tới bây giờ cũng không dám có chút lơi lỏng trong tu luyện. Nếu không gặp gã nhân loại này ở đây, nó nhất định uy phong ngồi một chỗ ở Huyền Vũ Phong, chuẩn bị hấp thu lực thái dương ẩn chứa trong hào quang vạn trượng từ thái dương phát ra.

Vốn nó muốn hai thuộc hạ của mình cùng giáp công gã nhân loại này, nhìn hắn còn có thể trốn ở đâu, nhưng mắt thấy tử khí phát ra trên người Tần Lập, nháy mắt Kim Điêu cải biến chủ ý, nó hướng tới phía dưới phát ra một tiếng kêu to tràn ngập uy nghiêm. Hai con ưng khổng lồ màu đen phía dưới, phân biệt hướng ra hai phía, vỗ cánh bay đi. Bởi vì lão đại đã nói với chúng nó: Ở đây không còn chuyện gì của các ngươi nữa, các người có thể đi.

Kim Điêu tham lam nhìn Tần Lập, vẫn duy trì thân thể cân bằng trên bầu trời, nơi đây đã là trời cao thật cao rồi, không trung thỉnh thoảng thổi qua một trận gió mạnh mẽ, nhưng đối với Kim Điêu mà nói, hiển nhiên là không có ảnh hưởng gì.

Tần Lập cũng cảm giác được Kim Điêu ngừng công kích, trong lòng thở dài nhẹ nhõm một hơi, lúc nãy thể năng của hắn đã sắp tiêu hao không còn. Tuy rằng hắn hấp thu linh khí với tốc độ cực nhanh, nhưng linh khí lại thua xa Tiên Thiên Từ Khí tinh thuần!

Hơn nữa Tiên Thiên Tử Khí ở độ cao này, quả thực khiến Tần Lập có loại cảm giác linh hồn bị chấn động run lên, đây là Tiên Thiên Tử Khí tinh túy nhất hút được mà từ khi hắn tu luyện Tiên Thiên TửKhí Quyết tới nay!

Lúc này mới ở lưng chừng núi, Tiên Thiên Tử Khí đã tinh thuần như vậy. Nếu như mình có thể ở nơi cao nhất của đỉnh Huyền Vũ, mỗi ngày tu luyện, tu vi của mình, sẽ lấy một loại phương tăng lên thực lực khủng bố như thế nào?

Tần Lập không kìm nổi cảm xúc mênh mông. Hơn nữa, ánh mắt hắn dừng ở phương xa, lúc nãy phát hiện kia khiến Tần Lập quả thực có loại cảm giác ngây như phỗng, thật sự là … Rất khó tin rồi!

Tiên Thiên Từ Khí điên cuồng tẩm bổ thân thể cho Tần Lập. Con Kim Điêu khủng bố kia, còn bay xung quanh trên không trung, đôi mắt gắt gao theo dõi hắn, nhưng Tần Lập lúc này cũng không đếm xỉa gì đến, tiếp tục hướng lên trên. Hắn không có biện pháp gì khác, bởi vì vách đá Huyền Vũ chết tiệt này, từ dưới lên cao không ngờ toàn bộ đều là loại vách đá như dao gọt! Nhẵn bóng, ngay cả một gốc cây ngọn cỏ cũng không gặp được!

Kim Điêu kia thấy Tần Lập không ngờ bắt đầu leo lên trên, lập tức phẫn nộ, vừa mới biến đổi duy trì khoảng cách công kích, như tia chớp bổ về phía Tần Lập.

Một luồng uy áp kinh thiên, theo đó mà đến, nếu không phải thân thể Tần Lập vô cùng mạnh mẽ và thần lực khổng lồ, chỉ riêng loại uy áp này hắn không thể kháng cự nổi. Nhưng Tần Lập chống đỡ , tránh né Kim Điêu lâu như vậy, cũng là một thân kinh công xuất thần nhập hóa của Tần Lập! Quả thực được Tần Lập vận dụng đến cực hạn!

Quá khứ Tần Lập cũng chưa từng nghĩ tới, khinh công kiếp trước mình mang tới, không ngờ được hắn đột phá liên tục, đạt tới cảnh giới gần như là huyền diệu!

Tựa như hiện tại, thân thể Tần Lập dán vào vách đá, nhưng ngẫu nhiên lấy tay hoặc chân, nhấc một số hòn đá trên vách đá rơi ra, phần lớn thời gian vẫn đang tiếp tục trèo lên trên!

Cho dù là một con thằn lằn mạnh mẽ nhất thấy Tần Lập cũng sẽ xấu hổ đỏ mặt… Ặc, nếu thằn lằn biết đỏ mặt.

Thân thể Tần Lập không ngừng leo lên phía trên theo hình chữ (Z). Kim Điêu công kích hắn tựa hồ càng ngày càng nôn nóng, tần suất công kích cũng càng ngày càng cao, khiến Tần Lập ứng phó nhiều ít cũng có chút mệt mỏi. Đồng thời trong lòng cũng cảm giác được, dường như lại có một luồng khí tức cường đại khác xuất hiện

274. Chương 276

Tấn chức cảnh giới Dung Thiên

"Trời ạ, như này thì ai mà sống được! Lão tử làm sao không may như vậy chứ?"

Tần Lập nghĩ thầm với vẻ mặt ai oán. Bởi vì hắn đã cảm giác được, ngay ở trên đầu mình, khẳng định lại xuất hiện một linh thú không chút nào kém hơn con Kim Điêu to lớn này!

Mà lúc này, Tần Lập phát hiện Kim Điêu phát ra một tiếng kêu to phẫn nộ, âm thanh sắc bén, còn mang theo vài phần hương vị uy hiếp… Chờ một chút, uy hiếp? Trong đầu Tần Lập hiện lên một ý niệm nhanh như tia chớp. Con Kim Điêu này chẳng lẽ sợ hãi con linh thú trên đầu mình sao?

Quả nhiên, lúc này Kim Điêu ngừng công kích Tần Lập, mà Tần Lập cũng không ngu ngốc tiến lên phía trên, mà là dừng lại ở đó liều mạng vận hành Tiên Thiên Tử Khí Quyết. Tiên Thiên Tử Khí trong cơ thể cực kỳ sục sôi, một chút tử khí kinh người phía chân trời, ngưng kết thành từng tia sáng màu tím, chiếu xạ tiến vào trong cơ thể Tần Lập.

Kim Điêu to lớn bay lượn chung quanh bầu trời xanh thẳm buổi sáng sớm, thỉnh thoảng phát ra vài tiếng kêu không cam lòng.

Tần Lập ngưng thần tĩnh khí, lúc này hắn không quan tâm đến gì khác nữa, tu luyện điên cuồng trong khoảnh khắc sinh tử này đối với Tần Lập mà nói thật đúng là lần đầu tiên.

Mấu chốt là Tiên Thiên Tử Khí hấp thu được ở vị trí này, rất tinh thuần, Tiên Thiên Tử Khí mà mình hấp thu trong quá khứ quả thực là cặn bã nha!

Dần dần, thân thể Tần Lập bắt đầu trở nên tràn đầy, viên tinh hạch màu tím trong đan điền lâu nay không có động tĩnh, không ngờ cũng bắt đầu chậm rãi chuyển động, sau đó với tốc độ cực nhanh hấp thu Tiên Thiên Tử Khí này vào, thể tích của nó đang chậm rãi tăng trưởng!

Đôi mắt Tần Lập dần dần trở nên trong như nước, thâm thúy tinh thuần, ánh mắt nhìn xuyên thấu qua một vùng biên giới hư vô của Huyền Đảo, nhìn về phía hướng Đông xa xôi!

Một luồng cảm giác huyền diệu khó thể nói ra, đột nhiên giống như suối phun trào ở đáy lòng Tần Lập, mạnh mẽ tràn ra!

Tần Lập cảm giác ngay cả linh hồn của mình đều thoải mái đến loại xúc động muốn rên rỉ thành tiếng. Lực lượng tràn đầy đến cực điểm, khiến tất cả cảm giác mệt mỏi của Tần Lập biến mất không còn! Giống như trong nháy mắt dung hợp làm một với thiên địa!

Một luồng khí tức rất mạnh ở trên đầu, con Kim Điêu to lớn xoay quanh trên bầu trời không cam lòng, mà Tần Lập không ngờ dưới loại tình huống này, đột phá đến khó tin!

Đây đích thật là có chút khiến cho người ta khó thể tin. Hơn nữa, khi tấn chức đến cảnh giới Dung Thiên, từ trong thân thể Tần Lập bộc phát ra một luồng khí thế cường đại, khiến Kim Điêu to lớn trên bầu trời không kìm nổi quạt cánh bay ra xa một chút, sau đó phản ứng lại, phát ra tiếng kêu sắc bén uy hiếp về phía Tần Lập!

Sắc mặt Tần lập vui mừng, liếc mắt nhìn về phía Đông thật sâu, trong lòng dâng lên một ý niệm, Đó chính là, nhất định phải đi lên tới nơi cao nhất của đỉnh Huyền Vũ, tự mình xác định một số chuyện quấy nhiễu mình thật lâu.

Tần Lập nghĩ trong lòng, ngẩng đầu, lại một lần nữa nhìn về hướng phía trên, chuyện lúc nãy khiến hắn trợn mắt há hốc mồm, không gì khác, mà là hắn trông thấy một tầng khí quyển kéo dài không biết mấy mươi vạn dặm!

Huyền Đảo này tổng cộng cũng có phạm vi khoảng vạn dặm, mà đỉnh Huyền Vũ đã là mảnh đất tiếp cận biên giới Huyền Đảo. Nhưng mắt Tần Lập lại trông thấy vùng khí quyển không có điểm cuối! Điều này có ý nghĩa gì?

Bởi vì vẫn bị con Kim Điêu to lớn đuổi giết, Tần Lập căn bản thật không ngờ mình đã lên trên với khoảng cách rất cao, càng không có tinh lực đi ngắm phong cảnh. Nhưng mà kinh hồng kia thoáng nhìn, nhưng lại khiến cho Tần Lập đột nhiên có loại cảm giác ở trên phi cơ vào kiếp trước!

Độ cao hai mươi bảy hai mươi tám dặm, chính là một vạn bốn, một vạn năm ngàn thước (1dặm =500m, theo từ đầu đến giờ m dịch là thước)! Đây vẫn là từ đài Huyền Vũ tính lên, còn chưa tính độ cao khoảng chừng bốn năm ngàn thước phía dưới!

Biển mây mênh mông, ngay ở dưới chân Tần Lập mấy dặm, nếu không Tiên Thiên Tử Khí kia, làm sao có thể có tinh thuần như thế, thậm chí khiến Tần Lập trực tiếp từ canh giới Hợp Thiên đột phá đến cảnh giới Dung Thiên?

Kỳ thật những thứ đó cũng không thật sự khiến cho Tần Lập rung động. Bởi vì chỉ cần đứng ở độ cao nhất định, thấy biển mây dưới chân, cũng không có chuyện gì ngạc nhiên, chân chính khiến Tần Lập cảm thấy kinh hãi là nơi thần bí này làm sao hình thành!

Trước đây trong nhận thức của Tần Lập, nơi thần bí giống như một tiểu thế giới, tuy rằng tất cả đều giống như ngoại giới, tỷ như nói, cũng có mặt trời mọc mặt trời lặn, cũng có một năm bốn mùa.

Nhưng lại là một thế giới không thông với ngoại giới! Bởi vì nếu không có cách tiến vào nơi thần bí, như vậy vị trí hiện tại của hắn kỳ thật chính là một vùng cây cối lớn và khe sâu ở biên cảnh phía Tây của Tân Tần đế quốc. Cho nên, nơi thần bí phải là vị trí khác mới đúng!

Nhưng tình huống vừa rồi Tần Lập trông thấy, rõ ràng giải thích chính xác nơi thần bí Huyền Đảo này ở dưới một vùng bầu trời với quốc gia thế tục ở ngoại giới!

Giải thích này là gì? Nếu như tất cả nơi thần bí đều giống như giải thích này, bị vây ở dưới vùng bầu trời với thế tục giới, như vậy… Những nơi thần bí được che bằng những tấm khăn, căn bản là do vậy tạo thành!

Có lẽ có loại đại năng cường đại đến mức tận cùng, có lẽ rõ ràng là thần tiên, thông qua pháp lực cường đại, tạo ra những nơi thần bí này. Dùng một loại phương pháp đặc thù, giam cầm lại, khiến cho linh khí những chỗ đó đầy đủ, trở thành một thế giới độc lập ngăn cách!

Bằng chứng có lực mạnh mẽ nhất, Tần Lập cho rằng có hai điều.Thứ nhất đương nhiên chính là quyển sách cổ thần kỳ đánh dấu nơi thần bí, mà điều thứ hai cũng là sử dụng linh thạch có thể truyền tống ra khỏi nơi thần bí!

Khẩu quyết này gần như tất cả con cháu trên Huyền Đảo đều biết hết, sau đó thông qua một loại phương pháp đặc thù, phát động linh lực trong linh thạch, có thể ra vào Huyền Đảo. Theo nhận xét của Tần Lập, nơi thần bí Cực Nhạc Thiên Cung, cũng như thế!

Về phần vì sao làm như vậy, là ai làm như vậy, Tần Lập hoàn toàn không thể tưởng tượng. Bởi vì những thứ trong đó, cũng đều là hắn trong nháy mắt muốn che đậy.

Nhưng mặc kệ nói như thế nào, phát hiện này đều khiến Tần Lập cảm giác được rất kinh hỉ. Có lẽ cường giả Chí Tôn năm xưa tiến vào nơi cực Tây thật sự không nói sai, chỉ có thực lực Phá Toái Hư Không mới có thể chân chính thăm dò trên Thiên Nguyên Đại Lục khắp nơi thần bí này!

Trên không trung, trận gió thổi tới khiến lông chim của Kim Điêu to lớn bay phất phới. Phi hành ở độ cao này, tuy rằng không tính là đặc biệt cố sức, nhưng bay lâu, cũng không phải một chuyện khoái trá.

Cho nên, sau khi Kim Điêu kêu lên một tiếng không cam lòng nhìn về phía điểm đen nhỏ bám vào vách đá, đầu hướng xuống, lấy tốc độ vượt qua vận tốc âm thanh, lao xuống phía dưới, chui vào trong tầng mây dầy đặc, biến mất không thấy! "Con khốn, cứ vậy mà đi sao? Thật sự không có trách nhiệm nha!" Tần Lập tựa hồ đã quên, mình vốn là muốn tới tìm linh thú giúp đỡ.

Cho dù có thể tưởng tượng, Tần Lập cũng đã bỏ qua ý niệm này trong đầu, nói đùa gì chứ. Thực lực con Kim Điêu này trăm phần trăm đạt tới cảnh giới Chí Tôn, không chừng cũng đã đột phá Nhân Tôn đạt tới thực lực Địa Tôn. Tần Lập dựa vào cái gì, có thể thu phục loại linh thú hung ác lại còn giảo hoạt chứ?

Giống linh thú như Tiểu Hắc và Tiểu Hồ Ly đích thật là có, nhưng thật sự rất ít, quả thực giống như lông phượng và sừng lân. Hiện tại Tần Lập muốn leo đến chổ cao nhất của đỉnh Huyền Vũ, lại cảm thấy đau đầu với luồng khí tức cường đại ở trên.

Hắn ngẩng đầu, nhìn vách đá vô tận ở phía trên, thở dài, cũng không phát hiện cái gì, nhưng luồng khí tức kinh khủng kia thật sự là tồn tại.

Nếu ở phía xa nhìn lại, tỉ lệ giữa Tần Lập và vách đá này giống như chênh lệch giữa giọt nước và hồ nước to lớn, hơi xa một chút, thậm chí ngay cả thân hình hắn cũng không nhìn thấy. Trông thấy thái dương từ phần cuối của biển mây trồi lên, trong lúc nhất thời, kim quang vạn trượng!

Tần Lập thiếu chút nữa bị cảnh đẹp trước mắt này cả kinh từ trên vách núi rơi xuống, toàn bộ mây đen, xám, trắng nháy mắt biến thành hải dương màu kim hoàng hết! Trong thiên địa chỉ còn lại một loại màu sắc!

Mà nhiệt độ ánh mặt trời, cũng cao đến trước nay chưa từng có, chiếu xạ lên trên người Tần Lập, loại cảm giác ấm áp này quả thực làm cho người ta muốn dừng thời gian này lại trong thời khắc này! Mà ngay cả luồng khí tức kinh khủng kia, trong nháy mắt đều giảm đi rất nhiều!

Hiển nhiên, cái tên kia làm cho linh hồn người ta rơi vào run sợ, dường như không thích ánh mặt trời lắm. Tần Lập trong lòng vừa động, cách Hoàng Kim Cung buông xuống, có có thời gian mấy ngày, dù bất cứ giá nào!

Sau khi hạ quyết định này, Tần Lập thu liễm toàn bộ khí tức trở về. Sau khi tấn chức tới cảnh giới Dung Thiên, tinh hạch màu tím ở đan điền, cũng lớn hơn gấp đôi so với quá khứ! Hơn nữa, biến thành một hình thoi gọn gàng, treo ở giữa đan điền Tần Lập, hướng ra bốn phương tám hướng, toàn bộ đều là linh khí Tần Lấp hấp thu mà chuyện hóa thành linh lực. Đương nhiên, ở trên Thiên Nguyên Đại Lục, được xưng là nguyên lực!

Nguyên lực Tần Lập tràn ngập vô cùng, hơn nữa sẽ không sinh ra bất cứ dao động gì. Cho nên, đối với chuyện mình leo lên nơi cao nhất của đỉnh Huyền Vũ, vẫn còn rất tin tưởng. Bởi vì càng là những thứ cường đại, càng thờ ơ kẻ yếu, nếu không trên đời này không còn kẻ yếu, chúng nó cũng không thể sinh tồn.

Bất ngờ đột phá, đồng dạng khiến Tần Lập tin tưởng. Cho nên, sau khi Tần Lập chuẩn bị sẳn sàng, thân hình lại một lần nữa men theo vách đá này, rất nhanh trèo lên phía trên!

Nhưng vách đá phía trên này thật sự rất cao, cũng quá dốc gần như cực hạn nhân loại vượt qua. Nếu không với cảnh giới Chí Tôn của Ngọc trưởng lão, lại như thế nào sẽ bị hai con ưng khổng lồ bức đến ngã chết?

Bởi vậy có thể thấy được, võ giả nhân loại, khi đối mặt với thiên nhiên, vẫn là quá yếu ớt. Cho dù là tuyết lở rất tầm thường, võ giả Chí Tôn cũng khó thể ngăn cản uy lực khủng bố này.

Tần Lập leo lên, quả nhiên không khiến cho sự chú ý của kẻ cường đại ở trên kia nhìn không thấy. Lúc này đây, hắn mất hai canh giờ, không ngờ thật sự trèo tới nơi cao nhất của đỉnh Huyền Vũ!

Tay Tần Lập nắm vào một khối cự thạch lòi ra, thân hình lơ lửng trên không, dưới chân đâu chỉ là vực sâu vạn trượng? Trên mặt Tần Lập lại không có một chút sợ hãi, ngược lại còn lộ ra vẻ tươi cười vui mừng, giống như một đứa bé bướng bỉnh, phí bao công sức cuối cùng leo được lên cây lấy trứng chim.

Tay kia của Tần Lập cũng gắt gao bám vào cự thạch, hai tay hơi hơi dùng sức, "vù" một tiếng nhảy lên trên khối cự thạch này. Lúc này, Tần Lập có một loại cảm giác hăng hái. Nếu không phải không khí loãng trên đây, lại không biết sự tồn tại của cường giả thần bí, hắn thật muốn lên tiếng thét dài.

Tần Lập bỗng nhiên cảm thấy có chút chói mắt, theo bản năng hắn ngẩng đầu, lập tức miệng không thể ngăn lại mà mở ra, khóe miệng kịch liệt co giật.

275. Chương 277

Hoàng Kim Cung

Một cung điện bằng vàng vô cùng khổng lồ, khoảng chừng cao hơn ngàn thước, nóc cung điện giống như muốn chọc thủng bầu trời; lặng lẽ nằm ở nơi cao nhất của đỉnh Huyền Vũ!

- Hoàng… Hoàng Kim Cung!

Tần Lập nhìn đến trợn mắt há hốc mồm, tòa cung điện to lớn trước mắt này có khí thế tràn đầy, trong nháy mắt đại não trống rỗng, gần như đánh mất tất cả năng lực suy nghĩ.

Hoàng Kim Cung cao ngàn thước, Tần Lập so với nó giống như một con kiến nhỏ bé. Cả tòa cung điện hoàn toàn được xây từ gạch vàng to lớn mà thành. Hơn nữa, mỗi một khối đều dài chừng hơn mười thước, dày hơn ba thước! Giữa mỗi một khối gạch vàng to lớn chỉ có thể nhìn thấy một sợi dây nhỏ to như sợi tóc! Chỉ sợ cũng giống như một lưỡi dao mỏng manh, căn bản cũng không thể tiến vào thân!

Chiều dài đại khái một ngàn năm trăm thước, cây cột chạm trổ cổ kính, lại hoàn toàn được chế từ hoàng kim, đích thị là một tòa thành hoàng kim!

Cứ như vậy, lặng lẽ nằm ở nơi cao nhất đỉnh Huyền Vũ, ánh mặt trời buổi sớm chiếu xạ ở trên Hoàng Kim Cung, phản xạ ra vùng hào quang màu vàng, đủ để khiến người không mở mắt ra được!

Tần Lập không kìm nổi thi triển ra Thê Vân Tung, thân thể từ từ bay lên, lướt qua phía cung điện cao cao phía trước, nhìn ra phía hậu điện không kìm nổi lại hút một ngụm khí lạnh, phía sau không ngờ kéo ra xa bảy tám dặm! Các gian phòng lớn nhỏ bố trí theo quy tắc, bên trong lại có đình đài lầu các, thủy tạ giả sơn. Tần Lập không ngờ còn trông thấy trong hồ nước kia, có nước lưu động, một ít hoa cỏ cây cối, dựa theo vị trí sinh trưởng tốt nhất. Hơn nữa, Tần Lập liếc mắt có thể nhìn ra, tất cả hoa cỏ cây cối này cũng không phải là vật phàm!

Đỏ, cam, vàng, lục, lam chàm, tím, các loại màu sắc, thứ gì cần cũng có. Nhưng bất luận là thực vật gieo trồng, đều giống như bằng ngọc, trong suốt trơn bóng, tản ra linh lực mãnh liệt.

Linh khí từ trên cỏ hoa cây cối truyền tới, bao phủ toàn bộ Hoàng Kim Cung, không ngừng đánh vào tâm thần của Tần Lập, làm cho tâm linh người ta lay động! Đây quả thực chính là một tòa hành cung đế vương to lớn!

Là ai mới có được cung điện hoàn toàn được xây bằng hoàng kim? Nhất là toà cung điện vô cùng to lớn này lại tràn ngập khí phách!

Để cho Tần Lập cảm thấy khó tin, Hoàng Kim Cung này rõ ràng là có từ xưa, nhưng hắn lại không thể từ trên cung điện này nhìn ra một chút hương vị cũ xưa nào, tới loại cảm giác lịch sự tràn ngập và tang thương, toàn bộ không có một chút nào! Giống như hôm qua mới được tạo thành!

Ánh mắt Tần Lập dừng ở phía trên cái đế cao chừng hơn trăm thước, lông mi không kìm nổi lại nhảy lên một trận. Cái bệ hoàng kim này rộng chừng ba dặm, dài bảy tám dặm, dày trăm thước, đủ để dốc hết tất cả vàng dự trữ của vô số quốc gia.

Mà song cửa sổ Hoàng Kim Cung, độ trong suốt giống như bảo thạch. Dưới sự chiếu xạ của ánh mặt trời, phát ra sắc thái làm cho người ta hoa mắt thần mê.

- Shyt!

Tần Lập nhìn nửa ngày, không kìm nổi phát ra một tiếng cảm thán. Thứ này "con mẹ nó" giống như bảo thạch, rõ ràng chính là thủy tinh to lớn mài thành, được khảm trên của sổ Hoàng Kim Cung!

Chờ một chút… Tần Lập nhíu mày, hắn bỗng nhiên nghĩ đến, trước đây mình nghe nói truyền thuyết về Hoàng Kim Cung, dường như… Không phải dạng này nha!

Nhưng cho tới bây giờ không ai nói qua, Hoàng Kim Cung giống như một tòa hành cung đế vương to lớn, trong tất cả truyền thuyết liên quan đến Hoàng Kim Cung, đều chỉ có cung điện vô cùng to lớn trước mắt, căn bản không có hậu viện to lớn kia nha!

Tần Lập nào biết rằng, giờ phút này hắn trông thấy Hoàng Kim Cung, là Hoàng Kim Cung chưa phát động trận pháp. Từ xưa đến nay, trên Huyền Đảo này, người may mắn gặp tòa Hoàng Kim Cung thì hắn là người thứ nhất!

Hơn nữa khiến Tần Lập cảm thấy hồi hộp chính là Hoàng Kim Cung này một vùng tĩnh mịch giống như không có chút sinh khí nào. Như vậy, nó làm cách nào cứ bảy mươi năm xuất hiện trên đài Huyền Vũ? Cứ sau mỗi lần thi đấu giải Chí Tôn, nó như thế nào rời đi?

- Này, có người không?

Thân hình Tần Lập hạ xuống từ không trung, đứng ở chỗ cách Hoàng Kim Cung mấy trăm trước, hô một tiếng thật cẩn thận.

Một vùng yên tĩnh, không có bất cứ âm thanh gì. Tần Lập lắc đầu, quay đầu đi, vừa thoáng nhìn biển mây vô tận ở ngay dưới chân, nhìn phía chân trời xa xôi. Một loại cảm giác muôn đời thê lương đột nhiên nảy lên trong lòng.

Đây là một thế giới nào chứ? Tần Lập có chút tự giễu lắc lắc đầu, xoay người lại, thần sắc kiên định đi tới Hoàng Kim Cung.

Vào đến bảo sơn, nào có đạo lý tay không quay về?

Ai biết, khi cách Hoàng Kim Cung còn có năm mươi thước, Tần Lập cũng thấy khó đi nửa bước!

Một luồng lực lượng vô cùng êm dịu, nhưng vô cùng cứng cỏi khiến Tần Lập bộc phát ra toàn bộ thực lực trên người, cũng căn bản không thể đi tới nửa bước!

Tần Lập vô cùng kinh hãi trong lòng, đây là chuyện gì xảy ra? Chẳng lẽ Hoàng Kim Cung này còn có kết giới bảo hộ hay sao?

Nghĩ vậy, Tần Lập đột nhiên tán đi lực lượng toàn thân, sau đó dùng thần thức tìm kiếm trong này, Thần thức giống như thủy ngân chảy, trái lại đi qua vùng kết giới vô hình không hề bị cản trở, chẳng qua khi thần thức vừa mới chạm vào bậc thang hoàng kim thật dài kia, giống như là có một cây búa tạ ngàn cân, hung hăng nện lên trên thần thức. Loại chấn động đến từ tinh thần thức hải, khiến thân thể Tần Lập nháy mắt như bị sét đánh, sắc mặt tái nhợt liên tiếp lùi vài chục bước, sau đó tràn ngập hoảng sợ nhìn Hoàng Kim Cung điện yên tĩnh trước mặt. không ngờ cường đại như thế! Lấy thực lực ngày trước của Tần Lập mà xem, cho dù võ giả có cảnh giới Chí Tôn bình thường, cũng vị tất có thể có được thần thức cường đại như hắn. Nhưng ngay cả bậc thang của Hoàng Kim Cung còn không thể nào vào được! Nếu không phải Tần Lập phản ứng cực kỳ nhanh, chỉ sợ lần này phải biến thành trọng thương!

Sắc mặt Tần Lập tái nhợt lấy tay xoa đầu, lần vừa rồi, đủ ác, hắn còn chưa từng bị qua đả kích nghiêm trọng như vậy, nếu không phải vừa rồi đột phá đến cảnh giới Dung Thiên, thương thế chỉ sợ càng thêm nghiêm trọng hơn!

Tần Lập cười khổ, đi đến bên cạnh Hoàng Kim Cung, chung quanh đều là vách tường cao hơn năm mươi thước, nhìn qua cực kỳ đại khí, phía trên vách tường còn tạo hình một số bút pháp xinh đẹp, chỉ chẳng qua là nét bút này, Tần Lập hoàn toàn khó hiểu ý.

Thử vài lần, phát hiện từ bên kia cũng không thể tiến vào, Tần Lập không khỏi cảm giác được mấy phần uể oải, vì thế bay lên không trung, muốn thử một chút có thể di vào hậu viện tòa Hoàng Kim Cung này từ không trung được không? Các loại chiến kỹ, đan dược, đan phương, binh khí, cái gì cần có đều có. Cứ mỗi bảy mươi năm, người may mắn có thể tiến vào Hoàng Kim Cung, đều có thể đạt được ba loại trong đó.

Tần Lập từ bên cạnh Hoàng Kim Cung, bay lên giữa không trung, khi rớt xuống phía dưới, lại gặp vấn đề như trước, dùng hết biện pháp, liền ngay cả Tiên Thiên Tử Khí vô cùng thần kỳ, cũng căn bản không thể dung nhập vào trong kết giới Hoàng Kim Cung.

Cho dù Tần Lập có tính tình kiên nghị trầm lắng, cũng không khỏi bị làm cho tức giận vài phần, lấy ra Ẩm Huyết thần kiếm. Một luồng kiếm khí màu tím hung hăng đánh ở trên kết giới Hoàng Kim Cung.

Ầm!

Một tiếng nổ như sấm, lập tức vang lên, một luồng lực lượng vô cùng to lớn, hung hăng phản kích về, đánh cho thân thể Tần Lập lập tức lên trời cao. Tần Lập bởi vì tránh né nhanh, cũng không có bị thương tổn gì, nhưng trái tim lại không ngừng đập mạnh.

Thứ này quả thực quá cường đại, nếu mình có một nơi như vậy, thì sợ gì sự trả thù của Thôi gia… Nếu không phục, trực tiếp điểu khiển Hoàng Kim Cung này đè tới, quản hắn Chí Tôn hay là gì, đè chết tất cả!

Tần Lập ảo tưởng trong lòng, sau đó có chút bất đắc dĩ lui trở lại phía trước cổng chính Hoàng Kim Cung, cau mày, bắt đầu suy tư.

Rất hiển nhiên, Hoàng Kim Cung có lẽ là một pháp bảo to lớn có được trận pháp cường hãn! Mặc dù là một mảnh kiến trúc chân thật nhưng trong lòng Tần Lập, liền cho rằng đây là một món pháp bảo!

Nào có kiến trức nào có thể tự di động? Cho dù tòa đại thành mà Ô Quận Vương tu kiến năm xưa, cũng không có loại này… Ồ?

Trong giây lát hai mắt Tần Lập mở ra, sau đó bắn ra thần sắc khó tin, hắn đột nhiên có loại ảo giác, tòa thành đá to lớn mà Ô Quận Vương tu kiến, dường như vô cùng tương tự với Hoàng Kim Cung!

Vì nghiệm chứng suy nghĩ của mình, Tần Lập vận hành chiến kỹ Cửu Thiên Thập Địa Duy Ngã Độc Tôn, cầm trong tay Ẩm Huyết thần kiếm, lại một lần nữa đi tới Hoàng Kim Cung.

Cách vùng kết giới kia càng gần, trong lòng Tần Lập cũng càng lộ ra vẻ khẩn trương, vừa rồi hắn thử nhiều lần, nhưng vẫn không thử qua vận hành chiến kỹ Cửu Thiên Thập Địa Duy Ngã Độc Tôn.

Nếu như điều này còn không thành, vậy thì Tần Lập cũng liền hoàn toàn mất hết hy vọng, có lẽ thành thành thật thật đi xuống vách đá này thì tốt hơn. Người nhà mình cũng đều chờ đến nóng nảy.

Ba bước… Hai bước… một bước!

Tần Lập đi vào kết giới Hoàng Kim Cung, sau đó… Đi qua không hề cản trở!

"Phù! Thành công rồi!"

Một luồng vui sướng to lớn, đánh vào tâm Tần Lập, cũng khiến Tần Lập đang kinh hỉ nghi hoặc không thôi: "mình tu luyện, rốt cục là chiến kỹ gì? Vì sao ngay cả loại kết giới vô cùng cường đại của Hoàng Kim Cung, đều có thể tiến vào?"

Trong lòng nghĩ, chân Tần Lập lại không có dừng bước, vẫn đi tới phía dưới bậc thang rất dài. Tần Lập do dự một chút, rốt cục nâng chân lên, theo bậc thang rất dài này, chậm rãi đi tới.

Trong lòng vẫn luôn nhớ kỹ khẩu quyết chiến kỹ Cửu Thiên Thập Địa Duy Ngã Độc Tôn, đi lên mấy trăm bậc thang Hoàng Kim Cung, đi vào trước đại môn Hoàng Kim Cung cao hơn mười thước, rộng hơn hai mươi thước… Cửa không tiếng động mở ra.

Hiện ra ở trước mặt Tần Lập, là một đại sảnh hoàng kim tráng lệ!

Tần Lập lững thững đi vào, cánh cửa lại lặng lẽ đóng không một tiếng động. Đại môn hoàng kim kia dày chừng hơn một thước, nhưng không có phát ra một chút âm thanh, sau khi cửa đóng, trên khe hở cánh cửa, không một hút hào quang bắn vào!

Nhưng phía xa trong đại sảnh, lại cũng không tối, cửa sổ thủy tinh to lớn được mài có ánh sáng xuyên qua vô cùng tốt. Đại sảnh cao chừng trăm thước, người đi bên trong, cảm giác vô cùng nhỏ bé.

Tần Lập dẫm lên mặt đất hoàng kim dưới chân, cảm nhận có loại cảm giác không chân thật. Đại sảnh này chiều ngang hơn năm trăm thước, hoàn toàn là cảnh tượng Tần Lập thấy ở bên ngoài, thọc sâu cũng hơn năm trăm thước, toàn bộ một tầng, đều là khoảng không trống rỗng, không có cái gì! Nơi bên trái Tần Lập hơn năm mươi thước, có một thang lầu xoay tròn, nối thẳng lên một tầng. Chẳng lẽ nói, người có được bảo vật, đều tìm ở lầu hai?

Tần Lập đang suy nghĩ, đột nhiên vô số vách hoàng kim, không biết từ nơi nào, lấy tốc độ làm người ta hoa cả mắt, đều từ trên trời giáng xuống!

Gần như trong nháy mắt, đại sảnh ngang ba dặm, sâu mười dặm được ngăn làm vô số phòng nhỏ, biến thành một… Mê cung!

276. Chương 278

Quá thần kỳ

Kháo! Đây không phải là dọa người hay sao? Tần Lập trợn mắt há mồm, không dám động đậy vì khi vách tường hoàng kim từ trên trời xuống hạ xuống, Tần Lập rõ ràng cảm nhận được một cỗ khí thế mạnh mẽ. Vách tường bằng hoàng kim này khiến người ta có một cảm giác không thể chống cự.

Thậm chí một chút ý nghĩ ra tay thử độ rắn chắc của bức tường hoàng kim này Tần Lập cũng không có. Trên mặt vách tường có một cánh cửa nhỏ, Tần Lập lại gần thì thấy, quả nhiên, cánh cửa bị khóa, hơn nữa không có gì có thể giúp mở cửa được.

Tần Lập quay đầu lại, đôi mắt híp lại, đột nhiên thấy trong căn phòng sau lưng mình xuất hiện vài thứ. Hắn dùng tay dụi dụi mắt, đúng vậy, vốn căn phòng trống rỗng bỗng nhiên lại hiện ra một cái bàn bằng hoàng kim. Trên mặt bàn bày ra một cái bình sứ rất nhỏ. Bình sứ hình vuông, tinh xảo tinh tế, trên mặt còn có một bức tranh sơn thủy màu đen trắng. Bức tranh kia giống như bút tích của một đại sư, tuy rằng vẽ trên bình sứ không bằng bàn tay nhưng khiến cho người ta có một cảm giác cứng cáp và trầm trọng, khí tức kia như đập vào mặt!

Tần Lập nao nao, thầm nghĩ: Chẳng lẽ đây là bảo vật mà kẻ may mắn có thể đạt được sau khi giải đấu Chí Tôn chấm dứt hay sao?

Đi về phía trước, nắm bình sứ lên, một cảm giác lạnh lẽo lập tức truyền đến. Đồng thời bằng một cách khó hiểu, trong đầu Tần Lập cũng xuất hiện một đoạn văn tự: "Càn Khôn Đan, thích hợp cho Tiên Thiên linh thể dùng, trực tiếp cắn nuốt. Sau khi dùng, bế quan ba mươi năm có thể bước vào cảnh giới Phá Toái Hư Không!"

Đầu óc Tần Lập lập tức trở nên hỗn loạn, ngay cả cánh cửa nhỏ trên bức vách hoàng kim không tiếng động mở ra hắn cũng không chú ý tới. Đầu óc hắn lúc này đều tràn ngập đoạn văn tự khó hiểu kia. Càn Khôn Đan? Bế quan ba mươi năm có thể đột phá Chí Tôn, tiến vào một cảnh giới rất cao? Cái này… cái này là thật hay là giả đây?

Trong lòng Tần Lập cảm thấy kinh hãi, nhưng không phải là giả vờ chút nào. Càn Khôn Đan… thứ này sao có vẻ giống chiến kỹ Cửu Thiên Thập Địa Duy Ngã Độc Tôn của mình như thế, cũng có khẩu khí lớn như vậy!

Ba mươi năm, đối với một người bình thường thì có thể chiếm đi một nửa cuộc đời của người đó, nhưng đối với một võ giả sau khi đột phá Thiên cấp thì cũng coi như không. Cái gì, ba mươi năm, có thể đột phá từ cảnh giới Phá Thiên lên Hợp Thiên đã coi như có thiên tư rất tốt. Hơn nữa, đây là còn được đại gia tộc có tài lực hùng mạnh hậu thuẫn, có thể chuyên tâm không chút lo lắng mà tu luyện.

Mà Càn Khôn Đan này dùng ba mươi năm liền có thể đột phá đến cảnh giới Phá Toái Hư Không, việc này thật sự làm cho người ta cảm thấy khó tin? Càng quá phận hơn nữa, đoạn văn tự thần bí hiện ra trong đầu Tần Lập thậm chí còn không có nói rõ cho hắn, đan dược này phải là người có cảnh giới nào dùng, chỉ nói một câu, Tiên Thiên linh thể dùng là tốt nhất.

Đó chẳng phải là nói, nếu không phải là Tiên Thiên linh thể, cho dù một chút cơ sở cũng không có, sau khi dùng viên đan dược này, sau ba mươi năm là có thể trở thành một siêu cấp cường giả Phá Toái Hư Không sao?

Tần Lập lắc đầu, cảm thấy khó tin, tuy nhiên vẫn tùy tiện thu chiếc bình sứ vào trong nhẫn trữ vật, sau đó phát hiện, cánh cửa nhỏ không ngờ lại mở ra từ lúc nào.

Tần Lập lại lững thững đi vào gian thứ hai, phát hiện trong phòng này cũng có một cái bàn hoàng kim, trên mặt bàn bày ra một quyển sách nhìn trông rất lâu đời.

Không do dự, Tần Lập cầm lấy quyển sách lên, trên bìa của nó là văn tự cổ đại, trên đó viết: Phiêu Linh Kiếm Quyết! Là một quyển chiến kỹ!

Lúc này, trong đầu Tần Lập lại xuất hiện một đoạn văn tự thần bí khác: Phiêu Linh Kiếm Quyết, Thần cấp, kiếm pháp nữ tính, nam giới không nên tu luyện.

Ta… ta, trời ạ! (câu này nguyên văn là câu chửi thề cửa miệng)

Tần Lập không nhịn được trợn trắng mắt một cái, ngay cả liếc mắt cũng không có hứng, nghĩ: "Giải đấu Chí Tôn trước kia không có ai xuất hiện tình hình như ta chứ? Vô cùng hưng phấn lấy được một viên thần đan, nhưng lại không cách nào dùng được, lấy được một quyển công pháp chiến kỹ thì lại biết không thể tu luyện. Có thể buồn bực mà chết hay không?"

Tuy nhiên Tần Lập lại tin tưởng, chuyện như thế này trước đây chắc chắn chưa từng xuất hiện! Nếu không thì dù có dấu diếm thế nào cũng không thể không có chút tin đồn lan truyền ra ngoài được. Hơn nữa, trên Huyền Đảo này có võ giả Phá Toái Hư Không hay không. Chẳng lẽ vận khí của ta lại tốt hơn so với người khác sao?

Tần Lập buồn bực nghĩ, tuy nhiên hắn lập tức phủ định suy nghĩ của mình. Viên đan dược kia nếu hắn ích kỷ lưu lại tất nhiên là không có gì, nhưng đã có lời nói rằng, chỉ giới hạn thể chất Tiên Thiên linh thể, Tần Lập cũng sẽ không mạnh mẽ sử dụng, mà đưa nó cho Thi Vũ thì tốt hơn.

Tiến bộ tu vi của Thi Vũ vẫn rất nhanh, mà khi Tần Lập được nghe về truyền thuyết của Thiên Nguyên Đại Lục, hắn liền cảm thấy, tiến bộ của mình và Thi Vũ vẫn còn chậm lắm!

Nếu viên đan dược này hắn dùng được, ba mươi năm có thể thành công tiến vào cảnh giới Phá Toái Hư Không, vậy Tần Lập quyết không chút do dự ăn luôn. Chỉ có khi hắn trở nên mạnh hơn, mới có thể bảo vệ tốt cho người thân.

Hơn nữa khi Càn Khôn Đan xuất hiện, đoạn văn tự thần bí kia đã nói cho Tần Lập, truyền thuyết mà hắn được nghe từ Tần Hải Dương cũng không phải chuyện cổ tích, mà là thực sự tồn tại! Nếu trên đời này thực sự tồn tại loại võ giả cường đại này, như vậy không chừng còn có cơ hội tiếp xúc với họ, như vậy, chỉ có trở nên mạnh hơn, mới có thể bảo tốt bản thân, bảo vệ tốt người thân.

Chỉ tiếc, đan dược này chỉ giới hạn dùng cho Tiên Thiên linh thể. Tần Lập lại thở dài một tiếng, tuy nhiên lại nghĩ: "Nếu Càn Khôn Đan này thần diệu như vậy, sợ cũng chỉ có Tiên Thiên linh thể mới có thể chịu đựng được áp lực của việc không ngừng đột phá này!"

Cũng may bên cạnh mình có nữ tử Tiên Thiên linh thể lại là người mình yêu nhất. Cuối cùng thì những buồn bực trong lòng Tần Lập cũng mất đi nhiều. Có thể khiến cho nữ nhân của mình trở nên mạnh hơn, đây cũng là một tâm nguyện của Tần Lập.

Trong căn phòng thứ ba, Tần Lập lấy được một thanh đoản kiếm, vỏ kiếm không biết được làm từ da linh thú nào. Vỏ kiếm có màu đen, hai mặt đều được khảm ba viên bảo thạch, một mặt màu đỏ, một mặt màu lam.

Tần Lập cảm nhận được từ trên bảo thạch này có dao động của nguyên tố thủy hỏa cực kỳ mạnh. Rút đoản kiếm ra, mũi nhọn lóe lên, hàn khí kinh người!

Trong đầu Tần Lập xuất hiện một đoạn văn tự: Huyết Ngọc Kiếm, rèn từ xương Huyết Ngọc Thú của Thần vực, không gì phá nổi! "Thần vực? Đó là chỗ nào?"

Thần kinh Tần Lập có chút chết lặng. Hoàng Kim Cung này có vô số bí ẩn, hơn nữa bảo kiếm mũi nhọn này không ngờ lại chế tạo từ xương thú, thật sự khiến người ta khó tin.

"Được rồi, làm người tốt làm đến cùng. Huyết Ngọc Kiếm này cũng là của nương tử luôn!"

Vẻ mặt Tần Lập ai oán nghĩ, từ nay về sau, Thượng Quan Thi Vũ sẽ trở thành một truyền kỳ rồi.

Đang nghĩ ngợi, Tần Lập cảm giác được thân thể mình bị một lực lượng kỳ dị bao phủ, thầm nghĩ: "chẳng lẽ muốn truyền tống ta ra ngoài? Dựa theo quy củ của Hoàng Kim Cung, dường như là như vậy. Mỗi người chỉ có thể lấy được ba bảo vật. Từ xưa đến nay không biết còn có ai giống mình không, được đến ba bảo vật, có hai là đồ dùng của nữ nhân, còn một thì… ặc, cũng là nữ nhân sử dụng tốt nhất!"

Trong lòng nghĩ vậy, Tần Lập liền niệm khẩu quyết chiến kỹ Cửu Thiên Thập Địa Duy Ngã Độc Tôn, tuy không biết làm thế có ích lợi gì không, nhưng Tần Lập vẫn làm theo bản năng.

Hoa mắt một cái, Tần Lập bỗng nhiên kinh ngạc phát hiện, mình… không ngờ lại ra hậu viện của Hoàng Kim Cung!

- Ha ha ha ha!

Tần Lập cuối cùng cũng không kìm lòng được cất tiếng cười to. Từ khi đi vào Hoàng Kim Cung, cuối cùng cũng có một việc khiến hắn cảm thấy thoải mái. Đồng thời, trong lòng Tần Lập lại dâng lên một ý nghĩ quái dị, chiến kỹ mình tu luyện, có thể có quan hệ gì đó với Hoàng Kim Cung hay không?

Nếu nói không hề quan hệ, Tần Lập chết cũng không tin. Không quan hệ sao hắn có thể tiến vào trong Hoàng Kim Cung này dù không tham gia giải đấu Chí Tôn? Không có vấn đề gì sao có thể lấy được ba kiện bảo vật kia, lại còn bị truyền đến vườn sau của Hoàng Kim Cung nữa?

Tần Lập lững thững đi tới. Thực vật hai bên đường tản ra linh khí kinh người khiến Tần Lập giật mình không thôi. Hơn nữa Tần Lập không ngờ lại thấy loại linh thảo cuối cùng trong Bạo Nguyên Đan!

Ngay tại đằng trước, bên phải, không ngờ… có trên trăm gốc! Vô số linh khí bốc lên từ trên linh thảo đó, ít nhất cũng có vạn năm tuổi rồi!

- Lão tử phát tài rồi!

Tần Lập hét lên một tiếng, vọt lên, đạp trên mặt đất trải hoàng kim, trực tiếp vọt tới vùng linh thảo trước mặt. Nhìn gốc cây như được thúy ngọc tạo thành kia, ánh mắt Tần Lập sáng lên như sao Kim. Tình cảnh này sợ có là Thánh nhân cũng không nhịn được mà cười to!

Hậu viện của Hoàng Kim Cung rất lớn, mỗi một gốc linh thảo, mỗi một gốc hoa mỗi một cái cây cũng không có một vật phàm nào!

. Cuối cùng, đến cả sự tồn tại của thời đại Thái cổ cũng không còn thừa nhận.

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

279. Chương 281 : Những Lịch Sử Đã Từng Mai Một!

Kỳ thật những thứ này ở Tần Lập xem ra, cũng thực dễ dàng hiểu được, cũng giống như mình ở triều đình nhà Hạ kiếp trước, đến tột cùng có tồn tại hay không cũng bị tranh luận vô số năm. Thời gian là vô tình nhất cũng là vũ khí đáng sợ nhất trên đời này, mặc kệ vô cùng cường đại đến mức nào, chung quy đều cũng bị thời gian vô tình hủy diệt. Sau đó dần dần sẽ không còn người nào biết: nó đã từng tồn tại trên đời!

Cho nên, ở trong đầu Tần Lập, Hô Diên Bác từng cảm thán phát ra một câu, đó chính là: không quản ngươi đã từng huy hoàng đến cỡ nào, đều dần dần sẽ bị người ta quên lãng!

Thời đại Thượng cổ suy vong, trên thực tế vẫn có liên quan tới Vực Ngoại Thiên Ma, tuy nhiên, đó chỉ là hậu duệ của Vực Ngoại Thiên Ma.

Vực ngoại Thiên Ma đã từng mạnh mẽ đến không ai bì nổi. Hậu duệ của bọn họ cũng cường đại như trước, nhưng chỉ vì huyết mạch không được tinh thuần, nên nếu so với tổ tiên, bọn họ kém hơn không ít. Tuy nhiên trong thực tế, mối cừu hận với cường giả trên bản xứ Thiên Nguyên Đại Lục này, nhưng vẫn kéo dài đến nay! Mà địa phương tập trung hậu duệ của Vực Ngoại Thiên Ma nhiều nhất, đó là… vùng đất cực Tây!

Rất nhiều hậu duệ Vực Ngoại Thiên Ma có huyết thống tương đối thuần khiết, đều nhận được trí nhớ truyền thừa từ tổ tiên. Cho nên, ở thời điểm thời đại văn minh cổ huy hoàng nhất, đám người mắt tím đó, lại một lần nữa phát động một trường đại chiến có một không hai! Trận chiến tranh này, trực tiếp làm cho gần như tất cả người con ngươi màu tím đều tử vong và… dẫn tới thời đại thượng cổ suy sụp!

Chỉ có điều, vào thời điểm đó rất nhiều gia tộc và môn phái thời thượng cổ, đều đã thông qua các loại phương thức tìm được rất nhiều địa phương thần bí, ở các địa phương đó sinh sống sinh sôi nảy nở.

Tỷ như địa phương thần bí Huyền Đảo nổi tiếng này, chính là như thế! Cũng chính vì vậy, bảy thế lực đại siêu cấp trên Huyền Đảo, đều gần như là không biết gì về trường đại chiến thời đại cổ đó, bởi vì trước khi chiến tranh bắt đầu, bọn họ đều đã tiến vào Huyền Đảo đóng quân trụ lại.

Tuy rằng ngẫu nhiên rời Huyền Đảo ra ngoài, cũng sẽ có nghe phong phanh chuyện ấy, nhưng tại địa phương này, thật sự giống như chốn bồng lai tiên cảnh, bản thân nó cũng đã chiếm một một vùng đất cực kỳ rộng lớn, bọn họ càng ưa thích ở Huyền Đảo phát triển. Bởi vì ở thời đại cổ lúc đó bảy thế lực đại siêu cấp này cũng chỉ là thế lực nhỏ yếu mà thôi!

Cuối cùng nói đến Hoàng Kim Cung này đã trải qua thời đại thái cổ, kết quả sau đó lại trải qua thời thượng cổ đại, đều đã từng tham gia trong hai lần đại chiến đó!

Thời điểm chiến tranh thời thái cổ, Hoàng Kim Cung đã nắm trong tay ngành luyện kim vượt bậc. Người đó là hậu nhân của Hô Diên Bác, điện Hoàng Kim Cung thật lớn dùng để phòng ngự, quả thực chính là pháp bảo siêu cấp, trận pháp đó đơn giản nhưng cường đại, rất khó bị tấn công vào!

Tần Lập thấy tất cả linh thủy lưu động bên ngoài, đều là nằm dưới quyền khống chế của người năm đó nắm giữ Hoàng Kim Cung, dùng bản lĩnh luyện kim mạnh mẽ, ép cực phẩm linh thạch sinh sôi hóa thành linh thủy!

Khi Tần Lập đọc ký ức trong đầu tới đây, khóe miệng hắn co giật hồi lâu, vẻ mặt thật khó coi, bởi vì ngay vừa rồi hắn còn phạm phải một chuyện xa xỉ đến mức tận cùng, dùng linh thủy do cực phẩm linh thạch hóa thành để tắm rửa. Lão tử quả thật là đệ nhất nhân trong thiên hạ nha!

Tần Lập không còn gì để nói, thầm nghĩ: nếu lão nhân Hô Diên Bác này còn sống, thấy một màn này có thể bị tức chết lần nữa hay không?

Chiến tranh thời thái cổ, Hoàng Kim Cung chủ yếu để tộc nhân bộ tộc họ Hô Diên dùng tránh tai họa. Trong viện này cỏ cây hoa cảnh đều có linh tính siêu mạnh, cũng chính là tài vật lưu lại từ thời điểm đó.

Mà theo thời gian trôi qua, sau khi chiến tranh thái cổ chấm dứt, Hoàng Kim Cung rơi vào trên tay một người con dâu Hô Diên gia, nhưng người nọ tâm thuật bất chính, ngầm mưu toan hoàn toàn chiếm lấy Hoàng Kim Cung, muốn hủy diệt mọi dấu vết có liên quan tới Hô Diên gia trên Hoàng Kim Cung.

Hô Diên Bác đã ngủ sâu không biết bao nhiêu năm mới tỉnh lại, giận dữ giết chết người nọ, rồi sau đó Hoàng Kim Cung tự động bay đi. Tới thời thượng cổ, Hoàng Kim Cung cũng đã thành một cái truyền thuyết. Chỉ có những người tài giỏi, cùng những hậu duệ của Vực Ngoại Thiên Ma sống sót sau chiến tranh thái cổ là biết nó tồn tại.

Hơn nữa đều thèm nhỏ dãi kiện chí bảo ba thước này. Thử nghĩ xem cung điện thật lớn này có thể cứng rắn kháng cự lại cả Vực Ngoại Thiên Ma công kích suốt một canh giờ mà không bị phá hủy, ai mà không muốn?

Chỉ có điều Hô Diên Bác mang theo Hoàng Kim Cung ẩn vào một địa phương thần bí, đó là trên đỉnh Huyền Vũ phong ở Huyền Đảo này! Không ai có thể tìm thấy.

Nói tiếp, ở thời điểm chiến tranh thời đại cổ bùng nổ, Hoàng Kim Cung tổng cộng xuất hiện ba lần. Hô Diên Bác đối với Vực Ngoại Thiên Ma hận ý rất sâu đậm, cho nên mỗi lần Hoàng Kim Cung xuất hiện, đều có rất nhiều hậu duệ của Vực Ngoại Thiên Ma tử vong!

Cung điện Hoàng Kim khổng lồ này, không biết nghiền ép chết bao nhiêu người con ngươi màu tím. Cũng vì thế, trong trường chiến tranh ở thời đại cổ kia, Hoàng Kim Cung trở thành cơn ác mộng của tất cả người con ngươi màu tím. Đồng dạng, ở Thiên Nguyên Đại Lục này cũng trở thành một trong những bảo vật mơ ước nhất trong mắt đám hậu duệ đó!

Hô Diên Bác sau khi liên tục kích phát Hoàng Kim Cung băng ngang đại lục, tác chiến khắp nơi, sau đó linh hồn lão cũng tiêu hao thật lớn. Hơn nữa, loại tiêu hao này là không thể tái sinh!

Rốt cục, sau lần thứ ba Hoàng Kim Cung ra tay diệt sát đám người con ngươi màu tím, Hô Diên Bác dùng chút hơi thừa trở lại Huyền Đảo, hạ lạc xuống đỉnh Huyền Vũ phong này, không tới mấy trăm năm sau linh hồn liền tan thành mây khói! Tần Lập đã gặp hiện nay chỉ là một chút thần thức của lão mà thôi!

Nhưng chỉ một chút thần thức này, lại có thể trong suốt thời gian mấy vạn năm từ hậu kỳ thời đại cổ đến nay, còn có thể điều khiến Hoàng Kim Cung mỗi bảy mươi năm, rơi xuống trên đài Huyền Vũ một lần, mục đích một là duy trì tinh túy của thời đại thái cổ cùng thời thượng cổ tới nay, hai là tìm một truyền nhân thích hợp, vì thế Hô Diên Bác mới kéo dài hơi tàn tới nay.

Mấy trăm năm trước một chút thần thức của lão, cũng sắp tan thành mây khói rồi. Chỉ có điều vô số năm qua, nhìn thấy qua rất nhiều thiên tài kinh thế hãi tục, nhưng không có một người nào có thể được lão hoàn toàn xem trọng. Mãi tới nay, lão cũng không nghĩ tới mình sẽ nhận được chút ngạc nhiên vui mừng nào, nhưng khi Tần Lập xuất hiện, thật sự khiến lão cảm giác được thật sự vui mừng, càng khiến lão mừng rỡ khôn xiết, là bản thân con người của Tần Lập!

Không ngờ là một người ngoài số mạng! Hơn nữa không phải là con ngươi màu tím! Nếu không dù có dùng hết hơi tàn lão cũng phải giết chết Tần Lập ngay tức thì! Thêm vào đó chính là chiến kỹ của Tần Lập tu luyện, không ngờ lại là chiến kỹ của thời thái cổ!

Chiến kỹ này đối với Hô Diên Bác tồn tại đã vô số năm mà nói, quả thực rất quen thuộc cũng quá xa lạ. Trong trí nhớ của lão về chuyện thời thái cổ, đều đã bắt đầu mơ hồ, chợt nhìn thấy Tần Lập sử dụng chiến kỹ thời thái cổ này, thậm chí lão nghĩ đến năm tháng lão đã từng huy hoàng năm xưa, thấy lại thời chính mình oai phong thét gió gọi mưa!

Cho nên, lão mới để cho Tần Lập xông vào trong, nếu không đừng nói là Tần Lập, cho dù mười vạn tên Chí Tôn cùng công kích Hoàng Kim Cung này, cũng đừng mơ tưởng phá vỡ được sóng liên kết phòng ngự của Hoàng Kim Cung!

Đại biểu cho tác dụng của thuật luyện kim đỉnh phong thời đại thái cổ, có thể phòng ngự chịu đựng Vực Ngoại Thiên Ma công kích suốt một canh giờ, chính là cường đại như thế!

Hô Diên Bác cuối cùng chuyển hoàn toàn một chút thần thức của mình, rót vào trong đầu Tần Lập, từ nay về sau, trên đời này liền không còn có cái tên Hô Diên Bác này nữa! Cũng như câu nói lão đã từng nói qua: không quản ngươi từng huy hoàng đến mấy đi nữa, đều sẽ bị người ta dần quên lãng.

Chỉ có điều loại kết quả này với lão mà nói, cũng là một kết quả tốt nhất. Trong ký ức của lão gồm tất cả tri thức sở học cả đời, toàn bộ đều gom trong một chút thần thức này, truyền lại cho Tần Lập!

Chỉ cần Tần Lập kiên định tu luyện tiếp tục không ngừng, như vậy một ngày nào đó, sẽ thay lão tái hiện huy hoàng năm xưa! thậm chí… vượt hơn lão!

Tần Lập theo vùng ký ức, đọc tới đây hắn cũng không kìm nổi nghĩ mà sợ một lúc lâu. Nếu vị thái cổ tài ba Hô Diên Bác này, hơi có một chút tâm tư muốn tiêu diệt hắn, hôm nay chính là kiếp số hắn khó thoát khỏi!

Tần Lập thậm chí không cần điều động cái loại trí nhớ học thức pha tạp phong phú như mây trời của Hô Diên Bác kia, chỉ dựa vào tưởng tượng của mình liền có thể biết, người tài năng như thế, nếu muốn đoạt xá sống lại, tuyệt đối không phải là chuyện khó khăn gì! Địa Tiên nha! Địa Tiên có được mười vạn hai ngàn năm tuổi thọ! Ai có thể chống lại được?

Tuy nhiên, nỗi ngạc nhiên vui mừng tự nhiên mà đến này cũng khiến Tần Lập kích động đến bủn rủn cả người. Không thể tưởng được chí bảo thời đại thái cổ này, vượt qua thời gian bao năm không ngờ lại rơi xuống trong tay mình!

Mặc dù, hiện tại hắn còn chưa đủ thực lực để khống chế nó, nhưng không thể che dấu được, cái loại cảm xúc vui mừng của Tần Lập hiện giờ!

Về phần nói nhóm hậu duệ tài năng và Vực Ngoại Thiên Ma của thời thái cổ, ở trong mắt Tần Lập, trên thực tế không có gì khác nhau: "Người trong thiên hạ, rộn ràng nhốn nháo cướp giật, đều là vì lợi."

Ở địa phương cực Tây, xem ra là nơi tập trung những người tài năng cường thế năm kia. Mà Thôi gia đã liều mạng truy đuổi tấm bản đồ thái cổ đó, vì thế không tiếc phái ra rất nhiều tinh anh gia tộc công chiếm lãnh thổ thế tục, ở trong mắt Tần Lập hiện tại cũng hoàn toàn có một ý nghĩa khác! Cái gọi là đứng ở góc độ bất đồng, phương thức tiếp nhận vấn đề cũng không giống nhau.

Nếu nói trước đây tầm nhìn của Tần Lập còn giới hạn trong Huyền Đảo, với các loại ân oán rối rắm, thì hiện tại, ánh mắt của hắn đã nhìn xuyên thấu qua Thiên Nguyên Đại Lục khổng lồ, dừng ở vùng cực Tây, vùng đất trong truyền thuyết! Từng huy hoàng như thế sao có thể hoàn toàn mai một như vậy được?

Một khi đã như vậy, ta nếu không thể chính mắt kiến thức một phen, làm sao có thể xứng đáng với cơ hội ông trời tái sinh cho ta làm người?

Mấy thứ kia của Hô Diên Bác trong đầu, trải qua thời gian hơn mười vạn năm, thật sự là quá phong phú như biển cả mênh mông. Trong đó nhiều nhất chính là các loại công thức luyện kim, mà phương diện này, Tần Lập căn bản là dốt đặc cán mai. Cho nên, hắn nghĩ cũng không nghĩ tới chuyện đi nghiên cứu tinh luyện mấy thứ này.

Với sinh mạng có hạn, đi học tập tri thức vô tận, ở Tần Lập xem ra, đây là vấn đề thực ngu xuẩn… Nhất nghệ tinh nhất thân vinh, chỉ cần mình có thể tinh thông một môn, như vậy cũng đủ rồi!

Hiện tại Tần Lập giống như nắm trong tay chìa khóa của một cái kho báu thật lớn, hắn có thể mở kho báu ra, nhưng nếu muốn hiểu rõ hết những gì trong kho báu đó, thì gần như là chuyện không có khả năng.

Nhưng có một chỗ lợi ích thật lớn là từ nay về sau, tri thức về phương diện luyện kim, Tần Lập nói chính mình là thứ hai, đương thời, tuyệt đối không ai dám xưng là thứ nhất! Đương nhiên, chỉ giới hạn trên phương diện lý thuyết.

Tần Lập thông qua kế thừa trí nhớ của Hô Diên Bác, biết được mỗi lần Hoàng Kim Cung buông xuống, trên thực tế đều là mặt trước nhất của tòa chủ cung điện khí thế hùng vĩ kia, giáng xuống đài Huyền Vũ, cũng chính là sau khi dùng linh thạch trong gian phòng này, nhồi đầy vào cái máng ao hoàng kim, chủ cung điện tự động bay lên, sau đó tiến hành mỗi bảy mươi năm một lần… Giải thi đấu Chí Tôn!

Tuy nhiên, lúc này đây, nhất định là giải thi đấu Chí Tôn lần cuối cùng! Đương nhiên, nếu Tần Lập nguyện ý vẫn còn có thể tiếp tục, đáng tiếc là Tần Lập không có tấm lòng vĩ đại cao cả như Hô Diên Bác kia. Cho

dù kế thừa, cũng phải ở trong phạm vi tự mình khống chế! Kế thừa vô tư vô ích, chờ sau này chết rồi nói sau! Mà khiến Tần Lập càng thêm hưng phấn là Hô Diên Bác ở trên đỉnh Huyền Vũ phong này, vào những lúc rãnh rỗi nhàm chán còn nuôi mấy con sủng vật nhỏ.

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

280. Chương 282 : Các Sủng Vật Nhỏ Mạnh Đến Biến Thái!

- Sủng vật… nhỏ?

Khi ký ức trong đầu Tần Lập hiện ra hình dáng mấy con gọi là sủng vật nhỏ này, cái loại vừa kinh ngạc vừa vui mừng, thiếu chút nữa khiến hắn quá vui đến ngất đi! Hoàng Kim Cung đích thật là một kiện trọng bảo, thậm chí có thể nói là một kiện chí bảo!

Thế nhưng vấn đề là với năng lực của Tần Lập hiện giờ cũng chỉ có thể khống chế bộ phận gì đó cực nhỏ, tỷ như nói… làm cho giải thi đấu Chí Tôn sau khi chấm dứt, trong phòng chủ cung điện Hoàng Kim Cung sẽ hoàn toàn trống rỗng!

Ái chà… Chuyện này, Tần Lập tự mình cũng hiểu có điều hơi quá đáng. Nhưng nếu không làm như vậy, Tần Lập cảm thấy đó mới là sai lầm lớn nhất! Hiện tại hắn mới tới thực lực gì chứ? Tần gia mới tới thế lực gì chứ? Dựa vào cái gì lại tặng những thứ tốt cho người khác? Được rồi nhỏ mọn thì nhỏ mọn! Chính là không cho cái gì!

Trở lại chuyện chính, Tần Lập muốn khống chế được chỉnh thể Hoàng Kim Cung to lớn này phi hành, ít nhất cũng phải đạt tới cảnh giới toái đan thành anh, chuyện đó còn rất xa.

Cái này thật giống như một gã con cháu nhà giàu, người cha có được hàng tỉ tài sản, sau đó nói cho hắn biết: chờ ta chết đi, ngươi có thể kế thừa một cái đế quốc thương nghiệp khổng lồ!

Đây cũng đủ mê người đi? Cho dù mỗi ngày phá sản, cũng xài không hết những thứ này. Nhưng vấn đề là cần chờ đợi! Đối với Tần Lập mà nói, con đường trước mặt còn rất dài, tuy rằng hắn mong đợi, nhưng thật sự không có lợi ích thực tế quá lớn gì đáng nói.

Mà mấy con sủng vật… nhỏ này, Tần Lập mỗi khi nghĩ tới trong đầu không khỏi bội phục Hô Diên Bác với cách gọi mấy con vật nuôi khủng bố kia. Khóe miệng hắn không kìm nổi co giật một hồi.

Bảy con linh thú mạnh mẽ đến cực hạn trong truyền thuyết trên Huyền Vũ phong kia, không ngờ là thời điểm Hô Diên Bác đi vào Huyền Vũ phong, rãnh rỗi buồn chán nên nuôi mấy con sủng vật nhỏ cho ở ngoài Hoàng Kim Cung! Nhất mãng nhất điêu nhị ưng tam viên (Một mãng xà, một chim điêu, hai chim ưng, ba con vượn)… Không sai, chính là bảy con này!

Đây quả thực làm cho Tần Lập rất ngạc nhiên vui mừng không hết, nhất mãng nhị ưng cùng tam viên kia tuy rằng Tần Lập còn không có nhìn thấy, nhưng thực lực của chim điêu này, thực đúng là tên khốn làm cho Tần Lập nếm qua mùi khổ sở không ít!

Tuy rằng trốn thoát đuổi giết của nó, nhưng trên thực tế, nếu Tần Lập muốn chiến đấu cùng Kim Điêu to lớn này, chỉ sợ ngay cả một trăm chiêu đều không kiên trì được! Nếu không dựa vào một thân khinh công xuất thần nhập hóa, ngay cả chạy trốn đều là mộng tưởng!

Đến cuối cùng, vẫn là cảm nhận được trên vách đá Huyền Vũ một khí tức cường đại khác, lúc đó con Kim Điêu kia mới đầy lòng không cam chịu vỗ cánh bay đi. Nếu không Tần Lập thật sự không nắm chắc được bao nhiêu phần, có thể bình yên vô sự trốn thoát dưới công kích của con linh thú khủng bố này.

Mà hiện tại, chúng nó đều được Hô Diên Bác giao cho mình! Đây mới là thứ hắn cần nhất hiện nay nha!

Rốt cuộc Tần Lập không kìm nổi lao ra ngoài Hoàng Kim Cung, bay lên không trung, đứng ở ngoài kết giới lớn tiếng thét dài!

Tiếng thét dài của Tần Lập kia trung khí mười phần, rất nhanh liền dẫn nổi lên một trận xao động trên đỉnh Huyền Vũ Phong, từ rất xa ngoài mười mấy dặm, trong giây lát nổi lên một khí thế cường đại đến cực điểm!

Một con vượn cực lớn cả người trắng như tuyết, có tới ba thước cao, như một tia chớp trắng xóa, hướng tới Hoàng Kim Cung nơi này bay tới, ở phía sau nó, còn có hai con vượn lớn đồng dạng cả người trắng toát. Cả ba đều rống giận phóng ập tới Tần Lập!

Ở trong mắt chúng, không ngờ có người dám giương oai trên địa bàn của chủ nhân, nơi mà ngay cả bọn chúng cho tới bây giờ cũng không dám làm càn như vậy! Quả thực chính là… không thể tha thứ!

Tuy nhiên, khi ba con vượn lớn hùng hổ phóng tới, bỗng nhiên từ trên người Tần Lập, cảm giác được một khí tức rất quen thuộc, bởi vì khí tức này đã ở cùng với chúng thời gian hơn vạn năm trước!

Tần Lập cũng có vài phần khẩn trương, cái loại áp lực như thực chất trên thân mình ba con vượn lớn này, làm cho người ta có cảm giác như bị một đỉnh núi cao đè xuống! Thậm chí khiến cho người ta cảm thấy hít thở không thông!

- Lại đây!

Hai mắt Tần Lập bình tĩnh như bình thường, không có một tia dao động, lạnh nhạt nhìn ba con linh thú khủng bố.

- Ngươi… Là ai?

Con vượn trắng lớn đầu lĩnh kia, hai mắt bắn ra hai luồng tinh quang, vừa kinh ngạc vừa nghi hoặc nhìn Tần Lập, lại há mồm nói ra rõ ràng là ngôn ngữ nhân loại, thanh âm cũng rất già nua, giống như đã trải qua muôn đời tang thương.

- Ta… là tân chủ nhân của các ngươi!

Tần Lập biết rằng ở trước mặt đám yêu quái sống vạn năm này, nói dối chỉ có thể khiến cho đối phương phản cảm:

- Sư phụ của ta nói các ngươi là sủng vật của ông ấy. Mà ta, lại là người thừa kế của sư phụ. Ông ấy nói, tặng tất cả các ngươi cho ta!

- Ngươi nói dối! Chủ nhân cho tới bây giờ chưa từng có người thừa kế!

Lão vượn màu trắng bên trái, thanh âm giòn tan như châu rơi vào chậu ngọc lạc, nghe ra giống như một cô gái mười ba mười bốn tuổi bình thường!

- Tiểu muội! Đừng nói bậy! Trên người hắn có khí tức của chủ nhân!

Thanh âm nam nhân trẻ tuổi vang lên từ trong miệng con vượn lớn bên phải.

Hai mắt lão vượn màu trắng chợt bắn ra hai tia sáng mười phần áp bức, gắt gao nhìn chằm chằm vào Tần Lập, đánh giá hắn hồi lâu, sau đó trong mắt nổi lên một vẻ khinh thường, thản nhiên nói:

- Ta thừa nhận trên người ngươi có khí tức của chủ nhân. Nhưng, chỉ bằng chút thực lực của ngươi hiện tại cũng muốn làm chủ nhân chúng ta sao! Còn kém quá xa! Ngươi có truyền thừa của chủ nhân, ta sẽ không thương tổn ngươi, chờ chừng nào ngươi… có thể điều khiển Cung Điện Hoàng Kim này bay lên đỉnh mây, hãy đến làm chủ nhân chúng ta đi!

Lão vượn màu trắng nói xong, quay người lại, một thân thân thể cao lớn lông dài mịn trắng như tuyết, dưới ánh mặt trời sáng lấp lánh, nó cũng không quay đầu lại phóng đi về hướng khu rừng rậm trên đỉnh Huyền Vũ Phong. Thiếu nữ kia "Hừ!" một tiếng cũng theo sau rất nhanh biến mất.

Con vượn lớn màu trắng thanh âm nghèn nghẹn trong miệng. Đúng là con vượn lớn màu trắng có thanh âm của nam nhân trẻ tuổi kia, dường như bộ dáng rất có hảo cảm với Tần Lập, lưu lại giải thích nói:

- Tiểu tử kia! Thực lực của ngươi… quả thật là quá yếu kém! Nếu muốn cho chúng ta cam tâm tình nguyện nhận thức ngươi là chủ nhân, ngươi còn cần cố gắng mới được!

Tần Lập vẻ mặt buồn hiu nhìn con vượn lớn màu trắng này, thầm nghĩ: "Nếu ta sống hơn mười vạn năm, khẳng định sẽ lợi hại hơn các ngươi! Cũng không nhìn lại xem ta mới bao nhiêu tuổi! Vốn tưởng rằng mình triệu tập bọn nó lại đây... Hơi lộ ra một chút khí tức của Hô Diên Bác, bọn chúng sẽ điên cuồng mừng rỡ nhận chủ. Xem ra trên người mình không có sẵn khí thế vương giả trong truyền thuyết nha..." Tần Lập tự giễu nghĩ.

Tuy nhiên Tần Lập lại nghĩ: "Những "lão" linh thú này, đều là sống hơn mấy ngàn vạn năm, dùng mắt của người kiếp trước mình mà xem, rõ ràng chính là một đám lão yêu quái, nếu thật sự một chút tính cách cũng không có, vậy mới gọi là sự việc bi thảm." Nghĩ vậy, Tần Lập hỏi:

- Vậy ngươi có thể nói các ngươi đã đạt tới thực lực gì không?

Con vượn lớn màu trắng nhếch miệng cười, đôi mắt chớp chớp, sau đó nói:

- Nếu dựa theo tiêu chuẩn võ giả nhân loại các ngươi, đại ca Bạch Trung Sơn của ta đã là cảnh giới Phá Toái Hư Không, tiểu muội Bạch Trung Tuyết là Thiên Tôn bậc cao, mà ta, ta hẳn là cảnh giới Thiên Tôn đỉnh phong!

Lúc này Tần Lập thật sự không kìm nổi thật hít một hơi khí lạnh, mắt nhìn theo hướng lão vượn màu trắng đầu lĩnh biến mất kia, trong lòng cuồn cuộn nổi sóng: "Con bà nó! Khó trách không chịu nhận lão tử là chủ nhân, thì ra thực lực đã đạt tới loại cảnh giới này! Đổi lại là ai, cũng không dễ dàng chịu nhận chủ nha!"

"Phá Toái Hư Không, không phải chỉ một lão vượn màu trắng là có thể đánh cho Thôi gia một trong bảy thế lực đại siêu cấp Huyền Đảo kia tan tành? Đáng tiếc người ta không theo ta!" Tần Lập có chút buồn bực nghĩ.

Tuy nhiên Tần Lập cũng biết gia tộc cỡ như Thôi gia kéo dài từ thời đại thượng cổ đến nay, vị tất là không có xuất hiện cường giả Phá Toái Hư Không như vậy. Vấn đề mấu chốt ở chỗ, loại chuyện này mấy người đó đều không thích lộ ra. Hơn nữa, cho dù là bên trong Thôi gia, cũng vị tất có bao nhiêu người biết rõ chuyện này.

Lúc này, con vượn lớn màu trắng lại nhếch miệng cười cười, nói:

- Ta gọi là Bạch Trung Hỏa! Ha ha! Chờ khi nào ngươi đạt tới cảnh giới toái đan thành anh, thì ngươi sẽ là tiểu chủ nhân của chúng ta! Ngươi cố gắng đi!

Nói xong, cũng xoay người, nhanh chóng biến vào trong rừng rậm. Trong không khí, bay tới một câu:

- Ngươi có thể đi tìm đại mãng cùng mấy con súc sinh lông vũ kia, có lẽ chúng nó sẽ nguyện ý đi theo ngươi đấy. À! Cái này để ngươi nói đi!

Tần Lập vẻ mặt buồn bực bĩu môi, xoay người lại, vốn tưởng rằng mình đứng trên Hoàng Kim Cung ngửa mặt lên trời thét dài là một chuyện thực oai phong. Hiện tại nghĩ đến, nào thấy oai phong còn bị mấy con súc sinh như lão yêu quái coi thường.

Tần Lập từ trên Hoàng Kim Cung nhảy xuống, đứng ở phía trên bậc thang cửa chính chủ cung điện. Đột nhiên, mắt hắn nhíu lại, thấy bên ngoài vách núi cách đó không xa, không ngờ chậm rãi trồi lên một nữ nhân!

May mắn đây là ban ngày, mặt trời trên cao chiếu rọi, cũng may mà Tần Lập lá gan rất lớn, người cũng đã chết qua một lần, gặp quỷ cũng không sợ hãi. Lúc này nếu đổi là người bình thường, thế nào cũng phải bị dọa đến chết khiếp. Nữ nhân này một thân áo da màu đen bó sát người, lộ ra một đoạn eo thon nhỏ trắng như tuyết, dáng người nóng bỏng tới cực hạn!

Bó chặt trong quần da màu đen ngắn ngủn lộ ra cặp đùi mượt mà xinh đẹp thon tròn thẳng tắp, bộ mông ểnh tròn xoe đủ để cho bất kỳ nam nhân bình thường nào nhìn thấy đều chảy nước miếng, bộ ngực đầy đặn gần như sắp phá nứt áo da màu đen kia khoe ra làn da trắng như tuyết!

Một đầu mái tóc đen nhánh uốn lượn chảy dài như suối nước, tùy tiện vén lên, lộ ra một gương mặt mịn màng không một tỳ vết nào trên mặt, cặp mắt kia lóe ra sức quyến rũ đến mức tận cùng. Nàng đang mang theo vẻ cười châm biếm, tựa cười như không cười nhìn Tần Lập!

Sau khi bay lên vách núi, nàng liền bước nhẹ nhàng, vặn vẹo vòng eo như con rắn… Chờ một chút, rắn? Tâm tư Tần Lập rất nhanh quay ngược trở lại, trong đầu đột nhiên nghĩ đến một trong số sủng vật nhỏ của lão nhân Hô Diên.

Đó là cự mãng màu đen!

Nhất định là nó!

Tuy nhiên lúc này, Tần Lập thật không dám làm ra vẻ oai phong như vừa rồi. Vừa nghĩ tới bản thể nữ nhân là một con mãng xà màu đen to lớn, trong lòng Tần Lập vốn có chút dục vọng kia lập tức hóa thành hư ảo.

- Ngươi là ai?

Tần Lập đứng trên bậc thang. Hắn biết Hoàng Kim Cung có sức phòng ngự cường đại, cho dù là xà nữ này có thực lực Phá Toái Hư Không, cũng không thể vào được!

Đóng cửa lại rồi ta sợ ai? Được rồi, như vậy có hơi mất mặt, tuy nhiên trước mặt mấy tên linh thú mạnh mẽ này, nếu không muốn mất mạng, cũng chỉ có thể mất mặt thôi.

- Tiểu chủ nhân! Ngài chẳng lẽ không biết ta là ai sao? Vừa rồi con khỉ già kia, không phải còn nói xấu ta sao?

Nữ nhân này, giọng nói của nàng y hệt như nhân loại, vô cùng ngọt lịm, tràn đầy mê hoặc, hơn nữa không hề có chút dấu hiệu giả tạo gì, hoàn toàn thuộc loại quyến rũ trời sinh!

Tần Lập không kìm nổi muốn ngửa mặt lên trời thở dài: "Lão nhân Hô Diên nha! Đây là trong miệng ngài nói là sủng vật nhỏ nhu thuận đáng yêu… đây sao?"

Hắc y nữ nhân điềm đạm đáng yêu nhìn Tần Lập, làm như sắp khóc:

- Tiểu chủ nhân! Chẳng lẽ, ngài không muốn chúng ta sao? Hu hu… Đáng thương cho xà xà, không có nhà để về!

281. Chương 283 : Muốn Làm Chủ Nhân Không Dễ Dàng!

Phù!

Tần Lập thật sự là không nhịn được, phì cười văng cả nước bọt ra ngoài. Nếu trước mắt không phải là một mỹ nữ tuyệt sắc, dáng người nóng bỏng đến khiến cho người ta có thể chảy máu mũi, Tần Lập hận không thể há lớn miệng cười to không cần tới phong độ chút nào.

Con bà nó! Đây còn coi như là một con linh thú sao? Thiên phú này nếu đi tới thế giới trước kia của mình, cái dáng vẻ này còn có thể không cuốn hút hết người khác sao?

Thấy Tần Lập cười đến ngả nghiêng ngã ngửa, hắc y nữ nhân thoáng cái sắc mặt biến đổi, trợn mắt nhìn Tần Lập, lạnh lùng nói:

- Ta buồn cười lắm sao?

- Ha ha!. .. không phải… ngươi không phải buồn cười lắm.

Tần lập nghĩ thầm trong nói: "Ngươi quả thực là quá buồn cười!"

"Tuy nhiên phỏng chừng nếu nói ra lời này, bản thân mình sẽ không cần rời khỏi phạm vi phòng ngự của Hoàng Kim Cung. Nữ nhân này còn không luôn canh chừng tại chỗ này trả thù mình nha."

- Này kia ơi! Ngươi hẳn là sủng vật hắc mãng của sư phụ ta?

Một hồi lâu sau Tần Lập rốt cục ngưng cơn tức nghẹn vì cười, nhưng trên mặt ý cười cũng vẫn không thể kìm nổi: tiểu xà xà hì hì.

Tưởng tượng một chút, một con rắn nhỏ chừng một thước cùng một con mãng xà dài cả trăm mét. Một con cự mãng thân mình to cỡ cái thùng nước, sau đó cự mãng kia đứng đó xưng là tiểu xà xà… Đây thật sự là chuyện làm cho người ta không nói được lời nào nữa!

- Đúng vậy! Chính là ta! Ngài đều đã biết rồi, chẳng lẽ, ngài không muốn tiếp nhận ta sao?

Hắc y nữ nhân biến đổi sắc mặt với tốc độ có thể nói là nhất tuyệt, nhất định sẽ đứng đầu bảng trong truyện cười. Sóng mắt nàng như nước nhìn Tần Lập, dường như vẻ tức giận vừa mới bị cười nhạo không tồn tại.

Trên thực tế, trong lòng xà nữ sớm đã hận tên tiểu tử chết tiệt này chết đi được! Một tiểu tử ngay cả cảnh giới Chí Tôn cũng không đến, không ngờ dám cười nhạo mình như thế!

Nếu không phải hắn núp tránh ở trong phạm vi phòng ngự của Hoàng Kim Cung, cho dù trên người hắn có khí tức của chủ nhân, cũng phải tra tấn hắn một phen cho biết đá biết vàng! Tuy nhiên trước mắt, trước hãy dụ hắn ra ngoài rồi nói sau!

Xà nữ vừa oán hận trong lòng vừa nghĩ, hai mắt cũng biến đổi tốt hơn:

- Chủ nhân đã sớm nói qua với chúng ta, về sau sẽ lựa chọn cho chúng ta một tiểu chủ nhân, mang chúng ta đi ra ngoài từng trải. Trên người ngài đã có khí tức của chủ nhân, thân người ta đây, về sau chính là người của ngài rồi!

Tần Lập lộ vẻ mặt bình thản nhìn hắc y nữ nhân nói hết lời, thầm nghĩ: "Cho dù ngươi là lão yêu quái sống hơn vạn năm, cũng đừng mơ tưởng ở trước mặt ta giở trò lừa gạt, không phải là muốn lừa ta ra ngoài để thu thập ta một trận hay sao? Lão tử không dễ bị mắc lừa đâu!"

Tần Lập vừa nghĩ vừa dứt khoát đặt mông ngồi trên bậc thang hoàng kim, vỗ vỗ bậc thang bên cạnh, cười nói:

- Lại đây ngồi đi!

Hắc y xà nữ trong lòng nghiến răng nghiến lợi, trên mặt lại cười tươi như hoa:

- Ngài triệt hồi phòng ngự của Hoàng Kim Cung, người ta mới có thể đi vào mà!

- Hì hì! Đâu có chuyện dễ dàng như vậy.

Tần Lập đảo cặp mắt trắng dã, lão tử muốn tìm ngược đãi mới triệt hồi phòng ngự.

- Vậy ngươi hiện tại là thực lực gì chứ? Phải biết rằng, thực lực quá kém, ta cũng sẽ không thu nhận nha!

Hắc y xà nữ bị lời nói của Tần Lập tức giận đến muốn bốc khói: "Tiểu tử chết tiệt kia! Ta còn chưa nói ngươi thực lực quá yếu đây, không ngờ ngươi còn dám chọn cá chọn canh!"

Lập tức xà nữ không kìm nổi hừ lạnh một tiếng:

- Ta đã có được cảnh giới Thiên Tôn đỉnh phong! Có xứng đáng đi theo ngài không vậy?

- Tàm tạm… Hì hì… tàm tạm…

Tần Lập bật cười ha hả, bỗng nhiên ngó thấy phía chân trời xa xa xuất hiện ba cái điểm đen, Tần Lập thầm nghĩ: "Đang chờ các ngươi đây!" Ba điểm đen kia, tự nhiên chính là nhất điêu nhị ưng cảm nhận được Tần Lập triệu tập!

Hắc y xà nữ cũng sớm đã cảm ứng được ba cái khí tức khiến nàng vô cùng chán ghét: chim ưng và rắn vốn bản thân chính là thiên địch!

Cho dù chúng nó đều là sủng vật của Hô Diên Bác, nhưng giữa nhau thật sự không có chút giao tình gì. Tuy rằng chúng biết lẫn nhau, nhưng gần như là không có lui tới với nhau, đều tự mình sống ở địa bàn của mình.

Giống như thời điểm Kim Điêu kia đuổi Tần Lập tới gần địa bàn của xà nữ, cho dù trong lòng không cam chịu cũng phải vỗ cánh bỏ đi, chính vì không muốn phát sinh xung đột. Đạt tới loại thực lực của chúng, một khi phát sinh xung đột, cái loại phá hủy quả thực là đáng sợ.

- Chết tiệt! Mấy con súc sinh lông vũ đáng ghét kia tới đây định làm cái gì?

Hắc y xà nữ đồng tử co rút lại, trên người tản phát ra khí tức cực độ nguy hiểm.

Kim Điêu cùng hai con chim ưng màu đen khổng lồ tự nhiên đã sớm cảm nhận được khí tức của cự mãng. Sau khi bay tới gần đều chần chừ vần vũ xoay quanh trên bầu trời, không dám tùy tiện hạ xuống dưới.

Đừng nhìn Kim Điêu thực lực vô cùng mạnh mẽ, nhưng so với hắc y xà nữ này, vẫn còn kém một chút. Tuy rằng cộng thêm hai con ưng khổng lồ kia không sai biệt lắm có thể thắng được hắc y xà nữ. Nhưng cái loại kiêu ngạo và tôn nghiêm của cường giả không cho phép nó làm như vậy.

Huống chi, chúng nó đều là sủng vật do chủ nhân nuôi lớn. Nếu phát sinh chiến đấu lẫn nhau, chủ nhân sẽ không thích!

Kim Điêu liếc mắt một cái nhận ra ngay tên tiểu tử ngồi trên bậc thang Hoàng Kim Cung kia, đúng là tên nhân loại đáng chết đã trêu chọc mình cả nửa ngày. Lập tức nó cảm thấy phẫn nộ sôi lên, nhưng trong mắt đồng thời cũng hiện lên một chút dị sắc, tên nhân loại này làm thế nào có thể vào lọt trong vòng phòng ngự của Hoàng Kim Cung chứ?

Nó là cảm nhận được khí tức của chủ nhân, và sau khi nghe tiếng thét dài kia, từ địa phương cực xa bay trở về, không nghĩ tới không ngờ lại gặp lại Tần Lập.

- Này! Đám các ngươi đừng bay ở trên trời, mọi người xuống đây nói chuyện được rồi?

Tần Lập ngửa đầu nhìn Kim Điêu cùng hai con ưng khổng lồ màu đen vần vũ trên bầu trời. Hơn nữa lúc trước bị đuổi chạy trối chết, cũng không có nhìn kỹ bộ dáng con Kim Điêu, hiện tại thấy rõ thật sự là vô cùng thần tuấn nha!

Kim Điêu kia toàn thân lông vàng ánh, dưới ánh mặt trời chiếu xuống, lấp lánh như ánh vàng của Hoàng Kim Cung trông thật rực rỡ! Hai mắt xếch linh hoạt; mỏ thật lớn cong vòng bén nhọn, giống như một thanh loan đao sắc bén; hai chân to lớn tráng kiện với những móng vuốt sắc dữ tợn… cùng đôi cánh dang rộng che khuất cả ánh mặt trời.

Càng nhìn càng khiến Tần Lập thèm nhỏ dãi không thôi, nếu có thể có được một con sủng vật như vậy, cách xa ngàn vạn dặm chẳng qua cũng chỉ là một ngày bay thôi!

Hơn nữa, bản thân Kim Điêu này ít nhất cũng có thực lực Chí Tôn, quả thực chính là một tay đấm siêu cấp, loại sủng vật này, ai mà không muốn?

- Trên người của ngươi, như thế nào lại có khí tức của chủ nhân vậy?

Tiếng nói dường như của một đại hán dõng dạc như tiếng chuông đồng, từ trong miệng Kim Điêu vang lên.

Một trong hai con ưng khổng lồ màu đen, phát ra giọng nữ dịu dàng đáng yêu:

- Hắn chính là truyền nhân của chủ nhân tuyển chọn thì phải? Tiểu tử này chạy thật mau, mạnh hơn nhiều so với tên võ giả nhân loại bị chúng ta giết chết kia!

Con ưng khổng lồ màu đen kia, cũng là giọng nữ, nhưng thanh âm lại cực kỳ băng lạnh, khinh thường nói:

- Là hắn à? Vừa thấy liền nhìn thấu thực lực, quá yếu nhược! Chủ nhân sao có thể tuyển chọn kẻ yếu đuối này làm người thừa kế chứ? Nếu chủ nhân thật sự chọn người như thế làm kẻ thừa kế, ta thật không thèm thừa nhận địa vị của hắn!

Vốn xà nữ đang thập phần khó chịu với ba tên bay trên không trung này. Giờ phút này nghe được những lời nói đó nàng ta lại thập phần thoải mái, đắc ý dào dạt nhìn Tần Lập, ý tứ đó dường như đang nói: “Tiểu tử kia! Thấy chưa? Chỉ có một mình tỷ tỷ là nguyện ý thừa nhận địa vị của ngươi nha!”

Kim Điêu cùng hai con ưng khổng lồ màu đen, lúc này cũng hóa thành hình người, từ không trung hạ xuống. Kim Điêu hóa thành một đại hán thân cao hơn hai thước, một đôi mắt ưng vô cùng sắc bén; cơ thịt trên

mặt thập phần dữ tợn; trên hai cánh tay lộ ra ngoài bắp thịt cuồn cuộn, nhìn qua tràn đầy lực lượng như sắp nổ tung.

Hai con ưng khổng lồ màu đen kia đều hóa thành hai nữ nhân xinh đẹp, một nàng thật yêu kiều quyến rũ, một nàng thật lạnh lùng băng giá, một trái một phải, đi theo sát bên cạnh đại hán, giống như là hai thê tử của hắn.

Đại hán nhìn hắc y xà nữ, nhíu mày, khóe miệng co giật kịch liệt vài cái, gật gật đầu, xem như chào hỏi. Về phần hai nàng chim ưng khổng lồ màu đen, thì nhìn hắc y xà nữ không có nửa điểm hứng thú nào, hơn nữa dường như còn có vẻ sợ hãi, né tránh ở phía sau đại hán Kim Điêu.

Kim Điêu đưa đôi mắt ưng lạnh lùng nhìn chằm chằm Tần Lập, nói:

- Trả lời ta, nhân loại!

- Chẳng lẽ ngươi nhìn không ra sao? Ta đã thành tân chủ nhân Hoàng Kim Cung này! Về phần chủ nhân các ngươi, đã hoàn toàn siêu thoát…

Tần Lập nói đến đây, không kìm nổi thở dài một tiếng, trong lòng dâng lên một mối thương cảm. Bất kể nói thế nào, Hô Diên Bác chủ nhân Hoàng Kim Cung này là hạng người học thức trí tuệ uyên bác và tấm lòng bao la, cùng với tình cảm thủ hộ dành cho đại lục này, đều khiến cho người ta cảm thấy bội phục.

Là người trực tiếp nhận được lợi ích từ Hoàng Kim Cung, Tần Lập đối với hết thảy tài năng từ thời thái cổ truyền thừa cho mình, trong lòng hắn cũng có một mối chân tình, cũng giống như đối với vị sư phụ cách đời Ô Quận Vương lúc trước.

Đến hiện tại, Tần Lập căn bản không nghĩ rằng Ô Quận Vương là một võ giả bình thường. Nhưng không ngờ chiến kỹ Cửu Thiên Thập Địa Duy Ngã Độc Tôn, là chiến kỹ từ thời thái cổ, như vậy Ô Quận Vương, hoặc là hậu duệ của nhóm tài năng từ thời thái cổ, hoặc là… không chừng là hậu duệ của Vực Ngoại Thiên Ma đây.

Ý niệm này, cũng chỉ chợt lóe lên trong lòng Tần Lập, bởi vì mặc kệ như thế nào, Ô Quận Vương cũng đồng dạng đã mai một trong dòng lịch sử này.

Không quản ngươi rất mạnh, cho dù tu luyện đến cảnh giới Địa Tiên, có được tuổi thọ vạn năm, cuối cùng cũng không tránh khỏi thời gian!

So sánh với những con linh thú này, đạt tới cảnh giới Chí Tôn, liền có thể sống tới hơn mấy ngàn vạn năm, thật đúng là làm cho người ta hâm mộ nha!

- Cái gì? Chủ nhân… Hoàn toàn mai một?

Đại hán Kim Điêu cùng hai nữ nhân cự ưng đều không kìm được ngẩn người tại chỗ, rơi lệ. Mà ngay cả hắc y xà nữ, biểu tình cũng ngây dại ra, hai mắt tràn đầy bi thương.

Bỗng nhiên hắc y xà nữ nhớ tới vô số năm trước vào một buổi chiều, thời điểm nàng còn là một con rắn nhỏ màu đen dài chỉ có hai thước, không ngờ gan lớn bằng trời dám bò tới gần Hoàng Kim Cung này, lúc ấy nàng nhìn kiến trúc rộng lớn đó mà hâm mộ không thôi.

Trong thân thể của nàng cũng có huyết mạch linh thú, cho nên có được linh trí nhất định, ngay lúc nàng đang cảm khái về Hoàng Kim Cung hùng vĩ đó, đột nhiên một lão già nhân loại chụp bắt nàng lại, nàng nghĩ rằng mình lần này nhất định chết chắc rồi!

Thế nhưng không nghĩ rằng, lão già kia chẳng những không có giết nàng, còn đưa nàng vào trong sân Hoàng Kim Cung. Bên trong có vô số kể linh vật cực phẩm, làm cho nàng quả thực có cảm giác hạnh phúc đến sắp điên lên được…

Khúc phim dĩ vãng đó gần như cả những đoạn nàng tưởng đã quên đi, lại một lần nữa hiện ra như thật trước mắt hắc y xà nữ, trên mặt của nàng, lại sớm đã rơi lệ đầy mặt, nàng kìm lòng không đậu hướng tới Hoàng Kim Cung nguy nga hùng vĩ kia, quỳ xuống, cổ khí tức bi thương đó dường như đám mây đen che lấp cả ánh mặt trời, trong nháy mắt làm cho cả bầu trời Hoàng Kim Cung, nổi lên một cơn gió lạnh.

Tần Lập thở dài một tiếng, nhẹ giọng nói:

- Ông ấy đã truyền thừa cho ta tất cả ký ức. Cho nên, chủ nhân các ngươi tuy rằng đã mai một, nhưng tinh thần của ông ấy vẫn vĩnh viễn còn sống. Đương nhiên, ta biết các ngươi cho rằng ta thực lực quá kém, không xứng đáng làm chủ nhân các ngươi. Tuy nhiên không quan trọng, ta năm nay chỉ mới mươi chín tuổi, ta còn có rất nhiều thời gian, có thể chứng minh chính mình.

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

282. Chương 284 : Nhất Điêu Nhị Ưng!

- Mười chín tuổi?

Không chỉ là hắc y xà nữ, kim điêu đại hán cùng với hai cự ưng mỹ nữ vẻ mặt cũng lập tức dại ra nhìn Tần Lập. Bọn họ là linh thú đã sống trên mấy ngàn, hơn vạn năm, ngoài xem thường thực lực của Tần Lập cũng hoàn toàn quên mất nhân loại này cũng chỉ mới là một người rất trẻ tuổi, thậm chí cũng chưa từng suy nghĩ tới vấn đề này!

Tựa như hắc y xà nữ kia nếu đi ra bên ngoài thì cũng không ai dám nói nàng là một người đã lớn tuổi, chỉ là một nữ tử trẻ tuổi tính tình nóng nảy mà thôi.

Tu vi đạt tới cảnh giới lúc này của bọn họ, nếu muốn thay đổi dung mạo của mình thì chỉ cần dùng tới ý nghĩ. Mỗi lần đột phá đều có một cơ hội khiến bản thân mình thêm trẻ ra.

Giống như con bạch sắc lão viên kia, Bạch Trung Hỏa gọi hắn là đại ca nhưng từ tướng mạo mà xem xét thì người sau chính là như tổ tôn của người trước vậy!

Biểu tình ủy mị trên khuôn mặt của hắc y xà nữ cũng hoàn toàn tiêu biến. Nàng đột nhiên cảm giác được với một tiểu hài tử mà số tuổi còn không bằng số lẻ của số lẻ tuổi mình mà làm ra bộ dáng mềm mại quyến rũ thì có chút ngượng ngùng!

Vẻ mặt cực kỳ dữ tợn của kim điêu đại hắn cũng co giật kịch liệt, ánh mắt lóe lên nhìn Tần Lập:

- Tiểu tử kia, ngươi thật sự chỉ mới không đến hai mươi tuổi?!

- Đương nhiên, ta lừa các ngươi để làm gì?!

Tần Lập thản nhiên cười. Hắn cũng không ngờ rằng khi mình nói ra độ tuổi chân thật của mình lại khiến mấy tên linh thú yêu quái này bị xúc động mạnh mẽ như thế?!

- Trời ạ! Hắn mới có mười chín tuổi sao? Thật sự quá khó tin!

Cái miệng nhỏ nhắn của cự ưng nữ tử yêu kiều kia há thành hình chữ “O”, đôi mắt thu thủy nhìn Tần Lập không chớp mắt, bắn ra hào quang không thể tin nổi.

Đôi mắt xinh đẹp của cự ưng nữ tử lãnh diễm kia hồng hồng, còn vì Chủ nhân qua đời mà thương tâm đang định bĩu môi khinh thường lại phát giác như thế thì không cách nào có thể nhìn thẳng bản tâm của mình.

Võ giả có thể tu luyện đến cảnh giới Chí Tôn, bất luận nhân phẩm như thế nào thì ít nhất cũng phải đối mặt với bản tâm của chính mình, có gan nói ra bổn ý bản thân. Bọn họ không cần ngụy trang, thứ nhất là thể hiện thực lực bản thân, thứ hai đó là bản tâm của mình. Nếu không dám đối mặt với bản tâm của mình thì một võ giả nhất định không thể có đột phá lớn hơn nữa!

Hắc y xà nữ ngơ ngác nhìn Tần Lập, sau đó suy nhìn về phía Hoàng Kim Cung khí thế hoành tráng này, thầm nhủ: “Khó trách chủ nhân lại lựa chọn ngươi làm người kế thừa! Mười chín tuổi! Năm ta mười chín tuổi vẫn chỉ là một con tiểu xà dài không đến một thước…”

- Thời điểm ta mười chín tuổi, ta vẫn còn ở trong sào huyệt, chờ phụ thân mang con mồi về ăn…

Cặp mắt linh hoạt sắc bén của kim điêu đại hán cũng trở nên dịu dàng. Sau khi thì thào tự nói, hắn ngẩng đầu nhìn về phía Tần Lập nói:

- Tiểu tử kia, ngươi rất mạnh! Ta tin rằng không mất nhiều năm, ngươi nhất định sẽ trở thành một cường giả chân chính! Ta, Kim Điêu, lấy danh nghĩa của Tổ tiên thề rằng nguyện ý nhận ngươi làm chủ nhân!

Hắc y xà nữ cùng với hai cự ưng mỹ nữ kia đều thấy sửng sốt. Bọn họ dù thế nào cũng không thể tưởng tượng được tính cách luôn cao ngạo quái đản như Kim Điêu mà không ngờ lại là người đầu tiên thừa nhận thân phận và địa vị của nhân loại này!

Phải biết rằng, lấy danh nghĩa của Tổ tiên ra thề thì cũng không phải là đùa giỡn. Một khi đã nhận chủ liền phải có chấp nhận rằng sinh tử do chủ nhân định đoạt! Cho dù chủ nhân buộc ngươi đi chịu chết, ngươi cũng không thể cự tuyệt!

- Kim Điêu đại ca, ngươi làm sao…

Cự ưng mỹ nữ có khuôn mặt dịu dàng bên cạnh Kim Điêu lộ ra vẻ khó hiểu hỏi.

Đôi mắt của cự ưng mỹ nữ lãnh diễm kia cũng chớp chớp, lóe lên quang mang không dám tin

Giờ phút này, hắc y xà nữ là buồn bực nhất! Nguyên bản nàng muốn trêu chọc tiểu tử nhân loại này một phen, khiến hắn nếm chút khổ sở, phải sợ sệt mình sau đó đưa ra một số yêu cầu. Nàng tin tưởng rằng vì để nhận được sự giúp đỡ của nàng thì tên tiểu tử nhân loại này nhất định sẽ đáp ứng rất nhiều điều kiện mà nàng đưa ra!

Nàng lại không nghĩ rằng nàng lại bị đại hán thô bỉ mà từ trước tới nay nàng luôn không để vào mắt này vượt mặt. Là một linh thú cường đại đã sống vô số năm, hắc y xà nữ đương nhiên hiểu được rằng tên nhân loại này về sau sẽ phát triển đến độ nào! Nàng đột nhiên nhận ra tính toán trong lòng Kim Điêu kia, ánh mắt không khỏi trở nên cổ quái nhìn thoáng qua hắn, thầm nghĩ: “Nguyên lai trong bảy linh thú của Chủ nhân thì con tiểu điểu này mới là tên thông minh nhất!”

Trong ba con bạch vượn kia, lão Đại mắt cao hơn đỉnh, tính tình táo bạo, lão nhị tính tính quả thực không tồi nhưng luôn nghe lời lão Đại. Còn tiểu nha đầu lão Tam kia thì dù sống thêm mười vạn năm nữa vẫn chỉ là một tên tiểu hài tử mà thôi!

Hai con cự ưng này luôn đối với Kim Điêu làm đầu, chỉ đâu đánh đó, thân mình không có chủ kiến gì. Kim Điêu nếu đã đi theo Tần Lập thì bọn họ nhất định cũng đồng ý.

Hắc y xà nữ đau lòng nhận ra vốn tưởng mình là kẻ thông minh nhất bây giờ lại không bằng con tiểu điêu này… Thật sự quá mức sai lầm!

Nghĩ thế, nàng vừa muốn lên tiếng đã thấy hai con cự ưng mỹ nữ kia sau khi do dự một chút đã cùng kêu lên:

- Nếu Kim Điêu đại ca đã quyết định nhận ngươi là chủ nhân thì chúng ta cũng thừa nhận địa vị của ngươi!

Hắc y xà nữ như mắc phải một hòn đá lửa ở trong cổ họng, sắc mặt lập tức đỏ lên. Bởi vì nàng thấy hai con tiểu ưng chết tiệt kia nói xong không ngờ còn nhìn về phía mình với ánh mắt vô tội. Bọn họ nhất định là cố ý!

Hắc y xà nữ cười lạnh một tiếng:

- Các ngươi nguyện ý thì hãy cứ đi theo người ta! Ta một mình sống tiêu diêu tự tại nơi này! Chủ nhân đã không còn nữa, đúng lúc cũng không ai quản thúc ta cả!

Nói xong, nữ tử này hóa thành một đạo quang mang màu đen, hướng về vách núi lao đi, nháy mắt đã biến mất vô ảnh.

Hết thảy những điều này đều phát sinh chỉ trong chốc lát. Tần Lập thậm chí không kịp có chút phản ứng thì mọi chuyện đã diễn ra. Tuy nhiên, hắn tự nhiên nhìn ra ba con linh thú trên bầu trời đã dùng kế bức hắc y xà nữ tính tình vốn cao ngạo phải bỏ đi! Tần Lập không kìm nổi nhăn mặt: đấu đá không nơi nào là không có!

Quả nhiên, khi hắc y xà nữ vừa mới đi khuất, hai cự ưng mỹ nử đều không kìm nổi thở phào một hơi. Áp lực do hắc y xà nữ tạo ra cho bọn họ thực sự quá lớn!

- Các ngươi thực sự quyết định đi theo ta? Chấp nhận ta là chủ nhân?

Tần Lập nhìn Kim Điêu hỏi.

- Đương nhiên, ngài hiện tại là chủ nhân của chúng ta. Mong ngài không nên hoài nghi sự tôn nghiêm và kiêu ngạo của linh thú!

Đôi mắt linh hoạt sắc bén của Kim Điêu hiện lên một chút phẫn nộ.

- Đúng vậy, chuyện gì mà linh thú chúng ta đã lấy danh nghĩa Tổ tiên ra thề thì tuyệt đối sẽ không thay đổi!

Cự ưng mỹ nữ ôn nhu kia cười khẽ một tiếng nói.

- Thế thì rất tốt! Các ngươi theo ta cùng đi luôn chứ?

Tần Lập thở phào một hơi, tuy rằng ba con linh thú này quyết định đi theo mình nhưng chuyện này quả thực đã vượt ra ngoài dự kiến của hắn.

- Hiện tại nếu chúng ta cứ như thế mà đi theo ngươi thì nhất định sẽ khiến người ta hoài nghi. Tiểu chủ nhân, ngươi có thể cũng không biết rằng những siêu cấp thế lực trên Huyền Đảo này cũng không giống như biểu hiện bên ngoài đâu! Từng gia tộc đều có một người rất cường đại thủ hộ. Chúng ta trước hết vẫn phải chờ sau khi giải đấu Chí Tôn kết thúc mới lại tìm cơ hội lặng lẽ đi theo bên người. Như thế thì sẽ không có ai hoài nghi thân phận của chúng ta!

Kim Điêu tuy rằng khuôn mặt dữ tợn nhưng đầu óc của hắn quả nhiên cực kỳ thông minh. Vẻ ngoài thô lỗ không ngờ cũng che dấu một tâm tư rất tinh tế. Quả nhiên không hổ là lão quái vật đã sống trên vạn năm!

Trong lòng Tần Lập than nhẹ một tiếng rồi gật đầu, sau đó nói:

- Nhóm người các ngươi từng người có thực lực như thế nào? Còn nữa, ta xưng hô các ngươi như thế nào đây?

- Tiểu chủ nhân chỉ cần kêu ta một tiếng Kim Điêu là được rồi! Ta ba trăm năm trước đã đột phá tới cảnh giới Thiên Tôn!

Thành kiến của kim điêu đại hán đối với Tần Lập đã tiêu trừ hết, không ngờ còn làm ra vẻ mặt tươi cười. Tuy nhiên, chắc là chưa ai nhắc nhở hắn rằng khi hắn tươi cười lại càng thấy khó coi. Khuôn mặt dữ tợn còn ánh mắt lăng lệ kia thì đừng nói là tiểu hài tử, ngay cả người lớn cũng có thể bị hắn dọa cho sợ hãi!

- Ta gọi là Linh Ưng, nàng kia là Mặc Ưng!

Cự ưng mỹ nữ ôn nhu kia chỉ về phía nữ tử lãnh diễm kia nói:

- Chúng ta đều có cảnh giới Địa Tôn đỉnh, đã nhiều năm mà chưa đột phá!

Xem biểu tình của nàng ta thì dường như đối với việc thực lực của mình không có chút tiến triển mà rất bất mãn khiến Tần Lập không nói nên lời, so với nhân loại cùng cấp thì linh thú còn mạnh hơn một chút! Như vậy thì đây quả là ba trợ thủ tuyệt vời!

Nghĩ vậy, Tần Lập lại trở nên hưng phấn, cười nói:

- Được, ta gọi là Tần Lập, các ngươi cũng không cần xưng hô ta là tiểu chủ nhân. Kêu tên ta hoặc công tử đều được!

- Chúng ta gọi người là Công tử là được rồi! Kim Điêu nói xong, sau đó lại nói tiếp:

- Giải đấu Chí Tôn hẳn là sẽ sớm bắt đầu rồi! Để ta đưa người đi xuống. Đợi cho giải đấu Chí Tôn chấm dứt thì chúng ta sẽ tự động theo người rời khỏi nơi này.

Kim Điêu nói xong, trong giọng nói còn lộ ra đôi phần cảm khái. Dù sao, đỉnh Huyền Vũ này là nơi hắn đã từng sinh sống vô số năm qua. Từ nhỏ đến lớn hắn vẫn sinh hoạt tại nơi này.

Tuy nhiên, là một linh thú có thể bay lượn trên trời cao, Kim Điêu cũng đã từng hướng về phía cực Tây bay tới. Chẳng qua, sau khi cảm nhận được một cỗ khí tức cực kỳ cường đại ở bên kia thì hắn lại chạy trốn trở

về. Trong lòng hắn vẫn có một khát vọng đó là có thể chân chính gặp qua một chút cường giả này. Hắn tin tưởng, kẻ mà chủ nhân tuyển định để làm người kế thừa nhất định giúp bọn hắn thực hiện nguyện vọng này.

Cho dù hiện tại không được cũng không sao. Bọn họ bị rơi vào cảnh canh giữ đỉnh Huyền Vũ này đã quá nhiều năm rồi. Bây giờ có thể kiến thức một chút thế giới bên ngoài thì đối với việc tu luyện của bọn họ cũng có sự trợ giúp rất lớn.

- Đã hai ngày rồi mà Tần Lập hắn vẫn chưa trở về!

Trên khuôn mặt của Tần Văn Hiên tràn ngập vẻ lo lắng, cứ đi đi lại lại trong phòng.

Tần Hàn Nguyệt nhẹ giọng nói:

- Ta tin rằng con của chúng ta sẽ không gặp chuyện gì không may đâu. Chỉ tiếc là bản mạng bài vị của Tần Lập lại đặt bên trong gia tộc, hiện tại cũng không có cách gì gửi thư đi hỏi. Mà nếu thực sự hỏi ra thì những người bên trong gia tộc lập tức sẽ lâm vào bối rối!

Tần Lĩnh Sơn thản nhiên nói:

- Các ngươi nóng vội cái gì? Ta tin tưởng vững chắc rằng hắn sẽ không có việc gì đâu!

- Ta cũng tin như thế!

Thượng Quan Thi Vũ ngồi bên cạnh Tần Hàn Nguyệt thản nhiên nói:

- Chàng chưa từng khiến chúng ta thất vọng mà!

Ngồi trong phòng nghị sự lúc này, Tần Tỏa có chút khó chịu nói:

- Hừ! Hai ngày qua, rất nhiều người đều cho rằng Tần Lập đã chết! Một số người vốn có chút giao hảo với chúng ta đã bắt đầu thay đổi thái độ rồi! Thôi gia bên kia vừa lúc triển hiện ra sự cường đại của mình. Vài tên Chí Tôn, nghĩ đã giỏi lắm sao?! Đám người kia lập tức tới gần dựa dẫm!

Tần Lĩnh Sơn không hề để ý, khoát tay nói:

- Chỉ là một vài cọng cỏ đầu tưởng thôi, để ý tới bọn chúng làm gì?! Nếu không như thế thì cũng không nhìn ra bản tính của bọn họ! Ngươi xem, Thiên Cơ Môn và Lâm gia, thái độ của bọn họ có thay đổi gì không?

Tần Tỏa hơi bĩu môi, nhẹ giọng nói:

- Thiên Cơ Môn thật ra không thay đổi gì, tuy chỉ có Lâm gia là…

kedochanh

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

283. Chương 285 : Hoàng Kim Cung Phủ Xuống!

- Lâm gia còn có chút ngập ngừng nhưng còn may biểu hiện của bọn họ cũng không tính là quá phận. Nhưng thái độ như thế nào, lão Tổ tông, tin rằng ngài cũng đã thấy rõ!

Tần Hàn Nguyệt tiếp lời Tần Tỏa, nhàn nhạt nói.

Tần Lĩnh Sơn cười khổ nói:

- Tự nhiên là đã thấy rõ ràng. Tần gia chúng ta nội tình không đủ, thái độ của bọn họ như thế đã là khó được rồi! Nhưng Trầm Nhạc công tử của Thiên Cơ Môn thật ra rất có ý tứ, mấy ngày qua vẫn cho người che chở chúng ta. Phần ân tình này chúng ta quyết không thể quên được!

Chính là khi đang nói chuyện, từ bên ngoài có một đệ tử của Tần gia chạy vào, còn cách khá xa đã la lớn lên:

- Tần Lập thiếu gia đã trở về! Tần Lập thiếu gia đã trở về!

Thanh âm này chẳng những người bên trong Tần gia đều có thể nghe thấy, thậm chí ngay cả những người xung quanh đều có thể nghe được!

Thượng Quan Thi Vũ "xoạt" một tiếng đứng lên, không quản điều gì liền hướng về bên ngoài chạy ra. Biểu hiện của những người khác cũng không khác gì nhiều. Ngay cả vẻ mặt của Tần Lĩnh Sơn cũng trở nên kích động. Tần Lập mất tích hai ngày, toàn thể Tần gia đều như mất đi linh hồn, đồng thời đều cảm nhận được một loại áp lực vô hình thật lớn bao trùm mọi người!

Tần gia mặc dù có đan dược nhưng nếu không có sự tồn tại của Tần Lập thì không thể tiếp tục phát triển được. Chẳng qua cũng chỉ là một trong số gia tộc cấp cao mà thôi! Thậm chí còn bởi vì trong tay có nhiều đan phương mà trở thành đối tượng để các thế lực lớn tranh giành, săn bắt!

Nghe được tin tức Tần Lập quay về, sắc mặt Tần Văn Hiên hơi đỏ lên, siết chặt nắm tay, hung hăng vung một cái, đang định chạy ra. Nhưng hắn cũng không kìm nổi, trở nên hơi chút do dự. Loại cảm giác áy náy khiến hắn không thể hoàn toàn đối mặt với Tần Lập.

Tần Hàn Nguyệt bên cạnh đi tới giữ chặt tay hắn, vừa kéo đi ra vừa sẳng giọng nói:

- Nhi tử trở về, chàng chẳng lẽ không cao hứng sao?!

- Cao hứng, đương nhiên cao hứng chứ!

Tần Văn Hiên nhỏ giọng nói.

- Chàng ấy, nhanh đi ra với ta. Ta muốn nhìn đứa con bảo bối của mình có biến hóa gì không…

- ….

Tần Văn Hiên nhìn thê tử của mình, nội tâm thầm nhủ, "mới ly khai có hai ngày thì có thể có thay đổi gì cơ chứ!?" Tuy nhiên trong lòng hắn đối với việc Tần Lập có thể trở về từ trên vách đá Huyền Vũ đã cảm thấy rung động không thôi! Đó là nơi nào? Ngay cả Ngọc trưởng lão cảnh giới Chí Tôn của Thiên Sát Môn cũng khó thoát chết ở nơi đó!

Lúc này bên ngoài, Tần Lập đã bị tất cả tử đệ của Tần gia bao vây lấy. Tất cả mọi người đều hưng phấn không thôi. Cũng bởi vì Tần Lập mất tích mới khiến bọn họ đột nhiên cảm giác được nguyên lai Tần Lập vô tình đã trở thành nhân vật trung tâm, không thể thay thế trong một thế hệ mới của Tần gia. Cho dù Tần Tỏa đã trở thành gia chủ trẻ tuổi của Tần gia, hắn cũng không thể thay thế được vị trí của Tần Lập! Ai cũng không thể thay thế được!

Thấy Thượng Quan Thi Vũ, một đám tử đệ trẻ tuổi của Tần gia liền nhường ra một con đường. Mà Thượng Quan Thi Vũ cũng không khiến bọn họ thất vọng, trực tiếp bổ nhào vào lòng ngực Tần Lập, ôm Tần Lập thật chặt, thân mình hơi chút run rẩy.

Không ai biết tâm tình của nàng hai ngày qua, cảm giác lo âu, lo lắng, khẩn trương sợ hãi khiến hai ngày qua nàng căn bản không muốn ăn uống, không thiết tha làm gì cả. Đến ngủ cũng không yên! Nhưng mặt ngoài, nàng luôn cố tình làm ra bộ dáng bình tĩnh cho mọi người thấy. Loại áp lực mà nàng phải chịu đựng so với bất cứ ai cũng phải lớn hơn! Nếu là Tần Lập thật sự xảy ra chuyện gì không may, nàng khẳng định sẽ không ở lại thế gian này một mình nữa!

- Lão bà bảo bối, không phải là ta đã trở về rồi sao?! Tất cả mọi người đều đang nhìn đó!

Tần Lập ôm lấy vòng eo nhỏ nhắm mềm mại của Thượng Quan Thi Vũ, cảm thụ tâm tình của giai nhân trong lòng ngực mình, nhẹ nhàng an ủi.

Vừa rồi, Thượng Quan Thi Vũ chỉ biết phát tiết cảm xúc trong lòng mình. Lúc này đột nhiên cảm giác được trường hợp này có chút không thích hợp. Cho dù là nhắm hai mắt lại, dường như cũng có thể cảm nhận được ánh mắt của mọi người trong Tần gia đang tập trung vào mình. Thượng Quan Thi Vũ khẽ ừm một tiếng, thân mình hóa thành một đạo bạch quang, biến mất khỏi lòng ngực của Tần Lập.

Những tử đệ Tần gia đứng xung quanh đều trợn mắt há mồm. Quá nhanh, bọn họ gần như cũng không thấy rõ Thượng Quan Thi Vũ biến mất như thế nào.

- Không hổ là hôn thê của Tần Lập thiếu gia, thực lực quả nhiên rất cường đại!

Một tên tử đệ của Tần gia vẻ mặt bội phục nói. Lời nói của hắn lập tức khiến những người xung quanh hưởng ứng.

- Đúng vậy, đúng vậy, ta cũng không nhìn rõ. Nàng gần như lập tức đã tiêu thất!

- Ta cũng không nhìn rõ, khi nào mà chúng ta có thể có được thực lực như Thi Vũ tiểu thư thì đã thỏa mãn rồi!

- Ngươi? Đừng nói đùa, ngươi hiện tại mới chỉ là Thiên cấp thôi!

- Hừ, Thiên cấp thì như thế nào? Ta sẽ học tập Tần Lập thiếu gia!

Tần Lập liền lần lượt ra mắt đám người mẫu thân. Hắn hướng về phía Tần Văn Hiên hơi gật đầu. Trên đỉnh Huyền Vũ, Tần Lập đã trải qua khảo nghiệm sinh tử, cũng suy nghĩ rất nhiều. Cái gọi là nhân sinh không như ý, mười thì chỉ được tám chín! Rất nhiều sự tình không thể làm được như ý muốn của bản thân. Nếu là như thế thì thế giới này vốn không có bi kịch! Hơn nữa, con người và cuộc sống vốn không có thập phần hoàn mỹ! Một khi đã như thế thì có còn điều gì mà không nhìn ra đây?!

Tần Văn Hiên nhìn thấy nhi tử của mình đang tiến tới, kích động không biết nói cái gì là tốt nữa! Tần Hàn Nguyệt tức giận đứng phía sau véo trượng phu của mình mấy cái, thầm nghĩ "thật là ngốc! Cơ hội tốt như thế, ngươi không thể nói ra mấy câu làm ấm lòng người ta sao?!"

Tần Văn Hiên nhe răng trợn mắt, cuối cùng nói ra một câu:

- Tiểu Lập, con… không bị thương gì chứ?

Nói xong, thân mình cũng thở phào một hơi nhẹ nhõm.

Tần Lập cười cười nói:

- Không có, tuy gặp chút nguy hiểm nhưng còn may, vẫn còn sống trở về!

Tần Văn Hiên thấy đứa con trả lời mình thì đột nhiên hốc mắt cảm giác ươn ướt. Loại cảm giác cốt nhục tình thân không thể dứt bỏ tại thời khắc này đã hoàn toàn bị kích phát ra. Hắn thật sự cảm thấy Thượng Thiên đã đối đãi không tệ với chính mình.

Tin tức Tần Lập bình an trở về trong thời gian ngắn đã nhanh chóng truyền đi. Gần như toàn bộ mọi người trên Huyền Vũ đài đều tranh nhau thảo luận về Tần Lập, đều rất kinh ngạc là rốt cục Tần Lập làm thế nào mà có thể trở về!

Trưởng lão của Thiên Sát Môn kia là võ giả cảnh giới Chí Tôn! Mà Tần Lập chẳng qua cũng chỉ là một võ giả cảnh giới Hợp Thiên mà thôi! Không có chút đạo lý nào nếu Chí Tôn cũng phải chết mà Hợp Thiên lại có thể còn sống được! Tuy nhiên trên đời này, những chuyện tình không đúng đạo lý, đầy rẫy những sự thật còn khó tin hơn cả chuyện cổ tích.

Tần Lập bình an trở về lập tức như một khối đá rơi xuống mặt hồ, làm nổi lên tầng tầng gợn sóng. Có người vui mừng, có người buồn bã. Trầm Nhạc là người đầu tiên mang người tới nơi dừng chân của Tần Gia. Lâm Hằng cũng theo sát ngay sau đó.

Mà trong nơi dừng chân của Thiên Sát Môn, mấy người Bàng Văn, Kim trưởng lão, Thiết trưởng lão đều mang vẻ mặt khó tin ngồi nơi đó. Bàng Văn nghiến răng nghiến lợi nói:

- Tên tiểu súc sinh này làm sao mà có vận khí tốt như thế?! Vì sao Ngọc trưởng lão cũng phải ngã xuống mà hắn lại không có việc gì?

Hai mắt của Kim trưởng lão nhắm lại, khuôn mặt vàng vọt lại càng thêm già nua kể từ ngày Ngọc trưởng lão chết đi.

- Mấy ngày này ta cẩn thận nghiên cứu quá trình phát triển của Tần Lập, phát hiện tiểu súc sinh này vận khí quả thực kinh thiên! Tuy nhiên,… lúc này đây ta thật sự tin rằng hắn đã không có chút cơ hội chạy trốn nào nữa!

Bộ mặt của Thiết trưởng lão cũng rất dữ tợn, giận dữ nói:

- Đúng vậy, ba huynh đệ Kim Ngọc Thiết ta đã nhiều năm không tái xuất giang hồ, gần như đã bị đám hậu sinh vãn bối này quên mất rồi! Cho dù chết ta cũng muốn đem tên Tần Lập này ra chém giết, quyết không để hắn còn sống mà về tới thành Phong Sa!

Bàng Văn hậm hực nói:

- Nếu để ta ở trên lôi đài Chí Tôn đại tái gặp hắn thì dù liều mạng tự bạo, ta cũng muốn cái mạng chó của hắn!

- Tuyệt đối không thể!

Kim trưởng lão và Thiết trưởng lão đồng thanh mở miệng nói.

Kim trưởng lão nhìn Bàng Văn một cái rồi nói:

- Văn nhi, chúng ta biết được ngươi có hận ý đối với tên Tần Lập kia nhưng ngươi phải rõ ràng rằng trọng trách Thiên Sát Môn quật khởi đều đặt hết trên mình ngươi! Ngươi còn trẻ tuổi, hơn nữa với thiên phú của ngươi thì thậm chí cũng không thua kém chút nào Thôi Lãnh của Thôi gia kia! Chỉ tiếc chúng ta không có tài lực như Thôi gia. Nhưng sư phụ tin tưởng rằng với suy nghĩ và thực lực của ngươi thì Thiên Sát Môn sẽ có một ngày huy hoàng! Cho nên, bất kể thế nào, ngươi cũng đều phải nhẫn nại! Giải quyết Tần Lập đã có ta và Thiết sư phụ đi làm, như thế cũng đủ rồi! Chỉ cần ở giải đấu Chí Tôn, ngươi tranh thủ tiến vào Hoàng Kim Cung lấy một phần phần thưởng, còn được mười năm che chở của Hoàng Kim Cung thì mười năm đó cũng đủ để ngươi phát triển!

Bàng Văn có chút nghẹn ngào:

- Sư phụ…

Kim trưởng lão khoát tay:

- Không cần phải nói, ta và Thiết sư phụ của ngươi, còn có Ngọc sư phụ đã nhiều năm qua chưa từng tách nhau ra. Lại không nghĩ rằng có một ngày thiên nhân vĩnh cách (ý nói ở hai thế giới) như thế này! Hết thảy đều là do tên tiểu nghiệt súc kia tạo thành! Cho dù tiểu nghiệt súc này có ba đầu sáu tay, ta và Thiết sư phụ của ngươi cũng sẽ đem hắn nhốt vào vực sâu, vạn kiếp bất phục!

Bên trong hành cung của Thôi gia, Thôi Lãnh và vài cường giả Chí Tôn của Thôi gia đang ngồi cùng một chỗ, biểu tình hơi có chút khó tin, khẽ thở dài.

- Không thể tưởng được hắn không ngờ từ trên vách đá của Huyền Vũ mà vẫn còn sống trở về! Người này không trừ, sớm muộn gì cũng trở thành tâm phúc đại hoạ của Thôi gia ta! Nếu ở giải đấu Chí Tôn gặp hắn thì ta quyết không bỏ qua cho hắn lần nữa!

Một lão già Chí Tôn cười lạnh nói:

- Nhất định phải diệt trừ tiểu súc sinh này! Chỉ sợ hắn còn không biết rằng ngươi còn có tuyệt kỹ chưa sử dụng. Hắn còn tưởng rằng thực lực cũng đủ để đánh ngang tay với ngươi đó!

Một lão già Chí Tôn khác thản nhiên cười nói:

- Không nhất thiết phải khẩn trương như thế! Chỉ đơn giản là một thiên tài xuất thân trong một tiểu gia tộc mà thôi! Những năm gần đây, gia tộc như thế, Thôi gia ta đã tiêu diệt vô số! Tên Tần Lập này cũng chỉ là một trong số đó mà thôi, không hơn đâu!

Thôi Lãnh cũng gật đầu thật mạnh, trong mắt là một mảnh lạnh như băng.

Rốt cục cũng đến ngày Hoàng Kim Cung phủ xuống! Ngày này, trên Huyền Vũ đài, tất cả mọi người đều đứng đó, yên lặng chờ đợi.

Lãnh kiếm Thôi gia, Sát kiếm Lâm gia, Nộ kiếm Tiêu gia, Hỏa kiếm Vương gia, Bái Kiếm Sơn Trang, Thiên Cơ Môn, Băng Thiên Nhai. Bảy thế lực lớn không thiếu một thế lực nào. Còn có tộc nhân của hơn trăm gia tộc, môn phái lớn nhỏ, vẻ mặt đều lộ ra biểu tình cung kính, chuẩn bị nghênh đón Hoàng Kim Cung phủ xuống.

Đây đúng là một thời khắc thật kích động lòng người. Dù là người đã nhiều lần chứng kiến Hoàng Kim Cung từ trên trời giáng xuống, khi nghĩ tới cảnh tượng kia cũng không kìm nổi lòng mình, trở nên kích động.

- Xem kìa, xuất hiện, xuất hiện rồi!

Trên bầu trời, một tầng sương mù đột nhiên chậm rãi tản ra. Một tòa cung điện thật lớn màu hoàng kim lóe ra một mảnh quang mang rực rỡ đang từ trên trời giáng xuống! Toàn bộ Huyền Vũ đài có chừng hơn vạn người, tại thời khắc này lặng ngắt như tờ, yên tĩnh tới cực hạn! Ngay cả những võ giả đạt tới cảnh giới Chí Tôn cũng đều ngừng thở, vẻ mặt kích động nhìn một cảnh tượng này!

Thượng Quan Thi Vũ bên người Tần Lập nắm chặt lấy tay hắn, khuôn mặt mang ý cười tuyệt trần kia cũng lộ ra vẻ khẩn trương và kích động! Tần Lập thâm nghĩ, nếu nàng biết rằng Hoàng Kim Cung này đã là lãnh địa riêng của phu quân nàng thì nàng sẽ có biểu tình như thế nào đây?!

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

284. Chương 286 : Thể Diện Là Do Chính Mình Mà Có!

Theo Hoàng Kim Cung với khí thế khoáng đạt kia chậm rãi buông xuống, hạ xuống mặt đất, đáy lòng mọi người gần như bị thiêu đốt, trở nên vô cùng nóng bỏng!

- Trời ạ, đây là Hoàng Kim Cung sao? Thật đẹp!

- Nó quả thật là do hoàng kim chế tác mà thành sao? Không phải là dát vàng lên đá chứ?

- Nếu ai có một cung điện như thế này thì ta nguyện ý gả cho hắn, làm thiếp cũng đáng!

Một nữ tử ánh mắt say mê nhìn về toà cung điện rộng lớn đang tán phát ra ánh sáng hoàng kim này, si ngốc nói.

- Chỉ sợ là dù bảy siêu cấp thế lực kia cũng không có nhiều hoàng kim như thế này! Cho dù có cũng không ai dám đem ra chế tạo thành một cung điện như vậy!

- Rất đẹp! Thực khó để có thể tưởng tượng được đến tột cùng là ai, dùng cách gì mới có thể kiến tạo ra một toà cung điện rộng lớn như thế?!

Đám người không ngừng tranh luận. Gần như tất cả mọi người, vẻ mặt đều si mê nhìn về toà cung điện bằng hoàng kim khổng lồ nơi đó.

Tần Lập thấp giọng hỏi Thượng Quan Thi Vũ bên cạnh:

- Lão bà bảo bối ơi, cung điện này như thế nào? Có xinh đẹp không?

Thượng Quan Thi Vũ chân thật gật gật đầu nói:

- Quả thực là xinh đẹp, chắc rằng trên đời này không ai có thể chối từ nó được!

- Hắc hắc, ta sẽ đem nó tặng cho nàng. Về sau nàng chính là nữ chủ nhân của Hoàng Kim Cung này!

Tần Lập cười hắc hắc nói. Lúc này đây hắn cũng chỉ nói qua qua thế thôi, không nói ra chi tiết! Không vì cái gì cả, bí mật sẽ không còn là bí mật nếu có nhiều người biết! Loại chuyện này đối với một gia tộc như Tần gia mà nói thì nếu bị lộ ra, lại phản tác dụng, tạo thêm một loại gánh nặng to lớn mà thôi!

Ngay cả thu hoạch bên trong Hoàng Kim Cung, Tần Lập cũng không nói cho Thi Vũ. Sau khi giải đấu chấm dứt sẽ tìm cơ hội cho nàng biết sau.

Thượng Quan Thi Vũ xoay người, đôi mắt xinh đẹp lộ ra một chút trêu chọc, nguýt Tần Lập một cái, than nhẹ nói:

- Lừa người ta à!?

Tần Lập cười khổ, thầm nghĩ thói đời, nói thật thì mọi người lại không tin!

Lúc này, Thôi Lãnh mang theo một đám người Thôi gia chậm rãi đi về phía Tần Lập. Lập tức mọi người không kìm nổi, trở nên rất hưng phấn!

- Thôi gia muốn làm gì? Phải chăng ở thời điểm này lại muốn lên mặt với Tần gia hay sao?!

- Ta nghĩ đúng là thế. Có Thiên Cơ Môn và Lâm gia che chở, Thôi gia cũng không dám làm gì Tần gia!

- Ai, tên thiên tài cảnh giới Chí Tôn của Thôi gia kia nhìn qua cũng không được tốt đẹp cho lắm! Lúc trước đánh nhau với Tần Lập một hồi, đường đường là cảnh giới Chí Tôn mà cũng không thể áp chế được cảnh giới Hợp Thiên!!!

- Đó là do không dùng toàn lực chăng?

- Không dùng toàn lực cái chó gì, đến nỗi hộc cả máu cơ mà…

Sắc mặt của Thôi Lãnh không chút thay đổi. Đối vời lời bàn tán của mọi người thì như mắt mù tai điếc. Đạt tới cảnh giới như hắn lúc này đã không đáng chấp nhặt với những người đó nữa. Hắn muốn dùng sự thật để hung hăng cho một cái bạt tai đối với đám người dám can đảm xem thường hắn kia!

- Tần Lập, không thể tưởng được, cái mạng của ngươi thật là lớn! Chúc mừng ngươi!

Thôi Lãnh đi tới trước mặt Tần Lập, thản nhiên cười.

- Đúng thế, cái mạng của ta thật sự rất cứng rắn, ai cũng không thể lấy được! Ngươi, càng không được!

Nếu đã là địch nhân vậy thì không cần lưu lại cho đối phương chút mặt mũi nào! Ung dung tự đắc ư? Không cần! Thời điểm nên đập vào mặt đối phương thì cũng không cần do dự, cứ mạnh tay mà đập! Thôi gia Đại tiểu thư bên cạnh Thôi Lãnh lạnh lùng nói:

- Nói mạnh mồm như thế cũng không sợ gió lớn cắt mất đầu lưỡi sao?!

- Cái loại người như ngươi thì ta chỉ cần một chiêu là giết! Cho nên ngươi hãy câm mồm lại đi!

Ở bên cạnh Tần Lập, Thượng Quan Thi Vũ sắc mặt không chút biểu tình, nhìn Thôi gia Đại tiểu thư nói.

Những người xung quanh không kìm nổi phải thốt lên một trận kinh hô. Mọi người không ai nghĩ tới, nữ tử tuyệt sắc giống như người trong tranh ở bên cạnh Tần Lập kia lại cũng có thể nói ra lời kiêu ngạo như thế! Điều này quả thực làm cho người ta cảm thấy không tưởng được. Tuy nhiên loại cảm giác như thế cũng thực sự mới mẻ, rất thú vị!

Sắc mặt của Thôi gia Đại tiểu thư lập tức băng lãnh, lạnh lùng nói:

- Ngươi là cái thứ gì mà cũng dám nói chuyện với ta?! Ta khinh, ngươi không có tư cách nói chuyện với ta!

- Mặt mũi là do người khác cấp nhưng thể diện là do chính mình tạo ra. Đánh không lại cứ nói là đánh không lại, cần gì phải tìm lý do này nọ!? Ngươi cao quý lắm sao? Ta nhìn không ra đó! Ta hiện chỉ thấy một tiểu cô nương nhớn nhác mà thôi!

Đôi mắt cực đẹp của Thượng Quan Thi Vũ vẫn như trước, không có chút gì dao động cả, Nhưng lời này nói ra lại khiến cho những người xung quanh không kìm nổi phải phát ra một trận cười vang.

Người ta không có nói ra một chữ thô tục nào nhưng khiến cho Thôi gia Đại tiểu thư đã vô cùng xấu hổ!

Sắc mặt của Thôi gia Đại tiểu thư chợt đỏ gay, vừa định lên tiếng tiếp thì Thôi Lãnh đã nhẹ nhàng nắm lấy cánh tay của muội muôi, nhẹ giọng nói:

- Hảo muội muội, không cần chấp nhặt với loại nữ nhân này. Đến lúc đó, ca ca cướp nàng ta về làm tỳ nữ của ngươi, để ngươi tuỳ ý đánh chửi! Thế nào?

Thôi gia Đại tiểu thư không kìm nổi, trở nên cực kỳ hưng phấn. Nàng ta gật mạnh đầu, nhìn Thượng Quan Thi Vũ lạnh lùng nói:

- Tiện tỳ, nghe rồi chứ!? Sau này ngươi sẽ là tỳ nữ của ta…

Nói xong, nàng ta còn không tự chủ tiến về phía trước hai bước, đến trước mặt Thượng Quan Thi Vũ, biểu tình cao ngạo. Nàng không tin trước mặt nhiều người như thế, phía sau lại còn có vài vị Chí Tôn của Thôi gia, Tần Lập dám làm gì nàng! Hơn nữa, lời của Thôi gia nói ra còn chưa từng không thực hiện được! Nhất thời, không kìm được, nàng lộ ra bộ dáng vênh váo!

- Bốp!

Một âm thanh giòn tan vang lên. Trên khuôn mặt của Đại tiểu thư lại xuất hiện một dấu tay, nhanh chóng sưng đỏ lên!

Mọi người dường như hoá đá, trợn mắt há mồm đứng nguyên tại chỗ nhìn một màn này!

Thôi Lãnh ngây cả người! Những cường giả Chí Tôn của Thôi gia cũng ngây cả ra. Thôi gia Đại tiểu thư lại ngơ ngác đứng ngây tại chỗ, thật lâu sau mới phát ra một tiếng kinh hô không thể kiềm chế được!

Trong mắt của Thôi gia Đại tiểu thư nhanh chóng xuất hiện một làn nước mắt, thanh âm run rẩy chỉ về phía Thượng Quan Thi Vũ:

- Con tiện tỳ ngươi… Ngươi dám đánh ta!?

- Bốp!

Hào quang lại chợt loé, một tiếng bốp giòn tan lại vang lên! Bên má kia của Thôi gia Đại tiểu thư lại xuất hiện thêm một dấu tay màu đỏ!

- Mồm toàn những lời thất đức! Ngươi đáng bị đánh!

Khuôn mặt của Thượng Quan Thi Vũ lạnh lẽo nhìn Thôi gia Đại tiểu thư:

- Ngươi thì tính là cái gì?!

Bên kia, một võ giả cảnh giới Chí Tôn của Thôi gia lúc này mới kịp phản ứng, nổi giận gầm lên một tiếng, hướng về phía Thượng Quan Thi Vũ mạnh mẽ lao tới:

- Tiểu tiện tỳ, ngươi muốn chết!

Ầm!

Một đạo kim sắc quang mang nháy mắt từ trên Hoàng Kim Cung bắn ra. Võ giả Chí Tôn của Thôi gia đến tiếng kêu thảm cũng không kịp phát ra đã bị đánh thành cặn bã!

- Woa!

Mọi người lập tức kêu lên rồi tản ra. Sau đó đều cực kỳ kinh ngạc nhìn về phía Hoàng Kim Cung nguy nga cách đó không xa. Loại chuyện này cũng chưa từng xảy ra, không ai nghĩ rằng Hoàng Kim Cung đột nhiên bộc phát ra một đạo hào quang, diệt sát một gã Chí Tôn của Thôi gia!

Tất cả mọi người bên phía Thôi gia đều luống cuống. Thôi Lãnh cũng không gỡ lại thể diện cho muội muội mình, lập tức kéo nàng ta trở về sau đó nhìn về phía Hoàng Kim Cung với vẻ mặt hoảng sợ!

Chỉ có Tần Lập là hơi hơi nhíu hai mày lại, cảm giác trong đầu là một mảnh hỗn loạn, trong lòng âm thầm cười khổ! Nếu không phải vì sợ bại lộ thực lực toàn thân của mình, hắn đã tự tay diệt sát tên Chí Tôn Thôi gia này!

Không ngờ khống chế Hoàng Kim Cung phát ra một đạo công kích tiêu hao gần như tất cả tinh thần lực của hắn. May mắn tinh thần lực của Tần Lập khác hẳn thường nhân, cường đại hơn rất nhiều. Bằng không, sợ là đã xụi lơ ngã xuống mặt đất rồi! Chỉ có Thượng Quan Thi Vũ là cảm giác được Tần Lập có chút không ổn, nhẹ giọng hỏi:

- Phu quân, chàng sao thế?

Tần Lập cười cười nói:

- Không có việc gì! Bảo bối của ta, lão bà rất uy phong!

Thượng Quan Thi Vũ dịu dàng cười cười:

- Là do nàng ta chủ động đem mặt đến để ta đánh thôi!

- Đúng! Người như thế rất đáng đánh!

Tần Lập vừa khôi phục tinh thần lực của mình vừa cười nói.

Thôi gia bên kia, trong lòng tất cả mọi người đều có nỗi khổ không cách nào có thể nói ra được! Thôi gia bọn hắn quả thực rất buồn bực! Thiệt thòi cũng không sợ, là người, là ai mà chưa từng phải nếm qua chút thiệt thòi. Vấn đề là ở chỗ hiện tại bọn họ phải ngậm bồ hòn nhưng không thể làm gì được cả!

Đi tìm Hoàng Kim Cung ư?! Ai cũng biết bên trong Hoàng Kim Cung không có một ai hết, tất cả đều giống như có thần tích! Lại nói, chỉ bằng một đạo hào quang không chút dao động nào mà đã tiêu diệt sạch sẽ một tên cường giả cảnh giới Chí Tôn, một chút cặn cũng không lưu lại thì ai dám tiếp tục đi tới tìm phiền toái!?

Một cỗ hận ý ngập trời này quả là không nói nên lời. Huyền Đảo Thôi gia chưa từng nếm qua loại uất ức này! Võ giả cảnh giới Chí Tôn, dù là Thôi gia thì chết đi một người là ít đi một người! Lại thấy trên mặt đám người thuộc Thiên Cơ Môn và Lâm gia, thậm chí Vương gia, Tiêu gia, Bái Kiếm Sơn Trang lộ ra biểu tình vui sướng khi người gặp hoạ, đám người Thôi gia hận không thể ngay lập tức giết sạch Tần gia ngay tại chỗ!

Vốn định đến hù doạ Tần Lập, đùa vui, đánh vào tâm lý mà thôi. Ai cũng không ngờ rằng sẽ xuất hiện loại tình huống ngoài ý muốn như thế này. Muội muội thì bị người ta cho ăn hai cái bạt tai vang dội, lão tổ tông cảnh giới Chí Tôn của nhà mình lại bị chết mất một người!

Hai mắt Thôi Lãnh bắn ra quang mang vô cùng oán độc, hướng về Tần Lập nói:

- Tần Lập, tốt nhất là ngươi nên cầu nguyện không gặp ta ở Chí Tôn đại tái!

- Cút!

Tần Lập không ngẩng đầu lên. Đầu hắn vẫn đang đau, làm gì có tinh thần mà phản kích lại sự khiêu khích của Thôi Lãnh.

Nhưng một từ "cút" tràn đầy sự khinh thường này khiến hận ý của Thôi Lãnh đối với Tần Lập lại tăng thêm vài phần. Nhẹ nhàng vuốt ve khuôn mặt của muội muội, vận khí khiến nàng tiêu trừ vết sưng đỏ, Thôi Lãnh chậm rãi thở ra một hơi nói:

- Được, Tần Lập, Thôi Lãnh ta hôm nay tuyên bố Tần gia ngươi, Thôi gia ta nhất định tiêu diệt!

Những lời này vừa ra, chung quanh lập tức trở nên vô cùng yên tĩnh. Tất cả mọi người vẻ mặt khó tin nhìn Thôi Lãnh, thầm nghĩ cho dù mọi người đều biết vì sao lại thế này nhưng loại chuyện này cũng không thể quang minh chính đại phát ngôn ra!

Đừng nói trên Huyền Đảo có bảy đại siêu cấp thế lực, dù Thôi gia ngươi là thế lực cường đại nhất cũng không thể tuỳ tiện nói ra loại chuyện khiến người ta công phẫn như thế này!

Quả nhiên, lời nói của Thôi Lãnh vừa dứt, bên phía Thiên Cơ Môn liền truyền ra vài tiếng cười lạnh:

- Thôi gia quả là khẩu khí thật lớn!

Bên phía Lâm gia cũng có người thản nhiên nói:

- Là một trong bảy đại siêu cấp thế lực, Thôi gia cũng coi như đủ rồi, còn tưởng muốn trở thành nhà giỏi nhất trong bảy nhà sao?!

Trong đám người còn không ít người phụ hoạ theo Lâm gia và Thiên Cơ Môn, đương nhiên cũng có người ủng hộ cho Thôi gia. Nơi này lập tức trở thành một mảnh hỗn loạn!

- Tuỳ các ngươi nghĩ thế nào thì nghĩ!

Thái độ của Thôi Lãnh vô cùng cường quyết. Nói xong hắn xoay người bước đi, lưu lại một thanh âm lạnh lẽo:

- Tin rằng không lâu nữa các ngươi sẽ thấy kết quả!

kedochanh

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

285. Chương 287 : Xà Nữ Kiêu Ngạo!

Một đám con cháu trẻ tuổi của Tần gia, vẻ mặt đều phẫn nộ. Tần Lập thì lại cười nói:

- Chí Tôn chết vẫn quá ít, nếu chết thêm vài cái thì các ngươi cũng sẽ không còn giọng điệu như vậy nữa!

Thôi gia Đại tiểu thư vẫn đang khóc thút thít bên kia bỗng ngẩng đầu, vẻ mặt oán độc nhìn Tần Lập, thốt lên:

- Chết nhiều nữa cũng mạnh hơn Tần gia các ngươi. Các ngươi một cái cũng không có đó!

Lời này vừa ra ngay cả rất nhiều người xem vây quanh vẻ mặt đều lộ ra thần sắc cổ quái, không kìm nổi nhìn vị Thôi gia Đại tiểu thư vẻ mặt khuất nhục này. Thầm nghĩ: "Con nhóc này không ngờ lại là kẻ ngu ngốc, không ngờ có thể nói ra loại lời nói này. Đây không phải là nguyền rủa võ giả Chí Tôn nhà mình chết nhiều hơn sao?"

Quả nhiên đám người Tần gia cười ngặt nghẽo, một người trẻ tuổi nói:

- Không có việc gì, quá vài ngày Chí Tôn Thôi gia nhà ngươi đều chết sạch. Ha ha ha ha!

Rất nhiều người bao gồm cả Thiên Cơ Môn và Lâm gia đều không kìm nổi phát tiếng cười sảng khoái.

Những hành vi Thôi gia đã làm trên Huyền Đảo kỳ thật đã khiến rất nhiều nhà bất mãn. Bảy đại siêu cấp thế lực đều có nội tình thâm hậu, gia tộc thâm căn cố đế. Bên trong nhà nào lại không có một, hai siêu cấp cường giả tọa trấn?

Cho nên nếu nói loại đại quy mô chém giết gần như là chuyện không thể xảy ra. Giết địch một ngàn tổn hại tám trăm, tự dưng tiện nghi cho người khác, loại chuyện này phàm là người có đầu óc đều sẽ không đi làm.

Cho nên lời nói hôm nay của Thôi Lãnh mới tạo thành phản ứng lớn như vậy. Phải biết rằng, cho dù một gia tộc cỡ trung như Tần gia cũng đồng dạng mấy ngàn dòng chính, hơn nữa dòng phụ cùng hạ nhân, tổng cộng không dưới mười mấy vạn người. Loại gia tộc khổng lồ này làm sao lại không có bất kỳ một chút lực trả đòn nào?

Nói Chí Tôn vô cùng mạnh mẽ, đúng. Võ giả đạt tới cảnh giới Chí Tôn đích thật là cực kỳ cường đại, mười mấy võ giả cảnh giới Dung Thiên cũng không phải là đối thủ. Nhưng cho dù có cường đại đến đâu cũng có lúc nguyên lực hao hết. Nếu dám dùng chiến thuật biển người, người hầu đều dùng hết thì Chí Tôn nhiều thế nào cũng không dám tiêu hao, luôn xuất hiện thương vong!

Đây cũng là vì sao cừu hận giữa các tộc các phái gần như đều là quy mô nhỏ, chỉ tìm đầu sỏ gây nên. Mà cái loại cả tộc đấu đá báo thù quả thực là rất ít.

Sau khi Tần Lập nói xong, bỗng nhiên truyền âm cho Tần Lĩnh Sơn nói:

- Lão tổ tông, Thôi gia sợ là có sẽ có động tác lớn, nhanh chóng cho người truyền tin trở về. Nói cho người gia tộc để ý, ngàn vạn lần đừng để bị người Thôi gia tập kích vào lúc này!

Tần Lĩnh Sơn khẽ gật đầu thầm chấp nhận. Là một lão nhân sống rất nhiều năm, lão tự nhiên hiểu được loại người có thân phận như Thôi Lãnh đã không cần dùng lời nói láo để đe dọa người khác. Đã nói ra, tự nhiên là phải làm!

Chỉ là không biết hiện tại còn kịp không. Dù sao hắn dám nói ra trong trường hợp này liền chứng minh hắn đã có nắm chắc rất lớn!

Tần Lập cũng nghĩ tới mức đó, thoáng trầm ngâm một chút, sau đó nói:

- Ta rời đi một chút, rất mau sẽ trở lại.

Nói xong lắc mình đi đến nơi dừng chân của Tần gia.

Không ít người thấy động tác của Tần Lập, cũng không để trong lòng. Bởi vì Hoàng Kim Cung tuy đã phủ xuống nhưng giải đấu Chí Tôn còn phải mấy canh giờ sau mới bắt đầu.

Sau khi Tần Lập trở lại nơi dừng chân, liền triển khai thần thức liên hệ với Kim Điêu. Bởi vì Kim Điêu đã nhận chủ, giờ phút này đang yên lặng chú ý động tĩnh của Hoàng Kim Cung cho nên rất dễ dàng liên hệ được. Tần Lập dặn bảo vài câu lại ngồi lại điều tức một hồi, xoay người ra ngoài.

Những người ở đây không thể nhìn xuyên thấu lên trời, một Kim Điêu, hai con cự ưng màu đen nhanh như tia chớp bay về hướng thành Phong Sa.

Điều tức một hồi, Tần Lập vừa muốn rời khỏi, đi đến Hoàng Kim Cung đột nhiên trong lòng bỗng có dấu hiệu nguy hiểm, quay đầu lại nhìn thì thấy hắc y xà nữ đang đứng lẳng lặng trong góc lều trại của mình. Cho dù là Tần Lập to gan lớn mật, giờ phút này cũng bị dọa đầy đầu mồ hôi lạnh, cả giận nói:

- Làm sao ngươi lại ở trong này?

- Vì sao ta không thể ở trong này?

Hắc y xà nữ bĩu môi, đôi mắt quyến rũ trợn trắng lên:

- Người ta đã đến đây nửa ngày ngươi mới phát hiện ra. Hừ! Nếu ra tay đối với ngươi, ngươi đã sớm thành người chết! Tuy nhiên, nhân loại các ngươi thật có ý tứ, vì sao trước khi chiến đấu còn muốn khiêu khích một hồi? Trực tiếp xông lên giết là xong!

Nói xong, đầu lưỡi khiêu gợi liếm bờ môi một vòng.

Sau đó nũng nịu cười nói:

- Có muốn ta giúp ngươi giải quyết đám người chán ghét kia không?

- Ặc… Vẫn là thôi đi!

Nói thật Tần Lập đối với đề nghị của xà nữ rất động tâm. Nhưng hắn lại biết hiện tại Tần gia trong mắt mọi người căn bản là một gia tộc rất yếu, hoàn toàn không có thực lực uy hiếp đến sự tồn tại của Thôi gia. Một khi đột nhiên xuất hiện một kẻ cường đại biến thái như xà nữ, không nói nhà khác, Thiên Cơ Môn cùng Lâm gia đầu tiên sẽ sinh ra ngờ vực.

Đừng tưởng rằng người khác đều là đứa ngốc, xà nữ cường đại như vậy, lại còn xuất hiện ở trên đỉnh Huyền Vũ này, lại liên tưởng đến mình trèo lên vách đá Huyền Vũ mà không chết… Nhất định sẽ có người nghĩ đến càng nhiều, đến lúc đó Tần gia mới thật sự trở thành mục tiêu của mọi người.

- Tuy nhiên, vẫn là phải cảm ơn ngươi. Chẳng lẽ ngươi nghĩ thông? Muốn đi theo ta?

Tần Lập có chút nghi hoặc nhìn hắc y nữ tử mặt ngoài lẳng lơ kỳ thật thì lại rất cao ngạo.

- Hừ! Ngươi nằm mơ! Ta chỉ cảm giác thấy có người vận dụng lực lượng Hoàng Kim Cung, xuống dưới xem xét một phen. Sau đó lại thấy mấy con chim nhỏ kia đều bay ra ngoài, có phải là ngươi yêu cầu hay không?

Đôi mắt xà nữ nhìn chằm chằm mắt Tần Lập, cái loại lẳng lơ bề ngoài này hoàn toàn không thể che giấu được vẻ lạnh như băng trong lòng nàng. Quả nhiên là động vật máu lạnh!

Tần Lập cảm thán một câu trong lòng, sau đó rất chân thật gật đầu, điều này chẳng có gì là không thể thừa nhận:

- Đúng vậy. Có người sẽ gây bất lợi cho Tần gia ta, cho nên ta để cho bọn họ đi giúp ta trông nom một chút!

- Hừ! Mấy con chim ngốc kia thật đúng là thích nghe lời ngươi!

Hắc y xà nữ bĩu môi, sau đó hướng về Tần Lập nũng nịu cười nói:

- Ta sẽ không giống mấy con chim ngốc kia, cam tâm tình nguyện đi theo ngươi đâu!

Tần Lập khẽ nở nụ cười, sau đó nói:

- Ngươi đã tới Thiên Tôn đỉnh thời gian rất lâu đúng không?

- Thì sao?

Xà nữ lạnh lùng, không chút dao động.

- Ha ha, không sao. Chỉ là ta được sư phụ truyền thừa tất cả, bên trong có vô số cảm ngộ võ đạo cùng với…

- Cùng với cái gì?

Ánh mắt xà nữ dần dần sáng lên, hô hấp cũng không kìm nổi có chút dồn dập.

Hô Diên Bác đích thật truyền cho những linh thú này rất nhiều thứ, nhưng còn có càng nhiều lại cũng không truyền cho bọn họ. Nguyên nhân chính là muốn đem linh thú này truyền cho người kế thừa của mình. Có cũng đủ hấp dẫn có thể khiến đám linh thú này ngoan ngoãn nghe lời. Nhưng lại không nghĩ rằng mấy con vượn già kia căn bản không cho Tần Lập cơ hội này, mà Tần Lập lúc ấy cũng không lật xem đến những trí nhớ này.

Dù sao trí nhớ Hô Diên Bác để lại cho Tần Lập quá mức khổng lồ, cho dù tìm kiếm cũng phải mất hồi lâu mới tìm được. Cũng may là những trí nhớ này trực tiếp đánh vào linh hồn, sẽ không tan thành mây khói. Cũng may thần thức Tần Lập khác hẳn người thường, đổi lại là người thường, chỉ riêng trí nhớ phong phú này cũng đủ để hoàn toàn làm vỡ tung tinh thần thức hải.

- Không nói cho ngươi!

Tần Lập dứt khoát nói.

- Ngươi…

Xà nữ phát hiện mình không ngờ vô tình bị trúng kế tiểu tử này, quyền chủ động đã bị hắn nắm được. Đột nhiên, nàng cười hết sức quyến rũ:

- Ngươi nên nói cho ta, mới có lợi đó!

- Muốn ta nói cho ngươi, cũng được. Nhận ta là chủ…

- Tiểu tử xấu xa, ngươi đi chết đi!

Hắc y xà nữ nói xong, thân hình chợt lóe biến mất không thấy. Tần Lập vừa mới sửng sốt một chút, bên ngoài truyền đến một hồi tiếng hô gọi:

- Lập thiếu gia, bên kia lập tức muốn bắt đầu!

- Ta đã biết!

Tần Lập nhẹ nhàng thở phào một hơi, trên mặt lộ ra tươi cười vui vẻ. Tuy rằng tuổi mình kém hơn xà nữ rất nhiều, nhưng kinh nghiệm hai kiếp làm người khiến cho Tần Lập rất rõ ràng tâm tính xà nữ lúc này.

Bị đám Kim Điêu đoạt trước, trong lòng tức giận không thôi. Rõ ràng muốn đi theo mình nhưng lại sợ mất mặt mũi, vì thế ngầm ở lại, lại cố tình không chịu thừa nhận. Bộ dạng như vậy giống như một đứa trẻ con.

Tần Lập biết xà nữ này nhất định ở một góc nào đó chú ý mình, có nàng ở trong này nàng Tần Lập càng thêm có tin tưởng đối phó với quái vật lớn của Thôi gia. Nếu ba con vượn kia cũng đi theo mình thì càng tốt!

Trong lòng nghĩ lập tức lắc đầu, ba con vượn kia là cường đại nhất trong số bảy con linh thú truyền kỳ. Nhất là con lớn nhất, không ngờ đã đạt tới cảnh giới Phá Toái Hư Không. Thật sự là làm cho người ta kinh ngạc!

Thượng Quan Thi Vũ thấy Tần Lập trở về, rõ ràng thở phào nhẹ nhõm một hơi. Nàng cảm thấy được Tần Lập dường như có việc gì gạt mình, tuy nhiên nàng lại không có ý hỏi, nàng tin tưởng người mình yêu, tới lúc nào cũng sẽ không lừa nàng, lại càng không phụ bạc nàng! Điều này như vậy là đủ, trong lòng của ai mà không thể để lại chút bí ẩn?

- Khẩn trương sao?

Tần Lập đi đến bên cạnh Thượng Quan Thi Vũ, nhẹ giọng hỏi.

Thượng Quan Thi Vũ khẽ lắc đầu, nói:

- Không khẩn trương, đánh không lại thì trực tiếp nhận thua, đó không phải là chàng dạy ta sao?

Tần Lập cười, gật gật đầu:

- Đúng vậy, nhận thua cũng không bẽ mặt, đánh thua là đánh thua, còn sống mới là quan trọng nhất. Nhớ kỹ, một khi gặp người Thôi gia, có thể đánh thì đánh, không đánh lại thì trực tiếp nhận thua. Chỉ cần ngươi nhận thua, đối phương nếu dám công kích ngươi chẳng khác nào trái với quy củ của giải đấu Chí Tôn, Hoàng Kim Cung sẽ công kích hắn!

Đôi mắt Thượng Quan Thi Vũ nghi ngờ nhìn trên mặt Tần Lập mấy lần, buồn bực nói:

- Làm sao tới giờ muội chưa từng nghe nói như vậy?

Tần Lập cười nói:

- Nàng là nữ chủ nhân của Hoàng Kim Cung!

Thượng Quan Thi Vũ từ sâu trong mắt Tần Lập nhìn thấy một tia nghiêm túc, trong lòng cả kinh trên mặt lại không biểu hiện ra chút gì, nhưng vui sướng trong mắt lại hiện ra rõ ràng. Tuy rằng không rõ rốt cục là vì sao nhưng nàng hiểu được Tần Lập ở trên đỉnh Huyền Vũ này nhất định là gặp chuyện khó tin!

Lúc này nóc Hoàng Kim Cung cao lớn nguy nga bỗng nhiêu chiếu xuống hai luồng sáng, hai luồng sáng này chiếu đến mặt đất bao phủ tất cả mọi người. Sau đó tất cả những võ giả phù hợp yêu cầu tham gia giải đấu Chí Tôn cảm giác thân mình nhẹ bẫng, mắt hoa đi. Trong nháy mắt đi tới một nơi khác!

Lúc này bỗng nhiên truyền đến một tiếng kêu hoảng sợ của một võ giả trẻ tuổi của một gia tộc nhỏ nào đó lần đầu tiên tham gia giải đấu Chí Tôn vang vọng Huyền Vũ đài.

- Trời ạ! Ta mới Thiên cấp, ta thật sự chỉ là tới xem náo nhiệt…

286. Chương 288 : Trận Chiến Đầu Tiên!

Tần Lập cũng cảm giác được thân mình nhẹ bẫng, không đợi có phản ứng thì ngay sau đó phát hiện mình xuất hiện ở trong một kết giới kỳ dị. Lại nhìn bên cạnh mình, khắp nơi đều là người, biểu tình khác nhau. Có rất nhiều người đích thật là không biết rõ quy củ giải đấu Chí Tôn, căn bản không có bất kỳ tâm lý chuẩn bị gì cả liền bị truyền tống đến đây.

Thậm chí còn có một số người đánh vào kết giới hình ảnh, la to muốn đi ra ngoài. Đối với rất nhiều người mà nói, tới nơi này đích xác là vì muốn tăng kiến thức mà thôi. Đùa gì chứ, người vận khí tốt đích xác là có, chỉ là mỗi một lần đào thải đều gặp được đối thủ yếu hơn mình một chút. Nhưng vạn nhất vận khí không tốt gặp được người bình thường có cừu oán với mình lại cường đại hơn mình, như vậy không phải là chết trận sao?

Mặc dù ở đây có mấy ngàn người, nhưng chưa chắc đã đều gặp được may mắn như vậy. Nhưng chuyện trên đời này nào có nhiều từ “nếu” như vậy!

Rất nhiều con cháu đại tộc đại phái biết quy củ này, ở một bên cười trộm, nhìn đám con cháu tiểu tộc tiểu phái biểu hiện ra thật quê mùa, trên mặt tràn ngập biểu tình vui sướng khi người gặp họa không có bất kỳ vẻ đồng tình!

Thượng Quan Thi Vũ rúc vào trong lòng Tần Lập, trên mặt không có bất kỳ biểu tình gì. Còn có bảy, tám mươi con cháu Tần gia trẻ tuổi đều vây quanh người Tần Lập. Lúc trước bọn họ đều biết sẽ có loại kết quả này cho nên cũng không bối rối.

Tần Tỏa cũng ở trong đám người, đang cổ vũ cho mọi người, thuận tiện trấn an bọn họ. Không may gặp người của Thôi gia, đánh không lại trực tiếp nhận thua cũng không sợ mất mặt…

Trên thực tế, chỉ cần không đụng cường giả biến thái như Thôi Lãnh, đại bộ phận con cháu đều tám lạng nửa cân. Nếu thực sự đánh cũng chưa chắc nhất định phải thua!

Nhưng so về nội tình, Tần gia kém Thôi gia rất nhiều, cho nên càng nhiều người đều là mang tâm tư học tập cùng rèn luyện mà tới. Chim non nếu không dũng cảm bước ra khỏi tổ bước đầu tiên liền vĩnh viễn không có cơ hội giương cánh bay cao.

- Thật sự là một đám quê mùa không kiêns thức!

Thôi gia Đại tiểu thư như là rốt cục tìm được nơi phát tiết, khinh thường nhìn đám con cháu tiểu tộc tiểu phái mặt mang hoảng sợ kia.

- Cần gì phải để tâm đám tiểu nhân vật không kiến thức đó? Nếu để ta gặp phải, khẳng định một kiếm một người, giết toàn bộ là xong! Hừ, trên đời này, không phải là chuẩn bị cho kẻ yếu!

Một thanh niên nhìn qua khoảng ba mươi tuổi của Thôi gia, vẻ mặt lạnh lùng nói.

Nơi sân dự bị cũng không quá lớn, cho nên nhiều người như vậy ít nhiều cũng có chút chật chội. Lời nói của thanh niên Thôi gia này lập tức bị rất nhiều người nghe thấy, đám con cháu trẻ tuổi của đại tộc đại phái nghe thấy còn không thấy sao cả. Nhưng đám con cháu trẻ tuổi của tiểu tộc tiểu phái nghe thấy đều đối với người này trừng mắt giận dữ. Chỉ cần là người, bất kể hắn thực lực thế nào, địa vị ra sao nhưng luôn có tôn nghiêm!

Tuy nhiên, con cháu này của Thôi gia hiển nhiên là không cho là đúng, hừ lạnh nói:

- Nhìn cái gì? Có bản lĩnh gặp nhau trên lôi đài!

Nơi sân dự bị cùng nơi luận võ bên ngoài có thể thấy được nhưng lại không nghe thấy bên trong nói gì.

Đám người Tần Hàn Nguyệt cùng Tần Lĩnh Sơn đã sớm đứng ở khu an toàn cho nên Tần Hàn Nguyệt cũng không bị truyền tống vào. Bên cạnh bọn họ còn đứng một đám người Tần gia tuổi lớn, những người này thực lực tuy không mạnh nhưng đều có thực lực Thiên cấp. Đến đây chỉ là vì hầu hạ đám người trẻ tuổi kia, coi như là hậu cần.

Tần Hàn Nguyệt nhìn trượng phu và con trai trong sân dự bị, trong lòng ít nhiều có chút lo lắng cho bọn họ, khẽ nói:

- Lão tổ tông. Thôi gia đã cùng Tần gia chúng ta làm lớn chuyện, chỉ sợ trong trận đấu sẽ không chết không ngừng.

Tần Lĩnh Sơn khẽ thở dài một hơi:

- Hàn Nguyệt! Những chuyện này lúc trước ta đã từng nghĩ, nhưng không có hy sinh thì không có trưởng thành. Những gia tộc như chúng ta sở dĩ trăm, ngàn năm đều thủy chung giữ vững ở một tình trạng, nguyên nhân lớn nhất đó là sống quá an nhàn! Con cháu tuổi trẻ tới mười tám tuổi chỉ cần thực lực đạt tới Huyền cấp trở lên, mỗi tháng đều lĩnh được một khoản sinh hoạt phí từ gia tộc, đạt tới Địa cấp lại tăng một bậc, đạt tới Thiên cấp là có thể yên ổn cả đời. Cũng không phải tất cả mọi người đều có loại dã tâm xưng vương xưng bá. Tựa như lần này, Tần gia ta bán đấu giá đan phương, được đến năm thế tục quốc gia, kim tiền lại càng nhiều rất dễ dàng làm người ta cảm thấy lơi lỏng. Nếu muốn phát triển, như vậy chỉ có thể tôi luyện trong máu và lửa mới được!

Tần Hàn Nguyệt nghiêm túc gật đầu, không nói gì. Đám lão già Tần gia bên cạnh nàng, trên mặt đa số người đều mang theo vẻ hổ thẹn nhưng lại lộ ra thần sắc suy tư!

Tần Tỏa lúc này đã nói xong, chỉ chờ bắt đầu. Đột nhiên thấy Tần Lập cùng Thượng Quan Thi Vũ, mắt xoay tròn, sau đó nói:

- Tần Lập. Vậy, đại ca nói xong rồi, ngươi xem còn có gì cần bổ sung không?

Tần Lập nao nao, sau đó nhìn đám con cháu Tần gia nhìn mình với vẻ chờ mong, cảm thấy được nếu mình không nói gì dường như không được tốt lắm. Cho nên hắn mỉm cười giơ tay, nói:

- Mọi người cùng nhau cố gắng, khiến cho Tần gia biến thành một thế lực siêu cấp, gặp kẻ nào cản đường liền… chém con mẹ nó!

Một đám con cháu Tần gia đầu tiên là sửng sốt, sau đó ầm ầm hoan hô. Từng người đều như đột nhiên trở nên càng có lực lượng, cái loại tinh thần này khiến người chung quanh đều phải nhìn vào.

Tần Tỏa cười khổ, thầm nghĩ đây chính là lực tác động của cường giả sao? Mình cố hết sức hao hết võ mồm nói nửa ngày, mọi người vẫn nửa sống nửa chết. Mà Tần Lập nói một câu liền kích động đám người này máu nóng sôi trào. Trên thực tế, sự hăng hái của người trẻ tuổi căn bản không cần nhiều lời.

Lúc này Tần Lập nhìn võ giả Thôi gia vừa nói lời cuồng ngạo, trong mặt hiện lên một tia cười lạnh. Lập tức đạo hào quang thứ nhất chiếu lên người hắn nháy mắt truyền tống đến trong sân luận võ.

Con cháu trẻ tuổi Thôi gia đó hơi ngốc một chút, đại khái không nghĩ tới mình không ngờ là người thứ nhất. Ngay sau đó, Tần Lập lại chỉ huy Hoàng Kim Cung truyền tống một người trung niên có dao động hết sức cường đại trong một tiểu gia tộc.

Cảnh tượng thay đổi, hai người thoáng cái liền xuất hiện ở sân tỷ võ.

Người các tộc các phái bên ngoài lúc này đều ngừng nói chuyện, ngừng thở nhìn cảnh tượng bên trong.

Người Thôi gia cùng những người thân cận bọn họ tự nhiên là hy vọng Thôi gia có một khởi đầu tốt đẹp. Mà người tiểu tộc tiểu phái vừa bị Thôi gia làm nhục đều nóng bỏng nhìn người trung niên kia, hy vọng hắn có thể cho Thôi gia một bài học! Để cho bọn hắn biết trên đời này cũng không phải chỉ có Thôi gia mới là đệ nhất!

- Ngươi chủ động nhận thua hay là chờ ta đánh đập ngươi không còn hình người?

Con cháu trẻ tuổi Thôi gia này tên là Thôi Vũ Hành, đến nay đã ba mươi tuổi, là con thứ sáu của gia chủ Thôi gia; người em thứ sáu của Thôi Lãnh tuổi trẻ đã có được thực lực cảnh giới Hợp Thiên, khó trách dám lên tiếng ngông cuồng. Bình thường trong tiểu tộc tiểu phái, cảnh giới Hợp Thiên đã có thể ngồi vào vị trí trưởng lão!

Người trung niên đối diện đến từ một tiểu gia tộc nhỏ của Huyền Đảo, càng khéo cũng là họ Thôi. Về phần có phải là chi thứ của Thôi gia hay không thì đã không thể nào kiểm chứng. Vốn thấy Thôi gia còn có chút thân cận, dù sao cũng là cùng họ. Hơn nữa tám chín phần mươi là từ Thôi gia phân chi mà ra.

Nhưng lại không nghĩ rằng con cháu Thôi gia này, mỗi người đều mắt để trên trán, hết sức cuồng vọng nhất là người trước mắt. Tuy nhiên, cuối cùng xem như đồng tông, người trung niên họ Thôi này vẫn hết sức khách khí nói:

- Tại hạ cũng họ Thôi, tên là Thôi Vô Địch. Còn chưa biết tính danh của ngươi…

- Ha ha! Vô Địch? Cười chết ta rồi! Chỉ bằng ngươi cũng dám kêu vô địch? Tên họ của ta, ngươi không có tư cách biết. Dù sao lát nữa ngươi cũng phải chết!

Người thanh niên Thôi gia này vẻ mặt khinh thường, cười lạnh:

- Đừng tưởng rằng ngươi báo ra tên giả là có thể bắt quàng làm họ. Đến đây đi, đứng nói nhiều. Động thủ!

Nói xong Thôi Vũ Hành rút từ trên lưng ra một thanh trường kiếm phong cách cổ xưa. Trường kiếm ra khỏi vỏ, hàn khí bức người, kiếm chỉ vào Thôi Vô Địch. Khuôn mặt Thôi Vô Địch lập tức đỏ lên, trong mắt hiện ra tia sát ý. Không thể chịu được, người Thôi gia cũng quá hung hăng dọa người.

- Vô Địch đại ca, giết con chó ngông cuồng này!

- Đúng vậy! Thôi gia đại tộc cao cao tại thượng, chúng ta không thể với tới. Tuy nói một bút không thể viết hai chữ Thôi, nhưng chữ Thôi của người ta là nạm vàng!

- Vô Địch huynh đệ, giết chết hắn! Tiểu tộc tiểu phái chúng ta đều ủng hộ ngươi!

Đám người bên ngoài, mấy cường giả Chí Tôn Thôi gia đều không kìm nổi nhíu mày, đối với sự ngông cuồng của Thôi Vũ Hành lộ ra vài phần bất mãn. Thầm nghĩ đắc tội với người, cũng nên chọn lúc chọn nơi. Đám tiểu tộc tiểu phái này nhìn qua tuy rằng không có thực lực gì, nhưng nếu bọn họ liên hợp lại cũng là một cỗ lực lượng không ai dám khinh thường!

Thôi Vũ Hành cười hắc hắc, thân hình đột nhiên hóa thành một luồng hào quang. Đồng thời, trong sân luận võ chợt bùng lên một luồng khí cực kỳ lạnh lẽo, khí lạnh thấu xương, một kiếm đâm tới mi tâm Thôi Vô Địch. Thôi Vô Địch lạnh lùng cười, đôi tay đột nhiên biến thành màu vàng, không chút sợ hãi chụp vào kiếm Thôi Vũ Hành!

- Hả, Xích Kim thủ! Dĩ nhiên là Xích Kim Thủ đã nổi tiếng một thời 1700 năm trước.

Người bên ngoài đang xem cuộc chiến lập tức có người hô kinh hãi.

- Thật sự là Xích Kim Thủ. Tiểu tử Thôi gia kia gặp xương cứng!

- Ha ha. Thôi gia thật sự là bất lợi. Trước có Tần Lập trước sau tát vài cái, không nghĩ tới hiện tại một con cháu tiểu gia tộc cũng có năng lực làm được như vậy!

Mấy lão già cảnh giới Chí Tôn Thôi gia, cùng với một đám võ giả có tuổi lớn ở bên ngoài sắc mặt trong nháy mắt nhìn thấy Xích Kim Thủ đều biến thật khó coi.

Thôi Lãnh trong sân dự bị trong mắt cũng hiện ra vẻ kinh ngạc, la lớn:

- Vũ Hành!!! Cẩn thận…

Chỉ tiếc kết giới nơi sân luận võ là đơn hướng, nói cách khác thanh âm bên trong có thể truyền ra ngoài, mà thanh âm bên ngoài không chút nào truyền được vào bên trong.

- Muốn chết!

Trên mặt Thôi Vũ Hành hiện vẻ dữ tợn, đem nguyên lực toàn thân đều quán chú lên thân kiếm. Bảo kiếm phá không, phát ra một hồi tiếng chói tai!

- Ầm Ầm!

Cặp tay biến thành màu vàng của Thôi Vô Địch trong nháy mắt va chạm cùng một chỗ với bảo kiếm của Thôi Vũ Hành, phát ra một tiếng nổ vang thật lớn. Lại nhìn bảo kiếm trong tay Thôi Vũ Hành, không ngờ lại bị mạnh mẽ bẻ gãy!

Tiểu Mùi

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

287. Chương 289: Thất Bại Thảm Hại Là Ai?

Không đợi mọi người kịp phát ra một tiếng thét kinh hãi, chỉ thấy đôi tay màu vàng của Thôi Vô Địch cầm lấy mảnh kiếm gãy nửa hung hăng cắm lên ngực Thôi Vũ Hành. Sau đó đồng thời nâng đầu gối hung hăng đánh lên đan điền Thôi Vũ Hành…

Hai mắt Thôi Vũ Hành bắn ra hào quang không thể tin, mắt mở thật to miệng cũng há hốc. Một chiêu đã bị miểu sát!

Ầm!

Nơi sân dự bị cùng bên ngoài, mọi người gần như đồng loạt phát ra một tiếng kinh hãi. Ai cũng không nghĩ tới không ngờ lại là một kết quả như vậy. Lục công tử Thôi gia nhìn như cường đại không ngờ lại bị một con cháu tiểu gia tộc một chiêu đánh chết. Hơn nữa người ta đường đường chính chính mà thắng, không có bất kỳ gian trá!

Thôi Vũ Hành khinh địch là một chuyện, nhưng Xích Kim Thủ của Thôi Vô Địch này cũng không rất nhiều người trong lòng khẽ chấn kinh!

Đây chính là một chiến kỹ thứ Thần cấp, 1700 năm trước từng nổi danh một thời trên Huyền Đảo, sau lại đột nhiên mai danh ẩn tích, rất nhiều người đều nghĩ đã thất truyền. Lại không ngờ rằng hôm nay lại xuất hiện ở chỗ này, hơn nữa vừa ra tay, con cháu Thôi gia ngông cuồng tự đại liền bị miểu sát!

Thi thể Thôi Vũ Hành trong nháy mắt bị truyền tống ra, trên Hoàng Kim Cung lại hạ kết giới truyền Thôi Vô Địch thắng lợi đưa vào. Đợi sau khi vòng thứ nhất toàn bộ chấm dứt lại tiến hành đợt tỷ thí thứ hai!

Những người trẻ tuổi tiểu tộc tiểu phái trong kết giới đều kìm lòng không đậu phát ra một tiếng trầm trồ khen ngợi. Thanh âm đó giống như một thanh đao sắc bén hung hăng đâm vào trái tim đám con cháu Thôi gia tính tình cao ngạo. Tần Lập hướng về phía Thôi Lãnh, chắp tay:

- Chúc mừng, chúc mừng!

Hai tay Thôi Lãnh nắm chặt, một đôi mắt đỏ thẫm nhìn chằm chằm Tần Lập, thật lâu sau mới cười ngạo nghễ:

- Ngươi tính là cái gì? Tần Lập, ai thua ai thắng hiện tại mà nói còn rất sớm!

Nhưng ta dám khẳng định một điều, Tần Lập, ngươi nhất định thất bại thảm hại!

Tần Lập thản nhiên cười, sau đó nói:

- Vậy thì chống mắt chờ xem!

Nói xong không ngờ lại có một con cháu Thôi gia trẻ tuổi lại bị truyền tống vào, đồng thời có một người của Tàng Kiếm Sơn Trang bị đưa vào.

Quan hệ giữa Thôi gia cùng Tàng Kiếm Sơn Trang vốn có chút hòa hợp. Hơn nữa giữa bảy đại thế lực siêu cấp có nhiều đám hỏi, tuy nói loại này đám hỏi hơn phân nửa không thay đổi được kết quả gì nhưng quan hệ lẫn nhau cũng coi như có chút quan hệ thân thuộc.

Quan hệ của giữa Tàng Kiếm Sơn Trang và Thôi gia trước khi xảy ra chuyện ở Tứ Quý Cốc coi như có vẻ gần gũi, lại thật không ngờ bị Tần Lập châm ngòi một phen, Thất công tử Thôi gia Thôi Vũ Văn không ngờ lại làm ra hành động vứt bỏ Thập Tứ công tử Tàng Kiếm Sơn Trang Tạ Hiểu Trung.

Từ đó, quan hệ giữa Thôi gia cùng Tàng Kiếm Sơn Trang trở nên khẩn trương. Phải biết rằng, thân phận hai người trẻ tuổi này cũng không bình thường.

Bất kể là Thôi Vũ Văn hay là Tạ Hiểu Trung đều là con cháu dòng chính gia chủ, ở trong gia tộc mình địa vị hết sức cao. Như vậy giữa hai gia tộc tự nhiên sẽ sinh ra một khoảng cách.

Tuy nhiên còn may hai bên không có thù hận lớn gì, vẫn đều có thể giữ vững vài phần kiềm chế, chỉ là về mặt tình cảm so với trước thì lạnh nhạt hơn nhiều.

Tuy nhiên ở trên giải đấu Chí Tôn, cho dù quan hệ tốt cũng phải công bình cạnh tranh một hồi, càng đừng nói là con cháu hai gia tộc đã có khoảng cách.

Con cháu tuổi trẻ của Tàng Kiếm Sơn Trang này là đồ đệ một trưởng lão, địa vị trong phái không cao nhưng có thực lực cảnh giới Phá Thiên đỉnh.

Mà con cháu Thôi gia này là một dòng phụ, thực lực cảnh giới Phá Thiên bậc trung, ở trong gia tộc không được coi trọng nhiều. Nhưng là cái loại có chút địa vị tự nhiên càng phải thông qua giải đấu Chí Tôn chứng minh năng lực của mình.

Nhất là trận đầu tiên Thôi gia ra trận bất lợi, hắn càng muốn thông qua sự cố gắng của mình để thay đổi cái nhìn của mọi người đối với Thôi gia, do đó tăng địa vị của mình.

- Sư huynh, mời!

Đệ tử trẻ tuổi của Tàng Kiếm Sơn Trang ôm quyền:

- Ta gọi là Tạ...

Hắn còn chưa dứt lời đã thấy người trẻ tuổi dòng phụ của Thôi gia đột nhiên ra tay. Trường kiếm trong tay hóa thành một đạo cầu vồng đột nhiên đâm tới yết hầu đệ tử Tàng Kiếm Sơn Trang.

Tất cả mọi người vây xem không kìm nổi phát ra một tiếng khinh thường, ngay cả người Thôi gia đều cảm thấy mặt mũi mất hết, từng người không kìm nổi cúi đầu.

- Đê tiện!

Đệ tử Tàng Kiếm Sơn Trang quát lạnh một tiếng, trong tay đột nhiên xuất hiện hai thanh đoản kiếm mỏng như cánh vé, ở trong không trung tạo thành hai đoàn ánh sáng trắng, cực kỳ chói mắt.

Sau đó thân hình liên tiếp lui về sau, tránh khỏi một kiếm đánh lén của con cháu Thôi gia. Hai mắt bắn ra hai luồng hào quang lạnh lùng, thân hình như tia chớp phóng tới con cháu Thôi gia:

- Đồ vô sỉ, đi chết đi!

Một tiếng hét to, đệ tử Tàng Kiếm Sơn Trang này đột nhiên thay đổi một bộ kiếm pháp, thân thể như không xương dùng tốc độ cực nhanh tránh khỏi tất cả thế công của con cháu Thôi gia. Sau đó nháy mắt tới gần hắn, hai thanh đoản kiếm lóe lên hai đạo ánh sáng lạnh lẽo, cắt ngang về phía con cháu Thôi gia.

- Tàng Kiếm Sơn Trang được xưng là có hơn một ngàn loại chiến kỹ kiếm pháp, hôm nay nhìn thấy quả thật danh bất hư truyền!

Trong đám người, có người lên tiếng tán thưởng.

- Mau nhìn, con cháu Thôi gia xong đời!

- A!

Con cháu Thôi gia hét một tiếng kinh hãi, tuy nhiên người này cũng là người tàn nhẫn, mắt thấy mình tránh không kịp, không ngờ một kiếm đâm tới yết hầu đệ tử Tàng Kiếm Sơn Trang, ý đồ lưỡng bại câu thương!

Tàng Kiếm Sơn Trang không hổ là đại phái có được ngàn bộ kiếm pháp, đệ tử này trong nháy mắt tách ra một kiếm." Choeng" một tiếng vang lên, kiếm của con cháu Thôi gia bị cản, một thanh kiếm khác như tia chớp đâm thẳng vào bụng con cháu Thôi gia.

Sau đó thân hình hắn dùng một loại thân pháp cực kỳ linh hoạt, trong nháy mắt nhảy lui về sau, đoản kiếm trong tay rút ra. Một vòi máu tươi từ bụng con cháu Thôi gia phun ra.

Đệ tử Tàng Kiếm Sơn Trang đứng ở đó không tiếp tục tấn công mà hung hăng nhổ "Phì" một ngụm nước bọt xuống đất, nháy mắt được Hoàng Kim Cung xác định là người thắng, truyền đến kết giới thứ ba.

Tên con cháu Thôi gia kia chạy về trước hai bước, miệng đột nhiên phun ra rất nhiều máu tươi, thân hình mềm nhũn ngã trên mặt đất, chết không nhắm mắt!

Thôi gia – hai trận đều bại!

Đừng nói người Thôi gia, ngay cả người của gia tộc môn phái khác đều cảm giác thấy khó tin. Đường đường Thôi gia một trong bảy đại thế lực siêu cấp không ngờ hai trận đều bại? Trước khi giải đấu Chí Tôn bắt đầu, loại kết quả này ai dám tin tưởng?

Cho dù là có người nhàm chán mở đánh bạc sợ là cũng không ai dám đưa ra loại đặt cược này!

Người Thôi gia đứng ngoài xem, sắc mặt đều xanh mét. Mấy lão già cảnh giới Chí Tôn Thôi gia sắc mặt thoạt nhìn rất bình tĩnh tuy nhiên sâu trong mắt đều lóe lên một tia lửa giận.

Hoàng Kim Cung năm nay dường như lộ ra một tia quỷ dị. Trong lòng không ít người trong lòng đều sinh ra ý niệm này, tuy nhiên liền lập tức đánh mất. Nguyên nhân rất đơn giản, Hoàng Kim Cung từ thời thượng cổ đã tồn tại trên Huyền Đảo. Tuy rằng không ai biết nó đến từ nơi nào nhưng sự cường đại của nó đã xâm nhập vào lòng vô số thế hệ.

Bọn họ thậm chí không dám sinh ra bất kỳ ý nghĩ ngờ vực vô căn cứ gì trong đầu, đều cảm thấy được chuyện có thể thật sự chỉ là trùng hợp mà thôi.

Quả nhiên, tỷ đấu kế tiếp bắt đầu xuất hiện một số gia tộc môn phái khác, có quyết đấu phấn khích kịch liệt, cũng có loại chiến đấu một chiêu nháy mắt chấm dứt.

Không ít con cháu trẻ tuổi Tần gia, bao gồm Tần Văn Hiên cũng đều rất nhanh đến lượt bọn họ. Tần Văn Hiên cũng thuận lợi thăng cấp đợt hai. Tần Tỏa và một số con cháu Tần gia thì lại bại trận. Rất may mắn chính là con cháu Tần gia không ngờ không gặp được người của Thôi gia, cho nên tuy có thương nhẹ nhưng không trí mạng.

Đám con cháu trẻ tuổi Tần gia này cũng càng đánh càng hưng phấn, ngược lại phát huy ra vượt xa ngày thường. Tổng thể biểu hiện vượt ngoài dự đoán trước của Tần Lĩnh Sơn. Lão gia tử cùng một đám người Tần gia hiện tại cười đến không ngậm miệng được.

Mà Thôi gia thì như gặp vận rủi. Lúc này con cháu trẻ tuổi của Thôi gia tổng cộng hơn sáu trăm người. Từ khi bắt đầu giải đấu Chí Tôn mãi cho đến ngày gần chạng vạng có hơn một trăm người tham chiến, nhưng không ngờ chỉ có năm người thuận lợi thăng cấp. Trong đó chín mươi mấy người đều không ngoại lệ, thất bại chấm dứt!

Đối thủ bọn họ gặp được đều không phải loại cường đại quá mức, nhưng chỉ cao hơn con cháu trẻ tuổi Thôi gia một chút. Hơn nữa, Thôi gia liên chiến liên bại, sĩ khí đã thấp xuống một trình độ nhất định, chiến đấu tự nhiên phần thắng rất nhỏ. Mấy con cháu trẻ tuổi Thôi gia có thực lực cường đại lại thủy chung chưa đến lượt.

Giải đấu Chí Tôn là ngày đêm không ngừng, đến buổi tối Hoàng Kim Cung tản ra hào quang hoa lệ, chiếu toàn bộ Huyền Vũ đài sáng như ban ngày.

Thôi Lãnh thủy chung chú ý động tác của Tần Lập, thấy hắn vẫn không bị truyền tống vào, trên mặt không kìm nổi lộ ra một vẻ dữ tợn. Thôi gia liên chiến liên bại, khiến vị Chí Tôn nhìn niên kỉ cũng không nhỏ này bắt đầu có chút nôn nóng.

Tần Lập thì lại khí định thần nhàn (dửng dưng) rất tùy ý ngồi dưới đất, trên thực tế vẫn đều đang điều tức, khôi phục lực lượng tinh thần. Thôi gia liên chiến liên bại chính là Tần Lập giở trò. Muốn diệt Tần gia ta? Muốn giết Tần Lập ta? Muốn ta thất bại thảm hại? Gia gia ngươi, đi gặp quỷ đi!

Muốn chơi, lão tử liền chơi với ngươi! Lúc này đây tuy Thôi gia còn không ra hết tinh nhuệ trẻ tuổi, nhưng ít ra cũng có một nửa thế hệ nổi bật đã tới nơi này!

Tần Lập từ sau khi tăng lên cảnh giới Dung Thiên, Tiên Thiên Tử Khí ngay cả Chí Tôn Thôi Lãnh đều không thể phát hiện. Những người khác lại càng không thể ngăn cản Tần Lập tra xét!

Biết thực lực đại khái của đối phương, sau đó căn cứ chênh lệch thực lực hai bên hạ lệnh cho Hoàng Kim Cung, chuyện này thật quá đơn giản. Chỗ xấu duy nhất chính là tiêu hao tinh thần lực đặc biệt lớn! Hơn nữa, Tần Lập còn phải nghỉ ngơi dưỡng sức, hắn chuẩn bị ở vòng tiếp theo liền giải quyết Thôi Lãnh. Khiến cho Thôi gia hoàn toàn mất sĩ khí!

Xem mấy lão quái vật Chí Tôn kia có thể nhẫn được loại nhục này hay không?

Tần Lập suy nghĩ, ngẩng đầu lên vừa lúc đối mắt với Thôi Lãnh. Dường như có một tia lửa vô hình bùng nổ giữa tầm mắt hai người. Tần Lập vươn ngón tay cái, hướng về Thôi Lãnh sau đó lật ngược xuống!

Lúc này hai đạo hào quang đem Tần Lập cùng Thôi Lãnh truyền vào nơi luận võ!

288. Chương 290: Một Kiếm Miểu Sát Ngươi.

Chiến đấu có kịch liệt đi nữa, nhưng xem nhiều cũng sẽ dần cảm thấy chán, hơn nữa ngoại trừ hai trận có đệ tử Thôi gia tử vong ra, trong các trận chiến đấu kế tiếp, nghiêm trọng nhất cũng chỉ là trọng thương,

không có xuất hiện người tử vong.

Việc này đối với những người đến xem kích thích mà nói, quả thật không có ý nghĩa. Hơn nữa sau khi chấm dứt vòng thứ nhất, bắt đầu chiến đấu đợt thứ hai, mới có thể xem như chân chính kịch liệt.

Mà tiêu điểm vòng thứ nhất này, không ngoài hai người Tần Lập cùng Thôi Lãnh. Hầu như mọi người đều hy vọng hai người này có thể đối đầu, nhưng loại tỷ lệ này không lớn.

Ai cũng không ngờ, hai người này thật sự đối đầu!

Lập tức, bất luận là những người xem các nhà các phái ở bên ngoài, hay là các võ giả bên trong sân, tất cả đều xốc lại tinh thần, vẻ mặt hưng phấn nhìn Tần Lập chiến đấu với Thôi Lãnh.

- Hắc! Huynh đệ, ngươi nói Hoàng Kim Cung này có phải có trí tuệ hay không chứ! Bằng không làm sao lại trùng hợp như vậy, để cho Tần công tử đụng phải Chí tôn Thôi gia kia vậy chứ?

- Loại chuyện này ai nói rõ được chứ? Tần Lập công tử Tần gia tuy rằng là một thanh niên kinh tài tuyệt diễm, tuy nhiên ta cũng không cho rằng hắn thật sự có thể chiến thắng được Thôi Lãnh.

- Hứ! Lẽ nào ngươi không có nghe nói ở trên đường đi, Tần Lập đã chiến với Thôi Lãnh một trận sao?

- Cũng bởi vì đánh qua một lần, ta mới nói như vậy! Võ giả cảnh giới Chí tôn, các ngươi dám nói hắn không có chút chuẩn bị nào sao?

Khóe miệng người kia nổi lên một tia cười khinh thường, nói tiếp:

- Ta lại vẫn có khuynh hướng cho rằng Chí tôn Thôi gia trẻ tuổi kia có thể thắng lợi!

- Hừ! Ta hy vọng Tần công tử có thể thủ thắng!

- Ta cũng hy vọng Tần công tử có thể lật đổ Chí tôn Thôi gia!

- Nói không sai, người Thôi gia quá kiêu ngạo rồi!

- Tần Lập kia cũng rất kiêu ngạo!

- Ngươi thiếu bị đánh phải không?

- Đúng thì thế nào? Có giỏi ngươi cắn ta đi.

Trong đám người lập tức hỗn loạn một trận, hai người đang giằng co bị một lão già can ngăn, nhưng hai bên lại không chút thoái nhượng.

Một màn đồng dạng, cũng đang trình diễn ở một nơi bất đồng trên Huyền Vũ Đài.

Tinh thần mọi người đều đang theo hai người Tần Lập cùng Thôi Lãnh chiến đấu mà trở nên hăng hái.

Tần Hàn Nguyệt cũng có chút khẩn trương nhìn nhi tử ở trong sân luận võ. Nàng biết cho dù mình nói gì Tần Lập cũng không thể nghe được, nhưng nàng vẫn muốn nói cho nhi tử: nhất định phải cẩn thận!

Tần Văn Hiên đã trổ hết tài năng trong vòng thứ nhất, hiện đang nghỉ ngơi bên trong kết giới, vẻ mặt cũng khẩn trương nhìn nhi tử của mình, trong lòng âm thầm bơm hơi trợ uy cho Tần Lập!

Thượng Quan Thi Vũ ở trong sân dự bị, bình tĩnh nhìn Tần Lập. Chỉ có nàng, trong lòng mới không chút lo lắng cho Tần Lập, bởi vì nàng hoàn toàn tin tưởng vào thực lực của Tần Lập!

Ngươi là phu quân của ta, ngươi là bầu trời trên đầu ta, cho dù thế nào cũng sẽ không sụp đổ!

- Rất bất ngờ sao?

Hai người Tần Lập cùng Thôi Lãnh, hầu như cùng lúc đồng thanh nói ra lời này!

Bên ngoài đầu tiên là cả kinh, lập tức ồ to một tiếng! Hai người đối với thực lực của mình, đều tự tin làm cho người ta trợn mắt!

Nếu như nói Thôi Lãnh tự tin phát ra từ thực lực Chí tôn của hắn, như vậy Tần Lập tự tin phát ra từ nơi nào? Phát ra từ thực lực Hợp Thiên cảnh của hắn sao?

Dù là những người giao hảo cùng Tần gia, lúc này cũng đều không nhịn được khóe miệng co rút, thầm nói: tính tình của Tần Lập, nhìn như cúi thấp, cũng không chủ động trêu chọc người khác, nhưng trên thực tế lại là kiêu ngạo tuyệt đối!

Kỳ thật đại đa số mọi người đều tin tưởng một điểm, đó chính là trận chiến trước, hai người Thôi Lãnh cùng Tần Lập nhất định đã nương tay. Không ai cho rằng một người cảnh giới Chí tôn đánh ra toàn lực còn không thắng một võ giả Hợp Thiên cảnh.

- Thôi Lãnh! Thôi gia các ngươi thật không may! Các ngươi không phải thế gia siêu cấp sao? Tới nơi này đều được xưng là tinh anh, thế nhưng qua được vòng thứ nhất chỉ có vài người như vậy?

Tần Lập cười dài, không chút nào cố kỵ hung hăng xát muối lên vết thương của Thôi Lãnh.

Cơ mặt Thôi Lãnh kịch liệt co quắp một chút, sau đó cười cười:

- Một cái giải đấu Chí tôn không chứng minh được cái gì, nhưng còn ngươi thì tự mình cầu phúc đi. Tần Lập! Nói thẳng ra, ngày hôm nay ngươi nhất định nằm xuống lăn ra ngoài, ta nói rồi, nhưng sẽ thất bại thảm hại!

- Ngốc bức! Ra tay đi, lời này ta nghe thật ghê tởm!

Tần Lập hoàn toàn không nhìn biểu tình kinh ngạc của Thôi Lãnh, chậm rãi rút Ẩm Huyết Kiếm trong tay ra.

Người thân cận Tần gia ở bên ngoài, nhất là những thanh niên ở trong sân dự bị cùng đã thắng vòng thứ nhất đang ở sân nghỉ ngơi, đều không nhịn được cười nghiêng ngã.

Từ cổ chí kim, có thể không chút cố kỵ nhục mạ thẳng mặt một cảnh giới Chí tôn không phong độ giống như Tần Lập, dường như là người đầu tiên!

- Miệng lưỡi lợi hại!

Tiếng nói Thôi Lãnh vô cùng lạnh lẽo, Lãnh Tuyết Kiếm trong tay đột nhiên hiện ra, hóa thành một đạo kiếm khí màu trắng, đánh về phía Tần Lập.

Nương theo một kiếm này, còn có một loại hàn khí bức người!

- Thiên Lý Băng Phong!

Lâm Hằng cùng Trầm Nhạc đã dễ dàng chiến thắng vòng thứ nhất, lúc này đều biến sắc, đồng thời kinh hô!

- Thiên Lý Băng Phong là cái gì?

Có người vẻ mặt khó hiểu hỏi.

- Cái này cũng không biết, Thiên Lý Băng Phong chính là… mau nhìn!

Một người vừa nói, vừa không chuyển mắt nhìn trong sân luận võ, đột nhiên hét lớn một tiếng.

Chẳng qua đã không có ai quan tâm đến hắn rống lớn, bởi vì toàn bộ tinh lực của mọi người đã đầu nhập vào cuộc chiến giữa Tần Lập cùng Thôi Lãnh!

Theo một kiếm Thôi Lãnh bổ về phía Tần Lập, chỉ thấy trong toàn sân luận võ, mặt đất nháy mắt trở nên trắng xóa, sau đó không gian như ngưng đọng. Mặt đất trắng bạch, đột nhiên xuất hiện mấy vết rạn, sau đó theo Thôi Lãnh bước lên, ầm ầm vỡ ra!

Giống như một tấm thảm thật lớn từ từ được nhấc lên, sau đó phủ khắp bầu trời giống như những lưỡi dao sắc bén, đồng thời bắn về phía Tần Lập giống như thiên quân vạn mã đồng loạt bắn tên!

- Trời ạ! Quá kinh khủng!

Có người vừa xem, vừa thì thào lẩm bẩm, khóe miệng co quắp kịch liệt, trong ánh mắt tràn ngập kinh hãi. Gần như tất cả những người chiến thắng vòng một, đều đang may mắn mình không gặp phải cường giả Chí tôn Thôi gia kia!

Cảnh giới Chí tôn, quả nhiên không phải bình thường!

Hai tay Tần Hàn Nguyệt gắt gao nắm chặt góc áo mình, quần áo hoa mỹ bị nàng vo thành một đoàn, đã nắm ra lỗ thủng, nhưng vẫn không phát giác ra.

Tần Lĩnh Sơn ưỡn ngực, đứng thẳng ở đó giống như một cây thương. Trên gương mặt già nua đầy nếp nhăn của lão không nhìn ra được biểu tình gì. Nhưng mà hai tay nhè nhẹ run lên trong tay áo, bán đứng tâm tình đang khẩn trương của hắn!

Tần Văn Hiên, hai tay nắm chặt thành quyền, giờ khắc này hắn hận không thể thay thế Tần Lập chịu một kiếm của Thôi Lãnh!

Thượng Quan Thi Vũ vẫn tĩnh lặng đứng ở chỗ cũ, một đôi mắt trong như làn nước bình lặng không dao động! Si ngốc ngóng nhìn từng tảng đá sắc bén như dao bao trùm Tần Lập, trong lòng chỉ có một một niềm tin: phu quân của ta là anh hùng đỉnh thiên lập địa, hắn nhất định sẽ thắng!

Trong lòng Trầm Nhạc vạn phần khẩn trương: Huynh đệ à, ta đặt tất cả gia sản lên người của đệ, vì thế mà ca ca ta làm căng với toàn bộ trưởng lão môn phái! Bọn họ không tin, ta tin tưởng đệ, nhất định đệ sẽ không làm ta thất vọng, nhất định sẽ không!

Lâm Hằng híp mắt, nhìn sân luận võ không chớp mắt, cảm giác thời gian lúc này như đình chỉ, ngay cả thở mạnh một chút cũng không dám, rất sợ quấy nhiễu trận chiến vạn người chú trọng này!

Trên đỉnh Hoàng Kim Cung khí thế hùng hồn, đứng một bóng ảnh một người mặc áo đen. Rõ ràng nàng đứng ở nơi đó, nhưng căn bản không ai có thể cảm nhận được nàng.

Một đôi tròng mắt lạnh lùng, không có một chút màu sắc tình cảm, nào còn bộ dạng tiểu nữ nhân quyến rũ trước mặt Tần Lập, yên lặng nhìn chăm chú vào phía dưới. Trong lòng nghĩ: tiểu tử kia, ngày hôm nay ta sẽ không ra tay giúp ngươi. Ta muốn xem, cuối cùng ngươi có bản lãnh gì, có thể để chủ nhân từng trải vạn năm cuối cùng lựa chọn ngươi làm người kế thừa! Nếu như ngươi thật sự có tư cách đó, như vậy dù là núi đao biển lửa ta cũng sẽ đi theo bên cạnh ngươi, thủ hộ ngươi, nhìn ngươi trưởng thành! Nếu ngươi không có tư cách đó, như vậy từ nay ta sẽ rời đi, chủ nhân đã yên diệt, cũng không phải trên người ngươi có khí tức của ngài là có thể thay thế!

Bên ngoài, trên mặt mấy lão già Chí tôn Thôi gia, những người Thôi gia phía sau bọn họ, ở trong sân dự bị, ở sân nghỉ ngơi, trên mặt tất cả những người Thôi gia kia rốt cuộc lộ ra vẻ cười thoải mái đầu tiên từ khi giải đấu Chí tôn bắt đầu tới nay!

Tần Lập, thua chắc!

Thiên Lý Băng Phong vừa xuất hiện, cho dù là võ giả cảnh giới Địa Tôn cũng không đỡ được! Chỉ có tránh né!

Nhưng trên sân luận võ nhỏ hẹp như thế, Tần Lập có thể trốn nơi nào?

Cho nên, chết đi!

Nụ cười cuối cùng xuất hiện trên mặt Thôi Lãnh, chẳng qua nụ cười kia, phần nhiều mang vẻ trào phúng!

Chỉ bằng ngươi, loại rác rưởi này cũng xứng đấu với ta?

Một tiếng nổ ẦM ẦM vang lên!

Mặt đất diễn võ trường, toàn bộ bị nổ tan! Rất nhiều lưỡi dao sắc bén chen lấn ngập đầy không gian, ngoại trừ chỗ của Thôi Lãnh!

Vẻ cười trên mặt Thôi Lãnh càng đầy, trên mặt người Thôi gia càng cười vô cùng thoải mái!

Không gian trong sân luận võ, giống như rơi vào một loại ngưng trệ kỳ dị! Những lưỡi dao sắc bén màu trắng ở trong mắt mọi người dường như đứng yên không chuyển động! Nhưng trên thực tế, đó là một tốc độ nhanh đến tận cùng, mắt người đã hoàn toàn không theo kịp tốc độ của những lưỡi dao sắc bén màu trắng kia, bọn họ chỉ nhìn thấy tàn ảnh của nó!

Ầm!

Lại một tiếng nổ, tất cả những người Thôi gia, lúc này đã thả lỏng tinh thần hoàn toàn. Loại biểu hiện này, chính là dấu hiệu Thiên Lý Băng Phong đã bộc phát uy lực lớn nhất!

Phù!

Mấy lão già Chí tôn Thôi gia đồng thời thở phào một cái, liếc mắt lẫn nhau, đều có thể nhìn ra ý cười trên mặt đối phương. Giết một Tần Lập, còn phải thoải mái hơn là cầm phần thưởng của Hoàng Kim Cung!

- Thiên Lý Băng Phong của Lãnh nhi đã có mười phần hỏa hầu rồi!

Một Chí tôn Thôi gia vẻ mặt đắc ý nói.

Lúc này, một tia màu tím kinh diễm, chợt bùng phát giữa bầu trời trắng toát! Vừa lúc cắt đứt lời Chí tôn Thôi gia này nói, mà đồng thời, ánh mắt mọi người giống như khôi phục lại bình thường.

Thứ kia, nhanh đến không thể tin được!

Chỉ thấy giữa những lưỡi dao sắc bén sắc bén đầy trời kia, ầm ầm bùng nổ một đoàn màu tím kinh diễm. Sau đó, là một đạo kiếm khí, xé tất cả những lưỡi dao sắc bén màu trắng, hung hăng bổ về phía Thôi Lãnh!

Một kiếm kinh thế này, ẩn chứa kiếm ý vô thượng, muốn tránh cũng không khỏi!

Tiểu Mùi

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

289. Chương 291: Kiếm Trảm Chí Tôn.

- Chí Tôn… tính là cái quái gì, giết ngươi một kiếm là đủ rồi!

Giọng nói lành lạnh của Tần Lập, giống một cái búa tạ hung hăng đánh vào lòng mỗi người, đánh nó tan vỡ!

Vẻ cười trên mặt Thôi Lãnh, nháy mắt đọng lại, cứ cứng ngắc trên mặt. Trong mắt hắn, hiện lên vẻ ngạc nhiên, kinh hãi cùng với… không thể tin nổi!

Vì sao, ở dưới loại áp chế tuyệt đối này, hắn vẫn còn có cơ hội đánh trả?

Vì sao?

Vì sao?

Tất cả người Thôi gia ở bên ngoài, toàn bộ đều sững sờ ở đó, trên mặt căng cứng nụ cười còn chưa kịp tắt, miệng há thật to.

Một tiếng ầm ầm vang lên!

Nhìn lại những lưỡi dao sắc bén màu trắng phủ khắp trời, theo một kiếm phản kích của Tần Lập liền hóa thành bột mịn đầy trời, bao phủ toàn sân luận võ trong một mảnh tuyết trắng, căn bản không nhìn ra được bất cứ thứ gì!

Chỉ có thể thấy một tia màu tím, giống như một lưỡi dao sắc bén xé rách không gian, ngay cả hình ảnh kết giới Hoàng Kim Cung chiếu xuống cũng phải rung động mạnh. Tâm thần mọi người cũng đều run lên!

Một tia màu tím kia, chợt lóe liền tắt, bột mịn trắng khắp trời, giống như hoa tuyết tung bay, phất phơ uyển chuyển, một hồi lâu mới hoàn toàn rơi xuống mặt đất. Những hạt tuyết trắng kia, phủ dày hơn nửa thước!

Nhìn lại hai người giữa sân luận võ, đứng cách nhau mười thước. Tần Lập cầm trong tay Ẩm Huyết Kiếm, mũi kiếm chỉ xuống đất, vẻ mặt bình tĩnh đứng đó, trên người không có một chút màu trắng.

Thôi Lãnh đối mặt với Tần Lập, cũng đứng ở nơi đó, khuôn mặt co quắp, tay cầm Lãnh Tuyết Kiếm đã khẽ run run. Nhất là ánh mắt của hắn, tràn ngập biểu tình không thể tin nổi, môi khẽ nhúc nhích.

Đột nhiên, bên ngoài đối diện với hướng Thôi Lãnh, có người hoảng sợ hô to:

- Hắn bị chém làm hai nửa rồi!

- Không có khả năng!

Một lão già cảnh giới Chí Tôn Thôi gia điên cuồng nổi điên hống to một tiếng. Cổ khí thế Chí Tôn kia lập tức bộc phát ra, khí tức cuồng loạn làm cho những người xung quanh hắn đều hô hấp khó khăn.

Nhưng lập tức Chí Tôn Thôi gia này nhớ tới võ giả Chí Tôn đồng tộc lúc trước bị một tia sáng từ Hoàng Kim Cung tiêu diệt, trong mắt xẹt qua một tia hoảng sợ, nhanh chóng thu liễm khí tức của mình, nhưng vẫn hét lớn:

- Tuyệt đối không thể nào!

- Các ngươi mau nhìn…

Một con cháu trẻ tuổi Thôi gia, vươn tay run run chỉ vào Thôi Lãnh trong sân luận võ. Mọi người lập tức nhìn thấy một cảnh tượng khiến cả đời cũng khó quên!

Lãnh Tuyết Kiếm trong tay Thôi Lãnh buông ra, trực tiếp rơi trên mặt đất đọng tuyết. Sau đó, hắn cố gắng muốn ngẩng đầu, nhưng cảm giác được mình không lấy ra được một chút sức nào.

Quay đầu lại muốn nhìn xem cuối cùng xảy ra chuyện gì, nhưng… một vạch máu từ giữa đầu Thôi Lãnh nhanh chóng kéo dài xuống dưới. Trong mắt Thôi Lãnh, rốt cuộc hoàn toàn tràn ngập sợ hãi.

Phốc!

Một dòng máu tươi, theo động tác nghiêng đầu của hắn, theo vết máu trên đầu đột nhiên bắn mạnh ra! Cả người hắn, cũng nháy mắt tách ra làm hai nửa! Một trái một phải, ngã trên mặt tuyết bên dưới!

Ụa!

Lập tức có nhiều người không chịu được tràng diện máu tanh kinh khủng này, ngồi xổm xuống đất nôn mửa. Dù ngay cả Thượng Quan Thi Vũ vẻ mặt vẫn luôn bình tĩnh đứng trong sân dự bị, nhìn một màn này cũng không nhịn được, con ngươi co rút, sắc mặt tái nhợt.

Nhìn lại những người Thôi gia, giống như đánh mất linh hồn, sắc mặt mọi người đều xám xịt, đứng ngây tại chỗ như tượng gỗ!

Vụt! Hai nửa thi thể Thôi Lãnh bị Hoàng Kim Cung truyền tống ra ngoài. Thân thể Tần Lập cũng theo đó được truyền tống đi khu nghỉ ngơi. Còn thanh Lãnh Tuyết Kiếm, vô thanh vô tức tiến vào trong nhẫn của Tần Lập.

Cả một sân luận võ, chỉ còn lại một mảnh tuyết đọng sâu nửa thước trắng xóa, trên mặt tuyết, còn có một bãi máu đỏ tươi!

Một lúc lâu sau, trong đám người mới phát ra một trận kinh hô không thể tưởng tượng, giống như mọi người đều mất đi năng lực tự hỏi, đều vì Tần Lập phát ra một kiếm kinh thế hãi tục mà trở nên hết sức trì độn. Phản ứng đâu chỉ chậm nửa nhịp?

Tiếp đó, một lần nữa Hoàng Kim Cung lại thể hiện ra một mặt thần kỳ của nó. Một đạo quang mang màu vàng đột nhiên bao phủ toàn sân luận võ, sau một lát quang mang kia thu lại, nhìn lại trong sân luận võ, băng tuyết tan biến, khôi phục lại như lúc ban đầu!

- Trời ạ! Đây, đây cuối cùng xảy ra chuyện gì?

Trong đám người bên ngoài, một lão già lớn tuổi ở trong trận doanh Thôi gia, lệ già chảy dài, môi run run, trên gương mặt già nua đầy nếp nhăn ngang dọc kịch liệt co quắp, trong giọng nói tràn ngập bi thương cùng nghi hoặc không giải thích được!

Thôi Lãnh, siêu cấp thiên tài Thôi gia có hy vọng trong vòng ba trăm năm đạt đến cảnh giới Phá Toái Hư Không, cứ vậy đã chết. Hơn nữa, là ở trong chiến đấu chính diện, xuất hết tuyệt chiêu, bị người ta một kiếm chém làm hai!

Lúc này tất cả những người Thôi gia đều đỏ hồng mắt, nếu không phải kiêng kỵ áp lực giống như thần tích từ Hoàng Kim Cung, chỉ sợ đã sớm nhào vào trận doanh Tần gia, tiêu diệt toàn bộ người Tần gia bên kia!

Chẳng qua trong lòng mọi người đều rõ ràng một điểm: Từ giờ trở đi, Thôi gia cùng Tần gia đã chân chính không chết không ngừng! Không còn bất cứ khả năng hòa giải nào nữa! Mà Tần gia, có thể chống đỡ được loại quái vật lớn như Thôi gia cắn xé hay sao?

Rất nhiều gia tộc cùng môn phái vốn giao hảo với Tần gia, lúc này đều bắt đầu do dự. Bọn họ đều đang lo lắng, vạn nhất Thiên Cơ Môn cùng Lâm gia lúc này bứt ra ngoài, như vậy những gia tộc cùng môn phái có quan hệ với Tần gia, sẽ có ai chống đỡ được Thôi gia điên cuồng trả thù! Phân rõ giới hạn? Nhìn đám người Thôi gia kia đi, đã nổi điên đến đỏ hồng mắt, chậm rồi!

Giải đấu Chí Tôn cũng không bởi vì những người này đang cân nhắc mà đình chỉ, sau khi sân luận võ khôi phục bình thường, các võ giả trẻ tuổi liền bắt đầu tiếp tục tỷ thí.

Trong đó cũng có những trận chiến rất đặc sắc, tỷ như con cháu dòng chính các gia tộc Hỏa Kiếm Vương gia, Nộ Kiếm Tiêu gia, còn có võ giả trẻ tuổi từ Băng Thiên Nhai thần bí, không ai không phải hạng người kinh tài tuyệt diễm. Thậm chí còn có một ít người, ở tuổi ba mươi đã đạt đến thực lực Dung Thiên cảnh!

Các trận chiến sau cũng tăng thêm vài lời bàn tán, nhưng trong lòng mọi người cũng không hoàn toàn đặt trên giải đấu Chí Tôn nữa. Một trận chiến giữa Tần Lập cùng Thôi Lãnh, thật sự ảnh hưởng quá lớn, quá kinh người! Tin rằng trong mấy trăm năm tới, đều sẽ còn vô số người ở các nơi không ngừng thảo luận về trận đấu này!

Thảo luận về một võ giả chỉ có thực lực Hợp Thiên cảnh, một kiếm chém đôi võ giả Nhân Tôn, dẫn phát một trận đại chiến kịch liệt!

Tần Lập được truyền vào khu nghỉ ngơi, tuy rằng biết bên trong kết giới hình chiếu Hoàng Kim Cung không thể phát sinh tư đấu, nhưng những con cháu trẻ tuổi Thôi gia vượt qua được vòng loại, đều không khỏi tự tránh né sang một bên. Tần Lập một kiếm đánh chết Thôi Lãnh, cũng hoàn toàn đánh tan lòng tự tin của những con cháu Thôi gia này!

Tần Lập hiện giờ, quả thật trở thành một bóng ma trong lòng những con cháu trẻ tuổi Thôi gia này, trở thành tâm ma lớn nhất trong cuộc đời tu luyện của bọn họ! Mà những người Tần gia ở đây, cùng đám người Lâm Hằng Trầm Nhạc, lại tươi cười rạng rỡ.

Trầm Nhạc cười ha hả, đi tới trước Tần Lập không chút để ý vỗ vỗ vai Tần Lập, sau đó thật lòng khâm phục nhếch ngón cái nói:

- Huynh đệ! Ngươi thật là, không ngờ tới đệ thật sự đạp bẹp tên khốn Thôi Lãnh kia. Ha ha ha, lão ca ta nhìn mà nhiệt huyết sôi trào, cảm xúc sôi sục mà! Thật hận người chém tên khốn kia không thể là ta! Trở về lão ca ta mời đệ uống Hầu Nhi Tửu năm trăm năm!

Tần Lập có chút kinh dị nhìn thoáng qua Trầm Nhạc, thầm nghĩ: dù là không muốn gặp phải Thôi Lãnh, cũng không cần phải mắng hắn như thế chứ, thoạt nhìn giữa Thiên Cơ Môn cùng Thôi gia có khả năng còn ân oán mình không biết! Cái này cũng bình thường, ân oán giữa hào môn gia tộc rất nhiều thứ đều ngầm bên dưới, người ngoài căn bản không thể hiểu biết chuyện bên trong của bọn họ.

Lâm Hằng cũng đi tới, mỹ nam tử rất phong độ này cũng nhếch ngón cái với Tần Lập:

- Huynh đệ! Thật là giỏi! Chiến kỹ của đệ thật sự là sắc bén! Không hổ gọi là Cửu Thiên Thập Địa Duy Ngã Độc Tôn!

Nói rồi quay sang Trầm Nhạc bĩu môi:

- Tiểu tử ngươi! Lần trước ta hỏi ngươi có Hầu Nhi Tửu năm trăm năm hay không, ngươi lại lắc đầu như trống bỏi vậy, hiện giờ lại lấy ra bỏ được vật quý? Hừ! Thật đúng là kết giao người phải xem thực lực mà!

Nói xong, lại chuyển sang Tần Lập:

- Huynh đệ! Đệ đừng để ý tới hắn, ta nói với đệ này, ta có một muội muội, diện mạo phải nói là quốc sắc thiên…

Lâm Hằng chưa nói xong, nhưng đã thấy Trầm Nhạc nhếch môi cười nhìn hắn, trên mặt những người khác cũng đều mang vẻ cổ quái, nhìn về phía sau lưng Lâm Hằng.

Lâm Hằng vừa quay đầu lại, nhìn thấy Thượng Quan Thi Vũ vừa đánh ngã đối thủ được truyền tống vào, vừa lúc hiện ra sau lưng hắn, đang tĩnh lặng nhìn Lâm Hằng.

Biểu tình Lâm Hằng nháy mắt trở nên vô cùng xấu hổ, giống như đứa nhỏ làm chuyện xấu vừa bị bắt quả tang, khụ khụ hai tiếng, sau đó đỏ mặt nói:

- Cái này, cái này… Hắc hắc, là nói bậy, hiểu lầm thôi!

- Ha ha ha!

Trong đám người ở khu nghỉ ngơi bộc phát ra một trận cười vang trời, dẫn tới không ít gia tộc môn phái bên ngoài bỏ quan sát sân luận võ, ghé mắt nhìn sang bên này.

Đôi mắt lành lạnh của Thượng Quan Thi Vũ nhìn vào mặt Lâm Hằng, nhàn nhạt nói:

- Ngày nào đó dẫn muội muội huynh tới xem thử.

- Ấy…

Lâm Hằng lần này hoàn toàn tắt tiếng, không nghĩ tới Thượng Quan Thi Vũ luôn luôn bình tĩnh lạnh lùng lại có thể nói đùa lạnh như vậy. Tần Lập nhún nhún vai, xóe tay biểu thị bản thân mình vô tội.

Giữa đoàn người lại phát ra một trận cười vang, dù ngay cả các đệ tử Băng Thiên Nhai biểu tình lạnh lùng cũng đều không nhịn được cười theo.

Trong khu nghỉ ngơi, ngoại trừ mấy người Thôi gia lẻ loi có chút không hợp đàn ra, những người khác đều cực kỳ hòa hợp, để cho giải đấu Chí tôn từ khi bắt đầu đã cực kỳ khẩn trương rốt cuộc trở nên thoải mái vài phần.

Chiến đấu kế tiếp, những thanh niên giống như bị Tần Lập kích thích, phát huy ra toàn bộ thực lực của mình, hết sức đặc sắc, làm mọi người không nhịn được trầm trồ khen ngợi.

Kỳ thật đại đa số người tham gia giải đấu Chí Tôn, cũng chính là vì có được một cơ hội rèn đục một lần. Tu luyện dù có tốt, không trải qua tôi luyện thật khó thành cao thủ. Chỉ có người trải qua chiến đấu chân chính tôi luyện, mới có thể không ngừng trưởng thành.

Con cháu người ta có thiên tài đi nữa, có xuất sắc hơn, vậy cũng là con cháu nhà người ta. Chỉ có con cháu nhà mình trưởng thành, mới là chuyện đa phần các thủ lĩnh môn phái cùng gia tộc chờ đợi nhất.

Tiểu Mùi

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

290. Chương 292: Giải Đấu Chí Tôn, Từ Đây Kết Thúc.

Trong thời gian ba ngày kế tiếp, trải qua từng vòng đấu loại, cuối cùng xuất hiện mười người có thể đi vào Hoàng Kim Cung!

Thượng Quan Thi Vũ, cuối cùng gặp một nữ đệ tử Băng Thiên Nhai Dung Thiên cảnh, hai người chiến đấu kịch liệt hơn ngàn hiệp, Thượng Quan Thi Vũ mới bại bởi một chiêu.

Tất cả đối thủ gặp phải Tần Lập sau này, ngoại trừ Thôi gia trực tiếp bị Tần Lập xóa sổ không chút do dự ra, những người khác Tần Lập đều nương tay. Cho nên ngoại trừ người Thôi gia càng thêm căm hận Tần Lập, những người khác bất luận là con cháu đệ tử thế lực siêu cấp, hay các môn phái nhỏ gia tộc nhỏ đều cực kỳ sùng bái với ngôi sao mới nổi Tần Lập này!

Tần Văn Hiên hết sức may mắn, một đường đi thẳng, làm cho Tần gia mừng rỡ không thôi. Không nghĩ tới ngoại trừ Tần Lập, lại có một người thứ hai kiên trì đến cuối cùng. Trên thực tế, chỉ có bản thân Tần Lập mới hiểu được đây là vì sao.

Đến cuối cùng, mười người chia làm: Tần gia có Tần Lập, Tần Văn Hiên; Băng Thiên Nhai là nữ đệ tử Dung Thiên cảnh Lãnh Phương Phỉ; Lâm gia là Lâm Hằng; Thiên Cơ là Môn Trầm Nhạc; Hỏa Kiếm Vương gia con cháu Dung Thiên cảnh đỉnh phong Vương Vạn Lý; Tiêu Trường Thiên con dòng chính của đương đại gia chủ Nộ Kiếm Tiêu gia, thực lực đã đạt đến Dung Thiên cảnh; Tạ Hiểu Phong đệ tử Đại trưởng lão Tàng Kiếm Sơn Trang, đồng thời cũng là Tam công tử chưởng môn Tàng Kiếm Sơn Trang, thực lực bản thân cũng đã đến Dung Thiên cảnh.

Hai người khác, một người là nữ đệ tử La Vân đến từ một môn phái nhỏ Hàn Thiền Cốc ít danh tiếng, thực lực bản thân là Hợp Thiên cảnh đỉnh phong, nhưng kinh nghiệm chiến đấu cực kỳ phong phú, một trận cuối cùng đánh bại đệ tử Dung Thiên cảnh sơ kỳ đến từ Tàng Kiếm Sơn Trang. Cho nên thành công của nàng cũng không phải may mắn!

Trên thực tế, tuy rằng giải đấu Chí tôn bình thường cũng xuất hiện người may mắn, nhưng cũng không phải quá bình thường. Dù sao có thể đánh đến cùng, muốn che giấu tài năng cũng không phải chuyện đơn giản. Giống như Lâm Hằng cùng Trầm Nhạc, tuy rằng không đến Dung Thiên cảnh, nhưng kinh nghiệm chiến đấu của hai người này phong phú đến giật mình. Dù ngay cả Tần Lập cũng không nhịn được âm thầm gật đầu, danh hào của hai người ở trên Huyền Đảo cũng không phải khi không mà ra.

Một người cuối cùng, đồng dạng cũng tới từ một gia tộc nhỏ không có danh tiếng lớn, là một đại hán tu luyện một ít chiến kỹ cương mãnh, cũng họ Tần, tên là Tần Đông. Thực lực bản thân vừa Dung Thiên cảnh sơ kỳ, hơn nữa tuổi thực cũng đã chín mươi bảy tuổi, nhưng đối với một gia tộc nhỏ tài lực không mạnh mà nói, đây đã là rất khó được.

Tin rằng sau giải đấu Chí tôn lần này, gia tộc của Tần Đông trong vòng trăm năm sẽ có thể leo cao mấy tầng.

Lần thi đấu này, bảy đại thế lực siêu cấp ngoại trừ Thôi gia toàn quân bị diệt ra, các gia tộc khác đều có thu hoạch. Đây cũng đủ thỏa mãn rồi.

Mà Thôi gia toàn quân bị diệt, cũng làm người ta lọt tròng. Bởi vì giữa con cháu Thôi gia tham gia giải đấu Chí tôn lần này, không chỉ có Hợp Thiên cảnh đỉnh phong, thậm chí võ giả Dung Thiên cảnh, nhưng mà ngay từ đầu bọn họ giống như bị vận xấu bao phủ, tất cả con cháu đều không ngoại lệ gặp phải đối thủ mạnh hơn mình một chút.

Điều này làm cho Tần Lập sau khi thu được danh hiệu đệ nhất thiên tài trẻ tuổi trên Huyền Đảo, lại tăng thêm một biệt hiệu mới: Khắc tinh Thôi gia!

Từ lúc chống lại Tần Lập, vận số Thôi gia giống như hoàn toàn mất đi, cho tới giờ chưa lúc nào vừa ý cả!

Mọi người Thôi gia trên Huyền Vũ Đài, sau khi danh sách mười võ giả tiến vào Hoàng Kim Cung đưa ra, trực tiếp thu dọn mọi thứ rời đi, căn bản không có một chút tâm tư tiếp tục theo dõi.

Lúc này đây, có thể nói Thôi gia tổn thất thảm trọng, đủ để thương cân động cốt. Ngoại trừ Thôi Lãnh có hy vọng nhất đột phá đến cảnh giới Phá Toái Hư Không bị giết ra, còn hao tổn một võ giả Chí tôn; con cháu Hợp Thiên cảnh đã chết hai người, trọng thương bảy mươi sáu, bị thương nhẹ một trăm hai mươi bảy người; con cháu Dung Thiên cảnh trọng thương ba mươi bảy, thương nhẹ hơn chín mươi… Con số này, ngoại trừ Thôi gia làm thế lực siêu cấp lịch sử thâm hậu ra, cũng chỉ có thể chứng minh bọn họ xui xẻo biết bao nhiêu.

Khiếp sợ uy lực Hoàng Kim Cung, Thôi gia cũng không dám làm khó dễ Tần gia ở nơi này, thậm chí ngay cả nói bóng gió cũng không bỏ lại câu nào, trực tiếp yên lặng rời đi. Chẳng qua ở thời khắc này, đã không còn ai quan tâm bọn họ nữa, mọi người chỉ quan tâm đến mười võ giả tiến vào Hoàng Kim Cung, có thể nhận được thứ gì ở bên trong?

Vốn là Tần Lập dự định khống chế tất cả bảo bối bên trong Hoàng Kim Cung, để cho người đi vào Hoàng Kim Cung phát hiện bên trong cái gì cũng không có.

Tuy nhiên Tần Lập nghĩ trước nghĩ sau, vẫn bỏ ý nghĩ này khỏi đầu, hắn không muốn làm bẩn danh tiếng vạn ngàn năm qua giống như thần trên Huyền Đảo của Hoàng Kim Cung. Tuy rằng làm như vậy không có gì đáng trách, nhưng đó cũng không phải bản ý của vị đại thần thái cổ Hô Diên Bác kia, nghĩ trước sau một hồi, dù sao người Thôi gia cũng bị Tần Lập an bài loại hết ở vòng ngoài rồi.

Còn nữa, tin tức Tần Lập là chủ nhân mới của Hoàng Kim Cung có thể gạt được một thời, nhưng chưa chắc có thể gạt được một đời. Sớm muộn gì có một ngày sẽ có người biết đến Hoàng Kim Cung đã thuộc về Tần Lập, đến lúc đó dù là người ta có ngốc thế nào đi nữa, chỉ sợ cũng sẽ nghĩ đến một lần giải đấu Chí tôn cuối cùng, là do Tần Lập động tay động chân.

Cũng không phải sợ ai, nhưng Tần Lập cũng quý trọng danh tiếng của mình, bởi vì một gia tộc dù có hùng mạnh đi nữa, có thế lực đi nữa, nhưng nếu bị chúng bạn xa lánh, tuyệt không có kết quả tốt!

Giống như Thôi gia hiện tại vậy!

Huống chi mười người hiện tại cũng đều thông qua cố gắng cùng thực lực của bản thân, từng bước đi đến cuối cùng, tuy rằng có thành phần vận số trong đó, nhưng vận số làm sao không phải một loại thể hiện của thực lực chứ?

Tần Lập không muốn Tần gia dẫm vào vết xe đổ của Thôi gia, cho nên cuối cùng đưa ra danh sách mười người, Tần Lập rốt cuộc quyết định hào phóng một lần. Dù sao toàn bộ Hoàng Kim Cung đều nắm giữ ở trong tay mình, hơn nữa các loại bảo bối tuyệt thế trong Hoàng Kim Cung nhiều không kể xiết, tất cả đều là của mình, cần gì phải làm kẻ ác, đắc tội tất cả gia tộc trên Huyền Đảo?

Từng đạo quang mang đưa những người này truyền tống vào trong Hoàng Kim Cung. Kết giới chiếu hình Hoàng Kim Cung trên Huyền Vũ Đài cũng theo đó biến mất.

Mọi người đều ngẩng đầu chờ đợi mười người may mắn này xuất hiện một lần nữa, xem bọn họ cuối cùng có thể thu được bảo bối gì!

Mỗi một lần giải đấu Chí tôn, hứng thú hăng say nhất không phải là quá trình chiến đấu đặc sắc, mà là mười người may mắn có thể nhận được bảo vật gì. Mặc dù rất nhiều người sẽ lựa chọn im lặng, nhưng những thế lực siêu cấp từ trước đến nay đều không ngại công khai bảo vật có được cho người khác, bởi vì việc này chẳng những có thể tăng cường danh tiếng cho gia tộc, còn có thể kinh sợ người khác!

Chỉ có những người may mắn ở các gia tộc môn phái nhỏ, hơn phân nửa sẽ che giấu bí mật này nuốt vào bụng, thậm chí rời khỏi Huyền Đảo xa chạy cao bay. Đại sát khí nằm trong tay các thế lực siêu cấp là đại sát khí, nắm giữ trong tay người thường, chỉ có thể đưa tới họa sát thân!

Tuy rằng không muốn làm ác nhân, nhưng Tần Lập vẫn cố sức khống chế một chút những bảo vật cho người ta thu lấy. Từ trong bảo khố khổng lồ của Hoàng Kim Cung, tuyển chọn một ít vũ khí, chiến kỹ bản thân chướng mắt, chia ra đặt ở trong phòng. Về phần đan dược… Xin lỗi, đan dược không tặng được!

Nhưng coi như là chiến kỹ cùng vũ khí Tần Lập chướng mắt, ở trong mắt võ giả Huyền Đảo cũng đã là bảo vật cực phẩm!

Tần Văn Hiên, nhận được thanh danh kiếm, một quyển chiến kỹ, một quyển tâm pháp nguyên lực. Trong đó chiến kỹ cùng tâm pháp nguyên lực đều là thứ Thần cấp, có thể nói thu hoạch phong phú!

Lãnh Phương Phỉ đệ tử Băng Thiên Nhai, nhận được một đôi đoản kiếm thuộc tính hàn băng, hai bản tâm pháp nguyên lực! Mà hai bản tâm pháp nguyên lực này, đều thích hợp cho đệ tử Băng Thiên Nhai tu luyện. Toàn bộ trận doanh Băng Thiên Nhai đều hoan hô không thôi, cảm giác thu hoạch quả thật làm cho người ta quá mừng rỡ!

Bởi vì cũng không phải mỗi một lần bọn họ đều sẽ có thu hoạch hoàn mỹ như vậy, hơn nữa giữa các thế lực siêu cấp cố kỵ đề phòng lẫn nhau, cũng sẽ không để bọn họ trao đổi các loại bảo vật cấp bậc này.

Lâm Hằng nhận được ba bản chiến kỹ, mỗi một bản đều vô cùng huyền ảo, không cần nhìn kỹ cũng biết đây là chí bảo, toàn bộ Lâm gia cũng vang lên một mảnh hoan hô.

Trầm Nhạc lại nhận được hai thanh danh kiếm, một quyển chiến kỹ. Một trong hai thanh kiếm kia, làm khóe miệng Trầm Nhạc không nhịn được co quắp kịch liệt, bởi vì nó chính là Lãnh Tuyết Kiếm, Chí tôn

Thôi gia Thôi Lãnh sử dụng!

Mà Lãnh Tuyết Kiếm này, cũng là Thôi gia lấy từ Hoàng Kim Cung rất nhiều năm trước! Chuyện này có không ít người biết đến, sau khi Thôi Lãnh tử chiến, trên sân luận võ lại rỗng tuếch, không thấy Lãnh Tuyết Kiếm nữa. Lúc đó không ít người còn tưởng rằng đã bị Tần Lập thu đi, không ngờ rằng lại bị Hoàng Kim Cung thu lại, hơn nữa lại vô cùng thần kỳ phân phối ra!

Đây đương nhiên là Tần Lập làm chuyện tốt, chưa nói tới báo đáp Trầm Nhạc, dù sao vốn Thiên Cơ Môn đã không vừa mắt Thôi gia, hơn nữa nhìn qua dường như bên trong còn có không ít chuyện riêng, đã như vậy cứ bỏ thêm chút lửa giữa quan hệ giữa hai bên là được.

Dù sao lúc Trầm Nhạc cầm Lãnh Tuyết Kiếm xuất hiện trong trận doanh Thiên Cơ Môn, rớt một bãi tròng mắt, sau đó rất nhiều lão gia cảnh giới Chí tôn Thiên Cơ Môn đều cười to, hô:

- Ý trời mà, ý trời mà!

Mấy người còn lại, tất cả đều nhận được vũ khí chiến kỹ cùng với tâm pháp nguyên lực bên trong Hoàng Kim Cung. Nhưng thần đan bọn họ hy vọng nhất lại không ai lấy được.

Nhưng mặc dù như vậy, những người này vẫn đều cảm thấy thoả mãn. Dù sao những chiến kỹ cùng tâm pháp này, cùng với tuyệt thế thần binh cũng đã là chí bảo khó cầu, làm người không thể tham lam quá mức, phải biết thỏa mãn.

Còn Tần Lập, lại chỉ tượng trưng lấy trong Hoàng Kim Cung ra hai bản chiến kỹ một bản tâm pháp nguyên lực. Tàng Thư Các Tần gia cần phải bổ sung, các con cháu nhỏ tuổi Tần gia cần bồi dưỡng, chiến kỹ nhiều thêm một quyển, lại thêm một sự lựa chọn.

Gia tộc cùng môn phái nhận được bảo vật, nhảy nhót hoan hô. Còn những người không được thu hoạch, tuy rằng trong lòng hâm mộ, nhưng lại không có thất vọng. Bởi vì mỗi cách bảy mươi năm đều sẽ có cơ hội có một lần, chỉ cần kiên trì, nói không chừng một lúc nào đó sẽ có cơ hội giống như La Vân và Tần Đông lúc này, không phải là loại người may mắn sao? Nhưng mà một màn kế tiếp, làm cho mọi người ngoại trừ Tần Lập, toàn bộ ngây ngốc sững ra đó.

Hoàng Kim Cung cao to nguy nga, khí thế hùng hồn giống như trước kia, nhẹ nhàng bốc lên bay về phía bầu trời. Nhưng hoàn toàn bất đồng với những lần trước, sau khi Hoàng Kim Cung biến mất, trên bầu trời liền xuất hiện tám chữ lớn ánh vàng rực rỡ, vô cùng to lớn!

Giải đấu Chí tôn, từ đây kết thúc!

291. Chương 293: Thôi Gia Điên Cuồng.

- Hả? Đây, đây … Đây đang xảy ra chuyện gì?

Một lão già có cảnh giới Chí Tôn của Thiên Cơ Môn, đôi mắt trợn trừng, bắn ra hào quang khó tin, nhìn tám chữ to giống như thần tích không biến mất trên bầu trời, hoàn toàn mất đi khiếp sợ thông thường, lắp bắp nói. Nhưng không ai dám cười chê lão, bởi vì trạng thái của những người khác cũng kém hơn lão già này bao nhiêu.

- Trời ơi! Lời này … Lời này có ý gì đây? Giải thi đấu Chí Tôn này là lần cuối cùng sao?

- Ngất, điều này chẳng phải nói, sau này ta không có cơ hội có được bảo vật bên trong Hoàng Kim Cung sao?

Ánh mắt Trầm Nhạc dại ra co giật kịch liệt mà nhìn trời cao trên đỉnh đầu.

Đôi mắt thanh lãnh Thượng Quan Thi Vũ nhìn tám chữ kia trên bầu trời, cau mày, chung quy cảm giác kiểu chữ này đường như rất quen thuộc, có lẽ đã gặp qua ở đâu rồi. Tiếp đến, trong đầu bỗng nhiên vang lên câu nói gần như vui đùa của Tần Lập: "Sau này, nàng chính là nữ chủ nhân của Hoàng Kim Cung này!"

Ngay lúc đó Thượng Quan Thi Vũ vẫn chưa nghĩ nhiều, hiện tại thấy tám chữ này, lại ngẫm một số biểu hiện dị thường gần đây của Tần Lập, những lời nói này cùng với chuyện không hay ho của Thôi gia! Trong đầu Thượng Quan Thi Vũ linh quang chợt lóe, đột nhiên nàng giống như hiểu rõ mọi chuyện, lập tức cười tươi như hoa!

Tần Lập nhìn thấy khuôn mặt của Thượng Quan Thi Vũ lộ ra vẻ tươi cười, trong lòng lập tức thoáng động, thầm nghĩ cô bé nhỏ này quả thật cũng quá thông minh, không ngờ trong khoảng thời gian ngắn, liền nghĩ thông suốt mấu chốt của chuyện này.

Lúc này, Thượng Quan Thi Vũ quay đầu, ánh mắt đụng với Tần Lập, hai người nhìn nhau cười, đều không nói lời nào.

- Vì sao sẽ như vậy, vì sao Hoàng Kim Cung phải lưu lại lời thoại như vậy? Chẳng lẽ nói, từ nay về sau, giải thi đấu Chí Tôn không còn nữa sao?

Một lão già của Tàng Kiếm Sơn Trang lớn tiếng hỏi với vẻ mặt khổ sở, nhưng mà lại không có người nào có thể cho lão một đáp án.

- Ta vẫn hoài nghi chỗ thần tích của Hoàng Kim Cung, chẳng lẽ nói, chúng ta mất đi sự chiếu cố của Thần?

Một cô gái Chí Tôn bên trận doanh của Băng Thiên Nhai, trên mặt che khăn, trong miệng thì thào tự nói:

- E rằng biến cố lớn hơn nữa sẽ đến!

Nói xong, quay đầu lại, hướng đến đám người Băng Thiên Nhai thản nhiên phấn phó:

- Lập tức lên đường về nhà!

Lúc này Lâm Hằng đi tới, hướn về phía Tần Lập chắp tay, nói với thần sắc nghiêm nghị:

- Tần huynh đệ! Thật có lỗi, vốn chắc hẳn chúc mừng thu hoạch Hoàng Kim Cung, tuy nhiên xuất hiện chuyện này, ta phải lập tức nhanh chóng chạy về gia tộc, báo cáo chuyện này cho gia tộc. Về phần nói bên phía Thôi gia, một khi bọn họ có chút động tác, Lâm gia … Quyết không làm ngơ!

Lúc này Trầm Nhạc cũng đi tới, tuy nhiên vẻ tươi cười trên mặt cũng không giảm đi, nhìn bóng dáng Lâm Hằng vội vàng rời đi, Trầm Nhạc nói với vẻ không đáng lo:

- Thật ra đây cũng rất tốt nha, không có không đi bái, cũng không phải tận thế, đều có một dạng biểu tình như vậy sao? Thật sự không có ý gì! Giống như chuyện này không liên hệ bao nhiêu đến hắn, không có cũng tốt lắm. Tên của ca ca ta mãi mãi khắc ghi vào trong sử sách Huyền Đảo, ha ha ha!

Tần Lập trầm ngâm nhìn Trầm Nhạc, thầm nghĩ: "Người này trời sinh sống rất vô tư, nhưng mà cũng khiến người ta vui".

- Trước đây Trầm huynh nói đại hôn là thật chứ?

Tần Lập cười hỏi.

- Hắc! Loại chuyện này ta có thể lừa ngươi sao? Ôi! Cô gái kia, huynh đệ ngươi kỳ thật cũng biết.

Trầm Nhạc nói xong, giống như kẻ trộm nhìn xung quanh một hồi, mới nhỏ giọng nói:

- Chính là Lãnh Phương Phỉ của Băng Thiên Nhai!

- Hả?

Tần Lập không kìm nổi ngẩn ra, tuy nhiên suy nghĩ lại, đám hỏi giữa những đại phái, cũng là bình thường. Lãnh Phương Phỉ kia có khuôn mặt vô cùng xinh đẹp, chỉ là làm cho người ta có cảm giác mười phần lạnh giá, đại khái là có liên quan đến công pháp tu luyện. Tuy nhiên có một người phụ nữ có thực lực mạnh mẽ như vậy, lại còn có tính tình đạm bạc làm vợ, phỏng chừng cũng đủ khiến Trầm Nhạc chấp nhận.

- Chúc mừng! Chúc mừng!

Tần Lập lập tức nhe răng cười nói, nhìn bộ dạng rất bỉ ổi.

- Chúc mừng cái rắm đấy!

Trầm Nhạc nói với vẻ mặt uể oải:

- Thực lực của cô gái kia đã đạt tới cảnh giới Dung Thiên, hơn nữa ánh mắt nhìn lão tử giống như nhìn đứa bé. Đây cũng là do lão gia tử nhà ta quyết định!

Trầm Nhạc nói xong, đột nhiên phát hiện Tần Lập nháy mắt với hắn, vì thế đĩnh đạt bĩu môi nói:

- Lão gia tử nhà ta nghe thấy ta còn không sợ, con cháu đại phái, thật sự là bi kịch, ngay cả hôn nhân cũng không quyết định.

Trầm Nhạc nói còn chưa xong, chợt nghe sau lưng truyền tới một âm thanh lạnh giá tràn đầy:

- Trầm Nhạc! Nếu huynh không thích, ta có thể nói với sư phụ, hủy hôn sự này, sẽ không chậm trễ tiền đồ của huynh!

Giọng nói này tuy rằng vô cùng lạnh lẽo, nhưng giọng điệu có thể nghe ra vài phần ủy khuất cùng tức giận.

Cả người Trầm Nhạc run run lên một cái, sau đó xoay người sang chỗ khác. Vẻ mặt kia cười nịnh nhìn Tần Lập xức động muốn một cước đá chết hắn.

- Phương Phỉ! Làm sao mà nàng đến đây vậy? Hắc hắc, vừa rồi ta nói đùa với Tần huynh đệ thôi!

Nói xong hắn quay đầu, nhìn Tần Lập với vẻ mặt u oán, hỏi:

- Có phải không!

Không đợi Tần Lập trả lời, Lãnh Phương Phỉ hừ lạnh một tiếng:

- Ai quản ngươi!

Nói xong, xoay người bước đi, Trầm Nhạc ngốc tại đó, không biết làm sao.

Tần Lập kiên nhẫn cười, nói:

- Cô nương người ta rõ ràng rất có tình ý với ngươi, đến đây nói lời từ biệt với ngươi, nhưng ngươi lại nói ra lời nói này, còn không mau đuổi theo?

Trầm Nhạc đau đầu, đột nhiên cảm giác Tần Lập nói có chút đạo lý, nhưng vẫn cảm giác dường như có chút không đúng. Nhưng lúc này, cũng chỉ có thể đuổi theo vị hôn thê của mình.

Chạy mấy bước, mới đột nhiên nghĩ đến chỗ không đúng, Tần Lập đối mặt với Lãnh Phương Phỉ, khẳng định sớm đã trông thấy nàng đến đây, cũng không nhắc nhở mình, Trầm Nhạc không khỏi cảm giác mình kết gia có chút vô ý, quay đầu lại rít gào:

- Lão tử cần có một trăm viên đan dược bồi thường tinh thần … À không, hai trăm viên!

Mắt thấy Lãnh Phương Phỉ lướt đi, Trầm Nhạc không thể không bỏ qua cơ hội xảo trá vơ vét tài sản của Tần Lập, thân hình chợt lóe, đuổi theo.

Lúc này, lại có không ít người đến đây nói lời từ biệt với Tần Lập, mặc kệ ý tưởng trong lòng như thế nào, nhưng sự quật khởi của Tần Lập, đã xem như không thể ngăn cản! Cho dù Thôi gia cũng vị tất thật sự có thể tiêu diệt Tần Lập. Một khi Tần Lập chân chính trưởng thành, như vậy trong tương lai ngàn năm, Huyền Đảo này đều khó thể tìm được người địch nổi hắn! Rốt cục, mọi người tan đi hết.

Một đám người Tần gia cũng bước trên con đường về nhà, Tần Lập và Thượng Quan Thi Vũ ngồi trong xe ngựa. Tần Lập lấy ra toàn bộ Càn Khôn Đan, Phiêu Linh Kiếm Quyết và Huyết Ngọc Kiếm giao vào trong tay Thượng Quan Thi Vũ.

Trông thấy con người trắng đen phân minh của Thượng Quan Thi Vũ, Tần Lập cười nói:

- Nhìn kỹ xem phu quân mang bảo bối gì cho nàng!

- Bảo bối lớn nhất của ta chính là chàng!

Con ngươi sáng ngời của Thượng Quan Thi Vũ nhìn Tần Lập, nhẹ giọng nói, sau đó tựa vào trong lòng Tần Lập.

Tần Lập mỉm cười, nhẹ giọng nói:

- Chờ lần này trở về, tham gia hôn lễ của tên Trầm Nhạc kia, chúng ta cũng thành thân thôi!

Thượng Quan Thi Vũ nhẹ nhàng ừ một tiếng trong lòng Tần Lập, sắc mặt ửng đỏ, xinh đẹp không thể tả. Tần gia thành Phong Sa lúc này đang chiến đấu đẫm máu hăng hái!

Bên giải thi đấu Chí Tôn đang tiến hành với khí thế hừng hực, bên này Tần gia lại đột nhiên lọt vào tập kích, Tần gia vốn có chút phòng bị, nhưng vẫn bị một chút thương vong do một kích thình lình xảy ra tạo thành.

Tiểu Hắc đã sắp đột phá chạy tới đúng lúc, tham gia chiến đấu, nhưng vẫn ngăn không được thế công của địch nhân, mắt thấy Tần gia tràn ngập nguy cơ, ba siêu cấp cường giả từ trên trời giáng xuống! Đích thật là từ trên trời giáng xuống, bởi vì tới đây đúng là Kim Điêu, Linh Ưng cùng với Mặc Ưng!

Có hai võ giả có cảnh giới Địa Tôn, một Thiên Tôn gia nhập, nháy mắt Tần gia từ hoàn cảnh xấu chuyển biến lại. Tuy rằng không rõ ràng lắm lai lịch của đại hán này và hai mỹ nữ kia, nhưng đám người Tần gia đều biết, gia tộc được bảo vệ!

Bởi vì mấy lão tổ bọn Tần Hải Dương, đều rời hết thành Phong Sa, bế quan đột phá. Hiện tại lực lượng của Tần gia vô cùng mỏng manh, mà ngay cả Lãnh Dao, với vẻ mặt lạnh như băng cũng chuẩn bị tham gia vào trong chiến đoàn thì lại bị một đám người phụ trách bảo hộ Tần gia khuyên nhủ nàng trở về

Tuy rằng luyện đan thuật của Lãnh Dao vẫn chưa có hiển lộ ra nhưng bằng vào quan hệ thân thiết giữa nàng và Tần Lập, liền không ai dám cho vị đại tiểu thư này bị chút tổn thương!

Mà trên thực tế, cùng thời điểm Tần gia bị tập kích, còn có rất nhiều gia tộc và môn phái bậc trung trên Huyền Đảo đồng thời bị công kích! Mà phía công kích tự nhiên chính là gia tộc và môn phái liên minh với Thôi gia!

Giống như điên lên rồi, ngoại trừ sáu thế lực lớn khác không có bị công kích, trong một đêm nay, gần như hầu hết những thế lực có quan hệ tốt với Tần gia, đều bị công kích hết!

Hơn nữa, võ giả mà đồng minh Thôi gia phái ra, thực lực đều rất mạnh mẽ, hiển lộ ra lực lượng kinh người, không chỉ như thế, đồng minh Thôi gia dường như trước chiến đấu còn tính ra thực lực đối phương, trình độ võ giả phái ra, đều đủ để tiêu diệt chủ lực tinh nhuệ của đối phương.

Cho nên nói, một đêm này, được xưng là một đêm đen tối nhất trên Huyền Đảo từ trước đến nay!

Bởi vì dựa theo lệ thường, cho dù có cừu oán, đó cũng là trả thù có lý trí. Giống Thôi gia như hiện tại, phái ra hơn mười cỗ lực lượng, đồng thời đi công kích hơn mười gia tộc, từ trước đến nay, vẫn chưa thấy qua.

Bởi vì cho dù thiên tài niên kỉ còn trẻ có hi vọng nhất của Thôi gia bị giết, đó cũng chỉ là chuyện của một mình Tần Lập, bọn họ làm sao dám sơ suất mạo phạm đến thiên hạ to lớn đồng thời công kích nhiều gia tộc môn phái chứ? Sáu thế lực lớn siêu cấp khác làm sao có thể ngồi yên không quan tâm tới chứ? Tùy ý Thôi gia điên cuồng như thế sao?

Mãi cho đến khi Thôi gia thật sự lộ ra tất cả răng nanh, mọi người mới hiểu được, vì sao Thôi gia lại điên cuồng như thế.

- Ba vị cao nhân, đám người Thôi gia đã chết sạch, các người có muốn tiến vào trong nghỉ ngơi hay ăn một chút gì hay không?

Một người quản sự ở Tần gia có chút sợ hãi nhìn Kim Điêu và Linh Ưng, Mặc Ưng hỏi.

Vào đêm ngày hôm qua, ba người này hiển lộ ra thực lực quá mức mạnh mẽ, quả thực khiến cho người ta cảm thấy run rẩy, những người tới từ Thôi gia, vốn ở trong mắt người Tần gia, quả thực rất cường đại đến

không thể ngăn cản, nếu không phải tiểu Hắc liều mạng chống cự, chỉ sợ sự thương vong của Tần gia còn lớn hơn nữa!

Mà sau khi ba người xuất hiện, đám người Thôi gia giống như rác rưởi, căn bản không có bất cứ người nào có bản lãnh địch lại ba người bọn họ!

Hơn nữa, khiến người Tần gia khó hiểu chính là, có cảm giác dường như tiểu Hắc sợ ba người này. Sau khi ba người bọn họ xuất hiện, tiểu Hắc liền tự động chạy về hậu viện của Tần gia, kéo tay Lãnh Dao đi, Kim Điêu hơi hơi lắc lắc đầu, nói:

- Các ngươi không cần quản chúng ta. Chúng ta ở nơi này thủ hộ!

Tiểu Mùi

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

292. Chương 294: Con Ngươi Màu Tím Xuất Hiện.

Một đám người Tần gia không rõ chân tướng cảm động đến không biết nói cái gì mới phải. Ba siêu cấp cường giả không biết đến, không ngờ có thể trượng nghĩ như thế, không sợ sự cường thế của Thôi gia, ở chỗ này trợ giúp Tần gia. Ân tình này quả thực cao hơn trời sâu hơn biển!

Đối mặt với sự kiên trì của ba người, quản sự lưu lại trong nhà Tần gia, cũng chỉ có thể cho người đưa rượu và thức ăn tốt nhất lên, mà Kim Điêu thánh nhân chưa bao giờ ăn mỹ thực của nhân loại, cũng không khách khí, ngay ở cánh cổng lớn của Tần gia mở miệng ăn vội.

Cùng lúc đó, trong phòng Lãnh Dao, Lãnh Dao đang tiến hành đối thoại với tiểu Hắc.

- Tiều Hắc! Ngươi xác định ba cường giả siêu cấp kia đều là linh thú hết sao?

Giọng nói Lãnh Dao trong trẻo nhưng lạnh lùng, trong đôi mắt mang theo mấy phần không thể tin.

- Đương nhiên có thể chắc chắn. Tuy rằng tất cả khí tức bọn họ đều che dấu vô cùng tốt nhưng trong linh thú, trời sinh có được một loại cảm ứng thần kỳ. Ba người bọn họ tuyệt đối đều là linh thú!

Tiểu Hắc quỳ rạp trên mặt đất, miệng liếm vết thương.

Lãnh Dao lấy ra đan dược, đổ lên vết thương của Tiểu Hắc, sau đó đôi mi thanh tú nhíu lại, nhẹ giọng nói:

- Dựa theo cách nói của ngươi, mấy cường giả linh thú này đều là cảnh giới Chí Tôn hết, bọn họ… Vì sao phải giúp đỡ chúng ta như thế chứ?

Tiểu Hắc chần chờ một chút rồi sau đó nói:

- Ta dường như ngửi được vị đạo của chủ nhân trên người bọn họ!

- Thật sao?

Ánh mắt Lãnh Dao chợt sáng lên, nhớ tới Tần Lập nói qua, cừu hận của nàng, sớm muộn gì cũng có lúc báo, hốc mắt không khỏi có chút đỏ lên, trong đôi mắt sáng ngời cũng tràn ngập một tầng hơi nước. Nhớ tới cha mẹ chết thảm những năm về trước, tâm Lãnh Dao cũng không thể nào bình tĩnh lại. Cha, mẹ, còn có tất cả tộc nhân, cừu hận của các người rốt cục cũng có hi vọng!

Thôi gia điên cuồng công kích, hoàn thành giống như tia chớp, giống như mặt hồ bình lặng, đột nhiên bị một tảng đá to lớn quăng vào, nổi lên gợn sóng, lại kinh động toàn bộ Huyền Đảo!

Rất nhiều người đều cảm giác không dám tin, trong một đêm, mấy mươi gia tộc và môn phái, không ngờ bị xóa khỏi Huyền Đảo!

Con cháu dòng chính, phàm là cư ngụ trong gia tộc, bất kể nam, nữ, già trẻ, một người cũng không được buông tha! Thủ đoạn tàn nhẫn, khiến người ta líu lưỡi!

Tuy rằng đại bộ phận tinh nhuệ của những gia tộc và môn phái này, đều đi tham gia giải thi đấu Chí Tôn nhưng sau khi bị Thôi gia tập kích, những gia tộc và môn phái này, từ nay về sau, cũng đều không thể gượng dậy nổi.

Không chỉ như thế, Thôi gia còn truyền ra lời nói, đây là kết cục là địch của Thôi gia! Ngay sau đó, Thôi gia lại truyền ra lời nói: "Tần Lập không chết, sự công kích của Thôi gia sẽ không đình chỉ, tất cả những gia tộc và môn phái có liên quan với Tần gia, đều phải chết! Bao gồm Lâm gia và Thiên Cơ Môn!"

Lời này vừa nói ra, toàn bộ Huyền Đảo tức thì bị chấn kinh rồi, bảy siêu cấp thế lực lớn, từng cái trong đó, nội tình đều rất thâm hậu giống như biển, làm sao có thể dễ dàng bị diệt? Đây quả thực là hay nói giỡn!

Lâm gia và Thiên Cơ Môn trước tiên liền phản ứng lại, căn bản không dùng ngôn ngữ gì, chỉ làm hai chuyện.

Chuyện thứ nhật, kêu gọi tất cả con cháu ra bên ngoài quay về gia tộc. Chuyện thứ hai, trực tiếp giết chết tất cả các thế lực chung quanh có liên quan đến Thôi gia! Dùng hành động cho thấy: Chiến thì chiến, ai sợ ai chứ?

Mà Thôi gia giống như đã tính trước kỹ càng, đối với chuyện này cũng không để ý, mà lại phái ra số lượng lớn cao thủ, công kích hiệu buôn của Thiên Cơ Môn và Lâm gia trong thành Huyền Vũ lớn nhất trên Huyền Đảo. Chẳng những giết chết toàn bộ người, mà lại còn cướp hết đồ vật! Lần này tất cả mọi người trên Huyền Đảo gần như điên lên rồi!

Phải biết rằng, đại thành Huyền Vũ có gần ngàn vạn dân cư, không chỉ là thành thị lớn nhất trên Huyền Đảo, mà cũng là nơi bảy thế lực lớn tồn tại!

Bảy thế lực lớn đều có được sinh ý tốt ở nơi đó. Đây không phải quan trọng nhất, chuyện làm cho người ta khó tin nhất là trong những võ giả của Thiên Cơ Môn và Lâm gia bị giết, tất cả đều là võ giả có cảnh giới Chí Tôn!

Bảy thế lực lớn ở thành Huyền Vũ, không sai biệt lắm mỗi nhà đều có hai võ giả cảnh giới Chí Tôn, hàng năm tọa trấn ở nơi này.

Hơn nữa, càng làm cho người ta trợn mắt há hốc mồm chính là, bốn gã võ giả có cảnh giới Chí Tôn, toàn bộ đều đang lúc ngủ mơ hay tu luyện, đột nhiên bị tập kích, vội vàng ứng chiến! Sau đó, trong chiến đấu, ngay cả cơ hội chạy trốn và tự bạo cũng không có, đều bị người giết chết! Thôi gia điên rồi, toàn bộ Huyền Đảo cũng đều điên lên!

Mà một tin tức trọng yếu lộ ra phương diện này, không ai có thể xem nhẹ, có thể dễ dàng giết chết bốn võ giả cảnh giới Chí Tôn, cũng khiến những người này ngay cả cơi hội chạy trốn và tự bạo cũng không có, đó là thực lực gì?

Trước cảnh giới Chí Tôn, mỗi một cấp bậc, chênh lệch đều vô cùng to lớn, tựa như một võ giả có cảnh giới Hợp Thiên, có thể thoải mái đối kháng với hai ba mươi cảnh giới Phá Thiên! Một võ giả có cảnh giới Dung Thiên lại có thể dễ dàng đối kháng hai ba mươi cảnh giới Hợp Thiên! Mà một võ giả cảnh giới Chí Tôn, ở trong bốn năm mươi võ giả cảnh giới Dung Thiên, có thể ung dung có thừa!

Đây cũng là nguyên nhân vì sao trong giải thi đấu Chí Tôn, Tần Lập chém chết Thôi Lãnh, khiến tất cả mọi người cảm thấy khó tin, khiêu chiến vượt cấp, quả thực rất khó khăn! Võ giả có thể đạt tới cảnh giới nhất định, người nào mà không có một thân thực lực mạnh mẽ?

Nhưng sau khi tới cảnh giới Chí Tôn, chênh lệch không rõ ràng như vậy. Tỷ như nói, một võ giả có cảnh giới Địa Tôn, chỉ có thể đồng thời ứng phó với năm sáu võ giả Nhân Tôn, nếu nhiều hơn nữa, cũng chỉ có thể chọn cách tránh đi nhanh chóng. Một võ giả có cảnh giới Thiên Tôn, đồng thời cũng chỉ có thể đối kháng bốn năm võ giả cảnh giới Địa Tôn, nếu nhiều hơn nữa, đồng dạng cũng không có cách nào! Mà cảnh giới Chí Tôn của Thiên Cơ Môn và Lâm gia ở thành Huyền Vũ, sau khi chuyện phát sinh, có người đồn, nói hai võ giả Chí Tôn của Lâm gia, một trong hai người có thực lực cảnh giới Địa Tôn đỉnh, còn người còn lại cũng có cảnh giới Nhân Tôn đỉnh, đều là rất nhiều năm trước, nhân vật có tên tuổi. Mà hai người Thiên Cơ Môn kia đều đạt được cảnh giới Địa Tôn đỉnh!

Hiện tại lại bị người ta vô thanh vô tức ở tại nơi, từ trên vết thương mà xem, còn không phải một người gây nên, có thể vô thanh vô tức giết chết một gã võ giả có cảnh giới Địa Tôn, ít nhất phải có thực lực cảnh giới

Thiên Tôn.

Nói cách khác, lần này Thôi gia xuất động ít nhất ba gã Thiên Tôn, một gã Địa Tôn! Thậm chí còn có thể là một tầng rất cao!

Bởi vì sau khi đạt tới cảnh giới Chí Tôn, thần thức cũng đã đột phá to lớn, cho dù cường đại hơn bọn họ, muốn vô thanh vô tức tiếp cận, gần như không có khả năng. Vả lại, phàm là võ giả đạt tới thực lực cảnh giới Chí Tôn, nơi bọn họ cư trú, đều cực kỳ bí ẩn, rất khó tìm được, muốn đánh lén, lại càng khó hơn nữa!

Như vậy, rất có thể, lần này Thôi gia phái ra, trong đó có tồn tại cường giả vượt qua cảnh giới Chí Tôn!

Chuyện này đoán rằng, làm cho một mảnh náo động! Đồng thời cũng tạo ra sự sợ hãi cho nhiều người!

Vượt qua cảnh giới Chí Tôn, đó chính là cường giả có cảnh giới Phá Toái Hư Không! Đó thật sự là cường giả chân chính nha! Có thể tung hoành đại lục, có thể đạp khoảng không phi hành với khoảng cách rất xa xôi!

Cường giả như vậy, cho tới nay, đều chỉ ở nơi trong truyền thuyết, tuy rằng rất nhiều người đều thề son sắt rằng không tồn tạo cường giả Phá Toái Hư Không, nhưng không ai có thể chứng thật! Mà hiện tại, Thôi gia không ngờ hư hư thực thực xuất hiện cường giả có cảnh giới Phá Toái Hư Không, sao lại có thể không khiến người ta cảm thấy sợ hãi?

Trên đường Tần Lập về, chứng kiến một tin tức tận tai nghe, sau đó trầm ngâm, nhìn Thượng Quan Thi Vũ nói:

- Chuyện có chút khó giải quyết, Thôi gia hiển nhiên chuẩn bị đầy đủ, mới có thể làm hành động điên cuồng như thế. Khôngchừng, trong hai ngày này, chúng ta còn có thể bị Thôi gia ngăn chặn.

Con ngươi sáng ngời của Thượng Quan Thi Vũ dừng trên người Tần Lập, thản nhiên nói:

- Chàng đừng nghĩ đuổi ta đi để một mình đối mặt với nguy hiểm, chàng ở nơi nào thì ta liền ở đó! Mặc kệ sống chết, ta đều muốn cùng chàng đối mặt!

Nói xong, thản nhiên cười:

- Chờ ta dùng xong Càn Khôn Đan, sau khi thực lực tăng lớn, ta sẽ bảo hộ chàng!

Tần Lập nhìn Thượng Quan Thi Vũ có chút, cười nói:

- Được! Ta đây sau này sẽ dựa vào nàng rồi!

Khi nói chuyện, Tần Lập nhướng mày, ánh mắt lộ ra hào quang nghiêm nghị, cười lạnh thốt ra:

- Nhắc Tào Tháo thì Tào Tháo tới!

Nói xong lắc mình đi ra ngoài, Thượng Quan Vũ Đồng ngồi ở chỗ đó, đôi mi thanh tú nhíu lại:

- Tào Tháo là ai?

Tiếp theo nàng đứng lên:

- Phu quân! Chờ ta một chút!

Nơi đây đã là con đường cuối cùng để trở về Tần gia thành Phong Sa, con đường phải qua!

Đoàn xe của Tần gia đã đậu ở chỗ này, mọi người đều ngưng thần cảnh giới nhìn phía đối diện, trên con đường bên kia đang đứng một người.

Người đó nhìn không ra tuổi tác, quần áo tả tơi, tóc dài, nhìn qua cực kỳ dơ bẩn, tóc buông xuống, lặng lẽ đứng trên đường.

Cho dù con cháu bình thường cũng cảm giác, dường như lão khất cái hòa hợp cùng một thể với con đường này, rõ ràng đứng ở nơi đó, lại làm cho người ta cảm thụ không được lão, tình huống vô cùng quỷ dị.

- Này! Lão nhân gia! Ngài làm sao đứng ở giữa đường chứ? Mau tránh ra, ngài đừng cản đường!

Một con cháu thanh niên Tần gia trên chiếc xe đầu tiên, hô về phía lão khất cái, tay cho vào trong lòng, rồi lấy ra một khối bạc vụn, lại đột nhiên thấy lão già kia ngẩng đầu lên, trên khuôn mặt già nua xấu xí của lão lộ ra một vẻ tươi cười dữ tợn.

Người thanh niên đệ tử Tần gia sửng sốt, vừa định nói chuyện, đã thấy lão già này nhe răng cười, trong giậy lát trên người bộc phát ra một luồng khí thế, khí thế này trong mắt cao nhân, chính là một luồng kiếm ý sắc bén!

Luồng kiếm ý sắc bén này, nháy mắt xuyên qua thân thể con cháu Tần gia, khối bạc vỡ nát, một tiếng xoạt, rơi xuống trên mặt đất, thân hình cũng theo đó nhẹ nhàng ngã xuống đất.

- Địch tập kích!

Mấy con cháu Tần gia khác lập tức lớn tiếng la lên.

Lão khất cái này cười ha ha, lại phát ra mất luồng kiếm khí, chém chết toàn bộ mấy gã con cháu Tần gia trên chiếc xe thứ nhất, sau đó phát ra một âm thanh khàn khàn giống như nhân loại:

- Kêu đi! Các ngươi đều phải chết!

Tất cả chuyện này phát sinh nhanh như tia chớp, chờ đến khi Tần Lập và Tần Lĩnh Sơn đuổi tới, mấy con cháu thanh niên Tần gia đã tắt thở, ánh mắt lại mở lớn, bọn họ chết cũng không đoán trước được, lập tức liền về đến nhà, lại không thể sống trở về.

Đôi mắt Tần Lập dần dần trở nên một mảnh lạnh như băng, hắn chỉ cảm thấy được một luồng khí tức cường đại, lại không nghĩ rằng, đối phương không ngờ ngay cả đứa nhỏ có thực lực rất yếu đều không buông tha.

Một gã con cháu thanh niên Tần gia nằm trên mặt đất, ngay trước một canh giờ, còn có vẻ mặt sùng bái đưa thức ăn tới. Mà hiện tại, lại ngã vào trong vũng máu, bên cạnh còn buông ra nhanh bạc vụn.

Tần Lập ngẩng đầu lên, trong con ngươi mất đi ánh sáng của lão già này, trông thấy một chút màu tím chợt lóe lên rồi biến mất!

293. Chương 295 : Sâu Không Lường Được!

Trong lòng Tần Lập lộ ra vẻ sợ hãi cả kinh!

Con ngươi màu tím!

Không ngờ ở đây có thể nhìn thấy con ngươi màu tím trong truyền thuyết!

Điều này… Làm sao có thể? Nếu không phải trước đây Tần Lập có được truyền thừa ký ức của vị thái cổ đại năng Hồ Diên Bác kia, trông thấy có người đồng tử hiện lện quang mang màu tím, nhiều nhất trong lòng kinh ngạc, mà không sinh ra liên tưởng gì. Nhưng hiện tại, Tần Lập thực sự khó thể duy trì vẻ thong dong và bình tĩnh.

Vốn hắn cảm thấy được, con ngươi màu tím cũng được, hậu duệ của thái cổ đại năng cũng được, đều cách cuộc sống hiện tại quá xa xôi. Dù sao đều không quan hệ với hắn, cũng chưa nói tới cừu thị ai.

Cho dù đối mặt với những người này, Tần Lập cũng chưa bao giờ nghĩ tới, là sớm như vậy, càng không nghĩ tới, với loại phương thức đối lập này, trực tiếp đối mặt.

Trong truyền thuyết, người có đồng tử màu tím là hậu duệ của vực ngoại Thiên Ma. Mà vực ngoại Thiên Ma đều có được đại năng nhục thân du hành vũ trụ. Là hậu nhân có được huyết mạch của bọn họ, lại có được loại thực lực và tinh thông như thế nào chứ?

Hơn nữa, Tần Lập còn biết, Kim trưởng lão và Thiết trưởng lão, còn có gã Bàng Văn kia của Thiên Sát Môn, đều rời khỏi giải thi đấu Chí Tôn trước tiên, biến mất không thấy, không chừng ở nơi nào đó chờ trả thù mình. Tuy nhiên Tần Lập còn thật sự không chú ý mấy người còn lại của Thiên Sát Môn. Mặc dù bọn họ có một thân thực lực, nhưng ngay cả dũng khí chính diện đối mặt chém giết với mình cũng không có, biểu hiện như chó nhà có tang. Người như vậy có gì đáng sợ chứ?

Trái lại, lão già trước mặt này, hiển nhiên không phải là hạng người dễ chơi, Tiên Thiên Tử Khí của Tần Lập chỉ có thể cảm giác được một thân thực lực của lão già này dồi dào, không phải dò xét không tiến tới, mà là tiến tới, lại cảm thụ không đến giới hạn!

Đây hiển nhiên không phải sự thật, thực lực một người cho dù cường đại đến đâu, cũng không thể có biểu hiện này. Mà khả năng duy nhất, rất đơn giản chính là cảnh giới của lão già này, vượt qua Tần Lập rất nhiều!

Đây giống như đứa bé và người trưởng thành, về góc độ sự vật và lý giải, đều hoàn toàn bất đồng.

Nếu như mình hiện tại có thể khống chế Hoàng Kim Cung, thật là tốt biết bao, có thể đè chết lão già kia, hoặc là cũng có thể trốn vào không được sao? Tâm tư Tần Lập nhanh chóng quay ngược trở lại, đối diện với lão khất cái.

-Tiểu tạp chủng! Ngươi chính là Tần Lập?

Lão khất cái nhe một đám răng vàng, trên mặt lộ ra ý cười dữ tợn, nhìn ánh mắt Tần Lập, giống như dã thú hung mãnh nhìn con mồi.

-Lão vương bát đản, lão là chó của Thôi gia sao?

Tần Lập híp mắt, nhìn lão khất cái này, đánh trả không chút lưu tình.

-Cạc cạc! Miệng của ngươi quả nhiên độc như bọn họ nói. Tuy nhiên, hôm nay là ngày chết của ngươi!

Lão khất cái cười đến dáng vẻ dương như rất vui vẻ. Tóc theo dáng cười của lão giống như đã dính cùng chỗ, vừa run vừa sáng, bất cứ lúc nào cũng rơi xuống.

-Muốn ta chết, chung quy cũng phải cho ta chết minh bạch chứ!

Tần Lập cũng có thái độ khác thường, tốn kém thời gian với lão già này, trong lòng lại suy nghĩ, con rắn kia đến tột cùng có thể theo tới đây hay không? Dựa theo hiểu biết của Tần Lập với nhân tính, con rắn kia tám chín phần sẽ đi theo sau lưng mình. Nhưng vấn đề là, con rắn kia không phải là người, nàng là động vật máu lạnh, đây chính là chuyện xấu.

-Tiểu tạp chủng! Tuy rằng mục đích của ngươi muốn kéo dài thời gian, tuy nhiên không quan hệ, lão nhân gia ta cũng có hơn ngàn năm không nói chuyện nhiều với người ta, đều nhanh quên làm sao giao lưu với người ta. Cạc cạc! Ngươi không phải muốn biết, ta đến tột cùng là ai chăng?

Lão khất cái nói xong, không ngờ khoanh chân vô cùng tùy ý ngồi xuống đất, sau đó luồn tay vào trong quần áo của mình, chờ nửa ngày!

Tần Lập trờ mình xem thường, cường giả ghê tởm như thế vẫn là lần đầu tiên trông thấy, đừng nói không hề co phong độ cường giả. Dù sao bản thân Tần Lập hắn cũng không có phong độ gì, đối với cường giả chân chính mà nói , phong độ đều là chó má, thực lực mới là đệ nhất. Nhưng lão vương bát đản này cũng quá đáng khinh một chút?

-Vậy lão vương bát đản lão có phải chui ra từ Thôi gia hay không?

-Tiểu tạp chủng! Ngươi không cần phải dò hỏi ta, dù sao một người các ngươi, một người cũng không được sống, ta không ngại tâm sự với ngươi. Đúng rồi, ba vật nhỏ bên trong bụi cỏ bên kia mai phục thật lâu, đều cút ra đi. Tiểu tạp chủng Tần Lập này, không tới phiên các ngươi giết, thức thời liền nhanh chóng cút đi, đừng đợt lát nữa tâm tình lão tử không tốt, đều làm thịt đám người các ngươi!

Lão khất cái hướng về phía bên cạnh núi thản nhiên nói một tiếng, rất xa bay ra ba bóng người, hướng về phía ngược lại đi như tia chớp.

Tần Lập vừa nhìn một cái, ba người kia chính là Kim trưởng lão, Thiết trưởng lão và Bàng Văn của Thiên Sát Môn, trong lòng hơi hơi động, không kìm nổi đối với thực lực lão già này, lại xem trọng mấy phần.

Ba người kia cách nơi này cũng có ba đến năm dặm, đều ở trong phạm vi thần thức của Tần Lập, nhưng vừa rồi Tần Lập cũng không tuôn ra thần thức xa như vậy, dù sao cần tiêu hao một lượng lớn tinh thần lực như vậy. Nhưng lão già này không ngờ qua loa phát hiện ba người kia, thần thức của hắn khẳng định cực kỳ cường đại!

-Ồ! Mấy tên hỗn tạp kia bị dọa chạy. Hiện tại chúng ta có thể tâm sự được rồi!

Khuôn mặt lão khất cái kia thật sự khó coi, hết lần này tới lần khác, lão vẫn còn dáng cười rất vui. Trên thực tế, khi lão không cười, còn có chút tốt hơn khi cười.

-Thôi gia muốn giết ta, dường như cũng không cần phải đưa ra lão vương bát đản như lão từ trong ổ ra chứ? Phái lão vương bát đản như lão tới giết ta, thật đúng là rất để mắt đến ta nha!

Miệng Tần Lập không lưu tình chút nào, cũng không sợ lão khất cái này tức giận, ngươi cũng bẩn thỉu như thế này, còn để ý chuyện người khác chửi ngươi gì sao? Quả nhiên, lão khất cái chẳng những không thèm quan tâm, ngược lại trên mặt còn có mấy phần hưởng thụ, khiến trong lòng Tần lập thầm mắng : Lão đê tiện!

-Ngươi giết tên tiểu tử thiên tài thiên phú nhất Thôi gia, đương nhiên Thôi gia sẽ không chịu buông tha cho ngươi rồi! Về phần ta là ai? Hừ! nói ra đủ để hù chết tiểu tạp chủng ngươi! Tuy nhiên, nói ra ngươi cũng chưa từng nghe qua, cho dù là tổ tông Tần gia ngươi, tổ tông thượng cổ thời đại…… Cũng chưa từng nghe qua uy danh của lão tử!

Lão khất cái nói với vẻ mặt ngạo nghễ!

Tần Lập không kìm nổi cười thành tiếng, nhìn lão khất cái đang giận mình, sau đó cười ha ha nói :

-Lão vương bát đản, ta thật sự không nhìn ra, lão không chỉ là lão đê tiện vô cùng dơ bẩn, còn là một đại vương da trâu! Người thời kì thượng cổ, đương nhiên ta sẽ chưa nghe qua đại danh của lão, bởi vì thời điểm đó, tổ tông này của lão đều còn ở trong bụng người khác, ha ha ha!

Lão khất cái giận tím mặt, lão vốn định khoe khoang, là thân phận của lão, nhưng hết lần này tới lần khác cũng không thể nói ra miệng. Cho dù những người này một lát nữa sẽ đều phải trở thành người chết. Bí mật về chủng tộc của bọn họ cũng không có khả năng nói ra ngoài!

Lại không nghĩ rằng, bị tiểu tử này có cơ hội bắt trúng, hung hăng cười nhạo một trận, lão khất cai nghĩ, thân hình đứng dậy, đôi mắt nhìn Tần Lập với vẻ lạnh lùng :

-Tiểu tạp chủng! Ngươi biết được nhiều lắm! Hiện tại ta đã không còn kiên nhẫn nói chuyện phiếm với ngươi. Ta muốn giết ngươi!

Lời của lão khất cái vừa ra, Tần Lãnh Sơn trước tiên che trước người Tần Lập, thấp giọng nói :

-Tần Lập! Tương lai Tần gia sẽ dựa vào con, con đi mau! Ta sẽ chặn hắn!

Bao gồm hơn một trăm con cháu Tần gia che Tần Lập lại, tất cả đều đứng ra với vẻ kiên quyết, chuẩn bị hộ Tần Lập ở phía sau. Tuy rằng ai cũng không nói gì nhưng hành động đã biểu đạt quyết tâm của bọn họ.

Tần Lập cảm động trong lòng, lắc đầu nói :

-Không nên vậy, các người đừng làm chuyện vô dụng. Chúng ta cũng không phải đối thủ của lão vương bát đản này. Ta vừa rồi đang chờ, nhìn xem có sự giúp đỡ nào hay không? Tuy nhiên hiện tại xem ra, người ta sẽ không đến đây, các người đều lui ra, ta muốn chiến với lão vương bát đản này! Lão tử từ nhỏ đã từng chịu khổ đánh đập nhiều rồi, đầu rơi chẳng qua là vết thương thôi, đau còn không sao, trời không sợ đất không sợ, lại càng không sợ lão vương bát đản!

-Ha ha ha! Tiểu tạp chủng như ngươi lão tử thích! Nếu không phải lý do phải giết ngươi, lão tử đều muốn thu ngươi làm đồ đệ. Đệ nhất thiên tài trẻ tuổi trên Huyền Đảo chết trên tay ngươi, cũng không tính thiệt thời ngươi! Tiểu tạp chủng, đến đây nhận lấy cái chết!

Lão khất cái này nói xong, cả người đột nhiện bộc phát ra một luồng khí thế khổng lồ, mấy chiếc xe ngựa phía trước ngay cả ngựa và xe cũng giống như bị gió thổi ngược, nháy mắt bị xé toạt đến bay tán loạn! Cát bay đá động ở đỉnh đầu trên bầu trời, cây cối chung quanh bị nhổ tận gốc rễ, thảm cỏ cùng với mặt đất bị kéo lên cuồn cuộn. Một trận năng lượng gió lốc, lấy lão già làm trung tâm, nháy mắt hình thành!

Những người Tần gia này lại không chịu nổi, bị khí thể xoắn tại chỗ mười mấy người, còn lại những người có thực lực mạnh hơn một chút, đều không chế không được thân thể của mình, chịu không được phải thối lui về phía sau. Ở tại đây còn có một người con gái, cắn răng cũng muốn đến gần bên cạnh Tần Lập, Thượng Quan Thi Vũ!

Kỳ thật từ lúc Tần Lập và lão khất cái nói nhảm, nàng chỉ biết, chuyện hôm nay không được tốt! Là người hiểu biết Tần Lập nhất, so với ai khác nàng đều hiểu rõ giờ phút này trong lòng Tần Lập là sự băn khoăn bất lực và không cam lòng!

Đối mặt với lão khất cái có thực lực sâu không lường được, căn bản Tần Lập không có chút nắm chắc, nhưng còn đang khổ công tìm kiếm một đường sinh cơ. Nàng biết, Tần lập không sợ chết, nhưng hy vọng nàng có thể sống sót.

Hiện tại nàng muốn dùng hành động để nói cho Tần lập, nói cho người đàn ông mà cả đời mình yêu nhất : "Chàng còn không sợ, ta sợ cái gì? Không thể sinh cùng năm cùng tháng, vậy nguyện chết cùng năm cùng tháng là được rồi!"

Tần Lập chống lại năng lượng gió lốc vọng lại từ trên người lão già, trên khuôn mặt anh tuấn trẻ tuổi, không hề sợ hãi, trên người đột nhiên tràn ra một đoàn tử khí tràn ngập mị hoặc!

Đây cũng chính là lần đầu tiên Tần Lập đi vào Thiên Nguyên Đại Lục bộc phát ra Tiên Thiên Tử Khí ra ngoài thân thể hoàn toàn, dùng để chống lại áp lực bên ngoài!

Mà lão khất cái kia lập tức sửng sốt, trong đôi mắt nhìn như đục ngầu, lại hiện lên một luồng quang mang màu tím, gắt gao nhìn chằm chằm đôi mắt Tần Lập, ý đồ từ trong mắt Tần Lập, tìm được hứng cớ khiến lão nghi hoặc! Tần Lập chờ, chính là thời khắc này! Trong tay bỗng nhiên xuất hiện Ẩm Huyết thần kiếm, một luồng kiếm khí màu tím, với thế không thể đỡ bổ về phía lão khất cái.

Cửu Thiên Thập Đại Duy Ngã Độc Tôn, chính là ở bất cứ thời điểm nào, đối mặt với bất cứ địch nhân nào, đều có được loại khí phách bề nghễ thiên hạ, đều có được lá gan xuất thủ!

-Lão vương bát đản, đi chết đi!

Tần Lập nổi giận gầm lên một tiếng, trong luồng kiếm khí này không ngờ ẩn chứa một chút kiếm ý sắc bén!

Dưới loại áp bách kinh thiên này, Cửu Thiên Thập Địa Duy Ngã Độc Tôn chiến đấu của Tần Lập, mơ hồ không ngờ có dấu hiệu đột phá! Tầng thứ tư của Duy Ngã Độc Tôn, nhân kiếm hợp nhất! Đây cũng chính là cảnh giới Tần Lập vẫn luôn theo đuổi!

Lão khất cái đối điện đôi mắt đục ngầu trong giây lát tuôn ra hai luồng tinh quang, trên khuôn mặt xấu xí cực kỳ kia, lần đầu tiên trở nên nghiêm túc hơn.

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

294. Chương 296: Kiếm Ý !

Thực lực của lão khất cái sâu không lường được, tự nhiên có thể nhìn rõ ràng biến hóa của Tần Lập.

- Thằng con hoang kia, không ngờ ngươi lại có thiên phú như vậy, có thể đột phá ngay dưới áp lực của ta. Nếu hiện tại không giết ngươi, về sau sẽ thành một mối họa lớn cho chúng ta!

Lão khất cái nói xong, khí thế toàn thân đột nhiên biến đổi. Cơn lốc năng lượng vốn tràn ra bốn phương tám hướng bỗng tụ lại, bị lão nắm lấy, sau đó vung tay lên, hung hăng nện chỗ năng lượng đó xuống đầu Tần Lập! Lần này quả là kinh thiên động địa! Nếu Tần Lập lùi lại, một đám con cháu Tần gia phía sau sẽ không thể tránh được! Hai mắt Tần Lập bắn ra hai đạo hào quang, rống lên một tiếng kinh thiên, một kiếm cực nhanh xuất ra!

Kiếm và người hòa làm một thể! Ẩm Huyết kiếm, đây là thanh thần binh do Ô Quận Vương tự tay đúc, dường như cũng cảm nhận được chiến ý bất khuất của chủ nhân, phát ra một tiếng rồng ngâm réo rắt.

Ầm Ầm!

Lấy thực lực cảnh giới Dung Thiên, cứng rắn đỡ một đòn của võ giả ít nhất cũng cảnh giới Chí Tôn, việc này… sẽ có hậu quả thế nào? Không ít con cháu trẻ tuổi Tần gia không nhịn được, chảy ra nước mắt.

Ngay cả Thượng Quan Thi Vũ vẫn tin tưởng Tần Lập hơn người khác gấp trăm lần, sắc mặt cũng trắng bệch, thành Huyết Ngọc Kiếm trong tay xuất ra một đạo kiếm khí trong trẻo nhưng lạnh lùng, cả người như một chiếc lá trong gió, bằng một quỹ tích mà mắt thường không thể thấy, lao tới chỗ lão khất cái. Dù chết… cũng phải chết chung một chỗ!

Tần Lĩnh Sơn gào lên điên cuồng. Lão tổ tông Tần gia giờ khắc này đã hoàn toàn điên cuồng. Hậu quả? Chỉ là chết mà thôi!

Một kiếm của Tần Lập, kiếm ý bức thẳng đến lão khất cái, trong đôi mắt đục ngầu của lão khất cái bùng lên ánh sáng tím, lộ ra vẻ kinh hãi! Bàn tay lão nắm cơn lốc năng lượng không kìm được buông lỏng ra, thân mình vội vàng lui về sau!

Mà Tần Lập va chạm với cơn lốc cũng không thể dừng lại, bị văng mạnh về phía sau, phun ra một ngụm máu trên không, đã bị thương nặng. Tần Lĩnh Sơn điên cuồng xông lên bị lão khất cái một chiêu đánh bay!

Mà Thượng Quan Thi Vũ sử dụng Phiêu Linh Kiếm Quyết không thuần thục, nhờ vào bộ chiến kỹ quỷ dị này mà tránh được một kích hùng hồn nguyên lực của lão khất cái.

Mà lão khất cái căn bản không thèm để ý Tần Lĩnh Sơn và Thượng Quan Thi Vũ, thân mình như một tia chớp vọt tới chỗ Tần Lập.

Bất kể thế nào, lão cũng muốn Tần Lập chết ở chỗ này, một thanh niên chưa tới Chí Tôn không ngờ lại khiến lão cảm nhận được hàn ý lạnh xương sống! Người như thế, nhất định phải chết!

Trên bầu trời đột nhiên xuất hiện một bóng đen không biết từ đâu phóng tới, khoát tay một cái, tiếp chiêu của lão khất cái, phát ra một tiếng nổ ầm ầm! Thân mình Tần Lập bị bắn ra xa hơn hai trăm thước, mặt vàng như giấy, nhưng ánh mắt lại sáng ngời, chớp động chiến ý điên cuồng!

Sau khi dừng lại, không chút do dự nào lại một lần nữa tiến vào trạng thái nhân kiếm hợp nhất, cầm Ẩm Huyết kiếm hóa thành một đạo cầu vồng màu tím, phóng về phía lão khất cái.

- Ngươi là ai?

Thân hình lão khất cái vội lùi về sau mười bước, hai mắt bắn ra tử quang, kinh nghi bất định nhìn nữ tử áo đen đang lăng không mà đứng.

Nữ tử áo đen vừa rồi không biết từ nơi nào tới, một kích hung hăng vừa rồi thiếu chút nữa đánh nát hộ thân cương khí của lão, hơn nữa một bên cố ý một bên vô tình, một bước không lui, đánh lui lão hơn mười bước.

Việc này chứng tỏ, thực lực nữ tử áo đen, không dưới lão!

Lão khất cái sớm đã biết rằng Tần Lập đang kéo dài thời gian, lão cũng đang có ý mèo vờn chuột, vẫn chưa xuống tay với thiếu niên. Lúc này mà muốn giết, thì đối phương vẫn chỉ là một đứa trẻ, thực lực xa xa không theo kịp lão. Từ đáy lòng, lão khất cái cảm thấy chuyện này dù gì cũng có chút mất mặt. Bởi vậy, lão mới để cho Tần Lập kéo dài thời gian. Đối với lão khất cái, nhìn sự giãy dụa của một người, điên cuồng cho đến khi chết, cũng là một chuyện thú vị.

Lão lại không nghĩ rằng, sau lưng Tần Lập này lại có một cường giả thực lực sâu không lường được! Tuy nói sau khi vượt qua cảnh giới Chí Tôn, từ tướng mạo đã không thể nhìn ra tuổi thực được nữa, nhưng gương mặt nữ tử áo đen trước mắt lại vô cùng mịn màng, đôi mắt lúng liếng quyến rũ động lòng người, hai hàng mày ngài nheo lại, rõ ràng là một xử nữ chưa trải sự đời. Huyền Đảo này từ bao giờ lại có loại võ giả cảnh giới này?

Càng khiến lão khất cái không đoán được, đó là Tần Lập bị lão một đòn đánh bay sau khi thấy có cường lực giúp đỡ, chẳng những không có dừng lại nghỉ ngơi, ngược lại còn ngày càng táo tợn, lại là nhân kiếm hợp nhất xông tới.

- Không biết sống chết!

Lão khất cải chửi ầm lên:

- Thằng con hoang, hôm nay ta nhất định phải giết ngươi.

- Ngươi nằm mơ!

Tiếng nói của nữ tử áo đen lạnh như hàn băng vạn năm, lạnh lẽo, phối hợp với Tần Lập, giống như một con xà linh, bắn về phía lão khất cái!

Lão khất cái phẫn nộ, trong lòng như sóng cuộn biển gầm, không thể tưởng được mình nhất thời sơ ý, mà ngay cả một thằng nhóc con chưa đến Chí Tôn cũng không bắt nổi. Lần này mà tay không trở về thì đám vương bát đản kia không chừng thế nào cũng cười nhạo lão. Lập tức, gương mặt xấu xí vô cùng của lão trở nên dữ tợn, cắn răng một cái, không ngờ bất chấp bất cứ giá nào, dù phải lấy thân chịu một kích của nữ tử áo đen, cũng phải giết chết Tần Lập!

Trong lúc cường giả so chiêu thì nhanh như tia chớp. Lão khất cái đã suy nghĩ kỹ, cho dù phải chịu một kích của võ giả cùng giai thì chẳng qua là trọng thương, nhưng thằng con hoang Tần Lập này tuyệt đối không sống nổi!

Lão lại không nghĩ rằng, thanh kiếm trong tay Tần Lập đột nhiên bạo phát ra một đạo kiếm khí màu tím, kiếm ý ẩn chứa không ngờ còn mạnh hơn vừa rồi vài phần!

Mà kiếm ý này ban đầu còn nhỏ yếu, chưa cảm thấy được gì, nhưng giờ phút này lại khiến lão khất cái cả kinh, một thân mồ hôi lạnh. Kiếm ý này, không ngờ khiến lão có cảm giác như nhìn thấy mặt trời mọc từ hướng đông!

Giống như ánh mặt trời xé rách màn đêm tối tăm và yên lặng của trời đất, thế không gì cản được bay lên trời. Sau đó… Hào quang vạn trượng! Cửu Thiên Thập Địa, Duy Ngã Độc Tôn! Kiếm ý, chính là một loại ý cảnh, nhưng, áp bách của nó đối với tinh thần của con người, là thật!

Lão khất cái lập tức hú lên quái dị, thân hình né sang bên, vừa vặn tránh được một kiếm kinh thiên của Tần Lập chỉ trong gang tấc. Sau đó, chợt nghe " Ầm" một tiếng, đòn đánh của nữ tử áo đen hung hăng đánh lên vai lão khất cái.

Lão khất cái rú lên một tiếng:

- Thằng con hoang, nữ nhân chết tiệt, lão tử tuyệt đối không tha cho hai người các ngươi đâu!

Nói xong, thân mình hóa thành một làn khói nhẹ, chớp mắt đã biến mất khỏi bầu trời. Vẻ mặt nữ tử áo đen quan tâm nhìn Tần Lập:

- Ngươi không sao chứ?

Tần Lập nhe răng cười, khẽ lắc đầu, nói:

- Cuối cùng thì cô cũng tới.

Nói xong, thương thế hắn mạnh mẽ áp chế lập tức bộc phát, một búng máu bị phun ra, sau đó hắn lập tức hôn mê, thân hình rơi từ trên không xuống.

Nữ tử áo đen vừa định đuổi theo, một bóng dáng đã bay tới, tiếp được Tần Lập. Nước mắt Thượng Quan Thi Vũ rơi như mưa:

- Phu quân, chàng làm sao vậy, đừng làm muội sợ!

Đám người Tần gia vừa mới tìm được đường sống trong chỗ chết lúc này cũng thân thiết nhìn Tần Lập đã bị hôn mê. Đối với bọn họ, Tần Lập chính là trụ cột tinh thần của cả Tần gia. Nếu Tần Lập suy sụp, thì cả Tần gia sẽ suy sụp.

Khóe miệng Tần Lĩnh Sơn trào ra máu tươi, thụ thương không nhẹ, nhưng giờ phút này lại bất chấp tất cả thương thế, rống lớn:

- Mau lấy đan dược ra!

- Đừng động hắn, hắn không có việc gì cả. Ăn đan dược bậy bạ, sẽ chết đó.

Nữ tử áo đen mặt đẹp lạnh lùng, thản nhiên nói.

- Xin hỏi, tiền bối là…?

Tần Lĩnh Sơn chung quy cũng không mất đi bình tĩnh, sau khi nhất thời bối rối lập tức liền nhớ tới, nếu như không có nữ tử áo đen này, Tần gia lần này sợ rằng thật sự gặp khó khăn. Lão khất cái chẳng biết từ đâu đến này thực lực mênh mông như biển, đừng nói những người họ, cho dù ba vị tổ tông Tần Hải Dương có bối phận cao nhất Tần gia có đột phá đến cảnh giới Chí Tôn cũng không đánh nổi lão khất cái này !

Cho nên, nữ tử áo đen không những là ân nhân của Tần Lập, mà còn là ân nhân của cả Tần gia !

Nữ tử áo đen thản nhiên liếc Tần Lĩnh Sơn một cái, nói:

- Ta là… bằng hữu của Tần Lập.

Do dự một chút, nàng vẫn chưa nói ra Tần Lập là chủ nhân của nàng, bởi vì cách nói này thật sự là quá mức kinh thế hãi tục. Cho dù xà nữ không rành thế sự, không thông đạo lý đối nhân xử thế, nhưng cũng đã sống nhiều năm như vậy rồi, một ít chuyện cơ bản vẫn có thể hiểu được.

Khóe miệng Tần Lĩnh Sơn không nhịn được hơi co giật, bằng hữu của huyền tôn nhà mình… ách, thật đúng là mạnh mẽ, hơn nữa, rất thần bí. Tuy nhiên, chuyện này tóm lại cũng không phải chuyện xấu, là chuyện tốt! Là chuyện cực kỳ tốt !

Sắc mặt Tần Lĩnh Sơn vì kích động mà hơi ửng hồng, hỏi:

- Tiền bối, kế tiếp nên làm cái gì bây giờ?

Tuy nữ tử áo đen có nói là bằng hữu của Tần Lập, nhưng Tần Lĩnh Sơn cũng không dám tự cho mình là trưởng bối. Có thể một chiêu dọa cho lão khất cái kia sợ đến phải chạy mất, có được thực lực đó căn bản là ông không thể tưởng tượng nổi!

- Quay về Tần gia các ngươi đi, mặt khác, ngươi cũng không nhất thiết phải gọi ta là tiền bối, gọi ta Tiểu Tuyết là được rồi. Còn nữa, Tần Lập không có việc gì, nhưng ngươi thì có đấy, ngươi cần phải lập tức chữa thương.

Giọng nói lạnh nhạt nghe như không có chút cảm tình gì, nhưng Tần Lĩnh Sơn thực sự cảm kích, lập tức gật gật đầu, ôm quyền thi lễ với nữ tử áo đen, xoay người quay về xe chữa thương.

Đôi mắt nữ tử áo đen dừng lại trên người Thượng Quan Thi Vũ, hơi gật đầu, ánh mắt bỗng nhiên sáng ngời, nói:

- Không ngờ lại là Tiên Thiên linh thể, thật sự là hiếm thấy, ngươi mau ôm hắn lên xe ngựa đi, một lúc là hắn sẽ tỉnh.

- Cảm ơn cô!

Giọng điệu của Thượng Quan Thi Vũ mang theo vài phần cảm kích, sau đó ôm Tần Lập tiến lên xe ngựa.

Đám con cháu Tần gia vội vàng thu thập, tiếp tục đi, không ai nói chuyện, thậm chí không dám thở mạnh một hơi. Thỉnh thoảng lại có người nhìn trộm đánh giá nữ tử áo đen, phát hiện nàng đi trên mặt đất, nhưng lại không cảm giác được hai chân nàng đang cất bước, dường như đang trôi nổi trên mặt đất vậy!

Phát hiện này khiến con cháu Tần gia hoảng sợ mà lại ngạc nhiên vui mừng, đều muốn kêu to: Tần Lập thật là lợi hại, bằng hữu giao lưu không ngờ đều là cường giả như thế!

Từ rất xa, đội ngũ vừa mới tiến vào thành Phong Sa, Kim Điêu đứng ngoài cửa lớn Tần gia liền hơi nhíu mày, than thở:

- Yêu nữ kia sao lại tới cùng vậy?

dracupi

Duy Ngã Độc Tôn

295. Chương 297: Ta Phải Mạnh Lên!

- Trở về! Đã trở về! Gia chủ và Tần Lập thiếu gia, còn có lão tổ tông đã quay về!

Một gã con cháu Tần gia cưỡi một thớt ngựa như bay vọt qua cửa lớn của Tần gia, giọng đầy hưng phấn, lớn tiếng hô lên.

Lập tức, toàn bộ Tần gia xôn xao cả lên, trên mặt mọi người đều lộ biểu tình như trút được gánh nặng. Những người nòng cốt, chỗ dựa của họ đã trở về, cuối cùng, cũng hoàn toàn có thể yên tâm rồi.

Trong phòng Tần Lập, chỉ có Thượng Quan Thi Vũ ở cùng. Đại sảnh tiếp khách của Tần gia, Tần Lĩnh Sơn thật cẩn thận nói chuyện với Kim Điêu, Linh Ưng, Mặc Ưng và nữ tử áo đen Tiểu Tuyết. Tần Hàn Nguyệt và Tần Văn Hiên cùng ngồi tiếp khách. Dù sao thì bốn người này đều tự nhận mình là bằng hữu của Tần Lập.

Đám người Tần Lĩnh Sơn là sau khi trở về mới nghe nói, Thôi gia không ngờ dám làm ra hành động điên cuồng như thế, mưu toan tiêu diệt Tần gia. Nếu không có đại hán mặt mũi dữ tợn và hai nữ tử xinh đẹp nũng nịu kia, chỉ sợ Tần gia sẽ bị xóa sổ khỏi Huyền Đảo. Nhưng, tiểu tử Tần Lập này, từ bao giờ mà hắn có được bốn bằng hữu cảnh giới Chí Tôn?

Hơn nữa, càng khiến Tần Lĩnh Sơn không ngờ chính là, bốn người này chẳng những biết nhau, hơn nữa còn mơ hồ có chút đối lập. Đại hán và hai nữ tử bên cạnh hắn đối với nữ tử áo đen dường như mười phần kiêng kỵ.

Tần Hàn Nguyệt dù thực lực không mạnh, nhưng kiến thức không hề thua kém người nào ở đây. Giờ phút này tuy nàng lo lắng cho an nguy của Tần Lập, nhưng vẫn mỉm cười tiếp đón những người này.

Kim Điêu và nữ tử áo đen đều biết đây là mẫu thân của Tần Lập, bởi vậy, thái độ đối với Tần Hàn Nguyệt xem như không tồi.

Tuy nhiên, những linh thú siêu cường này đều không thể nào có thói quen giao tiếp cùng người khác, bởi vậy, chỉ trong chốc lát, nữ tử áo đen liền vươn bàn tay trắng nõn, vỗ vỗ miệng nói:

- Tần phu nhân, ta có chút mệt mỏi, hãy sắp xếp cho ta một nơi để ta nghỉ ngơi đi.

Kim Điêu và hai nữ Linh Ưng, Mặc Ưng cũng gật đầu, tỏ vẻ đồng ý với lời nói của nữ tử áo đen.

Tần Hàn Nguyệt nhìn ra được, người ta cũng không thích nói chuyện với mình, không khỏi cảm thán: đứa con bảo bối của mình làm thế nào có thể giao thiệp với những cường giả này đây.

Đợi sau khi tất cả mọi việc đã sắp xếp xong, mấy người lại khẩn cấp muốn đi xem Tần Lập. Tần Tuyết đứng trước cửa phòng Tần Lập, nhẹ giọng nói với Tần Lĩnh Sơn và Tần Hàn Nguyệt, Tần Văn Hiên:

- Đệ đệ còn chưa tỉnh, nhưng Thi Vũ vừa nói với con, đã không có việc gì nữa rồi.

Đám người Tần Hàn Nguyệt lúc này mới hoàn toàn yên lòng, thở phào nhẹ nhõm một hơi. Tần Lĩnh Sơn nói:

- Tần Tuyết! Vậy nơi này giao cho con, bất kể có chuyện gì đều phải báo trước cho ta biết. Biết không?

Tần Tuyết khẽ gật đầu:

- Vâng, thưa lão tổ tông.

Tần Lĩnh Sơn thở phào một hơi, nói:

- Thôi gia đã gây nên chấn động liên tiếp trên Huyền Đảo. Tần gia ta ngăn cản làn sóng công kích này, còn có bốn cường giả Chí Tôn ở trong này tọa trấn, ta tin rằng sẽ không có nguy hiểm gì lớn. Bây giờ, chuyện quan trọng hơn là phải thông báo cho con cháu Tần gia ở các nơi trên Huyền Đảo che giấu thân phận, không cần trở về hết.

Tần Hàn Nguyệt gật gật đầu, nàng hiểu, lão tổ tông làm vậy là chính xác. Tuy nói hiện tại Tần gia sẽ không có gì nguy hiểm, nhưng cẩn thận không bao giờ là thừa, đợi cơn phong ba bão táp này qua đi, con cháu Tần gia một lần nữa lộ diện sẽ không có chuyện gì nữa.

Tần Lập từ lúc hôn mê liền tiến vào một cảnh giới huyền diệu, hắn cảm giác được mình đi vào trong tinh thần Thức Hải, chỉ có ý thức còn tồn tại, còn tại tất cả thế giới bên ngoài đều bị phong kín lại, không nghe được chút tiếng động nào, cũng không thể cảm nhận được bất cứ thứ gì.

Tần Lập bắt đầu có phần khẩn trương. Loại cảm giác này trước nay chưa từng có, quả thực rất thần kỳ. Hiện tại tuy rằng hắn cảm giác mình đang ở trong Thức Hải, nhưng không cách gì xác định.

Ý thức của Tần Lập trong Thức Hải đang mơ màng đi về phía trước, đột nhiên, Tần Lập phát hiện có một khối đá lớn màu đen phía trước.

- Đây là cái gì?

Tần Lập không nhịn được kinh ngạc, không nghĩ tới, trong tinh thần Thức Hải của mình lại có vật tồn tại! Chẳng lẽ là đã có từ trước rồi sao? Theo bản năng, Tần Lập ngẩng đầu lên, lại kinh ngạc đến sững người lại.

Bởi vì hắn nhìn thấy, đằng trước không ngờ là một người khổng lồ đỉnh thiên lập địa! Mà khốiđá lớn màu đen kia, có phải đá gì đâu, rõ ràng là chân của người đó!

Tần Lập sợ hãi cả kinh, trong tinh thần thức hải của mình sao lại có một pho tượng người khổng lồ thế này?

Theo bản năng, Tần Lập đã muốn lùi lại phía sau, lúc này mới đột nhiên nghĩ đến, mình hiện giờ chỉ là hình thái ý thức bên trong tinh thần thức hải mà thôi, vốn không thân thể, làm sao mà lui? Lúc này Tần Lập đột nhiên sinh ra một ý nghĩ cực kỳ cổ quái: người khổng lồ trước mắt này, chính là mình!

Ý nghĩ này như một dấu vết khắc vào linh hồn vậy, tuy rằng không thể miêu tả linh hồn là cái gì, tinh thần thức hải lại là gì, nhưng Tần Lập cảm giác, người khổng lồ kia chính là mình, loại cảm giác này thực là huyền ảo, nhưng dao động đến từ căn nguyên của linh hồn, lại nói cho Tần Lập, tất cả đều là sự thật!

Lúc này Tần Lập vì bị người khổng lồ này chấn kinh mà sinh ra dao động linh hồn, dần dần bình tĩnh lại. Sau đó khống chế ý niệm, muốn bay lên, nhìn xem người khổng lồ này rốt cuộc là bộ dáng gì.

Nhưng mà, Tần Lập dùng mọi cách cũng không thể nào bay lên được, trong lòng đột nhiên hiểu ra, chẳng lẽ, người khổng lồ đỉnh thiên lập địa này là vì mình tu luyện chiến kỹ Cửu Thiên Thập Địa Duy Ngã Độc Tôn mà sinh ra sao? Mà hiện giờ cảnh giới của mình quá thấp, tinh thần lực quá ít, cho nên còn chưa cao bằng một cái chân của người khổng lồ này?

Nghĩ vậy, Tần Lập cảm thấy ý nghĩ trong đầu thực quá mơ hồ, nhưng trong tinh thần thức hải, tinh thần lực nhiều hay ít trực tiếp quyết định ngươi nắm thức hải trong tay được bao nhiêu, đây cũng là sự thực.

Tần Lập cố gắng một lúc lâu cũng không thể thấy mặt người khổng lồ này, hơn nữa đối phương cũng không có chút động tác nào, càng không có uy áp gì, chỉ lẳng lặng đứng trong tinh thần thức hải của hắn, chỉ đứng nhìn!

Xem ra, phải chờ về sau có thời gian, lại nghiên cứu kỹ càng hơn, xem xem người khổng lồ này rốt cục là cái gì đây.

Tần Lập nghĩ, sau đó bắt đầu yên lặng vận hành tâm pháp chiến kỹ Cửu Thiên Thập Địa Duy Ngã Độc Tôn, ngay cả bản thân hắn cũng không ngờ, dưới áp bách của lão khất cái kia không ngờ lại có thể đột phá bình cảnh của chiến kỹ, đạt tới cảnh giới nhân kiếm hợp nhất. Kiếm ý! Thật sự là thứ tốt!

Tần Lập nghĩ vậy, trong đầu lại hiện lên cảnh tưởng đối mặt với lão khất cái, bắt đầu thôi diễn vài lần, mười lần lại chỉ có thể một lần thôi diễn thành công kiếm ý.

Tần Lập nhẹ thở dài một hơi. Xem ra cảnh giới mình vẫn chưa đủ, kiếm ý này giống như lúc Đoàn Dự mới học được Lục Mạch Thần Kiếm vậy, cũng không phải lần nào cũng linh. Chỉ sợ cũng chỉ có tình cảnh đứng trước sống chết mới có thể thành công thi triển ra kiếm ý. Mà có được kiếm ý, mới là dấu hiện chân chính khi một võ giả bước chân vào võ đạo! Trước khi hình thành kiếm ý của mình, kỹ xảo và lực lượng mới là mục tiêu theo đuổi của tất cả võ giả.

Tần Lập cũng là lần đầu tiên bất mãn với tốc độ thăng tiến thực lực của mình, cũng là lần đầu tiên hắn có ý niệm bức thiết phải tăng thực lực.

Lão khất cái kia thật sự là quá cường đại. Tần Lập tuy rằng không biết cảnh giới cụ thể của đối phương nhưng cảm giác ít nhất cũng từ Địa Tôn trở lên.

Đụng tới Nhân Tôn, Tần Lập tất nhiên không sợ, nhưng gặp phải Địa Tôn hoặc là Thiên Tôn thì thực lực của hắn liền không đủ.

Cường giả trên đời này quả nhiên tồn tại rất nhiều, đâu mới là cường giả chân chính? Tần Lập nhớ tới biểu tình năm đó của Băng Mộng Vân, không nhịn được than nhẹ một tiếng: "Con đường ta phải đi quả nhiên còn rất dài, tuyệt đối không thể ếch ngồi đáy giếng, tự cao tự đại được!"

Hôm nay nếu không có xà nữ, bản thân có lẽ thực sự phải chịu thiệt thòi thật lớn rồi, có lẽ, mạng nhỏ cũng xong rồi. Vận khí, không ai có thể cam đoan nó đi theo như hình với bóng suốt đời được. Phải nắm giữ thực lực của chính mình mới có thể chân chính tiếu ngạo giang hồ.

Tần Lập đã thông suốt, đột nhiên cảm thấy trên người ấm áp, cảm giác bị ngăn cách với thế giới bên ngoài đã một lần nữa trở về.

Tần Lập chậm rãi mở mắt, đầu tiên nhìn thấy, là khuôn mặt vui mừng của Thượng Quan Thi Vũ, cười nói:

- Thi Vũ, khiến muội lo lắng rồi!

- Huynh không có việc gì là tốt rồi!

Thượng Quan Thi Vũ nói xong, cúi người xuống, khẽ hôn lên trán Tần Lập, lại bị Tần Lập vươn tay ra ôm chặt lấy, hôn lên đôi môi anh đào của nàng…

Thật lâu sau, Thượng Quan Thi Vũ mới đỏ bừng mặt, giãy dụa trong lòng Tần Lập đứng lên, đôi mắt quyến rũ, sóng mắt như nước, nâng tay sửa sang những sợi tóc hỗn loạn, sẵng giọng:

- Huynh xấu lắm!

Tần Lập cười hắc hắc, sau đó bỗng nghiêm mặt nói:

- Thi Vũ, muội phải bế quan tăng cường thực lực của mình lên đi, còn chuyện thành thân của chúng ta, để sau được không?

Thượng Quan Thi Vũ mơ màng nhìn Tần Lập, lẩm bẩm:

- Muội chỉ muốn gả cho huynh, từ nay về sau trải qua một cuộc sống yên ổn, chỉ có hai người chúng ta, huynh đi nơi nào, muội liền đi tới đó…

Tần Lập vừa định nói, Thượng Quan Thi Vũ cười, nhẹ giọng nói:

- Tuy nhiên, muội cũng biết, hiện giờ tình hình Huyền Đảo đúng là không lạc quan. Tần gia lại ở trung tâm lốc xoáy, cho nên, phu quân, muội nghĩ tốt rồi, muội muốn có một thân thực lực mạnh mẽ! Muội không muốn tái hiện lại cảnh tượng hôm nay nữa, mắt thấy huynh gặp nạn mà muội không làm được gì, muội không muốn làm một nữ nhân liên lụy níu chân huynh, phu quân, muội phải mạnh lên! Nhưng… muội không muốn tách ra khỏi huynh. Muội… muội nên làm cái gì bây giờ?

Thượng Quan Thi Vũ nói xong, không kìm được cúi người xuống, tựa vào bả vai rộng lớn của Tần Lập, lắng nghe nhịp tim trầm ổn mạnh mẽ, lập tức chìm vào si mê.

Tần Lập than nhẹ một tiếng:

- Tất nhiên là huynh cũng không muốn xa muội. Thi Vũ, không gạt muội, huynh đối với Lãnh Dao thực sự là có vài phần hảo cảm, nhưng hảo cảm không phải tình yêu…

- Phu quân, huynh không cần nói, trong lòng Thi Vũ hiểu. Có một số việc, thuận theo tự nhiên là tốt nhất!

Thượng Quan Thi Vũ thì thào, lại nói:

- Phu quân, huynh muốn cho Thi Vũ đi Hoàng Kim Cung bế quan sao? Ba mươi năm thật dài, huynh có thường xuyên tới thăm muội không?

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

296. Chương 298: Lại Tới Đỉnh Huyền Vũ!

- Lão tổ, con đến đây muốn mang đi vài người!

Tần Lập xuất hiện trước mặt Tần Lĩnh Sơn, câu đầu tiên đã khiến Tần Lĩnh Sơn khó hiểu, suy nghĩ.

- Mang người đi? Tần Lập, hiện nay tuy Tần gia gia chủ là tiểu tử Tần Tỏa kia, nhưng cháu muốn một người nào còn là vấn đề sao?

Hai mắt Tần Lĩnh Sơn hồ nghi nhìn Tần Lập, nhưng không thể thấy chút dị thường nào trên mặt huyền tôn.

- Ha ha, con chuẩn bị đưa Tần Tuyết, mẫu thân con và vài tiểu cô nương thuộc bàng chi có thiên phú cực tốt trong Tần gia ta đi.

Tối qua sau khi Tần Lập và Thượng Quan Thi Vũ quyết định, liền quyết định lợi dụng bảo vật trong Hoàng Kim Cung tạo nên một nhóm người. Nhưng hiện giờ còn chưa phải lúc công khai tin tức về Hoàng Kim Cung, cho nên khi chọn người tất nhiên phải thật cẩn thận.

Vốn Tần Lập nghĩ tới Lãnh Dao, Bộ Vân Yên, Triệu Thiên Thiên và Tiểu Hồ Ly, nhưng sau khi gặp Lãnh Sao, Lãnh Dao lại từ chối lựa chọn bế quan tu luyện. Nàng muốn tận mắt chứng kiến ngày Thôi gia bị diệt, ít nhất cũng muốn tự tay mình đâm chết một tên địch nhân, sau đó mới có thể chân chính bế quan tu luyện.

Đối với những chuyện xảy ra gần đây, Lãnh Dao cũng biết khá rõ, biết nếu mình muốn đuổi kịp bước chân Tần Lập thì phải khắc khổ tu luyện. Bạo Nguyên Đan và Tinh Nguyên Đan nàng đã luyện được, nhưng cũng không dám dùng tùy tiện, dù sao nếu không có được Cố Bản Đan để ổn định kinh mạch mà dám tùy tiện dùng Bạo Nguyên Đan, kết cục chắc chắn là nổ tan xác mà chết.

Nhưng nàng thật sự muốn nhìn thấy Thôi gia diệt vong. Cừu hận này giống như một tâm ma cực lớn, nếu không thể báo thù, vậy dù nàng có tu luyện tới cảnh giới Chí Tôn thì cũng sẽ lưu lại một tai họa ngầm rất lớn.

Bởi vậy, Tần Lập cũng không cưỡng cầu, huống chi, hiện giờ Lãnh Dao thông qua tu luyện khắc khổ, lại có các loại đan dược phụ trợ cũng đã đột phá đến Thiên cấp bậc chín, tiến vào cảnh giới Phá Thiên cũng chỉ trong tầm tay.

Hơn nữa khi Lãnh Dao đối diện với Thượng Quan Thi Vũ, nhiều ít cũng có chướng ngại trong lòng. Mặc dù trên đời này cũng không bài xích nam nhân nhiều thê thiếp, nhưng nàng cũng là một nữ tử tâm cao khí ngạo, cũng cảm thấy được trước mặt Thi Vũ có cảm giác bị thấp hơn một cái bậc.

Nhưng Lãnh Dao lại đề cử cho Tần Lập một số tiểu cô nương không được chú ý của Tần gia. Thông qua việc nàng thí nghiệm đan dược, phát hiện những tiểu cô nương này có thiên phú cực kỳ tốt, không tính là

kinh thế hãi tục, nhưng nếu khổ tâm bồi dưỡng thì chỉ trên dưới một trăm năm ít nhất cũng có được thực lực cảnh giới Hợp Thiên!

Tần gia thực ra không rõ ràng những chuyện này, nhưng nếu lấy tài lực và vật lực của Tần gia thì cũng chỉ có thể bồi dưỡng được đệ tử dòng chính mà thôi, đối với những người thuộc bàng chi tất nhiên không có khả năng chu đáo được.

Cho dù là Tần Lập, nếu không có thân phận là con cháu dòng chính Tần gia thì cũng không thể được Tần gia coi trọng như thế!

Mà ngay khi Tần Lập muốn thành lập một thế lực cho chính mình, hắn lập tức sinh ra một ý nghĩ. Vừa lúc sợ một mình Thi Vũ quá cô đơn, vậy để cho những người này cùng bế quant u luyện với nàng, đúng là một chủ ý tốt! Mà Tần Lập muốn cho Tần Hàn Nguyệt và Tần Tuyết cùng đi, như vậy hoàn toàn giải quyết được tâm tư này.

Nguyên nhân rất đơn giản, từ sau khi tầm mắt đã mở rộng, vươn xa khỏi Thôi gia trên Huyền Đảo, tuy rằng trong Thôi gia xuất hiện một kẻ có con ngươi màu tím, nhưng Tần Lập cũng không quá mức để ý. Bí mật về con ngươi màu tím này chỉ sợ cả Huyền Đảo cũng chỉ có một mình mình biết, cho nên, một thời gian rất dài sau này Tần Lập cũng không suy nghĩ tới nó.

Hiện giờ điều Tần Lập muốn, chính là để ý tới người thân của mình, có thể sống lâu hơn chút. Dù sao thì người còn sống, ai cũng không muốn chết sớm.

Sở dĩ không mang theo Tần Văn Hiên, vì lúc này cũng không thể cho nhiều người tiến vào Hoàng Kim Cung như vậy. Ba linh thú phi hành kia căn bản không mang được nhiều người như vậy, đây là thứ nhất. Thứ hai là bản thân Tần Lập cũng không dám khẳng định, tu luyện ở Hoàng Kim Cung nhất định nhanh hơn so với Tần gia.

Chỉ cần xác định Hoàng Kim Cung không có vấn đề, đến lúc đó tùy thời đều có thể đưa người qua bên đó, nhưng tất cả đều phải tiến hành cực độ bí mật!

Nhất là sau khi gặp người có con ngươi màu tím, Tần Lập lại càng cẩn thận. Dù phòng ngự của Hoàng Kim Cung có mạnh mẽ, nhưng người đó nếu truyền tin tức vào tay những kẻ bên Cực Tây thì ai dám cam đoan sẽ không xuất hiện võ giả mạnh hơn?

Tất nhiên là Tần Lĩnh Sơn đáp ứng, thậm chí lão còn không hỏi cụ thể nguyên nhân của Tần Lập, đây chính là trí tuệ của một lão già đã sống vài trăm năm.

Bốn cường giả sâu không lường được, mạnh đến thái quá hiện giờ còn ở lại Tần gia. Hiển nhiên trên người huyền tôn của lão còn có rất nhiều bí mật, thế nhưng bất luận là thế nào, một lòng Tần Lập đều hướng về Tần gia, thế này là đủ rồi! Về phần những chuyện khác, mặc kệ hắn là được rồi!

Sau khi chuyện này đã định, Tần Lập lại đến tìm Tần Hàn Nguyệt và Tần Tuyết, không nghĩ tới là Tần Hàn Nguyệt không muốn rời đi, lại còn quật cường nhìn đứa con, chỉ nói một câu: "Mẫu thân với phụ thân con, giống như Thi Vũ đối với con, mà hiện giờ mẫu thân đã sắp đột phá đến cảnh giới Phá Thiên rồi. Người sống trên đời, không vì lâu dài, mà ở chỗ sống phải có ý nghĩa! Mười ba năm trước kia mẹ con ta sống nương tựa vào nhau, con, chính là toàn bộ ý nghĩa của mẫu thân. Nhưng hiện giờ, lại có thêm phụ thân con nữa! Mẫu thân không muốn rời đi!"

Tần Lập bất đắc dĩ, đành phải gật đầu đáp ứng. Dù sao, hắn muốn mẫu thân tu luyện đến cảnh giới cao cũng là vì để người vui vẻ mà không phải để người thương tâm. Tần Tuyết thì hưng phấn đáp ứng, ba tiểu cô nương bàng chi đột nhiên nghe nói đến chuyện này, quả thực đều có cảm giác bị hạnh phúc dọa ngất.

Hiện giờ trong Tần gia, ai không biết thiếu gia Tần Lập? Có ai không tôn thờ thiếu gia như thần? Giờ được thiếu gia tự thân chỉ điểm quả thực là kích động đến không biết nói gì cho tốt.

Còn một chuyện khác, dòng chính Tần gia tuy không biết Tần Lập muốn làm gì, nhưng sau khi nghe nói có ba tiểu cô nương được lựa chọn, lập tức đưa tới mười mấy cô gái dòng chính, ăn mặc trang điểm xinh đẹp, khiến Tần Lập vò đầu bứt tai không thôi, chỉ có thể lặng lẽ để lại.

Ban đêm ngày hôm đó, Kim Điêu mang theo Thượng Quan Thi Vũ và Tần Lập, Linh Ưng và Mặc Ưng mang theo Tần Tuyết và ba tiểu cô nương mới có tám chín tuổi lặng lẽ tời khỏi Tần gia, bay lên trời, hướng tới Huyền Vũ Phong mà đi! Tần gia đã có xà nữ Tiểu Tuyết tọa trấn.

Tần Lập oán thầm không thôi đối với xà nữ áo đen kia, vì sao không gọi là Tiểu Hắc? Gọi là hắc gì đó cũng được! Rõ ràng là một con rắn lớn màu đen, lại cố tình gọi là Tiểu Tuyết, thật không biết làm sao mà Hô Diên Bác lại nghĩ tới, bởi vì cái tên này là lão đặt. Xem ra, thái cổ đại năng này… cũng rất có vẻ thuần khiết.

Tần Lập nghĩ thầm. Linh Ưng và Mặc Ưng phóng ra cương khí hộ thể, bảo vệ bốn nữ tử Tần Tuyết, bằng không thì ở dòng khí lưu ở độ cao vạn thước này họ không thể chịu được.

Toàn bộ Tần gia không có người nào biết họ được mang đi đâu, nhưng rất nhiều người đều thấy rõ, ba tiểu cô nương kia xem như phát đạt rồi, phụ mẫu họ cũng có được địa vị cực cao trong Tần gia!

Tán gẫu một chút, ba linh thú cảnh giới Chí Tôn phi hành tốc độ cực nhanh, gần một buổi tối, ngàn dặm đường, đã tới!

Đây là còn phải thêm người trên lưng nữa, nếu không tốc độ của chúng còn nhanh hơn. Điều này khiến Tần Lập không khỏi cảm khái: Ba con linh thú phi hành này quả thực là phi cơ hoàn hảo nhất!

Nhìn thấy Hoàng Kim Cung, không cần nói cũng biết là mọi người rung động không thôi. Giờ phút này Thượng Quan Thi Vũ cuối cùng cũng đã tin lời của Tần Lập, nàng, đúng là nữ chủ nhân của Hoàng Kim Cung.

Tần Lập dẫn mọi người vào trong hậu viện Hoàng Kim Cung, lấy ra một ít đan dược, vũ khí và chiến kỹ phân cho ba tiểu cô nương và Tần Tuyết, nói cho Thượng Quan Thi Vũ một ít hạng mục công việc cần chú ý. Sau đó Tần Lập liền chuẩn bị cùng đám Kim Điêu rời đi.

Lúc này còn cách đại hôn của Trầm Nhạc không đến một tháng, hơn nữa hành động của Thôi gia lần này khẳng định là cả Huyền Đảo không thể an nhàn được nữa, còn có nhiều chuyện nữa đang đợi phía trước.

Lưu luyến chia tay với Thượng Quan Thi Vũ, dù sao thì sau khi dùng Càn Khôn Đan khẳng định là nàng sẽ bế tử quan liền ba năm để tiêu hóa dược lực của đan dược. Nói cách khác, ba năm này Thượng Quan Thi Vũ như lâm vào ngủ say, dù Tần Lập có đến thì hai người cũng không thể trao đổi gì.

Tần Tuyết lại cam đoan với Tần Lập, nhất định chiếu cố thật tốt cho Thượng Quan Thi Vũ và mấy tiểu cô nương, lúc này Tần Lập mới yên tâm rời khỏi Hoàng Kim Cung. Vừa mới đi ra lại thấy sắc mặt Kim Điêu có chút cổ quái, Tần Lập thuận miệng hỏi:

- Sao vậy?

Ánh mắt Kim Điêu hướng về phương xa, nhẹ giọng:

- Ba con vượn đang đến.

Tần Lập ngẩn ra, lập tức nghĩ đến ba con bạch vượn mạnh mẽ kia, thầm nghĩ nếu ba người họ có thể đi theo mình thì thật tốt biết bao, nhất là lão vượn kia, không ngờ lại đạt tới cảnh giới Phá Toái Hư Không! Đó mới là cao thủ chân chính đó! Cho dù Thôi gia có nhiều cường giả hơn nữa thì cũng không sợ!

Tuy nhiên Tần Lập cũng biết, ba con bạch vượn này thực cao ngạo, cũng chỉ có Bạch Trung Hỏa là còn có điểm hiền lành, còn Bạch Trung Tuyết kia chính là một tiểu cô nương kiêu ngạo, Bạch Trung Sơn là một lão cáo già xảo quyệt mà mắt còn cao hơn đỉnh đầu…

Vừa nghĩ vậy thì ba con bạch vượn đã như tia chớp bay tới. Lão vượn đầu lĩnh Bạch Trung Sơn vẫn bộ dáng trước kia, trong mắt còn mang theo vài phần tức giận, thấy Tần Lập liền lạnh lùng nói:

- Tiểu tử, ngươi có ý gì?

Tần Lập ngẩn ra, hắn nghe ra trong lời nói của Bạch Trung Sơn ý tứ chất vấn hỏi tội, không kìm được nhíu mày:

- Cái gì là ta có ý tứ gì?

- Hừ, ngươi dựa vào cái gì mà đưa những người đó vào Hoàng Kim Cung ? Hoàng Kim Cung là nơi là loại người đó có thể tiến vào sao?

Bạch Trung Sơn chưa nói chuyện, Bạch Trung Tuyết đã nổi giận đùng đùng nói.

Kim Điêu và Mặc Ưng, Linh Ưng thần sắc xấu hổ, lui về sau mấy bước. Thực lực của họ vẫn thua xa ba đầu bạch vượn này. Cho dù là xà nữ cũng không bằng lão vượn Bạch Trung Sơn. Giữa các linh thú luôn luôn có quy củ này, kẻ yếu không có quyền nói.

Tần Lập cũng không hề nổi giận, vì hắn biết cảm tình của những linh thú này đối với Hoàng Kim Cung, nhưng trong lòng nhiều ít cũng có chút phản cảm. Mặc kệ nói thế nào thì Hoàng Kim Cung hiện giờ cũng là của mình! Mà biểu hiện của họ rõ ràng là chạy đến nhà người ta, rỗi hơi quản chuyện người khác.

Mặc dù Tần Lập cũng rất muốn có sự trợ giúp của ba con bạch vượn này, nhưng nếu đối phương vẫn cao ngạo như vậy, Tần Lập cũng chẳng rảnh mà dán mặt nóng của mình vào cái mông lạnh của người ta!

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

297. Chương 299: Ngầm Dưới Lòng Đất Thành Thôi Gia!

Đả tự: endlesskid - LSB

Hoàng Kim Cung theo Hô Diên Bác mai một, sớm đã xảy ra biến hóa long trời lở đất, chỉ là có một số biến hóa mọi người còn không biết mà thôi. Ví dụ như Hoàng Kim Cung bảo hộ kẻ thắng lợi giải thi đấu Chí Tôn, cũng đã theo Hô Diên Bác mai một mà tan thành mây khói!

Nếu Hô Diên Bác thêm vào cỗ lực lượng còn sót lại trên người kẻ thắng lợi ở giải thi đấu Chí Tôn kia, z sao có thể bị thương trong tay lão khất cái được?

Nếu nói giải thi đấu Chí Tôn thời gian trước kia, Hoàng Kim Cung còn thuộc về thời Hô Diên Bác, như vậy từ khoảnh khắc mai một đó, Hoàng Kim Cung đã tiến vào thời đại z! Điểm ấy không thể nghi ngờ!

Z than nhẹ một tiếng, hắn cũng không sợ ba con vượn trắng này không nguyện theo chân bọn họ phát sinh xung đột, nhưng lời nói của Bạch Trung Tuyết thật sự có hơi làm thương tổn người, hắn khẽ lắc đầu, chuyển ánh mắt về hướng Kim Điêu nhẹ giọng nói:

-Kim Điêu! Chúng ta đi thôi.

-Không được phép!

Thân hình Bạch Trung Tuyết chợt lóe, hiện ra trước mặt z. Bởi vì cũng không có hóa thành hình người, cho nên nhìn qua biểu tình thập phần dữ tợn, thanh âm lạnh như băng nói:

-Không nói rõ ràng, vì lí do gì để bọn nhân loại đê tiện này đi vào Hoàng Kim Cung, ngươi đừng nghĩ rời đi!

-Tiểu muội! Ngươi không cần như vậy, nay hắn là chủ nhân Hoàng Kim Cung…

Bạch Trung Hỏa thanh âm tràn ngập bất đắc dĩ, sau đó nhìn lão vượn Bạch Trung Sơn bên cạnh nói:

-Đại ca! Chủ nhân đã hoàn toàn mai một! Hoàng Kim Cung từ trước tới nay cũng không thuộc về chúng ta, huynh cần gì phải làm vậy?

-Thứ ăn cơm nhà lại lo chuyện bao đồng! Ngươi câm miệng cho ta!

Lão vượn tính tình cực kì hung tợn, hướng về phía Bạch Trung Hỏa há miệng nhe răng rít gào nói.

Z biểu tình thập phần bình tĩnh, không để ý đến Bạch Trung Tuyết hùng hổ dọa người mà quay đầu về hương lão Bạch Trung Sơn hỏi:

-Ngươi muốn làm gì?

-Ta muốn làm cái gì? Tiểu tử! Ta hiện đang muốn hỏi là ngươi muốn làm cái gì?

Trong hai mắt Bạch Trung Sơn thoáng hiện vẻ hung ác, dường như tùy thời đều có khuynh hướng công kích z.

-Ta là người sư phụ lựa chọn làm người thừa kế, các ngươi có thể không thừa nhận thân phận của ta, có thể không nhìn ta. Cái này, ta không cần, nhưng Hoàng Kim Cung hiện tại là thuộc về ta!

Z ngẩng đầu lên, không úy kị chút nào nhìn thẳng vào ánh mắt hung ác của Bạch Trung Sơn:

-Các ngươi chạy tới nơi này, hỏi ta muốn làm cái gì, không thấy là vô lý, là cố tình gây sự sao?

-Ngươi dựa vào cái gì mà nói Hoàng Kim Cung này thuộc về ngươi?

Bạch Trung Tuyết thấy z trước sau cũng không liếc nhìn nàng một cái, thẹn quá hóa giận, phẫn nộ rít gào.

-Dựa vào cái gì hả? Ha ha! Chỉ dựa vào ta tại trong Hoàng Kim Cung này ra vào tự nhiên, tùy ý khống chế, mà ngươi lại không làm được!

Z híp cặp mắt lạnh như băng trên mặt hiện rõ vẻ phẫn nộ.

Bạch Trung Tuyết bị z nói một câu này làm cho á khẩu không trả lời được. Đúng vậy, bọn họ đích xác không vào được Hoàng Kim Cung. Hơn nữa, bọn họ cũng đều biết trong sân phía sau Hoàng Kim Cung gieo trồng vô số kể các loại linh hoa linh thảo, rất nhiều thứ hiện tại gần như đã tuyệt tích trên Thiên Nguyên Đại Lục!

Đây cũng là nguyên nhân vì sao ba con vượn này tức giận như vậy. Bọn chúng thật ra không nghĩ tới độc chiếm Hoàng Kim Cung, đạt tới cảnh giới như bọn chúng này, cũng không cần thiết ăn những thứ linh vật đó. Nhưng điều khiến cho trong lòng bọn chúng cực độ bất bình chính là: một đám nhân loại thực lực yếu kém như thế, lại có thể công khai tiến vào trong đó, hơn nữa xem ý tứ dường như còn có ý định an cư lạc nghiệp nữa chứ!

Điều này khiến Bạch Trung Sơn ghen ghét dữ dội, giận không thể ngăn chặn, không khỏi vội chạy tới hưng binh vấn tội. Tuy nhiên z nói ra lời này, cũng khiến nó không biết nói cái gì cho phải. Đúng vậy, tên nhân loại này mới là người thừa kế do chủ nhân tuyển chọn. Cho dù hắn hiện tại còn rất yếu, nhưng Hoàng Kim Cung này vẫn thuộc về hắn! Hôm nay nếu không có hắn xuất hiện tại nơi này, Hoàng Kim Cung căn bản không phải thời điểm hiển lộ ra!

Đây cũng chính là nguyên nhân vì sao trải qua vô số năm, Hoàng Kim Cung đứng sừng sững trên đỉnh Huyền Vũ Phong này, nhưng chưa từng bị phát hiện! Là một kẻ tài năng thời đại thái cổ, Hô Diên Bác như thế nào ngay cả chút bản lĩnh đó cũng không có?

Hơn nữa để cho Bạch Trung Sơn cảm thấy khó hiểu chính là: hắc y xà nữ không thấy, nhất điểu nhị ưng cũng không thấy, hiện tại nhất điểu nhị ưng xuất hiện bên người thanh niên, hiển nhiên bọn họ đã lựa chọn đi theo thanh niên này. Chuyện đó đối với người tình tình cao ngạo như Bạch Trung Sơn mà nói, hiển nhiên không phải là một tin tức tốt.

-Các ngươi, còn có điều gì muốn nói không?

Z không có cười nhạo, cũng không có phẫn nộ mà ánh mắt bình tĩnh nhìn Bạch Trung Sơn.

-Cho đám nhân loại ti tiện này cút ra khỏi Hoàng Kim Cung!

Bạch Trung Tuyết lại lần nữa phát ra tiếng rít gào phẫn nộ nói.

-Tiểu muội!

Bạch Trung Hỏa cũng có vẻ nổi giận, cố tình gây sự một lần có thể tha thứ, nhưng một kẻ ngang bướng cố tình gây sự, thì lại không thể tha thứ.

-Ngươi thì tính là gì chứ? Chẳng lẽ, ngươi thực nghĩ rằng ngươi chính là thiên hạ vô địch ư?

Hai mắt z bắn ra hai tia sáng sắc bén, nhìn Bạch Trung Tuyết, đầy vẻ tự nhiên nói:

-Không sai! Ta thừa nhận, đơn đả độc đấu, ta hiện tại còn không phải đối thủ của ngươi, nhìn lại xem vẻ đắc ý của ngươi kìa, ngươi có cái gì hay mà đắc ý chứ? Nếu ta tu luyện mười vạn năm, không thể vượt qua lôi kiếp đều xem như là rác rưởi! Ngươi không biết xấu hổ còn làm ra bộ dáng kiêu ngạo. Ta khuyên ngươi nên sớm tìm một cái góc nào đó thành thành thật thật tu luyện đi!

-A! Tiểu tử! Ngươi muốn chết!

Bạch Trung Tuyết bỗng nhiên phát cuồng bạo lên, một thân khí thế Thiên Tôn gần như hoàn toàn bộc phát ra, cuồn cuộn mãnh liệt ép tới hướng z. Kim Điêu cùng Linh Ưng, Mặc Ưng tuy rằng không phải đối thủ của Bạch Trung Tuyết, nhưng dù sao cũng không thể để nàng ta đả thương z như vậy. Cả ba không khỏi đều tự bộc phát ra khí thế ẩn ẩn bảo vệ z.

Z không sợ nhất, vừa khéo chính là loại khí thế này! Hắn không khỏi ngửa mặt lên trời cười ha hả. Tiếng cười kia không phải cuồng ngạo, mà là mang theo một khí thế bá đạo chấn nhiếp thiên hạ. Hắn chỉ tay vào Bạch Trung Sơn, đột nhiên đổi sắc quát lớn:

-Còn không mang muội muội chó má không biết chuyện của ngươi đi! Thực chọc giận ta, cẩn thận coi chừng ta mang Hoàng Kim Cung công kích giết chết các ngươi! Cảnh giới Phá Toái Hư Không thì rất giỏi sao? Tự bản thân ngươi cho rằng ngươi có thể ngăn được mấy lần công kích của Hoàng Kim Cung?

Lão vượn Bạch Trung Sơn nghe z nói lời này, mặt đột nhiên biến sắc, trong mắt không kìm lòng nổi hiện lên một vẻ sợ hãi thật sâu. Hiển nhiên, lão vượn già này đã chứng kiến qua uy lực công kích của Hoàng Kim Cung phát ra.

Bạch Trung Tuyết xem ra vẫn như trước chẳng hề để ý, nhe răng nhanh, vừa mới định phóng tới công kích z, lại nghe "Bốp" một tiếng, bị Bạch Trung Sơn hung hăng tát một cái lên mặt!

Bạch Trung Tuyết bị đánh phát ngốc, trợn mắt há hốc mồm nhìn ca ca mình, thậm chí quên lấy tay ôm mặt:

-Đại ca! Sao huynh lại đánh ta?

-Đồ không biết sống chết chúng ta đi!

Bạch Trung Sơn nói giọng vô cùng âm trầm, rốt cuộc cũng không thèm liếc mắt nhìn z một cái, thân hình hóa thành một luồng bạch quang bay vào trong rừng rậm.

Bạch Trung Tuyết mặc dù còn không hiểu rõ đại ca vì cái gì đột nhiên tát mình một cái, nhưng vẫn ủy khuất theo sát phía sau bay vào trong rừng.

Còn lại Bạch Trung Hỏa có vẻ xấu hổ hướng về phía z cười, nói: T

-Ta sẽ tận lực khuyên bọn họ! Kì thật bọn họ cũng không có ác ý, chỉ có điều cách biểu đạt…có điểm không đúng.

Nói xong, hắn ôm quyền cúi chào z, rồi cũng theo sau bay vào rừng.

Lúc này, Kim Điêu cùng Linh Ưng, Mạc Ưng mới thở ra một hơi. Cái loại khẩn trương vừa nãy, thật đúng là không phải giả tạo, bởi vì song phương đều giương cung bạt kiếm, tình hình hết sức căng thẳng có thể xảy ra chiến đấu bất kì lúc nào. Bất kì người nào có động tác vô ý lúc đó, thậm chí một tiếng ho khan đều có thể khiến cho đối phương phản ứng kịch liệt! May mà bọn họ biết khó mà lui!

Lúc này Kim Điêu trầm giọng nói:

-Công tử! Kì thật ba con vượn trắng này cũng không phải là hư hỏng, chỉ là bọn hắn có lối suy nghĩ hơi khác với chúng ta. Trên thực tế, những năm gần đây chủ yếu chính là bọn họ chỉ huy một đám linh thú bảo vệ Hoàng Kim Cung, ngăn chặn những kẻ muốn dòm ngó Hoàng Kim Cung. Vì thế họ có cảm tình rất đặc thù với Hoàng Kim Cung, công tử không nên trách tội bọn họ là tốt rồi.

Z mỉm cười, phất tay một cái, Hoàng Kim Cung bị một màn sương mù màu trắng bao phủ lại toàn bộ, sau đó nói:

-Ta còn không tới mức chấp nhặt với bọn họ, bởi vì theo bối phận mà nói, bao gồm các ngươi đều là sư huynh sư tỉ của ta đấy! Ha ha!

-Không dám!

Kim Điêu từ lúc vô ý nói z gặp phải lão khất cái kia. Sau trận chiến đó, thái độ của hắn đối với z trở nên kính cẩn rất nhiều. Dù sao, võ giả chỉ ở cảnh giới Dung Thiên mà có thể phát ra kiếm ý, trên đời này cũng không có mấy người!

Z ngồi trên lưng Kim Điêu bay cao trên mây, nhìn phía dưới là biển mây cuồn cuộn tới vô tận. Linh Ưng cùng Mạc Ưng bay một trái một phải hộ vệ.

Z không có quay đầu lại, con đường hắn đi còn xa ở phía trước! Từ giờ khắc này tình cảm nam nữ tạm thời cáo biệt trong cuộc sống của z!

****

Thôi thành trên Huyền Đảo là một tòa thành thị không lớn, nhưng tuyệt đối có thể xưng là kiên cố! Tường thành cao tới hơn hai trăm thước, dày chừng trăm thước!

Bên trong tường thành có vô số đường ngầm dưới đất như mê cung, người không quen thuộc thậm chí ngay cả tòa thành này cũng không thể tiến vào.

Tường thành Thôi thành toàn bộ chọn cùng thiết thạch cứng rắn nhất trên Huyền Đảo xây thành. Thiết thạch cứng rắn như thép, mỗi khối vuông vức một thước trông thật trầm trọng kiên cố!

Chọn dùng loại tài liệu này xây tường thành, cho dù là cường giả cảnh giới Chí Tôn muốn kích phá, trong lúc nhất thời cũng không dễ làm được. Bởi vậy, muốn công kích tòa thành này, gần như toàn bộ Huyền Đảo không ai có đủ năng lực làm được.

Hiện nay, hầu hết dòng chính Thôi gia, gần như toàn bộ ở trong Thôi thành. Đoạn thời gian gần đây Thôi gia hành động liên tục, ngay cả rất nhiều con cháu dòng chính thân phận không cao đều không rõ ràng lắm rốt cục đã xảy ra chuyện gì!

Nhìn bề ngoài Thôi thành nhìn qua chỉ có thể chứa mấy mươi vạn người. Nhưng trên thực tế, dưới mặt đất còn có một tòa thành hoành tráng ngầm dưới lòng đất! Ít nhất có thể chứa năm mươi vạn người!

Thành ngầm dưới lòng đất dự trữ lương thực có thể cung cấp đủ cho mười vạn người ăn một trăm năm. Hơn nữa các loại hệ thống sinh hoạt đầy đủ các thứ! Nhưng mà, trừ gia chủ đương nhiệm của Thôi gia, không có bất kì người nào biết Thôi thành còn một chỗ như vậy!

Thành ngầm dưới lòng đất này được xây từ thời thượng cổ. Thời điểm đó Thôi thành nơi này còn là một mảnh đất hoang vu.

Hồi đó sau khi những người thợ xây dựng xong công trình này, toàn bộ đều bị gia chủ họ Thôi năm đó giết hết bằng thuốc độc. Tất cả những người biết chuyện này đều bị diệt khẩu. Sau đó, bí mật này đời đời được truyền lại cho chính đương nhiệm gia chủ cho tới nay. Thế mà hôm nay, dưới lòng đất bên trong thành ngầm này, lại đột nhiên có tiếng động!

Thôi Bất Bình là gia chủ hiện nay của Thôi gia, hắn xuất hiện ở dưới này, bên người hắn còn đi theo ba bốn lão già nhìn không ra tuổi tác. Một người trong đó, rõ ràng là lão điên z đã gặp qua trước đây…

Tác giả:Tiểu Đao Phong Lợi

298. Chương 300: Bốn Tôn Giả Thần Bí!

Đả tự: endlesskid - Lương Sơn Bạc

Thôi Bất Bình đã bế quan tu luyện nhiều năm, thực lực đạt tới Nhân Tôn đỉnh phong. Giờ này trên mặt lão lại lộ ra thần sắc thật cẩn thận, dường như rất là kiêng kị đối với bốn lão già bên cạnh này.

-Bốn vị tôn giả! Ngài xem địa phương này thế nào? Vừa lòng chứ?

Thôi Bất Bình hướng về phía một lão già cao gầy nhỏ giọng hỏi.

-Ừm!

Lão già cao gầy nhẹ đáp một tiếng, thanh âm dường như phát ra từ trong vòm mũi, cái loại ngạo nghễ bẩm sinh này dường như không có làm ra vẻ chút nào.

Trên mặt Thôi Bất Bình lại thoáng hơi dao động nổi lên một chút ửng hồng, giọng của lão hơi lớn, tại thành ngầm trống dưới đất này dẫn lên liên tiếp tiếng vang vọng.

-Vậy là tốt rồi! Đại tôn giả nếu thích, ta sẽ giao nơi này cho đại tôn giả, để sau này đại tôn giả phát triển một cái căn cứ ở bên đây!

Lão già cao gầy khẽ gật gật đầu, hai mắt cổ tỉnh không dao động. Nhận được quà tặng quý giá như thế nhưng thần sắc không có nửa điểm kích động, dường như đối phương chỉ là làm một chuyện bé nhỏ không đáng kể!

Lão quay đầu lại nhìn thoáng qua lão khất cái dơ bẩn, với cánh tay trái xụi lơ của hắn, thản nhiên nói:

-Lão Tam! Nói cho ta nghe một chút đi! Tình huống cụ thể ngươi bị thương thế nào? Còn nữa, Hoàng Kim Cung…không ngờ lại xuất hiện trên Huyền Đảo, ngươi cũng nói cho ta nghe một chút xem! Thôi Bất Bình! Vì cái gì trăm năm trước thời điểm ta tới nơi này, ngươi lại chưa từng nói qua tồn tại của Hoàng Kim Cung? Ngươi có biết, Lãnh Thu Cung coi trọng Hoàng Kim Cung tới mức nào không?

Thôi Bất Bình đứng sững tại chỗ, sau một lúc lâu mới nói:

-Cái này…thuộc hạ thật sự không rõ ràng lắm tầm quan trọng của Hoàng Kim Cung đối với môn phái của tôn giả. Đây là thuộc hạ thất trách rồi…

-Được rồi! Cũng không thể trách ngươi!

Lão già cao gầy phất tay áo, nhẹ thở dài một tiếng, sau đó quay sang hai lão già kia cười nói:

-Không nghĩ tới Huyền Đảo này còn thật sự cất giấu một bí mật lớn như vậy!

Thôi Bất Bình thấy lão già cao gầy không có ý trách tội mình, lão lau mồ hôi lạnh trên trán, trong lòng cuối cùng thở dài một hơi nhẹ nhõm. Đến hiện tại, lão cũng không dám nảy sinh ra bất kì ý niệm gì khác trong đầu. Hợp tác cùng Lãnh Thu Cung đã giúp cho Thôi gia có được thực lực ngấm ngầm, hùng mạnh vượt hơn hẳn sáu đại thế lực siêu cấp kia. Điều này từ xưa tới nay vốn là chuyện Thôi gia nằm mơ cùng không dám nghĩ tới!

Lão khất cái lúc này bĩu môi, sau đó mắng:

-Mẹ nó! Tên tiểu tạp chủng kia thực giảo hoạt! Lão tử trúng gian kế của hắn, hắn kéo dài thời gian, lẽ ra đầu tiên ta nên giết hắn! Ta không nghĩ tới lại xuất hiện võ giả mạnh như vậy, thực lực của đối phương khảng định không ở dưới ta!

Lão khất cái nói xong, bỗng nhiên nhìn về phía lão già diện mạo cực kì nho nhã bên cạnh một cái, cười quái dị nói:

-Lão Tứ! Nàng kia còn là một xử nữ, hơn nữa dung mạo cực kì xinh đẹp! Một thân thực lực không kém ta, tuyệt đối là mọt đỉnh lô thích hợp thải bổ nhất đấy!

Lão già nho nhã kia nghe thế mắt sáng lên, hỏi:

-Thật không?

Lão già khất cái hừ một tiếng:

-Ta có khi nào thì nói dối ngươi?

-Tốt lắm! Nữ nhân đó là của ta!

Biểu tình của lão già nho nhã, không ngờ lại lộ ra toàn ý hưng phấn. Xử nữ cảnh giới Thiên Tôn đỉnh phong, thật sự khó tìm. Hơn nữa ở địa phương chỗ môn phái của mình lại không thể công khai làm loại chuyện này, không nghĩ tới lúc này cùng đại ca đi vào Huyền Đảo, không ngờ còn có thu hoạch tốt như vậy!

Trên mặt lão già cao gầy cũng không có biểu hiện gì, chỉ thản nhiên nói:

-Tên tiểu tử kêu là Tần Lập kia, thật sự có thần kì như vậy ư? Tuy nhiên, đại kế của chúng ta là tuyệt đối không cho phép bị bất cứ người nào phá hỏng! Cho nên tiểu tử kia không thể không chết! Lão Tam lần này tuy rằng không có giết hắn, nhưng cũng biết rõ chi tiết về hắn…

Lão già cao gầy nói đến đây nhìn lướt qua lão già mặt khổ bên cạnh vẫn luôn giữ thái độ trầm mặc, nói:

-Lão Nhị! Ngươi phải vất vả một chuyến rồi! Đi giết tiểu tử đó đi! Đúng rồi, lão Tứ không phải muốn nữ nhân kia sao? Hai các ngươi cùng đi tốt lắm, càng thêm chắc chắn! Vẫn là câu nói: đại kế của chúng ta không cho phép thất bại! Mặt khác, các ngươi cảm thấy Hoàng Kim Cung kia rốt cục lại đang ẩn trốn ở địa phương nào?

Lúc này Thôi Bất Bình rốt cục có được cơ hội lên tiếng, tuy rằng bốn lão già này nói chuyện cũng không kiêng dè lão, nhưng lão cùng hiểu rằng: những lời nói của đối phương này, nếu như mình dám tiết lộ nửa câu, khẳng định sẽ nhận lấy họa sát thân!

-Bốn vị tôn giả! Nói đến vị trí của Hoàng Kim Cung, ta nghĩ ta có thể nói mấy câu.

-Ồ!? Ngươi nói đi!

Hai mắt lão già cao gầy nhìn chằm chằm Thôi Bất Bình, còn thật nghiêm túc nói:

-Nếu có thể tìm được Hoàng Kim Cung, công lao thậm chí không nhỏ hơn tấm bản đồ thái cổ các ngươi tìm được kia! Thậm chí ta có thể tiến cử hiền tài lên môn phái, cho ngươi làm một quản sự ngoại môn. Đến lúc đó, địa vị thân phận của ngươi liền cùng cấp với chúng ta! Nếu đại sự thành công, vận mệnh Thôi gia ngươi sẽ phát sinh biến đổi long trời lở đất!

Thôi Bất Bình kích động đến cả gương mặt đỏ bừng, liên tục nói:

-Thuộc hạ hiểu được, thuộc hạ hiểu được! Thuộc hạ nhất định biết cái gì nói hết không dấu giếm!

-Ừ! Ngươi nói xem.

Lão già cao gầy dường như rất có hứng thú với Hoàng Kim Cung.

Hơn một trăm năm trước, có lần bọn họ ngẫu nhiên phát hiện Huyền Đảo, sau khi đi vào, tìm tới một trong các thế lực mạnh nhất Huyền Đảo lúc ấy là Thôi gia, trực tiếp tìm được gia chủ Thôi gia. Bọn họ hơi lộ chút bản lãnh liền khiến Thôi Bất Bình kinh sợ, lúc ấy Thôi Bất Bình mới là cảnh giới Dung Thiên đỉnh phong.

Thậm chỉ, Thái thượng trưởng lão Thôi gia nghe phong phanh chạy tới, lão tổ tông này thực lực đạt tới cảnh giới Phá Toái Hư Không thế mà trước mặt lão già cao gầy này đều bị khí thế áp chế. Tuy có phản công, nhưng khẳng định không phải đối thủ của lão.

Càng đừng nói, lúc ấy cùng đi với lão già cao gầy, còn có lão khất cái cùng với hai trưởng lão thực lực sâu không lường kia. Hơn nữa, theo lời nói của đối phương, nghe ra bọn họ còn không phải nhân vật trung tâm của môn phái thần bí kia. Điều này làm cho Thôi Bất Bình cùng vị Thái thượng trưởng lão khiếp sợ không thôi, lập tức quyết định cùng hợp tác với bọn họ.

Quả nhiên, thực lực Thôi gia chỉ trong thời gian hơn một trăm năm đó tăng lên cực nhanh. Thậm chí bồi dưỡng ra Thôi Lãnh một thiên tài kinh thế hãi tục, đáng tiếc vậy mà bị Tần Lập đưa đi chầu trời…mối cừu hận này quả thực chính là không đội trời chung!

Thôi Bất Bình cung kính nói:

-Hoàng Kim Cung, từ thời thượng cổ đã xuất hiện trên Huyền Đảo. Lúc ban đầu người biết đến cũng không nhiều, có vài gia tộc thu lợi từ trong đó, nên chỉ trong thời gian ngắn ngủn mấy trăm năm phát triển nên

rất mạnh. Sau đó chuyện được lan truyền rộng rãi, quy luật cũng bị người ta nắm lấy rõ ràng, mỗi bảy mươi năm, Hoàng Kim Cung sẽ xuất hiện một lần. Mỗi lần đều lựa chọn mười võ giả trong vòng trăm tuổi, chỉ cần không đạt tới cảnh giới Chí Tôn đều có thể tham gia. Các võ giả đó sẽ từ Hoàng Kim Cung nhận được bảo vật, hơn nữa đoạt bảo vật của người thắng lợi của người thắng lợi giải thi đấu Chí Tôn từ Hoàng Kim Cung mang ra ngoài, kết quả…

-Không đúng!

Lão khất cái nhíu mày, bỗng nhiên cắt ngang lời của Thôi Bất Bình, nói:

-Dựa theo ngươi nói, công kích kẻ được thưởng giải thi đấu Chí Tôn sẽ bị Hoàng Kim Cung công kích, đồng thời truyền tống đối phương tới chỗ an toàn?

Thôi Bất Bình gật gật đầu, nói:

-Đúng vậy! Việc này sợ là toàn bộ Huyền Đảo, không người nào không biết…

Lão khất cái xua xua tay, lại cắt ngang câu nói của Thôi Bất Bình, lão cau mày, lẩm bẩm nói:

-Không đúng! Tiểu tử kia bị ta đánh thành trọng thương cũng không phát hiện có cái gì công kích ta?

-Được rồi, lão Tam! Trước nghe Thôi gia chủ nói tiếp đi.

Lão già cao gầy thản nhiên nói.

Thôi Bất Bình không hờn giận chút nào, đối phương chịu cắt ngang lời nói, đó là cho hắn mặt mũi! Đâu phải ai cũng có thể nói chuyện cùng tôn giả chứ? Trên Huyền Đảo sáu thế lực gia tộc siêu cấp kia, khảng định nằm mơ đều không thể tưởng tượng được, Thôi gia lại có loại tao ngộ này. Tin rằng không bao lâu nữa, thế lực siêu cấp trên Huyền Đảo sẽ chỉ còn lại có một nhà! Đó chính là…Thôi gia!

-Bốn vị tôn giả! Căn cứ theo vô số thế hệ từ trước tới nay có thể phán đoán rằng: Hoàng Kim Cung thực rất có thể là ẩn giấu ở trên đỉnh Huyền Vũ Phong cao ngất kia!

Thôi Bất Bình thực có tin tưởng nói:

-Huyền Vũ Phong đó cao ngất trên tầng mây. Ngàn vạn năm qua, số võ giả có ý đồ trèo lên đỉnh Huyền Vũ Phong nhìn bầu trời ngoài thế giới đếm không hết, nhưng không có một người nào có thể thành công. Theo truyền thuyết trên Huyền Vũ Phong, linh thú Chí Tôn nhiều vô số kể. Người bình thường ngay cả lưng chừng núi cũng không thể lên tới, vì sẽ bị linh thú bao vây công kích. Cho nên, gần như tất cả mọi người đều nhận định, Hoàng Kim Cung ở ngay trên đỉnh Huyền Vũ Phong!

Lão già cao gầy nghe xong, có chút thất vọng lắc lắc đầu, sau đó nói:

-Năm đó chúng ta phát hiện Huyền Đảo, chính là từ trên trời bay tới thấy tòa núi lớn đó, đúng vậy, trên ngọn níu đó đích xác linh thú thành đàn, tồn tại không hề ít linh thú cường đại, nhưng không có thấy Hoàng Kim Cung như ngươi nói…

Thôi Bất Bình có lẽ không nghĩ tới chính là kết quả này, mình nói đã hồi lâu mỏi cả miệng, đều công cốc rồi. Hóa ra người ta hơn một trăm năm trước, cũng đã đi ngang qua Huyền Vũ Phong rồi.

Lão già cao gầy cũng không thất vọng, hướng về phía ba lão già kia thản nhiên nói:

-Chuyện này hiện tại chưa cần báo cáo về môn phái. Nếu như truyền ra ngoài, khảng định môn phái sẽ phái người khác tới đây. Đến lúc đó, bao công lao liền bị người ta đoạt mất. Dù sao Hoàng Kim Cung bảy mươi năm sẽ xuất hiện một lần, chúng ta đợi bảy mươi năm sau là được! Ôi! Lần này nghe nói về giải đấu Chí Tôn kia, vậy mà không nghĩ tới lại có liên quan với Hoàng Kim Cung, bằng không nhất định đã đi vào trong đó dò xét một phen rồi!

Trong giọng nói của lão già cao gầy đầy vẻ tiếc nuối.

Lão khất cái vò vò đầu, sau đó nói:

-Hoàng Kim Cung, ta còn tưởng rằng chỉ là lời đồn đãi, hóa ra năm đó thật sự…

-Lão Tam! Câm miệng!

Ánh mắt lão già cao gầy chợt lóe sáng, đột nhiên quát bảo lão khất cái câm miệng. Lão khất cái biết mình lỡ lời, cúi đầu im thin thít.

-Được rồi! Chuyện Hoàng Kim Cung không ai được nhắc lại nữa!

Lão già cao gầy nhìn mấy người kia cảnh cáo, sau đó mới nói:

-Trước mắt, chính là phải gia tăng tiến độ. Đối với hành động chậm chạp của chúng ta môn phái đã có rất nhiều người cảm thấy bất mãn, nhất định phải tăng nhanh tốc độ! Trước mắt, tiêu diệt sáu thế lực gia tộc siêu cấp kia rồi tính sau! Thôi Bất Bình! Ngươi đưa hết tinh nhuệ Thôi gia theo chúng ta tiêu diệt từng nhà một! Lão Nhị lão Tứ, các ngươi đi tiêu diệt Tần gia, lão Tam dưỡng thương trước đi, ta dẫn người đi trước diệt Thiên Cơ Môn!

-Đại tôn giả! Chứ không phải là thừa dịp lúc Thiếu môn chủ Thiên Cơ Môn kết hôn tiến công sao? Theo ý thuộc hạ không bằng tạm hoãn tiến công Tần gia, bởi vì Tần Lập cùng Trầm Nhạc kia quan hệ vô cùng tốt, nhất định hắn sẽ đi tham dự hôn lễ…

Thôi Bất Bình đúng là nghĩ trong lòng rằng Thiên Cơ Môn đồng dạng nội tình thâm hậu, khó mà nói không có lão tổ tông Phá Toái Hư Không còn sống. Đại tôn giả thực lực tuy rằng mạnh mẽ, nhưng nếu khinh địch thường thường kết cục đều không được tốt lắm.

Hơn nữa, Thôi Bất Bình không muốn gia tộc mình bị bốn tôn giả thần bí này đưa ra làm vật hi sinh, cũng không muốn sáu thế lực gia tộc kia bị huỷ, Thôi gia cũng bị phế đi.

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

299. Chương 301: Hai Võ Giả Chí Tôn Kém May Mắn!

Đả tự: endlesskid - Lương Sơn Bạc

Lão già cao gầy hơi nhíu mày, ngay lập tức gật gật đầu, tỏ vẻ đồng ý. Ngay từ đầu phái lão Tam đi giết Tần Lập, chẳng qua là cho Thôi gia một cái mặt mũi, thuận tay làm mà thôi. Nhưng không nghĩ rằng, lão Tam luôn luôn làm việc ổn thỏa không ngờ lại thất thủ!

Sau lưng đối phương, không ngờ cũng có võ giả cảnh giới Thiên Tôn. Chuyện này không khỏi khiến lão đề cao cảnh giác, mặc dù với cảnh giới của lão hiện tại, hoàn toàn không sợ hãi võ giả cảnh giới Thiên Tôn, nhưng nếu như nhiều lời rốt cục cũng là phiền toái, không phải sao? Cho nên, Tần Lập này, tuyệt đối không thể lưu lại nhưng là phải chú ý phương pháp một chút mới được.

Lão già cao gầy nhẹ thở dài, không nghĩ tới Huyền Đảo mình vẫn luôn không để vào mắt không ngờ cũng có tồn tại khiến hắn có điều kiêng kị.

Khi Tần Lập trở về Tần gia, thiệp mới của Thiên Cơ Môn cũng đã đưa đến Tần gia.

Thiên Cơ Môn cách thành Phong Sa ước chừng hơn hai ngàn dặm, nếu dùng xe ngựa, đại khái bảy tám ngày là có thể tới nơi. Nhưng kèm theo thiệp mời đưa đến, đồng thời còn có một thư tay gửi cho Tần Lập.

Trầm Nhạc viết trong thư đại ý nói: sáu thế lực đại siêu cấp đã phát giác được điều dị thường của Thôi gia, chuẩn bị nhân cơ hội kết hôn của hắn lần này, các nhân vật chủ yếu của các gia tộc đều tập trung tới Thiên Cơ Môn, thương thảo việc đối phó, chuẩn bị tạo áp lực với Thôi gia. Trầm Nhạc hi vọng Tần Lập có thể lợi dụng cơ hội này quen biết thêm một vài đại nhân vật trên Huyền Đảo. Dù sao đối với Tần Lập cũng coi như là một chuyện tốt.

Tần Lập đọc thư xong, cũng hiểu rằng đây là một cơ hội tốt. Dù sao lực lượng của hắn cũng có hạn, hơn nữa Thôi gia lần này gây rối, không chỉ riêng là Tần gia, bọn chúng quá lợi hại đắc tội với cả Thiên Cơ Môn và Lâm gia! Gần như đã tới mức không chết không ngừng. Dù sao, cường giả cảnh giới Chí Tôn mà nói

diệt liền diệt ngay. Hơn nữa, trong một ngày còn là giết chết hai người. Đổi lại là ai, chỉ sợ đều không nhịn được mối oán hận này.

Về phần nói các môn phái gia tộc khác, sẽ dùng thái độ thế nào thật đúng là khó nói, dù sao Thôi gia nhằm tới xem ra chỉ là các gia tộc và môn phái có quan hệ với Tần gia.

Nhưng Tần Lập thấy rằng, nếu như trưởng lão và gia chủ các gia tộc môn phái đó không phải ngu ngốc thì hẳn phải nhìn ra ý đồ của Thôi gia, bọn họ căn bản không phải vì trả thù Tần gia, mà là có mưu đồ lớn hơn nữa!

Nhất là lão khất cái có tròng mắt màu tím kia, lại làm cho Tần Lập có loại cảm giác tâm thần không yên. Chung quy cũng thấy được Thôi gia vốn chỉ là rất cường đại, nội tình rất thâm hậu, lại bị phủ kín bằng một bóng mà bất tường. Cho nên, nhất định phải thông qua kết hôn của Trầm Nhạc lần này thay đổi hết thảy! Còn có mấy người phiền toái Thiên Sát Môn kia nữa…Tần Lập suy nghĩ trong lòng.

Ngày hôm sau, Tần gia phái ra một đoàn xe trông rất lớn, mang theo không ít lễ vật lên đường. Lần này do Tần Lập dẫn đầu, Tần Tỏa phải ở lại gia tộc xử lí các công chuyện trong gia tộc.

Để ứng phó với nguy cơ trầm trọng có thể xảy ra, Tần Lập cũng bảo Tần Tỏa phái người ra ngoài, thông báo cho Bộ Vân Yên đang ở bên ngoài quay về Huyền Đảo. Tần Lập chuẩn bị để họ đi vào Hoàng Kim Cung bế quan tu luyện.

Tiểu Hắc tiếp tục ở lại trong sơn trang Tần gia bế quan tu luyện, Kim Điêu cùng Mặc Ưng, Linh Ưng cũng ở lại Tần gia để phòng ngừa bất trắc.

Xà nữ thì âm thầm đi theo bên người Tần Lập, bảo toàn an nguy cho Tần Lập. Còn Lãnh Dao, không biết xuất phát từ lo lắng điều gì, chủ động yêu cầu được đi theo Tần Lập cùng đi Thiên Cơ Môn.

Toàn bột thời gian trên đường, Tần Lập đều yên lặng thôi diễn hình thành kiếm ý, đồng thời không ngừng hấp thu Tiên Thiên Tử Khí. Hiện nay, Tần Lập đã hoàn toàn hiểu được rằng Tiên Thiên Tử Khí Quyết mình tu luyện, ở trên đời này tuyệt đối là một công pháp nhất đẳng

Bởi vì kiếm ý của Tần Lập, tuy rằng chiến kỹ Cửu Thiên Thập Địa Duy Ngã Độc Tôn đã biểu hiện đạt tới tầng thứ tư, nhưng nếu không có Tiên Thiên Tử Khí làm cơ sở, tuyệt đối không có khả năng ở cảnh giới Dung Thiên này thi triển ra kiếm ý được!

Nghĩ tới những người trên Huyền Đảo còn lầm tưởng rằng mình chỉ ngưng lại ở cảnh giới Dung Thiên, Tần Lập cảm thấy thực vừa lòng, trước khi thực lực chưa đủ mạnh, có thể chừa chút con bài chưa lật chính là lưu lại một con đường thật tốt.

Tồn tại của Tiên Thiên Tử Khí trong cơ thể, Tần Lập hầu như rất khó bị đối phương tham trắc ra thực lực chân chính của mình, coi như là một ưu thế rất lớn.

Kim trưởng lão và Thiết trưởng lão thời gian gần đây tâm tình đều xuống dốc trầm trọng.

Nguyên nhân chủ yếu là ngay trong ngày bọn họ chuẩn bị phục kích Tần Lập, lại nửa đường hiện ra một võ giả thực lực sâu không lường được, khiến bọn họ quá hoảng sợ bỏ chạy. Vốn trước đó hai người cảm thấy cơ hội này rất tốt, Tần Lập nhất định chết chắc rồi, nhưng mấy ngày sau, không ngờ Tần Lập vẫn hoàn hảo không tổn hao gì xuất hiện trong Tần gia. Đồng thời còn chuẩn bị đi Thiên Cơ Môn tham gia hôn lễ của Thiếu chủ Thiên Cơ Môn Trầm Nhạc.

Điều này làm cho hai người chấn động, bọn họ không biết cùng ngày đã xảy ra chuyện gì, Tần Lập làm thế nào có thể chạy thoát từ trong tay cường giả kia? Nhưng mối hận ý trong lòng bọn họ đối với Tần Lập khiến cho hai người này thề quyết phải giết chết Tần Lập. Vì thế, không tiếc hết thảy mọi giá phải trả! Cơ hội này, rốt cục bọn họ đã chờ đợi rất lâu rồi!

Kim trưởng lão, Thiết trưởng lão đứng trên sườn núi thấp, nhìn chằm chằm vào đoàn xe. Hai người thoáng đưa mắt ra hiệu, sau đó cùng một lúc tung mình bay lên không trung, phóng vọt tới đoàn xe kia. Đồng thời, Thiết trưởng lão ở trên không trung hét lớn một tiếng:

-Tiểu súc sinh ! Mau lăn ra đây nhận lấy cái chết!

Tần Lập đang ngồi trong xe ngựa tu luyện chợt mở hai mắt, thoáng trầm ngâm một chút, thầm nghĩ: "Đang lo không tìm thấy các ngươi, không nghĩ tới còn dám tới tìm cái chết!"

Hắc y xà nữ ngồi đối diện Tần Lập, đang yên lặng tu luyện, không nói một lời, hai mắt đồng thời mở ra liếc mắt nhìn Tần Lập một cái, thản nhiên nói:

-Ta trực tiếp đi giải quyết bọn họ?

Tần Lập nhẹ giọng nói:

-Lưu lại một người cho ta! Ta muốn nghiệm chứng một vài suy đoán của ta!

-Được!

Xà nữ nói xong, thân mình chợt biến mất trong xe ngựa. Ngay sau đó, thập phần đột ngột hiện ra giữa không trung, tung một chưởng tới Kim trưởng lão có vẻ hơi mạnh hơn một chút.

Kim trưởng lão đang tin tưởng thập phần lập tức sửng sốt, ngay sau đó một cơn sợ hãi thật sâu dâng lên tận đáy lòng. Tuy rằng đối phương không có bộc phát ra toàn bộ khí thế, nhưng căn cứ theo nữ nhân này có thể tránh khỏi thần thức của hắn, hơn nữa lại đột nhiên hiện ra tại nơi nay, đã đủ để chứng minh sự cường đại của nàng!

-Ngươi là ai?

Kim trưởng lão trong lúc cấp bách, vừa vung tay đón chưởng của xà nữ, vừa lớn tiếng hỏi.

"Ầm" một tiếng vang lớn!

Một tiếng nổ kinh thiên động địa, câu nói của Kim trưởng lão trực tiếp bị tiếng nổ này át đi, lại nhìn thân người của lão như một con diều đứt dây bị kích bay đi thật xa, toàn bộ trong lồng ngực lão đã hoàn toàn nát tan, mắt trừng to, đến chết lão cũng không dám tin thực lực của đối phương không ngờ lại mạnh mẽ như thế. Đầu tiên là chặt đứt cổ tay lão, sau đó lại thế như chẻ tre kích liên tiếp ba chưởng lên ngực lão! Bởi vì tốc độ quá nhanh, nhìn qua giống như chỉ có một chưởng!

Thân mình Kim trưởng lão từ độ cao mấy chục thước ầm ầm ngã trên mặt đất, dù cho lão đã đạt tới cảnh giới Chí Tôn, một thân gân cốt da thịt cực kì kiên cố, thế mà lần này…

Thiết trưởng lão phát ra một tiếng rống giận bi phẫn đến cực điểm:

-Đại ca!

Thân mình lão như một tia chớp phóng tới phía hắc y xà nữ, đồng thời thân thể lão bắt đầu tản phát ra một khí thế cực kì nguy hiểm!

-Cẩn thận! Lão muốn tự bạo!

Tần Lập lớn tiếng nhắc nhở xà nữ.

Kì thật căn bản không cần Tần Lập nhắc nhở, xà nữ cũng biết lão già mặt đen này định làm cái gì, nàng lạnh lùng hừ một tiếng:

-Chính hắn muốn chết, ta không lưu lại cho ngươi được rồi!

Nói xong, thân mình chợt biến mất trên không trung, ngay sau đó cực kì đột ngột hiện ra tại trước mặt Thiết trưởng lão, hung hăng tung một cước, đá ngay vào chỗ đan điền của Thiết trưởng lão.

Ầm!

Một tiếng nổ vang, mạnh mẽ đá vỡ tan đan điền của Thiết trưởng lão!

Thiết trưởng lão ngay cả tự bạo đều chưa kịp liền bị xà nữ một cước đá chết ngay!

Xà nữ bĩu môi, thân mình nhanh chóng trở lại trên xe ngựa Tần Lập, vẻ mặt không đành lòng nói:

-Thật sự là đáng ghét! Hai tên như ruồi bọ cũng dám tới khiêu khích!

Một màn này kể ra thì dài, trên thực tế chẳng qua cũng chỉ xảy ra trong nháy mắt, rất nhiều con cháy Tần gia còn chưa ý thức được chuyện gì xảy ra thì trận chiến đã kết thúc rồi!

Lãnh Dao từ cửa sổ xe ngựa thu hết một màn này vào mắt, tuy rằng nàng không thấy rõ ràng động tác của xà nữ, nhưng trong lòng nàng vẫn không thể tránh được phần hâm mộ kia.

Nàng thoáng do dự từ trong lòng lấy ra hai cái bình sứ, bên trong hai bình sứ này một là Bạo Nguyên Đan, một là Tinh Nguyên Đan. Còn Cố Bàn Đan đã tìm được bốn loại hoa, còn thiếu hai loại cần phải ra ngoài biển mới có thể tìm được.

Đối mặt với biển rộng bao la, cho dù là võ giả Chí Tôn cũng sẽ cảm thấy chính mình quá nhỏ bé. Đến khi nào mới có thể tìm được đây? Tinh Nguyên Đan nàng đã dùng qua, hiệu quả tốt kinh người, với thực lực của Lãnh Dao trước đây còn chưa đạt tới cảnh giới Phá Thiên, cho dù trước mắt tiếp cận với cảnh giới Dung Thiên, cũng không biết là có bao nhiêu khó khăn. Lãnh Dao do dự suy nghĩ: không biết mình có nên mạo hiểm ăn vào một quả Bạo Nguyên Đan hay không?

Nghĩ tới nghĩ lui, Lãnh Dao vẫn là quyết định trước nhẫn nhịn, bởi vì hiện tai cho dù nàng dùng Bạo Nguyên Đan, cũng không thể chắc chắn lập tức đạt được thực lực cường đại, hơn nữa một khi có nguy hiểm còn làm liên lụy tới Tần Lập!

Thực lực của hắc y xà nữ thật khiến cho Lãnh Dao thấy được hi vọng báo thù trước mắt. Lần này nàng muốn cùng đi theo Tần Lập, chính là muốn thử nhìn xem có thể trong bữa tiệc cưới của Trầm Nhạc gặp được kẻ thù hay không!

Nhiều năm qua đi như vậy, Lãnh Dao vẫn không thể nào quên được mấy giọng nói kiêu ngạo ngày ấy. Quả thực những giọng nói đó đã trở thành ác mộng của nàng hàng đêm. Mỗi lần từ trong ác mộng bừng tỉnh lại, nàng nhớ rõ đều là mấy giọng nói trong mộng kia.

Cho nên, chỉ cần mấy người kia có mặt tại Thiên Cơ Môn, chỉ cần giọng nói của bọn chúng không có thay đổi nhiều lắm, Lãnh Dao thực có tin tưởng nhận ra được bọn chúng!

Tần Lập thấy xà nữ dụng tâm chưa nói hết ý, không kìm nổi cười khổ lắc đầu, thuận miệng hỏi:

-Ta nói…Tiểu Tuyết nha! Ngươi có thể không cần bạo lực như vậy hay không, lên một cái liền trực tiếp giết chết người ta, tốt xấu gì ngươi cũng làm bộ đánh một hồi, lưu lại cho ta một tên luyện tập chứ!

-Bọn chúng là kẻ thù của ngươi, vì cái gì phải lưu lại?

Xà nữ vẻ mặt vô tội nhìn Tần Lập, đối với lối suy nghĩ của Tần Lập này nàng rất khó hiểu. Nàng luôn luôn cho rằng, có cừu báo thù, trực tiếp giết là được.

-Vì sao nhân loại luôn thích làm nhiều chuyện rắc rối như vậy chứ?

Tần Lập nhún nhún vai, phất phất tay, tỏ vẻ không có cách nào khác làm cho nàng hiểu được.

Hai gã Chí Tôn thoáng một cái mất mạng, chết thật đúng là oan uổng. Nếu ngày đó bọn họ ở lại đó thêm một chút, cũng có thể nhìn thấy hắc y xà nữ đại phát thần uy.

Tuy nhiên, chết thì đã chết tồi! Cũng tránh cho mình một mối tâm bệnh. Tuy nhiên, có cơ hội thật cũng muốn nghiêm chỉnh nói một chút với xà nữ có khuynh hướng bạo lực này: khi tới Thiên Cơ Môn cho dù gặp đám gây rối Thôi gia cũng không nên tùy tiện động thủ.

Một là Tần Lập không muốn quấy nhiễu ngày hôn lễ của bằng hữu, hai là nếu như động thủ, Thiên Cơ Môn cũng có rất đông người! Vừa lúc có thể nhìn xem nội tình của Thiên Cơ Môn, đến tột cùng có bao nhiêu thâm hậu.

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

300. Chương 302: Thiên Hạ Thuỳ Nhân Bất Thức Quân!

Đả tự: endlesskid - Lương Sơn Bạc

(*) người mà cả thiên hạ không ai không biết!

Lúc này, Thiên Cơ Môn có thể nói là nơi cường giả tụ tập! Gần như toàn bộ tất cả đại nhân vật trên Huyền Đảo đều đã đến nơi này!

Hôn lễ của Thiếu chủ Thiên Cơ Môn vốn không thể hấp dẫn nhiều đại nhân vật như thế tham gia, nhưng bởi vì hành động điên cuồng của Thôi gia lúc này khiến cho tất cả gia tộc trên Huyền Đảo đều ngửi thấy được đang có một âm mưu âm thầm diễn ra. Những gia tộc có thể trải qua hơn vạn năm tích lũy và phát triển làm sao có thể không nhận ra được điều đó?

Thôi gia hiện tại mặc dù đang hết sức che đậy nhưng phương thức hành sự không chút kiêng nể gì kia rõ ràng là đang nói cho mọi người rằng: Thôi gia cũng đang muốn thôn tính toàn bộ Huyền Đảo. Suy đoán này tuy rất kinh người, làm cho người ta khó có thể tin nhưng cũng là một suy đoán rất hợp lẽ thường!

Kết quả là, ngoại trừ Thiên Cơ Môn và Lâm gia, hai siêu cấp thế lực vốn có đại cừu với Thôi gia, những người đứng đầu các thế lực lớn khác cũng đều sinh ra tâm lí cực kì cảnh giác đối với Thôi gia.

Hiện tại, ngay tại trang viên tiếp khách khổng lồ của Thiên Cơ Môn, thỉnh thoảng lại có thể nghe thấy những đệ tử phụ trách tiếp đón khách nhân cao giọng hô lớn. Thanh âm kia lúc đầu trong trẻo, sau đó đã có chút khàn khàn, sau đó liền có người đứng ra thay thế.

Thời điểm đoàn xe của Tần gia đi tới, trang viên tiếp khác nhìn không thấy cuối của Thiên Cơ Môn đều đã được lấp kín bởi con cháu của các thế lực.

Đã sớm biết Tần Lập đến, Trầm Nhạc lúc này cũng đã đứng ở đại môn của trang viên. Điều khiến người ta cực kì bất ngờ chính là Môn chủ Thiên Cơ Môn, phụ thâm của Trầm Nhạc, Trầm Long Hưng cùng với những trưởng lão và cao tầng khác của Thiên Cơ Môn cũng đã đứng ở đại môn của trang viên đón khách.

-Hắc, ngươi xem, hẳn lần này là một đại nhân vật tới đấy! Không ngờ lại bày ra lễ nghi tiếp đón siêu cấp thế lực như thế!

Có mấy người thấy đại môn của trang viên kia đứng nhiều thành viên cao tầng của Thiên Cơ Môn như thế thì lập tức kinh ngạc nói.

-Cái này, còn có đại nhân vật của siêu cấp thế lực nào đến đây?

Có người cau mày, nhẩm tính nói:

-Ngươi xem, Lâm gia Gia chủ Lâm Tử Tường trước đó đã cùng với vài vị Thái thượng trưởng lão cực mạnh trong truyền thuyết đi tới đây. Vương gia gia chủ Vương Lâm cũng mang theo vài vị Thái thượng trưởng lão và các nhân vật cao tầng tới sau Lâm gia chủ. Ngoài ta Tiêu gia, Bái Kiếm Sơn Trang, còn có người của Băng Thiên Nhai, tất cả đều tới rồi! Chẳng lẽ lần này tới là Thôi gia?

-Thôi gia chó đẻ! Thôi gia vừa mới trắng trợn giết đi tổng cộng bốn vị trưởng lão Chí Tôn của Lâm gia và Thiên Cơ Môn. Bọn họ hiện tại nếu dám tới nơi này thì chỉ chốc lát đã bị chém thành mảnh nhỏ!

-Vậy thì là ai tới, có thể được cấp cho thể diện lớn như thế? Chẳng lẽ lại là Phú giáp thiên hạ Tiền gia?

-Tiền gia đã sớm tới rồi. Mấy ngày trước ta còn thấy Gia chủ của Tiền gia còn mang theo vài vị cơ thiếp ra ngoài tản bộ mà!

-Mặc kệ! Chúng ta hiện tại chỉ cần chờ một lát không phải sẽ biết sao?

Mọi người đều sôi nổi bàn luận, đứng thành tốp năm ba người đồn đoán. Toàn bộ Thiên Cơ Môn nơi nơi đều giăng đèn kết hoa. Những người đến đây đều không kìm lòng được bị cuốn hút theo không khí vui vẻ, trên khuôn mặt tràn đầy vẻ vui mừng.

Không lâu sau, càng ngày càng có nhiều người gia nhập vào đội ngũ đón khách, trong đó còn có người của mấy siêu cấp thế lực kia.

Vì thế vô số người đều thầm đoán xem người tới lúc này đến tột cùng là ai mà được cấp cho thể diện lớn như thế!

-Có thể hay không…là Tần Lập của Tần gia?

Trong đám người rốt cục có người đưa ra phán đoán của mình.

-Ai da, ta làm sao lại quên mất người đó! Đó là đệ nhất tuấn kiệt trong truyền thuyết của Huyền Đảo hơn hai ngàn năm qua! Tại Chí Tôn đại tái thì một kiếm bích tử cường giả Chí Tôn trẻ tuổi của Thôi gia!

-Không phải chứ? Ta đã sớm muốn kiến thức qua vị tuấn kiệt trẻ tuổi này là như thế nào? Ha ha, hắn thật sự một kiếm giết chết thiên tài Chí Tôn trẻ tuổi kia của Thôi gia sao?

-Chính là như thế! Ta tận mắt chứng kiến!

-Hừ, chỉ là một tiểu gia tộc thực lực hạng trung thôi, có gì đáng ngạc nhiên!

Trong đám người đột nhiên xuất hiện thanh âm phản bác. Tất cả mọi người đều không kìm được quay đầy chuyển mắt nhìn về người nọ. Đó là một người trẻ tuổi mặc đồ lụa màu đen, nhìn cực kì anh tuấn. Chỉ là hơi chút lòe loẹt, trông giống như một cậu ấm sống trong một thế gia!

Thấy tất cả mọi người đều nhìn về phía mình, hắn rất đắc ý, hơi chút bĩu môi nói:

-Tại hạ là Thiếu chủ Hàn gia Hàn Phong, ra mắt các vị! Ta muốn nói là tên Tần Lập kia rõ ràng đã bị thần thánh hóa! Cái gì mà một kiếm trảm Chí Tôn? Cái gì mà đệ nhất thiên tài của một thế hệ…ta không tin! Các ngươi làm sao biết rằng về chuyện này còn có tin đồn khác?

Hàn gia, trên Huyền Đảo địa vị không bằng Phú giáp thiên hạ Tiền gia, tuy nhiên, một câu nói này của Hàn Phong đã đắc tội với tất cả mọi người ở đây. Câu nói Tần Lập không là gì này, rõ ràng là hắn đợi mọi người nơi này tán dương Tần Lập một lúc rồi mới thốt lên, chính là phủ định tất cả mọi người.

Cho nên có người lộ ra vẻ khinh thường nói:

-Tần Lập có cường đại như trong truyền thuyết hay không thì ra không rõ ràng lắm. Nhưng khi Hàn gia các ngươi tới, dường như chỉ có hai trưởng lão ra nghênh đón mà thôi phải không?

Tuy nhiên, không đợi người kia lên tiếng, bỗng nhiên từ phía bên kia đã có người ở xa xa lớn tiếng hô lên:

-Thành Phong Sa, Tần gia Tần Lập tiến tới chúc mừng! Lễ vật, Thiên niên Linh Ngọc thủ trạc! Ngũ sắc San Hô trong biển một gốc! Dạ minh châu cực phẩm mười viên! Còn có đan dược do Tần gia vừa mới nghiên cứu chế xuất ra…năm trăm viên!

Trong đám người lập tức nổi lên một trận kinh hô! Những thứ phía trước đều coi như là không ra gì, tuy rằng quý báu nhưng đối với một gia tộc đã tích lũy tới vạn năm mà nói thì lấy ra làm hạ lễ cũng chỉ coi như là cho đúng quy củ. Tuy không keo kiệt nhưng vị tất đã được một siêu cấp thế lực coi vào mắt!

Nhưng phía sau, năm trăm viên đan dược mới kia, giá trị của nó trong mắt mọi người ở đây đều khó có thể đánh giá được.

Tân phẩm đồng nghĩa rằng loại đan dược này cũng chưa công khai tiêu thụ. Hơn nữa nếu là để đưa ra tặng người thì tuyệt đối đã trải qua vô số lần thí nghiệm, xác định hiệu quả ổn định, tốt lành!

Tần gia dựa vào đan dược mà tồn tại, lấy đan dược để kết minh với những siêu cấp thế lực như Thiên Cơ Môn và Lâm gia, còn giao hảo với các thế lực khác ngoại trừ Thôi gia. Hết thảy những điều này là vì mấy năm gần đây, từ Tần gia, tâm phẩm đan dược xuất hiện liên tục!

Do có thứ này, cho dù Tần gia Gia chủ không đích thân đến, người tới chỉ là một đệ tử trung tâm trong gia tộc thì cũng xứng để Môn chủ Thiên Cơ Môn Trầm Long Hưng tự mình tiến đến nghênh đón! Đây rõ ràng là một phần đại lễ!

Trầm Nhạc kích động không thôi, ngay cả khuôn mặt cũng có chút đỏ lên. Nếu không phải bận tâm về hình tượng bản thân mình thì e là đã sớm xông lên tìm Tần Lập. Trước đó tuy nói giỡn với Tần Lập, nói rằng tới đại hôn của ta ngươi nhất định phải lấy đan dược làm lễ vật nhưng ai cũng biết đó chỉ là câu vui đùa mà thôi!

Theo việc một đan phương về tinh thần lực của Tần gia có thể đổi được năm quốc gia thế tục và hai khoáng mạch linh thạch liền đủ để chứng minh giá trị của đan dược này. Nói rằng mỗi viên đan dược đáng giá một tòa thành đều tuyệt không quá đáng!

Tần Lập từ trên xe ngựa nhảy xuống đã thấy Trầm Nhạc đứng giữa đám người kia. Mà thấy đám người kia tràn đầy khí chất và khí tràng liền nhận ra chính là những nhân vật cao tầng của Thiên Cơ Môn.

Tần Lập không chút hoang mang, vươn bàn tay ra giúp Lãnh Dao xuống xe ngựa, sau đó thần tình bình tĩnh, thong dong đi về phía bên cạnh Trầm Nhạc, hướng về Trầm Long hưng ở vị trí trung tâm, ôm quyền nói:

-Vãn bối Tần Lập, đại biểu cho Tần gia thành Phong Sa tiến đến chúc mừng đại hôn của bằng hữu Trầm Nhạc, xin ra mắt chư vị tiền bối, dâng lên chút lễ mọn không đủ thể hiện thành ý!

-Ha ha, tốt, tốt!

Nhìn qua, Trầm Long Hưng chẳng qua chỉ mới khoảng năm mươi tuổi mà thôi. Tùy nhiên hơn phân nửa võ giả trên Huyền Đảo, không thể lấy diện mạo mà suy ra tuổi tác thực. Trên thực tế, tuổi thật của hắn đã hơn hai trăm. Trên Trầm Nhạc còn có mười mấy tỉ tỉ, chỉ có mỗi Trầm Nhạc là con trai cho nên tính tình Trầm Nhạc khiêu thoát không chút quan hệ nào tới sự dung túng của hắn.

Diện mạo của Trầm Long Hưng nho nhã, dưới cằm có một ít râu. Nói xong hai chữ "tốt" thì lại cười nói tiếp:

-Ngươi là bằng hữu của Trầm Nhạc, lão phu là phụ thân của hắn, Môn chủ Thiên Cơ Môn, gọi ngươi một tiếng tiểu điệt cũng không sai đi!

-Vãn bối ra mắt bá phụ. Nói đến, thật ra vãn bối có chút…

Trên mặt Tần Lập mang theo một chút tươi cười ngượng ngùng, nhìn ánh mắt Trầm Nhạc có chút đăm đăm, không kìm được lấy tay xoa xoa. Người sau thầm nghĩ "ta không nhìn lầm chứ, tiểu tử ngươi mà cũng có lúc ngượng ngùng sao?"

-Nói thêm lại khách khí rồi, ngươi có thể đến ta đã rất cao hứng! Tiểu điệt, ta giới thiệu cho ngươi một chút, đây là vài vị Thái thượng trưởng lão của Thiên Cơ Môn. Bọn họ vẫn rất tán thưởng ngươi!

Trầm Long Hưng trực tiếp bước tới, nắm lấy cổ tay Tần Lập, không chút phân bua kéo hắn đi về phía đám nhân vật cao tầng của Thiên Cơ Môn.

Mà những người ở xa xa chung quanh cả đám đều không kìm nổi, đều lộ ra thần tình kinh ngạc, không dám tin, bắt đầu to nhỏ bàn tán.

-Trời ạ, ta không nhìn lầm chứ, lần đầu tiên gặp mắt đã trở thành tiểu điệt! Thiên Cơ Môn từ khi nào lại có giao tình thế này với Tần gia?

-Ngươi thấy ngu chưa? Trầm Môn chủ rõ ràng là đang mượn sức Tần Lập! Tiểu điệt? Hừ, cho dù phụ thân của Tần Lập đứng ở chỗ này thì người ta cũng không thèm liếc mắt một cái! T

-Vậy cũng không hẳn, người ta phụ bằng tử quý!

-Ta chỉ nghe nói qua mẫu bằng tử quý, chưa từng nghe qua phụ bằng tử quý!

-Hắc hắc, quản gì phụ thân hay mẫu thân! Dù sao Tần gia hẳn là phải quật khởi, a!

Bên này,Trầm Long Hưng đang hưng phấn lôi kéo Tần Lập giới thiệu những nhân vật trọng yếu trong Thiên Cơ Môn. Bên kia, ánh mắt mọi người phức tạp nhìn theo. Hâm mộ, ghen tị…cũng không phải là ít!

Lúc này, Trầm Long Hưng bỗng nhiên truyền âm cho Tần Lập nói:

-Căn cứ theo tin tức chúng ta có được thì Thôi gia lúc này nhằm vào hôn lễ của tiểu nhi, chắc chắn sẽ có đại động tác. Mà ngươi là một trong những người bọn họ thống hận nhất! Cho nên tiểu điệt, mấy ngày này nhất định phải cẩn thận phòng bị! Ta hoài nghi bên trong những gia tộc cũng có người của Thôi gia trà trộn vào. Tóm lại ít ra ngoài là tốt nhất! Ta sẽ hết sức bảo vệ sự an nguy của tiểu điệt!

Thần sắc của Tần Lập hơi đổi, gật đầu nhè nhẹ! Sau khi hàn huyên một lúc, Tần Lập đi cùng Trầm Nhạc tới nơi vốn đã chuẩn bị tốt cho Tần gia.

Dọc theo đường đi, tất cả những người nhìn thấy Tần Lập đều không khỏi nhìn hắn vài lần, quả là có chút hương vị của "thiên hạ thùy nhân bất thức quân"!

Mấy thứ này Tần Lập luôn không để ý. Thần thức của hắn tràn ra ngoài, có thể cảm nhận được vô số võ giả cường đại, còn có mấy người thâm bất khả trắc!

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

301. Chương 303: Ân Oán Thế Gia

Đả tự: ken2b - Lương Sơn Bạc

Hơn nữa một số còn phát hiện ra thần thức của Tần Lập!

Tần Lập buộc phải nhanh chóng thu hồi thần thức, sau đó thầm kinh hãi: "Xem ra các thế gia này đều thật sự có hành động rùi! Không ngờ còn phái ra nhiều cường giả như thế! Bọn họ chẳng lẽ không sợ Thôi gia thừa dịp này tấn công sào huyệt của bọn họ sao?

Nghĩ tới đây, trong lòng hắn không kìm được cười khổ, cảm thấy chính mình thật sự là lo nghĩ vô cớ. Những điều mình có thể nghĩ tới thì chẳng lẽ những đại gia tộc này còn chưa nghĩ tới hay sao? Trải qua vạn năm, nếu không có điểm nội tình mà không muốn người ngoài biết thì cũng thật sự là sống uổng phí!

Trong lòng thầm nghĩ thế, Tần Lập mang theo mọi người đi vào lạc viện tinh sảo. Ngay cả Tần Lập cũng không thể kìm nổi sự chấn động vì cảnh đẹp nơi này. Con đường nhỏ sạch sẻ, ôn tuyền giả sơn, đình thủy tạ, nhà cửa san sát. Loại địa phương này quả thực chính là thế ngoại đào nguyên! Khiến cho mọi người quen nhìn những thứ phú quý xa hoa vẫn cảm nhận được một cỗ tươi mát của thiên nhiên! Tự nhiên đã có người an bài những người của Tần gia, Trầm Nhạc mang theo Tần Lập tiến vào trong phòng.

Tần Lập không thấy xà nữ nhưng cũng biết được bổn sự của nàng, phỏng chừng là không muốn gặp người ngoài nên đã trốn đi đâu đó. Trong phòng Lãnh Dao một mực giữ yên lặng đi theo bên người Tần Lập.

Bởi vì rất ít khi lộ diện nên người biết Lãnh Dao rất ít. Trầm Nhạc còn tưởng rằng Lãnh Dao là thị nữ của Tần Lập cho nên khi chuẩn bị nói chuyện, ánh mắt theo tự nhiên nhìn về phía nàng. Hắn cũng phải cảm thấy nao nao, không nghĩ tới nữ tử này lại xinh đẹp như thế, so với Thượng Quan Thi Vũ cũng chỉ kém một chút mà thôi!

-Các vị nói chuyện đi, ta trước ra ngoài trước!

Lãnh Dao băng khiết thông minh, tự nhiên nhìn ra băn khoăn của Trầm Nhạc, cũng không để bụng, chuẩn bị lui ra ngoài!

-Không cần đâu, Trầm Nhạc, đây là bằng hữu cùng ta chia sẻ hoạn nạn! Nàng tên là Lãnh Dao!

Tần Lập cười cười nói.

Trầm Nhạc cũng là người thông minh, tuy không dám xác định quan hệ giữa hai người nhưng nếu có thể được Tần Lập không kiêng dè như thế thì tự nhiên cũng xem trọng nữ tử này vài phần!

-Ha ha, Lãnh Dao tiểu thư, trước đó tại hạ còn không biết, mong đừng trách tội!

Thái độ làm người và khả năng ứng xử của Trầm Nhạc thậm chí còn có thiên phú hơn phương diện võ học của hắn.

Nhắc tới Trầm Nhạc, những người trong Huyền Đảo biết hắn đều nói đây là một người tốt, trọng nghĩa khinh tài. Rất ít ai đề cập tới một thân thực lực của Trầm Nhạc nhưng kỳ thật thực lực của hắn không chút kém nào so với những người được tuyên dương là thiên tài kia!

-Không sao cả!

Tính tình Lãnh Dao tuy đơn giản nhưng vẫn rất thông hiểu lễ nghĩa!

Nàng ngưng mắt nhìn Tần Lập, trong mắt lộ ra vài phần tình cảm.

Trầm Nhạc ngồi bên kia, buông thần thức quét qua một lượt, thấy không có sự tình gì khả nghi mới nhỏ giọng nói:

-Huynh đệ, lúc này ngươi nhất định phải chú ý! Thôi gia hành sự như thế, rất nhiều người đều nói rằng bọn họ đã kiêu ngạo hống hách tới cực điểm, âm mưu lấy sức một nhà mà khiêu chiến toàn bộ Huyền Đảo! Quả thật những người đó đều hiểu rằng nếu Thôi gia không có kế sách vẹn toàn thì làm sao có thể làm ra chuyện tình ngu ngốc như thế được!? Cho nên, ngươi tuyệt đối không thể làm kẻ cầm cờ được! Thôi gia đối với ngươi đúng là hận thấu xương. Dù ngươi không xuất đầu, bọn họ cũng muốn tìm cơ hội giết ngươi! Cho nên ngươi nhất định phải cẩn thận. Cho dù trong ngày đại hôn của ta, Thôi gia có phái người tới đây thì ngươi cũng đừng xuất đầu. Nhiều người của các gia tộc như vậy ở chỗ này, ta thực muốn nhìn bọn họ xem náo nhiệt tới lúc nào!?

Một câu nói chân thành của Trầm Nhạc khiến Tần Lập rất cảm động! Tuy rằng hắn không nói, chính mình cũng rõ ràng những điều này nhưng người ta thẳng thắn nói ra, đó chính là xem ngươi là bằng hữu, là huynh đệ! Chính mình nhìn ra và do người ta chính mồm nói ra có sự khác biệt rất lớn!

Lúc này, Lãnh Dao ở một bên nhẹ giọng nói:

-Những gia tộc này đã nhìn ra ý đồ của Thôi gia, chẳng lã vẫn có thể ngồi chờ chết như vậy sao?

Trầm Nhạc nhìn về phía Tần Lập đang trầm tư, không kìm nổi cười khổ nói:

-Ngồi chờ chết thì đương nhiên sẽ không! Nhưng không ai nguyện ý dẫn đầu! Bởi vì trong lòng ai cũng đều rõ ràng mục đích của Thôi gia đó chính là xưng bá ở trên Huyền Đảo, mà không phải là tiêu diệt Huyền Đảo! Chỉ cần lợi ích của gia tộc mình không bị tổn hao trí mạng thì có người nào lại muốn vì thế mà xuất đầu?!

Lúc này Tần Lập mới ngẩng đầu lên nhìn Trầm Nhạc hỏi:

-Trầm huynh, tiểu đệ vẫn có một nghi vấn, không biết có nên hỏi hay không?

-Hắc, huynh đệ chúng ta còn nói như thế sao? Ngươi muốn hỏi gì cứ hỏi đi!

Trầm Nhạc tùy tiện khoát tay chặn lại.

-Ta thấy giữa Thiên Cơ Môn và Thôi gia dường như trước đây đã có cừu oán…

-Ai, huynh đệ ngươi quan sát rất tinh tế! Đúng vậy, giữa Thiên Cơ Môn và Thôi gia có ân oán giằng co, kỳ thật đã bắt đầu từ thời thượng cổ rồi!

Trầm Nhạc thở dài một tiếng, giảng giải về căn nguyên mối quan hệ giữa Thiên Cơ Môn và Thôi gia trước đây.

Giữa hào môn với nhau có rất nhiều gút mắc! Lời này quả đúng như thế! Là một gia tộc và môn phái từ thời thượng cổ đã tiến vào Huyền Đảo, các loại ân oán giữa Thôi gia và Thiên Cơ Môn kỳ thật chưa từng chấm dứt!

Nói như vậy, lực ngưng tụ của gia tộc so với môn phái thì phải mạnh hơn một ít. Tuy nhiên, từ thời thượng cổ, những gia tộc này thường xuyên phái một số tử đệ trung tâm, bí mật thâm nhập vào các môn phái học trộm võ học của đối phương.

Loại chuyện này không thể một hai năm mà hoàn thành được. Có một số tử đệ thành công mang về những võ học nòng cốt của đối phương. Có người trải qua cảm hóa, hoàn toàn dứt ra khỏi gia tộc mình, gia nhập vào các môn phái này.

Trên đời không có chuyện gì có thể che dấu mãi được. Loại chuyện như thế này chung quy đến một ngày có người phát hiện ra. Cho nên mấy ngàn năm trước, ba đại môn phái trên Huyền Đảo gần như đều không

công khai thu đồ đệ. Cho dù thu cũng đều rất nghiêm khắc, chỉ hận không thể điều tra tới tận tổ tông tám đời nhà người ta ra!

Điều này kỳ thật cũng không tính là cái gì. Nhưng một trăn năm trước. Thiên Cơ Môn và Thôi gia suýt chút nữa đã phát sinh một trận sống mái với nhau.

Nguyên nhân chính là một thân muội mà đương nhiệm Chưởng môn Thiên Cơ Môn Trầm Long Hưng cực kỳ sủng ái là Trầm Long Mai lại có tình cảm với đệ đệ nhỏ tuổi nhất của đương nhiệm Gia chủ của Thôi gia Thôi Bất Bình là Thôi Bất Quần!

Tên Thôi Bất Quần này lại là một tên ngụy quân tử chính cống! Mặt ngoài tuy nhìn có vẻ đạo mạo nhưng thực tế lại chứa đầy một cái bụng xấu xa, còn không bằng cả một tên tiểu nhân!

Sau khi lừa gạt được tình cảm của Trầm Long Mai, lấy nàng về lại muốn từ trong miệng nàng do thám về một loại tuyệt học của Thiên Cơ Môn! Loại chuyện này, Trầm Long Mai tự nhiên sẽ không đáp ứng. Vì thế Thôi Bất quần ngày càng đối xử tệ mạt đối với Trầm Long Mai. Đến cuối cùng, hắn hoàn toàn xé rách da mặt, nói nếu Trầm Long Mai không nói ra khẩu quyết của tuyệt học kia liền đem nàng trả về Thiên Cơ Môn!

Trước khi Trầm Long Mai yêu tên Thôi Bất Quần này thì Trầm Long Hưng đã tuyệt đối không đồng ý! Nhưng sau vì Trầm Long Mai tâm tình kiên định như sắt đá, một lòng đòi gả cho Thôi Bất Quần, hiện không ngờ lại rơi vào kết cục như thế! Trong lúc nản lòng thoái chí, nghĩ quẩn, nàng đã tự sát! Mà thời điểm nàng tự sát, cách đại hôn của nàng không đến một năm thời gian!

Biết được muội muội của mình bị người bức tử, Trầm Long Hưng thiếu chút nữa phát điên lên, lúc ấy liền mang theo hơn mười cao thủ của Thiên Cơ Môn, tiến thẳng vào trong Thôi gia, muốn bắt Thôi Bất Quần đánh chết tươi tại chỗ!

Lúc ấy Thôi gia cũng không chút yếu thế, xuất động rất nhiều người, thiếu chút nữa đã đánh nhau. Cuối cùng, Thôi Bất Bình tự mình ra mặt, tự mình nhận lỗi, cũng chặt đi một cánh tay trái của Thôi Bất Quần mới đem chuyện này giải quyết!

Tuy nhiên, chuyện này cũng bị hai nhà coi là vô cùng nhục nhã. Thôi gia cảm thấy bọn họ phải ngậm bồ hòn làm ngọt mà bên Thiên Cơ Môn lại hiểu được rằng Thôi gia toàn là một lũ tiểu nhân. Cho nên chuyện năm đó cũng dần bị lãng quên!

Nói tới đây Trầm Nhạc có chút thương cảm nói:

-Đám hỏi giữa các đại gia tộc vốn là một chuyện rất bình thường. Chỉ đáng thương cho cô cô của ta! Phương hoa tuyệt đại là thế…Di? Lãnh tiểu thư, sắc mặt ngươi sao đột nhiên khó coi như thế?

Tần Lập cũng phát hiện ra sắc mặt của Lãnh Dao đột nhiên tái nhợt. Lãnh Dao hơi lắc đầu nói:

-Không có gì, Trầm công tử vừa nói tên Thôi Bất Quần kia bị chặt đứt mất cánh tay trái?

-Đúng vậy, tên súc sinh kia nếu có cơ hội ta nhất định chặt hắn thành tám khối! Chỉ thương cho cô cô của ta, ai!

Dù sao cũng là một sự sỉ nhục của gia môn, vẻ mặt Trầm Nhạc lúc này cũng trở nên buồn bã, liên đứng dậy cáo từ rồi nói:

-Tần huynh đệ, mấy hôm tới cố gắng không nên ra ngoài, chỉ nên bên trong trang viên hội khách này thì là an toàn nhất! Cũng có thể nhân cơ hội này làm quen với cao tầng của các môn phái gia tộc, đối với sự phát triển sau này cũng rất có lợi. Ta đoán rằng tối nay Lâm Hằng sẽ tự thân tới tìm ngươi!

Sau khi tiễn Trầm Nhạc liền trở lại phòng, nhìn sắc mặt có chút khó coi của Lãnh Dao không kìm nổi lên tiếng hỏi:

-Tên Thôi Bất Quần kia là hung thủ diệt cả nhà cô phải không?!

Hốc mắt của Lãnh Dao đỏ lên, đôi con mắt cũng phát ra lãnh ý, nước mắt tuôn trào ra. Nàng hít một hơi thật sâu, cố gắng khống chế tâm tình của mình rồi nói:

-Ngày đó, kẻ giết nhiều người nhất chính là tên biến thái đó! Nữ nhân trong gia tộc ta bị hắn…rất nhiều, hơn nữa thủ đoạn lại cực kỳ tàn nhẫn! Những điều này đều là do người mang ta chạy ra khỏi Phổ Đà Thánh địa chính miệng nói cho ta! Hắn nói đáng hận nhất chính là một kẻ cụt một cánh tay! Đám người ác ma kia của Thôi gia là do hắn cầm đầu…hức hức…

Lãnh Dao nói xong đã không kìm được khóc òa lên.

Tần lão tiến tới đưa tay nắm lấy bàn tay lạnh lẽo của lãnh Dao, một cỗ Tiên thiên tử khí liền được hắn đưa vào, định trụ lại kinh mạch đang hơi hỗn loạn của Lãnh Dao, sau đó an ủi nói:

-Lãnh Dao, tin ta đi, sớm muộn gì cũng có một ngày ta sẽ cho cô cơ hội chính tay mình giết chết kẻ thù!

Lãnh Dao gật mạnh đầu, nhẹ nhàng rút tay mình lại, sau đó nhẹ giọng nói:

-Tần Lập, cảm ơn ngươi!

Chiều tối hôm đó, quả nhiên đúng như lời của Trầm Nhạc, Lâm Hằng tìm tới cửa. Câu nói đầu tiên của hắn chính là cười lớn nói:

-Tần huynh đệ, ngươi tới chậm quá! Chúng ta đều đã tới đây mấy ngày rồi. Đi, tối nay có yến hội, vi huynh mang ngươi đi làm quen với những thanh niên tài tuấn của Huyền Đảo ta!

Nói xong, khi thấy bốn phía không người liền hỏi nhỏ:

-Muội muội quốc sắc thiên hương của ta cũng đến đây đấy! Đúng rồi, sao không thấy Thi Vũ cô nương?

Lâm Hằng nhớ tới sự xấu hổ lần trước, thật sự rất sợ khi đang nói chuyện mà cô gái Thượng Quan Thi Vũ lại lặng yên, vô thanh vô tức xuất hiện sau lưng hắn.

Tần Lập không khỏi cảm thấy có chút buồn cười. Tên Lâm Hằng này tới hôm nay vẫn muốn đem muội muội của hắn giới thiệu cho mình. Tuy nhiên hắn cũng không phải là cổ bảo ngọc, đối với muội muội của Lâm Hằng cũng không có cảm giác gì.

Mỹ nữ thì sẽ thu sao? Tần Lập không kìm nổi âm thầm lắc đầu, bên người mình đã có quá nhiều rồi, không cần thêm nữa!

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

302. Chương 304: Phong Vân Tế Hội!

Đả tự: ken2b - Lương Sơn Bạc

Lần này Lãnh Dao đến là muốn đi theo bên người hắn, giúp hắn ứng phó các sự tình cho nên mặc dù cảm xúc không tốt lắm, nàng vẫn có xốc lại tinh thần, hơi trang điểm một chút. Cả người nàng khí chất cực kỳ cao quý, lãnh diễm!

Ngay cả Lâm Hằng cũng phải thầm cảm thán trong lòng. Khó trách mỗi lần Tần Lập thấy muội muội của mình đều không có chút hứng thú nào. Mỗi nữ tử tùy tiện nào bên người đều là quốc sắc thiên hương, nếu so sánh cũng không thua kém muội muội mình chút nào!

Nghĩ thế, Lâm Hằng cũng không khỏi cảm thấy buồn bực! Hắn vẫn muốn trở thành đại cữu ca mà!

Lâm Hằng so với Trầm Nhạc thì bình tĩnh hơn vài phần, nhưng lại kém thông minh hơn một chút, lòng dạ tâm cơ lại có chút thâm sâu hơn. Tuy nhiên, hắn cũng không tồi, giống như Trầm Nhạc, đều xem trọng tiền đồ tương lai của Tần Lập!

Cho dù bọn họ ngay từ đầu có chút không muốn thừa nhận nhưng vốn là những tử đệ chân chính ưu tú của các thế gia, có thể nhìn thẳng vào ưu điểm của người khác, do đó chính mình cũng có tiến bộ!

-Đi thôi Tần huynh đệ, buổi tối hôm nay ngươi chắc chắn sẽ được rất nhiều người chú ý. Còn có vị tiểu thư này nữa! Ha ha!

-Ha ha, đây là bằng hữu của ta, Lãnh Dao.

-Nga, Lãnh Dao tiểu thư!

Lâm Hằng ôm quyền chào đón rất thân thiện, trong lòng lại đang thầm oán: "Bằng hữu cái gì? Còn không bằng nói rõ luôn đây là nữ nhân của ngươi. Khiến ta không thể làm cửu ca của ngươi rồi!"

-Ưm!

Lãnh Dao hơi gật đầu, hướng về Lâm Hằng như ý trả lời.

Trong lòng Lâm Hằng khẽ động, vừa rồi vốn không thực sự đem Lãnh Dao để vào trong lòng nhưng hắn không kìm nổi phải lần nữa quan khán kỹ nữ nhân có khí chất cao quý xuất chúng này. Chân chính là con cháu của đại gia tộc, một động tác, cách nói chuyện trong mắt của người cùng đẳng cấp đều có sự khác biệt rất lớn với những thường nhân.

Không thể nghi ngờ, Tần Lập chỉ là con cháu của một tiểu gia tộc mà thôi. Điều này không phải là cười nhạo Tần Lập mà là vì cử chỉ hành vi của Tần Lập cũng không có khí tức tao nhã của loại con cháu trong các đại gia tộc! Tuy nhiên trên người Tần Lập cũng không có vẻ sợ hãi, rụt rè như của các tiểu gia tộc khi đối mặt với con cháu của các đại gia tộc. Cư chỉ của hắn rất tiêu sái, tự nhiên, như thân mình là một người ở ngoài một tiểu gia tộc vậy!

Mà Lãnh Dao này, vừa gặp đã biết xuất thân từ một đại gia tộc, tuyệt đối không phải là một cô gái bình thường!

Trong lòng Lâm Hằng không khỏi nổi lên một trận nghi hoặc, một tia ý niệm cuối cùng bị chặt đứt, thầm nghĩ Tần Lập từ đâu mà tìm được nữ tử này?

Ba người tiến nhập vào đại sảnh yến hội dành cho khách khứa của Thiên Cơ Môn, bên trong toàn là người. Tần Lập thậm chí nhìn thấy thân ảnh của Trầm Nhạc đang đi lại giữa đám người này.

Đây là một yến hội rất lớn mang phong cách cổ xưa, các loại khí tức cường đại giao nhau, hình thành một cỗ khí tràng. Cho dù là cường giả cảnh giới Chí Tôn đi vào đây cũng sẽ không kìm nổi cảm thấy run run. Hiển nhiên bên trong đại sảnh này có rất nhiều cường giả sâu không lường được.

Mà khí tức hình thành loại khí tràng này, thậm chí không phải những võ giả này cố ý buông ra, hoàn toàn là do nguyên lực dao động của tự thân mình, khi đạt tới một cảnh giới nhất định thì tự nhiên tràn ra. Đương nhiên, khi thực lực không đạt tới một cảnh giới nhất định thì căn bản không thể cảm thụ được loại khí tràng này.

Càng đi vào địa phương này, ước muốn tăng lên thực lực của Tần Lập cũng ngày càng bức thiết. Hắn cũng thật sự muốn không quản cái gì khác tiến vào Hoàng Kim Cung bế quan hai trăm năm, sau đó lại hành tẩu giang hồ.

Tuy nhiên, việc nhà mình mình biết, thoạt nhìn Tần Lập hiện tại đã kế thừa Hoàng Kim Cung, bên trong có không ít các loại Thần cấp đan dược, Thần cấp công pháp, thậm chí Thần cấp vũ khí…Còn có vô số thiên tài địa bảo, tùy ý sử dụng. Nhưng trên thực tế hắn mới chỉ là ông chủ của Hoàng Kim Cung được có mấy ngày, cũng chỉ đi vào được tầng thứ nhất mà thôi. Thậm chí ngay cả tầng thứ hai cũng không thể tiến vào được!

Hắn có thể dùng tinh thần lực để hạ đạt chỉ lệnh cho Hoàng Kim Cung, làm hiện ra những bảo vật trong tầng một mà thôi, nhưng cũng không thể chỉ huy những loại bảo vật này!

Căn cứ theo trí nhớ của Hô Diên Bác lưu lại, Tần Lập biết rằng Chủ cung của Hoàng Kim Cung cao lên tận trời, có tới ba mươi sáu tầng! Mỗi một tầng đều có các bảo vật tương ứng. Bảo vật nhiều lắm, tại thời kỳ thái cổ thì đã thuộc loại tuyệt tích, hoặc loại duy nhất, uy lực lớn đến độ kinh thế hãi tục!

Nhưng mà biết là biết thế, Tần Lập ngay cả bộ dáng của những bảo vật này cũng không biết! Bởi vì trong ký ức của Hô Diên Bác, cũng không có hình ảnh cụ thể của những bảo vật này.

Phải biết rằng bảo vật tán phát ở giải Chí Tôn đại tái chẳng qua cũng chỉ là tầng thứ hai của Chủ cung Hoàng Kim Cung mà thôi! Tầng thứ hai là tầng nhiều thứ pha tạp nhất, cũng là nhiều nhất. Nhưng trong số những bảo vật bên trong Hoàng Kim Cung thì cũng là ít giá trị nhất!

Tần Lập không khỏi cảm thấy đôi chút phẫn nộ! Ví dụ như Càn Khôn Đan kia, tuy đối với người dùng có nhiều hạn chế nhưng cũng có thể tính là nghịch thiên! Không ngờ lại thuộc tầng thứ hai của Hoàng Kim Cung, không được Hô Diên Bác để vào mắt!

Mỗi một tầng của Hoàng Kim Cung có một cấm chế tương ứng. Thực lực nếu không đạt tới một cảnh giới nhất định thì căn bản đừng nghĩ tới chuyện tiến vào tầng cao hơn!

Lại nói, vô số thiên tài địa bảo bên trong hậu viện của Hoàng Kim Cung quả thực đều là thứ tốt nhưng đồng dạng cũng có cấm chế! Đây cũng là điều mà khi Tần Lập đưa Thượng Quan Thi Vũ phát hiện ra. Bởi vì sau một lần nếm một loại quả, muốn hái thêm thì căn bản không thể tiếp cận được cây cho quả kia!

Những đồ vật khác cũng giống như thế! Chỉ sợ là có rất ít thứ mà bọn họ có thể dùng được. Cho nên nói không phải vào được Hoàng Kim Cung là có thể trong thời gian ngắn có được sự gia tăng đến nghịch thiên! Cho nên nói Tần Lập muốn sử dụng những chí bảo bên trong Hoàng Kim Cung để gia tăng thực lực bản thân và những người khác thì bản thân hắn phải đạt đến một mức thực lực nhất định! Mà cảnh giới đầu tiên không phải là Phá Toái Hư Không mà là…Toái Đan Thành Anh!

Con mẹ nó! Trong lòng Tần Lập không khỏi thầm mắng vài câu. Hô Diên Bác lão gia hỏa kia cũng thật là biến thái! Loại khảo nghiệm này quả thực là dựa lưng vào một tòa Kim sơn mà không có biện pháp nào mà sớm gỡ xuống một khối vàng mà dùng! Rất là buồn bực!

Lại còn, Tần Lập không thể nói loại chuyện này cho bất cứ người nào khác được, chỉ có thể âm thầm chịu đựng trong lòng! Mỗi lần nhìn thầy đều thẩm nhủ:

-Lão tử phải trở nên cường đại hơn! Lão tử phải mở ra kho báu Hoàng Kim Cung!

Tương tự, còn có nhiều thứ mà lão đạo sỹ nói là thiên tài địa bảo, Tần Lập cũng không nhìn thấy bên trong Hoàng Kim Cung! Nói vậy, còn có một số bảo vật trên địa cầu mà chưa được người trên thế giới này nhận biết!

Tuy nhiên, Tần Lập cũng chỉ nhớ rõ một ít thứ cực phẩm trong đó. Còn những thứ kia luyện chế như thế nào thì lại không nhớ gì cả! Đến lúc đó, nếu thật sự gặp phải thiên tài địa bảo thì vẫn phải nhờ đến vị luyện đan đại sư Lãnh Dao mới được!

Tần Lập thầm nghĩ trong lòng, lại nghiêng đầu nhìn thoáng qua Lãnh Dao với thần thái tự nhiên bên người:

-Luận về tốc độ tu luyện thì Lãnh Dao không phải là thuộc loại tối thiên tài, nhưng nếu nói về luyện đan chỉ sợ là ngay cả những sư phụ luyện đan có kinh nghiệm lão luyện trong Tần gia cũng không bằng được Lãnh Dao!

Hơn nữa, năng lực sáng tạo và khả năng nhận biết bản chất thiên tài địa bảo của Lãnh Dao tuyệt đối thuộc tiêu chuẩn siêu nhất lưu trên thế gian này!

Phải biết rằng, thay đổi một loại đan phương thậm chí so với tạo ra một loại đan dược mới còn phức tạp hơn rất nhiều! Không có thiên phú thì cả đời người đừng nghĩ đến việc thành công thay đổi một loại đang phương!

Mà chỉ trong mấy năm ngắn ngủi, Lãnh Dao trước sau cải biến không dưới hai mươi đan phương vốn thuộc loại thượng cổ đan phương! Khiến cho dược lực của chúng yếu đi đến mấy chục, mấy trăm lần. Tuy rằng yếu đi nhưng quả thật độ khó thì cũng không kém chút nào so với việc cường hóa đan dược!

Cho nên, trong mắt Tần Lập, so với những bảo vật không sờ được, không thấy được trong Hoàng Kim Cung thì vị giai nhân lãnh diễm bên người này mới chính là tài phú lớn nhất của hắn!

Hai người Tần Lập và Lãnh Dao đi theo Lâm Hằng tiến vào. Cho dù muốn yên tĩnh cũng không yên tĩnh nổi. Chỉ vì một lát đã có đến mấy người, cả trai lẫn gái đều là những con cháu trẻ tuổi đi tới thăm hỏi.

Khi nghe nói người đi cùng Lâm Hằng chính là nhân vật danh chấn Huyền Đảo mấy năm nay, rất nhiều người đều biểu đạt ra sự tôn trọng và thiện ý đối với Tần Lập!

Tuy nhiên cũng không loại trừ những người mắt cao quá đầu lại tự cao tự đại cười nhạt đối với thân phận của Tần Lập! Đương nhiên những người như thế Tần Lập cũng không thèm liếc mắt đến!

Lâm Hằng mang theo Tần Lập, đang muốn hướng về phía muội muội của mình.Cho dù là một tia nỗ lực cuối cùng, Lâm Hằng cũng thầm nhủ vạn nhất biết đâu Tần Lập lại để ý đến muội muội của mình!

Tuy nhiên lúc này bỗng nhiên từ bên kia có người cao giọng ho lên tên Tần Lập, Tần Lập ngẩng đầu sang nhìn lại, không ngờ đúng là người quen. Đó chính là người mà bị Tần Lập giáo huấn, khi đã thông suốt cũng chưa từng gặp lại, Tàng Kiếm Sơn Trang Thập Tứ công tử Tạ Hiểu Trung.

-Tần công tử! Tần công tử!

Bên người Tạ Hiểu Trung còn có một đám người, nam nữ đều có, ánh mắt nhìn về phía Tần Lập đều mang theo vài phần tò mò!

Tần Lập hướng về phía Lâm Hằng cười cười, mang theo Lãnh Dao đi về phía Tạ Hiểu Trung. Nói thật hiện tại Tần Lập đúng là không chút ghen ghét tên Tạ Hiểu Trung này. Tuy hắn có chút cao ngạo nhưng tại thời khắc mấu chốt lại đường đường giống như một nam nhân thực sự, dũng cảm vượt qua sự sỉ nhục, xứng đáng để người ta tôn trọng:

-Tạ công tử, đã lâu lắm mới gặp lại!

Tần Lập mang theo vẻ mặt tươi cười đi tới bên cạnh Tạ Hiểu Trung, sau đó hướng về phía Tạ Hiểu Phong, đứng trong đám người bên cạnh Tạ Hiểu Trung gật đầu tỏ ý chào hỏi.

Hai người tuy rằng không có giao tình nhưng Tạ Hiểu Phong tự nhận không phải đối thủ của Tần Lập, dù có nhiều người nghi ngờ về sự thật Tần Lập một kiếm chém giết cảnh giới Chí Tôn ở Chí Tôn đại tái nhưng thân mình Tạ Hiểu Phong lúc ấy lại chứng kiến toàn bộ trận chiến kinh thế hãi tục đó!

Với chuyện vượt cấp khiêu chiến, hắn có được nhận thức hoàn toàn mới mẻ.

Trước đây, hắn vẫn nghĩ rằng cảnh giới Dung Thiên tuyệt đối không phải là đối thủ của cảnh giới Chí Tôn. Nhưng sau khi chứng kiến trận chiến giữa Tần Lập và Thôi Lãnh, Tạ Hiểu Phong mới hiểu được rằng đó không phải là chuyện không thể mà là do cảnh giới của mình còn chưa đủ mà thôi!

-Tần công tử, lần nói chuyện hôm trước của ngươi khiến ta hoàn toàn tỉnh ngộ! Ta hy vọng có thể có một ngày ta sẽ trở thành một võ giả siêu việt hơn ngươi! Ta sẽ đem ngươi trở thành đối thủ của cả đời ta!

Tạ Hiểu Trung vẻ mặt chân thành nói.

Trên mặt Tần Lập lộ ra một nụ cười nhàn nhạt, vừa định lên tiếng đột nhiên lại thấy Lãnh Dao kéo kéo cánh tay mình. Khí tức trên người Lãnh Dao hơi biến đổi, khiến hắn không kìm nổi phải ngừng lại.

Trong lòng Tần Lập khẽ động, theo ánh mắt của Lãnh Dao nhìn lại thì phát hiện trong đám người mà Lãnh Dao đang nhì tới có một lão già với khuôn mặt hơi đỏ, nhìn qua tầm bảy mươi tám mươi tuổi. Tần Lập có thể rõ ràng cảm giác được ánh mắt của Lãnh Dao nhìn lão già kia chứa đầy hận ý. Chẳng lẽ nơi này thực sự có người của Thôi gia…

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

303. Chương 305: Gặp Phải Cừu Địch!

Đả tự: endlesskid - Lương Sơn Bạc

Những người lần này đến Thiên Cơ Môn tham gia hôn lễ Trầm Nhạc, nào có mấy người thực lực yếu. Hận ý như thực chất trong mắt Lãnh Dao lập tức khiến cho rất nhiều người chú ý.

Lão già kia tự nhiên cũng trước tiên cảm nhận được cái nhìn chằm chằm của Lãnh Dao, trong nháy mắt thấy rõ diện mạo của Lãnh Dao, trong đáy mắt lão hiện lên vẻ kinh ngạc nhưng lập tức khôi phục lại bình thường, đôi mắt lộ ra vẻ vô tội cùng khó hiểu.

Cảnh tượng này khiến cho không ít người Tạ gia ở gần bọn họ đều sửng sốt, chỉ không hiểu bạn gái mà Tần Lập mang theo này rốt cục bị làm sao, vì sao lại cừu hận lão già kia như thế.

Có người nhỏ giọng nói:

-Lão già kia không phải là một trưởng lão Hàn gia sao? Hàn gia từ trước đến giờ không quá phách lối, lúc này kết thù với Tần gia nhỉ?

Trong quá khứ, Hàn gia vẫn rất thân thiết với Thôi gia. Mấy năm gần đây nhất, mấy lần diễn ra giải đấu Chí Tôn trước đây Hàn gia cùng Thôi gia đều đóng quân ở một chỗ!

-Vậy cũng không đúng. Thôi gia cùng Tần gia có cừu oán, nhưng Hàn gia cùng Tần gia không có cừu mà!

-Vậy thì không biết, có lẽ có chuyện bí ẩn mà chúng ta không biết!

Đôi mắt Lãnh Dao nhìn chằm chằm lão già mặt đỏ, thân thể run lên khe khẽ.

Lúc này, Thiếu chủ Hàn gia Hàn Phong bên cạnh lão già kia cau mày nói:

-Có chuyện gì vậy? Ai biết cô gái này là ai? Làm sao mà nhìn chằm chằm trưởng lão Hàn gia ta như vậy? Ha ha, Hàn gia ta cho tới bây giờ chưa từng làm ra chuyện bội tình bạc nghĩa. Ha ha ha!

Hàn Phong nói xong, tự cho là đúng cười vài tiếng.

Tuy nhiên lại không có ai nói hùa theo hắn. Không nói tiếng tăm Tần Lập ở trên Huyền Đảo càng ngày càng tăng, cho dù hắn là một con cháu quý tộc bình thường thì cũng không có mấy người nguyện ý vô duyên vô cớ đắc tội người khác.

-Lãnh Dao. Làm sao thế?

Tần Lập không để ý đến lời khiêu khích của Hàn Phong, trầm giọng hỏi.

-Hắn, hắn là kẻ thù của ta!

Lãnh Dao nghiến răng nghiến lợi chậm rãi nói.

Lúc này, toàn bộ người trong đại sảnh buổi tiệc đang nhìn về bên này đều lập tức sợ ngây người, phát ra một hồi tiếng bàn luận ồn ào. Tất cả mọi người khó tin nhìn cảnh trước mắt.

Bởi vì trong ấn tượng của bọn họ căn bản là chưa từng thấy cô gái Lãnh Dao này, lại càng không biết nàng là con gái gia tộc nào.

Lúc này Trầm Nhạc từ một bên đi tới, có chút khó hiểu nhìn Tần Lập. Tuy nhiên, Trầm Nhạc cũng không đưa ra câu hỏi trước, nguyên bản trong lòng hắn đã làm tốt dự đoán hôn lễ ngày hôm nay sẽ không yên tĩnh. Hơn nữa, Tần Lập là anh em của hắn, bất kể thế nào hắn đều đứng về phía anh em của mình.

-Ngươi…ngươi nói hươu nói vượn gì đó?

Lão già mặt đỏ kia như là bị vũ nhục rất lớn, trừng mắt, trên người tản ra một cỗ uy nghiêm của người bề trên. Sau đó nhìn về phía Trầm Nhạc nói:

-Trầm công tử! Đây là khách quý Thiên Cơ Môn ngươi mời tới sao? Rất quá đáng rồi! Hắt nước bẩn, làm nhục danh dự của người khác cũng không phải vậy chứ?

Trầm Nhạc thản nhiên cười cười, nho nhã lễ phép ôm quyền hướng về phía lão già:

-Hàn trưởng lão! Có thể tới tham gia hôn lễ của tại hạ đều là khách quý của Thiên Cơ Môn. Nếu là ân oán cá nhân giữa các vị, như vậy…xin thứ cho tại hạ không thể can thiệp!

-Ngươi!

Hàn trưởng lão hết sức phẫn nộ, lại cũng không dám thật sự chống đối với Trầm Nhạc, chỉ có thể chuyển hướng sang Lãnh Dao. Đôi mắt lão bắn ra hào quang lạnh như băng:

-Ngươi là con cái nhà ai? Làm sao lại nói thế? Nhà các ngươi không có người lớn sao? Ngươi có biết hôm nay, ở nơi này là những đại nhân vật thế nào không? Ngươi nguyện ý mất mặt xấu hổ, nhưng ta không muốn nói nhảm với ngươi!

Lời nói này nói ra hết sức khí thế. Cho dù lấy Tiên Thiên Tử Khí của Tần Lập cũng không tìm ra sơ hở gì trên người Hàn trưởng lão này, trong lòng cũng không khỏi sinh ra một tia bội phục với lão già này.

Có thể nguỵ trang đến loại trình độ này, đó coi như là một loại bản lĩnh. Đối với thật giả trong lời nói của Lãnh Dao, Tần Lập cho tới bây giờ vốn chưa từng nghi ngờ!

-Họ Hàn! Ngươi còn nhớ Thánh địa Phổ Đà không?

Lãnh Dao hoàn toàn không bị Hàn trưởng lão đe doạ làm chấn động, hai mắt bắn ra hào quang lạnh như băng, gắt gao nhìn chằm chằm lên mặt Hàn trưởng lão.

-Thánh địa Phổ Đà là nơi nào?

-Chưa từng nghe nói! Chắc là không phải trên Huyền Đảo này!

-Thánh địa Phổ Đà, chưa từng nghe nói! Quá xa lạ!

Mọi người đều bàn luận sôi nổi, Tần Lập lại thấy lúc Lãnh Dao nói ra mấy từ "Thánh địa Phổ Đà" này, Hàn trưởng lão kia rõ ràng sốt một chút, lập tức cười ha ha nói:

-Các vị, các vị đều là người có thân phận. Các vị đại gia đều thấy chứ? Cô gái này nhất định là nóng đầu rồi, Thánh địa Phổ Đà, ai nghe qua nơi này chứ? Ồ! Gặp quỷ! Lão phu mấy chục năm nay cũng chưa từng rời khỏi Huyền Đảo! Quỷ mới biết Thánh địa Phổ Đà là nơi nào!

Lúc này, bỗng nhiên ở trong một góc đại sảnh buổi tiệc truyền tới một giọng nói trầm ổn:

-Thánh địa Phổ Đà, ta biết nơi đó! Năm đó từng may mắn đi qua một lần! Đó cũng là một nơi thần bí, tuy rằng nhỏ hơn Huyền Đảo rất nhiều nhưng đích thực là tồn tại!

Lúc này, ánh mắt mọi người nhìn về phía Hàn trưởng lão đã có sự khác biệt. Sự thật chứng minh, người con gái bên xinh đẹp lãnh diễm bên cạnh Tần Lập kia chưa chắc là nói dối!

-Ngươi là ai? Ngươi nói có nơi đó là có sao?

Hàn trưởng lão cười nhạt, cười lạnh nói:

-Lại nói, cho dù thật sự có nơi đó vậy thì có thể thế nào? Lại có thể chứng minh cái gì? Có chứng cứ gì chứng minh ta là hung thủ giết người

-Lão phu là Lâm Tử Trường! Không biết có tư cách chứng minh sự tồn tại của Thánh địa Phổ Đà hay không?

Giọng nói trầm ổn đến mức không nghe ra một chút dao động tình cảm kia lại vang lên, lại gần như khiến tất cả mọi người ở đây bị kinh sợ!

Lâm Tử Trường, đó chính là gia chủ Lâm gia! Nhân vật thiên tài trong truyền thuyết của Lâm gia tám trăm năm mới có! Bất kể là nhân phẩm, võ công đều làm cho người ta không thể chỉ ra bất cứ tật xấu gì! Năm nay lão hơn hai trăm tuổi, thực lực đã đạt tới Nhân Tôn đỉnh!

Hơn nữa, thân là quản lí của một trong bảy đại thế lực siêu cấp trên Huyền Đảo, cái tên Lâm Tử Trường này vừa nói ra liền đủ khiến cho rất nhiều người sắc mặt đại biến!

Khí tức Hàn trưởng lão lập tức bị ngưng trệ, sau đó trên mặt cố gắng nặn ra vẻ tươi cười:

-Lời nói của Lâm gia chủ tự nhiên là chính xác. Tuy nhiên, vị tiểu cô nương này, ngươi dựa vào cái gì mà nói ta chính là kẻ thù của ngươi? Hôm nay, nếu không cho ta một lời giải thích, tin tưởng rằng chẳng những ta không đồng ý mà những người có thân phận ở đây, hừ hừ, cũng sẽ không đồng ý!

Lâm Tử Trường nhìn Hàn trưởng lão một cái thật sâu, sau đó xoay người cười với Tần Lập, nói:

-Tần công tử, nghe danh đã lâu. Có cơ hội chúng ta tâm sự một hồi!

-Vãn bối cùng Lâm Hằng là bằng hữu, Lâm gia chủ không cần phải khách khí như vậy.

Tần Lập khẽ cười nói.

Lúc này tất cả mọi người không kìm lòng được lui về phía sau mấy bước. Tần Lập này rõ ràng có Thiên Cơ Môn cùng Lâm gia làm chỗ dựa, ai muốn nhảy vào vũng nước đục này?

Đôi mắt Lãnh Dao nhìn chằm chằm Hàn trưởng lão, không bị chút ảnh hưởng nào của hoàn cảnh xung quanh, nói:

-Ta nhớ rõ giọng nói của ngươi, mãi mãi ta đều không thể quên. Hơn nữa, là tiếng cười của ngươi! Mấy ngàn nhân khẩu Lãnh gia ta ở Thánh địa Phổ Đà trong một đêm bị tàn sát. Họ Hàn, còn có một đám súc sinh Thôi gia, ngươi còn dám phủ nhận sao?

-Ha ha ha! Tiểu nha đầu. Ta thấy ngươi bị điên thật rồi! Giọng nói? Giọng nói có tác dụng gì? Ta cho tới bây giờ không biết Thánh địa Phổ Đà gì cả, cũng căn bản không biết Lãnh gia gì. Về phần Thôi gia, Thôi gia làm chuyện gì sẽ nói với Hàn gia sao?

Hàn Phong lúc này cũng ở một bên lạnh lùng nói:

-Nói nửa ngày còn không biết cô gái ngậm máu phun người này là nhà nào? Huyền Đảo này khi nào đến phiên người như thế nói chuyện? Thật sự là bi ai!

Thân thể Lãnh Dao hơi chút run lên, khuôn mặt tức giận đến trắng bệch. Lúc này Tần Lập xem như đã hiểu, Lãnh Dao duy nhất nhớ rõ hẳn là giọng nói những người này nói chuyện, mà chứng cứ khác thì lại hoàn toàn không có.

Điều này cũng khó trách, năm đó nàng chạy trối chết ra khỏi Thánh địa Phổ Đà cũng đã xem như là may mắn to lớn, làm sao còn có thể thu thập được chứng cứ khác? Hiện tại xem ra Hàn trưởng lão này đánh chết cũng không thừa nhận chuyện năm đó.

Tần Lập híp mắt, trong giây lát bộc phát ra một cỗ khí tức kinh thiên bao phủ Hàn trưởng lão. Dao động nguyên lực của Hàn trưởng lão này đại khái là ở trạng thái Dung Thiên đỉnh, còn chưa đến Chí Tôn. Lão lại không nghĩ tới Tần Lập lại đột nhiên ra tay, lập tức ngẩn ra, bị Tần Lập áp chế.

Tần Lập vận hành chiến kỹ Cửu Thiên Thập Địa Duy Ngã Độc Tôn, một cỗ tinh lực sắc bén linh hoạt giống như thuỷ triều lập tức bao phủ Hàn trưởng lão.

Hết thảy chỉ phát sinh trong khoảnh khắc nhanh như tia chớp, nhanh đến mức tất cả mọi người đều không phản ứng kịp. Tất cả vẻ mặt hoảng sợ nhìn Tần Lập, không thể tưởng tượng được dưới trường hợp này, không có bất kì chứng cứ nào không ngờ thật sự dám ra tay với Hàn trưởng lão!

-Tần Lập! Ngươi quá láo xược! Ngươi cho đây là Tần gia thành Phong Sa ngươi sao? Buông trưởng lão Hàn gia bằng không đừng trách chúng ta lấy mạng ngươi!

Hàn Phong lúc này lại giả bộ không biết Tần Lập, vừa há mồm hô tên Tần Lập, lớn tiếng quát.

Còn có mấy lão già Hàn gia, mắt đều lộ vẻ hung ác xúm tới phía Tần Lập. Một đám người sắc mặt đều không tốt.

Mấy thái thượng trưởng lão Thiên Cơ Môn vốn ngồi ở góc lúc này đột nhiên xuất hiện tại đây, không chút dấu vết đứng chắn trước trưởng lão Hàn gia cùng Tần Lập. Mấy Thái thượng trưởng lão Lâm gia dưới sự gợi ý của Lâm Tử Trường cũng đều mơ hồ bay vây Tần Lập vào giữa. Đó chính tà quyết đoán của thế lực siêu cấp!

Nếu đã quyết định làm liên minh, vậy tuyệt đối sẽ không chần chừ. Vào lúc minh hữu cần trợ giúp nhất tuyệt đối sẽ không làm cho người ta thất vọng, sẽ không lùi nửa bước!

-Các ngươi, đây là ý gì?

Mấy trưởng lão Hàn gia mặt biến sắc vô cùng khó coi.

Lúc này, đột nhiên nghe thấy Tần Lập thét to một tiếng:

-Nói, năm xưa ngươi hành hung ở Thánh địa Phổ Đà như thế nào?

-Hắc hắc hắc! Thôi gia chiếm được một tấm bản đồ, mặt trên có đánh dấu rất nhiều nơi thần bí, trong đó có một nơi chính là Thánh địa Phổ Đà! Mà Hàn gia ta, chẳng qua chỉ là đi theo phía sau Thôi gia uống ngụm canh mà thôi! Lần đó, Hàn gia chỉ có một mình ta nhưng thu hoạch lại rất là kinh người! Lãnh gia đó ở Thánh địa Phổ Đà là thế gia luyện đan. Hắc hắc, sau khi giết sạch nhà bọn họ, Hàn gia ta cũng chiếm được hai bản đan phương. Đan dược luyện chế ra, đều là cực phẩm đó!

Trong tiếng cười quái dị của Hàn trưởng lão, đôi mắt Lãnh Dao lập tức đỏ lên. Đồng dạng, gần như tất cả mọi người trong đại sảnh buổi tiệc cũng đều sững sờ tại chỗ.

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

304. Chương 306: Không Thể Trêu Chọc Tần Lập![b]

Đả tự: endlesskid - Lương Sơn Bạc

-Yêu pháp! Đây là yêu pháp!

Một trưởng lão Hàn gia mắt như muốn nứt ra, lớn tiếng rít gào nói. Hơn nữa còn ghé sát tới trưởng lão Hàn gia đỏ mặt kia, ý đồ muốn đánh thức lão.

-Không muốn hắn chết thì đừng động đến hắn! Yêu pháp? Đồ không kiến thức!

Giọng nói lạnh băng của Tần Lập khiến thân thể trưởng lão Hàn gia kia trong chốc lát cứng đơ ở đó. Sau đó tinh thần lực của hắn tiếp tục hỏi Hàn trưởng lão vừa khống chế được.

-Ngươi tên là gì?

-Hàn Văn Thông!

-Năm đó tới Thánh địa Phổ Đà, có những ai? Còn có, lần này ngươi đến có mục đích đặc thù gì?

Trong toàn đại sảnh buổi tiệc, mọi người ngay cả hô hấp cũng không dám lớn tiếng, tất cả đều trợn mắt há hốc mồm xem cảnh tượng quỷ dị trước mắt. Cho dù một đám cao tầng Thiên Cơ Môn cùng Lâm gia cũng đều có chút khó tin nhìn Tần Lập. Bọn họ làm gì mà không có kiến thức cho rằng đây là yêu pháp của Tần Lập. Bọn họ đều biết đây là một công pháp tinh thần lực cực kì cao minh.

-Chỉ có mình ta là người ngoài, ngoài ra là ba mươi mấy ngươi Thôi gia. Trong đó có mười mấy quản sự cao cấp của Thôi gia, cầm đầu là Thập Thất trưởng lão của Thôi gia. Ta cùng Thập Thất trưởng lão là anh em kết nghĩa, hắn cùng Thiên Cơ Môn có cừu oán. Hắc hắc hắc, lúc này hắn cho ta tới tham dự hôn lễ thiếu chủ Thiên Cơ Môn để xem rốt cục có thể đến bao nhiêu đại nhân vật. Ta đã truyền tin ra ngoài, lần này rất nhiều đại nhân vật đến đây. Huyền Đảo, phải thay đổi a!

Lời này của Hàn Văn Thông vừa nói ra khiến cho tất cả cao tầng Thiên Cơ Môn sắc mặt đều đại biến! Nhất là Trầm Long Hưng vẫn trầm mặt ngồi ở đó, một tay cầm chén rượu, gân xanh nổi lên rất nhiều!

Cạch!

Một tiếng giòn tan, chén rượu kia rốt cục bị Trầm Long Hưng bóp nát!

Bởi vì Thập Thấp trưởng lão của Thôi gia không phải ai khác, chính là nam nhân Trầm Long Mai của Thiên Cơ Môn năm xưa! Sau này là Thập Thất trưởng lão bị cắt đứt một tay!

Việc này có thể nói được cho là tuyệt mật, hôm nay ngay trước đám đông không ngờ bị Tần Lập mạnh mẽ bức hỏi ra!

Rất nhiều người trong lòng có quỷ, ánh mắt nhìn về Tần Lập đều tràn đầy sợ hãi, thầm nghĩ "trước mặt thanh niên này còn có cái gì có thể gọi là bí mật sao?"

Hàn Phong cùng mấy trưởng lão Hàn gia khác đều trợn mắt ha hốc mồm, hiện tại đã không phải là vấn đề mất mặt. Rõ ràng, Hàn Văn Thông cấu kết Thôi gia, cung cấp tin tức tình báo cho Thôi gia. Tuy rằng cho dù lão không làm, cũng sẽ có người khác làm như vậy. Nhưng nhìn tình cảnh hiện tại, Hàn gia rất có khả năng trong thời gian kế tiếp sẽ gặp phải đả kích to lớn!

Lại nhìn ánh mắt đám người Tần gia, Lâm gia xung quanh là có thể biết được Hàn gia lúc này gặp phải nguy cơ thế nào.

Trên khuôn mặt dễ nhìn của Hàn Phong hiện lên một tia dữ tợn, "keng" một tiếng rút thanh kiếm đeo bên hông sau đó hung hăng đâm tới Hàn Văn Thông!

-Tên bại hoại gia tộc ngươi, hôm nay ta muốn đại biểu Hàn gia thanh lý môn hộ!

-Dừng tay!

Tần Lập hét to một tiếng, lập tức thân hình như tia chớp nhằm phía Han Phong, một cước đá hắn bay ra.

Sau đó trước khi mấy trưởng lão Hàn gia muốn ra tay, một tay ôm lấy Hàn Văn Thông ánh mắt dại ra, tay kia điểm mấy đại huyệt trên người lão. Sau đó động tác mau lẹ, trở lại chỗ cũ! Tuyệt vời!

Trong đại sảnh buổi tiệc, người có mắt tinh đời rất nhiều. Theo mấy động tác này của Tần Lập, hắn có thể một kiếm chém Chí Tôn Thôi Lãnh của Thôi gia cũng không phải may mắn và ngẫu nhiên. Giống như bất kì nghề nghiệp nào đều có loại siêu cấp thiên tài. Tần Lập này, chính là siêu cấp thiên tài về mặt võ đạo.

Lúc này Hàn Văn Thông đã từ trong trạng thái mê mang tỉnh lại, thấy mình không biết thế nào đã bị khống chế, chửi ầm lên:

-Tần Lập, ngươi đây là đang khiêu khích toàn bộ Hàn gia! Lão phu muốn liều mạng với ngươi. Buông ra, nếu không Hàn gia sẽ không bỏ qua cho ngươi!

-Hàn gia? Ngươi trước tiên nhìn lại xem, vị Thiếu gia chủ của các ngươi chuẩn bị làm gì đó? Ha ha! Nếu không có ta cứu ngươi, hiện tại ngươi đã chết dưới kiếm của hắn!

-Ngươi nói bậy!

Hàn Văn Thông miệng nói, mắt lại không kìm được nhìn về phía Hàn Phong ở bên kia đang từ mặt đất bò dậy.

Hàn Phong bộ dạng có chút chật vật cầm kiếm trong tay, hai mắt bắn ra hào quang tối tăm tràn ngập oán hận nói:

-Tần Lập! Ngươi muốn can thiệp vào chuyện riêng của Hàn gia sao? Còn nữa, đây là hành vi cá nhân của Hàn Văn Thông, không có quan hệ tới Hàn gia!

Mấy trưởng lão khác đều gật đầu, nói:

-Đúng vậy, đúng vậy! Là hành vi cá nhân của hắn…

Hàn Văn Thông tuy rằng cũng biết, hiện tại vứt bỏ lão đối với toàn bộ Hàn gia mà nói là hành động sáng suốt nhất. Nhưng từ tình cảm cá nhân lại khiến lão không thể chấp nhận. Nhất là Thiếu chủ Hàn Phong mà lão sủng ái không ngờ lại muốn rút kiếm giết lão!

-Thôi được rồi! Hết thảy mọi chuyện đều là Hàn mỗ tự làm bậy, trách không được người khác!

Hàn Văn Thông chán nản thở dài một tiếng, sau đó mắt nhìn Tần Lập, không cam lòng nói:

-Ta muốn biết, rốt cục ngươi làm thế nào khiến cho ta nói lời thật?

Nguyên bản Hàn Văn Thông vừa rồi là cảm giác của bản thân, chỉ là ý nghĩ trong lòng của lão mà thôi. Không biết vì sao, cái loại khoái ý khiến lão không kìm lòng nổi mà nhớ tới chuyện năm xưa.

Giọng nói Tần Lập giống như từ trên trời bay xuống, hư vô mờ mịt làm cho người ta không kìm lòng được, muốn trả lời hắn. Lúc ấy Hàn Văn Thông còn đang suy nghĩ trong lòng: "Chuyện này, là chuyện sảng khoái nhất trong đời ta!"

Nhưng tỉnh táo lại, nhìn ánh mắt mọi người xung quanh, lão gần như là ra kết luận nhanh nhất. Vừa rồi hết thảy mọi ý nghĩ trong đầu mình, đều là do lão nói ra. Tần Lập liếc mắt nhìn Hàn Văn Thông, thản nhiên nói:

-Không nói cho ngươi!

-Ngươi! Tiểu nghiệt súc ngươi, có bản lĩnh thì hiện tại ngươi giết ta đi!

Hàn Văn Thông đột nhiên đỏ mắt, lớn tiếng giận dữ hét!

Sau đó ánh mắt lão chuyển sang Lãnh Dao sắc mặt tái nhợt, hắc hắc cười lạnh nói:

-Tiểu nha đầu! Ta biết, trong lòng ngươi hận ta. Người nhà của ngươi, ta giết không được năm trăm, thì cũng ba, bốn trăm. Ha ha. Còn có mấy người xinh đẹp tươi ngon, bị ta…hắc hắc, ngươi hiểu rõ mà. Ha ha ha, đến đây, giết ta là ngươi có thể báo thù!

Hàn Văn Thông lúc này hoàn toàn muốn chọc giận Lãnh Dao, khiến cho cô gái trẻ tuổi xinh đẹp này một kiếm giết phắt mình đi, đó mới là giải thoát! Quả nhiên, Lãnh Dao rút kiếm ra, cắn răng hướng tới Hàn Văn Thông, không chút do dự đâm xuống. Tần Lập bắt lấy cổ tay Lãnh Dao, khẽ nói:

-Để lão chết như vậy chẳng phải là tiện nghi cho lão sao?

-Tần Lập! Tiểu súc sinh nhà ngươi! Tiểu tạp chủng, giết người đầu rơi xuống đất, ngươi còn muốn thế nào nữa?

Hai mắt Hàn Văn Thông đỏ sẫm nhìn Tần Lập, nếu ánh mắt có thể giết người như vậy, Tần Lập đã sớm chết rất nhiều lần.

-Tần Lập. Nơi này là Thiên Cơ Môn, ngươi không nên quá đáng!

Một trưởng lão Hàn gia oán hận nhìn Tần Lập nói. Mặc kệ thế nào, Hàn Văn Thông cũng là người của Hàn gia. Tuy rằng Hàn gia đã đuổi lão ta đi, nhưng người ở đây ai lại không nhìn rõ đây là một loại phương thức trốn tránh trách nhiệm của Hàn gia mà thôi.

-Quá đáng?

Tần Lập cười lạnh, hai mắt nhìn chằm chằm vị trưởng lão Hàn gia đó:

-Ngươi cho là, trục xuất Hàn Văn Thông khỏi gia môn, chuyện này liền không có quan hệ với Hàn gia các ngươi nữa sao?

Tần Lập nói xong, tay nắm vào cổ Hàn Văn Thông nhấc lên, ôm lão vào trong tay, thản nhiên nói: T

-Ở đây giết tên súc sinh ngươi, sẽ làm mất hứng của mọi người. Ngày vui của Thiên Cơ Môn, ta không muốn phá hoại chuyện tốt của huynh đệ ta. Cho nên, ta sẽ mang ngươi ra bên ngoài, nhất định cho ngươi muốn sống không được muốn chết không xong!

Bên kia, trưởng lão Hàn gia lớn tiếng chất vấn:

-Tần Lập, lời này của ngươi có ý gì? Chuyện này cùng Hàn gia ta lại có quan hệ gì hả?

Tần Lập nhìn vị trưởng lão Hàn gia này, lộ ra một nụ cười lạnh lẽo âm trầm:

-Hai đan phương mà Hàn gia ngươi chiếm được, là từ đâu tới? Chiếm được lợi ích to lớn, sau đó đẩy một người ra chịu tội thay. Tính toán của các ngươi thật đủ khôn khéo, tuy nhiên, đối với ta không có tác dụng!

Tần Lập nói xong, xách Hàn Văn Thông, bước đi nhìn có vẻ thong thả nhưng chỉ mấy bước đã ra tới cửa đại sảnh, lộ ra một bản lĩnh cho mọi người xem, ánh mắt kinh ngạc ngây người!

Mấy trưởng lão Hàn gia còn lại cùng Thiếu chủ Hàn Phong sắc mặt tái mét, hai mắt nhìn nhau. Đúng vậy, hia loại đan dược kia của Hàn gia, những năm gần đây đưa đến cho Hàn gia ích lợi rất lớn, căn bản là không có khả năng trả lại cho bất kì người nào!

Lời nói của Tần Lập rõ ràng là đẩy Hàn gia đến bên cạnh một vách đá cheo leo! Đến hiện tại, mấy trưởng lão Hàn gia cùng Thiếu chủ Hàn Phong, người nào còn dám cho rằng Tần Lập không có năng lực để diệt trừ Hàn gia?

Kì thật trong lòng Tần Lập, giá trị hai đan phương kia cũng không khiến cho tâm hắn rung động, Tần Lập năm trong tay thượng cổ đan phương, làm sao thật sự để ý hai bản đan phương kia? Hắn quan tâm là làm như thế nào có thể khiến Lãnh Dao báo cừu rửa hận một cách sảng khoái tràn trề!

Về phần thứ khác, Tần Lập cũng không thật sự coi trọng. Nam nhi trên đời, làm việc là phải theo ý mình! Vô tình, Tần Lập đã bị ảnh hưởng của chiến kỹ Cửu Thiên Thập Địa Duy Ngã Độc Tôn càng ngày càng sâu. Bao gồm Tiên Thiên Tử Khí không ngừng tôi luyện thân thể hắn, đồng thơi cũng yên lặng thay đổi tâm tính hắn.

Hàn Văn Thông trên đườn không ngừng lớn tiếng mắng chửi, Tần Lập lại căn bản không để ý đến lão, mang lão ra một trang viện tiếp khách của Thiên Cơ Môn, phía trước có một đỉnh núi không lớn. Lúc này đã là ban đêm, trên núi một vùng yên lặng.

Tần Lập ném Hàn Văn Thông xuống đất, sau đó nhìn Lãnh Dao nói:

-Đây là kẻ thứ nhất của cô, cô muốn giết lão thế nào?

Giọng nói Lãnh Dao vô cùng lạnh lùng, dường như trong hàn băng vạn năm lộ ra:

-Ta muốn cho lão nhận được hết mọi đau khổ rồi mới chết đi! Nếu không thì quá tiện nghi súc sinh này!

-Các ngươi không chết tử tế được!

Hàn Văn Thông biết mình không thể chết yên lành, dứt khoát chửi ầm lên khiến cho không ít người đi theo phía sau Tần Lập, đứng ở cửa trang viện tiếp khách xa xa nghe mà trợn mắt há hốc mồm.

Không thể tưởng tượng được một trưởng lão có địa vị rất cao của Hàn gia không ngờ cũng có thể mắng chửi ra lời dơ bẩn như thế.

Tuy nhiên, tiếp theo đó là tiếng kêu thê lương thảm thiết như không phải con người của Hàn Văn Thông lại khiến mọi người phát lạnh trong lòng. Tiếng kêu giống như từ Cửu U địa ngục quả thật không phải nhân loại có thể phát ra.

Một đám người Hàn gia, trên mặt mang theo khuất nhục vô tận, trên trán nổi đầy gân xanh đứng đó thậm chí thân thể không kìm nổi phát run. Nhưng dưới áp chế mạnh mẽ của Tần Lập, cho dù là một số lão nhân cảnh giới Chí Tôn nghe xong thanh âm này cũng đều cảm giác được thân thể toát ra một trận lạnh giá.

Tần Lập kia, không thể trêu chọc!

305. Chương 307: Cảnh Giới Phá Toái Hư Không! [b]

Đả tự: endlesskid - Lương Sơn Bạc

Tiếng kêu thảm thiết này vẫn liên tục một canh giờ mới dần dần yếu đi. Rất nhiều người lúc đầu hứng thú tràn trề nghe, sớm đã đều tái nhợt mặt mày trốn mất. Cho dù thực lực cường đại mức nào, nhưng dù sao cũng là người bình thường, làm sao có thể hoàn toàn thờ ơ với tiếng la thảm thiết không phải người này!

Hàn Văn Thông chết cực kì khủng bố, đôi mắt gần như nhảy ra ngoài, trong mắt tràn ngập sợ hãi và hối hận. Sớm biết như thế, lúc trước sao làm vậy?

Đả kích về thân thể xa xa không bằng tra tấn tinh thần. Có thể nói Hàn Văn Thông này cuối cùng là hoàn toàn suy kiệt tinh thần lực, sau đó mới chết đi.

Lúc này sắc mặt Lãnh Dao cũng tái nhợt, người mềm nhũn nhưng vẫn kiên cường đứng đó như trước, nhìn Hàn Văn Thông bị tra tấn đến cuối cùng suy yếu mà chết đi. Trên khuôn mặt lãnh diễm chảy xuống hai dòng lệ nóng, nhẹ nhàng tựa vào vai Tần Lập, không nói gì. Cặp mắt Tần Lập híp lại, thầm nghĩ: "Quả nhiên tới rồi!"

-Hừ! Thiên Cơ Môn là uy phong rất lớn. Tần Lập…sát khí thật lớn! Tàn sát người vô tội, cảm giác có phải rất sảng khoái hay không?

Một giọng nói trong trẻo nhưng lạnh lùng vang lên từ rất xa. Sau đó một cỗ khí tức cường đại như tia chớp phóng tới phía Tần Lập.

-Là Thôi gia! Người Thôi gia tới!

Tại cửa trang viện rất nhiều người đã đoán ra thân phận người tới.

Mấy trưởng lão Thiên Cơ Môn cùng Lâm gia cũng nhanh như chớp phóng tới ngọn núi chỗ Tần Lập.

Người bên kia tới cười dài một tiếng, khoát tay. Đột nhiên một dấu tay thật lớn đỏ như lửa ở trong trời đêm giống như ngọn lửa bùng cháy hung hăng ấn về phía Tần Lập trên ngọn núi. Đám người ngoài cửa trang viện tiếp khách đồng loạt hét ra một tiếng kinh hãi, mắt đều trừng lớn.

-Trời ạ! Đây…đây là chiến kỹ gì? Ta thấy, khẳng định là Thần cấp đó!

-Chưa từng thấy, thật là đáng sợ. Thôi gia từ khi nào có chiến kỹ như vậy?

-Hừ! Người tới chưa chắc đã là người Thôi gia! Ngươi cho là Thôi gia dám khiêu khích cả thiên hạ, điên cuồng tấn công siêu cấp thế lực khác như vậy, mà không có một chút sức lực bên ngoài nào sao?

Tốc độ tiến công của người kia cực nhanh, trong nháy mắt dấu tay thật lớn đỏ như lửa đã tới gần Tần Lập! Tần Lập hừ hạnh một tiếng, lôi kéo Lãnh Dao, thân hình vội vàng lui ra sau.

Bàn tay kia ầm ầm đánh lên trên người Hàn Văn Thông đã chết đi, thi thể trưởng lão Hàn gia này lập tức hoá thành bột mịn, ngay cả một chút cặn cũng không để lại!

-Muốn chạy? Nào dễ như vậy?

Người trên bầu trời phát ra một tiếng cười lạnh khinh thường, đuổi theo Tần Lập. Lại hai dấu tay lớn đánh xuống.

Lúc này mấy Thái thượng trưởng lão của Thiên Cơ Môn và Lâm gia cũng đã đuổi tới. Một Thái thượng trưởng lão của Thiên Cơ Môn hừ lạnh một tiếng:

-Tặc tử đừng vội càn rỡ!

Nói xong rút một thanh bảo đao sắc bén từ sau lưng, một luồng đao khí màu trắng chém tới người kia.

Những người khác cũng đều đánh tới người đó.

Người kia cười lạnh một tiếng:

-Muốn lấy nhiều ăn hiếp ít sao?

Thân hình chợt loé tránh công kích của mọi người, thân hình như quỷ mị tiếp tục vọt tới Tần Lập. Trong miệng hắn phát ra tiếng cười lạnh khinh thường:

-Cao thủ trẻ tuổi nhất Huyền Đảo trong truyền thuyết chính là không chịu được như thế, chỉ biết chạy trốn sao?

-Ông nội ngươi, ngươi nếu bằng tuổi lão tử, lão tử có thể đánh ngươi phọt *** ra!

Tần Lập lôi kéo Lãnh Dao, vừa chạy vừa chửi!

Mấy Thái thượng trưởng lão của Thiên Cơ Môn và Lâm gia đang đuổi phía sau người này, nghe vậy ở không trung không kìm nổi lắc lư vài cái, thiếu chút nữa ngã xuống.

Ngay cả người đuổi theo Tần Lập nghe vậy cũng không kìm nổi sửng sốt, đại khái không thể tưởng tượng được người trẻ tuổi Tần Lập danh chấn Huyền Đảo này không ngờ cũng có một mặt thô bỉ như vậy.

-Tiểu tử. Ngươi thành công, ngươi chọc giận ta. Ta chuẩn bị giết ngươi!

Người này nói xong, đột nhiên trong không trung phi nhanh, sau đó hai tay lăng không kéo một cái, không ngờ đem không gian trước mắt mạnh mẽ xé nát. Mảnh nhỏ hư không bị vỡ như một đoàn năng lượng táo bạo lập tức dẫn phát tới một cơn gió lốc năng lượng nhỏ!

Mà người này thông qua xé nát này, thân hình cực kì thần kỳ xuất hiện phía sau Tần Lập, sau đó cười hung ác, dấu tay đỏ tươi lại một lần nữa chụp tới lưng Tần Lập. Lần này cỗ năng lượng dao động khổng lồ đó làm cho tâm thần người ta rung động. Nếu là bị hắn chụp trúng, khẳng định lần này Tần Lập không chết cũng thương. Lúc này. Một bóng màu xám sát qua thân Tần Lập hướng tới tiếp đón người nọ.

Ầm!!!

Tiếng nổ long trời lở đất, tạo nên một cỗ sóng khí đem thân thể Tần Lập cùng Lãnh Dao bắn ra mấy chục thước! Lại nhìn người đuổi theo Tần Lập, lúc này đã bay ra ngoài trăm thước!

Người áo xám vào lúc mấu chốt ra tay cứu Tần Lập thì đứng ở không trung cách Tần Lập hơn mười thước. Lại nhìn mặt đất nơi Tần Lập vừa rồi xuất hiện một cái hố to sâu hơn mười thước, trong đêm tối nhìn như một quái thú há mồm cắn người!

Hai người cảnh giới Phá Toái Hư Không!

Trong lòng Tần Lập lúc này không kìm được nổi lên sóng gió động trời. Từ lúc chào đời tới nay, lần đầu tiên cảm giác được mình nhỏ bé, so sánh với bọn người này, lực lượng của mình thật sự quá yếu. Hắc y xà nữ không biết lúc này lặng yên xuất hiện bên cạnh Tần Lập, nhìn hai người đang giằng co trên không kia, khẽ nói:

-Hai võ giả Phá Toái Hư Không! Thật cường đại.

Tần Lập quay đầu nhìn hắc y xà nữ vẻ mặt mê hoặc, đột nhiên hỏi:

-Đúng rồi. Đan dược có tác dụng với võ giả nhân loại, đối với linh thú cũng có hiệu quả như nhau phải không?

Xà nữ trắng mắt nhìn Tần Lập một cái, hơi bĩu môi nói:

-Ngươi nói sao? Linh thú sau khi biến hoá, các phương diện thân thể không khác với nhân loại, đan dược làm sao không tác dụng với linh thú? Chỉ là rất ít linh thú am hiểu thuật luyện đan!

Xà nữ khẽ thở dài một tiếng.

Lãnh Dao quen biết Tần Lập nhiêu năm, rất hiểu ý nghĩ trong lòng Tần Lập, thoáng nhìn xà nữ, thản nhiên nói:

-Kinh mạch thân thể ngươi so với nhân loại thì như thế nào?

Trên mặt xà nữ hiện ra vẻ kiêu ngạo, nói:

-Tốc độ tu luyện của linh thú tuy rằng không nhanh, nhưng trải qua mấy ngàn, hơn vạn năm tu luyện thì mức độ cứng cỏi của kinh mạch chỉ sợ không có bất kì nhân loại nào có thể so sánh với chúng ta! Trừ khi là cường giả đạt tới cảnh giới "Toái Đan Thành Anh!"

-Như vậy à…

Tần Lập thản nhiên gật gật đầu, sau đó không nói về đề tài này nữa, nhìn lên hai võ giả cảnh giới Phá Toái Hư Không đang giằng co trên trời.

Hai người đã đứng đối diện nhau trên trời, lại kì quái không phát ra bất kì âm thanh nào, nhưng rất nhiều người đều hiểu được hai người này chắc đang truyền âm trao đổi!

Dù sao thực lực đạt tới cảnh giới như bọn họ, trong nhân loại đã xem như bước trên đỉnh, thuộc về đám người đứng trên đỉnh. Rất nhiều chuyện giữa họ cũng không phải võ giả tầm thường có khả năng biết.

Giúp Tần Lập cản một đòn kia đúng là một lão tổ tông duy nhất còn sót của Thiên Cơ Môn – Trầm Trọng thái tổ của Trầm Nhạc, cường giả có cảnh giới Phá Toái Hư Không!

Mà người đuổi theo Tần Lập là quản sự ngoại môn của Lãnh Thu Cung, lão đại Ma Võ Xương, lão ìa gầy như cây sậy lúc trước đã từng xuất hiện ở toà thành ngầm dưới đất của Thôi gia!

Đôi mắt Ma Võ Xương sáng ngời, nhìn chằm chằm lão tổ tông Trầm Trọng của Thiên Cơ Môn, truyền âm nói:

-Võ giả thực lực như ngươi chỉ sợ các thế lực siêu cấp khác, mỗi nhà cũng đều chỉ có một đúng không?

-Hừ, vậy thì sao? Cho dù mỗi nhà chỉ có một, cộng vào cũng là sáu người! Mà ngươi cùng đám chó săn Thôi gia lại có mấy người? Ta thấy các ngươi cũng thật là ngông cuồng không biết gì. Chỉ bằng ngươi, thêm lão bất tử Phá Toái Hư Không của Thôi gia kia, có thể thật sự lật đổ sáu thế lực siêu cấp chúng ta?

Đôi mắt Trầm Trọng hờ hững nhìn Ma Võ Xương ở bên kia, lạnh lùng truyền âm nói.

Mấy trưởng lão Thiên Cơ Môn và Lâm gia lúc này đều hạ xuống đất, nhìn hố sâu thật lớn dưới kia có chút ngẩn người, thầm nghĩ: "May mắn đối phương không công kích bọn họ, nếu không bằng uy lực như này bọn họ chưa chắc có thể chống được!"

Sắc mặt Ma Võ Xương khẽ biến, thản nhiên cười sau đó truyền âm:

-Chúng ta tự nhiên không chỉ có mấy người. Ngươi đã tới cảnh giới Phá Toái Hư Không tự nhiên phải càng thêm hiểu được một chuyện so với người khác, tuy nhiên có một điểm ngươi khẳng định không biết. Các nơi thần bí bao gồm cả Huyền Đảo, đều là một trận pháp thần kỳ đến từ thời thái cổ! Nếu là trận pháp kia bị phát động ngược hướng, hoặc là bị phá giải như vậy tất cả các nơi thần bí trên Thiên Nguyên Đại Lục đều sẽ biến mất! Mà bình phong che chắn các ngươi cũng sẽ hoàn toàn biến mất!

Sắc mặt Trầm Trọng không chút thay đổi nhưng trong lòng lại nổi lên sóng gió ngập trời. Lão biết, đối phương nói là thật! Tới cảnh giới của bọn họ, nếu muốn nói dối không bị nhìn thấu, quả thực rất khó khăn! Hơn nữa, thực lực của bọn họ, căn bản không cần nói dối!

-Hừ, vậy thì sao? Từ thượng cổ đến nay, thời gian mấy vạn năm cũng không gặp loại tình huống như ngươi nói! Lại nói, cho dù tất cả các nơi thần bí biến mất, vậy thì lại thế nào? Ngươi cảm thấy chúng ta sẽ quan tâm sao?

-Các ngươi quan tâm hay không, điều này không trọng yếu. Quan trọng là, chuyện này chúng ta đã bày ra hơn trăm năm. Không sợ nói thật cho ngươi, Thôi gia chính là dưới khống chế của chúng ta, bằng không cho bọn họ mấy lá gan cũng không dám làm thế. Ngươi cảm thấy thực lực của chúng ta ngang với ngươi. Mà nếu sáu thế lực siêu cấp các ngươi nếu có thể liên hợp lại, cũng chẳng qua có thể sinh ra đả kích trí mạng với Thôi gia, bao gồm cả chúng ta…

Ma Võ Xương nói xong, trên mặt lộ nụ cười ngạo nghễ:

-Nhưng ngươi biết không? Ta trong môn phái của ta cũng chỉ là một ngoại môn quản sự tầm thường, bất kì một đệ tử trung tâm của nội môn đều mạnh hơn ta! Ha ha, thế nào? Không nên trái lương tâm nói ngươi không sợ! Nếu môn phái chúng ta thật sự nghiêm túc, muốn huỷ diệt Huyền Đảo các ngươi, căn bản là dễ dàng!

Lúc này trên mặt Trầm Trọng rốt cục cũng lộ ra một chút trầm trọng, tuy nhiên vẻ mặt lão lập tức nghiền ngẫm hỏi:

-Các ngươi đến từ phương Tây?

-Đúng vậy!

Giọng nói Ma Võ Xương tràn đầy kiêu ngạo.

Mà đúng lúc này, thân hình Trầm Trọng đột nhiên phát động như tia chớp, mỗi bước trong không trung dường như đều muốn đạp nát không gian! Trong nháy mắt lão vọt tới trước người Ma Võ Xương, lạnh lùng nói:

Một khi đã như vậy, trước tiên ngươi chết đi!

306. Chương 308: Mạo Hiểm!

Đả tự: endlesskid - Lương Sơn Bạc

Vẻ đắc ý trên mặt Ma Võ Xương còn chưa mất đi, liền cứng lại trên mặt. Trong mắt lão hiện lên một tia không thể tin được, lão thật sự không hiểu nổi, vì sao mình nói ra lực lượng sau lưng mình, ngược lại đối phương liền phát động công kích giống như điên cuồng như vậy? Lẽ nào lão ta không sợ loại đả kích sấm sét hay sao?

-Cuối cùng thì xảy ra chuyện gì?

Có người thì thào tự nói, sợ rằng đây cũng là vấn đề mọi người đều muốn biết. Ma Võ Xương hấp tấp ứng chiến, nhưng thần sắc vẫn không chút hốt hoảng, thân hình không ngừng chợt hiện chợt biến trên không trung.

Tiếng nổ ầm ầm thỉnh thoảng vang lên, tuy là bầu trời đêm nhưng vẫn có thể thấy từng tảng không gian lớn nổ vang giữa hai người, từng mảnh từng mảnh sụp đổ, hình thành một cơn lốc năng lượng thật lớn, hết sức dọa người!

Tần Lập nhàn nhạt nói:

-Quên đi, không có gì hay để xem cả, chúng ta đi thôi! Được rồi, tiểu xà xà, có thứ muốn tặng cho cô!

Hắc y Xà nữ nao nao, ít nhiều cũng vì Tần Lập thay đổi mà có chút không quen, bởi vì trong mắt của nàng trước giờ, Tần Lập đơn giản chỉ là một đứa nhỏ loài người rất có thiên phú. Cái gọi là dụ dỗ, dụ hoặc, câu dẫn các loại…chẳng qua là thiên tính của Xà nữ làm ra mà thôi.

Tần Lập lúc này, tuy rằng trên thực lực không có biến hoá, nhưng khí chất cả người lại đột nhiên xảy ra biến hoá rất lớn!

Dù ngay cả Lãnh Dao tâm tình vẫn có chút không quá để ý, cũng không nhịn được nghiêng đầu liếc nhìn Tần Lập. Tuy rằng nàng không mẫn cảm như Xà nữ, nhưng lúc này cũng cảm giác được trên người Tần Lập có một ít bất đồng. Dường như…càng thêm tự tin hơn?

Là như thế nào? Lãnh Dao nghĩ có chút không xác định, quay đầu lại nhìn thoáng qua bầu trời xa xa không ngừng truyền đến tiếng nổ ầm ầm, Lãnh Dao giống như rõ ràng được điểm gì đó.

-Cái gì chứ? Loại cơ hội cường giả chiến đấu nào phải dễ thấy được… Nè, người như ngươi…

Xà nữ bị Tần Lập kéo cổ tay, kéo đến lảo đảo, hận không thể hiện ra bản thể đè chết cái đứa nhỏ loài người xấu xa này.

-Lãnh Dao! Lấy ra một viên Bạo Nguyên Đan, cùng một viên Tinh Nguyên Đan.

Tần Lập dường như không cảm giác trên người mình có biến hoá gì, quay đầu lại nói. Lãnh Dao lấy từ trong người ra hai bình sứ, cẩn thận đổ ra hai viên đan dược.

Lúc đầu Xà nữ còn có vài phần khinh thường, ngẩng đầu cao cao, tuy rằng nàng đơn thuần, nhưng cũng không ngốc. Lúc trước Lãnh Dao hỏi kinh mạch nàng so với võ giả loài người thế nào, Tần Lập hỏi nàng đan dược có hiệu quả với linh thú hay không, trong đầu của nàng đã hiện lên vài điều. Chẳng qua đan dược của loài người, nàng cũng có vài phần chướng mắt.

Trên đỉnh Huyền Vũ, ngàn vạn năm qua có loại linh vật nào không sinh ra? Trong đó trời sinh ra đã có công hiệu to lớn, mà làm một trong bá chủ đỉnh Huyền Vũ, cái dạng linh vật tiên thiên gì Xà nữ chưa ăn chứ? Bởi vậy, tuy rằng Tần gia lấy đan dược lập nghiệp, nhưng cũng không đặt vào trong mắt Xà nữ.

Chẳng qua, thấy bộ dạng Lãnh Dao trịnh trọng khác thường, nàng vẫn còn không nhịn được quay đầu lại, len lén ngắm vài lần, mắt của nàng không cách nào dời đi được!

Trên thực tế, dù là nàng không cần mắt nhìn, cỗ dao động linh lực mênh mông từ đan dược kia phát ra, cũng đủ làm cho linh thú mẫn cảm như Xà nữ kinh ngạc không thôi! Trực giác nói cho nàng: đan dược này tuyệt đối không thể kém hơn bất kì thiên tài địa bảo nào nàng mà đã từng ăn trước đó!

-Đây là cái gì?

Xà nữ thốt lên, sau đó làm ra vẻ không coi ra gì, cong môi bổ sung:

-Cảm giác dường như còn có vài phần dược lực. Ừ, cũng coi như tàm tạm.

-Tàm tạm?

Lãnh Dao có chút buồn cười nhìn thoáng qua Xà nữ, nếu không có Tần Lập phân phó, nàng sẽ không lấy ra loại đan dược mới luyện thành này ra. Tuy rằng nàng luyện không ít, nhưng bởi vì tài liệu chủ cũng không nhiều, có thể nói Bạo Nguyên Đan là ăn một viên thiếu một viên! Ngươi không muốn ăn, ta còn không muốn cho ngươi nữa!

Chẳng qua động tác kế tiếp của Xà nữ hoàn toàn ngoài dự liệu của Lãnh Dao, nàng chỉ cảm thấy trước mắt mình hơi hoa một chút, nhìn lại thì hai viên đan dược trên tay mình đã tới trong tay Xà nữ.

-Trực tiếp ăn sao?

Hắc y Xà nữ vẻ mặt chờ mong nhìn Lãnh Dao, còn vươn đầu lưỡi nhỏ khiêu gợi liếm môi đỏ mọng bóng mịn, nhìn thật mê chết người.

Tần Lập cùng Lãnh Dao đều có vài phần buồn cười nhìn Xà nữ. Tần Lập lắc đầu, cười khổ nói:

-Tiểu xà xà, tuy rằng chính cô nói kinh mạch mình mạnh hơn mấy lần so với võ giả loài người, chẳng qua cô xác định mình có thể thích ứng được với loại nâng cao bùng nổ như thế này? Sẽ không căng vỡ kinh mạch của cô chứ?

-Gọi ta là Tiểu Tuyết!

Xà nữ lật mặt trắng trợn, hoàn toàn quên chính cô ta lần đầu tiên nhìn thấy Tần Lập liền tự xưng mình là xà xà.

Hai viên đan dược này mê hoặc đến nỗi nàng quả thực không cách nào khắc chế chịu đựng được. Nếu không phải nơi này là địa bàn loài người, còn có hai võ giả cảnh giới Phá Toái Hư Không đang chiến đấu, nàng thật muốn lập tức nuốt hai viên đan dược này xuống!

Nàng đã đứng ở cảnh giới Thiên Tôn đỉnh phong rất nhiều năm rồi, linh thú ra sức tu luyện, không phải chỉ cầu trường sinh như loài người. Nhưng nếu như không thể tiến vào cảnh giới Phá Toái Hư Không, thoát thai hoán cốt, bóng ma tử vong sẽ tuỳ thời bao phủ trên đầu nàng.

-Cứ yên tâm đi, ngươi cho là thọ mệnh mấy ngàn năm đến vạn năm của linh thú đều là uổng phí sao? Khẳng định không có bất cứ nguy hiểm gì!

Vẻ mặt Xà nữ tự tin nói.

Trong lòng Tần Lập tính toán thời gian một chút, cách ngày Trầm Nhạc đại hôn còn có thời gian ba ngày, sau đó nhớ tới trong đan phương thượng cổ, có một đoạn ghi chép đơn giản về Bạo Nguyên Đan.

Sau khi dùng Bạo Nguyên Đan, thực lực sẽ có một bước nâng cao bùng nổ, mà quá trình này, thông thường sẽ không quá ba ngày! Cho nên nhớ kĩ: lúc dùng Bạo Nguyên Đan, đồng thời phải lấy Cố Bản Đan làm phụ, bằng không kinh mạch sẽ không thể thừa nhận mức tăng cường nguyên lực bùng nổ như thế.

Mà một khi nổ ra, nhẹ thì võ công phế sạch, nặng thì có nguy hiểm mạng sống! Tần Lập suy nghĩ một chút, vẫn quyết định nói ra sự thật với Xà nữ. Tuy rằng bởi vì hắn tận mắt thấy võ giả Phá Toái Hư Không xuất hiện mà cảm thấy lực lượng bản thân quá yếu ớt, nóng lòng tăng cường thực lực của mình. Nhưng nếu bởi vậy mà khiến cho bản thân Xà nữ bị trọng thương thậm chí tử vong, Tần Lập nhất định sẽ rất hổ thẹn.

Hai đời làm người, để cho càng biết quý trọng hơn người bình thường. Đối với địch nhân, sẽ dùng thủ đoạn độc ác, nhưng đối với thân nhân bằng hữu, đối với người một nhà, lại phải để bọn họ cảm nhận được ánh mặt trời ấm áp.

Sau khi Xà nữ nghe xong, hơi sửng sốt một hồi, sau đó đôi mắt linh động chớp chớp, hỏi:

-Dường như ngươi không cần phải nói cho ta những chuyện này. Dù là ta bạo thể mà chết, vậy cũng là tự ta tìm, không có quan hệ gì với ngươi cả!

Lúc này Lãnh Dao cũng ngẩng đầu, đôi mắt mở to nhìn Tần Lập không chớp, muốn nghe hắn nói như thế nào.

Tần Lập cười hắc hắc, vẻ mặt đương nhiên nói:

-Cô là tay đấm tốt nhất bên người ta mà! Nếu cô xảy ra chuyện gì, an nguy của ta ai tới phụ trách chứ?

-Hứ!

Hai nàng đồng thời không nhịn được xì Tần Lập một tiếng, trợn trắng mắt.

Lập tức Tần Lập để tâm phúc Tần gia bí mật tìm Trầm Nhạc tới. Trầm Nhạc tới tươi cười nói:

-Làm sao đệ lại trở về? Đó chính là chiến đấu giữa cảnh giới Phá Toái Hư Không đó! Nói thật chứ, dù ngay cả ta cũng lần đầu tiên thấy lão tổ tông ra tay, loại cơ hội này đúng là ngàn năm một thuở mà…

-Được rồi, đừng nhiều lời nữa. Huynh ở nơi này có loại mật thất ngăn cách khí tức gì đó hay không?

Tần Lập cắt lời Trầm Nhạc, dứt khoát nói thẳng yêu cầu của bản thân.

-A! Đệ…lúc này muốn đột phá?

Trầm Nhạc nhìn Tần Lập có chút không thể tin nổi, sau đó có chút bất đắc dĩ nói:

-Hừ! Đệ cứ chờ ta an bài. Chẳng qua đại hôn của ta sợ rằng đệ không theo kịp. Được rồi, lại có người nói là đệ thấy võ giả Phá Toái Hư Không, sợ quá lặng lẽ bỏ trốn rồi. Lần này đệ bế quan, sợ là càng thêm chứng thực cách nói này. Ha ha ha!

Nhìn vẻ mặt Trầm Nhạc có chút hả hê, Tần Lập có chút bất đắc dĩ nói:

-Coi huynh kìa, lẽ nào huynh không sợ Thôi gia sao? Lúc này bọn họ thế tới hùng hồn, chưa chắc chỉ có một người thôi đâu!

Trầm Nhạc bĩu môi, khó có lúc từ miệng con cháu hào môn phun ra một câu thô tục:

-Sợ con mẹ gì? Nếu như sợ có thể không chết, lão tử thật muốn làm một tên nhát gan chính tông nữa! Nếu như sáu đại thế lực chúng ta, hơn nữa mười mấy thế lực cao cấp và cả trăm thế lực trung cấp còn không làm gì được Thôi gia, như vậy chết thì chết thôi, dù sao có nhiều người làm đệm lưng như vậy!

-Huynh thật là đã có chuẩn bị tư tưởng!

Tần Lập cười chế nhạo một câu.

-Chuẩn bị…cái rắm!

Trầm Nhạc đặt mông ngồi bên cạnh Tần Lập, khẽ thở dài một tiếng, sau đó nói:

-Lần này tất nhiên Thôi gia đã có chuẩn bị. Ta đoán, kết quả cuối cùng hẳn là đã đánh qua một phen, sau đó một người ngồi xuống đàm phán…

Trầm Nhạc nói đến đó, nhìn thoáng qua Tần Lập, do dự một chút mới nói:

-Loại chuyện này kì thật xưa nay vẫn có, bên Thôi gia kia dù có mạnh mẽ thế nào đi nữa, cũng tuyệt không có khả năng giết sạch mọi người trên Huyền Đảo! Cho nên, sau khi bày ra lực lượng của mình, bọn họ sẽ lộ ra mục đích chân chính. Chẳng qua mặc kệ mục đích của bọn họ là gì, Tần huynh đệ, ta nói lời thật với đệ: đệ làm Thôi gia ăn nhiều thiệt hại như vậy, lại làm thịt võ giả trẻ tuổi có thiên phú có hi vọng nhất của bọn họ, nếu như Thôi gia có thể chịu buông tha đệ, vậy mới gọi là chuyện quái dị. Mà một khi đám phán, nhất định đệ sẽ bị Thôi gia đẩy lên bàn đàm phán, trở thành điều kiện đầu tiên!

Lúc này, Trầm Nhạc vẻ mặt nghiêm túc chăm chú, thật ra lần đầu tiên có khí độ người thừa kế đại phái.

-Ta? Trở thành điều kiện đầu tiên?

Trong lòng Tần Lập khẽ động, lập tức hiểu được.

-Không sai! Khẳng định Thôi gia sẽ tạo áp lực với tất cả các thế lực, buộc giao ra đệ, hoặc là chờ bị diệt! Hiển nhiên Thiên Cơ Môn cùng Lâm gia nhất định sẽ đứng ở phía đệ. Nhưng mà, Tần huynh đệ phải ngẫm lại, ngoại trừ chúng ta lại có bao nhiêu người sẽ chịu vì một người ngoài mà để cho gia tộc cùng môn phái mình gánh vác phiêu lưu lớn như thế kia chứ?

Tần Lập gật đầu yên lặng, sau đó quay sang Trầm Nhạc chắp tay nói:

-Trầm huynh đại nghĩa, Tần mỗ nhận trong lòng. Lần này không có chuyện gì khác, chỉ cầu Trầm huynh cho mượn một gian mật thất, ngày Trầm huynh đại hôn, ta nhất định sẽ xuất hiện!

****

Hắc y Xà nữ cùng Tần Lập ngồi đối diện trong một gian mật thất bế quan trọng địa của Thiên Cơ Môn, ở đây sâu cách mặt đất hàng cây số!

Đôi tròng mắt yêu mị của Xà nữ dừng trên người Tần Lập, bỗng nhiên nói:

-Tần Lập! Ngươi không cần phải mạo hiểm phiêu lưu thế này, nếu ta có thể thăng cấp thành công…

Tần Lập khoát khoát tay, nhàn nhạt nói:

-Bắt đầu đi!

ducdaogia

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

Chương309: Điên cuồng tăng lên!!

Đả tự: endlesskid - Lương Sơn Bạc

Ngạn ngữ nói rất hay: Đời người không như ý mười phần hết tám chín!

Kì thật Tần Lập cảm thấy từ khi mình sống lại trên Thiên Nguyên Đại Lục đến nay, vận số đã coi như không kém rồi!

Mặc dù rất nhiều khi đằng sau vận số là hắn đổi lấy từ vào sinh ra tử, chẳng qua mọi người chỉ nhớ kĩ một mặt vận số, còn đối với những cố gắng mạo hiểm của ngươi, đều sẽ lựa chọn bỏ qua hoặc thậm chí không xem tới.

Không phải sao?

Dù ngay cho đến giờ, trong tất cả những người biết đến Tần Lập trên Huyền Đảo này, có lẽ hơn phân nửa đều càng chấp nhận coi Tần Lập trở thành một thiên tài siêu cấp thiên tư trác tuyệt, vạn năm mới có một người trên Huyền Đảo!

Nhưng hầu như không có bao nhiêu người chịu thừa nhận tất cả những gì Tần Lập có ngày hôm nay là dựa vào hắn không ngừng cố gắng đạt đến.

Nên biết rằng, Tần Lập qua năm nay mới chỉ vừa đủ hai mươi tuổi! Thừa nhận một thanh niên mới vừa hai mươi tuổi, dựa vào cố gắng cá nhân tu luyện đến Hợp Thiên cảnh? Nếu như thừa nhận, như vậy coi các võ giả ưu tú trên Huyền Đảo này ở chỗ nào?

Càng thêm quá đáng là ngoại trừ nội bộ Tần gia ra, hầu như không có người nào biết lúc này Tần Lập đã đạt đến Dung Thiên cảnh. Dù ngay cả lão ăn mày đã giao thủ với Tần Lập cũng chỉ cho rằng Tần Lập tu luyện chiến kỹ vô cùng mạnh mẽ, nhưng không cảm giác được thực lực cá nhân Tần Lập đã có nâng cao.

Cái này kì thật cũng không thể trách võ giả giao thủ với Tần Lập sơ ý. Đầu tiên là dao động nguyên lực, thứ này chỉ có thể coi như tham khảo chung chung, có vài người sở trường thu liễm khí tức, hoặc là trên người mang theo bảo vật che đậy khí tức, cho nên nói người ngoài rất khó kết luận người này rốt cuộc có tu vi gì.

Còn nói tiếp, dù là đạt đến cảnh giới Chí Tôn, nhưng nếu hắn chỉ lấy ra phân nửa thực lực chiến đấu, lại giả bộ ra vẻ ứng phó toàn lực, người khác tự nhiên vẫn sẽ cho rằng người này chỉ có thực lực Dung Thiên cảnh, thậm chí là Hợp Thiên cảnh.

Hơn nữa, ngoại trừ bản thân Tần Lập có Tiên Thiên Tử Khí, thần thức nhận biết võ giả cực kì cường đại ra, các võ giả bình thường chỉ có thể đạt tới cảnh giới Chí Tôn mới có thể bằng vào kinh nghiệm phong phú, từ dao động nguyên lực cùng chiêu thức của đối phương phán đoán ra ước chừng thực lực của đối phương mà thôi.

Loại như vừa thấy mặt, liền nói ra kết luận thực lực nông sâu của đối phương, hoặc là đoán mò, hoặc là chênh lệch thật quá lớn!

Xà nữ liếc nhìn Tần Lập thật sâu, cho tới bây giờ ấn tượng của nàng với Tần Lập rốt cuộc có một đổi mới hoàn toàn, trong lòng không khỏi bắt đầu bội phục chủ nhân của mình. Trong lòng nàng thầm nghĩ: "Người kế thừa chủ nhân tuyển chọn, quả nhiên ưu tú bất phàm! Bất luận là phẩm chất hay thực lực hoặc là trình độ cố gắng, đều đủ để đảm đương làm chủ nhân mới của mình, có tư cách để mình đi theo!"

Nhìn hai viên đan dược trong suốt bóng loáng trên tay, Xà nữ không chút do dự nuốt vào, đồng thời trong lòng nổi lên một loại cảm giác kiêu ngạo: lão già khỉ chết tiệt, lão áp chế ta mấy ngàn năm đợi tới lần gặp sau ta nhất định sẽ làm cho lão thất kinh! Hơn nữa nhất định lão sẽ hối hận, vì cái gọi là kiêu ngạo cùng tôn nghiêm, không lập tức lựa chọn theo chủ nhân Tần Lập này!

-Tập trung tinh thần! Lão yêu tinh sống mấy ngàn năm, ngay cả cái này cũng cần ta nhắc nhở sao?

Ngay khi Xà nữ miên man suy nghĩ, cảm giác bùng nổ trong cơ thể cùng tinh thần lực nháy mắt trở nên cực kì nhạy cảm rõ ràng, làm cho nàng lập tức hiểu được lúc này không được phép có bất cứ cử động phân tâm nào!

Nhưng mà nàng vẫn còn đánh giá thấp uy lực mạnh mẽ tới cực hạn của Bạo Nguyên Đan! Kinh mạch của nàng, đối với võ giả bình thường mà nói đã rộng rãi giống như sông lớn, nhưng mà linh lực bất thình lình dũng mãnh tràn vào, giống như biển lớn gào thét!

Trong lòng Xà nữ ngay lúc này rốt cuộc sinh ra một tia sợ hãi không cách nào ngăn cản nổi, cho tới giờ nàng không nghĩ tới đan dược do loài người luyện chế ra sẽ mạnh mẽ đến như vậy!

Đột nhiên, một cỗ khí tức cực kì hùng hậu khác khác truyền từ cổ tay vào. Đồng thời, giọng nói của Tần Lập lúc này vang trong tai Xà nữ, giống như âm thanh của tự nhiên.

-Ngưng thần tĩnh khí, đừng hoảng, theo ta dẫn đường, từng chút hấp thu cỗ lực lượng này!

Bản năng linh thú siêu cấp của Xà nữ trong nháy mắt này cũng thể hiện ra. Nàng nhanh chóng dẹp loạn tâm tình khẩn trương của mình, tập trung tinh thần, trong đầu chỉ còn chứa một tia linh trí, theo cỗ năng lượng hùng hậu của Tần Lập đi tiếp.

Cảm giác kinh mạch gần như bị xé rách, làm cho nàng rất muốn lớn tiếng rên la, loại đau khổ này so với loại đau đớn nàng trải qua lúc hoá hình còn phải mãnh liệt hơn gấp chục vạn lần!

Xà nữ đã từng có lúc cho rằng, trên đời này đã không còn có chuyện gì đau khổ hơn là hoá hình, còn hiện giờ cuối cùng nàng cũng hiểu được cái gì gọi là nông cạn…

Giọng Tần Lập nhàn nhạn vang lên trong tai Xà nữ:

-Nơi này là mật thất, không thể truyền ra bất kì âm thanh gì, không nhịn được thì cứ hét lên đi! Hét vỡ cổ họng cũng không ai nghe…

Tần Lập có chút toát mồ hôi, cảm giác lời này dường như có chút ý nghĩa khác.

Chẳng qua, cũng là lời này của Tần Lập lại làm tính tình kiêu ngạo không chịu thua cả Xà nữ sinh ra lực lượng nhẫn nhịn xuống. Trên thực tế, khuôn mặt kiều mị của nàng lúc này đã sớm trở nên dữ tợn đáng sợ.

Nếu như có thể lưu lại hình dạng hiện tại của nàng, chờ sau khi nàng xuất quan đưa cho nàng xem, tin rằng nhất định Xà nữ sẽ không thừa nhận người kia chính là nàng!

-Hả? Cô còn thật lợi hại nữa! Loại đai đớn này còn có thể nhịn được, chẳng qua cũng may loại đaon dược này cả đời chỉ có thể dùng một lần, có thể nâng cao tới cảnh giới gì, toàn bộ phải xem tạo hoá của mỗi người. Nếu như cô là thiên tài, nói không chừng thoáng cái liền đạt tới cảnh giới Toái Đan Thành Anh nữa đó!

Lời Tần Lập nói giống như ác ma một sừng ánh mắt loé sáng dụ hoặc người ta. Cho dù vậy, trong lòng Xà nữ vẫn không nhịn được mơ tưởng đến một khi mình thật sự có thể tiến đến cảnh giới này, sẽ là một loại kì tích được người ta chờ mong ra sao!

Bất tri bất giác, cái loại đau khổ này theo Tần Lập nói chuyện tào lao dần dần giảm bớt. Mà khiến Xà nữ không cách nào quên được, chính là cỗ lực lượng Tần Lập liên tục không ngừng đưa vào thân thể nàng.

Thật tinh thuần, thật thoải mái!

Nhìn Xà nữ đã thành công chịu qua được đoạn thời gian nguy hiểm nhất, Tần Lập yên lòng, nhìn thoáng qua Bạo Nguyên Đan trong tay, trong lòng nghĩ: Cơ thể của ta đã chịu được chiến kỹ Cửu Thiên Thập Địa Duy Ngã Độc Tôn, Cửu Chuyển Bạch Ngọc Liên cùng Chu Quả thần kì cải tạo triệt để rất nhiều lần, so sánh với kinh mạch những người khác, quả thật là rộng lớn như đại dương biển rộng mênh mông!

Cho nên, ta hẳn có thể chịu đựng được loại đau khổ khủng khiếp này, đúng vậy, ta nhất định phải vượt qua. Những người chuẩn bị cười nhạo ta, sẽ phải thất kinh! Lão tử đã chết một lần rồi, còn có cái gì phải sợ nữa? Trong lòng Tần Lập không ngừng tự cố khuyến khích mình, sau đó trên mặt hiện lên một tia kiên quyết: cầu phú quý trong nguy hiểm! Ngẩng đầu lên, nuốt Bạo Nguyên Đan xuống!

Oành!

Cái gọi là Bạo Nguyên, chính là nguyên lực giống như bùng nổ giữa kinh mạch! Cho nên, trên đan phương thượng cổ đã ghi chú rõ: sử dụng Bạo Nguyên Đan, trước hết phải cùng Cố Bản Đan!

Cũng chỉ có thể trước tiên phòng thủ kinh mạch của ngươi thật kiên cố, bất luận Bạo Nguyên Đan sinh ra vụ nổ uy lực cỡ nào, cũng sẽ không tổn hại kinh mạch! Đương nhiên, kẻ sử dụng có thể vượt qua được loại đau đớn kịch liệt này hay không, vậy thì không dễ nói. Dù sao Tần Lập xem ra, nếu không phải loại người có nghị lực kiên cường, tốt nhất vẫn đừng có động tới thứ này.

Thực lực, phương thức lí tưởng nhất là từng bước từng bước, vững vàng đi lên phía trên!

Như vậy, mới là đạo lí nâng cao tốt nhất của một võ giả!

Ngươi muốn đầu cơ trục lợi thực lực, như vậy một ngày nào đó thực lực cũng sẽ xỏ ngươi một chiêu! Cái này, từ xưa tới nay đều rất linh nghiệm!

Cho nên, cho tới nay Tần Lập đều kiên trì khổ tu cùng chiến đấu, dùng áp lực bên ngoài bức bách chính mình, không ngừng nhận được nâng cấp.

Tốc độ nâng cấp của Tần Lập, trên thực tế đã đủ để cho mọi người trợn mắt há hốc mồm, đủ để cho võ giả nỗ lực nhất cũng cảm thấy xấu hổ. Nhưng mà, đối mặt với địch nhân càng ngày càng mạnh nối gót theo tới, Tần Lập cũng chỉ có thể áp dụng phương thức mạo hiểm dùng Bạo Nguyên Đan để cấp tốc nâng cao thực lực của mình.

May là Tần Lập không phải cái loại không có một thân bản lãnh, cũng không phải gà mờ không có kinh nghiệm.

Hôm nay, Tần Lập có thể xưng là một võ giả kinh nghiệm chiến đấu hết sức phong phú!

Cái loại đau nhức này không ngừng đánh vào tâm thần Tần Lập, Tần Lập phải thừa nhận: chính mình đã xem nhẹ uy lực Bạo Nguyên Đan!

Nhiều lần sử dụng Chu Quả, chịu đựng qua cái loại cảm giác chết lên chết xuống này, Tần Lập cho rằng Bạo Nguyên Đan kia cũng không hơn thế! Đầu tiên là bởi vì bản thân đã trải qua rất nhiều đau khổ kịch liệt, mặt khác Tần Lập đối với kinh mạch thân thể của mình rất có tự tin! T

Nhưng ai biết, đến khi Tần Lập tự cho là kinh mạch của mình giống như biển rộng, trên thực tế khi đối mặt với Bạo Nguyên Đan, chẳng qua chỉ là một hồ nước hơi lớn một chút mà thôi!

Bạo Nguyên Đan…quả thật là một đại dương biển rộng mênh mông chân chính!

Ta thật sự là một lão nhà quê không có kiến thức mà!

A a a a a a a a a a a a a a!

Tần Lập thật muốn thoả thích lớn tiếng hét lên, nhưng vừa rồi Xà nữ ở trước mặt hắn biểu hiện thật là bình tĩnh thong dong, người ta là con gài cũng chịu được không lên tiếng, còn nhịn qua được.

Lúc này nếu Tần Lập không nhịn được phát ra tiếng rên, sau này còn không sợ con rắn nhỏ này cười chết sao?

May mà loại đan dược đáng chết này cả đời chỉ có thể ăn một lần! Ông nội nó, đây đâu phải là thuốc nổ, rõ ràng là bom nguyên tử mà!

Trong lòng Tần Lập than thở, cái thứ này nếu như có lần thứ hai, dù là có thể đột phá đến cảnh giới Toái Đan Thành Anh, hắn cũng không ăn! Đánh chết cũng không ăn!

Lúc này thân thể Tần Lập nháy mắt bị khí thể màu tím cực kì nồng đậm bao phủ. Nếu có người nhìn thấy một màn này, nhất định sẽ kinh ngạc đến lọt tròng.

Bởi vì Tần Lập đã hoàn toàn bị Tiên Thiên Tử Khí bao phủ, giống như một chiếc kén thật lớn, nhè nhẹ quấn quanh. Tất cả đi ra từ đan điền Tần Lập, sau đó lại theo kinh mạch các nơi tiến vào trong cơ thể Tần Lập!

Lúc này, viên tinh thể màu tím trong đan điền Tần Lập đã bắt đầu phát sinh biến hoá kịch liệt, linh lực điên cuồng dũng mạnh tràn vào, không ngừng cải tạo viên tinh thể màu tím này.

Dường như là đang tiến công, nhưng hoàn toàn không công phá tinh thể màu tím này. Cho nên, dần dần năng lượng bàng bạc kia liền dừng lại xung quanh tinh thể màu tím, hình thành một cỗ năng lượng hỗn độn.

Hiện tại, cỗ năng lượng này giống như muốn phát tiết phẫn nộ không cách nào đánh vào tinh thể màu tím kia, giống như nham thạch nóng chảy đêm trước bùng nổ, điên cuồng xao động.

Chẳng qua, chỉ cần xao động hơi chút kịch liệt, bên trên tinh thể màu tím sẽ phát ra một đám mây mù tím, trấn áp chúng xuống.

Nhoáng cái, thời gian ba ngày vội vàng trôi qua.

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

Sức mạnh Thôi gia! !!

Đả tự: endlesskid - Lương Sơn Bạc

Đêm thứ hai sau khi Xà nữ dùng Bạo Nguyên Đan, cũng đã tỉnh lại từ trạng thái bế quan. Đầu tiên là cảm giác thực lực của mình hiện giờ một chút, rốt cuộc trên khuôn mặt lạnh lùng của nàng hiện ra một nụ cười mừng rỡ như nụ hoa bung cánh!

Tiếp đó, trong lòng nàng lại rất buồn bực, vì sao lại không nghe thấy tiếng rên thét của Tần Lập, thậm chí nàng cho rằng Tần Lập không có dùng Bạo Nguyên Đan!

Làm một linh thú thực lực siêu cường, chính nàng cũng hết sức lí giải được tình huống của bản thân, cho nên đối với lời Tần Lập cùng Lãnh Dao hỏi, nàng đã nói kết quả khiêm tốn nhất trong những lời khiêm tốn rồi. Kinh mạch linh thú vốn khác hẳn với loài người, kinh mạch còn phải cứng cỏi hơn vô số lần so với loài người!

Đây dường như trong sâu xa đã có ý trời định sẵn, trời cao cho võ giả loài người một loại thiên tư tuyệt hảo, tốc độ tu luyện không gì sánh kịp, nhưng đồng dạng cũng dành cho linh thú kinh mạch cứng cỏi cùng thọ mệnh dài dòng! Một chuyện đền một chuyện, giống như đã định trước.

Nếu không, Xà nữ tuyệt không có khả năng dễ dàng sử dụng loại đan dược dược tính nguy hiểm như Bạo Nguyên Đan. Dù cho nàng muốn nâng cao thực lực của mình, cũng không đáng lấy sinh mệnh ra cược.

Nhưng Tần Lập lại hoàn toàn khiến nàng kinh ngạc, nàng thề rằng nếu không có Tần Lập vẫn dùng lực lượng thần kì của hắn cùng lời nói chống đỡ lòng tin của nàng, sợ rằng nàng đã sớm đau đến nỗi lăn lộn hét to rồi.

Cái loại đau đớn kịch liệt này, không tự mình trải qua thì không thể biết được. Lúc đó, cái gì tôn nghiêm, kiêu ngạo, đều là mây bay cả!

Xà nữ cứ ngồi ở nơi đó, đối với Tần Lập ôm một loại tâm tư phức tạp, vừa kính nể lại cảm kích, chăm chú nhìn nhân loại trẻ tuổi anh tuấn này. Ở trong lòng nghĩ: Có thể theo một chủ nhân như vậy, dường như…cũng là một chuyện không tệ!

Nghĩ thế, Xà nữ không nhịn được mỉm cười, mặt cười trắng nõn, nụ cười thật xán lạn, chưa bao giờ thấy nụ cười này xuất hiện ở trên mặt một loài động vật máu lạnh.

Lão khỉ già à lão khỉ già, sợ rằng có chết lão cũng không nghĩ tới sẽ có một ngày ta siêu việt hơn lão! Hiện giờ, ta thật sự rất mong đợi ngày trở về đỉnh Huyền Vũ!

Xà nữ thành công đột phá được bình cảnh làm nàng khó khăn nhiều năm, từ cảnh giới Thiên Tôn đỉnh phong, thiếu chút nữa đã đột phá tới cảnh giới Phá Toái Hư Không trung kỳ! Đây đã không thể dùng kì tích để hình dung, đây quả thật…đúng là thần tích mà!

Ai cũng biết, thực lực càng lên cao lại càng khó nâng lên. Giống như vốn là một hồ nước dài một thước sâu một thước, rất dễ dàng đổ đầy, sau đó hồ nước này ngày càng lớn, đáy cũng ngày càng sâu, muốn đổ đầy nó cũng ngày càng khó!

Võ giả tới cảnh giới Chí Tôn, kì thật đã là một thuỷ triều thật sâu rồi. Muốn đột phá, bất luận là tích luỹ đầy nguyên lực, hay là cảm ngộ võ đạo, mỗi một thứ đều tồn tại một khoảng cách như trời cao!

Vô số năm qua, từ lâu Xà nữ đã có cảm ngộ đặc biệt của mình về phương diện võ đạo, chỉ có tích luỹ nguyên lực, thứ này thật sự không làm giả chút nào được!

Nếu như đan dược thật sự hữu hiệu như vậy, các thế lực siêu cấp giàu sụ trên Huyền Đảo này dùng đan dược cũng có thể miễn cưỡng bồi dưỡng ra rất nhiều Chí Tôn rồi, đâu phải như bây giờ Chí Tôn cũng đã tính là cường giả đỉnh phong trên Huyền Đảo?

Chính là bởi vì sau khi tới cảnh giới Chí Tôn, thiên tài địa bảo, các loại đan dược trợ giúp cho võ giả đã chỉ còn tác dụng cực kì bé nhỏ, rất ít sinh ra hiệu quả đặc biệt hữu hiệu! Cho nên, Bạo Nguyên Đan trong tay Tần Lập, ở trong mắt Xà nữ quả thật đúng là thần đan mà!

Linh thú đa phần là ân oán rõ ràng, chịu ân huệ lớn của Tần Lập hôm nay, dù là linh thú trời sinh máu lạnh như Xà nữ, trong lòng cũng phải vô cùng cảm động.

Đôi mắt xinh đẹp của Xà nữ chớp chớp linh động, quyết định sau này nhất định phải bảo vệ tốt tiểu chủ nhân này!

Lúc này Tần Lập cũng đã sớm vượt qua giai đoạn khó chịu nhất, lúc thật sự chịu không được, Tần Lập lại vận hành chiến kỹ Cửu Thiên Thập Địa Duy Ngã Độc Tôn một lần, sau đó suy diễn kiếm ý ở trong tinh thần thức hải, không ngờ lại thu được kỳ hiệu. Cảnh giới chiến kỹ Cửu Thiên Thập Địa Duy Ngã Độc Tôn của Tần Lập, dường như đã ổn định ở tầng thứ tư!

Vốn mười lần chỉ có thể thành công một lần, hai lần kiếm ý, liền tăng gấp đôi!

Suy diễn mười lần, có thể thành công ba bốn lần!

Điều này làm cho Tần Lập quá sức vui mừng! Nên biết rằng, đây chính là tuyệt kỹ vô thượng, dù là rất nhiều võ giả Chí Tôn cũng không thể thấu hiểu!

Lão ăn mày khi đó, một đạo kiếm ý liền dễ dàng xuyên qua ngực con cháu Tần gia, làm con cháu Tần gia kia lập tức tử vong. Mà lão ăn mày kia tu luyện, theo Tần Lập xem ra hẳn là không kém bao nhiêu với chiến kỹ mình tu luyện!

Bởi vì đồng dạng, Tần Lập ở trên người Thái thượng trưởng lão Chí Tôn của Thiên Cơ Môn cùng với Lâm gia, trên người cường giả Thôi gia cho tới bây giờ cũng không cảm nhận được một loại kiếm ý sắc bén cùng cực như vậy! Mặc dù trên người bọn họ thỉnh thoảng cũng sẽ toát ra một cỗ uy áp ẩn chứa kiếm ý nhè nhẹ, nhưng cũng không thuần tuý!

Đây cũng để Tần Lập rõ ràng một điểm: loại kiếm ý này, tuy rằng có quan hệ tới lĩnh ngộ võ đạo của võ giả, nhưng đồng dạng càng có liên qua trực tiếp tới chiến kỹ họ tu luyện!

Cái gì gọi là chiến kỹ Thần cấp? Đó là bất luận chiêu thức tinh diệu, hay là trình độ phát huy lực lượng đều hơn xa các loại chiến kỹ khác! Sau đó bước tới cảnh giới cao hơn, càng mang tới trợ giúp cho võ giả khó có thể tưởng tượng!

Hiện giờ Tần Lập phải cảm thấy may mắn, càng cảm thấy hạnh phúc vì vận số của mình! Trong đầu bỗng nhiên nhớ tới Tây Qua, năm đó ngang tuổi với mình tu luyện chiến kỹ Cửu Thiên Thập Địa Duy Ngã Độc Tôn, hôm nay chẳng biết ở nơi nào. Tuy nhiên Tần Lập tin tưởng, chỉ cần Tây Qua trở lại Thanh Long quốc, bằng vào nhân mạch mình lưu lại ở Thanh Long quốc, cho dù là Hoàng đế cũng phải cho hắn ba phần mặt mũi!

Trước tiên Tần Lập nội thị đan điền, nhìn một đoàn năng lượng hỗn độn bị nén đến một trình độ nhất định, hoàn toàn bao bọc khối tinh hạch màu tím bên trong

Cho đến giờ này, đã hoàn toàn không nhìn thấy khối tinh thạch màu tím kia tồn tại nữa, chỉ có thể từ trong năng lượng hỗn độn lộ ra tử khí nhè nhẹ, mới biết khối tinh thạch màu tím còn đó. Tần Lập cảm nhận lực lượng của mình một chút, một loại cảm giác rộng mở thông suốt chưa từng có. Đây…chính là lực lượng của võ giả Chí Tôn sao? Như vậy, lúc này mình rốt cuộc là Nhân Tôn hay là Địa Tôn? Lần đầu tiên Tần Lập sinh ra một tia mê man, không biết đến cùng mình có thực lực gì.

-Lãnh tiểu thư! Xem chừng đại hôn Trầm thiếu gia sẽ bắt đầu ngay, Tần Lập thiếu gia còn chưa trở ra, những người bên Thiên Cơ Môn đã chờ sốt ruột rồi…cô xem, vậy phải làm sao đây?

Bởi vì chuyện Tần Lập cùng Xà nữ bế quan cực kì bí ẩn, cho nên toàn bộ Thiên Cơ Môn cũng chỉ có Trầm Nhạc cùng phụ thân hắn biết. Còn bên Tần gia, cũng chỉ có một mình Lãnh Dao biết mà thôi. T

-Gấp cái gì? Không phải còn ta ở đây sao?

Khuôn mặt Lãnh Dao rất lạnh lùng, người khác rất khó nhìn ra một chút tình cảm dị thường nào trên mặt nàng. Trên thực tế, trong lòng Lãnh Dao cũng là vô cùng lo lắng, nàng hết sức hiểu biết loại đan dược này, hơn xa cả Tần Lập chỉ biết trên lý thuyết. Dùng Bạo Nguyên Đan, trong vòng ba ngày tuyệt đối có thể thấy hiệu quả!

Nhưng ba ngày này vượt qua khó cỡ nào, cho dù là Lãnh Dao cũng không có nắm chắc tuyệt đối. Chẳng qua nàng còn rõ ràng một điểm: nếu như kinh mạch thân thể không kiên cố đến một trình độ nhất định, dùng Bạo Nguyên Đan chỉ có một kết cục, tự nhiên là…CHẾT!

Đồng thời Lãnh Dao cũng biết thân thể Tần Lập trải qua rất nhiều lần rèn luyện, so với võ giả bình thường đã sớm có được bất đồng rất lớn. Cho nên nàng mới có thể đồng ý Tần Lập mạo hiểm dùng Bạo Nguyên Đan nâng cao thực lực.

Hai ngày nay, Lãnh Dao cũng nhìn ra một chút manh mối, vốn rất nhiều gia tộc thân cận Tần Tần gia, thái độ đã lặng yên xảy ra một ít thay đổi, tỷ như tận lực bảo trì một chút khoảng cách với Tần gia.

Thậm chí ngay cả rất nhiều con cháu Thiên Cơ Môn cùng Lâm gia, lúc thấy người Tần gia cũng không còn loại nhiệt tình như quá khứ! Tất cả những chuyện này, đều có liên quan đến việc Tần Lập bế quan cùng trận đại chiến ngày hôm đó!

Võ giả Thôi gia thần bí hư ảo kia, đánh một đêm với Trầm Trọng lão tổ tông của Thiên Cơ Môn, không phân thắng bại! Sau đó, từ phương xa lại tới một đống người Thôi gia!

Trong đó lại còn có hai võ giả cảnh giới Phá Toái Hư Không! Một người trong đó được Trầm Trọng nhận ra được, chính là một lão tổ tông của Thôi gia. Nhưng còn lại kể cả lão già sắc mặt đau khổ đánh cùng Trầm Trọng một đêm, không ai có thể nhận ra được bọn họ.

Kế đó là một trận giằng co, người Thôi gia rất phô trương nói đến ăn mừng hôn lễ thiếu chủ Thiên Cơ Môn, chúc mừng Thiên Cơ Môn kết thân cùng Băng Thiên Nhai. Nhưng trên thực tế thì ai cũng rõ ràng, đây là Thôi gia tới thị uy mà thôi! Bởi vì trong đoàn người Thôi gia tới đây, lại có đến ba mươi mấy võ giả cảnh giới Chí Tôn!

Nếu nói hai võ giả Phá Toái Hư Không không nhận biết xuất hiện coi như bình thường, mọi người có thể xem như Thôi gia tìm được cường viện. Nhưng ba mươi mấy võ giả Chí Tôn Thôi gia kia, hầu như đa số đều được các đại nhân vật Huyền Đảo quen biết!

Giữa bọn họ có hai mươi bảy hai tám người, quá khứ đều là thiên tài tuấn kiệt nổi danh Huyền Đảo, nhưng đại đa số còn chưa đến hai trăm tuổi. Không ngờ toàn bộ đều đạt đến cảnh giới Chí Tôn!

Tuy rằng bởi vì không có động thủ, không thể nào phán đoán cuối cùng thực lực là Nhân Tôn hay Địa Tôn, nhưng cái này cũng đủ để cho mọi người trợn mắt há hốc mồm rồi!

Bởi vì theo cùng bọn họ có con cháu các thế lực khác, hầu như tất cả đều là thực lực Dung Thiên cảnh! Những người này vừa đến, khiến cho tất cả các gia tộc phải chịu áp lực khổng lồ!

Đây là Thôi gia đang thị uy, mọi người đều rõ ràng. Nhưng không ai còn dám tự tin như trước đây, nghĩ tới sáu đại thế lực siêu cấp liên hợp lại, liền nhất định có thể tiêu diệt Thôi gia.

Đích xác, dù là hiện giờ Thôi gia bày ra thực lực cường đại, nhưng vẫn không có khả năng là đối thủ của sáu đại thế lực siêu cấp Huyền Đảo liên hợp lại. Nhưng vấn đề là ai mà nghĩ như vậy thì kẻ đó đầu óc có bệnh!

Bởi vì không có bất cứ một người nắm quyền gia tộc nào sẽ đi làm chuyện đẩy gia tộc vào vực sâu huỷ diệt như thế!

Diệt Thôi gia, chính là gia tộc mình cũng sẽ bị phế đi, sau đó thành toàn cho các thế lực cao cấp thậm chí trung cấp! Đó là chuyện không thể! Không đến vãn bất đắc dĩ, không ai lại đi lựa chọn cá chết lưới rách!

Lúc này đây Thôi gia cũng phô bày mục đích, bọn họ chính là muốn làm Chí Tôn Huyền Đảo này! Chính là muốn mình là người có quyền nói chuyện duy nhất! Chỉ cần tất cả các gia tộc thừa nhận địa vị của bọn họ, như vậy có thể bỏ qua chiến đấu thảm liệt!

ducdaogia

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

307. Chương 311:

Giờ lành đến! !!

Đả tự: endlesskid - Lương Sơn Bạc

Hơn nữa, Ma Võ Xương truyền âm cho siêu cấp cường giả của những thế lực lớn trên Huyền Đảo, trực tiếp nói với những người này, Ma Võ Xương cũng không phải là đại nhân vật chân chính gì, cường giả chân chính còn chưa ra mặt đấy!

Tuy rằng Trầm Trọng cảm thấy rất phẫn nộ, lão căn bản không tin lời Ma Võ Xương, cho dù tin, lão cùng cho rằng cái gọi là võ giả càng mạnh ở phía sau, là không có khả năng dễ dàng đi vào Huyền Đảo này!

Nhưng không thể không tạm dừng chiến đấu vời Ma Võ Xương, lão sống nhiều năm như vậy, đương nhiên không sợ chết, nhưng lão cũng có băn khoăn của mình. Đó chính là, lão có thể chết, nhưng Thiên Cơ Môn không thể tan rã!

Hơn nữa Thôi gia làm ra chuyện như vậy, nếu lão còn đánh tiếp, những gia tộc khác chắc chắn có ý với Thiên Cơ Môn.

Cuối cùng Thôi gia còn đưa ra thêm một yêu cầu nhỏ, chỉ cần Thiên Cơ Môn giao ra lên tử địch Tần Lập ra đây, như vậy tất cả huyết tinh giết chóc và chiến đấu có thể lập tức đình chỉ!

Nếu không, tất cả gia tộc kết minh với Tần gia, đều là đối tượng Thôi gia điên cuồng đả kích! Về phần nói quyết tâm, giết chóc vào đêm trong thời đoạn trước đã đủ chứng minh quyết tâm của Thôi gia rồi!

Lãnh Dao còn trông thấy Thập Thất trưởng lão bị mất cánh tay của Thôi gia, đối với giọng nói của lão, quả thực quen thuộc đến khắc cốt ghi tâm!

Giao ra Tần Lập, liền có thể tránh chiến tranh, liền có thể tránh một đám bị diệt vong, liền không cần đối diện với một đám cường giả khủng bố hùng hồn này!

Nhưng vấn đề là…Tần Lập đi đâu?

Đối với điều này, Thiên Cơ Môn đưa ra giải đáp: Tất cả khách đều là khách quý của Thiên Cơ Môn. Thiên Cơ Môn không có quyền và lý do gì hạn chế sự tự do của khách quý.

Cho nên hành tung của Tần Lập, Thiên Cơ Môn cũng không nắm rõ!

Mà Thôi gia đưa ra câu trả lời chính là: Trong đại hôn của Trầm Nhạc, nếu còn không thấy Tần Lập, như vậy lập tức tẩy trừ tất cả gia tộc đã từng kết minh với Tần Lập.

Lời này của Thôi gia vừa ra, không hề dưới mười nhà thông qua người phát ngôn rằng gia tộc tỏ vẻ cắt đứt quan hệ minh hữu với Tần gia!

Điều này…tuy rằng khiến cho người ta cảm thấy đáng khinh nhưng cũng không phải là một loại bất đắc dĩ, không phải một loại bi ai không bằng người hay sao!

Lãnh Dao vẫn luôn nhìn bằng cặp mắt lạnh lùng, cảm thụ biến hoá của người khác đối với Tần gia, luôn luôn cười lạnh trong lòng, kiên trì, cô gái này từ nhủ gặp bất hạnh nên rất kiên cường!

Ít nhất, mãi cho đến hiện tại, những con cháu Tần gia này không trông thấy một chút vẻ sợ hãi trên mặt Lãnh Dao!

Cho nên, trong lòng rất nhiều người coi Lãnh Dao trở thành người có chủ kiến.

Mà ở loại thời điểm này, bỗng nhiên có một gia tộc nhảy ra, công khai tuyên bố quan hệ minh hữu với Tần gia vẫn luôn duy trì lâu dài!

Gia tộc này…là gia tộc giàu nhất thiên hạ – Tiền gia!

Đây…đây cũng đâu là trời cao bạc bẽo, đây quả thực là con mẹ nó không biết sống chết mà! T

Hầu như mọi người đều nghĩ như vậy.

Không ai biết cái tên gia chủ nhiều tiền gọi là Tiền Đa Đa trong lòng rốt cuộc nghĩ cái gì. Nếu nói Tần Lập là mỹ nữ tuyệt sắc khuynh thành thì vì một nụ cười của mỹ nữ, ngay cả mệnh cũng không cần…vậy thì coi như cũng còn hợp lý!

Nếu nói sau lưng Tần gia có chỗ dựa môn phái thần bí cường đại hơn, thỉnh thoảng đi ra mấy lão bất tử Phá Toái Hư Không, biểu lộ sự siêu cấp cường đại của Tần gia, thì cũng có thể lý giải.

Mà tình huống hiện nay, Tần gia chỉ có hai thứ có thể đưa ra: thứ nhất đan dược, thì nhì là Tần Lập!

Nhưng cho dù đan dược, chỉ cần họ bán, dùng tiền có thể mua. Thiên phú của Tần Lập có tuyệt hảo thế nào, hiện tại cũng chẳng qua chỉ là võ giả có cảnh giới Hợp Thiên!

Đừng nói là nhà khác, liền nói ngay Tiền gia còn có vô số cường giả có thể dễ dàng tiêu diệt võ giả có cảnh giới Hợp Thiên!

Như vậy, Tiền gia rốt cuộc có dũng khí gì để nói ra lời này, bất kì lúc nào đắc tội với quái vật vốn to lớn, hiện nay Thôi gia lại có viện trợ sâu không lường được. Tất cả mọi người rơi vào tình trạng khó hiểu.

Người thứ hai đứng ra tuyên bố, đối với loại thế lực chủ nghĩa độc tài quyết không thỏa hiệp như Thôi gia, lại ra ngoài dự đoán của mọi người, không phải vẫn quan hệ tốt với Tần gia, Thiên Cơ Môn là tử đối đầu với Thôi gia, mà là Băng Thiên Nhai từ trước đến nay, ngàn vạn năm chưa có lo lắng đại sự gì trên Huyền Đảo!

Sau khi quản sự đối ngoại của Băng Thiên Nhai tuyên bố ra tin tức này, lập tức khiến cho một mảnh náo động!

Tất cả mọi người sợ ngây người. Chẳng lẽ nói một người điên lên còn chưa đủ, liền ngay cả Băng Thiên Nhai cũng điên lên rồi sao?

Sự thật chứng minh, có đi đầu, còn có tiếp theo, loại hành động bá đạo như Thôi gia, ngoại trừ minh hữu của bọn họ, liền ngay cả đám cỏ đầu tường cũng đều khó chịu.

Nhưng vấn đề là, khó chịu thì sao chứ? Đối với những gia tộc môn phái bình thường mà nói, học thỏa hiệp, chính là con đường sinh tồn !

Thiên Cơ Môn và Lâm gia trịnh trọng tuyên bố: Thiên Cơ Môn và Lâm gia sẽ không chấp nhận loại yêu cầu kiêu ngạo ương ngạnh, đó cũng là chuyện trong Huyền Đảo, cũng không quan hệ với người khác!

Ngụ ý, tự nhiên là chỉ đám người Ma Võ Xương rồi.

Nhà thứ tư tuyên bố cự tuyệt Thôi gia trở thành thế lực gia tộc đệ nhất Huyền Đảo, là Tàng Kiếm Sơn Trang!

Môn phái khổng lồ này trực tiếp tỏ vẻ rất huyết tinh, trừ phi người của Tàng Kiếm Sơn Trang chết hết, nếu không, tuyệt đối sẽ không thỏa hiệp với Thôi gia!

Nhà thứ năm là Tiêu gia, so với Tàng Kiếm Sơn Trang, Tiêu gia ôn hoà hơn nhiều, nhưng đồng dạng cũng là kim trong bông, đơn giản cho rằng hành động này của Thôi gia quá mức thô bạo. Cho dù nghĩ muốn trở thành gia tộc đệ nhất Huyền Đảo, cũng không nên dùng loại biện pháp thô bạo này để đạt được. Đồng thời, Tiêu gia còn đưa ra một phương pháp giải quyết.

Đó chính là: Thiết lập một lôi đài trên Huyền Đảo. Thôi gia và minh hữu Thôi gia; những môn gia tộc và môn phái khác trên Huyền Đảo, song phương đưa ra mười người, nếu nhu Thôi gia thắng, tự nhiên chính là gia tộc Chí Tôn trên Huyền Đảo, hiệu lệnh đến, không ai dám không theo. Nhưng nếu Thôi gia thất bại, như vậy, kể cả hậu trường thần bí của Thôi gia, sau này không bao giờ phát sinh ra chuyện này nữa, khiến Huyền Đảo rơi vào trong chiến đấu binh đao, sinh linh đồ thán!

Có thể nói, Tiêu gia đưa ra ý kiến này còn thật sự là có thể làm được!

Bởi vì bất kể là Thôi gia hay là những gia tộc và môn phái khác đều không hi vọng nhìn thấy xung đột máu với quy mô lớn. Đương nhiên, đám người Ma Võ Xương cũng không thèm để ý đến thương vong của gia tộc và môn phái trên Huyền Đảo, nhưng loại thời điểm này, bọn họ cũng không nói nên lời. Nếu không, không phải khiến cho nhiều người tức giận hay sao?

Thôi gia, đối với đề nghị này của Tiêu gia, đêm ngày hôm qua đưa ra đáp án mới nhất: Muốn thông qua phương thức lôi đài sao? Có thể!

Nhưng đầu tiên, phải giao Tần Lập ra đây!

Đôi mắt Lãnh Dao hơi hơi nhắm lại, khẽ thở dài một tiếng. Trên khuôn mặt vô cùng mịn màng kia, lộ ra một chút vẻ bất đắc dĩ, một chút khinh miệt và trào phúng!

Bởi vì ngay đêm hôm qua, sau khi Thôi gia đưa ra đáp án, liền có rất nhiều người vọt tới cửa sân tinh mỹ chỗ Tần gia cư trú, hô gọi Tần Lập đừng làm rùa đen rút đầu, không nên liên lụy đến người khác, là đàn ông thì tự mình lăn ra đây cho Thôi gia một cái công đạo…

Thật sự là một đám tiểu nhân không hơn không kém nha!

Lãnh Dao nhìn thoáng qua tâm phúc Tần gia có chút sợ hãi, lạnh nhạt cười, nói:

-Đi ra ngoài chờ ta. Ta sửa soạn một chút, lập tức phải đi tham dự hôn lễ của Trầm công tử!

Con cháu tâm phúc của Tần gia kia ngẩng đầu, liếc mắt nhìn Lãnh Dao đang có vẻ mặt thong dong bình tĩnh, cũng như là người tìm được một chỗ dựa đáng tin, nói:

-Hiểu rõ, tiểu thư!

Giờ phút này, Trầm Nhạc sớm đã mặc trang phục xong, trên khuôn mặt anh tuấn trẻ tuổi kia mang theo một chút vẻ tươi cười tự tin. Đây là một ngày quan trọng nhất trong đời hắn. Cho nên, mặc kệ sau này khi đối mặt với khó khăn và nguy hiểm gì, nhưng hôm nay, là một ngày hắn vui vẻ nhất!

Lúc này Trầm Long Hưng xuất hiện phía sau Trầm Nhạc, thản nhiên nói:

-Nhạc nhi! Nhãn quang của con không kém, Tần Lập và cô gái thần bí kia đang bế quan trong mật thất, quả nhiên lộ ra một luồng khí tức cường đại. Hiện tại đã có xu thế vững vàng, hẳn là cũng mau ra đây thôi. Xem ra, cho dù hiện tại Thiên Cơ Môn giao vào trong tay ngươi, cũng tuyệt đối sẽ không suy bại. Ôi! Nếu không phải hậu trường cường đại thần bí của Thôi gia, Thiên Cơ Môn có lẽ thật sự có thể phát dương quang đại trong tay ngươi!

Trầm Nhạc nghe vậy nghiêng đầu nhìn thoáng qua phụ thân, đột nhiên phát hiện trong tóc của phụ thân không ngờ tóc mai có một số sợi bạc! Phát hiện này khiến Trầm Nhạc cảm giác một trận chua xót không hiểu trong lòng, hắn cười nói:

-Phụ thân! Ngài còn trẻ, đừng nhắc tới lời ủ rũ. Con hiện tại cũng không muốn các loại tạp vật của môn phái trói buộc. Con còn muốn đi du ngoạn một vài năm chứ! Hơn nữa, Thôi gia cũng vị tất đứng vững không ngã! Hừ!

-Đúng vậy! Mấu chốt là hậu trường thần bí của Thôi gia. Còn có một số chuyện, thà rằng tin là chuyện này có thể có. Khi đại phái chúng ta có trăm vạn dân cư mà nói, bất cứ hành động mạo hiểm nào, cũng không thể dễ dàng tạo ra.

Trầm Long Hưng thở dài nói:

-Tựa như lần ngày, ngoại trừ Vương gia ra, mấy đại thế lực siêu cấp đều tuyên bố sẽ không thỏa hiệp với Thôi gia, tất cả mọi người là bị Thôi gia ép buộc đến không có biện pháp không tỏ thái độ! Nếu không, sau này còn làm sao có thể sống yên ở Huyền Đảo?

-Hỏa Kiếm Vương gia! Gia tộc bọn họ luôn rất có ý tứ, nhìn qua, dường như vẫn duy trì trạng thái trung lập, tuy nhiên con có nghe nói, sau khi Hỏa Kiếm Vương gia chiếm được đan phương của Tần gia, Thôi gia…cũng rất nhanh chóng chiếm được loại đan dược này.

Trầm Nhạc có chút nghiền ngẫm nói.

Trầm Long Hưng gật gật đầu, khẽ thở dài:

-Tần Lập là người thanh niên rất ưu tú. Lúc này đây, bất kể như thế nào, chúng ta đều phải tận lực bảo vệ hắn! Tốt nhất là cho Thôi gia rớt đài. Hừ! Cừu hận của Tần Lập với bọn họ không thể giải. Chẳng lẽ nói, người Thôi gia hắn giết Chí Tôn trưởng lão của Thiên Cơ Môn và Lâm gia ta, chuyện này có thể dễ dàng bỏ qua sao?

Trầm Nhạc gật gật đầu, cười lạnh nói:

-Hiện tại, có rất nhiều cỏ đầu tường hướng về phía Thôi gia kia. Ngày hôm qua còn chạy tới chỗ cư trú của Tần gia la hét muốn Tần Lập tự mình đến Thôi gia chịu chết, thật sự mà một đám tiểu nhân máu lạnh!

-Những người đó? Ha ha, không cần quan tâm đến bọn họ, người có lập trường không kiên định, sớm hay muộn phải nhận được kết cục như vậy!

Trầm Long Hưng thoáng mặt lạnh cười, đối với những người đó, đồng dạng hết sức bất mãn.

-Giờ lành đã đến!

Bên ngoài, lúc này đột nhiên vang lên một thanh âm trong trẻo.

ducdaogia

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

308. Chương 312:

Nàng là nữ nhân của ta! !

Đả tự: endlesskid - Lương Sơn Bạc

Trầm Nhạc đứng dậy, vẻ mặt khôi ngô tuấn tú tràn trề tinh thần. Trong nháy mắt hắn đứng dậy, từ trong mắt phụ thân nhìn thấy một chút vui mừng, dường như trong mắt phụ thân có chút đỏ.

Trong nháy mắt này Trầm Nhạc thiếu chút nữa nước mắt tràn mi.Tuy nhiên trong nháy mắt liền cười nói:

-Phụ thân! Hôm nay con trai có sinh lực hay không?

-Con trai ta là người đàn ông anh tuấn thứ hai trên đời này!

Trầm Long Hưng gần như cũng không nói như vậy với con trai, hôm nay đột nhiên nói như vậy.

-Ặc…vậy người anh tuấn thứ nhất?

-Đương nhiên là phụ thân con rồi!

Thiên Cơ Môn, đại sảnh yến tiệc thật lớn, có thể chứa đồng thời mấy nghìn người đến ăn!

Phương diện này, giờ phút này đầu người toàn động, trên Huyền Đảo gần như tất cả người có uy tín đều có thể tìm được ở trong này!

Trong toàn bộ đại sảnh yến tiệc, giờ phút này cũng tràn ngập một không khí vui mừng cùng tốt lành. Nhưng khi nhìn kỹ, vẫn có thể thấy thần sắc bất đồng từ trên mặt những người đó!

Một đám người Thôi gia, hoà thành một thể, chiếm một vị trí trung tâm nhất, cao cao tại thượng không quan tâm đến người nào.

Người của các môn phái gia tộc khác thì tụm năm tụm ba một chỗ. Thiếu chủ Thiên Cơ Môn đã đến, cùng với…hai người Tần Lập đáng chết biến mất kia, rốt cục có xuất hiện ở nơi này hay không? Có lẽ nói, từ lâu vào lúc ban đêm, gặp chuyện không tốt liền chuẩn đi mất.

Rút cuộc, bóng dáng Trầm Nhạc xuất hiện ở cửa đại sảnh yến tiệc, cầm tay một cô gái tuyệt sắc khuynh thành, theo đó người chủ trì tại chỗ cất tiếng nói lớn hùng hậu, chậm rãi đi lên sân khấu trước đại sảnh yến tiệc.

Trên đài kia, trưởng bối hai bên đã ngồi đối diện nhau.

Bên trái là đại biểu bên phía Thiên Cơ Môn, phân biệt là phụ thân và mẫu thân Trầm Nhạc. Bên phải là một người đàn bà thần bí che mặt bằng khăn, nghe nói, người đàn bà này là sư phụ của cô gái sắp trở thành thê tử của Trầm Nhạc, chưởng môn hiện tại của Băng Thiên Nhai!

-Ngày tốt giờ lành đã đến, Thiếu chủ Thiên Cơ Môn Trầm Nhạc công tử và cao đồ của chưởng môn Băng Thiên Nhai Lãnh Phương Phỉ tiểu thư, đại hôn chính thức…bắt đầu!

Theo giọng nói của người chủ trì, toàn bộ người trong đại sảnh buổi tiệc vỗ tay, vang lên giống như thủy triều lên.

-Chờ một chút!

Lúc này, một thanh âm lạnh giá trong tiếng hoan hô và vỗ tay của mọi người.

Đột nhiên trong đại sảnh buổi tiệc vang lên, nháy mắt ép tới.

Trong lòng mọi người hơi thoáng động, thầm nghĩ: Quả nhiên đến rồi!

Trầm Long Hưng ngồi trên đài, đôi mắt bỗng nhiên bắn ra hai luồng tinh quang, nhìn về phía người phát ra tiếng, quả nhiên là người Thôi gia!

-Thôi Thập Thất! Hôm nay là ngày khuyển tử đại hôn, ta hy vọng ngươi không phát sinh bất cứ chuyện gì ở nơi này!

Đôi mắt Trầm Long Hưng nhìn lão già cụt tay đang phát ra âm thanh, lạnh lùng nói, biểu tình còn ẩn chứa một tia hung dữ.

-Ha ha, tính ra Trầm Nhạc còn là cháu của ta. Ta chính là dượng của nó mà!

Khuôn mặt Thập Thất trưởng lão đồng dạng mang theo mấy phần hung dữ:

-Cánh tay cụt của ta chính là nhờ phúc của ngài. Tuy nhiên, Long Hưng đại ca, ta không có ý quấy nhiễu hôn lễ của cháu ta, chỉ là ta làm chuyện của Thôi gia, từ trước đến nay nói được thì làm được! Ta muốn hỏi một câu, người chủ sự Tần gia có trình diện chưa? Có lẽ nói, một gia tộc quá nhỏ như Tần gia, có thể coi thường đám anh hùng trên Huyền Đảo, coi rẻ chư vị hào kiệt sao?

-Ai nói người chủ sự Tần gia chưa tới? Chính là ta!

Một giọng nói trong trẻo mà lạnh lùng, thản nhiên vang lên, không có bất kì nguyên lực nào, nhưng giống như có một loại ma lực thần kì, ánh mắt mọi người đều hướng về phía phát ra âm thanh.

Lập tức, ánh mắt rất nhiều người liền bị nữ tử vừa thốt lên lời nói kia hấp dẫn. Trong đại sảnh buổi tiệc, không khỏi phát ra một trận âm thanh nuốt nước miếng.

Người phụ nữ này…quá đẹp!

Thậm chí ngay cả tân nương tử đứng ở trước sân khấu cũng phải kém hơn nàng ba phần!

Lãnh Dao thân cao, vốn cao hơn con gái bình thường rất nhiều, dáng người xuất chúng, diện mạo cực đẹp, thường hay lộ ra khuôn mặt lạnh lùng, đều khiến cho mọi người suy niệm không ngừng, càng đừng nói hôm nay, nàng còn đặc biệt dụng tâm trang điểm một hồi.

Đôi mắt Lãnh Dao dừng trên người Thập Thất trưởng lão của Thôi gia, sâu trong đôi mắt là cừu hận không thể hóa giải được.

Thập Thất trưởng lão của Thôi gia tự nhiên biết Lãnh Dao là ai, càng biết anh em kết nghĩa của mình mấy hôm trước chết thảm vào trong tay nàng.

Nghe vậy không khỏi nhe răng cười nói:

-Hừ! Ta nghe nói lần này Tần gia đến là tiểu tạp chủng Tần Lập, khi nào thì đến phiên một tiểu nha đầu ngươi làm chủ chứ? Chẳng lẽ, Tần gia đã suy bại đến mức con gái làm chủ? Ha ha ha!

Thập Thất trưởng lão của Thôi gia cất tiếng cười cực kì chói tai, không ít cô gái ở giữa sân nghe thấy lời ấy, đều không khỏi âm thầm nhíu mày.

Con gái thì làm sao chứ? Con gái không đảm đương nhà nổi sao?

Lúc này, chưởng môn Băng Thiên Nhai vẫn an toạ ở trước đài, người đàn bà thần bí che mặt lạnh nhạt này nói:

-Con gái thì làm sao chứ? Ngươi có thù với con gái sao? Hay là, Thôi Thập Thất ngươi là từ trong tảng đá chui ra, không phải đàn bà sinh sao? Nghe nói năm xưa ngươi đê tiện vô sỉ hại chết muội muội của Trầm môn chủ. Lúc ấy ta còn không quá tin tưởng, tuy nhiên, hôm nay xem ra ngươi quả nhiên chính là một tên súc sinh không có phong thái, không có tố chất, lại càng không có nhân tính.

-Bà…bà cũng dám mắng ta?

Thôi Thập Thấp quay về phía chưởng môn thần bí của Băng Thiên Nhai giận dữ hết.

-Chửi ngươi thì sao? Ngươi dám quấy nhiễu hôn lễ đồ nhi của ta. Chửi ngươi, vẫn còn nhẹ đấy!

-Đừng tưởng rằng mình mặc quần áo người vào thì sẽ không phải là súc sinh, tỉnh lại đi, cho dù ngươi ăn mặc ra sao, cũng không thay đổi được, sự thật ngươi là súc sinh!

-Ha ha ha ha!

Lập tức trong đại sảnh buổi tiệc liền có không ít người xem Thôi gia không vừa mắt, không kìm nổi cười lớn.

Tuy nhiên, càng có nhiều người đối với chưởng môn thần bí của Băng Thiên Nhai này quả thực bội phục sát đất. Quá khứ đều nói Băng Thiên Nhai rất khiêm tốn, chưa bao giờ tham gia vào bất cứ phân tranh nào. Nhưng theo biểu hiện hôm nay, xem ra chưởng môn Băng Thiên Nhai này rõ ràng chính là người tuyệt vời nha!

Từ giọng nói sắc bén chua ngoa, liền khiến người ta cảm giác vị chưởng môn thần bí của Băng Thiên Nhai này, quả thực chính là…tuyệt vời không thể tả!

Trên mặt Thôi Thập Thất lúc này đã là một mảnh xanh mét, nhìn chưởng môn Băng Thiên Nhai với vẻ lạnh lùng, cắn răng nói:

-Tốt! Tốt! Băng Thiên Nhai khá lắm! Lĩnh giáo!

-Ít làm ra vẻ đi, nếu ngươi không phục, hiện tại có thể lăn tới đây. Hiện tại lão nương sẽ đưa ngươi xuống địa ngục!

Vị chưởng môn Băng Thiên Nhai này tuyệt đối là dũng mãnh ghê gớm. Những lời này vừa ra, toàn bộ trong đại sảnh buổi tiệc là một mảnh yên tĩnh!

-Bà…sắc mặt Thôi Thập Thất đỏ lên, hiển nhiên rất giận dữ. Một người đàn ông bị một người đàn bà gọi như vậy, lại còn có thể không hành động, hoặc là lòng dạ quá sâu, hoặc là…quá vô năng rồi!

-Đủ rồi! Không sợ mất mặt sao? Bị người nói mấy câu liền mất hết mặt mũi rồi. Ngồi xuống!

Ma Võ Xương vẫn híp mắt, thản nhiên nói một câu.

Thôi Thập Thất mạnh mẽ kiềm chế phẫn nộ, hung hăng trừng mắt nhìn vị chưởng môn Băng Thiên Nhai trên đài, rồi ngồi xuống.

Ma Võ Xương ở bên này nhìn người đàn bà băng thanh ngọc khiết đứng nơi đó, trên khuôn mặt khô gầy không có bất cứ cảm xúc gì, thản nhiên hỏi:

-Tiểu cô nương! Ta hỏi cô mấy câu kia là bởi vì thù riêng vủa chúng ta mà ảnh hưởng đến chuyện vui của Thiên Cơ Môn, cho nên mời cô phối hợp một chút, như thế nào?

-Chính các ngươi ảnh hưởng chuyện vui của người ta, làm gì có liên quan đến ta? Còn nữa, ta không biết lão, vì sao ta phải phối hợp với lão? Bất quá, là bằng hữu của Trầm công tử, ta cho Trầm công tử mặt mũi, nhưng để trả lời vấn đề của lão, nếu vấn đề của lão quá phận, tỉ như linh tinh các loại như niên kỷ, ta có thể chọn cách cự tuyệt trả lời!

Lời nói của Lãnh Dao đồng dạng rất sắc bén!

-Ha ha ha!

Trong đại sảng lại vang lên một trận cười không thể kiềm chế!

Mà ngay cả chưởng môn Băng Thiên Nhai che mặt chỉ lộ ra hai con mắt, cũng không kìm nổi nhìn Lãnh Dao vài lần.

Trên khuôn mặt khô gầy của Ma Võ Xương hiện lên một chút vẻ giận dữ. Tuy nhiên rất nhanh được lão khống chế. Đạt tới loại cảnh giới như lão, đã rất khó bị ngoại vật nhiễu loạn tâm thần.

-Lão phu sẽ không hỏi vấn đề nhàm chán này.

Ma Võ Xương bình tĩnh hỏi:

-Lão phu hỏi cô, cô nói cô có thể làm chủ cho Tần gia, như vậy, cô là người nhà nào? Hoặc là nói, cô là người nào của Tần Lập?

-Ta…

Lãnh Dao không nghĩ tới Ma Võ Xương lại hỏi loại vấn đề này, không kìm nổi nhất thời nghẹn lời. Gần như tất cả mọi người đều biết, Thượng Quan Thi Vũ là vị hôn thê của Tần Lập. Bất cứ một cô gái nào ở bên người Tần Lập đều không có danh phận.

Nếu như nói là bằng hữu của Tần Lập, đương nhiên có thể, nhưng vấn đề là, bằng hữu thì làm sao có thể làm chủ cho đối phương được?

Nhìn sắc mặt Lãnh Dao dần dần ửng đỏ, Ma Võ Xương cười nhàn nhạt:

-Làm sao? Trả lời không được sao?

-Hừ! Gã Tần Lập kia chính là con rùa đen rút đầu! Không phải người đàn ông!

-Đúng vậy! Cho con gái đỡ trước phía hắn, mình chạy xì khói, đặt an nguy minh hữu ở nơi nào chứ?

-Ôi! Trước đây ta thật là mù quáng, muốn kết minh cùng với gia tộc như Tần gia, may mắn ta tỉnh ngộ nhanh, nên giải trừ quan hệ minh hữu với Tần gia!

-Ha ha! Gã Tần Lập kia ngay cả người đàn bà của mình cũng không bằng!

Trong đám người này, có những người âm thầm đạt thành một số hiệp nghị cùng Thôi gia, thừa cơ hội này lập tức bắt đầu lên tiếng huyên náo.

-Các người nói bậy!

Một màn ửng đỏ trên mặt Lãnh Dao nháy mắt biến mất, trong đôi mắt bắn ra hào quang lạnh như băng, nhìn quét qua những người vừa nói xấu Tần Lập, nói từng chữ một:

-Ta nhớ kĩ bộ dạng của các ngươi rồi!

Trong những người đó, lập tức có không ít cúi đầu chột dạ, tuy nhiên vẫn có loại người không hề để ý, lớn tiếng nói:

-Hừ! Chúng ta nói bậy? Vậy cô nói đi, Tần Lập lăn đến nơi nào rồi? Mà cô lại là người nào của Tần Lập?

-Nói đi! Đúng vậy, cô nói đi chứ! Nói! Cô là người nào của Tần Lập?

Đám người kia tranh nhau nói ầm ĩ cả lên, cả đại sảnh buổi tiệc đều quanh quẩn âm thanh bọn họ! Nói đi! Nói đi! Nói đi!

Trầm Nhạc và Lãnh Phương Phỉ liếc nhìn nhau, đều từ trong mắt đối phương nhìn thấy một chút phẫn nộ. Khi hai người vừa mới muốn hành động, nghe thấy chưởng môn Băng Thiên Nhai và Trầm Long Hưng cùng nhau lên tiếng cảnh cáo.

-Đừng động!

-Ta…ta là…

Ngực Lãnh Dao khẽ phập phồng, câu nói kia, như thế nào đều không thể nói ra miệng.

Đúng lúc này, từ ngoài cửa đại sảnh vang lên một âm thanh chém đinh chặt sắt:

-Nàng là nữ nhân của ta!

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

309. Chương 313:

Kiếm ý đầy trời sát sát sát! !

Đả tự: endlesskid - Lương Sơn Bạc

Đại sảnh náo nhiệt ồn ào tràn ngập, theo âm thanh này tất cả tạp âm liền im bặt!

Mọi người đều không kìm nổi hướng ánh mắt về gã thanh niên với diện mạo anh tuấn dáng người cao to ở cửa đại sảnh.

Trong ánh mắt ấy, có đủ loại cảm xúc kinh ngạc, bội phục, phẫn nộ, cừu hận, vui mừng, từng thứ từ trên biểu tình của mọi người thể hiện ra.

Tần Lập đứng ở cửa đại sảnh, cười lạnh nhìn những người vừa mới kêu gào vui mừng nhất, nói với vẻ không chút lưu tình nào:

-Đám chó súc sinh các ngươi, một đám vương bát đản không có nhân tính! Lão tử không ở đây, liền dám khi dễ nữ nhân của lão tử! Trầm huynh! Nếu như ta đại khai sát giới tại hôn lễ của huynh, huynh có quan tâm hay không?

Đầu tiên là Trầm Nhạc nhìn thoáng qua Lãnh Phương Phỉ, lại nhìn thấy người phụ nữ tuyệt sắc sắp trở thành thê tử của mình. Chiếc miệng anh đào nhỏ hồng thuận hơi hơi mở ra, không một tiếng động thở ra từ "Sát", trong mắt không ngờ tràn ngập vẻ hưng phấn!

Trời ơi…ta cưới một lão bà gì thế? Trầm Nhạc lặng lẽ lau một mảng mồ hôi trên trán, nghiêng mình đi về phía ở cửa, cười nói:

-Ngươi là huynh đệ của ta, chuyện của ngươi cũng chính là chuyện của ta, bọn họ làm nhục nữ nhân của ngươi, cũng chính là làm nhục đệ muội của ta. Thiên Cơ Môn ta không cần tân khách như vậy, các ngươi có thể tự giác đi ra ngoài!

Trong buổi tiệc, lập tức một mảnh yên tĩnh!

Tất cả mọi người nhìn Trầm Nhạc với vẻ không dám tin, ai cũng không thể tin được, thiếu chủ của Thiên Cơ Môn này, diễn viên chính của ngày hôm nay không ngờ ngay cả đại hôn của mình cũng không cần, nói ra lời khiến người ta trợn mắt há hốc mồn.

-Cái gì? Ngươi nói cái gì? Lời nói của ngươi đại biểu cho thái độ của Thiên Cơ Môn sao?

-Tốt! Chúng ta từ ngàn dặm xa xôi đến đây ăn mừng, cũng chưa từng nghĩ, đường đường Thiên Cơ Môn một trong bảy đại thế lực siêu cấp không ngờ sẽ như thế này. Ha ha! Lĩnh giáo!

-Đường đường một trong bảy đại thế lực siêu cấp, môn phái lớn nhất trên Huyền Đảo, không ngờ bị phụ thuộc vào trong tay tiểu tạp chủng của một gia tộc nhỏ, thật sự là buồn cười, buồn cười mà!

Những người bị Trầm Nhạc đuổi đi, trên mặt đều lộ ra biểu tình cực kì phẫn nộ, hận không thể ăn tươi Trầm Nhạc, còn có không ít người kêu gào về phía Trầm Long Hưng.

Đương nhiên, càng có rất nhiều người trầm mặc nhìn về phía Thôi gia!

Ma Võ Xương chậm rãi đứng dậy, nhìn Tần Lập, hờ hững hỏi:

-Ngươi chính là Tần Lập?

Hầu như mọi người đều không kìm nổi ngừng hô hấp, vào đêm trước, Ma Võ Xương và lão tổ tông Trầm Trọng của Thiên Cơ Môn quyết đấu một hồi, có thể nói là long trời lở đất, để lại bóng ma không thể xóa nhòa trong lòng những người này.

Tần Lập phản ứng, kinh ngạc một chút, mọi người không biết phải nói hắn không biết sống chết, hay phải nói hắn to gan lớn mật.

Bởi vì Tần Lập căn bản không liếc mắt nhìn Ma Võ Xương một cái, mà là ung dung đi về chỗ Lãnh Dao đang đứng.

-Nha đầu ngốc! Muốn nói cái gì, cô cứ nói thẳng. Nói cô là nữ nhân của ta thì làm sao chứ? Bọn họ tính là thứ gì? Bọn họ dựa vào cái gì chất vấn cô như thế?

Tần Lập nói xong, nâng tay lau hai hàng lệ chảy tử khoé mắt, quay thân lại, nhìn người vừa mới kêu gào vui vẻ nhất, trên mặt lộ ra biểu tình giống như không phải cười tươi:

-Nghe nói, vừa rồi các người đều rất muốn tìm ta phải không?

-Hừ! Tìm ngươi thì sao chứ? Tiểu tạp chủng đáng chết như ngươi, nếu không có do ngươi, Thôi gia làm sao đối phó với gia tộc bọn ta?

-Đúng vậy! Là Thôi gia muốn tìm ngươi. Tiểu tử! Ngươi kiêu ngạo không được bao lâu, Thôi gia nhất định loại bỏ ngươi!

-Ngươi chết cũng đừng lo, đừng liên lụy chúng ta!

Tần Lập nhe răng cười, dường như cười đến khai tâm, rõ ràng ngồi xuống, nhìn thấy đám người kia biểu hiện tranh nhau kể lể tội ác này.

Có rất nhiều người nghe được sửng sốt với lời của Tần Lập. Bởi vì lần đầu tiên nghe nói…chuyện này khiến cho người ta cảm thấy xấu hổ.

Ma Võ Xương hoàn toàn không được Tần Lập nhìn đến. Tuy nhiên công phu hàm dưỡng của lão rất tốt, dường như cũng không tức giận, ngồi ở đó vui tươi hớn hở nhìn những gia tộc môn phái hoàn toàn không quan tâm Tần gia, và phát sinh mâu thuẫn kịch liệt với Tần Lập.

Hiện tại bôn hô đánh nhau kịch liệt mới đúng chứ!

Đám người Ma Võ Xương và Thôi gia đều nghĩ thế ở trong lòng.

-Các ngươi nói xong rồi sao?

Tần Lập nhìn đám người đỏ mặt tía tai kia, nói rất đơn giản:

-Nói xong thì an vị xuống đi, Trầm huynh còn muốn tổ chức hôn lễ nữa.

Tất cả mọi người đều mở miệng, ngây ngốc ở đó, Tần Lập trước sau tương phản…cũng con mẹ nó quá lớn đi? Khi vào cửa còn kêu đánh giết. Kết quả, sau khi bị người ta thóa mạ, không ngờ kêu mọi người ngồi xuống như không có chuyện.

Mẹ nó! Đây không phải là trêu người hay sao chứ?

Những người đó lập tức mặc kệ, cảm thấy Tần Lập nhất định trút giận! Hắn sợ! Sợ hãi!

Bởi vì hắn không nghĩ tới, sẽ có rất nhiều người phản bội hắn như vậy, càng kinh khủng hơn là một đám cường giả Thôi gia ngồi ở nơi đó rình mồi!

-Tiểu tạp chủng! Ngươi nhanh đi chết đi!

-Đúng! Hãy nhanh tự sát đi! Đừng liên lụy người khác!

-Hắc hắc! Tiểu nương tử bên cạnh ngươi không tự, rất có đảm lược. Hàn Phong ta còn có thể miễn cưỡng chấp nhận.

Tần Lập nghe thấy thanh âm này, bỗng nhiên ngẩng lên, phát hiện người nói chuyện chính là tiểu tử mặt trắng Hàn Phong, không khỏi ngây ngốc tại đó, khoé miệng hơi nhếch lên:

-Hàn thiếu gia! Trưởng lão nhà ngươi bị ta giết chết, không ngờ ngươi còn có mặt mũi ở nơi này! Còn dám làm bậy, thúi lắm!

-Tần Lập! Tiểu tạp chủng ngươi sắp chết đến nơi, còn dám chê cười ta, Hàn Phong ta…

Hàn Phong đứng bật dậy, chỉ vào Tần Lập chửi ầm lên.

Tuy nhiên, một quyền vừa hung ác vừa trầm trọng, mạnh mẽ đánh trên mặt hắn, đồng thời đánh miệng hắn rách nát, cũng đưa những lời còn lại của hắn đều kéo trở về!

Toàn bộ không khí trong đại sảnh trong nháy mắt khẩn trương hơn, mấy lão già có cảnh giới Phá Toái Hư Không bên phía Thôi gia đột nhiên trong mắt tất cả bắn ra một đoàn tinh quang về chỗ Hàn Phong.

Trong mắt của rất nhiều người bắn ra hào quang khó tin, bọn họ căn bản là không thể tin. Một khắc trước Tần Lập còn có bộ dáng kinh hãi, ngay sau đó đả thương người.

Tốc độ trở mặt còn nhanh hơn mình. Hơn nữa, sau một quyền đánh nát miệng Hàn Phong, một kiếm giết chết những người vừa mới kêu gào vui mừng nhất!

Mà trong những người đó, thực lực mạnh nhất đã có được thực lực cảnh giới Dung Thiên đỉnh phong!

Trên cổ của những người đó đều có một đường mỏng màu đó, trong ánh mắt tràng ngập thần sắc không dám tin và sợ hãi.

Thật lâu sau, đường máu kia mới ầm ầm bắn ra, máu tươi phun ra tung toé!

Một luồng khí lành lạnh bỗng nhiên bùng nổ lên, gần như chín mươi phần trăm người ở đây đều không kìm lòng được run lên một cái!

Rất nhiều người chỉ nhìn thấy một chút quang mang rực rỡ màu tím, sau đó chợt nghe thấy một trận kinh hô bộc phát mà không thể ngăn chặn.

Lại nhìn vào trong ánh mắt Tần Lập, làm sao còn dám có một chút khinh thường và trào phúng. Đây quả thực là một sát thần đáng sợ nha!

Tần Lập quay về phía Trầm Nhạc đang đứng ngẩn ngơ nơi đó, hơi hơi nhún vai:

-Huynh đệ! Thực xin lỗi, ta nhịn, nhưng những người này quá không biết xấu hổ, ta không nhịn được…

-Súc sinh! Ngươi dám giết môn chủ Đoạn Hồn Môn ta!

-Tần Lập! Lý gia của chúng ta không chết không thôi với ngươi!

-Nghiệt súc ngươi, Tuyệt Đao Môn ta nhất định giết ngươi!

Trong nháy mắt yên tĩnh, một luồng oán khí kinh thiên phóng thẳng lên trời. Người trong gia tộc của người đã chết điên cuồng kêu gào, ném bàn đi, xuất ra vũ khí, chuẩn bị công kích về phía Tần Lập.

Âm thanh chén bàn vỡ vụn trên mặt đất vang lên một vùng. Rất nhiều người sợ bị vạ lây cũng đều đứng dậy, liên tục thối lui về phía sau.

Vẻ mặt Ma Võ Xương ngồi ở chỗ đó cười. Chuyện này rốt cục phát triển theo chiều hướng lão chờ mong. Tần Lập này tuy rằng thiên phú cao, chiến kỹ tu luyện cũng quá bá đạo mà ngay cả mình cũng rơi vào động dung.

Nhưng dù sao cũng là người thanh niên, tuổi trẻ khí thịnh! Trêu chọc nhiều người tức giận như vậy, đừng nhìn những tiểu gia tộc mà mình không để vào mắt, nhưng Tần Lập hắn còn thiếu vài phần hoả hầu!

Riêng cơn giận của những gia tộc môn phái lớn nhỏ không đồng nhất đã đủ để bao phủ Tần Lập, khiến hắn rơi vào vạn kiếp bất phục!

Về phần Thiên Cơ Môn muốn bảo vệ Tần Lập? Có mình ở đây, ai có thể bảo vệ hắn chứ? Ma Võ Xương cảm thấy mình quả thật rất vui. Bởi vì trước đây lão luôn động não mượn lực những gia tộc môn phái mà lão không để vào mắt. Bằng vào thực lực của lão, trên Huyền Đảo này, đủ để nhìn xuống chúng sinh!

Có câu ngạn ngữ nói rằng: Ở trước mặt thực lực tuyệt đối, tất cả âm mưu quỷ kế đều phí công!

Ma Võ Xương chính là cho là như vậy. Tuy nhiên hôm nay lão vừa chơi như vậy, bức Tần Lập đối lập với những gia tộc môn phái này. Sau đó mình vốn chuẩn bị diệt trừ chiến đấu hai bên. Loại cảm giác thành tựu này khiến trong lòng hắn quả thực thoải mái cực kì!

-Một đám rác rưởi các ngươi không biết sống chết! Tuy rằng người từng trải nhìn Thôi gia không vừa mắt, tuy nhiên đối với loại đầu đường xó chợ như các ngươi thì càng không có cảm giác gì tốt. Chính các ngươi muốn chết? Được! Ta thành toàn cho các ngươi!

Tần Lập nói xong, bỗng nhiên trong lúc đó từ trên người hắn tràn ngập một luồng kiếm khí kinh thiên!

Thế không thể đỡ!

Kiếm ý vừa ra, máu chảy thành sông!

Những người kêu gào vừa rồi, tất cả một đám đều phát ra tiếng kêu hoảng sợ thảm thiết đến cực điểm, muốn né tránh, căn bản lại không có chỗ, chỗ nào có thể né tránh chứ?

Kiếm ý khổng lồ trong nháy mắt phá hủy tinh thần thức hải của bọn họ! Khiến những người này chết trong nháy mắt, đều không có được bất cứ giải thoát gì!

Đây mới là kiếm ý chính tông nhất, giết người vô hình!

So kiếm ý này với kiếm khí hỗn tạp của lão khất cái ngày trước, mạnh hơn không biết bao nhiêu lần!

Nháy mắt Ma Võ Xương lao ra. Lão già với khuôn mặt đau thương bên người lão, và lão già Thôi gia có cảnh giới Phá Toái Hư Không theo phía sau! Sau đó liền theo Ma Võ Xương cùng với lão già nho nhã và một đám võ giả Chí Tôn Thôi gia đều quá kinh sợ, đều lao ra.

Nhưng ngay trong nháy mắt này, chưởng môn Băng Thiên Nhai trên đài và mấy võ giả có cảnh giới Phá Toái Hư Không của mấy nhà khác ngồi trong đại sảnh, khí tức đồng thời bộc phát ra, lập tức bao phủ khí tức của đám người bên phía Thôi gia!

Sắc mặt Ma Võ Xương rốt cục thay đổi!

Hắn u oán nói:

-Tốt lắm đấy! Các ngươi thật là ngay mạng cũng bỏ?

Sắc mặt Trầm Trọng vẫn chưa biến, cười lạnh nói:

-Có bản lĩnh thì cứ đưa quân cứu viện của người đến chỗ chúng ta, nói lời vô nghĩa làm gì? Sợ chết thì cứ nói thẳng!

Trầm Trọng tức giận nói trước, khiến Ma Võ Xương khó duy trì bình tĩnh, lão híp mắt, nhìn vẻ mặt bình tĩnh của Trầm Trọng, đột nhiên trong lòng có chút không rõ.

Mà trong đầu Trầm Trọng lại nhớ lại vào rạng sáng hôm nay, Tần Lập lặng lẽ truyền âm nói với mình những lời đó.

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

310. Chương 314: Nơi Cực Tây Cũng Giết Như Thường!

Nói thật, Thiên Cơ Môn có thù oán với Thôi gia, hơn nữa mối thù này tuyệt đối không nhỏ, nhưng còn chưa đến mức khiến cho một đại tộc nhân khẩu trăm vạn người phải xuất động toàn lực, lại không chết không thôi. Hậu quả xảy ra ai có thể gánh vác nổi!

Không nói quan hệ của Trầm Nhạc và Tần Lập không tồi, nhưng chưa tới mức huynh đệ sinh tử, chỉ là thưởng thức lẫn nhau. Cho nên, dù Trầm Nhạc tình nghĩa như mây trời, có thể vì Tần Lập mà dâng lên tính mạng, thì Thiên Cơ Môn lại không thể!

Cùng đạo lý, các gia tộc môn phái lực chọn đối nghịch với Thôi gia cũng sẽ có phán đoán và băn khoăn của bản thân họ. Nhưng dù nói thế nào thì cũng sẽ không có người nào dùng toàn bộ gia tộc làm tiền cược! Trừ phi là điên rồi mới làm như vậy!

Sự tình quay về hai ngày trước, khi đó Tần Lập mới vừa biến mất, Thôi gia cũng kiêu ngạo đưa ra tuyên bố, muốn làm gia tộc Chí Tôn của Huyền Đảo.

Vào lúc ban đêm, nhóm đại nhân vật được tiếp đón trong sơn trang của Thiên Cơ Môn trước sau đều thấy một lão già cực kỳ thần bí. Sau đó, ngày hôm sau, Tiền gia là bên đầu tiên đứng ra, tỏ vẻ tuyệt đối không muốn thỏa hiệp cùng Thôi gia, hơn nữa quan hệ đồng minh với Tần gia duy trì vĩnh viễn!

Bởi vì lão già kia sau khi gặp Tiền gia chủ Tiền Đa Đa, lưu lại một rẽ cây đen thui trên bàn, nhìn không có chút bắt mắt, lại không có chút lưu quang nào bên trên, càng không có linh khí tràn ra.

Tuy nhiên, ánh mắt Tiền gia chủ vẫn chăm chú nhìn vào đồ vật kia, lão già đầu bạc đã rời đi, nhưng ánh mắt Tiền gia chủ vẫn không chớp mắt nhìn gốc rễ cây này.

Ngồi đối diện Tiền Đa Đa là một lão già gầy như xương, trông như một cây gỗ khô. Nếu mà nhìn thấy lão già trong mộ địa, chắc chắn ai cũng cho rằng đây là một bộ xương khô.

Hai hốc mắt sâu hoắm nhìn như hai lỗ thủng, làn da toàn thân đều dính sát lên xương cốt, một thân áo choàng màu xám vắt trên người nhìn thực quỷ dị, khiến cho người ta có cảm giác là một bộ xương đang mặc quần áo, không có chút mỹ cảm nào.

-Ha ha, thật sự không thể tưởng được, lúc ta còn sống còn có thể thấy linh khí chi nguyên tinh thuần như thế, nếu không có linh thú mạnh mẽ đến mức tận cùng còn có ai có thể lấy được thứ này từ trong núi?

Tiếng nói của lão già gầy như xương có vẻ già nua, nhưng giọng điệu lại thực sự thoải mái.

Ánh mắt Tiền Đa Đa cuối cùng cũng chuyển dời khỏi gốc rễ cây khô kia, nhìn sang lão già cười nói:

-Lão tổ tông, bằng cảnh giới của người nếu ăn khối linh khí chi nguyên này, có lẽ, đạp lên một tầng mới là không phải không thể! Hơn nữa, dù không thể tăng thực lực thì sống thêm mấy ngàn năm cũng không thành vấn đề!

-Tiểu tử ngươi, từ nhỏ đã thích nói ngọt!

Lão già khô gầy thản nhiên tươi cười, không cẩn thận thì không thể nhìn thấy. Sau đó lão già cẩn trọng nói:

-Đa Đa, ngươi thấy sao?

Bộ dạng nho nhã của Tiền gia chủ lúc này cũng thay bằng bộ mặt khôn khéo, hắn hơi nhíu mày, nhìn lão già hỏi ngược:

-Lão tổ tông, người thấy sao?

-Ngươi tên nhóc con này.

Lão già cười mắng một câu, thân thể tựa vào chiếc ghế bọc da thú, như hoàn toàn lọt thỏm vào trong, sau đó mới thản nhiên nói:

-Rất nhiều lão già năm đó khẳng định là ta sẽ sớm chết đi, ai nghĩ được, ta là kẻ vốn đã đứng trước cái chết, lại cố tình…đột phá!

Lão nói xong, bàn tay cầm lên gốc rễ cây nhìn không chớp mắt, tán thưởng:

-Chính là vì một khối linh khí chi nguyên này! Linh khí trong thiên địa nồng đậm đến một trình độ nào đó không tản đi được, xâm nhập vào đất đá hình thành linh thạch. Lấy số lượng linh khí trong đó để phán đoán độ tinh khiết của linh thạch. Mà chỉ có linh khí tiến vào đất, bao vây lấy rễ của một thiên tài địa bảo, trải qua hàng tỉ năm tích lũy mới hình thành linh khí chi nguyên! Nồng đậm, mà không tiết ra ngoài!

-Hắn có thể đưa đến một món đồ quý như vậy, hiển nhiên là có tâm tư đối với Tiền gia chúng ta, bao gồm cả sự tồn tại của ta. Nếu không thì hắn sao có thể trực tiếp đưa thẳng thứ này tới đây, sau đó nói cho chúng

ta biết, chỉ cần trợ giúp Tần Lập, chẳng những không có nguy hiểm, mà việc tốt như vậy về sau còn có thể có sao?

Lão già cười khoát tay áo, khẽ lắc đầu:

-Kỳ thực, lợi ích cũng không phải là thứ quan trọng nhất. Chẳng lẽ ngươi không nhìn ra, lão đầu bạc có thực lực khủng bố thế nào sao? Ngươi cho là, chúng ta có thể từ chối việc mà hắn giao phó hay sao?

Tiền Đa Đa ngẩn ra, lập tức nói:

-Sao? Lão tổ tông, người nói…mạnh hơn người?

Tiền Đa Đa nói xong, bản thân cũng đột nhiên hồi phục tinh thần, khóe miệng co giật kịch liệt. Hắn đột nhiên nghĩ tới, thời điểm mà lão già kia vào, dường như…lão tổ tông cũng không cảm nhận được. Mà thực lực lão tổ tông đã đạt tới cảnh giới Phá Toái Hư Không, như vậy…thực lực đối phương còn cao hơn lão tổ tông không ít!

-Lão tổ tông, con biết nên làm thế nào!

Sắc mặt Tiền Đa Đa nghiêm nghị.

Cũng đêm hôm đó, lão tổ tông Băng Thiên Nhai cũng hưng phấn gặp được một thế ngoại cao nhân từng làm phép cho nàng khi nàng còn là một đứa trẻ.

Lão tổ Thiên Cơ Môn Trầm Trọng, lão tổ Lâm gia Lâm Thái Bình, lão tổ Tàng Kiếm Sơn Trang Tạ Tốn, ba lão già đã tiến vào cảnh giới Phá Toái Hư Không cũng trong đêm đó, thời gian khác biệt, gặp được cùng một người! Sau đó những gia tộc này, trước sau không hẹn mà gặp, cùng tuyên bố chống lại Thôi gia, quyết không thỏa hiệp!

Mà Trầm Trọng thời điểm rạng sáng ngày hôm này nhận được truyền âm, khiến lão kinh hãi không biết nói gì cho tốt. Lòng tin đối với Tần Lập, đối với việc chống alị Thôi gia lại càng lớn hơn nữa!

Hai người ngoài đột phá trong trọng địa bế quan của gia tộc mình, đối với việc này tất nhiên là Trầm Trọng đặc biệt chú ý. Nhất là nữ tử áo đen kia lại cho lão một cảm giác mười phần cường đại, sâu không lường được! Có thể khiến Trầm Trọng nhìn không thấu, đưa mắt nhìn khắp Huyền Đảo ngoại trừ những lão bất tử cùng cảnh giới, thật đúng là không có bao nhiêu người! Mà nữ tử áo đen này chính là một trong số đó! Người còn lại là Tần Lập!

Tuy nhiên, đối với việc Tần Lập dùng biện pháp gì để hoàn toàn che giấu khí tức, chuẩn xác tìm được mình khi bế quan không đi ra ngoài, lại còn truyền âm cho lão, thủy chung lão vẫn không hiểu được!

Tần Lập dường như cũng không rõ ràng việc có người đi lo chuyện của hắn, lại càng không rõ những sự việc bên ngoài. Nhưng Tần Lập hỏi Trầm Trọng một câu: "Trầm lão tổ, ngài có nghe nói qua người có con ngươi màu tím chưa?"

Nói thật, đúng là Trầm Trọng chưa từng nghe nói qua! Từ thời thái cổ, thời thượng cổ đều có vô số năm thất lạc, cũng không phải tất cả các gia tôc đều dùng văn tự ghi chép lại đọan lịch sử kia. Cho dù là có thì quá nửa là không nằm trong các địa phương thần bí, lại càng không nằm trên Huyền Đảo!

Trầm Trọng tỏ vẻ bản thân không rõ ràng lắm về chuyện đó. Tần Lập dùng lời nói đơn giản nhất, nói với Trầm Trọng, thời đại thái cổ xuống dốc là vì sao.

Trầm Trọng nghe xong lại càng thêm vài phần kính trọng với Tần Lập. Lão là lão già bất tử đã sống không biết bao nhiêu năm cũng không biết chuyện này, mà dường như cả Huyền Đảo cũng không người biết được. Vì sao mà Tần Lập này còn chưa đến hai mươi đã có thể biết?

Hắn sao mà biết được? Lại nghĩ đến lão già đầu bạc, cùng với chiến kỹ của Tần Lập. Hắn tuổi trẻ mà đã có cảnh giới cao như vậy, lại còn có bổn sự xuất thần nhập hóa như vậy! Bằng vào thực lực Hợp Thiên cảnh mà có thể một kiếm chém chết Chí Tôn! Muốn nói sau lưng hắn không có một sư môn cường hãn, Trầm Trọng…không tin!

Nhất là sau khi Tần Lập nói ra chuyện người có con ngươi tím, lão cảm thấy chuyện này rất nghiêm trọng, vì đã không còn là vấn đề của riêng Huyền Đảo nữa. Nếu thật sự để Thôi gia phát hiện được, sợ rằng là

tất cả những địa phương thần bí của Thiên Nguyên Đại Lục đều sẽ phải chịu tai ương! Mà loại hành vi này của Thôi gia có bị diệt tộc cũng xứng đáng!

Cho nên, Trầm Trọng cực kỳ trịnh trọng cấp cho Tần Lập một lời hứa hẹn, Thiên Cơ môn sẽ ủng hộ hắn! Một cơ hội tạo nhân tình tốt như vậy, lão bất tử như lão sao có thể bỏ qua?

Phải biết rằng, thực ra sau khi lão nhân thần bí tìm lão đàm luận xong, lão quyết định kiên quyết chống đối Thôi gia, lại càng không nói đến lời mà Tần Lập nói cho Trầm Trọng, nữ tử áo đen đang bế quan cùng hắn, đã đánh thông cảnh giới Phá Toái Hư Không! Có nhiều cường giả Phá Toái Hư Không như vậy, toàn lực gạt bỏ một Thôi gia còn sợ sao?

Giờ phút này trong lòng Ma Võ Xương đã hận ý ngập trời. Lão không nghĩ tới, càng không ngờ có người dám đắc tội với người của Cực Tây. Tròng mắt xoay chuyển, đột nhiên lớn tiếng hét lên:

-Tốt, tốt, không nghĩ tới, gia tộc Huyền Đảo các ngươi đều là khúc xương cứng đấy. Chẳng lẽ các ngươi không sợ Cực Tây triển khai trả thù điên cuồng với các ngươi sao?

Lão tổ cảnh giới Phá Toái Hư Không của Lâm gia Lâm Thái Bình cười lạnh:

-Cực Tây? Lão già kia, ngươi đừng có đứng đó dọa chúng ta! Khoảng cách đến đó cách cả một đại lục, ngươi nghĩ chúng ta không chút kiến thức sao? Chỉ cần chúng ta giết hết nhóm các ngươi ở đây hôm nay, bọn họ có thể biết đến chuyện này không, để nói sau đi!

Lão tổ Tàng Kiếm Sơn Trang Tạ Tốn tóc vàng, thân mình khôi ngô như một con hùng sư, ha ha cười lớn nói:

-Đúng vậy, lão phu cũng muốn xem một chút, đám tiện nhân Thôi gia này chết thế náo!

-Tốt, tốt! Không nghĩ tới, các ngươi đều ăn gan hùm mật gấu cả rồi, lão phu…sẽ cho các biết sự lợi hại của Phá Toái Hư Không!

Ma Võ Xương nói xong, điên cuồng bay tới Trầm Trọng, nhưng không gian trước mắt lão đột nhiên bị xé ra, sau đó Ma Võ Xương lấy thế sét đánh không kịp bưng tai chui vào, chỉ lưu lại tiếng cười to điên cuồng:

-Muốn lưu lại một võ giả cảnh giới Phá Toái Hư Không, các ngươi…quá ngây thơ rồi! Ha ha ha, chờ xem sự trả thù của Lãnh Thu Cung đi…

Ma Võ Xương còn chưa nói xong, chợt nghe ầm vang một tiếng, không gian ngay tại chỗ Ma Võ Xương xé ra bùng nổ. Lại nhìn thân thể Ma Võ Xương đã bị tàn phá máu thịt mơ hồ!

Một nữ tử áo đen hiện ra trên nóc đại sảnh yến hội, đôi mắt lạnh như băng chăm chú nhìn Ma Võ Xương, thản nhiên nói một câu:

-Ngu ngốc!

Đám lão tổ tông của ba thế lực liếc nhau, đồng thời xuất chiêu, ầm ầm đánh về phía thân thể đầy máu của Ma Võ Xương!

Duy Ngã Độc Tôn

Tác giả:Tiểu Đao Phong Lợi

311. Chương 315: Tiệc Hôn Lễ Đầy Giết Chóc!

Nói ra thì dài, nhưng trên thực tế chỉ là trong nháy mắt mà thôi. Gần như không ai có thể nghĩ tới, chuyện này ngay từ đầu đã không thể khống chế được. Nhóm các lão già tổ tông của các thế lực siêu cấp như ăn phải thuốc kích thích, điên cuồng công kích Thôi gia!

Mà bên phía Tần Lập cũng ra tay không chút lưu tình, phàm là kẻ làm nhục Tần gia trước đó, khi dễ tộc nhân gia tộc và Lãnh Dao thì một tên cũng không tha.

Gia tộc đó, không có Chí Tôn!

Vốn họ cũng nghĩ, Tần Lập chỉ là một võ giả cảnh giới Hợp Thiên, dù đã từng giết Chí Tôn Thôi Lãnh cũng chỉ là xảo hợp mà thôi, chỉ cần vây công hắn lâu một chút thì nhất định có thể giết hắn!

Lại không nghĩ rằng, ngay trong đại sảnh yến hội, biểu hiện của Tần Lập còn điên cuồng hơn những lão bất tử cảnh giới Phá Toái Hư Không kia vô số lần!

Vì những võ giả đã đạt tới cảnh giới Phá Toái Hư Không khi quyết đấu sinh tử mà muốn đánh nhanh thắng nhanh cũng không dễ dàng, hơn nữa tuy rằng đại sảnh yến hội này rộng lớn, nhưng cũng không phải là nơi chiến đấu tốt.

Cho nên, ngay từ đầu trận chiến, những người này không hẹn mà cùng phá vỡ trần nhà bay lên trên không trung triển khai chiến đấu! Mà chiến đấu của Tần Lập so với họ thì đơn giản mà hữu hiệu hơn nhiều! Một thanh Ẩm Huyết kiếm trong tay, gần như không người nào địch nổi! Cái gì gọi là Cửu Thiên Thập Địa Duy Ngã Độc Tôn? Cái gì mới được gọi là chiến kỹ Thần cấp?

Dù là kỹ xảo hay lực lượng, dù là kiếm ý, dù là tinh lực, dù là cường độ thân thể Tần Lập đều là người mạnh nhất trong các võ giả đồng cấp!

Không một ai bằng!

Tần Lập đã đột phá đến cảnh giới Chí Tôn, hắn thậm chí còn không biết hiện giờ thực lực của mình là Nhân Tôn hay Địa Tôn!

Như vậy, lấy thực lực hiện tại của hắn, giết các võ giả dưới Chí Tôn của các gia tộc môn phái kia quả thực chính là khi dễ người!

-Tần Lập, ngươi là đồ ác ma! Lão tử thành quỷ cũng không buông tha ngươi!

-Tần Lập, ngươi là đồ súc sinh, nhất định sẽ gặp báo ứng!

-Tần Lập, ngươi buông tha ta đi, ta sẽ quỳ xuống, ta sẽ…

Nhóm người bị Tần Lập đồ sát kêu gào như người bị tâm thần, ngông cuồng trong lòng họ không còn một chút, chỉ còn là sợ hãi và hối hận.

Tuy nhiên không có tác dụng.

Gương mặt lạnh lẽo của Tần Lập căn bản là không chút biểu tình mềm lòng!

Những kẻ này đều là lũ súc sinh bỏ đá xuống giếng! Lưu lại mạng sống của chúng làm gì? Tần Lập không giết người vì vui, nhưng một khi giết người, tuyệt không nương tay! Đời trước chưa từng nương tay, đời này lại càng không! Hắn hôm nay ở đây liền muốn giết sạch những tinh nhuệ của Thôi gia này! Cái gì Cực Tây, cái gì con ngươi màu tím? Đều quá xa xôi! Ai đối phó với ta, vậy phải chịu đựng sự trả thù của ta!

Nếu hôm nay ta không có thực lực này thì kẻ ngã xuống nhất định là ta! Bằng hữu của ta, thân nhân của ta…tất cả những người có quan hệ với ta, đều sẽ gặp cùng cảnh ngộ! Cho nên, ta giết các ngươi tuyệt không nương tay!

Người bên Thôi gia tràn ngập vẻ kinh hãi. Các võ giả cảnh giới Chí Tôn bên Thôi gia lúc này cũng đã hoàn toàn vứt hết thể diện, tự mình tìm đối thủ, dần dần thối lui ra ngoài rìa trận chiến.

Nói thật, Thôi gia đúng là quả trứng xui xẻo, tuy nhiên, nếu họ không có dã tâm lớn như vậy, vậy sự tình chắc gì đã lâm vào cảnh không thể đảo ngược được thế này!

Có một số việc, hợp tác, thực tế hơn xa áp bức và giết chóc. Đáng tiếc là lại có nhiều người trong quá trình bành trướng dần dần bị lạc lối. Ánh mắt Lãnh Dao nhìn chằm chằm vào Thôi gia Thập Thất trưởng lão Thôi Bất Quần, mà Thôi Bất Quần cũng chú ý đến nàng.

Trong mắt Thôi Bất Quần, Lãnh Dao là nữ nhân của Tần Lập, mà chuyện ngày hôm nay có tám chín phần mười là có liên quan tới Tần Lập. Phải bắt được nữ nhân này, như vậy chẳng khác này đã chế trụ được Tần Lập!

Thôi Bất Quần rất tin tưởng vào thực lực của mình! Lấy cảnh giới Chí Tôn của lão, nếu ngay cả một nữ nhân có thực lực xa xa không bằng mình mà bắt không được, vậy thì lão thực đáng chết.

Khóe miệng Thôi Bất Quần nhếch lên một nụ cười dữ tợn. Thực ra lão cũng không sợ tình hình hôm nay. Đúng vậy, nhìn qua thì dường như Thôi gia gặp phải hiểm cảnh toàn quân bị diệt, nhưng trên thực tế, nếu một lòng muốn chạy trốn thì có bao nhiêu người có thể ngăn cản? Dù ba tôn giả đã chết, nhưng trong Thôi gia không phải còn một sao? Chỉ cần tôn giả kia còn sống, truyền tin tức quay về sư môn, phái cường giả tới tiếp viện thì những gia tộc trên Huyền Đảo này có thể chống đỡ được sao? Thân ảnh Thôi Bất Quần nhoáng lên một cái, như một cái bóng mờ hướng về phía Lãnh Dao!

Cánh tay phải của lão thiếu chút nữa là bắt được vạt áo Lãnh Dao, trong lòng Thôi Bất Quần vô cùng hưng phấn, vì hắn phát hiện, nữ tử này thực sự có dung mạo rất xinh đẹp! Nữ tử như vậy bắt về Thôi gia, nếu có thể mây mưa cùng nàng một phen thì loại tư vị này nhất định rất tiêu hồn.

Trước mắt Thôi Bất Quần đột nhiên sáng lên một đạo hào quang chói mắt. Đồng tử lão chợt co rụt lại. Ngay sau đó, lão cảm giác được từ trên cánh tay truyền đến một trận đau đớn, không nhịn được liền kêu lên một tiếng thảm thiết!

-A a a! Cánh tay của ta!

Trong cảm giác đau đớn, lão thấy ngón tay của mình hoàn toàn không còn nghe lời nữa. Chỉ trong chớp mắt mà cánh tay phải của lão không ngờ đã bị chặt đứt!

-Ngu ngốc!

Người thanh niên đứng cạnh Lãnh Dao nhẹ nhàng mắng một câu lại khiến tất cả lòng tin của Thôi Bất Quần hoàn toàn vỡ tan.

-Ngươi cho ngươi là Chí Tôn thì rất giỏi sao? Ngươi còn không bằng Thôi Lãnh!

Tần Lập nói xong, ra tay như điện, một kiếm đâm vào đan điền của Thôi Bất Quần, một kiếm này phá tan nguyên lực đang bành trướng lên của hắn.

-Muốn chết? Cũng phải có cơ hội!

Ẩm Huyết Kiếm đâm vào miệng của Thôi Bất Quần, cổ tay nhẹ rung lên, răng trong miệng Thôi Bất Quần lập tức bị chặt sạch, muốn cắn lưỡi tự sát đối với Thôi Bất Quần cũng là một hi vọng xa vời!

-Lão…giao cho tỷ đó!
